

Ditsy Wife 1891

Chapter 1891: I need emergency treatment

Yu qinghuan paused and kept her smile. She said to King, " "Let's go!"

King followed her. After he was far away, he turned around and took a look at Gong Bai.

"Why aren't you getting up?" Gong Bai lowered his head and looked at Huo die,

The fire butterfly angrily smacked his leg and roared, "You don't know how to help me up?"

Gong Bai was quite helpless. He really didn't want to have too much contact with women!

However, he had no choice but to help her back to her room.

He glanced at the floor-to-ceiling window and guessed that she was badly injured. After placing her on the sofa, he said, " I think we need to go to the hospital. Look at that glass ... "I will pay for it."

"Yingluo, I didn't mean that."

"Then don't worry, I'll definitely be fine."

"Why are you so sure?" Gong Bai felt strange and asked.

"Do you know that woman?" Huo die looked at him.

Gong Bai paused for a moment. He felt that some things were extremely scary when he thought about them carefully, so he decided not to think in that direction.

I think I got the wrong person, " he said, his scalp tingling. my brother-in-law's mother looks like her, but their ages don't match.

Huodie sneered and fell on the sofa without saying anything.

Gong Bai took a glance at her, stood up, and picked up her suitcase. He asked, "What do you want to eat?"

"Shouldn't you be going to work?" Huo die suddenly sat up.

Gong Bai was shocked. He wanted to hurry to the company, but he was afraid that King and Yu qinghuan would come back. In that case, the fire butterfly would most likely be dead.

He simply took a day off and focused on making breakfast.

Huo die walked to his side and asked, "Why did you stop me just now?" "Do you think you're their match?" He looked at her.

"But you shouldn't have stopped me!" She said with dissatisfaction. At worst, both sides will be injured!"

"Then I'll have to collect your corpse."

whoosh, whoosh, whoosh, whoosh. the fire butterfly was so angry that it didn't speak for a long time. Finally, it slammed the counter- n I'm not cleaning today!

These days, she had not been eating and drinking for free. She had been cleaning the place.

“You’re leaving, and I didn’t plan to let you clean the place,” Gong Bai said.

Huo die choked and spat out a mouthful of blood, which sprayed all over the wall in front of her.

Startled, Gong Bai turned around and saw her falling backward. He immediately hugged her and said, “Fire butterfly!”

The fire butterfly looked at him weakly and coughed, “I think Yingluo needs to be saved.”

Gong Bai picked her up in his arms and rushed to the hospital.

Huo die suffered internal injuries again. The doctors and nurses suspected Gong Bai of domestic violence again and almost called the police.

Gong Bai felt so wronged!

He asked Huo die, “was it that man?” How did you do it?”

“You don’t need to care.” Huo die said unhappily.

Gong Bai was stunned and didn’t bother to ask.

One day later, Huo die was discharged from the hospital, and Gong Bai took her home again.

She hadn’t fully recovered yet, so he told her to rest well. She didn’t say she was leaving, so she stayed back

After a while, she was full of energy and asked to leave again.

Flipping through the newspaper, Gong Bai said indifferently, “Why don’t you stay here?”

“If they come back, your life will be in danger!”

“I know how to make Apple pie.”

The fire butterfly was not convinced!

Why did he have to save his life with a few apple pies?

“Then if I die, you’ll have to collect my corpse!” She said angrily.

“But I don’t think they’ll come back. Unless you take the initiative to die..”

Chapter 1892: Chapter 1903 -elusive

“You ...” Huo die glared at him. “You’re so annoying!”

“Yingluo” is more annoying, right? He simply couldn’t imagine how annoying she was in the past, making people come to his door after the new year!

Suddenly, huodie said sadly, “but I can’t find a job, Yingluo.”

take your time. If you can’t find it, just clean up for me. I’ll provide you with food and accommodation.

The fire butterfly’s eyes turned, and she asked awkwardly, “You won’t drive me away in the future, will you?”

“I won’t,”

“Then, I’ll stay here temporarily, Yingluo.” She whispered.

Two years quickly passed by as Huo die stayed.

She had finally found a stable job—a waitress at a dessert shop. The dessert shop was located in a square with many tourists, and her Chinese was very useful.

Of course, she also needed to learn foreign languages.

Before she found this job, Gong Bai had taken some time to teach her.

She returned the favor and asked Gong Bai if he wanted to learn how to kill people.

Gong Bai hurriedly waved his hand and finally couldn’t help but ask, “You were a killer?”

“Then why did you kill him? You’re still teaching me?”

Oh my God! Huo die was stumped by the question. then should I teach you how to fight? ” The next time those two come looking for you, you won’t be so helpless.

Gong Bai thought for a moment and decided to learn it since he had nothing to do anyway.

Hence, she taught him a few fist and foot techniques, almost all of which were skills that could kill in one hit. She also taught him how to use a gun.

However, he found that there was more physical contact between the two of them, so he quickly found an excuse to stop.

Two years had passed. Although the two of them lived under the same roof, they were very polite.

The main problem was Gong Bai. He was always absent-minded and ignored people. He would change his personality even when the weather was cold. Huo die felt that he was really hard to understand!

Sometimes, he treated her very well, but sometimes, he treated her like a stranger.

After being with him for two years, her heart had become more and more unsettled.

She often forgot that he was her landlord and they could only be considered as a co-tenant and a neighbor. But sometimes, his attitude would remind her: They were just strangers, not each other's.

On New Year's Day, Gong Bai was on holiday, but Huo die had to work overtime.

Before she left the house in the morning, she said, "shall we have dinner together tonight?" Let's go and see the fireworks!" "No, I won't." Gong Bai refused flatly.

"You really don't need it?" Huo die was startled.

She remembered that he had been in a bad mood last year. She didn't know if it was because he was too lonely, but she wanted to spend time with him.

"No need," Gong Bai felt a headache and wanted to drink.

The fire butterfly sighed, turned around, and left.

She only came back at 10 p.m. -Better than yesterday. Last night, the dessert

shop only closed at 12:30 p.m. It was already 2 p.m. When she got home!

She was carrying a cake, which was not sold out in the shop.

When she reached the entrance of the villa, she saw that the lights in the living room were on. She opened the door with a smile. "Little white . . . 't

As soon as she entered the room, she smelled a strong scent of alcohol. Her expression changed immediately and she rushed to the dining room.

Gong Bai was lying on his stomach on the dining table, which was full of empty wine bottles.

The fire butterfly was shocked and rushed over to call him, "little white!" Little white! Wake up, Yingluo. M/hy are you so drunk?"

Huo die grumbled and carried him upstairs.

He was very heavy, but fortunately, she was strong. She gritted her teeth and carried him into the room without much effort.

She threw him on the bed, and he suddenly turned around and grabbed her hand. He mumbled, "My heart is filled with sorrow."

"Al!" Huo die lost her balance and fell on him, so she didn't hear what he said..

Chapter 1893: Like him well

Huo die got up and was stunned when she saw his red face.

She slowly leaned back and looked at him in a daze.

His body reeked of alcohol. The intoxicating smell was very fragrant. His face was very charming, so perfect that it seemed to be a gift from the heavens.

She reached out and carefully touched his face, then immediately retracted her hand and looked at him nervously.

Seeing that he didn't react, she finally became bold. Holding her breath, she slowly covered his face and gently stroked it back and forth.

The two of them had been together for almost two years, and she had long been moved by him, but his attitude was unpredictable, which made her afraid.

However, at this moment, he was so obedient and let her do whatever she wanted. She was finally willing to face her feelings.

She retracted her hand and looked around nervously. Then, she lowered her

head like a thief and quickly kissed him on the cheek.

In the next second, her face turned completely red.

She covered her face and quickly got up, then turned and ran out of the room.

When she returned to her room, her heart was beating fast. However, she was as happy as a little bird, spinning around in the room and landing lightly on the bed. Her eyes were shining as she looked at the ceiling and the crystal lights.

She pulled up the blanket and laughed, her eyes curved like crescent moons.

From tomorrow onwards, she was going to like him.

Gong Bai got up very late because of his hangover.

She walked into the kitchen and saw a note on the refrigerator-

[the porridge is in the pot and the pancakes are on the stove. Remember to eat them when they're hot.
You can find me for lunch at noon-butterfly]

Gong Bai took off the note and read the words "the porridge is in the pot, and the cake is on the stove.'

There was a flirtatious saying, " the rice is in the pot, I'm in bed. she probably didn't understand this, right?

Or was he too dirty to think in this direction?

He threw the note into the trash can, opened the pot, scooped a bowl of porridge, and put it in the microwave with the cake.

Two years ago, the fire butterfly had done almost nothing. Now, he could clean up and cook a few simple dishes.

Of course, he didn't go to her for lunch.

The two of them lived under the same roof, and he didn't want anything ambiguous to happen.

Occasionally, he would notice that the way Huo die looked at him was a little different, but he didn't know if it was just wishful thinking.

But no matter what, he had to do his best to avoid certain things, because he no longer wanted to touch feelings.

It was almost noon. Huo die craned her neck and looked around at the door of the store she was working in, wondering if Gong Bai would come. She called Gong Bai on her cell phone and asked, "Did you see my note?" "I see it." Gong Bai was cooking at home. thank you for your breakfast.

"Do you want to have lunch with me?"

"No. Your lunch break is so short, so it's not troublesome." "What about dinner?" Huo die asked disappointedly.

"No need."

"You're so boring!" Huo die couldn't help but say, "are you just staying at home during the holidays? Can't you come out and see the beautiful world outside?"

"There's nothing to see."

"You ... You're like a retired old man!" Huo die angrily hung up the phone.

After work, she didn't eat out but rushed home.

She bought some ingredients and put them in the kitchen before running upstairs.

At this time, she guessed that he was watering the flowers. She walked to the door of the greenhouse and saw him.

She sorted out her emotions, pushed open the door, and greeted him with a smile. "Hi

"You're back?" Gong Bai raised his head.

"En!" Seeing that he was willing to talk to her, Huo die was overjoyed. She jumped over and said, "let me do it?"

“No need. You just got off work, go rest.”

it's not like I'm tired •'Huo die looked at him lovingly, and asked with a red face," have you had dinner?"

Chapter 1894: retreat

Gong Bai fell silent and didn't answer.

The fire butterfly could only answer its own question,"you didn't eat, right?" I didn't eat either! What do you want to eat? I'll do it!" Gong Bai put down the flower pot and said, " let me do it.

“Then I'll help!”

Yingluo. he didn't really want to stay in the same space with her and do the same thing.

However, she didn't do anything, so he couldn't use what she did to deal with her.

While cooking, Huo die was marinating the fish.

Gong Bai took a glance at her and saw that she was applying the Eury powder on the fish as if she was playing with it. He couldn't help but say, “Hurry up, or there won't be enough time and the food won't be good, Yingying.”

Huo die glared at him, quickly marinating the fish, then turned around and wiped his nose with her powder-covered hand.

He was stunned.

The fire butterfly laughed and reached out her hands to touch his face. He dodged it with a straight face and said seriously, "Don't mess around!" don't be like this, smile! It's a New Year, you need a new atmosphere!

Gong Bai had no choice but to turn his back to her and continue to look at the vegetables in the pot.

Huo die jumped a few times behind him and reached out to touch his face.

He was furious and turned around,"you-" ah! the fire butterfly ran out of the kitchen, screaming.

Gong Bai wiped his face with a wet tissue in frustration.

After a while, Huo die sneakily stuck her head out of the door.

He walked over and closed the door. The fire butterfly was startled and knocked on the door, but he locked it from the inside.

"Gong Xiaobai!" The fire butterfly shouted.

"If you keep screaming, you won't be able to eat!" Gong Bai said.

She was finally quiet, and he heaved a sigh of relief. When he opened the door after cooking, he didn't see her.

He placed the dishes on the table and went to look for her. "Huo Xiaodie, where are you? It's time to eat!" it's time to wash the clothes ... the Voice of the Fire butterfly came.

Gong Bai walked toward the laundry room and was surprised to see her taking out his clothes from the washing machine. "Why are you touching my clothes?"

“I’m washing it for you!” Huo die said matter-of-factly.

“Didn’t I say that I can wash myself!” Gong Bai walked over and grabbed his clothes, only to find that she had also washed his underwear. His forehead twitched at once.

He took out the clothes with a straight face and found that her clothes were also inside. He widened his eyes and asked, “Why are you taking a shower together?”

“To save water and electricity.”

“Yingluo, you’re not allowed to touch my things in the future!” He left with the clothes.

Huo die snorted, “what’s the meaning of this? isn’t it easy to wash your

clothes?”

She hung up her clothes and walked into the dining room. He had already started eating.

“Why didn’t you wait for me?” she asked unhappily.

Gong Bai ignored him. you’re just a coward. Huo die sighed in anger. She scooped a bowl of rice and began to eat it angrily.

Gong Bai finished his meal quickly. He put down his bowl and chopsticks and said, “Clean up after you’re done.”

hey ... Huo die called him. Seeing him go upstairs without looking back, she put down her bowl and chopsticks in frustration.

Why was he so cold to her? Every time she tried to get a little closer to him, he had to retreat. Was she a monster?

Huo die bit her lip and sat on the bench, feeling sad for more than ten minutes before continuing to eat.

After she finished eating, she cleaned the kitchen and went to look for him.

She walked to the door of his study and knocked on it. He hasn't replied. Is he not here?

She turned the doorknob but it didn't open!

Ha! He was clearly there, but he was pretending to be dead!

"When did I offend you?" She shouted and kicked the door. She rolled up her sleeves and turned around.

In the study room, Gong Bai closed his eyes helplessly. A few minutes later, he heard someone knocking on the window.. He turned around and saw the fire butterfly lying on the window!

Chapter 1895: In order to avoid her

He was shocked and quickly put down the teacup in his hand and walked over.

He opened the window that she had not touched and shouted at her, "What are you doing?"

I'm wiping the glass. Huo die raised her hand and turned the rag in her hand.

“Yingluo, come in!” Gong Bai stepped back in exasperation.

Huo die smiled smugly and immediately jumped into the room.

Gong Bai took a deep breath and asked, “are you looking for death?” Do you need to clean the glass here?”

He had hired a cleaning company to clean it regularly!

“Who told you to ignore me, Yingluo?” Huo die muttered, aggrieved.

She raised her eyes and looked at him pitifully. “Are you angry?”

“No, I didn’t,”

“Liar! Then why are you ignoring me?”

How was he going to tell her “my Hanhan”? He just wanted to stay away from

“Is it wrong to wash your clothes?” She muttered.

Gong Bai took a deep breath and said seriously, “It’s not wrong to do the laundry, I’m very grateful. But there’s a difference between men and women. It’s not right to wash together.”

“I don’t mind ...

“I mind!” He roared.

The fire butterfly was startled and felt somewhat embarrassed.

She angrily threw the rag at his face and rushed out of the room.

Bastard! Bastard!

She did not want to like him anymore! Bastard!

The two of them started a Cold War, or rather, it was a one-sided Cold War between Huo die and Gong Bai, because Gong Bai's attitude had always been the same. She had always been the one to initiate a conversation with him, and he would not care about her life or death.

The more Huo die thought about it, the sadder she became. Every day, she secretly observed his expression and found that he didn't care how the two of them got along.

Being a stranger might be the state he was most satisfied with.

Soon, it was the Lunar New Year.

Two days before New Year's Eve, during breakfast, Huo die finally pulled a long face and going to be the new year soon. How are we going to celebrate this year?"

"I've applied for leave, I'm going home," Gong Bai said calmly.

"Ah?" Huo die was stunned. go, go home? "

"Yes," He looked at her and said frankly, " I haven't been home for many years.

I plan to go back and take a look. You should also go home."

my Hanhan. her expression changed, and she lowered her face sadly. I don't have a Hanhan.

He pursed his lips and did not speak.

“Can, can I go with you?” Huo die looked at him.

“No,” he refused without even thinking.

“Then you can stay here alone.”

“It’s dangerous, I’m a girl!”

He couldn’t help but laugh. it’s only dangerous when others encounter you. You said it yourself.

what if King comes back? ” She asked excitedly.

“Even if he comes back, I can’t stop him here,” he said after a long silence. “But you can make Apple pie! That woman loves it!”

“You can do it now, don’t be afraid.” He curled his lips slightly. that’s all. Huo die knew that there was no other way, and she felt very sad.

She always felt that he was trying to avoid her.

She lowered her head and wiped her tears in a panic. then when are you leaving? When are you coming back?”

“I’m leaving the day after tomorrow. I’ll be back after the Lantern Festival.”

The fire butterfly was dazed for a moment, and then cried sadly,”In other words, I’m going to celebrate the festival alone this year? Spending New Year’s Eve alone, spending New Year’s Day alone, and

spending Lantern Festival alone.' fire butterfly Pixiu! Gong Bai suddenly felt sorry for her. don't be like this.

I'm used to being with you, Huahua," huodie cried. I don't have anyone else in this world, I only have you, Huahua.

Hearing her words, Gong Bai couldn't Promise Her Anything. He stood up abruptly and said, "I've already made the arrangements. I have my own life, I can't waste time with you.."

Chapter 1896: She's not my woman

The fire butterfly raised its head and looked at him with tears in its eyes.

sigh. he sighed and turned to leave the dining room. that's it.

The fire butterfly lay on the table and began to cry.

Gong Bai left two days later.

Huo die followed him to the door and asked,"Where's your home? China? Which city?"

Gong Bai heaved a sigh and gave an irrelevant answer,"Be careful when you're alone.'

The fire butterfly paused and lowered her eyes in disappointment. "Will you come back? Will you give me a call when you arrive?"

He was silent for about half a minute before he nodded. "I will.'

The fire butterfly laughed and pounced on him.

Startled, Gong Bai tried to push her away in a hurry.

She was unhappy. She wrapped her arms around his neck and quickly pecked him on the face.

He was stunned.

She suddenly felt embarrassed, pushed him away, and ran upstairs. When she ran to the corner of the stairs, she looked back and saw him standing there expressionlessly. He went upstairs sadly, but she couldn't help but look forward to it.

Gong Bai closed his eyes, picked up the suitcase, closed the door, and left alone.

He didn't plan on returning to China. He signed up for a 15-day Europe tour to avoid the fire butterfly and to relax.

Even though he might not be able to get his heart back.

In fact, he was not in the mood to travel at all. Otherwise, he would not have signed up for a group. Since they were with a tour group, the tour guide would naturally hold their hands, so they would not get lost.

The tour guide said he was free to do whatever he wanted, so he found a quiet place to daydream.

At the first stop, he received a call from Huo die.

When he saw the caller ID, he hesitated for a long time before he directly hung up.

A moment later, she sent him a text message-Happy New Year.

Gong Bai was shocked and immediately realized that M Nation was the border between Chinese New Year's Eve and the first day of the first lunar month.

He immediately called her back, and she quickly picked up and shouted, ' "Little white! "

After a moment of silence, Gong Bai closed his eyes and said, " "Happy New Year." "Happy New Year," Huo die said with a smile. Were you very busy just now?"

"Yes.

"Oh, Yingluo, I, I made dumplings myself."

"Yes.

Hearing his calm voice, she said dejectedly, " "It's not as good as yours."

"It's good that you can do it."

"You . . . 't

"Time to gather!" The tour guide's voice came.

Gong Bai turned around and said to her, " "I have something to do, I'm hanging up."

"Yingluo, alright." The fire butterfly was disappointed.

Gong Bai couldn't bear to see her like this. He wanted to say something to her, but he was afraid of getting into unnecessary trouble.

He sighed and hung up the phone.

A week later, the tour group gathered on the cruise.

The cruise ship was huge, and they were not the only group of tourists on board.

After the meal, Gong Bai went to the deck to daydream. Suddenly, someone patted his shoulder.

He turned around and raised his eyebrows in surprise.

The person who had taken a photo of him was actually King.

He looked around, but didn't see Yu qinghuan. He couldn't help but sigh in relief.

That woman was too strange. It would be better if he didn't see her.

King laughed, "I thought I had the wrong person." What are you doing here?"

"Traveling."

"Where's your woman?"

"Yingluo is not my woman." haha-" King laughed out loud. He jumped up and sat on the railing.

"Where's your woman?" Gong Bai asked.

King glanced at him and smiled. "She doesn't want to admit that she's my woman."

King narrowed his eyes and lowered his head to look at him. "You're not here alone are you?"

"You seem to be the same."

King's expression changed and he was a little unhappy. He jumped off the railing and pressed his hand on Gong Bai's neck. "Go! Let's go for a drink!"

"No, my tour guide—"

"You're looking for a tour guide? are you a man?"

Chapter 1897: I'll teach you the ultimate technique of my life

Gong Bai was speechless. "This has nothing to do with being a man, right?"

King seemed to have read his mind and said, "As a man, are you still afraid of getting lost? Looking for a tour guide?"

What's wrong with Wanwan looking for a tour guide? Gong Bai wanted to defend thousands of people who were looking for tour guides.

King pulled him to a bar on the boat and sat down at a random place.

Gong Bai didn't resist. He was just killing time anyway, so he wasn't afraid that King would kill him.

King turned around to call the bartender. Gong Bai was stunned when he saw the whip hanging on King's waist.

King turned around and saw his expression. He reached out to untie the whip. Gong Bai immediately came back to his senses and said calmly, "

King threw the whip on the table and smiled. "It's useless even if you hold it."

"Why are you called King?" Gong Bai asked.

King didn't expect him to ask this and shot him a look.

At this time, the bartender brought two glasses of whiskey. He reached for one and took a sip. "He's no longer called King."

You're not calling me that now? It seemed to be a code name. "How should I address you?" Gong Bai was puzzled.

King couldn't help but smile when he heard him use honorifics. old K.

"Chi Chi," there didn't seem to be any difference.

King clinked his glass with his. "To being single

Gong Bai took a sip and said while spinning the cup, " "That ran ran looks familiar. She looks like a relative of mine.'

"You don't have to guess, it's her." Old K replied, " I know who you are and how you became her relative.

Gong Bai was surprised.

“Sheng nanxuan is looking for her. Don’t tell him,” old K said.

“Then why did you tell me?” Gong Bai asked helplessly.

Old K suddenly stood up. go and quit the team. I’ll tell you a story!

Was there an inevitable connection between the two?

Gong Bai didn’t know what he was thinking. He really left the regiment and followed old K off the boat. Old K went to rent a private yacht and the two of them went out to sea.

Gong Bai looked at the vast ocean, which had no end in sight, and asked, ‘

“You want to kill me and throw my corpse into the sea?”

“Do I need to go through so much trouble to kill you? Do you know who I am?”

“The boss of the assassins of the dark shadow?”

“How did you know?” old K raised his eyebrows.

“I guessed.” Gong Bai said calmly, “ I searched the words on your business card. There are legends about it in Jianghu.

Old K laughed and threw the whip to him.

Gong Bai caught it subconsciously. Old K said,“Since you’ve accepted it, I’ll teach you the ultimate technique of my life!”

“Are you kidding me?” Gong Bai t s eyes widened.

“Who is joking with you? I’m bored, and you’re a promising one. This is fate!”

“Yueyue, What if I don’t agree?”

“Others can’t even get it!”

Gong Bai threw the whip back to him. He didn’t catch it, so the whip fell to the ground.

“I’m here to listen to a story!” Gong Bai turned around and looked at the sea.

alright, Yingluo. old K sighed and began to tell Yu qinghuan’s story.

He had a good understanding of her story. Of course, he also said that he used to like men, but ever since he met Yu qinghuan, he had become straight.

He was willing to follow Yu qinghuan and wander the world, but teacher Yu qinghuan went missing.

Yu qinghuan liked to look at the scenery everywhere. In order to find her, he had no choice but to travel around. That was why he met Gong Bai on the cruise ship.

Gong Bai heard that he used to like men, so he moved aside with a dark face.

Old K rolled his eyes. don’t worry. She’s the only one in my heart..

Chapter 1898: I don’t need to explain to you

Gong Bai wiped his face and looked at the ocean.

Old K suddenly asked, "do you think she went to your house?" Is that woman still in your house?"

Gong Bai's heart skipped a beat and he became worried.

"I have to go and take a look!" Old K said.

Gong Bai was a little hesitant. He didn't want to go back so early to face the fire butterfly, but old K grabbed him without any explanation.

The fire butterfly stood in the greenhouse and poked the plate of Guanyin Lotus in front of her. "When is your master coming back? He doesn't want you anymore, so why are you still so strong? Quickly wither! And you ..."

She turned around and looked at butterfly orchid. you haven't bloomed yet. What's the use of raising you?!

While she was criticizing Gong Bai's flowers and plants, she heard the sound of a car engine.

She turned around and saw a taxi slowly driving toward the villa. When she saw the car stop in front of the villa, she was overjoyed and ran downstairs.

It was Gong Bai!

He must have returned!

She ran to the door and opened it. As expected, Gong Bai got out of the car. Just as she was about to pounce over, she saw old K coming down from the other side and retreated in shock.

Gong Bai stood still and looked at her. He secretly heaved a sigh of relief when he saw that she was unscathed and guessed that Yu qinghuan had not been here.

Old K stretched lazily and turned around to look at Huo die. He then said to Gong Bai, "Aren't you going to invite master in for a drink?"

"Who's calling you master!" Gong Bai shouted.

"Anyone who touches my whip is my disciple."

"What's so good about being your disciple?" Gong Bai sneered after a short pause.

"I've already retired from the Army. I'm cold-blooded to anyone, but I'll never be so heartless to my own apprentice!"

Gong Bai didn't bother to answer him. He walked into the villa quickly with his suitcase. "Why is he here?" huodie quickly asked. Are you alright?"

there's no Zhenzhen, " Gong Bai said helplessly. he's a guest. Don't worry about him.

"Shua shua," it didn't seem right to ignore the guest. However, Huo die was a little afraid of old K. When she saw him walking in, she scrambled to Gong Bai's side.

"Has qinghuan been here?" old K looked around and asked.

"Who is it?"

"Who are you talking about? That glutton!"

"I've never been here!" Huo die was speechless.

“I thought she was here to teach you a lesson.”

The fire butterfly gritted her teeth in anger and didn't speak.

She was always the one who went to look for Yu qinghuan, but Yu qinghuan was too lazy to care about her. Moreover, she was no match for Yu qinghuan.

Gong Bai walked upstairs with his suitcase. She followed him in a hurry and asked in a low voice, “Why are you with him?”

Gong Bai glanced at her and said with a straight face, “He wants to take me as his disciple.”

“What?”

“I'm thinking if I should agree to his request.” Gong Bai heaved a sigh and started to unpack his luggage.

The fire butterfly felt very hurt!

He clearly knew that the old man had almost killed her, but he still wanted to acknowledge him as his master. Did he even have her in his heart?

Huo die bit her lip and was about to say something when she suddenly saw several boarding passes in his suitcase.

She picked it up and saw Gong Bai shouting, “What are you doing?”

Huo die turned around and dodged. She quickly read the details, then turned around and asked, “Didn't you say you were going home? Why is he overseas?”

“Yingluo, I don’t need to explain to you, right?”

Huo die was stunned. She threw the boarding pass in his face and ran out crying.

She almost bumped into old K when she went out.

Old K dodged in a hurry and asked Gong Bai, “what’s wrong?” Quarreling?”

Gong Bai felt a headache coming on. He continued to unpack his luggage and saw a wood carving with a unique ethnic feature at the bottom of the box..

Chapter 1899: I like you

He had bought this on the road and wanted to give it to her as a gift on a whim. He sighed and threw it aside.

Old K leaned against the door frame and said with a smile, “Ah, love, it makes people upset.”

“Aren’t you bored?” Gong Bai was furious.

Old K’s expression changed and he coldly glanced at him. “What kind of attitude is this? aren’t you afraid that I’ll kill you?”

“Go somewhere else if you’re going crazy!” Gong Bai took a deep breath and roared.

One moment, they wanted to take him in as a disciple. The next moment, they wanted to kill him. He did not want to accompany them.

Gong Bai closed his suitcase and went downstairs. He didn't even look at old K when he passed him.

Old K gritted his teeth. Of course, it would be easy for him to kill Gong Bai, but he didn't want to do something that wasn't challenging.

He followed her downstairs and heard the sound of chopping. It sounded like someone was chopping meat.

Gong Bai stood in the dining room for a while before he walked to the entrance of the kitchen.

Old K hurriedly ran over. From his shoulder, he saw Huo die chopping garlic. The whole kitchen was filled with the smell of garlic.

"Are you going to deal with vampires?" he asked, waving his hand.

Huo die's movements paused. Suddenly looking over, she grabbed the bread knife in front of her and threw it at him.

Gong Bai held his breath and widened his eyes.

Old K hid behind him and the knife flew to the wall behind him.

"You don't even care about your own man?" he immediately asked Huo die.

Huo die was furious. She threw down her knife and rushed over. She pulled Gong Bai away and attacked him.

Gong Bai turned around and saw the two of them fighting fiercely. He shouted, Stop!"

Huo die ignored him and directed all her anger at old K. However, old K seemed to be teasing her, and the more they fought, the happier he became.

After a while, old K saw that she was trying to kill him but did not have the ability to kill him. He could not help but say, "That's enough! Otherwise, I won't give anyone face! You should know that you're no match for me. '

"Kill Me if You Can!" The fire butterfly shouted.

Gong Bai rushed over, pulled her hands behind her back, and restrained her.

"What are you doing?" The fire butterfly shouted.

"That's enough," stop it," Gong Bai said.

The fire butterfly struggled for a while, then suddenly lowered its head and bit his arm.

Gong Bai shrank back in pain, but he still held her in his arms.

Slowly, Huo die let go of him, fell to the ground, and began to cry.

Gong Bai looked at her with a complicated expression.

When old K saw this, he felt like he had become a third wheel and left in boredom.

The fire butterfly hugged its legs and curled up into a ball.

Gong Bai squatted in front of her and said helplessly, "Don't cry, Yingluo."

The fire butterfly turned around and pounced on him. He lost his balance and fell to the ground. He tried to push her away in a hurry, but she hugged him even tighter.

Huo die couldn't stand being rejected and pushed away by him every time, and shouted at him, "I like you! I like you!"

Gong Bai froze and looked at the hanging lamp on the ceiling.

Huo die sobbed and buried her face in his shoulder, her tears wetting his sweater.

After a long time, Gong Bai closed his eyes and pushed her away slowly. His eyes never fell on Gu Shenwei.

She let go of his hand and looked at him.

He sat up from the ground and said, "Xiaodie Qianqian, you're mistaken." It's because I can feel that you like me when you're only in contact with me. Actually, it's not like that. If you're Yingluo .

The fire butterfly suddenly got up and rushed out of the villa.

"Fire butterfly!" Gong Bai was stunned for a moment before he hurriedly caught up with su mo.

The fire butterfly didn't listen to him, and quickly ran forward in her coat. Gong Bai caught up with her, but she was nowhere to be seen as soon as he reached the main street.

She was running too fast, and he was no match for her..
