

## **Ditsy Wife 211**

### Chapter 211

#### 211 A good man

the hospital is owned by Wu Di's family. We can just ask him for help. Sheng nanxuan said, " why don't you buy two sets of things in the future, one for each man and one for each woman? "

...

"That's such a waste of money."

"What else can we do?" Sheng nanxuan shrugged.

Gong mo thought for a while and said,"if it's not too much trouble, we can check it out so that we can prepare some things for the child." Otherwise, when I buy things for boys, I'm afraid it'll be a girl, and when I buy things for girls, I'm afraid it'll be a boy, Yingluo."

"Isn't the room full of girls" stuff?" Her mother said, " I don't think you've ever thought that the baby would be a boy!

nanxuan wants a daughter! Gong mo pushed the blame to Sheng nanxuan.

Sheng nanxuan straightened his back and nodded.

Her mother glared at them. alright, alright, alright. The child is yours. You guys have the final say!

She gritted her teeth. If they found out that it was a daughter and Sheng nanxuan was unhappy, she would urge Gong mo to divorce him after the child was born!

Sheng nanxuan shuddered inexplicably and had a bad feeling.

.....

On the weekend, Gong mo went for a prenatal examination. As the hospital had already created a file, they did not inform Wu Di.

Gong Mo's condition was still good, and all the indicators were in the normal range.

we want to check the gender of the child, "Sheng nanxuan said.

The doctor was stunned and said awkwardly, "this won't do, Yingluo."

Sheng nanxuan raised his eyebrows.

"The Dean is professor Yu now," the doctor laughed dryly, "and he's made a lot of new rules. We don't dare to check the gender of the fetus unless we have director Yu's signature."

"Where's the director's office?" Sheng nanxuan's face darkened.

The doctor kindly told him the location.

"I'll be right back," Sheng nanxuan said to Gong mo.

"Forget it." Gong mo said.

"I had a dream last night that it was a man!" Sheng nanxuan said gloomily, "if I don't get to the bottom of this today, I'll be in pain for months!

"Then what if ran ran found out that it's a man today?"

"Then I'll accept my fate!" Sheng nanxuan turned and left.

“Does he really want a daughter?” her mother asked in surprise.

Gong mo nodded, “it seems so.” But if it’s a son, he definitely won’t mind.”

Her mother didn’t know what to say for a moment. Actually, it wasn’t a good thing to favor girls over boys, but it was better than valuing boys over girls!

“Men who want daughters are all good men,” the doctor said with a smile.

“He’s just coaxing me,” Gong mo blushed and replied sweetly.

“That’s right,” Her mother added, “ this man only says sweet words that sound nice. Let’s just listen to them. Don’t take them seriously. Otherwise, if you really wait until we have a daughter and he’s unhappy, and you ask him why, why he didn’t keep his word, then you’re an idiot!”

mom ... Gong mo looked at him with dissatisfaction. why do you keep pouring cold water on me? ”

“Didn’t he just coax you?”

“I believe that he won’t be unhappy even if we have a daughter!” Gong mo choked.

hahaha, Yingluo,”the doctor laughed. actually, daughters are good now. They’re obedient and easy to take care of.

that’s true ~”her mother laughed. I’m a good daughter.

“Yes, yes, yes!”

“Why are you complimenting me now?” Gong mo blushed.

“Because I gave birth to you!” Her mother said domineeringly.

Gong mo, “Yingluo,” are you complimenting yourself?

.....

Sheng nanxuan walked to the dean’s office. There was no one in the Secretary’s seat.

He walked straight to the office door and was about to knock when he heard a voice from inside.

“Why are you so stubborn, old man? I’m going to examine you personally, but you’re not even obedient!”

check, check, check, Yingluo, you check every day. Those who don’t know would think I’m dying. An aged voice was heard.

Sheng nanxuan knocked on the door a few times. There was silence inside, and soon a nurse opened the door.

Chapter 212

212 Why does she look a little familiar?

“Qianqian, may I ask who you are looking for?”

...

“I’m looking for your Dean.”

“Do you have an appointment?” The nurse squeezed her way through the door.

Sheng nanxuan pushed the door open and the nurse was shocked. “What are you doing?”

Yu Qingliu's brows twitched, and she said, "I'm fine."

When the nurse heard this, she retreated to the side and looked at them.

Yu Qingliu was wearing a doctor's robe, and she had a restrained and refined temperament. At this moment, an old man was lying on the treatment bed behind him. An old lady and a young woman were standing by the bed-Yu Xinran.

Sheng nanxuan recognized the old man on the bed-the richest man in China, Yu Zhengming. The old lady should be his wife.

Yu Qingliu took off the phone and asked Sheng nanxuan, "What is it?"

Sheng nanxuan stood at the door and did not go in. He put his hands in his pockets and said, "I want to get a signature from the director to check the gender of my wife's child."

When Yu Qingliu heard this, she asked without holding back, "You want an abortion?"

"Is this Dean Yu's medical ethics?" Sheng nanxuan glared at him.

"Tsk? What does it have to do with my medical ethics if you want an abortion?"

"Do we have to get an abortion just because we checked the gender?"

Yu Qingliu shrugged,"since you're not going to get an abortion, why bother?" We'll find out sooner or later."

Sheng nanxuan took a deep breath. it seems that this hospital is nothing special. Is this the attitude of the director towards doctors and patients? "

Yu Qingliu was about to argue when Yu Xinran suddenly pulled him back. "Little uncle! What's going to happen to Grandpa?"

Yu Qingliu looked at Yu Zhengming. what can I do if he doesn't listen to me? "

"I'm fine!" Yu Zhengming called out.

"If you don't listen to me and take good care of yourself, you'll be in trouble within three years!"

"So what if something happened! If you don't get married at your age, what's the point of me living?"

Heya ... Yu Qingliu couldn't help but jump up. your survival is related to my marriage? "

stop it, stop it, Yingluo, " Yu Xinran whispered.

The two of them ignored her, and Yu Zhengming directly jumped from the bed to the ground.

Sheng nanxuan saw that he was full of life and vitality. How did he look like he was in trouble?

He took the coat from Yu Xinran's hands and put it on as he said, " "All of you are disobedient and urging me to go to the office!"

"Come back here!" Old Madam Yu called out.

Yu Zhengming's left leg froze in mid-air after being yelled at by her.

Old Madam Yu sighed helplessly and said to Yu Qingliu, " "Take good care of the patient. We'll go back first."

After she finished speaking, she adjusted Yu Zhengming's clothes and pulled him out.

“Uncle, I’m leaving too,” Yu Xinran said to Yu Qingliu.

The three of them walked out of the office one by one. Yu Zhengming couldn’t help but glance at Sheng nanxuan.

Sheng nanxuan leaned against the wall and did not react.

goodbye, Mr. Sheng. Yu Xinran smiled at him.

When matriarch Yu heard this, she couldn’t help but turn around to look. After entering the elevator, she couldn’t help but ask, “You know that person?”

he’s Wu Di’s University classmate. He’s been to our house a few times. You might not have noticed.

I was wondering why she looked so familiar, Yingluo,” Yu Zhengming muttered.

Yu Xinran sighed and said worriedly, “it seems like little uncle’s relationship with him isn’t very good, Yingluo.”

What should he do? Sheng nanxuan was most likely the night God. Would little uncle get into trouble?

She might have been overthinking. After they left, Yu Qingliu said to Sheng nanxuan, “Let’s go, I’ll check on your wife!”

Sheng nanxuan raised his eyebrows in surprise. He did not ask why and turned around.

Yu Qingliu coldly snorted, ‘virtue! Who Do You Think You Are? If I didn’t want to use you to understand the Sheng family and find out about qinghuan, who would bother with you?

213 It's a boy

"Congratulations, it's a boy." Yu Qingliu said as she looked at the screen.

...

When mother Yan heard this, she immediately clasped her hands together and bowed to the heavens gratefully.

Gong mo was stunned. Sheng nanxuan had said that he wanted a daughter, and she had always wanted a daughter. Now that she heard that it was a son, she was a little disappointed, but she accepted it after two seconds.

Sheng nanxuan was stunned and unhappy. He asked Yu Qingliu, "Are you sure you didn't see wrongly?"

it's such a simple matter. How can I be wrong?! Yu Qingliu was also unhappy. Didn't this mean that his medical skills were bad?

"The simpler something is, the more likely it is to go wrong!"

"This is my little d \* ck!" Yu Qingliu pointed at the screen. look for yourself!

"This Kasaya could also be a finger."

"My hand is here!" Yu Qingliu was irritated.

then, Yingluo ... Sheng nanxuan thought for a while but could not find a reason.

Gong mo grabbed his wrist and he lowered his head.

“Let’s have another daughter next time,” Gong mo said.

“She hasn’t given birth yet!” Yu Qingliu ridiculed.

Mother Ling said, “isn’t it good to have a son?” If you want to have a second child, it’s better to have a son as your first child. The older brother can protect his younger sister!”

“Yeah,” Gong mo said with a smile.

Sheng nanxuan sighed and nodded. “You’re right, Yingluo.”

After returning home, Mother Gong said to Gong mo, “Can I return the pink baby cot?”

“This Yingluo isn’t good, right? It’s been so long.”

“We’ll ask tomorrow! Let’s return this pink one and buy a blue one!”

“Blue is not good.” Sheng nanxuan said, “ she’s too melancholic.

“Then let’s use another color! Anyway, it can’t be pink. If a boy uses pink, what if he grows up and becomes a sissy?”

“Wait until the child is born before you retire.” Sheng nanxuan still could not wrap his head around it. according to the law of evolution, women are actually evolved from men. They are of a higher level than men.

Gong mo and mother Gong looked at him in a daze. This man had gone crazy without a daughter? How did it involve species evolution?

“Maybe when he’s born, his little brother will be gone!” Sheng nanxuan pointed at Gong Mo’s stomach.

“Ah, Pei Pei!” Mother Zhai hurriedly hugged Gong mo and said sternly, “don’t spout nonsense! What’s wrong with a boy? Do you really want a daughter that much?”

“Our daughter is so obedient.” Sheng nanxuan said, “boys are naughty and love to fight. I fought every day when I was young.

“Aren’t you doing well now? You’re already pregnant, so nothing you say can change it!”

Sheng nanxuan was silent for a while before he said helplessly, ” “Alright, Yingluo.”

He stood up and went to the study unhappily.

“What’s wrong with him?” Mother Gong asked Gong mo in confusion.

“I’ll go talk to him.” Gong mo stood up and went to the study room.

“Please come in,” Sheng nanxuan said after knocking on the door.

Gong mo pushed the door open and entered. He couldn’t help but smile when he saw Yu Yuehan reading the teaching material.

She walked over and poked his shoulder with her index finger.

He turned his head to look at her, a hint of depression on his face.

“You don’t like your son?” Gong mo asked worriedly.

If he really did not like his son, what should she do?

Sheng nanxuan sighed. He put down the book and got up to let her sit on the chair.

“It’s not that I don’t like it, I’m just a little disappointed.” He said, “ I didn’t think about the gender of the child at first, but after you asked me, I really wanted a daughter. I’ve been looking forward to it for half a year, thinking every day about what my daughter will look like when she’s born, Yingluo.”

Chapter 214

214 Me too

“When she can walk, I’ll give her a pink dress. When she went to school, he would braid her hair and tie a bow on it. When she goes to junior high school, there should be little boys who like her. We have to prevent her from falling in love at a young age, and we have to be wary of those boys who have ideas about her. When she graduates from college, it’s time for her to get married. We have to find her a good husband. On the day of her marriage, we definitely can’t bear to part with her and will all cry.”

...

Sheng nanxuan listed out everything. As Gong mo listened to him, he seemed to see a baby girl who had fallen to the ground and grown up.

All of a sudden, she felt terrible. Why wasn’t it her daughter?

after thinking so much, I even contacted a fashion designer to custom-make clothes and shoes for her in the future. In the end, ” Sheng nanxuan sighed, ” it’s a boy.

Gong mo couldn’t help but laugh as he held his arm, ” “Let’s have another child in the future, okay? Don’t be sad, or what if our son is unhappy? It’s good that he came first. Just like mom said, he could protect his sister. An elder brother is the best thing in the world. Gong Bai is my cousin, and he has always taken good care of me. Sometimes I can’t help but think, if I had a real brother, how much he would love me Yingluo.”

“Alright,” he said. Sheng nanxuan reached out and cupped her face. you said it. You wanted a second child.

Gong mo was stunned and looked at him in a daze.

"I thought it would be hard for you to have this one," he said with a smile.

"There's no Zhenzhen, there's no such thing." Gong mo said in a low voice and lowered his head, not daring to look into his eyes.

It was too strange. She seemed to have gradually accepted him. Not only did she accept him in life, but she also accepted him emotionally. She would unconsciously act coquettishly to him, think for him, and even think about running the family well, giving birth to a few more children, and raising the children into adults.

It was too strange. Why was this so?

Do you like it?

Wasn't it too fast? Was she such a fickle person?

But did Yingluo not like it?

She didn't know, but at least she didn't hate it.

"I'm very happy." Sheng nanxuan said as he pulled her into his arms. Momo Qianqian, let's live a good life from now on.

I've always wanted to live a good life," Gong mo said. although I'm not someone who resigns to fate, it's better to avoid unnecessary trouble. If I can live a good life, I don't want to change it.

Sheng nanxuan was stunned. He let go of her and looked into her eyes."Just like this?"

"How is it?" She asked in confusion.

Sheng nanxuan took a deep breath. it's nothing. I thought you had some feelings for me.

Yingluo! Gong mo turned his head away. Yingluo, do you have feelings for me? "

Sheng nanxuan was silent for a while before he smiled and said, " "How could this be? It's just for the sake of the child."

Gong Mo's heart skipped a beat. He suppressed his disappointment and forced a smile, " "Me too,"

Sheng nanxuan looked at her and could not help but laugh. He reached out and rubbed her head."Although it was like that in the beginning, it has been so long, so it is naturally different."

"Me too," Gong mo replied with a smile.

"What is it?" He asked.

Gong mo pursed his lips and turned his head away after a moment. "I'll do whatever you do."

"What if I like you?"

Gong mo was stunned and his heart started to beat wildly. He turned to look at him and asked, " "Do you like me?"

"What do you think?" he smiled.

" ....."

Gong mo snorted and turned his head away in anger, " "Then you should guess me too!"

.....

Gong mo received Gambino's call and couldn't help but frown.

What was this Gambino up to now?

Chapter 215

215 He's definitely up to something

Gong mo received Gambino's call and couldn't help but frown.

...

What was this Gambino up to now?

Gambino said gently, " I'm writing a new novel, but I'm at a bottleneck. You've read my book. I want to discuss the plot with you.

"Ah?" Gong mo was stunned. I can't help you, right? "

"I think it's fine. Can I ask you out for a meeting?"

Gordon, I think ... Gong mo said with difficulty.

Gambino could tell that she was going to reject him and immediately said, " I do like your mother, but this time it's really about the novel."

I'm sorry. Gong mo hesitated for a moment before saying, " shall we meet at the café below my house?  
"

After she hung up, she called Sheng nanxuan and explained the situation. "Do you think he has any tricks up his sleeve?"

Sheng nanxuan thought for a moment. I'll be back soon. Don't go yet. Wait for me.

"Ah? This isn't good, is it?"

"I'll be there in ten minutes."

"Alright," he said. Gong mo hung up the phone and went to find his mother.

Her mother had been very excited recently because she had confirmed that the child was a boy. She had been buying things every day. She didn't want to give the child anything too bad, but some things that were too good were very expensive. One day, she suddenly had an idea and thought of doing handicraft. In the end, she bought a lot of cloth at home and bought a small sewing machine. She made clothes every day.

Gong mo pushed the door open and saw mother Zi holding up a pair of overalls.

mom, your pants are so big! Gong mo couldn't help but laugh. it'll take a few years before you can wear them!

Her mother hurriedly waved at her. She walked over and her mother said excitedly, "Indeed, I can't wear a lot of them. I suddenly thought of an idea-I can sell them online!"

"Ah?"

"I've joined a group for raising children and showed everyone what I made. Everyone said it looked good and even wanted to buy it from me! I think I should open a shop first and sell as much as I make. It's good to earn some pocket money." Her mother said with great interest.

"It's not like we're short on money." Gong mo frowned.

“Aiya, you don’t understand! Earning or not earning and earning how much were two different things! I also feel that every cent I earn is my credit and that I’m useful! What if nanxuan becomes poor one day and claims that I’m freeloading here?”

“Aiya! You’re overthinking it!”

Mother Zhai lowered her head and continued to step on the sewing machine without saying anything.

“Do as you wish.” Gong mo sighed. I’m going out for a bit.”

“What are you doing?” Her mother asked anxiously.

“Gambino asked me to talk to him about the novel.”

“Him?” Her mother frowned in disgust. don’t go! He’s definitely up to no good!”

don’t worry. I’ve called nanxuan and he said he’ll accompany me. He’ll be here in about ten minutes from the office.”

“Isn’t he at work now?” Her mother asked, puzzled.

Gong Mo’s expression remained unchanged. their work is easy. They said that they wanted to meet the author. They can come out directly.

“Then you can go.” Her mother hesitated.

I’ll be going then! Do you want me to bring you something good to eat? ” Gong mo asked with a smile.

Her mother rolled her eyes and said, “do you think I’m like you?” A glutton!”

“Oh, how can I have a foodie? It’s all for the child!”

hehehe, Yingluo. her mother sneered. Who am I? I’m your mother! What kind of person are you that I can’t tell? Just buy whatever you like to eat, in case you get a craving when you’re reading books or watching TV!”

Gong mo stuck out his tongue, opened the door and ran away. If she continued, her mother was going to dig up her dark history as a foodie!

Chapter 216

216 He likes her, right?

When Gong mo went downstairs and walked to the entrance hall, Sheng nanxuan happened to come in from outside.

...

She smiled, and Sheng nanxuan quickly walked over. “I said I’d pick you up.” After saying that, he reached out to support her. be careful.

Gong mo blushed and looked up at him.

His subtle concern was so natural. It wasn’t just for the child, right?

In any case, if it were her, she would definitely not be so considerate.

So Yingluo likes me?

Gong mo lowered his head with a smile.

Sheng nanxuan suddenly felt that something was wrong. The aura of the people around him had changed. “What are you laughing at?” he looked down and asked.

“Ah, no, I didn’t!” Gong mo hurriedly denied.

Sheng nanxuan narrowed his eyes and was displeased. “You’re so happy to see your idol?”

Gong mo rolled his eyes and said, “what are you thinking?” He’s not my idol now!”

“Then you agreed to meet him?”

“Because he’s very annoying. If I don’t agree, he’ll definitely pester me.” Gong mo sighed. it seems like he really likes mom.

Sheng nanxuan didn’t say anything. He helped her out of the neighborhood and went straight to the coffee shop.

Gambino had arrived long ago and had been waiting for a while. He sat in a quiet corner. When the two of them walked over, he saw Sheng nanxuan and raised his eyebrows.

“I’m worried about her,” Sheng nanxuan said with a smile. Then, he carefully helped Gong mo to sit down.

Gambino looked at his actions, and there was a hint of satisfaction in his eyes.

“Hello,” he said. The waiter walked over and placed a glass of milk in front of Gong mo. He glanced at Gambino and said, “ Madam, this gentleman ordered this milk for you. Then, she asked Sheng nanxuan, “ Sir, what do you need? ”

“Black coffee.” Sheng nanxuan said.

The waiter nodded and left.

Gong mo glanced at the milk and hesitated.

“Drink it,” Sheng nanxuan said dotingly.

Gong mo stuck out his tongue and took a sip.

The waiter served Sheng nanxuan’s Black coffee. Sheng nanxuan stirred the coffee twice with a spoon and asked Gambino, “I heard that you’ve encountered a bottleneck in your writing? Our company would like to continue to represent Mr. Gambino’s publishing matters in China. Why don’t you let me hear about it?”

Gambino laughed drily and said to Gong mo, “Miss Ling ...”

“Mrs. Sheng!” Sheng nanxuan interrupted him.

He paused for a moment, nodded, and said, “Mrs. Sheng, you’ve read my books. Can you give me some advice?”

“Opinion?” Gong mo looked at him and said, “your book gave me a very amazing feeling. After reading it, I was amazed. I can’t find any flaws in such a book! If I have to give my opinion, I can only say this-continue!”

“But I don’t really want to write detective and suspense anymore.” Gambino said, “I want to change to a different type. I wonder if it’s too risky?”

“What type do you plan to change to?”

“I don’t know,”

“If that’s the case, you can rest for a while. You don’t have to start now,” Gong mo said hesitantly.

“But I have a great desire to create something. It’s just that I don’t want to write the original one anymore.”

“Then, ran ran, do you already have something you want to write?”

Gambino took a sip of his coffee. I’ve read the new set of books released by your company. That person’s name seems to be ‘Gong Xing’.

Gambino paused for a moment and looked at Gong mo.

“That’s my father,” Gong mo replied.

Chapter 217

217 Envy

“What a coincidence, he also writes novels.” Gambino said in surprise.

...

Sheng nanxuan glanced at him. He had probably investigated Gong Mo’s family in detail. Was it really good to act like this?

Gong mo pursed his lips and didn’t say anything because he didn’t know what to say. She did not have any memories of Gong hang, so she really did not know what to say when he was mentioned. If he was with Shan Rong, he could ask her some questions and she would start the conversation.

But what could they talk about with this stranger?

“I’ve read the book he wrote. It’s really good.” Gambino said, “ there’s a wuxia novel. It’s so exciting. I’ve always liked Chinese wuxia novels. It’s a feeling that can’t be found in other countries ‘cultures.”

Gong mo still didn’t speak.

Gambino looked at her, wanting to see her expression, but she had her head lowered. “Did he divorce your mother Yingluo?” he asked after some thought.

"No, he's dead," Gong mo took a deep breath. he left when I was less than two years old, Yingluo. I don't have any impression of him except for his photo, which my mother showed me.

"I'm sorry," Gambino said, slowly clenching his fists.

"It doesn't matter. I'm already used to it. " Gong mo smiled. I didn't expect a guest from afar to mention him today. If he's in heaven, he'll be glad, right?"

"So, your mother never got married again all these years?"

Gong mo looked up at him and couldn't help but laugh, " "Gaden, my mother really likes my father. So, you don't have to ask about her anymore."

Gambino stared at her and was silent for a while before lowering his head."I really envy your father, Yingluo."

Gong mo curled his lips and didn't say anything.

There were many reasons why Diana's mother had always been single. If Gambino's thoughts would dispel his pursuit, then she would let him think so.

"Didn't you say you wanted to discuss the novel?" Sheng nanxuan suddenly said.

"That's right." Gong mo also asked. Could it be that Mr. Gordon wants to write wuxia?"

Gong mo couldn't help but laugh at his own guess.

Gambino was Italian. It was already difficult for him to write Chinese, let alone wuxia.

“Wuxia might be a little difficult.” Gambino laughed. but ran ran, I suddenly want to try writing Chinese. I’ve read your father’s short stories about the modern era. I’m thinking if I should write a short story about what happens after a foreigner comes to China. It would be interesting.”

sure, if Mr. Gordon writes it, I’ll definitely read it. Gong mo said, “I can feel the power of your writing when I read your previous books. I believe that no matter what genre you write, you will not disappoint the readers.

“But I don’t know a lot of things about China. If I encounter a bottleneck in my writing, can I ask for your help?”

Gong mo looked at Sheng nanxuan when he heard that.

Sheng nanxuan narrowed his eyes at Gambino and said unhappily, ” “Don’t push your luck.”

Gambino lowered his eyes and slowly took a sip of coffee, ignoring him.

Gong mo looked at the two of them and felt that there was a tense atmosphere between them. She was really afraid that they would start fighting here, so she hurriedly said, ” “It’s getting late, we have to go.” Then, he tugged at Sheng nanxuan.

Sheng nanxuan stood up and reached out to help her. “Be careful,”

“We’ll take our leave then,” Gong mo said to Gambino.

Gambino hurriedly looked at her. Looking at her protruding belly, he asked with concern, ” “When is the due date? I’ll be staying in China for a while, and I’ll go and congratulate you then.”

Chapter 218 Banquet

“It’s still a long time after the Lunar New Year. I’ll tell Mr. Gordon the good news after the child is born.”

...

Gambino nodded, a hint of excitement and joy in his eyes.

Sheng nanxuan looked at him warily and helped Gong mo out.

Gambino looked at their backs and slowly leaned back on the sofa. He raised his hand and rubbed his forehead.

.....

It was New Year's Day.

On New Year's Day, Qing Yu media was going to hold their annual charity auction and invited famous people from all over the world to attend.

Yu xinzhuo sent an invitation to Sheng nanxuan. Sheng nanxuan was now the president of Aimo books. He could attend the event with this identity and did not have to bring up the huge title of "night God."

Even though Aimo books was a little new and small, so it wasn't up to standard, if he went, people would naturally not think so. They would only guess that he or Aimo books had some kind of background. For example, Aimo books was a new subsidiary of Qing Yu media.

Sheng nanxuan asked Gong mo to go with him. He had been in the capital for a long time, but she had been cooped up at home because of her pregnancy and did not know anyone. He actually felt very apologetic. Moreover, with his status, she would have to deal with these people in the future, so it was good to practice now.

"It's not convenient for me to go when I'm pregnant," Gong mo refused.

"I won't let you wear high heels, and you'll be sitting the entire time after you enter."

"I still don't want to."

“Why?”

“I don’t know those people. What if I embarrass myself?”

“I’m here,”

“But those people are stepping on the strong and supporting the weak. What if they make things difficult for me?”

“Who would dare to make things difficult for you? Aren’t you afraid of my revenge?”

“pfft ... Gong mo laughed and hesitated. but won’t this be troublesome? ” I think Yingluo ”

“Just take it as you’re helping me.” Sheng nanxuan said.

“What can I help you with?” Gong mo was puzzled.

Sheng nanxuan was silent for a few seconds before he said in a low voice, “ “Didn’t I tell you about my mother? I suspect that I’ve found her family, and I’m looking for a chance to get their hair for DNA testing.”

“What?” who is it? “Gong mo asked in shock.

Sheng nanxuan patted her head and sighed. “I’ll tell you in the future. I’m also hesitating whether I should acknowledge them if I’m sure they’re really my family. However, I need to have the opportunity to confirm it first.”

“Yueyue, you said mom’s surname is Wu, could it be ...”

“It’s related to the Wu family, but I don’t know the details. I promise you, I’ll tell you when I have a result, okay?”

“Then I’ll go with you.” Gong mo said hurriedly.

“You’re the best.” Sheng nanxuan said happily.

The two of them told mother Zhen that Sheng nanxuan’s company was going to hold an Annual Meeting and that Gong mo would accompany him. Mother Zhai did not suspect anything and agreed to let Gong mo go. She said to Sheng nanxuan, “Take good care of your wife and child!”

“I will.” Sheng nanxuan laughed.

The two of them went out in the afternoon to the stylist for a makeover. The stylist worked in the entertainment company that CEng Shuai was in charge of. He usually styled the kings and queens of the entertainment industry, so he was very capable.

The party was held in the hotel. A red carpet of tens of meters was laid out between the reception hall of the hotel and the banquet hall where the party was held. Many reporters were waiting on both sides of the red carpet.

The charity party invited celebrities from all walks of life, including many celebrities from the entertainment industry. In order to increase the popularity of Qingyu media and attract attention, they naturally had to walk the red carpet. Of course, if the guests did not want to, they could enter from other places.

Chapter 219

219 They were not invited

However, most of the guests were willing. There was no need to talk about celebrities. This was a good opportunity to show off. They were usually famous, but they were nothing among a bunch of rich people, so they didn’t dare to act like big shots.

...

And the bosses of those companies were also willing to walk the red carpet. Firstly, he wanted to give Qing Yu media some face. Secondly, the red carpet event would be broadcast on TV, which would increase the reputation of his company in the public. This way, the stock price would rise.

“Do you want to walk the red carpet?” Sheng nanxuan asked Gong mo in the car.

“Ah?” I’m nervous, “Gong mo replied with a frown.

“Then we won’t leave.”

“Is it okay if we don’t leave?”

“It doesn’t matter. Everyone was walking on their own and wouldn’t notice the movements of others. When you enter the scene, who would know if you’ve left or not?”

Gong mo couldn’t help but laugh at his words, but he also heaved a sigh of relief, “Then let’s not leave.”

“Then I’ll give Yu xinzhuo a call.”

Sheng nanxuan dialed Yu xinzhuo’s number and said, “My wife is not feeling well, so we won’t be walking the red carpet.”

“I’ll pick you guys up at the entrance!” Yu xinzhuo quickly agreed.

He was currently at the banquet venue, receiving guests with Yu Xinran and Yu Qingliu.

Yu Qingliu heard his words and asked in confusion, “Who is it? You even have to go personally. This is really a big face.”

Yu xinzhuo knew that he hated the Sheng family, but he did not dare to say it out loud. "You'll know in a while."

Looking at his back view as he left in a hurry, Yu Qingliu asked Yu Xinran in confusion, "Is he in love?"

"Big brother is already in a relationship, why isn't little uncle?" Yu Xinran smiled.

you ... Yu Qingliu pretended to be angry. little girl, how dare you talk about me? "

"I'm asking on behalf of Grandpa!" Yu Xinran was not afraid of him.

Hmph! Which woman in this world is worthy of your little uncle? "

"Little uncle, you're so narcissistic!" Yu Xinran said, speechless.

Suddenly, she saw a familiar person walk in from the door and quickly said to Yu Qingliu, "Little uncle, I'll go over for a while."

They were Sheng Dongyi and su mo. Yu Qingliu frowned when he saw this, but he didn't care about them. He would let ran ran deal with it.

Yu Xinran walked up to the two of them, and su Mo's face froze in fear.

She was working under Yu Xinran. Yu Xinran had asked her if she wanted to be part of the ceremony tonight, but she had refused.

Because New Year's Day was supposed to be a holiday, she didn't want to work overtime, so she didn't say anything. Who would have thought that she would appear here? as an employee, she was not qualified to attend the party.

director, I'm here with my boyfriend, " su mo explained hurriedly. I'm his date today.

“Is that so?” Yu Xinran smiled coldly and glanced at Sheng Dongyi.

Sheng Dongyi smiled at the right time, looking elegant and Noble.

Yu Xinran only found it funny and said to su mo, ” “If I’m not mistaken, your boyfriend isn’t on the list of invitations I’ve compiled, right?”

Su Mo’s expression changed drastically when she heard that. Sheng Dongyi’s expression froze as well.

“Yingluo, you might have remembered wrongly, right?” Su mo broke out in a cold sweat. She felt Sheng Dongyi’s body stiffen, and she couldn’t help but hold him tightly.

Hearing this, Yu Xinran took out her phone from her handbag and called her Secretary. “Come in for a moment.”

She was the one who had personally asked for the invitation list. She would never invite Sheng Dongyi while Sheng nanxuan was invited!

Sheng nanxuan had already made it clear that he was not on good terms with the Sheng family. Since they wanted to be on good terms with Sheng nanxuan, how could they let Sheng Dongyi cause him trouble?

After confirming the name list, she handed it to her Secretary to make the invitation. Now, she could just ask her Secretary.

...

Su mo bit her lip and looked at the famous people around her. She was a little unhappy with Yu Xinran.

Why must she be so overbearing? There were so many people here, it didn't matter if they were here or not. Couldn't he just turn a blind eye? Even if the Sheng family could not compare to the Yu family, they were still the richest family in Nanjiang. How could they not give them face!

Sheng Dongyi felt embarrassed! He had asked su mo if she had helped him after receiving the invitation. She had said no, and he had come happily. He thought that the Yu family was giving him face and wanted to meet more people here.

In the end, he didn't even dare to greet those people.

Yu Xinran's words were like a series of slaps on her face.

The Secretary arrived and was surprised to see su mo. She asked Yu Xinran, "Director, what's wrong?"

have you shown su mo the invitation list for tonight's dinner? "

"I didn't!" The Secretary said.

Su mo smiled stiffly and said to Yu Xinran, "The director must have remembered wrongly."

"Think carefully." Yu Xinran looked at the Secretary. is it possible that she has come into contact with your things? Tell me the truth!"

The Secretary was shocked. She thought about it carefully, and her expression suddenly changed. She looked at su mo.

She remembered that on the day she had received the name list, she had returned from the toilet and saw su mo at her seat. She had thought it was strange, but su mo did not show any abnormality, so she did not take it to heart. Could su mo be so bold as to touch her computer?

"It's fine now, you can go." Yu Xinran said.

“Director, I’ll be careful in the future,” the Secretary nodded and said nervously.

Yu Xinran nodded, glanced at su mo, and turned to leave.

Su mo heaved a sigh of relief. Sheng Dongyi, who was next to her, suddenly pushed her away.

“Dong Yi!” She cried out in shock.

Sheng Dongyi turned around and walked out. She hurriedly caught up with him and called out in a low voice, “Dong ye! East Phoenix! Where are you going? Come back!”

Sheng Dongyi walked out of the hall. Because there were reporters at the main entrance, he turned around and followed the arrow on the wall to the bathroom, then left through another exit on the way.

Su mo chased after him and saw that he was standing on the escalator that led upstairs. She quickly ran up.

There were not many people around, so su mo shouted, “Dong ye!”

Sheng Dongyi got out of the elevator and she ran up to hold him back.

Sheng Dongyi was furious. how dare you hide it from me! he said. You made me lose face like this!”

“I, Yingluo, did it for you!” Su mo shouted, “ I took the risk of stealing confidential information to tamper with the invitation list. Do you think it’s easy for me? You’re the one who’s been looking forward to coming to this banquet!”

“I don’t want to do it this way either!”

“What’s wrong with that? It’s good that you’re here. Who knows how you got here? Are you going to leave?”

“If I don’t leave, would it be embarrassing to stay here?”

“What’s there to be embarrassed about? It was Yu Xinran who didn’t know how to conduct herself! As the saying goes, the river flows thirty years to the East, and thirty years to the West. How would she know that the Sheng family had not surpassed the Yu family?”

You’ve attended many banquets before, and you even went to the Yu family’s banquet last time. It’s not like she doesn’t know about these things. Now, he deliberately didn’t invite you. He’s clearly not giving you face! If you really didn’t come this time, those people who came would think that you offended the Yu family! We’re all people who judge a dish by its value. Won’t it be difficult for us to move around in the capital?

Isn’t this good? No matter what the Yu family did, they couldn’t possibly kick us out, right? Then they would be too much, and everyone would have a bad opinion of them! You should quickly take this opportunity to get to know a few more people, then you won’t have to be at the mercy of the Yu family!”
