

Ditsy Wife 241

Chapter 241

241 Let me seek justice for her too

“Okay, I’ll send him off.” Sheng nanxuan said.

...

“All right. Gong Bai will be here soon. Do you want to go home and rest? I’m afraid I’ll disturb you here.”

it’s alright, “Sheng nanxuan said without hesitation. I’ll be right here.

“That’s fine. Then you can send him off first.” Her mother entered the ward.

Sheng nanxuan walked to the end of the corridor and stopped. He turned around and said to Gambino, “Speak.”

“The person who hurt Gong mo is your brother’s woman,” Gambino said with a sharp gaze.

“I know,”

then why didn’t you tell Gong mo? ”

“Did you know that my brother dated Gong mo before?” Sheng nanxuan raised his eyebrows.

Gambino was stunned. Of course, he knew. He also knew that Sheng nanxuan and Gong mo were high school classmates. He had found out this from Nanjiang. Therefore, he didn’t find it strange that Gong mo dated Sheng Dongyi and married Sheng nanxuan.

According to the information, Gong mo and Sheng nanxuan had a very good relationship in high school. Although they didn’t date each other, everyone around them thought that they were a couple. It was an

indisputable fact that they liked each other. Although they hadn't seen each other during the four years of college, they probably hadn't forgotten each other, so when they reunited, their old feelings were rekindled.

"What did you find?" Sheng nanxuan asked.

"I can find out." Gambino knew that there were some things that he could not investigate.

For example, what happened on the night Sheng nanxuan was kicked out of the house. Those things were only known by the people involved, and they were all tight-lipped, so of course he couldn't find out. For example, he didn't know that Gong mo had lost his memory because only Sheng nanxuan knew about it. Even Gong mo didn't know about it.

Gong Mo's body is weak now. It's not suitable for her to know the truth. Sheng nanxuan said, " besides, she had that kind of relationship with my brother. If she knew, she would only overthink it. All I want now is for her to have a good rest, and for me to take care of her in peace. As for the others? You're not qualified for me to pay attention to you immediately."

"Is that so?" Gambino looked at him suspiciously. why were you there back then? "

"You mean when we were young?"

"Yes,"

Would you believe me if I told you that I'm also an experimental subject? " Sheng nanxuan couldn't help but laugh. you suspect that I'm trying to harm Gong mo? "

Gambino turned his head away and did not say anything.

Sheng nanxuan was curious,'aren't you paying too much attention to her? Even if you like her mother, you don't have to do this."

Gambino clenched his hands. As for su mo, I'll help her get justice."

Sheng nanxuan raised his eyebrows and said,"whatever." But I don't have time to deal with su mo right now, so please don't get there before me!"

"Let's go! You're the husband, so you can go first."

.....

Gong Bai answered the phone call from his mother. He changed his clothes and took his wallet before he knocked on Gong ye's door.

"The door isn't locked!" Gong Ying said.

Gong Bai pushed the door open and saw her picking out clothes in front of the mirror. He said, "Momo is born. Come with me to the hospital."

"I'm not going!" Gong Mao frowned. After saying that, she threw away the clothes in her hand and took a new one to compare with in the mirror.

"We're family, how can we not go?"

"What family? Her mother said that she won't keep in touch with us in the future! You're so cheap, why do you care about her?"

"What did you say?" Gong Bai asked in disbelief.

"It's fine if you can't hear me," Gong Fei rolled her eyes at him. go by yourself if you want to! I have to attend a dinner party tonight, so I don't have time!"

"It's still daytime!"

Chapter 242

242 Act more like an uncle

"I still have to pick out my clothes and do my makeup, how would I have time? Tonight's dinner is related to my role in the next movie. Whether I can become famous or not depends on this opportunity! You want me to give up this opportunity for her?" Gong Mao asked aggressively.

...

Gong Bai took a deep breath. He couldn't stand her anymore.

He turned around and walked out, saying disappointedly, "Then do as you wish!"

Gong Jie walked out of the room and saw that he had changed his shoes and left without saying a word. He was instantly furious.

She gritted her teeth and picked up her phone to call home.

"Mom, Gong mo is pregnant! Brother Xuxu went to see her! I already told him not to go, but he just had to go! I don't know how much money I've spent this time, but Yingluo usually can't even bear to ask him to buy me a dress. I'm going to a dinner party tonight, and it's a rare opportunity to meet the investor. I might be famous soon, Yingluo!"

.....

Gong Bai didn't know what to buy. He was thinking about it when he received a call from his first aunt.

"I heard that Gong mosheng is here?" first aunt asked.

"Gong ze told you?" Gong Bai was stunned.

"Are you going to tell me? You're going to the hospital now?"

"I can't possibly not go, right? I can't do such a thing!" Gong Bai sounded a little angry.

First aunt was stunned, but she did not refute. She asked, "Then what are you going to bring?"

"I don't know yet. I don't have any experience."

"Then let's buy some fruits." First aunt hurriedly said, "don't buy food and other things. They'll definitely have milk powder, clothes, and so on prepared when they're giving birth. These things can't be changed casually. If something goes wrong with them, they'll complain instead."

"Oh, I see, Yingluo. I'll buy some fruits." Gong Bai said.

After hanging up the phone, he sighed helplessly. He searched on the internet for the question "what to give when visiting a pregnant woman" and found that milk powder and diapers couldn't be given casually, but the clothes were not so particular.

He thought for a moment and went to the mall to pick a set of toys, a set of clothes, and a set of longevity locks made of pure silver. After buying them, he realized that they were all for children. He then went to the pharmacy to buy some donkey-hide gelatin and bird's nest for Gong mo. In the end, she remembered her first aunt's words and bought a fruit basket.

Hmph! If first aunt had not called him, he might not have bought so many. Since he was so afraid that he would spend money on Gong mo, he would spend more!

No matter what, he was an uncle, so he naturally had to act like one!

Sheng nanxuan was sleeping when Gong Bai arrived at the hospital. He asked doubtfully, "this is Yingluo."

"I didn't sleep last night." Her mother said softly. When she saw the things he had bought, she chided him, "why did you buy so much?"

"I should." Gong Bai said with a smile, "these are for the children. These are for Momo to nourish her body."

"There's already one here, you shouldn't have spent so much."

"There is, but it's a pity that I didn't give it to you." Gong Bai put down his things and picked up the longevity lock. where's the baby? He can wear this."

"It's still in the thermal box. I'm afraid you can only wear it after the confinement period."

"Alright, leave it there for now. I'll go and see him later." After Gong Bai finished speaking, he went to the bedside to look at Gong mo.

"Cousin," Gong mo replied with a smile.

Gong Bai glanced at Sheng nanxuan, who was sound asleep, and asked in a low voice, "You gave birth last night? Why didn't you call me earlier?"

"It's a long story," Gong mo replied, "I fell down. The situation was too urgent. Everyone was busy the whole night and didn't expect this."

Chapter 243

243 The feeling of an electric shock

"Fell down?" what happened?" Gong Bai widened his eyes.

...

Gong mo sighed and didn't say anything.

"Who knows what's wrong with her?" asked her mother. She accompanied nanxuan to the company's Annual Meeting last night and ended up like this."

Mother Zhai then turned to Gong mo and said angrily, "I shouldn't have let you go out! I'm afraid that you'll be bored to death, but you're afraid that my grandson will be so bored that you'll be busy throwing him out!"

mom! Gong mo said with a bitter face.

Gong Bai did not know whether to laugh or cry. second aunt, please spare Momo. She didn't want to do this either. It's fine as long as both mother and child are safe! he advised.

Mother Yan also knew this truth, but she still did not give up."I just want her to remember!"

"I know." Gong mo said in a low voice.

"How are you feeling now?" Gong Bai asked worriedly.

"I'm fine, but I'm a little hungry." Gong mo said in embarrassment.

"Then I'll go home and cook for you!" Said her mother.

"Then I'll stay here with her." Gong Bai said.

"Then I'll have to trouble you." Her mother stood up. didn't you want to see the child? I'll take you down."

"Alright, I'll go and take a look." Gong Bai said to Gong mo, "I'll come up later.

"You can take the things you don't need home," Gong mo said to his mother.

"I know. If you need anything, call the nurse."

Mother Gong picked up the gifts that everyone had sent and left the ward with Gong Bai.

Gong mo suddenly remembered that he had forgotten to ask Gong Bai to help him take photos of the baby. She hadn't seen enough yet.

However, Gong Bai still took a photo of the child when he came back.

"You've been in the ward all this time. You didn't go to see him, did you?" He asked.

previously, nanxuan had let me take a look through a video call.

"I recorded a video and took a few photos." Gong Bai turned on his phone.

"Pass it to me!" She said happily.

As the two of them were talking, someone knocked on the door.

Gong Bai put away his cell phone and turned around. It was Wu Di and Yu Xinran.

Yu Xinran was stunned when she saw the situation in the room. She said to Gong mo, "I'm here to see you. I hope I'm not disturbing you?"

"I won't," come in," Gong mo said.

nanxuan just went to sleep?" Wu Di glanced at the sleeping Sheng nanxuan and then at Gong Bai. so it's you.

"I'm Gong Mo's older cousin, Gong Bai," Gong Bai nodded.

Nanxuan's classmate, Wu Di. Wu Di reached out and shook his hand.

"Yu Xinran." Yu Xinran could only reach out her hand.

"She's my cousin," Wu Di said.

"I'm older than you," Yu Xinran glared at him.

Wu Di was stunned and nodded.

Gong Bai shook Yu Xinran's hand with a smile. He felt like he had been electrocuted.

In his twenty years of life, he had never met a girl like Yu Xinran. With just one look, he knew that she was from an extraordinary family and had a temperament and upbringing that ordinary people did not have.

He was stunned for a moment and forgot to let go of her hand.

Yu Xinran was stunned. Seeing that he was looking at her in a daze, she blushed and retracted her hand.

Gong Bai came to his senses and felt a little embarrassed.

Fortunately, Wu Di and Gong mo did not see their reactions.

Wu Di and Yu Xinran had also brought gifts. Gong mo was a little embarrassed. "Sorry to trouble you guys, Yingluo."

"I should." Yu Xinran looked at her with a complicated expression. the Yu family is more or less responsible for this. I'm really sorry, Wanwan.

Hearing that, Gong Bai raised his eyebrows, but he didn't ask any questions.

Gong mo paused. I don't know who I have offended. Let's wait until the matter is investigated.

Chapter 244

244 I won't let my wife suffer in vain

Just then, Sheng nanxuan suddenly sat up on the bed.

...

nanxuan! Gong mo was the first to notice him. nanxuan!

The three of them quickly turned around. Sheng nanxuan nodded with sleepy eyes. "You guys are here?"

"I'm here to see sister-in-law and the child." Wu Di asked, "are you alright? What time did you sleep?"

"He's only slept for a while," Gong mo answered on Sheng nanxuan's behalf. you should sleep a little longer.

"Are we too noisy?" Yu Xinran asked apologetically.

it's not Yingluo," Sheng nanxuan said. she always dreams when she's asleep. She's flustered.

The few of them were stunned. They had probably scared him last night and didn't know what to say.

Wu Di coughed and said to Yu Xinran, "Why don't we go back first and come back another day?"

"Alright," he said. Yu Xinran nodded.

Sheng nanxuan exhaled, lifted the blanket, and got out of bed. "Since you're already here, I'll take you to see the child."

"Alright, no need to be so polite. The hospital is my family's, it's easy for me to see the child."

"I'll go find third uncle and ask him to take us there." Yu Xinran nudged him.

yes, yes, yes, Zhenzhen. Wu Di laughed. I won't disturb you any longer. Have a good rest. I'll come and see you again in two days.

Sheng nanxuan nodded, thanked them, and sent them to the door.

When they returned, Gong Bai asked, "what happened to Momo?" What does it have to do with the Yu family?"

Momo and I went to the charity auction held by the Yu family yesterday. Sheng nanxuan said.

"What?" Gong Bai was shocked. a charity auction? Isn't that ..."

Wasn't that something for the upper class?

Gong Bai was halfway through his sentence when he suddenly remembered that Sheng nanxuan was a member of the upper class! After all, he was the young master of the Sheng family. Even if he had a conflict with his family, he had his own network after studying in the capital for a few years.

"Then what happened to Momo?"

Gong mo explained the situation.

"Who's that pervert?" Gong Bai's expression changed.

"I'm still investigating." Sheng nanxuan said, " I definitely won't let my wife suffer in vain.

Gong Bai looked at him inquisitively and nodded after a moment. "Good! I believe you!"

"Why are you guys talking about this?" Gong mo hurriedly said, " nanxuan, continue sleeping! I'll call you when it's time to eat!"

"Why don't I go pick up second aunt and help her?" Gong Bai looked at them and said.

"Alright then, I'll have to trouble you." Gong mo said.

"We're a family, do we need to talk about this?" Gong Bai touched her head.

Sheng nanxuan saw his actions and frowned.

"I'll take my leave then." Gong Bai withdrew his hand.

"Do you know how to drive?" Sheng nanxuan asked.

"Ah?" yes, "Gong Bai replied in confusion after a brief daze.

Sheng nanxuan took out his car key. the car is in the parking lot. The license plate number is xxxxxxxx. You can look for it yourself.

Stunned for a moment, Gong Bai reached out his hand to take it. alright, I'll go first. Take good care of my sister.

How could he not know about Qianqian? This was his wife! In the future, don't touch his wife!

After Gong Bai left, he walked to Gong Mo's side and patted her head. He said sourly, "Don't let anyone touch you."

Gong mo couldn't help but laugh. His laughter caused the wound on his stomach to hurt and he immediately frowned.

"What's wrong?" Sheng nanxuan was shocked.

"Don't worry!" Gong mo slapped him away angrily. Don't make a fuss! That's my brother!"

"He's not my real brother! Not even my own brother!"

Chapter 245

Gong mo was speechless. He pushed him and said, " stop talking nonsense. Go to sleep! If you can't sleep here, then go home and sleep!"

...

"Yueyue, I'll sleep here." Sheng nanxuan lay back on the bed and suddenly sat up. I miss our son. I'll go see him and take a picture of you.

Gong mo was stunned.

After hesitating for a moment, she firmly said, " Stop it! Hurry up and sleep! Gong Bai just showed me the picture. You should take a nap first! Otherwise, what if I get sick of it?"

Sheng nanxuan chuckled. A child was a treasure in the hands of a parent. Furthermore, this treasure had just been obtained, so how could they be tired of looking at it?

It seemed that he was finally more important than her son in her heart!

“Then I’ll sleep first.” He lay on the pillow and said, “ don’t move. Maybe I can push you to the greenhouse in a wheelchair at night.

“Alright,” he said. let’s sleep together. Gong mo looked at him.

Sheng nanxuan’s expression changed and he said awkwardly, “That’s not good, is it? You’re injured now, and the bed is too small, Yingluo.”

Gong mo widened his eyes and said angrily, “What are you saying? What were they thinking? I mean together ... Uh, Yingluo isn’t that together, I mean this together!”

“Which, Which?” Sheng nanxuan asked in amusement.

“Together in time, not together in space!” Gong mo glared at him. you stay over there and I’ll stay here. We’ll sleep at the same time.

Okay, okay, okay, Yingluo, ” Sheng nanxuan agreed with a smile. then I’ll count to three and we’ll close our eyes together.

sure! Gong mo said with a sweet smile.

one, two, three ... he stared at her.

She was also staring at him, and neither of them closed their eyes.

Suddenly, she burst out laughing and immediately closed her eyes.

Sheng nanxuan also smiled and closed his eyes.

After a while, Gong mo opened his eyes slowly. Seeing that his father’s eyes were closed, he couldn’t help but smile and look at him attentively and gently.

.....

When mother Zhai and Gong Bai entered the ward with their lunch boxes, Gong mo and Sheng nanxuan were both sleeping.

The difference was that Sheng nanxuan was asleep, while Gong mo was only in a light sleep.

Hearing the footsteps, Gong mo opened his eyes and said in a low voice, "You guys are here? It seems like it'll only be for a while."

"I was afraid you would be hungry." Said her mother.

She called the doctor to check on Gong mo and only opened the lunch box after confirming that he could be fed porridge.

Gong mo couldn't help but swallow his saliva when he smelled the fragrance. Mother Yan blew on it to cool it down and asked, "Have you guys had dinner?"

"It's not dinner time yet." Her mother said, "let's go to the canteen later."

"Alright," he said.

After Gong mo finished a bowl of porridge, Mother Gong said, "Let's take a rest first, we'll eat later."

"Yes."

Sheng nanxuan woke up after two hours of rest.

"Have you had enough sleep?" Gong mo asked.

“Yes,” Sheng nanxuan smiled.

He got off the bed and folded the blanket. When he saw the lunchbox, he asked, “You’ve eaten?”

“I’ve just eaten, and now I want to eat again.” Gong mo said in embarrassment.

“Then I’ll feed you.”

“Then you feed her. I’ll go have dinner with Gong Bai. It’ll be your turn later,” Mother Gong said.

“Alright.” Sheng nanxuan nodded and opened the lunch box. The porridge was still hot.

He stood by the bed and Gong mo pulled his pants, “They’re all wrinkled.”

“It’s fine.” He had only taken off his clothes when he slept, and his pants were still the same as the one he had worn at the banquet.

“Are you going to sleep here every night?” Gong mo asked.

“Of course.” He had an expression that said, “you’re asking the obvious.”

“Then, go home after dinner and pack some things. We also have things that the child needs.”

Chapter 246

246 Stay in the hospital to accompany her

“Okay, what do you want? tell me.”

...

“Bring your own pajamas, toiletries, and other things. I want my clothes too, otherwise what if I leave the ward, Yingluo?”

As Gong mo spoke, Sheng nanxuan nodded. He kept everything in mind.

“I guess mom doesn’t want to go home either.” He said.

Gong mo was stunned. He didn’t have any pets or children at home. It was fine to have them all here, but it was inconvenient.

“If mom stays, let her sleep on the bed and I’ll sleep on the sofa. Or ask the nurse to get another bed. It’s wide here, it can fit.” Sheng nanxuan said.

“Alright, then.”

Mother Gong and Gong Bai came back after a short while. The nurse came to get Gong Mo’s milk. Feeling a little embarrassed, Gong Bai took his leave.

Naturally, mother Yan and Sheng nanxuan did not need to leave. They helped the nurse get the milk.

“How’s the child?” Gong mo asked, feeling a little uncomfortable.

her body temperature has stabilized, and she’s defecating and eating normally. You should be able to feed her yourself in a few days. The nurse said.

“Is this your first time feeding?”

“No.” The nurse smiled and said, “ we took the milk once when you were under observation in the delivery room. We fed it for the first time in the afternoon and a few times after that. We always fed it once an hour.

“Can I go see him now?” Gong mo looked at Sheng nanxuan.

Sheng nanxuan furrowed his eyebrows and compromised. “Alright,” he said.

He carried her to the wheelchair, found a blanket to cover her legs, and pushed her out of the door.

Outside the incubation room, the nurse was turning the child around and feeding him.

Gong mo looked at it for a while and said to Sheng nanxuan, “ you haven’t eaten yet. Go and eat first. Mom will push me back later.

Sheng nanxuan thought for a moment and nodded. alright then. I’ll go home and pack my things.

“Pack what?” her mother asked, puzzled.

I’ll stay in the hospital to accompany her tonight. I’ll go back and get some clothes.

“I want to stay too,” said her mother.

The two of them knew that they could not object, so they did not waste their breath. what do you want, mom? ” Sheng nanxuan asked directly. I’ll bring it along.

Her mother thought for a moment. She didn’t like other people touching her things. Moreover, her room had a bathroom with toiletries. If Sheng nanxuan wanted to get them, he would have to go through her room.

She felt that it was awkward, so she said, “ “I have to go back to get supper for Momo later. Why don’t you go and eat first, and we’ll go back together later?”

“That’s fine.” Sheng nanxuan smiled and touched Gong Mo’s face. then I’ll go and see the child. I’ll go after he’s finished eating.

Gong mo nodded with a smile. After the child finished eating, he went to the canteen and mother Zhai pushed Gong mo back to his room.

When she reached the door, she was shocked to see a few men standing inside.

“Where did you guys go?” Fang Yang asked with a smile.

Mother Hao recognized Fang Yang and Zeng Shuai, but she didn’t know the other two. However, she heaved a sigh of relief since there were people she knew. She pushed Gong mo in and said, “She went to see the child.”

where’s nanxuan? ”

“He went to eat.” have you guys eaten? “Gong mo asked.

“No, I’m here to see you guys.” Fang Yang asked, “ where is he eating? Let’s go find him and have dinner on the way.”

“In the hospital’s cafeteria.”

“Alright, we’ll head over first.” Fang Yang pointed at the things on the coffee table. I bought them for you and the child. It’s just a small token of my appreciation.

“Thank you,” he said. Gong mo smiled. I will tell Nan Xuan.

Chapter 247

247 What was he thinking?

Fang Yang coughed awkwardly. It was as if they were here to please their boss.

...

Alright, there was indeed such a suspicion. If he came, he wouldn't be able to gain anything, but if he didn't come, he definitely wouldn't gain anything!

Mother Yan watched them leave and asked in confusion, "Are these all nanxuan's colleagues?"

Gong mo nodded.

"Tsk, what company are they from? They're all so good and handsome. Are they married?"

"Mom, what are you doing?" Gong mo couldn't help laughing.

Apart from Fang Yang, Zeng Shuai, Lin Lei, and fan Yiwen were all CEOs of a company. How could they not be good?

Although Fang Yang was not the president, he worked directly for Sheng nanxuan. In front of Sheng nanxuan, he seemed to have more face than the others. Naturally, he was not worse off!

Her mother paused for a moment and sighed in disappointment. "I thought I couldn't help it? She wanted to be a matchmaker for them just because she saw a good young man! But after thinking about it, I don't seem to know any good young girls."

"pfft-" Gong mo burst out laughing. Then, he said, "my stomach hurts, Wawa."

"Don't laugh, don't laugh!" Her mother said hurriedly, "are we going to the bed? I'll help you!"

.....

When Fang Yang and the others found Sheng nanxuan in the canteen, the food he ordered had just been served and was about to start eating.

boss! Fang Yang called out with a smile.

Sheng nanxuan glanced at them and asked, 'what are you doing here? Don't you have any business to attend tonight?'

"I'm here to visit Madam and young master," Fang Yang said.

Sheng nanxuan saw that the people around them were looking at them and ordered, "Sit down and talk."

"Yes!" The four of them hurriedly sat down.

"I had a dinner appointment tonight, and I could see a lot of pretty girls, but I had to stand them up in order to see the young master!" Zeng Shuai said with a smile.

I was afraid that you and Madam would be resting during the day, " fan Yiwen said. I didn't want to disturb you, so I came now.

"Lin Jing also wanted to come, but I didn't agree." Lin Lei concluded.

"Have you had dinner?" Sheng nanxuan nodded.

The four of them hurriedly shook their heads in the same direction and magnitude. He was a handsome man, but he looked especially stupid like this.

Sheng nanxuan couldn't help but roll his eyes and said, "Let's order!"

.....

When Gong Bai returned to his residence, Gong ze had already left.

He made dinner and ate while in a daze, feeling as if he had forgotten something.

He recalled the process of visiting Gong mo. When he thought of Yu Xinran, he suddenly choked on the rice grains. The feeling of forgetting something was gone.

Gong Bai was dumbfounded!

She was a rich young lady, what was he thinking?

He ate silently and decided not to think about it anymore, but the image of her depressed face still lingered in his mind.

In a fit of anger, he put down his bowl and chopsticks, took out his iPad, and searched for the word 'Yu Xinran' on the web.

Most of the news on the web page was about the auction last night. As the host of the auction, Yu Xinran naturally had a high-definition image.

Regarding her identity, the internet was also full of her-the only daughter of the richest family, the Yu family, who studied in United Kingdom from a young age, then studied in France after high school, and the chief editor of the top domestic fashion magazine,"Qing Yu Beauty," Yingluo.

Born with a golden spoon in her mouth, standing at the top of the crowd, the difference between him and her was like the difference between cloud and mud.

Gong Bai suddenly calmed down after reading it. He exited the webpage, put down his iPad, and continued eating.

After dinner, he washed the dishes, wiped the table, cleaned the kitchen, and did what ordinary people should do.

This was a rented house, and the monthly rent cost him half a month's salary.

Chapter 248

248 What's in it for me to see that President?

With his current income, he probably wouldn't be able to buy a single brick or tile in the capital in his lifetime. He didn't know what heights his hard work could reach.

...

Gong Bai was a calm man. He was not in a hurry, nor would he be jealous of anyone, nor would he take any shortcuts.

There was a lot of trouble at home, from his parents to his sister. If he left too quickly, they would definitely hold him back. He was happy to take it slow.

Originally, he shared the apartment with his colleagues, so the expenses were relatively low. However, after Gong ye moved in, he had to move out and rent a new house so that he could live with Gong ye. Firstly, he had to take care of Gong Jie. Secondly, he had to supervise him.

Gong Ying entered the entertainment industry. It was a chaotic industry. He knew that she wanted to be famous and there were some things that couldn't be controlled by her. However, he still had to supervise her for the rest of the things.

The apartment was found by Gong ye. She liked bright, clean, and stylish apartments with elevators, so she rented this one in the end.

He couldn't ask Gong Ying to pay the rent. In the end, it would all fall on his head.

Gong Bai sighed. He took out his computer and checked his bank account balance on the internet. Then, he roughly calculated this month's expenses. He couldn't help but have a headache.

Today, he had been willful, and there was not much left.

Gong Jie clamored for this and that every day, it was really terrible.

It seemed like he had to find some part-time jobs.

Gong Bai was looking at his part-time job on the internet when the door opened with a bang.

He looked back and saw Gong Fei walking in with makeup and tall boots.

She closed the door, took off the collar on her shoulder, and threw it on the sofa. She stood there and changed her shoes.

“Aren’t you going to a dinner party?” Gong Bai asked in confusion. They’re leaving so early?”

what can they do if they don’t disperse?! Gong Ying was furious. it was said that the CEO of the star Corporation, Zeng Shuai, was going to go, but he didn’t see anyone there. Only a few bald men with fat intestines were there! I found an excuse and sneaked back! To think that I dressed up for half a day, but it was useless!”

“What’s the benefit of meeting the President?” Gong Bai asked with a frown.

“There are so many benefits! If he becomes my boyfriend, I’ll get all kinds of resources! I’ll be able to play whatever role I want, and I’ll be the female lead!”

“Boyfriend?” Gong Bai was speechless.

ahem, ahem, ahem. Gong Gong turned his head away in embarrassment and sat on the sofa, rubbing his legs.

Gong Bai couldn’t help but say, “can’t you just focus on your acting? you’re always messing around-”

“How am I not acting properly? If he wanted to act well, he had to seize the opportunity! Who wouldn’t take the shortcut?” “Why else would I come to Beijing?” “Didn’t you just want to have more chances in Beijing?”

What was so good about being in Nanjiang? She had tried so hard to get into Yang Gang’s good books, but he couldn’t help her with her career at all except for taking her to parties!

Nanjiang was such a small place. Even a rich young master would not be able to enter the entertainment industry so easily.

However, it was different in Beijing. Any rich second generation would have the opportunity to speak on set. There was no need to talk about that CEng Shuai. He was the president of an entertainment company. If she became his woman, wouldn’t she become famous overnight?

Gong Bai said, “go ahead and torment me!” I can’t control you! If you want to find someone to back you up, go ahead. But don’t touch things like drugs, or else no one can save you!”

“I know!” Gong Ying frowned impatiently. I’m not that stupid! By the way, when are you going to buy me a pair of shoes? These shoes are too hard on my feet, my feet will hurt after walking for a while.”

Chapter 249

249 The jealous Sheng nanxuan

“Didn’t I just buy you two pairs two days ago?”

...

“That’s not good!”

“Then why do you want to buy it?”

Gong Mao was stunned. He turned his head and snorted. “Go and see Gong mo. How is she?”

“It’s pretty good.”

“You bought her something?” Gong Fei’s eyes widened.

“You can’t judge a person-handed.” Gong Bai turned his head to look at her.

“I didn’t tell you to fight empty-handed! I’m just afraid that you’ll move everything to her! Who’s your sister?”

“Whoever I spend more money on is my sister, and you’re definitely my biological sister! You won’t be able to run away for the next ten lifetimes!”

“.....”

Gong Mao was silent for a while. At first, he didn’t understand what he meant. After a long time, she realized that he was complaining that she had spent too much money.

She stood up angrily and walked towards the bedroom. “How much did you spend? You’re so petty! I’m your sister, shouldn’t you be taking care of me?”

“What if I get married in the future?”

Gong Fei was stunned for a moment before she said loudly, “I’m still ranked first!” If you dare to spend your money on other women, I’ll tell mom!”

Bang! Bang!

Gong Jie closed the door.

Gong Bai sighed tiredly and continued to look for a job.

He must have owed Gong ze in his previous life.

.....

The next day, Gong Bai went to the hospital to see Gong mo again. This time, she didn't buy a gift. Instead, she personally made a soup.

"You know how to cook?" her mother was surprised.

Gong Bai said with a smile, "I had no choice when I was abroad. I couldn't cook, so I could only eat hamburgers. I really couldn't get used to it, so I learned two dishes.

"Then I'll have to test your skills." Gong mo said with a smile.

"Don't worry, I'm not good at other things, but I can make good soup. The range hood overseas doesn't work well and it's not convenient to cook, so I make soup most of the time."

Gong mo took two sips of the soup and nodded his head, "Mm, it's indeed good! Mom, try it ..."

"What should I taste?" Her mother said, "this is for you to drink.

"Have a taste, so you can praise your cousin!"

all right, Zhenzhen. mother Zhen took a sip with a smile and gave Gong Bai a thumbs-up. It was indeed delicious.

"Do you want to try it?" Gong mo asked Sheng nanxuan.

"Eat slowly," Sheng nanxuan said sourly. I know how to make soup too. I'll make it for you starting tomorrow, so you don't have to trouble cousin."

Gong mo was stunned. He pursed his lips and continued drinking his soup.

Sheng nanxuan rolled his eyes at Gong Bai. He was very unhappy.

Gong Bai was speechless, thinking, "it's just a pot of soup, why do you hate me?" He wasn't a love rival, he was her brother-in-law!

When Gong Bai was about to leave, his mother went to see him off. He said, " I have to go to work tomorrow. I don't have time during the day. I'll come to see Momo at night.

"If you're busy, you don't have to come." Said her mother.

"I'm fine. I don't have anything to do at night, so I came over to chat with you guys. It'll be fulfilling for me. "

"Alright then. Don't make the soup anymore, it's so troublesome."

"I don't dare to do it either, in case my brother-in-law chases me away," Gong Bai said with a smile.

"I didn't expect him to be such a jealous person," mother Yan chuckled.

"He's just concerned about Momo."

"Yeah, I'm relieved to see Yingluo like this."

After sending Gong Bai back to his room, mother Zhai happened to see Sheng nanxuan carrying Gong mo to the toilet.

When the two of them came out, she said, “nanxuan has to work tomorrow. Go home and sleep tonight. Leave this to me.

Both Sheng nanxuan and Gong mo were stunned. They looked at each other. Sheng nanxuan slowly put Gong mo on the bed and covered him with the quilt.”I’ve asked for leave from the company. Momo has only been born for less than two days, how can I leave?”

Chapter 250

250 She thinks we’re showing off our love

“Taking leave?” Her mother was stunned. how long did you take? ” Didn’t you say you wanted to hire a confinement nanny? While you’re here, let’s find her first so that she can come back to work after she’s discharged.”

...

I’ve already asked someone to help look for her. She can come to work anytime. Sheng nanxuan said.

“What’s it like?” Her mother asked with concern, ” the person who has to take care of the child can’t do anything rash.

“Mom, don’t worry.” Gong mo could not help but say, ” when has nanxuan ever made a mistake? ”

If she made a mistake while working for him, she would die a terrible death!

When Sheng nanxuan heard this, he smiled and looked at her gently. He was very satisfied with her trust in Him.

Her mother was a little bored. Okay, okay, okay, Yingluo. You can say whatever you want! Really, they still have to show off their love for each other like this?”

She said the last sentence very softly, but Sheng nanxuan still heard it.

Sheng nanxuan couldn’t help but laugh. He reached out and touched Gong Mo’s head.

Seeing them like this, mother Yan felt that she was a third wheel here. She turned around and said, "I'm going to the supermarket to buy something!"

After she left, Gong mo said to Sheng nanxuan in a daze, "Mom seems to be angry, Yingluo."

"She's not. She thinks we're showing off our love."

Gong mo,"hehe."

Sheng nanxuan laughed. we have to show off our love more. Maybe one day, mom can't stand it anymore and wants to take revenge on us. She'll find a partner.

"I'll be relieved if she really has a partner," Gong mo couldn't help but laugh.

.....

The New Year's holiday was over, and the major companies began to work.

Su mo got up early in the morning and changed into her professional suit. Sheng Dongyi had already taken care of himself and was having breakfast in the dining room.

Su mo walked over, placed her bag on an empty seat, and sat beside him.

The servant served breakfast and she glanced at it. "Why is the bacon so oily? I don't want it anymore. Give me a vegetable salad instead."

Sheng Dongyi's eyes shifted from the newspaper to her. "Are you on a diet again? I didn't get fat."

“If you’re not fat, you have to control yourself!” Su mo smiled coyly and leaned over to hold his arm. can you send me to work later? “she asked sweetly.

“Alright,” he said. Sheng Dongyi kissed her on the lips.

After the meal, the two of them set off together. Sheng Dongyi drove her to the lobby of Qing Yu media. Su mo got out of the car and saw Yu Xinran coming out of the office building with her Secretary.

Su mo was shocked and closed the car door gently.

She was already late, but she still ran into her superior. She was really looking for death! In addition, she was afraid that Yu Xinran would be dissatisfied with the auction.

Yu Xinran saw her and stopped in her tracks, glancing into the car.

Su mo scratched her head and walked over. She called out carefully, “Director Wanwan.”

Yu Xinran sneered, “What time is it?” If I didn’t know better, I would have thought that Qingyu media was owned by your family. Are you so casual during working hours?”

“I’m sorry, director. There was a traffic jam on the road.” Su mo said softly.

Sheng Dongyi got out of the car and walked over. I’m sorry, miss Yu. Su mo didn’t do it on purpose. It’s all my fault for forgetting to refuel the car and being delayed halfway.”

Yu Xinran looked at him and saw that he was looking straight at her. She frowned and said to su mo, “Alright! Let’s go in!”

“Thank you, director.” Su mo bowed, looked up at Sheng Dongyi, and turned to walk into the office building.

Yu Xinran took a deep breath and decided to deal with her when she came back!

“Alright, let’s go,” she turned to her Secretary.

Just as they were about to leave, Sheng Dongyi suddenly called out, ” “Miss Yu! You’re going out? I’ll give you a ride?”
