

Ditsy Wife 311

Chapter 311

311 Su Mo's father is here

she's Sheng Dongyi's ex-fiancée. Don't you know that? "

...

it's Yingluo. ding dang shook her head. I used to be in the capital, and she was in Nanjiang. Yingluo suddenly died. I don't know the details.

"Your sister's death has already been involved in this case, so you have to leave!"

is Sheng Dongyi the one who harmed my sister? "

"I haven't reached a conclusion yet!" Gu Lei quickly pointed at her. don't you do anything stupid! The case is still under investigation, so you're not allowed to act on your own!"

Ding dang nodded. I understand, Yingluo. Then I won't investigate the case. What do I do? "

"Yingluo, do you want to take a break?"

you don't want me to stay in the police station, do you?! ding dang was furious.

"No, no, Yingluo, I'm just afraid that you won't be able to help but care about the progress of the case! How about this, you go to the Civil Affairs team first and assist them in handling some civil cases. You can come back after the case is solved."

"I don't want to deal with a civil case! What's there to deal with about such a trivial matter?"

“Whether it’s civil or criminal, we’re all serving the people! Handling civil cases isn’t life-threatening, so why do you like to rush to the front line so much?”

“I have ambition!” Ding dang left the office in anger. She packed her things and her detective novel and went to the Civil Affairs team.

Everyone watched her leave and asked Gu Lei in confusion, “ “Captain, what’s wrong?”

“Let’s have a meeting. I’ll tell you the latest news.”

Halfway through the meeting, the police officer on duty outside reported, “ “Captain, su Mo’s father is here!”

Hearing this, Gu Lei immediately stopped the meeting and invited the person in.

They brought father su to see su Mo’s body first.

Su Mo’s body was stored in the forensic room, and the forensic doctors were trying to get more information from her body.

Seeing the body, father SU’s tears flowed down his face. After a while, he cried until he was out of breath. “Momo, it’s all daddy’s fault, Momo ... You’re leaving! What’s daddy going to do?”

Father su cried for a long time. Everyone helped him leave and let him rest in the office of the criminal Police unit.

Gu Lei saw ding dang looking around at the door of the office and glared at her. She returned to the Civil Affairs team, feeling wronged.

“Mr. Su, drink some water and calm down.” Gu Lei called for someone to bring some warm water over. there’s still something I need to understand from you later.

have you caught the murderer Who Killed My Daughter? ” Father su called out.

“We’re still investigating this Yingluo, and we’ve already found some clues. your daughter’s situation is special. There are very few clues left at the scene of the body dump, which makes it more difficult to solve the case. So, we’ll need to find out more about the situation from you later.”

“No need for a while!” Father su said excitedly, “I can do it now! We must catch her murderer and dismember her into a thousand pieces!”

Okay, okay, okay, Yingluo, “Gu Lei comforted her. I’ll get ready. Let’s start.

Gu Lei gave the people around him a look.

The questions asked in the police station were all recorded on the computer. A police officer brought his laptop over and slowly sat down.

go to the Nanjiang police station, “Gu Lei whispered to another person. get the case files on Ding Xiang’s case.

After he finished speaking, he saw that the time was almost up and father SU’s emotions were no longer as agitated as before. He started to ask, ” When was the last time you contacted su mo? ”

Father su took out his phone and looked at his call history with su mo. “This is it.”

Gu Lei took a look and saw that it was the day before su mo went missing.

Chapter 312

312 How is song zijie now?

she was looking for a job at that time, ran ran, ” father su said. I think Sheng Dongyi must have harmed her!

...

Gu Lei raised his eyebrows, 'why are you so suspicious? Su mo was his girlfriend. By the way, when did they start dating?'

I don't know. It's probably not long after Sheng Dongyi and Gong mo broke up.

Gu Lei nodded and made a mental note. He would ask Sheng Dongyi about this next time.

He rubbed his forehead. This case was so complicated that he had overlooked some investigation points.

Father su said, 'Sheng Dongyi is with her to use her! I used to be the chief editor of Nanjiang's "talking joy" magazine. The Sheng family are businessmen, and we need to use the media to create momentum when necessary. Naturally, I'm willing to be with Momo. After coming to the capital, Momo went to Qingyu media, which made him even happier. Momo had done everything for him and even helped him get into Qing Yu media's charity gala to settle the results! When the truth was exposed and Momo was fired, Sheng Dongyi started to despise her!'

"Did su mo tell you?"

"Yup! I'm also fired by Qing Yu media, and it's all because of the charity party! Momo is useless now, and so am I. The Sheng family naturally doesn't want to be entangled with us! Momo told me that Sheng Dongyi went to look for the young lady of the Yu family. I suspect that he has set his next target on the young lady of the Yu family, Yingluo."

Gu Lei rubbed his forehead. It's so annoying to hear about the grudges between the rich and powerful every day.

Momo really loves Sheng Dongyi, "father su said. she's definitely not willing to break up with him. Sheng Dongyi must have killed her in order to chase after Yu Xinran as soon as possible!"

"Alright, ran ran, we'll investigate in that direction."

Gu Lei knew that there was no way to reason with father Su now, so he could only go along with him.

Mr. Su nodded and took a sip of water.

“Does su mo have any friends or enemies in her life?” Gu Lei asked.

Father su thought for a moment and said, “I don’t think so.” Her life revolved around Sheng Dongyi. In terms of enemies, the Yu family was considered one, right? They’re targeting Momo Qianqian.”

Gu Lei nodded, “we’ll investigate.” Where does Mr. Su live? we’ll send you back first. Take a rest, we’ll let you know if there’s anything tomorrow.”

good Zhenzhen. father su stood up.

“By the way, do you usually send su mo things?” Gu Lei asked.

“I didn’t.”

“Okay, take care.”

After father su left, Ding Xiang’s case file was received.

Gu Lei looked through it and couldn’t help but sigh. This was too tragic. First he was

He pointed at the names of the murderers involved in the case. “Check the current situation of these people.”

Very quickly, the results were out, “other than song zijie, the others all died in prison.”

Gu Lei sighed. Of course, he had guessed how these people had died. After all, it was Deputy Mayor Ding's daughter who was killed, and he couldn't let the murderer off so easily.

However, it wasn't easy to investigate this kind of thing in depth, as it would offend people.

As for Song Zijie, his family had some connections, so he was saved.

"How is Song Zijie now?" He asked,

"He was just released at the end of last year. He and Sheng Nanxuan were High School Alumni. When he was in high school, he was sent to the police station for fighting, and the person he fought with was Sheng Nanxuan."

Gu Lei narrowed his eyes, "Mrs. Sheng said that one of them is Sheng Nanxuan's friend. But the case record said that they were fighting and that they became friends after a fight?"

Chapter 313

313 Don't disturb Gong Mo with the murder case!

Before Sheng Nanxuan got off work, someone came to the police station again. This time, it was Gu Lei.

...

Gu Lei wasn't wearing his police uniform. He was wearing casual clothes.

Sheng Nanxuan laughed. It's a good thing that I didn't come in my uniform this time. Otherwise, the police would come twice a day and scare my staff.

"I've also considered this situation," Gu Lei laughed. That's why I changed into casual clothes.

He had been working on cases for so many years, and the situations he had encountered were far more than Sheng Nanxuan could imagine.

Sheng nanxuan asked, 'then why are you here this time? Any progress in the case?'

"There's been some progress, but it's not convenient to tell."

"I understand." Sheng nanxuan shrugged.

"It's like this, we want to find your wife to understand some things. However, we heard that she had just given birth to a child, and it was premature. We were worried that a murder case would scare her, so we came to ask for your opinion."

Sheng nanxuan smiled. she likes to read detective novels. Murder cases won't scare her.

Gu Lei's eyes flickered. He didn't expect him to directly mention that Gong mo loved detective novels. Could it be that the two of them were not involved in the murder?

Sheng nanxuan did not reveal Gong Mo's hobby without thinking.

How did Gu Lei know that Gong mo had premature labor? The Yu family siblings, the hospital, and Sheng Dong's Hospital were all channels.

He would not let go of any possibility. If he had heard about Gong mo from Sheng Dongyi, Sheng Dongyi might have revealed more about Gong mo, such as his love for detective novels.

Even if Gu Lei didn't understand this, he wanted to find out more from Gong mo. He would find out sooner or later.

Therefore, there was no need to hide this kind of thing, or else it would arouse suspicion.

"However, I'm not sure. The murder cases in stories and the murder cases around us are different."
Sheng nanxuan said.

“Then it’s not convenient?”

“Of course. She has just become a mother, and I don’t want these things to affect her mood. You can ask me about her. ”

is that so, Zhenzhen? ” Gu Lei thought for a while. then I’ll ask you. First of all, does Gong mo like to read detective novels?”

Sheng nanxuan smiled. He got up and walked to the bookshelf. He took the book ‘corpse language’.

He placed the book in front of Gu Lei and pointed at the ‘translation’ line. “What is this?”

mo Xuan mythical beast! Gu Lei was shocked and looked at him.

He nodded and said, “I translated it.” Gong mo likes to read detective novels, so I asked my men to collect the original books from all over the world and translate them for her. She felt that good things should not be kept to herself and should be shared with everyone, so I started this company and published this book!”

Gu Lei understood that Sheng nanxuan was very arrogant! Cool, handsome, domineering, and arrogant, he could do whatever he wanted! She didn’t care about money as long as he was happy! However, the source of his happiness was Gong mo!

He did everything for Gong mo!

He was tactfully warning himself not to disturb Gong mo with the murder case!

Gu Lei was glad that he had asked for his opinion first!

But why should he be glad?

Sheng nanxuan was not a Big Shot. He was an abandoned child who was expelled from the Sheng family. Even if he had the money to search for detective novels and open a company, Qianqian was only rich, right?

However, as a police officer, Gu Lei had a natural sense of crisis. The feeling Sheng nanxuan gave him was that he was not that simple! This person was a mystery!

He subconsciously felt that he should never offend Sheng nanxuan.

Gu Lei pinched the police cap on the table and asked, "So you've read the contents of this book?"

Chapter 314

314 The two brothers can not live under the same sky

"I've seen it. When your beautiful police officer came over, she told me that su Mo's death was exactly the same as what was written in this book. Are you suspecting Gong mo and me?"

...

"It's obvious." Gu Lei admitted frankly, "but the problem now is that whoever has read this book is a potential suspect. I have to use the process of elimination to eliminate them.

"I've been excluded?"

"What do you think?" Gu Lei smiled faintly and opened the folder he had brought. He looked at the information recorded on it and asked, "last year, on May 30th, Sheng Dongyi's birthday, you returned to Nanjiang from the capital and had sex with Gong mo, who was still Sheng Dongyi's girlfriend at that time?"

Sheng nanxuan nodded. did you hear this from Sheng Dongyi? "he asked.

Gu Lei paused for a moment and nodded. He took out the ballpoint pen from the folder and was about to write. "I'd like to hear your version."

my version, Yingluo. Sheng nanxuan looked into the distance as if he was reminiscing. that day was also my birthday. As soon as I entered the room, there was a drunk woman on the bed. I thought it was my father and brother who were comforting me after the long journey, Yingluo.

Gu Lei choked. that woman is your wife now. Is it appropriate for you to say that? ”

“Do you know why she was there?” he asked calmly.

because Sheng Dongyi needs a reason to kick me out of the house.

Gu Lei paused and raised his head to look at him.

“It’s normal for families to fight for power and property,” he said with a smile.

haha. he had heard enough of the grudges between the rich and powerful today. He didn’t care if it was more intense.

they must not have told you that I’m not Mrs. Sheng’s biological daughter. I’m Sheng Zhongtian’s illegitimate son. Sheng nanxuan sneered. Mrs. Sheng has been pretending to be my biological mother. She thought I didn’t know, but she and Sheng Dongyi can’t tolerate me. Think about it, who would be willing to let an illegitimate child snatch something that originally belonged to them?”

Gu Lei silently lowered his head and quickly recorded his words.

Ding Xiang’s death ... Sheng nanxuan paused for a moment. did you know about Ding Xiang? If he didn’t know, he would go back and check. Ding Xiang’s death has made Sheng Dongyi hate me to the core. All I had to do was add fuel to the fire, and Sheng Zhongtian would definitely not let me stay. So, Gong mo was used.”

Gu Lei looked at him and inexplicably believed his version even more! What if Mrs. Sheng really wasn’t his biological mother?

Following that, Gu Lei naturally asked about Ding Xiang's death. Sheng Dongyi thinks you're the mastermind. Is that true? "

"I was studying in the capital and didn't return to Nanjiang at all."

"But one of the murderers involved is your friend?"

"They're just scoundrels." Sheng nanxuan did not want to explain further.

Gu Lei looked at him suspiciously.

He suddenly said, 'if you think I'm the mastermind, you might as well suspect su mo. Her relationship with Sheng Dongyi had been going on for a long time. Sheng Dongyi is going to marry Ding Xiang. It's only natural that she's jealous."

"I see, Yingluo. I have another direction to investigate." Gu Lei laughed.

After much investigation, not only did Sheng Dongyi hint that Sheng nanxuan was the murderer, but Sheng nanxuan was also hinting that Sheng Dongyi was the murderer! These two brothers were indeed irreconcilable!

After Gu Lei left, Sheng nanxuan also got off work and went home.

It was the peak hour, and the roads were a little crowded. Sheng nanxuan drove slowly as he observed the scenery outside the window.

This city was busy, noisy, and full of smoke and fire. Killing people was out of reach for ordinary people.

Gong mo, on the other hand, was just an ordinary person. He was the happiness that he had been holding on to. This kind of happiness could not be broken.

No one could affect her good mood.

Chapter 315

315 With you around, every day is Valentine's Day

Sheng nanxuan smiled and parked the car outside a flower shop.

...

After Valentine's Day, the roses were unsalvageable, and the florist staff was ready to destroy the roses that were no longer fresh.

Sheng nanxuan looked at the roses for a while. The shop assistant asked, "Sir, do you want to buy flowers? Discount!"

"I bought it yesterday."

"Then you're the one who ran!"

"I bought roses yesterday. Give me a bouquet of lilies today."

"Alright!" The shop assistant smiled like a flower and wrapped a bouquet of lilies for him. She asked, "is this for your girlfriend?"

"It's Madam."

Oh ~"the shop assistant smiled. then I wish you two a happy marriage.

Sheng nanxuan paused and took out a few more notes than he had originally planned. "Thank you for your kind words, keep the change."

The shop assistant's eyes widened as he took the money. A tycoon! Would he come again tomorrow? I still have many good words to say!

.....

Sheng nanxuan walked into the living room and saw the pram parked in front of the sofa. Gong mo and mother Zi were looking down at the pram. Clearly, the child was inside.

Nanxuan is back. Mother Tao looked up and saw the flowers in his arms. She couldn't help but exclaim.

Gong Mo's face turned red as he said, " "Don't take it!"

Sheng nanxuan stopped and looked at her innocently.

"Then you go over!" Said her mother.

Gong Mo's face was red. He stood up and walked to Sheng nanxuan.

Sheng nanxuan gave her the flowers, and she said awkwardly, " "It's not Valentine's Day today, Yingluo."

"With you around, every day is Valentine's Day."

Gong mo buried his face in the flowers shyly.

As Sheng nanxuan walked in, he asked, " "Did you just take the child out?"

"Yes, Yingluo."

Gong mo replied as he followed behind her. He turned around and glanced at mother Zi, who rolled her eyes at him.

She stuck out her tongue and followed Sheng nanxuan into the bedroom. She found a big vase and put the lilies in it, then put it on the windowsill.

Sheng nanxuan took off his coat, revealing the sweater inside. He walked over and hugged her from behind.

“How was work on the first day of the new year?” Gong mo asked with a red face.

“The employees are quite proactive.”

“That’s great ~”

“How can it not be good? when I arrived, the finance department was giving out red packets for the new year. Oh right, I have one too, it’s really thick.”

Sheng nanxuan turned around and took out a red packet from his briefcase and handed it to her.

She took a look and saw that it was two thousand Yuan.

“Could it be that all the employees were given two thousand Yuan?”

“Seeing how happy they are, it should be.”

“Even if you’re the boss, you’ll get one too?”

“I’m just enjoying the people.”

“What citizens?” Gong mo choked and shouted. Do you think you’re the Emperor?”

I'm the company's CEO. To them, I'm the Emperor, right? " Sheng nanxuan caressed her face.

She froze uneasily and reproached, " "What are you doing?"

"You're really pretty." Sheng nanxuan lowered his head and kissed her.

Gong mo held his breath. He closed his eyes and slowly wrapped his arms around Gu Yu's waist.

On the window sill, the lilies were bright and beautiful, just like her beautiful appearance.

.....

Early in the morning, Sheng Dongyi put the envelope that song zijie had sent him, the photos in the envelope, and the CD that came later into his briefcase.

He was going to take them to the company and tear them into pieces with the shredder in the office.

It was a pity that he didn't have a shredder at home. Otherwise, he wouldn't have to go through so much trouble.

However, this was not a big problem. It was just one more step.

He drove out of the community. In a car by the road, two police officers had been waiting for him the whole night. When they saw him moving, they immediately followed him to take a look.

At the same time, father su left the hotel and decided to seek revenge on Sheng Dongyi!

Chapter 316

316 It looks like this case is going to be solved soon, Yingluo

Father su didn't know where Sheng Dongyi lived, but he knew where Sheng Dongyi worked. So, he went to the entrance of the office building and waited.

...

When Sheng Dongyi arrived, he parked his car in an open-air parking lot nearby and walked to his office with his briefcase.

Two police officers got out of the car and followed them from a distance.

Sheng Dongyi walked to the entrance of the office building. Father su, who was hiding in the dark, suddenly rushed out.

"Sheng Dongyi!"

Sheng Dongyi was shocked. He looked over. uncle?!

"Give me back my daughter's life!" Father su pounced on her.

It was rush hour, and there were people all around. Sheng Dongyi didn't expect father su to run into him. He was caught off guard and was knocked to the ground.

ah ... the white-collar woman in a short skirt beside him hurriedly jumped away, afraid that they would see her.

The two police officers looked at each other and stood aside without moving.

"Let me go!" Sheng Dongyi felt the briefcase in his hand drop to the ground. He was furious!

"You murderer!" Father su picked up his briefcase and hit him in the face. give me back my Momo's life!

“Stop!” Sheng Dongyi shouted. He was afraid that he would spill the contents of the bag, so he reached out to grab it.

When father su saw him snatching the bag, he held it even tighter and hit him even more fiercely.

Sheng Dongyi and father su both pulled hard on the briefcase. The clasp of the briefcase was pulled open, and the contents inside flew out.

Sheng Dongyi watched as Ding Xiang’s *** flew past his eyes. He hurriedly collected the photos scattered around him!

Father su was dumbfounded. He picked up the photo on the ground and looked at it. He didn’t understand what was going on.

He didn’t know who Ding Xiang was, but seeing that it wasn’t su mo in the photo, he shouted, “You pervert! Quickly come and catch the pervert!”

“Stop!” Sheng Dongyi was furious. give it back!

A woman who was about to enter the office building passed by them and saw the photos on the ground. She screamed and ran away, looking at them as if they were monsters.

The two police officers looked at each other and walked over.

Sheng Dongyi quickly picked up the photos on the ground. Suddenly, a pair of leather shoes appeared in front of him. He was stunned and raised his head.

The man in front of her took out his id and said, “police-”

When father su heard that, he jumped up and pointed at Sheng Dongyi. “Catch him, catch him Yingluo, look at this pervert! He must be the one who killed my daughter!”

Sheng Dongyi was silent for two seconds. He clenched the photo in his hand and quickly got up, trying to escape.

The police officer pressed him down on the ground and clasped his hands behind his back. "Be careful, I'll sue you for resisting arrest!"

Sheng Dongyi calmed down and smiled. "What right do you have to arrest me?"

He looked at father su. this person rushed out to hurt me for no reason. He should be the one who should be arrested, right? "

you ... father SU's eyes widened. He didn't expect him to change from "uncle" to "this person"! He must be the one who killed su mo!

"The two of you, please come with us to the police station for questioning."

The police pulled Sheng Dongyi up and snatched the thing from his hand. After looking at it, he couldn't help but sneer.

It looks like this case is going to be solved soon, Yingluo.

Sheng Dongyi frowned. He had a bad feeling. If these things were handed over to the police, he would definitely be suspected of being su Mo's murderer! What should he do?

.....

At the police station.

After Gu Lei and his colleagues finished looking at the photos and the contents of the CD, they sat down in front of Sheng Dongyi.

He placed the envelope in the evidence bag in front of Sheng Dongyi. "This is the express Mail that Su Mo sent home on the day she went missing? Am I right?"

Chapter 317

317 It was obvious that someone was framing him!

I want to find a lawyer, " Sheng Dongyi said with his eyes closed.

...

"Only criminals need a lawyer!" Gu Lei said coldly.

Sheng Dongyi frowned and opened his eyes. "This is my right."

OK. Gu Lei pushed the phone in front of him. please.

"The phone number is in my phone."

"Please," Gu Lei said.

Sheng Dongyi took out his phone, found Mrs. Sheng's number, and called. mom, I'm at the police station. Can you help me find a lawyer? "

Before the lawyer arrived, Sheng Dongyi refused to say anything.

Gu Lei locked him up in the interrogation room and asked someone to watch the surveillance cameras. Then, he went through the case by himself.

When Sheng Zhongtian and his wife arrived with their lawyers, he was even more confident about the questions he was going to ask.

"Officer!" Mrs. Sheng called out, " what's wrong with my son? Why did you capture him?"

he's a suspect in su Mo's murder! Gu Lei looked at them and said, " your Yingluo is also a suspect. Please follow my colleague to the interrogation room for questioning.

Mrs. Sheng was dumbfounded. what nonsense are you talking about?!

Sheng Zhongtian was furious,"do you know who I am?" You're ruining my reputation, I'm going to Sue you for slander!"

"We're all here to handle the case, and we're doing it legally. There's no problem with your reputation being slandered! If you're innocent, we'll naturally clear your name. If you're guilty, no one can protect you!"

Gu Lei's eyes glinted as he said that. He ordered his men to take Sheng Zhongtian and Mrs. Sheng to different interrogation rooms.

The lawyer's face changed. He followed him to the interrogation room where Sheng Dongyi was held.

The existence of the lawyer could not stop the police from questioning. However, the police would sometimes use some tricks to question people. The suspect might not be aware of the specious problems and fall into a trap, saying things that were not beneficial to himself.

With the lawyer around, they could remind them: There was no need to answer this question.

However, Gu Lei's question clearly showed that he disdained to play dirty. His questions were all real and unavoidable.

He picked up the envelope again and asked Sheng Dongyi, " is this the express Mail that su mo sent to her house on the day she went missing? "

"I don't know when she went missing."

“It was the day you last saw her.”

Sheng Dongyi was silent for a moment.

why did you open the letter that originally belonged to su mo? ”

“.....”

“Why?” Gu Lei asked in a deep voice.

“I’m just curious.”

“Curious?”

“Of course I’m curious about a parcel that only has the name of the sender and no address or phone number.”

but this is an invasion of privacy. What kind of curiosity would make you ignore other people’s privacy? ”

“.....”

“Because of this name?” Gu Lei pointed at the three words “song zijie” on the envelope.

“.....”

“He’s one of the murderers who killed your ex-fiancée, even the mastermind! He’s also your brother’s friend, so of course you have a deep impression of him.”

As Gu Lei spoke, he picked up another evidence bag, which was filled with photos of Ding Xiang being violated.

“And after you opened the envelope, you saw these photos, right?”

“Yingluo is.”

“There’s this CD?” Gu Lei picked up the disc.

Sheng Dongyi shook his head. no! he said.

“Tell me the truth!”

the CD was later. Sheng Dongyi sighed. He knew that if he didn’t make it clear, he would not be able to clear his name!

Someone was obviously trying to frame him! He wanted to pin all the unfavorable evidence on him!

Was it Sheng nanxuan? It was definitely him!

Chapter 318

318 What if Sheng nanxuan is the murderer?

He said,”after I opened the envelope, I saw the photo and the words at the back. I guessed that su mo was the one who did it.” Then, someone knocked on the door. I opened the door and didn’t see anyone, but there was a CD at the door.”

...

“Are you serious?” Gu Lei frowned.

Sheng Dongyi nodded.

Gu Lei pressed the bell to call someone in and ordered, ” “Go check the surveillance video.”

Sheng Dongyi shook his head. I've asked security. There was something wrong with the surveillance. Yingluo, it's obvious that someone is trying to harm me! Someone planned su Mo's disappearance and death, and all the unfavorable evidence was pointed at me!"

"We'll investigate this." Gu Lei said, " you just need to answer our questions honestly!

"But you're all suspecting me!"

you're full of suspicions now. Of course we have to be suspicious!

Gu Lei speculated-

When Sheng Dongyi found out that su mo had killed Ding Xiang, su mo might not have gone missing. When su mo came back, he had killed her in a fit of anger, or found a way to imprison her and cause her to go missing.

It was not until the new year that he read 'corpse language' in the swimming pool and thought of the perfect way to deal with the corpses.

They had already compared the fingerprints on the book, and Sheng Dongyi's fingerprints were indeed on it.

Sheng Dongyi specifically asked about the closing and opening times of the swimming pool. These were all the information he needed to know to commit the crime!

The motive for the murder was clear as well. Su mo had killed Ding Xiang back then, causing the Sheng family to lose their chance to marry into the Ding family. Now, she had offended the Yu family and lost her job. Sheng Dongyi felt that she was no longer valuable.

So, Sheng Dongyi was definitely the biggest suspect at the moment!

Unless he had an alibi!

Unfortunately, the time of su Mo's death could not be 100% confirmed. From the time she went missing to the time her body was found, any period of time could be the time she was killed.

It had been a long time. At that time, it was the new year, and few people had appeared around Sheng Dongyi. There were even fewer people who had witnessed his whereabouts, and he had very few alibis!

After that, Mrs. Sheng and Sheng Zhongtian came to the capital. These two people might have been involved in the case.

.....

The police had also asked Sheng Zhongtian and Mrs. Sheng a lot of questions, but from their answers, there was nothing suspicious about their answers.

It was already afternoon when he finished interrogating the three of them. Gu Lei called Sheng nanxuan again and said, " there's a new development in the case. I'm afraid you'll need to come to the police station.

"Oh?" Sheng nanxuan was unmoved.

Mr. Sheng, you can do it yourself. Or we can drive over to pick you up.

"Is it a police car?"

"Hitchhike,"

"Then I'll do it myself."

thank you, Mr. Sheng. Gu Lei hung up the phone with a smile, but he was still a little worried.

What if Sheng nanxuan was the real murderer?

He called two people over and made arrangements. "Go to Aimo books immediately and observe Sheng nanxuan's movements. Don't be discovered by him. If there's anything unusual, call me immediately."

"Yes!"

The two of them rushed to the Aimo library building and happened to see Sheng nanxuan coming out of the office building.

He stood by the side of the road and a car stopped in front of him. Fang Yang got out of the car and handed him the keys. He took the keys and got into the car, starting the car.

The plainclothes police immediately drove the car and followed.

Sheng nanxuan looked in the rearview mirror, smiled coldly, and stepped on the accelerator.

The police officer was shocked and sped up to catch up. Then he became worried. "He found out?"

"Yingluo should be heading to the police station in this direction, right?"

then, did you find out?!

"Aiya! I don't care, just follow!"

Chapter 319

319 Song zijie appears

Not long after, Sheng nanxuan stopped the car and really arrived at the police station.

...

The police officer who was following him heaved a sigh of relief. He drove his car past the door, pretending that he was not following him but passing by.

Sheng nanxuan locked the car door and walked into the police station. He asked for Gu Lei's office and went to look for him.

When Gu Lei saw him, he could not help but smile. "Thank you, Mr. Sheng."

"It is the duty of every citizen to cooperate with the police investigation." Sheng nanxuan smiled faintly.

"This way, please." Gu Lei brought him to his office and did not let him into the interrogation room.

Sheng nanxuan leaned back in his chair and could not help but look around at the busy office.

Almost every office table was piled high with files.

"It seems like you guys have a lot of work to do."

yes, there seems to be balance in the world, but there are always crimes happening in some places that people can't see. There's a conflict every day. Gu Lei sighed. there are also some old cases that are flipped over when there's nothing to do.

"You still care about old cases?"

"It's because it's an old case that we have to care even more. The victim's family has been waiting for a long time."

Sheng nanxuan nodded. No one knew if he agreed with him.

"Alright, let's start," he said with a smile.

Sheng nanxuan made a gesture of invitation.

"Have you seen song zijie recently?" Gu Lei asked.

"No, I didn't,"

"Have you contacted him?"

"No, I don't."

"Do you want to think for a while before coming back?" Gu Lei asked jokingly.

"I don't need to think about it, right?" Sheng nanxuan laughed. unless your 'recently' includes a long time. Song zijie and I haven't seen each other since we graduated from high school-to be exact, we haven't seen each other for a while before we graduated from high school, nor have we contacted each other."

"How was your relationship in high school?"

"Not much. When I came home from school, I saw him bullying a little girl, so I fought with him to save the damsel in distress. He couldn't beat me, but he didn't accept my defeat. Later, when he saw me, he could only smile and invite me to drink and eat meat together. I don't mind hanging out with him. But if there's something more important, I'll definitely ignore him."

.....

After sending Sheng nanxuan off, Gu Lei smoked a cigarette and started reading corpse language.

At night, song zijie arrived.

When he saw the name on the delivery envelope in the morning, he had already sent someone to look for song zijie.

Song zijie was on parole, and according to the rules, he had to report his whereabouts to the police during his parole period, so it was easy to find him.

He had found a job in his hometown, Nanjiang city, but he did not go to work. The song family had some influence in Nanjiang, so no one dared to stop him. He spent his days in a drunken dream, hanging out with his old friends.

The police had invited him to Beijing to cooperate with the investigation. He did not object at all and boarded the plane under the arrangement of the Nanjiang police. When he arrived in Beijing, the police in Beijing picked him up.

After entering the interrogation room, he lazily laid on the table.

"Do you know why I invited you here?" Gu Lei asked.

"I don't know,"

Gu Lei placed the CD, the photo, and the envelope in order in front of him and asked, "Have you seen these before?"

Song zijie's expression changed. He lowered his eyes and thought for a while, then asked doubtfully, "What's wrong with su mo?"

"You don't know?"

Song zijie's face changed again! After saying that, he looked to the side, clearly a little anxious.

It seemed that even if he did not kill su mo, these things were related to him!

what? ” Gu Lei narrowed his eyes. why did you give her these things? ”

Chapter 320

320 Unexpected investigation results

Song zijie opened his mouth and licked his teeth, ” “I was put in jail because of her evil plan! Of course, I’m going to get something from her!”

...

“You went to jail because of her plan?” Gu Lei asked angrily, ” don’t you know that you deserve to go to jail for what you did? ”

Song zijie was stunned and said with a thick face, ” “One won’t wake up early if there are no benefits. If su mo didn’t tempt me, I wouldn’t have taken such a risk.”

Gu Lei gritted his teeth and wanted to slap this scumbag!

He slammed his palm on the table and asked loudly, ” “Why did you give these things to su mo?”

I came to Beijing last month and personally went to her place.

“How do you know where she lives?”

Song zijie hung his head. I went to ‘talking to joy’ to ask around. I found out that she came to the capital and worked at Qing Yu media. So I followed her there.

“What happened after that?” Gu Lei frowned.

after that, I sent her a package and a CD ~”song zijie said casually.

you destroyed the neighborhood's surveillance system?"

"How is that possible? I don't have that ability! I'm only wearing a hat, but I'm not very afraid. After all, she doesn't dare to uphold justice. Sheng Dongyi always thought that it was Sheng nanxuan who did it. If he knew it was her, he would have skinned her alive!"

"What is your relationship with Sheng nanxuan?"

"Relationship? A friend and a foe, right? I really hate him! I can't even beat him with ten brothers, what else can I do? I can't make him surrender, and I don't want to be his underling. When I see him, I can force a smile and pretend to be his friend! Actually, I know that he can't wait to kick me away every time he sees me, but I also want to kill him. Fortunately, after graduating from high school, he came to Beijing, and I was relieved!"

send the photos to su mo by Express Mail first. Did you go there personally? "

"Yup!"

Gu Lei gave a look to his subordinate, who immediately contacted the nanny and asked her to identify the person.

"Where's the CD? In what form?" Gu Lei asked.

Song zijie laughed, "it's hard to hit this kind of thing with one strike. We must definitely leave a way out. If I send it to her, she'll be afraid, but she'll definitely want to struggle on! I'll split up and send her the photos for the first time to scare her. Then, I'll give her the CD and let her know that I have a lot of evidence. Let's see what she can do!"

"You're so sure that the thing can be sent to her? Aren't you afraid that someone else will get it?"

"Of course I'm sure!" Song zijie said matter-of-factly, "the first time, I only went out after seeing her go out and handed the things to the nanny. The second time, I saw her enter the house. She probably saw the photo and sent the CD up."

Gu Lei's eyes darkened when he heard that.

This was the second time he had urged su mo to go home?

What an unexpected result!

Who was the one lying? Song zijie or Sheng Dongyi?

"And?" he asked song zijie.

"Then I went back to Nanjiang."

"What?" Gu Lei narrowed his eyes.

I know she'll definitely come to me. Of course, I'll have to wait for her to come to me first so that I'll have a better chance of winning!

"Did she go?"

Song zijie shook his head,"I thought she would return to Nanjiang for the new year, but she didn't." I was planning to come and look for her in the next two days, but you came to me first. Yingluo, what happened to her?"

"She's dead," Gu Lei looked at him.

"What?" Song zijie's eyes widened and he was shocked. how could that be? "

"Hmph, Yingluo, I was also thinking, how could it be? That's why I called you here to investigate."
