

Ditsy Wife 391

Chapter 391

391 Do you have to disturb us?

Liu Xuelan lowered her head and said to the driver, "Drive."

...

As the car drove away, Sheng Zhongtian asked in a low voice, "Isn't it?"

Liu Xuelan nodded and turned around. Gambino was walking towards Sheng nanxuan.

She clenched her fists and thought, "I was wondering how he could remember." It was not scientific at all! It must be that Caucasian who told him!"

That Caucasian was once an experimental subject in their laboratory. If he and Sheng nanxuan knew each other, it would make sense that Sheng nanxuan knew about those things.

"But how is Yingluo, that foreigner, still alive?" Sheng Zhongtian asked in horror.

"He ran away! He must be the one who let Sheng nanxuan out!"

will it ... Hehe ... Will it ... Hehe ... Sheng Zhongtian's entire body began to tremble.

"Will it be what?" Liu Xuelan asked impatiently.

"Could there be other people?"

Liu Xuelan was shocked, but she heaved a sigh of relief. "I won't. The others were all dead.

Sheng Zhongtian thought about it and heaved a sigh of relief. That's right, the others had all turned into corpses. It was impossible for them to escape.

.....

Gambino walked up to Sheng nanxuan. There was a group of people in front of him who were lining up to greet him.

Gong mo had been standing in the wind for a long time. Although the weather in April was much warmer, people were also wearing much less. She reached out and rubbed her arms. Sheng nanxuan knew that she was cold and quickly said to the crowd, " "Everyone, let's go in first. We'll talk inside." After saying that, he helped Gong mo into the car.

Gambino walked over. yo! What are you guys doing? you even came out to pick me up personally? "

Sheng nanxuan looked at him helplessly. He must have seen the Sheng Zhongtian couple, so how could he not understand?

"Mr. Gambino, welcome." He said politely.

Gambino looked at the convoy behind them. "I'm afraid my car will have to wait for a long time. Why don't you let me go in with you?"

"Sure, get in the car." Sheng nanxuan gave up his car.

Gambino lowered his head and saw that Fang Yang was sitting in the passenger's seat, so he could only sit in the back.

However, Yingluo

"Where are you guys going to sit?" He asked.

Sheng nanxuan turned around with Gong mo in his arms and walked towards the car that Gong mo had just taken. "We'll take that one."

"I'll take this one as well." Gambino hurriedly followed.

"Do you really have to disturb us?" Sheng nanxuan asked.

Gambino looked at Gong mo. Gong Mo's face was slightly red. He turned around, opened the car door, and sat in the car.

Sheng nanxuan followed him into the car. He did not care about Gambino's reaction and said to the driver, "Drive."

Gambino sighed and turned around to get into the car behind.

"Let's go," Fang Yang said to the driver helplessly.

The driver took a look and wondered if he should check the invitation. Seeing that Fang Yang did not say anything, he did not care anymore and started the car.

The two cars drove into the garage one after another. As soon as Sheng nanxuan and Gong mo got out of the car, Gambino arrived at their side.

The three of them went to the garden. When everyone saw them appear together, some of the people who didn't understand thought: So he was going to pick up Gambino! I heard that this person is the boss of an Italy mafia, and he is indeed worthy of night God's special treatment.

Mother Gong was standing with Gong Bai and the others to greet them. The three of them walked toward the door.

When Diana's mother saw Gambino, her face turned cold and she was not willing to pay attention to him at all.

She pulled Gong mo aside and asked in a low voice, " "What are you guys doing?"

"I'm fine," Gong mo shook his head with a smile.

Seeing her smile, mother Zhen thought that it was probably nothing bad, so she didn't care.

"Since you're back, I'm going to rest for a while. It's quite uncomfortable." She whispered.

Chapter 392

392 He kissed her

It was her first time meeting these people, and they all had extraordinary auras. It was also her first time attending such an event. If it wasn't for her life experience, she wouldn't have been able to remain calm at all!

...

"Shall I send you in?" Gong mo asked.

Her mother waved her hand. don't let nanxuan worry about you alone. Even if you're just a pretty face, you have to stand by his side.

Yingluo, who's the flower vase?

Diana's mother walked into the villa alone. When Gambino saw her, he turned around to look for his assistant. Seeing the handsome blond man appear, he hurriedly waved his hand.

The handsome boy ran over with a black velvet box that was smaller than an iPad in his hand.

"Give it to me!" Gambino snatched it over and strode towards her mother.

The guests today all consciously stayed in the garden and no one walked into the villa. Only Gambino directly followed Diana's mother in.

Hence, they were the only two people in the living room.

Mother Yan did not know that he had followed her. She slowly walked upstairs and he shouted, "Dan Rong!"

Shan Rong was shocked and almost rolled down the stairs.

She turned around and saw him coming in. She walked over in a flustered manner. "You foreigner, don't you have any manners? What are you doing?"

"Here you go!" Gambino passed the box to her.

Shan Rong thought of today's date and could not reject him, so she took it. "For Hu?" As he spoke, he was about to open it.

"For you!" Gambino said.

When Shan Rong heard this, she closed the slightly opened box and returned it to him. "Then I don't want it!"

It's your birthday next week. Here's an early birthday present for you. He said.

"How did you know my birthday?" Shan Rong was stunned and asked in confusion.

Gambino did not reply and opened the box.

Shan Rong's eyes flashed. She looked down and could not help but be surprised.

There was a Green Jade necklace in the box!

Based on her experience of watching “appraisal” on TV for more than ten years, this was the king’s Green of the highest grade!

Such evenly-proportioned beads, they would probably cost at least ten million!

Gambino looked at the clothes she was wearing and smiled. “It does match your clothes.”

After he finished speaking, he picked up the necklace and pretended to put it on her.

Shan Rong hurriedly covered her neck and took a step back. “You take it back! If you give me a flower, I’ll accept it. It’s not expensive. I don’t dare to accept this.”

to me, it’s not much different from the value of a flower.

“It’s a lot worse for me!”

“Then should I send you flowers every day?”

what? “Shan Rong choked. since the value is about the same, why don’t you give me a necklace like this every day if you can?”

Gambino smiled and took a step towards her, and she hurriedly retreated.

“If you’re willing to accept it, I’ll give it to you.” He said in a low voice.

When dan Rong heard this voice, she felt her scalp go numb and all the strength in her body was sucked out.

She waved at him. go away! Go away! Yingluo, I can't even breathe in fresh air!

Gambino's eyes flickered, and he walked closer to her.

Shan Rong looked at him in horror, "you, you, what are you doing?" This, this is my home, don't you dare mess around! If you come any closer, I'm going to scream ..."

Gambino suddenly cupped her face and kissed her.

Waa-

Someone outside exclaimed.

After all, the living room had floor-to-ceiling windows. It was inevitable that someone would see them in the house. Seeing Gambino's actions, the other party naturally called out.

For a moment, the people outside looked over.

Chapter 393

too ashamed to see anyone

The soundproofing of the house was very good, so dan Rong did not hear the voices outside. However, since Gambino had treated her like this, she was furious. She raised her leg and kicked Gambino!

...

She had used this move many times when she was young. She was a young and pretty widow, so it was inevitable that many people would have ideas about her. Therefore, she had specially practiced this move, just in case!

However, as she grew older, she hadn't used it in the past ten years, so she wasn't very familiar with it.

However, Gambino did not expect her to be so shrewish. He was caught off guard and was directly kicked in the vital part.

He let out a muffled groan and fell to the ground, holding his crotch. He looked at her in disbelief.

Shan Rong looked down at him and almost cried from anger. "How can you be so excessive?"

mom ... Gong mo rushed in, followed by a group of people who were concerned about her.

When Shan Rong saw this, she covered her face and ran upstairs. "I don't have the face to see anyone!"

Gong mo ran after him, but the others were too embarrassed to follow.

Sheng nanxuan walked to Gambino's side and kicked his waist.

F * ck! How dare she tease his mother-in-law in his house, at his son's 100-day celebration! And in front of so many people, did he not want to live?

Gambino saw that he had actually kicked him-even if the whole world could kick him, Sheng nanxuan would definitely not, okay? Didn't she think about who he was to him?

Gambino was furious. He reached out to grab Sheng nanxuan with his grappling technique.

Sheng nanxuan reacted quickly and dodged sideways.

Gambino was not bad either. He immediately jumped up and swept his leg horizontally, knocking Sheng nanxuan to the ground.

Sheng nanxuan quickly turned over and got up. With one knee on the ground, he looked at him maliciously. He was ready to attack.

Everything happened too quickly. The crowd first cried out in surprise, then cried out again. When they saw that the two of them had stopped moving, they quieted down.

However, the atmosphere became extremely tense, and the people watching the show didn't even dare to breathe loudly.

Suddenly-

Someone shouted.

"What are you guys doing? Who dares to disrupt my nephew's 100-day celebration!"

When Sheng nanxuan and Gambino heard that, they stood up and patted the dust off their bodies. They had no intention of fighting anymore.

Everyone was dumbfounded. From then on, there were the following rumors-

Gambino was extremely daring, actually teasing night God's mother-in-law at night God's Son's 100-day celebration!

As well as Wuwu

Night God's brother-in-law was so domineering, he even dared to shout at night God and the mafia boss!

.....

Gong mo walked into Shan Rong's room. She was lying on the bed and crying.

mom, don't cry, " Gong mo consoled her anxiously. it's nothing.

"What do you mean nothing?" Shan Rong shouted, " I don't have the face to see anyone!

"Aiya, you guys are both unmarried, it's not a big deal. Besides, this is Gambino's fault. Everyone is watching."

Shan Rong was startled and shouted,"then I'll be even more embarrassed!" It was too embarrassing, everyone saw it! AIY ... I just got to know everyone, what should I do? I won't have the face to see anyone in the future and I'll even embarrass nanxuan!"

"It's okay, we're not talkative people, so we won't talk nonsense. Besides, this is all Gambino's fault!"

Gong mo suddenly thought that Gambino didn't do it on purpose, right?

Although he had been kicked, all the celebrities and guests in the capital had seen his kiss. No matter what, they would definitely label his mother as him. In the future, everyone would think that his mother was his woman, and no one would dare to pursue her. Now that he was no longer a threat, wouldn't he be able to catch up to her sooner or later?

Buzzzzzz!

This Gambino had a good plan!

Chapter 394

394 It's a little different from Gong hang's

"In the future, he and I will be irreconcilable!" Dan Rong said, " where he's there, there's no me!

...

alright, alright, alright, Zhenzhen! Gong mo nodded his head hurriedly. then, do you want to go down for dinner? ”

“I’m not going! It’s so embarrassing!”

“Alright, then.” Gong mo also felt that it wasn’t wise to go down now. The situation would definitely be awkward. He said, ” I’ll go down first and get someone to bring you some food.

Shan Rong nodded. After she left, she bit her lip in hindsight.

Speaking of which, this Westerner’s lips were quite soft and warm. It seemed to be a little different from Gong hang’s.

She had forgotten how it felt to kiss Gong Xing.

Suddenly, she regretted it. If I had reacted a little slower, I would have been able to taste the kiss that I haven’t had in a long time, right?

Aiyoyo

Shan Rong sighed and couldn’t help but sit in front of the dressing table and look at herself in the mirror, puzzled. Why would this foreigner like her? She was already so old, and although she didn’t look old, she wasn’t as fresh and tender as those young girls.

Could it be that foreigners had a different sense of beauty?

But her aesthetic sense was very normal! She didn’t want to like a foreigner!

.....

Because of this sudden accident, no one dared to bother Sheng nanxuan too much. After the 100-day banquet ended smoothly, everyone took their leave and did not go riding horses as planned.

Everyone was a little disappointed, they wanted to know how big night God's house was.

Gambino could not bear to leave. He kept looking at the second floor of the villa, worried about Shan Rong.

Sheng nanxuan asked someone to ask him to leave. Really, it was already good enough that she didn't beat him up!

Well, Yingying had actually already fought, but she almost lost! Sheng nanxuan was still brooding over this!

He and Gong mo stood at the entrance of the garden to see the guests off. Gong Bai was the last to walk over. "Since everyone has left, I will also take my leave."

you can go back tomorrow, " Gong mo said.

"I still have work tomorrow. It's too far from here. I won't be able to make it."

"Then I'll get someone to send you off."

"No need!" A wisp of uneasiness flashed across Gong Bai's face quickly. I'm going with Xinran and the others. We're going the same way.

Gong mo subconsciously glanced at Tang Xinxin and said with a smile, "then, candy heart will have to go back alone.

Tang Xinxin laughed. it's fine if he's alone. Brother Bai and miss Yu seem to get along well. Is there something going on between them? "

The corners of Gong Bai's lips curled up slightly, but he didn't say anything.

"Should I call her sister-in-law Bai?" Tang Xinxin asked, suppressing the bitterness in her heart.

"Don't spout nonsense." Gong Bai retorted and said to Gong mo, " I'm leaving. Let me know when you're back in the city.

Gong mo nodded.

Tang Xinxin asked Gong mo after he had walked away, " "Is brother Bai dating miss Yu?"

I've seen this Yingluo before, but I'm not too sure how far they've progressed.

"I think even if it hasn't officially started, it's almost time." Tang Xinxin laughed. I didn't expect brother Bai's girlfriend to be someone like that. They're a perfect match. You're so lucky.

It was a great blessing for anyone to meet a young lady from the richest family. However, she believed that Gong Bai wasn't the kind of person who would cling to the rich and powerful, so she was really blessed.

Gong mo looked at her and couldn't tell that she was sad. He couldn't help sighing in his heart.

"Then I'll go back too." Tang Xinxin smiled. I'll have to trouble your chauffeur to send me home.

"Aren't you still on vacation? Stay for a few days?"

I'm tired from my vacation, so I canceled it early. I'll be in the office for the next few days.

"You're tired from your vacation?" Gong mo was speechless.

She knew that Tang Xinxin must be upset and needed some private time to recover, so she didn't keep her.

Chapter 395

395 If I don't teach you, who will?

Gong mo and Sheng nanxuan returned to the villa. When they passed by the living room, they saw a black velvet box on the table.

...

The guests' gifts had been specially arranged by someone, so it was impossible for them to be left here.

Sheng nanxuan was afraid that someone would take the opportunity to install a bomb and send it in, so he carefully shielded Gong mo behind him.

What are you doing? Gong mo looked at him in confusion.

He shook his head and gently picked up the box. He didn't feel anything strange, so he slowly opened the lid.

Ah! Gong mo looked at the items inside and said in surprise, isn't this the necklace that Gambino bought?

It should be for mom. Sheng nanxuan recalled what Gambino had done before. I think he has already shown it to mom. I wonder if she has accepted it.

I'll go ask her.

Alright, he said. Sheng nanxuan gave her the Jade.

Gong mo picked up the box casually. After taking two steps, he decided to sell this necklace for 50 million Yuan. She wouldn't be able to afford it if she broke it!

She immediately held the box in her hands as if it were some sacred object and walked upstairs with a pious expression.

Shan Rong was in the nursery. When she entered, Hu Zi turned his head from Shan Rong's arms and gurgled at her.

Gong mo smiled and immediately walked over to kiss him on the face. You miss mommy?

The child seemed to be very happy and started to giggle.

He could recognize people now. Every time he saw Gong mo, he would be very excited.

When Shan Rong saw the box in Gong Mo's hands, her expression changed. What are you holding?

Oh, I saw it downstairs. Gong mo opened the lid. this doesn't belong to our family. It wasn't recorded in the guest's gift. Besides, today was the day of the Child. No one would give this, right? Did Gambino leave this behind?

Dan Rong's face was straight,he said he would give it to me, but I didn't want it. He actually kept it for himself? Hurry up and return it! I can't afford to compensate for such an expensive thing!

Then I'll tell nanxuan. Gong mo lowered his head and touched the child's face. I'm going out for a while. I'll come to find you later.

it's time for him to sleep. You should also go and rest. You've been tired for most of the day. Shan Rong said.

Gong mo stuck out his tongue and said,that's good! Mom will rest too!

When she returned to the bedroom, she handed the Jade to Sheng nanxuan. mom said no. You can get someone to send it back.

Sheng nanxuan put it aside casually. he definitely doesn't care. I'll just send it back to him some other day.

There's so much money, it's better to send it back earlier.

How much money do we have?

Gong mo choked and replied,sure! You're all nouveau riche, 50 million is nothing to you!

Sheng nanxuan smiled. it's nothing. Alright, let's not talk about that. It's still early. Let's go horseback riding?

Gong mo thought that he had nothing to do and riding a horse could kill time. Alright! I don't know how to do it yet, so why don't you teach me?

If I don't teach you, who will? Sheng nanxuan pinched her nose. change your clothes first.

Gong mo nodded and walked to his cloakroom. She should have some horse-riding clothes.

After searching for a while, there were indeed a few different sets of riding clothes.

There were different seasons for horse-riding clothes. She chose a spring set and began to take off the clothes she had on.

After taking off her clothes piece by piece, she was only left with her undergarments.

She could not help but look at herself in the mirror.

After giving birth, her figure has indeed gotten worse, Yingluo.

Although her chest had grown a lot, her waist was not as thin as before.

What was even more depressing was that there was a scar on her stomach from a cesarean section.

Gong mo reached out and touched, sighed softly, and lowered his head to straighten his underwear.

Suddenly, Sheng Nanxuan's voice came: "Wife —"

Gong Mo Leng, looking back, Sheng Nanxuan wearing a handsome riding suit came in, just like the European aristocracy in the Middle Ages.

Gong Mo's face turned red, grabbed his clothes and said shyly, "You, what are you doing in here? Get Out!"

Gong mo was very anxious: "You come over to do? Go Out Ah... I, I want to change clothes!"

"I'll help you," he said hoarsely.

Chapter 396

return

Gong mo and Sheng nanxuan went horse riding and came back quite late. The two of them hurried upstairs to take a shower.

...

He had managed to Dodge it while changing his clothes, but not when he was taking a bath. Gong mo wanted to cry but had no tears.

When the two of them walked into the restaurant, Shan Rong was already in her seat, playing with her iPad with her head lowered. From the sound of the iPad, he could tell that she was playing fight the landlord.

The two of them sat down obediently and called out, "mom." They did not dare to say anything else, afraid that Shan Rong would ask them why they had been delayed for so long.

Shan Rong glanced at them and saw that Gong Mo's face was red. She didn't tease them. It wasn't like she wasn't young before, so how could she not understand?

After the game was over, she exited the game and put the iPad aside.

Gong mo picked up some food for her. She held the bowl and sighed, "there are no neighbors around here. I don't even know where to go after dinner ~"

"We can go horse riding." Sheng nanxuan said.

Gong mo couldn't help but kick him under the table when he thought of his unruly behavior when riding a horse.

Sheng nanxuan was shocked. He stole a glance at her and smiled ambiguously.

Gong mo gritted his teeth and wanted to beat him up. When she met his gentle and bright eyes, she blushed and lowered her head.

Seeing their flirtatious gazes, Shan Rong was extremely depressed and said, "There's no need to ride a horse. I don't know how to do that, and my old bones can't take it if I fall! I think I'll move back to the city in two days. There are people there to dance and play chess with, and we can go shopping during the day. That's what life is like."

"Alright then, let's go back together." Gong mo replied, "you can come here to avoid the summer heat. It's indeed inconvenient to stay here during normal times."

Two days later, they returned to the city together.

A few days later, it was dan Rong's birthday.

Gong mo and Sheng nanxuan had booked two tables at the hotel. They wanted to have a good time with her, but they didn't want to make her feel uncomfortable by inviting strangers. Therefore, she knew all the people who had come-Gong Bai, Tang Xinxin, Yu Xinran, Wu Di, and ding dang and Qian Qian had all been to her house for dinner.

Chapter 397

Shan Rong had changed into a brand new set of spring clothes. It was a maroon color suitable for both young and old, giving off a dignified air, as if she had become ten years younger.

...

She looked at herself in the mirror and thought that she looked beautiful in this dress. However, she already had a grandson, so why did she dress up so beautifully? She felt uncomfortable.

"Do I need to change?" she asked Gong mo as they were about to leave.

"Change what? It's already good enough!"

"It's not like I don't like it."

"Then there's no need to change!"

"I'm not talking to you anymore!" Shan Rong choked and turned to walk away.

Gong mo snickered and followed behind with Sheng nanxuan, pushing the baby stroller.

The restaurant they had booked was nearby, and it would only take ten minutes to walk there. They did not plan to drive. Otherwise, it would be a waste of time to take the child up and down, and it would be troublesome to park the car when they reached the restaurant.

The few of them walked out of the neighborhood and saw Gambino standing at the door with a bouquet of roses in his arms.

Shan Rong frowned and lowered her head, not looking in that direction, as if she did not see anything.

Gambino, however, walked straight towards her.

Gong mo and Sheng nanxuan were also helpless. Seeing that Gambino had walked to the front, the two of them had no choice but to stop.

Shan Rong didn't look at the other party. She didn't expect him to block her, so she directly bumped into him.

"Be careful!" Gambino hurriedly held her and asked worriedly, "are you alright?"

"Let go!"

Shan Rong retracted her hand and took a step back. She waved her fist at him twice-of course, she did not hit him. She only punched air, but her emotions were expressed. She wanted to chase him away!

Gambino pretended not to understand and handed the flowers to him."Happy Birthday."

"Aren't you annoying?" Shan Rong frowned.

"I'm pursuing you." Gambino said seriously.

Shan Rong choked and walked around him, "You're so annoying!"

Gambino followed closely behind."Since you don't want the Imperial Jade, I can only give you flowers. You were the one who said that if you had the ability, you would send it every day. I really wanted to give it to you every day, but I was afraid that you wouldn't like it, so I had to choose a special day."

Shan Rong suddenly stopped and pointed at a girl who was passing by. "You see ... There are so many people here, why do you have to come and bother me?"

"Because they're not you!" Gambino said.

Shan Rong was stunned and suddenly couldn't speak.

She lowered her head and walked forward without saying a word, feeling strange in her heart.

Gambino continued to follow her.

Gong mo and Sheng nanxuan pushed their children and followed behind them.

When they reached the entrance of the hotel, Shan Rong suddenly stopped and turned to Gambino, saying, "I don't like people as rude as you!"

huh? "Gambino was stunned. I am very polite.

Shan Rong gasped, clearly infuriated. She suddenly grabbed his shoulder and lifted her knee to hit his crotch.

Gambino reacted and jumped back, avoiding her attack.

But now, he finally understood when he had been impolite to her, Yingluo.

Cough, it was all because of the kiss.

Shan Rong glared at him hatefully before turning around and entering the hotel.

Gong mo and Sheng nanxuan looked at him sympathetically and also walked in.

Gambino held the flowers in his arms and stood pitifully at the door.

That Yingluo

Should he shamelessly follow them in?

Gambino was afraid of being chased out.

Being chased out was a small matter. In order to pursue his wife, losing face was nothing, but he was afraid that dan Rong would be angry! If she was unhappy, wouldn't she lose more than she gained?

After hesitating for a long time, Gong Bai arrived.

A handsome, elegant, and domineering foreigner was standing at the door with roses in his arms.

Gong Bai glanced at him and recognized him as the foreigner who caused trouble at his nephew's 100-day banquet. His face turned cold.

Chapter 398

398 Even the flowers have withered

Gambino saw him passing by and called out to him, "Gong Bai,"

...

"We're close?" Gong Bai furrowed his brows.

"Mr. Wuwuwu," Gambino said.

He is indeed the most outstanding man in the gong family. I'm the boss of a Mafia. Even if he doesn't know the details, he should know that I'm not an ordinary man.

He actually dared to use this kind of attitude towards me. I have to say, he's a little arrogant!

"What is it?" Gong Bai snorted coldly.

it's Ms. Dan's birthday today. I'm here to congratulate her. May I know which room she's in? could you please lead the way? " Gambino asked sincerely.

Hehe, if Gong Bai had brought him in, dan Rong would definitely feel embarrassed to get angry or drive him away.

Gong Bai glanced at him and said,'since you don't know, I think it's better not to go. I'm afraid that an uninvited guest will affect the mood of the host."

Gambino was speechless.

Gong Bai turned around and entered the room.

Gambino continued to stand at the door, alone, desolate, and pitiful.

Later,

Yu Xinran was here. She glanced at him, smiled, and nodded, then went straight in.

Tang Xinxin glared at him and said,"It was this foreigner who dared to kiss Auntie. He should be called the police and arrested!

The police came. wow, wow, wow ~ what a handsome uncle, and a Western handsome one at that. Unfortunately, he already has "mommy" in his heart.

Wu Di, damn foreigner! Why was he so handsome? Not only was he handsome, but he was also so old! Not only is he old, but he also appeared in front of ding dang. Doesn't he know that the ding dang I like is an uncle fanatic? How could she see me when uncle is around?

Fang Yang:

Fang Yang was Sheng nanxuan's subordinate, and Gambino and Sheng nanxuan were on equal footing. Therefore, he could only show Gambino some respect and walked over to greet him."Mr. Gambino, you're Yingluo."

"I'll wait for dan Rong and the others." Gambino looked at the road and pretended to be waiting for someone. I don't think they're here yet. You're here to celebrate her birthday too, right? Then I'll go in with you."

uh, this ... Fang Yang took a step back. I'm here to discuss business with someone. Take your time!

After Fang Yang finished speaking, he quickly ran away.

When he entered the private room and saw Sheng nanxuan and the rest, he secretly heaved a sigh of relief. That was close! Fortunately, he did not believe Gambino's words. If he had brought him in, he would have committed a huge sin.

He found a seat and sat down. He took out his phone and sent a message to Zeng Shuai and the others, telling them to be careful of Gambino.

In the end, everyone gathered together, except for Gambino. Dan Rong was extremely happy.

Gambino continued to stand at the entrance of the hotel. He was all alone, desolate, and pitiful. Even the flowers in his hands had withered.

.....

In the private room, everyone was drinking, eating, and chatting. The TV was on, and no one paid attention to what was on.

Yu Xinran and Gong Bai sat next to each other. Gong Bai took care of Yu Xinran carefully and the two of them talked in low voices from time to time.

Tang Xinxin was sitting opposite them. She could see their every move clearly, and she felt bitter.

Why?

Why did her love have to end before it even started?

Could this be what the Prime Minister meant by “dying before the start, making a hero cry”?

Tang Xinxin held the glass of red wine and drank it, swallowing the bitter tears in her heart.

Next to her was Wu Di, who was just as miserable as her.

Wu Di also wanted to be like Gong Bai, fawning over his sweetheart!

However, this sweetheart of his was not cute at all!

Chapter 399

found not guilty

He said, “I’ll get it for you-”

...

“I have my own hands!” Ding dang said.

"I'll peel the crayfish for you," he said.

"I peeled it cleaner than you did!" Ding dang pointed at her work.

He said, "don't drink, it's not good for your body, Yingluo."

Ding dang finished the wine in one gulp. you don't even dare to drink wine. What kind of man are you?!

"Whoosh! Whoosh! Whoosh!" Alright! You're a man, alright!

Wu Di turned her head to the side angrily and found another 'man' who was also drinking. What's wrong with the girls nowadays?

No wonder the internet said that they were tomboyish. They were tougher than men when it came to drinking!

How can you drink without peanuts?

Tang Xinxin picked up her chopsticks to pick up the peanuts.

Peanuts were always naughty and it was difficult to catch them with chopsticks.

Tang Xinxin picked up one and ran away. The second time, he ran even further! She picked it up for the third time and with a 'Biu', it flew away!

Ding! Ding!

It flew into Wu Di's bowl.

Tang Xinxin looked at the bowl in a daze, then looked up at Wu Di.

Wu Di was also looking at her.

She smiled embarrassedly, "I'm sorry, Yingluo."

"It's fine." Wu Di reached out to pick up the peanuts and placed them in front of her. don't rush, take it slowly.

Tang Xinxin was surprised and felt a little embarrassed. She grabbed a handful of them and said, "Thank you," he said.

"You're welcome," Wu Di put the peanuts back and turned to look at ding dang.

Ding dang was chatting with fan Yiwen!

Fan Yiwen was in his early 30s, which was exactly eight years older than ding dang, and was in the range of her uncle's love!

Wu Di was furious. She turned around and saw Tang Xinxin eating the peanuts one by one. This girl is quite cute, Yingluo.

Tang Xinxin supported her chin with her hand and continued to watch Gong Bai and Yu Xinran's public display of affection. She was going to find a boyfriend too!

Suddenly, a voice came from the TV-

this morning, in the swimming pool case of XX community, the first court of the capital will hear the suspect of the Qin Zhuan studio, Sheng Dong, Qin Zhuan studio.

The lively sounds stopped, and everyone turned to look at the TV screen.

Shan Rong frowned, feeling unlucky.

On the TV screen was a video of the court, and Sheng Dongyi's camera paused for a few seconds.

He was only a suspect, not a criminal, so he was not wearing a prison uniform. Instead, he was wearing casual clothes. However, he was not in a good state of mind. He looked dispirited and dispirited. He no longer had the meaningful image of a noble young master.

after the trial, the suspect Sheng Dongyi has been found not guilty due to insufficient evidence. He is now released!

The announcer's voice came, and the scene changed to Sheng Dongyi walking out of the court, embracing Sheng Zhongtian and Liu Xuelan.

That was the end of the news, and it changed to something else.

However, the atmosphere in the private room was still very quiet. Everyone felt very depressed and couldn't help but think, "Who was the one who turned on the TV? Why did you turn on the TV for no reason?"

Tang Xinxin stood up with a glass of wine in her hand and said, Let's all give a toast to Auntie. We wish Auntie to always smile, live a long life, and become more beautiful!"

"Alright!" Everyone stood up and said with a smile, "Auntie Zhu, you'll always smile and live a long life. You'll become more and more beautiful!"

Shan Rong also laughed,"Okay, okay, okay, I hope to have my birthday next year." By then, two tables wouldn't be enough! For you people, your career is important, but you should also think about your lifelong happiness. Try to get Auntie to hold an extra table next year, how about it?"

Chapter 400

400 I'm definitely better than them

Everyone stopped. This matter is a little too stressful, Yingluo.

...

They wanted to, but their target was like a pie in the sky that simply couldn't fall!

"Alright!" we'll definitely work hard! Tang Xinxin replied.

"Right! Work hard!" Ding dang shouted, " I'll kidnap an uncle next year!

pfft-" fan Yiwen, who had just been hit on, spat. Uncle? He suddenly felt that he was a little old.

Shan Rong looked at ding dang, then at the depressed Wu Di beside her, and said, " "You can forget about it!"

Ding dang pouted gloomily.

Gong mo smiled and said,"let's do it, everyone~"

"Alright!"

Everyone replied loudly. The cups touched again and they drank it all!

.....

When Shan Rong and the others left the hotel, they realized that Gambino was still standing at the door.

Instantly, dan Rong felt very apologetic.

When everyone saw this, they were too embarrassed to stay and disturb him, so they left one after another. In the end, only Shan Rong, Gong mo, and Sheng nanxuan were left.

Gong mo and Sheng nanxuan pushed the child to the side. Shan Rong walked to Gambino's side and asked with mixed feelings, "You've been here all this time?"

"Yes." Gambino looked at her in joy. did you have a happy birthday? "

"I was quite happy at first, but after seeing you, I'm not that happy anymore," dan Rong said with a straight face.

"I'm sorry," she said. Gambino lowered his head.

"I'm very touched by your actions," Shan Rong sighed.

Gambino raised his head abruptly and looked at her excitedly.

"But being touched isn't a feeling. I'm not a twenty-year-old girl. I won't be with you just because I'm touched." Shan Rong said, " thank you for your kind intentions, but I don't want to accept it.

"Why?" Gambino asked, puzzled.

"Because I don't like you." Shan Rong said, " although Gong mo has always asked me to find someone to accompany me for the rest of my life, I've always been a good person. I don't want to keep living in her house and burden her. I've been paying attention to the people around me, and I've also studied the partners in the matchmaking agency, Yingluo."

"Those are not good." Gambino said.

"But they're at least Chinese." Shan Rong looked at him. I don't want to marry far away. Besides, I'm already so old, and I just want to find someone to spend the rest of my life with. I don't want to go

through any trouble. But you're very troublesome. You're a foreigner, and I have to get used to your habits!"

Gambino suddenly broke down, I'm definitely better than them! If you can find a better one, why do you have to make do? And you don't have to adapt to me, I'll just adapt to you!"

"If I didn't want to make do, I would have found a better one when I was young. As for whether you're used to it Yingluo, you're a foreigner, so you're different from us." After dan Rong finished speaking, she left.

Gambino threw the flowers on the ground, but his eyes were still fixed on her back.

.....

Sheng Dongyi's residence.

Sheng Zhongtian and Liu Xuelan were sitting in the living room. There was the sound of running water coming from the bathroom.

After half an hour, the sound of water stopped. The two raised their heads and looked over worriedly.

After waiting for about ten minutes, Sheng Dongyi finally came out.

He shaved, took a shower, combed his hair, and put on a perfectly ironed suit. He had regained his image as a noble young master and company leader. He was no longer the criminal suspect who was locked up in the detention center.

His eyes were filled with malice. The encounter this time had caused the hatred in his heart to accumulate to an unprecedented height!

Sheng nanxuan! He would not let him off!

“Dong ye.” Liu Xuelan walked towards him worriedly. are you alright? ”
