

Ditsy Wife 591

Chapter 591 Candidate

When the few of them heard this, they were secretly shocked.

...

He actually wanted to choose the president himself?

No one was a fool, so they naturally understood what he meant. If he chose a President who listened to him, he would be the one with the most power in the country in the future.

Sheng nanxuan saw through their thoughts. He guessed that they were going to say that he was arrogant. He couldn't help but sneer. "I've never thought of getting involved in politics before! However, my recent experiences have made me understand that without power in my own hands, I will be passive in everything I do! Huo Cheng even used Gong mo to threaten me, so he can't blame me for stirring up trouble in his territory!"

"Do you have a candidate in mind?" Yu Zhengming asked.

"There is." Sheng nanxuan said a name.

Yu Zhengming nodded, "he's not bad." If he wants to run for it, it's unlikely that he'll succeed. But if you and I are there, it's almost the same."

This "we" didn't just refer to the Yu family, but also the Wu and Min families.

If Sheng nanxuan had not acknowledged the Yu family, it would have been easy to pull them into the camp. He didn't meddle in politics, but he was invincible in the business world. As the saying went, "a thousand miles of land crumbled in an ant's nest. If he wanted these companies to be obedient, he just had to do something to the stock market.

But now, he didn't have to go through so much trouble. Everyone was a family, so they could talk things out.

"Have you told him about it?" Yu Qingping asked, "from what I know, he probably hasn't thought about that position yet.

"I estimate that he'll have to wait at least another five years before he can think about it." Sheng nanxuan smiled. we'll take advantage of these few years to rope in some forces. It's likely that we won't succeed in five years, but we've already built up our reputation. It'll be about time in another five years. At that time, his daughter should be getting married. The other party will definitely be a great help."

Everyone sighed, knowing that what he said made sense. After a short discussion, they changed the topic back to Yu qinghuan.

Of course, the men in the Yu family were more concerned about her.

Seeing their concern, Sheng nanxuan felt at ease and told them what he knew.

"My father is indeed at the peak of his career. However, I had no idea how she got pregnant or how she entered the laboratory. I didn't know she was from the Yu family because her name in the laboratory was Wu Huan Feifei."

Sheng nanxuan told her everything he could think of, but he didn't mention meeting Yu qinghuan at the FARC for the time being.

Yu Zhengming and Yu Qingping would occasionally ask a few questions. By the time they finished explaining the matter, more than two hours had already passed.

"Her bones weren't found there. We were praying that she didn't enter the lab. "But I don't even know where Yingluo is now." Yu Qingping sighed.

Yu Qingliu and Sheng nanxuan looked at each other, but still did not mention it.

Yu qinghuan's situation was too strange, and it was better for them not to know. Since they hadn't found the skeleton yet, they didn't have to say anything since they still had hope.

Yu Xinran came up to inform them that the Wu family was here, and everyone quickly went down.

Sheng nanxuan probably knew who the Wu family was. However, in the past, he was only close to Wu Di and was not familiar with the others. Now that they had introduced themselves, he was able to match them all.

Old master Wu was very excited. Because of Yu qinghuan, Wu surong had ignored him for many years. Today, with Sheng nanxuan around, she finally felt better!

Old master Wu only had two sons, and Sheng nanxuan called them uncle and uncle respectively.

when your mother went missing, " Yu Qingliu said to Sheng nanxuan, " your uncle accompanied me to Nanjiang to look for her.

Chapter 592 Gong mo is different

Sheng nanxuan understood that his uncle and Yu qinghuan had a better relationship. It just so happened that his uncle's son was Wu Di. It was probably destined.

...

Wu Di had a younger sister who was studying abroad, so she could not come today.

His eldest uncle had two sons who were married, and his other daughter was in University. Ahem, ahem, Yingying had a good impression of Sheng nanxuan. When she found out that Sheng nanxuan was a relative today, she was extremely embarrassed. Old master Wu had given the order and she had no choice but to come. After she entered the house, she kept a straight face and did not say a word.

She followed old Madam Wu to the women's side and introduced her to Gong mo, " "This is my cousin, Wu Qianqian. She's 20 years old this year and is studying at Capital University."

I'm in the same school as Nan Xuan and Wu Di, "Gong mo said with a smile, trying to show his goodwill.
"

Wu Hanhan's face suddenly froze. She smiled but didn't say anything.

Gong mo was confused, not knowing what he had said wrong.

Fortunately, there were many people in the living room. Everyone was talking one after another to draw the attention away, so he didn't have to care so much.

In fact, there was another group of people in the Wu family. They were old master Wu's cousins. Although they were both surnamed Wu, their relationship was much further apart. In the past, he was jealous of old master Wu's family's wealth and had secretly done bad things.

In the past, old master Wu had thought that they were a family, so he had tolerated it a lot. After Yu qinghuan's accident, old master Wu couldn't even take care of himself and didn't care about them. He was very impolite to them!

Now, they had learned to curry favor with the Wu and Yu families. There were five girls in that family now, all of whom were of marriageable age. In the past few years, whenever the Wu and Yu families had banquets, they would dress up gorgeously and come over, hoping to use this network to hook up with a rich husband.

Previously, Sheng nanxuan was also someone they had considered. Back then, Wu Di had been quite happy to see him.

But today, old master Wu didn't even inform them. He was really sick of that group of people! When Yu qinghuan was young, that family had a niece who was jealous of Yu qinghuan every day. Wu surong remembered that, so he naturally wouldn't ask them to come over and cause trouble.

After everyone got to know each other, they went to the restaurant together.

Sheng nanxuan gave Fang Yang a call and asked him to pick up Gambino and Shan Rong.

When the three parties met, they had a good introduction. The Yu family and the Wu family were both curious as to why Gambino was here. Sheng nanxuan had said that Gambino would be marrying Shan Rong in the near future.

When everyone heard this, they were secretly shocked.

In this way, Gong Mo's social status would be completely different!

Foreigners were different from Chinese. In their country, daughters and sons had the same right of inheritance. Stepdaughters and adopted daughters were the same as biological daughters.

Gambino did not have any children now. After he married Shan Rong, Gong mo would be his only heir. Even if Gong mo couldn't inherit his power, all his wealth would definitely belong to Gong mo.

In this way, Gong mo and Sheng nanxuan could be said to be a match of equal status. In fact, Gong Mo's background was even more dignified than Sheng nanxuan's, because Sheng nanxuan's birth in the Sheng family was not presentable.

Wu Di leaned on Sheng nanxuan's shoulder with a glass of wine and toasted with him. "You haven't called me cousin yet ~"

"You're my younger cousin, right?" Sheng nanxuan asked.

Wu Di was stunned and did some mental calculations. He seemed to have celebrated Sheng nanxuan's birthday when they were in college. What month was it again? Dancing grass! It really seemed to be older than him!

Who was going to call him brother? It was enough to just call those of the same year by their names!

Wu Di chuckled and changed the topic, 'I didn't expect that we'd become a family in the blink of an eye! In the past, my cousins wanted to hook you up to be their son-in-law ...'

"You're drunk!" Sheng nanxuan said hurriedly and looked at Gong mo.

Chapter 593 Kicked an iron plate

Gong mo looked at them in shock. He suddenly recalled Wu Qianqian's strange expression and couldn't help but look over.

...

Wu Qianqian happened to be looking over here, and she looked at Wu Di with shame and anger. what nonsense are you spouting?!

Wu Di was dumbfounded, "I didn't say you're Yingluo"

"Hmph!" Wu honggong turned her head away and lowered her head to eat.

Wu Di hurriedly slapped his mouth and said to Gong mo, "Look at my broken mouth! Cousin-in-law, please don't take it to heart!"

Gong mo, "hehe."

Sheng nanxuan rubbed his forehead and pushed him away. "Go to the side."

Wu Di quickly ran away.

Sheng nanxuan moved his stool closer to Gong mo and whispered, " "I've always been thinking about you and I've been very honest. That's because other people like me. I've never done anything rash."

"Are you saying that you're too charming?" Gong mo asked with a faint smile.

Sheng nanxuan paused. Of all the mistakes he made, none of them were his fault!

He could only nod,"yes!" I'm the Firefly in the dark night."

"Bah!" Gong mo couldn't help but laugh. shameless!

Sheng nanxuan saw her smile and knew that she was not angry. He held her hand under the table and put some food in her bowl."Come, let's eat."

"How am I supposed to eat if you're holding me?"

"Then should I feed you?"

"Stop it!" Gong mo quickly looked around and saw Wu surong and Min Ling peeking at them. He quickly pulled his hand back.

Wu surong laughed,"the young couple has such a good relationship ~"

Old Madam Wu nodded. that's right. Zhenzhen looks so reassuring.

Gong Mo's face turned red. Sheng nanxuan raised his glass and smiled at everyone.

Surrounded by relatives, this kind of liveliness that they had never experienced before made them unable to stop.

Huo Cheng soon found out about their reunion.

At first, Huo Cheng didn't know that these families were acknowledging their relatives. He was terrified and thought that Sheng nanxuan was going to join forces with the Yu family, the Wu family, and foreign forces to deal with him.

When he received the news that Sheng nanxuan was Yu Zhengming's grandson, he was even more worried!

Wouldn't it be easier to unite if they were a family?

Moreover, the Yu family and the Wu family felt guilty towards Yu qinghuan. It was not easy for them to find Sheng nanxuan, so they would definitely agree to his every request!

Huo Cheng naturally didn't want to sit still and wait for his death. He immediately arranged for people to investigate the companies under the Yu and Wu consorts' names.

The two businesses were huge, and there were tens of thousands of employees under them. There would always be places that were overlooked. If they accidentally found something wrong, they would be ordered to stop working and rectify it.

The Yu family and the Wu family quickly realized that something was wrong. After exchanging information, they both thought of Huo Cheng and immediately informed Sheng nanxuan.

Huo Cheng must have misunderstood us when we were having dinner that day, " Sheng nanxuan said. he must have thought that we were secretly plotting against him.

"Yingluo," in fact, he didn't have any crooked thoughts. You were planning to deal with him from the start.

"Don't be afraid. It's hard to say in other fields, but in the business world, with me around, no one can cause any waves!"

Sheng nanxuan immediately went to the stock market and caused trouble, and several families close to Huo Cheng suffered.

After a few rounds, the Yu and Wu families' companies were quiet.

Huo Cheng was so angry that he had a stomachache, but he was helpless. Unless he locked Sheng nanxuan up, he would be able to turn the world upside down with a computer!

However, he could not find a reason to shut down Sheng nanxuan and immediately felt extremely passive.

Was Yingying really going to assassinate him?

Chapter 594 I guarantee that you'll succeed in the presidential election

At the same time, Deputy Mayor Ding Yuan finally had time to meet Sheng nanxuan.

...

The day Huo Cheng invited Sheng nanxuan to the presidential palace, he had sent an invitation to Ding Yuan, but Ding Yuan had replied that he was busy.

At that time, the incident with the FARC had already been going on for a while. Ding Yuan had also heard the news, so he roughly knew what was going on.

Sheng nanxuan and Huo Cheng's enmity was a foregone conclusion. Naturally, he did not dare to meet Sheng nanxuan at the heart of the storm. After all, Huo Cheng was still in power. Once Huo Cheng suspected that he had an alliance with Sheng nanxuan, he might lose his official position.

But what happened later made him realize that Huo Cheng was the one who was held back, so he was naturally not afraid.

In the private room of the dark night bar, Ding Yuan saw Sheng nanxuan and immediately apologized. "I was too busy with the earthquake a few days ago, so I'm only free now. Sorry, sorry."

"It's alright, I'm free too."

Sheng nanxuan naturally understood what he was thinking. It was human nature to seek advantages and avoid disadvantages. There was nothing to blame, as long as they didn't fall out.

Seeing that he didn't have any displeasure, Ding Yuan heaved a sigh of relief. Without waiting for him to speak, he took the initiative to speak. may I know why chief Sheng is looking for me? "

Sheng nanxuan was very satisfied with his tactfulness. He did not waste any time and went straight to the point. uncle ding, are you interested in being the president? "

"How would I dare to think of that?" Ding Yuan laughed drily.

"As a politician, why wouldn't I want to?"

"I don't dare to think about it!"

Sheng nanxuan smiled and said,"I have an idea." Uncle ding, you'll run for the election next year. I'll make sure you succeed."

Ding Yuan was slightly surprised and looked at him in disbelief.

This kind of thing, how could he succeed just because he said so?

"Uncle ding, you don't believe me?"

"No, no!" Ding Yuan hurriedly denied it. but, Yingluo, why? "

"I don't like Huo Cheng!" Sheng nanxuan snorted coldly.

Ding Yuan was startled,"do you like me?"

Sheng nanxuan said,"uncle ding, what do you think?" If you don't want to, I'll find someone else."

this ... Ding Yuan hesitated.

He had originally planned to participate in the election five years later. If he did not succeed, he would at least leave an impression on everyone. He had to succeed in another five years!

But now, with Sheng nanxuan's sudden interference, everything changed.

If he had followed his own plan, he would not have been threatened and controlled by Sheng nanxuan.

He would listen to Sheng nanxuan now, but when he became the president next year, he would listen to Sheng nanxuan. He was the president in name, but in reality, he was Sheng nanxuan's puppet. The power in his hands would be greatly reduced.

Of course, Sheng nanxuan would not interfere in everything. But if anything affected Sheng nanxuan's interests, he would definitely step in. If that was the case, wouldn't he be very aggrieved as the president?

But if he didn't agree, Sheng nanxuan would find someone else, and he would have nothing to do with it in the future.

Ding Yuan sighed.

He had no choice but to board this pirate ship, unless he was willing to end his political career in this position.

The Deputy Mayor of Beijing

What's the point of this? He wasn't even the mayor!

Moreover, if he did not agree, he would definitely offend Sheng nanxuan. Who knew what would happen in the future?

Ding Yuan sighed again and said to Sheng nanxuan, "I'm indebted to the night God for thinking so highly of me. I'll do as you say."

Sheng nanxuan smiled and said, "very good." Then you should be prepared to participate in the election next year. The Yu family, Wu family, and min family will help you."

Ding Yuan was secretly shocked, "it's Zhenzhen."

Sheng nanxuan had joined forces with these families. Not only did he have strong financial resources, but he also relied on the Yu family's Qingyu media to control the media industry. When the time came, it would be very convenient for him to speak through the media and campaign for votes.

Chapter 595 The red figure

Perhaps things wouldn't be that bad.

...

As long as there was no conflict with Sheng nanxuan, there should be no problem with re-election.

.....

Sheng nanxuan got into the car and left the dark night bar. Soon, he stopped in front of a handmade biscuit shop by the road.

He got out of the car and walked into the biscuit shop. He took two cans of biscuits from the glass display cabinet in the middle-one can of red bean biscuits and one can of almond biscuits-and then went to the cashier to pay.

The young girl at the cashier saw that he was tall and handsome, and the shirt he was wearing was also very exquisite. She could tell at a glance that he was tall, rich, and handsome. She couldn't help but ask, "Do you want to buy it for yourself, handsome?"

"I bought it for my wife."

ah Yingluo. the cashier couldn't help but be disappointed. As expected, all good men were married! However, she did not show it. Instead, she smiled and said, "your wife is so blessed ~"

"Thank you. I'm very happy too." Sheng nanxuan handed the money over. keep the change.

"Eh?"

The cashier looked at the 100 yuan she handed over and was dumbfounded.

That Yingluo

The two boxes of biscuits were less than 50 yuan.

Sheng nanxuan walked towards the car with the biscuits in his hand. A red shadow flashed by the street. He looked over and saw that no one was wearing red.

Could it be that he had seen wrongly?

He got into the car in puzzlement. When the car started, he saw a touch of red in the rearview mirror.

He hurriedly turned around and happened to see a long-haired woman in red walking away. Her hair was almost the same length as Yu qinghuan's!

He didn't think it was a coincidence and hurriedly said to the driver, "That way!"

The chauffeur chased after her in his car. On the way, he saw the red again.

"Chase!" Sheng nanxuan shouted.

The driver immediately turned the steering wheel and chased after her. He clearly saw the figure in red moving slowly in front of her, but when she turned a corner, she disappeared.

The driver was slightly surprised. As he drove the car forward, he paid attention to the alleys on both sides.

He drove all the way to the end of the road and suddenly realized that this was a dead end. There was no other exit at all.

"BOSS!" He asked in a panic, "could ... Could it be a ghost hitting the wall?"

The thought of a red-dressed female ghost was terrifying.

"What nonsense are you spouting?" Sheng nanxuan rolled his eyes at him. rewind.

The driver had no choice but to reverse the car and go back the way he came.

Sheng nanxuan looked out of the window and saw that the buildings by the road were not very high.

“Stop the car!” He suddenly said.

The driver stopped the car.

He got out of the car and walked to a wall. Suddenly, he lifted his body and used his feet to step on the wall and climb up.

Looking down from the wall, there was another alley that led to the hotel opposite.

He narrowed his eyes, turned around, and jumped off the wall.

The chauffeur who got out of the car and followed them was shocked.

This, this, this place is at least two stories high!

It was possible to not fall to death after jumping down, but how could he climb up with his bare hands?

“Alright! Go back!”

“Yingluo is.” The driver didn’t dare to think about what had happened to him.

Probably.

My boss has a special ability?

.....

When Sheng nanxuan returned home, Gong mo was singing a children’s song to the child.

“You’re teaching him to sing now?” he laughed.

“I’m cultivating his musical talent.” Gong mo said righteously.

“You want him to grow up to be a musician?”

Chapter 596 I can’t be good to you even if I want to?

“No, I don’t. It was to let him understand everything. When he grew up, he could choose according to his preferences. Otherwise, if he comes into contact with too few things when he’s young, he might not be able to find what he likes and is good at for the rest of his life when he grows up.”

...

oh, oh, oh. Sheng nanxuan put his hands behind his back and said to her, “ I don’t know what I like or what I’m good at. But it’s enough that I’ve found you.

“Why are you saying such sweet words again?” Gong mo was stunned. Did you do something bad?”

Sheng nanxuan rolled his eyes. can’t I say sweet words? ”

“It’s not that I can’t tell you! If you insist on spouting nonsense, then I’ll be suspicious of your motives.”

“How am I spouting nonsense?”

“Why didn’t you say anything? Aren’t you good at making money by speculating in the stock market?”

“In that case, I’m also good at flying on roofs and vaulting on walls.”

“You’re good at flying on roofs and vaulting on walls?” Gong mo was stunned.

“Yingluo didn’t.”

Gong mo didn’t believe him. If he said that, it meant that he knew, right?

She thought for a moment and suddenly pinched his arm.

She remembered that in high school, he bent a steel bar with his bare hands.

His body had also been modified. Even if he was not unscathed after jumping from the 20th floor like Gambino, there were at least some strange things about him.

He put his hands behind his back, and she couldn’t help but wonder, ” “What are you hiding?”

Sheng nanxuan smiled and reached out his hand, which was holding a can of red bean cakes. “You like it.”

Gong mo smiled and took the red bean cake. He opened it and ate a piece.

oh, oh, oh. she felt that the smell was a little familiar. She looked at the label on the sealed can. It was indeed the one she had accidentally bought last time.

“The food in this restaurant is not bad.”

“I heard you say that I went to buy it.”

Gong mo looked at him and said, “I’m even more suspicious that you’ve done bad things.” One must be up to no good ~”

“Can’t I be good to you?” Sheng nanxuan snorted coldly. I love you so much. I’m thinking of you all the time. I’m not like you, everyone’s position in your heart is higher than mine!”

Gong mo looked at him angrily, “you’re maligning me!” There are more than 7 billion people in the world, how many do I know?”

I’m wasting my time with the people you know. Sheng nanxuan snorted.

Gong mo munched on the red bean cake and thought for a while. He suddenly put the half-eaten cake to his mouth and said, “Want some?”

Sheng nanxuan glanced at her, lowered his head, and took a bite. There was only a little left in her hand.

She ate the biscuit and said, “you are the only one who can share a biscuit with me. Are you satisfied now?”

“What’s there to be satisfied with? Isn’t that what I should do?”

Gong Mo’s eyes widened and he snorted. He turned to Hu Zi and said, “Yiting, when you grow up, mommy will share some biscuits with you ~”

Sheng nanxuan immediately said, “I was wrong! I’m satisfied! In the future, you should share the biscuits with me alone! Yiting’s immune system is weak, what if she gets sick after eating your saliva?”

“Do you think my saliva is dirty? Then don’t eat it!”

“How could this be? Your-”

waa ... the child suddenly cried and interrupted him.

“What are you crying for?” he was stunned.

"He definitely pooped!" Gong mo said.

Sheng nanxuan was stunned. He seemed to have smelled a foul smell.

"Are you going to change his diaper?" Gong mo asked.

"Zhenzhen can do it." Sheng nanxuan reached out and picked the child up. He said to Gong mo, " go outside. I don't want you to smell.

"It's alright," Gong mo replied with a smile.

Sheng nanxuan put the child down and reached out to untie his diaper with a look of disgust.

Chapter 597 It might not be a bad thing

At this moment, the nanny came in and said in surprise, " "Sir, Madam, let me do it!"

...

it's alright, Yingluo," Sheng nanxuan said. I'll change it for him. Otherwise, when he grows up, he'll say that I didn't do anything for him."

"Alright, I'll help," the nanny said with a smile.

With her help, Sheng nanxuan did not have much work to do.

After a while, he changed and Gong mo said, " "Alright, let's carry him out to play for a while. It's time for dinner."

"Alright," he said.

Sheng nanxuan carried the child out of the room. The child leaned in front of him, his small hands grabbing the collar of his shirt. He observed his surroundings as he walked.

"What are you looking at?" He asked.

"Do you miss his grandma?" Gong mo asked.

"Where's his grandmother? I even brought her some almond cakes."

"He went to dad's place." Gong mo laughed. I've been going on dates every day recently. I don't think I'll be back for dinner.

"That's good. We'll get used to it slowly, so it won't be too sudden when she goes to Italy in the future."

Gong mo paused for a moment before nodding.

Sheng nanxuan looked at her. you can't bear to? "

"Of course. I've never been separated from mom for too long. I thought she would leave after marrying you, but I didn't expect her to still be with me. But now you're cowering."

"I'm actually very happy for her, but I can't help but worry," Gong mo sighed.

"This is normal. When you got married, she was happy too, but she was also worried about you. But if you miss her in the future, we can go to Italy to see her. I don't have anything to do anyway, so I can bring you to stay there for a while. After a few years, dad should be able to settle the things at hand and bring her back to settle down. Then, we can see each other every day."

actually, ” Gong mo smiled, ” we can’t be sure about the future. What if there was an emergency and his father could not come back so soon? But it doesn’t matter. It’s good that mom is happy there.”

“That’s right, so don’t worry,”

“You know, when I was in geography class, I always wanted to see the beautiful scenery of the world. But now that I have a child, I always feel that it’s inconvenient to go out, so I dispelled such thoughts, Yingluo.”

“We’ll go if you want to!” Sheng nanxuan hurriedly said, ” I don’t want the child to tie you up. If you want to see the beautiful scenery, we can go! Although the child was still young, she couldn’t let him go now, and she didn’t dare to bring him along. But in two years, you won’t have to care about this anymore.”

“I understand.” Gong mo laughed. I’m not talking about myself. I just thought of mom through this incident. When she was young, she must have wanted to travel around the world, right? “But she used to stay in a small place like Nanjiang. After that, she came to Beijing. Because I was pregnant and the child was born, she couldn’t go out to play. Now that I’m with dad, I can travel around the world. It might be a good thing.”

“Yes,” Sheng nanxuan nodded and stroked her soft hair. His fingers suddenly stopped as he looked at her waist-long hair.

“What’s wrong?” Gong mo asked.

“I think ran ran saw my mom today,” he said, his eyes flashing.

“What?” Gong mo was shocked. She’s in the capital.”

“It’s possible. It should be her. Otherwise, he wouldn’t have lost her. She’s faster than me. ”

Gong mo was stunned for a moment before he grabbed Gu Yu’s arm, ” “Can you really fly on roofs and vault over walls?”

Sheng nanxuan chuckled. I guess so. But I don't think she's as good as my mother.

Gong mo sighed, "that SSC is really annoying!" He was fine, but now he's like this!"

Sheng nanxuan was stunned and looked at her fiercely. "You ..."

"What's wrong?"

"Do you think we're monsters?"

Chapter 598 It was just a touch

"What are you thinking?" "I just feel that this isn't what you want," Gong mo said. You must have suffered a lot doing those experiments. If not for those experiments, everyone would still be fine. Especially her mother. She was the young miss of the Yu family, so she would marry an outstanding man and live a happy life. She's not like Yingluo now, who knows how much she's suffered."

...

Sheng nanxuan's heart relaxed and he pulled her into his arms. "You're right. This is an unforgivable crime."

Gong mo gently stroked his arm. the mastermind behind all of this will definitely suffer. Don't be angry about this.

"Alright, I won't be angry." Sheng nanxuan smiled. since mom isn't coming back, let's eat first. Give uncle a call after you're done eating and pick a time to visit the Yu family."

"Is there something you need?"

"I forgot to ask for mom's photo. I want to take a look now."

"Alright then!" I'll get grandma to bring you some photos. We can look at them on a regular basis. Gong mo nodded his head.

.....

Carter entered the room and was shocked to see Yu qinghuan watching television on the sofa. "Where did you go just now?"

"I'm going out for a walk." Yu qinghuan said lightly.

"What are you doing out there? Why didn't you tell me?"

"I want to buy some clothes."

Carter looked around and saw that there was no bag for clothes. He asked, "Where are the clothes?"

"I don't have money."

Carter was stunned.

"You're blocking the TV," Yu qinghuan said with a straight face.

Carter hurriedly stepped aside.

There was a News interview on the TV. As Yu qinghuan watched, she suddenly laughed.

what are you laughing at? " Carter asked, puzzled.

“Don’t you find it funny?” Yu qinghuan asked, puzzled.

What’s so funny about the ” Wanwan ” news?

“Don’t walk around!” Carter said angrily. I’ll go with you to buy some clothes later!”

“Alright,” he said. Yu qinghuan slowly nodded.

Carter returned to his room and turned on his computer.

Yu qinghuan looked over. After a while, she turned her head and her ears twitched.

She had heard everything that Carter had typed.

However, whatever he wanted to do had nothing to do with her.

She continued to watch the television.

It had been many, many years since he had last seen it. This world had really changed a lot.

She couldn’t help but smile. She got up and walked to the window, looking at the city of high-rise buildings.

It was not like this more than 20 years ago.

Where was her home?

She reached out to touch the glass and exerted a little force. With a loud crash, the glass shattered into pieces and fell down.

She hurriedly retreated.

Carter ran out of the room and shouted, "What are you doing?"

"I only touched it," Yu qinghuan replied coldly.

"Yingluo, don't touch anything!" Carter was helpless.

He had a killing weapon by his side and was destroying things at any time. But in order to save his life, he could not leave her behind.

Carter called the waiter up to discuss the compensation. The waiter was helpless and looked at him and Yu qinghuan with a strange expression.

After the two of them moved into the suite, many things in the room had broken down one after another, from small light bulbs to large appliances and mirrors. Now, the entire floor-to-ceiling window was broken!

He could not help but wonder what they had done!

After settling the compensation, Carter took Yu qinghuan to buy clothes.

He knew that Yu Qingliu and Sheng nanxuan were both in the capital, so he didn't dare to go too far. He chose to shop in the mall below the hotel. He had even deliberately chosen an underground market for cheap clothes that cost a few hundred Yuan each. He would definitely not encounter those rich people who wore branded clothes.

“Hurry up!” He said to Yu qinghuan.

...

Yu qinghuan weaved through the rows of clothes hangers and picked out a few bright red dresses.

She measured the size with her hands and only kept the ones that she felt were suitable.

red? ” Carter was puzzled. why is it all red? ”

Yu qinghuan smiled at him. don’t you think that Yingluo and the rest look like blood? ” she asked.

Carter’s body trembled, and a chill crept up his back.

“I like the color of blood.” Yu qinghuan said with a smile.

“Yueyue bought it if she liked it.”

Carter took a deep breath. It seemed like there was nothing wrong with a killing machine liking blood.

Walking out of the underground shopping mall, Yu qinghuan looked up at the piercing sunlight in the sky, and her eyes suddenly became wet.

Before she became like this, she definitely didn’t like to wear red.

However, he could no longer go back to the past.

She no longer had the right to have those pure colors.

.....

Sheng nanxuan brought Gong mo to the Yu family again. The Yu family welcomed them warmly. Especially Yu Zhengming and Wu surong, who were extremely happy.

"You didn't come after last time, so I thought you didn't like it!" Wu surong said.

"Where?" Gong mo said, " but it's not good to disturb me. I'm afraid that if we come too often, you'll dislike us."

"How could this be? I can't wait for you to move in!" Wu surong said.

"You can come over if you have time," said Min Ling. There's usually no one at home, so it's quite deserted."

Wu surong nodded,"ever since they started working, they've all bought houses outside. They're too lazy to come back, as if they're afraid I'll bother them!" But on the weekends, everyone will come back for a meal. In the future, when you all come, it will be more lively for everyone."

Gong mo looked at Sheng nanxuan, who nodded. "Sure, I'll come over when I have time. How about I come here at least once a week in the future? If grandma finds it annoying, I can come once a month."

"Once a week!" Wu surong hurriedly said, " it's a deal then! Once a week, only more, no less!"

okay. Sheng nanxuan smiled and nodded.

It was only after lunch that Sheng nanxuan asked the two elders for Yu qinghuan's photo.

Wu surong was annoyed,"I was too busy talking about other things last time and forgot." Your mother loved to take photos when she was young, so she had a lot of photos. I even drew a few portraits of her.
"

“Can I have a portrait?”

“If you like it, then go pick one!”

Wu surong had her own study. Because she often painted, the study was more like a studio, but it had more space for bookshelves and antiques.

After entering the study, Wu surong opened a cabinet and took out a few photo albums. “It’s all here,”

Sheng nanxuan flipped it open. The photos were a little old, but they were still clear.

In the photo, Yu qinghuan was wearing light-colored clothes, and her hair was as black as ink. It was either draped or tied up, sometimes in a ponytail, making her look pretty and lively. Sometimes, her twin ponytails drooped down her ears, looking fresh and cute; Sometimes, she would make a loose braid, simple and smart.

She was a real beauty, but not as gorgeous as she was in the FARC laboratory.

Sheng nanxuan knew that after so many years, it was only natural that things would change.

He flipped through all the photo albums and realized that Yu qinghuan rarely wore red clothes in the photos. Occasionally, there would be a piece, but it was only a part of it. It would not be completely red.

Could it be that Wanwan wasn’t Yu qinghuan?

It should be. Otherwise, why would she let him go and kill Sheng Zhongtian and Liu Xuelan?

Chapter 600 You’re like your mother

Sheng nanxuan closed the photo album and looked up to ask Gong mo, " "Where's grandma?"

...

"Ah?" he was here just now? " Gong mo asked.

"He probably went out for something." Sheng nanxuan picked up the photo album he had just seen and flipped through it again.

"Mom is so beautiful!" Gong mo exclaimed.

"Yes, Yingluo."

Gong mo looked at him and poked his face, ""So this handsomeness is inherited ~"

Sheng nanxuan grabbed her hand, put down the photo album, and looked at her with a smile.

"What do you want?" she blushed.

"I'm looking at my wife."

Gong mo choked. He retracted his hand and turned his head away.

"You're done?" Wu surong's voice came.

Gong mo stood up in a hurry and saw Wu surong walking in with a box.

"Grandma." Sheng nanxuan also stood up. what if I want all the photos here? "

"You should at least leave some for me!" Wu surong said as she opened the box.

There was a pair of suet jade earrings inside.

She picked up the earrings and said to Gong mo, come, try it on.

“How can Yingluo do this?” Gong mo was flattered.

this is the dowry I saved up for mother nanxuan. I have no place to use it, so I'll give it to you. Wu surong said excitedly, “ put it on and let grandma see! I thought you'd definitely look good wearing white jade, so I brought it here especially for you to try it on. ”

“Don't let grandma's good intentions down.” Sheng nanxuan said.

Hearing this, Gong mo finally agreed.

Wu surong tried to put it on for her with her trembling hands. Sheng nanxuan was afraid that she would hurt Gong mo if her hands trembled and she had bad eyesight, so he quickly said, “ “Grandma, let me do it.”

Wu surong nodded and passed the earrings to him.

Sheng nanxuan reached out and pinched Gong Mo's plump earlobe. Gong mo felt ticklish and shrank back.

Sheng nanxuan glanced at her and gently put the earrings on for her.

Wu surong saw this and nodded. that's right. I told you you would look good in it!

Gong mo touched his ear in embarrassment.

Wu surong took out a pendant made of white jade from the box.

The pendant was the size of a pigeon's egg, just enough to hold in the palm of his hand. It was tied with a red thread, and upon closer inspection, it looked like Maitreya Buddha.

Wu surong looked at the pendant as if she was recalling something. After a while, she said, "This is for you too."

"You can't keep taking grandma's things," Gong mo said hurriedly.

I've saved up a lot of things for qinghuan and her child. These were originally yours.

"But ..."

"Don't worry. I've already given xinzhuo and Xinran's to them."

Then give this to nanxuan! Gong mo said.

"That's fine. Nanxuan, wear this. Put on this bangle." Wu surong said as she took off the bracelet on her wrist.

The bangle was also made of suet Jade, so it should be worth at least a few million Yuan.

Gong mo didn't know whether to laugh or cry, "grandma! I have a bracelet!"

"Even if there was, it wasn't from grandma! You wear it!" Wu surong said, "Jade is used to ward off disasters. It's good to wear it."

Gong mo was helpless. She had been afraid of breaking the one that dan Rong had given her, so she had not been willing to wear it. Wu surong's gift was better than the one Shan Rong had given her, so she

was even more reluctant to give it up. However, she couldn't take it off in front of Wu surong, or Wu surong would think that she didn't like her.

Wu surong handed the pendant to Sheng nanxuan. here. Wear this.

I can't get used to wearing these, " Sheng nanxuan said. give them to Hu.

Wu surong was taken aback. she's the same as your mother. She doesn't like to wear anything around her neck. she sighed. then give it to Hu. He had been used to wearing it since he was young. This is for your safety, wear it well."
