

Ditsy Wife 631

Chapter 631 Why are you all in the entertainment industry?

nanxuan's grandparents are in Beijing. The young couple is going there for the holiday.

...

"Then, before Yueyue leaves, we should at least have a meal together, right?"

"Alright! Can't you just let me trample on you?" Shan Rong asked with a smile.

Is he treating me? Hu Yinghong's smile froze for a moment before she smiled and said, "Of course!"

Hence, they made an appointment to have lunch together the next day. Hu Yinghong couldn't bear to go to the hotel and decided to do it herself!

.....

After Gong mo returned, he had contacted Tian Cheng twice. Now that he was leaving, he naturally had to call to let him know.

She was a little worried about Tian Cheng. Tian Cheng was in her third year of high school and had a lot of studying to do. However, she had a problem at home, so she didn't know if it would affect her mood.

The third year of high school wasn't afraid of being tired from studying, but afraid of being distracted.

When she made the call, she asked Tian Cheng, 'can you leave the school gate when you're eating? I'll go see you.'

Tian Cheng was flattered and said, 'yes! But how can I let you do it? it's so hard on you to take care of the baby. Actually, I also want to see my cousin and the baby. I haven't seen him yet! When do you have time? I can come out in the afternoon.'

er, er, er, " Gong mo said, " I'll be leaving in two days. I'm going to have lunch with first uncle and the others tomorrow afternoon. Your mother should be there too. Do you want to come along? "

"Alright!" Tian Cheng hurriedly agreed.

"But you're so busy with your homework, will you be late?"

"I won't. My classmates who live in the city all go home for lunch, and I used to be the same. I don't want to go home now, that's why I've been staying in school."

"Alright then, see you tomorrow."

The next day, he went to uncle Gong's house. Everyone was there, even Gong Jin and Gong Jie.

Gong Jin was wearing a well-ironed shirt, and his hair was combed into a shiny bun.

He had just started his third year. He was still a child in his first year of University and was just an ordinary college student. In the second year, she began to groom herself. One moment, she was like a laundry stylist, and the next moment, she was like an internet celebrity. She was a little girly. Now, he looked decent, but his temperament was not good. He did not look like a popinjay, but more like a pretty boy.

Gong Jie was getting better at dealing with himself. In the past, she would wear whatever was expensive and put on makeup as if she was a hostess. Now that she had started filming, there should be a manager to position her image. She had a temperament as a whole and was probably going to take the route of a goddess.

She was chatting with Gong Jin when Gong mo and the others entered.

It sounded like Gong Jin also wanted to enter the entertainment industry and was asking her for help.

Gong mo was speechless, why are they all in the entertainment industry?

Gong Ying glanced at her coldly and said to Gong Jin without even greeting her, " "Third uncle and third aunt, do you agree?"

"Why wouldn't you agree if you can make money?" Gong Jin said indifferently.

Her third uncle, who was beside her, chuckled and said, " "Anyway, he's only in his third year of University, and there are still two years before he graduates. If he's not suitable, it won't delay him from finding a job after he graduates."

"Then I'll help him look out for him. If there's an audition, just call him over." If you can't act, you can be my assistant. Nowadays, a lot of celebrities start from being an assistant, and an assistant can also develop into a manager. There are many paths!"

"Then I'll let you take care of him in the future!" Third uncle said.

Gong mo had brought gifts for his eldest uncle, third uncle, and youngest aunt.

After distributing the money to his first and third uncle, Gong mo asked, " "Aunt didn't come?"

"In the kitchen." Yinghong, come out for a moment. Sister-in-law is here! her uncle shouted towards the kitchen.

Following that, Hu Yinghong, third aunt, and youngest aunt all came out.

Chapter 632 You're pretty rich there, right?

Gong mo hurriedly handed a box of mooncakes and a box of crabs to his younger aunt. "Happy Mid-Autumn Festival."

...

"You've spent a lot!" His aunt laughed. I've also prepared a gift for you. Remember to take it with you when you leave!"

"I'm the same," Third aunt said.

"Third aunt's family has been handed over to third uncle," Gong mo replied with a smile.

"It's here." Third uncle pointed at the gift box on the coffee table.

"There's a mitten crab!" Third aunt said, " this is expensive. I can't even bear to buy it myself.

Hu Yinghong opened her box and said, " I'll steam it now. We'll have it together for lunch!

"I'll take my box too!" His aunt hurriedly said. I'm afraid you won't have enough people."

that's fine, as long as you're willing to ... Hu Yinghong smiled. She then asked third aunt, "third sister-in-law, do you want to steam yours too?"

"I'll save mine for the 15th of August. You can come to my house to eat!" Third aunt smiled. Now that it's all steamed, what if we can't finish it?"

Hu Yinghong knew that he couldn't bear to part with her, so she didn't say anything and went to the kitchen with her younger aunt.

"Second sister-in-law, let's go and help!" Third aunt said to dan Rong.

Shan Rong frowned and stood up unwillingly.

Every time she came here or third aunt's house for a meal, she had to help out in the kitchen! On the other hand, when she treated them to a meal at home, Hu Yinghong and third aunt Gong would definitely not arrive early. They would always enter the house just in time for the meal!

This was exactly what she was afraid of, so she had come late today. It was almost midnight, but she still couldn't escape!

Gambino furrowed his brows slightly, feeling a little heartache. One could imagine how they had bullied Shan Rong in the past!

The rest of the people were chatting in the living room.

Third uncle chuckled and extended his hand to Hu Zi. "Come, let me give third Grandpa a hug."

Hu Zi glanced at him and turned his head to lie on top of Sheng nanxuan with his back facing him.

"He's afraid of strangers," Gong mo said awkwardly.

"Hehe, Yingluo is just a child. She's all like this." Third uncle put down his hand in embarrassment.

"Do you know Chinese, Yingluo?" uncle Gong asked Gambino.

"I will." Gambino glanced at him and felt that he was a stranger.

More than 20 years ago, he had a good relationship with uncle Gong. Although there were occasional conflicts between the two brothers due to their marriage, that was because Hu Yinghong was calculative. Uncle Gong had even apologized to him several times. Now, uncle Gong had become sophisticated. His words and actions were no longer the same as he remembered. He was no longer the Big Brother in his heart.

"Which country are you from?" Uncle Gong asked.

"Italy," Gambino replied indifferently.

the country that has a Colosseum? "

"Yes."

"Then you'll bring your sister-in-law there in the future?"

"Yes."

"It's good to go. You guys are pretty rich, aren't you? She can also enjoy life."

"It can't be compared to China," Gambino said after a pause.

tsk ... Not every place in China is rich. In a small place like ours, we're extremely poor.

China was also one of the best in the world. Although the standard of living in China was not as good as in M, it was still much better than Italy.

However, every country had its own rich class, and it was not certain who was better in this class.

The Gambino family was one of the top families in the world, much better than the richest family in China, the Yu family. Of course, he would not let uncle Gong know about this.

Gong mo and Sheng nanxuan were peeling melon seeds and eating. They didn't join their conversation.

"Ya?" Hu Zi suddenly looked down at Sheng nanxuan's movements.

"You want to eat?" Sheng nanxuan asked him.

Hu Zi didn't understand, so he naturally didn't answer and continued to stare at his hands.

Chapter 633 You have to be so good to Gong mo!

"You can't feed him this," Gong mo said.

...

"Can't I even feed you?" Sheng nanxuan stuffed the peeled melon seeds into her mouth.

Gong mo blushed and looked at Hu Zi with his hand over his mouth.

Hu Zi laughed and buried his face in Sheng nanxuan's neck, looking embarrassed.

Gong mo was stunned, "I'm the one who's shy. Why are you hiding?"

Hmph! a cold snort came from the side. shameless!

The atmosphere suddenly became tense. Gong mo and Sheng nanxuan looked over-it was Gong ze who had just spoken.

"What nonsense are you talking about?" uncle Gong couldn't help but shout. Why aren't you helping out in the kitchen?"

Gong Fei kicked the coffee table and stood up, but she did not go to the kitchen. Instead, she went back to her room.

Gong Jin smiled and said to Gong mo, "Big cousin, don't take it to heart. She's been busy with filming recently, so she's not in a good mood."

"You're on your little cousin's side," Gong mo looked at him with a faint smile.

uh, hehe. Gong Jin smiled awkwardly and turned to look at Hu Zi. baby, you're so cute. Can you walk? "

"Not yet,"

"It should be almost the end of the year, right?" Her uncle asked.

Gong mo nodded and stroked the child's back. The child immediately turned to look at her and opened his arms for her to carry him.

"I'm looking for mommy, haha!" Third uncle laughed.

"Your mom's tired of carrying you." Sheng nanxuan said.

wuwuwuwuwu, " the child protested coquettishly and still reached out to Gong mo.

Gong mo smiled and carried him over. He stepped on Gong Mo's legs happily and wriggled in her arms.

Sheng nanxuan was afraid that she would hurt Gong mo, so he put his hand under his foot.

Gong mo said embarrassedly, "it's nothing, Zhenzhen."

"Brother-in-law is just worried about big cousin sister!" Gong Jin laughed.

Uncle Gong and uncle Gong San also laughed.

Sheng nanxuan didn't say anything. He didn't think that it would be embarrassing.

Gambino nodded in satisfaction in his heart. Right! He had to treat Gong mo so well!

He said, "get him a stool." He's in good spirits now, so he's going to cause a ruckus for a long time."

Gong Jin turned around and brought a stool to Gong mo. He said to Hu Zi, ""I'm your uncle."

Hu Zi stood on the stool and kicked him twice. He looked at Gong mo suspiciously for a while and felt that he was not good-looking. He then turned his head and lay on Gong Mo's legs.

Gong Jin touched his head and stepped back.

There were so many people that they needed a lot of food. They were busy until 12:30 before they were ready to eat.

Shan Rong had been helping for a long time, so she naturally did not want to continue. She washed her hands and brought out a dish. She went to the living room to carry Huzi. "Did you miss grandma?"

Yiya ~"Hu Zi lowered his head and pressed it against his chest, looking very happy.

Shan Rong laughed happily.

The doorbell rang, and everyone was taken aback. Hu Yinghong, who had just come out with the dishes, asked, " "Who will be coming?"

Little aunt's expression changed, thinking that it was her uncle who had come, and said, " "I'll open the door."

Little uncle rarely came home now. She didn't tell him, so logically speaking, he wouldn't come.

He opened the door and saw Tian Cheng outside.

“What are you doing here?” she was stunned.

Tian Cheng bit her lip. my cousin is leaving. I’m here to send her off.

you ... the younger aunt was taken aback and said in a low voice, “ you actually didn’t tell me in advance? ”

Tian Cheng pursed her lips and did not say anything. She wanted to say it, but she was too afraid to talk to her on the phone, so she didn’t want to say it.

“Is it Tian Cheng?” Hu Yinghong asked.

“First aunt,” Tian Cheng said with a smile. Then, he called out to the others.

She was the youngest here, so naturally, she did not miss a single one. In the end, only Gambino was left, not knowing how to shout.

Chapter 634 We want to talk to second sister-in-law

this is my boyfriend. You can’t call him uncle, ” Shan Rong said with a smile. you can call him uncle.

...

“Uncle,” he said. Tian Cheng called out to her in an awkward manner and lowered her head to touch the child’s little hand.

The child looked down at her and grinned at her, his little hand holding her index finger tightly.

"He likes you," Gong mo laughed.

"He ignored me just now because he doesn't like me," Gong Jin said with a hurt expression.

Tian Cheng's face fell, thinking that he was trying to make fun of Gong mo. She said seriously, "I've always had good luck with children. When I see other people carrying a child on the bus, those children will smile at me."

"I'm just joking. Why are you so serious?" Gong Jin frowned.

"Alright, let's go eat!" Little aunt said.

Seeing that the dishes were all set, everyone started to serve the dishes.

"It's time to eat!" Hu Yinghong shouted at Gong ze.

Gong Jie replied through the door, "I'm not eating!" I'm on a diet!"

Everyone was stunned. They looked at the other side and thought, "Even if you don't want to eat, you should at least put on an act at the table. This is manners, okay? By doing this, it would seem as if he didn't welcome the guests."

Hu Yinghong choked a little, but she did not insist. She said to everyone, "That's how the entertainment industry is, they don't dare to get fat at all! How about this, I'll just give her a crab!"

Fortunately, two boxes of crabs were enough, and there was still some left after each person took one, so no one said anything about her.

.....

After the meal, the child needed to change his diaper and began to cry.

Hu Yinghong and the others had raised children before, so they knew what was going on with one look. They hurriedly said, " "Change in my room, it's more spacious there."

"How can I accept this?" Gong mo said.

"It's okay, why are you being so polite with me?" Hu Yinghong put down the half-cleaned dishes and personally led them over.

Tian Cheng also went over to take a look and asked Gong mo in a low voice, " "Can I take a picture of him later?"

"Alright!" Gong mo agreed.

When they entered the room, Qimo said to Sheng nanxuan, " "Leave it to me and mom, it's crowded here."

"Call me if you need anything." Sheng nanxuan and Gambino went out first.

Tian Cheng sat on the bed and looked at the child. She smiled and reached out to tease him.

After a while, the diaper was changed. Gong mo carried the child and said to Tian Cheng, " "You can take a picture of him."

Tian Cheng immediately took out her phone and took two pictures. Her first uncle, third uncle, and youngest aunt walked in together.

Gong mo was stunned and looked at them vigilantly.

Shan Rong raised her eyebrows and thought, "he's here!

“Sister-in-law.” Uncle Gong chuckled, “ we have something to discuss with you.

“What’s the matter? let’s talk outside,” Shan Rong said, puzzled.

sigh ... uncle Tong San hurriedly stopped him. it’s family business. Of course, it’s family business.

“Outsiders are not outsiders!”

look at you! Your boyfriend is not from the gong family. He’s a foreigner. Little aunt said.

Shan Rong’s face fell,”sure!” Then you guys go ahead!”

uh, hehe. uncle Gong glanced at Gong mo and Tian Cheng.

“Why aren’t you in class yet?” her aunt yelled at Tian Cheng.

Tian Cheng held the phone in her hand and was silent for a few seconds before saying, “ I’ll go later.”

“You still want to wait? What if I’m late? You’re already in your third year of high school, yet you don’t know how to hold on tight, are you trying to anger me to death?”

Feeling vexed, Tian Cheng couldn’t help but cry out, “ I just came back for a meal, why didn’t you hurry?”

“You’re still talking back ...”

“What’s wrong?” Sheng nanxuan’s voice came.

Everyone saw that he and Gambino had come over.

"It's nothing. We just want to talk to second sister-in-law," uncle Gong said with a frown.

Chapter 635 So it's money!

"If there's anything, let's talk outside. Don't squeeze the child." Sheng nanxuan looked at Hu Zi worriedly.

...

Dan Rong carried the child and went out. Uncle Gong and the rest could only follow.

When he walked into the living room, he saw Gong Ying coming out of his room. He was sitting on the sofa and eating yogurt.

Uncle Gong looked at Gambino. well, ran ran. We would like to talk to second sister-in-law about my second brother's private affairs. You can run.

"I'm going outside for a smoke." Gambino glanced at Shan Rong, stood up, and walked out.

Shan Rong was extremely frustrated. He didn't smoke at all, okay?

"Do you want me to go out?" Sheng nanxuan asked.

Gong mo thought that uncle Gong and the others were about to reveal their true colors. If he was here, they would probably have some reservations and wouldn't necessarily say what their purpose was.

"The child is a little bored," she said."You and dad can carry him downstairs for a walk."

"Alright," he said. Sheng nanxuan carried the child out.

He closed the door, but he did not go downstairs. Instead, he sat on the stairs with Gambino.

The two of them had good hearing. As long as they listened carefully, they could hear the conversation inside the room.

.....

Hu Yinghong and third aunt came over after washing the dishes and sat around Gong mo and dan Rong. It was as if they were going to be interrogated by three parties.

Shan Rong took a deep breath and looked at everyone. "Alright, speak!"

Uncle Gong tapped his knee and said awkwardly, " "It's like this. I saw on the news that the country and glory World Medical company gave second brother a sum of compensation?"

Dan Rong and Gong Mo's expressions changed as a flame of anger burned in their hearts!

No wonder they had been so enthusiastic these days! It turned out that he had his eyes on money!

Gong hang was right outside the door! Shan Rong really didn't want him to see his family's disgusting faces! If that was the case, he would probably feel very bad, right?

"What do you guys mean?" Shan Rong looked at the crowd in disappointment.

"Nothing much." Uncle Gong said with a scoff, " I just wanted to know that you and Momo have a partner now. Nanxuan and that foreigner are both capable and you don't lack money to spend. Your third brother and I are a little tight on money. You see, Gong Bai is getting married, Gong Jin is looking for a job, and Tian Cheng is going to college. Ran ran, all of these are going to cost money!"

"So do you want me to send you?" Shan Rong asked, suppressing her anger.

“What are you saying!” Third uncle hurriedly denied, “ of course I’m borrowing it! The money is yours, how thick-skinned do we have to be to take it for free?”

“Hehehe.” Shan Rong laughed coldly and thought: You’re pretty shameless now!

Hu Yinghong smiled. there are only two people in your family. Momo is a girl, so you’ve never had to worry about a house. You’ve always lived a comfortable life. In the past, I was too embarrassed to ask you to lend me money. After all, it was the money you worked hard to earn! After that, Momo got married. Although he married a rich man, it had nothing to do with us, right?”

“You guys have been coveting my house!”

that Wanwan, that Wanwan! Hu Yinghong was at a loss for words.

“That house was left behind by my second brother!” Third uncle hurriedly said. That was the gong family’s property, how could it be considered as having designs on it? Momo was a girl and didn’t need it. Logically speaking, it should be left for her parents. Mom and dad are no longer around, so it’s naturally our turn to ...”

“Momo and I are still here!” Shan Rong shouted, “ do you guys have a conscience? How dare you bully us!”

As Shan Rong spoke, she began to cry.

“Mom!” Gong mo comforted her immediately.

Hu Yinghong snorted coldly and said awkwardly, “ “Why are you crying? Isn’t the house still in your hands? We’re just borrowing money from you, it’s not like we won’t return it!”

Chapter 636 The threat of loaded guns

Of course, they really didn't intend to return the money. There was no reason to spit out something that was already in one's mouth.

...

They had already inquired about the compensation. It was more than two million Yuan!

"The compensation is for second brother. I believe second brother will be willing to lend it to his brothers in the underworld."

"If he knew about this in the underworld, he would definitely cut off all ties with you!" Shan Rong said, "first the house, then the money. You're forcing Momo and me to a dead end!"

"Why did you make it sound so unpleasant?" Third aunt said, "your boyfriend is rich, and so is Sheng nanxuan. Do you guys still lack that little bit of compensation money? What's wrong with sharing some with us?"

"What's wrong?" Shan Rong shouted, "more money! That's what we earned ourselves!"

the compensation was given by someone else. Doesn't that mean that we came for nothing? "

"That was exchanged with Gong hang's life!" Shan Rong roared in grief and indignation.

Because of this, she and Gong mo didn't care about the money at all. They didn't even want to think about it or touch it!

"You guys are too much!" Tian Cheng stood up, screaming.

"What are you doing?" his aunt shouted. Sit down!"

"What are you still doing here?" let's go! Tian Cheng shouted at her.

She didn't want to see her mother do such a disgusting thing! Since he had encountered it, he had to stop it!

Bang! Bang!

The door was suddenly kicked open, and everyone was shocked. They turned their heads to look-

Gambino strode in.

Tian Cheng wiped her tears and ran out.

"Cheng Cheng!" ah! little aunt shouted. She hesitated for a moment before running after him.

When Hu Yinghong saw that the door had been broken, she shouted at Gambino, "What are you doing? Compensate me for my house!"

Gambino took out a gun from his pocket and fired at the coffee table.

"Bang!"

There was a loud noise, and the melon seeds and candies on the coffee table flew in all directions.

ah ... Gong ye and the others screamed and shivered on the sofa.

Gambino kept his gun and pulled Shan Rong into his arms. He said to everyone, "If I find out that you're bullying dan Rong and Gong mo again, I'll shoot a bullet in your head!"

Everyone kept quiet out of fear, not daring to make a sound.

Gambino turned around with Shan Rong in his arms, and Gong mo also left.

When she walked out of the door, she saw Sheng nanxuan carrying the child.

The child's eyes were wide open as he looked around in confusion. He was clearly shocked by the sound of the gunshot. Luckily, he didn't cry.

Gong mo wiped his tears and walked over to lean on Sheng nanxuan's shoulder. 'Nanxuan Yunjun'

"I'm here," Sheng nanxuan patted her back. we won't come here again.

mm, hehe. Gong mochen nodded while sobbing.

Gambino had already walked downstairs with Shan Rong in his arms, and the two of them hurriedly followed.

Walking out of the neighborhood, the four of them hailed a taxi. After driving for a while, they saw Tian Cheng running on the road with her aunt chasing after her.

"Tian Cheng!" Her younger aunt shouted. Stop right there!"

Tian Cheng stopped in her tracks.

When the car passed by her, Gong mo looked at her worriedly.

Naturally, Tian Cheng did not notice who was in the car. She stood on the spot and wiped her tears.

Her aunt walked up to her and grabbed her arm. She asked in a flustered and exasperated manner, "Are you crazy? When the elders are chatting, who are you to speak? Do you know that you've ruined my plans?"

“Something good?” Tian Cheng looked at her disappointedly. your good thing is to extort second uncle’s death compensation? ” That was what second uncle exchanged his life for, can’t you feel at ease?”

“Why should I feel guilty? Didn’t you tell me to divorce your dad? How can I support you if I don’t have money? Your uncle and the others said that when they get the money, they’ll give me a hundred thousand!”

Chapter 637 I’m very disappointed in you

“You bought your conscience with a hundred thousand Yuan? A hundred thousand Yuan is enough for you to disregard your family?” Tian Cheng felt even sadder.

...

Little aunt felt a little guilty, and her face turned pale. She couldn’t help but shout, ” “Do you only care about kinship? She’s just like your cousin, always siding with outsiders. Is she your real sister?”

“She’s not my biological sister, but she cares about me!” Tian Cheng cried out, “have you and dad really cared about this? You only know how to calculate that little bit of money!”

“How can I support you without money?”

“You can’t scheme against other people’s money just because of this! Can’t you just find a job yourself?”

His aunt was stunned. She felt very embarrassed to be lectured by her daughter at such an old age.” Mom’s old, who’s looking for a job?”

“You’re the one who’s lazy and afraid of suffering!”

“You shut up! You’ve been following Gong mo around every day and only know how to talk back! I’m your mother!”

Tian Cheng had returned without saying a word. She had a lot of opinions about Gong mo! This was obviously Gong Mo's tip off. Otherwise, how would Tian Cheng know that she was going to come here for a meal?

Gong mo had secretly contacted Tian Cheng behind her back. If he urged Tian Cheng to come home for dinner today, he could urge Tian Cheng to run away from home another day! Who did she think she was? Busybodies!

Now, she was even more furious.

"You don't even want your mother for your cousin? You should go to her house! Don't make me raise you!"

"It has nothing to do with her! Even without her, I can't stand to see what you've done!"

"Can't stand it? Then don't spend my money!" Little aunt still said the same thing, which was very unreasonable.

In her opinion, since she had raised Tian Cheng, she had to provide for Tian Cheng's food and clothing, so she had to listen to her!

Tian Cheng couldn't help but nod. I won't spend your money in the future, I'll borrow it myself! Don't worry, I'll take care of you in the future, but don't you tell me what to do!"

"You ... You're rebelling!" Little aunt was trembling with anger.

"Because I'm very disappointed in you!" Tian Cheng roared, turned around, and ran away.

Little aunt squatted on the ground and cried sadly.

What sin had she committed? Who was this all for? It was fine if her husband didn't want her, but even her child didn't want her!

As she cried, she felt the people around her pointing at her. She covered her face and got up, running away with her head lowered.

She guessed that uncle Gong and the others didn't get the money. They felt that Tian Cheng was the reason why they didn't dare to go back to uncle Gong's house, afraid that everyone would blame her.

She returned home and gave Hu Yinghong a call. Hu Yinghong cried so hard that she was out of breath. "I don't want it! We don't want this money! They're from the underworld and they have guns!"

After a long time, little aunt finally understood what was going on. She had heard a loud noise as soon as she stepped out of the door. She had not expected it to be a gun, so she was not afraid. Now that he heard it, he was shocked. If she hadn't run away at that time, she wouldn't have been shot dead by that Caucasian, right?

She shivered and suddenly wanted to go to dan Rong to apologize.

She had never had her own opinions, and Shan Rong knew that. As long as she said that it was her big brother and third brother who had teased her, Shan Rong would probably forgive her, right? Shan Rong and Gong mo seemed to be very concerned about Tian Cheng. They would probably let her off on Tian Cheng's account, right?

.....

The first thing Shan Rong did when she entered the house was to throw away the mooncakes Hu Yinghong had given her the day before.

She threw the mooncake, along with the box and bag, out the door.

After throwing it, she slammed the door hard and said angrily, "If I bother with them again in the future, I'll be a bastard!"

Chapter 638 Even Hu is comforting you

Hu Zi looked at her in fear. He hugged Gong mo and cried, ”

...

Why is everyone so angry?

Grandpa’s angry, grandma’s angry, and mom and dad are also unhappy, Yingluo.

Wuwuwuwa, did she not want him anymore?

The more Hu Zi cried, the sadder he became.

Shan Rong immediately walked over and consoled him,”Hu, don’t cry. Grandma isn’t scolding you.”

“Wuwuwuwu!”

The family of four surrounded him, and it took a long time to persuade him.

After he stopped crying, he sniffled and clung to Gong Mo’s clothes.

“I’m taking him to sleep,” Gong mo said.

In fact, he was hungry. Gong mo wanted to take him into the house to feed him and take a nap.

After his afternoon nap, he was full of energy. Shan Rong teased him with a smile, as if she had forgotten about the unhappy things from before.

The child's voice came from outside the door, "mom!" There was a box of mooncakes! Eh? It was so heavy! It doesn't seem to be empty!"

"Quickly put it down! Someone else put this here!"

"Oh, Yingluo."

The child put down the mooncake and left with his mother.

"Go pick it up and throw it into the trash can downstairs!" Shan Rong turned around and said to Gambino.

"Alright," he said. Gambino stood up and left.

The box of mooncakes had already been picked up and placed by the door. He carried it downstairs and did as dan Rong said.

Shan Rong snorted and said through gritted teeth, "Hey, you ungrateful wretch! How much do my boxes of mitten crabs cost? You haven't even digested it after eating it, and you're thinking about money again!"

"They said they wanted to borrow." Sheng nanxuan asked, "if they really lend it to us, they won't refuse to return it, right?"

"Do you think I don't know them? He kept saying that they were rich and didn't lack that little bit, so of course he wouldn't return it! The poor have a reason, they should take everything in the world for free!"

"Alright, calm down," Gong mo patted her back.

When Hu Zi saw this, he also stretched out his little hand and grabbed dan Rong's body twice.

"Look, even Hu Zi is trying to comfort you," Gong mo laughed.

Shan Rong laughed and said,"alright!" I won't be angry if Hu consoled me! You're the one who's angry, it's not worth it, right?"

hehehe ... Hu Zi grinned, not understanding what everyone was talking about. However, he was happy when everyone looked at him. This meant that everyone was paying attention to him.

After a while, Gambino returned.

Shan Rong could not help but wonder,"what took you so long?" You threw the trash back to Italy?"

here. Gambino took out a bag of white candy from his back.

"What's this for?" she was stunned.

"You used to like this, Wintermelon candy." Gambino looked at her guiltily. I'm sorry. I know that you've been tolerating them because of me. Now that I'm back, I'll be in charge of the gong family's Affairs. I can't even imagine how much you've suffered in the past!"

Shan Rong glared at him,"it's good that you know!" In any case, I don't want to suffer this kind of grievance anymore!"

"En!" Gambino nodded. we won't come back here in the future. We won't see them and we won't bother with them.

Dan Rong took the candy and said,"I ate too much in the past and my teeth almost went bad, Yingluo."

"Why don't you let me eat it?" Gong mo asked.

"Then you can have it!" Shan Rong stuffed it into her hands.

no! Gong mo immediately refused and smiled. how could I dare to eat it when dad gave it to you? "

Oh? " Gambino was a little embarrassed. you got a share too.

"That's not what you said just now," Gong mo said, feeling wronged. Didn't you buy it for mom?"

ahem, ahem, " Gambino asked awkwardly. What do you like to eat then? " I'll go buy more."

Chapter 639 Visiting to apologize

"No need to trouble yourself. Since mom thinks that eating too much will spoil my teeth, then let me eat." Gong mo said as he reached for the candy.

...

"One moment you're eating, the next you're not eating, don't you find it annoying?" Shan Rong said.

Gong mo took a bite of a sweet and said to Sheng nanxuan, " "So sweet!"

"Be careful of your broken teeth." Sheng nanxuan said.

"If it's broken, get me a new one with diamonds!"

ppft ... Sheng nanxuan laughed. don't even talk about diamonds. I'll do it with all diamonds!

Shan Rong took a piece of candy and ate it. Gong mo asked in confusion,"" Aren't you afraid of damaging your teeth?"

“It doesn’t matter. I’ll get your dad to change my diamond set too!”

nanxuan said that he’ll change it to a full diamond one ~”Gong mo said smugly.

you ... dan Rong reached out and grabbed her neck, wanting to hit her.

She hurriedly screamed, “ah, I was wrong!” You’re wrong ...”

“Where did I go wrong?” Shan Rong asked fiercely.

Hu Zi clapped his hands at the side and looked at them with great interest, thinking that they were playing some kind of game.

I’ve raised you for nothing, Zhenzhen! Gong mo was indignant.

“I’m the one who raised you for nothing!” Shan Rong ruthlessly pinched her neck twice. get back! What did you do wrong by shrinking?”

my mistake is ... er, Gong mo was at a loss for words.

To be honest, she didn’t know either! Even if he knew, he didn’t know how to say it!

She looked at Sheng nanxuan pitifully and asked for help, ” “Where did I go wrong?”

When Shan Rong heard this, she wanted to murder her own daughter!

Just then, the doorbell rang.

Shan Rong was stunned. Gong mo took the opportunity to escape and burrowed into Sheng nanxuan's arms, heaving a sigh of relief.

Sheng nanxuan stroked her back to comfort her.

Shan Rong roared, "stop being so sweet!" Go open the door!"

Gong mo tried to get up, but Sheng nanxuan pulled her back. "I'll go,"

When he opened the door and saw little aunt Gong standing outside, Sheng nanxuan's face darkened.

"Nanxuan?" I'm here to look for Gong mo and his mother, " her younger aunt said with an apologetic smile.

The people in the room heard her voice and their expressions changed.

Shan Rong trembled in anger. Gong mo hurriedly said, " "I'll go take a look!"

She quickly walked to the door, and little aunt immediately heaved a sigh of relief. She strode in, "Mo Mo ..."

"Don't come in!" my mother doesn't want to see you, " Gong mo said as he stepped forward.

this ... his aunt was embarrassed. I'm here to apologize!

"No need!" Gong mo replied, " we've already given you a chance! Yet, you hurt us again and again. There won't be a next time."

"I won't!" I didn't do it on purpose! his aunt said anxiously. It was your uncle and the others who said that they would give me 100000 Yuan after it was done! You also know how hard my life is right now.

No matter what big brother and third brother say, I can only do it! I'm still counting on them in the future!"

"What do you expect them to do?" you can only count on yourself! Gong mo asked in confusion. Only Cheng Cheng!"

"Cheng Cheng and I are both women, what can we do? If that Tian guy wants to divorce me, I can only ask your uncle for help! It's not that aunty is jealous of the 100000 Yuan, but I'll have nothing after the divorce. I still have to live! You can say whatever you want about me. I'm just doing this to make Tian Cheng's life better in the future!"

"Last year, I offered to help you get a divorce, but you didn't agree! At that time, if we divorce, more than half of the assets will be yours. Are you afraid that you won't be able to lead a good life? Now, it's all good. Uncle-in-law has probably transferred most of his assets!"

this ... youngest aunt panicked and mumbled, " how did this happen? "

Chapter 640 Wake up little aunt

"Uncle and his family didn't want you to get divorced last year, right?" Gong mo asked.

...

"They're right," his aunt nodded. If we get divorced, I'll be the only woman!"

"Don't always talk about women, women!" "How are women worse than men?" Gong mo asked. If you look down on yourself, others will look down on you too! My mom is a woman too, and I was only two years old when my dad left. How did she raise me?"

Little aunt was at a loss for words. She opened her mouth for a long time before saying, "Yingluo, she's more capable than me, Yingluo."

Gong mo didn't want to talk to her anymore.

There are such weak and incompetent women in the world. If you tell her the truth, she will escape even more!

What do you mean? It was because he didn't have the determination or the willpower, and he wanted to get something without doing anything and rely on others for everything!

"Let's do this." Gong mo said, " take good care of Tian Cheng. She's the one you can rely on for the rest of your life! Why do you have to look for uncle and the others for everything? They were good to you in the past because you didn't fall out with uncle-in-law and uncle-in-law is rich! How much do they take advantage of you all year round? Would they really care about you if you had no money? Just watch how they're going to screw me and my mom over!"

you can't say that, Yingluo, " her aunt argued. between brothers and sisters, it's definitely better than outsiders. It's a blessing to suffer losses. If I let them take advantage of me, they'll always remember my good deeds and help me when I'm in trouble."

"I don't think so! How did you treat my mom and me? This is called being better than outsiders? Didn't you guys take advantage of us before? And the result? Now, they were occupying more and more! When I married Nan Xuan, we fell out with the Sheng family because of him. You taunted us and called that helping us when we were in trouble?"

When little aunt heard this, her face turned red and she wanted to find a hole to hide in.

She had a part to play in all of this!

"They said they'd give you 100000 for the compensation. Why did they give you so much? How much did they tell you about the compensation?"

Little aunt was stunned and suddenly came back to her senses. Had he been tricked by yang and third brother?

She asked, "isn't it five hundred thousand?" They said that each of them will take 200000 Yuan, and I'll take 100000 Yuan."

"You're willing to follow them to scheme against us? Why are they taking 200000 while you only take 100000?"

"I'm a woman, so I should take less," his aunt said with a red face.

Gong mo wanted to slam the door on her face. He shouted, " "In your eyes! Was Tian Cheng also inferior to her uncle's son? Just because she's a girl?"

"How could it be!" of course, Cheng Cheng is more important, "his aunt said anxiously.

"Then don't say such things! Don't say that you can't do it, and don't say that women are useless! Can you please think about Tian Cheng?" Gong Mo's eyes turned red. I feel bad for her! What are you thinking as a mother? Your attitude is like stabbing a knife into her heart!"

Youngest aunt's body trembled. She recalled the look of disappointment in Tian Cheng's eyes and her heart began to panic.

"You can go, I won't see you out!" Gong mo was about to close the door.

Little aunt nodded and turned around in confusion. After taking two steps, she turned back and said, " "Yueyue, are you and your mom not going to acknowledge us anymore?"

"I don't want to admit it! How troublesome!" Gong mo said as he held back his tears.

Little aunt sniffled. I'm sorry, Yingluo. I won't get involved with them in the future. I'll take good care of Cheng Cheng.

"Then I thank you on her behalf! You don't know how big the outside world is. When Tian Cheng makes a name for herself in the future, you must behave yourself and not drag her down! You're her mother,

can she not care about you? Can't you be a little more obedient and let her be less worried? How great her future achievements will be will depend on the results of this year's hard work!"
