

Ditsy Wife 651

Chapter 651 Where did this upstart come from?

"I'm the same," Shan Rong said.

...

"Where's he Yue?" Gong mo asked.

"I'll have a glass of water. Thank you, Madam," he Yue said, overwhelmed by the unexpected favor.

"Alright, please wait a moment." The staff immediately went to prepare.

Gong mo and Shan Rong sat on the sofa and looked at the decorations in the store.

Shan Rong was secretly amazed. Even hotels weren't as gorgeous as this!

There were fashion magazines on the table. Gong mo picked one up and passed it to dan Rong.

Shan Rong asked in a low voice, "a book without a hairstyle?" I'll let you choose!"

"The hairstylist will design it directly." it's just a short cut anyway, " Gong mo said. there's nothing to choose from.

"There are also different kinds of short. Do you want to show your ears or not? Some people cut it well, and some people don't."

"There's definitely nothing wrong with this hairstylist. Otherwise, it's because I'm too ugly."

"You have the nerve to say you're ugly? Wouldn't that mean that my genes are not good enough?"

“pfft-” Gong mo burst into laughter. alright, mom, you’re the most beautiful!

“Madam, Madam.” He Yue took two books from somewhere else. here are pictures of hairstyles.

“Quickly let me see!” Shan Rong said hurriedly.

“Where did this upstart come from?” A voice suddenly came from the side. your studio is getting more and more unstylish. You let anyone in!

Gong mo and Shan Rong were stunned. They looked up and saw two well-dressed young women walking out. One of them had medium-long curly hair, while the other had long, straight black hair. They had both been doing their hair in front of the mirror, and it was obvious that they were leaving.

Beside the two of them, there was a staff member who was there to see the guests off.

The staff member naturally did not want to offend anyone. He looked embarrassed and smiled apologetically on both sides.

He Yue stood up and said angrily, “what are you guys talking about?!” Apologize to my Madam and Madam immediately!”

“Do you think you’re worthy of our apology?” The curly-haired woman snorted, and the straight-haired woman also looked at them fastidiously.

The two of them had seen Gong mo and Shan Rong just now. They had seen them looking around and whispering to each other after entering the house. They had even picked out a book to choose a hairstyle!

In their eyes, Gong mo and Shan Rong were like two people who had never seen the world.

He looked at the plastic bags beside the two of them. Although they usually ate some of the things in them, why would they buy them themselves? You always ask the servants at home to buy them, okay?

There was even a bag of bean paste? Oh my God, whose maids are these two women?

In the end, this must be a nouveau riche from somewhere! This kind of person had nothing but money, so they were naturally not afraid!

Gong mo also looked at them fastidiously and asked slowly, "Your esteemed surnames?"

She wanted to know who was so bold! She didn't mind complaining to Sheng nanxuan. She was sure that they would be ruined and never want to talk again!

"Who the hell are you? Do you think you're worthy of knowing who we are?"

Gong mo rolled his eyes. He felt that he couldn't communicate with such a person.

He probably didn't come from a very powerful background, and only dared to bully her because she and Shan Rong looked like upstarts!

Tsk ~ he Yue must have considered this problem when she said to put the things down. If she had known earlier, she would have let him go before coming over. Anyway, she and Shan Rong did not need to go personally. He Yue would definitely be the one making the trip.

Shan Rong just didn't want he Yue to be too troublesome. In her eyes, he Yue was just an employee, so they should be more considerate. Who knew that they would encounter such trouble?

He Yue coldly looked at the two women. "Wu Hanhan, Wu Hanhan, I didn't recognize the wrong person, did I?"

Chapter 652 You're not worthy of Nan Xuan!

“Who are you?” the two men were shocked.

...

“Apologize!” He Yue shouted coldly.

Gong Mo’s expression changed. He looked at Wu Qianqian and Wu Qianqian and said, “The Wu family?”

The curly-haired Wu Hanhan raised her chin and said arrogantly, “Are you afraid now?”

Gong mo sighed helplessly. She didn’t know about the Wu family’s situation, but she knew that not everyone was present on the day of the reunion. She was afraid that this was Wu Di’s biological sister, so she naturally didn’t want to make things unpleasant.”Forget it.”

“You’re giving up? We-”

Mrs. Sheng-” a man’s voice rang out.

Gong mo turned his head and saw a fashionably dressed man walking towards him.

“Mike!” Wu Qianqian and Wu Qianqian’s faces lit up.

Although the two of them often came here, Mike had never styled them.

They didn’t even talk much when they met, so Mike probably didn’t remember them.

Now that they had met face to face, the two naturally wanted to please each other. If they were to fall in love with Mike, it would be good for them if they told others that Mike would personally design their styles for them. Besides, Mike had a wide network of people, and the people he knew were either rich or powerful. He could also rely on him to get to know more people.

Mike stopped in front of them. Just as they were about to say something, Mike smiled apologetically at Gong mo and said, " "I'm sorry! I'm sorry! I didn't know Mrs. Sheng would be here so early. I was outside just now. Miss Wu, you know each other?"

Wu Qianqian and Wu Qianqian's expressions changed. They looked at Gong mo and asked, " "Which Mrs. Sheng?"

Mrs. Sheng? " Mike chuckled. what other Mrs. Sheng? " The wife of the night God!"

The two of them held their breaths and looked at Gong mo in disbelief.

A moment later, Wu Qianqian sized Gong mo up and snorted, " why would nanxuan take a fancy to a woman like you?!

Mike's expression changed. What's wrong with this Wu guy? She knew she was night God's woman and still dared to be so arrogant? If you want to be arrogant, go out and be arrogant. Don't offend people in my territory!

You know nanxuan? " Gong mo asked curiously.

Wu honggong's expression changed, and she turned to leave.

Wu Qianqian glared at Gong mo, raised her chin and said, " You're not worthy of nanxuan!

Gong mo thought speechlessly,"if I'm not good enough for her, do you think you are?"

From the looks of it, the two of them had liked Nan Xuan before. It was no wonder Wu Di said that he had a few cousins who wanted Nan Xuan to be their son-in-law. Including Wu Qianqian, there were three of them.

"Which branch of the Wu family is he from?" Gong mo couldn't help but ask he Yue.

Oh, Mrs. Sheng, " cried Mike. don't let irrelevant people affect your mood!

"She's from the side branch," he Yue answered.

Mike shared the same hatred for the enemy,"how dare a branch family be so arrogant?" Then wouldn't the proper miss Wu be even more outrageous?"

"I've met Wu Qianqian, she's a nice person," Gong mo said.

uh, Huahua. Mike chuckled. it's miss Wu Qianqian's good fortune to have Mrs. Sheng say that she's right!

Gong mo raised his eyebrows and said with a smile, " "You're good with words, aren't you?"

"Aiya, don't I just have a clever mouth? What hairstyle would Mrs. Sheng like? Tell me about it!"

"I want to cut it short." Gong mo gestured by his ear. around this position.

Mike's expression changed,"you want to cut your long hair short?" It's so good now, I can design a hundred different styles for you, and I guarantee that you'll look beautiful every day!"

"I want to cut it short."

Mike paused and his face fell in disappointment. "Alright, Yingluo's short hair has its beauty, but it's not as good as long hair. I'll show you how I can be so beautiful that both man and God will be angry!"

Chapter 653 It's all his fault for attracting these rotten peach blossoms!

pf! Pf! Pf! Gong mo couldn't help but laugh.

...

Mike also laughed. The studio had a bright future ahead of them if they could make Mrs. Sheng laugh!

After communicating with Gong mo, he couldn't help but ask Dan Rong, "Madam, do you want to do your hair?"

"What am I doing?" Shan Rong was stunned.

"Mom, why don't you make one?" Gong mo asked. Go back and knock dad out!"

"Aiya, you child!" Shan Rong could not help but blush.

change your hairstyle and give people a new impression, " said Mike with a smile. that's a good thing!

Shan Rong touched her hair. It had indeed been a long time since she had changed her hairstyle. Her current appearance was indeed not very good, and she would be looked down upon by others. She could not help but ask, "will it be troublesome?" You can't go home too late."

"What are you worried about? At most, we'll have dinner later!" quick, quick, quick, get it done for my mother first, in case she regrets it! Gong mo said.

.....

It wasn't too late when she was done with her hair. Gong mo and Shan Rong were both very satisfied with their new image. They looked at each other and were even more amazed. They believed that they would be able to charm their own men at home!

There was no one in the living room when he got home.

The two of them put down their things. Gong mo said, " I've bought the local specialties. I've seen my new image. Can I go now? "

Shan Rong snorted, "how can I not worry?" I haven't even left and someone is already bullying you. What will you do after I leave?"

Gambino came out of the nursery and asked, 'Rongrong, Momo? You guys--"

He looked at dan Rong in a daze.

hai ... Shan Rong smiled awkwardly. She touched her hair and asked, "is it nice?" I haven't changed my hairstyle in a long time."

good-looking, Yingluo, "Gambino said in a daze, looking at her without blinking.

Gong mo snickered. Gambino looked over and said with a smile, " "Inky's is nice too."

"Where's Hu Zi?" Gong mo asked with a shy smile. In fact, she wanted to ask where Sheng nanxuan was.

"He's sleeping," Gambino walked to dan Rong's side and asked, " what kind of bullying were you guys talking about just now? Did someone bully you?"

"I encountered a few gossipmongers!" Shan Rong explained the situation,

"With Nan Xuan around, what are you worried about?" Gong mo asked.

"I'm just worried about him! He was the one who attracted all these rotten peach blossoms! Look at those women, they're like vixens, what if they seduce him away?"

pfft ... Gong mo burst into laughter. mother, you're exaggerating. He won't.

“You actually believe him?” Shan Rong snorted.

“The most important thing between husband and wife is trust. Even if they saw it with their own eyes, they had to think about whether they had been framed. If we suspect each other every day, we won’t be able to live on.” Gong mo said seriously.

“I didn’t ask you to suspect him! But aren’t you overestimating him? Aren’t you afraid of being slapped in the face in the future when you say so confidently that you won’t?” Shan Rong said earnestly, “people’s hearts change easily! You can’t have the intention to harm others, but you can’t be unguarded!”

“Alright, alright. If that day really comes, I’ll accept it!”

aiyoyo! dan Rong could not help but shake her head. I’m just afraid that one day, you’ll break down!

Gong mo stuck out his tongue and touched his hair with a smile. He was still not used to his new hairstyle.

Shan Rong anxiously said to Gambino, “you’re looking at her?” He was like an idiot! I’ve been completely bewitched!”

Gambino said, “there’s nothing wrong with them. It’s a good thing that you’re preparing for a rainy day. However, don’t be overly worried. They’re in a good relationship now. It’s better if they’re head over heels for each other.”

Gong mo was embarrassed by their words and hurriedly said, “I’ll go see Hu!”

Chapter 654 My husband is so handsome

“Go!” Shan Rong rolled her eyes at her.

...

Seeing that she had left, Gambino looked at Shan Rong seriously, his eyes gentle and focused.

"What for?" Shan Rong's face reddened.

"It's really good!" Gambino said.

"It didn't look good before?" Shan Rong whispered.

"It's good looking too. You're even better looking now."

"Then should I change my hairstyle a few more times for you to see?"

"Alright," he said.

.....

Gong mo walked into the nursery and found Hu Zi sleeping. He kissed him and went back to his room.

She took off the jewelry that she had worn when she left the house and put it into the jewelry box. She bent down to put the box in the drawer.

"Momo?" Sheng nanxuan's teasing voice came from behind.

Gong mo turned around subconsciously. Sheng nanxuan's eyes lit up when he saw her.

"Where did you go just now?" Gong mo asked shyly.

He's on the phone in the study. Sheng nanxuan walked in front of her and stared at her carefully.

Her hair just passed her earlobes and was neatly trimmed at the bottom. She looked simple and capable, but also dignified and elegant.

"Does it look good?" Gong mo asked in a low voice.

"It's good!" Sheng nanxuan reached out and caressed her. your temperament is different.

"What kind of temperament?" Gong mo asked shyly.

she used to be a gentle and good wife and mother. Now, she's like a strong career woman. She's more fashionable.

He ran his fingers through her hair and felt the softness. "This way, Hu won't hurt you."

Gong mo nodded,"even the hairstylist couldn't bear to cut her hair, saying that she would look prettier with long hair." I'll stay longer when Huzi is a little older."

"Alright," he said.

Gong mo paused. He wanted to talk about the two women of the Wu family, but he decided not to.

If he knew, he might take revenge on her!

Although the two of them were very annoying, she didn't want to target them. That would make her seem like she was seeking revenge for the smallest grievance. Anyway, with their tempers, if they didn't change, they would get into trouble sooner or later. At that time, there would naturally be someone to deal with them!

A little later, Hu Zi woke up. When he saw Gong mo, he let out a cry of surprise with a dazed expression.

“Don’t you recognize me?” Gong mo couldn’t help but laugh.

“Yiyiya ...” How could Hu Zi not recognize him? Even if he couldn’t recognize her with his eyes, he could tell who it was from her voice. He excitedly climbed onto her.

Gong mo held him in his arms. He looked at Gong mo and reached out to touch her hair.

“Don’t touch it.” Sheng nanxuan said anxiously.

In the end, Hu Zi only waved his hand and did not pull.

Sheng nanxuan heaved a sigh of relief and patted his back. “If you pull your mom again, she’ll have to shave her head.”

Gong mo glared at him.

“I like it when you shave your head,” he said in a low voice.

“Go!” Gong mo rolled his eyes at him. why didn’t you shave? I like it even if you shave.”

Sheng nanxuan touched his head. then I’ll shave it tomorrow.

“Forget it!” don’t make me cry! Gong mo said hurriedly.

“Didn’t you say you like it?”

Gong mo was stunned. He said, ” “I was just comforting you!”

“You actually dare to lie?” Sheng nanxuan pretended to be angry. then I’ll have to shave my head to make you cry!

Gong mo laughed and said, ” “You dare! My husband is so handsome, you’re not allowed to make him ugly!”

Sheng nanxuan narrowed his eyes and looked at her gently. He lowered his head and moved closer to her.

With his finger in his mouth, Hu Zi looked at them curiously.

“Stop showing off your love, come and eat!” Dan Rong’s voice suddenly rang out.

Gong mo was shocked and quickly turned around with Hu Zi in his arms. “They’re here!

Chapter 655 I was wrong, alright?

Early in the morning, Shan Rong and Gambino took a plane to Italy.

...

Gong mo was restless the entire day. He was looking at his phone while eating.

“Worried about mom?” Sheng nanxuan asked.

it’s her first time traveling far away. Of course I’m worried. Gong mo said worriedly.

“How is this your first time? Didn’t you go there last time?”

“The last time didn’t count!” Gong mo glared at him.

“Why not? Shouldn’t you be more worried last time?”

“Of course! But that doesn’t mean I’m not worried this time!”

Sheng nanxuan couldn’t help but laugh. she has dad to take care of her. What’s there to worry about? “Is she your mother or are you her mother? You’re making it seem like she’s your daughter.”

“Sheng nanxuan!” Gong mo shouted angrily, “ you’re not going to worry with me? You’re still making sarcastic remarks!”

Sheng nanxuan was stunned. it’s not that I don’t care, ” he said apologetically. I just don’t want you to be too worried! Can you eat first? They’ll only arrive at night. If you wait for a call now, it won’t be a good thing.”

you ... Gong mo slammed the table and left the dining room in a Huff.

Sheng nanxuan quickly followed.

Hu Zi, who was sitting on the dining chair and being fed by the nanny, looked at them curiously.

The confinement lady couldn’t help but sigh, “the parents quarrel as soon as they leave, I hope nothing happens.”

Gong mo was sitting in the study angrily. Sheng nanxuan walked in and said, “ “Can you eat first?”

Gong mo turned to look at him and asked, “do you not like my mother?” So you’re happy when she’s gone?”

“How am I happy?” Sheng nanxuan shouted, “ I risked my life to save her and dad. Have you forgotten?
”

Hearing this, Gong mo felt guilty. He covered his face and started crying.

what are you crying for? ” Sheng nanxuan’s head hurt. He hurried over. why are you crying? ” I was wrong, okay?”

you didn’t do anything wrong, Zhenzhen! Gong mo cried even harder.

Why did he treat her so well? He should hit her and scold her!

“Of course I’m wrong. I shouldn’t have been so fierce. I shouldn’t have not understood your concern.”

“Wuwuwu Yingluo, why are you so good to me?” Gong mo cried.

Sheng nanxuan was stunned,’am I good to you? Alright, alright, don’t cry anymore. Let’s go eat first. Mom and dad are on the plane. They’ll call us when they arrive.”

“I’m sorry!” Gong mo hugged him tightly.

Sheng nanxuan paused and lowered his head to look at her. “Why are you saying sorry?”

Gong mo sniffled and hugged him even tighter. He said in a lower voice, ” “I shouldn’t have lost my temper at you, Yingluo.”

Sheng nanxuan looked at her. Was she feeling guilty? If he continued to indulge her, would she be even sadder?

“Then, do you still dare to do it in the future?” he deliberately put on a stern face and said fiercely.

Gong mo stole a glance at him and whispered, ” “I don’t dare anymore, Yingluo.”

“Do you want to eat?” He asked coldly.

Gong mo nodded and stood up, “I’ll eat it.”

Sheng nanxuan glared at her. I thought you didn’t have an appetite.

Gong mo pouted and mumbled, “You’re so fierce, how can I not have an appetite?”

Sheng nanxuan couldn’t help but say, “you’re quite reasonable, Yingluo.”

Gong mo pursed his lips and didn’t speak.

Sheng nanxuan sighed. Alright, alright. Let’s go eat. I really can’t do anything about you.

.....

Sheng nanxuan tried to persuade Gong mo, but Gong mo was still worried for the whole day.

When she received Gambino’s call that night, she finally heaved a sigh of relief.

your mother is tired,” Gambino said. I’ll let her sleep first to get over her jet lag. I’ll call you when she wakes up.

Chapter 656 Got pregnant again?

“Is she alright?” Gong mo asked.

...

"I'm fine. I'm very good."

since mom wants to get over jet lag, " Sheng nanxuan said after hanging up the phone, " let's go to bed first.

"When will she be done?"

Without saying anything, Gong mo still felt uneasy. What if the real Gambino woke up again? wouldn't he be sending his mother to the Wolves 'Den?

there's still six hours left, " said Sheng nanxuan. it should be just right when you wake up.

"Six hours? Even if I wake up at six, it's already twelve at night over there. Isn't she already asleep?"

she's asleep now, so she'll definitely be late at night. Don't worry, it's not like we can't contact her.

Hearing this, Gong mo was a little unhappy again. He wanted to argue with him, but he thought that he was indeed too worried, so he had to hold back.

"Alright, go to sleep. Mom will be worried if you don't sleep well." Sheng nanxuan said.

"Can you bring the baby here?" Gong mo suddenly asked while lying on the bed.

"He's already asleep, why did you bring him here?"

After a moment of silence, Gong mo said in a wronged tone, " "I can't see mom, and you won't let me see the child."

Sheng nanxuan looked at her speechlessly. it depends on whether the husband is okay or not.

Gong mo looked at him and thought for a while. He was indeed a little unreasonable today. Was his period coming?

She hurriedly got up.

“Are you really going to carry him over?” Sheng nanxuan was shocked.

“No!” Gong mo opened the drawer of the bedside table and took out his notebook that recorded his period.

Sheng nanxuan broke out in a cold sweat and said, “no way, Yingluo.”

He calculated in his heart ... It seems that it’s too late, Yingluo.

At the thought of being pregnant again, he felt the blood in his body freeze, and he quickly went over to take a look ...

As expected, he was two days late!

“How could this be?” Gong mo shouted.

Sheng nanxuan hurriedly said, “impossible, impossible!” It was impossible to get pregnant! If you’re pregnant, I’ll jump off a building right now!”

The doctor had said that she would need at least three years to recuperate. He planned to give her five years to recuperate before considering having a second child. It hadn’t even been a year. If she got pregnant, wouldn’t that be killing her? He could only choose Godie!

“It’s probably just a delay.” Gong mo was calmer than him. he should be here soon. Otherwise, why would I be so bored today? ”

Sheng nanxuan glanced at her silently. you women make your menstrual cycle the scapegoat after being unreasonable? ” he asked.

Gong mo glared at him angrily!

He immediately nodded and said, ”Alright, alright, it’s all its fault!” Who told it to not come on time?”

Gong mo chuckled and put down his notebook. ”Alright, let’s go to sleep.”

”You’re not worried?” Sheng nanxuan asked curiously.

”What’s there to worry about? It must be her period!”

Before this, she had been careful not to get angry when her period came, so she had to be quieter than usual. This time, because Shan Rong was leaving, she couldn’t help but be a little worried. This probably affected her period, so she naturally didn’t pay attention to controlling her temper.

Sigh. A few days ago, dan Rong had been worried about her, but she had not felt anything. When Shan Rong left happily, she started to worry again.

”What if I’m really pregnant?” Sheng nanxuan asked.

”Life and death are determined by fate. Everyone has their own destiny,” Gong mo replied after some thought.

you ... Sheng nanxuan felt that he should just die! Why did his wife say such inauspicious words?

Gong mo opened his eyes and leaned on him, ” ”Alright, go to sleep. I’ll talk about it when I’m really pregnant, it won’t really take my life, right?”

Sheng nanxuan took a deep breath and said in pain, " "It'll take my life, Gu Gu."

Chapter 657 Video call

Gong Mo's body trembled as he instantly understood what he meant.

...

She ... Was his life.

If anything happened to her, he would definitely die.

"Don't worry," Gong mo held his hand. if he's fine, then you've been worried for nothing.

"But I can't help but worry about this kind of thing!" Sheng nanxuan couldn't help but sigh. I finally understand how you feel about mom!

Gong Mo's heart was filled with warmth. He hugged him and said, " "Alright, go to sleep."

The next morning, her period came to report!

Sheng nanxuan heaved a sigh of relief. He decided to be more careful in the future and never joke around with his wife's health.

When Gong mo went to the toilet, Sheng nanxuan shouted from outside, " "It's mom's call ..."

"Ah!" bring it in! Gong mo shouted.

Sheng nanxuan paused and asked in confusion, " "Are you sure you want me to bring it in?"

Gong mo didn't want her to see him in the bathroom, so he had to say, "Then wait a moment!"

Sheng nanxuan smiled. don't worry. Mom will definitely wait for you.

Gong mo was stunned. He blushed and didn't say anything. She quickly tidied herself up and went out, picking up the phone. "Mom! How are you doing?"

"It's pretty good."

"It's pretty late over there, isn't it?"

"Yup, I know. I'll call you first and go to sleep later." Shan rongxing said, "your father said that we can have video calls in the future. That way, I can see you every day again!"

"Yeah!" then I don't have to worry anymore,"Gong mo said happily.

tsk ~"Shan Rong said disdainfully," I'm tired of looking at you every day. I can't hide even if I go abroad!

"Then don't video call me," Gong mo said, feeling wronged.

"If I don't look at you, I'll look at my grandson!" Shan Rong said matter-of-factly.

Gong mo smiled, "alright, alright, alright. You've been taking care of your grandson every day. I'll let you take a look at me! Even if you don't miss me, I'll miss you~"

"Cough cough!" Shan Rong said awkwardly, "I miss you too, okay?"

alright, alright, alright, "Gong mo said happily. go to bed first. I'll call you back tonight!

Based on the time difference, they could only contact each other in the afternoon or evening. The morning was when Italy slept.

From that day on, Gong mo would video chat with Shan Rong every day, and he would bring Hu Zi along.

Hu Zi was especially happy when he saw Shan Rong in the video.

The first two times, he didn't know what was going on. He reached out to touch his grandmother, but he couldn't feel her familiar face. Everyone was stunned, and it made everyone laugh.

When Hu Zi heard everyone laughing, he burst into tears. Sheng nanxuan hugged him and comforted him for a long time.

After more than half a month, Gong mo carried him to the study room to turn on the computer. He already knew that he was going to see his grandmother. He was so happy that he couldn't stop crying.

Gong mo held him in his arms as he sat in front of the computer. He stepped on Gong Mo's legs and laid on the table. He slammed his hands on the table and stared at the computer that was starting up as if saying, "Hurry up! Hurry up! Aren't you going to hurry up? I want to see grandma!

"You miss grandma?" Gong mo touched his ear.

"Ah ... Ah ..." Hu Zi continued to slam the table.

When he finally turned on the video, he immediately quieted down and straightened his body to look at the computer.

Shan Rong appeared opposite him with a smile and said, ""Hu 'Zi is in good spirits today ~"

ya ya ya-" Hu Zi greeted her happily. roar ya-"

After a few more words, he got tired and sat on Gong mo.

Sheng nanxuan walked in and said, "can't you be gentler?" Your mother's thigh is bruised from your stomping!"

Chapter 658 Want to take wedding photos

"Yiya ..." Hu Zi looked at him.

...

Sheng nanxuan pulled him up and placed him on the table. He greeted Shan Rong. "Mom ~"

"Al." Shan Rong smiled.

Sheng nanxuan said a few words of concern, patted Hu Zi's butt, and turned to leave.

Hu Zi looked at him and snorted, then turned his head away in dissatisfaction. Bad guy!

Shan Rong suddenly stood up and said to Gong mo, "Quickly help me choose my clothes!"

"What kind of clothes?" Gong mo held onto Hu Zi's small hand.

Hu Zi grabbed her arm and stood up. When he realized that his grandmother was no longer in the computer, he stretched out his leg and kicked the screen twice.

Soon after, dan Rong returned. She knelt on both knees and leaned on the table, looking as if she had done nothing.

"Little rascal!" Gong mo couldn't help but laugh.

Wu Wu Wu Wu Wu “he was not a little bad guy! Hu Zi crawled to the side, sat up, and started playing with his toys.

Shan Rong was carrying a pure white lace gown. It was very beautiful and could be used as a wedding dress!

Gong mo asked in surprise, “this is a Pixiu.”

what do you think? ” Shan Rong was a little embarrassed. your father said he wanted to take wedding photos. He asked someone to send this over.

“It’s nice!” I’ve fallen in love with them! Gong mo said enviously.

When Shan Rong heard this, she frowned and said, “that doesn’t suit me!” I just felt that this is for young people!”

“You’re also young!” Gong mo said, “ don’t say that you’re old! You’re only in your early forties, but you look like you’re in your thirties. It won’t be a problem for you to have another child. How are you old?”

“Bah!” nonsense! Shan Rong cursed.

“Eh?” Hu Zi looked over curiously. He looked at his grandmother and then at his mother. Grandma seemed to have scolded mom. Why?

“You’re still young anyway!” Gong mo laughed. If you don’t believe me, you can ask Dad!”

“I might as well ask you!”

“Are you showing off your love?” Gong mo asked.

Shan Rong glared at her and handed the clothes to the servant, saying, " "Give me the rest too."

She turned to Gong mo and said, "there are a few more that are similar to this. How can I wear them?"
You're a joke!"

"Who would laugh at you? Don't worry, dad knows what to do. I won't let you make a fool of yourself!
Besides, what if there were makeup artists and stylists? They all have the power to turn something
rotten into something magical, so they'll definitely make you beautiful ~"

"You're saying I'm rotten?" Shan Rong's face turned serious.

"Zhenzhen, didn't you say that you are old?" Gong mo choked.

"Humph! Humph!"

"Pixiu" women were really hard to grasp!

Then, the servant brought the other two dresses over.

They were indeed very beautiful!

This was a haute couture dress from a famous wedding dress brand. In addition to taking wedding
photos and using it as a wedding dress, it could also be used by rich people when they attended
banquets or when celebrities walked the red carpet (as long as they didn't wear the veil). Each piece was
at least two to three hundred thousand HNY.

Forget about it being expensive, the main point was that it was especially beautiful!

Gong mo felt that even if he were to take wedding photos, Sheng nanxuan might not be able to find
such a beautiful woman for her.

Dan Rong said, "there are still a few that haven't been sent over!" I've told your dad to make a few qipaos and he agreed. But if I wear a cheongsam, he's going to wear a Tang suit. I wonder if that foreigner will look good in it!"

temperament is the most important. Looks are just fleeting clouds. You'll definitely be good-looking ~"Gong mo said.

"I also think it will look good. The way he looks at people is exactly the same as your father."

Chapter 659 Hu's calling his mother

Yingluo is looking at you, right?

...

"Oh right. These are for the wedding photos. I have other ones for the wedding, but they haven't been made yet. When the designer sends the design drawings, help me choose!"

alright ~"Gong mo agreed with a smile. when is the wedding?"

your father said that we'll hold the wedding next spring to avoid the cold. We'll take the wedding photos this year first!

"But the weather is turning cold soon. It'll be cold for the wedding photoshoot too."

Dan Rong nodded, "that's why I'm planning to shoot in the castle during this period of time. It won't be cold." After a while, when the weather turns cold, we'll go to the Southern Hemisphere, that way it won't be cold anymore!"

Gong mo was stunned. This was really thoughtful. It seemed that with her father around, she really didn't need to worry about dan Rong.

She felt a little bitter in her heart, feeling that something that belonged to her had been snatched away.

When she married Nan Xuan back then, her mother felt the same way, right?

She asked, "the Southern Hemisphere?" Which country?"

South Africa Africa, Australia, South America ... Shan Rong shook her head. I don't know the details.

dad is so good to you ~"Gong mo said enviously.

"Are you envious?" Shan Rong raised her brows. nanxuan is also very good to you. Don't be envious.

.....

On the day of Shan Rong's wedding photoshoot, Gambino had asked someone to record the entire process and send it to Gong mo at the same time.

After taking an afternoon nap with Hu Zi, Gong mo stayed in front of the computer.

Hu Zi was also very excited, and he would occasionally cry out.

Sheng nanxuan went to the company for a meeting. Before he left, he said to Gong mo, "Don't forget to go to grandma's house for dinner tonight."

"Got it~" Gong mo nodded.

After putting on makeup, Shan Rong looked much more beautiful. Although she wasn't young and tender, she had a mature and elegant charm.

Through the video, her appearance was not very clear, but she believed that the wedding photos would be even more perfect after post-editing!

“Eh?” Hu Zi stared at the scene in the video, occasionally making a Sound of Confusion and curiosity.

Gong mo laughed, “you haven’t, have you?” When you get married, it’ll be like this.”

Suddenly-

In the video, Shan Rong, who was taking photos, swayed and fell to the ground. Gambino immediately held her in his arms.

“Mom!” Gong mo was shocked.

The people in the video started to panic. Many people ran towards Gambino and Shan Rong. Shan Rong had obviously fainted.

While Gong mo was panicking, Hu Zi suddenly pointed at the computer and looked over anxiously.
“Mama ...”

Gong mo was so frightened that he couldn’t react in time. He looked at him in a daze.

He pounced on Gong mo and started crying.

Gong mo hugged him and saw Gambino leave with dan Rong in his arms. Then, the camera was turned off and she couldn’t see what was happening.

“Waa waa waa waa,” Hu Zi cried in her arms.

Gong mo suddenly reacted and looked at him, ” “Did you just call me?”

"Waa waa waa." Hu Zi continued to cry.

Gong mo felt uneasy and hurriedly hugged him to comfort him. At the same time, he called Gambino.

"What's wrong, mom?" she asked hurriedly after the call connected.

Gambino said anxiously, "I don't know!" The doctor isn't here yet, I'll tell you when I get the results!" After that, he hung up the phone.

Gong mo was even more worried.

At Shan Rong's age, she had better not be sick.

Furthermore, she was afraid that the real Gambino would return. After all, he was a hidden bomb.

Gong mo carried Hu Zi into the living room. Hu Zi was still crying. The servant asked, " "Madam, what's wrong with young master?"

"I'm fine." Gong mo patted Hu Zi's head, thinking that he must have been frightened. I'm fine. Grandma will be fine.

Chapter 660 This is a good sign

After a while, Hu Zi finally stopped crying. Gong mo recalled that he had called him " mom " just now and couldn't help but ask, " "You know how to call mommy? Call me that again? M-mom ... Follow me?"

...

Hu Zi bit his finger and looked around, ignoring her.

Gong mo sighed. He was worried about dan Rong and didn't have the mood to tease him.

When Sheng nanxuan returned and saw her worried, he couldn't help but ask, "What's wrong?"

mom fainted during the wedding photoshoot. Dad hasn't told me about the situation yet!

"When did this happen?"

"It's been an hour!"

"Then call and ask again." Sheng nanxuan immediately made a call to Gambino's Castle and received news that Gambino had sent dan Rong to the hospital.

Gong mo was even more worried.

don't worry, " said Sheng nanxuan. it'll be fine. I'm probably just too tired.

she's not tired, Zhenzhen! Gong Mo's eyes turned red. do you think she's sick? " Why did the heavens torture people like this? She's just been living such a happy life, let her be disappointed."

"Don't cry! It'll be fine!" Sheng nanxuan consoled her. even if it's a terminal illness, I'm not afraid! We don't lack money, so why should we be afraid of not being able to buy back our lives?"

"But she will feel uncomfortable!" Gong mo sobbed.

Although some terminal illnesses could be treated with surgery and medicine to maintain life when there was money, some of them would still die very quickly.

Gong mo was really worried.

I'll give grandma a call, " Sheng nanxuan said. we won't be going over for dinner tonight.

Hearing this, Gong mo hurriedly said,"let's go!" I want to go see mom so I can say goodbye to grandma tonight."

Sheng nanxuan paused. okay. I'll get the plane ready. Shall we go to the airport after dinner? "

Gong mo hurriedly nodded.

When they arrived at the Yu family, the two of them explained the situation. Wu surong and the others were also very worried, so they naturally didn't object to them going.

However, Wu surong was a little reluctant to leave Hu Zi. She asked, " "You're going to bring the child too?"

Sheng nanxuan said,"we're all going. Of course, we have to bring him along." If she's older, grandma can help take care of her, but she's so young that she can't leave her. "

Wu surong felt at ease when she heard him say that. She asked,"When are you guys coming back?"

"I'll come back when I'm fine," Gong mo said.

Wu surong patted the back of her hand and said, " "Don't worry too much, it'll be fine. Why don't you let Qingliu go with you?"

"Sure, I have time," Yu Qingliu said.

Gong mo hurriedly expressed his gratitude.

ah ah-" Hu Zi extended his hand to greet Yu Qingliu.

Gong mo smiled. Hu Zi is about to speak. When mom fainted today, he was probably shocked. He called me 'mom'.

"Really?" Everyone was overjoyed.

Wu surong laughed. children bring good fortune. This is a good sign. Your mother will definitely be fine!

Gong mo nodded with a smile, but the worry between his brows was still lingering.

When everyone saw this, they stopped joking and revealed worried expressions.

After the meal, Yu Qingliu left with them.

They went home to get their luggage first. He had asked the nanny to prepare everything, so he could leave after picking them up.

As soon as she entered, the landline phone in the room rang.

"It might be dad!" Gong mo said hurriedly.

Sheng nanxuan strode over, and Yu Qingliu said to her, " "Give me the child first!"

"Thank you, uncle!" Gong mo hurriedly stuffed the child into his hands and ran to Sheng nanxuan's side.

Sheng nanxuan had already picked up the phone and passed it to her.

"Hello?" she shouted into the microphone.
