

Ditsy Wife 731

Chapter 731 meeting Gong ye

I don't care about this. I don't know anything about it. It's fine as long as it's comfortable," Gong mo replied.

...

"You still don't understand?" Yu Xinran shouted, " you usually look so good in it!

"Is that so?" Gong mo didn't believe him.

"Who am I? Fashion editor-in-chief, how could I be wrong? But you're right, comfort is the most important! If it's not comfortable, no matter how good it looks, I won't wear it again after wearing it once."

Gong mo nodded his head. Indeed, whether it was clothes or anything else, they had to be comfortable to use for a long time, even for humans.

Gong mo was stunned and looked at Yu Xinran. Did she feel comfortable when she was with Gong Bai?

Yu Xinran didn't know what she was thinking. She held her arm and said, " "It's noon, let's go eat!" He said.

"Okay, what do you want to eat?" Gong mo asked as he took out his phone. He was worried about Sheng nanxuan and Hu Zi.

She wondered what they were having for lunch. Are you eating at home or are you out? Would Hu Zi miss her? Would she cry?

Yu Xinran saw her actions and asked with a smile, " "What's wrong? Do you miss your husband?"

Gong mo quickly put his phone back and explained, " "Where? I'm worried about Hu."

"What are you worried about with nanxuan around? The child is not your responsibility alone! If you don't make him put in some effort, he won't know how hard it is to take care of a child. He'll think that you have it easy! We women can't always contribute to the family. We should also have our own time and space. You've only been out for a while and he thinks it's only right for you to run back. If he doesn't even give you this little time in the future, you're just waiting to become an old hag!"

Gong mo chuckled, "you're not married yet, but you know a lot ~"

sigh ... I'll go to The World's End to gossip whenever I'm free!

"Pfft-my mom likes it too. I'm overseas now, I don't know if I can go on. "

"Are you laughing at me?" Yu Xinran shouted.

"No, no, Yingluo. Actually, I'm quite interested sometimes too."

The two of them chatted and laughed as they walked downstairs. Just as they got into the hand elevator, they heard someone shout, "cut!

The two of them were shocked. They looked down and saw a woman standing in front of them turn around.

Gong mo found her familiar. After taking a closer look, he realized that she was the female lead of several popular TV series!

This was a big star who had been touched with bare hands for the past two years!

It was impossible for a celebrity to appear in a shopping mall without a trace of disguise, unless Yingluo was the only one who could.

Gong mo looked down and saw a group of people standing in the open space in front of the elevator. There was a camera in the middle. It was obvious that the film crew was filming here.

A person who looked like a director stood below with a loudspeaker and shouted, " what's going on with the people above? didn't they ask them to clear the area?!

"Director!" The female celebrity who was standing in front of Gong mo and the rest shouted in panic. She ran down the stairs and whispered in his ear, "I think it's miss Yu!

The director was shocked and looked at Gong mo and Yu Xinran. He recognized Yu Xinran and his face turned pale.

Terrible! He actually yelled at miss Yu and even tried to clear her stage. Would he get into trouble?

Just as he was about to go up and apologize, the female supporting character standing beside him suddenly stepped forward and blocked her way.

"What are you doing?" The director shouted.

In this scene, the female lead was supposed to come down from the elevator, and the female supporting character would rush up and slap her!

However, because Gong mo and Yu Xinran had suddenly appeared on camera, they couldn't continue filming.

This supporting female character was Gong Jie, who had just joined the crew!

Gong ye had just joined the crew and naturally wanted to show off in front of the director!

The director was not happy that someone interrupted the filming, so she naturally had to help the director scold that person!

Chapter 732 Gong ye was abused (1)

Just as Gong Ying was about to scold Gong mo and Yu Xinran, he suddenly thought, Wouldn't the director know that he knew these two people? Wouldn't that be blaming himself? It was not easy for her to get this supporting role, so there must not be any accidents.

...

She turned around and walked to the side. Seeing that she didn't do anything, the director ignored her. Because Gong mo and Yu Xinran had already come down, he hurriedly went up to them and said, "Miss Yu! Such a coincidence? I'm really sorry, I didn't see clearly that it was you Yingluo."

Gong Jie looked at them in surprise. What was going on? Why was the director so polite to this woman?

Yu Xinran glanced at her and smiled at the director. "It's fine."

In fact, she did not even know this director!

The director guessed that she didn't know him either. She was a noble, how could she know a small fry like him?

He quickly introduced himself and told her what film he had taken.

Yu Xinran smiled and nodded. Her smile was very appropriate, but she didn't know what it was. Because she usually only watched movies instead of TV shows.

The director excitedly called his assistant to bring over a business card. Yu Xinran took it with a smile. I've heard so much about you. Then we won't disturb you any longer, we'll chat another day."

Okay, okay, Yingluo. the director bent down to see her off.

Yu Xinran glanced at Gong ye and smiled.

Gong Mao's face was stiff and his eyes were full of shock.

Yu Xinran didn't say anything and left with Gong mo.

The two of them walked into a Western restaurant nearby. Gong mo asked in a low voice, " "You've seen the TV series filmed by that director?"

"Of course not." Yu Xinran shook his head.

Gong mo couldn't help but laugh,"then Why are you laughing so hard?"

I have to give him some face ~"Yu Xinran smiled and threw the director's business card into the trash can.

In front of the elevator-

"Who's that Wanwan?" Gong Fei asked the director in confusion.

The director glared at her and said,"you came to the capital and you don't know who she is?" Why did you run off just now? what if you bumped into the lady? Really, Yingluo, can't you use your eyes?"

Gong Mao's face turned pale. Young miss? What young miss?

that's enough, Yingluo. the director turned around impatiently and said to the female lead with a smile, " Yingying, you go up first. We'll continue filming. Let's fight for a pass so that everyone can go to dinner!

Wen Yingying nodded, turned around, and went upstairs from the elevator on the other side with the staff.

The director sat back in his chair and glared at Gong Ying. "You better be serious! If the filming is delayed, you don't have to act anymore!"

"Yingluo is." Gong Ying lowered his head and gritted his teeth.

When Wen Yingying came down from the elevator, she rushed up at the right time and gave her a slap. "You b * tch!"

"Ah!" Wen Yingying screamed and fell on the armrest, almost rolling down.

"You ..." Gong Fei was shocked and quickly held her.

Pa!

Wen Yingying gave her a backhanded slap and said angrily, "What are you doing? Do you know how to act?"

The people below were shocked. The director asked angrily, "What's going on?"

Wen Yingying rushed down and pointed at her face. "She actually hit me!"

Gong Fei covered her face and waited for the elevator to arrive before walking over.

The director pointed at her and said, "do you know how to act?" How can we really fight?"

I'm Hanhan. Han Fei covered her face. I forgot about Hanhan. I'm sorry, I was too into the role.

"Into character? Are you saying that I'm not into the role and can't act?" Wen Yingying crossed her arms and looked at her with fire in her eyes.

Chapter 733 Gong ye was abused (2)

Gong Fei gritted her teeth and said in dissatisfaction, " "Didn't you also hit me?"

...

"What did you just say?" Wen Yingying's eyes narrowed and her voice turned cold.

"Don't you know how to be sensible?" the director scolded Gong ye. Quickly apologize to Yingying!"

I ... Gong ye was unhappy. She raised her head and found everyone was looking at her with blame. Her heart skipped a beat.

This was how the industry was, the popular were superior to the others! Wen Yingying was an A-list celebrity now. Legend had it that she was the woman of Hengxing's CEO, Zeng Shuai. She had status and backing. How could she afford to offend her? Who would be on her side?

Not to mention Wen Yingying slapping her, even if her face was disfigured, she could only swallow her anger.

Gong Ying lowered his head and said through gritted teeth, "I'm sorry, Yingluo."

"What did you just say?" Wen Yingying lifted her chin. I didn't hear you!

"I'm sorry!" Gong Mao said loudly.

"Who are you apologizing to?" Wen Yingying's manager shouted from the side.

Gong Fei gritted her teeth and said in humiliation, " "Sister Yingying, Yingying, I'm sorry Yingying."

“Alright, that’s enough!” Wen Yingying said, “ I’m fine now!

The director heaved a sigh of relief and said in a flattering manner, “ “Yingying, you’re really a magnanimous person! It’s this newbie who doesn’t know what’s good for her!”

It was good that Wen Yingying did not pursue the matter. He could not afford to offend CEng Shuai’s woman!

He shouted at Gong Fei, “enough!” You can leave! You don’t need to play this role anymore!”

“What?” Gong Fei was shocked and looked up at him in disbelief.

The director was about to scold her for being insensible when Wen Yingying smiled and said, “ “Director, why do you have to do this? This scene had been dragged on for so long, and renting the venue for a day was a waste of money. It’s my fault for changing the actor now!”

this Yingluo ... the director smiled apologetically. Yingying, what do you think we should do? ”

me, Yueyue. Wen Yingying thought for a moment and smiled. I think this script can be changed. I’ve acted in so many weak female leads like this, and I’m tired of them. I should have a breakthrough in this movie! And didn’t you see the comments online? This kind of white Lotus-like female lead is no longer popular!”

yes, yes, Yingluo, “the director echoed.

No matter what Wen Yingying said, he would always be right.

Wen Yingying continued, “so I think that when she charges at me later, I should avoid her and then accidentally knock her down.” She rolled down from the elevator and hit her head. She fell unconscious and became a vegetable! In this case, the relationship between the male and female leads will also face a crisis. The following conflicts will be more intense and the ratings will be higher!”

When the director heard this, he slapped his thigh and said excitedly, " "Yes, yes, yes! It should be changed this way! Yingying, you're a genius. You have the potential to be a director!"

Wen Yingying smiled smugly and looked at Gong ye coldly.

Gong Ying was stunned and looked at the director in a daze."Director Qian Qian"

The director seemed to not have heard her and said to Wen Yingying, " "Alright, Yingying, you can go up! you, who's Qianqian? " he glanced at Gong ye and said in disdain, " get ready!

Gong Fei turned around in a daze and stood still.

"Gong ye, go up!"

Hearing the order, she immediately ran towards the elevator.

When she saw Wen Yingying's gentle face, her heart turned cold and she hesitated to raise her hand.

Wen Yingying frowned. Seeing that the elevator was going down and they had missed the best shot, the director shouted in exasperation, " "cut!"

Wen Yingying pushed Gong ye away and walked down, cursing loudly, " "Do you know how to act or not?"

Chapter 734 Gong ye was abused (3)

"I'm sorry!" This time, Gong Ying learned her lesson and ran down to apologize obediently. sister Yingying, director, it's all my fault. I was distracted just now. Please give me another chance!

...

She could not lose this opportunity!

The film industry in Beijing was much more difficult to survive in than in Nanjiang.

In Nanjiang, as long as she could get close to a local rich young master, she could get a lot of film contracts. Although she didn't have much screen time and some of her scenes weren't even aired on TV, it was still an opportunity.

However, the capital was so big, and a film company would have several best actresses. The fame she had accumulated before was not worth mentioning!

If she was chased out of the production team today, she might be banned the next day. She did not doubt Wen Yingying's ability at all!

After all, Wen Yingying was the star of Star Entertainment, the largest entertainment company in the country, and she had Zeng Shuai as her backer!

Gong Fei gritted her teeth. When she became famous, she would definitely trample all these people under her feet!

Wen Yingying touched up her makeup, stood up, and said, "Then let's do it again!"

"Yingying is indeed dedicated!" The director complimented her.

After Wen Yingying left, he scolded Gong Fei, "You should learn!"

Gong ye bit his lip in humiliation and walked to her position.

This time, there was no problem. Wen Yingying successfully dodged her slap. She was pushed down by Wen Yingying and rolled down the sliding elevator to the bottom, scratching the skin of her palm.

The elevator was still sliding, and no one pulled her back. She awkwardly moved out of the elevator and saw Wen Yingying's high heels passing by.

She couldn't help but shiver, afraid that the shoes would step on her face.

The director laughed, "Yingying is amazing!" She would definitely be the next movie queen with a Grand Slam! Look at her acting, she did it in one take!"

Everyone was complimenting Wen Yingying. Gong ye quietly got up, and no one helped her.

She looked at the wound on her palm and felt a little dizzy.

Wen Yingying blamed herself and said, "I think I didn't act well just now, director Wanwan. Look here, is it wrong?" Let's do it again ~"

Gong Mao froze and looked over in horror.

Wen Yingying smiled faintly and revealed a tired expression, ""But I feel a little tired, Yingluo."

"Then let's eat first!" The director said, "let's continue filming after dinner!"

okay. Wen Yingying stood up from her chair and walked towards the restaurant that Gong mo and Yu Xinran had gone to.

Gong Ying turned around and went to the public bathroom on this floor.

She placed her hands under the tap and watched the water wash away the chapped skin. The humiliation he had suffered today, he would definitely get back at them ten times, a hundred times in the future! He had to take revenge!

.....

Wen Yingying walked into the dining room. She wanted to greet Yu Xinran and leave a good impression on miss Yu. As a result, the seats in the restaurant were divided into cubicles with curtains drawn at the door. Although it was not a completely sealed private room, it was very private, and she had no idea where Yu Xinran was.

Wen Yingying sighed, randomly chose a seat, and ate her own food.

After Gong mo finished his meal, he took out some cold medicine from his bag.

"Are you alright?" Yu Xinran asked.

"I'm fine. I'm fine now, but I still need to finish my medicine."

"Of course," Yu Xinran smiled. You think it's good, but that's just on the surface. In the past, when Grandpa took medicine, he would stop when he felt that his body wasn't uncomfortable. Every time, he would be yelled at by little uncle."

Gong mo couldn't help but laugh, "Grandpa, you're so cute!"

"He's the best at tormenting people!" Yu Xinran said helplessly, " she's not in good health and won't listen to little uncle. By the way, why would nanxuan let you out if you had a cold?"

Chapter 735 Did you miss me?

"How would I dare to let him know?" don't tell him ... Gong mo said with a frown.

...

As she was speaking, her cell phone rang. She took it out and said nervously, "it's nanxuan!"

Yu Xinran laughed. you guys really have telepathy. You just mentioned him, and he came to find you.

Gong mo looked at her helplessly and picked up the phone, "Hey--"

"Have you eaten?" Sheng nanxuan asked.

"I ate it. And you? What did you feed Xiaohu?"

"Purple sweet potato rice. I'm feeding it."

"Purple sweet potato? Don't let him eat too much, his stomach will feel uncomfortable." Gong mo urged.

"I know. There are only a few, but it's sweet and he likes it. "

At that moment, Sheng nanxuan was sitting in a well-lit dining room, attracting the attention of the people around him.

It was a pity that he was holding Hu Zi in front of him, which made the women around him wring their hands.

She didn't expect such a handsome man to have a child!

When she saw the wedding ring on his finger, she couldn't even say that he was wearing it for someone else!

Sheng nanxuan scooped up some purple sweet potato rice and fed it to Hu Zi.

Hu Zi chewed seriously and swallowed very quickly. If Sheng nanxuan fed him slowly, he would even protest.

ah ah ... Hu Zi pointed at the mashed potatoes on the table, indicating that he wanted to eat that! How could he just eat? It was not delicious at all!

Sheng nanxuan reached out with his spoon and scooped up the diced carrots next to the mashed potatoes.

When Hu Zi saw this, he quickly turned his head to the side.

Sheng nanxuan pulled the carrot back and fed it to her.

Hu Zi pouted and wanted to spit it out, but Sheng nanxuan said, " "You're not allowed to vomit."

"Oh!" Hu Zi kicked his leg in dissatisfaction. He kicked the table and even hit him with his hand.

Daddy is so annoying! She actually fed him something he didn't like to eat! Although his mother would do the same thing, he knew that his mother was doing this for his own good! His father did it to bully him!

Sheng nanxuan finally rewarded him with mashed potatoes. He was so happy that even his chewing became excited. Hehehe Yingluo, it seems like Daddy still loves me!

"When are you coming back?" Asked Sheng nanxuan.

"Uh, ran ran will be back in a while."

"I'm not rushing you, I'm just asking."

“Yes.” Gong mo paused for a moment. what is darling Hu doing? ”

Sheng nanxuan couldn't help but laugh, 'you miss him, right? I didn't see you miss me that much.”

Gong mo was speechless. He didn't know whether to laugh or cry.”I'm not talking to you?”

“Hmph,” he snorted. Sheng nanxuan gently took off his earphones and put them by Hu Zi's ear. come, talk to mommy.

“Ah ah ...” Hu Zi pointed at the dishes on the table.”Meat buns.”

“You're so young and you're already so into meat?” Gong mo chuckled.

“Eh?” Hu Zi's eyes lit up and he looked around. mommy? ”

“It's here,” Sheng nanxuan pressed his body down and put the earphones in his ear.

He grabbed the headphones and shouted in confusion, ” “Mommy, Yingluo.”

“Forget it,” he said. Sheng nanxuan helplessly took back his headphones and put them on. He scooped a spoonful of minced meat and tofu pudding into his rice, mixed it with some, and fed it to Hu Zi.

“Did you miss me?” He asked.

“Huh?” Gong mo was stunned.

“You don't have to think about me when you're talking to me, but you didn't talk to me just now. You should be thinking about me now, right?”

“How long has it been?” Gong mo chuckled.

“Longing has nothing to do with the length of time.”

“I’ll be back soon,” Gong mo replied after a moment of silence.

Yu Xinran chuckled.

Chapter 736 Who is miss Yu?

Gong mo hung up the phone with a red face and asked, “Where are we going next?”

...

“Didn’t you want to go back?”

Gong mo replied, “I was just saying.”

“Why don’t I ask ding dang if she has time? we can play together.”

“Alright!” Gong mo nodded. are you done eating? “I’ll pay.”

Yu Xinran had just dialed ding dang’s number, so she couldn’t fight with her and could only agree.

Hearing Yu Xinran’s words, ding dang shouted in dissatisfaction, “Do you think I’m like you? I have to go to work to catch thieves, okay?”

Oh, I forgot. Yu Xinran smiled apologetically. Contact us when you’re free, then?”

“When I’m free, I’ll go on a date with your uncle!”

Yingluo. [Bye Bye] [Bye Bye]

Yu Xinran hung up the phone gloomily, packed her things, and left the restaurant with Gong mo.

After they left, they saw Gong ye and the film crew eating lunch in front of the elevator.

Gong Fei’s back was facing them, so she naturally couldn’t see them. They didn’t want to be seen by Gong ze, so they left through the corridor.

However, when the other crew members saw this, they couldn’t help but gossip in a low voice. “Look, miss Yu is out! Wen Yingying went to that restaurant just now, so she must be trying to please miss Yu!”

Hearing this, Gong ye turned his head and saw Yu Xinran and Gong mo talking and laughing.

She clenched her chopsticks tightly and gritted her teeth.

“Wen Yingying already has director Zeng as her backing. If she were to cling onto miss Yu, wouldn’t no one in the entertainment industry dare to mess with her?” the person next to her said.

“Hey, who’s that beside miss Yu?”

“I’ve never seen him! However, it’s obvious that she’s a rich young lady like miss Yu!”

“Who is this miss Yu You’re talking about?” Gong Ying asked softly.

The person who was chatting with her glanced at her and showed a disgusted expression. He asked in a superior manner, “ “Miss Yu, you don’t know? Then how are you going to survive in the capital?”

Gong Ying bit his lip and didn't say anything.

"She's the daughter of the richest family in the country, the Yu family!" One of them said, "and it's the only young lady! Now she's the chief editor of 'Qing Yu Beauty'. No matter which identity you use, everyone in the entertainment industry is fighting to curry favor with her!"

Qingyu beauty was the most prestigious fashion magazine in the country.

The fashion industry had always been superior to the film and television industry. People in the film and television industry racked their brains to try to squeeze into the fashion industry. Every time they walked the red carpet, they would definitely dress up stunningly to attract the attention of people in the fashion industry, so that they could get more sponsorships and endorsements. People from the film and television industry were also fighting to attend several major international fashion weeks.

And Yu Xinran was the leading figure in the domestic fashion industry. Even if she wasn't the eldest daughter of the Yu family, people in the film and television industry would still fight to curry favor with her.

Gong Fei's hands trembled as she held the lunch box. "Zhenzhen is the young lady of the Yu family?"

"You don't know?" The person opposite her said in disdain, "don't you usually watch the news? She often attends events, and every year at the Qingyu charity gala, she would go on stage to give a speech."

Gong Ying smiled bleakly, "I was only focused on filming and didn't pay attention to those Pixiu."

Although Gong Jie had been buying "Qing Yu Beauty" to read, "Qing Yu Beauty" had never reported any news related to Yu Xinran, nor would it publish her photos.

As for other channels, although Yu Xinran would appear occasionally, in the eyes of ordinary people, her popularity was not even comparable to second or third-tier celebrities. Unless it was someone who loved gossip, no one would know who she was even if they saw her on the red carpet.

Chapter 737 I'll be using your card anyway ~

Gong Ying usually only paid attention to the brands of his clothes. He didn't care about the real fashion industry. She couldn't even get into the film and television industry now, so she wouldn't pay attention to the fashion industry. Moreover, she had always been in a small place like Nanjiang, so she had no way of knowing about the socialites in Beijing.

...

Gong Ying gritted his teeth in hatred!

Yu Xinran must have done it on purpose!

Gong Bai did it on purpose!

They didn't even tell her Yu Xinran's surname! If she knew that Yu Xinran's surname was "Yu," she would definitely link it to the richest family in the country, the Yu family. Why would she stupidly give Yu Xinran that look?

This was really too much!

These two people were deliberately watching her make a fool of herself!

"Alright, I'm done!" The director's voice suddenly rang out. continue filming!

Gong Fei was shocked and immediately stood up. She accidentally knocked over the lunch box in her hand.

The director was shocked and shouted, "what's wrong with you?! If you don't want to work, then get lost!"

Gong Ying was stunned. He turned around and left.

“What are you doing?” The director called out, “ where are you going? ”

Gong Jie stopped, turned around and asked with a sneer, “ “Didn’t you tell me to get lost?”

you-” the director pointed at her angrily.

The others also looked at her in disbelief, thinking that she had gone crazy! Did she still want to stay in the entertainment industry?

hehe! the director sneered. you’ve signed a contract with the crew. If you want to leave, you’ll have to pay the penalty!

Gong Ying was stunned. He clenched his fists, gritted his teeth, and looked at him with hatred.

“What are you looking at me for? I know you hate me! When you’re famous, you can come and take revenge on me ~”

Hmph ~ when her scenes are over, I’ll immediately ban her! Want to be famous? Maybe in the next life!

director ... Wen Yingying walked over and said with a smile, “why are you angry again?” Why should she be so angry that it would damage her body? We’ve been delayed for so long today, let’s continue ~”

Hmph! the director glared at Gong ye. continue!

.....

When Gong mo got home, Sheng nanxuan and Hu Zi were playing with toys on the carpet in the living room.

She threw the things in her hands onto the sofa, shook her sore hands, and asked, " "Why did you bring him to sit on the ground again?"

"Where else should I sit?" Sheng nanxuan got up, put his arm around her waist, and kissed her. He looked at the bags on the sofa. what did you buy? "

Gong mo turned around and picked up his coat. He said excitedly, "I made new clothes. Do you like them?"

you look good! You look good in anything!

you're too perfunctory ~"Gong Mobai rolled his eyes at him. He folded the coat and stuffed it back into the bag. He then said to the nanny," help me take it back to my room and hang it up.

Then, she opened another bag and took out the double-breasted coat. She said to Sheng nanxuan excitedly,""Come! Quickly try it! I'll do it for you!"

Sheng nanxuan smiled and immediately took off his coat. "Why are you still cooking for me?"

"I think this version is very handsome! You'll definitely look more handsome in it!" Gong mo paused for a moment. I'll be using your card anyway.

Sheng nanxuan pinched her nose helplessly. She blushed and turned away.

When he was done, she reached out and tidied up a few times. Looking at him, she couldn't help but blush.

Sheng nanxuan smiled and hugged her. do I look good? " he asked.

Gong mo nodded shyly.

Sheng nanxuan was very satisfied with the effect of his 'beauty' on her.

Gong mo pushed him away and took out his phone. stand still! I want to take a picture!

Sheng nanxuan immediately put on a cool pose.

"Are you horny?" Gong mo was speechless.

"So what if I'm flirting with you?"

Hmph! Gong mo lowered his head with a red face and pressed the camera button.

Chapter 738 You're tricking your mother!

Sheng nanxuan reached out to carry Hu Zi, his other hand in his coat pocket.

...

Hu Zi hugged the toy car and looked at him blankly.

Gong mo smiled and took a few more photos.

Hu Zi turned his head away gloomily,"they actually used me as a prop!" It was so annoying!

"You put him down!" Gong mo said hurriedly.

She ran over and placed Hu Zi on the ground, then reached out to button his coat.

"You're even more handsome now!" Gong mo turned around and took a few more photos with his phone.

Sheng nanxuan was speechless. However, seeing that she was so happy, he let her do whatever she wanted. This was the basic etiquette of a husband.

After Gong mo was done, he asked Gu Yusheng to take off his clothes and asked the housekeeper to hang them up in the room. Then, he took out other things.

"Here, I even bought you a tie."

Sheng nanxuan took the territory and couldn't help but kiss her again. He was touched. wife, you're so good to me ~"he couldn't blame her for hiding her illness from him!

"I bought a gown that matches this color very well." Gong mo smiled. I'll show you ..."

She unlocked her phone and showed him the photo of the gown.

"Where's the gown?" he was stunned.

"It's too long. I want to shorten it, but I haven't gotten it back yet."

"How short?" Sheng nanxuan frowned.

Gong mo pointed below his knee and said, ""This position."

that's more like it ~"Sheng nanxuan nodded in satisfaction.

Gong mo turned around with a smile, picked up the rest of the things, knelt on the ground and said to Hu Zi," baby, come to mommy's place. Look at what mommy bought for you!

Hu Zi put down his toy and crawled over with a puffed up face. Hmph! You finally remembered me! I thought you two were going to keep showing off your love!

“Here, look at your clothes, pants, and shoes. There’s also a little sunny egg here. Pretty, right? It can hold candy and little people ~ come, put on your hat first.”

Gong mo excitedly took off Hu Zi’s current hat and put on a new one.

Hu Zi grabbed the purse and looked at it. He opened it and put his little hand in. He felt that this should be very useful and began to study it seriously.

“Here, there are new toys. This is what mom bought for you, this is Yingluo that cousin-aunt bought.”

Hu Zi took a look, grabbed a small toy, and stuffed it into his pocket.

“My son is so smart!” Gong mo picked up another bag, “there’s still food here, hehe.

Sheng nanxuan chimed in, “Swoosh Swoosh Swoosh Swoosh.”

He thought she loved him the most, but he didn’t expect Yingluo to love children the most! Why didn’t she buy him so many things?

He was really too naive!

She had only bought him a shirt and a tie!

What about Hu Zi? Just the clothes were a complete set of clothes! There was also food and fun!

Hmph!

Sheng nanxuan was angry. He reached out and took her bag.

“What’s wrong?” she asked, stunned.

Sheng nanxuan opened her bag expressionlessly and took out the cold medicine. He held it out in front of her. What is this?!

Gong mo took a deep breath and turned to look at the housekeeper.

“It wasn’t me, Yingluo, nor sister li,” the nanny said innocently.

Gong mo turned to look at Sheng nanxuan and asked weakly, ” “Yingluo, how did you know?”

“Medicine!” Hu Zi shouted.

Gong mo looked at him slowly and asked in disbelief, ” “It’s you?”

Hu Zi didn’t know what she was talking about, but he nodded his head proudly.

“Zhenzhen, you’re cheating your mother!” Gong mo said.

What was a mother trap? Hu Zi expressed his confusion.

Sheng nanxuan patted his head and said,”baby, you did well!” If mom does anything bad in the future, I’ll consider not hitting you!”

Chapter 739 What can I do to you when you’re sick?

Hu Zi was dumbfounded, what? His father was going to hit him? What for?

...

He shook his head, feeling wronged. He shook off Sheng nanxuan's hand and climbed into Gong Mo's arms.

Gong mo put his hands behind his back and refused to hug him. "You betrayed me, and-"

hehe ~"Hu Zi smiled fawningly.

"You even laughed it off!" Gong Mo's eyes were filled with tears.

"Why did you hide it from me?" Sheng nanxuan asked, suppressing his anger.

Gong mo glanced at him and hugged Hu Zi. He said in fear, "It's because Yingluo was afraid you'd be fierce to me."

"I'm fierce to you?" Sheng nanxuan's eyes widened.

"I'm scared of this." Gong mo shivered.

"You're scared, but you still dare to hide it from me?" Sheng nanxuan roared, "what can I do to you when you're sick?!"

Gong mo didn't dare to say anything, he thought, what can you do to me? Roar at me ah Yingluo

Hu Zi was also shocked. He hugged her arm and whispered, "Mommy, Yingluo."

Gong mo glared at him, "you still dare to call me?" Look at you, good mother!

Sheng nanxuan picked up his coat and put it on. "Come to the hospital with me now!"

"I'm fine now," Gong mo replied in a low voice.

Sheng nanxuan was stunned. He thought that Yu Qingliu was the one who treated her, so she should be fine. He paused and suddenly looked at her legs. "Why are you still sitting on the ground? The floor is so cold, do you want to continue to catch a cold?"

Gong mo replied, "there's a floor heater in Xuanji."

Sheng nanxuan's eyes suddenly widened and there was a threatening look in his eyes. You still dare to refute me?

Gong mo stood up immediately!

Sheng nanxuan, "Yingluo."

"I was wrong," Gong mo lowered his head.

Sheng nanxuan paused, and his anger instantly vanished. He snorted and said, "If you do this again, I'll teach you a lesson!"

"Yingluo, yes."

Sheng nanxuan glanced at her and saw that she was carrying Hu Zi. He was afraid that her hands would get tired, so he snatched Hu Zi away.

Hu Zi tugged at the purse in his hand and chuckled at him.

He said with a straight face, "you're still laughing?" It's all because of you? You drank your mother's milk, and you dare to betray her?"

Hu Zi was dumbfounded. He Yingluo seemed to have not drunk his mother's milk for a few days.

Gong mo was also dumbfounded. He reached out and poked Sheng nanxuan. "Didn't you just say that he did a good job? Didn't I tell him to continue in the future?"

"I'm teaching him that he can only betray you to me and not to anyone else!"

Gong mo took a deep breath and returned to his room, " "I hate double standards!"

.....

At Gong Bai's residence.

Yu Xinran and Gong Bai were preparing dinner in the kitchen, but Gong Bai didn't allow Yu Xinran to do it.

"I'm not the kind of person who doesn't know anything," Yu Xinran said.

"What can you do?" Gong Bai couldn't help but laugh.

Yu Xinran paused and thought about it. He really didn't know anything.

She said, "are you laughing at me?" I can learn!"

"Forget it, don't hurt yourself."

"How did you get hurt?"

you cut your hand while cutting vegetables and got splashed with oil while cooking. How can you not be injured? ”

then, ran ran,”Yu Xinran thought for a while,” I can wash the vegetables!

“The water is too cold.”

“We can use hot water!”

“Do you really want to do it?” Gong Bai asked helplessly.

Yu Xinran leaned on him and said,”I also want to be a useful woman ~”

“A useful woman doesn’t have to be in the kitchen cooking.”

Hearing this, Yu Xinran looked at him gently, picked up a green onion, and asked, ” “How do we do this?”

um, ” Gong Bai paused and said helplessly, ” cut off the old leaves and the head. Cut off the head with a knife. It’s not easy to pinch with hands.

Chapter 740 She felt that Gong ye was lying

Yu Xinran did as he was told. After pinching the leaf, he was about to pick up a knife when he hurriedly called out, ” “I’ll do it! Don’t hurt your hand!”

...

Yu Xinran smiled and looked at him. He was embarrassed.”What are you doing?”

"Are you shy?" Yu Xinran asked jokingly.

Gong Bai blushed and lowered his head, ignoring her.

She couldn't help but smile. Then she thought of Gong ye and slowly put away her smile. "You didn't tell flare my identity, did you?"

Gong Bai paused and glanced at her before he said, "No, I didn't,"

"She knows now."

"What did she do to you?" Gong Bai was shocked.

Yu Xinran shook her head. I went to the mall with Gong mo today. I happened to run into a film crew there. Fei Yan was there too.

Yu Xinran was explaining the situation when she suddenly heard a bang outside.

The two of them knew that Gong Jie had returned, so they hurried out.

Gong Gong limped from the door to the sofa and threw his bag on it. When she heard the voice, she turned around and saw Yu Xinran. Her expression changed.

Gong Bai and Yu Xinran were both shocked to see her!

There were a few bruises on her forehead and her hair was a mess. From the way she walked, it was obvious that she had injured her foot.

"What's wrong with you?" Gong Bai asked anxiously.

Gong Fei glared at Yu Xinran and sat down on the sofa, shouting, " "You don't need to care!"

you, " Gong Bai said to Yu Xinran, " I'll go get the first aid box.

Yu Xinran nodded and walked into the living room slowly. She stood beside Gong Jie and said, " "How did you end up like this?"

"Are you happy now?" Gong Ying raised his head and looked at her angrily.

"Why should I be happy?" Yu Xinran was puzzled.

Gong Fei snorted and lowered her head. She didn't have the guts to argue with her. Who asked her to be the eldest miss of the Yu family?

Gong Bai came over with a first aid kit and asked, " "Did you go to the hospital? What happened to your leg?"

it's fine, Yingying. Gong Ying leaned back on the sofa.

"Take off your socks first." Gong Bai said as he took out alcohol and a band-aid from his first aid kit. He nagged, " how did you get this? Aren't you going to film a movie?"

"It's just a joke!" Gong Fei said hatefully, " that director and the female lead are bullying me on purpose! A good scene suddenly changed and you pushed me down the elevator! It's fine if you pushed it down, but you clearly passed it the first time, but you continued to shoot it over a dozen times just to bully me! I've been pushed by them more than ten times!"

how can this be?! Gong Bai said in disbelief.

Gong Ying lowered his head and cried sadly.

Yu Xinran didn't say anything.

Based on her understanding of Gong ye, she felt that he was lying.

Why would the director bully someone for no reason? It was very expensive to rent a place! How could he continue after he had done it once? Continuing would be a waste of time, and wasting time would be a waste of money! Why would the director do such a stupid thing?

It must be that Gong ye didn't do a good job, that's why he kept reshooting the photos ... Unless she offended someone!

Gong Bai treated the wounds on Gong Jie's head and hands and handed her a bottle of liniment."Rub it yourself. I'll cook an egg for you to apply to reduce the swelling."

Gong ye held the bottle of liniment and wiped his tears, feeling wronged. He unscrewed the lid and poured a little into his palm. Then he massaged his feet.

Gong Bai stood up and said to Yu Xinran,"You're so silly!"

"You go and cook." Yu Xinran laughed.

Gong Ying paused and continued to rub his feet.

Gong Bai glanced at Yu Xinran gratefully and turned to the kitchen.

Gong Jie raised his head and looked at Yu Xinran. He said softly, " "You're actually asking my brother to cook?"
