

Ditsy Wife 821

Chapter 821 Since when was it your turn to teach me a lesson?

He took off his suit and slowly changed into it.

...

"Did you see Tian Cheng?" Gong mo asked.

"I've seen him,"

Gong mo asked worriedly, "did you not talk to her?" I realized that you're very cold to outsiders. If you ignore her, she'll think that you don't like her. "

Sheng nanxuan looked at her speechlessly. I like her. Would you be happy? "

Gong mo was stunned for a moment before he burst into laughter.

She hadn't thought of this problem.

Brother-in-law and sister-in-law were indeed in a very ambiguous relationship. The sensible ones should keep their distance. However, Tian Cheng had always been upright, so she didn't think that way. If Gong ye had come, she would have been on guard.

"Alright, let's go eat. Of course, I don't want you to like her 'that way'."

"Alright, that's enough!" Sheng nanxuan pulled her out. you're a silly girl!

Gong mo pinched him. a few days ago, you said that I'm not young anymore. Now, you're calling me a little girl.

“You’ll always be my girl, okay?”

Gong mo blushed and laughed, “aren’t you annoying?” Where did you learn so many sweet words?”

“I’ll learn it automatically when I see you.”

you’re so annoying ~” Gong mo said in a sweet voice.

“Daddy!” Hu Zi’s voice rang out.

Gong mo quickly retracted his hand.

Sheng nanxuan glanced at her in dissatisfaction and took two steps forward. Hu Zi had already pounced on his legs.

daddy! Hu Zi looked at him fawningly.

Sheng nanxuan picked him up. what bad things have you done this time? are you trying to please dad? ”

Gong mo saw Tian Cheng standing awkwardly in the living room and said to her, ” “Let’s go. Gong Bai and the others should have arrived by now.”

After they got into the car, Gong mo and Tian Cheng sat in the back with Hu Zi. Sheng nanxuan drove and turned on the radio.

The volume of the radio was very low. Gong mo was talking to Tian Cheng from behind.”Where do you want to go? We’ll go out together tomorrow.”

“No need,” I’ll be too much trouble for you,” Tian Cheng said, embarrassed.

I'm fine. I'm bored every day. I want to go out and play too.

"Then I'll go wherever my cousin goes."

you ... Gong mo was helpless.

The host on the radio was talking about news related to 'the sound of nature'.

Gong Mo's eyes lit up and he said to Tian Cheng, " "Why don't we go to 'sounds of nature'? The Grand Finals are coming up, should we go and listen to it live?"

"Can I?" Tian Cheng's eyes also lit up. She had watched some of the 'sounds of nature' competitions in school.

Although she was busy with her revision, the canteen would always have television when she was eating. In the past few months, "the sound of nature" had been the most popular! Every time he entered the canteen, the television would be switched to HBTv3. It was either playing the 'heavenly voice' competition or some highlights.

"Sure!" Gong mo said, "your sister Candy is going on stage to perform. She must have tickets. I'll ask her for help!

Sheng nanxuan was speechless, 'do you need candy if you want tickets? Do you think your husband is dead?"

Gong mo was stunned and looked up at him.

Tian Cheng chuckled at the side, and Hu Zi also chuckled.

Gong mo blushed and said to Sheng nanxuan, " "Then I'll leave it to you! If you don't do it well, just watch how I'll deal with you!"

"I've always been the one to deal with you, when did it become your turn to deal with me? However, if you take the initiative, I'll be looking forward to it."

"Sheng-Nan-Xuan!" Gong mo was furious. What was he talking about?

Tian Cheng's face turned red from embarrassment.

Oh my, was her mind too impure, that's why she thought in that direction? In fact, what her cousin-in-law and cousin-in-law said was not what she thought, right?

Cough, cough ~ young lady, you're too naive. It's exactly what you think!

Chapter 822 Gong Ying's flattery

When he walked into the private room of the restaurant, he found that Gong Bai and the others had already arrived.

...

Gong Jie immediately stood up and smiled, "cousin-in-law, you're not here. When did Cheng Cheng arrive?"

Tian Cheng's lips curved into a faint smile.

"I don't have to work on the weekends, so I'll take you around," Gong Bai said.

"Alright," he said.

"Sit here." Yu Xinran pulled out the chair beside her.

"Thank you, sister Xinran." Tian Cheng walked over.

Seeing that everyone was so nice to her, Gong Fei couldn't help but feel jealous. However, in order to gain Gong Mo's favor, she had no choice but to join the ranks of those who were good to Tian Cheng. "How did you do for your college entrance examination?"

"It should be good." Although Tian Chenghe was polite when she spoke, her tone was colder.

"Then what school did you enroll in?" Gong Ying didn't mind.

Tian Cheng paused and looked at her. your first choice is the Beijing Film Academy.

"You want to enter the entertainment industry?" Gong Ying was stunned.

"Yup,"

Gong ze's face froze unnaturally for a second. He looked down and sized her up.

Although Tian Cheng's appearance was not stunning, she was not ugly either. She was a threat!

Hmph! This girl must be doing this on purpose. She wanted to suppress her in the entertainment industry!

She immediately said,"since that's the case, we two sisters should keep in touch more in the future!" The waters in the entertainment industry are too deep. At least I'll go in for a few years and guide you. Otherwise, you'll easily suffer losses if you keep rushing around. By the way, are you free during the summer vacation? I can take you to the film set, maybe you can get an extra, if you're lucky, you'll be able to go out directly!"

I didn't learn to act, " Tian Cheng said softly. I don't need to.

Gong Mao was stunned and he heaved a sigh of relief. "Then what did you learn?"

"Screenwriter."

scriptwriter, " Gong Ying said with a smile. I hope I can act in your scripts in the future!

"I hope so," Tian Cheng nodded. Hmph! If Gong ye were to act in the script she wrote, he would definitely be the ugliest and most annoying character!

"Cousin, you're so pretty today ~" Gong Mao turned to Gong mo.

"Thank you, Zhenzhen," Gong mo replied.

"Hu 'Zi is also cute!" Gong Ying looked at Hu Zi with excitement.

Hu Zi turned his head away in disgust and grabbed Sheng nanxuan's hand to play with his watch.

Gong Ying looked at Sheng nanxuan again, "brother-in-law-"

Gong mo was depressed and thought, " If you say that Sheng nanxuan is so handsome again, I'll beat you up!

brother-in-law is such a good father, " Gong Ying said.

Sheng nanxuan smiled at her. She was overjoyed and was about to say something, but Sheng nanxuan had already stopped smiling and asked, " "Have you ordered the dishes?"

"I've ordered it." be quiet, " Gong Bai said hurriedly. He lowered his head and warned Gong ze.

"Humph! Humph!" Gong Ying turned his head away in dissatisfaction.

During the meal, Gong ze started to put food into Gong Mo's bowl, "Sister, eat this!"

"I'll do it myself," Gong mo said after a pause.

"It's fine, I ..." Gong Ying said with a smile.

Sheng nanxuan interrupted her. you can eat by yourself. I'll take care of your sister.

Gong Ying was stunned. She looked at him and whispered, "Oh, Yingluo."

After a while, she picked up some food for Tian Cheng and said with a smile, "Chengcheng, eat more. You look so skinny! Oh right, you just came to the capital and haven't strolled around yet, right? There are many places of interest here, I'll Take You There!"

"Aren't you afraid of being seen by the fans?" Gong Bai asked.

Gong Mao choked and smiled,"so what if I see it?" Is it against the law for me to accompany my sister to enjoy the scenery?"

"Aren't you going to film?" Gong mo asked.

Chapter 823 Don't let cousin know

Gong Fei hurriedly pretended to be pitiful,"why am I still filming?" The company doesn't value me at all, they didn't even arrange for me to-

...

"Hurry up and eat!" Gong Bai said with a frown and put a piece of meat into her bowl.

Gong ye glared at him angrily and sneaked a glance at Gong mo. He saw that she was feeding Hu Zi as if she hadn't heard his complaints.

"I don't want to get fat, so I don't want to eat meat!" She said gloomily.

"Then, why did cousin tell me to eat more?" Tian Cheng asked.

"You-you're too skinny!"

I don't think I'm as skinny as you, " Tian Cheng said, looking at herself.

"I'm A Celebrity, I look fat on camera," Gong Ying said stiffly. You don't have to be on camera, it's fine if you're a little fat. I'm not afraid that you're prettier than me, I'm just worried about your body! It's not healthy for you."

Oh, Yingluo. Tian Cheng glanced at Gong mo and Yu Xinran. Both of them were quite thin, but she didn't see any sign of them being unhealthy.

Seeing her actions, Gong Ying was furious!

She had only said it casually. Why did this Tian Cheng not let go?

After the meal, they left. Hu Zi stretched out his hand and asked Sheng nanxuan to carry him.

Sheng nanxuan said, 'can't you just leave by yourself? It's so big!"

"Daddy will carry you!" Hu Zi stretched out his hands and stomped his feet in dissatisfaction.

Gong mo glanced at Sheng nanxuan. is he your son or not?"he asked.

it's because he's my son that I want to train him, Yingluo. Sheng nanxuan saw her glaring at him and immediately picked Hu Zi up.

Hu Zi hugged him happily and said, "Hello, Daddy ~"

Sheng nanxuan was speechless, 'you know that daddy is good now? Then what do you think daddy is thinking when he's bad?"

Gong mo pushed the baby stroller and followed behind. Tian Cheng reached out and whispered, "I'll do it?"

Gong Jie rushed over and said with a smile, "Cousin, I'll help you!"

"No need," it's not hard work. I can do it myself," Gong mo said hurriedly.

Tian Cheng also retracted her hand and said to Gong mo, "Cousin, I'll get you your bag."

Gong mo gave her his handbag.

Gong Fei gritted her teeth when she saw this. That bag was worth hundreds of thousands of Yuan. She didn't dare to say that she would help him again. Otherwise, Gong mo would think that she had taken a fancy to that bag.

Alright, she did like it, but that didn't mean she wanted it! How could she dare to ask for Gong Mo's things?

They parted ways outside the restaurant. When Gong ze saw Tian Cheng follow Gong mo and Sheng nanxuan into the car, he gritted his teeth in jealousy. She also wanted to follow them, but Gong Bai dragged her into Yu Xinran's car.

is sister Fei Fei alright? " Tian Cheng asked Gong mo, puzzled. is she alright? "

Gong mo paused and shook his head.

Sheng nanxuan laughed. your sister Xi Fei. She begged us to sign her with Star Entertainment. She's still not satisfied and wants to ask your cousin to get Star Entertainment to promote her. "

Tian Cheng felt embarrassed when she heard this and was completely speechless.

.....

At night, Tian Cheng called Gong Bai in her room. cousin, are you free this weekend? "

I do. I don't work on the weekends. Do you want me to take you out to play? " Gong Bai asked with a smile.

"No." isn't cousin's birthday coming soon? " Tian Cheng asked, embarrassed. I didn't find a suitable gift in Nanjiang, so I wanted you to take me out to have a look."

In fact, she had already bought one in Nanjiang, but she was not satisfied with it, so she wanted to see if there was a better one.

I see. I'll Take You There this weekend.

Tian Cheng heaved a sigh of relief. don't let my cousin know, " she warned. otherwise, she'll definitely object.

"Don't worry," Gong Bai had only picked out the gifts during the day, so he naturally understood Tian Cheng's feelings.

Chapter 824 Consider for her sake

On Friday afternoon, Gong Bai came to pick Tian Cheng up for dinner. He took the opportunity to say to Gong mo, " I won't be sending her back later. Let her stay at Xinran's place. I'll take her out tomorrow.

...

Tian Cheng was taken aback. She had never thought of living outside. It was uncomfortable enough to stay at Gong Mo's Place, and she was even more unfamiliar with Yu Xinran. Should she sleep?

"You're going out tomorrow?" let's go together then! Gong mo asked.

"Just me and cousin will go!" Tian Cheng said anxiously, " cousin, you have to take care of Hu Zi. It's so hard on you.

"It's not hard, I can take him to play."

this Taowu! Tian Cheng looked at Gong Bai for help.

"We still have to go to the TV station to watch a show tomorrow night. It'll be more convenient if we go together and come back together. How about ..." Gong mo said.

"Ahem!" Gong Bai coughed and said to Tian Cheng, "you can go and pack your things first.

this Rascal ... Tian Cheng didn't want to stay outside. Seeing that he seemed to have something to say to Gong mo in private, she had no choice but to return to her room first.

"What's going on with you two?" Gong mo asked Gong Bai in confusion.

"She's going to buy you a gift," Gong Bai said in a low voice.

"What?" Gong mo was shocked and stood up immediately. how can this be ...

"Lower your voice and listen to me," Gong Bai pressed her down with his hand.

Gong mo sat down and looked at him patiently.

He said in a low voice, "you have to think about her." You've bought her so many things. If she doesn't show her appreciation for your birthday, would she feel bad?"

Gong mo paused for a moment before calming down. It made sense. If she really didn't want Tian Cheng to give it to her, she would be the one being inconsiderate. However, she didn't want Tian Cheng to spend too much money.

"Does she have money?" she asked in a low voice.

"I've asked, there's a little."

"Then stop her. Don't buy the expensive one," Gong mo said helplessly after some thought.

"Don't worry." Gong Bai asked with a smile, " by the way, What do you like? I'll recommend her directly."

Gong mo rolled his eyes and replied, "how would I know what I like?" I'll be happy no matter what she buys!"

"That's fine," Gong Bai turned around and shouted Tian Cheng's name.

cousin! Cousin- Tian Cheng quickly ran out. cousin!

"Alright, follow me." Gong Bai said.

"Come back early tomorrow afternoon, we still have to go to the TV station," Gong mo said reluctantly.

don't worry," Tian Cheng nodded. I won't forget.

"Hu Zi." Gong mo shouted towards the nursery.

Sister li came out with Hu Zi in her arms, and Qimo said to him, "Say goodbye to Auntie."

"Bye Bye!" Hu Zi waved his hand, looking confused. Where is Auntie going?

"Bye." Tian Cheng cupped his face and kissed him. Auntie will be back soon.

"Where are the things I told you to pack?" Gong Bai suddenly asked.

Tian Cheng was stunned and said guiltily,"that ran ran."

Gong mo said,"forget it if you haven't cleaned up." She's probably not used to being outside, so you can send her back later."

When Tian Cheng heard this, she hurriedly said,"I'll go and pack now." It's too much trouble for cousin to send it today and pick it up tomorrow." What if her cousin said she wanted to go with her again when she came over tomorrow?

Tian Cheng returned to her room to pack her clothes and left with Gong Bai.

After they left, she asked,"what did you tell my cousin?" Why did she suddenly agree to it?"

I said that if she goes with us, flare will come as well. If that happens, we won't be having a good time.

When Tian Cheng heard this, she glanced at him. Seeing that he was expressionless, she nodded her head randomly.

Gong ye was really hated by everyone. Even his own brother was so impolite!

Chapter 825 Did you make mommy angry?

Gong mo was playing in the park with Hu Zi. Hu Zi was lying by the pond and staring at the koi fish in the water.

...

He was holding a small branch that he had picked up from the ground, waving it around as he shouted, "Fish fish!"

"Do you want it?" Gong mo asked.

"I want it!" He turned around and looked at Gong mo.

but the little goldfish I bought last time was played to death by you.

"Fish fish." Hu Zi had the seven-second memory of a goldfish and had long forgotten about this matter. He was still excitedly holding her hand.

She took the branch from his hand and threw it aside, then turned around with him in her arms. "Why don't we buy a little turtle?"

little Yingying, little turtle ~"what was a little turtle? He seemed to have seen it before.

When they arrived at the goldfish Store, Gong mo placed him on the ground and he immediately reached out to catch the small goldfish in the water.

Gong mo hurriedly grabbed his hand, but he touched it with his other hand.

Gong mo wanted to grab him again, but his phone rang at this time.

She had no choice but to wrap her arms around him and take out her phone with the other hand.

It was Sheng nanxuan. Gong mo wanted to pick it up, but Hu Zi was jumping around in her arms and shouting, " "Fish-"

Gong mo was flustered and had no choice but to say to the vendor, " "Give me a little turtle."

If he used the little turtle to attract Hu Zi's attention, he wouldn't cause a scene!

She picked up the phone and stuffed it into Hu Zi's hand, then put it on speaker. "Come, talk to daddy."

Hu Zi glanced at the phone and then looked down at the fish.

Gong mo took out his wallet and was about to pay when he heard Sheng nanxuan ask, " "What are you doing, son?"

"Fish!" Hu Zi raised his hand in excitement, and the phone fell into the fish tank with a thud.

Gong mo and the vendor who was pretending to be a turtle were stunned.

The peddler said,"fortunately, Yingluo didn't smash my fish tank, Yingluo."

Gong mo wanted to cry!

She would rather smash the fish tank! How much did a fish tank cost?

She hurriedly picked up the phone, but the call had already ended.

She looked at Hu Zi, who turned around in fear and wanted to run!

Gong mo pulled him into his arms and handed the money to the vendor.

“He’s just a kid, his hands aren’t steady,” the peddler laughed.

Gong mo smiled stiffly. He carried Hu Zi in one hand and left with the dripping mobile phone and the cage with the tortoise in the other.

Hu Zi stole a glance at her and knew that he had done something wrong. He lowered his head and played with his fingers, not daring to make a sound.

After walking for a while, Gong mo placed him and the turtle on a bench by the road and took out a tissue to wipe his phone.

Gong mo-” Sheng nanxuan’s voice was heard.

Gong mo raised his head and saw him walking over with Zeng Shuai.

“Daddy!” Hu Zi immediately climbed down from the chair, ran to his side, and hugged his leg.

Sheng nanxuan lowered his head and saw him secretly looking at Gong mo.

“Did you make mom angry?” Sheng nanxuan asked.

Hu Zi hurriedly shook his head and went around to hide behind him.

"You actually dare to lie!" Sheng nanxuan said angrily.

When Hu Zi heard this, he immediately threw him aside and hugged Zeng Shuai, who was behind him."Uncle ..."

"What's wrong with Hu?" Zeng Shuai picked him up.

Hu Zi shook his head and turned back to steal a glance at his parents before lowering his head to hide in his arms.

Sheng nanxuan walked to Gong Mo's side. Gong mo pitifully handed his phone to him.

"You threw it into the fish tank?" he smiled.

"How did you know?"

I heard him say 'fish' and then his phone went silent. I couldn't get through to him, so I guessed it, so I came to find you.

Gong mo puffed up his face,"you're so smart~"

Sheng nanxuan smiled and rubbed her face with his hand. "When will Tian Cheng be back? I'll ask Zeng Shuai to take you into the TV station. I won't go and will take care of the child outside."

Chapter 826 Afraid you'll punish him

"Soon. She just called to say that she's back." Gong mo stood up and looked at his clothes. I'll go back and change my clothes.

...

When Hu Zi threw the phone into the fish tank, the water had splashed all over her.

“Yes.” Sheng nanxuan picked up the turtle on the bench. How do I buy a turtle? ”

Gong mo glanced at Hu Zi, who was looking at them. He was so scared that he hid in CEng Shuai’s arms.

“The fish I bought last time was crushed to death by him within two days. I don’t want him to commit another sin,” Gong mo said.

Sheng nanxuan touched his chin. won’t it be even more evil if we kill the turtle? ”

“You jinx!” Gong mo glared at him.

Tortoises were a symbol of longevity. If Hu Zi killed them, he wouldn’t dare to let Hu Zi raise any other small animals in the future.

“Come, don’t hug uncle CEng Shuai.” Gong mo extended his hand to Hu Zi. let’s go home.

Hu Zi was afraid that she would punish him, so he shook his head vigorously and said to Zeng Shuai, “Fish fish-”

Sheng nanxuan passed the turtle to Zeng Shuai. then you stay here and take care of him. I’ll take Gong MO home.

“Hello, Yueyue.” Zeng Shuai, who was carrying Hu Zi, freed one hand to take the turtle, feeling a great responsibility.

Gong mo took the phone that was filled with water and said to Sheng nanxuan, ” “I don’t know if it’ll break.”

“Can’t we afford a new one?” Sheng nanxuan raised his eyebrows.

“But this is a gift from you.”

Sheng nanxuan paused and looked at her lovingly. He held her hand and walked away. “I’ll go back and get a hairdryer for you.”

Gong mo nodded with a smile. He turned around and saw Zeng Shuai putting Hu Zi on the ground and playing with him.

Hu Zi looked at her and Sheng nanxuan. She was so happy that she wanted to go back and hug him. But the next second, Hu Zi was so scared that he hid again.

“Hmph!” Gong mo turned around angrily.

he did something wrong, ” Sheng nanxuan said. he’s afraid you’ll punish him. Let’s leave him hanging for a while.

Gong mo snorted. In fact, he was a little worried.

Although CEng Shuai was Sheng nanxuan’s subordinate, with Sheng nanxuan’s ability, CEng Shuai would not betray him. However, he was not himself, so who knew?

.....

Just as Gong mo and Sheng nanxuan left the park, Yu Xinran’s car arrived at the entrance of the park.

The car stopped. Gong Bai, who was driving, asked Tian Cheng, ” “Is Gong mo here?”

"She was here just now, so she should still be here." As Tian Cheng spoke, she took out her phone and called Gong mo.

She called a few times but it didn't go through, so she had to call home.

Gong Bai could tell that it was a servant who answered the phone. After she hung up, he asked, "How is it?"

"She hasn't gone back yet. She should be inside. I'll go find her."

"We'll go with you," Yu Xinran said.

"I don't think there's a need," Tian Cheng said, embarrassed. I've already troubled you all for an entire day."

"Then you can go in by yourself." It was finally the weekend, and Gong Bai wanted to spend some alone time with Yu Xinran, but it would be a waste of time if he went in.

"Then, I'll see you another day."

Tian Cheng got out of the car and walked into the park with her things.

After she entered, she continued to call Gong mo. The park was so big. Of course, she had to ask where it was. But she still couldn't get through, so she could only go to the place where Hu Zi usually played.

Every afternoon, Hu Zi would come to the park. After Tian Cheng came, she would come with her every time. Therefore, she knew all of Hu Zi's hobbies.

He walked to the fish pond and saw many old people and children around.

Tian Cheng looked around but did not see Gong mo. Just as he was about to leave, he heard Hu Zi's voice, ""Little ~ Crow ~ turtle ~"

Chapter 827 Human trafficker?

Tian Cheng turned around and saw a man leaving the crowd with Hu Zi in his arms.

...

Hu Zi struggled back and forth on his body, shouting, " "

Tian Cheng was shocked, thinking, 'was she kidnapped by human traffickers?

She hurriedly chased after him.

Zeng Shuai held Hu in his arms and the turtle in his hand. He said helplessly, "I'll give it to you later. Let me go pee first, okay?"

ah-" Hu Zi shouted unhappily and lowered his head to look for the turtle. turtle-"

turtle your head ... Zeng Shuai said.

Bang! Bang!

His head was hit hard by something, and his body staggered, almost throwing the Tiger in his hand.

He hurriedly hugged Hu Zi, a lingering fear in his heart. That was close, that was close. Fortunately, he was fine. Otherwise, his life wouldn't be enough to pay for it!

He turned around in anger and was about to curse when a beige canvas bag flew over again and hit his face.

Then, he felt that someone was trying to snatch the Tiger from his hands!

How could this be?

Zeng Shuai hugged Hu Zi tightly and took a big step back!

The human traffickers these days were really too Savage. They actually dared to kidnap people in broad daylight! If it was really stolen, the BOSS would definitely kill him!

Zeng Shuai wanted to kick someone, but as soon as he raised his foot, he immediately stopped when he saw that the other party was a girl.

I'll go! How could a beautiful woman be a thief? And a thief who stole a child! With his looks, he would have a future in the entertainment industry!

"Little ~ Crow ~ turtle ~" Hu Zi was still shouting.

yes! Tian Cheng looked at Zeng Shuai excitedly. give me back my child!

"You're crazy!" Zeng Shuai shouted, " this isn't your child!

Tian Cheng picked up the canvas bag on the ground and fired it again.

Hu Zi turned his head and shouted,"Auntie-"

"Auntie will come and save you now!" Tian Cheng was so anxious that she was on the verge of tears.

“Wait!” Zeng Shuai raised his hand and realized that he was holding a turtle. He immediately threw the turtle on the ground and grabbed the canvas bag that Tian Cheng had thrown at him.

When Hu Zi saw the turtle fall to the ground, he angrily slammed his head against CEng Shuai, “Gui Gui-”

Commander Zeng tilted his head to avoid his little head and looked at Tian Cheng. “Who are you?”

“Why do you care who I am? Quickly return him to me!”

you’re Zhenzhen?” Zeng Shuai remembered that Hu Zi had just called her aunt. He had also heard from Fang Yang that Gong Mo’s cousin was here. It should be her, right?

“Miss Tian?” He asked.

Tian Cheng was taken aback and suddenly felt that something was amiss. How did he know about her?

“Who are you?” she asked.

Seeing her reaction, Zeng Shuai knew that he had guessed right, so he let go of the canvas bag in his hand.

ah-” Tian Cheng fell backward from the inertia and screamed subconsciously.

Zeng Shuai hurriedly rushed up and grabbed her arm, pulling her toward him.

Tian Cheng’s body crashed heavily into his chest, and she also crashed into Hu Zi, who was in his arms.

Hu Zi burst into tears.

Tian Cheng was shocked. Just as she was about to comfort him, something suddenly fell from the sky and covered commander CEng's head.

Tian Cheng was stunned.

Zeng Shuai reached out and took the thing down. He was also stunned!

I-it was actually a bra!

Tian Cheng's eyes blurred and she wanted to faint.

Zeng Shuai looked around in a daze and saw that the bag that Tian Cheng had used to hit him had fallen to the ground. The contents of the bag had spilled out, and it looked like there were clothes, toothbrushes, and something else.

This was hers? He looked at the Kasaya in his hand.

Hu Zi also looked on in a daze and forgot to cry.

ah! Tian Cheng screamed. She grabbed the underwear and hid it in her arms. She then hurriedly cleaned up the things on the ground.

When Hu Zi heard the cry, he was shocked and started crying again.

Chapter 828 She gave him a slap

Zeng Shuai hurriedly put him on the ground and comforted him, ""Be good and don't cry ~"

...

“Don’t cry, don’t cry, Yingluo, daddy will be here soon!” CEng Shuai was flustered. If she continued to cry like this, the BOSS would definitely blame her when he came.

mommy! Hu Zi continued his search.

“Turtle!” Zeng Shuai suddenly remembered and reached out to pick up the turtle on the ground. When he reached there, he found that the cage was covered with a piece of white cloth.

Just as he was about to open it, there was a pa-

Tian Cheng gave him a tight slap.

He looked over.

Tian Cheng picked up the piece of cloth expressionlessly and stuffed it into her canvas bag.

He reacted. That seemed to be his little underwear.

Is there still justice? He didn’t do it on purpose!

burp ~”Hu Zi was so scared by this slap that his crying stopped. After burping, he sneaked a look at CEng Shuai.

Seeing that CEng Shuai did not respond, he struggled out of his arms and ran to Tian Cheng’s side.

Phew, phew ... So scary! Since Auntie was so powerful, she had to follow Auntie in case uncle bullied her.

Zeng Shuai picked up the turtle cage silently. The turtle rolled a few times on the cage, and when the cage was stable, it began to crawl slowly.

Tian Cheng picked up Hu Zi and clutched the canvas bag tightly in her hand as she walked forward without a word.

Zeng Shuai held the turtle and followed him in silence.

Hu Zi rubbed his eyes and grabbed Tian Cheng by her collar. "Turtle Pixiu"

Tian Cheng stopped and turned around to ask CEng Shuai awkwardly, "Where's my sister?"

"Let's go home. He'll probably be here in a while." Zeng Shuai reached out his hand to shake her hand, but then he remembered that he had touched her clothes and retracted his hand awkwardly. I'm Zeng Shuai. I'm here to take you to the TV station.

oh, oh, oh. Tian Cheng lowered her head, her face blushing in embarrassment.

How could he have encountered such an embarrassing thing? He must have gone out without looking at the Chinese calendar!

I'm hungry. Hu Zi suddenly patted his stomach.

"Then let's go buy some food," Tian Cheng said hurriedly.

.....

Gong mo and Sheng nanxuan returned to the park and saw Tian Cheng and Zeng Shuai sitting side by side on the bench. Hu Zi stood between the two of them, lying on the ground and playing with the little turtle.

Tian Cheng was feeding Hu Zi a small piece of bread. After taking a bite, Hu Zi lowered his head and played with the turtle. After eating, he looked up again, occasionally turning his head to talk to CEng Shuai.

They looked like a family of three.

“Chengcheng,” Gong mo called out with a smile.

cousin! Cousin-in-law! Tian Cheng quickly stood up.

“You’ve been waiting for a long time, right?” my phone was thrown into the water by Hu Zi. It’s not recovered yet,” Gong mo replied.

Tian Cheng nodded. I’ve only been here for a while.

mom! Hu Zi turned around and hugged Gong Mo’s leg.

“You’re not scared anymore?” Gong mo carried him up.

Hu Zi buried his face in her chest and acted coquettishly, ” “Mama~”

you ... Gong mo patted his head and asked Tian Cheng, ” “Have you had dinner?”

“Uh, hehe.”

“Then let’s go have dinner first. We’ll go over after we’re done.”

As she turned to leave the park, she suddenly asked Tian Cheng, ” “This is CEng Shuai, you know him, right?”

Tian Cheng hurriedly nodded with an awkward expression.

Gong mo looked at them curiously.

Zeng Shuai looked ahead calmly, his expression as usual.

She then turned to Tian Cheng. It was probably her first time being alone with a boy and she was feeling shy. However, it was better not to fancy Zeng Shuai. Zeng Shuai was not even a womanizer. He was just playing around with the flowers and had no sincerity!

While they were eating, Hu Zi took care of the turtle and fed it with rice and meat."Turtle, meat."

Chapter 829 Then don't come home

The turtle crawled to the side in disgust.

...

Hu Zi caught it and continued to feed it meat.

The turtle continued to walk away.

Hu Zi was angry. He grabbed it and pressed it into his bowl.

"Are you still eating?" Sheng nanxuan facepalmed.

Everyone had finished eating, and he was the only one left playing with the turtle.

"Yes!" Hu Zi raised his head.

Sheng nanxuan picked up a small spoon and scooped rice from his own bowl to feed him.

Gong mo stood up, walked to Hu Zi and kissed him. "Mommy and Auntie are going to play. You can follow daddy."

Hu Zi nodded as he chewed and played with the turtle.

Gong mo took it that he had agreed and turned to look at Tian Cheng. Seeing that she was still carrying the canvas bag, he said, " "Why don't you ask your brother-in-law to help you bring your things back?"

"No need! I'll carry it myself!" Tian Cheng hurriedly covered the bag and glanced at CEng Shuai.

Zeng Shuai touched his nose and turned his head to look elsewhere.

Gong mo thought that she didn't want him to find out that she had bought a gift. He smiled and said, " "But it's not easy to put it there. How about this, put it back in the car first."

Tian Cheng could only nod.

As the three of them walked out, Hu Zi suddenly shouted, " "Mother ..."

Gong mo turned around. He was so anxious that he didn't want to eat or eat. He pushed Sheng nanxuan away and crawled on the ground."Mother ..."

Gong mo quickly walked back and picked him up. He said to Sheng nanxuan, " "Then I'll wait for him to finish his meal."

Sheng nanxuan pursed his lips and fed Hu Zi another spoonful of rice.

Hu Zi grabbed Gong Mo's shoulder and turned his head away, not willing to eat.

Sheng nanxuan put down his bowl and stood up. I'm hungry. There's nothing to eat.

Hmph! Hu Zi hugged Gong mo and didn't care.

Sheng nanxuan asked, 'what do we do now? I'm suddenly sticking to you.'

"Send me there then," Gong mo said. If he can't bear to, I'll bring him in."

"The lights are so bright, it hurts my eyes." Sheng nanxuan did not agree.

"Let's go over first," Gong mo said after a pause.

At the entrance of the broadcasting station, Sheng nanxuan carried Hu Zi. "Say goodbye to mommy."

Hu Zi looked at Gong mo in confusion. mommy, where are you going? "

mommy will be back soon, " Gong mo lowered his head and kissed him. can you play with daddy? "

Hu Zi pouted and lowered his head to look for something. Sheng nanxuan immediately stuffed the cage with the tortoises into his hands. He hugged the cage and laughed happily.

Gong mo heaved a sigh of relief. After getting out of the car, he looked at Sheng nanxuan. Seeing that Sheng nanxuan was no longer sticking to him, he said, " "Then I'll go in first."

Sheng nanxuan nodded and said, "I'll bring him to sit around. I'll pick you up later." If you need anything, call me. Use Tian Cheng's phone."

Gong mo nodded.

Sheng nanxuan raised his eyebrows. do you remember my phone number? " he asked.

"I don't remember," Gong mo said on purpose.

"Then don't go home!" Sheng nanxuan said angrily.

Gong mo pursed his lips and smiled at him coquettishly.

"Hurry up and go in, it'll start soon!" He said helplessly.

Gong mo stepped back and followed Zeng Shuai into the TV station. Along the way, he heard people shouting "director Zeng".

Alexander turned to Gong mo and said, "Madam, you walk in front."

"You should go first!" Gong mo refused immediately.

"But ..."

"This is an order!" She didn't want to be greeted respectfully from head to toe, so she said seriously, "I like to keep a low profile."

Zeng Shuai had no choice but to continue walking.

Tian Cheng snickered and looked around.

When they arrived at the backstage of the studio, Zeng Shuai asked Gong mo, "Do you want to go see miss Tang?"

“Alright!” Gong mo hurriedly agreed. He should be able to see Chini too, right?

...

Walking backstage, the top eight contestants had already put on their makeup and were waiting for the show to start.

Each player had their own corner, and there was almost no communication.

Gong mo understood at a glance that they were all competitors and it would be difficult for them to become friends.

“Tang Xinxin!” Zeng Shuai shouted.

Everyone turned their heads, and almost everyone stood up. “Director CEng!”

ah-” Tang Xinxin ran over excitedly and hugged Gong mo. Momo! I knew you loved me! What are you doing here? Why didn’t you tell me in advance? Are you going to give me a surprise? That’s great!”

“Don’t get too excited.” Gong mo said.

Tang Xinxin held her face in her hands and asked in a low voice, ” “My makeup isn’t ruined, is it?”

“Ahem, Yingluo didn’t.”

Tang Xinxin heaved a sigh of relief and pulled Tian Cheng’s arm. “I’ve long heard that you’re here. I’m preparing to go find you in the finals.”

“Hello, big sister Xinxin.” Tian Cheng said with a smile.

hey, Wanwan. a staff member of the TV station walked in. Chini, get ready to go on stage.

Gong mo looked over and saw Cindy wearing a silvery-white fishtail gown. Her hair was draped over her back, and there was some light blue dust on it. She looked like a mermaid who had just come out of the sea.

Cindy looked at her in confusion and walked out, swaying.

I'll go with Tian Cheng first! Gong mo hurriedly said to Tang Xinxin. we'll talk later!

"Didn't you come for me?" Tang Xinxin asked.

"It's convenient!"

"Yingluo has no more love!" Tang Xinxin cried.

"Be careful of Zhuang!" Gong mo shouted.

Tang Xinxin didn't dare to cry anymore.

Gong mo walked into the studio and was led to his seat by Zeng Shuai. He found that Wu Di was sitting next to him.

"Eh?" She looked at him in surprise.

Wu Di was also very surprised. You're here to support Xin Xin, aren't you?"

"Uh, Yingluo, yes."

Tian Cheng chuckled at the side.

Wu Di looked over and asked Gong mo, "this is Wufu."

"Tian Cheng," Gong mo said.

oh, oh, oh ... Wu Di hurriedly nodded. I heard my Xinxin mention it before. Hello, I'm Wu Di."

"Hello," he said. Tian Cheng nodded. She turned around and suddenly saw commander Zeng sitting beside her.

She looked at him in a daze. He smiled and nodded slightly.

Tian Cheng's face turned red. She immediately turned to look at the stage and straightened her back.

After the host warmed up the stage, all the lights in the studio went out and everyone quieted down.

After a while, a ray of blue light slowly lit up on the stage. Cindy's ethereal singing sounded, as if it came from the distant sea.

This was a tear-jerking love song, and it was played by Cindy in a sad and touching way.

The program lasted for more than two hours. It started with the championship competition, and Cindy sang three songs in total. After the competition was over and before the results were out, the top eight contestants who had been eliminated earlier went up to the stage one by one.

However, everyone was still thinking about the results of the competition.

In the end, almost without any suspense, Cindy won the championship.

“Thank you,” he said. Cindy stood on the stage with the trophy in her hand. thank you for your encouragement. When I left home, I didn’t expect to be standing here! But since I’m here, I’ll keep singing and bring my voice to even further places!”

ah! the entire audience screamed.

Gong mo also wanted to shout, but he remembered that he had already given birth to a child. It would be too immature for him to be so crazy.

She held a light stick and waved it as much as she wanted in her seat, a big smile on her face.
