

Ditsy Wife 841

Chapter 841 I'm going to see her

Gong mo pursed his lips. At this moment, Tang Xinxin and Wu Di walked over.

...

Tang Xinxin handed the gift to he Yue and asked, " "Why do you have a long face on your birthday? Did Sheng nanxuan offend you?"

"That's right, he offended me," Gong mo nodded.

Sheng nanxuan's eyes widened. I'm not taking the blame for this!"

Hmph ~"Gong mo turned his head away.

"I'm not a single dog anymore," Tang Xinxin snorted,"stop showing off in front of me." Where's Hu Zi?"

"Grandpa and Grandma took her away."

"What about Grandpa and Grandma?"

"Over at the Rose Garden."

"Then let's go over first." Tang Xinxin and Wu Di left hand in hand.

Then, Gong Bai, Yu Xinran, and Gong ze walked over.

Gong Fei stood in front of Gong mo and said loudly when she handed over the gift, " Happy Birthday, cousin. This is my birthday present for you!

"Thank you," he said. Gong mo said with a smile.

Many people around looked over and sized Gong Mao up. This is Gong Mo's cousin?

Gong Ying straightened his back and made a dignified appearance. Only by letting everyone know that she was Gong Mo's cousin would she be able to succeed in her future outside.

Gong mo had seen through her plan, but he didn't want to argue with her in front of so many guests.

there'll be a horse race later. You guys can go to the horse track first. Gong mo said to Gong Bai.

Gong Bai nodded and pulled Gong ze away. Gong ze suddenly asked,"Where's Tian Cheng?"

"She sprained her ankle and is resting." Gong mo said indifferently.

When Gong Gong heard this, he cried out in his heart that he deserved it. However, he showed a concerned expression on his face."How could she be so careless? I'll go see her!"

Gong mo looked at Gong Bai, who said,"I'll go too!"

He, Gong ze, and Yu Xinran all went to knock on Tian Cheng's door.

Tian Cheng was sitting on her bed and surfing the internet. She put down her computer and stood up."Please come in."

Gong Bai pushed the door open, and Tian Cheng immediately called out, " "Cousin."

"I heard you twisted your ankle?" Gong Jie hurriedly entered.

Tian Cheng's expression changed slightly, and she limped toward them. Gong Bai hurriedly said, "Don't move around, sit down."

"Did you just arrive?" Tian Cheng retreated to the bed and sat down.

"Yes, I am. I heard you were injured, so I came up to take a look."

Yu Xinran asked, "is it a problem?" My uncle is a doctor, did you ask him to take a look?"

Tian Cheng's expression twisted at the thought of the earlier farce. I've already seen it. He said it's no problem.

"That's good."

"But I can't move around now, right?" Gong Fei asked, "do you still want to attend the banquet later?"

Tian Cheng paused and looked down at her slightly swollen foot. "Cousin is the main character today, it's fine if I don't participate."

Gong Fei pouted and turned her head. Suddenly, she saw a beautifully wrapped box on the bed and immediately picked it up. "What is this? Who gave it to you?"

no! Tian Cheng hurriedly reached out to grab it. that's my gift to my cousin!

"Flare!" put it down! Gong Bai said with a frown.

Hearing this, Gong Ying threw him back onto the bed and touched his neat and exquisite curly hair. "I'll go down first."

Tian Cheng hurriedly picked up the gift box and shook it gently. She had fallen twice before (once in the park that day as well), so she hoped that it wasn't broken.

"Don't worry, it won't break." Gong Bai said.

Tian Cheng held the gift in her hand, still a little worried. After he and Yu Xinran left, she carefully unwrapped the gift and heaved a sigh of relief when she saw that the things inside were indeed intact.

She then carefully restored the packaging and put the gift back into the bedside cabinet to prevent it from falling again.

Chapter 842 This is my grandson

At the entrance of the manor, Wu Lao er arrived.

...

He rolled down the window and was about to hand in the invitation when the person at the door who checked the invitation said, " old Sir, please get out of the car. Your car can't go in. There's a special car inside to take you to the villa.

Wu Lao er was stunned. He opened the door and got out of the car. A young man with greasy hair and powdered face followed.

After checking the invitation, he brought the young man in.

The bodyguard stopped him. I'm sorry, old Mr. Wu. Your invitation can only allow one person to enter.

"This is my grandson." Second brother Wu frowned and said unhappily.

"Only one person can enter with your invitation." The bodyguard insisted. He didn't even need to address her respectfully.

Wu laoer saw that there were cars lining up behind him, waiting to check the invitation. Everyone was looking at him and felt very embarrassed. He said in exasperation, " "How can you be so insensible? Don't you know who I am? I'm ..."

"I'm sorry!" The bodyguard said loudly, "only one person can enter with your invitation.

Wu Lao er paused and was so angry that he had difficulty breathing. His grandson was also standing on the side with a pale face.

The bodyguard ignored them and continued to greet the others.

Second brother Wu saw that he had no choice, so he took out his phone and called old master Wu. Cousin, I've been stopped outside by nanxuan's men. What are you saying? I'm his elder!"

Old master Wu didn't buy it. He lowered his voice and asked, "Do you have an invitation?"

"Of course there is! I'm nanxuan's granduncle, so how could he not invite me?" Second brother Wu said loudly, afraid that the people around him couldn't hear him.

"Then why were you stopped outside?"

Second brother Wu choked and couldn't say anything.

"Tell me the truth, what happened?" old master Wu asked. If you don't tell me, how am I supposed to plead for you?"

Plead for mercy? Wu Lao er gritted his teeth. He wanted to go in, but he actually needed someone to plead for him!

"Only one person can enter with my invitation," he said indignantly.

"Then who did you bring?" Old master Wu raised his voice. Did this old thing bring his entire family?

"I only brought Wu Li." Second brother Wu said in a low voice.

"Just you wait!" Old master Wu snorted.

He was playing golf with Yu Zhengming and the others. After hanging up, Yu Zhengming asked, "Second brother is here?"

"What do you think we should do?" old master Wu said awkwardly.

Yu Zhengming smiled and struck a ball with his club. how would I know what to do about your family's matters? "

Old master Wu understood that he didn't intend to help.

If he were to talk to Sheng nanxuan, he would definitely agree. After all, he was his own grandfather, so it was impossible for him to not give him face.

As for himself, he would give it a try!

Old master Wu turned around, got on the golf cart, and went to the villa to find Sheng nanxuan.

When they arrived at the villa, he walked to Sheng nanxuan's side, looking as if he wanted to say something but stopped.

Sheng nanxuan asked considerately, "granduncle's business?" We'll talk inside."

Old master Wu smiled, turned around, and walked into the villa.

Gong mo looked at Sheng nanxuan in confusion. Sheng nanxuan said, " "You wait for me, I'll go in for a while."

Gong mo nodded, but there were no guests at the moment. The bodyguard at the entrance of the garden saw this and used his walkie-talkie to inform the people outside not to let the guests in for the time being.

Sheng nanxuan walked into the living room and sat in front of old master Wu.

Old master Wu knew that he still had work to do, so he didn't waste any time and went straight to the point. "That cousin of mine came with an extra person and was stopped outside."

Sheng nanxuan had long guessed that second brother Wu would play this trick, but only bringing one family, not one, was already the best situation.

Chapter 843 Is that something you can look at?

"Who did you bring?" he asked calmly.

...

his grandson, Wu lie, is just a nobody. I'll get someone to keep an eye on him and not let him ruin things.

"This Tao Wu," Sheng nanxuan muttered.

"He's your granduncle, after all. Since he's already here, let him in." Old master Wu smiled awkwardly. Otherwise, it won't look good if he makes a scene."

"Alright then." Sheng nanxuan nodded.

After a while, second brother Wu came over with Wu Lu. Seeing that there were only a few customers around, he felt a little regretful, but he still shouted from a distance, " nanxuan ... Haha, granduncle, it's been a long time since we last met!

“Good Morning, granduncle,” Sheng nanxuan said with a smile.

Second brother Wu laughed proudly, deliberately letting people know his relationship with Sheng nanxuan.

As he walked closer, he turned to Wu Li and said, “Hurry up and take out the present for your sister-in-law.”

Wu Li hurriedly walked forward and said with a smile, “Cousin-in-law, Happy Birthday.”

“Thank you,” Gong mo replied with a smile.

“This is my grandson, Wu Li. He has just graduated from University,” Wu Lao er introduced.

Sheng nanxuan nodded.

Wu Li secretly sized up Gong mo. Gong mo was already very beautiful, and he had dressed up specially today. Wu lie was stunned.

Sheng nanxuan snatched the gift away and said, “Granduncle is here, please do as you please. You can ride a horse and play golf there, and you can rest there.”

Okay, okay, okay. second brother Wu pulled Wu Li away and scolded in a low voice, “What are you looking at? ” Is that something you can look at?”

Wu Huang pursed his lips, unbuttoned his suit, and walked forward casually.

Sheng nanxuan frowned and said to the person beside him, “Keep an eye on them, don’t let them cause any trouble.”

This Wu Li actually dared to look at Gong mo with his perverted eyes!

If it wasn't for Gong Mo's birthday today, he would never be able to see anyone again!

.....

The invitation stated that the reception would be between 14:00 and 15:00. Please be sure to arrive before 15:00.

No one dared to disobey the night God's orders in black and white. Almost all of them arrived at two O'clock sharp and then lined up to enter Happy Garden. Therefore, no one came in at around 2:40 pm.

Sheng nanxuan and Gong mo still waited until three O'clock before going to the horse track.

The two of them went upstairs to change their clothes. When they reached the stairs, Gong mo said, "I'll go check on Tian Cheng."

"Then hurry up." Sheng nanxuan agreed.

Gong mo nodded and walked to Tian Cheng's room. He knocked on the door and entered.

cousin. Tian Cheng closed her computer and stood up.

"You're online?" Gong mo asked with a smile.

At the thought of how she was looking for ways to earn money, Tian Cheng smiled awkwardly. "Yes, Yingluo."

your brother-in-law and I are going to the horse track. Do you want to come? "

Tian Cheng thought for a moment and hesitated before saying, " "Forget it."

"Does it still hurt?" Gong mo looked at her feet.

Tian Cheng shook her head. a little. It's fine as long as you don't go to the ground. I think it won't hurt at all in a while."

"Then you should rest more. Otherwise, it will get worse and you won't be able to recover for a long time."

Tian Cheng nodded.

then you can rest here. I still have to go to the horse track to greet the guests. Gong mo was about to leave.

"Wait!" Tian Cheng shouted.

"What's wrong?"

Tian Cheng turned around and opened the drawer of the bedside table. She took out the gift and handed it to her with a red face."Happy Birthday."

"Can I take it down?" Gong mo asked happily.

Tian Cheng nodded, looking forward to her reaction.

Gong mo opened the box happily and saw a kidney-shaped box. It was as wide as his palm and a little longer than it.

Chapter 844 Pair of sunglasses

“Let me guess what it is,” she said with a smile.

...

“Cousin definitely won’t be able to guess it.” Tian Cheng said with certainty.

Gong mo gently shook the box and heard a sound. Seeing the blazing sun outside, she asked, “Are they sunglasses?”

Tian Cheng paused, pursed her lips, and refused to say anything.

Gong mo had no choice but to open the box. It really was a pair of sunglasses.

haha ... Gong mo said smugly, “I guessed it! The sun is bright now, so I can wear it.”

However, the frame of the sunglasses was in the shape of a cat’s face, and two cat ears emerged from the top of the frame.

This Yingluo

Gong mo felt a little strange.

How could he wear this style? Isn’t this for little girls? She would be embarrassed if he asked her to wear it.

However, this was a gift from Tian Cheng, so she naturally had to show that she liked it very much.

She picked it up without any hesitation and exclaimed in surprise.

haha! Tian Cheng laughed heartily. you can't guess, right? "

"It's so cute!" Gong mo screamed in excitement.

It turned out that there was a small pair of sunglasses hidden in this pair of sunglasses. It looked exactly the same as the big sunglasses, but it was much smaller. It was especially cute!

"This is for Hu?" She asked.

Tian Cheng nodded and agreed. This is a pair of sunglasses for a parent and child. I fell in love with it the moment I saw it. I believe you will like it too!"

"I like it, I like it!" Gong mo hurriedly hugged it in his arms. I love it! I haven't worn matching outfits with Hu yet, so let's start with sunglasses."

"As long As You Like It, cousin," Tian Cheng laughed happily.

"Thank you so much!" Gong mo said, " I'll take it to Hu Zi. Are you really not going?"

no, " Tian Cheng shook her head. it's not that troublesome.

"Then I'll come and see you later."

"No need ~ I'm not a child."

"Then you can go downstairs to play when you're bored." Gong mo said.

.....

There were many people gathered around the horse track, and those who were willing to ride went to the changing room to change their clothes. The equestrian equipment was rented from the equestrian Club. Some of the guests were members of the club, so they had a full set of equipment and even designated horses. When they learned that Sheng nanxuan was holding a Marseilles competition, they asked the club to bring them over.

The rest of the people were resting under the parasols. The entire grassland was filled with handsome men and beautiful women. The sun was shining brightly, and it was very lively.

Fang Yang looked for Wu Yunyun in the crowd.

After the guests had arrived, he had been entertaining the horse-riding guests, so he didn't know where Wu Yunyun was now.

He picked up his phone and called her.

He turned around and saw Lin Jing standing under a parasol in front of him with a pair of binoculars in her hand. Yang Jing was beside her.

Fang Yang had already told himself not to like her. It was not worth it! But at this moment, he couldn't help but feel a little heartache.

After all, he had liked her for a long time.

It had been so long that the Lin Jing now had completely changed.

She wasn't like this in the past. Otherwise, how could he have liked her?

But it didn't matter anymore, because he had already decided to give up.

Wu Yunyun's voice was heard. I'm at the entrance, but there's a situation at the entrance. I probably can't go in.

“Why?” Fang Yang asked, puzzled.

At this time, Lin Jing turned her head and saw him. She put down her binoculars and the corners of her mouth curled up in disdain.

Fang Yang looked at her half-smiling face, turned around with a straight face, and said to Wu Yunyun, “Wait for me, I’ll be right there!”

He put down his phone and walked out. He turned back to look at Lin Jing. Hmph, did he think he was looking at her just now? That’s too much!

He wouldn’t continue to be an idiot!

He left quickly and met Zeng Shuai on the way, saying, “I have something to do. I’ll be leaving for a while. Look after this place.

Chapter 845 Your cousin did this?

Zeng Shuai was stunned, “what are you doing?” This isn’t my mission.”

His job now was to keep an eye on Cindy, in case she did anything to ruin the birthday party!

...

.....

Fang Yang drove to the entrance of Happy Garden.

Wu Yunyun was standing outside in a white dress, holding a gift in her hand. A taxi stopped behind her.

He got out of the car and walked over. Wu Yiyun heaved a sigh of relief and turned to the taxi driver.
“You should go back first. I’ve troubled you to wait for so long.”

“What happened?” Fang Yang asked.

Wu Yunyun handed the invitation over silently.

When Fang Yang opened it, he found that the three-dimensional Castle had been torn down and directly clipped inside. When it wasn’t opened, the feeling and thickness were the same, and it was impossible to notice.

Frowning, Fang Yang picked up the “ Castle ” and saw Wu Yunyun’s name below.

He closed the invitation. your cousin made this? ”

“It should be,” Wu yayun’s expression was calm.

“Didn’t I tell you not to let them know?”

Wu Yunyun took a deep breath. I didn’t tell them at first. I only said that I wanted to be your date. In the end, I don’t know what they said to Grandpa, but he forced me to give up this spot and let one of them be your female companion.”

Fang Yang furrowed his eyebrows.

Wu yayun sneered. why would I let them have their way? ” she said. He had no choice but to take out the invitation. Who knew that when Yingluo woke up today, they kept making things difficult for me, and I almost couldn’t make it. It wasn’t easy to get here without any mishaps, only to find out that he’s here.”

"I'm fine now." Fang Yang consoled her and turned to lead her inside. He did not pass the invitation card to the bodyguard at the door.

When the bodyguard saw him, he straightened his back with a respectful expression and did not stop him from checking.

.....

When Gong mo returned to his room with his sunglasses, Sheng nanxuan had already changed into his casual clothes.

His riding suit had been brought to the horse track, and he was going to change into it when he went on the field.

Gong mo passed the sunglasses to him and he asked in confusion, "What?"

Opening it, he raised his eyebrows and looked at her suggestively. "You want to cosplay with me?"

"What?" Gong Mobai rolled his eyes at him. this is a gift from Chengcheng.

Sheng nanxuan picked it up and the small sunglasses fell out.

He was surprised and immediately became interested. "This is Hu's?"

"That's right, Yingluo is cute, right? A pair of matching glasses."

Gong mo put on his sunglasses and used his phone's front camera to look at his face. He suddenly felt a little embarrassed.

Cough, cough. She had never worn such a cute thing before. No matter how she looked at it, it seemed like she was pretending to be young and was having a fun time with her.

Sheng nanxuan tried to put on his sunglasses, but he couldn't put them on at all. He was instantly upset."What pair of parent-child glasses? Why isn't there one for me?"

Gong mo was taken aback. He took off his glasses and said, " "What does it have to do with you?"

"I'm your husband, Hu Zi's father! This Tian Cheng is too outrageous. She's living in my house and doesn't take me seriously!"

"Why are you blaming her?" Gong mo snorted. It's definitely not for you. This is for the mother and the child, where's the Father's share?"

Sheng nanxuan was depressed.

Gong mo put his glasses on the bed and went to the cloakroom to change his clothes.

Sheng nanxuan immediately picked up her glasses and put them on. They were a little tight.

He also turned on his phone's camera and took a look, then immediately took it off.

This look was too scary, but it was good that he didn't have a share.

However,

Looking at the pair of small glasses, he didn't mind being a little " scary.

Chapter 846 Just call me cousin-in-law

Hmph ~

...

He had some opinions.

This Tian Cheng usually didn't even look at him. She even deliberately avoided him when she was buying gifts.

Alright, he understood that she was trying to avoid suspicion. She was a good child.

However, if he avoided her too much, it would be impolite, right?

Gong mo had changed into a Loose Casual dress and came out with a sun hat in his hand. She wasn't going to ride a horse, so she would just watch from the side.

She turned around in front of Sheng nanxuan and asked with a smile, "Is it good?"

Sheng nanxuan raised his eyebrows. like a pregnant woman.

Gong mo hit him with his hat in dissatisfaction.

This dress was just a little loose and straight, but he actually said that she looked like a pregnant woman!

"Even if she's pregnant, she's still your pregnant woman!" Gong mo said in dissatisfaction.

yes, yes, Yingluo. Sheng nanxuan hurriedly nodded.

Gong Mo's face turned red at the thought of having a second child. He picked up his glasses and turned around.

Sheng nanxuan caught up with her, grabbed her, and put his hand on her shoulder.

“You’re very heavy, okay?” Gong mo tried to shake him off but failed.

“You didn’t say that I’m heavy last night, and you’re still complaining now?”

“Yingluo!” why are you so dirty-minded?”Gong mo shouted in embarrassment.

because we’re husband and wife ~”

Gong mo snorted, turned his head away, and went downstairs.

Sheng nanxuan put his arm around her waist and the two of them walked out of the villa sweetly. They just happened to see Fang Yang walking over with Wu Yunyun.

Gong mo immediately stood up straight and tried to push Sheng nanxuan away.

Sheng nanxuan lazily stood up straight, but he did not let go of her.

BOSS ... Fang Yang walked over quickly, feeling a little guilty. He did not expect him to still be here.

Sheng nanxuan glanced at Wu Youyun and asked, ” “This is a Kasaya.”

“The Wu family’s little Miss, Wu Yunyun.” “My BOSS and his wife,” Fang Yang said to Wu Yunyu as he lowered his head.

“Hello.” Wu Yiyun greeted Gong mo neither humbly nor arrogantly. She handed him a gift with both hands and said, ” Happy Birthday. I’m sorry for being late.”

"It doesn't matter. It's just nice." Gong mo took the gift with a smile and pushed Sheng nanxuan away with all his might. He smiled at Wu Yunyun and said, " come in and have a seat.

"Alright," he said. Wu Yunyun had just stood under the sun for a long time and was a little dizzy from the heat, so she didn't stand on ceremony.

"Then I'll go over first," said Sheng nanxuan.

"I'll be right there," Gong mo nodded.

Fang Yang glanced at Wu Qianyun worriedly and left with Sheng nanxuan.

"I'm sorry for taking up your time," Wu Yiyun said to Gong mo. It's too hot outside, so I want to rest for a while."

"I should." Gong mo asked her what she wanted to drink.

"Clean water will do," she said.

Gong mo ordered a glass of water and a glass of fresh fruit juice for her. "Why are you only here now? What happened?"

"The car broke down on the road."

Oh ... hearing her words, Gong mo didn't ask further.

Wu Yunyun finished her water and half a glass of fruit juice, then asked, " "Is there anything else, Mrs. Sheng? I'll go outside and sit for a while. I won't walk around."

you and nanxuan are considered cousins. You can just call me cousin-in-law.

Wu Yunyun was taken aback and a little overwhelmed. She suddenly remembered that she was the only junior in the family who had been invited. Could it be that Yingluo was not using her to knock down others, but was sincerely inviting her?

"How would I dare to?" she hurriedly smiled.

"We're family, what's there to be afraid of?" Gong mo said.

Wu yayun smiled and called out, "Cousin-in-law."

Chapter 847 The Tiger has turned into a cat

Gong mo agreed with a smile. He checked the time on his phone and said, "I really have to go. Are you really not going?"

...

Wu Yunyun was silent for a while, guessing that she was worried about her being alone here, so she said considerately, "Then I'll go."

When the two of them arrived at the horse track, the race had already started.

Gong mo led Wu Yunyun through the crowd and found Hu Zi.

Hu Zi was led by Yu Xinran and Tang Xinxin. He stood on the stool and looked at the galloping horses, shouting and jumping.

baby ~"Gong mo walked behind him.

Mama! he immediately turned around and reached out his hand to Gong mo.

Gong mo placed his sunglasses and hat on the table, then picked him up and made him look at Wu Yunyun. "This is aunt Yunyun."

Yingying ... Hu Zi was stunned. He realized that it was too hard to pronounce, so he pounced into her arms, feeling wronged.

"Just call me Auntie," Gong mo said with a smile.

Hu Zi raised his head and shyly called out to Wu Yunyun, "Auntie."

Wu Yunyun smiled, and her heart softened when she saw the soft and cute little guy. "What's your name?"

hu hu ~"Hu Zi said," Hu Zi!

"So obedient!" Wu Yunyun said excitedly.

Seeing that she liked it, Gong mo asked her to sit down and placed Hu Zi between them.

She secretly held Hu Zi's hand and instantly felt a great satisfaction in her heart.

She turned her head and realized that Fang Yang was staring at her from the front. She was stunned and stopped smiling.

Fang Yang also turned his head away. After a while, he looked back and saw that she was secretly teasing Hu Zi. He immediately laughed.

This girl usually looked very serious and mature, not like an 18-year-old girl at all. Great, now a little fellow had made her reveal her true colors!

He did not expect her to like children so much. This discovery made Fang Yang a little excited.

He also liked children. If he could find someone who had the same interest, would he be happy in the future?

Gong mo took out a pair of sunglasses and put them on for Hu Zi.

“Eh?” Hu Zi saw that the world had changed, and before he could put on his sunglasses, he turned his head and looked around.

hahaha-” Tang Xinxin laughed and pulled Yu Xinran’s hand. look! The Tiger has turned into a cat!”

With that one sentence, many people around looked over, finding Hu Zi’s appearance extremely adorable.

Tang Xinxin picked up a pair of sunglasses on the table and said in surprise, ” “Oh my God, there’s a big one! Hurry, hurry, hurry, Xinran, help me take a picture!”

With that, she took off her sunglasses, put on the cat ears, and ran behind Hu Zi.

“That’s mine!” Gong mo shouted.

that’s why he asked me to play for a while. I can only play for a while. Tang Xinxin held Hu in her arms and made a peace sign to the camera.

The people around them took out their phones and started taking pictures. When Gong mo saw this, he said anxiously, ” “Turn around and let me take a picture too!”

hahaha! Tang Xinxin turned to her happily and gave her a kiss.

Lin Jing, who was outside the crowd, snorted, her eyes full of disdain. When she turned around, she saw Yang Shu staring at Tang Xinxin. She pulled him and said, "What are you looking at?"

"No, I didn't," Yang Shu came back to her senses and looked at the situation on the field.

Lin Jing gritted her teeth and twisted the sun hat in her hand. She pulled it off and put it on.

Yang Jian's eyes twitched, and his heart was filled with regret. He was indeed with Lin Jing because of her identity. If he had known that Tang Xinxin and Gong mo were so close, he wouldn't have chosen this path. In that case, there would be love and future.

Chapter 848 I've been paying attention to you

And now, Yingluo

...

He looked at the arena. The first round of the competition had already ended.

Sheng nanxuan won first place, and Wu Di won seventh.

Although the seventh place wasn't better than the first place, it was still better than him, who didn't know how to ride a horse at all.

He didn't know if Tang Xinxin really liked Wu Di, but it was obvious that he couldn't compare to Wu Di.

He originally thought that Wu Di and Tang Xinxin were just putting on a show, but when he saw Wu Di jumping up and down around Tang Xinxin, he knew that Jian Jia liked Tang Xinxin as much as he did.

There were prizes for today's competition, but Sheng nanxuan did not want them. After getting off the horse, he changed his clothes and returned to Gong Mo's side.

Gong mo had already taken back his glasses. Seeing him walk over, he reached out to take them off.

Sheng nanxuan raised his hand to stop her. wear it. Don't hurt your eyes.

Gong mo smiled shyly. When the others saw Sheng nanxuan, they left on their own.

Wu Di also changed his clothes and ran to Tang Xinxin's side happily. "Wasn't I amazing just now?"

"What's so amazing about being ranked seventh?"

When Wu Di heard this, not only was she not sad, she was extremely excited. "You actually know that I'm seventh! You've been paying attention to me, haven't you?"

pf-ft-" the people around them burst into laughter.

Tang Xinxin blushed and said angrily, " "Yingluo has been paying attention to you, okay?"

When Yang Jian heard this from a distance, he lowered his eyes dejectedly.

Sheng nanxuan listened to the lively voices around him. He picked up Gong Mo's phone and took a few photos of her and her child.

Hu Zi reached out his hand and called out, "Daddy, Daddy, Yingluo."

Sheng nanxuan carried him over and took a selfie with his phone.

Hu Zi immediately broke into a wide smile.

"You're quite experienced, aren't you?" Said Sheng nanxuan. He took two more photos and passed the phone to Gong mo.

Gong mo took the photo and the second round of the race began. "Why did you stop?" she asked.

Sheng nanxuan said, " if I continue to lose, the others won't dare to win against me. Then, I won't be able to give out the prize.

"They might not be able to beat you in a real battle," Gong mo said.

Sheng nanxuan was stunned. He did not expect her to trust him so much. He nodded and said, ""Right! That's why I can't compete with you!"

Gong mo rolled his eyes at him, "narcissistic ~"

Sheng nanxuan stood up and said , 'let's go! Let's go to the golf course!"

The golf course was full of elderly people. In order to show respect, they should go and have a look. Gong mo left with him without any objection.

Cindy wanted to follow them, but Zeng Shuai stopped her. "Where are you going?"

"I'm Yingying!"

"You better behave yourself!" Zeng Shuai ordered.

What was he thinking? She had serious business to attend to!

.....

Tian Cheng searched for news related to part-time jobs on the internet for a long time. She had an idea and decided to give it a try.

She stretched her back and felt a little hungry. She wanted to go down to find something to eat.

At this moment, the sound of a violin came from outside.

She got up and walked to the window, where the band started to play. A few guests in formal attire were chatting with champagne in their hands.

She looked at the time. The banquet would start in half an hour, and the guests who had gone to the horse races and golf were coming back.

She sat back on the bed and sighed softly.

What if he ran into someone when he went down to get food? She looked so ugly now, limping.

However, she was embarrassed to ask the maid to bring it up. She was not used to ordering people around.

At this moment, there was a knock on the door.

Chapter 849 An apology

"Please come in," Tian Cheng turned around.

...

The door was pushed open, and ding dang sneakily stuck her head in.

When Tian Cheng saw this, her face darkened in anger.

Ding dang walked over with a smile and said shyly, "I'm sorry about Yingluo. I didn't mean it. Can you forgive me?"

"What should I do if I don't forgive him?" Tian Cheng asked in a bad mood.

I'm sorry, " ding dang lowered her head and said pitifully, " I don't know. Then I'll keep begging you."

Tian Cheng choked. She had never met such a shameless person!

She turned her back to ding dang and picked up her phone to read a novel.

"Then should I buy you an apology gift?" ding dang asked with her head lowered.

Tian Cheng thought for a moment and turned around. there's no need to buy a gift. Help me get some food.

"Food? OK! No problem!" Ding dang immediately went out.

Tian Cheng snorted and continued to read her novel. After a while, ding dang really came up with a serving of food.

There was a glass of fruit juice and a few beautifully shaped cakes.

Just as Tian Cheng was about to reach out for it, she immediately pushed it away. "Have you forgiven me?"

if you don't give it to me, " Tian Cheng said angrily, " I'll starve to death. I'll never forgive you!

Ding dang pouted and placed the cake in front of her, " "Then you can eat first."

Tian Cheng picked up the cake and took a bite. Ding dang whispered, " "You'll be so fat!"

Tian Cheng choked.

Ding dang hurriedly handed her a glass of juice and said guiltily, " "Smooth it."

Tian Cheng coughed and took a sip of her juice. "How old are you this year?"

"Why are you asking this?"

Tian Cheng slowly finished a small cake and said, " "I thought you took good care of yourself, but I don't think you're this good. You're about the same age as me?"

In fact, what she wanted to say was that he was too childish! How did she look like a mature woman?

That was why she suspected that the other party was not an adult!

If he wasn't an adult, then Yu Qingliu was too much of a beast!

"Why do you think I've taken good care of myself?" ding dang asked angrily. Am I very old?"

"Because you and uncle Yu are a couple." Tian Cheng said innocently.

"Why do I look old when I'm with you? We're an old husband and a young wife, alright?"

I see, ran ran. Tian Cheng's eyes lit up. can you tell me your story? "

“Why should I tell you?”

“Uh, Yingluo, I’m curious.”

Ding dang bit her lip and said hesitantly, “I want to say it, but I’m afraid he’ll scold me for not being able to control my mouth and telling everyone.”

Tian Cheng could not help but laugh.

“He’s fierce!” Ding dang snorted.

It was Yu Qingliu who told her to come and apologize. Otherwise, she would not have come.

“I’ll be leaving first.” She said.

“I haven’t said that I’ll forgive you.” Tian Cheng said.

Ding dang was stunned and immediately ran back. She looked at her pitifully. little sister, please forgive me ~”

Tian Cheng: “ran ran. why does she feel like she’s the big sister and she’s the little sister?”

“Alright, alright, alright, I’ll forgive you!” She said helplessly, “but don’t be so impulsive in the future. There’s no need to judge others.

“I know, I know,” Tian Cheng hurriedly said, “I know I’m wrong. I just like him too much, so I’m a little impulsive when it comes to him. I really didn’t mean to offend you.”

Tian Cheng pursed her lips and said, “You’ve also reminded me that I should be strong no matter what the situation is, so as not to let others misunderstand.”

uh, hehe, " ding dang said awkwardly. I didn't mean to say those words.

Chapter 850 That singer is very close to your family?

Tian Cheng looked at her and asked, 'you didn't do it on purpose, did you? I know that there are indeed many women in this world who appear weak and cheat others of their benefits, but in fact, their hearts are darker than anyone else's. I'm still young. If you didn't scold me and wake me up, I might really become like that in the future. But now, he definitely wouldn't. Come to think of it, that kind of woman is really annoying!"

...

hehehehehehehehehehehehehehehehe, " ding dang said awkwardly. I'll go out first. I'll treat you to a meal in the future. By the way, I'm a police officer. You can come to me if you have any trouble in the future."

what? " Tian Cheng's expression changed. we don't need this, right? "

what? " ding dang was stunned. She covered her face and said, " I don't know how to talk. Please forgive me!

"I'm fine," Tian Cheng chuckled.

"Wu Wu Wu Wu," ding dang covered her face and ran.

Tian Cheng smiled and took a bite of the cake on her plate. She immediately put it back when she thought of the problem of gaining weight.

She wiped her hands, turned on the computer, and typed a line in a document: Old husband and young wife

She did some research on the internet and found that writing novels was a good way to earn money. It just so happened that she had a hobby in this area, and she had written a few love stories in her diary when she was in high school. In the future, he would be a scriptwriter, so writing novels would be considered a professional.

He was just thinking about what to write, but now that he saw Yu Qingliu and ding dang, he decided to write a story about an old couple and a young wife.

As for the male lead, he was a doctor like Yu Qingliu, mature and steady. The female protagonist was a little girl like ding dang, who was lively and cute. She should also be a police officer.

The doctor and the police. If the police were injured, they had to find a doctor. Ding dang said that she often twisted her ankle. Could it be on purpose? That way, she would have a reason to go to the hospital and take the opportunity to pounce on the uncle ...

Eh? How did she become a woman chasing a man?

Forget it, let's just set it like this!

Just as Tian Cheng was thinking this, the door suddenly opened.

She was shocked. She turned around and saw ding dang running back.

"You ..."

shush-" ding dang hurriedly ran over and asked in a low voice, " that singer is very familiar with your family? "

"Ah?" Tian Cheng was confused. What singing?

"It's the recent competition, the one that won first place!" Ding dang didn't like to listen to music or watch TV, nor did she pay attention to gossip, so she didn't know Cindy well. It was only because 'the sound of nature' was so popular that she had an impression of it.

Tian Cheng wanted to say that she wasn't familiar with him, but he was Gong Mo's favorite celebrity and she quite liked him as well. It would be a little heartless to say that, so she asked, " "Why are you asking about her?"

Ding dang pointed outside and said mysteriously, " I saw her go next door. Is she here to steal? "

"I don't think so?" Tian Cheng mumbled. However, it was also very strange for her to suddenly come here.

She stood up and walked out. Ding dang hurriedly supported her. "Be careful!"

"I'm fine." Tian Cheng said softly, realizing that her foot was no longer as painful. However, she still didn't dare to exert any force and could only limp.

When she opened the door and went out, she didn't see anyone. She asked, " "Where did he go?"

"That way, that way." Ding dang pointed in the direction of the master bedroom.

Tian Cheng hurried over and stopped at the door of the master bedroom. She looked at the tightly shut door.

"What are you doing?" ding dang urged. Hurry up and drive!"

"He really went in?" Tian Cheng asked, afraid that she was lying to her.

If no one went in and she pushed the door open, ding dang pushed her again and closed the door, then she would be accused of seducing Sheng nanxuan. She would never be able to clear her name!
