

## Ditsy Wife 961

Chapter 961 Yu qinghuan felt a tinge of jealousy

Shan Rong and Gambino only greeted her after Wu surong let go of Hu Zi.

...

She looked at Simon and asked, "this is Hu's uncle?" It's so cute! I've never seen such a beautiful child!"

"I've embarrassed myself in front of the old Madam." Shan Rong smiled in embarrassment.

"I'm telling the truth! No matter how much she liked Hu Zi, she couldn't help but praise his uncle. He really made her like him from the bottom of her heart! Come, come, come~let's go upstairs to talk, lest it gets noisy downstairs." Wu surong led them upstairs with a smile on her face.

Last time, she had accidentally offended Sheng nanxuan. Although they had mended their relationship after that, Wu surong was still a little scared. Now that she had met Gong Mo's parents, she naturally wanted to build a good relationship with them. In this way, Gong mo and Sheng nanxuan would not blame her so much.

.....

In a restaurant on the border of a certain country, Yu qinghuan was sitting at the bar and eating.

She flipped open the newspaper and read the report.

The newspaper was in English, which she had learned in college. In the laboratory, most people used English, so she was no stranger to it for more than 20 years. Therefore, she had no pressure in reading or writing.

There was a report on the establishment of Huan mo group in the newspaper. Because of the wide impact of the incident with the FARC, he had a close relationship with the trigger of the incident, "glory world pharmaceutical," and had been the focus of media attention from all over the world.

The picture attached to the report was a group photo of Sheng nanxuan's family of three. Beside the three of them was a plaque engraved with " Huan mo group ".

Yu qinghuan put down the newspaper and caressed Sheng nanxuan and the child's faces. Finally, her hand landed on the plaque.

Happy ink ink

She looked at Gong mo and thought, is this woman called mo?

There was a trace of jealousy in her heart. He had never been by Sheng nanxuan's side, but this woman would be by his side for life.

She smiled bitterly and said in her heart, " It didn't matter. You can make him happy, let him have a home, let him live well in this world, you can do anything.

Pa!

A gun was thrown on the bar counter, and she was stunned.

Guns were allowed here. Therefore, when she first arrived, she was threatened several times. Some people wanted to ask her for money, but most of them wanted to take advantage of her.

However, she had easily resolved them.

Now, there was still someone who dared to come looking for him?

She stayed here for a few days and no one dared to have any ideas about her anymore, because everyone knew that she was not easy to deal with. If she was a soft-legged shrimp, she would have long been defiled by the men here. How could she be wandering around leisurely every day?

She lifted her head from the newspaper and looked over. King had sat down beside her.

King smiled, his deep eyes exuding a deadly attraction.

He picked up the pistol, loaded it, and aimed at the front. The waiter in front of him dodged in fear.

He laughed and put the gun down. He looked at Yu qinghuan and said, "I've had a hard time looking for you. Your whereabouts are too erratic."

"But you still found it." Yu qinghuan lowered her head and continued to read the newspaper.

"Of course, I have a lot of people." King gritted his teeth.

Yu qinghuan ignored him.

He looked at her for a while and felt that she was more and more pleasing to the eye. His heart beat faster and faster, and he couldn't help but move closer to her.

Yu qinghuan leaned to the side, her rejection obvious. why are you looking for me?"

to pursue you ~"King laughed. I've told you, I've become straight for you.

"What do you mean?" Yu qinghuan didn't understand.

King:" ....."

She didn't understand what he meant! He really cursed the sled dogs!

"I don't understand you." Yu qinghuan said, " the others said the same thing, but I don't understand.

Chapter 962 So it was you who took it away!

there are others who say that to you?! King shouted.

...

Yu qinghuan nodded.

"You're really a killer weapon for gay men! Gay men are straight for you, so girls should be bent for you."

"gay?" Yu qinghuan looked at him and nodded. She remembered the last time she went to the shadow Castle and heard him working with Sheng Dongyi.

"I understand," She said.

"What do you understand?"

"Becoming straight means that you don't like men anymore."

Yingluo. how could she say this so calmly, even in an academic tone? King nodded with a complicated expression. "You're really good at understanding, Yingluo."

when are you going to hand Sheng Dongyi over to me? " Yu qinghuan asked. I'll kill him.

"Yingluo, I didn't come here to discuss this with you." King was speechless. Sheng Dongyi was undergoing hellish training and was planning to become an excellent assassin.

“What’s that?”

“I’m chasing you!”

“You’re very boring.” Yu qinghuan closed the newspaper and prepared to leave.

King reached out to hold her hand. “Then let’s talk about something! You took a little girl from my place last time, where did you hide her?”

“What are you looking for her for?” Yu qinghuan asked warily. She liked that little girl very much and would never allow anyone to hurt her!

“So it was you who took it away!” King scratched the back of her hand and said, “ she’s a potential talent that I’ve set my eyes on. I want to train her to be my successor. You can’t take her away from me.

“She’s a girl.” Yu qinghuan pulled her hand back.

“What’s wrong with being a girl? You girls are much scarier than us boys when you’re fierce.” King reached out his hand, wanting to touch her again.

She dodged to the side, picked up the fork on the table, and put it under his throat.

She would definitely kill him if he dared to act rashly!

The security here was not good. The people around them saw their actions and only looked on indifferently, without the slightest intention of stopping the fight.

He paused and slowly retracted his hand. He smiled and said, “You see ~ am I right?”

Yu qinghuan snorted coldly, threw her fork on the table, and turned to leave the dining room.

.....

January 5th was the day the new president took office. The inauguration ceremony would be held in front of the Congress building, and the president would give an inauguration speech.

However, the day before, on the 4th of January, the former president would also hold his resignation ceremony and give a speech.

Both conferences would have hundreds of local and foreign media outlets present.

On the 4th, Huo Cheng stepped down.

Because of the incident with the SSC, he had a bad reputation now and the media did not have high expectations for him. They were ready to criticize him, attack him, and condemn him for being a coward in the article.

At the scene, there were also bold media outlets that asked about the FARC. President Huo, do you have anything to say about the incident with the FARC? ”

“This will be mentioned in the speech later,” Huo Cheng said calmly.

There was a commotion in the media-since it was mentioned in the speech, it meant that it was very important. Could it be that there would be some big news?

Everyone held their breaths.

Later, Huo Cheng said in his speech,

“The FARC has a long history, and I was not the one who built it, but I did support the dual S project. Especially after they found out that I had brain cancer last year. I don’t want to die so early, and I found out that the SS plan could create a way for me to live again. I hope this experiment will be successful.”

Of course, he did not have brain cancer.

Sheng nanxuan had prepared this speech for him. He just read it out loud for the sake of the illegitimate children.

However, he did not know what Sheng nanxuan's purpose was, and he was too lazy to guess. After all, after today, he would be greeted with death.

Chapter 963 death of Huo Cheng

.....

...

After breakfast, Gong mo and Sheng nanxuan were going to the Yu family. She helped Hu Zi change his clothes in the room while Shan Rong helped him by the side. She said hatefully, that Huo Cheng almost killed you and Hu. Is it time for retribution? ”

Gong mo remained silent. She felt that this was Sheng nanxuan's doing.

But she wouldn't ask, because she also thought that Huo Cheng deserved to die!

If not for Judy's appearance, she and Hu Zi would have died in the wolves 'mouths. Moreover, Judy had appeared, but her master had died.

In fact, dan Rong knew that this matter was not as simple as it seemed. However, the people who bullied her daughter were dead! As for the other people on the plane, they might also be bad guys that God had specially gathered!

There was a joke that went like this: " when a person encountered a storm on a plane and remembered that it was because he had done something bad, he would pray to God: Although my crime is unforgivable, please give the others some face. They are innocent!

God said,"do you think it's easy for me to fill up this plane?"

Hmph, Hmph, Hmph, Hmph, Hmph, Hmph, Hmph, Hmph! Perhaps the people who were on the plane with Huo Cheng were the ones who bullied Gong mo!

Gambino and Sheng nanxuan were drinking coffee at the dining table outside.

Gambino raised his cup to Sheng nanxuan. "You didn't let Huo Cheng stay for the new year. You did it."

Sheng nanxuan smiled faintly.

"Have you cut the weeds and eliminated the roots?" Gambino asked.

"Of course." Sheng nanxuan's eyes were cold. although one of my children is too young, I have no choice. Huo Cheng taught me this. Huo Cheng is worried that Hu 'Zi will seek revenge on him. Naturally, I'm also worried that his son will seek revenge on me. "

"Well done." Gambino picked up the can of coffee and took a big gulp. we have to give them a peaceful life.

"Yingluo, yes." Sheng nanxuan clenched his fists, still blaming himself for what had happened in the past.

Gong mo had been sleeping soundly at home when someone suddenly broke in and took her and Hu Zi away. How innocent was he?

He would not let this happen again!

Gong mo came out with Hu Zi in his arms and shouted, "Let's go!"

Sheng nanxuan stood up and walked towards her.

"Come back early after you're done eating ~" Shan Rong said.

"I know." Gong mo said with a smile.

They would have lunch at the Yu family's house to celebrate the new year with the elderly. At night, they would return to have a real New Year's Eve dinner with Dan Rong and Gambino.

At the Yu family, they played until four in the afternoon before leaving.

Wu surong sent them out the door with a smile. She turned around and felt so depressed that she wanted to cry. She also felt that the New Year's Eve dinner at night was tasteless.

Everyone knew that she was upset because she couldn't see Hu Zi, so she didn't dare to mention it.

While watching TV, she suddenly said, "it's cold and quiet even during the new year, and there's not even a child at home!" You're all so old, don't you know what you should be doing?"

Chapter 964 Let's hold a wedding ceremony too

Yu Qingliu and Yu xinzhuo: "Yingluo. she seemed to be scolding them.

...

Yu Xinran silently munched on melon seeds. This was none of her business. If she were to get married and have children, she would definitely spend the new year at her husband's house.

“Then I’ll give birth next year?” Yu Qingliu asked.

Wu surong glared at him, “there are still three months before the wedding, be careful!” If you do something wrong, you won’t be able to do it again if you miss this opportunity!”

“Yes, yes, yes, Zhenzhen!” Yu Qingliu hurriedly nodded.

Wu surong paused and suddenly laughed, “But if time is tight, I’ll really be able to hold a grandson next year.”

“It’s not like you haven’t had a grandson before! Was there a need to be so anxious? It’s so tiring to hold a wedding. What if you get pregnant now and have a miscarriage?”

Wu surong picked up an orange and smashed it on his head, “Do you know how to talk? Don’t you know how to say something auspicious?”

“Then I’ll be pregnant with twins, okay? That’s lucky enough, right?”

“You’re here to make me angry!” Wu surong stood up angrily and said to Yu Zhengming, “I’m going to sleep!

“I’ll go too.” Yu Zhengming hurriedly followed.

Back in her room, Wu surong complained, “I’m so angry! I didn’t mention it when they went abroad for the new year last year, but I thought they would be staying up for the new year together this year, but since when did Yingluo spend the new year with her husband and mother?”

“What’s so strange about that? Isn’t that Hu Zi’s grandmother?” Yu Zhengming didn’t think much of it.

I’m even nanxuan’s grandmother! Wu surong called out.

Yu Zhengming tried to reason with her. you want your grandson to spend the new year with you. Shan Rong definitely wants to as well!

“Hey! I say, old man, why do you always side with outsiders?” Wu surong refused to reason with him.

“I’m just trying to persuade you.” Yu Zhengming said helplessly, “ it’s fine if the old couple didn’t return to the country. But now that they’re back, we can’t ask nanxuan and Gong mo to abandon them, right? ”

“I’m just afraid that old man Zhang will show off to me again, saying that his grandson is back to spend the new year with him!” Wu surong was stunned.

“Boyu didn’t come back.”

“Why didn’t he come back?” Wu surong was curious. Sun boyu didn’t have a single relative overseas, so it was the perfect time and place for him to come back and spend the new year with old Zhang! It would be strange if he didn’t come back!

“You don’t care.” Yu Zhengming said, ‘it’s good that you’re not back. Otherwise, if he goes after Qian mo and destroys nanxuan and Gong Mo’s relationship, nanxuan will definitely blame it on us. When that happens, he won’t even come to see you!”

“Yes, yes, it’s good that ran ran doesn’t come back!” Wu surong quickly said, “ Hmph! Tell old man Zhang that if his family dares to ruin my family’s business again, I’ll cut off all ties with him!

“Yes, yes, yes!” Yu Zhengming had listened to his wife for his entire life, so he was naturally very obedient now that he was old.

.....

Shan Rong and Gambino returned to Italy after the Lantern Festival. The two of them decided to hold a wedding on Simon’s first birthday, and now they had to go back to prepare.

“Then let’s do it next year,” Sheng nanxuan said to Gong mo.

Gong mo wanted to say that it was fine if he didn’t do it, but he knew that he was doing it for her. If he rejected it, he would be very sad. Moreover, she also felt very regretful that she didn’t wear a wedding dress.

“Whatever you say,” she nodded, “I’m completely under your control now anyway.”

Sheng nanxuan rolled his eyes at her. what nonsense are you saying? ”

Gong mo laughed and asked, ” “Then when are we holding it? Uncle and the others are going to hold their wedding on May 20th. I love you, how meaningful! Why don’t we pick this day as well?”

Sheng nanxuan was speechless. you’re holding your own wedding. Why do you have to choose someone else’s wedding anniversary? ”

Chapter 965 Does he not want to marry me?

Gong mo replied, “a lot of people choose this date to get married?” Because it’s a special day!”

...

“What’s so special about it?” Sheng nanxuan asked, ” to me, my own wedding anniversary is special! Don’t forget that we’ve already registered our marriage and we have our wedding anniversary. Isn’t it better to hold it on that day?”

“Uh, Yingluo, okay.” Gong mo thought for a moment and mumbled, ” but I think our wedding day is too ordinary. There’s no special meaning at all.

Sheng nanxuan couldn’t take it anymore and roared, “what do you mean by no special meaning?” The day I married you was destined to be a special day! It’s our wedding anniversary, it’s very meaningful, okay?”

“Alright, alright, alright, don’t shout,” Gong mo said.

I ... Sheng nanxuan took a deep breath. I’m really going to die of anger!

Yingluo felt that she was being despised, and she was being despised very badly.

.....

On May 20th, Yu Qingliu and ding dang held their wedding in the presidential palace. Gong mo and Sheng nanxuan went to Italy after the wedding.

Yu Qingliu took ding dang on a honeymoon all over the world and also stayed there for a few days.

By the time it was Simon’s birthday, ding dang’s marriage leave had already ended. Naturally, she couldn’t attend dan Rong and Gambino’s wedding. Furthermore, she was lucky enough to be pregnant during the honeymoon period. Yu Qingliu had to take care of him and could not go.

Quite a few others went-Yu Xinran and Yu xinzhuo from the Yu family, Wu Di’s family from the Wu family, Gong Mo’s gong Bai, Tian Cheng, Tang Xinxin, and a few of Sheng nanxuan’s great generals, Gong Jie, went.

The remaining people who didn’t come also gave gifts.

Of course, Gong motong didn’t even inform people like Gong ye!

On the day of the wedding, they would celebrate Simon’s birthday in the morning, and Simon’s birthday in the afternoon. The wedding would be held in the afternoon.

Shan Rong was dressed up beautifully in a wedding dress.

During the ceremony, Tian Cheng sat down and said emotionally, "Second aunt is much younger than before!"

"When you live happily, you'll naturally become younger." Gong mo said with a smile.

After the wedding, Shan Rong threw a bouquet of flowers.

Gong mo said to Tang Xinxin, Yu Xinran, and Tian Cheng, "Let's hurry up today! Don't come to see me if anyone else snatches it!"

They had all gone to Yu Qingliu's wedding, but the bouquet had been snatched by a colleague from the ding dang police station! Everyone joked that those who had practiced were indeed different!

He didn't seem to have practiced today, and he didn't know who the winner would be.

"How old am I?" Tian Cheng laughed. There was no rush. Sister Xinran and sister Candy, work hard. I'll wait for you to throw it to me!"

I'm not in a hurry, "Tang Xinxin said. I'm planning to develop my career for a few more years. I think it's because I'm happy.

"If you're not worried, my cousin is!" Yu Xinran said.

"You guys, stop messing around!" Gong mo shouted, "hurry up and go over. I'm going to throw it away!"

Tian Cheng pulled the two of them and ran over, then hid to the side.

Shan Rong stood in front of them with her back facing them. She raised her bouquet and threw it-

Tang Xinxin hid behind Yu Xinran when she saw the bouquet flying toward her, and the bouquet fell into Yu Xinran's hand.

wow! Gong mo clapped his hands and screamed in joy.

The others also joined in and congratulated Yu Xinran.

Yu Xinran's face turned red and she turned around to look at Gong Bai.

Gong Bai was stunned for a moment before he smiled at her.

Yu Xinran's expression darkened when she saw his stunned expression. Did Yingluo not want to marry her?

.....

At night, the castle was lit up with colorful lights. Everyone was drinking, having fun, singing, and dancing, and it was extremely lively.

Shan Rong couldn't afford to play with these things, so she went back to her room to rest early with Gambino.

## Chapter 966

If it was in the past, Gambino would not allow people to cause such a ruckus, as it would disturb Shan Rong and the child. However, he was happier than anyone else for today's wedding, so he didn't stop everyone.

...

Gong mo and Sheng nanxuan danced in the crowd for a while. Gong mo had never been so happy before, and he was a little out of breath from dancing.

Sheng nanxuan pulled her to the side and poured her a glass of wine. "Drink some, your body will be warm."

Gong mo couldn't help but laugh, "it's summer!" It's not winter!"

"But you'll get cold in the middle of the night."

alright, Qianqian. Gong mo drank half a glass of wine and leaned on his shoulder, smiling. I think you're trying to get me drunk because you want to do something bad to Qianqian later.

"You can do it even if you're not drunk,"

Gong mo was silent for a moment. He knew that he was right and couldn't help but blush.

"Where's Hu Zi?" she asked as she put down the cup.

uncle has taken her away. I'll let Fang Yang and the rest watch over her. She'll be fine.

"But I think it's better to bring him back to his room to sleep," Gong mo nodded.

"Then let's go and pick him up."

The two of them left the garden and gave Fang Yang a call. They found out that Wu Di's parents had taken Hu Zi to the guest room and had gone there to pick him up.

Turning into a quiet staircase, she saw people hugging and kissing.

Sheng nanxuan covered Gong Mo's mouth and hid behind him.

Gong mo was dumbfounded because he saw two men kissing!

Sheng nanxuan pulled her along and took another path. Gong mo asked in a low voice, "He's a man, right?"

"Jason and primogenitor."

"Ah?" Gong mo was shocked. Wasn't that her Father's right-hand man? It was actually digested internally?

"I've long felt that there was something wrong with them." Sheng nanxuan said.

Gong mo looked at him in surprise and fear.

"What's with that expression?" Sheng nanxuan was puzzled.

Gong mo stopped and slowly retracted his hand. He said suspiciously, "I've been a fujoshi before, and I didn't even see anything wrong with them, but you actually saw it? How rotten is your heart? It's said that rotten eyes look at gay people, and rotten men are all gay, don't tell me you're a coward?"

Sheng nanxuan, "Yingluo."

"You're a double?" Gong mo was shocked.

Sheng nanxuan grabbed her by the neck and pushed her forward. "What's in your head? Is it because you've been too idle in the past six months that your brain has rusted?"

Gong mo said unhappily, "I'm free because of you." You're the one who crippled me!"

"I'm going to waste you!"

“And then go gay, right?”

stop teasing me. Sheng nanxuan held his forehead speechlessly and explained, “ I think there’s something wrong with them. That’s not the problem! I didn’t understand it before, but now I do! I thought there was a grudge between them, but it turns out there’s something fishy!”

“You actually have such an intuition? The problem is getting bigger, Yingluo.”

you ... I thought there was something wrong with sun boyu when I first saw him!

Gong mo was stunned. Why was sun boyu mentioned?

I can sense anything abnormal immediately, but I can’t understand some things that I’ve never been in contact with. Alright, don’t let your imagination run wild. With your IQ, it’ll become a negative number if you keep thinking about it!”

Gong mo hit him in dissatisfaction.

ah! Sheng nanxuan pretended to scream.

daddy ... Hu Zi’s voice came.

Gong mo saw that he had arrived at his uncle’s guest room.

She hurriedly stood still. Her uncle opened the door and Hu Zi rushed out.

“Father ... Mother!” Hu Zi had wanted to run to Sheng nanxuan, but when he saw Gong mo, he rushed to her side.

## Chapter 967

Sheng nanxuan's glass heart broke into pieces. He thanked his uncle and took his mother and son back to their room.

...

On the way, Sheng nanxuan complained to Hu Zi, "Your mother just hit me."

Hu Zi hugged Gong Mo's neck. mom, don't hit him so hard.

"Your mother hit me and you told her to hit me gently?" Sheng nanxuan asked in disbelief, "what if I hit your mother?"

Hu Zi turned his head and kicked him.

"Who allowed you to kick daddy?" Gong mo hurriedly stopped him.

"He's going to hit you! Bad!"

"Then you're bad even if you hit him! Do you want to be a bad kid?"

Hu Zi thought for a moment and was stumped by this question.

Sheng nanxuan reached out and carried him. you're getting heavier. I can't even carry you. Don't tire me out in the future.

"I'm not heavy." Hu Zi explained in a low voice.

"You're not heavy after eating so much?"

"I'm not eating it," Hu Zi said as he looked at Gong mo.

"Then don't eat too much in the future ~" Gong mo smiled and patted his head.

This kid was a glutton. He would eat anything he saw. She didn't want to raise a little fatty in the future.

"Then mommy needs to carry me." Hu Zi nodded.

"Don't eat so much, mommy will carry you."

"Good! Good!" Hu Zi hurriedly nodded.

After returning to his room, Gong mo stood by the window and looked down. There were still many men and women having fun downstairs. The entire castle was like a paradise without any worries.

Sheng nanxuan walked behind her and wrapped his arms around her waist. "What are you thinking about?"

Gong mo pointed to a place downstairs, "cousin and sister Xinran are over there." We should be attending their wedding next time, right?"

Sheng nanxuan nodded and closed the curtains. "I don't care what they do. Let's sleep first, okay?"

.....

Yu Xinran and Gong Bai were standing under a tree full of colorful lights. The lights were flashing rhythmically as if they were talking to each other.

Yu Xinran was still holding the bouquet she had received in the afternoon. She looked up at the colorful lights and smiled, "It's beautiful, isn't it?"

“Yes.” Standing behind her, Gong Bai felt a little helpless as he looked at her back.

“You don’t seem happy?” Yu Xinran turned around and asked in confusion.

“No, I didn’t,” He quickly denied.

“Is that so?” Yu Xinran lowered her head, placed one hand on the flower, and gently pulled off the petals.

Gong Bai hurriedly grabbed her hand to stop her.

“Have you ever thought about our future?” she asked.

“I don’t dare to think about it.” Feeling inferior, he said, “ I know that I’m not good enough for you now. I just want to wait until I’m good enough for you! But I realized that you might not be able to wait any longer, Yingluo.”

“So you’re planning to give up?” Yu Xinran asked sadly, “ you’re giving up just like this? ”

No... Gong Bai looked at her reluctantly. I’m just thinking about what kind of future I can give you now. Would you want a me like this?”

“I’ve been with you for so long, do you still doubt me?”

Gong Bai was stunned.

That’s right!

He had been with Yu Xinran for so long. In the beginning, his situation was not as good as it was now. She didn't even despise him back then, so why would she do that now?

He was the one who made a mistake.

besides, ran ran. Yu Xinran looked at the bouquet. what does this mean? " It's not like you're going to get married tomorrow ..."

She paused and did not say the word 'marriage'. She smiled and said, " I'm still young. I don't want to be held back so early. I can wait.

my heart is in turmoil. Gong Bai took a deep breath. He suddenly felt more confident and had made a decision.

Chapter 968 Lu Yang, if Xinran likes it, I'll support it

He grabbed her shoulder and said seriously, " "Can you wait for me for two more years? Two years later, I'm probably still not good enough for you, but at least it's better than now, and I can give you more things. I know you don't care, but I want to give you a little more assurance."

...

"Are you proposing to me?" Yu Xinran asked in a small voice, blushing.

"Uh, sorry, Yueyue." Gong Bai said awkwardly, "I didn't expect it to be so sudden. I didn't prepare anything. I'll do it again another time, but you don't have to answer this time.

Yu Xinran looked at him, her eyes full of love. She tiptoed and kissed him.

Gong Bai was shocked. He suddenly hugged her tightly and kissed her back even more passionately.

In the distance, Yu xinzhuo saw their actions. Although he didn't know what they were talking about, he knew that their relationship was very good. She had probably crossed another hurdle and was one step closer to marriage.

He turned around and walked away. He took out his phone and made a call.

"My sister received a bouquet today. Although I'm not very satisfied with Gong Bai, I like him and I will support him." He said.

"I know Yingluo." On the other end of the phone, Lu Yang showed a sad expression and said in a low and hoarse voice, "I will support whatever Xinran likes.

She used to say,"I don't like these second-generation heirs. None of them are good!"

He was also a second-generation heir. He was afraid that she would dislike him, so he worked hard to become better. Not only did he have outstanding talents, but he also kept himself clean and did not have any bad habits.

When he felt that he would be favored by her, her eyes were already on someone else.

Lu Suan took a deep breath and suddenly did not know where to go. A large part of his hard work all this time was for her.

.....

Shan Rong and Gambino were planning to go on-honeymoon trip to China!

Deep down, Gambino was a Chinese, but he had lived in Italy for more than 20 years. He had long wanted to find an opportunity to go back and see the beautiful rivers and mountains of China. Shan Rong had not been to many places in her life, but she had the dream of traveling the world. So, this time, the two decided to go back to China for a honeymoon and travel around the country. When Simon grew up, they would travel around the world.

Hence, the two of them returned to China with Gong mo and Sheng nanxuan.

Since they were taking Sheng nanxuan's private plane, the guests from China were on the same trip as them for convenience.

When they arrived in the capital, dan Rong and Gambino rested for two days. For the convenience of traveling, Gambino had also bought a private plane. It was slightly smaller than Sheng nanxuan's so that he could use it when he and Shan Rong traveled around the world.

Before the two of them set off, Gong mo asked dan Rong, "Do you want us to take care of Simon? I'm already very familiar with him anyway."

In Italy for more than a month, she had been with Simon for several hours or even more than ten hours a day, and Simon was very familiar with her. Now, she knew how to call people 'sister' and 'sister' every day. She even switched between Italy and Chinese.

"Uh, hehe." Dan Rong didn't feel reluctant. If Simon wasn't by her side, she and Gambino would definitely have had a lot more fun. However, when she saw Simon's pure and innocent eyes, she couldn't bear to do it.

That would be too irresponsible!

Simon was only one year old. What if he grew up and wasn't close to them?

"I'll bring it myself. You're already tired from taking care of Hu, and your body isn't in good condition, so I won't let you worry about this." Shan Rong said.

Gong mo pouted. alright then. Be careful on your way back and keep in touch.

"You too. Listen to nanxuan and don't joke around with your body.

"I'm very obedient!" Gong mo was speechless.

Chapter 969 What do you want to do then?

Sheng nanxuan had to go to the company to deal with some matters, but he was worried about Gong mo, so he asked her, "Do you want to go to the company with me?"

...

"Sure!" Gong Mo's eyes lit up.

Sheng nanxuan was speechless. She was so excited. Was she bored to death?

When they arrived at the company, he went to a meeting and said to her, "Bring Hu to the game room, I'll come find you guys later."

Oh! Gong mo was a little disappointed. He looked at the employees around him and brought Hu Zi to the game room.

Sheng nanxuan's meeting went on for a long time. It had not ended for two hours. Hu Zi was already tired of playing with him. He walked to Gong Mo's side and said, "I want daddy! Where did he go?"

"He's at a meeting." Gong mo also felt bored and his phone was almost out of battery. She quickly sent a message to Sheng nanxuan. Hu Zi is looking for you.

[ send it to me. ]

Gong mo was stunned for a long time before he asked, "You're done with the meeting?"

[ not yet. [ but they're used to it. ]

Yingluo, don't torture your employee like this.

[ forget it, I'll take him. ] She replied.

Sheng nanxuan was almost done, so he did not fight with her. Half an hour later, he came over to look for them to have lunch outside.

After ordering, Gong mo picked up his phone and called dan Rong.

Shan Rong and the others were also eating at the scenic Area. Simon was very interested in the local delicacies and ate with great relish.

He picked up the video call and saw Gong Mo's face. He immediately put a snack in front of the screen and shouted,"Sister! Sister!" For his sister to eat.

Gong mo laughed,"does Simon remember me even when there's good food?" What a good child ~"

"Hehe, hehe." Simon laughed happily.

Hu Zi went over and greeted his grandparents, then turned his head to eat.

"Call me uncle!" Gong mo grabbed him.

Hu Zi frowned. This uncle was too stupid. He didn't want to acknowledge him!

hu hu ~"Simon looked at him and laughed.

Hu Zi rolled his eyes and shouted weakly,"Uncle Zhenzhen"

"Hehehe!"

“He only knows how to smile like an idiot!” Hu Zi said.

“You used to be like this too,” Gong mo glared at him.

When Hu Zi heard this, he was so depressed that he didn’t want to say anything. Every time he said that his uncle was bad, his mother would say that he used to be like this too. H-how could he have been so stupid in the past? He was a smart child!

After hanging up the phone, Sheng nanxuan asked Gong mo, ” “Are you bored every day?”

Hearing that, Gong mo looked at him pitifully, ” “Of course I will~you won’t let me be Yingluo for anything.”

“Then let’s go on a trip too?”

Gong mo frowned and said,”traveling is tiring, okay?” Where would I find the strength to do that now?”

Sheng nanxuan nodded and said, ” “That’s true.”

Gong mo rolled his eyes and asked, ” “Why don’t I go to work?”

Sheng nanxuan’s face immediately fell, and he looked displeased. “You don’t even have the strength to travel, but you have the strength to work?”

Gong mo pursed his lips and said, ” but life is so meaningless every day, ”

“You can drink tea and go shopping with Xinran and the others often.”

Xinran and the others have work other than drinking tea and shopping, okay? ”

“Then what do you want to do?” Sheng nanxuan was not happy.

Gong mo glanced at him and didn't dare to provoke him. He said in a low voice, “I want to wash your clothes, cook for you and Hu, and be a good wife and mother every day, Yingluo.”

Sheng nanxuan glared at her. do you think I'll forgive you for thinking that you've crossed the line? “he asked. Are you tired of living? You don't know how to play, but you want to do something? Besides, do you think you can do the laundry and cook? If your hands dare to touch cold water, I'll chop them off!”

Chapter 970 Hubby, you're the best ~

Gong mo pursed his lips and said sadly, “I can have a bath in hot water.”

...

“Hehe!” Sheng nanxuan sneered.

Gong mo puffed up his cheeks and turned his head away gloomily, “Then what do you want me to do? I'm going to go moldy! If there's anything wrong with you, I can still spend time to find fault with you ...”

“Is it really okay for you to praise me while making me angry?”

Gong mo was stunned, “who praised you?” I'm condemning you, okay? You're just trying to control me and make me out of touch with this world! In the future, when I don't know anything, you'll come and despise me again!”

Sheng nanxuan facepalmed. you love to think about things that are impossible. Do you believe that I will hypnotize you? ”

“Don't you dare!”

“Not at work or doing anything.” Sheng nanxuan said coldly, “if you’re bored, you can find something interesting to do. There are many things in this world that can kill time, and it doesn’t require too much mental and physical strength.”

“For example?”

“Drawing, flower arrangement, and so on. You haven’t been to grandma’s tasting meeting for a long time, so you can go there often to pass the time.”

Gong mo bit his lip and didn’t say anything.

Sheng nanxuan knew that she had agreed. She was already so bored, so she would do whatever she wanted and would not refuse.

Seeing that she was still unhappy, he could only say, “It’s not like you can’t work ...”

Gong Mo’s eyes lit up and he immediately hugged his arm, “Hubby ...”

Sheng nanxuan rolled his eyes at her. as for the company, if you’re interested in anything, you can go and inspect it as the lady boss. You can also participate in the decision-making discussions. But your health is more important. Don’t clock in for work from nine to five, I won’t pay you!”

“Good, good, good!” you’re the best, hubby! Gong mo nodded.

Hmph! Sheng nanxuan snorted coldly. if you dare to tire yourself out, I won’t give in in the future.

I won’t, I won’t,” Gong mo said hurriedly. I’m just too bored. I want to do everything now! After a while, I might get lazy and not want to do anything anymore!”

.....

She had to go to the Yu family's house for dinner on Saturday. Since Gong mo was bored, he took a short nap after lunch and brought Hu Zi over.

When she entered, there was no one in the living room. The servant said, " the old Madam and the young miss are taking an afternoon nap. The others are not at home.

"Then you don't have to call them, I'll just wait." Gong mo said. Wu surong should be up by now.

The servant knew that she didn't want to disturb Wu surong's rest, so she smiled and nodded. She brought some tea and snacks and secretly went to inform Yu Xinran.

"Why didn't you come and find me?" Yu Xinran quickly ran down.

"I'm afraid you're sleeping." Gong mo said with a smile.

"Auntie!" Hu Zi shouted.

good boy ~"Yu Xinran picked him up and said to Gong mo," she woke up a long time ago and was watching a movie in bed out of boredom. Come, let's go upstairs. Grandma should be awake by now."

The two of them went to the sunroom. After a while, the servant came over to tell them that Wu surong had woken up. The two of them brought Hu Zi over to find her.

Wu surong smiled at Gong mo and said,"you can come earlier in the future. You don't have to come after lunch. You can come after breakfast!" If you're free, you can come every day!"

"Then I'm too thick-skinned!" Gong mo said with a smile.

"I can't wait for you to be so thick-skinned!" It was fine even if he stayed at her house, as long as she could see Hu Zi every day.

After chatting for about an hour, Yu Zhengming came back from outside. The first thing he did was to tease Hu Zi.

The two elders were about to fight over him, so there was nothing between Yu Xinran and Gong mo.
