Chapter 1081: Complaints

And she had caused such a mess to the Heir's Mansion.

She was unreasonable, and she had no idea how to behave like a real Princess Consort. He already treated her well, yet she did not get pregnant. He did not want to visit the other girls, because he wanted her to get pregnant first. She already received the best treatment, yet she kept blaming others.

He was already doing all he could. He did not turn a cold shoulder to her even though she was not pregnant. He even spent the whole day at her place just to get her pregnant.

However, the place she stayed was more practical. His father had granted him with some women, so had the Empress Dowager. He could not turn down their offers. However, he did not even visit anyone else.

He was doing his best.

What about Gu Ruxue? She could not even do her job well.

She was the Princess Consort, so what she needed to do was to manage the whole mansion. She needed to check the billings and arrange the servants.

These were all things which she had to do.

However, Gu Ruxue could do nothing, and she didn't do anything well.

She not only caused trouble for the whole mansion, but she even came to him and asked what she should do about some very small matters. Gu Ruxue was so incapable, but all he could do was to tolerate it and get someone else to arrange the mansion.

He would just drop this annoying point, since her job was taken over.

He was so tolerant already!

However, what about Gu Ruxue? She could not even do her job well!

He was the Crown Prince, the future King and he was a very busy man. He should focus on the important matters, and he was an ambitious person who was busier than ever.

1

Yet when he was discussing matters with Junyi here, she not only didn't care about him, but she also caused so much trouble.

It annoyed Zhou Huailing to the extreme!

His previous Princess Consort was Liu Qingqing, the daughter of General Liu, who was the real noble lady in the capital. She was not only well-mannered, but was also very good at administrating the whole mansion, causing him no trouble.

Compared to Liu Qingqing, Gu Ruxue was just nothing and nobody!

Apart from... Apart from looking slightly better and being the Phoenix Girl. However, the Princess Consort never had to be that beautiful. She just needed to be elegant!

Therefore, all Gu Ruxue had was the identity of being the Phoenix Girl, and for that, he tolerated her for a long time and did not want to show his annoyance.

She was the Phoenix Girl!

Zhou Huailing felt extremely helpless.

More importantly, they had no children, and Gu Ruxue could not be under his full control. So he had to tolerate what she was doing. Otherwise he would not take the risk!

However, he was jealous. He was so jealous of his Eighth Brother.

His future Princess Consort, Gu Chaoyan was a real elegant woman who was worth marrying.

What a pity that she was not the Phoenix Girl. Therefore, he could not get her and had to leave the Eighth Brother alone.

Well...

The Queen was deceased, and Lord Huai needed to stay single for two years to pay his respects...

So Zhou Huailing was confident enough that within these two years...

Chapter 1082: How

When he took the throne, he would be the master of the world.

When that time came... the whole world would be his, and a woman like that would become his too.

Zhou Huailing was thinking this inwardly. He kept thinking about that cold-looking silhouette.

"What are you staring at?" Gu Ruxue looked displeased. She frowned and screamed.

She had not dared to behave like this before, but as time went by, Gu Ruxue started to feel that Zhou Huailing, when he became the Crown Prince, put her first in every aspect. He never dared to irritate her, and even Honored Princess Jing was doing this. That was how she felt, after learning the news about Destiny Monk.

Everyone flattered her and did not dare to irritate her. Gu Ruxue knew that it was because the Crown Prince loved her and because she was the Phoenix Girl.

That was why she was getting more and more arrogant.

She was behaving like this, yet Zhou Huailing did not dare lecture her, and she did not notice that her actions had any problems.

Including now.

Gu Ruxue did not think that there was anything wrong with her lecturing Zhou Huailing right in front of other people.

Zhou Huailing tried to calm himself down. He adjusted his emotions within minutes, then he smiled at Gu Ruxue. "I was leaving now, I don't want you to wait for too long, but I am busy with affairs."

"..."

"Okay, let's leave now." Zhou Huailing tried to pamper her and left with Gu Ruxue.

It took a long time before he remembered Junyi.

Well...

He did not think that the way Gu Ruxue treated Junyi was any problem. Junyi was talented, but he was a servant after all, whilst Gu Ruxue was the Princess Consort who could do whatever she wanted with the servants.

Zhou Huailing never considered how Junyi would feel. He just could not stand that Gu Ruxue humiliated him.

Inside the study...

Junyi watched the couple leaving with a twisted look on his face.

He clenched his fists tightly.

He had never been humiliated like this before.

He let out a deep breath and closed his eyes, soon going back to normal and headed towards his own yard.

By this moment, Zhou Huailing and Gu Ruxue were back in their room as well.

Zhou Huailing poured Gu Ruxue a cup of tea when they went inside. "Just drink some tea, you must be very tired from shouting so loudly."

"..."

"I kept you waiting."

"..."

"But I needed to discuss with Junyi about some important matters, which are for your good as well."

"..."

"Destiny Monk has returned to the temple, but he refuses to enter the court. Me and Junyi were discussing how to persuade Destiny Monk to come with us."

As he was speaking, Zhou Huailing looked affectionately at Gu Ruxue. "Ruxue, we have waited for so long for this day, and when Destiny Monk comes to reveal your secret as the Phoenix Girl, we will win!"

"..."

"You don't have to worry about anything, and I will plan everything well. All we need to do right now is to have children."

"..."

"The Elder Prince's Princess Consort is pregnant, so we need to work harder." Zhou Huailing mentioned worriedly.

Gu Ruxue was confused. She looked at Zhou Huailing. "She is at the border, how do you know about her pregnancy?"

1

Chapter 1083: Frivolous

Gu Ruxue's surprised reaction lit up Zhou Huailing's mood. He believed that the way Gu Ruxue reacted must have shown that he was behaving very well and that she was admiring him.

It was true that he was the Crown Prince, who was worshiped by many people, but he was a man who liked to be admired by women, especially the Phoenix Girl.

That was the thing he liked about Ruxue compared to Qingqing.

Qingqing was very well-behaved. She was an elegant lady who could do everything well, but she was too serious, always serious. No matter what he had done and how excellently he had done something, he never received praise from Qingqing, who considered those very normal.

At least Qingqing had never admired him or spoken highly of him during the past three years of their marriage.

Zhou Huailing felt so happy that he stopped being as tough as before. He spoke patiently and showed a look of indifference.

He said as he looked at Gu Ruxue. "It is very easy to know what happens to the Elder Prince. Actually, I know everything that is going on in the court."

"..."

"I used to be no more than a lord, and I received very few things every month. There were many things I did not realize."

"..."

"However, now I am the Crown Prince, and it is much easier for me to do a lot of things."

"..."

"I have ears across the whole city, and I even have people around Lord Huai, Lord Yu as well as the Elder Prince. Everything is under my control."

"..."

“And apart from the ears I have put next to the Elder Prince, even Lord Yan’s Princess Consort takes my side now.”

As he spoke of these, Zhou Huailing reached out for Gu Ruxue’s chin and lifted her chin so that she could look at him, then he said calmly, “You think that it is very difficult for me to know what is going on around here?”

“...”

“I can even kill the Elder Prince’s baby, for your sake,” Zhou Huailing said confidently.

Well...

He pretended as if he were doing this for Gu Ruxue’s sake, yet he was doing it for himself.

Zhou Huailing had not had an easy childhood.

He was not the lineal son, nor was he the eldest son. He understood the bitterness he had to go through.

Under those circumstances, he had no way to make himself the lineal son nor the eldest son.

Yet he had to make sure that his son was the eldest grandson, and he was going to make him the lineal grandson too!

The Elder Prince should have no such rights to take this position from him.

Zhou Huailing was thinking inwardly.

He showed a look of fierceness.

It made Gu Ruxue feel less annoyed. She said emotionally, “Crown Prince, you are so nice to me.”

1

Zhou Huailing smiled at Gu Ruxue gently, then he stared right at Gu Ruxue’s face and said, “Since I am treating you well, are you going to...”

Chapter 1084: Serving

“Are you going to serve me well tonight?” Zhou Huailing stared into Gu Ruxue’s face.

Before Gu Ruxue got married, she was considered the most beautiful lady in the whole capital. Although all the noble families understood that she was not a match for the title, because the ladies of the noble families were not in a competition for that title. No one would dare to give a title like this to any noble lady.

However, Gu Ruxue’s family, namely the Gu Family, was not a big family, so she was just there to be teased.

Well, despite the fact that she was being mocked, Ruxue was very beautiful. She looked really sexy.

Men liked this type.

Zhou Huailing was full of desire and lust at the moment, and he felt that Gu Ruxue was very beautiful. So he fell out of the mood to speak anymore.

He picked her up and walked into the inner chamber.

Gu Ruxue got a bit shy, but she did not push him away.

The maids in the room went out of the room and started to prepare things.

The Crown Prince Consort and the Crown Prince spent a lot of time together in the inner chamber, but the maids were too experienced to panic in this case.

In the room...

There was a very harmonious scene in the room.

Liu Qingqing was too serious and elegant for Zhou Huailing, but Gu Ruxue was just sexy enough for him.

Gu Ruxue was dressed in a pink dress, her skin pale, fitting the dress well.

Zhou Huailing had the itch to do something to Gu Ruxue, when he put her down. Gu Ruxue was showing her snow white neck, so he ripped off her dress, leaving only her underwear.

"Ruxue, you are very beautiful." Zhou Huailing said, as he then ripped away her underwear.

Gu Ruxue moaned. Then sound arose from the room. However, the sound did not last long.

1

Then water was required.

Maids hurried in and served them well.

It was a very troublesome night, but soon the couple fell asleep.

The following day Gu Ruxue was smiling happily.

When Zhou Huailing got up, Gu Ruxue was already well-dressed. She was getting dressed properly. They were going to the temple today, but as the Crown Prince Consort, Gu Ruxue was going to make sure she looked beautiful no matter where she went.

Zhou Huailing asked the other maids to dress him too.

Usually, it should be the Crown Prince Consort who helped him dress, but Gu Ruxue did not seem to know that she should do so, nor was she good at doing it either. So Zhou Huailing dropped the topic.

For Zhou Huailing, all he needed was that Gu Ruxue should remain the Phoenix Girl, and that would be all. He did not expect that she could do anything else like a Crown Prince Consort is supposed to.

When they were dressed they left the mansion. They were going to meet Destiny Monk, so they could not be late.

Junyi was already waiting for them outside in the yard.

He greeted them politely upon seeing them walking out.

However, when he looked up and saw Gu Ruxue and the way she was dressed, he had a very complicated look on his face.

Chapter 1085: Meeting with Him

Ladies, either from noble families or ordinary mansions, or even civilians, would understand one thing when they went to the temple to make a prayer.

That was – temples were a place of quiet, and people were not there to show off their beauty. So no one would try to show off their beauty in the temple either, even stupid ladies would not do so.

However, this Crown Prince Consort was worse than stupid women.

Destiny Monk had already turned down the King's summon, and refused to visit him in the court.

So it basically meant that Destiny Monk was a man with his own principles, and they needed to show their sincerity to move Destiny Monk.

However, the way she was dressed as well as the luxurious jewelry on her hair...

She was not only disturbing the temple, but also not behaving like an elegant Crown Prince Consort. It would be such a joke for people from other countries to see a Crown Prince Consort like this.

Junyi felt so annoyed inside.

He was an innately talented person, and he had had a very smooth life. He had always helped people who eventually became successful in the end.

However, now that he was heading towards his final goal...

He ran into two people.

A woman could be stupid and forgiven, because she never got involved with major matters, but the Crown Prince did not even see anything wrong with it.

Junyi had no idea what he ought to say.

Zhou Huailing reminded Junyi next to him, seeing that he looked absent-minded. "Junyi, what are you staring at? Let's just leave."

Gu Ruxue was smiling so happily next to him.

This servant was very annoying, but he did have a good taste. He must have been distracted by the way she was dressed today.

2

Well...

She decided not to complain about him seeing that he had such a good taste.

Gu Ruxue said smilingly, "Crown Prince, let's just leave."

Junyi was about to say something, but the couple had already disappeared out of sight.

Junyi frowned, feeling very helpless.

He more or less understood how the Crown Prince and Crown Prince Consort were treating him – they regarded him as a servant.

The Crown Prince was treating him well, and asking him about everything, but he was very untalented and stubborn as well as suspicious. He did not ask him about what was going on here today, so he decided to drop the matter, in case more complications arose.

So he kept silent and followed them.

The wagon headed uphill in a hurry.

The temple was located in the outskirts of the area, so it took them only one hour to arrive.

The wagon arrived very soon.

It was very misty in the mountains, but the temple, when located in the mist, looked very mystic.

Zhou Huailing was not in a mood to appreciate any of these things, but hurried inside the temple the moment he arrived.

He had come to Destiny Monk to make prayers, so he knew exactly where he should go.

The moment he was about to walk in Zhou Huailing was stopped by some gateboys. “The Head is not to be disturbed. He is inside strict meditation.”

Hearing the words...

Zhou Huailing got annoyed. “I know he is in strict meditation, but I am the Crown Prince and I have come to see him personally!”

Chapter 1086: Beyond Imagination

He did not care about the gateboys’ prevention, insisting on walking in with Gu Ruxue.

The gateboys tried to stop Zhou Huailing, but got pushed away by his guards. The gateboys could do nothing. They were only gateboys, and in a place of quiet like the temple, they should not cause a fuss.

After they were pushed away by the guards, Zhou Huailing and Gu Ruxue went in as if there were no barriers in front of them.

Junyi, who had intended to stop Zhou Huailing, was too late to do so. He had no choice but to hurry to catch up with them up.

Destiny Monk was living in a small room not very far from there.

Zhou Huailing thought that they should meet Destiny Monk first and pass on the invitation with sincerity. He was the Crown Prince so he should handle it all.

He walked in with Gu Ruxue, with a very relaxed look on his face.

They kept on walking forward, but soon Junyi realized that something was wrong. He reminded them. "Crown Prince, something is wrong! The room is right in front of our eyes, and it would take only a few moments to arrive. But we have already walked for so long and yet we are still walking on the same spot!"

Junyi exclaimed in surprise as he walked so Zhou Huailing finally realized that something was wrong.

He looked as if he had been enlightened, as he saw the small room not far away from them. They had intended to walk into that room, but they had walked for so long and yet the room was still very far from them.

And... And they seemed to fail to feel that there was anything wrong. Instead, they just kept on walking.

Gu Ruxue got startled as well. She screamed. "It is sinister, let's leave, it is so sinister here!"

Junyi suggested that she should not speak, and he even threw a very serious look at the Crown Prince, who gagged Gu Ruxue directly and stopped her from talking.

She was so rude that she might even cause him harm!

Destiny Monk said that the Phoenix Girl should be from the Gu Family, and that she would be able to attract strange phenomena.

That meant that Destiny Monk must have made Gu Ruxue the Phoenix Girl.

If she kept saying that Destiny Monk was a sinister man, then it basically meant that the Phoenix Girl was sinister too. That was such a serious matter which should not be spread around.

Zhou Huailing noticed her improper behavior too.

He had a very nervous look on his face as he let out a sigh of relief. "Ruxue, not those words!"

Zhou Huailing looked very nervous, but he was feeling very happy too.

They had been seeking for Destiny Monk for the past half a year, and they had been wondering what Destiny Monk wanted. However, what did they know about Destiny Monk after all? They only knew very little.

However, at this moment Zhou Huailing finally understood how capable Destiny Monk was, and it was beyond his imagination.

Honestly...

Who was able to create such a mysterious riddle?

Zhou Huailing looked very joyful. So did Junyi next to him.

Junyi was very glad too. He almost believed that he was going to be more than a strategist for a King.

Instead, he was going to become someone beyond imagination.

And during the time when he cleared his mind.

Chapter 1087: Just a Monk

He had been very confused. He had no idea what was going on, except that he subconsciously headed towards that room.

Luckily, he was a strategist who was cautious about everything. That was why he concentrated his mind and jerked himself back to reality.

If not for his reminder, the Crown Prince and the Crown Prince Consort would still be inside the illusion.

He knew a little about diagrams, but Junyi did not think that what they had experienced was diagrams.

Junyi just could not believe what he had been through.

However, as long as they were clear about one thing – Destiny Monk was more than someone who knew about destiny. He was way more powerful and mysterious than they had expected.

When he thought about this, Junyi could not help but feel a little regretful.

Destiny Monk was not in the mood to meet anyway, and he even asked his gateboys to guard the door. He even tried to remind all guests not to see him.

They, as the guests, not only failed to listen to the reminders, but rushed in directly.

It was such impolite behavior towards Destiny Monk.

He wondered whether it would be a barrier for their future requests.

Despite the regret, they could do nothing to take back what they had done, and there was no use in feeling regretful any more. All that mattered was to solve this matter.

Zhou Huailing seemed to realize this point as well.

He asked guiltily. “Junyi, what do you think we should do?”

Junyi glanced about.

Destiny Monk’s room was not far from where they were, but they could not return. And then he turned around and saw that the gateboys were stopped under the control of his guards.

Junyi said to the gateboys with a regretful tone. “Destiny Monk is in strict meditation, and we should not have disturbed him. Please, is there any way for us to make up for our mistake?”

Gateboys were not very surprised by how Junyi reacted. One of them said calmly, “Since you don’t want to disturb the meditation, please leave now. Destiny Monk would not blame you for what you did.”

Junyi let out a sigh of relief. He looked at Zhou Huailing and said, “Crown Prince, let’s just leave.”

As he finished speaking, Junyi took the lead and decided to leave. Then they returned to where they started.

Zhou Huailing followed suit.

They were all shocked by what they had gone through.

It had taken them a long time before they realized that they were not at all moving. They must have been in an illusion.

Even Zhou Huailing did not dare to behave arrogantly at this point.

The gateboy said calmly, "If you want to meet Destiny Monk, you can do that after he finishes his meditation. We don't like to be disturbed when we are in meditation, so I am sorry."

"It is okay. We should not have rushed in to meet Destiny Monk, we are sorry," Zhou Huailing apologized.

The gateboys nodded, and said nothing more. They all returned to where they had been standing, showing no expression on their faces.

Zhou Huailing threw a look at the room and asked Junyi. "What should we do, Junyi?"

Junyi did not dare to say anything more but whispered. "Crown Prince, let's just get off the mountain now."

Zhou Huailing nodded.

They all went downhill without saying anything more.

They had just walked out of the temple and let out a sigh of relief when Gu Ruxue complained in annoyance, "It is just a monk."

Zhou Huailing's eyes widened when he heard her words.

Chapter 1088: A Familiar Silhouette

He went up to gag Gu Ruxue's mouth.

Gu Ruxue was the Phoenix Girl, if she was not, he would have slapped her directly. She was just talking as if she feared nothing.

Destiny Monk was not just a monk. They had all witnessed what they had been through so Destiny Monk was just like a deity. He was not just a monk!

They had already disturbed Destiny Monk, and if they kept speaking bad about him, something bad would happen to them sooner or later.

Zhou Huailing could not possibly allow Gu Ruxue to ruin him just because she was ignorant.

Gu Ruxue was the Phoenix Girl, but Zhou Huailing still felt really annoyed. He lectured with a low voice, "Ruxue, he is the Destiny Monk, so you must not say anything bad! Otherwise you will never keep me company out in the future!"

Zhou Huailing looked really furious.

Gu Ruxue cringed her neck and said nothing more. She did not dare to say anything bad about the Monk either.

However, she felt extremely annoyed when teased. She was the Phoenix Girl so she should not be mocked or teased. That was why she made those complaints. Well, she was not going to lecture him any more.

She felt very guilty as well, so she said nothing more.

She nodded in silence.

Only then did Zhou Huailing feel slightly better.

He said nothing more about Gu Ruxue.

Destiny Monk could know destiny and Ruxue was the Phoenix Girl!

1

Anyone who could get the Phoenix Girl would get the whole world. However, they had not yet had children. Zhou Huailing was feeling very uncertain inside his heart. He just could not behave over the top, because when the secret became known to the public, someone might come to steal Ruxue from him.

Now the incident was over.

Zhou Huailing thought for a while and said, "Junyi, just go and arrange for someone to wait here until Destiny Monk finishes his meditation. I have to know instantly when he comes out."

"..."

"Ruxue, I need to report the situation back to father, so you should go back to the Crown Prince Mansion first. Don't idle around alright? Just stay at the Mansion and do nothing, understand?" Zhou Huailing stressed.

Gu Ruxue nodded.

She was not following the court at all. She was very annoyed too, so she did not want to visit the court.

The Crown Prince was going to meet the King and she could only stay behind the court where she had to meet Honored Princess Jing and the Empress Dowager. She kept talking about letting Ruxue get pregnant, whilst the Empress Dowager did not seem to like her at all. So she did not want to go into the court.

She was going back to the Crown Prince's Mansion...

However, on the way there, Gu Ruxue thought for a while and said, "Go to the Gu Mansion first."

No one dared to counter her order, so the wagon went directly to the Gu Mansion.

Gu Ruxue was the Crown Prince Consort, so the whole Gu Mansion treated her respectfully.

Gu Ruxue was already used to that.

She turned around and decided to speak with her mother at Pear Garden.

Suddenly... she saw a very familiar silhouette.

Chapter 1089: Nope

Gu Ruxue showed a look of sneering. She looked directly at Gu Xiuying

Honestly...

She had not seen Gu Xiuying in a long time. In the past, she would not have spared a look at Gu Xiuying, but today, Gu Ruxue was very glad. So she headed directly to Gu Xiuying instead.

Gu Ruxue already saw her yet Gu Xiuying had not yet moved.

Instead, she showed a flattering smile and greeted Gu Ruxue politely. Gu Xiuying bowed when they were still one meter apart. "Greetings, Crown Prince Consort!"

Gu Ruxue threw a calm look at her.

She did not say a word upon seeing her greetings. Instead, she just sized her up.

Gu Xiuying must have spent some effort in getting herself dressed up today. She was wearing a red blouse, which was made of nice cloth, but Gu Ruxue could tell that the material for the clothes was of the lowest quality, which was given to the third concubine. She was also wearing very heavy makeup.

However, Gu Xiuying was not a good-looking girl, and she did not inherit the best looks of her father. She just looked like her mother, very ordinary.

Gu Ruxue felt very good after seeing Gu Xiuying, but she still wore an arrogant look on her face. She said calmly, "Just get up, we are sisters, no need to greet me so formally."

Then she turned to Pear Garden.

Gu Xiuying had a very complicated look on her face upon seeing Gu Ruxue leaving.

Gu Ruxue had been the most adored miss in the whole mansion, despite the fact that she was not the lineal daughter. She had always been treated as the real lineal miss.

She was not convinced. She always believed that she would not be worse than she was, but Gu Ruxue was so lucky that she always had a smooth life.

She thought that at least, she should be better than the ugly Gu Chaoyan, but Gu Chaoyan got engaged to a lord!

Therefore, Gu Caiqin was the only lady left in the mansion apart from her, and Gu Xiuying thought that she should be better than Gu Caiqin. So she kept dressing herself up and went to different banquets in the name of Gu Mansion, hoping that she could marry someone good, but she had not found any suitors after such a long time.

She felt so twisted inside after seeing Gu Ruxue.

She clenched her fists and left with her maid.

Gu Ruxue was already at Pear Garden by this point.

Seeing Gu Ruxue here, Mrs. Gu showed extreme joy. Ruxue was the hope of their mansion and as long as Ruxue was doing well, their mansion would continue to flourish.

Gu Ruxue became the center of the whole Pear Garden.

Gu Ruxue was very satisfied, so she wore a smile on her face as she sat down arrogantly.

She said, "I saw Gu Xiuying on the way here."

"..."

"Gu Xiuying is soon becoming an adult right? Has she found a suitor?"

Mrs. Gu heard what Gu Ruxue said about Gu Xiuying and said indifferently, "Of course not. But I have other plans."

Chapter 1090: Bad Thing

"Gu Xiuying has become an adult, but she is not in a hurry to marry anyone, because you, Ruxue, are the one that brings honor to the flourishing Gu Mansion, and your Elder Brother is working for the Crown Prince too. Everyone is contributing to the Gu Family. Gu Xiuying is the Third Concubine's daughter and she is enjoying the flourishing life you have created for her, so she needs to make contributions as well."

"..."

"Therefore, her marriage isn't that hurried. You can find her a suitor when you need her in the future. You don't need her at the moment, so she is not in a hurry to get married."

"..."

"Is it her honor if we can use her? Gu Xiuying won't be able to marry anyone, if we don't need her."

"..."

"What do you think, Ruxue?"

When she was done with her speech, Mrs. Gu turned to Ruxue and asked what she was thinking.

Ruxue did not ask about Gu Xiuying's marriage, but since she mentioned it now, Ruxue's idea should be taken into full consideration.

Gu Ruxue had no plans of her own. She just asked since she ran into that girl today.

She was happy about how her mother arranged Gu Xiuying's marriage, and she had no other ideas either.

However,...there was one more point.

Gu Ruxue reminded her. "Just do as you want, mom, but you have to remember not to find her a good suitor. She is just a concubine's daughter so she doesn't deserve anyone good."

"Of course." Mrs. Gu responded.

Although Gu Xiuying was never going to find someone better than Ruxue's husband, Mrs. Gu never had the intention of finding her a good suitor either.

She was born by a concubine! Only her own daughter Ruxue deserved the best things.

Gu Caiqin and Gu Xiuying were not big threats for her, because they were both under her control. She could arrange their future in any way she wanted, but Gu Chaoyan was a threat.

Gu Chaoyan was born by Ms. Lin, who was the woman she had resented most in her life.

She never let Ms. Lin have a good life, nor would she allow her daughter to have a good life.

She had been in charge of Gu Chaoyan before, but for some reason, Gu Chaoyan became capable and found her own way out!

However, that was not the end. She still believed that the woman was under her control.

Mrs. Gu showed a serious look on her face.

She looked very ferocious.

She turned to Gu Ruxue and whispered. "Ruxue, just ignore Gu Caiqin and Gu Xiuying for the moment, they are under my control, but Gu Chaoyan is at large."

"..."

"She is engaged with Lord Huai and moved out of Gu Mansion, but we can still do something about her!" Mrs. Gu said sinisterly.

When Gu Chaoyan was mentioned, Gu Ruxue also felt really furious.

She had been humiliated so many times because of the phoenix!

Gu Chaoyan might not have done that out of intention, well she did not expect that she dared to, yet she was humiliated after all, so she was going to take revenge on her.

Also, she was going to take revenge one after another.

She smirked. "Don't worry, Mom, we have a lot of chances to humiliate her. Madame Min is having a birthday banquet in a couple of days, and she is attending the banquet too, so..."

Gu Ruxue was talking happily, when a loud knocking sound arose suddenly. "Madame, something bad has just happened!"
