

Fantasy: I Did Not Raise The Divine Beasts Chapter 5

Chapter 5

“Then, let’s settle this matter now,” Xiao Changtian turned around and entered the room.

“Now?” Mu Jiuhuang’s cheeks flushed red, and she was flustered.

...

She didn’t think that senior would want it now. Was it appropriate to do it in broad daylight?

However, since it was an order from the senior, she couldn’t refuse.

She could sacrifice anything for the Supreme Dao, not to mention her body. Immortal cultivators never cared about these empty things!

She tiptoed after him and gently closed the door.

Bang! Bang!

The sound of the door closing made Mu Jiuhuang’s heart hammer.

“Not bad,” Xiao Changtian praised. She even knew that this kind of thing needed the door to be closed. Otherwise, it would not be good if someone saw them doing it.

“Thank you, senior,” Mu Jiuhuang’s face flushed red after being praised.

When the two of them entered the room, Mu Jiuhuang was at a loss.

“Is senior coming? Should I move by myself? Or should I wait for the senior to make a move?”

As the Empress, she didn’t care about her appearance and pursued the Supreme Dao with all her heart.

But this was also her first time!

“Why are you lowering your head?”

“You’re not going back on your word, are you?”

Xiao Changtian looked at Mu Jiuhuang, who had her head lowered and was shaking slightly. He was puzzled. Was this woman toying with him?

“No, Jiuhuang has no regrets.”

Mu Jiuhuang thought Xiao Changtian was angry, so she lifted her head and said firmly.

“You have to think carefully. I didn’t force you. You wanted to be my maid.

I’ll give you another chance to think about it. After today, you won’t have the opportunity to regret it.”

Xiao Changtian said in a deep voice.

Women were troublesome. They said one thing and meant another!

“You said you’d be my maid, but now you’re wavering. I’m not one of those tools you’re playing with.”

Xiao Changtian’s face was gloomy as he sat down and thought.

“This person!

I have saved her, yet she came to pester me. She couldn’t agree to even such a small request?”

Xiao Changtian was very depressed. He picked up the teapot and took three big gulps before feeling his anger calm down.

“Senior, I’ve thought it through. I won’t regret it!”

Mu Jiuhuang adjusted her emotions and walked before Xiao Changtian.

“You’ve thought it through?” Xiao Changtian asked again.

Mu Jiuhuang nodded.

“Okay, then go to the bed and lift the blanket.” Xiao Changtian said.

“Yes.” Mu Jiuhuang nodded and used her vital spirit to suppress her anxiety. She walked to the bed and lifted the quilt.

Then, she took off her shoes, revealing her beautiful, white, and jade-like feet. Her feet were emitting waves of fragrance!

Mu Jiuhuang’s feet tapped lightly as she walked up to the big bed. She began to take off her red dress. The long dress slipped down, revealing her delicate collarbones and snow-white shoulders. Then, she covered them with the blanket.

“Senior, I’m done.”

Mu Jiuhuang closed her eyes and lay down as she spoke softly.

“Why didn’t you bring it over since it’s done?” Xiao Changtian, who was drinking water, was a little speechless. It was just an agreement. She could have brought it.

Xiao Changtian helplessly turned his head.

“Pfft!”

The tea in his mouth spurted out.

Xiao Changtian turned around and saw Mu Jiuhuang lying on the bed, blushing!

The aftereffects of being a virgin caused his blood to surge, and he almost fainted again.

“What are you doing?”

“Put on your clothes!”

Xiao Changtian quickly rebuked and turned his head away, not daring to look.

“Huh?”

When Mu Jiuhuang heard this, her pretty face turned pale, and she quickly put on her clothes again. A trace of joy flashed through her heart, but at the same time, she was a little disappointed.

“Could it be that senior doesn’t like me?” Mu Jiuhuang thought disappointedly.

“Senior, I’m done,” Mu Jiuhuang said as she stood by the bed, not knowing what to do!

“You’re really stupid,” Xiao Changtian put down the teapot and walked over.

Then, he stretched his body out from the bed. A piece of white paper covered with dense black words appeared in his hand.

“I’m asking you to take this contract. What are you thinking?” Xiao Changtian was speechless.

What kind of person was he? He was a gentleman!

What was in this little girl’s mind?

Then, Xiao Changtian handed the Phoenix Feather Brush to Mu Jiuhuang. “Since you’re willing to give up your salary, sign this contract, and you can stay as a maid.”

Mu Jiuhuang was shocked. “A... contract? ”

She thought that the senior wanted her to do that with him...

“That’s right. It’s a contract. The contract is the proof. What if you go to the government to sue me for not paying my salary after being a maid for two days? Then wouldn’t I be severely punished?”

Xiao Changtian explained.

“The government?”

“Salary?”

Mu Jiuhuang was stunned as she thought.

“Senior is asking me to give up my salary and not my...?”

Just this?

I was already prepared to take it off, and you’re telling me this?

That's true. Senior, you've hidden in the mortal world and returned to your true self. The mortal world has refined your heart, and everything you do is the actions of an ordinary person."

"Senior, I'll sign it now."

Mu Jiuhuang picked up the Phoenix Feather Brush and signed the contract.

After signing the contract, Xiao Changtian carefully compared it again. After confirming there was no mistake, he stuffed the contract into his clothes.

"Mu Jiuhuang!"

"From today onwards, you are my maid. I'll call you Jiu'er."

Xiao Changtian kept the contract as he looked at her thoughtfully.

One more person meant more food. It didn't matter if he was alone. He could find something to fill his tummy.

But now he had a maid...

His life could not go on like this. He had to start making a living for two people's food. So, he pondered.

"Why don't I open a bookstore?"

The initial cost is too high. Although there are stories, it's easy to go bankrupt too. The risk is too high.

Then let's sell some calligraphy and paintings first to save up some capital."

Xiao Changtian flipped his bed and took out a dozen copper coins.

"Take ten copper coins to the town to buy some papers. You don't have to buy too expensive ones, as long as the quality is good."

"Then, use the remaining ones to buy steamed buns."

Mu Jiuhuang took the copper coins and nodded seriously.

Although she didn't know what the senior wanted to do, she just needed to complete her master's task.

Mu Jiuhuang went to buy papers.

Xiao Changtian began to build up his stall at home.

At the same time, a young man and woman walked into the Dayang town Inn.

The man and woman were teasing each other.

The man wore a white brocade robe. He had sword-like eyebrows and bright eyes. He was handsome and had a long black sword at his waist. Even though he looked worried, the arrogance in his eyes could not be hidden.

The woman was wearing a long black lace dress. She was young, and her body had not fully developed. There was even some baby fat on her fair and tender face.

However, one could tell at a glance that she was a beauty. In a few years, she would be devastatingly beautiful.

One was the head disciple of the Qingyun Sect, Huo Qingyun, and the other was the daughter of the sect master, Wang Luoli.

They walked into the Inn and headed to the counter.

“Boss, a superior room!” Huo Qingyun said.

“Okay!” The receptionist at the counter glanced at the two of them and cast a look as if he understood everything.
