

Divine King 1301

Chapter 1301: Sword Immortal Slash Heaven and Earth

The Mixed Element Sword pierced through the void like a decree of law suspended high in the sky.

It is said that the ancestors of the White Tiger Clan once used this divine skill to slay countless mighty beings in the Divine World.

It radiated strong metallic Profound Argumentation Waves.

"The Mixed Element Sword is a divine skill of our White Tiger Clan, and those who survive under it are as rare as phoenix feathers. Today, dying under this Mixed Element Sword, you can rest in peace." Yun Bai said proudly.

His body rose into the air, and all his surging Immortal Essence was poured into the giant Mixed Element Sword.

The golden waves emanating from the Sword Radiance seemed to be the sharpest force in the world, able to pierce through all void.

"The Mixed Element Sword is indeed powerful; I fear not many strong Earth Immortal Realm experts could withstand it, right?"

"Indeed, the power of this sword is so immense. The White Tiger Clan is one of the Four Divine Beast Clans with heaven-defying talent divine abilities, and this move is one of the top talent divine abilities of the White Tiger Clan. Now that the White Tiger is wielding it, Xu Nian is likely to find it hard to resist."

"The foundation of the White Tiger Clan is indeed impressive."

...

The surrounding crowd buzzed with discussions.

Bai Tianhan sat in the audience with a faint smile on his face.

He was very satisfied with the strength Xu Nian displayed.

"It seems Xu Nian has grown a lot over the years, but I wonder how he will face this sword." Bai Tianhan smiled to himself.

Even he had to admit Yun Bai's sword was indeed powerful.

The Mixed Element Waves on it had reached the Ninth Level of Profound Argumentation.

This sword already had an air of invincibility below the realm of Primordial Immortal.

So, regarding this sword, Bai Tianhan was also curious to see if Xu Nian could block it.

Xu Nian looked at the gigantic sword suspended in the sky, a slight smile appearing on his lips.

"Ninth Level of Wind Attribute Dimension Cutting Profound Argumentation, Ninth Style of Dragon King Drill, Sword Immortal Cutting Red Dust!"

Xu Nian shouted.

The Dragon King Cone before him instantly disintegrated, then reformed into an Immortal Sword.

It emanated immensely strong Dimension Cutting Waves.

"Humph, die!"

Yun Bai shouted.

He urged the Mixed Element Sword to rapidly press towards Xu Nian.

The gigantic Mixed Element Sword came crashing down from the Heavenly Dome with an unstoppable momentum.

Its terrifying aura passed through everything like a hot knife through butter, obliterating all.

If it weren't for the Emperor Star being protected by a Formation.

This sword would have pierced through and shattered the entire Emperor Star.

The surrounding spectators all felt their scalp go numb.

If this sword fell on them, they would be pulverized into a bloody pulp.

So strong!

The present Yun Bai truly was the pillar of the White Tiger Clan.

Murong Xue looked at the sword descending from the Heavenly Dome, her delicate eyebrows slightly furrowed, a hint of tension flickering in her eyes.

The slender jade hand in her sleeve was tightly clenched, her palms already sweaty, and she was unaware.

Qing Feng's eyes were aloof.

The talent divine abilities of their Four Divine Beast Clans were not something these ordinary folks could withstand.

These were peerless divine skills left by their ancestors.

"Tantai Xun Yan, your brother's avatar is likely to fall here." The President of the Emperor Chamber of Commerce looked at Tantai Xun Yan beside him and laughed.

Wrapped in red, with an ethereal aura already transcending the mundane, Tantai Xun Yan sneered disdainfully.

"You underestimate my brother too much. His wind attribute has already reached the Ninth Level, and this sword may not necessarily fall into a disadvantage." Tantai Xun Yan said smilingly.

"You have that much confidence in him?" The President of the Emperor Chamber of Commerce asked in surprise.

Tantai Xun Yan smiled silently, her beauty dazzling.

At this moment, her soul was already mostly stable.

It wouldn't be long until she could undergo Feathered Ascension.

With her two avatars, her cultivation had advanced rapidly compared to the past.

All of this was bestowed upon her by Xu Nian.

One could say that Xu Nian gave her a new life.

If not, entering the Immortal Realm with the Yin Yang Dual Body would undoubtedly have been a tragic fate.

"Die!" Yun Bai looked at Xu Nian beneath the giant sword, his eyes filled with mockery.

In his view, Xu Nian would eventually die under his sword.

This sword, he was impossible to withstand.

"Go!"

Xu Nian watched the descending giant sword, driving the Immortal Sword formed by the Dragon King Cone.

Directly crashing into Yun Bai's Mixed Element Sword.

"Boom!"

The two giant swords collided with the sky.

Terrifying waves burst forth like a meteor exploding.

The strong Immortal Essence Wave shook the entire Emperor Star with intense trembling.

"He actually blocked it?"

The surrounding crowd was shocked beyond words.

Unexpectedly, Xu Nian blocked this Mixed Element Sword?

"Impossible, how can an ant withstand my Mixed Element Sword."

Seeing Xu Nian actually blocking the sword, Yun Bai was immediately furious.

He directly entered his original form, with Immortal Essence crazily surging out of his body.

Urging the Mixed Element Sword, wanting to suppress Xu Nian completely.

Sure enough, with the increase of Yun Bai's Immortal Essence.

Xu Nian's offensive was also instantly suppressed.

Xu Nian looked at the Dragon King Cone, which was gradually unable to withstand.

Not only was he unafraid, but instead, a cold smile curved at the corner of his mouth.

"Enhancing Ninth Style of Dragon King Drill, Sword Immortal Slash Heaven and Earth!"

Xu Nian shouted loudly.

The Divine Demon Power within his body was also poured into the Dragon King Cone at this moment.

The next moment, the Dragon King Cone changed again.

Instantly bursting out with an immensely powerful wave.

Then the indestructible Mixed Element Sword actually began to crack.

"What?"

The surrounding crowd was immediately shocked and horrified.

The appearance of this fine crack, in everyone's ears, was like a thunderbolt.

"Impossible, this is absolutely impossible." Yun Bai's face was full of disbelief.

He could not imagine how the Mixed Element Sword he had formed was no match for an ordinary fellow's rear?

"Boom!"

Ultimately, the Mixed Element Sword shattered into pieces.

Turning into golden fragments, falling to the ground.

At the same time, a stray light pierced through Yun Bai's chest.

Even piercing through his Mid-grade Immortal Armor on his chest.

"No..."

Yun Bai let out a furious roar of despair.

However, the next moment, his entire being shattered directly.

Xu Nian's sword had already shattered his soul.

The next moment, he was utterly annihilated.

The Clan Leader of the White Tiger Clan immediately sprang up, revealing an expression of incomparable sorrow.

His own son was actually killed.

How could Xu Nian's strength be so formidable?

And the Dragon King Cone he wielded was at least a Top-grade Immortal Artifact.

Otherwise, it would be impossible to break the defense of a Mid-grade Immortal Armor.

"I will kill you!" The White Tiger Clan Leader yelled.

The next moment, he directly charged towards Xu Nian.

"Stop!"

However, before he could reach Xu Nian.

A remarkably beautiful figure suddenly appeared in front of Xu Nian.

With a single palm strike, she directly sent the White Tiger Clan Leader flying.

The aura was overwhelmingly domineering, proudly standing in the world.

The surrounding crowd looked at the suddenly intervening Tantai Xun Yan, each one shocked.

"The White Tiger Clan can't accept defeat, and still wants to kill someone from our Denor Empire?" The Denor Emperor also stepped through the air, his aura equally awe-inspiring.

The surrounding crowd finally understood at this moment.

Xu Nian actually had so many powerful supporters behind him.

The Four Divine Beasts Clans, which were initially restless, had no choice but to stand down.

Jiang Shengtian's killing intent surged.

Damn ant!

He absolutely couldn't let him continue flaunting so arrogantly.

Chapter 1302: Fairy Jiang Yao

The Denor Emperor and Tantai Xun Yan emerged.

Naturally, no one around dared to trouble Xu Nian anymore.

"In this round, Xu Nian wins!"

The president of the Emperor Chamber of Commerce stepped forward to announce.

Killing is allowed in the competition, so even if Xu Nian killed Yun Bai, it doesn't count as breaking the rules.

Therefore, the Four Divine Beasts Clan also has no recourse.

However, by killing the White Tiger, Xu Nian has thoroughly offended the Four Divine Beasts Clan.

"This Xu Nian guy is really something, not only does he have a Divine Artifact, but also a top-grade Immortal Artifact. In the Immortal Realm, he'd be a big fat sheep," Qingmu sneered.

A hint of greed flashed in his eyes.

Not to mention Divine Artifacts, even top-grade Immortal Artifacts are extremely precious in the Immortal Realm.

It's really enviable that this unascended Xu Nian can wield such precious weapons.

"Possessing great treasures yet not knowing to hide them, I fear he won't live long in the Immortal Realm," Nether Hai sneered.

The fact that Xu Nian possessed avatars and so many treasures made him feel a sense of imbalance.

If not for the rules of the Immortal Realm and it being inappropriate for him to act, he would have already gone up to rob all of Xu Nian's fortunes.

Jiang Yao frowned slightly.

Does this Xu Nian not know that there are so many strong beings from the Immortal Realm watching all this?

He has definitely offended the Ten Thousand Beast Mountain forces by slaying from the Four Divine Beasts Clan.

Even if he went to the Divine World, I'm afraid he'd find it hard to proceed.

Plus, with so many treasures, surviving in the Immortal Realm might be nearly impossible.

"Master!"

Xu Nian had already returned to Bai Tianhan's side.

"Not bad, I didn't expect your comprehension of Wind and Earth attributes to be this good, especially the Wind attribute. You've reached the Ninth Level of Profound Argumentation, one more step to the Law," Bai Tianhan said with a smile.

Xu Nian smiled.

His Earth Attribute Gravity Space had reached the eighth level.

The Wind Attribute's Dimension Cutting had also reached the ninth level.

And, of course, there's the Space Profound Argumentation.

The comprehension of Space Profound Argumentation wasn't low either, although it was only at the seventh level.

But compared to the eighth, or even ninth-level comprehension, it's not far behind in power.

"Master, is mastering the Law really that difficult?" Xu Nian asked.

He had heard from the Denor Emperor and others.

Breaking through to the Law Realm is extremely difficult.

Otherwise, they wouldn't have become Primordial Immortal-level powerhouses.

"Yes, comprehending the Law is difficult. Profound Argumentation is merely the most superficial aspect of the Law. Once you step into the Law Realm, you'll realize how vast the heavens and earth are, how boundless the Law Sea is," Bai Tianhan said with a laugh.

Whether it's Cultivation, Body Cultivation, or Cultivating Devils, ultimately, everyone needs to comprehend the Law.

Only by mastering the Law can one achieve the Great Tao.

Xu Nian was deeply moved.

Whether it's the Wentian Demon Sovereign or the Emperor Ye Tian, they're powerful because of their mastery of formidable Laws.

To the extent that the Emperor Ye Tian's comprehension is even beyond the Law.

As for what kind of realm that is, Xu Nian can't even imagine.

Xu Nian left the stage, and the battles continued.

However, the subsequent battles didn't interest him much.

So Xu Nian left with Bai Tianhan.

"Xu Nian, I've seen your strength. You might soon break through to the Law Realm and ascend to the Immortal Realm. I am at ease now," Bai Tianhan said with a smile to Xu Nian.

"Master? Are you?" Xu Nian felt a sense of unease.

"Yes, I plan to take a chance, but don't worry, I don't plan to act now. I still have matters to attend to. I'll come to find you later. If you're ever in danger, just break this Token, and I'll come immediately." Bai Tianhan said, handing a Token to Xu Nian.

Xu Nian looked at the Token in his hand, saying nothing.

He vaguely guessed that his Master planned to pay tribute to the deceased disciples of the Divine Demon Sect.

Thereafter, his Master would probably take his last gambit.

Openly opposing the Immortal Sect is incredibly dangerous.

Even Bai Tianhan can't guarantee his survival.

"Also, when you ascend to the Immortal Realm, you'll need this. I don't have much, but I can offer you some help," Bai Tianhan smiled.

Then he took out a Jade Bottle.

Inside the Jade Bottle was a crystalline golden liquid.

"What's this?" Xu Nian asked in surprise.

"Immortal Marrow, although only a hundred drops, it should be of great help to you," said Bai Tianhan.

"Immortal Marrow? Is it the Immortal Marrow that can condense an Immortal Embryo?" Xu Nian had obviously heard of Immortal Marrow.

The reward for this Immortal Order Competition included Immortal Marrow.

From the Denor Emperor and the major sects' regard for it, it's clearly very precious.

"Yes, it's Immortal Marrow. It's vital for immortals and important for us Divine Demons, but it's all controlled by several major forces, so when you enter the Immortal Realm, it's best to find a force to attach to, to have sufficient resources," advised Bai Tianhan.

"Understood, Master. Thank you!" Xu Nian respectfully accepted the Immortal Marrow, his eyes full of gratitude.

"Silly child, no need to thank your Master. Watching you grow, I have no regrets even if I die," Bai Tianhan smiled.

With that, Bai Tianhan's figure flickered, and he vanished into the air.

Xu Nian watched Bai Tianhan's departure, unable to calm down for a long time.

"Xu Nian, may I talk to you?"

Just then, a cold voice sounded.

Startled, Xu Nian quickly turned around to find an exquisite figure standing behind him.

Immortal?

Jiang Yao?

Xu Nian was utterly shocked.

He never expected this Immortal of immense descent to seek him out.

He already had some understanding of Shendang Mountain from when he broke through it.

"May I see the mark on your arm?"

Jiang Yao asked coldly, her tone still frigid but her eyes lacked the sense of aloofness.

"Sure!" Xu Nian very straightforwardly rolled up his sleeve, showing the sword-shaped mark.

This mark was left by Emperor Wujiang when he broke through Shendang Mountain.

Now it seemed that Jiang Yao's purpose was also related to Emperor Wujiang.

"So it is!" Jiang Yao was a little surprised upon seeing the mark.

"I didn't expect you to have gained Emperor Wujiang's recognition," Jiang Yao said in surprise.

"Who is this Emperor Wujiang to your Shendang Mountain?" Xu Nian asked curiously.

He originally thought Emperor Wujiang had already ascended to the Divine World and had little connection to Shendang Mountain.

But unexpectedly, the Immortal Realm was aware of this.

"Emperor Wujiang was the strongest Immortal Emperor of Shendang Mountain in hundreds of thousands of years and is my Grandmaster. Your recognition by him means the whole Shendang Mountain recognizes you. Would you like to join us?" Jiang Yao offered.

"Uh, doesn't your Shendang Mountain have enmity with the Dragon Clan? My essence contains the Dragon Clan's bloodline, will you accept me?" Xu Nian asked in surprise.

"That's not a problem. You're human, not Dragon Clan, we Shendang Mountain understand the difference," Jiang Yao replied.

Xu Nian nodded at this.

In this way, Shendang Mountain is indeed a good place.

"What benefits are there to joining your Shendang Mountain?" Xu Nian cunningly asked.

Jiang Yao frowned.

Others would be ecstatic to join our Shendang Mountain.

This guy still wants benefits?

Chapter 1303: Breaking Through to Primordial Immortal

Jiang Yao suppressed the displeasure in her heart and said coldly.

"Join our Shendang Mountain, and my master will accept you as a disciple. My master is the twelfth generation disciple of Emperor Wujiang of Shendang Mountain, and his strength has reached the Luoxian Realm. Additionally, you will receive fifty drops of Immortal Marrow. Of course, if you become my master's disciple, you can get another fifty drops of Immortal Marrow. As for Immortal Pills, Immortal Liquid, and Immortal Artifacts, these don't matter." Jiang Yao said proudly.

"Only fifty drops?" Xu Nian asked in surprise.

Jiang Yao immediately rolled her eyes.

"Fifty drops are already quite a lot. You must know that Immortal Marrow is extremely precious in the Immortal Realm. It takes one hundred Kunlun's Immortal Liquid to extract a single drop of Immortal Marrow, so how precious do you think it is?" Jiang Yao said irritably.

This guy actually thinks it's too little?

Keep in mind that when she joined Shendang Mountain, she only got fifty drops.

"Are they all First-grade Immortal Marrow?" Xu Nian continued to ask.

Jiang Yao almost went crazy with anger.

This guy actually wants more than first-grade Immortal Marrow.

In all her time at Shendang Mountain, she had never even seen second-grade Immortal Marrow.

What is this guy thinking?

"By this measure, the competition's rewards are quite generous." Xu Nian commented.

"This competition is being watched by several major forces in the Immortal Realm, so naturally, the rewards are substantial. Especially for the first place, which can get sixty drops of Immortal Marrow. That's an extremely generous reward." Jiang Yao said.

Xu Nian understood.

If he got first place and then chose to join Shendang Mountain.

He could get one hundred and sixty drops of Immortal Marrow at once.

The sum in the Immortal Realm is equivalent to a large fortune.

Seeing it this way, his master giving him one hundred drops of Immortal Marrow was indeed quite valuable.

"I'll think about it," Xu Nian nodded.

He did not immediately give an answer.

Jiang Yao was almost furious.

This guy is still considering it?

If it were any other cultivator in the Immortal Realm, they would probably be thrilled.

"Shendang Mountain is your best choice. You had better decide quickly. You possess a divine artifact, and the other forces may covet it. However, our Shendang Mountain absolutely will not, and will even protect you," Jiang Yao said haughtily.

"By the way, what are the nine great forces of the Immortal Realm?" Xu Nian asked curiously.

"The nine great forces of the Immortal Realm are: Shendang Mountain, Chaos Sky Palace, Fuyao Sect, Ten Thousand Beast Mountain, Ten Thousand Thunder Sect, Haotian Sect, Turquoise Pool, Tianjian Sect, Immortal Sovereign Hall, and the Earth Immortal Sect. Among them, the Ten Thousand Beast Mountain is a Demon Beast force, while the others are human forces." Jiang Yao said.

"How can the Demon Beast force be in the Immortal Realm? Shouldn't they be in the Demon Realm?" Xu Nian asked, puzzled.

"The Immortal Realm also has Immortal Beasts. Once they become immortals, they naturally stay in the Immortal Realm. Of course, the vast majority of Demon Beasts remain in the Demon Realm. The Three Realms are interconnected." Jiang Yao explained.

Xu Nian understood.

It seems the realms of Immortals, Demons, and Devils are not strictly separated.

However, traveling between the Three Realms is not an easy task.

"Alright, I'll consider your suggestion. After the competition, I'll give you an answer." Xu Nian said.

"I'll be waiting for your news." Jiang Yao said.

After speaking, her figure vanished from the spot.

Instant Teleportation!

Having mastered a law, Jiang Yao was clearly capable of instant teleportation in the Cultivation World.

Just like Bai Tianhan's master earlier.

"The Nine Great Forces of the Immortal Realm... it seems Shendang Mountain is indeed a good place to go," Xu Nian muttered to himself.

"Kid, that girl wasn't wrong; the other eight great forces in the Immortal Realm might covet your divine artifact, but Shendang Mountain would not," the voice of Wentian Demon Sovereign rang out.

"Why?" Xu Nian asked, puzzled.

"Because Shendang Mountain is a very special force. It has extremely strict rules prohibiting harm among its members. Anyone who breaks them faces severe punishment, worse than death. So in the Immortal Realm, Shendang Mountain is the most united force and the strongest," Wentian Demon Sovereign explained.

Xu Nian nodded in sudden understanding.

Shendang Mountain has such stringent rules.

Although all forces have rules against internal conflict, the punishments are not very strict.

So they tend to be harmonious on the surface, but full of schemes in secret.

But Shendang Mountain's extreme strictness ensures no one dares to have any crooked thoughts.

That's good; at least there, you can feel safe.

"By the way, Wentian Demon Sovereign, I haven't reached the Heavenly Immortal Realm yet. Can I absorb Immortal Marrow?" Xu Nian asked telepathically.

"Your main body and the Undying Devouring Sky Beast Avatar cannot, but your Divine Demon Avatar can," Wentian Demon Sovereign said with a chuckle.

"Huh? Why?" Xu Nian asked, surprised.

"Because your Divine Demon Avatar merges both body and soul, it's equivalent to a large Immortal Embryo. Immortal Marrow is used to strengthen Immortal Embryos, so your Divine Demon Avatar can fully utilize it, but given your current state, it can only absorb one drop at most." Wentian Demon Sovereign explained.

"One drop? That'll do; I'll give it a try," Xu Nian immediately decided to try absorbing Immortal Marrow.

He wanted to see just how powerful this Immortal Marrow was.

So he went straight to his residence.

Sitting cross-legged, he took out one drop of Immortal Marrow.

The golden Immortal Marrow emitted a golden glow, brimming with exceedingly dense Immortal Qi.

"Is this Immortal Marrow? I wonder what it will feel like to absorb it?"

Xu Nian muttered to himself.

Looking at the golden Immortal Marrow floating in his palm, his face showed a moved expression.

The energy contained in this single drop of Immortal Marrow far exceeded any Immortal Pill he had ever seen.

Even top-grade Immortal Pills might have more energy, but they aren't necessarily as pure as Immortal Marrow.

That's why Immortal Marrow is considered a treasure in the Immortal Realm; it's no joke.

Xu Nian thought for a moment and then without hesitation, put the drop of Immortal Marrow into his mouth.

The moment the Immortal Marrow entered Xu Nian's body, an overwhelming surge of Immortal Essence exploded within him.

This surge of Immortal Essence struck not only Xu Nian's body but also his soul directly.

At this moment, it felt as if Xu Nian's body and soul were hit by a flood.

Endless energy swept through every cell in his body like a storm.

"Boom!"

The power within constantly churned, producing thunderous booming sounds.

At that moment, Xu Nian felt as if his body was about to explode.

"Damn, this hurts, it's excruciating!"

Xu Nian felt as if his entire body was about to burst.

This sensation was stronger than a soul being torn apart.

"Quick, operate the Divine Demon Technique!"

Without hesitation, Xu Nian began to operate his Divine Demon Technique.

Frantically absorbing this torrent of power.

If not for his powerful body, he would have been torn apart by this energy.

"Boom!"

Late-stage Gang Immortal!

Peak of Gang Immortal!

In an instant, Xu Nian reached the peak of the Gang Immortal Realm.

"Boom!"

With one final mighty crash.

Xu Nian seemed to break through the restrictions of heaven and earth!

Instantly, he broke through to the Heavenly Immortal Realm.

Divine Demon Refining Body, breakthrough to the Heavenly Immortal Realm, indeed, the Heavenly Immortal Realm.

Though presently, Xu Nian has not yet comprehended the Law Realm, so he can only be considered a Primordial Immortal.

"Such a powerful feeling! I never thought my Divine Demon Avatar would be the first to break through to the Primordial Immortal Realm. Most importantly, my soul seems to have grown significantly stronger, and a touch of immortal charm has begun to emerge within me."

Xu Nian felt the changes in his Divine Demon Avatar, eyes full of excitement.

A single drop of Immortal Marrow had allowed him to break through to the early stage of the Primordial Immortal Realm.

Moreover, he felt that the power of the Immortal Marrow had not been fully absorbed, at least half of the power remained within him.

Now, his body's energy was almost saturated, so he could only absorb more next time.

With the Divine Demon Body at the early stage of the Primordial Immortal Realm, Xu Nian's power had reached a terrifying level.

Chapter 1304: Battle with the Azure Dragon

Just as Xu Nian's Divine Demon Avatar broke through to the Primordial Immortal Realm.

The tournament also reached a fever pitch.

Xu Nian's Undying Devouring Sky Beast Avatar finally took the stage.

"Whoosh!"

The Undying Devouring Sky Beast Avatar swept into the arena, and instantly the surroundings erupted in a flurry of discussions.

"He finally appears, but I wonder who his opponent will be."

"With his strength, there probably aren't many who can match him."

"Not necessarily; don't forget the Azure Dragon Clan's unparalleled genius Qing Feng hasn't appeared yet."

"Right, this guy previously killed the Vermilion Bird Clan's Red Soil and the Xuanwu Clan's Xuan Min. The Four Divine Beasts Clan is united; maybe Qing Feng has been holding back just to deal with him."

"Most likely, the Azure Dragon Clan against the Undying Devouring Sky Beast, it's really something to look forward to."

...

The crowd was instantly boiling with excitement.

Almost everyone had already guessed that the opponent of the Undying Devouring Sky Beast would be Qing Feng of the Azure Dragon Clan.

Xu Nian's Undying Devouring Sky Beast smirked slightly, seemingly in line with his expectations.

It seems Qing Feng intends to use this tournament as an opportunity for revenge.

He should be strategizing like Yun Bai, one dealing with his Divine Demon Avatar, the other with his Undying Devouring Sky Beast.

"Whoosh!"

Sure enough, a figure floated down, dressed in blue robes, carrying a supreme aura.

A dragon clan's majesty emanated from him.

The newcomer was indeed Qing Feng, the talent of the Azure Dragon Clan.

"It's really him, now this is interesting. But I heard the Undying Devouring Sky Beast is a natural enemy of the Dragon Clan, wouldn't Qing Feng be at a disadvantage?"

"A natural enemy? The Dragon Clan is so powerful, what natural enemy can they have? That's just a made-up tale. I've never even heard of this Undying Devouring Sky Beast."

"Exactly, the Dragon Clan is the most powerful race, how could they have a natural enemy?"

...

The discussion around continued incessantly.

Most people believed the Dragon Clan was so powerful that a natural enemy was unlikely.

Even though the Undying Devouring Sky Beast was strong, it wasn't potent enough to balance against the Dragon Clan.

Xu Nian naturally heard all these conversations.

The Undying Devouring Sky Beast is indeed the Dragon Clan's natural enemy, but that's when the Undying Devouring Sky Beast fully grows up.

Before the Undying Devouring Sky Beast reaches maturity, there is not much difference with the Dragon Clan.

Besides, in the Mortal World, the Undying Devouring Sky Beast is quite rare, so most people do not know about it.

"The Azure Dragon Clan's Qing Feng wants to kill the Undying Devouring Sky Beast? Looks like the last genius of the Four Divine Beasts Clan won't be able to hold on." Tantai Xun Yan gazed at Qing Feng on stage and coldly laughed.

"Oh? You have such confidence in this Undying Devouring Sky Beast? The Azure Dragon Clan's Qing Feng is much stronger than that White Tiger Clan's Yun Bai." The Emperor Chamber of Commerce's leader said in surprise.

Tantai Xun Yan chuckled and shook her head.

Much stronger?

That couldn't possibly be Xu Nian's match.

Her younger brother has three avatars, none of which are weak in strength.

Only after cultivating the avatar technique did one truly appreciate the strong points of avatars.

Although soul power is weakened, in insight cultivation, it surpasses having just one body.

Moreover, soul weakening can be remedied with medication.

Over time, the insight cultivation becomes stronger.

Her brother's strength has made him undoubtedly the number one among the young generation in the Cultivation World.

The leader of the Emperor Chamber of Commerce was puzzled.

It was understandable that Tantai Xun Yan had confidence in Xu Nian, as Xu Nian was her adopted brother.

But now Tantai Xun Yan actually had such confidence in this Undying Devouring Sky Beast, which was truly perplexing.

"Do you want so badly to kill me?" Xu Nian of the Undying Devouring Sky Beast asked Qing Feng.

"You killed Red Soil and Xuan Min, you deserve to die. You've tainted the lives of my Four Divine Beasts Clan, you must die." Qing Feng coldly replied.

"A 'must die,' do you really think you can kill me?" The Undying Devouring Sky Beast Avatar chuckled.

"Humph, killing you is simple. Do you really believe my strength is limited to what you've seen before?" Qing Feng said disdainfully.

His gaze towards the Undying Devouring Sky Beast was extremely contemptuous.

The pride of the Dragon Clan was fully displayed on him.

"Damn, this guy is really shameless. If he gets beaten down by Xu Nian later, I wonder how he'll cry then." Shi Guangxu couldn't help but curse.

"This guy is indeed a bit too arrogant. If he knew the Undying Devouring Sky Beast was also Xu Nian's avatar, I wonder what he'd think." Mei Ji similarly chuckled.

Others only knew the Undying Devouring Sky Beast killed Red Soil and Xuan Min.

But didn't know Yun Bai was also killed by him.

If Qing Feng were to die at Xu Nian's hands, the entire Four Divine Beasts Clan would explode.

"Go ahead, let me see how powerful you really are, you worm." The Undying Devouring Sky Beast Xu Nian said arrogantly.

The pride of Qing Feng made him quite displeased.

Whether it was Red Soil, Xuan Min, or Yun Bai, they were the ones who provoked him first.

They were allowed to kill, yet he was not allowed to counterattack.

The pride of the Four Divine Beasts Clan was truly nauseating.

Today, he would let the Four Divine Beasts Clan know he, Xu Nian, was not easily bullied.

"Humph, prepare to die!"

Qing Feng stepped forward, his figure flashed, and he was right in front of the Undying Devouring Sky Beast.

"Dragon Roar Palm!"

A palm strike came down.

A dragon roared!

The palm carried a powerful Immortal Essence Wave, directly roaring towards Xu Nian.

"So strong!"

The surrounding crowd expressed amazement.

The Azure Dragon Clan was indeed the most powerful; this palm was incredibly domineering.

Even without using Profound Argumentation, it was already invincible.

"Is this it?"

The Undying Devouring Sky Beast Xu Nian snorted coldly, a trace of contempt flickered in his eyes.

Then he directly struck a punch.

Also without adding any Profound Argumentation.

"Boom!"

A thundering explosion echoed.

"Crack!"

Qing Feng's arm was instantly broken, the sound of bone fracturing clearly audible.

"What?"

The surrounding crowd was shocked.

Qing Feng was of the Dragon Clan, and his physical body was unparalleled.

How could he be such an easy defeat in front of Xu Nian?

"Pft!"

Qing Feng's body was sent flying dozens of feet, only managing to stabilize himself at the end, staring at his broken arm in disbelief.

"This... how is it possible?" Qing Feng was filled with astonishment.

The strength of his physical body was always his pride.

Yet now, he had been punched and his arm broken?

"The Undying Devouring Sky Beast's physical body is this formidable? Stronger than the Dragon Clan?"
The surrounding spectators couldn't help but marvel.

The Undying Devouring Sky Beast Xu Nian stood proudly, gazing at the propelled Qing Feng with an incredibly haughty look.

The Dragon Clan is proud, but the Undying Devouring Sky Beast is even prouder.

"Your Dragon Clan may be noble, but in front of the Undying Devouring Sky Beast, all your nobility is worth nothing. Yes, I killed Red Soil and Xuan Min, but they brought it upon themselves. If your Four Divine Beasts Clan continues to pester, I will make you regret it deeply," the Undying Devouring Sky Beast's voice rang loud and clear across the entire square.

His vertical pupils looked towards the direction of the Four Divine Beasts Clan.

In his eyes was an unabashed arrogance.

The surrounding audience was shocked to their cores.

Heavens!

This fellow actually threatened the entire Four Divine Beasts Clan?

Is he crazy?

The Clan Leaders of the Four Divine Beasts Clan all had faces ashen and were incredibly enraged.

Chapter 1305: It's Time to Come Clean—I'm Xu Nian

The leaders of the Four Divine Beasts Clan all clenched their fists, their eyes filled with intense killing intent.

Too arrogant!

This guy hasn't even put their Four Divine Beasts Clan in his eyes at all, it's simply too much bullying.

When have they, the Four Divine Beasts Clan, ever suffered such humiliation?

"This guy is simply too much!" The Vermilion Bird Clan Leader shouted angrily.

His gaze towards the Undying Devouring Sky Beast was full of endless killing intent.

"I really want to slap this guy to death, such a arrogant and ignorant junior, it's the first time I've met."
The Xuanwu Clan Leader roared angrily.

Both the White Tiger and Azure Dragon Clan Leaders also had grim expressions.

If weren't for the rules of the competition, they would have really chosen to strike, killing the Undying Devouring Sky Beast before them.

Qing Feng was also filled with surging killing intent, clenching his fists, his eyes gleaming with a fierce light.

"Buzz!"

The arm that was broken by the shock from the Undying Devouring Sky Beast was restored in a short period of time.

Moving the newly grown arm, Qing Feng's figure also leaped into the air at this moment, standing opposite Xu Nian.

"Undying Devouring Sky Beast, I admit your bloodline is strong, but my Four Divine Beasts Clan is not to be trifled with either, that punch just now was my carelessness, now I won't let you succeed again."
Qing Feng said with a cold snort.

After speaking, a majestic momentum of Profound Argumentation surged from his body.

"Ninth-level Water Attribute Destruction Tide?"

The audience on the field all revealed looks of surprise.

Unexpectedly, Qing Feng had actually broken through to ninth-level water attribute.

"Is this your reliance? It's nothing much." The Undying Devouring Sky Beast Xu Nian sneered coldly.

Then he took a step forward.

The fluctuation of Space Tear Seven-level Profound Argumentation emanated from his body.

The momentum formed was in no way inferior to Qing Feng's.

"Hmph, today I'll let you witness the power of my Azure Dragon Clan's Water God Technique." Qing Feng snorted coldly.

Then he immediately activated the power of the Water Attribute Destruction Tide.

In an instant, endless seawater surged out.

Rushing seawater, forming entire nine water dragons.

Nine dragons roared, their thunderous cries shook the heavens completely.

"Go, Nine Dragons Roar Sea!"

With a loud shout, Qing Feng drove the nine giant dragons to directly assault the Undying Devouring Sky Beast Xu Nian.

Each dragon contained extremely powerful destructive power.

"So strong, is this the Azure Dragon Clan's Water God Technique? To actually conjure so many water dragons out of thin air?"

"Indeed, each of these water dragons contains the power of nine-level Destruction Tide, a flick of a dragon's tail is enough to shatter space, the power of these nine water dragons is simply unparalleled."

"The Azure Dragon Clan is indeed powerful, with Qing Feng's strength, under the Primordial Immortal, there are almost few who can be his opponents."

...

The surrounding audience discussed continuously.

All were amazed at the strength of Qing Feng's Ninth Level Profound Argumentation.

Standing proudly, Qing Feng watched the Undying Devouring Sky Beast being besieged by the nine dragons, his eyes carried a hint of ridicule.

The Azure Dragon Clan is the pet of the water attribute.

Having naturally strong ability to command water attribute elemental power.

The nine water dragons that he conjured with Ninth Level Profound Argumentation, their power is not something ordinary Earth Immortal Peak powerhouses can withstand.

So, if the Undying Devouring Sky Beast could block, he would also have to pay some price.

Xu Nian looked at the attacking nine dragons, his mouth curled into a light smile.

"Just this, and you want to kill me, you are too naive." The Undying Devouring Sky Beast Xu Nian sneered.

Then, with a loud shout, the Space Tear Profound Argumentation erupted.

Instantly attached to Xu Nian's fist.

"Boom!"

Xu Nian punched a water dragon.

At the next moment, the water dragon containing Ninth Level Profound Argumentation instantly exploded.

"What?"

The people around were shocked.

This Undying Devouring Sky Beast actually punched Qing Feng's water dragon to explode?

Qing Feng was also shocked.

This Undying Devouring Sky Beast actually broke his Nine Dragons Roar Sea?

"Boom boom boom!"

The Undying Devouring Sky Beast consecutively punched, one water dragon after another was directly exploded.

These water dragons, in front of the Undying Devouring Sky Beast, seemed so vulnerable.

"This Undying Devouring Sky Beast is so strong, is this Space Tear Profound Argumentation?"

"It should be, with each punch he makes, space is torn into countless fissures, really wonder what it would be like for someone to take this punch."

Everyone was in awe.

The power of Space Profound Argumentation really isn't just talked about.

It is only seventh-level, yet has such strong power.

With other Profound Argumentations, it would absolutely be impossible to achieve this.

"Space Profound Argumentation is really strong, when this Undying Devouring Sky Beast punches, the space power directly tore the water dragon, such a force, if struck on a person, it would be unimaginable." Haotian Sect Master said sentimentally.

"Indeed very strong." Hong Xi nodded.

She did not deny the strength of the Undying Devouring Sky Beast at all.

In her view, the biggest competitor in this competition would be Xu Nian, followed by this Undying Devouring Sky Beast.

"It seems your strength is nothing more than this." The Undying Devouring Sky Beast Xu Nian looked at Qing Feng and smiled.

Qing Feng's face turned ashen, eyes full of anger.

"Since you've already struck twice, now it's my turn." The Undying Devouring Sky Beast Xu Nian smiled slightly.

In the next moment, his figure disappeared from the place.

Reappearing, he was already behind Qing Feng.

"Instant Teleportation?"

The people around were shocked.

This Undying Devouring Sky Beast actually knows Instant Teleportation?

"Not Instant Teleportation, but Space Folding, but it can also be considered Instant Teleportation."
Someone explained.

Even so, the people around were still amazed.

Qing Feng was also stunned, he hadn't grasped at all how the Undying Devouring Sky Beast got behind him.

He immediately activated Ninth Level Water Attribute Profound Argumentation, a long sword appeared in his hand, and he swung his sword to strike at the Undying Devouring Sky Beast.

The Undying Devouring Sky Beast sneered coldly.

Earth Attribute Profound Argumentation suddenly exploded.

Earth Guardian abruptly appeared.

At the same time, Gravity Space Eighth Level Profound Argumentation erupted.

"Guiyuan!"

The Undying Devouring Sky Beast shouted loudly.

A punch was thrown, instantly striking Qing Feng's body.

"Boom!"

Qing Feng's figure instantly curled like a shrimp, then turned into a stream of light and crashed onto the defense barrier.

The entire defense barrier was pressed to deform, almost breaking.

"Puff!"

Qing Feng's blood spewed madly.

A huge blood hole appeared on his chest.

"Earth attribute? This... how is this possible?"

"This technique seems somewhat familiar, I've seen it somewhere before?"

"Of course, isn't this Xu Nian's technique? How does this Undying Devouring Sky Beast know it?"

...

The surrounding people discussed incessantly.

Their minds full of confusion.

The leaders of the Four Divine Beasts Clan all jumped up from their seats.

Looking at the Undying Devouring Sky Beast with incredulous eyes.

"Finally not hiding? Seems like my younger brother is planning to reveal his hand!" Tantai Xun Yan laughed, her face exuding an extremely seductive smile.

"What's going on, how does this Undying Devouring Sky Beast know Brother Xu Nian's technique?" Meng Xiyao asked with a face full of confusion.

Hong Xi didn't say a word, her face immersed in thought.

"I'm afraid this Undying Devouring Sky Beast is also one of Xu Nian's avatars." Haotian Sect Master couldn't help saying.

Upon hearing this, Meng Xiyao was stunned.

The Undying Devouring Sky Beast is Xu Nian's avatar?

How is that possible?

Chapter 1306: Talent Divine Ability

"Impossible, how could this guy also be an avatar of Xu Nian?"

Jiang Shengtian's eyes instantly filled with rage.

His eyes were filled with endless killing intent.

It was one thing for Wang Dong to be an avatar of Xu Nian.

Now, another Undying Devouring Sky Beast avatar emerges?

How could he possibly have so many avatars, and each one so formidable?

"The Undying Devouring Sky Beast is an avatar of Xu Nian?" Murong Xue's eyes flashed with astonishment.

She had always been following Xu Nian's movements.

She was already amazed by the strength Xu Nian had displayed.

If this Undying Devouring Sky Beast is also an avatar of Xu Nian, it's indeed too shocking.

Next to her, Jiang Shengtian saw Murong Xue's surprised face, his eyes filled with even more killing intent.

"This damned woman, she probably can't resist throwing herself into his arms, huh? Hmph, when I kill him, I want to see what expression you'll have, you damned woman," Jiang Shengtian roared inwardly.

He didn't care how many avatars Xu Nian had; no matter how many there were, he would kill them all.

Murong Xue could only be his.

How could a woman he set his eyes on be desired by others?

At this moment, Qing Feng was equally shocked, his eyes immediately furious.

"What is your relationship with Xu Nian?" Qing Feng nearly squeezed out the words through gritted teeth.

Though he had guessed that this Undying Devouring Sky Beast might be another avatar of Xu Nian.

He still found it hard to accept.

Because one Xu Nian was already strong enough, how could this Undying Devouring Sky Beast also be an avatar of Xu Nian?

How could Xu Nian possibly have so many avatars?

Standing on the viewing platform, "Wang Dong" chuckled lightly.

At this moment, he had returned to his true form, so many people were now looking at him.

When they saw the expression on Xu Nian's face, they all found him even more unfathomable.

"Since you want to know, it's no harm in telling you, yes, I am Xu Nian, and I killed Red Soil, Xuan Min, and Yun Bai," Undying Devouring Sky Beast Xu Nian said with a smile.

The moment these words came out, the entire place was filled with shock.

This Undying Devouring Sky Beast truly was an avatar of Xu Nian?

"Damn, this is too outrageous, three avatars entering the Immortal Order Competition at the same time, and all three breaking into the top one hundred?"

"This is something that has never happened in the history of the Cultivation World, right? Three avatars, if he hadn't exposed it himself, we'd probably still be in the dark."

...

The audience around them was filled with astonishment.

"Did you already know?" the President of the Emperor Chamber of Commerce asked Tantai Xun Yan.

His expression was very bitter.

If he had known earlier that the Undying Devouring Sky Beast was Xu Nian's avatar, he wouldn't have let it participate in the competition at all.

"Indeed, I've known for a long time. I have always said that my brother is extraordinary, but you didn't believe me?" Tantai Xun Yan said with a smile.

"So you also learned his Avatar Law?" The President of the Emperor Chamber of Commerce suddenly guessed something.

Suddenly shocked.

Tantai Xun Yan smiled without speaking.

The President of the Emperor Chamber of Commerce suddenly realized.

He finally understood why Tantai Xun Yan was protecting Xu Nian so fiercely.

If Xu Nian taught her the Avatar Law, it truly saved Tantai Xun Yan's life.

For years, Tantai Xun Yan had been unable to break into the Law Realm, and most people knew why.

But recently, he noticed that Tantai Xun Yan's aura was growing.

This indicates that Tantai Xun Yan had solved her Yin Yang Dual Body problem.

As a result, it wouldn't be long before Tantai Xun Yan would ascend.

...

"This Undying Devouring Sky Beast is Xu Nian's avatar, which means Xu Nian has two Divine Artifacts in his hands?" Qingmu squinted his eyes.

"This child seems to have substantial fortune, but this way, he will find it difficult to take a step in the Immortal Realm." Nether Hai sneered.

As they spoke, both he and Qingmu couldn't help but look at Jiang Yao nearby.

The latter frowned, eyes heavy with concern.

This Xu Nian actually had three avatars and also held two Divine Artifacts?

Where did this guy get such great fortune?

As such, if this guy joins Shendang Mountain, Shendang Mountain might also endure tremendous pressure.

"This child must die!" The Vermilion Bird Clan Leader of the Four Divine Beasts Clan roared in complete rage.

Xu Nian had killed three unprecedented geniuses from their Four Divine Beasts Clan in one go.

This feud cannot be easily forgotten, no matter what.

"Kill, he must be killed," the Xuanwu Clan Leader and White Tiger Clan Leader's eyes were equally filled with deep killing intent.

Just thinking about Xu Nian holding two Divine Artifacts, a strong greed flashed in their eyes.

The Green Dragon Clan Patriarch's face, however, turned somber.

He also really wanted to kill Xu Nian.

But once Xu Nian's identity is exposed, they might not even be able to kill him if they wanted to, and it might even bring disaster upon the Four Divine Beasts Clan.

"Let's watch Qing Feng's battle first," the Green Dragon Clan Patriarch suggested.

The leaders of the Vermilion Bird, Xuanwu, and White Tiger Clans had to suppress their anger.

Currently, the competition was ongoing, and there were Immortals present.

They really couldn't openly take action.

"Xu Nian, very good, it seems I have underestimated you. You have three avatars participating in the Immortal Order Competition, capturing three major places at once, quite a strategy," Qing Feng sneered.

The people around them all became angry.

Indeed, if Wang Dong hadn't been disqualified from the competition,

Xu Nian alone would have taken the top three places.

Imagine how many resources that would be?

This is clearly violating the rules of the competition.

"Trying to pin a label on me?" Undying Devouring Sky Beast Xu Nian chuckled lightly.

"The Immortal Order Competition doesn't prohibit avatars from participating. If your skills are lacking and you didn't get the corresponding rewards, it's your incompetence, what's it got to do with me?" The words of the Undying Devouring Sky Beast were extremely arrogant and presumptuous.

The majority of the cultivators were outraged, thinking Xu Nian too arrogant.

But some believed Xu Nian spoke the truth.

In this world, the strong do rule.

If you have the ability, you naturally can obtain more resources.

"Xu Nian participating with avatars does not violate the rules, the competition continues,"

At this moment, the President of the Emperor Chamber of Commerce spoke up.

The discussions around them finally ceased.

However, some people still looked displeased with Xu Nian.

But a majority harbored a sincere sense of awe and anticipation toward Xu Nian.

All three avatars could individually make it into the top ten.

If the three avatars combined, how strong would that be?

Qing Feng, hearing the President of the Emperor Chamber of Commerce, had to let it go, looking at Undying Devouring Sky Beast Xu Nian with killing intent.

"Make your move, use your Dragon Clan's Talent Divine Ability, otherwise, you won't have the chance to use it," Undying Devouring Sky Beast sneered.

The King Jing Sword appeared in his hand.

"Alright, since that's the case, let me show you the Talent Divine Ability of my Azure Dragon Clan, Dragon God Descent," Qing Feng shouted.

Then, his aura surged.

A massive Gray Dragon's shadow descended from the sky.

At the same time, an overwhelming pressure instantly filled the whole venue.

In an instant, everyone felt their hearts sink heavily.

A sense of awe rose from the depths of their hearts.

Is this the will of the Gray Dragon?

So strong!

Chapter 1307: Did Jiang Shengtian Enter the Law Realm?

The Gray Dragon coils in the air, dragon might descends upon the world.

Almost everyone feels a tremendous pressure.

The powerful oppression presses on the Undying Devouring Sky Beast like a mighty mountain.

It must be said that at this moment, the Undying Devouring Sky Beast feels as though it cannot stand in the air.

If it were an ordinary Earth Immortal Peak, they would definitely not withstand it.

"Hmph!"

Qing Feng snorts coldly, the sound like thunder.

The Divine Dragon behind him lets out a roar, its momentum astoundingly immense.

The terrifying pressure presses upon Xu Nian again, seemingly set to push Xu Nian down completely.

The audience turned pale, this Dragon God Descent is truly frightening.

Just the pressure is so terrifying; they can only imagine how powerful his techniques would be.

Xu Nian gazes at the giant dragon illusion in the sky, a sense of defiance rising in his eyes.

The King Jing Sword in his hand hums continuously.

"Die! Gray Dragon Sky Pillar!"

Qing Feng shouts loudly.

The Azure Dragon lets out a screeching howl, and the next moment, a giant heavenly pillar descends.

Breaking through the void, pressing down from above the firmament.

The Azure Dragon illusion adheres to the heavenly pillar, bringing with it earth-shattering power.

It seems intent on completely suppressing Xu Nian.

"Gray Dragon Sky Pillar? Isn't this the most powerful suppression Talent Divine Ability of the Dragon Clan, said to have been created by the Dragon Clan's Nine Prisons expert, possessing the power to annihilate all demons?"

"Indeed, it is very strong, even some Primordial Immortal experts may not be able to withstand this move."

...

The surrounding crowd gasped in awe.

All were shocked by the move Qing Feng deployed.

Xu Nian looks at the descending Heaven Pillar, and his fighting spirit instantly surges.

"Near Heaven-cutting!"

Xu Nian shouts loudly, the spatial power of the Undying Devouring Sky Beast attached to the King Jing Sword in his hand.

With one slash of the King Jing Sword, the world explodes.

The endless void collapses, crashing against the pillar of the firmament.

"Boom boom boom!"

The Gray Dragon Sky Pillar shatters and explodes in the sky.

Everyone stood aghast.

This Undying Devouring Sky Beast Xu Nian actually blocked this move?

The previous sword slash was incredibly terrifying.

He actually sliced through the void.

"These two's strength has likely reached the level of Primordial Immortal, incredibly strong." A strong Earth Immortal Realm onlooker remarked.

This battle clearly surpasses the scope of the Earth Immortal Realm.

"Impossible, you actually blocked it." Qing Feng said, his face filled with disbelief.

"There's nothing impossible."

But just then, a cold voice sounded behind Qing Feng.

Qing Feng's face changed drastically.

Without turning back, he spun around and swung his sword.

Yet Xu Nian's fist had already struck Qing Feng's chest first.

Gravity Space Eighth Level, Exhaustion.

This is the additional move born from Xu Nian's comprehension of the eighth level of Gravity Space.

With one punch, gravity crushes.

The power is even greater than Guiyuan.

"Pfft!"

Qing Feng's chest dragon scales shatter.

His entire body flies backward rapidly, all veins, organs being utterly destroyed.

Even his soul seemed unstable, as if it had suffered severe trauma.

However, Xu Nian did not stop there.

The Four Divine Beasts Clan wanted to kill him, then a brutal lesson must be given.

"Dimension Cutting Ninth Level, Wind Speed Kill, Divine Destruction!"

Xu Nian shouted fiercely, his figure flashed, directly following the flying Qing Feng.

The King Jing Sword in his hand, the Immortal Essence wave surging, killing intent to the heavens.

"Stop!"

Seeing this, the Green Dragon Clan Patriarch immediately sensed trouble.

Then he quickly attempted to move.

"Green Dragon Clan Patriarch, intervention in the competition is prohibited." The Denor Emperor's figure flashed, blocking the Green Dragon Clan Patriarch.

The Green Dragon Clan Patriarch was taken aback, then his eyes erupted furiously.

Qing Feng was not only a genius of their Azure Dragon Clan but also his son.

How could he just watch his son being annihilated?

"Take action!" The Green Dragon Clan Patriarch roared immediately.

The other three patriarchs instantly sprung up.

"I want to see who dares to intervene!" Tantai Xun Yan's figure appeared in the air.

His form split into two, one black and one white, an exceptional posture instantly suppressing the three patriarchs.

At this moment, Tantai Xun Yan was but a step away from the Tao Realm, and was at the Peak of Primordial Immortal.

Even the three patriarchs had to retreat.

"Intervention in the Immortal Order Competition is forbidden!"

Jiang Yao also spoke, her voice stern.

The Green Dragon Clan Patriarch's eyes were filled with intense reluctance.

But it was already too late.

Xu Nian was already beside Qing Feng.

"I'll fight you!" Qing Feng shouted, the dragon light inside him surged.

The next moment, he intended to ignite his dragon soul, transforming into his true form and perishing together with Xu Nian.

"You are not worthy!"

Yet Xu Nian snorted coldly.

The sword light in his hand slashed down like lightning, instantly killing Qing Feng.

The dragon head was chopped off.

Dragon blood stained the ground.

Everyone was astounded by this scene.

Their eyes were filled with intense shock.

This Xu Nian really killed the Azure Dragon Clan's prodigious genius.

"My son!"

The Green Dragon Clan Patriarch roared instantaneously.

Killing intent surging to the heavens.

Xu Nian stood with the sword in hand, his robe dyed red with blood.

Facing the Green Dragon Clan Patriarch, he showed no sign of fear.

"Brat, you killed the Four Divine Beasts Clan's four geniuses. Today, our Four Divine Beasts Clan shall issue an arrest warrant for you, sworn not to rest until you are dead." The Green Dragon Clan Patriarch shouted at Xu Nian.

His eyes towards Xu Nian were filled with killing intent.

Xu Nian sneered coldly.

"I'll kill any one of your Four Divine Beasts Clan that comes. Your threats mean nothing to me." Xu Nian replied dominantly.

He was not at all afraid of the Green Dragon Patriarch's threat.

All around, people were marveling.

This Xu Nian is extremely bold, openly opposing the Four Divine Beasts Clan?

Yet thinking about it, all their geniuses have fallen by Xu Nian's hand.

The Four Divine Beasts Clan shall certainly not stop at any cost.

"Let's go!" The Green Dragon Clan Patriarch said angrily.

Then he led his son's corpse, leaving Emperor Star.

Now that the Four Divine Beasts Clan had no more competitors, staying here held no significance.

"Congratulations to the Undying Devouring Sky Beast for winning the competition." The Emperor Chamber of Commerce's president stood out to say.

A burst of cheers immediately rang out around.

Jiang Shengtian witnessed the scene, his eyes narrowed completely, a chilly smile gracing his lips.

"Soon, Xu Nian, you won't be bouncing around for long. I will show you that I, Jiang Shengtian, am the true peerless talent."

...

The competition soon concluded.

Twenty-five individuals progressed to the next round.

The next round would be twenty-five advancing to ten.

This round was directly ranked by the spectators amongst the twenty-five strong contenders.

The top ten could advance directly.

Of course, those behind could also challenge those ahead.

Xu Nian was ranked fourth, while the Undying Devouring Sky Beast was fifth.

Ahead of him were Shen Tu, Jiang Shengtian, and Hong Xi.

Xu Nian did not mind the ranking, so long as he advanced.

No others challenged the top five including Xu Nian.

Considering their strength was evident.

No one thus issued challenges against them.

Murong Xue placed sixth.

Ultimately, the top ten were thus determined.

What follows is the final showdown.

Then the ultimate duel will take place.

However, before the final contest opened, something unexpected happened.

"Boom!"

A powerful law wave exploded across Emperor Star.

Suddenly attracting everyone's attention.

This indicates someone directly breaking through to the Law Realm.

"Is that the direction of Jiang Shengtian's abode? How can this be?"

"Jiang Shengtian broke through to the Law Realm?"

Everyone was drawn to the law wave.

Xu Nian's heart flashed with surprise.

This Jiang Shengtian breaking through to the Law Realm?

Does this mean he is about to ascend?

Chapter 1308: Jiang Shengtian's Unbridled Arrogance

Law waves spread, the entire Emperor Star shrouded in the radiance of these waves.

"Such a powerful Light Attribute, I didn't expect Jiang Shengtian had been hiding his cultivation. He, too, is a dual attribute comprehender."

"Indeed, Jiang Shengtian has always shown only his Thunder Attribute. During the second round of tower climbing, his Thunderbolt Destruction had reached the Eighth Level, yet he never used the Light Attribute. Now, who would have thought he is also a dual attribute comprehender?"

"Since he wanted to hide it, why is he causing such a massive disturbance now?"

"He must have just had an insight and breakthrough, actually triggering the laws. It seems he has reached the Law Realm."

"Reached the Law Realm? Then why hasn't he ascended?"

"He must have suppressed his cultivation, stuck at the Earth Immortal Peak."

...

People all around were discussing fervently.

Each one wore expressions of utmost astonishment.

Previously, they all thought Xu Nian was the dark horse in this competition.

But unexpectedly, it was Jiang Shengtian.

He had always been hiding his trump card.

"I didn't expect Jiang Shengtian to hide this move," Shen Tu appeared by Xu Nian's side without notice.

"Indeed a bit unexpected, with a Light Annihilation Attribute infinitely close to the Law Realm, he truly has the strength to seize the title," Xu Nian said with a smile.

To be honest, if Jiang Shengtian hadn't broken through temporarily, Xu Nian might really have suffered a big loss in battle against him.

After all, the gap between the Law Realm and the Ninth Level of Profound Argumentation is not minor.

"Afraid?" Shen Tu asked with a light laugh.

Xu Nian slightly smiled at the words.

"If I were afraid, I wouldn't be here participating in the competition. Besides, Jiang Shengtian and I are mortal enemies, to the death, fearing is useless," Xu Nian laughed.

"Haha, indeed, Xu Nian, while Jiang Shengtian has another move hidden, Hong Xi might also have one. So if you want to win the championship, it won't be easy," Shen Tu laughed.

"What about you?" Xu Nian countered.

"You'll know that in due time," Shen Tu said with a smile.

Xu Nian understood.

It meant Shen Tu also had his secret cards.

"It seems the final showdown won't be so simple," Xu Nian murmured to himself.

Whether it is Shen Tu or Jiang Shengtian, or even Hong Xi.

They should all be hiding their strength.

But even so, Jiang Shengtian must die without a doubt.

"Kid, Jiang Shengtian at the Law Realm, with your current strength, might be a bit tough."

Wentian Demon Sovereign's voice rang in Xu Nian's mind.

"I know, isn't there still three days until the competition? My strength should still have room to improve," Xu Nian said.

"Your Divine Demon Avatar has absorbed Immortal Marrow, its strength breaking through to the Primordial Immortal Realm, barely allowing you to battle Jiang Shengtian, but the outcome is uncertain," Wentian Demon Sovereign continued.

Xu Nian frowned slightly.

"Is the Law Realm really that formidable?" Xu Nian asked in surprise.

"Very formidable, the Ninth Level of Profound Argumentation and the Law Realm are just a step apart, but the Law Realm utilizes the Power of Laws, which is very powerful and destructive, theoretically, a person at the Early Stage of Heavenly Immortal can easily kill ten early-stage Primordial Immortals at the Ninth Level of Profound Argumentation," Wentian Demon Sovereign replied.

Xu Nian was stunned.

This power of laws was indeed terrifying.

No wonder, among so many powerful cultivators, with plenty at the Primordial Immortal Realm.

Yet very few understand the power of laws.

Jiang Shengtian being able to enter the Law Realm at this age, is definitely a proud son of heaven.

"Looks like I need to continue enhancing my strength."

Thinking of this, Xu Nian no longer hesitated, and directly went into seclusion.

The entire Emperor Star was in a huge uproar due to Jiang Shengtian's breakthrough.

...

Meanwhile, inside the residence of Tiancang Sect on Emperor Star.

Jiang Shengtian emitted an immensely powerful holy radiance.

The power of heaven and earth laws converged from the void into his Dan Sea.

Even though it was only a little, the fluctuations of this power of law were enough to make the sect masters of the Four Great Sects wary.

"Haha, good, Shengtian I didn't expect you to step into the Law Realm before me. Now you should easily clinch the championship in the Immortal Order Competition."

Tiancang Sect Master Fu Shengtian laughed heartily, his eyes filled with joy as he looked at Jiang Shengtian who was radiating holy radiance.

With Jiang Shengtian's breakthrough, the championship in this session of the Immortal Order Competition undoubtedly belonged to their Tiancang Sect.

Who can contend against the power of laws?

Murong Xue on the side frowned slightly, looking at Jiang Shengtian with extreme disdain in her gaze.

"It's just an Immortal Order Competition, I've never regarded it seriously, my goal is to be accepted under the Fuyao Immortal Emperor and become his direct disciple," Jiang Shengtian said proudly.

"Good, with your talent, I believe Fuyao Immortal Emperor will notice you, perhaps take you as a disciple," Fu Shengtian laughed.

Who is the Fuyao Immortal Emperor?

He is naturally the sect master of Fuyao Sect in the Immortal Realm, which is the celestial sect of the Tiancang Sect.

The strength of the Fuyao Immortal Emperor is ranked in the top ten in the entire Immortal Realm.

Once accepted under his tutelage, it would certainly be a meteoric rise with limitless future achievements.

Jiang Shengtian sneered, turning to look at Murong Xue.

"Junior Sister Xue'er, I ask you once more, would you be willing to become my Dao companion? If you are willing, you will be revered by thousands in the Fuyao Sect in the future." Jiang Shengtian looked at Murong Xue.

In his view, Murong Xue was sure to agree joyfully.

After all, his future achievements would definitely be at the Immortal Emperor level.

"No need, I don't want a Dao companion for now, and please don't call me Xue'er anymore in the future." Murong Xue said coldly.

"Bitch! Are you still thinking about that Xu Nian?"

Jiang Shengtian immediately flew into a rage.

A slap hit Murong Xue's face.

A bright red slap mark immediately appeared on her face.

"I don't want to be your Dao companion, it has nothing to do with anyone else, I just simply find you disagreeable, Jiang Shengtian don't think that just because you've broken through to the Law Realm,

you can do whatever you want, no matter how powerful or talented you are, in my eyes you are worthless," Murong Xue said coldly, looking straight at Jiang Shengtian with icy phoenix eyes.

Jiang Shengtian was filled with ire.

"Enough, no more bickering, Murong Xue you may leave," Fu Shengtian commanded.

Murong Xue heard this and didn't hesitate, she turned and left immediately.

Jiang Shengtian watched Murong Xue's departing figure, his gaze extremely sinister.

"That bitch, even after having her memory sealed, she still longs for that Xu Nian." Jiang Shengtian said through gritted teeth.

Jiang Shengtian never failed to get what he wanted.

"Shengtian, there's no need to fret over a woman, as long as you're strong, there's nothing you can't have. If you're truly uneasy, before you ascend, I guarantee Murong Xue will obediently lie on your bed," Fu Shengtian said with a cold laugh.

"No, I want to see her kneel and beg me with my own eyes, crying and asking me to take her as my Dao companion, that would be interesting," Jiang Shengtian snorted coldly.

If he wanted to use force, he could have easily had Murong Xue long ago.

But that would bring no pleasure to him.

Only when Murong Xue knelt before him, would the sense of accomplishment and conquest satisfy him.

"Then what are you planning to do?" Fu Shengtian asked.

"Simple, kill Xu Nian, once Xu Nian is dead, I'd like to see how long Murong Xue can keep her composure," Jiang Shengtian said with a sinister laugh.

His eyes were filled with intense malice.

"Indeed, with your strength, killing that Xu Nian isn't hard, this person indeed can't be left alive, especially since he's a descendant of the Divine Demon Sect, we might be able to get information about Bai Tianhan from him," Fu Shengtian nodded.

"Don't worry, before I kill him, I will perform a soul search on him, I want to see what secrets he's hiding," Jiang Shengtian said with a cold laugh, eyes full of disdain.

Xu Nian!

You won't live much longer!

Chapter 1309: Power Surge

"Master!"

Xu Nian's divine soul once again arrived at the Chaos Divine Palace.

At this moment, Emperor Ye Tian was sitting cross-legged within the Chaos Divine Palace.

Her face was peerless, with the majesty of a Divine Emperor faintly visible.

Back then, Emperor Ye Tian had exhausted a large amount of divine soul power to save him.

Although she had awakened last time, her divine soul had always been greatly depleted.

Now, thanks to this Chaos Divine Palace, her divine soul was stabilized.

Yet Emperor Ye Tian was still only a residual soul.

"You've come here because you've encountered some difficulties, haven't you? Speak your mind, why hesitate?" Emperor Ye Tian glanced at Xu Nian and said coldly.

Xu Nian felt somewhat helpless.

Emperor Ye Tian's temperament was still as fierce as ever.

"I want to defeat Jiang Shengtian, but Jiang Shengtian has now broken through to the Law Realm, and I may not be his opponent, so I wanted to ask if there is a way to enhance my strength within three days." Xu Nian asked.

He carefully thought it over and decided to inquire with Emperor Ye Tian.

After all, given her God Emperor level cultivation, she should have some good methods.

"A peak Earth Immortal who has broken through the Law Realm is giving you trouble? Uttering this is really shameful for me." Emperor Ye Tian said disdainfully.

Xu Nian immediately felt a bit awkward.

"With my current strength, it's possible to fight him, but I want a better chance of winning." Xu Nian said.

With his Divine Demon Avatar at the Primordial Immortal Realm cultivation, he still had hope to defeat Jiang Shengtian.

But merely hoping wasn't enough to guarantee victory.

The confrontation between him and Jiang Shengtian was a life-and-death battle.

"It's almost impossible to break through Insight Cultivation in a short time. Your insight realm has already progressed quickly, and as for your cultivation, even your Undying Devouring Sky Beast Avatar is still quite a distance from breaking through to Primordial Immortal." Emperor Ye Tian said.

Xu Nian nodded.

His Undying Devouring Sky Beast Avatar had already reached the peak of Earth Immortal.

But breaking through to Primordial Immortal wasn't an easy feat.

That's why he sought out Emperor Ye Tian for other possible solutions.

Of course, there's another way — deploying the Star Axe.

But Xu Nian didn't want to do that, as so many Immortal Realm experts were watching.

Using the Star Axe openly would only bring him certain doom.

"If you want to enhance your combat power, there certainly are ways. Just obtaining a powerful Immortal Realm Technique would suffice. Most Immortal Techniques are based on laws, but some don't require them." Emperor Ye Tian said.

"Immortal Technique?" Xu Nian's eyes lit up.

If he could truly acquire a powerful Immortal Technique, he might be able to contend with Jiang Shengtian.

"I happen to have a technique that's suitable for you, though it might take some time." Emperor Ye Tian said.

"What technique?" Xu Nian eagerly asked.

"Emperor Sword Technique!" Emperor Ye Tian replied.

"Emperor Sword Technique? What kind of Immortal Technique is this?" Xu Nian showed a slight expression of surprise.

The name of this technique sounded so domineering.

"This is a swordsmanship technique, consisting of only one slash, but its power is extremely formidable. Deploying this slash relies not on insight cultivation but on the amassed Emperor Seals. The more Emperor Seals accumulated, the greater the power." Emperor Ye Tian said.

After speaking, Emperor Ye Tian sent a ray of light into Xu Nian's mind.

The next moment, numerous pieces of information filled Xu Nian's mind.

"To form an Emperor Seal requires one Kunlun's Immortal Essence." Xu Nian suddenly wore an expression of shock.

Currently, the Immortal Essence within his Undying Devouring Sky Beast Avatar was not even one Kunlun.

And it would require a day's time.

Moreover, to perform the slash, at least three Emperor Seals were necessary.

This meant he may not be able to accumulate even one slash within three days.

However, the power of this Emperor Sword Technique was extremely frightening.

Emperor Seal stacking, one slash to sever immortals.

Even among Immortal Techniques, it was unquestionably top-tier.

"Kid, you've got time; don't forget you still have the Chaos Divine Palace." The figure of the Dao Tian Rat appeared before Xu Nian.

"But here the time flow is merely ten times that of outside. Calculating, it's only thirty days." Xu Nian said, frowning.

"Haha, now you have broken through to the Earth Immortal Realm and can open the second layer where the flow rate is a hundred times that of outside. Therefore, you will have three hundred days." The Dao Tian Rat laughed.

Xu Nian was startled.

Three hundred days?

That's equivalent to more than half a year?

More than half a year would be sufficient to elevate his strength to a higher level?

How could he forget such an important matter?

Thinking of this, Xu Nian entered the Chaos Divine Palace's second layer without hesitation.

Moreover, both his true self and Divine Demon Avatar entered simultaneously.

The true self focused on comprehending Wind Attribute Profound Argumentation, deepening the insight into Dimension Cutting Profound Argumentation.

The Divine Demon Avatar continued absorbing the power of Immortal Marrow.

And the Undying Devouring Sky Beast began attempting to coalesce Emperor Seals, cultivating this powerful Immortal Technique.

Emperor Sword Technique!

Outside time flowed normally, only three days had passed.

But inside Xu Nian's Chaos Divine Palace, a full three hundred days elapsed.

During these three hundred days, Xu Nian's strength surged significantly.

"Whew!"

The Undying Devouring Sky Beast Avatar exhaled slightly.

Within these three hundred days, he had mastered the Emperor Sword Technique.

And directly coalesced nearly a hundred Emperor Seals.

A hundred Emperor Seals — that equates to a hundred Kunlun's Immortal Essence.

Such a vast Immortal Essence power, mere strength alone could crush an early-stage Primordial Immortal expert to death.

The terrifying power for deploying the sword technique was unimaginable.

Even Xu Nian himself could hardly fathom.

"The Undying Devouring Sky Beast Avatar has also completely refined the Immortal Marrow, reaching the peak of early-stage Primordial Immortal, with a body comparable to a Low Grade Immortal Artifact." Xu Nian mused.

The hammering during these three hundred days had made Xu Nian's Divine Demon Avatar body extremely formidable.

Indeed, relying on the body alone, no one below the Primordial Immortal Realm could harm him.

Moreover, the Divine Demon Avatar had comprehended the Earth attribute's Gravity Space Profound Argumentation to the Ninth Level.

And comprehended the Earth Guardian to the Eighth Level.

As for the true self, his comprehension of Dimension Cutting hadn't reached the Law Level.

However, it had reached the pinnacle of the Ninth Level of Dimension Cutting Profound Argumentation, just one step away from Law Level.

More so, he had realized powerful sword techniques through Dimension Cutting Profound Argumentation.

Stronger than Immortal Sword Slash Hong Chen and Immortal Sword Slash Heaven previously applied using Dragon King Cone.

"It's time to go out; the feud with Jiang Shengtian and the Heavenly Court Gang needs to be settled." Xu Nian's eyes flickered with a hint of killing intent.

Following this, the Undying Devouring Sky Beast Avatar appeared outside.

The true self and Divine Demon Avatar remained in the Chaos Divine Palace to continue comprehending.

"Xu Nian, why are you here? The match is about to start, and I was looking for you." The Denor Emperor arrived at Xu Nian's place.

"I'm on my way." Xu Nian smiled.

Then he followed the Denor Emperor towards the arena.

"Xu Nian, if you encounter Jiang Shengtian, concede defeat. Ranking fourth is already quite good." The Denor Emperor thought for a moment and said to Xu Nian.

In his view, Jiang Shengtian had comprehended the Law Realm.

Even if Xu Nian was mighty, he wasn't considered a match.

"Rest assured, Emperor, I know where I stand." Xu Nian smiled.

Chapter 1310: The Finals Begin

Xu Nian didn't put much thought into Denor Emperor's words.

He knew Denor Emperor meant well.

After all, everyone would think he's not a match for Jiang Shengtian.

After all, the Law Realm is seen by everyone as almost invincible.

"Xu Nian, can I talk to you about something?"

At this moment, a figure Xu Nian didn't expect approached.

"Of course!"

Xu Nian looked at Murong Xue with a smile, mostly already guessing what she wanted to say.

Then followed Murong Xue to a secluded place.

"Xu Nian, Jiang Shengtian wants to kill you. If you encounter him in the competition, you should just concede. I know this might make you uncomfortable, but your life is more important, right?" Murong Xue said anxiously.

"Jiang Shengtian wants to kill me? Did he tell you this?" Xu Nian looked at Murong Xue and asked.

"Yes, I heard him say it myself," Murong Xue said.

She then instinctively touched her cheek.

Xu Nian's brows furrowed instinctively.

"Did he hit you?" Xu Nian immediately asked with a frown.

"Yes, but it's nothing, just a slap. It's all because of me that he has killing intent towards you, so don't confront him head-on," Murong Xue said.

A strong killing intent exploded in Xu Nian's eyes immediately.

A slap?

This Jiang Shengtian actually hit Murong Xue?

Though a slap might mean little to an Earth Immortal Realm expert.

But Jiang Shengtian hitting his woman, that he couldn't just let go.

"Don't worry, I know what I'm doing, I won't take risks," Xu Nian said with a smile.

As he thought, Murong Xue came to advise him not to confront Jiang Shengtian.

He just didn't expect Jiang Shengtian to have hit Murong Xue.

"Damn you, Jiang Shengtian, let's settle new and old scores together," Xu Nian thought angrily.

"Xu Nian, I have this soft armor with me. Though it's just a Low Grade Immortal Artifact, it can offer some protection. Keep it with you," Murong Xue said as she took out a piece of soft armor.

The soft armor still carried some warmth.

Xu Nian was slightly stunned.

This soft armor must be something Murong Xue kept close to her, yet she took out such a treasure for him.

This made Xu Nian feel somewhat touched instantly.

Even after losing memories, Murong Xue was still Murong Xue.

"No need, my Cloud Silk Robe is also a Low Grade Immortal Artifact and can provide some protection; keep your Immortal Armor for yourself," Xu Nian said with a smile.

Now his Divine Demon Avatar's physical level has reached the level of a Low Grade Immortal Artifact.

This soft armor is already unnecessary for him.

As for the Undying Devouring Sky Beast Avatar, though slightly inferior to the Divine Demon Avatar, its physical strength is still infinitely close to Low Grade Immortal Artifact.

Not to mention his Original Core is stored in the Chaos Divine Palace.

Forget Jiang Shengtian; even if Immortal Emperor or Divine Emperor came in person, they couldn't kill him.

As long as the Original Core remains undying, his body can be regenerated.

This is the heaven-defying characteristic of the Undying Devouring Sky Beast.

"But..." Murong Xue still seemed worried.

Xu Nian gave a slight smile, embraced Murong Xue's slender waist, and couldn't help but kiss her cheek.

Murong Xue instantly turned crimson.

She was secretly shocked in her heart, surprised she didn't dodge Xu Nian's embrace.

Seeing Murong Xue's blushing face, Xu Nian also showed a satisfied smile.

"Don't worry, I'll lift the seal on your memories to let you know our past," Xu Nian said.

Murong Xue was stunned again, finally nodded.

She trusted Xu Nian, a trust that came from deep within.

Murong Xue couldn't find the root cause, as if something in the depths of her soul told her to do so.

So upon seeing Xu Nian, she couldn't help but want to be close to him.

"Bitch!"

From afar, Jiang Shengtian saw Xu Nian embracing Murong Xue, his killing intent surged.

Previously rejected by Murong Xue as Taoist couple, now throwing herself to Xu Nian.

How could Jiang Shengtian not feel the urge to kill?

"No need to get angry, after today Xu Nian will be dead, and even if he isn't met in the competition, we can kill him afterward; your focus shouldn't be confined to him," Fu Shengtian said arrogantly.

Just a greenhorn.

Killing him is as easy as pie, isn't it?

"Of course, how could I confine my focus just to him? But some ants, though unobtrusive, hop around and really annoy you," Jiang Shengtian snorted coldly.

Looking at Xu Nian with utter disdain.

He never truly considered Xu Nian to be an opponent.

Xu Nian naturally felt Jiang Shengtian's killing intent.

In fact, embracing Murong Xue just now was intentional.

On one hand, he genuinely couldn't resist being close to her; on the other hand, it was a deliberate provocation to Jiang Shengtian.

He wanted to show Jiang Shengtian that Murong Xue had always been his woman.

Murong Xue felt a bit bashful and freed herself from Xu Nian's embrace, then ran away without looking back.

"Nice job, Xu Nian, didn't expect you to be a master at wooing girls, teach me some tricks someday," Shi Guangxu laughed teasingly.

Meanwhile, Mei Ji felt a bit disappointed.

Clearly, in Xu Nian's heart, she's far behind Murong Xue.

"Get lost, I'm expressing true feelings," Xu Nian couldn't help but curse.

"Bah, your true feelings are everywhere, really don't know what's good about you, why women like you so much," Shi Guangxu said disdainfully.

Xu Nian couldn't be bothered with his nonsense.

Turned to look at Hong Xi and Shen Tu.

At the moment, Hong Xi's presence was even more focused compared to a few days ago.

Shen Tu was too, with a heavier aura.

Clearly, these three days weren't wasted.

All had made progress.

Of course, no matter how much their presence changed, it couldn't compare to Xu Nian.

After all, Xu Nian had spent a full three hundred days.

"Dong!"

As a bell sounded.

Several figures flew from afar.

Leading them were those three immortals descending from the Immortal Realm.

Following them was the president of the Emperor Chamber of Commerce.

"The fourth round of the competition begins; now we'll proceed with the top ten showdown of this Immortal Order Competition, continuing the one-on-one duels, now drawing lots for the duels," announced the president of the Emperor Chamber of Commerce.

The next moment, the president waved his hand.

Ten tokens appeared in the air instantly.

Hong Xi, Murong Xue, and others all gestured with their hands, grasping a token, then drew it to themselves.

Xu Nian similarly drew two tokens back, one inscribed with four, the other with five.

Meaning Xu Nian's Divine Demon Avatar and Undying Devouring Sky Beast Avatar would be the fourth or fifth to appear.

"Wonder who my opponent will be?" Xu Nian pondered to himself.

Looking at the ten competitors, Xu Nian's mood was calm.

As long as it wasn't Murong Xue, he'd be fine.

"Now, contestants who drew number one please step forward."

At this moment, the president announced.

The next instant, two figures flew down from the stands, landing gracefully on the platform.

When the two figures appeared.

The entire audience erupted in cheers.

Xu Nian was also taken aback.

It turned out to be Hong Xi versus Murong Xue.

The duel between two great beauties, a sizzling start.

The entire audience was instantly thrilled.

Everyone was excited.

Though the duel between Hong Xi and Murong Xue might not be the strongest.

Both are renowned beauties and geniuses in the Cultivation World, drawing much attention.

"Wonder which of the two beauties from the Cultivation World is more powerful?"

"Certainly Hong Xi; though Murong Xue is strong, her cultivation time is short; in a true duel, she might not match Hong Xi."

...

The crowd all discussed passionately.

Each showed a look of anticipation.

The duel between two beauties, regardless of its intensity, made the competition enjoyable to watch.

"Murong Xue vs. Hong Xi?" Xu Nian could only smile wryly.

Actually, he also felt Murong Xue might not match Hong Xi.

Honestly speaking, given Hong Xi's ability, even now it's unclear to him.
