

Divine King 1321

Chapter 1321: Furious Charge Toward the Starry Dome

Xu Nian's figure was almost instantly teleporting towards the distant planet from Emperor Star.

His eyes were terrifyingly bloodshot.

This Tiancang Sect repeatedly challenged his boundaries, simply courting their own destruction.

"Tiancang Sect, Four Divine Beasts Clan, if anything happens to Murong Xue, I guarantee I will erase your two factions from the Cultivation World," Xu Nian nearly roared out these words.

At this moment, endless killing intent was breeding in his heart.

From the Tianhen Continent to the current Emperor Star, he had walked step by step.

Why did he do all this?

Wasn't it to see Murong Xue sooner, and find a way to help her restore her memory?

But there were always people blocking his way, hindering his path.

Jiang Shengtian did so!

Fu Shengtian also did so!

Now even the Four Divine Beasts Clan joined in the commotion.

Do they really think Xu Nian is weak and easy to bully?

Xu Nian's eyes grew deeper, the killing intent in his heart surged more violently.

Today, he will let the entire Cultivation World know what the consequences are for daring to touch Xu Nian's woman.

However, Xu Nian also knew that what awaited him was a monumental battle.

He couldn't do it alone.

Thus, Xu Nian directly took out a Communication Talisman and sent a message to the Denor Emperor and Tantai Xun Yan.

As for whether they would come, it was entirely up to them to decide.

Xu Nian thought for a moment and also sent a message to Jiang Yao and Bai Tianhan's Master.

After all, he had to beware of Nether Hai's existence.

Having done all this, Xu Nian now headed unhesitatingly toward the desolate planet.

...

At the same time Xu Nian was rushing towards the planet.

Currently, nearly a hundred people were gathered on this desolate planet.

Without exception, all these people were Earth Immortal Realm experts or above.

There were members of the Four Divine Beasts Clan with Divine Beast Bloodline, as well as disciples and Elders of the Tiancang Sect.

Even the clan leaders of the Four Divine Beasts Clan and the Tiancang Sect Master Fu Shengtian were present.

Of course, the most terrifying one was leading.

Naturally, it was none other than that late-stage Heavenly Immortal Nether Hai.

"Nether Hai Upper Immortal, if we kill Xu Nian, will the Taichu Immortal Emperor really not blame us?" The Azure Dragon Clan Patriarch asked a bit worriedly.

Although he really wanted to kill Xu Nian, he definitely didn't want to bring about a catastrophe for the clan just for killing one Xu Nian.

The patriarchs of Vermilion Bird, Xuanwu, and White Tiger clans also looked at Nether Hai.

Apparently, they had the same doubts.

"Rest assured, as long as I don't intervene, the Immortal Realm won't notice. He's dying in the Cultivation World, the Taichu Immortal Emperor wouldn't bother himself with you ants. Do you think the Taichu Immortal Emperor would lower himself to deal with you?" Nether Hai sneered.

If Xu Nian died before ascending and as long as he didn't interfere, the Immortal Emperor would just think Xu Nian wasn't strong enough, that it was his fate.

He wouldn't blame anyone.

The Immortal Realm has its own rules; a Master rarely interferes with a disciple's life or death.

Let alone someone who's just a registered disciple.

"That's good, as long as the Immortal Emperor doesn't blame us, Xu Nian is surely doomed today," the Azure Dragon Clan Patriarch sneered.

He was at the Peak of Primordial Immortal Realm, with insights already reaching the Ninth Level.

Besides him, the Vermilion Bird Clan, White Tiger Clan, and Xuanwu Clan leaders were all at the late-stage Primordial Immortal Realm, with insights also at Ninth Level.

The Tiancang Sect Master was similarly at the Peak of Primordial Immortal Realm, with insights at Ninth Level.

Besides these five great Primordial Immortals, there were also over a hundred Earth Immortal experts.

With such a formation, if they still couldn't kill Xu Nian, it would truly be a joke.

"Alright, set up the restrictions around here. As soon as he comes, activate them immediately; make sure he has no chance to escape," Nether Hai said blandly.

"Don't worry, I've already set up the restrictions. This planet is now only a one-way passage; if Xu Nian comes, he'll definitely not leave alive," Fu Shengtian said with a laugh.

"Besides, Xu Nian has three avatars in total, in case any are left in other places, we must find a way to continue the hunt," Nether Hai added.

The five great powerhouses nodded one after another.

Anyway, killing even one is worth it.

At least killing one avatar means Xu Nian loses a life.

"What about her?" The Azure Dragon Clan Patriarch pointed to the unconscious Murong Xue beside them.

"She is now taken as a disciple by the Yaochi Immortal King. Yaochi is not like Shendang Mountain; Yaochi is more protective. So it's best not to touch her. Of course, if you wish to play, you can, as long as it doesn't cost her life. Xu Nian is so devoted to her. If he sees his beloved woman being hurt, his Tao Heart will surely collapse, making it easier to kill him," Nether Hai said.

Upon hearing this, the five great powerhouses all had their eyes lit up.

Anything goes as long as Xu Nian can be killed.

"Qing Xu, come out, she's yours. Remember to let the Xu Nian see his woman in enchanting condition later." The Azure Dragon Clan Patriarch directly pointed out a young man in Earth Immortal Realm from the Azure Dragon Clan.

"Yes, Patriarch." The dragon clan youth's lips curved into a wicked smile.

Dragons delight in indulgence.

Murong Xue was so beautiful, he was naturally happy to do such a thing.

Moreover, it could provoke Xu Nian a bit.

After saying this, the young man walked to the unconscious Murong Xue.

Looking at Murong Xue's stunning face, he chuckled lightly.

In the next moment, he was about to undress Murong Xue.

"Stop!"

Xu Nian arrived in an instant, just in time to see this scene.

In a flash, a strong rage surged in his heart.

Despicable Dragon Clan!

You are seeking death!

Xu Nian's rage soared to the heavens, killing intent flooded the entire Star Domain.

At this moment, Xu Nian had only one thought in his mind.

Kill!

Kill all these vermin.

"So fast, since that's the case, then leave this to you all," Nether Hai glanced at Xu Nian and laughed softly.

After speaking, his figure vanished from where he stood, reappearing 100,000 kilometers outside the planet.

Proudly standing in the void, looking down below, as if watching a cricket fight.

Xu Nian saw Nether Hai leaving, but didn't bother.

After all, the priority was to kill these people in front of him.

"Xu Nian, you're finally here. Qing Xu, don't dawdle, act quickly, let Xu Nian have a good look," the Azure Dragon Clan Patriarch sneered.

"Yes, Patriarch!" Qing Xu sneered immediately.

"Xu Nian, I'll enjoy your woman first, then tell you how it feels after I'm done."

Qing Xu said to Xu Nian, and then continued to untie Murong Xue's belt.

As he untied, he sneered coldly at Xu Nian.

"Dragon Clan, I will wipe out your clan," Xu Nian roared.

Endless killing intent erupted.

The next moment, his figure sped towards Qing Xu.

"You have no choice now, attack!" The Azure Dragon Clan leader shouted.

Immediately, over a hundred Earth Immortal experts launched their attack on Xu Nian.

However, just as they were about to strike at Xu Nian.

Xu Nian's figure mysteriously disappeared from mid-air.

"Not good!"

The five great Primordial Immortal powerhouses immediately sensed trouble.

This Xu Nian's Space Folding rules have surprisingly reached the Seventh Level of Instant Teleportation.

"Pft!"

Qing Xu, who was just about to untie Murong Xue's belt, suddenly froze.

His neck appeared with a fine slit.

In the next moment, Qing Xu's head directly rolled to the side.

Xu Nian looked at the still unconscious Murong Xue and directly placed her into the Chaos Divine Palace.

"Xuer! I will kill you."

A dragon clan Earth Immortal Peak strong man shouted immediately and struck towards Xu Nian.

Xu Nian held the King Jing Sword, stained with Dragon Blood.

Standing proudly.

"Today, none of you will escape," Xu Nian said with extremely cold eyes.

He swung his sword, Sword Qi split out, sharp to the extreme.

"Pft!"

The approaching dragon clan expert barely approached and was sliced in half by Xu Nian's sword.

Blood burst.

The world was stained with blood.

At once, all those Earth Immortal Realm experts were shaken to the core.

This Xu Nian was incredibly formidable.

Chapter 1322: Bloodied White Robe

"Kill! Attack together!"

Someone shouted from the crowd.

In the next moment, over a hundred Earth Immortals directly charged at Xu Nian.

Attacks were launched simultaneously—Sword Qi crisscrossing, Sword Light tearing through the Void, Axe Light descending from above.

These attacks came at Xu Nian like a torrential storm.

Xu Nian's eyes bore a cold smile.

With a flip of his left hand, a Wind-breaking Pearl appeared in his palm.

One hand held the King Jing Sword, the other the Wind-breaking Pearl.

His eyes burst with an extremely potent Wind Attribute fluctuation.

At this moment, he was using the Divine Demon Avatar, with Gang Qi within him sharp beyond measure.

The strength of his physical body allowed him to ignore part of the attacks directly.

"Do you think you can kill me with just your numbers? You're courting death!"

Xu Nian's eyes also exploded with a fierce Killing Intent.

In his hand, the King Jing Sword swung, sending thin Green Sword Energy slashing through the air like cicada wings.

Every slice of Sword Qi ended the life of an Earth Immortal.

Screams and the sound of Sword Qi ripping through the air were unending.

Xu Nian battled numerous immortals alone, yet he showed no sign of falling behind.

Those Earth Immortal Realm attacks could not harm him in the slightest.

Some of Xu Nian's Sword Qi attacks, when aimed at the Void,

would directly penetrate the Void and instantly kill Earth Immortal Realm experts thousands of miles away.

The eighth level of Space Folding allowed him to easily transfer attacking Sword Qi.

Whether in defense or offense, Xu Nian's attacks were unfathomable.

"Not good, this guy's Space Folding is at the eighth level; long-range attacks might not be effective. Everyone, engage at close range." One expert noticed and immediately shouted.

All remaining Earth Immortal Realm experts thus rushed at Xu Nian.

"Close range attacks? Then you will only experience greater terror." Xu Nian's smile was cold and sinister.

"Dang!"

An Earth Immortal Peak expert attacked, slicing at Xu Nian's chest.

Yet his sharp sword left not the slightest scar on Xu Nian.

"Not good!"

The Earth Immortal was shocked and hurriedly tried to retreat.

Xu Nian smirked, and his King Jing Sword flashed, directly slaying the Earth Immortal Peak.

This scene repeated ceaselessly.

As for the five Primordial Immortals, they also engaged Xu Nian.

But Xu Nian was able to evade them, choosing not to engage them directly.

Instead, he focused on the mad slaughter of the surrounding Earth Immortals.

"Form up!"

"Nine Dragon Interception Formation!"

"Vermilion Bird Locking Sky Array!"

"White Tiger Sky Shattering Formation!"

...

Several Formations formed in the sky.

Strong figures from the White Tiger Clan, Vermilion Bird Clan, Azure Dragon Clan, Xuanwu Clan, and the Tiancang Sect quickly established them.

Some formed Defensive Arrays, some formed trapping arrays, and others formed powerful Sword Arrays.

Clearly, they intended to use combined Formations to intercept Xu Nian.

Xu Nian looked at each combined Formation, his gaze still proud and cold.

"Do you think you can kill me with these worthless combined Formations?"

Xu Nian wielded the Immortal Sword, and King Jing Sword Qi surged forth.

His body was already covered in blood.

Among this blood were the Dragon Clan, Vermilion Bird Clan, White Tiger Clan, Xuanwu Clan, and Human Clan.

Xu Nian at this moment stood like a Killing God, proudly in the air.

"Prepare to die!"

"Nine Dragons Slash!"

"Vermilion Bird Binding!"

"White Tiger Roar!"

"Tiancang Sword Array!"

...

A series of voices rang out.

Five great Formations attacked Xu Nian simultaneously.

They directly sealed all routes of escape for Xu Nian.

The five Primordial Immortals also stationed themselves in five directions, preventing Xu Nian from using Space Law to flee.

Seeing this, a strong bloodlust surged in Xu Nian's eyes.

"Since you lack compassion, don't blame me for being ruthless." Xu Nian's eyes were filled with madness.

The King Jing Sword in his hand burst with intense Sword Qi.

A hundred Emperor Seals merged directly into the King Jing Sword.

These Emperor Seals were condensed by Xu Nian himself using Immortal Liquid.

On the journey here, Xu Nian had already begun preparing.

The Undying Devouring Sky Beast Avatar and the main body simultaneously condensed the Emperor Seals.

In the outside world, only a few hours had passed, but inside the Chaos Divine Palace, several days had gone by.

"Emperor Sword Qi, break!"

Xu Nian shouted.

One sword stabbed out, Sword Qi shattering the air.

Instantly, it broke the Xuanwu Clan's Formation defenses.

"Ah!" Xuanwu Clan experts screamed in agony.

This horrifying Sword Qi directly annihilated them.

The same fate met the Vermilion Bird Clan, White Tiger Clan, and Tiancang Sect.

Their attacks were utterly shattered by Xu Nian's Emperor Sword Qi.

"Puchi!"

This one sword killed over twenty Earth Immortals.

Now, only twenty-some experts remained of the Four Divine Beasts Clan and Tiancang Sect.

"Worthless!"

In the Heavenly Dome, Nether Hai couldn't help but curse.

More than a hundred Earth Immortals, five Primordial Immortals, yet they still couldn't kill Xu Nian.

On Emperor Star, countless experts trembled.

Clearly, they had long sensed the battle fluctuations here.

When they explored the area with their Spiritual Sense, the scene here shocked them all.

The ground was littered with Earth Immortal corpses; the entire star was riddled with scars.

Yet Xu Nian was still alive.

"This Xu Nian is too strong; no wonder the Immortal Emperor favored him."

"Indeed, killing nearly ninety Earth Immortals in just fifteen minutes—it's hair-raising just thinking about it."

...

Everyone marveled.

They were all astonished by Xu Nian's terrifying combat prowess.

Especially that last sword; now they finally understood why even Jiang Shengtian couldn't withstand it.

It was simply too terrifying.

The Clan Leaders of the Four Divine Beasts and Fu Shengtian from Tiancang Sect also furrowed their brows.

This Xu Nian slipped like an eel, fighting evasively without direct confrontation.

Yet he had slain so many experts, which made them gnash their teeth in frustration.

Even if victorious in the end, their losses would be exceedingly grave.

"You retreat, we'll take over." Azure Dragon Clan Leader roared immediately.

He knew these Earth Immortals would be mere cannon fodder if they attacked, serving no purpose.

Rather than this, it was better to lessen their casualties.

"Alright, we'll act; you retreat." Tiancang Sect Master also commanded directly.

At once, Earth Immortal Realm experts retreated.

The five Primordial Immortals directly closed in on Xu Nian.

"Hmph, the dignified five Primordial Immortals dealing with a junior, you truly are shameless."

Yet just then, a cold hum sounded.

Next, an exquisitely beautiful figure appeared in the Void.

"Tantai Xun Yan, this isn't your concern, you'd best not interfere." Fu Shengtian frowned upon seeing Tantai Xun Yan.

"Hmph, Xu Nian is my acknowledged brother; you're trying to kill him—can I just sit back and watch?" Tantai Xun Yan sneered.

With that, her form flashed, splitting into two.

One black, one white, both Avatars at the Peak of Primordial Immortal.

Fu Shengtian and the Clan Leaders of the Four Divine Beasts all furrowed their brows.

One Xu Nian was already tough to handle, and now there was also Tantai Xun Yan.

"Haha! Xu Nian is one of our Blue Gold Army from the Denor Empire; you want to kill him—did you even ask me?" Just then, another imposing voice sounded.

Then, a figure appeared in the sky.

This person was none other than the Denor Empire's ruler.

"Denor Empire's ruler? He's here too?"

The Earth Immortal Realm experts immediately panicked.

The five Primordial Immortals also furrowed their brows.

Chapter 1323: A Single Sword Breaks Immortal Armor

Xu Nian's appearance with the two was no surprise.

Before he was accepted as a disciple by the Immortal Emperor, the two had always supported him.

Now that he was taken in by the Immortal Emperor, they had no reason not to support him.

As for the domain outside this world, Jiang Yao had also arrived.

However, she did not interfere but merely kept an eye on Nether Hai.

This way, even if Nether Hai wanted to make a move, he wouldn't be able to.

"Fu Shengtian, if you lift Murong Xue's seal, I can spare you from death," Xu Nian coldly threatened Fu Shengtian.

"Humph, Xu Nian, don't think that having Tantai Xun Yan and the Denor Emperor's help means you can kill me with your Cultivation," said the Tiancang Sect Master with a cold snort.

Xu Nian chuckled, turning to look at the Denor Emperor and Tantai Xun Yan.

"Sister Xun Yan, Denor Emperor, please help me hold off the Four Divine Beasts Clan Leader. I want to personally kill Fu Shengtian," Xu Nian said.

"No problem, you go ahead; I can handle three," Tantai Xun Yan replied with a smile.

"Haha, no worries, this Azure Dragon Clan Leader is mine to deal with. I was just looking for a chance to experience the Dragon Clan's Talent Divine Ability," the Denor Emperor laughed heartily.

The Four Divine Beasts Clan Leader's face turned instantly pale.

The strength of these two was truly formidable; with their power, they could definitely hold them back.

"Fu Shengtian, it's all on you now," the Azure Dragon Clan Leader said.

"Rest assured! If I, at the Peak of Primordial Immortal Realm, can't kill him, it would be a real joke," Fu Shengtian said with a cold snort.

How could he, a dignified Tiancang Sect Master, lose to a junior?

"Boy, prepare to meet your death!" The Tiancang Sect Master summoned an Immortal Sword, which was extremely sharp.

Moreover, he was clad in Low Grade Immortal Armor.

At the Peak of Primordial Immortal Realm, wielding two Immortal Artifacts, there was virtually no one in the Cultivation World who could kill him.

Therefore, hearing Xu Nian's intention to kill him alone, a trace of disdain appeared on his face.

Xu Nian said nothing, and then emerged into the outside world with his true self, Divine Demon Avatar, and Undying Devouring Sky Beast Avatar simultaneously.

The three avatars then fused together, causing the energy within to surge instantly.

It suddenly reached the Late-stage Primordial Immortal level.

At this moment, Xu Nian's aura was no weaker than the Tiancang Sect Master's.

"Are the three avatars all here? This will make killing you even easier," Fu Shengtian showed a hint of arrogance upon seeing Xu Nian's three avatars combined.

Killing just one avatar of Xu Nian wouldn't gain him the Divine Artifact on Xu Nian.

However, if he could slay all three avatars of Xu Nian, then all the treasures on Xu Nian would be theirs.

At that time, even if he didn't use them himself, he could trade them with Immortals for rewards.

So seeing Xu Nian's three avatars fused, he became particularly excited.

"Prepare to die!"

Fu Shengtian wasted no more words, immediately swung the Immortal Sword in his hand toward Xu Nian.

A sword light was slashed, incredibly sharp, carrying an immensely strong Light Attribute.

Clearly, Fu Shengtian, like Jiang Shengtian, had comprehended the Light Attribute Law.

However, Jiang Shengtian's realm of comprehension was higher than Fu Shengtian's; nonetheless, in terms of combat power, Fu Shengtian was not weak.

After all, his time invested in the Profound Argumentation of Light Attribute was longer than Jiang Shengtian's.

Every move he made was more refined than those executed by Jiang Shengtian.

When he wielded his sword, the Light Power imbued was extremely terrifying, able to reduce even Top-grade Spiritual Artifacts to dust instantly.

"Immortal Sword Slash Hong Chen!"

Xu Nian immediately activated the Dragon King Cone, forming a giant sword aimed at Fu Shengtian.

It was imbued with the utmost Profound Argumentation of Dimension Cutting.

Simultaneously, he wielded the King Jing Sword and struck another slash.

"Sword Qi Breaking Void!"

Xu Nian swung the sword in his hand.

The sword light ripped through the void and aimed at Fu Shengtian.

The giant sword formed by the Dragon King Cone was at the front, with Sword Qi Breaking Void trailing behind.

Sword Qi Breaking Void was the sword move Xu Nian realized after his Dimension Cutting Profound Argumentation broke through the Ninth Level.

This move had the effect of Shattering Void.

"Clang!"

Fu Shengtian was startled and unleashed his sword light, clashing with the giant sword formed by the Dragon King Cone.

The Dragon King Cone was deflected, but the next moment, the Sword Qi Breaking Void attack directly hit his chest.

"Puff!"

Fu Shengtian spat a mouthful of blood, his body falling back three hundred feet.

Even though Xu Nian's sword was blocked by his Immortal Armor.

The terrifying force it carried still inflicted damage on him.

"How strong, Xu Nian's fusion of three avatars is unexpectedly powerful," nearby Earth Immortal experts were taken aback.

They couldn't withstand even one of those two sword strikes.

Each sword strike was incredibly terrifying.

If it weren't for Fu Shengtian's Immortal Armor, that sword strike would have been fatal.

"Damn! This kid actually possesses two Immortal Artifacts," Fu Shengtian raged angrily.

He wiped the blood from the corner of his mouth and stood up again.

He found that Xu Nian's Immortal Essence level wasn't any lower than his, and was even somewhat higher.

"Humph, Fu Shengtian, this is just the beginning," Xu Nian snorted coldly.

He simultaneously divided his attention.

Once more wielding the Dragon King Cone against Fu Shengtian.

This time, however, he didn't use the Immortal Sword Slash Hong Chen but the First Style: Swimming Fish Style.

Though it was the First Style, the Profound Argumentation it contained was of the Ninth Level Dimension Cutting.

Over a hundred blades transformed into a swimming fish, charging at Fu Shengtian.

Each blade contained extremely sharp cutting Profound Argumentation.

Even Low Grade Immortal Artifact, or even Mid-grade Immortal Artifact, might find it hard to withstand.

Fu Shengtian dared not resist and immediately wielded his sharp sword to block.

At this time Xu Nian attacked once more.

Sword Qi Breaking Void!

Xu Nian executed the same move, but with even more power.

"Light Illuminating the Earth."

Fu Shengtian roared in anger, his Immortal Essence within him surging madly.

His entire being seemed transformed into a sun, and terrifying light shot outwards.

The light beams pierced directly through the planet beneath them.

Several Earth Immortal experts affected by the blast were pierced through and died instantly.

Xu Nian's Dragon King Cone was also scattered.

Void-breaking Sword Qi was shattered.

However, Xu Nian made no defense, directly closing in on Fu Shengtian.

Those extremely powerful beams merely caused his body to pause, but did not hinder his advance.

A thrust of his sword, Ninth Level of Gravity Space, Immortal Emperor's Guidance.

"Bang!"

A hole burst open in Fu Shengtian's chest, blood gushing like a fountain from his back.

"Puff!"

Fu Shengtian's body flew backwards, his eyes filled with astonishment.

Despite wearing Immortal Armor, he was pierced by Xu Nian's sword?

How was this possible?

Nearby experts were equally shocked.

A single sword breaking Immortal Armor?

Just how terrifying was Xu Nian's sword strike?

Even Tantai Xun Yan and the Denor Emperor, who were engaging in battle nearby, were startled and looked on with amazement.

They admitted to not having the ability to break Low Grade Immortal Armor with Low Grade Immortal Artifact.

Yet, Xu Nian managed to accomplish it.

Xu Nian stood his ground wielding a sword, his hair billowing wildly like an unparalleled Sword Immortal.

That sword strike was one he realized from the Ninth Level Gravity Space Profound Argumentation.

It condensed all gravity into an extremely tiny point; the power unleashed by this point was incredibly terrifying.

The instant explosion breaking Fu Shengtian's Immortal Armor came as no surprise.

"Three Ninth Level Profound Argumentations, three Eighth Level Profound Argumentations, Dimension Cutting, Gravity Space, and Space Tear all at Ninth Level, Wind's Extreme Speed, Space Folding, and Power of Earth at Eighth Level, just how defiant is Xu Nian's talent?"

Outside the domain, some onlookers counted Xu Nian's Profound Argumentations he had performed.

Instantly, their scalps tingled!

Chapter 1324: Slaying Fu Shengtian

Fu Shengtian crawled up from the ruins.

At this moment, he was utterly battered.

His entire body was seriously injured, especially the bloody hole in his chest.

Even though he used his Immortal Essence, he couldn't make the wound heal.

Moreover, a main qi meridian within him was shattered by Xu Nian, significantly reducing his power.

Clutching his chest, he looked at Xu Nian with blood-red eyes.

"Fu Shengtian, I said I would kill you today, and no one can stop me." Xu Nian's eyes brimmed with killing intent.

The Sword Qi from the King Jing Sword in his hand burst forth, needing only one sword to kill from a thousand miles away.

"Xu Nian, do you truly think you can kill me? As the Tiancang Sect Master, how could I not possess the Treasure of the Sect?" Fu Shengtian snorted coldly.

A pearl appeared in his hand.

The pearl contained extremely strong evil energy.

"This item is called the Soul-devouring Pearl, containing tens of thousands of spirits. Once released, even a Primordial Immortal or someone at the Peak of Heavenly Immortal Realm might not be able to withstand it." Fu Shengtian snorted coldly, a touch of evilness appearing in his eyes.

"Top-grade Demon Artifact?" Xu Nian was also shocked.

Unexpectedly, the Tiancang Sect's Treasure of the Sect turned out to be a Top-grade Demon Artifact.

What's called a Top-grade Demon Artifact is the same grade as a Top-grade Immortal Artifact, only that Demon Artifacts are used by Demon Cultivators.

The Soul-devouring Pearl in front of him was clearly a Demon Artifact.

The spirits within it were extremely terrifying and controlled by the Soul-devouring Pearl.

Once entangled by the spirits, even Heavenly Immortal experts might be completely devoured.

"Yo, good stuff!"

However, at this moment, Wentian Demon Sovereign laughed.

These spirits might be very frightening to others.

But to him, they were extremely nourishing.

"Senior Wentian, can you swallow this?" Xu Nian asked in surprise.

"Of course, although my cultivation isn't what it used to be, devouring some spirits is not a problem. Kid, you don't need to act, just leave it to me." Wentian Demon Sovereign's evil laughter echoed in Xu Nian's mind.

"Alright!" Xu Nian replied immediately.

He was not a benevolent person.

These spirits trapped in the Soul-devouring Pearl were better off dead.

Wentian Demon Sovereign swallowing them would actually be a relief for them.

"Xu Nian, die!"

Fu Shengtian shouted loudly, immediately urging the Soul-devouring Pearl.

The next moment, an incomparably strong light burst forth from the Soul-devouring Pearl.

Then, countless spirits frantically rushed out, transforming into a massive black gas, pouncing towards Xu Nian.

"Not good!"

On the outskirts, Jiang Yao's expression instantly changed drastically.

She hurriedly wanted to help.

"Fairy Jiang Yao, where do you think you're going?" Nether Hai sneered, blocking Jiang Yao's path.

"Nether Hai, your subordinate sect Tiancang Sect is using such an evil weapon, aren't you going to intervene?" Jiang Yao yelled angrily.

"Weapons are neither good nor bad, if the Soul-devouring Pearl is used appropriately, what's wrong with that? Besides, this is a mortal's fight, is Fairy Jiang Yao intending to break the rules of the Immortal Realm?" Nether Hai said with a sneer.

"You..." Jiang Yao suddenly didn't know how to respond.

Seeing the black gas rushing towards Xu Nian, she was already too late to act.

Her heart was extremely anxious.

Denor Emperor and Tantai Xun Yan were also shocked, unexpected that Tiancang Sect had such a vicious weapon.

"Haha! Meet your end!"

Fu Shengtian laughed heartily.

The next moment, a ball of black gas completely enveloped Xu Nian.

It seemed to everyone that Xu Nian was certainly doomed.

"Do you really think these spirits can kill me?"

However, just as everyone thought Xu Nian's soul was devoured, Xu Nian's voice rang out again.

Then the crowd saw that the black gas was entirely swallowed by Xu Nian without anything left.

"How... how is this possible?" Fu Shengtian's eyes widened instantly, showing an expression of disbelief.

"Nothing is impossible, now it's my turn." Xu Nian snorted.

A Star Axe appeared in his hand.

"Divine Artifact?"

Fu Shengtian's face changed drastically.

He hurriedly fled towards the void.

Xu Nian sneered, swinging the axe down.

The terrifying Axe Light to the extreme instantly tore through the void.

"No..."

Fu Shengtian only had time to let out a miserable cry.

In the end, he was directly reduced to dust.

The surrounding crowd all widened their eyes, looking at the utterly vanished Fu Shengtian, hearts filled with shock.

Is this the power of a Divine Artifact?

This is way too terrifying, isn't it?

After Xu Nian swung the axe, his aura also dimmed a bit.

But his gaze remained domineering.

Instilling fear in the Earth Immortal Realm experts nearby.

The Clan Leaders of the Four Divine Beasts Clan were also frightened, ultimately exchanging glances and fleeing into the void.

Xu Nian didn't chase them down.

At this moment, he was running low on Immortal Essence.

Having killed Fu Shengtian, he had temporarily achieved his goal.

With Fu Shengtian dead, Murong Xue's memory could also be restored.

As the Clan Leaders of the Four Divine Beasts Clan escaped, Tantai Xun Yan and Denor Emperor naturally came over.

"Brother, you're really impressive, even I would have fallen to that axe just now," Tantai Xun Yan said with a smile.

However, her words were sincere.

That axe just now was really strong.

"Haha, indeed very powerful. Xu Nian, you've really opened my eyes, being able to kill the Tiancang Sect Master, you're truly the leader among the younger generation, even we can't claim to kill him." Denor Emperor laughed.

Xu Nian's strength is not only the leader among his generation.

Now there aren't many in the entire Cultivation World who can match him.

Including the Divine Artifact, he's absolutely an invincible existence in the Cultivation World.

"You flatter me, senior. I just relied on the merits of the weapon." Xu Nian laughed.

He looked towards the void where Fu Shengtian died.

What a pity, when Fu Shengtian died, his storage ring and weapons were either crushed or swallowed by the torn void.

Leaving nothing behind!

Otherwise, that Immortal Armor and Immortal Artifact as well as the Soul-devouring Pearl would be good items.

"Senior Wentian, has your cultivation improved?" Xu Nian asked Wentian Demon Sovereign through telepathy.

"Haha, indeed, but I need to sleep for a while. Kid, don't bother me until you go to the Immortal Realm." Wentian Demon Sovereign said.

Xu Nian immediately agreed.

After handling some matters, he would also choose to ascend to the Immortal Realm.

After all, he promised Emperor Ye Tian to send him to the Divine World.

And to go to the Divine World, he must first go to the Immortal Realm.

"Alright, let's see if Xue'er's memory has recovered." Xu Nian thought to himself.

After bidding farewell to Denor Emperor and Tantai Xun Yan.

Xu Nian directly entered the Chaos Divine Palace.

At this moment in the second layer of Chaos Divine Palace, Xu Nian looked at Murong Xue's unparalleled beauty, a trace of heartache emerging in his eyes.

"Where is this..."

Suddenly, Murong Xue opened her eyes, looking around in astonishment.

"This is my Divine Artifact space." Xu Nian said.

"Xu Nian?" Murong Xue immediately felt joyful.

Then she rushed into Xu Nian's embrace.

Xu Nian was stunned.

Murong Xue embraced Xu Nian greedily, her expression extremely excited.

"Xu Nian, I thought I'd never see you again, I missed you so much!" Murong Xue said sincerely.

Her emotions were extremely excited.

At this moment, she had truly regained her memory.

Everything from the past, completely surfaced in her mind.

Including the scene when Xu Nian saved her.

...

Chapter 1325: Journey to Tianhan Star

"Xue'er, you've remembered everything?" Xu Nian asked excitedly.

"Yes, I've remembered everything, including the scene where you saved me in the forest, pulled out the poisoned arrow, and cleared the toxin from my body." Murong Xue replied shyly.

Upon hearing this, Xu Nian was overjoyed.

It seems that killing Fu Shengtian can indeed unlock Murong Xue's sealed memories, it was all true.

"Xu Nian, you've done so much for me, I'm truly grateful." Murong Xue said.

"Xue'er, you once blocked a sword for me, almost losing your life. If it weren't for you, I might have died long ago. So, there's no need for us to say such things between us." Xu Nian said joyfully.

Murong Xue nodded.

She nestled in Xu Nian's arms, feeling exceptionally tranquil.

"Xu Nian, I want to give myself to you today, I've longed for this moment for so long, I don't want to miss it anymore." Murong Xue said.

Then Murong Xue got up, removed her dress, revealing her snow-white skin and exquisite figure.

"Xue'er, wouldn't you reconsider?" Xu Nian hesitated.

Although he had once had a passionate encounter with Leng Yanran.

He had never truly done such a thing, so he was very nervous at this moment.

"There's no need to reconsider, I've already made up my mind." Murong Xue came straight over.

With her delicate body pressed against him, Xu Nian's energy surged instantly.

Making him momentarily unable to resist.

"Alright then, Xue'er, we'll never be apart." Xu Nian said tenderly.

The next moment, he tightly embraced Murong Xue.

"Kid, I advise you not to do this, otherwise you may harm her."

However, at this moment, Emperor Ye Tian's voice echoed in Xu Nian's mind.

"Huh?" Xu Nian was slightly taken aback.

It seems he had forgotten to seal off the Chaos Divine Palace.

Thankfully, Wentian Demon Sovereign was already asleep, otherwise, things would be awkward.

"Why, Master?" Xu Nian asked puzzled.

"She evolved from an Innate Pure Yin Body to an Innate Yin Evil Body, the Yin Evil Qi inside her has not yet fully formed. If you now share a room with her, your potent Yang Qi will invade her body, the Yin Evil Qi will definitely retaliate, then even an Immortal Emperor might not be able to save her." Emperor Ye Tian explained.

Xu Nian was stunned.

Anxious thoughts arose within him.

Nearly!

He almost personally put Xue'er in danger.

He absolutely cannot let Murong Xue fall into a perilous situation for a moment of selfish desire.

"Master, is there a solution?" Xu Nian quickly inquired.

"The solution is simple. After she breaks through to a Heavenly Immortal, she should infuse the Innate Yin Evil Qi into the Immortal Embryo while forming it, thus coalescing an Yin Sha Immortal Embryo, then there won't be any problem. After that, you can do whatever you desire." Emperor Ye Tian stated.

Xu Nian understood clearly.

It seems before Murong Xue becomes immortal, he shouldn't touch her.

Hence, Xu Nian put Murong Xue's clothes back on and told her everything Emperor Ye Tian had said.

She was also taken aback, clearly unaware of this matter herself.

"I'm sorry, Brother Xu Nian, I intended to give myself to you, but now it seems I can't." Murong Xue apologized.

"Silly girl, there's nothing to apologize for. I also don't want things between us to be rushed. When you go to the Turquoise Pool, I'll come and find you." Xu Nian smiled.

"Alright, I'll be waiting for you at the Turquoise Pool." Murong Xue smiled.

Over the next few days, Xu Nian stayed by Murong Xue's side.

With Murong Xue's memories restored, her insight seemed to have increased significantly.

Causing her to surprisingly comprehend the Ice Attribute Law by the fifth day, stepping into the Law Realm.

And after that, not long passed, Murong Xue felt the call of the laws.

"Brother Xu Nian, I'll wait for you at the Turquoise Pool." Murong Xue gazed deeply at Xu Nian, her eyes full of reluctance.

"Don't worry, I'll surely come to find you." Xu Nian said.

Murong Xue nodded heavily, then the immortal light enveloped her, and soon she disappeared from the Cultivation World.

Watching Murong Xue ascend, Xu Nian's gaze became resolute.

After handling matters in the Cultivation World, he would venture into the Immortal Realm.

"I didn't expect your little girlfriend to ascend before your sister." Tantai Xun Yan approached.

"Sister Tantai should be ascending soon, right?" Xu Nian smiled.

"Indeed, just tomorrow. But brother, I must remind you, once Murong Xue enters the Turquoise Pool, it'll be very difficult for you to see her again." Tantai Xun Yan said.

"Huh? Why?" Xu Nian asked surprised.

"It seems you truly don't know, the Turquoise Pool is only for female disciples, it mostly forbids outsiders, especially men, from entering." Tantai Xun Yan explained.

"It's alright, she can at least come out, right?" Xu Nian asked.

"She can, but the Turquoise Pool arranges an affinity for each fairy, the more they value her, the less freedom she'll have." Tantai Xun Yan replied.

Xu Nian furrowed his brow.

Arranged affinity?

If he had known this earlier, he would never have let Murong Xue join the Turquoise Pool.

"I thought you knew this already, seems like my oversight. But it might not necessarily be as I said, if you gain enough strength, the Yaochi Immortal King might not refuse to marry Murong Xue to you."

Xu Nian nodded.

Looks like he needs to venture into the Immortal Realm soon.

Thus, after receiving the reward, Xu Nian headed directly towards the Sky Wind Star Domain.

He once promised the Beast God.

To help her daughter by treating the great Tao fissures within her.

Now it's been nearly ten years, and now it's time to fulfill the promise.

Sky Wind Star Domain, Tianhan Star.

This particular star domain is the territory of the Demon Clan.

Generally, few humans venture here, after all, the demon clan holds a strong hostility towards humans.

But now, Xu Nian has reached the early stage of Primordial Immortal Realm.

There are few in the Cultivation World who are his match.

So, the Sky Wind Star Domain does not pose a dragon's lair or tiger's den for him.

After nearly a month of travel, Xu Nian finally arrived at Tianhan Star.

Xu Nian appeared over Tianhan Star.

"Huh, I only know that the Beast God's daughter is a Banshee Empress, but I don't know her name." Xu Nian felt somewhat awkward.

Because previously he had not asked about the details regarding the Beast God's daughter.

Only knowing that the Beast God's daughter was in the Earth Immortal Realm, and held the title of Empress.

"Fortunately, there aren't many in the Earth Immortal Realm on this planet, only five, four of whom are demon beasts, there is only one female, she should be the one." Xu Nian's Spiritual Sense spread out.

Instantly he sensed all the Earth Immortal level experts on this planet.

"Hmm, what is she doing? Trying to get herself killed?" Xu Nian suddenly showed a surprised expression.

He discovered that the Banshee Empress was engaging in a highly dangerous task.

One small mistake could lead to self-destruction.

"It seems my arrival is timely." Xu Nian smiled slightly.

Next, he used Space Folding to swiftly move toward the residence of the Banshee Empress.

Chapter 1326: Searched High and Low, Only to Find It Here

Sky Wind Star Domain, Tianhan Star.

In a massive palace, a stunningly beautiful woman, exuding boundless dominance, is sitting cross-legged in the great hall.

At this moment, she is attempting to devour an Immortal Embryo.

This Immortal Embryo, though not fully formed, bears a complete Law Imprint.

However, the energy of the Immortal Embryo is incredibly terrifying, so much so that even peak Heavenly Immortal powerhouses might not dare to absorb it.

Yet now this woman is merely at the Earth Immortal Peak; absorbing this Immortal Embryo is akin to courting death.

But Xu Nian also noticed that there are Great Tao ruptures within her body.

Moreover, they are extremely evident; her Tao Heart might collapse at any time.

Once it collapses, she will undoubtedly die.

"Even if you successfully absorb the Immortal Embryo, it may not mend the Great Tao ruptures within you."

A voice echoes within the great hall.

"Who?"

The Empress is suddenly startled, and her face reveals a shocked expression.

She has set up a triple restriction within this palace, and it can be said that no Earth Immortal Realm powerhouse on Tianhan Star can break in.

Even Primordial Immortal Realm cannot sneak in unnoticed.

"Don't worry, I'm not your enemy." Xu Nian appears in the great hall, looking at the Banshee Empress before him, a hint of astonishment flashing in his eyes.

This Banshee Empress's true form is actually a phoenix, and more specifically, a Blood Phoenix.

Although she possesses the Beast God's bloodline, it is mostly from another source.

"Who are you?" The Banshee Empress cautiously scrutinizes Xu Nian.

She instinctively feels a sense of hostility towards this young man who suddenly appeared.

His ability to penetrate her restrictions indicates that his strength is at least above hers.

"You must be the daughter of the Beast God Kunwu; I am here at his behest." Xu Nian smiles.

"Kunwu? He dares call himself a Beast God?" A hint of mockery appears on the woman's face.

Apparently, she has no respect for her father.

Xu Nian anticipated this.

After all, if this Banshee Empress had a good relationship with the Beast God, they would not have been estranged for so long.

"Regardless, I've come at his behest to help you heal the Great Tao ruptures within you." Xu Nian says.

"You can help me heal the Great Tao ruptures within me?" The Banshee Empress asks in surprise.

"Of course, otherwise I wouldn't be here for no reason." Xu Nian smiles.

Having said that, he tosses a pill over.

The Banshee Empress catches the pill, her face immediately changes.

Then she exclaims with excitement, "Is this a Great Tao Pill?"

"Yes, it is indeed a Great Tao Pill. The main ingredient for this Great Tao Pill is the Tao Trace Fruit, and I nearly lost my life for it; of course, you needn't thank me. Your father has been kind to me, and I'm merely repaying him." Xu Nian smiles.

Initially, he retrieved three Tao Trace Fruits.

One went to Master Wu Hen, another was used to concoct the Heavenly King Pill, and the other became this Great Tao Pill.

Using this Great Tao Pill to heal the Great Tao ruptures within the Banshee Empress should not be difficult.

"Regardless of whose behest you are under, you've saved my life, as well as the lives of tens of thousands of demon clan members in our Demon Immortal Palace." The Banshee Empress says with a complex expression.

"If you want to be grateful, go ahead. Now, take this pill, I'll protect you." Xu Nian says.

The Banshee Empress seems to have more to say.

But ultimately, she swallows her words, sits back down cross-legged, and begins absorbing the Great Tao Pill.

As time passes, the medicinal power of the Great Tao Pill dissolves within the Banshee Empress, gradually healing the Great Tao ruptures.

Three days later, the Banshee Empress finally opens her eyes, a fiery aura erupts suddenly.

"It seems your injuries have fully recovered, I should be on my way." Xu Nian smiles.

"You cannot leave." Yet the Banshee Empress suddenly says.

"Why can't I leave?" Xu Nian asks in confusion.

"I once swore a Heavenly Dao Oath; should anyone save me, I would forge a sisterly bond if she is a woman, and consider him a husband if he is a man; so you cannot leave." The Banshee Empress says.

"Damn, why are you swearing such oaths?" Xu Nian is instantly at a loss for words.

"Do you find me undesirable?" The Banshee Empress furrows her eyebrows, a hint of displeasure in her eyes.

She is a descendant of the Blood Phoenix clan, her bloodline incredibly powerful, and both her charisma and appearance are flawless.

This human before her actually finds her undesirable?

"No, you've misunderstood; the thing is, I have many women. Even if you follow me, it would hold no significance." Xu Nian quickly explains.

"I don't care; in our demon clan, having more women signifies greater strength; weaklings aren't worthy of having women." The Banshee Empress says.

Xu Nian is instantly filled with exasperation.

What kind of thinking is this?

So by giving a pill, he's sent himself over?

"How can I make you abandon this idea?" Xu Nian asks.

"It can't be abandoned; I've sworn a Heavenly Dao Oath, forming a Heavenly Dao Seal. If I don't fulfill my promise, I will turn to ashes and be annihilated; you wouldn't want to see that happen, would you?" The Banshee Empress smiles.

"But we've only just met, I don't even know your name." Xu Nian says helplessly.

"My name is Luo Blood; now you know my name." The Banshee Empress says.

"But you don't know my name either." Xu Nian says.

"That's unnecessary; I'll just call you husband." The Banshee Empress insists.

Xu Nian is exasperated.

What situation is this?

"Feel free to recognize it, but first, tell me about this Immortal Embryo?" Xu Nian asks in surprise.

If he hadn't arrived in time, this Luo Blood would have attempted to devour the Immortal Embryo. How did someone at Earth Immortal Realm acquire the Immortal Embryo condensed by a Heavenly Immortal powerhouse?

"I found this Immortal Embryo in the corpse of an Immortal at a relic. It belonged to a powerhouse in the Early Stage of Heavenly Immortal Realm. The Immortal Embryo was condensed not long ago, and its soul has been completely obliterated, but the Law Imprint inside remains intact. It's of the same attribute as mine, both Fire Attribute. So I thought of trying to devour the Immortal Embryo to mend the Great Tao ruptures within me." Luo Blood explains.

"You're courting death! The energy within the Immortal Embryo is immensely terrifying; not just you, even Immortal Beasts at Heavenly Immortal Realm wouldn't dare to devour it lightly unless their cultivation technique is extremely powerful." Xu Nian says.

For instance, if he breaks through to Primordial Immortal Realm, with his Dan Sea Species Green Lotus, he would certainly be able to devour this Immortal Embryo.

"I understand, but I have no choice. In three days, the other Four Demon Emperors will be upon us, and by then, my clan members and subordinates will become food, including myself." The Banshee Empress says dominantly.

Xu Nian nods.

It seems that Luo Blood's situation is not easy; had he arrived a day later, he might not even have seen her.

"They are besieging you for a reason, right?" Xu Nian asks.

"Yes, it's for this." The Banshee Empress reveals a scroll.

Xu Nian opens the scroll, and his expression instantly changes.

"This is... the Middle Chapter of Dan Sea Species Green Lotus?" Xu Nian is instantly overjoyed.

Unexpectedly, the Middle Chapter of the Dan Sea Species Green Lotus cultivation technique he had been searching for turns out to be here.

Chapter 1327: Solving the Trouble

The Dan Sea Species Green Lotus is divided into upper, middle, and lower Chapters.

They correspond to the divine, immortal, and mortal Chapters respectively.

The one Xu Nian is cultivating is the lower Chapter of Dan Sea Species Green Lotus.

The further it goes, the more profound the cultivation technique becomes.

Among them, the Immortal Realm Chapter is what Xu Nian has been searching for. If he doesn't find this middle Chapter, after he breaks through to the Heavenly Immortal or Primordial Immortal Realm, he won't know how to cultivate further.

Unexpectedly, now he has encountered it here.

"You know this cultivation technique?" Luo Blood asked in surprise.

"Of course I know, this is the cultivation technique I practice, but I only have a fragmented version, without any follow-up. I've been looking for it, didn't expect to find it with you." Xu Nian smiled.

"This cultivation technique was discovered together with that Immortal's corpse. I've tried, but it's very peculiar and basically impossible to cultivate, so I gave up. But didn't expect those Four Demon Emperors to somehow hear that I found a peerless technique, so they wanted to seize it. Since you can cultivate it, it's yours." Luo Blood said.

"Alright, then I won't be polite." Xu Nian nodded.

"You should go." Luo Blood suddenly said.

"Go? Where to?" Xu Nian asked in surprise.

"It doesn't matter where you go, as long as you leave here." Luo Blood said.

"Are you worried that if I stay, the Four Demon Emperors will be disadvantageous to me?" Xu Nian suddenly laughed.

"Yes!" Luo Blood nodded.

Xu Nian gave a wry smile, not knowing what to say.

"Fine, in that case, I'm leaving. Don't regret it." Xu Nian smiled.

"I won't regret it. If I survive this battle, I will find you to fulfill the duties of a wife." Luo Blood said.

"Survive first, and we'll talk later." Xu Nian smiled.

With that, Xu Nian disappeared from the grand hall.

Now Xu Nian's control over space folding had reached the seventh level.

He can almost achieve the level of instant teleportation.

As Xu Nian disappeared, a trace of loss flashed across Luo Blood's eyes.

However, this trace of loss quickly vanished.

After all, Xu Nian and she had known each other for less than three days, how could she hope Xu Nian would stick with her through thick and thin?

Moreover, if Xu Nian stayed, it would very likely mean facing death with her.

She didn't want to implicate Xu Nian either.

However, what she didn't know was that Xu Nian did not teleport away from Tianhan Star.

Instead, he went to the palace of one of the Four Demon Emperors.

At this moment, this Demon Emperor was entangled with a beautiful woman from the Demon Clan.

Xu Nian appeared in the palace like a ghost, watching this interesting scene with extreme coldness.

"Who are you?" The Demon Emperor was suddenly startled, realizing that someone had inexplicably appeared in the hall, quickly jumping off the bed.

"Ah!" The beautiful Demon Clan woman was also startled and yelled out.

"Leave," Xu Nian said to the beautiful Demon Clan woman.

The beautiful Demon Clan woman looked at the Demon Emperor by her side.

"You may retreat," the Demon Emperor said, but his gaze was fixed on Xu Nian.

Upon hearing this, the beautiful Demon Clan woman immediately fled the hall.

"Who on earth are you?" the Demon Emperor asked warily.

"I'm someone here to take your life," Xu Nian smiled.

"Take my life? Do you know who I am?" The Demon Emperor sneered, his eyes bursting with killing intent.

"Of course, I know who you are. You four Demon Emperors plan to join hands against Luo Blood. Isn't that right?" Xu Nian sneered as he asked.

"Humph, so it was that bitch Luo Blood who sent you. Who did I think it was? Yes, we four Demon Emperors indeed plan to join forces against her. Who let her gain the Immortal's relic and want to keep it for herself? Besides, I've long coveted Luo Blood. How could I let this opportunity slip by?" The Demon Emperor sneered.

His true form was a Black Rock Mamba Snake.

He had a liking for women, and Luo Blood was the number one beauty among the Demon Clan on Tianhan Star.

He had long wanted to get her, but never had the chance.

Now he finally persuaded the other three Demon Emperors to join forces, just in time to take this opportunity to get her.

Playing with a Demon Emperor was much more enjoyable than playing with those little demon beasts of the Demon Clan.

"Do you know she is now my woman?" Xu Nian shook his head, a trace of killing intent flashed in his eyes.

Although he didn't have too many feelings for Luo Blood.

But since Luo Blood said she wanted to be his woman, he absolutely couldn't allow others to humiliate her like this.

"Haha, never thought Luo Blood would find a pretty boy. Wasn't she always priding herself as noble? Never thought she'd be so cheap. How about it, wasn't she very proactive in bed?" The Demon Emperor laughed heartily.

"Pfft!"

However, before his laughter could finish, a sword light suddenly flashed.

Then a shallow blood mark appeared on the Demon Emperor's neck.

The next moment, the head of the Demon Emperor rolled to the side.

Xu Nian took out the Original Core from its head.

"Who on earth are you?" the Demon Emperor's soul still roared.

Just now he didn't even see clearly how Xu Nian made his move.

"Go ask King Yan!" Xu Nian sneered.

Directly extinguishing the Demon Emperor's soul completely.

Just an Earth Immortal level Demon Beast, even with the Divine Beast Bloodline.

To the present Xu Nian, it was completely insignificant.

Following this, the same scene unfolded in the other three Demon Palaces of the Demon Clan.

All three Demon Emperors were slain by Xu Nian with a single sword.

The Wind Attribute Dimension Cutting Profound Argumentation had reached its limit, just one step away from the Law Profound Argumentation.

Therefore, these Demon Beasts were simply no match for Xu Nian.

After finishing all this, Xu Nian once again returned to Luo Blood's palace.

"You're still here?" Luo Blood was visibly surprised to see Xu Nian appear again.

"Uh, didn't leave, but this time I really plan to." Xu Nian smiled.

"Then hurry up and leave." Luo Blood quickly urged.

After all, the Four Demon Emperors could attack at any time, and by then it would be difficult for Xu Nian to leave.

"Yeah, by the way, I just strolled around your Tianhan Star and casually killed four small demon beasts. Here's their Original Core, consider it a farewell gift." Xu Nian smiled.

With that, he took out four Original Cores and threw them to Luo Blood.

"This... Black Rock Mamba Snake, Emperor Flame Dragon, Ice Snow Kuang Shi... Are these the Original Cores of the four Demon Emperors?" Luo Blood was shocked.

So Xu Nian didn't leave previously but instead went to kill the Four Demon Emperors?

The Four Demon Emperors were all at the peak of the Earth Immortal Realm, and their Law Profound Argumentation was not low.

Yet Xu Nian managed to kill them all in such a short time. What level of strength does he possess?

"Now you probably don't need to rush me to leave, right?" Xu Nian smiled.

"Thank you, husband, I, Luo Blood, will never fail you in this life." Luo Blood knelt on one knee before Xu Nian.

At this moment, she was genuinely grateful to Xu Nian from the bottom of her heart.

Because Xu Nian not only saved her but also saved millions of demon crowd under her command.

"Now in Tianhan Star, no one is your opponent anymore. With your abilities, how long will it take to rule this place?" Xu Nian suddenly thought of an idea.

"No more than three days," Luo Blood said.

"Good, then I'll give you three days. In these three days, I plan to set up an interstellar teleportation array here, so your force can mutually support mine." Xu Nian smiled.

"Willing to follow your arrangements, husband." Luo Blood said.

Xu Nian nodded.

In this way, the strength of the Heavenly Court Gang would become more stable.

As for the transmission array, that was only a matter of time.

Chapter 1328: Ascensions in Succession

A few days later, Xu Nian finally completed the construction of the interstellar teleportation array.

All he needed to do was return to the Tianlan Continent and settle the other array foundation.

Therefore, Xu Nian bid farewell to Luo Blood and then made his way back to the Tianlan Continent alone.

After a month's journey, Xu Nian returned to the area under the influence of the Heavenly Court Gang and placed the array foundation in an appropriate position.

As soon as the teleportation array was established, Luo Blood teleported over.

"This is the force I established, the Heavenly Court Gang. Your father is also on this planet, but he's in an independent spatial dimension of this planet," Xu Nian explained.

"Is this the planet that harbors the immense Immortal Treasure?" Luo Blood asked.

"Yes, it is. In the sea to the west lies a colossal Immortal Treasure left by an Immortal Emperor named Mo Yang," Xu Nian replied.

The twelve-year promise is soon to end.

No matter what, he must visit the Dark Abyss once more.

To see the so-called Immortal Treasure Land.

After all, he had once promised the ancient tree in the Dark Abyss that he would find a way to take it away in twelve years.

Now possessing the Chaos Divine Palace, it should not be difficult to take it away.

Luo Blood nodded.

Next, Xu Nian chose to retreat directly.

He needed to make some preparations for his journey to the Immortal Treasure Land.

A blink of an eye, and a year had passed.

"Why hasn't Xu Nian come out of retreat yet? Xu Yu and the Bull Demon King are about to ascend," Zhao Yanyun said helplessly.

"Xu Nian should be breaking through to the Law Realm to prepare for the upcoming Immortal Treasure." Xuanyuan Qingling said.

"Have you already collected all the tokens for the Immortal Treasure Land?" Zhao Yanyun asked in surprise.

"Yes, over these years, I've used the members of the Heavenly Court Gang to search for the tokens everywhere. All twelve tokens have been gathered," Xuanyuan Qingling said.

"In these years, under your management, the Heavenly Court Gang has grown day by day. Xu Nian truly didn't misjudge you. If not for being busy with these matters, you might have ascended long ago," Zhao Yanyun said.

"These are nothing. I've already reached the Realm of Profound Argumentation Ninth Level, and ascension will be within these few years." Xuanyuan Qingling said.

Zhao Yanyun remained silent, evidently having perceived Xuanyuan Lingxi's thoughts.

She wanted to ascend together with Xu Nian.

"Xu Nian hasn't left yet?"

Han Xiaoxiao, Bai Lingxue, Leng Yanran, and Hong Xiang also walked out, a bit restless.

At this moment, they had all reached the Earth Immortal stage.

However, their cultivation insights hadn't yet reached the Seventh Level.

So, Xuanyuan Qingling's cultivation was considered the highest among them.

"Alas, if Big Brother doesn't come out soon, I'll ascend first." Xu Yu walked out.

"Yeah, Old Xu isn't coming out to see us off either." The Bull Demon King followed with a laugh.

Although the two of them came to the Cultivation World later than Xu Nian and the others,

they had a series of fortuitous encounters upon arriving in the Cultivation World.

Thus, within just ten years, they reached the Earth Immortal Peak and the Ninth Level of Profound Argumentation.

"Master will come out soon." At this time, Lan Xi walked out.

Everyone knew Lan Xi was the Demon Beast subdued by Xu Nian.

So they weren't surprised.

As for Lan Xi's true form as the Insect Queen of the Void Insect Clan, few knew.

"Really?" Xu Yu said excitedly.

Being able to see his big brother before ascending was very thrilling for him.

"Haha, Xu Yu, I didn't expect you to ascend before Big Brother, truly unexpected."

At this moment, a figure appeared before everyone.

The current Xu Nian's aura was even more powerful, so strong that Xu Yu and the Bull Demon King, who were about to ascend, felt a hint of reverence.

"Big Brother, have you reached the Peak of Primordial Immortal?" Xu Yu exclaimed.

"Yes, I've devoured the Immortal Embryo, my true self, the Undying Devouring Sky Beast Avatar, and the Divine Demon Avatar have all reached the Peak of Primordial Immortal." Xu Nian nodded.

"Three Peaks of Primordial Immortal?" Xu Yu gasped.

No wonder, even upon breaking through to the Heavenly Immortal Realm, he still felt an intimidating aura from Xu Nian.

"And your insights?" The Bull Demon King followed up with a question.

"Space Folding, Space Tear, Power of Earth, Gravity Space, Wind's Extreme Speed, Dimension Cutting have all reached the Ninth Level of Profound Argumentation's peak and can break through at any time." Xu Nian said.

Xu Yu, the Bull Demon King, and many present gasped.

However, Xu Nian didn't think much of it.

Only two years had passed in the outside world, but he had spent two hundred years in the Chaos Divine Palace.

Two hundred years, achieving such cultivation wasn't considered mighty.

Of course, these two hundred years were mainly spent researching the Chaos Green Lotus Technique.

Now, in his Dan Sea, not a single Golden Lotus remained.

All Golden Lotuses were devoured by a single seed.

At this moment, this seed was buried deep in the Immortal Essence Sea at the bottom of the Dan Sea, exuding an immensely terrifying power.

He had asked Yetian God Emperor, this seed should be the Chaos Green Lotus Seed.

Nurturing it would be a lengthy process.

But once successfully nurtured, Xu Nian's achievements would be unimaginable.

"Big Brother, you're amazing. However, we are also about to ascend to the Immortal Realm." Xu Yu said reluctantly.

"Boss Xu, we'll be waiting for you in the Demon Realm." The Bull Demon King said.

"Alright, after I ascend, I will find you in the Demon Realm." Xu Nian said.

"Okay!" Xu Yu repeatedly nodded.

"Don't worry, I'll take care of them." At this moment, Luo Blood came over.

Currently, Luo Blood's cultivation had also reached the Heavenly Immortal Realm.

"You are also ascending?" Xu Nian asked, surprised.

"Yes, just broken through a few days ago." Luo Blood nodded.

"Alright, I trust them in your hands." Xu Nian said solemnly.

Then Xu Yu, the Bull Demon King, and Luo Blood were enveloped by three guiding Immortal Lights.

In the next moment, they disappeared from everyone's sight.

"Xu Nian, when do you plan to ascend?" Leng Yanran and the others came over.

Obviously, they were all worried that Xu Nian would ascend, which meant they wouldn't see him for a long time.

"I plan to go to the Dark Abyss, and may not come back. By then, I should ascend. Don't worry, I'll send a message to you before I do." Xu Nian said with a smile.

"Here are the tokens for the Immortal Treasure, all collected for you." Xuanyuan Qingling said.

"Thank you, Qingling. You don't have to wait for me; we'll meet again in the Immortal Realm." Xu Nian smiled.

He was very grateful to Xuanyuan Qingling in his heart.

Over the years, the Heavenly Court Gang had been managed by Xuanyuan Qingling.

He practically hadn't intervened at all.

"Alright, after you leave, I will break through to the Law Realm and ascend to the Immortal Realm."
Xuanyuan Qingling nodded.

Then Xu Nian bid farewell to each of the women.

Although the women were very reluctant to part with Xu Nian, he eventually left.

After his departure, the women also chose to enter retreat one after another.

This separation allowed them to feel the pressure.

They didn't want to be the last ones left in the Mortal World.

"Lan Xi, you should have already broken through to the Heavenly Immortal Realm, why haven't you ascended?" Xu Nian asked as he looked at Lan Xi beside him.

This time, heading to the Dark Abyss, he brought only Lan Xi.

"Yes, Master, but because you haven't reached the conditions for ascension, I can't ascend either." Lan Xi said.

Xu Nian suddenly understood.

So that's how it is.

"Don't worry, after this Immortal Treasure Land incident, I'll ascend to the Immortal Realm, then you can ascend with me." Xu Nian smiled.

"Lan Xi is not in a hurry." Lan Xi nodded.

Xu Nian smiled, saying no more.

He quickly arrived at the Dark Abyss.

Standing at the entrance of the Dark Abyss, Xu Nian instantly felt an immense pressure.

"I didn't expect that breaking through the Peak of Primordial Immortal, this pressure didn't diminish but instead intensified." Xu Nian said with a bitter smile.

It was at this moment that he realized the true terror of the Dark Abyss.

Chapter 1329: The Secret of the Immortal Treasure

Xu Nian brought Lan Xi into the Chaos Divine Palace and set off alone towards the Dark Abyss.

Soon, he arrived at the bottom of the Dark Abyss.

Upon entering the vicinity of the Dark Abyss, Xu Nian felt a wave of domain fluctuations.

Apparently, the ancient tree was still alive.

"You have finally arrived." The ancient voice of the tree sounded.

"I promised you, so naturally I would come." Xu Nian said with a smile.

"You are far stronger than before, I cannot sense your cultivation, have you reached the Earth Immortal Realm?" The ancient tree asked.

"I am already at the Peak of Primordial Immortal." Xu Nian replied with a smile.

"Peak of Primordial Immortal? Looks like I didn't misjudge you back then." The ancient tree laughed heartily.

"Alright, do not resist, I will bring you into my divine artifact space." Xu Nian said.

The ancient tree nodded.

In the next moment, Xu Nian waved his hand and brought the ancient tree into the first level of the Chaos Divine Palace.

"Such thick Heaven and Earth Spiritual Energy, where is this?" The ancient tree's surprised voice echoed in Xu Nian's mind.

"This is inside my divine artifact. The flow of time here is ten times faster than outside. This is a Lifespan Pill; if you take it, it can extend your lifespan by a thousand years." Xu Nian smiled.

With a thought, a pill appeared before the ancient tree.

"Wonderful, human, I didn't expect you to actually keep your word. Since you saved my life, I will tell you the secret about the Immortal Treasure." The ancient tree's voice continued.

"Good!" Xu Nian responded.

"The Immortal Treasure opens once every twelve years and can only be entered with a token. You know this, but you may not know what is inside the Immortal Treasure Land." The ancient tree said.

"Please tell me, senior." Xu Nian asked.

"This Immortal Treasure Ruins were created by a fellow named Mo Yang Immortal Emperor when he came to the Cultivation World. The ruins are within this Endless Abyss; you might not know Mo Yang Immortal Emperor's history." The ancient tree said.

"Oh? Which of the Nine Great Forces in the Immortal Realm is Mo Yang Immortal Emperor from?" Xu Nian asked curiously.

"None of them, Mo Yang Immortal Emperor is one of the few individuals in the Immortal Realm with no faction, thus he was hunted by the Nine Great Forces." The ancient tree said.

"Hunted? Was it because he possessed some treasure?" Xu Nian asked curiously.

"No, it was because Mo Yang Immortal Emperor was one of the few Immortal Essence Masters in the Immortal Realm." The ancient tree said.

"Immortal Essence Master? What is that?" Xu Nian asked in surprise.

"You know about Immortal Marrow, right? Immortal Marrow is extracted from Immortal Liquid, but do you know how to extract it?" The ancient tree asked.

Xu Nian shook his head.

"Immortal Liquid is born in the Nine Immortal Pools, but Immortal Marrow is not entirely birthed from Heaven and Earth; it requires postnatal extraction, which can only be done by an Immortal Essence Master. Mo Yang Immortal Emperor is an Immortal Essence Master, and also a Nine-grade Immortal Essence Master, capable of extracting Nine-grade Immortal Marrow." The ancient tree said.

"Immortal Essence Master? But even if an Immortal Essence Master is rare in the Immortal Realm, he should be sought after by the Nine Great Forces, why would he be hunted?" Xu Nian asked in surprise.

"Indeed, Nine-grade Immortal Essence Masters are held in the highest regard in the Immortal Realm, even the Nine Great Immortal Masters show them utmost respect, but Mo Yang was different; he

extracted Divine Liquid and successfully refined Divine Marrow, which made the Nine Great Immortal Masters covet and force him to hand over the refining method." The ancient tree said.

Xu Nian understood.

Mo Yang Immortal Emperor, being an Immortal Emperor, was not only able to extract Nine-grade Immortal Marrow but also Divine Marrow that only existed in the Divine World. Naturally, the Nine Immortal Emperors couldn't resist.

"Master, does the Divine World have Divine Marrow?" Xu Nian asked Emperor Ye Tian.

"Yes, Divine Marrow is extremely precious in the Divine World too. Mo Yang Immortal Emperor, being capable of refining Divine Marrow as an Immortal Emperor, possesses a refining method that is world-class and rare." Emperor Ye Tian replied.

Xu Nian understood.

Mo Yang Immortal Emperor must have been a peerless talent.

"So, the most important thing in this Immortal Treasure Land is the refining method of the Immortal Essence Master, right?" Xu Nian asked.

"Yes, although there are Immortal Artifacts and even Divine Artifacts within this Immortal Treasure Land, none compare in importance to Mo Yang Immortal Emperor's cultivation method as an Immortal Essence Master." The ancient tree said.

Xu Nian understood.

"Thank you, senior ancient tree." Xu Nian said with gratitude.

If not for the ancient tree informing him, he would not have known the true significance of the Immortal Treasure Land.

"With my current strength, can I reach the deepest part of the Immortal Treasure Land to obtain the refinement method?" Xu Nian asked.

"It's almost impossible; this Immortal Treasure Land is divided into three levels. The first level contains Immortal Artifacts but also tests, at least needing Heavenly Immortal stage. The second level holds Divine Artifacts, requiring at least Profound Immortal strength to pass, and the third level likely needs Luoxian because the entry-level standard for an Immortal Essence Master is Luoxian." The ancient tree said.

Xu Nian was speechless.

Luoxian strength?

In the Cultivation World, how many can reach Luoxian strength?

Even Immortal Realm experts crossing dimensions would be suppressed by Heaven and Earth, limited to Heavenly Immortal cultivation.

"Forget it, let's first try the first level, with my current strength, it should be comparable to Middle Stage of Heavenly Immortal." Xu Nian said.

Normally, Peak of Primordial Immortal's strength compares to Early Stage of Heavenly Immortal.

After breaking through to Heavenly Immortal, it directly becomes Middle Stage of Heavenly Immortal.

Like Xu Nian, after breaking through to Heavenly Immortal, although at Middle Stage of Heavenly Immortal, his strength definitely rivals Late-stage Heavenly Immortal.

One must know, after reaching Heavenly Immortal Realm, the gap between each small level is significant.

Xu Nian arrived at the deepest part of the Endless Abyss.

Before him was a huge stone gate.

At this moment, the defensive array on the stone gate had already been activated.

"This defensive array is only open for one year; if you can't get out within a year, you'll have to wait until a century later, or directly ascend." The ancient tree said.

Xu Nian nodded.

He took out the token in his hand.

Twelve tokens, all flew onto the stone gate.

Instantly, the stone gate glowed brilliantly.

Originally, these tokens were scattered across different places.

Xuanyuan Qingling had spent two years gathering them all.

So, only Xu Nian entered the Immortal Treasure Land, no second person.

"Boom!"

The stone gate opened up, an ancient aura rushed out.

Without hesitating, Xu Nian rushed into that ancient palace.

Upon entering the palace, Xu Nian found it extremely vast, much broader than he had imagined.

It didn't resemble an underground palace at all, more like an expansive small world.

Above his head, dozens of light balls were suspended.

Some of these light balls contained Immortal Artifacts, others hosted cultivation techniques.

Without exception, they were all top-grade from the Immortal Realm.

However, each was covered with restrictions.

Obtaining them wasn't an easy task.

"Finally, someone has come, and it's a human."

A voice suddenly sounded.

A metallic figure flew out from within.

"An awakened Spiritual Wisdom Immortal Level Puppet?" Xu Nian expressed surprise.

He had acquired a puppet before, although not as valuable as an Immortal Level Puppet, it was made of mid-grade Immortal Artifact material.

But there was no core region inside to activate Immortal Essence.

To Xu Nian now, it was of no use, so he left it with the Heavenly Court Gang, as their treasure of the gang.

Yet the puppet before him was a real Immortal Level Puppet and, judging by the material, was made of top-grade Spiritual Artifact.

"Human, what is your name?" The Immortal Level Puppet asked.

"Junior Xu Nian pays respect to senior." Xu Nian said.

"Haha, you call me senior, no one has ever addressed me like that, boy, I see you are quite alright, but let me advise you, go back, your current strength isn't enough to pass here." The puppet laughed.

"I know, I want to first attempt this first level, then come back for the second and third levels if the opportunity arises." Xu Nian stated.

"Attempt the first level? You risk facing death nine times out of ten." The Immortal Level Puppet said.

"Junior is not afraid of death and willing to give it a try." Xu Nian said earnestly.

"Good, since you are not afraid, follow me." The Immortal Level Puppet said, leading Xu Nian to the center of the great hall.

Chapter 1330: Eighty Years in Seclusion

Xu Nian arrived at the center of the hall.

At the center of the hall, there was an enormous array pattern.

This array pattern was quite mysterious and should be an extremely powerful Immortal Array.

"Human lad, the first challenge is quite simple: comprehend a sword technique. This sword technique consists of just one move. Once the formation is activated, you'll be trapped inside. Only by comprehending this move can you break out. If you fail to comprehend it, you'll be trapped forever. Of course, you have only a hundred years. If you cannot comprehend it within a hundred years, the formation will directly erase you."

The Immortal Level Puppet said.

"Comprehend sword technique?" Xu Nian looked surprised.

What kind of sword technique requires a hundred years to comprehend?

"Has anyone ever comprehended it before?" Xu Nian asked in surprise.

"Of course, generally, every time it's activated, twenty-four people come in, but almost none of them have ever come out." The Immortal Level Puppet laughed.

Xu Nian looked dumbfounded.

So many people, yet not one succeeded.

Just how profound is this sword technique?

"Lad, are you ready? You can still regret it now. Once the formation is activated, it's over." The Immortal Level Puppet laughed.

"Oh, let me remind you once more, this formation isolates the Heaven and Earth Laws, so even if you breakthrough to Heavenly Immortal, you won't ascend to the Immortal Realm." The Immortal Level Puppet added.

Xu Nian was utterly shocked.

Then he took a deep breath and nodded: "I'm ready."

He didn't believe that he couldn't comprehend a sword technique move in a hundred years.

"Alright!"

A beam of light appeared in the Immortal Level Puppet's hand.

The next moment, Xu Nian was enveloped by the formation.

This formation was extremely formidable; Xu Nian felt that even if he exerted his full strength, he might not be able to open it.

"Buzz!"

Just as Xu Nian was shocked by the formation's strong defense, a stele appeared before him.

On the stele, there was only one word: Sword!

Xu Nian furrowed his brows, his gaze serious.

Just one word?

Comprehend a sword technique move through this one word?

Isn't this asking too much?

Moreover, this word had no Sword Qi at all, just like an ordinary word with no difference.

How can he comprehend it?

"Lad, do you regret it? Though regretting won't help, you can only rely on yourself. Hope you can comprehend it within a hundred years." The Immortal Level Puppet laughed heartily.

Xu Nian felt extremely helpless.

But he was indifferent; if he couldn't comprehend it, he would directly hide in the Chaos Divine Palace.

He didn't believe this formation could penetrate the Chaos Divine Palace.

However, in the next instant, Xu Nian was stunned.

For he found he couldn't even sense the existence of the Chaos Divine Palace.

Not even the Star Axe, King Jing Sword, or Dragon King Cone could be sensed.

This meant he couldn't utilize Immortal Artifacts, not even Divine Artifacts.

"Damn, this formation is too merciless." Xu Nian smiled bitterly.

It seemed that he had only one path, which was to comprehend.

"Give me a sword." Xu Nian said to the Immortal Level Puppet.

The Immortal Level Puppet smiled, waved his hand, and an iron sword appeared before Xu Nian.

Iron sword?

Break this Immortal Level Array?

Is this a joke?

Xu Nian finally understood why so many strong individuals came in, yet none could comprehend this sword technique.

The requirement was simply too high.

"Forget it, let's just try to comprehend it." Xu Nian began examining the word on the stele.

Effortfully trying to comprehend the sword moves hidden within this word 'Sword'.

But ultimately, he still found nothing.

Finally, Xu Nian simply sat cross-legged before the stele, striving to comprehend it.

This sitting lasted spring after spring.

In the blink of an eye, ten years passed.

Xu Nian sometimes sat cross-legged, sometimes tried standing up and swinging his sword.

But he shook his head every time.

The Immortal Level Puppet kept watching Xu Nian cultivate, shaking his head repeatedly each time.

"Why don't you give up instead, just sit down and chat with me." The Immortal Level Puppet laughed.

Yet Xu Nian ignored him and continued to comprehend.

But after ten years, he had no clue whatsoever.

The stele was almost polished by his hand, as smooth as a mirror, yet still left him at a loss.

Another ten years passed.

...

Meanwhile, while Xu Nian was desperately trying to comprehend.

The Heavenly Court Gang was gathering many people.

All the women had furrowed brows.

"Sister Yanran, is there still no news of Xu Nian?" Zhao Yanyun asked.

"No." Leng Yanran shook her head.

"Sister Qingling ascended ten years ago, Black Wind and Ice Blue also ascended to the Demon Realm, even Xiaoxiao and Hong Xiang ascended five years ago, yet there's still no news of Xu Nian. Could he have ascended to the Immortal Realm?" Zhao Yanyun asked.

Leng Yanran shook her head.

"But Xu Nian should be fine; his life emblem is still intact. If Xu Nian ascends, he will definitely inform us. Since he hasn't, it likely means he's trapped in the Immortal Treasure Land." Leng Yanran said.

"Trapped in the Immortal Treasure Land? Is the Immortal Treasure Land so dangerous? Could it trap Xu Nian? Should we go look for him?" Zhao Yanyun asked.

"The Immortal Treasure Land was left by the Immortal Emperor and should be quite dangerous. It opens only once every hundred years, we can't enter. I'm going to ascend in a few days. The only thing we can do now is to safeguard the Heavenly Court Gang in his stead." Leng Yanran said.

"Don't worry, I and Bai Lingxue, along with Xu Xin, have all reached the Peak of Earth Immortal Realm. We can handle it here." Zhao Yanyun said.

Leng Yanran nodded.

The Heavenly Court Gang now was like a fortress.

Almost no one posed a threat to them.

A few days later, Leng Yanran also ascended to the Immortal Realm.

For a while, only Zhao Yanyun, Bai Lingxue, and Xu Xin remained in the Heavenly Court Gang, and of course, Xu Nian's disciple, Wu Dong.

Wu Dong was now at the Transcendence Tribulation Stage and had successfully overcome the Heavenly Tribulation.

Soon, he could reach the Earth Immortal Realm.

Time flew by, and another twenty years passed.

This time, even Zhao Yanyun and Bai Lingxue ascended.

For a while, only Wu Dong and Xu Xin remained in the Heavenly Court Gang.

During this time, Xu Xin was injured, her cultivation regressed a little; otherwise, she would have ascended to the Immortal Realm as well.

And Xu Nian was still immersed in comprehension.

Over these forty years, he finally grasped a hint.

"I see, I see, this so-called word 'Sword' is a fake; the real moves are within the formation." Xu Nian seemed to suddenly understand something.

He abandoned observing the stele and started observing the array patterns.

It turned out the array pattern was extremely complex, and therein lay the sword moves.

Next, Xu Nian sat cross-legged, unmoving.

This sitting lasted another forty years.

Forty years later, Xu Nian suddenly opened his eyes.

A powerful Sword Intent exploded in his eyes.

"Slash!"

Xu Nian unhesitatingly drew the long sword, slashing down.

The next instant, an extremely terrifying and sharp sword light burst forth.

Instantly tearing the defensive formation apart.

"Huh? You actually succeeded?" The Immortal Level Puppet showed a look of surprise.

He hadn't expected Xu Nian to succeed.

Xu Nian shook his head repeatedly; he had actually spent a full eighty years.

"Unexpectedly, you truly comprehended the Kunyuan Sword Technique. Congratulations, all treasures of the first layer of the Immortal Treasure Land are yours, including me." The Immortal Level Puppet laughed.

"Huh?" Xu Nian was taken aback.

Is this Immortal Level Puppet also a reward?
