

Divine King 1471

Chapter 1471: Under Suspicion

Xu Nian watched as Dongfang Ping was pursued and disappeared into the horizon.

An expression of deep sympathy appeared on his face.

Clearly, Dongfang Ping had only acquired a mediocre divine artifact, yet he was being hunted by six Immortal Sovereigns.

And he, who not only obtained four divine artifacts but also possessed godhood, was standing here perfectly fine.

Of course, he knew that this matter would not remain hidden for long.

If someone investigates afterward, they will surely discover that he crossed the Divine Tribulation but was not among those who appeared in the Bright Hall.

By then, he would undoubtedly be under suspicion.

But it would take some time.

For now, no one would suspect him so soon.

"Dragon Rock, don't be too domineering."

However, at this moment, a familiar voice came from another side.

Xu Nian looked in the direction of the voice.

He saw Sister Zhu Xin being besieged by three Immortal Sovereign Level powerhouses.

All three of these Immortal Sovereign Level powerhouses were at the Early Stage.

Leading them was Dragon Rock Immortal Sovereign from the Ten Thousand Beast Mountain, while the other two were Gong Wen, the direct disciple of the Azure-water Immortal Emperor from Haotian Sect, and Lu Ming, the direct disciple of the Red Fire Immortal Emperor from Fuyao Sect.

Three against one, even Sister Zhu Xin, no matter how strong, found it hard to cope.

"Zhu Xin, hand over that drop of Divine Power Liquid you have, don't attempt to use the Divine Power Liquid, even if you use it, we will too; yours is Wind Attribute, but you're skilled in Water Attribute, they can't match, while ours perfectly matches our attributes, so if you use it, it will surely be a dead end." Dragon Rock sneered.

Gong Wen and Lu Ming also sneered along, their gazes at Zhu Xin full of mockery.

"Dragon Rock, don't think I don't know; you're just here for revenge over a past sword; even if I hand over the Divine Power Liquid, you probably won't spare me, will you?" Zhu Xin said coldly.

At this moment, she was injured in multiple places.

These injuries were all inflicted by these three in front of her.

If it were any one of them, she could easily deal with them.

But the three joining forces, each holding matching Divine Power Liquid, she simply wasn't their opponent.

Earlier, she had already used a drop of Wind Attribute Divine Power Liquid.

If she used another one, it would surely cause soul damage.

This would be greatly detrimental to her cultivation.

Of course, the same applied to the three in front of her.

So even though they held the Divine Power Liquid, they had not used it.

"Haha, Zhu Xin, you're smart indeed; yes, your past sword caused me a hundred years of suffering, I wish I could tear you apart, and now with such a good opportunity, do you think I will let you go?" Dragon Rock sneered.

With that, Dragon Rock waved his hand.

Seven Haotian Sect, Fuyao Sect, and Ten Thousand Beast Mountain Immortal King Peak powerhouses surrounded Zhao Qiong and Lu Jiang.

Seven Immortal King Peak powerhouses against Zhao Qiong and Lu Jiang.

It seemed these three sects had long prepared for this.

Zhu Xin, seeing this scene, her gaze instantly turned furious.

"Haha, today, I will let you watch as your two junior brothers die before your eyes; weren't you arrogant in the Sealing God Battlefield? Now, let me see how you can be haughty; attack!" Dragon Rock sneered.

At the command.

The seven Immortal Kings instantly attacked Zhao Qiong and Lu Jiang.

Though Zhao Qiong and Lu Jiang were both Immortal King Peak, facing the siege of seven Immortal King Peak Level powerhouses, they couldn't possibly withstand it.

"Poof!"

Zhao Qiong was punched in the abdomen by an Earth Shanwoo from Ten Thousand Beast Mountain, blood spraying wildly.

Meanwhile, Lu Jiang had an arm severed by an Immortal King from Fuyao Sect.

"You seek death!" Zhu Xin was furious.

Immediately, she was about to rush over to save Zhao Qiong and Lu Jiang.

However, she was intercepted by the three Immortal Sovereign Level powerhouses.

"Zhu Xin, you can't escape, today I will let you know the consequences of offending me; don't worry, I won't kill you easily, I'll cripple your cultivation and throw you to the Heavenly Immortal Level Immortal Beasts of our Ten Thousand Beast Mountain, I want to let you feel the humiliation of being trampled by a group of weaker Immortal Beasts." Dragon Rock said smugly.

Zhu Xin's eyes were filled with extreme anger.

She was about to absorb the final drop of Wind Attribute Divine Power Liquid to fight Dragon Rock and the others to the death.

"The three major forces joining to deal with our Shendang Mountain, do you really think we have no one?"

However, at this moment, a cold voice came.

Dragon Rock and the Immortal Kings all stopped, turning to look in Xu Nian's direction.

"It's him!"

The seven Immortal Kings were taken aback, their brows furrowing.

They had seen the power Xu Nian displayed earlier.

It was surely comparable to an Immortal Sovereign level master.

"Junior Brother?"

Zhao Qiong and Lu Jiang, seeing Xu Nian, were instantly overjoyed.

Xu Nian looked at Zhao Qiong and Lu Jiang, his brows furrowing deeply.

Both were gravely injured.

Zhao Qiong had a blood hole in his chest, and Lu Jiang, aside from losing his left arm, had a deep, bone-revealing cut on his back.

These wounds were law manifestation-level law marks.

Even the Immortal Power within would take a long time to heal them.

Otherwise, why did the sword scar on Dragon Rock take a hundred years to heal?

"Senior Brothers! Rest assured, with me here, these guys won't harm you further." Xu Nian said coldly.

Zhao Qiong and Lu Jiang were both greatly indebted to him.

Now that they were in trouble, how could he possibly stand by?

"Junior Brother? You're also a direct disciple of Taichu Immortal Emperor?" Dragon Rock looked at Xu Nian and asked coldly.

"Sorry, I'm just a recorded disciple." Xu Nian replied.

"So, he's just a recorded disciple; no wonder he's only at the Golden Immortal level, a Golden Immortal here to die?" Dragon Rock immediately laughed heartily.

Lu Ming and Gong Wen also chuckled.

They thought Shendang Mountain had sent someone formidable, but it turned out to be merely a Golden Immortal.

"Senior Brothers, don't underestimate him; he appears to be just a Golden Immortal, but his strength surpasses the Immortal King Peak, he also crossed those three Divine Tribulations." An Immortal King Peak Level powerhouse said.

"He also crossed the Divine Tribulation? But how come I didn't see him in the grand hall?" Dragon Rock asked in surprise.

At this, Gong Wen and Lu Ming also said they hadn't seen Xu Nian.

For a moment, all three were curiously looking at Xu Nian.

"Senior Brother, he was the last to cross, perhaps when he entered, you weren't paying attention." Another Immortal King Peak powerhouse added.

"No, there were only a dozen people present, if he really arrived, we would have known; if he was the last, it means he didn't cross long ago, did this Divine Hall collapse not long after?" Dragon Rock analyzed.

"You mean, Dragon Rock Bro, the real secret of this Divine Tomb might be on him." Gong Wen's eyes also lit up.

"Whether it is or not, wouldn't a soul search reveal everything?" A glint of greedy cruelty flashed in Lu Ming's eyes.

Dragon Rock and Gong Wen both nodded.

Upon hearing this, Zhu Xin frowned.

Indeed, she hadn't seen Xu Nian either.

"Xu Nian, you should leave, don't worry about us." Zhu Xin said immediately.

"Yes, Junior Brother, you should go!" Zhao Qiong and Lu Jiang also realized something and urged quickly.

Xu Nian just smiled.

He hadn't expected Dragon Rock and the others to suspect him so quickly.

If that's the case, then there's no way he would let them go now.

Chapter 1472: Slaying the Immortal Sovereign

"Kid, tell me, did you obtain the godhood? What other treasures did you get? If you confess, I might spare your life." Dragon Rock looked at Xu Nian with a sharp gaze and said.

Xu Nian heard Dragon Rock's words and a faint smile appeared on his lips.

"I originally intended to spare your life, but fate has its ways. You have ultimately become my prey." Xu Nian said with a smile.

Upon hearing this, Dragon Rock frowned.

"What do you mean?" Dragon Rock asked puzzled.

Zhao Qiong, Lu Jiang, and Zhu Xin seemed to remember something, and they were suddenly startled.

Could it be that Xu Nian is about to?

"Your true form is a Five-clawed Golden Dragon, right? The bloodline within me only lacks your ancestor's Ancestor Golden Dragon Bloodline." Xu Nian said with a smile.

Then he stepped forward, the Power of Nine Dragons Supreme emanating from his body.

Dragon Rock's face suddenly changed, he clearly felt a sense of oppression from deep within his bloodline.

"Nine Dragons Supreme Body? How is this possible? A mere human possessing the Nine Dragon Supreme Bloodline?" Dragon Rock's eyes instantly became sharp.

In the eyes of the Dragon Clan, humans are considered inferior and humble creatures.

Yet this inferior creature possesses the dragon clan's strongest bloodline.

How could he not feel surprised and angry?

"So you intend to devour my bloodline?" Dragon Rock understood Xu Nian's intention, and his face turned savage.

"That's right." Xu Nian said with a smile.

"Haha, do you think you deserve it? I'm taking your Nine Dragon Supreme Bloodline!" Dragon Rock said coldly.

"Try and see if I deserve it." Xu Nian said with a smile.

"Courting death! All seven of you attack together." Dragon Rock ordered.

"Yes!"

The Immortal King of Ten Thousand Beast Mountain responded immediately.

The Immortal Kings of Fuyao Sect and Haotian Sect looked at Lu Ming and Gong Wen.

The latter two nodded.

Thus, seven Immortal King Peaks directly attacked Xu Nian.

Although Xu Nian had previously demonstrated strong abilities, they didn't believe that with their combined efforts, they couldn't handle one Golden Immortal.

"Can Junior Brother do it?" Lu Jiang frowned and asked.

"Probably." Zhao Qiong said.

Lu Jiang could only choose to trust Xu Nian.

But he still felt that facing seven of them alone was too strenuous for Xu Nian.

Zhu Xin also frowned deeply.

At this moment, she was still being watched closely by three Immortal Sovereigns, unable to help Xu Nian at all.

"Die!"

The Immortal King Peak powerhouse of the Thunderbolt Eagle King directly charged at Xu Nian.

The claws contained terrifying Thunderclap Law fluctuations.

Upon seeing this, Xu Nian clenched his fist.

"Ksitigarbha Fist!"

A punch was thrown.

The power instantly exploded to its maximum.

"Ah!"

The Thunderbolt Eagle King's claw was directly blown apart by Xu Nian's punch, emitting a miserable scream.

The whole body quickly flew backward.

"Eh?"

The other six Immortal Kings were shocked, their eyes became sharper, attacking Xu Nian from six directions.

Xu Nian smiled slightly, and the Law Sword in his hand gathered.

"Red Scorching Fierce Wind Slash!"

Xu Nian shouted softly, slashing out a sword.

The Super First Grade Principle exploded immediately.

"No!"

The two Immortal King Peak level powerhouses still wanted to resist.

However, Xu Nian's Sword Qi was overwhelmingly terrifying.

"Puchi!"

With this sword from Xu Nian, the two were directly cut in half, even their Immortal Embryos were sliced into two.

"Die!"

The other four Immortal Kings then attacked at this moment.

They all unleashed their strongest attacks.

Four Law Manifestation Items weapons attacked Xu Nian; there was Water Attribute Law, Wind Attribute Law, Earth Attribute Law, and Fire Attribute Law.

All four laws were deployed.

The power was astonishing!

However, Xu Nian was not afraid at all.

Watching the approaching law attacks, his figure flashed and bizarrely disappeared.

"Boom!" All four law attacks completely missed.

"What?" All four Immortal Kings were shocked.

How did this guy do it?

"The ninth junior brother is behind you." Haotian Sect's Gong Wen exclaimed in panic.

The Immortal King warned by Gong Wen was instantly terrified, and hurriedly turned around.

However, just as he turned, a terrifying Sword Radiance directly attacked.

In the next moment, this Immortal King was slaughtered.

After killing one Immortal King, Xu Nian disappeared again.

He appeared again behind another Immortal King.

"Puchi!"

Another sword strike.

Thus, in just a short time, all four Immortal Kings were slaughtered by Xu Nian.

The surviving Thunderbolt Eagle King immediately transformed into his true form, attempting to launch a sneak attack on Xu Nian.

However, Xu Nian sneered.

A black ball descended from the sky, falling swiftly with great force.

It instantly shattered the Thunderbolt Eagle King.

Like this, all seven Immortal Kings perished miserably.

"So powerful, is this Junior Brother's strength?" Zhao Qiong was stunned.

Lu Jiang was also horrified.

Seven Immortal Kings that they couldn't defeat no matter how hard they tried were so easily dealt with by Xu Nian.

Xu Nian simply smiled.

The reason he could suddenly disappear just now.

Was because not long ago, his Divine Demon Avatar had made a new breakthrough in the Earth Attribute Shrinking Ground Principle.

Now the Shrinking Ground Principle had reached the mid-stage level.

That's why Xu Nian's speed could reach such a rate.

Dragon Rock and the other two saw that the seven companions were slaughtered by Xu Nian, their eyes showed incredibly angry expressions.

"Do you still think I'm not worthy now?" Xu Nian sneered and said.

"You're courting death!" Dragon Rock was furious.

Gong Wen and Lu Ming also looked with extreme anger.

"hmph, soon your essence blood will become my nourishment." Xu Nian said with a light smile.

"Die!" Dragon Rock was instantly infuriated.

In the next moment, he charged out, attacking Xu Nian.

A golden long spear appeared in his hand.

The spear contained a strong, indestructible principle.

At the same time, the Law Power exploded with full might.

Xu Nian watched Dragon Rock charging at him, a cold smile appeared at the corner of his mouth.

Just as Dragon Rock's spear approached him, Xu Nian once again bizarrely disappeared.

"Not good!" Dragon Rock was shocked, urgently looking around.

Suddenly, his expression changed drastically.

He said to Gong Wen: "Gong Wen, he's behind you."

Gong Wen's face changed, the Water Attribute Bi Hai Tao Tian Law exploded, and he immediately turned to slash out a sword, forming a huge wave rushing towards Xu Nian.

Xu Nian wielded his sword in defense, colliding with that wave.

Though it shattered the wave, his figure was forced back hundreds of feet.

"Hmph, you want to ambush me! Do you think you deserve it?" Gong Wen sneered disdainfully, looking at Xu Nian with mocking eyes.

Xu Nian slightly smiled: "Really think I'm not worthy?"

Gong Wen's face changed.

In the next moment, his whole body instantly felt numb.

But just as he prepared to defend, everything was already too late.

The Divine Talisman Dagger turned into a stream of light, instantly piercing through his abdomen from behind, shattering his Immortal Embryo.

"No!" Gong Wen let out an extremely unwilling scream.

However, everything was already too late.

Lu Ming and Dragon Rock's faces were both horrified.

Divine Talisman Weapon?

"Hiss!"

Zhao Qiong and Lu Jiang both took a cold breath.

Xu Nian actually killed an Immortal Sovereign?

Chapter 1473: Wind Attribute Divine Power

Zhu Xin was also astonished.

Did Xu Nian actually kill Gong Wen?

Even though it was a sneak attack, being able to slay an Immortal Sovereign level expert is absolutely a shocking feat.

Xu Nian simply chuckled.

Just now, he appeared to attack Gong Wen from behind, but actually had the Divine Talisman Dagger strike from the front.

Gong Wen thought he had defended against the sneak attack, but actually overlooked the dagger attacking from the front.

So he didn't even have time to activate his Divine Power Liquid before Xu Nian killed him.

"Buzz!"

Gong Wen's storage ring was pinched in Xu Nian's hand.

With a thought, a drop of Water Attribute Divine Power Liquid appeared in Xu Nian's hand.

"Sister, this drop of Divine Power Liquid is for you, but you'd better not use it for now," Xu Nian said with a smile.

"For me?" Zhu Xin was stunned.

She hadn't expected Xu Nian to kill Gong Wen primarily for her sake.

If she used the Water Attribute Divine Power Liquid, not only would her power be stronger, but the damage to her soul would be much less.

So Xu Nian killed Gong Wen, definitely for the Water Attribute Divine Power Liquid.

"Yes, I cultivate the Wind Attribute and Earth Attribute, so this Divine Power Liquid is useless to me," Xu Nian smiled.

"Then I'll give you this drop of Wind Attribute Divine Power Liquid," Zhu Xin said quickly.

"No need, I already have two drops of Wind Attribute Divine Power Liquid given by my Master," Xu Nian replied with a smile.

In fact, he had ten drops in his possession.

He just couldn't say it outright.

If he did, others would surely be suspicious of him.

After all, it was unbelievable for a Golden Immortal to have ten drops of Divine Power Liquid.

"No way, even if you have two drops, you must accept this Divine Power Liquid," Zhu Xin insisted firmly.

"Alright, then I thank Sister," Xu Nian smiled.

He understood Sister Zhu Xin's temperament.

Once she made up her mind, she would see it through to the end.

"You two!" Dragon Rock clenched his fist tightly.

Xu Nian was mocking him.

Clearly engaged in battle with him, yet he went and ambushed Gong Wen.

This was clearly treating him as insignificant.

"Don't worry, your turn will come sooner or later," Xu Nian said with a smile.

"You're courting death, Brother Lu Ming, this kid has a Divine Artifact, the two of us will attack together without holding back," Dragon Rock said.

"Alright!" Lu Ming agreed immediately.

The moment he saw Xu Nian holding a Divine Artifact, his suspicion of Xu Nian deepened.

Since Xu Nian had a Divine Artifact, did it mean the Godhood was also in his possession?

"Xu Nian, I'll help you!" Zhu Xin said immediately.

"No need, Sister, just watch from the side," Xu Nian smiled.

After saying this, he stepped forward.

"The Junior Brother is going to take on two opponents by himself?" Zhao Qiong exclaimed in surprise.

"Two Immortal Sovereigns, and a single Golden Immortal planning to fight two Immortal Sovereigns—if I hadn't seen it with my own eyes, I wouldn't have believed it," Lu Jiang couldn't help but say.

"Indeed, the crazy part is that I feel the Junior Brother can actually win," Zhao Qiong chuckled wryly.

Lu Jiang nodded in agreement.

Clearly, he shared the same thought.

Zhu Xin frowned slightly, remaining silent.

Usually, she would unhesitatingly refuse Xu Nian's proposal.

But just then, for some reason, she found herself choosing to trust Xu Nian.

This trust gave her an innate sense of security.

"Brat, words are one thing, let's see you back them up with action!" Dragon Rock roared angrily.

In the next instant, his form transformed into a beam of golden light.

The long spear in his hand lunged directly at Xu Nian.

The pressure of the law this spear created was even stronger, and the power on the spear was immense.

On the other side, Lu Ming also made his move, utilizing the Earth Attribute Law, Ground Fracture.

Lu Ming wielded a Battle Saber, slicing forth, instantly transforming into an enormous saber shadow.

The two forces of law pressed fearsomely together.

Clearly, both had reached the entry-level stage of Law Comprehension, Law True Body.

Although Xu Nian's Red Scorching Extreme Point Penetration Law was strong, it couldn't match the two Immortal Sovereigns.

So Xu Nian didn't act over-confidently, immediately activating the Divine Talisman Dagger.

"Whiz!"

The Divine Talisman Dagger shot out, directly targeting Lu Ming.

Meanwhile, Xu Nian also unhesitatingly summoned the Divine Sword, Gale Sword.

Activating the Red Scorching Extreme Point Penetration Law, he swung the sword.

"Buzz!"

A sword strike was unleashed.

The Divine Sword erupted with an earth-shattering wave.

"Another Divine Artifact?"

Zhao Qiong and the others were utterly surprised.

Dragon Rock was also taken aback.

"Buzz!"

He immediately activated all the Immortal Essence within him, forming a layer of Gold Attribute armor over his body.

"Boom!"

The Sword Radiance unleashed by Xu Nian shattered Dragon Rock's long spear and struck his armor.

The Sword Radiance collided with the armor, causing it to shatter into pieces.

"Puff!"

Dragon Rock spewed blood from his mouth.

Though he blocked Xu Nian's sword, the impact from the Sword Radiance still injured him.

"Such a powerful attack." Zhu Xin couldn't help but be amazed.

This single strike would be difficult for her to withstand even at her peak.

Dragon Rock's eyes were sharp, fixed on the Divine Sword in Xu Nian's hand.

"It seems you've indeed inherited the legacy of the Divine Tomb, and the Godhood is with you," Dragon Rock said coldly.

"What if it is, what if it isn't?" Xu Nian retorted with a cold laugh, disinclined to argue.

"Hmph, in that case, you're doomed." Dragon Rock shouted.

In the next moment, he directly absorbed a drop of Gold Attribute Divine Power Liquid.

Soon, his entire body was enveloped in an incredibly radiant golden light.

On the other side, Lu Ming, who had blocked the Divine Talisman Dagger, also glared sharply at Xu Nian.

He too, without hesitation, activated a drop of Earth Attribute Divine Power Liquid.

With both Immortal Sovereigns using Divine Power Liquid simultaneously, a terrifying wave of divine power emanated from their bodies.

At that moment, it seemed as if the flames of divine power ignited on their bodies.

One gold, one yellow.

Seeing this, Xu Nian also wasted no time in activating a drop of Wind Attribute Divine Power Liquid.

"Buzz!" The azure divine power exploded within Xu Nian's body.

Xu Nian's eyes gleamed, his hand holding the Gale Sword.

"The absorbed power indeed reached two percent." Xu Nian's eyes lit up.

"Xu Nian, this is the second time Dragon Rock and Lu Ming are using Divine Power Liquid; their absorption is likely only at one percent," Zhu Xin's voice resonated in Xu Nian's mind.

Hearing this, Xu Nian's eyes shone brightly.

Initially, he was worried that Dragon Rock, being at an Immortal Sovereign level, would absorb more divine power liquid.

But since they had already used it once before, this absorption was actually less.

"Attack!"

Dragon Rock bellowed, activating Gold Attribute Divine Power to attack Xu Nian.

Meanwhile, Lu Ming appeared with an Earth Attribute Battle Saber, emanating strong Earth Attribute Divine Power.

"Hmph!"

Xu Nian snorted coldly, immediately employing Wind Attribute Divine Power.

When the divine power was channeled into the Gale Sword, it emitted an exceedingly sharp aura.

This aura seemed capable of cutting through everything in the world.

"Slash!"

Xu Nian shouted, swinging the sword.

It unexpectedly tore through the void, forming a massive spatial fissure.

Dragon Rock and Lu Ming were greatly alarmed, hurriedly retreating to avoid the terrifying strike.

Staring at the terrifying fissure in the sky, they were visibly shocked.

Chapter 1474: The Dragon Emperor's Reversed Scale

Xu Nian was also startled by his own sword strike.

To tear through the Void in the Immortal Realm, how terrifying must the power be?

The combination of the Wind Attribute Red Flame Extreme Point Penetration Law and the Gale Divine Sword, together with the Wind Attribute Divine Power, is what achieved this effect.

These three points are indispensable.

"Such strong destructive power, the junior disciple's use of the divine artifact and Wind Attribute Divine Power is actually so terrifying?" Zhao Qiong couldn't help but exclaim.

"Indeed very strong, with this destructive power, it's probably surpassed the level of an Immortal Sovereign Peak expert." Lu Jiang followed up.

Zhu Xin also nodded in agreement.

Even at her peak with the use of Water Attribute Divine Power Liquid, she might not achieve such terrifying destructive power.

Dragon Rock and Lu Ming were obviously also startled, their eyes extremely sharp.

"This boy's divine artifact is also of the Wind Attribute, attack together, and do not hold back." Dragon Rock said.

In the next moment, he transformed directly into his original form.

The massive Golden Dragon was a hundred zhang long, its entire body emitting terrifying Golden Light Divine Dawn.

On the other side, Lu Ming also activated Earth Attribute Law, with Earth Shattering Law Wave emitting, forming a terrifying Earth Attribute giant blade.

"Die!"

Dragon Rock opened his massive mouth, spewing out a terrifying golden light.

Lu Ming also wielded the giant blade, slashing fiercely toward Xu Nian.

Divine power surged like Heaven and Earth Creation.

Xu Nian looked at the incoming golden light and Earth Attribute giant blade, his eyes instantly sharp.

He could clearly feel two overpowering divine forces with immense pressure coming at him.

"Gale Slash!"

Xu Nian lightly shouted.

Divine power surged within his body, erupting instantly.

Infusing the Gale Divine Sword.

Mighty sword radiance was as immense as the sky.

Once the sword radiance appeared, heaven and earth began to tremble.

"Boom!"

A sky-shattering bang.

Xu Nian's sword radiance collided with the golden light and Earth Attribute giant blade.

For a while, they were evenly matched.

"Boom!"

The three forces clashed together, shaking heaven and earth.

An energy storm suddenly hit.

Zhu Xin, Zhao Qiong, and Lu Jiang all were blown away, a trace of blood seeping from the corners of their mouths.

"So strong, the junior disciple actually blocked their combined attack." Zhao Qiong said in surprise.

"Indeed strong, but this cannot continue. Although the junior disciple's attack is strong, with their combined force, he stands no chance of gaining an advantage." Lu Jiang remarked.

Zhu Xin also frowned.

She was contemplating whether to join the battle herself.

Once she joined the fray, Xu Nian could easily turn the tide.

However, just as she was about to act.

Xu Nian moved, appearing directly in front of Lu Ming in a flash.

Lu Ming was shocked, and divine power in his hand condensed a powerful Law Blade.

A slash came out, its power earth-shaking.

Seeing this slash, Xu Nian merely smiled slightly.

Xu Nian did not perform any defense, instead energizing the Gale Sword to slash at Lu Ming's critical point.

Lu Ming was greatly alarmed.

Did Xu Nian give up on defense?

Is he insane?

No matter how strong his physique, he couldn't withstand the earth-shattering strike under divine power.

"Hmph, a life for a life, but you will die first!" A glint of madness flashed in Lu Ming's eyes.

As long as he could slash Xu Nian with a single strike, Xu Nian's attack would be effortlessly resolved.

He infused all his divine power into the Law Blade he held.

The Law Blade erupted to the extreme.

"Die!"

Lu Ming revealed a sinister cold smile.

He struck first, with Xu Nian's speed, he couldn't possibly catch up.

So it was certain he would succeed first.

"Crack!"

But just when he thought he would kill Xu Nian with this sword.

The Law Blade struck Xu Nian's body, unexpectedly producing the sound of steel clashing.

In the next moment, his Law Blade shattered.

"What?" Lu Ming was utterly shocked.

How is this possible?

But when he saw the silver inner armor Xu Nian was wearing, he was utterly devastated.

Divine Armor?

Xu Nian actually has Divine Armor?

The Divine Armor, under the activation of divine power, formed a perfect shield.

Hence, Lu Ming's attack didn't harm Xu Nian at all.

"The one to die is you!" Xu Nian sneered.

The sword in his hand carried an extremely sharp wave as it slashed toward Lu Ming.

Lu Ming was instantly horrified to the extreme.

Hastily, he gathered all his divine power to form an Earth Armor on his body surface.

"Puchi!" Xu Nian's sword slashed on the Earth Armor.

In the next moment, the Earth Armor shattered directly.

But Xu Nian's sword only left a sword mark on Lu Ming's body surface.

It did not slay him.

Lu Ming grinned smugly.

"Swish!"

However, in the next moment, the Divine Talisman Dagger pierced through Lu Ming's body, obliterating his immortal embryo.

"You!"

Lu Ming's eyes widened, revealing an expression of extreme unwillingness.

Xu Nian merely chuckled.

"Long before you made the first move, I activated the Divine Talisman Dagger. Infused with divine power, it moves silently, so the life-for-life was only a preliminary move; the real follow-up was the Divine Talisman Dagger." Xu Nian said with a smile.

Upon hearing this, Lu Ming's face was filled with unbearable rage.

Yet, at this moment, his consciousness was continuously dissipating.

"Junior disciple really is amazing, with such means and wit, even on the Sealing God Battlefield in the future, he wouldn't lose to those few." Zhao Qiong commented with admiration.

"Indeed, those few are notorious Immortal Slayers, with such insidious killing techniques." Lu Jiang nodded.

Although Zhu Xin did not speak, she was equally astonished in her heart.

How long has it been, yet Xu Nian seems to have grown to a level where she no longer needs their combat squad.

In the distance, Dragon Rock saw Lu Ming's demise, and his expression turned thoroughly serious.

Previously, even with Lu Ming's cooperation, they struggled to kill Xu Nian.

Now there was only him left.

Xu Nian not only has Divine Armor for protection, but also wields a Divine Sword, along with the mysterious Divine Talisman Dagger.

With three divine artifacts, he had no advantage at all.

"Xu Nian, with your possession of three divine artifacts, if the godhood from the Divine Tomb isn't on you, saying it out loud, no one would believe it." Dragon Rock said.

Upon hearing this, Xu Nian's brows furrowed.

The matter of the godhood had indeed been exposed.

If it spreads now, he would undoubtedly be pursued by many powerful enemies.

After all, the allure of godhood is terrifying.

"Kill!"

Without any hesitation, Xu Nian charged straight at Dragon Rock.

His Gale Sword swung, the Red Scorching Extreme Point Penetration Law driven to the extreme.

Meanwhile, divine power was infused into the Divine Talisman Dagger.

The Divine Talisman Dagger cut through the air, rapidly shooting towards Dragon Rock's massive dragon body.

"Roar!"

Dragon Rock was furious, spitting out a Dragon Ball from his mouth, from which intense golden light erupted.

Clashing with Xu Nian's Gale Sword.

"Boom!"

Intense golden light and Gale Sword Qi energy waves exploded instantly.

Like a hundred thousand thunderclaps shattering.

Both Xu Nian and Dragon Rock were blown away.

"Swish!"

The Divine Talisman Dagger targeted Dragon Rock.

However, Dragon Rock seemed prepared, as a golden dragon scale transformed into a shield to block the Divine Talisman Dagger.

"Clang!"

The sound of metal colliding was heard.

The Divine Talisman Dagger did not pierce through the golden dragon scale.

"Uh, the Reversed Scale of an Immortal Emperor Level Dragon Clan expert?"

Xu Nian showed a surprised expression.

The Dragon Clan's hardest dragon scale is the Reversed Scale, and Dragon Rock's scale was exactly the Reversed Scale of an Immortal Emperor Level expert.

Indestructible, comparable to a low-grade divine artifact.

Chapter 1475: An Enormous Crisis

"The reversed scale of an Immortal Emperor Level Dragon Clan expert?"

Zhao Qiong and the others were also shocked by the reversed scale that Long Yan summoned.

They never expected that Long Yan would have such a treasure on him.

With this reversed scale, even Xu Nian's Divine Sword might not harm him in the slightest.

"Doesn't this mean that junior brother can't kill Long Yan now?" Zhao Qiong exclaimed angrily.

Among these people, he hated Long Yan the most.

Clearly, Zhu Xin had spared him once, yet now he repays kindness with enmity.

And now even Xu Nian couldn't do anything to him.

Zhu Xin also furrowed his brows; if Long Yan doesn't die, Xu Nian is bound to fall into dire straits.

By then, the people of Ten Thousand Beast Mountain would relentlessly hunt Xu Nian.

And now with Xu Nian on a mission, he couldn't return to Shendang Mountain at all.

Xu Nian's eyes were filled with astonishment.

The reversed scale of an Immortal Emperor Level Dragon Clan expert; it seems that Long Yan is quite valued by Ten Thousand Beast Mountain.

Otherwise, why would such a precious treasure be in his hands?

"Xu Nian, you can't kill me. Once your Divine Power Liquid wears off, let's see how you'll fight me." Long Yan sneered.

Xu Nian's cultivation was much lower than his.

If neither of them had the aid of Divine Power Liquid, Xu Nian would undoubtedly be even more passive than now.

So his current goal is to drag it out, to wait until the effect of Xu Nian's Divine Power Liquid completely wears off.

Then, relying on the Dragon Clan and the reversed scale, he would slay Xu Nian.

How could Xu Nian not know Long Yan's intentions?

If Long Yan truly wanted to fight a long battle, he didn't really have a particularly good method.

"It seems I have no choice but to do this." Xu Nian murmured to himself.

After speaking, an incredibly powerful wave erupted from Xu Nian's body.

"Buzz!"

A wave of soaring sword qi shot straight into the sky.

The chaos between heaven and earth was split apart, and Xu Nian's gaze was sharper than ever.

"Junior brother, is he going to?" Zhao Qiong looked surprised.

"This is a kind of Talent Divine Ability." Zhu Xin suddenly spoke.

"Talent Divine Ability, but junior brother is human and knows a Talent Divine Ability?" Zhao Qiong looked amazed.

In the distance, Long Yan was also shocked.

Such a strong Talent Divine Ability?

How could Xu Nian possibly unleash a Talent Divine Ability?

"I've investigated his information. When he was in the Mortal World, he once had two avatars: one cultivating the Divine Demon Refining Body, and the other was the Undying Devouring Sky Beast. What he's exhibiting now should be the Talent Divine Ability of the Devouring Sky Beast," Zhu Xin said.

"The Undying Devouring Sky Beast? That legendary void beast?" Zhao Qiong and Lu Jiang were astonished.

They never expected Xu Nian had hidden so deeply.

He even had two avatars?

"The Undying Devouring Sky Beast?" Long Yan was also stunned.

The Undying Devouring Sky Beast is the archenemy of their Dragon Clan. It's said that in ancient times, the Undying Devouring Sky Beast fed on their Dragon Clan.

Now Xu Nian not only possesses the Nine Dragons Supreme Body but also has an avatar of the Undying Devouring Sky Beast?

"This child must be killed, or he will pose a significant threat to our Dragon Clan." Long Yan murmured to himself.

Thus, he immediately activated the Dragon Ball in his mouth.

He cast an indestructible law upon it.

"Buzz!"

The Dragon Ball instantly burst into an incomparably bright golden light.

The golden light shot toward Xu Nian, as if it was going to kill him.

But Xu Nian smirked, the Divine Sword in his hand charged to the limit.

"Let you taste my Talent Divine Ability, imbued with the Red Scorching Extreme Point Penetration Law, Near Heaven-cutting!"

Xu Nian roared.

In the next moment, a sword slashed down.

The heavenly dome was instantly torn apart.

The Near Heaven-cutting, infused with the Red Scorching Extreme Point Penetration Law, had earth-shattering power.

"Boom!"

The golden light was instantly shattered by Xu Nian's Sword Radiance.

"What?"

Long Yan was utterly shocked.

This Talent Divine Ability was so strong?

He immediately activated the reversed scale to defend.

"Clang!"

The terrifying Sword Radiance immediately smashed onto the golden reversed scale.

"Boom!"

Long Yan's massive body instantly sank, directly smashed to the ground by Xu Nian's sword.

The power was terrifying, turning the surrounding hundred miles into dust.

The distant Immortal Kings who had been secretly observing the battle were dumbfounded.

The Dragon Clan Immortal Venerable was actually ravaged like this.

This Golden Immortal was truly terrifyingly powerful.

"Puff!"

Long Yan spat out a mouthful of blood.

He was seriously injured.

Although he blocked Xu Nian's terrifying sword,

he was also hurt by the Sword Qi emanating from the sword.

"Junior brother's Talent Divine Ability is truly terrifying," Zhao Qiong marveled.

"Indeed, a Talent Divine Ability that can integrate Law Comprehension is indeed a rare divine skill," Lu Jiang said.

Xu Nian stood proudly with his sword.

Looking at Long Yan lying on the ground, his gaze was calm.

"Buzz!"

The divine power within him completely dissipated.

The effect of the Divine Power Liquid vanished as well.

"Haha, Xu Nian, you lost." Long Yan's body rose again, although the divine power liquid within him had also dissipated.

But in his normal state, he was definitely stronger than Xu Nian.

Zhu Xin and the others looked worried.

Xu Nian's Immortal Essence was likely nearly depleted.

How could he be a match for Long Yan?

"Junior brother, let me handle it!" Zhu Xin said.

"No need, senior sister, he's already lost," Xu Nian said with a smile.

"I lost? Impossible!" Long Yan sneered derisively.

He thought Xu Nian was bluffing.

But in the next moment, his expression changed dramatically.

"No... impossible."

Then his pupils shrank, and his entire body fell down.

His eyes stared fixedly at Xu Nian, filled with extreme unwillingness.

"I said you lost. Now do you believe it?" Xu Nian looked at the lifeless Long Yan and chuckled.

"Dead?"

Zhao Qiong and the others were instantly filled with surprise and doubt.

Zhu Xin was also stunned.

The surrounding spectators were even more bewildered.

How did Long Yan die?

Xu Nian smiled without saying a word.

In truth, the so-called Talent Divine Ability from before was still a facade.

His real killing move was letting the Ye Tian God Emperor infuse a wisp of Divine Thought into his attack.

This wisp of Divine Thought directly obliterated Long Yan's dragon soul.

So Long Yan, in a certain sense, wasn't hurt by him but was killed by the Ye Tian God Emperor.

"Kid, I'll only help you this time. The next time you encounter such an ant, don't come crying to me if you end up dead," the Ye Tian God Emperor's voice echoed in Xu Nian's mind.

Xu Nian gave a slight smile, "Thank you, Master!"

"Hmph!" The Ye Tian God Emperor let out a light snort.

Then he no longer paid attention to Xu Nian.

Xu Nian drifted down in front of Long Yan's enormous body.

With a wave of his hand, he collected Long Yan's corpse and the reversed scale into his storage ring.

With this Five-clawed Golden Dragon,

his Nine Dragons Supreme Body can finally reach the Small Achievement Realm.

"Hmm?"

Suddenly, Xu Nian's expression changed.

In his palm, he held a Communication Immortal Talisman.

This Communication Immortal Talisman belonged to Long Yan.

Within the talisman was a wisp of Immortal Consciousness, which in an instant spread across the Immortal Realm.

"Buzz!"

Zhu Xin and the surrounding crowd all picked up the Communication Immortal Talisman.

On the talisman was only one line: "Xu Nian possesses a Godhood and three Divine Artifacts."

Zhu Xin's face changed drastically upon seeing this.

Long Yan, before dying, spread the news about Xu Nian possessing a Godhood and Divine Artifacts?

Xu Nian also furrowed his brows.

Indeed, the eyes of those around him changed when looking at him.

Chapter 1476: Xu Nian's Confidence

"That Dragon Rock is simply despicable! Even in death, he doesn't forget to set up Little Junior Brother. It's outrageous."

Zhao Qiong cursed angrily.

This way, Xu Nian will inevitably become the public enemy of the Immortal Realm.

With a Godhood and three Divine Artifacts, it's hard for anyone not to be tempted in the Immortal Realm.

Even an Immortal Emperor might take action.

Xu Nian could only smile bitterly.

He didn't expect the news would eventually spread out.

Originally, he asked Emperor Ye Tian to strike just to completely annihilate Dragon Rock's soul in an instant.

But this Dragon Rock was cunning; he had already injected his Immortal Consciousness into a Communication Immortal Talisman.

Once he died, this Immortal Consciousness would immediately spread across the Immortal Realm.

By then, even if Xu Nian didn't die, he would have to face endless pursuit.

Surrounding them, the Divine Kings watching all eyed Xu Nian fervently.

If they weren't incapable of defeating Xu Nian, they would have rushed up to tear him apart.

"Xu Nian is a disciple of Shendang Mountain's Taichu Immortal Emperor. Whoever dares to target him is making an enemy of Shendang Mountain, and harboring enmity with Taichu Immortal Emperor." Zhu Xin immediately stepped forward.

The might of an Immortal Sovereign erupted.

Those Immortal Kings changed their expressions upon hearing this and had no choice but to disperse.

"We better leave here quickly; those eight Immortal Sovereigns will definitely rush back upon receiving the news," Zhao Qiong stepped forward and said.

Xu Nian nodded.

Then the four of them turned into streams of light and disappeared from where they stood.

Not long after they left, eight figures appeared out of nowhere.

They had been pursuing an Independent Immortal named Dongfang Ping but immediately chose to return upon receiving the news.

After all, Dongfang Ping only had one Divine Artifact, whereas this guy named Xu Nian had a Godhood and three Divine Artifacts.

"Who is this Xu Nian?" one Immortal Sovereign asked curiously.

They didn't know who Xu Nian was or what he looked like.

The other seven Immortal Sovereigns examined the battle marks on the ground.

One of them said, "There was a fierce battle here; seven Immortal Kings died, along with three Immortal Sovereigns. These three must be Dragon Rock, Lu Ming, and Gong Wen."

"They're all dead? Who did it?" The other six were all astonished.

"Why not just catch someone and ask?" one Immortal Sovereign suggested.

"Ask what? Just perform Soul Search directly!" another Immortal Sovereign sneered.

With that, he flickered and appeared in front of one Independent Immortal King.

The face of that Independent Immortal King turned ashen immediately.

However, the Immortal King's gaze remained cold and merciless as he struck the Immortal King's head.

The next moment, the Immortal King's memories were searched with Soul Search.

That Immortal Sovereign instantly browsed through Xu Nian's entire battle process from the Independent Immortal King's memory.

"How was it?" The other six, seeing a look of surprise on this Immortal Sovereign's face, became curious.

"It was truly marvelous. Do you know what level Xu Nian's cultivation is?" The Immortal Sovereign pretended to be mysterious.

"What level? Middle-stage Immortal Sovereign?" The other six Immortal Sovereigns were all taken aback.

They were all strong at the Early Stage Immortal Sovereign level.

If Xu Nian was really at the Middle-stage Immortal Sovereign or higher, they would indeed have no way to deal with him.

After all, being able to kill three Early Stage Immortal Sovereign-level powerhouses means his cultivation is undoubtedly extraordinary.

"See for yourselves!" The Immortal Sovereign laughed.

He then sent six strands of Immortal Consciousness into the minds of the six Immortal Sovereigns.

The next moment, the six Immortal Sovereigns were all shocked.

"Golden Immortal?"

The six of them almost exclaimed simultaneously.

Such a result was unexpected enough to drop their jaws.

However, the entire battle process kept astonishing them more and more.

"Xu Nian has such formidable Law Comprehension, his grade must be top First-grade, even more formidable than Dongfang Ping," an Immortal Sovereign couldn't help but exclaim.

"Indeed strong, his Immortal Essence is also incredibly vast, not inferior to Immortal King Peak, and he's also of the Nine Dragons Supreme Body, no wonder he wanted to kill Dragon Rock," another Immortal Sovereign commented.

Although they were from different forces, their current goal was the same.

So, before they competed for treasures, they maintained harmony among the seven of them.

"Is this guy really a disciple of Shendang Mountain's Taichu Immortal Emperor? Could this be arranged by Taichu Immortal Emperor? If so, it might not be good to kill him," said an Immortal Sovereign.

"It shouldn't be, otherwise Zhu Xin and the others wouldn't have come, and I've checked, Xu Nian is just a registered disciple, not a direct disciple," responded another Immortal Sovereign from across.

"Registered disciple?" The other six were surprised again.

Registered disciple this strong?

"Let's go; they probably haven't gone far. If we chase them, we might catch up," one Immortal Sovereign suggested.

The other Immortal Sovereigns nodded, heading in the direction Xu Nian and his group left.

...

While the seven Immortal Sovereigns were pursuing Xu Nian,

Xu Nian and Sister Zhu Xin had maneuvered to the rear of Fengyang Lake.

So those Immortal Sovereigns would have a hard time finding them.

"Xu Nian, come back to Shendang Mountain with us; it's too dangerous for you outside," Zhu Xin said.

"Yes, Little Junior Brother, return to Shendang Mountain. We'll plead with Master to protect you," Zhao Qiong said.

Lu Jiang also nodded in agreement.

Xu Nian just smiled: "Senior Brother, Senior Sister, actually, I don't hide from you, I could have become Master's direct disciple, but I chose another path. So, until I complete the task Master assigned, I won't return."

Xu Nian smiled slightly.

He knew Zhu Xin and the others genuinely cared about him.

But at this moment, returning would mean giving up.

What is a Godhood?

What he wanted was to ultimately become a god naturally.

"So it's like this. I wondered why Master wouldn't take you as a disciple. It turns out Master really had other plans, but staying outside is indeed very dangerous, the other Eight Great Forces and those powerful Independent Immortals won't let you go," Zhao Qiong said.

Xu Nian shook his head.

"Since you've decided, we won't persuade you anymore. This is a drop of Earth Attribute Divine Power Liquid, take it. I know you probably have plenty of Wind Attribute, but maybe not Earth Attribute," Sister Zhu Xin said.

"Huh?"

Xu Nian was taken aback.

He hadn't expected Sister Zhu Xin would actually give him the Divine Power Liquid.

One must know, a drop of Divine Power Liquid is extremely precious in the Immortal Realm.

Even for direct disciples, not everyone possesses Divine Power Liquid.

So Zhu Xin giving him Divine Power Liquid was truly from heartfelt concern for him.

"Thank you, Senior Sister. Alright, I'll accept it," Xu Nian said with a smile.

He took the drop of Earth Attribute Divine Power Liquid.

"Let's go, take care of yourself!" Zhu Xin said.

With that, she left with Zhao Qiong and Lu Jiang.

Xu Nian watched the three of them leave, feeling immensely touched.

But soon, Xu Nian's gaze became firm.

"Don't worry, I will definitely return alive," Xu Nian muttered to himself.

The next moment, he directly entered the Chaos Divine Palace.

He retrieved the giant corpse of the Five-clawed Golden Dragon.

Chapter 1477: Chaos Dragon Qi

Xu Nian looked at the enormous dragon corpse in front of him, feeling overwhelmed with emotion.

An Immortal Sovereign Level dragon corpse.

He really didn't expect that one day, he could obtain such a dragon corpse.

Back in the day, he was merely a bastard in a small town of the Mortal World.

His growth to today's level, besides the help from Yetian God Emperor and Master Bai Tianhan, as well as the Wentian Demon Sovereign, was also thanks to his own perseverance.

"Good lad, even an Immortal Sovereign Level Golden Dragon has been slain." The Wentian Demon Sovereign appeared next to Xu Nian, looking at the giant Dragon Clan corpse, he couldn't help but exclaim.

"This was killed by Master Ye Tian's hand, my strength is still lacking." Xu Nian said with a smile.

"Don't think I don't know, you hunted down two Immortal Sovereigns outside, I saw it all." Wentian Demon Sovereign immediately scoffed.

The young man who once relied on his protection, now was almost catching up to him.

"Senior Wentian, what do you need to condense a physical body, I will try to help you prepare it." Xu Nian said.

"No rush, wait until you reach the Immortal Emperor Level, then help me get a Demon Emperor's body." Wentian Demon Sovereign said with a laugh.

Xu Nian also laughed out loud.

Indeed, it was the Wentian Demon Sovereign.

He really was playing a good move.

However, Xu Nian still agreed with a smile, "Alright, no problem, I will certainly help Senior Wentian obtain a powerful Demon Emperor's body."

"I haven't pampered you for nothing, haha!" Wentian Demon Sovereign laughed heartily.

Xu Nian smiled faintly, as if he thought of something, and hurriedly summoned the Artifact Spirit of the Dragon Horn Red Snake Bow.

"Dragon Horn, where is your former master's body?" Xu Nian asked curiously.

"Reporting to Master, before my former master died, he had already annihilated his own body to prevent anyone from desecrating it." Dragon Horn replied.

"Alright then!" Xu Nian immediately expressed disappointment.

He originally wanted to have the Wentian Demon Sovereign use that senior Divine's body for rebirth.

But now it seemed, there's no chance.

The Wentian Demon Sovereign also understood Xu Nian's intention, and immediately said, "Forget about the Divine's body, I wouldn't be able to handle such a body either, and if I tried to merge, it would be very difficult."

Xu Nian nodded.

"Then I can only wait until my strength grows stronger to help senior find one." Xu Nian said with a smile.

"Haha, no rush. You should focus on improving your own strength first, there will be plenty of opportunities once you enter the Sealing God Battlefield." Wentian Demon Sovereign laughed heartily.

Xu Nian didn't hesitate any longer and began to work on the Golden Dragon in front of him.

He directly took out the Divine Talisman Dagger, using his Immortal Consciousness to control the dagger to cut the Divine Dragon.

Very soon, Xu Nian extracted the essence blood of this Golden Dragon.

The golden blood emanated a tremendously powerful energy wave.

The Ancestor Golden Dragon Bloodline exuded a terrifying pressure.

"Hmph!"

Xu Nian snorted coldly, the Nine Dragon Supreme Bloodline erupted.

He immediately suppressed the pressure of that Ancestor Golden Dragon Bloodline.

Then he opened his mouth and inhaled, swallowing the Ancestor Golden Dragon Bloodline into his body.

The Ancestor Golden Dragon Bloodline suddenly transformed into a small golden dragon rampaging inside Xu Nian's body.

Xu Nian snorted coldly, using the Nine Dragons Supreme Body to suppress it, forcing it towards the last unblocked dragon vein.

Currently, only the last dragon vein of Xu Nian's Nine Great Dragon Veins remained unbroken.

Once it breaks through, Xu Nian's Nine Dragons Supreme Body would be considered to have reached the Small Achievement.

At that point, his physical body would evolve into a Supreme Dragon Vein, incomparably strong, suppressing the Nine Great Ancestor Dragons.

"Boom!"

The Ancestor Golden Dragon Bloodline, it had to be said, was extremely powerful.

It immediately broke through Xu Nian's long-sealed last dragon vein.

As the dragon vein was broken, a brilliant golden light was emitted from all over Xu Nian's body.

The other Eight Great Dragon Veins began to tremble at this moment.

The originally dormant Eight Great Dragon Qi instantly surged through the dragon veins, merging with the Dragon Qi of that Ancestor Golden Dragon.

Nine Great Dragon Qi transformed into nine small dragons.

Furiously flying within Xu Nian's body.

"Roar! Roar! Roar!"

All nine small dragons let out hissing roars.

They seemed unwilling to be merged like this.

Although the other Dragon Qi was very weak when first devoured.

But after years of nurturing in Xu Nian's body, the Dragon Qi had grown considerably.

So these Dragon Qi entangled together, showing no difference in strength.

"Merge for me!"

Xu Nian shouted.

Immediately exhibiting the Power of Nine Dragons Supreme, forcibly compelling the fusion of these nine Dragon Qi.

The Dragon Qi rose in revolt, yet Xu Nian would not let them have their way.

The immense pressure held them tightly together.

Nine small dragons entwined into a small ball, being compressed bit by bit.

"Boom!"

With a resounding boom.

The Nine Great Dragon Qi finally merged together.

The fusion of the Nine Great Dragon Qi actually formed a white Dragon Qi.

This Dragon Qi was exceedingly powerful, more than a dozen times stronger than the Nine Great Dragon Qi.

"Is this the Chaos Dragon Qi after the Nine Dragons Supreme Body fusion?" Xu Nian said in surprise.

"Buzz!"

Then the Dragon Qi surged and directly merged into Xu Nian's body.

In the next moment, Xu Nian's flesh and blood began to undergo earth-shattering changes.

His flesh and blood started to boil at this moment.

Xu Nian's physical body no longer exhibited Dragon Transformation, but rather its original appearance.

However, the strength of his skin began to soar wildly, even harder than the previous dragon scales.

"Roar!"

The Chaos Dragon Qi continued to roar.

Xu Nian's entire body exuded a thick Chaos Qi.

Radiant, as if a deity.

At this moment, Xu Nian was completely entering a state of baptism.

As if the whole person was reborn anew.

"Boom!"

Finally, the energy exploded.

Xu Nian stood naked in the Chaos Divine Palace.

His entire body was flawless, his muscles as hard as Divine Iron.

In terms of hardness, his skin was not inferior to the reverse scale of an Immortal Emperor Level, that is to say, comparable to a Low Grade Divine Artifact.

Xu Nian took out the Gale Sword and slashed it on his own arm.

Yet it left not a single mark.

"What a terrifying physical body." The Wentian Demon Sovereign couldn't help but marvel upon witnessing this.

At this moment, Xu Nian was like a Divine Artifact.

Blazing fire, Heavenly Thunder, probably couldn't do much to harm him.

"Is this the physical body of the Nine Dragons Supreme Body reaching the Small Achievement Realm? I didn't expect this Chaos Dragon Qi to be so strong." Xu Nian muttered to himself excitedly.

With his current state, relying solely on his body, probably no one below the Immortal Sovereign could be his match.

Even for an Immortal Sovereign, if their Law Comprehension isn't deep or without a Divine Artifact, it would be difficult to injure him.

"I wonder how terrifying my body would become if the Chaos Dragon Qi reaches the Great Achievement Realm?" Xu Nian mused to himself.

His eyes filled with intense anticipation.

However, the baptism this time, although making his physical body incredibly strong,

it did not allow his cultivation to break through the bottleneck of the Immortal King.

"Looks like I still need to devour the Immortal Embryo of this Dragon Rock." Xu Nian said with a smile.

After speaking, he grabbed the Immortal Embryo of Dragon Rock in his hand.

The Immortal Embryos of the other two Immortal Sovereigns were destroyed, but the one of Dragon Rock was intact, the Immortal Essence within still very strong.

Chapter 1478: Immortal Realm's Public Enemy

Xu Nian grasped Dragon Rock's Immortal Embryo in his hand.

He began to madly operate the Dan Sea Species Green Lotus Principle.

From Dragon Rock's Immortal Embryo, the powerful waves of Immortal Essence started to dissipate.

Turning into thick strands of Immortal Qi that surged into Xu Nian's body.

They merged into Xu Nian's Dantian and were absorbed by the Chaos Green Lotus Seed within.

Almost instantly, Xu Nian's body burst forth with a dazzling radiance, with sun, moon, and stars, and chaotic visions frequently appearing behind him.

This was the strange phenomenon of heaven and earth induced by the Chaos Green Lotus Seed within Xu Nian.

As a large amount of Immortal Qi flooded into Xu Nian's body, his cultivation also began to soar.

The Chaos Green Lotus Seed began to grow little by little.

The Immortal Essence within the entire Dantian was so dense that it seemed to reach a bottleneck.

"As long as I break through this bottleneck, I can smoothly advance to Immortal King." Xu Nian murmured to himself.

So he immediately sped up the pace of his absorption.

Time passed, and the Immortal Essence within Xu Nian's body grew thicker.

"Boom!"

A loud noise.

Like a great bell resonating from Wan Gu.

An instant, a surge of azure radiance emanated from Xu Nian.

Meanwhile, inside his Dantian, the Chaos Green Lotus Seed grew to about a foot tall.

A very tiny bud appeared to be faintly visible.

Around the Green Lotus, dense azure mist lingered.

This azure mist seemed incredibly strong, exuding vibrant vitality.

"Could this azure mist be my Immortal Power?" Xu Nian said in surprise.

Other people's Immortal Power was golden, while his was azure.

Yet judging by the energy's density, his azure Immortal Power seemed even more formidable.

"Buzz!"

With a thought, Xu Nian.

The azure mist flowed throughout his body.

Immediately, Xu Nian found his body regained its peak condition.

"This azure Immortal Power must be related to the Chaos Green Lotus and should be called Chaos Undying Power." Xu Nian thought with delight.

Thinking of this, he immediately began to ravenously devour the remaining Immortal Embryo.

"Boom!"

Roughly a month passed, and Xu Nian's cultivation once more broke through to mid-stage Immortal King.

However, this time, the energy within the Immortal Embryo was completely exhausted.

"Solidified at mid-stage Immortal King, not bad, just as my Soul Realm is." Xu Nian said with a smile.

Ordinarily, immortals don't break through on a whim.

When breaking through, one must ensure that the Soul Realm breaks through as well.

Otherwise, it would lead to an unstable Tao Heart.

Currently, Xu Nian's Soul Realm had just absorbed the Dragon Spirit and hadn't reached the point of breakthrough.

Hence achieving mid-stage Immortal King is the most stable option.

"The Chaos Green Lotus has grown another foot taller, and this azure mist has become denser. I wonder if this Chaos Undying Power can be of any use for Xue'er's arm." Xu Nian mused.

In the next moment, his figure appeared directly in the area where Murong Xue was located.

This area was specifically allocated to Murong Xue by Xu Nian within the Chaos Divine Palace.

The time flow here was a hundred times slower than the outside world.

So when a day passed for Murong Xue here, a hundred days had gone by in the outside world.

"Oh, husband, why have you come again?" Murong Xue asked in surprise.

Due to the time flow difference, Murong Xue felt that Xu Nian had only just left for a few hours.

In reality, more than ten days had already passed outside.

Xu Nian heard these words and smiled inwardly.

This was good; Murong Xue's shorter time here would mean she wouldn't feel lonely.

Xu Nian didn't say anything, directly walked over to Murong Xue, and grabbed her shriveled arm.

He began to infuse Chaos Undying Power into Murong Xue's body.

As the Chaos Undying Power was infused, Murong Xue's arm surprisingly began to recover to some extent.

"It actually works; it seems my Chaos Undying Power is indeed far stronger than an ordinary Immortal King's Immortal Power." Xu Nian thought to himself.

Murong Xue was also full of astonishment.

Xu Nian could actually restore her arm?

However, soon Xu Nian was disappointed again.

After repairing part of the arm, his Chaos Undying Power lost its effect.

The arm was still aging at a subtle pace.

"It seems it can only delay and not completely repair." Xu Nian murmured to himself.

"Husband, it doesn't matter, being with you, I'm already content." Murong Xue said with a smile.

Xu Nian smiled slightly, holding Murong Xue in his embrace. But his heart ached for her.

"Husband, I've broken through, look, I've advanced to Golden Immortal Early Stage." Murong Xue said happily.

Xu Nian looked at Murong Xue and found that she had indeed broken through.

As a result, Murong Xue could live even longer.

In the outside world, Murong Xue could now live at least another twenty years.

Utilizing the Chaos Divine Palace's time difference, Xu Nian still had two thousand years.

In fact, with his current cultivation speed, letting Murong Xue live outside wouldn't be an issue.

But now facing danger, it was safer to let Murong Xue remain within the Chaos Divine Palace.

...

While Xu Nian was spending time with Murong Xue.

The outside world was in chaos.

The entire Immortal Realm was in an uproar.

The name of Xu Nian spread throughout the Immortal Realm rapidly.

Countless people began investigating Xu Nian's information.

Some even unearthed the fact that Xu Nian possessed two Divine Artifacts during the Great Immortal Spirit Competition in the Cultivation World.

"One Godhead, five Divine Artifacts? This Xu Nian is truly the fattest sheep." An Immortal Sovereign looked at Xu Nian's profile, immediately showing a greedy expression.

This scene was occurring all over the Immortal Realm.

Xu Nian completely became the biggest target in the Immortal Realm.

Five Divine Artifacts, which even Immortal Emperors would envy.

"Qingling, it's bad, something big has happened."

In Immortal Sovereign Hall, Ji Qingyu ran excitedly to Xuanyuan Qingling's Cultivation Mansion.

"What is it?" Xuanyuan Qingling asked in surprise, having never seen Ji Qingyu so flustered.

"It's Xu Nian, he's become the

enemy of the entire Immortal Realm." Ji Qingyu said.

"Enemy of the Immortal Realm?" Xuanyuan Qingling immediately furrowed her brows.

"Yes, Xu Nian has five Divine Artifacts and one Godhead, and now experts above Immortal King in the Immortal Realm are searching for him, including Immortal Emperor Level experts." Ji Qingyu explained.

Upon hearing this, Xuanyuan Qingling was stunned.

Five Immortal Artifacts?

And a Godhead?

What exactly did Xu Nian do?

Yet these were not her main concerns; she was worried about Xu Nian's safety.

"Hurry, go check Sky-reaching World, see if Xu Nian has appeared there." Ji Qingyu suggested.

Xuanyuan Qingling, however, shook her head.

Meanwhile, within an Immortal Sect of the Tianjian Sect.

Luo Bing was looking at the message on the Communication Immortal Talisman in her hand.

Her face was surprised and couldn't calm down for a long time.

Five Immortal Artifacts, and a Godhead?

Luo Bing's heart was astonished.

Initially, she didn't even know what a Godhead was.

Until she asked her sect senior sister, she found out it was crucial for deification.

Therefore, she was even more astounded.

To what extent had Xu Nian grown?

Chapter 1479: Mission Failed

"Swish!"

Xu Nian's figure appeared in the outside world.

Feeling the air outside, Xu Nian immediately felt incredibly refreshed.

After strengthening his body and cultivation, he felt much lighter overall.

"Let's see how fast I am now," Xu Nian said with a smile.

With that, he took a step forward.

This step took Xu Nian directly eight hundred miles away.

"Such speed, it's almost no different from instant teleportation," Xu Nian said with delight.

At that moment, he clearly felt everything whiz by him.

The feeling of riding the wind to the extreme was exhilarating.

"It's time to return to Fengyang City," Xu Nian muttered to himself.

However, just as Xu Nian was about to leave, a figure turned into a stream of light and appeared in front of him.

The newcomer was a middle-aged man wearing a white robe.

"Xu Nian, I didn't expect to find you here," the middle-aged man's eyes became fervent as he looked at Xu Nian.

"And you are?" Xu Nian looked at the middle-aged man before him.

He realized that the middle-aged man's cultivation had reached the Early Stage Immortal Sovereign.

"My master is Tianhua Immortal Emperor. You were the one who killed Lei Lie and Mo Mountain, right?" the middle-aged man asked coldly.

"That's correct, I killed them, but they deserved it," Xu Nian replied.

"It's good that you killed them, now prepare to die!" the middle-aged man snorted coldly and immediately took action.

As soon as he attacked, he unleashed the powerful might of an Immortal Sovereign, sealing Xu Nian.

It seemed he was afraid Xu Nian would escape.

Then a powerful wave of Thunder Attribute Law erupted from him.

A Thunder Spear formed directly in his hand.

"Buzz!"

The Thunder Spear emitted a powerful aura of destruction.

Xu Nian smiled slightly.

This Immortal Sovereign attacked with lethal intent from the start.

It seemed he wasn't just seeking revenge for his junior brother.

But at that moment, the middle-aged man's attack seemed so weak to him.

"Buzz!"

Activating the Divine Talisman Dagger, it instantly turned into a stream of light, piercing through the Immortal Sovereign's abdomen and his Immortal Embryo.

"You..." The Immortal Sovereign's face showed extreme shock.

His face was full of strong resentment.

He had originally thought he could easily kill Xu Nian and seize those five Divine Artifacts and the Godhood.

But now it seemed he was wrong.

The fat sheep before him seemed not so weak.

"Didn't the information you received tell you that I killed Gong Wen from Haotian Sect, Dragon Rock from Ten Thousand Beast Mountain, and Lu Ming from Fuyao Sect?" Xu Nian asked with a smile, looking at the middle-aged man.

The middle-aged man's pupils suddenly contracted.

Any one of those three was stronger than him.

Damn, he even had Divine Power Liquid, yet he didn't use it out of arrogance.

"Thud!"

This Early Stage Immortal Sovereign collapsed to the ground, completely lifeless.

Xu Nian looked at the middle-aged man's corpse with no trace of sympathy.

Since these people wanted to kill him to seize treasures, they had to be prepared to be killed.

If one day he accidentally got killed, no one would sympathize with him; his enemies might even laugh wildly over his corpse.

That's reality.

"It seems that the Immortal Realm already knows I have five Divine Artifacts and a Godhood, but they don't know my true strength," Xu Nian laughed.

For him, this was a great advantage.

These people didn't know his true strength, so they would rush in when they tried to kill him.

If they really thought of him as an easy target, they should be prepared to die instead.

"This place isn't safe for long."

Xu Nian sensed a few powerful presences approaching.

So he immediately turned into a stream of light and departed.

Of course, before leaving, he didn't forget to take the storage ring from the Immortal Sovereign.

After all, Divine Power Liquid was valuable.

After that, he encountered no obstacles.

Only once did an Independent Immortal at the Immortal King Level notice Xu Nian and seemingly tried to stop him.

But Xu Nian punched him to pieces.

Now, unless a Middle-stage Immortal Sovereign appeared, he couldn't be stopped.

Soon, Xu Nian arrived at Fengyang City.

To avoid attention, Xu Nian changed his aura and appearance.

After all, he had a mission, and some dangers should be avoided.

Soon, Xu Nian found the inn where the Divine Demon Avatars were staying.

During this time, the Divine Demon Avatars had been in seclusion, so they hadn't interacted with the Gongsun family trio.

Clearly, Gongsun Ling, Gongsun Qing, and Gongsun Wan'er already knew about Xu Nian's situation.

Xu Nian arrived at the courtyard, retrieved the Divine Demon Avatars back into the Chaos Divine Palace, and then went to the residence of the Gongsun trio.

"Grandpa Ling, Xu Nian actually has five Divine Artifacts and a Godhood. A Godhood! He undoubtedly gained a tremendous opportunity from Fengyang Lake," Gongsun Qing said with emotion.

He was almost mad with jealousy.

Xu Nian was already extraordinary, and now he had five Divine Artifacts.

And he also had a Godhood.

With Godhood, one could become a god.

Doesn't that mean Xu Nian now had the qualification to become a god?

How could he not be jealous?

"I also heard about this. Mr. Xu truly is a man of destiny," Gongsun Ling couldn't help but express.

In Gongsun Ling's view, Xu Nian's achievements could only be described as miraculous.

"Grandpa Ling, if we notify the ancestral Immortal Emperor within our family..." Gongsun Qing suggested.

"Shut your mouth. Don't say such things. Mr. Xu saved our lives several times. Have you forgotten?" Gongsun Ling immediately reprimanded.

"Yes, brother, Brother Xu Nian saved us several times," Gongsun Wan'er chimed in.

"Humph, that was his duty. Even if we don't act, we'll definitely face relentless pursuit along the way, and we'll only get dragged down with him," Gongsun Qing retorted coldly.

"Enough, young master. You better not speak of this again. Do not oppose Mr. Xu. We should consider it a great fate if we can ally with him," Gongsun Ling advised.

"Humph, fate is nothing. True strength is what matters," Gongsun Qing sneered.

"Is that so? If you truly desire the Divine Artifacts and Godhood, come and take them then."

At that moment, a cold voice sounded.

Gongsun Qing's back instantly turned cold with fear as he looked at Xu Nian.

Gongsun Ling's face also changed drastically, and he hurriedly shielded Gongsun Qing: "Mr. Xu, the young master was just temporarily possessed by mischief. Please don't hold it against him."

"Brother Xu Nian, my brother didn't mean to," Gongsun Wan'er pleaded.

Xu Nian chuckled lightly.

"I know that if he had truly done something, I wouldn't have just said a few words. However, I can no longer continue with your protection mission," Xu Nian said with a light laugh.

"Mr. Xu?" Gongsun Ling's face changed.

"Elder Ling, I will apply to Shendang Mountain for a failed mission this time, so your payment will be refunded by Shendang Mountain. From now on, you must continue on your own," Xu Nian said, leaving behind only this remark.

The next moment, his figure vanished from the courtyard.

Seeing Xu Nian leave, Gongsun Qing collapsed to the ground.

Gongsun Ling could only shake his head helplessly, sighing repeatedly.

The Gongsun family had lost the opportunity to connect with a future powerhouse for nothing.

Chapter 1480: Old Friends from the Past

"Have you heard? That Xu Nian has appeared."

"Really? He still dares to show up? Where is he?"

"He's in Haohai City, reportedly someone found out he has already killed two Early Stage Immortal Sovereign experts."

"Damn, he killed two Immortal Sovereigns? What is Xu Nian's cultivation level?"

"That's the weird part, he's only at the Mid-stage Immortal King Level."

"A Mid-stage Immortal King killing Immortal Sovereigns? How did he do it?"

...

Xu Nian sat in a tavern in Fengyang City, sipping immortal wine and savoring delicacies made from Immortal Beasts.

Hearing the independent immortals nearby gossiping, Xu Nian found it both funny and frustrating.

When did he ever go to Haohai City?

Moreover, it seemed no one should know about him advancing to Mid-stage Immortal King yet?

The only one who knew, the disciple of the Tianhua Immortal Emperor, had already been killed by Xu Nian.

So it was obvious that the person they were talking about wasn't actually him.

But why would someone impersonate him?

Could it be a trap to lure him in?

Xu Nian found the thought amusing.

Honestly, he was quite curious about who was impersonating him.

Or who had set up a scheme in Haohai City, waiting for him to fall into it.

"Brother, what does that Xu Nian look like?" Xu Nian asked with a smile to the Profound Immortal who was talking eloquently beside him.

The other glanced at Xu Nian, unable to see through his cultivation, and knowing he couldn't afford to offend, replied with a smile, "Is this brother also curious about that Xu Nian?"

"Curious? Isn't everyone in the Immortal Realm talking about him now?" Xu Nian laughed.

"Yes, he's a celebrity in the Immortal Realm now, possessing the Five Great Immortal Instruments and a Divine Core, supposedly even Immortal Emperor-level experts are envious. But do any of you know what Xu Nian's true background is?" The Profound Immortal spoke mysteriously.

"It's said he's a named disciple of the Taichu Immortal Emperor from Shendang Mountain." Xu Nian replied with a smile.

"Brother, it seems you know quite a bit, but not everything. The true identity of Xu Nian is the illegitimate son of the Taichu Immortal Emperor." The Profound Immortal said.

"What? The illegitimate son of the Taichu Immortal Emperor?" Everyone exclaimed in surprise.

Xu Nian was also shocked.

When did he become the illegitimate son of the Taichu Immortal Emperor?

But he wasn't angry.

He just hadn't expected the rumors in the Immortal Realm to be so exaggerated.

After all, the Taichu Immortal Emperor had lived for tens of thousands of years.

And was his own master.

A mentor is like a father, so he didn't feel he was losing out.

"You haven't answered my earlier question, what does that Xu Nian look like?" Xu Nian asked.

He now suspected that the news about Xu Nian in Haohai City might also be made up by these independent immortals.

"Don't rush, brother. Xu Nian is actually quite handsome, but he always wears a stern face, with a black mole on his forehead." The Profound Immortal said.

"A black mole on his forehead?" Xu Nian looked surprised.

Among the people he knew, there really was someone with a black mole on the forehead.

That person was none other than Dongfang Ping.

Could it be that the person impersonating him was Dongfang Ping?

But Xu Nian felt it was unlikely, as Dongfang Ping wasn't someone so frivolous.

Besides, such impersonation wouldn't benefit him in the slightest.

Unless he had gone insane!

Of course, Xu Nian thought the possibility of Dongfang Ping going insane wasn't out of the question either.

"Are you saying that Xu Nian wears a white robe, uses swordsmanship, and employs the Light Attribute Law?" Xu Nian continued to ask.

"Yes, he uses a sword, wears a white robe, and killed those two Immortal Sovereigns using the Light Attribute Law." The Profound Immortal replied.

Upon hearing this, Xu Nian was almost certain that the impostor was Dongfang Ping.

Although when he previously interacted with Dongfang Ping, he used the alias Xu Fenn.

But he believed that as long as Dongfang Ping wasn't foolish, he could definitely guess that Xu Nian was Xu Fenn.

"Why is this guy pretending to be me? He doesn't need a Godhood, could it be for my five divine artifacts?" Xu Nian wondered curiously.

For a moment, he couldn't understand Dongfang Ping's motives.

Of course, he needed to head to the Extreme South.

He really did intend to go to Haohai City.

Because Haohai City was a necessary stop on the way to the Extreme South.

...

Meanwhile, as Xu Nian was lost in thought.

In a forest a thousand miles away from Haohai City, two women were heading toward Haohai City.

"Yanyun, are you sure Xu Nian is really in Haohai City?" a cold-looking woman asked with worry.

"He should be. I spent three hundred drops of Second Grade Immortal Marrow on this information." The woman named Yanyun replied.

"Could it be someone with the same name? What if this Xu Nian isn't the Xu Nian we're looking for?" The cold woman asked.

"No, the information says this Xu Nian already had two divine artifacts while in the Cultivation World. He should be our Xu Nian." Yanyun replied.

The cold woman's brows furrowed slightly.

If that's the case, wouldn't Xu Nian be in great danger?

"Sister Yanran, I heard Xu Nian has already obtained a Godhood. Do you think he might ascend to the Divine World soon?" Zhao Yanyun asked.

That's right, the woman named Yanyun was Zhao Yanyun.

And the cold woman called Sister Yanran was Leng Yanran.

"Are you worried that if Xu Nian ascends to the Divine World, you'll never see him again?" Leng Yanran teased.

"Yes, I've heard that becoming a god is extremely difficult. I've cultivated to the Peak of Profound Immortal, and it's been hard enough for me." Zhao Yanyun shook her head.

Upon hearing this, a shadow crossed Leng Yanran's eyes.

"Don't worry, Xu Nian won't absorb the Godhood to ascend. With his personality, he'll naturally become a god. The Godhood is surely prepared for us few." Leng Yanran laughed.

"That's true, with Xu Nian's personality, he indeed wouldn't absorb the Godhood. Who do you think he'll give it to?" Zhao Yanyun asked curiously.

"Whoever he gives it to, I'll support him." Leng Yanran laughed.

She didn't care about the Godhood; she only cared about being by Xu Nian's side.

Zhao Yanyun nodded.

She had the same sentiment, becoming a god had no real meaning for her.

"Sister Yanran, will you tell Xu Nian about everything you've done for him?" Zhao Yanyun asked.

"No, if I tell him, he'd feel guilty." Leng Yanran replied immediately.

Everything she did was for Xu Nian; she was content to give silently without letting him know.

"But you've sacrificed so much for him. If you don't tell him, he won't know a thing about what you've done." Zhao Yanyun said.

"Being able to give for him is already satisfying enough for me. I don't want him to know. Yanyun, I hope you'll help me keep this secret." Leng Yanran said to Zhao Yanyun.

"Alright." Zhao Yanyun replied a bit regretfully.

Only she knew what Leng Yanran had done and sacrificed for Xu Nian.

The sacrifice was utterly immense.

Even though she would have done the same, she couldn't manage to do it as quietly as Leng Yanran.
