

Divine King 1621

Chapter 1621: The Four Great Camps Fight for the Prize

The essence blood of ancient demons is extremely rare.

Even in the Divine World, ancient demons have almost become extinct.

The Divine Demon Clan is a race that is even older than the ancient gods.

Later, the ancient demons became extinct, and they are basically nonexistent both in the Divine World and the Immortal and Mortal Worlds.

There are only mortals who practice the Divine Demon Technique.

They cannot be considered true Divine Demon experts.

For example, the Divine Demon Avatar.

It cannot be considered a true ancient demon.

Compared to real Divine Demons, there's still a significant gap.

"If I could obtain this drop of essence blood, it would surely greatly enhance my Divine Demon Avatar," Xu Nian thought to himself.

For him, the Ancient Demon Essence Blood is incredibly precious.

Its value far exceeds that of the Wind Attribute Divine Status.

Of course, Xu Nian wouldn't easily give up on this Wind Attribute Divine Status either.

After all, Xuanyuan Qingling and Han Xiaoxiao are both Wind Attribute cultivators.

"However, obtaining this Divine Status is probably not an easy task either," Xu Nian looked ahead.

He noticed countless powerful individuals wanting to ascend the Divine Beast Statue to seize that Divine Status and the Ancient Demon Essence Blood.

Yet, a formidable restriction exists on this Divine Beast Statue.

Once a strong individual approaches, terrifying Wind Blades immediately erupt.

Just now, Xu Nian personally saw a quasi-Netherworld Emperor level expert being struck by a terrifying Wind Blade, dying on the spot.

"Senior Brother!"

Xu Nian approached Wu Yuan and the others.

"Junior Brother Xu Nian?" Wu Yuan was delighted, having feared something had happened to Xu Nian.

Seeing Xu Nian safe and sound now, he immediately felt relieved.

Shangguan Yao and the others also noticed Xu Nian's presence and looked at him one after another.

He nodded in response.

"What's the situation now?" Xu Nian asked curiously.

"As you can see, there's a Wind Attribute Divine Status and a powerful Ancient Demon Essence Blood in this hall. Currently, experts from the four realms are vying for these two treasures, but the Divine Beast Statue holds a powerful Wind Attribute Divine Talisman capable of unleashing terrifying Wind Attribute attacks," Wu Yuan explained.

"Where did you all go before? Did you find anything?" Xu Nian asked curiously.

"We previously entered a hall that contained a Divine-level cultivation technique, then a door appeared inside the hall, leading us here," Wu Yuan explained.

Xu Nian nodded in realization.

It seems that Goddess Qingyue divided the hall into many sections, where most people entered different halls entirely.

While he entered the place where Qingyue left her final inheritance.

Of course, within the main hall, Qingyue also left these two treasures for other fated individuals to contest.

Understanding this point, Xu Nian finally comprehended what everyone else had experienced.

Currently, over two hundred experts from the four realms are vying for that Wind Attribute Divine Status and the Ancient Demon Essence Blood, which is certainly not an easy feat.

"Sister Shangguan, how about we cooperate?" Xu Nian immediately transmitted to Shangguan Yao.

"How to cooperate?" Shangguan Yao had little interest in the Wind Attribute Divine Status and the Ancient Demon Essence Blood.

After all, those two treasures were not what she sought.

She had obtained only a Divine-level storage ring in the hall earlier.

She didn't know where the Gold Attribute Divine Status was or if anyone had obtained it.

Thus, she appeared somewhat anxious.

"The Gold Attribute Divine Status you want is already in my possession. I can give it to you, but you must help me obtain this Wind Attribute Divine Status and the Ancient Demon Essence Blood," Xu Nian transmitted.

"The Gold Attribute Divine Status is in your hands?" Shangguan Yao was shocked and then overjoyed.

"Yes, I've obtained it. If you want it, I can give it to you, but you must assist me," Xu Nian said.

"Okay, I will help you. Not only will I help you, but the entire Turquoise Pool will lend you a hand," Shangguan Yao said.

"Then follow my lead," Xu Nian said with a smile.

Shangguan Yao nodded in response to him.

She came here for that Gold Attribute Divine Status indeed.

Now that Xu Nian had obtained it and was willing to give it to her, how could she refuse such a collaboration?

And for Xu Nian, exchanging a Gold Attribute Divine Status for a Wind Attribute one, as well as obtaining an Ancient Demon Essence Blood, was an entirely profitable transaction.

"Can you control the Demon Clan?" Xu Nian also transmitted to Ye Siqi.

"I can. What do you intend to do?" Ye Siqi responded straightforwardly.

"I need you to help me obtain this Wind Attribute Divine Status and this drop of Ancient Demon Essence Blood," Xu Nian said.

"Alright!" Ye Siqi agreed readily.

Xu Nian showed a satisfied smile at this.

Now, everything was ready, just waiting for the right moment.

"Boom!"

At that moment, another figure darted toward the Divine Status.

This person was a highly talented Demon Clan member, also a quasi-Devil Emperor level expert.

His true form was a Green Wind Divine Eagle.

It was said that his understanding of the Wind Attribute had reached the Law Heart Great Success Realm.

At this moment, his figure shot out, turning into a streak.

"Buzz!"

A terrifying Wind Blade shot towards him.

His figure flickered, instantly transforming into dozens of afterimages.

He surprisingly dodged the terrifying Wind Blade attack and reached for the Wind Attribute Divine Status.

"Is he about to obtain the Divine Status?" The onlookers were astonished.

"The Divine Status is mine," Green Wind laughed coldly.

"Hmph!"

But just as he was about to grab the Divine Status,

a figure suddenly appeared behind him.

A sword pierced through his abdomen.

"This..." The Green Wind Divine Eagle's Immortal Embryo was instantly destroyed, and he wore a look of great reluctance.

"It's you!"

The Green Wind Divine Eagle showed a look of great reluctance.

"It's him!"

The people below were also shocked.

"Who is he?" Xu Nian asked, looking at the figure who suddenly appeared.

He could sense the person's strength.

"That person's name is Gui Mountain, a very powerful quasi-Netherworld Emperor expert from the Nether World, rumored to have reached the Law Heart Perfection Realm," Wu Yuan quickly said.

"Law Heart Perfection?" Xu Nian was surprised.

Unexpectedly, there was a Law Heart Perfection Realm expert from the Nether World in this event.

"It's General Ghost Mountain; he's made his move. This Divine Status belongs to us in the Nether World," the Nether World people shouted in unison.

Clearly, they all looked up to General Ghost Mountain.

"Hmph, mere ants dare to covet the Divine Status, courting death!" Gui Mountain sneered.

He immediately extracted all the soul power from the Green Wind Divine Eagle and swallowed it.

The Green Wind Divine Eagle, deprived of life, fell from the sky.

After doing all this, Gui Mountain reached for the Divine Status.

His eyes revealed endless greed.

"Should we make a move?" Shangguan Yao looked at Xu Nian.

"No rush, someone will act sooner or later," Xu Nian said.

Sure enough, just as Xu Nian finished speaking,

several figures immediately rushed out.

These figures were none other than Yun Ao, Zhu Qian, and others from before.

Chapter 1622: Utter Chaos

The Fuyao Sect, Haotian Sect, and Ten Thousand Beast Mountain—these three mighty forces.

A total of twelve powerful individuals charged toward Gui Mountain.

Among them, Yun Ao, Zhu Qian, and Wind Po from Ten Thousand Beast Mountain led the charge.

"Hmph, stop them for me." Gui Mountain sneered.

Grasping that Wind Attribute Divine Status, his face showed a wild joy.

The Wind Attribute Divine Status was now in his hands.

His ascension to godhood was within sight.

Then he turned his gaze to the immensely powerful Divine Demon Essence Blood.

His eyes filled with extreme greed.

The power of this Divine Demon Essence Blood made him feel an infinite and vast force.

This essence blood was undoubtedly a supreme treasure.

"Kill!"

The people from the Netherworld charged toward those from Chaos Sky Palace and the Fuyao Sect.

Yun Ao broke through the encirclement and charged directly at Gui Mountain.

Gui Mountain, who was about to grab the Divine Demon Essence Blood, frowned immediately.

His eyes exploded with fierce aggression.

"Seeking death!"

Gui Mountain coldly snorted and immediately employed the Wind Attribute Law.

Although he only comprehended the Wind Tornado Law, his understanding had reached the Law Heart Perfection Realm.

The power of laws erupted a thousand times over.

The might was terrifyingly extreme.

Yun Ao was merely at the Law Heart Great Success Realm, with the power of laws condensed to only five thousand times.

So, he fell into a disadvantage the moment he collided with Gui Mountain.

"Hmph, even an ant dares to seize the Divine Status, seeking death!" Gui Mountain sneered coldly.

He slapped Yun Ao's chest with one palm.

"Puff!"

Yun Ao immediately fell rapidly from the air, crashing heavily onto the ground.

Blood spurted wildly from his mouth.

"Ignorant fool." Gui Mountain's eyes were full of ridicule.

His gaze filled with extreme disdain.

But when he looked at the Divine Demon Essence Blood behind him, he found it had mysteriously disappeared.

"Huh? Who did it?" Gui Mountain's eyes quickly scanned the surroundings as if trying to find the thief.

Xu Nian appeared silently beside Shangguan Yao and the others.

Indeed, just a moment ago, Xu Nian utilized the Nihilicity Space Law, seizing the Ancient Demon Essence Blood during their battle.

The entire process was effortless.

"It's you!"

Of course, Xu Nian's sudden appearance naturally caught Gui Mountain's attention.

Gui Mountain's eyes were sharp as he charged directly at Xu Nian.

On the other hand, Yun Ao was also furious.

His actions benefited Xu Nian instead.

"Damn it!" He cursed inwardly.

But seeing Gui Mountain attacking Xu Nian, a hint of schadenfreude appeared in his eyes.

Xu Nian could definitely not withstand Gui Mountain's strength.

"Whoosh!"

Gui Mountain appeared in front of Xu Nian.

"Kid, hand over the Ancient Demon Essence Blood." Gui Mountain said angrily, striking at Xu Nian with a powerful palm.

The force in his palm was immensely strong.

However, Xu Nian just sneered quietly.

Standing motionless.

"Is Xu Nian seeking death?" Yun Ao sneered coldly.

How dare Xu Nian act so arrogantly in front of Gui Mountain?

It was simply courting death.

"Buzz!"

However, just when everyone expected Xu Nian to be killed by Gui Mountain's palm.

Shangguan Yao unexpectedly drew a sword and slashed at Gui Mountain.

Gui Mountain was stunned, quickly shifting his attack from Xu Nian to counter Shangguan Yao's strike.

"Boom!"

Gui Mountain's palm shattered Shangguan Yao's Sword Radiance.

"Hmph, just this level of strength." Gui Mountain scoffed.

"Buzz!"

Before his words could fall, another Sword Radiance emerged.

This Sword Radiance was imbued with a powerful Dark Law.

"Damn, another one!" Gui Mountain cursed angrily.

He immediately defended himself.

The crowd then saw two stunning figures simultaneously attacking Gui Mountain.

Indeed, these two figures were Shangguan Yao and Ye Siqu.

The two exchanged a glance, seemingly understanding each other's intentions, and began to cooperate.

All the onlookers were astonished.

Shangguan Yao and Ye Siqi had actually teamed up?

They were the flowers of the immortal and demon realms!

Gui Mountain was also endlessly frustrated.

Typically opposing forces of the immortal and demon realms were joining forces against him?

Although his strength was formidable.

He found it hard to cope with the combined efforts of Shangguan Yao and Ye Siqi.

Xu Nian, however, was not surprised at all.

Both Shangguan Yao and Ye Siqi were assisting him.

Watching the three battle, Xu Nian had no intention of intervening.

Though he also desired that Wind Attribute Divine Status, he wasn't in a hurry.

As long as they didn't leave the Divine Hall, everything was still possible.

"Xu Nian, hand over the Divine Demon Essence Blood." Yet at this moment, Yun Ao approached Xu Nian.

Clearly no match for Gui Mountain, he naturally turned Xu Nian, who possessed the Divine Demon Essence Blood, into his primary target.

"Yun Ao, are you going to attack someone from your own side?" Wu Yuan and others angrily exclaimed immediately.

"Wu Yuan, there's no place for you to speak here, and what's the point of distinguishing sides in front of treasures?" Yun Ao disdainfully replied.

"Right, if you really consider yourself on the same side as our Brother Yun, hand over the Divine Demon Essence Blood to him for safekeeping." Jiang Shengtian also stepped forward.

Clearly, he had been hiding in the shadows.

Seeing Yun Ao targeting Xu Nian, he immediately jumped out.

"You—" Wu Yuan wanted to say something.

But Xu Nian stopped him.

"Brother Wu, take Senior Sister Tong Yao and help Senior Sisters of Turquoise Pool." Xu Nian said with a smile.

"Can you handle this alone? Let us help you." Zheng Yan immediately suggested.

"Yes, our Earth Immortal Sect is also willing to lend a hand." A strong individual from the Earth Immortal Sect added.

Xu Nian merely shook his head with a smile.

"It's just some nobodies, I can handle it myself, no need for so many people." Xu Nian stated with a grin.

If it were before his strength increased, he might have been cautious.

But now, Yun Ao was insignificant in his eyes.

"Alright, if you need anything, just call us." Wu Yuan and the others nodded.

They then went to help those from Turquoise Pool.

By now, the surroundings had erupted into chaos.

The Demon Realm and Immortal Realm joined forces against the Netherworld, making the Netherworld hard to resist.

With Wu Yuan and others joining, the balance tipped even further.

As for the strong ones from the Demon Realm, they didn't intervene.

Clearly, they were watching the tigers fight from a distance, hoping to reap the spoils as fishermen.

Xu Nian didn't concern himself with them. Since they wanted to watch, let them continue.

Right now, he had some issues to resolve.

"Yun Ao, regardless of your reasons to want to kill me, if you dare to attempt, don't think of leaving today, and you, Jiang Shengtian, today no one can save you." Xu Nian said sharply.

He had truly developed a killing intent at this moment.

Today, he planned to open a murderous spree.

He aimed to eliminate all troubles at once.

"Blustering words, Xu Nian, you think you're a match for me?" Yun Ao sneered coldly.

"Yes, Brother, kill him." Jiang Shengtian shouted on the side.

Yun Ao's eyes focused as he charged at Xu Nian.

His fist clenched, carrying a terrifying force as he punched at Xu Nian.

...

Chapter 1623: Un

"Die!"

Yun Ao snorted coldly.

Power of Laws multiplied by five thousand times, blasting towards Xu Nian.

What he cultivated was the Fire Attribute Netherworld Separation Fire.

The flames have an extremely strong burning effect, capable of incinerating Mixed Element Immortal Power completely.

Once ignited, it's difficult to extinguish.

At this moment, Yun Ao punched violently, the Power of Flame Laws directly sweeping towards Xu Nian's face.

"With Senior Brother Yun Ao's strength, Xu Nian is doomed." Jiang Shengtian sneered.

"Indeed, Senior Brother Yun Ao's strength is considered strong among the Quasi-Immortal Emperor level, and the Law Heart Great Success Realm of Netherworld Separation Fire is indeed very terrifying." Kuun Bin nodded in agreement.

Hearing this, Jiang Shengtian's lips curled into a sneer.

He looked at Xu Nian with a gleam of triumph in his eyes.

Today would be the death of Xu Nian.

However, in the next moment, the scene before him stunned him immensely.

Xu Nian punched like lightning.

Unexpectedly counterattacking, he directly punched Yun Ao in the chest.

"Boom!"

Tremendous power exploded instantly on Yun Ao's chest.

Puh!

Yun Ao spat blood wildly, his whole body rapidly flying backward.

"Impossible, absolutely impossible," Jiang Shengtian shook his head repeatedly.

Kuun Bin also had an extraordinarily surprised expression on his face.

The most shocked, of course, was Yun Ao.

"Immortal Sovereign Peak, when did he advance to the Immortal Sovereign Peak realm, or has he been hiding his cultivation?" Yun Ao muttered in shock.

The power in Xu Nian's punch just now was so massive and overwhelming that it left Yun Ao no room for resistance.

"Buzz!"

Yet, at this moment, Xu Nian's form eerily appeared right before him.

Yun Ao immediately reacted, unleashing the Netherworld Separation Fire Laws again, merging with the Mixed Element Immortal Power, fiercely blasting towards Xu Nian.

Xu Nian merely let out a cold laugh.

"Your strength is just so-so."

Right after his words fell, Xu Nian slapped Yun Ao directly across the face.

Instantly causing Yun Ao to fly away.

Teeth flew from Yun Ao's mouth, blood splattered.

His form flew a full hundred yards before stopping.

Wu Yuan and others fighting against the Netherworld powerhouses in the distance saw this scene and showed expressions of surprise.

"When did Junior Brother Xu Nian become this formidable?" Tong Yao said in surprise.

"Indeed, Immortal Sovereign Peak, his strength has advanced too rapidly, it seems he had fortunate encounters before," Zheng Yan couldn't help but remark.

Xu Nian's strength already surpassed theirs.

Now his cultivation is catching up fast, Xu Nian's power undoubtedly exceeds theirs by far.

"If he elevates his Law Realm as well, in the younger generation within the Three Realms, there might truly be few who can rival him," Wu Yuan followed suit.

Everyone from the Earth Immortal Sect, Tianjian Sect, and even the Mixed Element Sect nodded in agreement.

They had all witnessed Xu Nian's monstrous growth speed.

Even Yun Ao wasn't his opponent, it seemed he had already surpassed ordinary geniuses.

"Impossible, even Senior Brother Yun Ao isn't his match?" Jiang Shengtian clenched his fists, jealousy burning brightly in his eyes.

Back when Xu Nian was in the Cultivation World, he was merely someone Jiang Shengtian could easily slay.

Ever since losing to Xu Nian in the Immortal Order Competition, the gap between him and Xu Nian had widened.

"Face reality, Xu Nian's strength is already beyond what either of us can contend with," Kuun Bin shook his head.

When he first met Xu Nian, Xu Nian wasn't his opponent.

Not much time has passed, yet he can't even compare to him now.

"How dare you slap me, I want you dead!" Yun Ao roared in fury.

A Long Spear appeared in his hand, surging with terrifying Law Waves.

Hell Gate emerged behind him, as if a mighty Fire Qilin surged from it, crashing towards Xu Nian.

"Divine Fury!"

Xu Nian's eyes flashed sharply.

In the next moment, the Top-Grade Divine Sword appeared directly in his hand.

Then Xu Nian also stabbed with his sword.

Colliding with Yun Ao's Long Spear.

"Boom!"

Tremendous power erupted explosively.

Xu Nian was instantly blasted away by this terrifying energy.

"Haha, you are no match for me," Yun Ao laughed heartily watching Xu Nian being blown back.

"Cough!"

Yet at this moment, a golden light pierced through from the Void.

Penetrating Yun Ao's abdomen from behind.

"No..." Yun Ao looked at his wound, his face showing extreme unwillingness.

However, his Immortal Embryo had been pierced through.

At this moment, he had no room to struggle.

"You contemptible wretch!" Yun Ao cursed venomously.

Xu Nian paid him no heed.

From the start, he hadn't intended to engage Yun Ao head-on.

Killing was his primary goal.

To kill Yun Ao with minimal effort was the best situation.

The crowd around showed expressions of shock.

Yun Ao was actually killed?

"I'll perish with you," Yun Ao raged.

Charging towards Xu Nian, seemingly intending to explode his Immortal Embryo and perish together with Xu Nian.

However, Xu Nian sneered coldly.

Watching Yun Ao charge, his figure flickered directly to appear before Yun Ao.

Yun Ao immediately attempted self-detonation.

Yet at this instant, Xu Nian slapped him on the abdomen.

"Boom!"

Yun Ao's form was blasted by Xu Nian into Nihilicity Space.

Yun Ao detonated, destroying the entire Nihilicity Space instead of the real space.

Throughout the process, Xu Nian was completely unaffected.

"This..." The crowd stopped fighting.

They looked towards Xu Nian.

Xu Nian's strength far exceeded their expectations.

Especially Zhu Qian, Wind Po, and others, squinting their eyes tightly.

Previously, they had threatened to kill Xu Nian.

But now, Xu Nian dispatched Yun Ao easily.

This instinctively brought about a sense of crisis for them.

Xu Nian turned to Zhu Qian, Wind Po, Kuun Bin, and others, his gaze extremely fierce.

"All of you, come at me together, today I will put an end to these grievances," Xu Nian said, looking at the crowd.

Today he would slaughter at will.

Let the Haotian Sect and Fuyao Sect know Xu Nian was not to be messed with.

Zhu Qian, Wind Po, and Kuun Bin exchanged glances.

Then murderous intent surged in their eyes.

"Attack!"

With Zhu Qian's command,

In the next moment, a total of seven powerhouses charged towards Xu Nian simultaneously.

Among them, besides Kuun Bin and Jiang Qing, the other five were all Quasi-Immortal Emperor level powerhouses.

"Seven powerhouses besieging him?"

The surrounding crowd was overwhelmed with shock.

Could Xu Nian possibly withstand this siege from seven powerhouses?

However, looking at the seven strong enemies, Xu Nian's eyes blazed with intense killing intent.

"Very well, today I will make Haotian Sect, Fuyao Sect, and Ten Thousand Beast Mountain understand, Xu Nian is not easily provoked."

Xu Nian grasped the Divine Sword.

Immortal Essence surged within him.

Simultaneously, a streak of cyan-gold power from the Chaos Green Lotus rushed through his meridians into the Divine Sword in his hand.

Xu Nian swung his sword.

"Ah!"

A Quasi-Immortal Emperor level powerhouse from Haotian Sect was instantly cut in half by Xu Nian's sword.

"What?"

The crowd around was aghast.

A Quasi-Immortal Emperor level expert slain in a single strike?

Chapter 1624: One-Sided Massacre

"What was that power just now, why was it so terrifying?"

Someone asked in shock.

The power of the sword radiance Xu Nian just used was extremely terrifying, and the speed was incredibly fast.

Even a Quasi-Immortal Emperor Level expert would have difficulty reacting.

The attacking Zhu Qian and others were also startled.

It seemed that when Xu Nian was dealing with Yun Ao earlier, he didn't use this power.

"Don't be afraid, he probably can't use that move often." Zhu Qian immediately shouted.

The next moment, they continued to charge at Xu Nian.

The others heard this and also rushed toward Xu Nian.

Each one urged the power of laws and mixed element immortal power.

Seeing this scene, Xu Nian's eyes revealed a hint of a disdainful smile.

"Die!"

Zhu Qian slashed with a sword, and the sword light contained an extremely strong gold attribute law wave.

With nearly three thousand times the concentration of the power of laws, its power was tremendously great.

At the same time, the others also struck out several sword radiances, blocking Xu Nian's way.

It could be said that Xu Nian had to face the enemy head-on, while also enduring attacks from all sides.

However, just when everyone thought Xu Nian would resist awkwardly, Xu Nian's figure mysteriously disappeared.

"Buzz!"

The attacks from Zhu Qian and the others landed in vain.

Xu Nian's figure had vanished into thin air just like that.

"Not good, it's the Space Law, this guy also knows the Space Law." Wind Po exclaimed in surprise.

At these words, everyone was shocked.

A controller of the Space Law?

How is that possible?

In the entire Three Realms, there aren't many who can control the Space Law, right?

"Not good, Ling Ying, he's behind you." Wind Po said with a shocked expression.

A Quasi-Immortal Emperor Level fighter from Ten Thousand Beast Mountain was instantly alarmed.

Black feathers emerged from his body, as sharp as blades.

A pair of wings also emerged from behind him, and he turned around, directly swinging his wings to slash at Xu Nian.

The edges of these feathers were nearly as sharp as a divine artifact, and this strike could cut a Quasi-Immortal Emperor Level expert in half.

However, Xu Nian showed no intention of dodging this attack.

He directly swung the Divine Sword in his hand without any form of defense.

"Seeking death!"

The one called Ling Ying saw that Xu Nian didn't defend himself, and immediately showed a disdainful look.

This guy wants to fight with life, but isn't aware of who's faster.

His attack was indeed much faster than Xu Nian's sword.

"Clang!"

However, his attack struck Xu Nian, creating an incredibly brilliant spark.

"What?" The one called Ling Ying was instantly shocked.

His feathers, comparable to a Low Grade Divine Artifact, struck this guy without causing any damage.

However, he didn't know that Xu Nian's physical strength had reached the peak of Low Grade Divine Artifact, and after Dragon Transformation, it was comparable to a Mid-grade Divine Artifact.

This feather attack couldn't cause substantial damage to him.

Everyone around was also utterly shocked.

Just how strong is this guy's body?

"Seems the one to die is you!" Xu Nian's Divine Sword was already falling.

There was no time for Ling Ying to defend.

He could only watch as Xu Nian's Divine Sword slashed down.

The entire process happened in a flash of lightning.

"Pfft!"

The guy called Ling Ying had his immortal embryo sliced open by Xu Nian.

Instantly killed.

"Another Quasi-Immortal Emperor?"

The onlookers were in utter shock.

They hadn't expected that in just an instant, two Quasi-Immortal Emperor Level experts were dead.

And Xu Nian seemed to be unharmed.

"Xu Nian's strength is far from ordinary, everyone must go all out." Zhu Qian transmitted his voice to everyone.

Everyone finally realized Xu Nian's terror.

They all summoned their strongest weapons.

Launched long-range attacks against Xu Nian.

It was obvious that they discovered Xu Nian's physical body was too strong, and close attacks couldn't harm him at all.

But their long-range attacks also failed to cause substantial damage to Xu Nian.

After all, Xu Nian mastered the Space Law.

Entering the Nihility Space, their attacks lost their effect.

"Damn, this guy's Space Law is so bizarre, it's simply unfathomable." Zhu Qian couldn't help but curse.

Wind Po also frowned deeply.

The Nihility Space Law was a rather abnormal law within the Space Laws.

If one is not the controller of Space Law, it's impossible to figure out his whereabouts.

Kuun Bin also cautiously observed the surroundings.

He silently calculated Xu Nian's abilities.

Space Law, bizarre body skill.

Physical body comparable to a Mid-grade Divine Artifact.

Holding a Top-Grade Divine Sword.

Plus, the strange power used before.

Put together, he had no weakness to speak of.

If there was a weakness, it was that his law comprehension level was still weak.

But this was an attack method; Xu Nian could completely make up for it with other attack methods.

Therefore, it can't be considered a true weakness.

When calculated like this, Xu Nian was almost invincible.

"Buzz!"

Suddenly, Kuun Bin felt a slight space fluctuation.

Without hesitation, he stabbed in the direction of the fluctuation.

"Clang!"

His sharp sword collided with a flying knife.

"Clang clang clang!"

The same attack appeared simultaneously on the bodies of the others.

"Buzz!"

Just as they blocked these flying knives.

Xu Nian's figure appeared directly behind a Quasi-Immortal Emperor Level expert from the Fuyao Sect.

With a slash, he directly cleaved that Immortal Emperor expert in half.

"The third Quasi-Immortal Emperor!"

The crowd was in utter shock.

Where was this a siege, it was clearly a one-sided slaughter.

Zhu Qian, Wind Po, and others were extremely furious.

Xu Nian was playing them like monkeys.

"Xu Nian, come out and fight head-on if you have the guts!" Zhu Qian shouted furiously.

Furious to the extreme.

"As you wish!"

However, just as he finished speaking, Xu Nian suddenly appeared in front of him.

With the sharp sword in hand, he immediately slashed at him.

He hurriedly used the Gold Attribute Law, swinging his Low Grade Divine Sword to block.

"Clang!"

However, the moment his sword collided with Xu Nian's sharp sword.

An incredibly powerful force emanated from the sharp sword.

"What?"

Zhu Qian was shocked beyond measure.

The whole person was swiftly knocked backward.

"Humph!"

Xu Nian snorted coldly.

Took a step forward.

Delivered another slash.

This slash also contained the cyan-golden power of the Chaos Green Lotus.

Zhu Qian hurriedly blocked with his sword.

"Pfft!"

However, Xu Nian's sword was too sharp.

Directly cleaving both man and sword in half.

"What?"

The surrounding crowd took a deep breath.

Xu Nian even cleaved a Low Grade Divine Sword in half?

Even if Xu Nian held a Top-Grade Divine Sword, achieving this wouldn't be an easy feat, right?

Kuun Bin and others furrowed their brows to the extreme.

Xu Nian's strength had far exceeded their expectations.

Jiang Shengtian kept shaking his head.

He couldn't accept the reality in front of him.

...

Chapter 1625: Heavenly Demon Emperor

Jiang Shengtian couldn't accept that Xu Nian had become so strong.

He carefully schemed, causing Kuun Bin and Yun Ao to feel intense hostility towards Xu Nian.

But unexpectedly, he still couldn't kill Xu Nian.

Even now, with so many powerful figures besieging Xu Nian, it still makes no difference.

"No way, he absolutely cannot continue living like this, Xu Nian must die!" Jiang Shengtian's heart flashed with an extremely venomous and resentful expression.

Then he took out a black sphere.

The sphere emitted a terrifying wave of soul energy.

"So, have you considered it?" The sphere's voice rang in Jiang Shengtian's mind.

"Weren't you looking for a body? His body should be more suitable than mine, right?" Jiang Shengtian pointed to Xu Nian.

"Oh, what a powerful physique, so robust bodily energy, such pure Immortal Essence Power, kid, his body is a hundred times stronger than yours, haha, thank you for finding me such a perfect body." A voice came from within the black sphere.

Jiang Shengtian clenched his fists, his eyes filled with intense jealousy.

Soon this jealousy turned into a cold smile.

"Fine, then seize his body, I don't want to see him anymore." Jiang Shengtian said.

"Haha, no need for you to say that." An arrogant voice came from the black sphere.

In the next moment, a cloud of black gas surged out from the sphere, rushing towards Xu Nian.

"Huh?"

Xu Nian was about to retreat into Nihility Space.

Suddenly, the black gas approached, and he couldn't dodge in time.

In the next moment, it invaded his body.

Seeing this, Jiang Shengtian's face instantly showed a cold, smiling expression.

Xu Nian is doomed!

Everything is over.

"Haha, kid, your body is mine now." The black gas transformed into a black figure, directly charging towards Xu Nian's Dantian.

"A Nether Emperor Level expert?" Xu Nian was shocked.

Unexpectedly, this black gas turned out to be a Soul Body.

To be precise, it should be a Residual Soul.

According to Xu Nian's estimation, the residual soul's strength should at least be at the Demon Emperor Level.

At this moment, this guy's invasion clearly intends to seize Xu Nian's body.

"Who are you?"

Inside the Dantian, Xu Nian's soul form gathered, looking sharply at the intruder before him.

"Haha, I am the Heavenly Demon Emperor, kid, your body is quite good, there's even chaos within your Dantian, it seems your cultivation technique is quite extraordinary." The black figure said with a cold smile.

His expression was extremely excited.

He had been searching for a suitable body.

Previously he had set his sights on Jiang Shengtian.

To make Jiang Shengtian his suitable target for body seizing, he had been secretly aiding Jiang Shengtian's cultivation.

However, even so, Jiang Shengtian still didn't grow as quickly as Xu Nian.

Now seeing Xu Nian, he decisively abandoned Jiang Shengtian, taking Xu Nian as the best target.

"Heavenly Demon Emperor? So you're a strong figure from the Demon Clan?" Xu Nian sneered sarcastically.

Facing the Heavenly Demon Emperor before him, his eyes showed no panic.

"Haha, indeed, I was once a supreme figure of the Demon Clan, but during the Crossing Divine Tribulation, my body was shattered by Divine Thunder, allowing only a strand of residual soul to escape, surviving for tens of thousands of years, and now I finally see the dawn of success, haha." The Heavenly Demon Emperor laughed heartily.

"It may not be the dawn of success, perhaps it's your last moment of brightness." Xu Nian coldly retorted.

"Haha, kid, I've seen your soul, you're at the Mid-stage Immortal Emperor, do you think you can resist me with that little Soul Power? I can easily devour your power." The Heavenly Demon Emperor laughed.

Xu Nian chuckled.

"Indeed, my Soul Power is not as strong as yours, but who said I don't have a second soul within me?"
Xu Nian retorted.

Saying that, a figure appeared out of thin air beside him.

The sight of this figure made the Heavenly Demon Emperor's expression freeze instantly.

"This..."

Upon seeing the Emperor Ye Tian, the Heavenly Demon Emperor felt an urge to kneel.

"Di...Divine Emperor level."

The Heavenly Demon Emperor, with a thud, knelt in the Nihility Space.

He could distinctly feel that the woman beside Xu Nian had an immense, mighty soul power.

In the face of this presence, he was like an ant.

The opponent's Soul origin was far higher than his.

It was akin to him being just a floating duckweed in the vast ocean.

Seeing the Heavenly Demon Emperor kneel, Xu Nian also smiled.

This Heavenly Demon Emperor certainly knew when to bow and bend.

"Just kidding, senior, I didn't really mean to seize his body." The Heavenly Demon Emperor laughed.

Yet his heart was filled with terror.

Damn, after finally targeting a perfect body, thinking he could be reborn.

But he hadn't expected that there was such a terrifying presence within this guy's body.

"Hmph!"

However, Emperor Ye Tian wasn't interested in his nonsense.

With a burst of Soul Power, she instantly bound the Heavenly Demon Emperor.

Then she squeezed her hand, directly shattering the Heavenly Demon Emperor's soul.

"No..."

The Heavenly Demon Emperor let out a miserable scream.

Transforming into incomparably pure soul energy.

"You absorb it." Emperor Ye Tian told Xu Nian.

Saying so, she returned to the Chaos Divine Palace.

Xu Nian looked at this vast soul energy before him, filled with amazement.

With this soul energy, it was enough to elevate his Soul Realm to the Late-stage Immortal Emperor, even Immortal Emperor Peak.

However, the absorption process would take a period.

"This soul came from Jiang Shengtian, right? He wanted to use the Heavenly Demon Emperor's soul to seize my body? Laughable, but ultimately delivered me such a great windfall." Xu Nian mused with amusement.

"Buzz!"

Xu Nian suddenly opened his eyes.

Although he had spent a long time within his Dantian.

In the outside world, only a moment had passed.

So Xu Nian faced no danger.

"Successful?" Jiang Shengtian's voice echoed in Xu Nian's mind.

Hearing this, Xu Nian knew Jiang Shengtian suspected he had been possessed.

Instantly, he darted towards Jiang Shengtian.

Seeing Xu Nian rushing towards him, a smile appeared on Jiang Shengtian's face.

Clearly, he thought Xu Nian had been possessed.

"Sorry to disappoint you."

Xu Nian grabbed Jiang Shengtian by the neck, lifting him up.

"Impossible, he couldn't have failed." Jiang Shengtian muttered in disbelief.

He believed the Heavenly Demon Emperor couldn't fail.

But now Xu Nian was perfectly fine.

Could it be that the Heavenly Demon Emperor escaped?

"Where is the Heavenly Demon Emperor now?" Jiang Shengtian urgently asked.

"Heavenly Demon Emperor? So you're behind this, your Heavenly Demon Emperor has been killed by me." Xu Nian coldly replied.

Saying so, he released the Soul origin power of the Heavenly Demon Emperor in his palm.

Seeing this, Jiang Shengtian's pupils shrank instantly.

The Heavenly Demon Emperor is dead?

A wave of terror surged from the depths of his soul.

"Pch!"

Yet at this moment.

Xu Nian's palm directly pierced his abdomen, clutching his Immortal Embryo.

Jiang Shengtian was utterly shocked.

Chapter 1626: Battle Against Gui Mountain

Jiang Shengtian's Immortal Embryo was grasped in Xu Nian's hand.

Life or death lay within Xu Nian's whim.

At this moment, Jiang Shengtian was completely panicked.

"Xu Nian, I beg you, spare me, I didn't mean to target you, please forgive me and let me go." Jiang Shengtian hurriedly pleaded.

Xu Nian's face was full of sneering.

Let him go?

Is it possible?

This Jiang Shengtian tried repeatedly to kill him.

To let Jiang Shengtian go just like that, how would he justify it to himself, how would he justify it to Tantai Xun Yan's avatar?

How to justify it when he once tried again and again to forcibly take Murong Xue?

"Jiang Shengtian, if you knew today was coming, why act so in the past? I originally did not want to be your enemy, but you, time and again, in your arrogance, tried to deal with me. Yet when arriving in the Immortal Realm, you did not restrain yourself. Do you think I will spare you?" Xu Nian coldly said.

"Sorry, sorry, I was wrong, I promise to change, I'll do anything you want, just spare me." Jiang Shengtian became even more panicked.

The voice of pleading grew trembling.

Xu Nian shook his head.

Suddenly, a burst of killing intent erupted from his eyes.

Then he clenched his palm.

In an instant, he crushed Jiang Shengtian's Immortal Embryo.

Of course, Xu Nian did not forget to imprison Jiang Shengtian's soul.

With the emergence of Divine Fire, Jiang Shengtian's soul was instantly turned to ashes.

"Xu Nian, may you die a horrible death... Ah..."

Jiang Shengtian's final cry was of extreme misery.

The people around took a deep breath.

Divine Fire burning the soul, how painful must that be?

Looks like the disciple of Fuyao Sect had a deep grudge with Xu Nian, prompting him to kill in such a manner.

Xu Nian's eyes were ice cold.

"Sister Tantai, I have avenged you." Xu Nian murmured to himself.

Then he turned to look at the remaining ones.

Now Fuyao Sect had only Kuun Bin left.

Ten Thousand Beast Sect still had a Quasi-Demon Emperor and Jiang Wu remaining.

As for Haotian Sect, only one Immortal Sovereign Peak Level expert was left.

Their eyes were all filled with fear when looking at Xu Nian.

From the battle just now, Xu Nian's strength had grown terrifyingly strong.

Wanting to kill Xu Nian was almost impossible for them.

"Xu Nian, can we call it quits?" Kuun Bin asked.

"Call it quits?" Xu Nian sneered.

"You seven grouped together to attack me, but now you can't match me, and still want me to call it quits. Is that possible?" Xu Nian said with a cold smile.

Upon hearing this, Kuun Bin frowned.

"We are all from the Immortal Realm camp. If you kill us, Haotian Sect, Fuyao Sect, and Ten Thousand Beast Mountain will never let you go." Kuun Bin said coldly.

"Now you remember you're from the Immortal Realm camp? Why didn't you think that way when you tried to kill me?" Xu Nian retorted.

Experts from Tianjian Sect, Chaos Sky Palace and Earth Immortal Sect were nodding in agreement.

These people were too shameless.

Earlier they wanted to kill Xu Nian, and now that they couldn't win, they wanted him to spare them. How shameless.

Kuun Bin and the others' expressions changed.

Followed by a ominous premonition developing in their hearts.

"Buzz!"

Xu Nian couldn't be bothered with more words.

Ten Divine Flying Sabers emerged instantly.

"Go!"

Xu Nian waved his hand.

Directly activating space laws.

Nihilicity Space Law was applied to the Divine Flying Sabers.

Making the Divine Flying Sabers explode with terrifying energy, instantly disappearing into nihilicity space.

"Ah!"

That Immortal Sovereign expert from Haotian Sect was immediately pierced through the abdomen by a saber, letting out a cry of extreme misery.

"Puchi!"

The same cry of misery echoed from the Ten Thousand Beast Mountain area.

Jiang Wu desperately tried to resist.

But the saber was too bizarre and unpredictable.

"Buzz!"

The golden mid-grade flying knife directly pierced his Scale Armor, instantly killing him.

"What? Jiang Wu got killed so easily?"

People around were shocked.

Xu Nian's face showed no expression.

His Soul Power had now reached Peak of Mid-stage Immortal Emperor, and continued to grow.

Controlling these flying sabers to kill people, paired with Nihilism Space Law, was effortlessly done.

Soon, of the seven, only Kuun Bin remained.

It must be said, Kuun Bin's strength was still quite good.

Using his keen vigilance, he dodged two of Xu Nian's attacks.

But as his comrades fell, the number of sabers targeting him grew.

Finally, with all ten sabers striking, even Kuun Bin couldn't withstand it.

"Puchi!"

His abdomen was pierced by a saber, and his body was also hit in three different places.

His Immortal Embryo pierced, soul destroyed.

At last he collapsed with an unwilling expression.

Haotian Sect, Fuyao Sect, and Ten Thousand Beast Mountain were annihilated in an instant.

Xu Nian looked to the other side, at this moment the confrontation between the underworld and the immortal and demon camps was still ongoing.

Both sides suffered casualties.

Underworld experts, although mostly skilled in Soul Attacks, had a fatal weakness of insufficient defense.

Thus the battle between the two sides was fairly matched.

Moreover, the immortal and demon realms held the advantage in numbers, thus the underworld experts were falling behind.

Xu Nian turned his gaze to another side.

Ye Siqu and Shangguan Yao were teaming up against Gui Mountain.

Initially, Ye Siqu and Shangguan Yao could suppress Gui Mountain.

But as Gui Mountain grew familiar with the fighting style of the two women, he slowly began to fight back.

At this moment, Ye Siqu and Shangguan Yao were clearly struggling.

"Bang!"

Gui Mountain punched Ye Siqu's Ghost-Slaying Divine Sword.

Tremendous power exploded, directly sending Ye Siqu flying with her sword.

"Pugh!"

Ye Siqu spat a mouthful of blood, her figure crashed into the palace wall, creating a huge pit.

Clearly, this punch heavily injured Ye Siqu.

The Wind Attribute Law used by Gui Mountain had shattered the meridians within Ye Siqu's body.

With Ye Siqu no longer assisting, Shangguan Yao was even less of a match for Gui Mountain.

"Hmph!"

Gui Mountain let out a cold snort.

The Wind Attribute Law Heart Great Success Realm erupted, compressing ten thousand times the Power of Laws to a terrifying degree.

Terrifying power fused into his fist.

A punch across space sent Shangguan Yao flying.

"Boom!"

Shangguan Yao rapidly crashed towards Xu Nian.

Xu Nian immediately dashed out, embracing Shangguan Yao's waist to dispel all strength from her.

"Sister Shangguan, are you alright?" Xu Nian asked.

"I'm alright!" Shangguan Yao's cheeks flushed as she stood up.

Just now Xu Nian actually held her waist, sparking a peculiar feeling within her heart.

"Swoosh!"

Ye Siqi sped over.

Then she was about to forcibly activate her inner strength.

Shangguan Yao also prepared her Divine Talisman Sword for action.

"Let me handle this myself now," Xu Nian stopped them.

Then stepped forward, standing before Ye Siqu and Shangguan Yao.

"You'll handle this yourself?"

Shangguan Yao and Ye Siqu asked, surprised.

Though Xu Nian had killed so many, this opponent was still a Law Heart Perfection level master.

Was Xu Nian truly confident in dealing with him?

Chapter 1627: Mid-grade Divine Armor

As Xu Nian stepped out, he caught the attention of many.

Gui Mountain looked at Xu Nian with a mocking gaze.

"Boy, you finally decided to act yourself, letting two women lead the charge for you, you really are shameless. But you're quite lucky, even the flowers of the immortal and demon realms are doing your bidding." Gui Mountain sneered at Xu Nian.

He floated down, standing opposite Xu Nian.

Taking a step forward, a Quasi-Netherworld Emperor level pressure swept towards Xu Nian.

Gui Mountain's law comprehension had already reached a Law Heart Perfect Realm.

The power of the laws was extremely formidable.

Xu Nian's eyes turned sharp.

This Gui Mountain's strength was indeed very strong.

The compression of ten thousand times the law power to a certain degree results in a qualitative leap.

This leap makes the law power more domineering and powerful.

Thus, Gui Mountain's strength was much greater than Shangguan Yao and Ye Siqu.

Even though Xu Nian's cultivation had improved, facing Gui Mountain's ten thousand times law power was still quite taxing.

"Enough with the nonsense, let's fight directly." Xu Nian said coldly.

Grasping the Divine Sword, his eyes were sharp.

Inside, the Wind Attribute Red Flame Extreme Point Penetration Law Power gathered in his Dantian, as well as the Earth Attribute Black Hole Law.

Both forces were at twelve hundred times the law power.

Xu Nian then controlled the fusion of the two law powers.

The fusion of the two law powers formed a new force.

This force was even stronger than five or six thousand times the law power.

Moreover, since both were First-grade Laws, even if not as strong as Gui Mountain's power, they were not too far behind.

"What an arrogant boy, let me see how strong you really are." Gui Mountain coldly snorted.

He immediately activated his law power, followed by two tornadoes forming around him.

The terrifying tornadoes came crashing towards Xu Nian.

The power was strong, like two ancient dragons colliding.

Xu Nian immediately employed the Space Law.

His form stepped into Nihility Space, directly avoiding the strike.

"Boom!"

The terrifying tornadoes struck the floor.

In an instant, the floor was shattered into pieces.

"Hmm?"

Gui Mountain's face showed a trace of surprise.

"Buzz!"

At this moment, a sharp sword came slicing from the void towards him.

"Hmph!"

Gui Mountain coldly snorted.

He immediately extended a hand.

The palm surrounded by the law power, immediately controlled Xu Nian's Divine Sword.

Xu Nian wanted to retract the Divine Sword, but found it firmly held as if welded, unable to move.

"Hmph!"

Gui Mountain punched directly towards Xu Nian's chest.

The fist, containing ten thousand times the Wind Tornado Law, reached an incredibly terrifying level of power.

Xu Nian's eyes narrowed seeing this scene.

He too threw a punch.

The power of Black Jade erupted.

"Boom!"

The two forces exploded instantly.

Creating a terrifying roar.

Both Xu Nian and Gui Mountain were shaken and flew out.

"Oh, such strong power, is this the power of the Fusion Technique Law?" A hint of surprise flashed across Gui Mountain's face.

He didn't expect Xu Nian, given his lower level of law comprehension, could fuse two law powers.

This was indeed something extraordinary.

In that punch earlier, he had almost didn't hold back.

Yet he couldn't shake the opponent.

This showed Xu Nian's strength was indeed remarkable.

Xu Nian also frowned tightly.

In that punch earlier, he had almost used all the power of Black Jade.

Yet he was still at a disadvantage.

The ten thousand times law power was indeed very domineering.

"If that's all you have, then you're sure to lose." Gui Mountain laughed coldly.

He took a step forward, and his figure flashed, appearing right in front of Xu Nian.

"So fast!"

Xu Nian was suddenly shocked and wanted to retreat into Nihility Space.

Gui Mountain punched directly at Xu Nian's chest.

The speed of the move almost left Xu Nian unable to react.

"Boom!"

A terrifying force exploded instantly on Xu Nian's chest.

The strong power charged directly towards Xu Nian's Dantian's soul origin.

"Soul attack?" Xu Nian only felt his soul origin suddenly tremble.

Almost being shocked by this powerful soul force.

"So strong, if my soul power didn't reach the mid-stage Immortal Emperor, this punch might have taken my life." Xu Nian murmured to himself.

However, even though Xu Nian's soul defense held up, the power on his chest still caused excruciating pain.

His body flew backward rapidly.

"Boom!"

Xu Nian crashed against the wall, causing the whole palace to tremble.

"Hmm, not dead!"

A trace of surprise flashed across Gui Mountain's face.

His figure flashed again, reappearing in front of Xu Nian.

This time, he punched directly towards Xu Nian's abdomen.

He seemed intent on crushing Xu Nian's Immortal Embryo with a punch.

"Hmph!"

Xu Nian's eyes turned instantly sharp.

The cyan-golden power around the Chaos Green Lotus surged out, directly wrapping around the golden flying dagger.

"Swoosh!"

The golden flying dagger shot from the void out of thin air.

Gui Mountain was shocked.

He quickly dodged.

But the flying dagger was too fast.

"Clang!"

The golden flying dagger struck Gui Mountain's abdomen but couldn't pierce his body.

Instead, it sent him flying.

"Poof!"

Gui Mountain spat out a mouthful of blood, his figure crashing against a distant wall.

The cyan-golden power combined with the Mid-grade Divine Artifact flying dagger created a very strong force.

However, it couldn't penetrate Gui Mountain's body.

"Is that... Mid-grade Divine Armor?" Shangguan Yao and Ye Siqi both showed faces of surprise.

They didn't expect Gui Mountain to have such a Mid-grade Divine Artifact Battle Armor.

Xu Nian was also surprised.

Mid-grade Divine Artifact Battle Armor?

Only a battle armor of Mid-grade Divine Artifact Level could defend against the golden flying dagger.

"Haha, didn't expect that, did you." Gui Mountain's face showed a hideous expression.

Looking at the cyan armor on his body, his face filled with intense pride.

Xu Nian's flying dagger was indeed terrifying.

If he didn't have the Mid-grade Divine Armor, he would indeed be dead.

Especially the cyan-golden power contained in the flying dagger, made him feel a sense of helplessness.

However, fortunately, he possessed the Mid-grade Divine Armor.

The flying dagger did not hurt him.

"General Gui Mountain is mighty!"

Because of the battle between Xu Nian and Gui Mountain, strong men from the Netherworld and the immortal and demon realms also stopped fighting.

When they saw this scene, they all showed looks of delight.

"Boy, your Divine Flying Saber is indeed very powerful, but trying to kill me is not so easy. With my Divine Armor on, you simply can't kill me." Gui Mountain said with a cold laugh.

Looking at Xu Nian with a mocking gaze.

Xu Nian squinted his eyes slightly.

It seems that killing Gui Mountain is not that simple.

But it's not that difficult either.

"You really think I can't kill you?" Xu Nian said with a cold laugh.

The next moment, he put away the Top-Grade Divine Sword in his hand.

Instead, he took out the Quasi-Heavenly Divine Sword.

"Is this..." Ye Siqi and Shangguan Yao were both taken aback.

Staring intently at the sword in Xu Nian's hand.

Gui Mountain's expression also changed.

Heavenly Divine Artifact?

How is this possible?

Chapter 1628: The Power of the Divine Artifact

Divine Artifact?

Everyone around displayed looks of surprise.

This Xu Nian actually possesses a Divine Artifact?

Not only were the powerful figures from the Underworld and Demon Realm shocked, but even those from the Immortal Realm were taken aback.

This Xu Nian actually wields a Divine Artifact.

A Divine Artifact?

The majority of them do not even possess a Divine Artifact, yet Xu Nian actually possesses a Divine Artifact.

This is truly infuriating when compared to others.

"It seems Junior Brother Xu Nian has had another fortuitous encounter. A Divine Artifact, probably the entire Three Realms has only him holding one," Wu Yuan couldn't help but exclaim.

"Indeed, now that the Divine Artifact has appeared, all the Immortal Emperor level experts in the Four Realms will be tempted. Even if the Immortal Emperors in the Immortal Realm refrain due to the Master's face, the other three realms might not," Zheng Yan said.

The others nodded in agreement.

The allure of a Divine Artifact is certainly no less than that of Godhood.

Shangguan Yao and Ye Siqi were also shocked.

This guy always brings tremendous surprises.

Looking at Xu Nian holding the God Sword, they suddenly felt Xu Nian resembled an unparalleled War God.

"Hmph, even if you have a Divine Artifact, so what? How much power can you actually exert?" Gui Mountain sneered.

Greed flooded his eyes.

If he kills this young man, not only will he obtain several Divine Artifacts, but also the Ancient Demon Essence Blood and the Divine Artifact.

That would be a tremendous gain!

With that thought, he charged at Xu Nian without hesitation.

"To see how much power, why don't you try?" Xu Nian sneered.

In a flash, he appeared beside Gui Mountain.

With a slash of the God Sword in his hand.

The space instantly formed a terrifying ripple.

The sharpness of the Sword Radiance had reached an exceedingly terrifying level.

As if it could easily cut through everything in the world.

Gui Mountain was stunned, hurriedly using the Power of Laws to form a whirlwind to resist.

"Splash!"

However, Gui Mountain's Power of Laws whirlwind was instantly sliced apart, and the extremely sharp Sword Qi struck Gui Mountain's Mid-grade Divine Armor.

The Mid-grade Divine Armor, like tofu, was instantly scored with a deep sword mark.

"Ah!"

A bloodstain appeared on Gui Mountain's abdomen.

He was almost cut in half.

"This God Sword is too terrifying," Gui Mountain thought in shock.

Everyone around was also taken aback.

The Mid-grade Divine Armor was so vulnerable before it.

This Divine Artifact was formidable to such an extent.

"Who would have thought that the Divine Artifact, without the God Power, would already be this terrifying? I can't imagine what it would be like if a God used the Divine Artifact," someone in the crowd exclaimed.

Everyone around also nodded.

Power of Laws, Mixed Element Power, all could be slashed.

This Divine Artifact's might has surpassed their cognitive level.

Gui Mountain looked at Xu Nian holding the God Sword, his expression becoming wary.

That strike just now made him fearful retrospectively.

"Hmph!"

Xu Nian snorted coldly.

Taking a step forward, his figure directly vanished into space.

Gui Mountain's brows instantly furrowed.

Before, he was not afraid of Xu Nian's Nihilism Space Law.

But now, Xu Nian possessed a Divine Artifact; it was entirely different.

With the slightest carelessness, he might easily be killed.

"Buzz!"

Xu Nian's figure appeared directly behind Gui Mountain.

With a sweeping sword, he formed a terrible Sword Radiance.

Gui Mountain was shocked and didn't dare to confront it head-on.

He immediately sought to dodge.

"Buzz!"

At that moment, another figure appeared on his other side.

Also wielding a sword.

"What?"

Gui Mountain was utterly shocked.

Why another one?

Which one was real?

"Buzz!"

Gui Mountain exerted his Body Skill to the utmost.

But he was still struck by Xu Nian's sword.

"Splash!"

Blood splattered.

Gui Mountain's entire arm was completely severed.

Indeed, the first figure wasn't real but Xu Nian's Earth clone.

The one truly holding the Divine Artifact was the second figure.

"Ah!"

Gui Mountain let out a miserable scream.

Even though he had a Soul Energy Body, the damage caused by the God Sword was beyond his ability to heal.

"Escape!"

Gui Mountain immediately thought of fleeing.

Yet it was already too late.

By some unknown time, Xu Nian's figure had appeared in front of Gui Mountain.

With a fast slash, Gui Mountain had nowhere to dodge.

"No!"

The terrifying sword light flashed and disappeared.

Gui Mountain's entire figure was cut in two.

The ground and wall behind him were also torn apart by Xu Nian's slash, leaving a long sword mark.

"So mighty, the power of the God Sword is terrifying indeed."

The crowd around was struck with awe.

In Gui Mountain's eyes flashed an extremely reluctant look.

"The deities of the Underworld...won't let you go, wait for your death," Gui Mountain showed a grim smile.

Finally turning into ashes.

Then a Communication Immortal Talisman fell.

Xu Nian furrowed his brows immediately.

Sure enough, Gui Mountain had spread news of his Godhood and Divine Artifact.

He would probably become the target of the Underworld's hunt.

Xu Nian looked icily, not surprised by the transmission.

When he took out the Divine Artifact, he knew the news would surely spread.

He just didn't expect that Gui Mountain would still try to trouble him even in death.

"Buzz!"

Xu Nian drew Gui Mountain's storage ring into his hand.

At the same time, he collected the broken Divine Armor.

This Divine Armor can be repaired and still used.

After all, it's a Mid-grade Divine Armor.

Even if he doesn't use it, he could give it to Leng Yanran or Zhao Yanyun.

"Wind Attribute Divine Status!" Xu Nian inspected the storage ring.

Soon, he had an extra Godhood in his hand.

He planned to give this Godhood to Han Xiaoxiao.

Xuanyuan Qingling seeks to become a god alone, so this Godhood wasn't suitable for him.

Han Xiaoxiao trained in the Wind Attribute, this Godhood was perfect for her.

Currently, Han Xiaoxiao was about to awaken from her slumber.

After deliberating, Xu Nian focused his gaze on the Demon Realm and Underworld experts.

Especially Ao Peng, whose power was formidable.

He was considered the leader of the Demon Realm's powerful figures this time.

He had been watching from the sidelines, intending to profit from fighting amongst themselves.

Now that Gui Mountain was dead, he had no more opportunities.

"We, the Demon Realm, concede. I'm no match for someone holding a Divine Artifact," Ao Peng said with a smile.

This caused an uproar in the crowd.

Unexpectedly, the Demon Realm chose to admit defeat.

Ao Peng's strength should be similar to Gui Mountain, perhaps even above.

But facing Xu Nian's Divine Artifact, he was not confident at all.

Hearing this, the corners of Xu Nian's lips curled into a smile.

"If that's the case, many thanks to Brother Ao Peng for conceding." Xu Nian sneered.

His figure floated to the Immortal Realm's camp.

The Immortal Realm experts were even less inclined to strike against Xu Nian.

"Junior Brother Xu Nian is amazing," Tong Yao and others couldn't help but praise.

Xu Nian smiled.

At this moment, he was actually at his limit.

Just holding on.

The Divine Artifact's consumption was too great for him at present.

Using a Divine Artifact was like a water pump.

Every use required a vast amount of Immortal Essence.

Chapter 1629: The Calm Before the Storm

Though Xu Nian had exhausted too much, he showed no sign of it on the surface.

Secretly, he used the power of the Divine Dragon's blood essence from before to gradually restore his strength.

As he absorbed the Divine Dragon's blood essence, his power gradually became more abundant.

"Boom!"

The main hall doors were opened.

The light from outside shone in.

"The door opened?"

Everyone around showed surprised expressions.

They all felt that something seemed to be missing from this journey to the top-grade divine miracle, but they couldn't pinpoint it.

After all, Godhoods appeared, and several people obtained Divine Artifacts, even Xu Nian acquired a Divine Artifact.

However, they didn't know that apart from these, there were actually two additional Godhoods.

One Demigod-level Puppet!

"Xu Nian, are you really unwilling to join our Demon Realm Holy Temple?" Ye Siqi stepped forward and asked.

"No thanks!" Xu Nian smiled and refused.

"Alright, then let's meet again if we're destined to, I'm returning to the Demon Realm." Ye Siqi looked at Xu Nian and said.

Xu Nian smiled.

Directly erased the Soul Mark on the soul origin.

Ye Siqi naturally felt the disappearance of Xu Nian's Soul Mark.

Her face showed a surprised expression.

Xu Nian actually let her go?

"No need to look at me so surprised, I never intended to target you." Xu Nian transmitted to her via Soul Transmission.

"Thank you!" Ye Siqi sincerely expressed her gratitude.

Having one's soul controlled by someone else is definitely more unbearable than death for her.

"Your figure is really nice." Xu Nian joked with a smile.

Ye Siqi instantly got angry but held back, her face turned red as she glared at Xu Nian before she turned to leave.

However, that glare carried a certain charm.

"Whoa, is Ye Siqi actually throwing flirty eyes at Xu Nian, is she using beauty tactics?"

"It must be, Xu Nian is so powerful and also a Craft God, Ye Siqi must be attracted; she's the flower of the Demon Realm after all!"

"Ugh, comparing oneself to others is infuriating, I'm still single, yet he already has the Demon Realm's flower actively seducing him, so enraging."

...

People around immediately started discussing.

Upon hearing this, Ye Siqi felt a sense of helplessness.

Her, seducing Xu Nian?

But she didn't know how to explain and left in a hurry.

"Seems your relationship with Ye Siqi is not shallow." Shangguan Yao also stepped forward and teased.

"Had some friction, kind of both enemies and friends." Xu Nian said with a smile.

"Then what's your relationship with me?" Shangguan Yao flirtatiously asked with a smile.

Xu Nian was momentarily stunned.

But then quickly reacted and said with a smile, "Whatever kind of relationship you want it to be, it is."

Shangguan Yao's eyebrows instantly showed a hint of amusement.

"I didn't expect you to be quite smooth-tongued, what about the thing I want? Can you give it to big sister?" Shangguan Yao asked.

"Promised to big sister, naturally will give to big sister." Xu Nian smiled slightly and opened a hand.

Shangguan Yao glanced at it and immediately understood Xu Nian's meaning.

Placed her hand on Xu Nian's hand.

Those around who saw this, especially the powerhouses from the Immortal Realm, their eyes turned red.

Damn!

It's one thing for Xu Nian to seduce the Demon Realm's flower.

Now he's wreaking havoc on their Immortal Realm's flower as well.

The key is that their goddess even voluntarily placed her hand in his.

Damn it!

If they weren't weaker than Xu Nian, they'd have long gone up to tear him to pieces.

Xu Nian, however, didn't care about outside glances.

Holding Shangguan Yao's exceptionally fair jade hand, with a thought, he transferred the Gold Attribute Divine.

Shangguan Yao naturally knew Xu Nian's intention.

Directly stored the Gold Attribute Divine in her storage ring.

The entire process went unnoticed by anyone.

When she saw Xu Nian truly gave her the Gold Attribute Divine, she was extremely excited.

Even so excited that she immediately gave Xu Nian a big hug.

"Thank you, little brother!" Shangguan Yao said excitedly.

Xu Nian was somewhat surprised.

Didn't expect Shangguan Yao to be so excited.

But thinking about it, for someone yearning to become Godhood, but afraid to independently do so.

An appropriate Godhood is so rare.

Throughout the Immortal Realm, perhaps very few have her luck to obtain a Godhood.

"Thank me properly, then commit to me." Xu Nian jokingly said with a smile.

"Smooth talk, but it's not impossible to consider. If big sister really can't find the right person, finding you wouldn't be bad." Shangguan Yao said with a smile.

Xu Nian shook his head with a wry smile.

Seems he's just a backup option!

Of course, he knows Shangguan Yao said it jokingly.

Her goal is to become a Godhood, so she won't look for a Taoist couple in the Immortal Realm.

"Alright, big sister is leaving too, in the future, if there's anything, you can send a message to big sister." Shangguan Yao smiled and said.

And then left with her Turquoise Pool group.

Xu Nian watching Shangguan Yao leave didn't say anything.

Although Shangguan Yao didn't help him much, he still chose to give her the Godhood.

After all, this Gold Attribute Divine still needs to be given away.

Currently, Shangguan Yao is the most suitable choice.

"Master, what should I do?" Xuan Yuu asked via Soul Transmission.

"Return to the Demon Realm and help me find a few people, send a message immediately if there's news of them." Xu Nian immediately transmitted the messages of Xu Yu, Ice Blue, and Bull Demon King to Xuan Yuu.

"Yes, Master!" Xuan Yuu immediately replied.

Then followed the Demon Realm leaving together.

Now that the underworld leader is dead, naturally they wouldn't linger.

"Let's go out too!" Wu Yuan said to Xu Nian.

Xu Nian nodded.

Followed Wu Yuan and others out of the Miracle Temple.

However, just as Xu Nian stepped out of the temple.

A terrifying pressure suddenly fell upon Xu Nian.

This terrifying pressure forced Xu Nian to take three steps back.

"Immortal Emperor Peak level powerhouse?"

Xu Nian looked at the sky, at the suddenly appeared powerhouse, his eyes became extremely sharp.

"Heavenly Immortal Emperor? Not good!"

A majestic man looked down at Xu Nian from above.

Eyes filled with intense killing intent.

"Heavenly Immortal Emperor! It's really him!" Xu Nian's eyes were sharp, without a shred of fear.

If it was before, he might have been apprehensive.

But now, possessing a Demigod Puppet.

If the Heavenly Immortal Emperor truly attacks him, he wouldn't mind giving this Immortal Emperor Peak powerhouse a lesson.

As for blasting the Heavenly Immortal Emperor, that's almost impossible.

"Hmph, Xu Nian you killed my son and many disciples of my Haotian Sect, today I'll have you pay with your life." The Heavenly Immortal Emperor said in anger.

With a palm towards Xu Nian.

The palm contained extremely strong Law Power.

Those around witnessed this scene with surprised expressions.

The Heavenly Immortal Emperor personally making a move?

The remaining Demon Realm and underworld powerhouses all displayed expressions of anticipation.

Xu Nian's eyes were sharp; he could feel the overwhelming power within that palm.

The next moment, he was about to summon the Demigod-level Puppet.

"Hmph, Haotian, my disciple is not for you to punish."

But just then, a figure appeared in front of Xu Nian out of nowhere.

Directly shattered that terrifying palm force.

"Taichu Immortal Emperor?"

Everyone around saw this white-clothed figure, and they all showed surprised expressions.

The Taichu Immortal Emperor personally made a move!

Chapter 1630: The Seven Immortal Emperors

Xu Nian did not expect that Master Taichu would suddenly appear and block this strike for him.

"Taichu, what do you mean by this?" the Heavenly Immortal Emperor roared angrily.

"I mean nothing by it. Xu Nian is my disciple, and naturally, I cannot watch him be killed by you. Your son wants to kill my disciple; he is merely defending himself. As for the Haotian Sect disciples, they also wanted to kill my disciple first." said the Taichu Immortal Emperor, showing no weakness.

The Heavenly Immortal Emperor frowned deeply.

The surrounding people were taken aback.

Who would have thought the Taichu Immortal Emperor was so protective?

Calling Xu Nian his disciple so emphatically, does this mean he is very pleased with Xu Nian?

Haotian was furious and said, "Do you really wish to protect this disciple of yours?"

"Yes, if you truly intend to act, I don't mind fighting you, a battle for life and death," Taichu replied.

Haotian's eyes were fierce.

"Fine, today I am determined to kill your disciple. Fuyao, Azure Dragon, aren't you going to come out?" Haotian said.

As soon as these words were spoken, two figures immediately appeared before the crowd.

"Wow, two more experts on the Immortal Emperor list! Is this going to be a major battle?" The disciples from the Immortal Realm camp were shocked.

Some Immortal Emperor-level experts from the Underworld, Demon Realm, and Monster Realm who were hiding in the shadows all showed amused smiles.

An internal conflict among the Immortal Realm camp?

This is quite a rare spectacle.

Three against one, Taichu is probably not going to be a match, right?

"Taichu, do you still think you can stop me now?" Haotian snorted coldly.

Xu Nian frowned slightly.

He didn't expect the top three Immortal Emperors from Haotian Sect, Ten Thousand Beast Mountain, and Fuyao Sect to come out.

It seems they are determined to kill him!

Looking at the Taichu Immortal Emperor, his face showed no sign of change.

"Haotian, Azure Dragon, Fuyao, are you three bullying us because Shendang Mountain has no one?" Just then...

A figure stepped forward to stand beside Taichu.

"Fuhua Immortal Emperor?"

The crowd was utterly shocked.

Even Fuhua Immortal Emperor came?

The three of Haotian Immortal Emperor all frowned.

"Even with you showing up, it's still three against two; we can still kill him," Haotian snorted coldly.

As long as two of them could stall Fuhua and Taichu for a moment.

Another could easily kill Xu Nian.

"Haha, but what if we add me to the mix?" However, at this moment, another voice rang out.

Following that, Ksitigarbha Immortal Emperor stepped out.

"Include me too!"

A beautiful woman also stepped out from the void.

"Ksitigarbha, Turquoise Pool?" The crowd was utterly astonished.

No one expected two more to show up.

Suddenly, seven experts from the Immortal Emperor list appeared.

"Ksitigarbha, Turquoise Pool, what does this matter have to do with you?" Haotian did not expect Ksitigarbha and Turquoise Pool to intervene, and immediately asked angrily.

"Young friend Xu Nian is like half an uncle to my son, don't you think I should care?" Ksitigarbha Immortal Emperor said with a smile.

"And what about you? Does Turquoise Pool have any relation to Xu Nian?" Haotian asked Turquoise Pool.

"Not necessarily, Xu Nian saved my disciple Shangguan Yao's life, of course, I won't let him die here," Turquoise Pool Immortal Emperor said.

Her voice was extremely pleasant.

Upon hearing this, Haotian Immortal Emperor's expression was extremely unwilling.

Fuyao and Azure Dragon also frowned.

Three against four, they had no chance of winning at all.

"Alright, today I will spare his life for the sake of you four. I refuse to believe you can protect him forever." Haotian snorted coldly, then left with Azure Dragon Immortal Emperor and Fuyao Immortal Emperor.

"They didn't fight; what a pity!"

Some Immortal Emperor experts from the Underworld and Monster Realm shook their heads and sighed.

With the four major forces of the Immortal Realm present, they couldn't even snag any benefits.

The show is over, and no benefits were gained.

They all dispersed.

People from the Immortal Realm camp were also amazed.

This Xu Nian attracted four Immortal Emperors on the list to protect him; what kind of fortune is this?

Xu Nian himself was also a bit surprised.

Taichu and Fuhua Immortal Emperor were already expected, as both were from their factions.

Ksitigarbha Immortal Emperor stepping in could also be explained.

However, Turquoise Pool Immortal Emperor stepping in was something he had not expected.

He had never saved Shangguan Yao's life.

"There is no need to be surprised; Yaoyao has already told me about you giving her your Godhood, so I stepped in to repay you on her behalf," Turquoise Pool Immortal Emperor looked at Xu Nian and said.

Xu Nian suddenly realized.

At the side, Ksitigarbha and others looked surprised.

"Godhood? Kid, you gave away your Godhood?" Ksitigarbha Immortal Emperor asked in surprise.

"Not exactly gave away, Sister Shangguan and I had an agreement, she helped me obtain the Wind Attribute Divine Status, and I gave the Gold Attribute Divine to her, so it's mutually beneficial," Xu Nian explained with a smile.

"But I heard that the Quasi-Emperor from the Underworld was killed by you," Ksitigarbha smiled.

Upon hearing this, Xu Nian suddenly looked embarrassed.

Seeing Xu Nian's expression, Ksitigarbha burst into laughter.

"Your performance in the Divine Miracle was impressive, the Heaven and Earth Phenomenon earlier was caused by you, right?" Taichu Immortal Emperor stepped forward and said.

"Heaven and Earth Phenomenon?" Xu Nian looked puzzled.

Could it be that the Heaven and Earth Phenomenon was brought about by consuming the Divine Pill?

"It seems he doesn't even know, but his cultivation broke through from Early Stage Immortal Sovereign to Immortal Sovereign Peak; such a significant improvement must be him," Fuhua Immortal Emperor followed with a smile.

"Did you consume a Divine Pill?" Taichu once again looked at Xu Nian and asked.

"Yes, I consumed a Divine Pill, and my cultivation improved by three Levels," Xu Nian said.

"A Divine Pill only enhanced by three Levels; young friend Xu Nian, your cultivation technique is truly extraordinary!" Ksitigarbha said with a smile.

Xu Nian felt helpless.

If this continues, all his secrets will be laid bare.

"Alright, here is my Yaochi Emperor's Token. Seeing the token is like seeing me. From now on, you are an honored guest of Turquoise Pool." Turquoise Pool Immortal Emperor tossed Xu Nian a token and turned to leave.

"Yaochi Emperor's Token? Young friend Xu Nian, you really are blessed by beauty!" Ksitigarbha Immortal Emperor said with a smile.

"Blessed by beauty?" Xu Nian looked surprised.

What does this have to do with being blessed by beauty?

It seemed Ksitigarbha Immortal Emperor saw Xu Nian's confusion and laughed, "This Yaochi Emperor's Token lets you freely enter and leave Turquoise Pool and choose an immortal couple at Turquoise Pool. Don't you think that's being blessed by beauty?"

Xu Nian was speechless.

The Yaochi Emperor's Token has such benefits?

"Alright, Xu Nian, come with me; I have some things to discuss with you," Taichu Immortal Emperor suddenly told Xu Nian with a serious tone.

Xu Nian nodded.

Then he followed behind Taichu Immortal Emperor, quickly heading in a certain direction.

Taichu Immortal Emperor did not choose to fly, but instead walked with Xu Nian.

Yet, Taichu Immortal Emperor's speed was nonetheless faster than flying.

Very quickly, the two arrived at a solitary mountain peak.

Xu Nian was a bit puzzled.

Did Taichu Immortal Emperor bring him here to discuss something?
