

Divine King 1681

Chapter 1681: Sword Dao

Luo Bing was also somewhat surprised.

Because Fuhua Immortal Emperor just mentioned gifting her a chance at enlightenment.

It's important to realize she wasn't a disciple of Shendang Mountain, and Fuhua Immortal Emperor had no reason to gift her an opportunity.

"Haha, don't be surprised, it's just a little gift I've left for you all. Whether I succeed in crossing the tribulation or not, Shendang Mountain will probably need your support. The current situation in the Immortal Realm is not peaceful and is even precarious. Xu Nian, you are now the most outstanding genius of Shendang Mountain. If I don't pass it to you, to whom shall I pass it?" Fuhua Immortal Emperor laughed.

"Master Uncle, since the Immortal Realm is so turbulent, why do you choose to cross the Divine Tribulation at this time?" Xu Nian asked.

"Haha, everyone has their own destiny, as does Shendang Mountain. Whether I stay or not makes no difference. Enough about this, let's talk about what I want to pass on to you." Fuhua Immortal Emperor said.

Xu Nian heard him and asked no further questions.

He didn't know what heart realm Fuhua Immortal Emperor had reached to face such danger with such openness.

It would be impossible for him not to care about Shendang Mountain.

So, Shendang Mountain was still more important to him than life itself.

Yet, he still chose the path he wanted to walk.

Such a state was beyond Xu Nian's understanding.

"Xu Nian, what I want to pass to you is the Sword Dao." Fuhua Immortal Emperor said.

"Sword Dao?" Xu Nian was slightly surprised.

Isn't the most important thing in Immortal cultivation the Taoist Rules?

Why did Fuhua Immortal Emperor want to pass on the Sword Dao?

"What I refer to as Sword Dao is not the Sword Dao you understand, but a true Taoist Rules. Do you know what is above the Taoist Rules?" Fuhua Immortal Emperor looked at Xu Nian and asked.

"The Great Tao!" Xu Nian replied.

Emperor Ye Tian had spoken to him about it before.

The cultivation of the Divine is about the Great Tao.

Above the Great Tao is the Heavenly Dao.

Thinking of this, Xu Nian's pupils suddenly contracted. Could it be Fuhua Immortal Emperor has comprehended the Great Tao?

"I'm not as formidable as you imagine, I haven't truly comprehended the Great Tao. These past three hundred thousand years, in order to enhance my strength, I've taken a different path by researching swordsmanship, hoping to achieve a breakthrough in swordsmanship. Efforts do pay off, and I did gain a bit of enlightenment." Fuhua Immortal Emperor laughed.

Xu Nian was somewhat puzzled and baffled.

Luo Bing also felt her head spinning.

Fuhua Immortal Emperor smiled and continued to explain, "Everything has a Tao. I may not have attained the threshold of the true Sword Dao, but I dare say my enlightenment has definitely touched upon the intricate details of the Sword Dao."

Upon hearing this, Xu Nian was immensely startled.

The Sword Dao?

Xu Nian had heard Emperor Ye Tian speak of it.

It is a high-level understanding of swordsmanship beyond Elemental Power.

Unexpectedly, Fuhua Immortal Emperor had such profound research on swordsmanship.

The fact that he could reach this level already shows that Fuhua Immortal Emperor is quite remarkable.

"Alright, talk is cheap, I'll show you what the Sword Dao is." Fuhua Immortal Emperor said.

In the next moment, he took out a Divine Sword.

"Buzz!"

Fuhua Immortal Emperor's gaze sharpened as he clutched that Divine Sword.

His entire demeanor completely transformed.

In an instant, he seemed to become a sword.

A razor-sharp Divine Sword.

"How powerful!"

Xu Nian's face suddenly changed; he felt Emperor Ye Tian's Sword within him trembling intensely.

It seemed to show signs of breaking free.

Actually, not just his sword, all the swords within the Shendang Mountain area were trembling.

Everyone looked in amazement towards the direction of Fuhua Immortal Emperor's chambers, not understanding what kind of power it was that could influence their swords.

"Oh, who would have thought that in the Immortal Realm, there is someone who has comprehended the Cosmic Sword Intent."

Just as Xu Nian was surprised.

Emperor Ye Tian's voice echoed in Xu Nian's mind.

Xu Nian was slightly astonished.

"Cosmic Sword Intent? What level is that?" Xu Nian asked curiously.

"The so-called Cosmic Sword Intent is actually a minor realm before the Sword Dao comprehension. This fellow doesn't have Godhood, so he's unable to comprehend the true Sword Dao. Therefore, being able to comprehend the Cosmic Sword Intent is already impressive." Emperor Ye Tian explained.

"Is the Sword Dao very powerful?" Xu Nian continued to ask.

"Indeed, very powerful. Let me put it this way, Law Great Tao requires corresponding Elemental Divine Status to comprehend. However, the Sword Dao, Spear Dao, Sword Tao are not restricted by any Godhood; any Godhood can comprehend them. This kind of Great Tao enlightenment can enhance your combat power but cannot increase your cultivation. If you comprehend the Sword Dao, you can become a Sword God, a rare existence in the Divine Realm, absolutely undefeated among the same realm." Emperor Ye Tian said.

Xu Nian suddenly understood.

In this case, Fuhua Immortal Emperor being able to comprehend the Cosmic Sword Intent is indeed a remarkable feat.

"Young man, for you and her, feeling the Cosmic Sword Intent in the Immortal Emperor Realm is truly an extraordinary enlightenment. Previously, the sword I wielded contained Cosmic Sword Intent, but you couldn't sense it due to your level." Emperor Ye Tian said.

Xu Nian was a bit surprised.

He had witnessed Emperor Ye Tian's sword, its power was extremely terrifying.

In this light, Fuhua Immortal Emperor's comprehension of the sword is indeed very strong.

"Next, I will share these years of my Sword Dao comprehension with you all. How much you comprehend depends on your own fortune." Fuhua Immortal Emperor said.

In the next moment, he tapped his Divine Sword.

"Clang!"

An extreme sound of vibration erupted instantly.

Xu Nian and Luo Bing only heard the sound of a sword echoing; in the next moment, the two were immediately immersed in a wonderful realm.

In front of their eyes, a gigantic sword seemed to appear.

This sword was immense.

Spanning across the Star River!

An incomparably powerful Sword Intent emanated.

As if embodying the Cosmic Will.

Facing it, Xu Nian and Luo Bing felt overwhelmingly insignificant.

Luo Bing, originally a Sword Immortal, especially felt the formidable strength of this Cosmic Sword Intent.

"Such vast and immense Sword Intent, this Sword Intent is incredibly solid, almost substantial. Is this the Cosmic Sword Intent?" Xu Nian spoke.

"This is merely the Cosmic Sword Intent, a mere speck before the true Sword Dao. However, for your current level, this Cosmic Sword Intent is already formidable enough; delve into it well." Emperor Ye Tian advised.

Xu Nian nodded.

He began to seriously comprehend.

Just as Emperor Ye Tian said, for his current self, having the chance to comprehend this Cosmic Sword Intent is already an extraordinary opportunity.

Then Xu Nian and Luo Bing began to meticulously comprehend.

Seeing this scene, Fuhua Immortal Emperor smiled.

"I hope you both can gain something." Fuhua Immortal Emperor said with a smile.

With a wave of his hand, he laid a restriction around the entire great hall, then walked out of the hall.

Chapter 1682: Dual Breakthrough

Xu Nian was completely immersed in that vast Cosmic Sword Intent.

Luo Bing also entered a state of enlightenment.

She herself was a Sword Immortal, now comprehending this vast Sword Intent.

Even allowing a peculiar sword resonance to surround her Immortal Embryo.

It seemed that understanding this Cosmic Sword Intent might cause some peculiar transformation in her sword-shaped Immortal Embryo.

Who knows what kind of transformation her Immortal Embryo might undergo if she truly comprehends this Cosmic Sword Intent.

And just as Xu Nian and Luo Bing were comprehending that vast Sword Intent.

With the passage of time, Shendang Mountain gathered more and more people.

The number of strong Immortal Emperors increased as well.

The other Eight Great Forces, along with various hidden forces, all gathered at Shendang Mountain.

...

"Did you truly impart your understanding of Sword Dao to him?"

On the highest peak of Shendang Mountain, Taichu Immortal Emperor was standing with Fuhua Immortal Emperor, gazing across the vast mountains and rivers, Taichu Immortal Emperor asked with a smile.

"Isn't this what you hoped for? But he truly is the most suitable candidate, and I don't want my enlightenment to be wasted." Fuhua Immortal Emperor's eyes flashed with a hint of desolation.

"Can you comprehend this Sword Dao True Intent, and truly not have the confidence to pass the Divine Tribulation?" Taichu Immortal Emperor asked.

"No, I've witnessed a total of seven Divine Tribulations, every one of them the pinnacle experts of the Immortal Realm, yet only one succeeded in crossing the Heavenly Tribulation." Fuhua Immortal Emperor replied.

"My master, Wu Jiang Immortal Emperor?" Taichu Immortal Emperor asked.

"Yes, only Wu Jiang Immortal Emperor succeeded in passing the Divine Tribulation, and the reason Wu Jiang Immortal Emperor was able to transcend the Divine Tribulation largely involved a lot of luck." Fuhua Immortal Emperor said.

Taichu Immortal Emperor nodded.

Wu Jiang Immortal Emperor's ability to transcend the Divine Tribulation was entirely due to obtaining a divine seal containing the power of an ancient god.

It was relying on the divine seal that he was able to pass the Divine Tribulation.

Otherwise, he would not have successfully crossed the Tribulation.

"I wonder if Xu Nian can comprehend your Sword Dao." Taichu Immortal Emperor's eyes carried a hint of worry.

"How could comprehending Sword Dao be that simple? I spent a full hundred thousand years just to grasp the basics, but even if he cannot comprehend it, someday he'll still be able to reach this realm." Fuhua Immortal Emperor said.

Taichu Immortal Emperor nodded.

He had attempted to comprehend Fuhua Immortal Emperor's Sword Dao before but ultimately failed.

It was too profound.

"And how did you bring his girlfriend along?" Taichu Immortal Emperor asked with a smile.

"His girlfriend is a Sword Immortal, I simply did a small favor, but I'm afraid she won't be able to comprehend it." Fuhua Immortal Emperor laughed.

Taichu nodded.

"The Divine Tribulation is drawing near, I can feel the Heavenly Dao has locked onto me, no matter where I go, I cannot escape this Divine Tribulation." Fuhua Immortal Emperor continued.

Taichu Immortal Emperor also showed a thoughtful expression.

Indeed, once locked onto by the Divine Tribulation, one must face the Heavenly Tribulation.

At this moment, Fuhua Immortal Emperor was just five days away from the Divine Tribulation.

"Boom!"

Just then, a powerful Sword Intent erupted from Fuhua Immortal Emperor's palace.

Sword Qi soared to the sky, sweeping across thousands of miles.

Everyone within Shendang Mountain was startled.

This Sword Intent was terrifying.

"Huh, my restrictions were actually broken through." Fuhua Immortal Emperor revealed a surprised expression.

"Did Xu Nian break through?" Taichu Immortal Emperor asked.

"It seems not, it was Xu Nian's girlfriend." Fuhua Immortal Emperor scanned with Immortal Consciousness and immediately expressed surprise.

Meanwhile, numerous Immortal Emperors within Shendang Mountain were also startled, all appearing in the air.

They looked towards Fuhua Immortal Emperor's palace direction, all showing surprised expressions.

"That Sword Intent, is it Fuhua Immortal Emperor's Sword Intent?" Chaos Sky Palace's Chaos Sky Immortal Emperor asked in surprise.

"It's his Sword Intent, but it wasn't released by him, it was a young woman, cultivation only at Immortal King Peak." Fuyao Sect's Fuyao Immortal Emperor said in surprise.

"What? Cultivating at the Immortal King Realm can unleash such terrifying Sword Intent?" Chaos Sky Immortal Emperor said in surprise.

"Huh, a Sword Cultivator?" A strong Immortal Emperor said in surprise.

In an instant, all powerful Immortal Emperors looked towards Tianjian Immortal Emperor.

Because only Tianjian Sect has Sword Immortals.

"She's a disciple of our Tianjian Sect, but she has already left Tianjian Sect." Tianjian Immortal Emperor said sternly.

"Is she perhaps the new female disciple accepted by Fuhua Immortal Emperor?" Immortal Emperor said curiously.

Many Immortal Emperors suddenly had some speculation.

"Boom!"

Just then, another terrifying Sword Qi soared to the sky.

This Sword Qi was just as strong, if not stronger than the previous one.

The Immortal Emperor strong figures were unable to remain calm.

It's one thing for one to comprehend such vast Sword Intent, but now there's a second one?

"Huh, a young man?" An Immortal Emperor said curiously.

"It's that Xu Nian." Heavenly Immortal Emperor's eyes suddenly burst with fierce light.

"Indeed, it's that Xu Nian." Fuyao Immortal Emperor's eyes also revealed a hint of Killing Intent.

"Haotian, Fuyao, do the two of you actually think of killing disciples of Shendang Mountain on Shendang Mountain's territory?" Ksitigarbha Immortal Emperor coldly laughed.

Haotian and Fuyao immediately snorted, expressing dissatisfaction, but did not refute.

After all, this is Shendang Mountain.

Only, they didn't expect this Xu Nian actually inherited Fuhua Immortal Emperor's terrifying Sword Intent?

If this kid continues to grow, he will absolutely be the second Fuhua Immortal Emperor!

Tianjian Immortal Emperor also frowned.

He had a bit of a squabble with Xu Nian, and now seeing Xu Nian exhibiting such innate talent, he was also considering whether to make peace with Xu Nian.

"This boy has actually comprehended Fuhua Immortal Emperor's Sword Dao, his future achievements will undoubtedly be exceptionally terrifying, even his master Taichu failed to comprehend Fuhua Immortal Emperor's Sword Intent." Ten Thousand Beast Mountain's Azure Dragon Immortal Emperor now also showed a serious expression.

Shendang Mountain has produced an extraordinary genius, which is undoubtedly a huge threat to Ten Thousand Beast Mountain.

"I actually think this female disciple is remarkable, to be able to comprehend Fuhua Immortal Emperor's Sword Dao too."

Yaochi Immortal King looked at Luo Bing, eyes showing a hint of admiration.

Many other Immortal Emperors expressed agreement.

This woman's future achievements will certainly not be low.

"Seems you were mistaken, they have both comprehended your Sword Dao." Taichu looked at Fuhua Immortal Emperor and smiled.

Fuhua Immortal Emperor suddenly showed a smile of both crying and laughing.

Could not have imagined that Xu Nian really comprehended his Sword Dao.

Even Xu Nian's girlfriend also comprehended his Sword Dao.

They spent less than a month on what he spent fully a hundred thousand years to comprehend.

This made him truly not know whether to laugh or cry.

"Shendang Mountain indeed seems to have produced an extraordinary genius." Fuhua Immortal Emperor said emotionally.

"I also accepted a good disciple, look at the eyes of those Immortal Emperors, they are about to turn green, haha." Taichu Immortal Emperor laughed.

Fuhua Immortal Emperor also felt exceptionally proud.

...

"Is this Cosmic Sword Intent? What a powerful feeling." Xu Nian said excitedly.

He could feel an incomparably vast Sword Intent reverberating within him.

"Indeed it's strong, I feel my Immortal Embryo has also undergone earth-shattering changes." Luo Bing was also surprised.

At this moment, her Immortal Embryo has completely turned golden.

On her Immortal Embryo, there are even strange patterns.

Emitting an incomparably sharp aura.

She could feel her strength has improved tenfold or more.

Chapter 1683: The Terrifying Divine Tribulation

Time flew by, and five days passed in the blink of an eye.

During these five days, Xu Nian had been familiarizing himself with the Cosmic Sword Intent alongside Luo Bing.

It had to be said that this Sword Intent was indeed powerful.

Now, with a single sword strike, Xu Nian could easily slay an early-stage Immortal Emperor.

Luo Bing had also smoothly broken through to the Immortal Sovereign Realm.

Her combat power was definitely comparable to the Immortal Sovereign Peak Level.

With the passage of five days, Fuhua Immortal Emperor's Divine Tribulation also arrived.

Fuhua Immortal Emperor chose to undergo his tribulation at a very remote wilderness on Shendang Mountain.

Because the power of the Divine Tribulation is extremely vast, the area for hundreds of miles around would be affected.

Therefore, the location of the Divine Tribulation is generally chosen to be in uninhabited places.

Not only that, but powerful restrictions would also be placed around to ensure the lands of Shendang Mountain wouldn't suffer large-scale damage.

At this moment, at the center of this wilderness, a huge temporary platform had been constructed.

Fuhua Immortal Emperor sat cross-legged on the platform, diligently adjusting his condition.

Beyond a hundred miles from the platform's perimeter, many Immortal Emperor Level experts gathered.

There were a full two hundred or so, almost eighty percent of the Immortal Emperors in the Immortal Realm had come.

Of course, there were also many Immortal Sovereign Realm experts, as well as disciples from Shendang Mountain.

Disciples above the Immortal King Realm from Shendang Mountain had basically all arrived.

Xu Nian was currently standing with Luo Bing, along with Zheng Yan and Tong Yao.

Of course, there were also disciples from the Turquoise Pool and Earth Immortal Sect, and Li Tian had also come.

"I really didn't expect that Fuhua Immortal Emperor would be crossing the Divine Tribulation. It has been nearly ten thousand years since anyone in the Immortal Realm has crossed the Divine Tribulation, right?" Zheng Yan couldn't help but marvel.

"Indeed, it's been ten thousand years. In the history of the Immortal Realm, nine out of ten cannot cross the Divine Tribulation. I wonder whether Fuhua Immortal Emperor will succeed." Tong Yao said.

Everyone looked toward the seated Fuhua Immortal Emperor.

Their eyes were filled with both anticipation and concern.

"With Fuhua Immortal Emperor's cultivation, crossing the Divine Tribulation shouldn't be too difficult, right?" Li Tian said.

"Not necessarily, there are generally three kinds of Divine Tribulations: Third Level, Sixth Level, and Ninth Level. If luck is on your side and you encounter a Third Level Divine Tribulation, then there might be a fifty percent chance. If it's a Sixth Level, there might not even be a ten percent chance, but Sixth Levels are generally rare." Shangguan Yao said.

Three kinds of Divine Tribulations?

Xu Nian was incredulous.

Divine Tribulations were actually divided into three kinds.

"The Third Level only has a fifty percent chance, then isn't the Ninth Level terrifying?" Li Tian said, surprised.

The others also curiously looked at Shangguan Yao.

"Ninth Level? In the history of the Immortal Realm, it's only appeared once, several million years ago. Generally, tribulations that people encounter are Third Level, and Sixth Levels are very rare." Shangguan Yao said.

"The power of the Divine Tribulation is so terrifying?" Xu Nian was surprised in his heart.

Just three Divine Thunders, and Fuhua Immortal Emperor only had a fifty percent chance.

If it were me crossing the tribulation, I fear I might not be so lucky to encounter a Third Level Divine Tribulation.

"Stop dreaming, your Divine Tribulation is at least a Sixth Level, it might even be a Ninth Level." Emperor Ye Tian's voice echoed in Xu Nian's mind.

"Ninth Level?" Xu Nian's mouth twitched.

If it's Ninth Level, won't I be in great danger?

"You possess an Ancient Bloodline, have four Great Avatars, and you're cultivating the pinnacle Divine Level Technique. Now you've also comprehended the Cosmic Sword Intent, so encountering a Third Level is almost impossible, a Sixth Level is very unlikely, and there's a great chance of a Ninth Level. So, you need to raise your strength limit before undergoing a tribulation," said Emperor Ye Tian.

"Ninth Level Divine Tribulation, its power is frightening, isn't it?" Xu Nian continued to ask.

"It's terrifying for you. In the Divine World, Ninth Level Divine Tribulations are very rare, and those who can overcome them are even rarer, so you better prepare yourself mentally," Emperor Ye Tian said.

Xu Nian was speechless.

It seems becoming a god on one's own is truly a very difficult thing.

"Buzz!"

Just as Xu Nian was worrying about his future Divine Tribulation.

The sky began to stir.

A terrifying Divine Power suddenly descended from the Heavenly Dome.

The terrifying pressure instantly spread across the entire Immortal Domain of Shendang Mountain.

Not only did Xu Nian and those watching feel it, but even the immortals residing in Shendang Mountain's city felt this horrific pressure.

This pressure made them feel as if a massive mountain was pressing on their chest.

But the one truly bearing most of this terrifying pressure was Fuhua Immortal Emperor, who sat cross-legged on the platform.

"Crack!"

As the pressure bore down, the platform beneath him began to crumble inch by inch.

It must be noted that these platforms were built from Divine Stones.

They could withstand a full-force strike from an Immortal Sovereign Peak Level being.

But now, the mere pressure of Divine Power caused the platform to shatter.

Those around couldn't help but gasp in shock.

The power of the Divine Tribulation is so terrifying, how strong must the Divine Tribulation itself be?

"Judging by this pressure, it should be a Third Level Divine Tribulation." Shangguan Yao said.

"This pressure is only the Third Level?" Li Tian's mouth twitched.

If a Sixth Level Divine Tribulation occurs, how terrifying will it be?

But before he could finish speaking.

"Boom!"

Suddenly, another wave of pressure, ten times stronger than before, descended from the sky.

"Bang!"

The platform underneath Fuhua Immortal Emperor instantly turned to dust.

Xu Nian and others felt as if a massive hammer had suddenly struck their chest.

The earth and mountains trembled.

"This is..." Everyone present had a drastic change in expression.

"Sixth Level Divine Tribulation?" Taichu Immortal Emperor's figure suddenly appeared beside Xu Nian, looking at the thunderclouds gathering on the Heavenly Dome, his brow furrowed to the extreme.

The over two hundred Immortal Emperor experts in the distance all revealed looks of shock.

A Sixth Level Divine Tribulation?

Fuhua Immortal Emperor had actually drawn a Sixth Level Divine Tribulation.

For a moment, the entire scene was silent.

Li Xiuyuan, seeing this scene, collapsed to his knees, his face full of unwillingness and anger.

At this moment, Fuhua Immortal Emperor had already stood up.

Looking at the massive tribulation clouds covering a thousand-mile radius in the sky, his face showed a wry smile.

"Sixth Level Divine Tribulation, I never expected I would draw a Sixth Level Divine Tribulation." Fuhua Immortal Emperor shook his head helplessly.

But in the next moment, an enormous Sword Intent erupted from his body.

The Sword Qi soared to the sky, dispersing the Divine Tribulation's power in an instant.

"Hmph, even a Sixth Level Divine Tribulation, I, Fuhua Immortal Emperor, refuse to accept fate." Fuhua Immortal Emperor snorted coldly, eyes filled with intense battle intent.

His voice echoed across the sky, spirit soaring to the heavens.

The disciples of Shendang Mountain, upon hearing this, clenched their fists tightly, eyes filled with excitement.

This was their Mountain Lord of Shendang Mountain.

The top expert on the Immortal Emperor list.

Facing a Sixth Level Divine Tribulation, he was not afraid in the slightest.

Xu Nian felt his blood boil at this moment.

Fuhua Immortal Emperor's domineering spirit and boldness deeply moved him.

It was precisely because of such presence that the Mountain Lord of Shendang Mountain could comprehend the Cosmic Sword Intent, this kind of immense Sword Intent, right?

"Buzz!"

Dark clouds rolled across the sky.

Countless Divine Thunder rolled within the thunderclouds.

The power contained within the thunderclouds caused everyone present to feel a tingling sensation on their scalp.

The sky darkened, sands and stones flew.

Terror filled the entire Divine Region of Shendang Mountain.

The Immortal Emperor experts present all had solemn expressions; none had a schadenfreude attitude.

No matter the past conflicts with Fuhua Immortal Emperor or grudges with Shendang Mountain they might have had.

None harbored ridicule due to the Sixth Level Divine Tribulation.

This was awe!

An awe that the collective fate as a community of destiny in the Immortal Realm held for the pioneers.

Chapter 1684: World-shaking Divine Tribulation

"Buzz!"

Heaven and earth buzzed.

Thunderous clouds rolled, as if ten thousand Divine Dragons were churning within them.

The terrifying pressure kept escalating.

Everyone felt suffocated.

The energy fluctuations contained within these thunderclouds were too terrifying.

Time flowed relentlessly.

Fuhua Immortal Emperor held the Divine Sword, quietly waiting.

With a calm mind, he kept himself in optimal condition.

"Does it take this long for the Sixth Level Divine Tribulation to amass power?" Li Tian couldn't help but say.

It had been a full six hours already.

With such a long time, one really wondered how terrifying the power of this Divine Tribulation would be.

"It's coming!"

Yet at this moment, Taichu Immortal Emperor suddenly spoke up.

Simultaneously, other Immortal Emperor powerhouses suddenly turned their sharp gazes.

The expression in Fuhua Immortal Emperor's eyes in the field was equally sharp and intense.

"Boom!"

Immediately after Taichu Immortal Emperor spoke, a terrifying thunderous sound echoed from the Heavenly Dome above.

Then a terrifying Divine Thunder descended from the sky, directly transforming into a straight bolt, aiming to strike Fuhua Immortal Emperor.

This strike was even more terrifying than the all-out attack of a Peak Thunder Attribute Law Immortal Emperor powerhouse.

"So strong!"

Someone among the surrounding Immortal Emperor powerhouses exclaimed in surprise.

Other Immortal Emperor powerhouses also displayed astonished looks.

This first Divine Thunder was so terrifying?

Xu Nian was also scared. The energy fluctuations on this Divine Thunder, if it blasted onto him, his Top-Grade Divine Artifact body probably wouldn't be able to withstand it.

Too strong!

And this was merely the first Divine Thunder.

There were still five more!

Fuhua Immortal Emperor's expression also changed.

He hadn't expected the first Divine Thunder's power to be so strong.

Without hesitation, he directly mobilized his Mixed Element Immortal Power.

He urged his Gold Attribute Law.

"Clang!"

He stabbed out with a sword, the golden light dazzling.

The formed Sword Radiance immediately collided with the Divine Thunder.

"Boom!"

The earth shattered, as if an earthquake erupted.

The ground beneath Fuhua Immortal Emperor's feet also collapsed suddenly.

A terrifying energy storm instantly swept across a hundred-mile radius.

It only dissipated upon striking the powerful restrictions.

Xu Nian and others were dumbfounded.

Such a formidable sword.

Although Fuhua Immortal Emperor didn't use Cosmic Sword Intent, this sword had already reached a terrifying level.

The Gold Attribute's golden dazzling law, Perfect Realm.

The power it unleashed was extremely terrifying.

"Did he block it?" someone in the crowd curiously asked.

Xu Nian and others all looked toward the center of the energy storm.

A figure could be seen floating arrogantly in the air.

Above the void, electric snakes still shone, and golden light flickered.

Fuhua Immortal Emperor stood on the void, the Divine Sword in his hand swirling with Sword Qi, looking spirited.

"It's blocked!" The disciples of Shendang Mountain cried out in excitement.

Obviously glad Fuhua Immortal Emperor blocked this strike.

However, those Immortal Emperor powerhouses were not so relaxed; on the contrary, every one of them had furrowed brows.

Because they noticed that the cuff of Fuhua Immortal Emperor's sleeve had already been shattered by the thunder of the Divine Thunder.

Although it was just clothing, it indicated that the Divine Thunder had already invaded Fuhua Immortal Emperor.

Fuhua Immortal Emperor had not come out completely unscathed.

Critically, this was only the first Divine Thunder.

The subsequent Divine Thunders would be even more terrifying, and blocking them might be very difficult.

Xu Nian also noticed this.

His gaze was extremely serious.

Fuhua Immortal Emperor took a Divine Pill, trying hard to restore his Mixed Element Immortal Power.

He wanted to strive to maintain peak condition.

"Boom!"

Before long, the second Divine Thunder fell again.

This time, the power of the Divine Thunder was nearly twice as terrifying as the previous one.

The thunder column was as thick as an arm, and the impact it formed was absolutely earth-shattering.

Fuhua Immortal Emperor dared not slack off in the slightest.

Immediately he mobilized all his strength; this time, he even directly used his Cosmic Sword Intent.

"Boom!"

He slashed with a sword, and the soaring Sword Qi was like Heaven and Earth Creation.

Colliding with the thunder column.

"Boom!"

The terrifying impact instantly shattered the ground again.

Countless rubble shot up into the air, blazing toward all directions.

The restriction in front of Xu Nian and them also suffered a massive impact at this moment, starting to sway precariously.

Fortunately, several Immortal Emperor powerhouses acted in time, stabilizing the restriction and thereby blocking the terrifying energy fluctuation.

"Puff!"

Fuhua Immortal Emperor's Sword Qi surged, and he finally managed to block the thunder.

However, he still spat out a mouthful of blood.

The impact formed by the thunder had still injured his internal organs.

"Father!"

Li Xiuyuan instantly stood up excitedly.

The disciples of Shendang Mountain also turned pale.

This second Divine Thunder actually injured Fuhua Immortal Emperor?

The Immortal Emperor powerhouses also looked grave.

In their place, they probably wouldn't be able to withstand this terrifying thunder.

Xu Nian was also certain that facing this blow, he was doomed without a doubt.

No matter how strong his body was, it couldn't withstand such a terrifying energy impact.

Fuhua Immortal Emperor immediately sat cross-legged in the void, taking another healing Divine Pill.

As the power of the Divine Pill spread, his complexion finally improved somewhat.

Fuhua Immortal Emperor stood up again, and his robe was already torn to shreds.

Fuhua Immortal Emperor tore it off sharply, revealing the Divine Armor on his body.

It was a Mid-grade Divine Armor.

Everyone was astonished that even with a Mid-grade Divine Armor, Fuhua Immortal Emperor had been injured.

How should he face the remaining four Divine Tribulation bolts?

Taichu Immortal Emperor looked grave.

Xu Nian could see the tension in Taichu Immortal Emperor's heart.

"Boom!"

At this moment, the third Divine Thunder followed.

The Heavenly Dome was suddenly torn apart.

Like an incomparably terrifying huge face.

Then a thunder more terrifying than the second one by nearly four times followed.

This strike had completely surpassed the scope of the Immortal Emperor Realm.

Facing this strike, any Immortal Emperor powerhouse would likely have no chance of survival.

Everyone around took a deep breath.

Fuhua Immortal Emperor's eyes were arrogant.

A drop of Gold Attribute Divine Power Liquid appeared in his hand, and he directly devoured it.

The next moment, a strong Divine Light emerged from Fuhua Immortal Emperor.

Fuhua Immortal Emperor's Soul Realm had reached a Perfect Realm.

Thus he fully and completely absorbed the Divine Power Liquid.

At this moment, boundless Divine Light erupted from Fuhua Immortal Emperor.

"Slash!"

Fuhua Immortal Emperor struck with his sword.

Cosmic Sword Intent soared, and the Gold Attribute Law's light was dazzling.

The formed Sword Radiance collided fiercely with the terrifying thunder.

"Boom!"

The thunder exploded.

This time, Fuhua Immortal Emperor was unscathed.

"Good!"

The disciples of Shendang Mountain shouted excitedly.

However, the already deceased Immortal Emperor powerhouses under Taichu Immortal Emperor were all shaking their heads.

Xu Nian also had a bad premonition.

"Boom!"

As expected at this moment, the fourth Divine Thunder suddenly fell.

Heaven and earth exploded.

Fuhua Immortal Emperor stabbed out with a sword.

His Low Grade Divine Sword in his hand utterly exploded under this thunder strike.

"Boom!"

Fuhua Immortal Emperor was also mercilessly blasted to the ground by the thunder.

The ground collapsed instantly, forming a huge crater a hundred miles in diameter.

Everyone was dumbfounded.

Even a Low Grade Divine Artifact shattered?

How terrifying was this strike?

Could Fuhua Immortal Emperor survive this strike?

Chapter 1685: Young Sect Master of the Divine Hidden Sect

Dust filled the sky.

Thunder serpents surged.

Everyone looked toward the center of the pit, seemingly wanting to see if Fuhua Immortal Emperor was alright.

After all, that bolt of lightning had struck him undeniably.

"Cough, cough!"

Just as everyone held their breath, filled with worry.

A voice rang out, followed by a figure wobbly standing up.

Fuhua Immortal Emperor was not dead!

All around, people were suddenly filled with excitement, especially the disciples of Shendang Mountain, who nearly shed tears.

Some female disciples could no longer hold back their flowing tears.

Nonetheless, at this moment, Fuhua Immortal Emperor appeared utterly wretched.

The Divine Armor on his body was completely black.

His injuries were extremely severe.

Blood continuously coughed out from his mouth.

The surrounding crowd was astonished.

Could this Divine Thunder really be that terrifying?

To have injured the first-ranked on the God-Emperor ranking to such an extent.

What's more, Fuhua Immortal Emperor had even used the Divine Power Liquid.

"In such a state, Fuhua Immortal Emperor will likely be unable to withstand the next two Divine Thunders," Ksitigarbha Immortal Emperor shook his head and said.

"Indeed, very difficult to resist, even with Shendang Mountain's foundation, it might only allow him to pass the fifth Divine Thunder, but not the sixth," Yaochi Immortal King said.

Other Immortal Emperor experts nodded in agreement.

At this moment, Xu Nian furrowed his brows to the extreme.

Could Fuhua Immortal Emperor truly die under this Divine Tribulation?

"Haha, I, Fuhua, die with a purpose, let the Heavenly Dao come," Fuhua Immortal Emperor consumed a Divine Pill, absorbed another drop of Divine Power Liquid, and shouted towards the Heavenly Dome.

It seemed as if the Heavenly Dao understood Fuhua's provocation and immediately descended the fifth Divine Thunder.

"Boom!"

The terrifying lightning crashed down like a waterfall.

The terrifying degree of this Divine Thunder was as thick as a barrel.

The surrounding people were dumbfounded.

Such terrifying Divine Thunder, can it really be withstood by humans?

The Divine World is terrifying to this extent?

In Fuhua Immortal Emperor's eyes, there was not the slightest trace of fear, instead, a demeanor of facing death with equanimity.

"I've lived for 900,000 years, and I've lived enough, I want to see how this Divine Thunder can kill me," Fuhua Immortal Emperor shouted.

Once again, a mirror in his hand.

The Kunlun Mirror!

A Top-Grade Divine Artifact!

Fuhua Immortal Emperor activated the Divine Mirror, which exploded with incredibly brilliant golden light, directly impacting the barrel-thick Divine Thunder.

"Boom!"

Golden light and Divine Thunder collided.

Instantly forming two distinct streams of energy in the air.

Everyone gasped in astonishment.

This is the true power of the Divine Tribulation?

So terrifying!

Xu Nian was also stunned.

The Sixth Level Divine Tribulation is already so terrifying, face a Ninth Level one in the future, wouldn't it mean only seeking death?

For a moment, Xu Nian's mind was extremely heavy.

Luo Bing's expression was not good either.

Now Xu Nian finally somewhat understood why Shangguan Yao never again had the thought of becoming a god independently after witnessing a Divine Tribulation once.

The terror of this Divine Tribulation truly easily destroys one's Tao Heart.

In the face of such terrifying power, even with cultivation to the peak, it's futile.

Even ending up with a miserable death.

"Boom!"

Ultimately, the golden light failed to withstand.

The Divine Thunder crashed down.

Once again smashing Fuhua Immortal Emperor onto the ground.

The thunder dissipated.

Fuhua Immortal Emperor's entire body was already bloody.

Though not dead, his entire right arm had completely vanished.

The divine power and mixed element immortal power within him were entirely gone.

And the damage caused by this Divine Thunder, the Divine Pill was no longer able to mend.

This final Divine Tribulation, Fuhua Immortal Emperor was destined not to pass.

Li Xiuyuan clenched his fists, his eyes bloodshot.

The whole person was already sobbing uncontrollably.

The surrounding disciples of Shendang Mountain all fell silent.

This moment was unacceptable for them.

Their top person in Shendang Mountain, the first in the Immortal Realm.

To actually be battered by the Divine Tribulation into such a state, the blow was indeed too great for them.

Those Immortal Emperor experts also shook their heads, sighing.

The Sixth Level Divine Tribulation, no one in the Immortal Realm has been able to pass it yet.

Too difficult!

"Haha, I, Fuhua Immortal Emperor have no regrets, able to die under the Sixth Level Divine Tribulation, I, Fuhua Immortal Emperor die with a purpose," Fuhua Immortal Emperor laughed heartily.

His laughter echoed through the eight wildernesses.

Disciples of Shendang Mountain each showed reverence.

Fuhua Immortal Emperor faced with death, could be so open-minded.

Whether in strength or Heart Realm, he is a person worthy of their respect.

"Fuhua Immortal Emperor, farewell!"

Someone unknown first shouted out this sentence.

Other disciples of Shendang Mountain followed suit in harmony.

Their voices resounding through the skies.

"Haha!" Fuhua Immortal Emperor laughed heartily.

Finally, the sixth Divine Thunder descended.

This Divine Thunder wasn't large, only finger-thick.

But the energy contained within it was far beyond the combined strength of the previous five bolts.

"Boom!"

Divine Thunder crashed down.

Fuhua Immortal Emperor instantly turned into ashes.

Everyone saw this scene, their spirits utterly sank.

Indeed, there was ultimately no miracle.

The surroundings fell into silence.

Taichu Immortal Emperor stood still, long without movement.

Xu Nian's heart was also filled with sorrow.

Together with Luo Bing, they deeply bowed towards the place where Fuhua Immortal Emperor dissipated.

A generation of unparalleled Immortal Emperor, unexpectedly died under the Divine Tribulation.

Many Immortal Emperor experts shook their heads.

Sighing, then instantly teleporting away.

Though such a result was long foreseen by them, it ultimately remained unacceptable.

"Haha, what bullshit God-Emperor ranking first, even invited so many people to watch the Tribulation Crossing, yet unexpectedly fell to a miserable end, isn't this disgraceful?"

While everyone was immersed in sorrow.

A disdainful voice rang out.

Only to see a young man of Quasi-Immortal Emperor Level looking at the place where Fuhua Immortal Emperor dissipated, saying with contempt.

As these words came out, instantly turning the anger of all Shendang Mountain disciples afire.

Xu Nian's eyes instantly turned icy, looking at this young disciple with eyes full of extreme anger.

Behind the young man were three Immortal Emperor Level experts.

An early-stage Immortal Emperor, a late-stage Immortal Emperor, and a peak Immortal Emperor.

"You are not allowed to insult Master Fuhua!" A disciple of Fuhua Immortal Emperor immediately erupted, slashing directly towards that youth with a sword.

"Hmph!" Only to see the early-stage Immortal Emperor expert behind the youth immediately slashed out with a palm.

Directly sending that disciple of Fuhua Immortal Emperor flying.

This move immediately enraged the entire Shendang Mountain.

Xu Nian's eyes became extremely cold.

Such an arrogant fellow.

Do they think Shendang Mountain, with Fuhua Immortal Emperor gone, is easily bullied?

"He is the Young Sect Master of Divine Hidden Sect, this sect is the oldest and most mysterious among all the hidden forces, it is said that Divine Hidden Sect's strength is not below the Nine Great Forces," Shangguan Yao said beside Xu Nian.

Divine Hidden Sect?

It was the first time he heard of this force.

"No matter what force he belongs to, he must die," Xu Nian said angrily.

After speaking, he directly slashed a sword towards the early-stage Immortal Emperor expert in the sky.

This sword was astonishing.

That early-stage Immortal Emperor expert was caught in panic, wanting to block.

"Ah!"

However, this sword was too terrifying, directly turning him into ashes.

That Young Sect Master of Divine Hidden Sect immediately looked at Xu Nian with fierce eyes.

The surrounding disciples of Shendang Mountain all felt relieved.

Chapter 1686: Taichu Immortal Emperor

"Such a powerful sword strike."

The surrounding crowd was in awe.

No one expected Xu Nian's sword strike to be so formidable.

Even many remaining Peak Immortal Emperor powerhouses revealed expressions of astonishment.

This sword strike, even a Mid or Late-stage Immortal Emperor powerhouse wouldn't dare to easily disregard it.

The Young Sect Master of the Divine Hidden Sect looked sharply, his eyes filled with intense killing intent as he glanced at Xu Nian.

"You dare to kill my people?" the Young Sect Master of the Divine Hidden Sect said coldly.

"He injured my Shendang Mountain disciples on my Shendang Mountain's turf, why wouldn't I dare to kill him?" Xu Nian snorted coldly.

Facing this Young Sect Master of the Divine Hidden Sect, Xu Nian showed no sign of fear.

"Yes, dare to harm my Shendang Mountain disciples, they must die!" The disciples of Shendang Mountain shouted indignantly.

The Fuhua Immortal Emperor had just disappeared, yet this Divine Hidden Sect dared to defecate on their heads.

It's truly as if they don't regard Shendang Mountain at all.

When Fuhua Immortal Emperor was around, when had Shendang Mountain ever suffered such humiliation?

"Hmph, so what if your Shendang Mountain disciples are injured? Do you really think your Shendang Mountain is the number one force in the Immortal Realm? It seems our Divine Hidden Sect has been in seclusion for too long. When the tiger is away, the monkeys assume dominance. Today, I will make you realize that our Divine Hidden Sect is the number one force in the Immortal Realm," the Young Sect Master of the Divine Hidden Sect snorted coldly.

In the next moment, he immediately signaled with a glance to the Late-stage Immortal Emperor powerhouse behind him.

The Late-stage Immortal Emperor powerhouse instantly understood the intention of the Young Sect Master of the Divine Hidden Sect.

With a cold gaze, he appeared above Xu Nian.

He struck his palm towards Xu Nian.

The palm was infused with powerful Power of Laws, having already reached the Third Level Law Mastery Realm.

Behind him were three Law Discs.

The power of this palm strike was absolutely immense.

The surrounding disciples of Shendang Mountain showed expressions of concern.

After all, Xu Nian was only a Quasi-Immortal Emperor Level powerhouse, and the attack from this Late-stage Immortal Emperor powerhouse would be impossible to withstand.

Shangguan Yao and others' expressions were also solemn.

However, Xu Nian's eyes showed no fluctuations.

Facing this terrifying palm strike, his eyes were filled with an overwhelming Sword Intent.

"Today, I'll show you that my Shendang Mountain isn't yours to humiliate," Xu Nian snorted coldly.

The God Sword in his hand emitted an extreme tremor.

A vast and mighty azure-gold power instantly enveloped the entire God Sword.

The powerful Cosmic Sword Intent enhancement caused the sword in Xu Nian's hands to erupt with a heart-wrenching energy fluctuation.

"Slash!"

Xu Nian slashed with his sword.

The azure-gold mysterious power instantly transformed into an incredibly terrifying Sword Radiance.

This sword's power was in no way inferior to the palm strike of that Late-stage Immortal Emperor powerhouse.

"Boom!"

The azure-gold Sword Radiance instantly shattered the Law Handprint and then blasted onto the Late-stage Immortal Emperor powerhouse.

"Pfft!"

The Late-stage Immortal Emperor powerhouse was immediately knocked back, spewing blood.

He was blown back three thousand zhang before stabilizing his posture.

"What?" The crowd all showed expressions of extreme astonishment.

A Quasi-Immortal Emperor, with a single sword strike, injured a Late-stage Immortal Emperor powerhouse?

How is this possible?

The Young Sect Master of the Divine Hidden Sect's expression also changed dramatically.

Shangguan Yao and others were even more astounded.

They knew Xu Nian was powerful, but they didn't expect Xu Nian to be this powerful.

Even the always silent Taichu Immortal Emperor showed a surprised expression in his eyes.

Xu Nian stood with his sword, his gaze looking over the whole world.

The azure-gold power was the mysterious power born from his Chaos Green Lotus.

Originally, in the Immortal Sovereign period, this azure-gold power was already very strong.

Now that Immortal Essence had evolved into Mixed Element Immortal Power, this azure-gold power had undergone a significant sublimation.

It's an incomparably powerful force, akin to Divine Power.

Combined with the powerful Cosmic Sword Intent, it was only natural that the Late-stage Immortal Emperor powerhouse was severely injured.

Of course, the previous sword strike had already drained all the azure-gold power within him, and generating this power again would take at least ten days of accumulation.

So he couldn't continuously unleash such a terrifying strike.

"So strong, it's my first time knowing a Quasi-Immortal Emperor could be this strong."

"Yeah, is this the strength of Junior Brother Xu Nian, no, Senior Brother Xu Nian?"

"Senior Brother Xu Nian is so awesome, I'm going crazy, if only I could marry him, I want to bear his children."

Those Shendang Mountain disciples exclaimed one by one with excitement.

The female disciples were even nearly screaming in frenzy.

Xu Nian was not only tremendously powerful but also incredibly domineering.

In their hearts, he was undoubtedly the number one person among the young generation of Shendang Mountain.

At this moment, Shangguan Yao was also more surprised than ever.

At this moment, Xu Nian was filled with boundless charm.

How could there be such a man in the world?

Luo Bing also felt immensely proud, gazing at her spirited husband, her eyes full of admiration.

However, in the sky, the Young Sect Master of the Divine Hidden Sect was indeed extremely angry.

When had he, as the Young Sect Master of the Divine Hidden Sect, ever suffered such humiliation?

"Kill him for me, he must die today," the Young Sect Master of the Divine Hidden Sect roared in anger.

"Yes!" The Peak Immortal Emperor powerhouse immediately responded.

In the next moment, he took a step forward and instantly appeared in front of Xu Nian.

The surrounding people's expressions all changed.

"Despicable!"

A Peak Immortal Emperor powerhouse actually attacking a junior at the Quasi-Immortal Emperor Level.

If this isn't despicable, then what is?

However, that Peak Immortal Emperor powerhouse didn't have any intention of ceasing his attack and punched towards Xu Nian.

The fist contained a complete Five-level Law Great Success Realm.

Which meant a fiftyfold explosion of the Power of Laws.

With one punch down, let alone a Quasi-Immortal Emperor.

Even a Late-stage Immortal Emperor powerhouse would undoubtedly die.

Xu Nian's expression also changed.

This punch gave him an extremely strong sense of pressure.

This pressure felt as if ten thousand great mountains were crashing down upon him.

If this punch landed on him, even if his physical body was strong, it would still injure him.

From afar, the Young Sect Master of the Divine Hidden Sect's eyes showed a sneering expression.

"Dare to hurt my people, I'll show you, before me, the Young Sect Master of the Divine Hidden Sect, you're just an ant," the Young Sect Master of the Divine Hidden Sect said with a cold laugh.

But just when everyone thought Xu Nian would be injured by this punch.

A figure suddenly appeared in front of Xu Nian.

Striking with a palm.

Acting after but arriving first.

Directly striking the chest of that Peak Immortal Emperor powerhouse.

In the next moment, the Peak Immortal Emperor powerhouse instantly exploded into a mist of blood.

"Taichu Immortal Emperor?"

Everyone showed surprised expressions.

The disciples of Shendang Mountain were also dumbfounded, followed by a burst of ecstatic joy.

That's right, Taichu Immortal Emperor has made a move!

"Master?"

Xu Nian was also somewhat surprised.

He didn't expect Taichu Immortal Emperor to make a move at this moment.

Nor did he expect his Master to be so powerful.

With a single palm, he reduced an equally Peak Immortal Emperor powerhouse to dust.

The Young Sect Master of the Divine Hidden Sect's expression changed dramatically.

Looking at Taichu Immortal Emperor, his eyes were filled with an icy coldness.

"No outsider can bully my Shendang Mountain disciples, especially not the disciples of mine, Taichu!"

Taichu Immortal Emperor spoke, his tone calm but filled with an infinite domineering aura.

Chapter 1687: The Power of the Taichu Immortal Emperor

The words of Taichu Immortal Emperor echoed throughout the Immortal Domain of Shendang Mountain.

As he spoke, a terrifying sense of oppression pressed fiercely towards the Young Sect Master of Divine Hidden Sect.

"Boom!"

The Young Sect Master of Divine Hidden Sect was instantly crushed by a dreadful force from above, directly slamming heavily onto the ground.

No matter how he struggled, he could not rise.

"Good!"

The disciples of Shendang Mountain clapped and cheered.

Feeling extremely satisfied.

Do they really think Shendang Mountain is easy to bully?

Do they really think that without Fuhua Immortal Emperor, Shendang Mountain is a soft target?

All around, those Immortal Emperor Level experts were also astonished.

Indeed, Taichu Immortal Emperor is still very strong; even without Fuhua Immortal Emperor, Taichu can support all of Shendang Mountain.

Of course, the Divine Hidden Sect is still very strong. If experts from Divine Hidden Sect truly intervened, Shendang Mountain without Fuhua Immortal Emperor probably wouldn't be able to withstand.

"Taichu, are you seeking death? If you dare touch a hair on me, just wait for Shendang Mountain to disappear. Don't fear, I'll tell you frankly, our Divine Hidden Sect has no less than four Immortal Emperor Perfection Realm experts; to flatten your Shendang Mountain is an easy feat." The Young Sect Master of Divine Hidden Sect remained extremely arrogant.

In his view, Taichu Immortal Emperor dared not touch him at all.

The surrounding Immortal Emperor experts also revealed looks of surprise.

Four Immortal Emperor Perfection experts?

The so-called Immortal Emperor Perfection.

Means that laws, soul, and cultivation are all at the Perfect Level, known as Immortal Emperor Perfection.

And reaching Immortal Emperor Perfection means one can cross the Divine Tribulation at any time.

The Nine Great Forces may have no more than one Immortal Emperor Perfection Level expert.

Currently, Fuhua Immortal Emperor from Shendang Mountain has already perished under the Divine Tribulation.

Shendang Mountain probably has only one Immortal Emperor Perfection Level expert left, and that is Taichu.

The key is Taichu's strength is still below Fuhua Immortal Emperor.

It's known that the strength gap at the Immortal Emperor Perfection Level isn't too great.

So how can Taichu alone possibly withstand the entire Divine Hidden Sect?

If Taichu really killed the Young Sect Master of Divine Hidden Sect, then Shendang Mountain might truly follow him to the grave.

"Four Immortal Emperor Perfections?" Xu Nian was also somewhat surprised.

Although he heard from Shangguan Yao that Divine Hidden Sect is very powerful, he didn't expect it to be so strong.

He couldn't help but look at Taichu Immortal Emperor.

However, Taichu Immortal Emperor's face showed not the slightest ripple.

"Flatten my Shendang Mountain? Very well, I'll see how your Divine Hidden Sect plans to flatten our Shendang Mountain. Summon your people, today I'll let you know whether our Shendang Mountain can occupy the position of the top force in the Immortal Realm!" Taichu Immortal Emperor said coldly.

The next moment, he pointed with a finger.

The pressure on Divine Hidden Sect's Young Sect Master instantly escalated.

"Ah!"

Both the arms and legs of the Young Sect Master of Divine Hidden Sect were crushed, releasing extremely tragic cries.

His eyes were filled with intense fury.

The crowd all around was incredibly shocked.

Taichu plans to challenge Divine Hidden Sect?

Could he really battle Divine Hidden Sect's four Immortal Emperor Perfect Realm experts single-handedly?

"Buzz!"

At this moment, a figure appeared in the Void.

The newcomer was an old man, hair white as snow, eyes bright and spirited.

Immortally noble and dignified, radiating powerful Immortal Emperor might.

Clearly, he was also an expert at the Peak Immortal Emperor Level, and very likely the Immortal Emperor Perfection Level expert mentioned by the Young Sect Master of Divine Hidden Sect.

"Supreme Third Elder." The Young Sect Master of Divine Hidden Sect saw the newcomer and became ecstatic.

The old man appeared, glanced at the Young Sect Master of Divine Hidden Sect, then looked sharply at Taichu.

"Taichu, release my Young Sect Master, don't ruin your Shendang Mountain." The old man immediately said coldly.

His tone carrying a strong sense of threat.

"Ruining my Shendang Mountain? I'm afraid you alone aren't enough." Taichu Immortal Emperor coldly said.

After speaking, a sword appeared in his hand.

He slashed with one sword.

A Sword Radiance flashed instantly and vanished.

The Immortal Emperor Perfection expert was suddenly shocked.

He wanted to fend it off.

But this sword was too terrifying.

"No!"

The old man could only utter a miserable scream before his whole body exploded in the sky.

Everyone nearby was petrified.

What happened?

An Immortal Emperor Perfection Level expert was actually slain by one sword?

How is this possible?

Those Immortal Emperor experts also widened their eyes, faces showing complete horror.

That sword just now contained extremely terrifying energy.

The Young Sect Master of Divine Hidden Sect was completely at a loss.

Supreme Third Elder was actually slain by one sword?

Xu Nian was also astonished, not expecting Taichu Immortal Emperor to be so strong.

That sword just now probably surpassed Fuhua Immortal Emperor.

At this moment, everyone understood that Taichu Immortal Emperor was the most formidable individual of Shendang Mountain.

"Not enough strength, call more people!" Taichu Immortal Emperor said.

"Ah!"

The body of the Young Sect Master of Divine Hidden Sect was instantly constricted by a force.

In extreme pain, the latter let out a pitiful cry.

"Stop!"

At this moment, a second figure appeared in the Void.

The newcomer was still an old man.

His aura was stronger than that of the previous elder.

"Supreme Grand Elder, save me!" The Young Sect Master of Divine Hidden Sect urgently shouted.

The old man frowned slightly, then looked at Taichu and said, "Taichu, could you give this old man some face, and release my Young Master?"

"Hmph!"

Taichu coldly snorted.

He directly thrust a sword.

Slashing out with one sword, the heavens and earth were torn apart.

Directly slaying this Supreme Grand Elder with one sword.

Blood scattered the Void, turning into a crimson smear.

Everyone was dumbfounded.

Another Immortal Emperor Perfection!

How strong is Taichu Immortal Emperor?

In the distance, Haotian Immortal Emperor, Tianjian Immortal Emperor, and others couldn't help but exclaim.

Those from Ksitigarbha Pond also showed terrified expressions.

Taichu's strength made them feel intense fear.

They originally thought Fuhua Immortal Emperor was the mightiest being of Shendang Mountain; now it seems Taichu is.

The Young Sect Master of Divine Hidden Sect was completely stunned.

At this moment, he felt an extremely despairing sensation within.

"Buzz!"

High above the Heavenly Dome, another figure appeared.

But this time, the newcomer was a middle-aged man.

"Taichu Immortal Emperor, my son was rude, I represent Divine Hidden Sect to apologize to Shendang Mountain." The newcomer was precisely the Sect Master of Divine Hidden Sect.

The surrounding people were taken aback.

Unexpectedly, Divine Hidden Sect's Sect Master came to apologize.

Taichu Immortal Emperor coldly snorted, waved his hand, and the Young Sect Master of Divine Hidden Sect directly turned into mince.

The Sect Master of Divine Hidden Sect saw this, his pupils contracted instantly.

But when he saw Taichu Immortal Emperor's piercing gaze, he dared not utter a word of grievance.

"Your Divine Hidden Sect made a mistake and must pay the price. Have another Immortal Emperor Perfection Level expert guard an entrance to the Sealing God Battlefield for ten thousand years, or I will personally visit your Divine Hidden Sect." Taichu said domineeringly.

The Sect Master of Divine Hidden Sect heard this, frowned, but did not refute: "Fine, thanks to Taichu Immortal Emperor for showing mercy."

After speaking, the Sect Master of Divine Hidden Sect vanished into the void with several corpses.

The entire venue was silent.

Everyone looked at Taichu Immortal Emperor.

At this moment, Taichu Immortal Emperor in their eyes was none other than an unbeatable Sword God.

Xu Nian was also incredibly astonished.

He truly did not expect his master to be so powerful.

Those Immortal Emperor experts were also immensely shocked.

They all knew, Taichu was establishing his authority.

After this battle, Shendang Mountain's position as the number one in the Immortal Realm not only hasn't been shaken but has become even more secure.

Chapter 1688: News of Xu Yu

"Master?"

Xu Nian followed the Taichu Immortal Emperor back to his residence.

At this moment, the people who came to watch the tribulation crossing had mostly left.

The Taichu Immortal Emperor's actions made them truly feel the depth of Shendang Mountain.

Only until now did they understand the Taichu Immortal Emperor's hidden prowess.

"Sit!" The Taichu Immortal Emperor gestured Xu Nian to sit casually.

At this moment, there were only Xu Nian and the Taichu Immortal Emperor in the hall.

Xu Nian sat down, looking at the Taichu Immortal Emperor with a belly full of doubts.

The Taichu Immortal Emperor seemed to see through Xu Nian's thoughts, and with a slight smile said, "Are you wondering why my strength is so formidable?"

"Yes, I didn't expect Master to be so strong, killing two strong ones in the Immortal Emperor Perfection Realm." Xu Nian remarked in surprise.

"This is the idea of the Fuhua Immortal Emperor. Actually, I surpassed him in power as early as thirty thousand years ago, but he thought I should hide a part of my strength to be useful at critical moments." The Taichu Immortal Emperor said.

Xu Nian understood: "So today's events were also Master's deliberate show of power?"

"Killing the chicken to scare the monkey, this is also within the Fuhua Immortal Emperor's anticipation. He thought that whether he succeeded in crossing tribulation or not, someone would jump out, and at this time, demonstrating power can ensure that my Shendang Mountain's position remains secure." The Taichu Immortal Emperor nodded and said.

Xu Nian also nodded in agreement.

Strength is always the priority anywhere.

If you are weak, you will be oppressed.

Killing the chicken to scare the monkey is the most effective method.

Now in the Immortal Realm, probably no one dares to disrespect Shendang Mountain even a little.

"It's just a pity that Fuhua Immortal Emperor ultimately failed to cross his tribulation." A trace of melancholy flashed in the Taichu Immortal Emperor's eyes.

"Indeed, it's too bad." Xu Nian nodded.

The Fuhua Immortal Emperor had imparted the Cosmic Sword Intent to him, which also held a grace of teaching.

This strong Cosmic Sword Intent undoubtedly became a major force for Xu Nian.

"Alright, back to the main business. Do you know why I can easily slay the strong ones in the Immortal Emperor Perfection Realm? While being the same Immortal Emperor Perfection Realm, why is the gap so large?" The Taichu Immortal Emperor smiled.

Xu Nian shook his head.

This is exactly what he wanted to ask.

"Actually it's simple, the essence of the Immortal Emperor Perfection is Soul Perfection, Law Perfection, and Perfect Cultivation these three points. If one point is not achieved, it cannot be counted as Immortal Emperor Perfection. I am stronger than other Immortal Emperor Perfection individuals because of this object." The Taichu Immortal Emperor said.

After speaking, a pyramid-shaped metallic object appeared in his palm.

On it were extremely complex patterns, containing an incredibly terrifying power.

"What's this?" Xu Nian was slightly surprised.

This does not seem to be a Divine Artifact, yet the power within is extremely terrifying.

"This is an Ancient Divine Artifact containing Ancient Divine Power, containing the Blood Power and mysterious power of the Ancient God. I obtained it once at a god burial site, later gradually mastering this strength, achieving such terrifying battle strength." The Taichu Immortal Emperor said.

Xu Nian understood.

So it was the Ancient Divine Power.

No wonder the Taichu Immortal Emperor could be so strong.

"Then with this Ancient Divine Power, Master, can you easily pass tribulation crossing?" Xu Nian curiously asked.

"Not necessarily. You have seen the power of the Divine Tribulation, very strong. Actually, you may not know yet, the truly terrifying thing is the Sixth Level Divine Tribulation. This Sixth Level Divine Tribulation not only has strong power but also contains soul attack. So I don't have enough confidence to pass the tribulation, and my Heavenly Tribulation is at least Sixth Level." The Taichu Immortal Emperor said.

Xu Nian nodded.

The Fuhua Immortal Emperor was already Sixth Level Divine Tribulation, and the Taichu Immortal Emperor is at least Sixth Level Divine Tribulation.

"Previously I sealed your cultivation, letting you undergo heart refinement, seems you've succeeded well." The Taichu Immortal Emperor said.

Xu Nian smiled, indeed well enough.

However, more credit goes to the Spirit Clan's Awakening Pool.

Otherwise, he wouldn't have broken through so much.

"Huh?"

Suddenly, Xu Nian received a message via the Communication Immortal Talisman.

When Xu Nian saw this message, a strong wave of anger instantly surged in his eyes.

Xu Nian clenched his fists, eyes full of killing intent.

"What's wrong?" The Taichu Immortal Emperor asked in surprise.

"Master, do you know of Heavenly Dragon Divine Mountain?" Xu Nian asked.

"I know, Heavenly Dragon Divine Mountain is famously home to the Heavenly Dragon Divine Prison, the most mysterious forbidden place of the Demon Holy Temple. Why do you suddenly ask about this?" The Taichu Immortal Emperor asked in surprise.

"I have a brother from the Demon Clan who grew up with me in the Mortal World, he was imprisoned in the Heavenly Dragon Divine Mountain. I plan to go to the Demon Clan to rescue him." Xu Nian said determinedly.

Just now, Xuan Yuu sent him a message.

He found Xu Yu's whereabouts.

However, the result was that Xu Yu had already been imprisoned in the Heavenly Dragon Divine Mountain.

As for Bull Demon King and Ice Blue, there is no news for the time being.

Upon hearing that Xu Yu was imprisoned, Xu Nian thought of going to the Demon Realm.

According to Xuan Yuu, anyone imprisoned in Heavenly Dragon Divine Mountain cannot hope to ever come out, and will suffer endless torture.

How could Xu Nian endure this?

Thinking more, Xu Nian's heart surged with overwhelming killing intent.

"Calm down first, Heavenly Dragon Divine Mountain is extremely dangerous. If you really want to go, you must be prepared for a perilous journey of nine deaths and one life, and your immortal identity makes it difficult to enter the Demon Realm." The Taichu Immortal Emperor said.

"Even if it's nine deaths and one life, I must go. Xu Yu is my brother, I can't just watch him suffer, as for your immortal identity, Master need not worry, I have a way." Xu Nian said, with that his figure changed.

His body directly switched into the Nine-Headed Snake Emperor Avatar.

"Oh, Nine-Headed Snake Emperor? You have acquired another avatar?" The Taichu Immortal Emperor had a look of surprise on his face.

Unexpectedly, Xu Nian had this kind of avatar.

With this Nine-Headed Snake Emperor Avatar, walking in the Demon Realm will be much more convenient.

Of course, Xu Nian's Undying Devouring Sky Beast could also do this, but the Undying Devouring Sky Beast is too eye-catching.

"Since you decide to go, take this object with you. You can use it to find the Lion-man Clan. I have a great favor with them, and I believe with this token you should be able to mobilize them." The Taichu Immortal Emperor said.

With that, he handed Xu Nian a token.

"Alright, thank you, Master!" Xu Nian nodded.

Having a force in the Demon Realm to assist, it's more advantageous than wandering aimlessly like a headless fly.

"Go, and be careful." The Taichu Immortal Emperor said.

"Master, please keep this Top-Grade Divine Sword?" Xu Nian said.

However, the Taichu Immortal Emperor shook his head: "No need, I have a Top-Grade Divine Sword and my sword artifact spirit has already formed a spiritual bond with me, other swords are not suitable for me."

"Then take care, Master." Xu Nian nodded.

After saying that, he bowed deeply to the Taichu Immortal Emperor.

He doesn't know if he can make it back for the Taichu Immortal Emperor's Divine Tribulation in seven years.

So he felt a bit unwilling.

"Go." The Taichu Immortal Emperor smiled.

Xu Nian nodded heavily, then exited the Divine Hall.

Chapter 1689: Lioness

"Husband, shall I go with you to the Demon Realm?" Luo Bing said.

"No way, if I go to the Demon Realm, staying by my side wouldn't be safe for you. Besides, if you stay in the Chaos Divine Palace, it won't be conducive to your insight cultivation," Xu Nian firmly refused.

"But..." Luo Bing still wanted to say something.

"You should stay at Shendang Mountain, I've already discussed with Master, nobody will disturb you there. Be good, wait for me to come back," Xu Nian comforted.

He knew Luo Bing was worried about his safety, which was why she wanted to go along.

But having Luo Bing by his side was really dangerous.

"Alright, I'll wait for you at Shendang Mountain," Luo Bing nodded.

Xu Nian embraced Luo Bing briefly and then instantly teleported away.

Luo Bing watched the spot where Xu Nian disappeared, a touch of loneliness flashed in her eyes.

However, soon a strong fighting spirit burst from her gaze.

She didn't want to be a burden.

She wanted to always be beside Xu Nian, to stand shoulder-to-shoulder with him, so she had to strive to improve her cultivation.

Without hesitation, Luo Bing returned to her place and began her secluded cultivation.

She set a goal for herself to break through to the Immortal Emperor Realm before Xu Nian's return.

...

As Luo Bing went into seclusion, Xu Nian instantly teleported to the entrance of the Sealing God Battlefield at Shendang Mountain.

The elder still sat cross-legged in front of that enormous Heavenly Gate.

As Xu Nian appeared, the elder slowly opened his eyes.

"Huh, just you?" The elder's face revealed a hint of surprise.

"Yes, just me. Greetings, Senior Shou Shan," Xu Nian respectfully said.

He could sense that this elder was also a strong figure at the Immortal Emperor Perfection Level.

His prowess should be unfathomable, perhaps even above Fuhua Immortal Emperor.

"Not bad, improving your strength so much in just a few years," Shou Shan Immortal Emperor slightly smiled, showing an expression of admiration.

Xu Nian also felt good about this Shou Shan Immortal Emperor.

He felt a sense of kindness from the elder.

"Senior, I want to enter the Sealing God Battlefield," Xu Nian said.

"Alright, I'll open the gate for you, but there hasn't been any news of a Divine Tomb opening recently. What do you plan to do by entering the Sealing God Battlefield now?" Shou Shan Immortal Emperor smiled, while activating the formation to open the gate.

"I'm planning to go to the Demon Realm," Xu Nian answered truthfully.

"To the Demon Realm?" The elder looked shocked.

"Yes, to the Demon Realm. I have a brother imprisoned in the Heavenly Dragon Divine Prison, I plan to rescue him," Xu Nian solemnly said.

He didn't hide it from the elder.

"The Heavenly Dragon Divine Prison, you know it's very dangerous there. Rescuing someone is almost impossible," the elder shook his head repeatedly.

"I must go," Xu Nian said.

Xu Yu grew up under his watch, he could say Xu Yu was like a brother.

So now that Xu Yu was imprisoned, he couldn't just ignore it.

"Since you're determined to go, I won't dissuade you. Be very careful," the elder said.

After saying this, he activated the formation to open the entrance to the Sealing God Battlefield.

Xu Nian bowed to the elder and then resolutely entered the Sealing God Battlefield.

"Young lad, full of loyalty and courage. I hope you come back alive," the elder sighed softly.

After speaking, he continued to sit cross-legged.

Xu Nian's figure immediately appeared within the Sealing God Battlefield.

This time, Xu Nian didn't choose to enter the city but instead grabbed the map given by Taichu Immortal Emperor and hastily headed towards the entry-level direction of the Demon Realm.

Due to the strong gravity of the Sealing God Battlefield, coupled with its stable space, Xu Nian couldn't teleport.

However, his mixed element immortal power was extremely abundant, maintaining flying was not difficult.

Therefore, Xu Nian's speed wasn't slow, nearly covering over ten thousand miles in a day.

Yet as Xu Nian traveled through an ancient dense forest, a feather arrow transformed into a swift stream of light, shooting towards him violently.

This arrow was imbued with a strong wind attribute Gale Blade law.

A full seven law chains, meaning the power of this arrow had reached the Seven Laws Order Realm.

The arrow was so fast that even Xu Nian couldn't dodge it.

Xu Nian's eyes narrowed, watching the arrow shoot towards him.

Suddenly struck with a punch.

"Boom!"

Heaven collapsed and earth cracked.

This was a low-grade Divine Arrow, which, under Xu Nian's punch, instantly shattered.

Terrorizing energy storm formed a powerful impact, shaking the entire forest.

"Who?"

Xu Nian's voice coldly snapped.

His eyes sharply looked in a direction.

A hundred miles ahead stood a young-looking woman at the moment.

The woman held a Divine Bow, her eyes stunned as she looked at Xu Nian.

Clearly, she hadn't expected Xu Nian to explode her arrow with a single punch.

Xu Nian discerned that the woman's cultivation had reached the Quasi-Immortal Emperor Realm.

"Why did you attack me?" Xu Nian asked the woman.

The woman glanced at Xu Nian, said nothing, and immediately transformed into a shadow disappearing from the original spot.

Escaped?

Xu Nian frowned.

He didn't chase but chose to continue his journey.

For him, heading to the Demon Realm as soon as possible was most important.

However, before he'd traveled far, another swift Divine Arrow shot towards him.

This time, Xu Nian was truly incensed.

Xu Nian directly grabbed the Divine Arrow and then threw it towards the woman who shot it.

As Xu Nian released it, this arrow burst with extremely strong Cosmic Sword Intent.

Though slower than the woman's arrow, the energy contained in it was exceptionally terrifying.

The woman's face changed, pulling out a shield to block the arrow.

"Clang!"

The arrow struck the shield, producing a booming sound like a great bell and drum.

Cosmic Sword Intent exploded, the power instantly surged to its peak.

The woman's shield shattered instantly.

The arrow pierced through her chest.

"Puff!"

Blood burst forth.

The woman's figure flew backward, severely injured.

Xu Nian strode through the air, and within two steps, reached the woman's face.

He looked down at the injured woman from above.

Discovering she was not from the Immortal Realm, but a woman from the Demon Realm.

The woman's appearance was decent, not strikingly beautiful, but she exuded a wild temperament.

"Why did you want to kill me?" Xu Nian asked.

"People of the Immortal Realm deserve death!" The woman seemed to understand she wasn't Xu Nian's match, already determined to die.

Her eyes were filled with intense malice as she looked at Xu Nian.

Xu Nian frowned, realizing he didn't even know this woman.

"Why do you hold such hostility against Immortal Realm disciples?" Xu Nian asked.

"Hmph, people of the Immortal Realm killed my tribe and destroyed my Lion-man Clan, I kill every one I see," the woman snorted coldly, her eyes resolute.

"Lion-man Clan?" Xu Nian was a bit surprised.

Immediately took out the token given by Taichu Immortal Emperor: "Do you recognize this?"

"Huh? Benefactor's token?" The woman saw the token and immediately showed a look of surprise.

Hearing this, Xu Nian laughed.

It seems what Master said was true, and this woman was indeed from the Lion-man Clan.

Mother lion?

Chapter 1690: The Enigmatic Qiushui

Xu Nian did not expect that he hadn't even gone to the Demon Realm.

Hadn't gone to find the Lion-man Clan, but instead was being pursued by the Lion-man Clan.

It truly is fate playing tricks.

"How can the Token of my benefactor be with you?" The woman looked coldly at Xu Nian, then seemingly realized something, her gaze fierce as she looked at Xu Nian.

"Did you kill my benefactor? I'll fight you to the death." The woman immediately got up to fight Xu Nian.

Xu Nian instantly kicked her flying, looking speechless.

The woman collided with a large tree, instantly causing the tree with a diameter of a hundred meters to collapse.

This woman isn't just normally dumb.

"I'll fight you to the death." The woman directly pulled out the Divine Arrow from her chest, charging towards Xu Nian.

"Enough!"

Xu Nian coldly snorted.

At once, he formed a sword with his fingers, gathering a terrifying Sword Qi.

The Sword Qi instantly pointed at the woman's forehead.

The woman immediately stopped.

Because as soon as she moved further, Xu Nian's Sword Qi would pierce through her head.

"If it weren't for the fact that you're from the Lion-man Clan, you would be a dead person by now," Xu Nian coldly snorted and said.

"Did you kill my benefactor?" The woman still asked coldly.

Xu Nian was somewhat speechless: "This Token was given to me by my Master. Your benefactor is my Master."

"Did you kill your Master?" The woman immediately asked.

Xu Nian's face turned black instantly.

What kind of logic does this lioness have?

With such intelligence, no wonder she's out killing people.

"I didn't kill my Master. It was my Master who gave me the Token and asked me to seek help from your Lion-man Clan." Xu Nian explained helplessly.

He now suspected whether his Master did this on purpose.

Letting him seek help from the Lion-man Clan, could it be really useful?

"You should have said so earlier, since you're the disciple of my benefactor, why did you hit me?" The woman immediately questioned.

Xu Nian was full of black lines.

He felt like he shouldn't have spared this person.

"You clearly intended to kill me; I merely defended myself." Xu Nian said.

"I see you're from the Immortal Realm; everyone from the Immortal Realm should be killed." The woman said viciously.

"Then my Master is also from the Immortal Realm. Would you kill him?" Xu Nian asked.

The woman scratched her head: "Benefactor is different. Since you're benefactor's disciple, you're the benefactor of our Lion-man Clan."

"Benefactor, please forgive my earlier discourtesy." The woman immediately knelt before Xu Nian.

Xu Nian helplessly used a force to lift the woman.

"Tell me, what's going on, why do you hate the people of the Immortal Realm so much?" Xu Nian asked curiously.

The woman's face instantly filled with anger upon hearing this.

"Our Lion-man Clan originally lived in the Demon Realm, living peacefully, but unexpectedly, we were attacked by the Ba Snake Clan. Our clan could not resist the Ba Snake Clan and were forced to become slaves of the Ba Snake Clan, and the Ba Snake Clan ordered us to search for the Divine Vein in this Sealing God Battlefield. Unexpectedly, my clan and I were assassinated by a group of Immortal Realm people, and all sixteen of my clansmen were killed by those Immortal Realm people, and I survived only by luck. So I swore to kill every one of those Immortal Realm people." The woman coldly snorted and said.

Xu Nian understood.

The Lion-man Clan was forced by the Ba Snake Clan to search for the Divine Vein in the Sealing God Battlefield.

But ended up being slaughtered by the people of the Immortal Realm.

So this lioness developed strong hatred towards the Immortal Realm people.

"Do you remember what that group of people looked like, or what clothing they wore?" Xu Nian asked curiously.

"They were wearing blue clothes with a golden cloud on them." The woman said coldly.

"Fuyao Sect?" Xu Nian immediately judged that these people were from the Fuyao Sect.

Because only the people of Fuyao Sect wear this golden cloud attire.

"Why did they hunt you down?" Xu Nian asked curiously.

"Because we found the Divine Vein, they not only plundered our Divine Vein but also killed my clansmen. If we can't retrieve the Divine Vein, our clansmen in the Demon Realm will all die." The woman was full of unwillingness and anger.

"Then you should hate the Ba Snake Clan." Xu Nian said.

"The Ba Snake Clan is also hateful, but the people of the Immortal Realm are more hateful. They first tricked us, saying they would help us deal with the Ba Snake Clan, but unexpectedly, after finding the Divine Vein, they decided to utterly eradicate us." The woman said.

Xu Nian now totally understood.

The people of Fuyao Sect deceived them, so they hated the people of Fuyao Sect even more.

"What exactly is this Divine Vein?" Xu Nian asked curiously.

"It's the Divine Spirit Stone Vein." The woman said.

"Divine Spirit Stone Vein?" Xu Nian was instantly shocked.

Divine Spirit Stones are an extremely precious vein in the Divine World.

Just like the Immortal Spirit Stone, they are stones that contain extremely pure power.

Only the Divine Spirit Stone contains Divine Essence rather than Immortal Essence.

This Divine Essence can be directly absorbed and converted into Divine Power.

Xu Nian did not expect that they would actually discover a Divine Spirit Stone Vein.

"How large is this Divine Spirit Stone Vein?" Xu Nian asked.

"About ten kilometers long." The woman replied.

Ten kilometers?

That should be a small vein.

However, even a small vein of Divine Spirit Stone can yield a lot of Divine Spirit Stones.

"Do you know how many people came from Fuyao Sect and what their strength is?" Xu Nian asked.

"A total of eight people, among them, four are at Emperor Level, two early-stage Immortal Emperors, one mid-stage Immortal Emperor, and one late-stage Immortal Emperor." The woman said.

"Late-stage Immortal Emperor?" Xu Nian showed a contemplative look.

If it's just these people, he might be able to give it a try.

After all, the Divine Spirit Stone Vein is something extremely rare.

With these Divine Spirit Stone Veins, his Heavenly Court could definitely grow stronger.

"What's your name?" Xu Nian asked.

"Qiushui!" The woman replied.

"Qiushui? This name doesn't match your temperament at all." Xu Nian couldn't help but laugh.

Qiushui was not angry at all: "I'm called Qiushui, my mother gave me the name."

Xu Nian helplessly thought, how did this person cultivate to the Law Order Seventh Level Realm?

"Qiushui, do you want to avenge your clansmen?" Xu Nian asked.

"I do! Can you help me? But your strength is inadequate; you'll get killed if you go." Qiushui glanced at Xu Nian and said.

Xu Nian was a bit speechless.

This Qiushui really doesn't know how to speak.

"I can help you, I can not only help you kill those Immortal Realm people who killed your clansmen, but I can also help free your clansmen from the Ba Snake Clan's grasp." Xu Nian said.

"Can you really? If you can truly do it, I'll marry you." Qiushui quickly said.

"No need, really no need." Xu Nian shook his head repeatedly, feeling cold sweat all over.

This Qiushui not only lacks intelligence but seems to have mysterious confidence.

"Alright, if you can help me avenge and save my clansmen, I can tell you a secret." Qiushui suddenly said seriously.

"What secret?" Xu Nian asked curiously.

"A secret about the Ba Snake Clan." Qiushui said.
