

Divine King 1771

Chapter 1771: Xu Nian's Power

In the midst of everyone, there appeared a young man dressed in golden clothes, his entire body emitting a golden light.

As soon as he appeared, he unleashed an incomparably terrifying pressure.

This horrifying pressure instantly oppressed everyone present.

Everyone felt a sudden heaviness descend upon their bodies.

A force from the depths of their bloodline violently impacted them.

Everyone around immediately looked our way.

When they saw the young man emitting the terrifying pressure of the Dragon Clan, they were instantly astonished beyond words.

"Succeeded?"

Luo Shang, Luo Blood, and Huo Tianqiu all showed expressions of delight.

Though they deeply hoped Xu Nian would succeed, the Supreme Dragon Clan bloodline was too powerful.

To the point they couldn't imagine if Xu Nian could indeed succeed.

But now seeing that Xu Nian had actually completed the transformation, they could hardly believe it.

After all, how much time has even passed?

As the dragon and Vermilion Bird, White Tiger, Thunder Leopard, and other clan experts saw this scene, they showed expressions of immense surprise.

This guy absorbed the Supreme True Dragon Blood?

"Impossible, absolutely impossible, how could an ant like you be worthy of our Dragon Clan's supreme True Dragon Blood?"

Sikong Bo, who was sent flying by Xu Nian, snarled ferociously.

Xu Nian's ability to refine the Supreme Dragon Blood hurt Sikong Bo more than the punch did.

This was simply trampling on the Dragon Clan's pride.

He absolutely wouldn't allow such a thing to happen.

Absolutely!

"I want you dead!"

Sikong Bo snarled, immediately activating the divine seal on his body.

The next moment, a golden divine seal appeared on him.

As Sikong Bo activated the divine seal, his aura instantly soared.

And then he crazily charged at Xu Nian.

His speed was several times faster than before.

"Die!"

Sikong Bo shouted, activating the golden law, his figure instantly transforming into a giant golden dragon.

The golden dragon surged with an incomparable gold attribute wave.

Its sharp dragon claws were enough to shred everything in the world.

Everyone around showed expressions of immense surprise.

Sikong Bo actually activated the divine seal and transformed into his true form.

This undoubtedly pushed his power to the extreme.

At this moment, the energy on his dragon claw had clearly reached the full-strength level of a Demon Emperor Perfection Level expert.

Yet Xu Nian himself saw this scene, and a cold smile tugged at the corner of his mouth.

Lightning fast, he reached out.

His figure remained motionless.

Incredibly, he grabbed Sikong Bo's dragon claw and blocked all the power coming from it.

Yet in the shocked gazes of the crowd, he pulled forcefully.

"Squish!"

Blood splattered.

"Roar!"

Sikong Bo let out an agonizing scream.

Everyone around was instantly stunned.

Ripped apart?

The Ancestor Golden Dragon's claw was actually torn asunder by Xu Nian?

Damn, what kind of terrifying power is this.

To know that the Ancestor Golden Dragon's flesh is the most terrifying among the Dragon Clan.

Yet such a terrifying physique was torn apart by Xu Nian.

This is too terrifying.

"Xu Nian, you dare rip off my dragon claw?" Sikong Bo roared.

His gaze at Xu Nian filled with intense anger.

"Humph, I've torn off more than just your dragon claw." Xu Nian coldly snorted.

Having said this, Xu Nian's figure flickered and appeared by Sikong Bo's dragon tail.

He grabbed the dragon tail, and everyone then saw Xu Nian swing Sikong Bo's dragon tail, slamming his entire body fiercely onto the ground.

The thousand-zhang long body fell like a long whip.

The entire square shattered.

Debris flew, shattering into pieces.

Everyone around showed expressions of immense surprise.

This Xu Nian possesses terrifying strength?

"How dare you..." Sikong Bo was enraged.

At this moment, his entire body was reeling from the pounding.

However, before he could finish speaking, Xu Nian's figure appeared above his head.

Then, he stomped down.

Sikong Bo's entire dragon head was stomped underfoot by Xu Nian.

The square exploded with a boom.

Instantly forming a massive pit nearly ten thousand feet in diameter.

Terrifying energy turned into a boundless storm, sweeping in all directions.

At this moment, everyone was stunned.

This was simply a one-sided massacre.

Having absorbed the Supreme Golden Dragon Blood, Xu Nian was way too strong.

Strong enough to instill fear in everyone present.

"Cough!"

At this moment, Sikong Bo spewed blood wildly from his mouth.

His eyes were full of intense unwillingness and humiliation.

"Roar!"

Sikong Bo roared, trying to raise his head in struggle.

Yet Xu Nian's foot pressed on his head was like being crushed by ten thousand giant mountains.

Rendering him completely immobile.

"Humph, it seems you won't concede!" Xu Nian coldly snorted.

His toe exploded with another terrifying force.

The stomp instantly shattered Sikong Bo's skull.

Instantly causing Sikong Bo's entire head to cave into the pit.

"Let go of our Young Master!"

In the distance, Elder Purple, who was battling Huo Tianqiu, instantly rushed towards Xu Nian to strike.

Xu Nian looked at the charging Dragon Clan Perfect Level expert, a cold smile playing at his lips.

The next moment, the God Sword appeared in his hand.

One slash, and a terrifying Sword Radiance instantly tore through the heavens and earth.

"Cough!"

Before Elder Purple could even get close, Xu Nian's sword cleaved him into two.

Everyone around was dumbfounded.

What a terrifying sword strike.

One sword instantly killed a Demon Emperor Perfection Level Dragon Clan expert.

Is this guy really at the Late-stage Demon Emperor cultivation level?

Indeed, at this moment Xu Nian's true self was at the Late-stage Demon Emperor level, more accurately the late-stage Immortal Emperor.

Yet this sword contained Xu Nian's Chaos Green Lotus' Green Gold Power.

Plus, with the Supreme Dragon Qi compounded by Supreme Sword Intent, this sword was not the least bit weaker than a Law Perfection Level attack.

So Elder Purple being killed in a single strike was certainly expected.

Yet Sikong Bo, pressed under Xu Nian's foot, trembled at this sight, feeling his heart and mind torn apart.

This Xu Nian, could he be so terrifying to this extent?

It wasn't until now he truly felt the approach of death.

"Xu Nian, you truly want to be our Dragon Clan's enemy? Do you know what it means that you killed Elder Purple?" Sikong Bo said immediately.

"I don't know what it means, but I know without killing you, my heart won't find peace." Xu Nian coldly snorted.

Saying this, he thrust the God Sword down.

Sword Qi instantly pierced through Sikong Bo's entire head.

"Roar!"

Sikong Bo let out a heartrending cry, frantically struggling.

Yet Xu Nian directly applied the Heaven Suppressing Seal on the God Sword.

This way, no matter how Sikong Bo struggled, he couldn't break free from the God Sword's restraints.

"Xu Nian, let me go, I'll kill you." Sikong Bo roared in anger.

Yet Xu Nian remained unmoved.

He walked along Sikong Bo's dragon spine.

As he reached Sikong Bo's seven-inch Reversed Scale, Xu Nian's hand instantly entered the half-dragon transformation state.

Yet in the shocked gazes of the crowd, he directly shattered Sikong Bo's Reversed Scale with his bare hands, extracting Sikong Bo's demon embryo.

Shattering the Reversed Scale with bare hands?

Holy crap, Sikong Bo's Reversed Scale was genuinely top-grade Divine Artifact level.

And yet Xu Nian pierced it with bare hands?

Chapter 1772: Slaying the Dragon Clan

Seeing Xu Nian actually extracted Sikong Bo's demon embryo bare-handedly.

Luo Shang, Luo Blood, Huo Tianqiu, and others all showed expressions of extreme surprise.

At this moment, everyone was shocked.

The physical body of the Dragon Clan is incredibly formidable, yet in front of Xu Nian, it seemed as if it were fragile.

"I didn't expect Xu Nian to grow to this extent, the Supreme Dragon Bloodline, too powerful," Luo Shang muttered to herself.

When she first saw Xu Nian, Xu Nian's strength was at most at the Mid-stage Demon Emperor level.

But how much time has passed, and Xu Nian can already easily slay experts at the Demon Emperor Perfection Level.

This terrifying growth speed is simply astonishing.

Huo Tianqiu felt the same way, Xu Nian's rate of growth was the most terrifying she'd seen in her lifetime.

It's hard to imagine how terrifying his strength would be once he reaches the Demon Emperor Perfection Level.

Perhaps each of his three clones could become an existence akin to a supreme overlord.

Of course, Luo Blood felt this the most.

When she met Xu Nian, he hadn't yet ascended.

And in just a short time, Xu Nian has become a top-tier expert in the Three Realms.

She really felt fortunate for choosing to follow Xu Nian.

This kind of man is probably every woman's poison in the world.

"Xu Nian, you can't kill me. If you kill me, my father won't let you off," Sikong Bo's demon embryo was held in Xu Nian's hand.

Life and death hung by a thread, solely in Xu Nian's decision.

However, upon hearing this, Xu Nian sneered relentlessly.

"If I were afraid of your father, I wouldn't have made a move against you," Xu Nian said with a light laugh.

As soon as these words came out, Sikong Bo immediately panicked.

"Xu Nian, as long as you spare me, I'll do anything you ask. I can give you beauties, give you cultivation resources, however much you want, I'll give you as long as you spare me," Sikong Bo hurriedly pleaded.

But the sneer on Xu Nian's face grew stronger.

"Beauties? Cultivation resources? Do you think I'm lacking?" Xu Nian retorted with even more disdain.

Sikong Bo grew desperate.

He doesn't want to die now.

He hasn't become the Dragon Emperor yet, hasn't achieved godhood, how can he die here?

"What exactly do you want? Just say it, and I'll make it happen," Sikong Bo quickly stated.

"I'll give you one chance to live," Xu Nian said.

"Okay, okay, okay, tell me what you want, and I'll definitely give it to you," Sikong Bo's eyes flashed with a glimmer of hope.

As long as Xu Nian still had demands, he had a chance to live.

"If you can get your father to release someone from the Heavenly Dragon Divine Prison, then I'll let you go," Xu Nian replied.

"The Heavenly Dragon Divine Prison?" Sikong Bo's expression changed.

He couldn't believe Xu Nian planned to rescue someone from the Heavenly Dragon Divine Prison.

Is this Xu Nian's objective?

"That's impossible. Even my father can't release anyone from the Heavenly Dragon Divine Prison. Only the Demon Emperor can personally bring someone out," Sikong Bo stated.

Upon hearing this, Xu Nian's eyebrows furrowed instantly.

"Wasn't it said the Dragon Emperor could do it?" Xu Nian hastily asked.

"In the past, the Dragon Clan could, but just recently, a very powerful figure was imprisoned in the Heavenly Dragon Divine Prison. Since then, the Demon Emperor doesn't allow the Three Emperors to interfere with matters of the Heavenly Dragon Divine Mountain," Sikong Bo explained.

"So, you have no value at all?" Xu Nian's eyes narrowed instantly.

It was Sikong Bo who had originally imprisoned Xu Yu in the Heavenly Dragon Divine Mountain.

He had intended to use Sikong Bo and Sikong Wushang in a deal.

But it seems now, Sikong Wushang also has no authority to release Xu Yu.

This made Xu Nian's killing intent toward Sikong Bo surge to the extreme.

"No, no, it's not like that. I can ask my father to plead with the Demon Emperor to release the person you want to save," Sikong Bo desperately said, sensing Xu Nian's chilling killing intent.

But Xu Nian just sneered.

Continuously crushing Sikong Bo's demon embryo.

Even his soul origin was shattered in an instant, reduced to dust.

The crowd around inhaled sharply upon witnessing this scene.

Would this guy really dare to kill Sikong Bo?

That's terrifying!

For a moment, everyone stopped fighting.

Even the Dragon Clan Young Master was dead; what reason did they have to continue fighting?

"Exterminate the Dragon Clan entirely," Xu Nian ordered directly.

The next moment, Huo Tianqiu, Luo Shang, and Luo Blood swung into action, directly striking the experts of the Dragon Clan.

"Pssh!"

The many experts of the Dragon Clan thought of escaping.

But in that moment, how could they have the chance, they were instantly slain by the three women.

And this time, the Vermilion Bird Clan and others stood still, offering no assistance.

Because they knew, if they were to help now, they would face the same fate as the Dragon Clan.

In just an instant, nearly ten experts of the Dragon Clan were all slaughtered.

The Vermilion Bird, White Tiger, and other clans all looked at Xu Nian with lingering fear.

It was clear that this guy in front of them was no pushover.

If he decided to kill them, they would also have no chance of survival.

"Do you want to live or die?" Xu Nian asked the many experts.

The Vermilion Bird, White Tiger, and others remained silent.

Xu Nian smiled slightly, exuding an incomparably powerful Dragon Clan aura.

This aura shocked the entire scene, making all the demon clans feel a deep-seated fear.

"If you wish to die, battle on, I, Xu Nian, will accompany you to the end. If you wish to live, then I'll give you a path to life. Swear allegiance to the Phoenix Clan by the Heavenly Dao," Xu Nian stated directly.

Luo Shang was taken aback.

Xu Nian actually wanted these people to pledge allegiance to the Phoenix Clan, not to him?

One must know, Xu Nian could have easily made these people swear allegiance to him.

And these three clans in the Demon Realm were considered strong forces.

Even the Vermilion Bird and other clans showed surprised expressions.

"Allegiance to the Phoenix Clan? We only wish to swear allegiance to you," said the Vermilion Bird Clan Leader directly.

"Right, the current Phoenix Clan doesn't deserve our allegiance," the White Tiger Clan Leader added bluntly.

Xu Nian possesses the Supreme Dragon Bloodline, making their allegiance reasonable.

But to pledge allegiance to the Phoenix Clan, they were inwardly resistant.

Xu Nian signaled to Luo Shang and Luo Blood with a glance.

Both women stepped forward, releasing their True Phoenix Suppression.

With the release of True Phoenix Suppression.

The faces of the three clan's Demon Emperor experts changed.

The Phoenix Clan actually has two who have obtained the True Phoenix Bloodline?

In contrast, the Dragon Clan was entirely annihilated.

"You should know what this means. The rise of the Phoenix Clan is inevitable, and although I possess the Dragon Clan's supreme bloodline, I won't serve the Dragon Clan. I am more willing to support the Phoenix Clan because Luo Blood is my wife," Xu Nian said.

These words caused the hesitant experts to waver.

"Alright, we are willing to pledge allegiance to the Phoenix Clan," the Vermilion Bird Clan Leader stated.

The White Tiger, Thunder Leopard, and others nodded in agreement.

Then, the experts of the three clans began to swear an oath.

The Heavenly Dao Oath formed a powerful constraint in the sky.

And this constraint naturally fell upon Luo Shang and Luo Blood.

Seeing the three clans' experts making oaths, a smile appeared on Xu Nian's face.

In this way, the Phoenix Clan stands a better chance against the Dragon Clan.

And his goal is simple: to nurture Luo Shang into a generation of the Phoenix Emperor!

Chapter 1773: Supreme Dragon Ancestor

As these Demon Emperor level experts swore allegiance to the Phoenix Clan,

the matter was effectively settled.

But it wasn't over yet. Xu Nian gazed at the enormous dragon bone within the mountain's belly.

The appearance of this dragon bone seemed to carry special significance.

"Wait here for a moment, I'll go take a look at that dragon bone," Xu Nian said.

After speaking, his figure swiftly went towards the mountain peak.

Soon, Xu Nian arrived in front of this gigantic mountain.

At this moment, the entire giant mountain had already cracked open.

The incomparably massive Supreme Dragon Bone was lodged within the crevice of the mountain.

The entire Supreme Dragon Bone was golden, emanating a formidable and immense aura of dragon might.

The hardness of this Supreme Dragon Bone was likely far superior to the God Sword in Xu Nian's hand.

Moreover, Xu Nian felt a strong resonance in his bloodline from within, seemingly called forth by this Supreme Dragon Bone.

It was as if this Supreme Dragon Bone was summoning Xu Nian.

Xu Nian continued approaching the Supreme Dragon Bone.

This calling grew stronger as he did.

At the moment Xu Nian's hand touched the Supreme Dragon Bone,

his entire consciousness was instantaneously drawn into a mysterious space.

In this enormous space, surrounded by nothingness,

"You have finally arrived."

In the moment Xu Nian wondered how he had arrived in this nihility space, a deep and resonant voice echoed.

Then, in the endless void, an eye suddenly opened.

This eye was as immense as a constant star.

And before this gigantic eye, Xu Nian's whole being seemed immensely insignificant.

"Who are you?" Xu Nian asked warily, looking at the colossal figure in front of him.

Could this be the Divine Soul of the Supreme Dragon Bone?

Is it still alive?

"Who am I? You guessed right, I am the first Supreme Dragon in this world, but rest assured, what you see is merely a sliver of my consciousness," the Supreme Dragon spoke.

"A sliver of consciousness?" Xu Nian was somewhat surprised.

How long has this consciousness of the first Supreme Dragon existed?

"Human boy, do you know why your Human Clan has the bloodline of my Dragon Clan, and why you possess my bloodline power? Aren't you curious?" the Supreme Dragon asked.

"Curious, does senior know?" Xu Nian asked in surprise.

Indeed, not only did the Dragon Clan find it strange, he himself found it puzzling.

Why would someone from the Human Clan have the Nine Dragons Supreme Body bloodline?

Could it be that his ancestors intermarried with the Dragon Clan?

"That is because the damned Ancient God Emperor Yin divided a drop of my essence blood into tens of thousands of parts and infused them into the bloodline of the Human Clan in the Mortal World. Of those tens of thousands, only one person survived and inherited my bloodline power," the Supreme Dragon said.

Xu Nian was utterly amazed.

So this is how his Nine Dragons Supreme Bloodline came to be.

Does this mean that his ancestor was the one who survived among those tens of thousands?

"So what is the purpose of senior telling me this?" Xu Nian continued to ask.

"Hmph, you probably don't know yet that Emperor Yin did this in pursuit of the ultimate in physique, and your ancestor was one of his test subjects. If you go to the Divine World in the future, you will surely encounter him," the Supreme Dragon Ancestor stated.

Xu Nian was slightly surprised.

"Is this Emperor Yin very strong?" Xu Nian asked in surprise.

"Very strong, even millions of years ago, he was already at the God Emperor Level," the Supreme Dragon Ancestor replied.

God Emperor?

Xu Nian was suddenly shocked.

Wasn't that the peak cultivation of Emperor Ye Tian?

"Emperor Yin is now at the Supreme Level, transcending above the God Emperor,"

At this moment, the voice of Emperor Ye Tian rang out.

"Supreme?" Xu Nian was instantly taken aback.

Supreme is far above God Emperor, it is the highest existence in the Divine World, isn't it?

"Yes, Supreme, there are only three Supremes in the Divine World, and Emperor Yin is one of them. If what the Supreme Dragon Ancestor said is true, and you indeed go to the Divine World, he might really target you," Emperor Ye Tian said.

Upon hearing this, Xu Nian was filled with immense surprise.

"But why would he target me? My cultivation he probably wouldn't even consider, would he?" Xu Nian quickly said.

"Your cultivation he indeed wouldn't consider, but with you now fused with Supreme Dragon Blood, this represents the feasibility of Human Clan and Supreme Dragon Clan bloodlines. From what I understand, this Supreme Emperor Yin isn't after the Supreme Dragon Clan bloodline, but for another purpose, perhaps even a bloodline stronger than the Supreme Dragon Clan," Emperor Ye Tian explained.

"A bloodline stronger than the Supreme Dragon? The Chaos Divine Beast?" Xu Nian questioned in surprise.

"Perhaps even stronger than the Chaos Divine Beast," replied Emperor Ye Tian.

"Stronger than the Chaos Divine Beast?" Xu Nian was shocked.

Isn't the Chaos Divine Beast bloodline the strongest in the world?

What could be stronger than the Chaos Divine Beast?

"I do not know the specifics, but I have heard from my master that this world still has secrets unknown to us, and only a Supreme can know this secret," Emperor Ye Tian continued.

Xu Nian was endlessly astonished.

Secrets only known to Supremes, which even God Emperors do not know?

Suddenly, Xu Nian felt very small.

Even though he now possessed the strength of the Immortal Emperor Peak, in the face of the Divine World, he still appeared very insignificant.

"Human, you should understand the purpose of me seeking you, right?" the Supreme Dragon Ancestor said.

"I don't understand," Xu Nian shook his head.

"I sought you out to see if you can become a powerful God Emperor to help me kill Emperor Yin," the Supreme Dragon Ancestor stated.

"Kill Emperor Yin? He is now at the Supreme Level; even a God Emperor might not be enough," Xu Nian shook his head and said.

"Supreme? Has this fellow achieved Supreme? It makes sense, it's been so long. Then you will become a Supreme and kill him for me. I tell you, I am the Supreme Dragon, and the inclusion of the word 'Supreme' means I hold the potential to become a Supreme," the Supreme Dragon Ancestor shamelessly declared.

"Why should I help you kill him?" Xu Nian asked somewhat speechlessly.

"Hmph, you possess my bloodline, shouldn't you do things for me? Never mind, it seems I need to offer you some benefits for you to help. You should have already received my inheritance memory, right?" the Supreme Dragon Ancestor said.

Xu Nian nodded, having indeed received the inheritance memory.

He also acquired two powerful Talent Divine Abilities and four Inheritance Secret Techniques.

As for the Dragon Ancestor's Inheritance Technique Skill, Xu Nian had no interest at all.

"Since you have received the inheritance memory, you should know that among my Dragon Clan's inheritance, there is a treasure," the Supreme Dragon Ancestor said.

"Uh? Are you referring to the Supreme Dragon Robe?" Xu Nian asked in surprise.

"That's right, the Supreme Dragon Robe. Kid, how about it? As long as you agree to help me kill Emperor Yin, the Supreme Dragon Robe will be yours," the Supreme Dragon Ancestor said.

In Xu Nian's inheritance memory, the Supreme Dragon Robe was on the same level as the Chaos Divine Hall, a chaos treasure.

Chapter 1774: Imprisoned in the Ancient Divine Prohibition

"Just a Supreme Dragon Robe and you want me to kill a Supreme? Senior, that's quite the bargain you're offering," Xu Nian said with a smile.

Killing a Supreme was virtually an impossible task.

Even for a chaos treasure, it was an impossibility.

"Then what do you want? Tell me, as long as you can promise me to kill Emperor Yin," the Supreme Dragon Ancestor said.

Xu Nian thought for a moment and said, "How about this, you give me your complete corpse, and I'll help you kill Emperor Yin."

The piece Xu Nian saw before him was just a small segment of the Supreme Dragon Ancestor's spine; the real body of the Supreme Dragon Ancestor was definitely hidden away.

Moreover, the Supreme Dragon Ancestor's cultivation in life had reached the God Emperor Level.

His corpse was nothing less than a chaos treasure.

Such a skeleton is truly one of a kind.

How could Xu Nian let go of such an opportunity?

"Fine, you want my corpse, I can give it to you, but you must help me kill Emperor Yin," the Supreme Dragon Ancestor said.

"Deal!" Xu Nian agreed immediately.

"My corpse isn't here; it's buried in a secret place in the Divine World, but I can give you a map to find it," said the Supreme Dragon Ancestor.

"Then what's with this bone segment?" Xu Nian asked curiously.

"This bone segment was left when I underwent a transformation at the God King Level. While it's not as powerful as a God Emperor Level body, it is definitely an unparalleled treasure. Kid, consider this as interest for you," said the Supreme Dragon Ancestor.

Xu Nian, upon hearing this, did not hesitate.

He immediately took the Supreme Dragon Bone from the outside.

The strength of this Supreme Dragon Bone surpassed even the God Sword; it would be an excellent material for crafting weapons in the future.

"Here is the map showing the location of my corpse, keep it safe," instructed the Supreme Dragon Ancestor.

With that, a powerful stream of information flooded into Xu Nian's mind.

As this information entered his mind, information about the Supreme Dragon Ancestor's corpse location also became available to Xu Nian.

With this location information, he could find the Supreme Dragon Ancestor's corpse once he entered the Divine World.

"Kid, I want to ask, what do you plan to do with my corpse?" asked the Supreme Dragon Ancestor curiously.

"What else? Of course, I'm going to dismantle it and refine artifacts!" Xu Nian unabashedly replied.

Upon hearing this, the Supreme Dragon Ancestor was instantly enraged.

If he were still alive, he would definitely swallow this brat whole.

"Kid, remember, if you don't help me kill Emperor Yin, you'll face consequences," said the Supreme Dragon Ancestor, as his form then turned into a phantom and merged into Xu Nian's arm.

The next moment, a golden dragon mark appeared on Xu Nian's arm.

This dragon mark emanated a powerful wave.

"This dragon mark is a curse I left behind. I give you a million-year deadline. If you can't slay Emperor Yin by then, I will make you vanish," the Supreme Dragon Ancestor said.

Looking at the golden dragon mark on his arm, Xu Nian merely chuckled dismissively.

A million years?

To him, that was too long.

He hadn't even lived for two hundred years yet.

If he couldn't reach the Supreme Level in a million years, he probably never would.

When the time comes, death will be inevitable.

"Buzz!"

The next moment, Xu Nian withdrew from this Nihilicity Space.

His consciousness reconnected with his body.

And the Supreme Dragon Bone from the outside had also been tucked into his storage ring.

"Whoosh!"

Xu Nian's figure swept back to the square.

"Husband, are you okay?" Luo Blood immediately rushed forward anxiously to ask.

Earlier, when Xu Nian hovered there motionless, it frightened them.

They thought Xu Nian had encountered some danger.

Now, seeing Xu Nian's return, they finally relaxed.

"I'm fine, just exchanged a few words with the consciousness of the Supreme Dragon Ancestor," Xu Nian said with a smile.

"As long as you're okay." Luo Blood nodded.

Luo Shang was somewhat shocked.

Talked with the Supreme Dragon Ancestor?

Does that mean the consciousness of the Supreme Dragon Ancestor still lingers in the dragon bone?

Though curious about the content of Xu Nian's talk with the Supreme Dragon Ancestor, Luo Shang chose not to ask more.

"Where are those Demon Emperor experts?" Xu Nian looked around.

He discovered that the Demon Emperor experts of the Vermilion Bird and other clans were no longer present.

"I had them leave; we don't need them for now," Luo Shang said.

Xu Nian nodded.

Now was not the time to clash with the Dragon Clan; the upcoming Demon God Ceremony was crucial.

Moreover, Xu Nian wanted to take this opportunity to find the Demon God Palace Master to see if he could persuade him to release Xu Yu.

If the other party was unwilling, he would only have one option left, to break in forcefully.

Though his current strength couldn't completely contend with the Heavenly Dragon Divine Prison.

But now Xu Nian had acquired a chaos treasure, the Supreme Dragon Robe.

With this Supreme Dragon Robe, he thought he might give it a try.

"Buzz!"

With just a thought.

A golden dragon robe appeared on Xu Nian's body.

This dragon robe emitted an incomparably terrifying aura.

When this robe was worn on Xu Nian, his power, speed, defense, and soul power increased nearly fivefold.

This was only the first stage of the Supreme Dragon Robe.

If the Supreme Dragon Robe absorbed sufficient power, it could evolve further.

"This is... a Dragon Clan treasure!" Luo Shang almost couldn't believe her eyes.

Seeing the dragon robe on Xu Nian, she displayed a look of sheer astonishment on her face.

"That's right, this is a Dragon Clan treasure!" Xu Nian smiled slightly.

The amplification provided by this Supreme Dragon Robe was simply too potent.

With the dragon robe on, he could compete with a top-tier Demon Emperor Perfection Level expert.

Even against Sikong Wushang, Xu Nian now felt no fear.

"Boom!"

In the distance, the Sky-locking Well soared once more.

This was already the sixth tower.

"We'd better leave the Ancient Divine Prohibition quickly," Huo Tianqiu approached.

Xu Nian nodded.

He had acquired what he came for.

It was time to leave.

So their group flew directly to the Divine Ship.

Then they commanded the Divine Ship to leave this place.

But just as Xu Nian was about to reach the entrance, the seventh Sky-locking Well erupted.

"Not good!"

Luo Shang and the others' faces changed drastically.

When the seventh Sky-locking Well opened.

The entire Ancient Divine Forbidden Gate would close.

At that time, they would all be trapped inside.

"It's no good, we won't make it." Luo Shang fully pushed the Divine Ship.

The speed soared to its maximum.

However, the Ancient Divine Forbidden Gate continued to close.

Seeing this scene, Luo Shang, Huo Tianqiu, and the others felt a sense of despair.

"I'll do it!"

But at this moment, Xu Nian leapt off the Divine Ship.

The next moment, he donned the Supreme Dragon Robe.

Holding the Chaos Divine Palace.

"Buzz!"

Xu Nian infused all of his Mixed Element Demon Power into the Chaos Divine Palace.

"Boom!"

The Chaos Divine Palace burst out with an unbelievably powerful energy wave.

The terrifying energy wave crashed against the gigantic gate of the Ancient Divine Prohibition, forcibly stopping its closing motion.

"Huh?"

Luo Shang and others were utterly shocked.

Xu Nian actually halted the closure of the Ancient Divine Forbidden Gate; how terrifying must his energy be?

"Go quickly!"

Xu Nian shouted at them.

Upon hearing this, Luo Shang and the others finally reacted.

But when they saw Xu Nian had no intention of getting back on the ship, they were stunned again.

"Don't worry, I'll be fine!" Xu Nian said firmly.

Luo Shang hesitated for a moment, ultimately directing the Divine Ship to pass through the Ancient Divine Forbidden Gate.

However, the instant they crossed the grand gate, Luo Blood leapt off the ship.

At the same time, Xu Nian could no longer hold on.

The Ancient Divine Forbidden Gate slammed shut!

Chapter 1775: The Secret of the Sky-locking Well
Outside.

The entry-level of the Ancient Divine Forbidden.

A massive Divine Ship hovered in the air.

Onboard were only four people.

Huo Tianqiu, Huo Baiyu, Ice Blue, and Luo Shang.

They stared at the closed Ancient Divine Forbidden Gate, silent for a long time.

"It's closed? Does that mean Master can't come out?" Huo Baiyu asked anxiously.

"I can no longer sense the presence of our Lord; this Ancient Divine Forbidden completely isolates his aura." Ice Blue also frowned and said.

She hadn't expected that in the end, Xu Nian would help them escape from the Ancient Divine Forbidden.

While he himself became trapped inside the Ancient Divine Forbidden.

Along with Luo Blood, who chose to remain in the Ancient Divine Forbidden at the last moment.

"It's likely he can't come out; the restraints of the Ancient Divine Forbidden were set by many powerful Divine-level experts of the Demon Clan, and even a Demon Emperor Perfection Level expert can't break them. Although Xu Nian is powerful, breaking through the Ancient Divine Forbidden is exceptionally difficult," Huo Tianqiu shook his head and said.

The opening of this Ancient Divine Forbidden had not occurred for tens of thousands of years.

After such a long time, waiting for Xu Nian to return, everything would have already changed.

This separation might very well be a final farewell.

This made Huo Tianqiu's brow furrow to the extreme in an instant.

Luo Shang's expression was also gravely solemn at this moment.

Xu Nian had helped her a lot and saved her life multiple times.

Ultimately, he helped them escape, and thus ended up trapped in the Ancient Divine Forbidden.

In truth, with his strength, leaving the Ancient Divine Forbidden alone was definitely not impossible.

"Xu Nian, thank you. Rest assured, I will forever remember you." Luo Shang looked in the direction of the Ancient Divine Forbidden, her eyes somber as she spoke.

To be honest, after spending a period of time together,

Xu Nian had long left an indelible mark on Luo Shang's heart.

Xu Nian's excellence made even her, who was typically proud, harbor a sense of admiration.

So in her view, apart from Xu Nian, she may never consider anyone else in this world.

She even wondered what would have happened if she had jumped off the ship earlier instead of Luo Blood?

Luo Shang took a deep breath, trying not to think further into it.

"Huo Clan Leader, what do you plan to do next?" Luo Shang asked.

"I plan to return and organize the Snake Clan," Huo Tianqiu replied.

"There are less than half a month left until the Demon Ceremony; would Huo Clan Leader be willing to attend?" Luo Shang asked.

The Demon Ceremony usually invites some powerful Demon Clans besides the Dragon Clan and Phoenix Clan.

Thus, Huo Tianqiu had also invited the Vermilion Bird, White Tiger, and Thunder Leopard Clans.

"Alright, I'll definitely be there!" Huo Tianqiu hesitated for a moment and finally nodded.

Luo Shang was immediately delighted upon hearing this.

She had feared that without Xu Nian, Huo Tianqiu might refuse.

Seeing Huo Tianqiu agree now, she felt reassured.

After all, having obtained the Xiang Liu Bloodline, the future strength of the Snake Clan was inevitable.

"Baiyu, will you come back to the Snake Clan with me?" Huo Tianqiu looked at Huo Baiyu and asked.

"But I want to wait for Master to come out!" Huo Baiyu was still somewhat unwilling.

Huo Tianqiu, however, shook his head: "There's no point in you staying here. Come back with me, enhance your cultivation further, so you may have the ability to rescue your Master in the future. Besides, your Master might be able to come out, and if he does, he will certainly head to the Demon Ceremony."

Upon hearing this, Huo Baiyu thought for a moment and then nodded earnestly: "Okay, Clan Leader, I will go back with you."

Huo Tianqiu, upon hearing this, also breathed a slight sigh of relief.

"Then Ice Blue, you can come with me," Luo Shang said.

"Alright!" Ice Blue nodded.

So, Huo Tianqiu then bid farewell to Huo Baiyu and Luo Shang.

And Luo Shang operated the Divine Ship, taking Ice Blue back to the Demon God Palace.

This time, the Phoenix Clan suffered significant losses, and only Luo Shang returned.

Of course, the Dragon Clan fared worse, with no one making it out.

And Sikong Bo's death meant that her engagement to Sikong Bo was entirely nullified.

Thus, Luo Shang directly went to that valley, bringing her sister along to return to the Demon God Palace together.

...

Meanwhile, on Luo Shang's way back to the Demon God Palace,

Xu Nian and Luo Blood were attempting to reopen the Ancient Divine Forbidden Gate.

The result was clearly a failure!

"Luo Blood, why are you so foolish?" Xu Nian couldn't help asking.

"I'm not foolish; I just want to stay with my husband." Luo Blood smiled and replied.

"What if we really can't get out?" Xu Nian asked helplessly.

"Then I'll stay here with you, husband, forever, no matter how long it takes." Luo Blood continued to smile.

Xu Nian could only shake his head helplessly.

Such a silly girl.

But he had to get out.

The Ancient Divine Forbidden opened once every few hundred thousand years.

If he were to stay this long, what would happen to Murong Xue?

Murong Xue only had ten years; even with the Chaos Divine Palace slowing down time by a hundred times,

she only had a thousand years.

Murong Xue was now in closed cultivation, and Xu Nian had provided her with sufficient Divine Origin Liquid.

This could help her breakthrough in cultivation, gaining more time.

But it definitely wouldn't last for several hundred thousand years.

Thus, he had to get out.

"Fine, it seems forcibly opening the Ancient Divine Forbidden Gate is impossible. We need to think of another way." Xu Nian tried to activate the Chaos Divine Palace a few times to blast open the Ancient Divine Forbidden Gate.

But all attempts were in vain.

This Ancient Divine Forbidden Gate was immensely powerful, akin to an unbreakable Divine Artifact.

Xu Nian couldn't even budge it in the slightest.

"Husband, this Ancient Divine Forbidden being closed is related to those Sky-locking Wells; perhaps we can find a breakthrough there," Luo Blood suggested.

Upon hearing this, Xu Nian's eyes suddenly lit up.

Exactly!

Why hadn't he thought of that?

The seven Sky-locking Wells of the Ancient Divine Forbidden had previously erupted with enormous energy, which enabled the closure of this ancient barrier.

If he wanted to escape, perhaps the solution did lie in those Sky-locking Wells.

"Let's go to the nearest Sky-locking Well."

Xu Nian spoke immediately.

Luo Blood nodded and quietly followed behind Xu Nian.

In truth, it didn't matter to her whether they left or not.

As long as she could be by Xu Nian's side, that was the best plan.

Soon, Xu Nian and his companion arrived in front of one of the Sky-locking Wells.

Before them was an enormous bronze well.

It emitted an incredibly powerful energy.

This energy connected heaven and earth and was utterly terrifying.

Xu Nian was confident that this energy, if unleashed on a typical Demon Emperor Perfection Level expert, could instantly shatter them completely.

Furthermore, this bronze well was covered in numerous Divine Patterns.

The divine patterns looked very similar to those on the Stone Drum and Bronze Tripod that Xu Nian had seen previously.

"Could this also be an Ancient Rune Divine Artifact?"

Xu Nian speculated.

He noticed the Divine Patterns on the bronze well were incomplete.

Clearly, this bronze well was just a part of something larger.

"Maybe the seven bronze wells together form a complete Ancient Divine Artifact!" Xu Nian guessed.

This guess instantly brightened his eyes with excitement.

Chapter 1776: Opening the Ancient Divine Forbidden Gate

Next, in order to confirm his suspicions.

Xu Nian decisively inscribed the Divine Pattern on the Sky-locking Well.

However, when he went to the next Sky-locking Well, he inscribed the Divine Pattern again.

Continuing like this.

Xu Nian ran through seven Sky-locking Wells.

Since Xu Nian's mastery of the Divine Pattern had reached an entry-level.

He didn't need much time to inscribe these Divine Patterns, basically finishing one per day.

Seven of them took a full three days, and Xu Nian completed all the inscriptions.

Finally, Xu Nian pieced all these Divine Patterns together.

He was surprised to discover that these Divine Patterns indeed formed a complete Divine Pattern.

This made Xu Nian instantly overjoyed.

He was almost certain that the Sky-locking Well was the third Rune Ancient Divine Artifact.

So Xu Nian unhesitatingly recorded the Divine Pattern on the Sky-locking Well.

Of course, according to Xu Nian's thoughts, the Sky-locking Well might not be a genuine Rune Ancient Divine Artifact, but rather an imitation.

After all, a genuine Rune Ancient Divine Artifact shouldn't be divided into seven parts so easily.

"Husband, what exactly are these Divine Patterns? Why do I feel an incredibly terrifying power from them?" Luo Blood asked as she watched Xu Nian finish inscribing the Divine Patterns.

"These are Ancient Divine Texts, the mysterious power used by the ancient gods to forge artifacts. As for the source of the power of these Divine Patterns, I still haven't figured it out," Xu Nian replied.

Luo Blood nodded.

"Does that mean if we research these Divine Patterns, we could find a way out?" Luo Blood continued to ask.

"It should be. These Divine Patterns are the key to sealing the Ancient Divine Forbidden. As long as I find a breakthrough from these Divine Patterns, I can get out of here," Xu Nian said.

"Okay, I will protect you. You focus on understanding," Luo Blood quickly said.

"Luo Blood, I need to enter the Chaos Divine Palace for a while!" Xu Nian said.

Luo Blood nodded.

Thus, Xu Nian directly entered the Chaos Divine Palace.

And within the Chaos Divine Palace, Xu Nian began to carefully comprehend the Divine Patterns on the Sky-locking Well.

This comprehension lasted for two full years.

Of course, outside, only seven days had passed.

"Boom!"

Luo Blood was currently battling a Demon Emperor Perfection Level expert.

Originally, she thought that within this Ancient Divine Forbidden, only she and Xu Nian were left.

But unexpectedly, just recently, a Demon Emperor Perfection Level expert from the Bat Clan suddenly appeared.

As soon as he appeared, he directly attacked Luo Blood.

Obviously, Luo Blood's beauty and the bloodline of the Phoenix Clan made this Bat Clan expert immediately greedy.

"Haha, beautiful lady, since no one can escape, why not submit to me and enjoy ourselves?" The Bat Clan expert said.

"Humph!" Luo Blood snorted coldly.

Then with one slash, she instantly transformed into a terrifying Flame Sword Light.

The Bat Clan expert was not to be trifled with either.

A terrifying Dark Law surged from his body, and the next moment, his form turned into countless thick smoke, forming millions of bats charging towards Luo Blood.

Luo Blood immediately continuously unleashed Flame Sword Light.

Blocking all these bats.

However, these bats were extremely formidable, and their numbers were overwhelming.

For a period, they even tightly entangled Luo Blood.

If it weren't for Luo Blood's special flames, those bats would have completely devoured her by now.

Of course, these bats still scratched Luo Blood's arm and back.

Three scarlet blood marks appeared on her snow-white back.

Above the blood marks, a thick black aura emanated.

It was evident that the bats' attacks were poisonous.

As Luo Blood continued to fight, the poison began to deepen.

"Pfft!"

Soon, Luo Blood couldn't withstand it, spitting out a mouthful of blood.

The bats reformed into human shape.

Seeing Luo Blood weakening, he suddenly sneered.

"Haha, beautiful lady, you can't escape. Just wait to become my Bat King's plaything," the Bat Demon Emperor Perfection Level expert laughed heartily.

He then lunged towards Luo Blood.

This time, he clawed directly at Luo Blood.

It seemed he wanted to completely crush Luo Blood.

Just as Luo Blood was about to defend.

She saw a golden light flash.

"Shoo!"

The next moment, a golden figure appeared directly in front of Luo Blood.

Grabbing the throat of the attacking Bat Demon Emperor Perfection expert.

Instantly, golden light entangled, directly restraining this Demon Emperor Perfection expert.

Forcibly pulling him up by the neck.

Seeing this scene, Luo Blood was instantly surprised.

"Husband?"

Luo Blood quickly showed delight.

The Bat Demon Emperor Perfection Level expert also showed a look of fear.

He was, after all, a Demon Emperor Perfection Level expert.

The Dark Law had reached its peak.

However, in front of this young man, he found himself immobile.

This terrifying pressure made it hard for him to breathe.

What shocked him the most was finding out the young man only had late-stage Demon Emperor cultivation.

A late-stage Demon Emperor, with just one move, rendered him powerless?

How is that possible?

Xu Nian turned and looked at Luo Blood, and when he saw the blood on her lips and the injuries on her body, a fierce expression instantly flashed in his eyes.

"You dare harm my wife, you're asking for death!" Xu Nian shouted angrily.

"Brother, let's talk this over. I really didn't know..." The Bat Demon Emperor Perfection Level expert hurriedly said.

However, before he finished speaking, an extreme coldness flashed in his eyes.

In the next moment, Xu Nian clenched his fist, delivering a powerful punch.

Instantly, the punch shattered the Demon Emperor Perfection Level expert's soul, scattering it.

The demon felt an incredibly terrifying force hit him in an instant.

Then he completely lost consciousness.

Xu Nian looked at the slain Bat Demon Emperor, showing a trace of disdain on his face.

Daring to have designs on his woman—it was simply courting death.

"Luo Blood, are you okay?" Xu Nian hurriedly asked.

"I'm fine!" Luo Blood waved her hand.

Yet her face seemed extremely weak.

It was clear she was poisoned.

Without another word, Xu Nian directly cut his own hand, letting blood drip into Luo Blood's mouth.

Soon, the poison in Luo Blood's body was completely cleansed.

It turned out Xu Nian's Supreme Dragon Blood could cleanse any poison in the world.

And this little bat poison was a trivial matter to him.

"Thank you, husband!" Luo Blood's face was already regaining color.

"Thank me? If you really want to thank me, show it with action," Xu Nian said with a mischievous grin.

He then hugged Luo Blood and entered the Chaos Divine Palace.

Two hours later, they emerged from the Chaos Divine Palace.

Outside, two hours had passed, but inside, several days had gone by.

And at this moment, Luo Blood's face was full of radiance.

"Let's go, we're leaving!" Xu Nian said.

The next moment, he struck a divine seal on the Ancient Divine Forbidden Gate.

"Buzz!"

As the divine seal was struck, the Ancient Divine Forbidden Gate slowly opened.

Seeing this scene, Luo Blood was incredibly surprised.

Chapter 1777: The Grand Ceremony of the Demon God's Advent

"Finally out, husband, you're amazing." Luo Blood and Xu Nian flew out of the Ancient Divine Forbidden, a thrilled smile on their faces.

"In what way do you mean amazing?" Xu Nian asked with a mischievous grin.

Luo Blood initially didn't catch on, but soon a hint of shyness appeared: "Husband, you're getting naughtier, but you're amazing in every way."

Hearing this, Xu Nian proudly wrapped his arm around Luo Blood's waist.

Needless to say, having obtained the Phoenix True Blood, Luo Blood was becoming even more outstandingly charming.

Moreover, she carried a unique phoenix-like nobility.

In the Chaos Divine Palace, Xu Nian was quite demanding of Luo Blood many times.

"Husband, how did you manage it?" Luo Blood continued to ask.

"Actually, opening this Ancient Divine Forbidden isn't difficult; you just need to grasp the Divine Pattern on the Sky-locking Well to temporarily open the Ancient Divine Forbidden Gate, and I've only understood a bit of the surface of this Divine Pattern," Xu Nian replied with a smile.

Luo Blood nodded, gazing at Xu Nian with eyes full of admiration.

The Divine Pattern that Xu Nian spent two whole years understanding in the Chaos Divine Palace definitely wasn't as simple as he made it sound.

So, if it were someone else, it might take hundreds, thousands, even tens of thousands of years to comprehend it.

"Husband, are we heading to the Demon God Palace next?" Luo Blood asked.

"Yes, the Demon Sacred Ceremony at the Demon God Palace is starting, I must go once to rescue Little Yu," Xu Nian said firmly.

"Alright, husband, I'll go with you," Luo Blood replied.

"Here's some Divine Origin Liquid, try to absorb it and see if you can breakthrough to Demon Emperor Peak," Xu Nian handed Luo Blood a bottle of Divine Origin Liquid.

"Alright!" Luo Blood didn't refuse and directly accepted the Divine Origin Liquid.

Then Xu Nian put Luo Blood into the Chaos Divine Palace.

The reason for doing this is because the Demon God Palace is quite dangerous, and with Luo Blood having Godhood, she might be targeted.

If she can breakthrough to Demon Emperor Peak, her ability to protect herself would be stronger.

Soon, Luo Blood began to meditate in the Chaos Divine Palace, continuously absorbing the power of the Divine Origin Liquid.

For Luo Blood, who possesses Godhood, her cultivation has no bottleneck.

As long as there is enough energy, she can completely breakthrough to Demon Emperor Peak.

Seeing Luo Blood entering a closed cultivation state, Xu Nian no longer hesitated, looked towards the direction of the Demon God Palace, and performed Instant Teleportation.

Since Xu Nian's Soul Power had now reached Immortal Emperor Peak, with just a thought, he instantly teleported tens of thousands of miles away.

The distance of Instant Teleportation was three times larger than before.

At this speed, he could reach the Demon God Palace's area with just over a dozen Instant Teleportations.

...

Meanwhile, as Xu Nian headed towards the Demon God Palace.

The massive square of the Demon God Palace was currently hosting an incredibly grand ceremony.

Indeed, the Demon Sacred Ceremony.

Phoenix Clan, Dragon Clan, Vermilion Bird, White Tiger, Thunder Leopard, Snake Clan, Taotie, Peng Clan...

Over twenty Demon Clan experts gathered here.

For the Demon Clan, participating in the Demon Sacred Ceremony was supreme glory.

At this moment, there were nearly two hundred Demon Emperor Level experts on the entire square.

It could be said that half of the strongest in the Demon Realm had gathered here.

At the very front of the square, there was a huge platform.

At this moment, three people stood on the platform.

These three people exuded an aura of great authority and awe-inspiring presence.

Two of them wore dragon robes, one golden and one white.

Domineering!

Sharp!

The other wore a red Phoenix Robe.

Exuding a noble, proud aura.

Indeed, these three were the Three Emperors of the Demon God Palace.

They were also three top-level Demon Emperor Perfection Level experts.

Even with many Demon Emperor experts below, everyone still showed awe towards these three.

Luo Shang and her sister Luo Xi'a stood among the Phoenix Clan crowd.

Luo Xi'a was somewhat surprised as she looked at the grand ceremony of the Demon Divine Descent.

Then she glanced towards the direction of the Dragon Clan, scanning around, she was even more astonished.

"Sister, did Sikong Bo really die?" Luo Xi'a couldn't resist asking.

"Yes, he died, died in the Ancient Divine Forbidden," Luo Shang answered calmly.

"Who killed him?" Luo Xi'a asked in disbelief.

In her opinion, Sikong Bo was the Dragon Clan's top genius, terrifyingly strong.

Such a genius actually died?

Moreover, Sikong Bo's father, Sikong Wushang, was always regarded as akin to the Dragon Clan Young Master.

Who would dare to touch him?

Upon hearing Luo Xi'a's question, Luo Shang fell into contemplation.

She couldn't help but recall the scene where Xu Nian killed Sikong Bo.

Domineering!

Straightforward!

When Xu Nian killed Sikong Bo, there was no hesitation, it could completely be described as a one-hit kill.

"Sikong Bo wasn't killed by anyone but died in a Dragon Clan test," yet Luo Shang didn't reveal the truth.

Although Xu Nian probably won't come out, she still doesn't want to cause trouble for Xu Nian.

What if Xu Nian comes out?

If the Dragon Clan knows about this, how could they let it go?

Therefore, before letting the Vermilion Bird and other clans leave, she already made them swear not to leak any news of Sikong Bo's death.

And told them to go back and spread that Sikong Bo died in a Formation test.

Thus, even if the Dragon Clan blamed them, it wouldn't be aimed at the Phoenix Clan and Xu Nian.

"He actually died from a Formation, I thought he was killed, anyway, given Sikong Bo's strength, in the entire Demon Realm, there wouldn't be many who could kill him, though I hate to admit it, among the younger generation, he indeed was the undisputed first," Luo Xi'a remarked.

Luo Shang didn't reply.

Sikong Bo the undisputed first?

That guy surely is!

Not just among the younger generation, currently in the entire Demon Realm, there probably aren't many who can match him.

Unfortunately...

"Sister, did you meet a strange person?" Luo Xi'a thought and asked.

"A strange person?" Luo Shang asked, puzzled.

"Forget it, how could that guy actually do it, he likely was just boasting," Luo Xi'a shook her head.

Back when in the valley, Xu Nian did say he would rescue Xu Yu.

But Xu Yu is still trapped in the Heavenly Dragon Divine Mountain.

And Xu Nian is nowhere to be found.

To Luo Xi'a, this so-called big brother of Xu Yu is unreliable, she actually had a bit of expectation for him.

It's simply a joke.

Luo Shang didn't think much about it; at this moment, she was still recalling the battle scene of Xu Nian.

"Dang!"

At this moment, a loud sound erupted in the square.

Echoing like a resounding bell.

It was ancient and long-lasting.

The square suddenly quieted down.

Everyone looked towards the three on the front platform.

At this moment, the middle-aged man in the golden dragon robe stepped out from the three with a cold expression.

Looking at the many Demon Emperor experts below, he coldly declared: "Everyone, the time has come. I announce the official beginning of the Demon Divine Descent Hall!"

Upon this announcement, everyone was startled.

Is the Demon Divine Descent about to begin?

Chapter 1778: Divine Maid Selection

The Great Demon God Ceremony Hall is a sacred ceremony of the Demon Clan that occurs once in a millennium.

This ceremony is the most sacred in the Demon Clan.

Because this ceremony will summon the Demon God from the Divine World to descend.

And the descent of the Demon God will bring a great opportunity to the Demon God Hall.

Even Demon Emperor Perfection Level experts would be moved by this opportunity.

Of course, the Demon God's blessing is the final segment, and generally, the Great Demon God Ceremony Hall is divided into three parts.

The first part is the sacrificial ritual.

During the ritual, three women will be selected from the Demon Clan as maidens to be offered to the Demon God upon its arrival.

Usually, these three women are exceptionally beautiful and possess strong cultivation.

When the Grand Demon God Descent Ceremony ends, these women will be taken to the Divine World by the Demon God.

Generally, demon clan women who are chosen are considered to be honored.

After all, serving the Demon God and ascending to the Divine World is no small matter.

The selection process involves a string of stone pearls left by the Demon God, which will determine the chosen ones.

As for whom the pearls will choose, no one knows.

The second segment is the summoning of the Demon God.

It's said that the origins of these Demon Gods are mainly from the Demon Realm's Demon God Palace.

Although specifics aren't known, Divine-level Experts are unattainable for many Demon Emperor Level experts.

There exists an insurmountable chasm between the Demon Emperor and Divine level.

The separation of the Heavenly Dao.

As for the third part, it is the Demon God's blessing.

Divine-level Experts usually impart insights into laws and Tao.

Once these insights are comprehended at their surface, they benefit one for a lifetime.

Moreover, the Demon God will choose one disciple among many clan experts as a direct disciple.

Those taken as direct disciples receive the Demon God's legacy.

This legacy is undoubtedly very attractive.

Because this legacy is a legacy of laws.

It can lead to a tremendous breakthrough in one's comprehension of laws in a short time.

People have soared after receiving the legacy, breaking through six Law Roulettes.

The legacy is also attractive to Demon Emperor Perfection Level experts.

Because this legacy often allows them to find new breakthroughs in their original strength, reaching a higher height.

"Next, we shall start with the first item of the Demon God Ceremony, the sacrifice! But before the sacrifice, we will select three Divine Maidens!" Sikong Wushang's voice echoed across the plaza.

Immediately, the plaza buzzed with discussions.

"I wonder who will be chosen as a Divine Maiden. Being chosen means ascending directly to the Immortal Realm, accompanying a Divine-level Expert, that's definitely a huge blessing!"

"Indeed, so every clan brings their young and beautiful women hoping they will be chosen."

"Certainly, this is a huge opportunity for many women. Throughout the Demon Realm, how many have ascended to the Divine World in ten thousand years?"

"Sigh, if only I were a woman, how I'd love to be chosen as a Divine Maiden!"

...

The plaza was filled with murmurs of conversation.

Many male demons showed signs of envy.

They only regretted being male, not female.

As for the female demons, they were extravagantly dressed.

Slender waists, perky silhouettes, alluring figures could be found everywhere.

Clearly, they all wished to be chosen, with anticipation gleaming in their eyes.

The Divine World!

That is a place everyone yearns for.

Yet, some are unwilling.

Such as Luo Shang and Luo Xi'a.

"Sister, what if the Demon God Beads choose us?" Luo Xi'a asked.

Luo Shang frowned slightly, eyes sharp.

"It shouldn't happen. Every time the Demon God Hall selects maidens, they never target the Dragon Clan and Phoenix Clan, so we should be safe," Luo Shang replied.

"But what if, by chance?" Luo Xi'a nodded but was still a bit worried.

Even though it's unlikely for women from the Phoenix Clan to be chosen.

But what if it really happens?

Accept fate?

She couldn't do it!

And her sister likely wouldn't either.

"If truly chosen, then we'll fight to the death," Luo Shang declared fiercely.

"Fight to the death? But this is the Demon God selection, how to fight, even father has no authority to interfere," Luo Xi'a exclaimed in shock.

She was startled by her sister's resolve.

If she really were chosen, though unwilling, fighting to the death wasn't something she could easily do.

Luo Shang said nothing.

But her eyes were firmly resolute.

She, Luo Shang, would never submit to anyone in this lifetime, nor become anyone's plaything.

"Now, commence the selection!"

Sikong Wushang coldly announced.

The next moment, he unleashed a string of prayer beads.

As the beads appeared, they radiated a brilliant light.

Then, the beads soared into the air, wandering around the plaza.

Each time they passed above a Demon Clan woman's head, the beads would linger for a moment.

If deemed unsuitable, they would skip to the next.

The Demon Clan women that were bypassed showed looks of disappointment.

"Buzz!"

Just as everyone wondered who would be the first chosen.

The beads released a brilliant light.

The next moment, a stunningly beautiful woman was enveloped by the light from the beads.

Then, the beads emitted a powerful Divine Pattern ripple, forming a unique divine seal.

"It's from the Nine-tailed Fox Clan!"

Someone exclaimed in surprise.

Sure enough, the naturally enticing Nine-tailed Fox Clan is the easiest to be chosen.

In terms of allure and beauty, they have a tremendous advantage in their clan.

The Nine-tailed Fox Clan woman chosen showed an excited expression.

Immediately, she harnessed her soul power to integrate with the divine seal.

"Buzz!"

The powerful divine seal transformed into a Zhu Hong, directly appearing on the Nine-tailed Fox woman's brow.

Red as blood!

Seductive to the extreme.

The woman empowered by the divine seal even glowed with a divine radiance.

With this divine radiance, the Divine World would no longer bar her entry.

Indeed, the divine seal is a unique symbol of a Divine Maid, representing status and also marking soul slavery.

From the moment she merged with the mark, her life no longer belonged to her.

"Congratulations to the Nine-tailed Fox Clan for gaining another Divine Maid," the surrounding people congratulated the Nine-tailed Fox Clan Leader.

The Nine-tailed Fox Clan Leader also beamed with joy.

"Buzz!"

The Demon God Bead continued its roaming.

Soon, it reached the territory of the Snake Clan.

This time the only ones present from the Snake Clan were Huo Tianqiu and Huo Baiyu.

When the Demon God Beads hovered over Huo Baiyu's head, they paused for a moment.

"Could it be..."

The surrounding crowd was filled with surprise.

Could it be that this Snake Clan woman would also be chosen?

Huo Tianqiu frowned deeply.

Huo Baiyu didn't even need to be mentioned.

She had no desire to become a Divine Maid.

What she aspired to be was an independent god like her master.

But before their astonishment settled, the Snake Clan beads dimmed and fell upon Huo Tianqiu's head.

"Buzz!"

At that moment, the beads erupted into intense light.

Again forming a divine seal.

Huo Tianqiu?

Is it her?

The crowd was entirely shocked.

Huo Tianqiu herself furrowed her brow to the extreme.

Chapter 1779: Never Yield to Fate

Huo Tianqiu never imagined that she would be chosen.

Wasn't it said that usually, these Divine's Handmaid would only select women below the Demon Emperor?

She is already at the Demon Emperor Peak, and is even the leader of her clan?

How could she be selected to become a Divine Maid?

This is definitely the first time in history.

Looking at the Divine Slave Mark floating before her, Huo Tianqiu's eyes were icy cold, with no intention of merging with it.

"Isn't that the Snake Clan Leader? She actually got selected too, but one must admit, her appearance and beauty are indeed remarkable. It's said she has already obtained Xiang Liu's bloodline, awakening the Innate Divine Ability of an Ancient Divine Beast."

"What does it matter if she's an Ancient Divine Beast? Since she's selected, she has to obediently become the Demon God's Handmaid. Otherwise, does she think she can ascend to the Divine World on her own?"

"Indeed, no matter how strong one's Cultivation, ascending to the Divine World is no easy feat. The higher the talent, the stronger the Divine Tribulation. It's better to become a Demon God's Handmaid and ascend the Divine World easily."

"If she's smart, she would definitely choose this."

...

Numerous Demon Clan women around were discussing.

Even male demons looked with curious expressions.

What choice would Huo Tianqiu make?

Of course, she has no choice. Those who defy the Demon God end up with a tragic fate.

No exceptions.

The previously selected Nine-tailed Fox Girl glanced at Huo Tianqiu with a sneer.

What of the Demon Emperor Peak?

In the end, she'd have the same fate as herself?

Yet, no one urged Huo Tianqiu.

For every selection of handmaids, some hesitate.

But ultimately, no one can resist destiny's choice.

"Buzz!"

The Demon God Bead didn't linger in front of Huo Tianqiu but moved to select a third target.

Soon, the Demon God Bead hovered over the Phoenix Clan's area.

The Phoenix Clan women were all scanned by the Demon God Bead.

Luo Xi'a was quite nervous.

Because the Demon God Bead hovered over the girl beside her, it would soon be her turn.

"Buzz!"

The Demon God Bead skipped that girl and hovered over Luo Xi'a.

Luo Xi'a's heart leapt into her throat.

"Please don't let it choose me," Luo Xi'a muttered in her heart.

Soon, the Demon God Bead skipped over Luo Xi'a and hovered above Luo Shang.

Luo Xi'a exhaled in relief, but seeing the Demon God Bead still above her sister, she became tense again.

"Sis is the Princess of the Phoenix Clan, she shouldn't be chosen. After all, selecting a Princess of the Phoenix Clan as a handmaid seems unreasonable," Luo Xi'a thought.

The Phoenix Clan does have some power in the Divine Hall of the Divine World.

Generally, the Demon God Bead wouldn't choose the Phoenix Clan as handmaids.

At this moment, Luo Shang's expression remained calm.

She could clearly sense the Demon God Bead emitting a powerful energy.

As if this energy was probing her body.

This instinctively displeased her.

"Buzz!"

Luo Shang immediately activated her Innate Fire, instantly expelling that energy.

The Demon God Bead was also repelled, skipping to the next.

Everyone around breathed a sigh of relief; she was the most beautiful woman in the Divine Hall.

If she were chosen to become a handmaid, wouldn't many male demons be heartbroken?

"Thankfully, thankfully!" Luo Xi'a heaved a sigh of relief multiple times.

However, just as everyone thought it had skipped Luo Shang, the Demon God Bead unexpectedly returned to hover above her, releasing a powerful wave.

And this wave instantly formed a Divine Slave Mark.

"What?"

Everyone around displayed expressions of shock.

Even the seated Phoenix Emperor was so shocked that he took a step forward.

His daughter was actually chosen?

Initially overjoyed to see his daughter obtain the True Phoenix Blood, anticipating the rise of the Phoenix Clan.

But now, his daughter is actually chosen as the Divine's Handmaid?

Doesn't this spell the doom of their Phoenix Clan?

The many powerhouses of the Phoenix Clan wore exceedingly grim expressions.

Luo Shang, chosen as a handmaid?

How is that possible?

The Phoenix Emperor frowned, intending to step forward.

But Sikong Wushang stopped him.

"What is the Phoenix Emperor planning to do? Does he intend to break the rules of the Demon God's ritual?" Sikong Wushang's eyes were cold, with a hint of schadenfreude.

His son died under the Ancient Divine Prohibition, and none from the Dragon Clan returned.

Though there's no evidence that his son was killed by Luo Shang, he felt certain she was involved.

So with Luo Shang chosen, he was the happiest.

If his son died, Luo Shang should accompany him in death.

Making her a handmaid is already too lenient for her.

Luo Xi'a was utterly shocked.

Her sister was actually chosen?

She remembered what her sister said earlier.

If she was chosen, she would fight to the death.

Now that her sister is chosen, would she really...

But it's the Demon God's command!

Luo Xi'a couldn't imagine.

Luo Shang's gaze was icy to the extreme.

Clearly, she never thought this Demon God Bead would actually choose her.

Was it because she resisted that probing power, disrespecting the Demon God?

No matter the reason, once the Demon God selects, there's no changing it.

And she would never willingly become a Divine Maid.

She couldn't help but look toward Huo Tianqiu.

The latter also looked at her.

The two seemed to understand each other's gaze.

There was absolutely no way they would merge with the Divine Slave Seal.

"Please, the selected ones, merge with the Divine Slave Seal," Sikong Wushang's cold, mocking voice echoed.

Everyone looked at Huo Tianqiu and Luo Shang.

The arena fell silent.

All seemed curious about what decision the two would make.

The previously chosen Nine-tailed Fox Girl was elated.

Even the Heavenly Pride Girl of the Phoenix Clan was chosen, which made her own selection seem even more prestigious.

"Still thinking of resisting? Just accept your fate, serving the Demon God is a fortune you won't achieve even in ten lifetimes," the Nine-tailed Fox Girl laughed.

Numerous Demon Clan women around were nodding.

This was something they desperately sought.

And yet you don't want it?

What are you pretending for?

"Sis..." Luo Xi'a wanted to persuade, but didn't know what to say.

At that moment, Luo Shang finally moved.

She directly wielded a sword, unleashing it with a single stroke.

Instantly transforming into a Flame Sword Light.

Directly striking the Divine Slave Mark.

"Boom!"

The Divine Slave Mark was cleaved in two.

Everyone around was shocked.

This Luo Shang actually destroyed the Divine Slave Seal?

This is outright disrespect to the Demon God!

If the Demon God descends, anger would be inevitable.

Who will bear the brunt of the Demon God's wrath then?

Sikong Wushang squinted his eyes.

"I, Luo Shang, will never submit to anyone. My destiny is mine to dominate!" Luo Shang stepped forward, speaking decisively.

Her whole body engulfed in blazing Phoenix fire, exuding an unparalleled aura.

Chapter 1780: A Dominant Entrance

Luo Shang's words caused the entire audience to be shocked.

Refuse to submit?

This is outright defiance against the Demon God!

This is a serious crime, one that not only might lead to her death but could also involve the entire Phoenix Clan!

The Supreme Phoenix Emperor frowned deeply, clenching fists tightly, eyes filled with intense struggle.

She did not wish for her daughter to become a Divine Maid, but now that the Demon God has chosen her, public defiance would make their Phoenix Clan enemies of the entire Demon God Palace.

At that time, the Dragon Clan would definitely seize this opportunity to annihilate the Phoenix Clan completely.

To let all the thousands of people from the Phoenix Clan be buried along because of her own daughter?

That is absolutely not something the Phoenix Emperor could do.

But her own daughter...

Originally thought that with Sikong Bo dead, her daughter would no longer have to suffer humiliation.

But she never expected that she would be chosen by the Demon God to become a maid.

"Luo Shang, do you know the consequences of openly defying the Demon God?" Sikong Wushang said coldly.

"I know, annihilate in both form and spirit!" Luo Shang's expression did not waver in the slightest.

As if these four words were insignificant to her.

All the strong members of the Phoenix Clan around them turned pale.

"Humph, annihilate in both form and spirit? You're too naive to think so, you are the Princess of the Phoenix Clan and represent the entire Phoenix Clan. If you openly defy the Demon God Palace, the entire Phoenix Clan will have to pay." Sikong Wushang snorted coldly.

At this remark, the audience was in an uproar.

The Phoenix Emperor's face turned ashen, evidently as he had guessed.

Sikong Wushang would not let go of this opportunity.

"Phoenix Emperor, why not try persuading your daughter?" Sikong Wushang turned and sneered at the Phoenix Emperor.

The Phoenix Emperor furrowed her brow and looked at Luo Shang.

The latter also looked over, and there was a hint of hesitation in the Phoenix Emperor's eyes.

Then, as if making a cruel decision, the Phoenix Emperor directly announced, "From this day forth, Luo Shang is expelled from the Phoenix Clan and has no further ties with us."

The audience was immediately in an uproar.

Luo Shang expelled from the Phoenix Clan?

The surrounding people were full of surprise; they thought the Phoenix Clan would somewhat stand by Luo Shang, but never expected the Phoenix Emperor to directly announce her expulsion.

This method, though saving the Phoenix Clan, makes it a laughingstock to abandon one's own daughter.

Upon hearing this, Luo Shang was momentarily dazed.

But soon, she smiled, a bitter smile.

She recalled sitting on her father's shoulders when she was a child, life then was carefree.

Over the years, she gave her all for the Phoenix Clan.

Now she is tired and weary!

She's seen through some things.

In father's eyes, the Phoenix Clan always comes first.

But this time, she wants to live anew; only through this nirvana can she achieve true rebirth.

"Sister Huo, what will you choose?" Luo Shang turned to look at Huo Tianqiu.

Huo Tianqiu's expression remained indifferent as always.

She flicked her hair tousled by the wind, and in a very calm tone said, "Naturally, I am like you, with a clear conscience. I announce my withdrawal from the Snake Clan, resigning from the position as Snake Clan Leader, to be succeeded by Huo Baiyu."

Her voice wasn't loud, yet it resonated through the scene.

In the past, she might have reluctantly accepted.

But now, she only seeks freedom.

Perhaps she was influenced by someone.

The surrounding crowd was immensely surprised.

This Huo Tianqiu also dares to defy the Demon God Palace, does she really not want to live?

Luo Shang's pride can be understood, being from the high and mighty Phoenix Clan, unwilling to accept such an ending, but as a girl from the Snake Clan, what right do you have to refuse?

"Two self-righteous fools," the Nine-tailed Fox Girl spat disdainfully.

What's wrong with ascending to the Divine World?

To serve the Demon God is the utmost honor.

This should be a glorious thing, something that deserves endless praise, but now these two proud people make it seem like something lowly.

How could this not make her angry?

"Expelled from the Phoenix Clan, resigned from the Clan Leader? Do you really think you can escape the consequences this way? The Demon God Palace has its rules; those who dare defy the Demon God's command not only face death but their entire Demon Clan will bear the cost. Where is the Law Enforcement Hall!" Sikong Wushang shouted coldly.

Immediately, over a dozen Demon Emperor Level experts flew in.

Following them were thousands of Demon God Palace enforcement warriors.

These warriors were at least at the Demon King Level.

"Sister, what do we do now?"

"Father, please save Sister."

Luo Xi'a was instantly extremely anxious.

However, the Phoenix Emperor shook her head, using her Mixed Element Demon Power to confine Luo Xi'a, and handed her to a clan elder for custody.

And many Phoenix Clan strong members watched this scene, all took a step back, seemingly with no intention to intervene.

Luo Shang mocked herself with a smile in her heart.

This is the race she lived for tens of thousands of years, once held as supreme honor, noble.

Yet who would have thought, it was so deplorable.

"Clan Leader! I'll fight with you." Huo Baiyu did not retreat but stood with Huo Tianqiu.

Huo Tianqiu shook her head.

With a palm strike to Huo Baiyu's chest, a burst of power instantly knocked her unconscious.

Flying off into the distance.

A girl from the Snow Demon Clan, friendly with the Snake Clan, supported Huo Baiyu.

Obviously, Huo Tianqiu had long known Huo Baiyu would be unwilling, so everything was arranged long ago.

"Attack!"

The Law Enforcement Hall Elder looked toward Luo Shang and the others, and directly launched an assault.

Thousands of demon clan experts, dozens of Demon Emperors, mostly at the Demon Emperor Peak Level.

This lineup was extremely formidable.

Not just two Demon Emperors, even more could never hold them back.

Luo Shang and Huo Tianqiu gripped their swords tightly.

They could only fight to the death.

"Buzz!"

Yet just as everyone thought the battle was about to commence.

A terrifying golden Sword Radiance descended from the sky, directly targeting the Law Enforcement Hall.

The aura upon it was extremely terrifying.

Terrifying enough to contend against the entire Law Enforcement Hall.

The many elders of the Law Enforcement Hall saw this and immediately joined forces to block it.

"Boom!"

The terrifying golden Sword Radiance exploded, forcing the many Law Enforcement Hall elders back a few steps.

This scene shocked everyone present.

Even the Three Emperors showed expressions of surprise.

Someone could actually withstand the attack of a dozen Demon Emperor level experts.

"Who?"

A leading elder of the Law Enforcement Hall immediately roared.

Luo Shang and Huo Tianqiu also turned to look into the distance.

Only to see two figures stepping through the air.

A man and a woman.

The man dressed in a golden dragon robe, commanding and charismatic, unparalleled elegance.

The woman wearing a red dress, crimson like fire, enchanting all beings.

At this moment, everyone was stunned.

Such a strong oppressive presence.

Luo Shang and Huo Tianqiu, upon seeing the two, had their bodies suddenly tremble.

Their fiery red lips trembled.

They've come out?
