

## **Divine King 1781**

Chapter 1781: Sikong Wushang

"It's him!"

Luo Xi'a's face immediately showed a look of surprise.

The people in the Demon God Palace were also surprised.

Apparently, they had all recognized Xu Nian.

After all, Xu Nian had previously participated in a life-and-death battle at the Demon God Palace.

That battle left a deep impression on many strong demon god palace members.

However, wasn't this guy just at the Quasi-Devil Emperor level?

How could he suddenly contend with more than a dozen Demon Emperor powerhouses?

Xu Nian descended from the sky with Luo Blood, landing beside Luo Shang and Huo Tianqiu.

"We didn't arrive too late, did we?" Xu Nian said with a smile.

"Not late, just in time, but you'd better not get involved in this matter," Huo Tianqiu said.

Even with Xu Nian's arrival, it was of no use in this battle.

After all, they were now fighting against the entire Demon God Palace.

If Xu Nian got involved, it could very likely drag him down.

"Right, you shouldn't get involved, this is our own affair," Luo Shang agreed.

Although very happy that Xu Nian could escape from the Ancient Divine Prohibition,

she still did not want Xu Nian to get involved.

"A human? Why does he have the aura of my Dragon Clan, and the robe he's wearing seems to be..."

At this moment, Sikong Wushang was also examining Xu Nian.

Despite Xu Nian concealing his aura, Sikong Wushang still keenly sensed the Dragon Clan aura on him.

Moreover, the aura of this Dragon Clan bloodline was so strong that even the depths of his own bloodline trembled.

The only thing that could make his bloodline tremble was the legendary Supreme True Dragon Bloodline.

A Supreme True Dragon Bloodline appearing in a human, how could it not make him feel astonished?

"Earlier, you said you sensed the aura of the Supreme Dragon Emperor, it seems it wasn't an illusion," Sikong Wushang said, looking at the White Dragon Emperor beside him.

The White Dragon Emperor was startled, then quickly turned to look at Xu Nian.

"You mean he possesses our Dragon Clan's supreme bloodline? The aura I sensed was from him?" The White Dragon Emperor was a bit surprised.

Clearly, he hadn't expected Xu Nian to be the one with the Supreme Dragon Emperor bloodline.

"It should be him, and it seems his bloodline has evolved into a true Supreme True Dragon Bloodline, he must have obtained the blood of the Nine Great True Dragons from the Ancient Divine Prohibition," Sikong Wushang said, narrowing his eyes.

"The blood of the Nine Great True Dragons, all obtained by one person, how is that possible?" The White Dragon Emperor showed a look of astonishment.

"Although I also find it unbelievable, it is the truth, he indeed possesses a strong Supreme True Dragon aura, and Bor's death, said to be due to failing the inheritance trial, but I think there's more to it," Sikong Wushang's eyes glinted coldly.

Their gaze was razor sharp.

The White Dragon Emperor's expression also darkened, nodding.

Sikong Bo died in the ancient inheritance, yet this Xu Nian obtained all the true dragon bloodlines of the Dragon Clan.

Saying there's no connection is almost impossible.

Even if Sikong Bo failed the inheritance, it shouldn't have resulted in no Dragon Clan members returning.

There was no evidence of the murderer before, but now, Xu Nian is the prime suspect.

"And the most important point, look at his clothes, that should be a Supreme Divine Artifact, our Dragon Clan's Treasure," Sikong Wushang added.

"Dragon Clan's Treasure?" The White Dragon Emperor was shocked.

In their memory, there's a record about the Dragon Clan's supreme treasure.

What was recorded is none other than the Supreme Dragon Robe.

It is said that this Supreme Treasure can enhance its user's strength nearly fivefold.

Whether it's speed, strength, or soul power, it can be amplified.

Moreover, it's said that this item can be upgraded.

However, this treasure has always been a legend, never seen by anyone.

But now, hearing Sikong Wushang say this, he thought Xu Nian's clothing truly seemed extraordinary.

And this clothing was exactly as described in the inheritance memory.

"Our Dragon Clan's treasure, Dragon Clan's supreme bloodline, how can it fall into the hands of another clan, coupled with Bor's vengeance, we must not let this person go," Sikong Wushang declared.

The White Dragon Emperor nodded deeply.

It was not just any of the three points, but even one was enough reason to keep this young man here.

"You want me not to get involved, that's probably impossible, even if I don't want to get involved, others won't let me off," Xu Nian said with a smile, looking at the three on the platform ahead.

Luo Shang and Huo Tianqiu were also startled.

They seemed to understand something all of a sudden and involuntarily looked up at Sikong Wushang on stage.

Xu Nian naturally noticed the gazes of Sikong Wushang and the White Dragon Emperor.

His appearance here meant he had already prepared to face them head-on.

So he didn't plan on hiding at all.

Sure enough, Sikong Wushang spoke again.

"Kid, you entered my Demon God Palace with a Demon Clan identity as a Human Clan, what are you trying to do? Could you be a spy sent by the Immortal Realm?" Sikong Wushang questioned.

The audience immediately erupted in an uproar.

This Xu Nian is a Human Clan?

Isn't he from the Snake Clan?

However, when they looked at Xu Nian, they did find that he had a Human Clan soul aura.

"Is he really from the Human Clan?" Many of the surrounding Demon Emperor powerhouses were surprised.

Luo Xi'a was also shocked.

She had seen Xu Nian before and heard Xu Yu mention that her big brother was a Human Clan.

So Xu Nian's appearance left her very surprised.

This guy really came?

"I wasn't sent by the Immortal Realm, I came on my own, and my purpose in the Demon Realm wasn't to obtain any of your information, but to rescue my brother," Xu Nian answered seriously.

"Your brother? The Heavenly Dragon Divine Mountain holds only Demon Clan members, how could you, a Human Clan, have a Demon Clan brother?" the White Dragon Emperor questioned.

"My brother is indeed a Demon Clan, a Golden Crow Divine Eagle named Xu Yu, we both come from the Mortal World, we grew up together, to me, he is my brother," Xu Nian calmly replied.

Hearing this, the surrounding people were suddenly enlightened.

Yet they couldn't help but admire Xu Nian a bit.

A Human Clan entered the Demon Clan's Demon God Palace just to save his brother?

Was he not afraid of dying?

The White Dragon Emperor also understood, he finally knew why he had sensed a Supreme Dragon Emperor aura breaking into the Heavenly Dragon Divine Mountain before.

This also meant that the person he sensed that day was indeed the one in front of him.

"Hmph, no matter your reason, a Human Clan stepping into our Demon Clan forbidden area is a dead end, in addition, let me ask, did you kill my son Sikong Bo?" Sikong Wushang coldly questioned.

This question stirred up a thousand waves.

Everyone couldn't help but look at Xu Nian.

Luo Xi'a was also shocked.

Did this Xu Nian kill Sikong Bo?

Impossible!

Her sister clearly said Sikong Bo died during the Dragon Clan trial.

Luo Shang's eyelid twitched, and she felt a very bad premonition.

Sure enough, the secret of Xu Nian killing Sikong Bo was exposed.

Xu Nian chuckled lightly.

As expected, he couldn't hide it.

"That's right, I killed Sikong Bo, he deserved to die!" Xu Nian responded calmly.

The audience was in an uproar!

This guy really killed Sikong Bo?

And he dared to admit it?

Chapter 1782: Ultimate Clash of Physical Power

"Was it really he who killed Sikong Bo?"

Luo Xi'a was shocked beyond belief.

He originally thought it was fake, but didn't expect it to be true.

Did this guy really kill Sikong Bo?

Is he really not afraid of dying?

Luo Shang and Huo Tianqiu also looked puzzled; why did Xu Nian confess?

Sikong Wushang's eyes had narrowed completely, and an endless Killing Intent surged within them.

"Kid, you killed my son, do you know the cost?" Sikong Wushang snorted coldly.

"I really don't know," Xu Nian laughed.

No hint of panic on his face.

Many Demon Emperor experts couldn't help but gasp.

This guy actually dares to talk to Sikong Wushang like this.

"You killed my Dragon Clan Young Master, kid, you've committed a great crime. Law Enforcement Hall, capture them all," White Dragon Emperor commanded directly.

"Yes!" The Law Enforcement Hall immediately took orders.

The surrounding crowd quickly retreated, fearing to be caught up in the ensuing battle.

Luo Shang and Huo Tianqiu gripped their swords tightly, their gaze becoming extremely sharp.

Ready to face this fierce battle.

Yet Xu Nian walked out with a smile.

But as he stepped out, a terrifying Dragon Clan aura erupted from him.

"Roar!"

A terrifying dragon's roar came directly from within him.

With the sound of this dragon roar.

Everyone present felt a fear rising from the depths of their hearts.

Especially those Dragon Clan experts, who all turned pale.

But Xu Nian didn't stop walking.

With each step he took, his aura grew stronger.

By the third step, a ten-thousand-foot dragon shadow had appeared behind him.

Blotting out the sun, its aura oppressed the entire scene.

Those of the Law Enforcement Hall, which were mostly composed of Dragon Clan members.

At this moment, where did they have the strength to act?

That terrifying pressure pressed down on them completely.

"Boom!"

Aside from those dozen or so Demon Emperors, the Dragon Clan enforcement team behind them were all pressed to the ground.

And those dozen or so Demon Emperors also weren't feeling well; the terrifying pressure rendered them immobile.

Moreover, their knees were constantly trembling, as if they could kneel at any moment.

"This is..."

The surrounding crowd was dumbfounded.

Though Xu Nian's pressure wasn't deliberately targeting them, they still felt a fear rising from deep within their bloodline.

"Supreme True Dragon, the legendary supreme True Dragon Bloodline of the Dragon Clan," someone in the crowd exclaimed in astonishment.

The aura coming from Xu Nian was too terrifying; this terrifying Dragon Clan pressure was nearly a hundred times more frightening than Sikong Wushang.

Even Sikong Wushang felt a strong oppressive force at that moment.

"Is this the true Supreme True Dragon Bloodline?" The White Dragon Emperor was incredibly surprised.

Xu Nian's strength was entirely beyond his expectation.

Previously restrained, he hadn't thought much of it.

But now, under this terrifying oppression, he found that he couldn't exert his true power.

"Supreme True Dragon?" Luo Xia was extremely astonished.

The Phoenix Emperor standing on the platform was equally shocked.

He clearly understood what Supreme Dragon Emperor represented.

Xu Nian looked at the many Demon Emperors of the Law Enforcement Hall before him, sneering.

"Kneel to me!"

Xu Nian shouted loudly.

Behind him, the Supreme True Dragon let out a terrifying roar.

The terrifying dragon claw pressed fiercely onto the void.

With this press, it forced the dozen Demon Emperors to kneel abruptly.

Their knees smashed into the floor, shattering it into pieces.

At this moment, the entire Law Enforcement Hall was kneeling before Xu Nian, unable to move.

Yet Xu Nian stood like an unparalleled emperor, overlooking the world.

His aura domineering beyond ages.

At this moment, everyone felt like they were dreaming.

The entire Dragon Clan Law Enforcement Hall, with its proud bloodline, was kneeling before a Human Clan youth.

Such a scene, to say it's not shocking, they simply wouldn't believe.

Luo Shang and Huo Tianqiu were equally astonished.

Looking at Xu Nian's back, Huo Tianqiu and Luo Shang both felt a sense of being in a trance.

This man, with his own charisma, suppresses the entire Dragon Clan.

This terrifying charm, to say it's not heart-moving, is absolutely impossible.

Indeed, among the many Demon Clan women present, many looked at Xu Nian with admiration.

The aura from Xu Nian conquered them.

The Demon Clan is simply like this.

The stronger you are, the more you can attract the opposite sex.

This is a tradition that the Demon Clan has had for ages.

But Xu Nian did not care about these, he turned to look at the White Dragon Emperor and Sikong Wushang, revealing a faint mockery.

"White Dragon Emperor, Sikong Wushang, I possess the Supreme Dragon Bloodline, according to your Dragon Clan's rules, bloodline is supreme, shouldn't you also submit to me?" Xu Nian said coldly.

With these words, the whole audience was stunned.

Make the White Dragon Emperor and Supreme Dragon Emperor submit?

Probably only the Demon God Palace Master could achieve this.

The White Dragon Emperor and Sikong Wushang both clenched their fists; to say there's no feeling facing Xu Nian's supreme pressure is absolutely impossible.

The oppression from Xu Nian remained substantial.

"Hmph, it's true that my Dragon Clan holds bloodline supreme, but you as a Human Clan, even if you possess the Supreme Bloodline, you're not fit to make us submit. Our Dragon Clan's noble bloodline will not allow you to defile it. Today, I will personally kill you to avenge my son and cleanse the shame of my Dragon Clan," Sikong Wushang snorted coldly.

The Demon Emperor Perfection Level cultivation, instantly flared up.

At this moment, everyone could feel a powerful oppression.

"So strong!" Xu Nian also felt Sikong Wushang's aura.

He discovered Sikong Wushang forcibly repelled his Supreme Dragon Emperor aura.

It must be said, Sikong Wushang is indeed very strong.

"Meet your doom!"

Sikong Wushang appeared directly in front of Xu Nian, punching towards him.

This punch contained extremely terrifying gold light.

The fluctuation on the fist reached an extremely terrifying level.

This punch was enough to kill an ordinary Demon Emperor Peak expert.

So when seeing this punch, many Demon Emperor Peak experts around showed fear.

Sikong Wushang actually did personally strike?

Then isn't Xu Nian surely doomed?

"Let me see how hard your Supreme Dragon Emperor's fist really is!"

Just as everyone thought Xu Nian would choose to dodge.

Xu Nian also clenched his fist, punching out.

"Boom!"

The two fists collided.

Energy transformed into an endless energy storm, bursting instantly.

The surrounding crowd were pushed back several steps.

And when they looked at the center of the battle, they revealed surprised expressions.

Because they found that Xu Nian was standing unmovingly in place.

While Sikong Wushang was pushed back more than ten yards by this punch.

More than ten yards!

Sikong Wushang has always been recognized as the strongest physical body in the entire Demon Realm.

Few could withstand a punch from him.

But now, Xu Nian actually pushed Sikong Wushang back more than ten yards with one punch.

At this moment, they simply doubted their own eyes.

Luo Xia was shocked, her eyes wide in disbelief!

Is this guy really Xu Yu's older brother?

A Human Clan?

Chapter 1783: Battle with the Supreme Dragon Emperor

No one expected that one day, Sikong Wushang would actually find himself at a disadvantage in a physical confrontation.

"Boom!"

Sikong Wushang stomped and shattered the void, creating a terrifying sonic boom.

Only then did he stabilize his posture, dissipating the terrifying force on his body.

His gaze towards Xu Nian instantly became incredibly sharp.

He never imagined that the opponent's physical strength would surpass his own.

Moreover, the opponent's physical durability was also far superior to his.

In the past, such a thing was utterly impossible.

It should be known that his dragon scales have now reached the peak of a top-grade Divine Artifact.

Even some stronger Demon Emperors could not have any effect if they attacked him.

Xu Nian stood still, a faintly contemptuous smile on the corner of his mouth.

Ever since his bloodline evolved into the Supreme Dragon Emperor, his body had become comparable to a Low Grade Divine Artifact.

The power was extremely terrifying.

Plus, the amplification of the Supreme Dragon Robe on his body.

No matter how strong Sikong Wushang's body was, he could not be his match.

"Supreme Dragon Emperor, it seems your physical strength is nothing more than this," Xu Nian said with a light laugh.

Sikong Wushang was instantly furious.

"You're courting death!"

Sikong Wushang roared in anger.

Immediately, he activated the Gold Attribute Law.

Ten full law discs simultaneously appeared behind him.

The patterns on these law discs surged like golden flames.

As these law chains swayed, Sikong Wushang's whole body seemed to be bathed in golden light.

Not only that, but an incredibly terrifying golden law wave burst from his body.

"Buzz!"

As these law powers gathered.

The terrifying law wave instantly condensed into a giant golden lava sphere.

This lava sphere emanated an extremely terrifying temperature.

"It's actually the Gold Attribute Fierce Flame Golden Water Law," Xu Nian said with some surprise.

The Fierce Flame Golden Water Law is a very rare law within the Gold Attribute, and it's a First-grade Law.

Its power is exceedingly strong.

"The Supreme Dragon Emperor actually used the Fierce Flame Golden Water Law directly, it seems he is truly angry."

"Yes, this Fierce Flame Golden Water Law is very terrifying, fluid formed by gold elements, yet it possesses an extremely terrifying temperature, touching it would turn one to ashes."

"It is indeed very terrifying!"

...

Many Demon Emperor experts around discussed animatedly.

Among them were a few Demon Emperor Peak Experts.

As these people saw the sphere formed from the Golden Water, fear appeared in their eyes.

They could clearly feel the terrifying energy contained within the Golden Water Ball.

Xu Nian's gaze also became sharp.

Sikong Wushang's control over the law somewhat exceeded his expectations.

This Fierce Flame Golden Water Law is indeed difficult to defend against.

"Kid, no matter how strong your body is, I don't believe you can withstand my Fierce Flame Golden Water, go!"

Sikong Wushang snorted coldly.

Then he pushed hard with both hands.

That golden water sphere fiercely charged towards Xu Nian.

This golden water sphere was not actual water, but a liquid formed from metal.

The terrifying temperature within had already reached an incalculable level.

Such a temperature could instantly melt a top-grade Divine Artifact.

At this moment, the golden water sphere was speeding towards Xu Nian.

Naturally, Xu Nian was not careless and wouldn't try to catch it with his hands.

However, to think that such an attack could kill him was really to underestimate him.

"Heaven Suppressing Seal!"

Xu Nian instantly condensed a divine seal.

A terrifying divine pattern imprint surged out, directly colliding with the golden water sphere.

"Boom!"

The Heaven Suppressing Seal collided directly with the Golden Water Ball.

Instantly blocking that golden water sphere.

Everyone around was surprised to see this scene.

This Xu Nian is truly formidable, able to block the golden water sphere.

In the view of many Demon Emperor Peak Experts, that was almost an impossible thing to do.

But Xu Nian managed to do it.

"Huh, this guy disappeared."

At this moment, someone exclaimed suddenly.

People around looked towards Xu Nian's direction, only to find that Xu Nian had vanished into thin air.

Sikong Wushang was also stunned, obviously not expecting Xu Nian to suddenly disappear.

"Boom!"

Just then, Xu Nian's figure suddenly appeared behind Sikong Wushang.

Six Paths Reincarnation Fist slammed out directly.

The Six Paths Reincarnation scene behind Xu Nian was five times bigger.

The power directly reached a terrifying level.

Sikong Wushang clearly didn't expect Xu Nian to suddenly appear behind him.

He hurriedly mobilized his full strength to resist.

"Boom!"

A loud explosion.

Sikong Wushang's entire body was sent flying backward.

The dragon scales on his arm exploded open.

Everyone around was amazed to see this scene.

Xu Nian actually overpowered Sikong Wushang?

But Sikong Wushang was no weakling either.

While being sent flying, he instantly activated the Gold Attribute Law, and two streams of golden water turned into water dragons, rushing towards Xu Nian.

An extremely terrifying temperature.

The rapid spinning tearing.

Made the power of these two water dragons reach an even more terrifying level.

However, just as everyone thought Xu Nian would desperately resist, Xu Nian's figure directly vanished from the spot.

"Uh? Disappeared again. Is it Instant Teleportation?"

Everyone around was surprised.

"No, it's the Space Law; he must have used a space law that allows him to traverse the void," a powerhouse spoke up.

"Space Law?"

Everyone around was astounded.

What does the Space Law represent?

It's a supreme law.

How many different laws has this Xu Nian comprehended?

Luo Shang was utterly shocked in her heart.

Xu Nian actually knew the Space Law.

It seemed there was nothing this guy couldn't do.

Truly a monster!

Huo Tianqiu felt the same way.

Of course, the most surprised was Luo Xia; it was her first time seeing Xu Nian make a move.

So it was also the first time she learned about Xu Nian's strength.

Seeing Xu Nian actually crush Sikong Wushang, she was so shocked she stood there frozen.

"Buzz!"

At this moment, a terrifying golden light shot from the void.

Rushing directly at Sikong Wushang.

This was a golden ring.

"Golden Exile?"

Everyone around was amazed.

Luo Xia was also shocked.

Because this move was precisely her mother's.

How did Xu Nian master her mother's technique?

Sikong Wushang was truly enraged.

"You're courting death!"

Sikong Wushang was furious.

The golden molten iron behind him suddenly shot out, clashing with the golden ring.

The terrifying void collapsed in an instant.

Forming a terrifying black hole.

Endless spatial turbulence surged.

Sikong Wushang retreated instantly.

However, Xu Nian didn't care about this spatial turbulence at all.

The storm formed by the spatial turbulence blew against his body, but it couldn't hurt him at all.

After all, he was wearing a Chaos Treasure.

But to those around, this was inconceivable.

Chapter 1784: Sikong Wushang Gravely Wounded

"Indeed, it is our Dragon Clan's treasure. Kid, where did you get this Supreme Dragon Robe on you?"

Sikong Wushang stared at the dragon robe on Xu Nian's body, eyes filled with intense greed.

The reason he hasn't crossed the Tribulation is because he lacks confidence.

However, if he could obtain the Supreme Dragon Robe, he would easily pass the Divine Tribulation.

"I must take this treasure." Sikong Wushang's eyes sparked with a keen killing intent.

At this moment, he wanted to kill Xu Nian more than avenging the death of Sikong Bo by his hand.

After all, a child can be born again.

But there is only one chaos treasure.

Xu Nian walked through the sky, the space rift behind him closed again.

The terrifying space turbulence did not affect him in the slightest.

From this, it can be seen that the Supreme Dragon Robe is indeed extraordinary.

"Kid, I didn't expect our Dragon Clan's treasure to really be on you. Tell me, where did you steal it from?" Sikong Wushang immediately questioned.

Dragon Clan's treasure?

The surrounding people showed looks of surprise.

White Dragon Emperor was also shocked, looking at the dragon robe on Xu Nian with astonishment.

Supreme Dragon Robe?

Does this guy really have their Dragon Clan's treasure?

This treasure has only been heard of in the inheritance memory but never seen.

However, the dragon robe Xu Nian was wearing is exactly identical to the treasure in the inheritance memory.

And just now, this robe could actually block the space turbulence, which no ordinary treasure could resist.

So, he is sure that the dragon robe on Xu Nian is ninety percent their Dragon Clan's treasure.

A Dragon Clan treasure worn by a member of the Human Clan is the greatest humiliation to the Dragon Clan.

Therefore, at the moment, White Dragon Emperor's gaze also became fierce.

"Steal?"

Xu Nian laughed lightly.

This treasure was personally given to him by the Supreme Dragon Emperor.

How could it be that he stole it?

"Sikong Wushang, if you want to seize the treasure on me, just say so, why pin the crime of a thief on me?" Xu Nian sneered.

How could he not see Sikong Wushang's intentions?

The greed in Sikong Wushang's eyes was about to overflow.

Yet, this guy had to find an excuse, showing how shameless he was.

"This treasure belongs to our Dragon Clan, you a Human Clan member, what right do you have to wear this robe?" Sikong Wushang snorted.

"Haha, if I am not qualified, are you qualified? First, you say that possessing your Dragon Clan's supreme bloodline is a humiliation to your Dragon Clan, now you say I am unworthy of wearing your Dragon Clan's treasure robe. Why don't you ask whether your Dragon Clan's supreme blood and treasure are worthy of me?" Xu Nian sneered.

His eyes carried a trace of arrogance.

As these words came out, the whole place was in an uproar.

Such arrogant words, everyone knows that the Dragon Clan's bloodline is almost the strongest among all races.

So, the Dragon Clan always prides itself on their noble bloodline.

While the Human Clan's bloodline is even inferior to some ordinary Demon Beasts, how can it be compared to the Dragon Clan?

But Xu Nian said the Dragon Clan's bloodline does not match him. What is this arrogance?

Sikong Wushang's gaze instantly became cold.

"I admit your physical strength is strong, and you have mastered the Space Law, indeed possessing the capital for arrogance, but you still underestimate our Dragon Clan. Kid, let me show you the true power of Sikong Wushang." Sikong Wushang's gaze was extremely fierce.

In the next moment, his hand suddenly lifted.

The Gold Attribute Law exploded to the extreme.

"Boom!"

A massive ocean of golden attribute liquid descended from the heavens, forming an immense wave.

The terrifying golden water transformed into a massive giant wave, fiercely crashing toward Xu Nian.

The surrounding crowd inhaled sharply.

"Is this Sikong Wushang's Golden Giant Wave?" The crowd inhaled sharply.

Everyone saw the Golden Giant Wave retreating backward.

If touched by this terrifying wave even slightly, it would lead to a fate of no remains.

"Let's see how you withstand my Golden Giant Wave."

Sikong Wushang's gaze became more intense.

In his view, Xu Nian absolutely cannot withstand this strike.

In the distance, Huo Tianqiu and Luo Shang also furrowed their brows.

This strike from Sikong Wushang is just too strong; facing this terrifying strike, they have no confidence they could resist.

So, they are worried if Xu Nian can withstand this strike.

Xu Nian looked at the terrifying oppressive giant wave, a hint of disdain flashed in his eyes.

"Is this your strongest attack, Sikong Wushang? Looks like you're nothing." Xu Nian sneered.

A God Sword appeared in his hand.

When Xu Nian gripped the sword's hilt, a tremendous power exploded from his body.

"Buzz!"

One of the Four Great Secret Skills of the Nine-Headed Snake Emperor.

Sword of Divine Fall!

"Buzz!"

The God Sword in Xu Nian's hand emitted an extremely strong radiance.

In the next moment, the God Sword in his hand exploded with tremendous waves.

An extremely sharp golden Sword Radiance erupted from the long sword in Xu Nian's hand.

Instantly transforming into thousands of feet long.

"Cut!"

Xu Nian swung his sword down.

Directly cleaving the giant wave.

"Boom!"

The terrifying giant wave was directly sliced in two by Xu Nian.

Originally, the Nine Infant Avatar's secret technique is equivalent to divine skills, along with the Supreme Dragon Robe's enhancement, the power surged to the extreme.

Successfully blocking Sikong Wushang's attack.

"What?"

Sikong Wushang was immediately shocked.

Clearly not expecting Xu Nian to block his Golden Giant Wave.

"Buzz!"

However, before his surprise subsided.

An extremely sharp Sword Qi shot out from the Nihility Space.

Xu Nian, holding the God Sword, with sword Qi surging, reached the pinnacle of sharpness.

Second of the Four Great Secret Skills of the Nine Infant Avatar, Sword One Qi!

The golden Sword Radiance in Xu Nian's hand condensed to the extreme, forming an extremely slender Sword Qi.

This Sword Qi, although thin, is more terrifying in power than Sword of Divine Fall.

"Eh?"

Sikong Wushang was suddenly shocked and lost color.

At this moment, he felt a tingle on his scalp.

Without any hesitation, he directly summoned his Reversed Scale for defense.

"Pfft!"

However, Xu Nian's sharp sword still pierced through his Reversed Scale, stabbing his chest.

Blood splattered!

Sikong Wushang was instantly wounded by Sword Qi.

But just as Xu Nian was about to launch a second attack.

Sikong Wushang's body exploded with a terrifying wave, instantly blasting Xu Nian away.

Xu Nian retreated hundreds of feet away.

Looking at the violently breathing Sikong Wushang, his gaze became fierce.

At this moment, Sikong Wushang's aura wildly swayed, his hair behind him surged like countless golden serpents.

"You forced me!"

Sikong Wushang clutched his chest, eyes falling into a hysterical state.

Everyone couldn't help but gasp.

Has Sikong Wushang really been pushed to this point?

Chapter 1785: Demon God Palace Master

Sikong Wushang's aura surged wildly, and his entire being transformed into his true form.

The terrifying true dragon body was tens of thousands of feet long.

The enormous dragon claw descending from the sky, obscuring the sun and sky, seemed as if it wanted to crush Xu Nian completely.

This claw contained extremely strong law power.

The surrounding people were astonished.

Sikong Wushang is going mad!

With one claw, the entire square of the Demon God Palace would be completely destroyed.

All the Demon Emperor Peak experts around fled away from the square.

The dragon claw pressed down, and even before it fell, it had already formed an incredibly terrifying blast.

The ground began to crack.

Xu Nian stood proudly on the spot, looking at the pressing dragon claw with a hint of disdain in his eyes.

"Cut!"

Xu Nian didn't waste any words, directly mobilizing the green gold energy on his Chaos Green Lotus.

And then Supreme Sword Intent!

"Psssh!"

The dragon claw slapped by Sikong Wushang was instantly sliced in half.

Not only the dragon claw, but half of Sikong Wushang's body was cut down.

Blood poured out, a blur.

The surrounding people almost bulged their eyes out.

One sword cut off half of Sikong Wushang's body.

How is this possible?

The people around witnessing this moment became petrified in shock.

Although they knew Xu Nian was strong enough to compete with Sikong Wushang.

They never expected Xu Nian could reach this level of power.

Luo Xia was extremely shocked, having never imagined Xu Nian could be so powerful.

A human!

Xu Yu's big brother?

Although she had long heard Xu Yu boast about how powerful her big brother was, she never really paid it any mind.

But now seeing Xu Nian so strong, she realized how naive she had been.

"Roar!"

Sikong Wushang let out a roar.

He wanted to regain his body, but he found that the wound sliced by Xu Nian was filled with a green gold energy.

This mysterious force couldn't be dispelled.

Unable to dispel it, he couldn't reunite his body.

This filled him with extreme anger.

A human, how could he possess such power?

Xu Nian looked at Sikong Wushang in the sky, a hint of disdain flashed in his eyes.

Raising the God Sword in his hand again, the green gold energy surged within him once more.

Through this display, Xu Nian discovered that the Supreme Dragon Robe could even amplify his Chaos Green Lotus power by five times.

This allowed him to use what he originally could only wield once, five times simultaneously.

Five times!

This meant, Xu Nian could simultaneously slay five Demon Emperor Perfection Level experts.

"Hum!"

As Xu Nian raised the God Sword, a terrifying ripple instantly erupted.

At this moment, the Sword Radiance in Xu Nian's hand made everyone present tremble with fear.

Even the White Dragon Emperor and Phoenix Emperor were no exceptions.

As for the Supreme Dragon Emperor, his eyes were more solemn than ever.

He felt a death was imminent.

He was sure if Xu Nian's sword fell, his entire body would be split in two.

Sikong Wushang immediately wanted to utilize his lifesaving means.

However, these were prepared for crossing the Divine Tribulation.

"Die!"

Xu Nian showed no hesitation, slicing downward with his sword.

The terrifying Sword Radiance instantly tore through the sky.

As if wanting to cleave the whole world in two.

The surrounding people watched this spectacle with expressions of utmost shock.

Could it be that Sikong Wushang might really be slain by Xu Nian?

"Enough!"

Just as everyone thought Sikong Wushang would be slain.

A roar echoed.

Then a terrible energy wave suddenly struck from the void.

Directly smashing Xu Nian's Sword Radiance to fragments.

"Hall Master? The Hall Master intervened!"

The sudden energy made everyone present exclaim again.

Nobody expected the Hall Master would act.

Xu Nian also looked up in surprise to the sky.

The Demon God Palace Demon Emperor, is that the Hall Master?

Finally, he is showing himself?

A man wearing a black robe walked out of the sky.

This man's eyes were unexpectedly a bizarre purple.

His presence immediately formed a powerful sense of oppression.

This pressure made everyone present have an overwhelming sense of suffocation.

This awe was similar to Xu Nian's Supreme Dragon Power.

Even slightly surpassing Xu Nian's Supreme Dragon Power.

"Chaos Divine Beast?"

Xu Nian immediately assessed the true form of this Demon God Palace Hall Master.

The Hall Master should be akin to his own Undying Devouring Sky Beast, one of the four Chaos Divine Beasts.

Still unclear on exactly what the Hall Master's true form was.

"Hall Master!"

Many demon beasts below kneeled down.

Each filled with respect in their eyes.

Even the White Dragon Emperor, Sikong Wushang, and others showed signs of respect.

Xu Nian's brows furrowed slightly.

This Hall Master sure seemed strong.

By Xu Nian's estimate, the Hall Master had at least demigod-level strength.

"Xu Nian, don't engage with the Hall Master. His strength is overwhelming, my father would be instantly killed before him." Luo Shang hastily communicated to Xu Nian.

"Instantly killed?" Xu Nian was somewhat surprised.

Unexpectedly, Luo Shang would voice a warning to him.

"Hum!"

Suddenly, Xu Nian felt a sharp aura locking onto him.

This instantly gave Xu Nian a sense of danger.

"Such strong oppression!"

Xu Nian looked towards the sky, the Demon God Palace Hall Master was now focused on him.

A mere glance could make him sense the peril.

This Demon God Palace Hall Master was truly powerful.

"Are you Xu Nian?" The Demon God Palace Hall Master looked at Xu Nian and asked.

"Uh?" Xu Nian was taken aback.

Unexpectedly, the Hall Master would ask that.

"The Hall Master has heard of me?" Xu Nian asked in surprise.

"I've heard of you. Meeting today proves to be extraordinary. To confront Sikong Wushang this way, among the entire Demon Realm, besides me, you might be the second." The Demon God Palace Hall Master said.

Xu Nian was even more surprised hearing this.

Who spoke to the Hall Master about him?

Sikong Wushang on the side heard and clenched his fist, eyes filled with unwillingness and anger.

"Hall Master, this man is from the Human Clan, certainly here for some ulterior motives, he absolutely can't be let off." Sikong Wushang quickly said.

"Silence! When is it your place to instruct me?" The Demon God Palace Hall Master snorted coldly.

Hearing this reprimand, Sikong Wushang instantly closed his mouth.

For a moment, everyone felt surprised.

What is this Demon God Palace Hall Master's intent?

Wasn't he coming out against Xu Nian?

Xu Nian was also somewhat puzzled.

He was unsure of this Demon God Palace Hall Master's attitude.

"Do not fret, I will not act against you for now, first finish participating in this Demon God's arrival ceremony." The Demon God Palace Hall Master said.

Xu Nian was stupefied!

For now?

"What about them?" Xu Nian pointed to Luo Shang and Huo Tianqiu.

"That I have no authority over, leave it to the Demon God to decide." The Demon God Palace Hall Master replied.

Upon hearing this, Xu Nian's brow furrowed.

If the Demon God still insists on making Luo Shang and Huo Tianqiu handmaidens.

This matter remains unresolved!

Chapter 1786: The Descent of the Demon God

Xu Nian did not refuse the Demon God Palace Master's proposal.

As for the Demon God Palace Master, Xu Nian was not confident that he could defeat him.

As for Sikong Wushang, this Demon God Palace Master would not allow him to be killed, so he could only look for another opportunity for now.

"Since you agree, let's continue with the Demon God Advent Ritual." The Demon God Palace Master announced.

Upon hearing this, everyone around was extremely surprised.

Unexpectedly, the Demon God Palace Master did not make things difficult for Xu Nian.

Although he seemed to be neutral, after all, Xu Nian wanted to kill one of the Three Emperors of the Demon God Palace, the Supreme Dragon Emperor.

This was, in essence, siding with Xu Nian.

This made everyone curious about why the Demon God Palace Master was so friendly towards Xu Nian.

Sikong Wushang clearly sensed this point.

Including the White Dragon Emperor and Phoenix Emperor, they also noticed something.

They were all somewhat surprised in their hearts.

"Xu Nian, thank you." Luo Shang approached, expressing her gratitude to Xu Nian.

"Thank me for what? The matter hasn't been resolved yet. If the Demon God does decide to take you as maids, I'm really not sure I can stop him." Xu Nian replied.

"Whether successful or not, I must thank you." Luo Shang firmly stated.

Actually, if Xu Nian hadn't intervened, they probably couldn't even stand against the Law Enforcement Hall of the Demon God Palace.

After all, they did not possess the Supreme Dragon Power that Xu Nian had, which could suppress the entire Demon God Palace.

"Indeed, we must thank you. I didn't expect you would defeat Sikong Wushang." Huo Tianqiu couldn't help but say.

When she first saw Xu Nian, although his strength was quite strong, it was still limited.

But now, Xu Nian's strength was second only to the Demon God Palace Master.

The strength of the Demon God Palace Master?

No one knows precisely how deep it is.

Because no one has ever survived one of his moves.

His strength is terrifying.

Terrifying enough to instantly vanquish Sikong Wushang.

"Xu Nian, do you know the Palace Master?" Luo Shang asked.

"I don't. It's the first meeting." Xu Nian shook his head.

"Then how did the Palace Master let you off so easily." Luo Shang asked.

In her mind, if the Demon God Palace Master wanted to kill Xu Nian,

it would definitely not be difficult.

"I don't know either, I'm also very puzzled." Xu Nian replied.

Luo Shang was even more surprised upon hearing this.

Xu Nian himself doesn't even know?

"Buzz!"

Just as Xu Nian was astonished.

The Demon God Palace Master instantly condensed a powerful Divine Talisman.

Once this Talisman appeared, it merged into a giant stone pillar in the grand hall square.

The next moment, an extremely complex Divine Pattern emerged on the stone pillar.

These Patterns contained incredibly powerful spatial fluctuations.

With the appearance of these fluctuations, the entire Void began to shake violently.

"Buzz!"

A Divine Light seemed to penetrate from the depths of the Void.

It instantly struck a massive platform at the forefront of the square.

The platform instantly cracked.

"Boom!"

A figure suddenly descended from the Heavenly Dome above.

The next moment, a figure radiating endless Divine Light appeared in everyone's vision.

The intense light made it difficult for everyone present to open their eyes.

However, the powerful aura emanating from that Divine Light figure made everyone present tremble.

"Is this the real Divine Power? So terrifying!" Xu Nian was amazed in his heart.

He felt his strong aura was completely incomparable to the owner of the Divine Light figure.

Like a speck of dust in the ocean, seemingly ready to be swallowed at any moment.

"What level of a Divine-level expert is she?" Xu Nian couldn't help but murmur in his heart.

A Divine-level expert, perhaps not this strong?

Could it be a God?

"Early Level of God?" Emperor Ye Tian's surprised voice echoed in Xu Nian's mind.

Xu Nian was startled.

It really is an Early Level God expert.

Could such an expert descend into the Immortal, Demon, and Devil World?

"Master Ye Tian, how can a God descend into the Demon Realm?" Xu Nian asked in surprise.

"She suppressed her cultivation, reducing her power to the Demon Emperor Perfection Level, and certainly that's not enough on its own. She likely possesses a powerful Innate Treasure that can obscure the secrets of heaven, allowing her to descend into the Demon Realm." Emperor Ye Tian's voice echoed in Xu Nian's mind.

Xu Nian suddenly understood.

He didn't expect this God-level expert to possess an Innate Treasure.

The so-called Innate Treasure is a grade lower than a Chaos Treasure.

Although this level of treasure is slightly inferior to a Chaos Treasure, it is not something an ordinary Divine-level expert can possess.

Even many Divine Kings may not possess an Innate Treasure.

So for this God to have an Innate Treasure, it suggests she indeed has a remarkable background.

"Welcome, Demon God!"

Instantly, a section below fell to their knees.

Even the Demon God Palace Master knelt down in mid-air.

Luo Shang, Huo Tianqiu, and others were no exception.

Everyone present except Xu Nian knelt down.

"Buzz!"

The Divine Light dissipated.

An absolutely beautiful, cold, and alluring figure appeared in everyone's vision.

This figure was wearing a red and white battle armor, giving off an extremely cold feeling.

Xu Nian was instantly shocked.

Indeed, he was stunned by the beauty of this woman.

He never expected that the one who descended was a Female Demon God.

Many in the crowd also showed a look of surprise.

Clearly, they didn't expect the one who descended would be a Female Demon God.

Huo Tianqiu and Luo Shang were also stunned.

The Female Demon God's gaze swept across the crowd, finally landing on Xu Nian, who remained standing.

"Human Clan, Supreme True Dragon Bloodline?"

A trace of surprise flashed in the Female Demon God's eyes.

Apparently, Xu Nian's physique had caught her attention.

For a human to possess the Supreme True Dragon Bloodline, this was obviously a highly unusual occurrence.

Xu Nian, at this moment, felt a sense of being seen through.

His whole body was cold.

He was certain that if the Female Demon God wanted to kill him,

it would be an effortless task.

"So powerful, in front of her, I am just an ant, and this is with her cultivation suppressed. Without suppression, who knows how powerful she could be." Xu Nian thought in his heart.

The cultivation level the Female Demon God revealed now was also Demon Emperor Perfection.

But the aura she was exuding was very terrifying.

"Everyone, rise!"

But soon, the Female Demon God withdrew her gaze.

She spoke faintly.

Her voice was extremely pleasant, though the tone carried an air of majesty and coldness.

Upon hearing this, everyone stood up.

Many male demons felt a sense of suffocation upon seeing the Female Demon God's absolute beauty.

Heroic and valiant!

This was probably the best description of her.

An indescribable heroic spirit was present on her.

"Demon God Lord, I am the Demon Realm's Demon God Palace Master, welcome to the Demon Realm."  
The Demon God Palace Master said.

The Female Demon God waved her hand dismissively.

"Enough with the nonsense, start directly." The Female Demon God said indifferently.

The Demon God Palace Master nodded promptly upon hearing this.

"I announce the official start of the Demon God Advent Holy Scripture." The Demon God Palace Master announced.

Chapter 1787: The Chosen One

With the announcement from the Demon God Palace Master, the entire audience instantly erupted.

"Demon God Lord, according to tradition, we always select three attendants for you, and these attendants will be imprinted with your Divine Slave Seal. However, currently, two women refuse to submit, unwilling to become your attendants, and have privately broken your seal, not respecting you at all," Sikong Wushang seized this opportunity to speak up.

Since he couldn't kill Xu Nian, he hoped the Female Demon God would take action.

He didn't believe that Xu Nian could withstand the attack from the Female Demon God.

If Xu Nian continued to protect Luo Shang and Huo Tianqiu, he would inevitably clash with the Female Demon God.

At that time, Xu Nian would have no escape but death.

Upon hearing Sikong Wushang's complaint, Xu Nian furrowed his brow slightly.

Sikong Wushang was simply courting death.

Luo Shang and Huo Tianqiu also couldn't help but feel nervous.

"Oh? Who are they?" The Female Demon God showed a hint of surprise.

She was aware of the tradition of selecting attendants for the descending Demon God.

This was a longstanding custom of the Demon God Palace.

She just hadn't expected that it would be a privilege for many women, that someone would refuse.

It sparked her curiosity.

"It's them, one is from the Phoenix Clan named Luo Shang, and the other is from the Snake Clan named Huo Tianqiu," Sikong Wushang immediately responded with smugness.

Then he glanced at Xu Nian, his gaze filled with a mocking smile.

As if saying, "Xu Nian, just wait to be crushed by the Female Demon God."

Xu Nian's gaze was icy, and he remained silent, looking toward the Female Demon God.

At this moment, the Female Demon God also looked at Luo Shang and Huo Tianqiu.

Her eyes bore a hint of surprise.

"So it's the True Bloodline of the Seven-Colored Phoenix, and the Xiang Liu Bloodline of the Snake Clan. Both these bloodlines have reached True Beast Level, no wonder they're unwilling to be attendants," the Female Demon God said in astonishment.

"Demon God Lord, even if their bloodlines are formidable, they must be punished severely for disregarding you," Sikong Wushang said immediately.

However, the Female Demon God ignored Sikong Wushang and instead took a step forward.

She directly appeared in front of the two.

"Both are of extraordinary appearance. Tell me, why do you refuse to be my attendants?" the Female Demon God asked.

Luo Shang and Huo Tianqiu were taken aback.

Clearly, the speed of the Female Demon God was astonishing to them.

Xu Nian was also extremely shocked at this moment.

The Female Demon God had appeared behind him without his detection, this terrifying speed.

It was certain; if she wanted to kill him, it would be effortless.

Luo Shang hesitated upon hearing the Female Demon God's question, then her gaze became resolute: "I wish to become independent and a god, not a slave to anyone."

"I am the same!" Huo Tianqiu echoed, firmly.

Then there was a moment of silence.

The Female Demon God scrutinized the two without speaking.

The surroundings fell silent.

They watched the Female Demon God's expression, trying to discern her attitude.

But they couldn't detect any clues.

Xu Nian also furrowed his brow.

Fearing that the Female Demon God might suddenly act and directly strike down Luo Shang and Huo Tianqiu.

"Haha, not bad. Since you wish to become independent gods, congratulations, you're free. You don't need to be attendants, but if you're willing, you can become my soldiers. Here is my Token. In the future, if you enter the Divine World, you can use this Token to find me." The Female Demon God laughed heartily.

This statement shocked the entire audience, astonishingly.

The Female Demon God didn't pursue the disrespect of Luo Shang and Huo Tianqiu?

She even gave them Identity Tokens, allowing them to become warriors under her command?

Being subordinates to the Female Demon God is entirely different from being attendants.

This was respect for Luo Shang and Huo Tianqiu.

Luo Shang and Huo Tianqiu were also extremely surprised.

They hadn't expected the Female Demon God would incorporate them under her command.

"What? You don't wish to be my subordinates either?" The Female Demon God teased slightly.

"Willing, we are willing. Thank you, Lord!" Luo Shang and Huo Tianqiu quickly accepted the Tokens respectfully.

"Haha, then I'll be waiting for you in the Divine World," the Female Demon God laughed heartily.

Then she returned to the stage.

The audience was astonished as if she had performed Instant Teleportation.

Xu Nian was somewhat satisfied with this outcome.

As long as Luo Shang and Huo Tianqiu were not forced to be attendants, whatever they choose is entirely their own will.

Moreover, being subordinates to the Female Demon God is much better than being attendants.

"Demon God Lord, are you really going to let them go?" Sikong Wushang was evidently unwilling.

"Hmph! When have I ever been questioned in my actions?" The Female Demon God snorted coldly.

Her figure erupted with a powerful aura, instantly knocking Sikong Wushang to the ground.

"Pfft!"

Sikong Wushang spat a mouthful of blood.

His eyes filled with extreme unwillingness and anger.

But the opponent was the Female Demon God. No matter how unwilling he was, he swallowed his grievances.

"Alright, is there anything else? Continue!"

The Female Demon God commanded dominantly.

The Demon God Palace Master, hearing this, promptly resumed the ceremony for the Demon God's descent.

This ritual process is known as the ceremony of kneeling and worship.

Though cumbersome, it provides a certain amount of Power of Faith.

Thus, demon gods typically do not refuse.

Sure enough, as many Demon Emperors knelt in worship, the Female Demon God visibly garnered much enhancement from the Power of Faith.

It seemed to elevate her cultivation level by a notch.

Directly reaching the Middle Stage of God.

Yet, her apparent cultivation level remained at Demon Emperor Perfection.

"The ceremony is complete. Next is the Divine God's blessing. Please, Demon God, select a lucky person to be blessed," the Demon God Palace Master said.

Hearing this, the Female Demon God focused her gaze on the participants.

Xu Nian remained indifferent.

Because he knew the Divine God's blessing would definitely not select him.

After all, he was participating as a Human Clan member.

"Buzz!"

Amid everyone's anticipation.

The Female Demon God's gaze fell on Luo Blood beside Xu Nian.

"Buzz!"

The next moment, a Holy Radiance directly illuminated Luo Blood.

"Huh?" Everyone around stared at Luo Blood in surprise.

Their eyes were filled with envy.

They hadn't thought this woman would be chosen.

Indeed, she had the luck of the heavens.

Luo Blood also hadn't anticipated being selected by the Female Demon God.

"Although you possess Godhood, you're still lacking in insight. So with my blessing, you can swiftly refine your Godhood," the Female Demon God said.

This statement amazed the entire audience.

Godhood?

This woman possesses Godhood?

Who is she?

"She's from the Phoenix Clan, but when did we have such a woman in our clan?" Many from the Phoenix Clan showed expressions of confusion.

Even the Phoenix Emperor was extremely surprised.

Under the Divine Light, Luo Blood entered a wondrous state.

At this moment, the compatibility between her soul and Godhood reached an extraordinary state.

Her comprehension of the laws within the Godhood suddenly skyrocketed.

Sixty percent, seventy percent, eighty percent, ninety percent, one hundred percent!

In just fifteen minutes.

Luo Blood had fully comprehended the laws within the Godhood.

Fully fused with the Godhood.

"Buzz!"

A strong burst of Holy Radiance emanated from Luo Blood.

Chapter 1788: Entering the Heavenly Dragon Divine Prison

"Is she about to become a god?"

Someone in the crowd asked in suspicion.

Everyone looked at Luo Blood, who was emitting a holy radiance, with undisguised envy in their eyes.

"Not yet, her cultivation and soul level have not yet reached the perfect level. Only her law realm has achieved great perfection. Once her cultivation and soul are elevated to the perfect level, she can ascend to the Divine World."

A Demon Emperor Perfection Level expert with relatively senior qualifications said.

The crowd nodded.

So she hasn't ascended yet.

But being able to completely merge with Godhood means her ascension is only a matter of time.

Moreover, having comprehended Law Perfection, probably not many in the Demon Realm can rival her.

Xu Nian was also a little surprised.

He didn't expect Luo Blood to refine so quickly.

Once Luo Blood ascends to the Divine World, he would be completely separated from her.

"Thank you, Demon God Lord." Luo Blood spoke, and the divine radiance on her body restrained.

"No need to thank me, I just find you pleasing to the eye. But you've only refined Divine Status, the road ahead is yours to walk." The Female Demon God said.

Luo Blood nodded.

Next, she just needs to break through her cultivation and soul.

In fact, the breakthrough is quite simple, she just needs Xu Nian to give her some Divine Origin Liquid and some Realm Heart Lake Water.

She could definitely ascend to the Divine World successfully within three days.

However, she didn't want to go so quickly, after all, she wanted to spend more time with Xu Nian.

The surrounding crowd was envious yet regretful.

If it were they who received the Demon God's blessing, they would gain tremendous benefits.

But such an opportunity was no longer available.

"Alright, the Demon God's descent ceremony is over, let's end it here." The Female Demon God said.

The surrounding crowd was astonished by her words.

Even the Demon God Palace Master showed a puzzled expression.

"Demon God Lord, aren't you going back to the Divine World?" the Demon God Palace Master asked in confusion.

According to past conventions.

The Demon God would directly return to the Divine World after the descent ceremony.

But now, the Female Demon God seemed to have no intention of leaving.

"Yes, I need to stay here for a while longer, there are some things I need to do." The Female Demon God's words were straightforward.

At these words, everyone was in an uproar.

The Female Demon God wanted to stay?

This was the first time such a thing had been encountered since ancient times.

"I don't know what matter the Demon God Lord needs to handle, we can serve the Demon God Lord." The Demon God Palace Master said.

"This matter, only I can take care of it, you don't need to worry about me, just disperse." The Female Demon God waved her hand.

The crowd was even more surprised.

What kind of matter could make the Demon God stay?

At the level of the Demon God.

There was nothing in the Immortal, Demon, and Devil World that could be worth such a level expert's lingering.

"Alright, everyone disperse." The Demon God Palace Master announced.

"My lord, what about me?" The previously selected Nine-tailed Fox Girl immediately stepped forward and asked.

"Who are you?" The Female Demon God asked in confusion.

"I'm the maid you selected!" The Nine-tailed Fox Girl said immediately.

"Oh, just stay in the Demon Realm for now. If I remember you when I leave, I'll take you to the Divine World. If not, you'll have to figure it out yourself." The Female Demon God left the Nine-tailed Fox Girl with these words and ignored her.

The Nine-tailed Fox Girl's face turned ashen.

If she remembers, she'll take me to the Divine World?

If not?

Just figure it out myself?

Isn't that equivalent to leaving me to fend for myself!

"Demon God Lord, you must remember!" The Nine-tailed Fox Girl pleaded anxiously.

However, the Female Demon God seemed not to hear, and in a flash, she disappeared into thin air.

Nobody knew where she went or what she was going to do.

Even though Xu Nian was curious, he didn't feel an urge to investigate.

At this moment, the most important thing for him was to find a way to save Xu Yu.

"Hall Master, I have a request, I wonder if the hall master would agree?" Xu Nian stepped forward and asked the Demon God Palace Master.

"You want me to release your brother?" The Demon God Palace Master smiled slightly, seemingly aware of Xu Nian's intention.

"Yes, I beg the hall master for mercy, to release my brother." Xu Nian pleaded urgently.

"You can release him, but I don't have time to enter the Heavenly Dragon Divine Mountain now. If you want to save your brother, you must enter the mountain yourself. Dare you?" The Demon God Palace Master said.

"Of course I dare!" Xu Nian's eyes lit up.

He was afraid that the Demon God Palace Master would refuse.

"Very well, here is a talisman. With it, you have one month to bring your brother out. If you cannot exit the Heavenly Dragon Divine Prison within a month, then you'll stay there forever as well." The Demon God Palace Master said.

After speaking, a Divine Talisman flew from the Demon God Palace Master's hand and landed in Xu Nian's hand.

"I remind you, the Heavenly Dragon Divine Prison is extremely dangerous. It holds fearsome beasts, some of which I also fear." The Demon God Palace Master warned.

"Even the hall master fears them?" Xu Nian was somewhat surprised.

The Demon God Palace Master could be considered one of the top figures in the Demon Realm.

For someone he feared, they supposedly didn't exist.

But if he said so, it means the Heavenly Dragon Divine Prison is truly not simple.

"Okay, I understand. No matter how dangerous, I must go to the Heavenly Dragon Divine Prison." Xu Nian said, eyes resolute.

The Demon God Palace Master glanced at Xu Nian and eventually showed a trace of admiration: "Good, when you emerge from the Heavenly Dragon Divine Mountain, I'll take you to meet someone."

"Who?" Xu Nian asked in confusion.

"I'll tell you when you come out." The Demon God Palace Master chuckled.

Xu Nian was full of doubts.

Even though he didn't know who this person the Demon God Palace Master was referring to, the master's attitude might well be because of this person.

"Forget it, let's save Little Yu first." Xu Nian was determined.

Finally, he could see Little Yu again.

He hoped Little Yu would be safe in the Heavenly Dragon Divine Prison.

As Xu Nian looked at the Divine Talisman in his hand.

In the distance, Sikong Wushang and White Dragon Emperor exchanged a glance, a fierce glow flashing deep in their eyes.

"This child cannot remain, he must be eliminated." Sikong Wushang said coldly.

"But his strength is beyond what we can handle." White Dragon Emperor shook his head.

Even Sikong Wushang wasn't Xu Nian's match, let alone him.

"Hmph, isn't he going into the Heavenly Dragon Divine Mountain? Then he shall never return. Have you forgotten those inside the Heavenly Dragon Divine Mountain?" Sikong Wushang smirked coldly.

"You mean asking them to take action? But they are the kind who demand a steep price." White Dragon Emperor said in surprise.

"No matter the cost, he must remain in the Heavenly Dragon Divine Mountain. I want him to know the consequences of offending Sikong Wushang." Sikong Wushang's eyes were as cold as ice.

Chapter 1789: Heavenly Dragon Divine Prison First Floor

"Xu Nian, you must be careful, the Heavenly Dragon Divine Prison is extremely dangerous, and no one who has entered has ever come out."

In front of the Heavenly Dragon Divine Mountain, Luo Shang couldn't help but warn.

Besides Luo Shang, there were also Luo Blood, Huo Tianqiu, Huo Baiyu, and Luo Xia.

Luo Blood wore a worried expression.

"Husband, I will wait for you outside!" Luo Blood said.

"Master, you will definitely come out, right?" Huo Tianqiu said.

Xu Nian heard their words and smiled, "Don't worry, I will definitely come out."

Upon hearing Xu Nian say this, the two said no more, though there was still some concern in their hearts.

"Brother Xu Nian, I'm sorry for before. I shouldn't have misunderstood you. Thank you for risking your life to save Little Yu." Luo Xia stepped forward and said.

Xu Nian smiled without concern.

He knew that Luo Xia hadn't really seen him in a favorable light at first.

However, after defeating Sikong Wushang, Luo Xia truly realized how ignorant she had been.

But Xu Nian could see that Luo Xia was sincere towards Xu Yu.

So Xu Nian didn't mind these things.

"Little Yu is my brother; saving him is my duty. You don't need to thank me, and I'm not risking my life; I will come out." Xu Nian said with a smile.

"Anyway, my younger sister was reckless before." Luo Xia said.

Xu Nian waved his hand, saying no more.

"I'm going in." After saying this, Xu Nian walked towards the Heavenly Dragon Divine Mountain.

Holding the Divine Talisman, Xu Nian did not feel the pressure of the Heavenly Dragon Divine Mountain.

It seems the Demon God Palace Master did not deceive him.

This Divine Talisman is indeed the key to opening the Divine Dragon Prison.

"Buzz!"

Holding the Divine Talisman, Xu Nian smoothly passed through the energy barrier of the Heavenly Dragon Divine Mountain.

Standing before the massive Stone Tower.

At this moment, approaching the Stone Tower, Xu Nian felt more clearly the terrifying pressure from the Stone Tower.

This pressure made Xu Nian feel very small.

"An ancient and vast Stone Tower, it seems this Stone Tower has existed for a long time." Xu Nian muttered to himself.

The Heavenly Dragon Divine Prison was wrapped in Divine Pattern Seals.

Only experts from the Divine World could set up such a Stone Tower.

"I should go in first!" Xu Nian activated the Divine Talisman in his hand.

The next moment, a golden light shone on the Stone Tower's door.

"Buzz!"

The door of the Stone Tower slowly opened.

An ancient aura rushed forward.

Xu Nian's eyes instantly turned firm as he walked into the Stone Gate.

"Roar!"

A loud roar came from inside the Stone Gate.

It was as if some prehistoric Fierce Beast was threatening Xu Nian, trying to stop him from advancing.

Outside, Luo Shang and the others' faces changed.

The Heavenly Dragon Divine Prison is indeed as terrifying as the legends say.

Who knows if Xu Nian will be able to come out successfully or find his brother, Xu Yu?

Xu Nian was also a bit surprised.

This roar carried an aura of terror.

It turned out to be a Demon Beast of Demon Emperor Perfection Level.

However, Xu Nian was not afraid; instead, he stepped inside the Stone Gate.

When Xu Nian stepped into the interior of the Stone Gate, the gate closed with a rumble.

Before his eyes was a vast land.

It turned out the interior of this Stone Tower held an expansive land.

At the end of the sky, there was a staircase that seemed to lead to another layer of space above.

Xu Nian glanced around; he discovered dozens of hidden auras in this continent.

Without exception, all of these auras were of Late-stage Demon Emperor and above.

Among them, three were Demon Emperor Peak Level, and one was Demon Emperor Perfection Level.

And the owner of the roar, was the master of this Demon Emperor Perfection Level aura.

However, among these auras, Xu Nian did not sense the aura of Xu Yu.

At this moment, these auras locked onto him, treating him as a prey.

Xu Nian smiled lightly and said, "I came to this place only looking for someone. I wonder if you have seen a youth of about the same age as me who was imprisoned here a few months ago?"

"Kid, so you've come voluntarily?" Said a strong presence with Late-stage Demon Emperor aura.

"Yes, I came voluntarily." Xu Nian replied with a smile.

"You are here to find someone to take them out?" The voice continued to ask.

"Yes, I am here only to find someone, and once found, I will naturally leave." Xu Nian responded with a smile.

After these words, the first space of the Stone Tower fell into silence.

Then Xu Nian sensed that several of these auras were trembling.

Not out of fear, but rather out of excitement.

"Haha, in that case, kid, do you have the key to exit the Heavenly Dragon Divine Prison?" A presence revealed itself.

Transforming into a figure appeared in front of Xu Nian.

This figure was the one who had previously questioned Xu Nian, a Late-stage Demon Emperor expert.

"The key, I suppose so!" Xu Nian nodded.

The Divine Talisman in his hand allowed him to enter and exit once every month.

It should be considered a key.

"Haha, someone has the key to the Heavenly Dragon Divine Prison, is this heaven helping us? Big brother, we have a chance to get out." The Late-stage Demon Emperor expert excitedly shouted toward a direction.

"Hmm, kill him and take the key." A deep voice came from that direction.

"Yes, big brother!" The appearing Late-stage Demon Emperor expert responded excitedly.

Xu Nian frowned.

"You haven't answered my question yet. Have you seen a youth of the same age as me imprisoned here?" Xu Nian continued to ask, seemingly ignoring their conversation.

"Hmph, go ask King Yan!" The Late-stage Demon Emperor expert snorted coldly.

Following that, he punched towards Xu Nian.

The power was incredibly strong, and the strike was ruthless and swift.

However, Xu Nian seemed not to see it, allowing the Late-stage Demon Emperor expert's fist to hit his body.

"Boom!"

The terrifying power exploded on Xu Nian's body instantly.

However, Xu Nian's figure remained unmoved.

"What?"

The Late-stage Demon Emperor expert froze.

Normally, this punch would be hard to endure for a typical Late-stage Demon Emperor expert.

This guy is obviously Late-stage Demon Emperor but can take my punch unchanged? How is this possible?

All the surrounding aura owners voiced their surprise and doubt.

Clearly, Xu Nian could endure a punch from his companion, confusing them greatly.

"You haven't answered my question." Xu Nian coldly looked at the Late-stage Demon Emperor expert and said.

"Hmph, I don't believe I can't kill you!" The Late-stage Demon Emperor expert snorted coldly.

Immediately, he operated the Fire Attribute Principle containing eight Law Discs behind him.

A punch was thrown, carrying terrifying flames.

Xu Nian shook his head, impatience flashing in his eyes.

Then he clenched his fist and punched fiercely.

The fist was swift, attacking late but hitting first.

Before the Late-stage Demon Emperor expert's fist even hit Xu Nian.

Xu Nian's punch shattered the Late-stage Demon Emperor expert into pieces.

Immediately, the first layer fell into silence once more.

Chapter 1790: Subduing the Demon Emperor

Xu Nian's instant obliteration of that late-stage Demon Emperor expert directly intimidated all the Demon Beasts on the first floor.

Even that Demon Emperor Perfection Level expert realized that the young man before him might not be easy to provoke.

"Not planning to come out and have a chat?"

Xu Nian looked at the silent first floor space, a cold smile on his face.

"Since you want to chat, let's have a chat."

At that moment, a voice rang out, followed by a figure swiftly approaching from a distance.

As this figure appeared, a dozen others also emerged from the shadows.

A dozen Demon Emperor experts formed an extremely powerful pressure.

Yet Xu Nian remained calm and unruffled.

Xu Nian scrutinized the Demon Emperor Perfection Level expert before him.

This guy was a lion-headed humanoid.

On that fierce lion face, there was a long scar.

This scar seemed indelible.

"You must be the leader of the first floor, right?" Xu Nian asked with a smile.

"Yes, I am the leader of the first floor, kid. Are you from the Dragon Clan? Why can't I see through your true form?" the Lion Demon Emperor asked.

"I am from the Human Clan!" Xu Nian replied with a smile.

"Human Clan?"

The dozen Demon Emperors before him immediately showed an extremely surprised expression.

How could a member of the Human Clan appear here?

And possess the right to enter and exit the Heavenly Dragon Divine Prison?

To them, this was absolutely impossible.

"Are you really from the Human Clan? But I clearly felt the breath of the Dragon Clan on you." the Lion Demon Emperor said.

"I do possess the Dragon Clan bloodline, but I am indeed from the Human Clan." Xu Nian said.

Upon hearing this, the Lion Demon Emperor couldn't help but examine Xu Nian again.

A member of the Human Clan actually appears here?

"You mentioned earlier that you came here looking for someone?" the Lion Demon Emperor questioned.

"Yes, I am indeed here looking for someone. Have you seen an Eagle Clan youth?" Xu Nian asked.

"Why should I tell you?" the Lion Demon Emperor retorted.

Hearing this, Xu Nian immediately chuckled.

Indeed, everyone in the Heavenly Dragon Divine Prison is not willing to help without some gain.

"What conditions do you want?" Xu Nian asked.

"Take us out!" the Lion Demon Emperor said.

Xu Nian laughed upon hearing this.

"Why are you laughing?" the Lion Demon Emperor asked in surprise.

"Taking you out is possible, but you need to pay a price!" Xu Nian said.

"What price?" the Lion Demon Emperor asked.

"Submit to me. As long as you acknowledge me as your master, I will take all of you out of the Heavenly Dragon Divine Prison." Xu Nian laughed.

"Nonsense, acknowledge you as the master? What makes you think we should acknowledge you as the master?" A Demon Emperor Peak expert immediately said angrily.

Clearly infuriated by Xu Nian's arrogant tone.

Other Demon Emperor experts also showed angry expressions.

"If I remember correctly, the divine seal in your hand can only take one person out, right?" the Lion Demon Emperor questioned coldly.

Clearly thinking that Xu Nian was deceiving them.

"Correct, the divine seal in my hand can only take one person out, but what if I have a Space Divine Artifact?" Xu Nian laughed.

"Space Divine Artifact?" the Lion Demon Emperor was instantly shocked.

Several other Demon Emperor experts also showed surprised expressions.

No one expected this youth in front of them to possess a Space Divine Artifact.

"Big Brother, why don't we just kill him? Then we can seize the divine seal and artifact, and we will all be able to leave." A Demon Emperor Peak expert immediately suggested.

"Right, kill him, we, as over a dozen Demon Emperors, should not fear taking him on?" another Demon Emperor Peak expert chimed in.

The Lion Demon Emperor showed a contemplative expression, seemingly in hesitation.

Throughout, Xu Nian maintained a faint smile.

The reason he wanted to subdue them all is that the Heavenly Court urgently needs a group of experts now.

If he could subdue them, the Heavenly Court would have a foothold in the Immortal Realm.

"What have you decided? Kill me or submit to me?" Xu Nian asked with a smile.

The dozen Demon Emperors all furrowed their brows at these words.

Clearly not expecting the Human youth to be completely unafraid.

"If you can defeat me, we will submit to you. How about it?" the Lion Demon Emperor pondered for a moment before speaking.

"No problem, let's get started!" Xu Nian said.

The Lion Demon Emperor's eyes instantly turned sharp, and moments later, a powerful aura erupted from him.

Then he directly threw a punch at Xu Nian.

This punch contained the Perfect Level power of Earth Attribute laws.

"Big Brother will definitely win. This Human youth is only at the late-stage Demon Emperor. How can he be a match for Big Brother?"

"Indeed, Big Brother's power has reached a terrifying level. I can't fully withstand even one of Big Brother's punches."

The Demon Emperor experts all discussed.

"Boom!"

However, at that moment, a figure quickly flew backward.

The Demon Emperor experts showed surprise upon seeing this scene.

Because they realized the one flying backward was their Big Brother.

"Boom!"

The Lion Demon Emperor's body crashed into the distant boundary wall.

The entire first floor space trembled.

And on the Lion Demon Emperor's chest, there was a deep fist mark.

"Spurt!"

The Lion Demon Emperor spat out a mouthful of fresh blood, his eyes revealing extreme surprise.

Just now, the opponent didn't use any Mixed Element Power with his punch.

Relying solely on physical strength to send him flying?

How was this possible?

"Big Brother!"

"Big Brother!"

The Demon Emperor experts all showed concern.

"Don't worry, I'm fine!" the Lion Demon Emperor waved his hand, approaching Xu Nian.

"Thank you for your mercy earlier." the Lion Demon Emperor gratefully said to Xu Nian.

The Demon Emperors behind him were extremely surprised.

Mercy?

Was this youth really that strong?

Xu Nian smiled; he truly spared him earlier.

With his current Supreme True Dragon bloodline physique, plus the support of the Supreme Dragon Robe, killing a Demon Emperor Perfection Level expert with one punch was not difficult.

And this Lion Demon Emperor was at most an ordinary Demon Emperor Perfection Level expert.

So dealing with him, Xu Nian didn't exert full power.

"No need to thank me, now you should submit to me." Xu Nian smiled and said.

"Yes, willing to bet, willing to comply. I am willing to submit!" the Lion Demon Emperor straightforwardly said.

The next moment he directly handed over his Soul Origin Mark.

"We also are willing to submit!" the dozen Demon Emperors collectively said.

Since their Big Brother submitted, they naturally wouldn't refuse submission.

Thus they all handed over their Soul Origin Marks.

Xu Nian accepted them without exception.

The next moment, he gained the right to control the life and death of the dozen Demon Emperors.

"Can you tell me if you've seen an Eagle Clan youth?" Xu Nian asked.

"Yes, Master!" the Lion Demon Emperor respectfully said.

"Actually, the person Master is looking for we've seen, but that youth was taken away by someone." A Demon Emperor Peak expert said.

"Taken away? Taken to where?" Xu Nian asked in surprise.

"The top floor!"

The Lion Demon Emperor replied.

The top floor?

Xu Nian was stunned, Xu Yu was actually taken to the top floor?
