

## **Divine King 1791**

Chapter 1791: The Second Demon Emperor

"Who took Little Yu away?" Xu Nian hastily asked.

"A very powerful figure, extremely strong, probably at least at the Demigod Level," Lion Demon Emperor said.

Upon hearing this, Xu Nian showed a look of surprise.

A master at the Demigod Level?

Doesn't that mean comparable to the strength of the Demon God Palace Master?

"How could Little Yu be taken away by him? Do you know the reason?" Xu Nian quickly asked.

"I don't know!" Lion Demon Emperor responded.

"Master, if you want to save that brother of yours, I'm afraid it'll be very difficult. In the Heavenly Dragon Divine Prison, there are four very formidable figures. Although they haven't reached the Demigod Level, they're definitely not comparable to ordinary Demon Emperor Perfection Level experts," Lion Demon Emperor said.

"Yes, those four guys are very powerful, always referred to as the Four Great Emperors of the Heavenly Dragon Divine Prison. They're extremely ruthless. If they know that the master has a way out, they definitely won't let you go so easily," another Demon Emperor added.

Hearing this, Xu Nian fell into contemplation.

The Heavenly Dragon Divine Prison has a total of nine layers, and it seems that each layer has its own lord.

Especially the top four layers, they're definitely tough characters.

"What's your name?" Xu Nian looked at the Lion Demon Emperor and asked.

"Master can just call me Kuang Shi," the Lion Demon Emperor replied.

Xu Nian nodded.

"Kuang Shi, come up with me, the rest stay here. If I come down, I'll take you out with me," Xu Nian said.

"Yes, master!" The Demon Emperor experts all nodded.

The Lion Demon Emperor also nodded along.

Although following Xu Nian up would be very risky, they have now acknowledged Xu Nian as their master.

If Xu Nian dies, they definitely won't survive either.

So next, Xu Nian took Kuang Shi and headed to the steps leading to the second layer.

"Master, the lord of this second layer is not easy to deal with. As long as I set foot in her territory, she relentlessly chases me. Unfortunately, I am no match for her," Kuang Shi explained.

"Oh? The second-layer lord is that difficult?" Xu Nian asked, somewhat surprised.

Not even allowing others to enter the second layer?

"Yes, difficult. Her true form is a peacock, extremely proud, but she's quite beautiful, just has a very nasty temper," Kuang Shi sighed.

"How many Demon Emperors does she have under her?" Xu Nian continued to ask.

"None, just her!" Kuang Shi said.

"One? And you with your dozen Demon Emperors aren't a match?" Xu Nian showed a look of surprise.

Just one can hold off Kuang Shi and a dozen Demon Emperors?

"Yes, even with my dozen subordinates, we're no match. She can split into thousands of clones, with each having just a tenth of her power, but that still rivals peak Late-stage Demon Emperor power. A thousand peak Demon Emperors—who can withstand that?" Kuang Shi said.

"A thousand peak Demon Emperors?" Xu Nian showed another look of surprise.

He hadn't encountered such a powerful female demon before.

Why would such a person be imprisoned in the Heavenly Dragon Divine Prison?

"By the way, Kuang Shi, how did you end up in the Heavenly Dragon Divine Prison?" Xu Nian curiously asked.

Upon hearing this, a trace of anger appeared on Kuang Shi's face.

"Humph, more than half the people in the Heavenly Dragon Divine Prison are thrown here by the Demon God Palace Master, the rest offended the real Demon God. Originally, the number of people in this prison was a hundred times what it is now, but most have since perished," Kuang Shi said.

Xu Nian nodded.

Just as he suspected, the Heavenly Dragon Divine Prison must have experienced a dark period.

In this period, many people would have been slaughtered.

Yet he was a bit surprised—offending the real Demon God?

How did these people manage that?

"Buzz!"

As they were speaking, Xu Nian and Kuang Shi arrived at the second layer.

This second layer was still very silent.

"Buzz!"

Just when Xu Nian and Kuang Shi stepped into the second layer, an incredibly terrifying Wind Blade fired directly from the void.

It rushed fiercely towards Xu Nian.

This Wind Blade contained a very strong Wind Attribute Law.

Incredibly sharp!

Kuang Shi was startled and hurriedly tried to block it.

Xu Nian was also stunned, but quickly regained his composure, punching out swiftly.

He directly shattered the Wind Blade.

"There's no need to be angry, I just want to pass to the third layer, with no other intentions," Xu Nian said towards the direction from which the Wind Blade had surged.

"Scram!"

However, only one word responded to Xu Nian.

At the same time, ten more terrifying Wind Blades surged towards Xu Nian.

Xu Nian frowned.

Even a calm person would grow angry now.

Without hesitation, Xu Nian slashed out with his sword.

Instantly, he cut all ten Wind Blades.

"Such powerful Sword Qi!"

Kuang Shi didn't say anything, but a hint of surprise flashed in his eyes.

He only knew Xu Nian was physically strong, but didn't expect his swordsmanship to be so profound.

The earlier sword didn't even use a law, yet its Sword Qi was stronger than the attacks of usual Law Perfection Level experts.

"We really mean no harm, I just want to pass through. If you keep forcing us, I won't hesitate to teach you a lesson," Xu Nian said coldly.

"Such big words, are you new here?" a captivating voice said.

"Yes, I'm new!" Xu Nian directly responded.

"Then I advise you not to go up. Each layer's lord is stronger than the one below. You're a late-stage Demon Emperor, though you have some skill, but you might not even defeat me. What makes you qualified to go up? Go back to where you came from," the voice said again.

"Won't letting us pass cost you nothing? How about this—if you let us pass, I'm willing to give you a drop of Divine Origin Liquid, what do you think?" Xu Nian said.

"One drop of Divine Origin Liquid? Boy, you think one drop can buy me off?" the voice continued.

"What do you need?" Xu Nian asked with a smile.

"What I want, you can't give me, just leave. I won't let you pass," the voice continued.

Xu Nian frowned.

This woman really doesn't respond to reason or enticement?

"Do you want to gain freedom?" Xu Nian directly asked.

With this, the entire second layer fell silent.

"You can grant me freedom?" after a long while, the voice spoke again.

"That's right, I can give you freedom, but I have a condition—you must acknowledge me as your master!" Xu Nian said.

"Acknowledge you as master? Hahaha, what a joke!" the voice laughed loudly.

The sound was filled with deep disdain.

"Get lost, stop wasting my time, I don't want my domain contaminated!" the voice snorted coldly.

It was evident that she was furious about Xu Nian's words.

Chapter 1792: The Proud Peacock

Xu Nian didn't expect this guy to be so stubborn.

If talking can't solve the problem, then it can only be solved with strength.

Xu Nian's eyes became sharp, he didn't say anything more, and continued to walk towards the stairs of the third floor.

"I told you to get lost, didn't you hear me?"

However, before Xu Nian could take a step, that voice sounded again.

Xu Nian turned a deaf ear and continued walking forward.

"Looking for death!"

At this moment, a green light rapidly rushed towards Xu Nian from a distance.

This light came fiercely, with extreme speed.

Kuang Shi's face behind Xu Nian suddenly changed.

However, Xu Nian remained calm.

Seeing the murderous green light, he slashed out with his sword without hesitation.

"Buzz!"

In an instant, that light was directly cut in half by Xu Nian's sword.

As the green light disappeared, Xu Nian finally saw clearly that it was a figure.

Obviously, this green light was the avatar of the Demon Emperor of the second floor.

"If you want to kill me, an avatar alone isn't enough." Xu Nian said with a cold smile.

"Hmph, if one avatar isn't enough, then a thousand will be." That cold hum sounded.

In the next moment, a thousand figures suddenly appeared in the sky.

Xu Nian finally saw this person's true appearance.

It was a woman dressed in green peacock attire.

This woman was stunningly beautiful, with a delicate and aloof demeanor.

Her figure was also exceptional, seductive to the extreme.

Long, slender legs and a thin willow waist.

However, her eyes seemed indifferent to everything, seemingly looking down on everyone.

Even though this woman was beautiful, Xu Nian had no fondness for her.

Being proud is acceptable, as beautiful women tend to be a bit proud.

But being too proud is a fault.

And all these avatars, without exception, possessed Demon Emperor Peak Level cultivation.

Seeing this, Kuang Shi suddenly felt his scalp numb.

"Master, her avatars are not easy to deal with; there are too many of them." Kuang Shi said.

"Don't resist, I'll bring you into my Space Divine Artifact." Xu Nian said.

"Eh? Master plans to deal with her alone?" Kuang Shi asked in surprise.

These are one thousand Demon Emperor Peak experts.

Xu Nian wants to deal with them alone? How is that possible?

"Hmm, with you by my side, I can't fight freely." Xu Nian replied.

"Alright!" Kuang Shi agreed immediately.

The next moment, Xu Nian directly brought Kuang Shi into the first layer of the Chaos Divine Palace.

Then he looked again at the thousand figures in the sky, and his eyes became sharp.

"Kill!"

The thousand figures simultaneously cast out their swords.

The Sword Radiance slashed out, densely packed, like a massive woven net.

The aura emanating from it was terrifying beyond compare.

"Six Paths Reincarnation Fist!"

Xu Nian punched out.

Instantly, it formed a terrifying impact, directly colliding with that massive sword net.

"Boom!"

The sky exploded directly.

Forming a terrifying energy storm.

Swoosh swoosh swoosh!

A thousand figures came at Xu Nian from all directions.

Continuously launching attacks at Xu Nian.

However, Xu Nian directly ignored these attacks, not making any defenses.

"Clang clang clang!"

But these attacks struck Xu Nian, without causing him any harm at all.

It's important to know that Xu Nian was wearing a Chaos Level Treasure.

Such a treasure's defense could not be shaken by ordinary attacks.

"Eh!"

The Demon Emperor let out a sound of surprise.

She clearly didn't expect Xu Nian to ignore her attacks.

"It seems your attacks are just so, although numerous, the power is scattered, making it hard to harm me." Xu Nian said with a smile.

Actually, his gaze was always looking for the woman's true body.

Yet he was surprised to find he couldn't see the woman's true body.

"Hmph, I don't believe I can't kill you." The woman said coldly.

In the next moment, more than a thousand figures simultaneously attacked Xu Nian.

This time, the woman directly used her killing move.

Forming over a thousand Wind Blade Tornadoes.

These Wind Blade Tornadoes stacked together, with their power reaching a terrifying level.

This terrifying tearing ability was enough to shred any general Demon Emperor Peak expert into pieces.

But Xu Nian was fearless.

Of course, he didn't need to directly fight against these Wind Blade Tornadoes.

He took a step forward, his figure disappearing directly into the Void.

"Eh? Where did he go?"

The thousand figures suddenly began searching everywhere.

But none of them found Xu Nian's trail.

Xu Nian seemed to vanish into the Void.

Meanwhile, on a remote mountain peak on the second floor, a stunning figure was sitting cross-legged at the moment.

This figure had slightly furrowed brows and closed eyes.

Suddenly, she was greatly startled.

Her delicate body trembled.

Because she was surprised to find a hand placed on her shoulder.

"You..."

She turned her head suddenly, finding Xu Nian squatting behind her, looking at her with a smile.

This made her extremely terrified in her heart.

If this Xu Nian wanted to kill her, she would probably have already been dead just now.

"How did you find me?" The woman took a deep breath and looked at Xu Nian asking.

Her aura was completely retracted, so ordinary people couldn't detect it at all.

Xu Nian smiled and said, "Actually, it's simple, it's the Wind Attribute Law; when you deploy avatars, it inevitably causes a fluctuation in laws. Coincidentally, I am also a practitioner of the Wind Attribute Law, so I can naturally sense the traces of the law."

The woman suddenly understood.

So, that's how.

"Then why didn't you kill me?" the woman questioned coldly.

Clearly, she thought Xu Nian didn't kill her, which must be for some ulterior motives.

"I have no deep-seated grievances against you; why would I want to kill you? Initially, I just wanted to borrow a path, but you kept targeting me." Xu Nian said with a cold smile.

"Who knows what you are really planning? Especially since Kuang Shi was by your side." The woman snorted coldly.

Xu Nian shook his head helplessly.

This woman really had a strong sense of vigilance.

"Enough, I should leave now, I have no interest in your territory." Xu Nian said with a smile.

Then he was about to leave.

"As long as I acknowledge you as my master, you can take me out?" The woman suddenly asked.

Xu Nian was taken aback.

He didn't expect the woman to propose such a question.

"Yes, as long as you recognize me as the master, I can take you out, but aren't you afraid I'll deceive you?" Xu Nian asked with a cold smile.

"Hmph, I've already had enough of staying here; if I can leave, I can bear any cost. Besides, Kuang Shi wouldn't recognize you as the master for no reason." The woman said coldly.

"It seems you're not entirely foolish. Yes, I have the Divine Talisman and the Space Divine Artifact. You can be in my Space Divine Artifact, and I'll take you out." Xu Nian took out the Divine Talisman and said.

The woman looked at the Divine Talisman in Xu Nian's hand and was instantly amazed.

She couldn't believe this young human actually had the Divine Talisman to go out.

"Alright, I recognize you as the master!"

After speaking, the woman handed over her Soul Mark.

Xu Nian took the Soul Mark, and in the next moment, his mind was filled with a connection with the woman.

Chapter 1793: Space Black Demon Spider

Xu Nian didn't expect the Peacock Woman to agree so readily.

"You're really straightforward about wanting to get out. Aren't you afraid I'll do something to you?" Xu Nian asked with a smile.

"Afraid of what? You can do whatever you want, as long as you can get me out of here. Staying alive here holds no meaning for me," the Banshee Empress responded.

"How long have you been imprisoned?" Xu Nian asked in surprise.

"About 650,000 years," replied the Banshee Empress.

"650,000 years?" Xu Nian sucked in a cold breath.

"Do you know how long I've lived?" Xu Nian asked with a smile.

"How long? 100,000 years?" The Banshee Empress sized Xu Nian up.

Xu Nian shook his head with a smile.

"200 years!" Xu Nian said, smiling.

"How many?" The Banshee Empress asked in disbelief.

"200 years!" Xu Nian replied again.

The Banshee Empress was left completely dumbfounded.

To reach this level in just 200 years, how did this guy do it?

"Even if you're from the Human Clan, you can't cultivate this quickly!" The Banshee Empress still found it hard to believe.

"Maybe I'm just an exception," Xu Nian chuckled.

"What's your name?" Xu Nian continued to ask.

"Kong Xiao!" the Banshee Empress responded.

"I'm planning to go to the top floor to find someone. If you wish, you can come with me, or you can wait here for me. As long as I make it back down, I'll take you with me," Xu Nian said.

"I'll go with you!" Kong Xiao answered.

"Alright!" Xu Nian did not refuse.

Because Kong Xiao's combat strength was not weak, having her by his side would save a lot of trouble.

Xu Nian also released Kuang Shi.

The latter looked cautiously at Kong Xiao and Xu Nian standing together.

"Don't worry, it's fine now. I've negotiated with her, and she is willing to recognize me as her master. I'll take her out," Xu Nian said with a smile.

"Really?" Kuang Shi looked surprised.

Evidently, he did not expect Xu Nian to actually subdue Kong Xiao.

Kong Xiao, however, had a haughty expression, seemingly with no intention of explaining.

Xu Nian chuckled, "It's true. Alright, let's proceed to the third level."

Kuang Shi was utterly astonished.

He never imagined that Xu Nian would be this formidable, even able to subdue Kong Xiao.

Though there was the condition of taking her out, he clearly understood that if Xu Nian hadn't conquered Kong Xiao,

Kong Xiao would not agree to recognize Xu Nian as her master.

Thinking of this, Kuang Shi felt more and more that this young man from the Human Clan was extraordinary.

"You want to go to the third level, then I must remind you," Kong Xiao said.

"What's the matter?" Xu Nian asked in confusion.

"The guy on the third level is particularly powerful because his cultivated law is the same as yours," Kong Xiao said.

"The same? Wind Attribute? Earth Attribute?" Xu Nian was puzzled.

"It's the spatial attribute!" Kong Xiao replied.

"Uh? Spatial attribute?" Xu Nian showed a look of surprise.

Up till now, he hadn't encountered a cultivator of the Space Law.

Unexpectedly, the guy on the third level turned out to be a Space Practitioner.

"What's his true form?" Xu Nian asked, perplexed.

"A spider, Space Black Demon Spider, proficient in the Space Binding Law," Kong Xiao said.

Xu Nian was shocked inwardly.

Space Binding?

That really is quite a troublesome opponent.

"I'm just passing through; he shouldn't trouble me, right?" Xu Nian asked coldly.

"Hard to say. He's an extremely ruthless fellow, and his greatest pleasure lies in devouring others' marrow. So, he basically won't spare anyone weaker than him," Kong Xiao said.

Xu Nian furrowed his brows.

Devour marrow?

What a cruel and savage beast.

If that's the case, it seems this guy won't easily let him pass.

"Let's go. If he doesn't step aside, then we'll slaughter him," Xu Nian declared.

Now at the Demon Emperor Realm, there were few who could harm him.

So, even if the third level held a Space Black Demon Spider, he had no fear.

Kuang Shi and Kong Xiao nodded as well.

They had witnessed Xu Nian's strength.

Perhaps he really did have the power to slay the Space Black Demon Spider.

Thus, they followed Xu Nian up the stairs to the third level.

But as they arrived on the third level, Xu Nian suddenly frowned and stopped.

"What's wrong?" Kuang Shi asked, puzzled.

"This place is filled with many space threads. Once you enter, you'll be instantly entangled," Xu Nian said.

"Space threads? Why can't I see them?" Kuang Shi exclaimed in surprise.

Not only him, but even Kong Xiao couldn't see them.

"These space threads are condensed by Space Power and are generally hard to detect. You're not Space Law practitioners, so naturally, you can't sense them," Xu Nian explained.

Kuang Shi and Kong Xiao both felt a chill upon hearing this.

If it were them alone, they might have fallen into the trap directly.

"What should we do now?" Kuang Shi asked.

"These space threads are quite tough, but not unbreakable," Xu Nian said with a smile.

Then, he slashed his sword, cutting all the threads within a ten-meter radius.

Then they entered the third level.

"Kuang Shi, Kong Xiao, you dare come to my third level? Do you intend to become my delicacy?"

At that moment, a massive figure crawled over from a distance.

It was an eight-legged spider.

Its enormous body stood several hundred meters high, and each leg was nearly three hundred meters long.

"Black Demon, we just want to go to the fourth level and have no intention against you," Kuang Shi said.

"Humph, go to the fourth level? What do you want there?" Black Demon asked.

"I'm the one going up, actually heading to the seventh level. Since you've set so many traps here, I have no choice but to go," Xu Nian smiled.

"Who are you? You can see the space traps I've set?" Black Demon looked at Xu Nian in surprise.

He then noticed Kuang Shi and Kong Xiao were standing behind this young man.

This confused him even more.

Especially Kong Xiao, known for her arrogance. How could he, as a long-time neighbor, not know?

"I'm Xu Nian, also a Space Practitioner. Naturally, I can see the space traps you've set," Xu Nian said with a smile.

"You're a Space Practitioner too?" Black Demon once again scrutinized Xu Nian in surprise.

"You're human, aren't you? How did you end up here?" Black Demon's eyes gleamed.

"Yes, I'm human," Xu Nian smiled.

"Haha, human marrow is the tastiest. I haven't tasted it in tens of thousands of years," Black Demon laughed excitedly.

His eyes filled with endless greed.

Xu Nian instantly furrowed his brows.

Just as Kong Xiao had said.

This Black Demon wouldn't let him off easily.

"So, you're not planning to let us pass?" Xu Nian asked.

"Haha, such a delicious treat, how could I miss it? Kid, today you stay here," Black Demon laughed loudly.

Then, space threads around them shot towards Xu Nian crazily.

In just a moment, Xu Nian and his companions were all wrapped up like dumplings.

Chapter 1794: Slaying the Black Demon Spider

"Haha, kid, just wait to become my delicacy."

The Black Demon laughed heartily and said, looking at the four bound people with a look of smugness.

Kuang Shi and Kong Xiao struggled, but they couldn't break free from this space confinement.

It was an invisible force, tightly enveloping the three of them.

No matter how they mobilized the Mixed Element Power within them, they couldn't escape the binding of this space rope.

"Black Demon, release us now," Kuang Shi roared.

Strong waves of the Power of Laws erupted from Kong Xiao's eyes as he attempted to use the mighty Wind Attribute Cutting Force to slice through the space confinement.

However, they found they couldn't break free at all.

"Stop struggling. This space rope was condensed by me over ten thousand years just for you. Do you know I haven't eaten for hundreds of thousands of years? So now that you've appeared, how could I let you go?" The Black Demon sneered.

He had set the trap here for over ten thousand years.

During these more than ten thousand years of preparation, he had woven an invisible net.

All to await the arrival of prey.

Now he had caught these three and felt very satisfied.

Next, he was going to enjoy a good meal.

Especially this member of the Human Clan, who was an unexpected delicacy.

"Master, what should we do? Are we really going to die here?" Kuang Shi asked unwillingly.

He had thought of dying in battle but had never imagined being eaten by this Black Demon Spider.

Kong Xiao's face was also filled with intense unwillingness.

Even his avatar couldn't activate, and being devoured by this Black Demon Spider would be the most humiliating death.

Yet, throughout, Xu Nian's expression remained extraordinarily calm.

He looked at the gigantic spider in front of him, a cold smile appearing on his face.

"Your trap is indeed well-set, but unfortunately, a trap like this has no effect on me," Xu Nian said with a smile.

After speaking, his figure suddenly disappeared from where he stood.

The space rope that originally bound him also dissipated.

"Buzz!"

Xu Nian reappeared, free of any restraints.

"Nihilicity Space Law? Kid, I didn't expect you to be a cultivator of Space Law." The Black Demon Spider's eyes showed a look of seriousness.

Clearly, he didn't expect Xu Nian to actually master the Space Law.

And it was the Nihilicity Space Law.

This law just happened to counter his law.

No matter how his law could bind, the opponent could always escape the restraint by entering the nihilicity space.

"Buzz!"

Xu Nian swung his sword twice.

The bindings on Kuang Shi and Kong Xiao were also cut off.

Though these bindings were sturdy, they were still a bit lacking in front of the God Sword.

Regaining their freedom, Kong Xiao and Kuang Shi were overjoyed.

They originally thought they would fall here, fortunately, the master also mastered the Space Law.

"Black Demon Spider, we do not wish to be your enemy. If you let us pass, I won't kill you," Xu Nian said.

"Not kill me? Kid, do you really think you can kill me?" the Black Demon Spider sneered.

Xu Nian shook his head helplessly.

Indeed, there was no need to say more.

"Buzz!"

Xu Nian immediately swung his sword.

A sword strike tore through the void, slicing fiercely toward the Black Demon Spider.

The Black Demon Spider was not to be underestimated and immediately activated the Space Law.

He had already reached a Perfect Level in the Space Binding Law.

At this moment, he urged the power of the Space Law to directly wind around Xu Nian's sword radiance, then instantly crushed it.

"Ten Thousand Demons Binding!"

The Black Demon Spider shouted loudly.

The next moment, the Space Law instantly formed ten thousand space ropes, winding directly around Xu Nian.

Xu Nian sneered.

His figure disappeared again.

When he reappeared, he was already above the Black Demon Spider's head.

"Slash!"

Xu Nian stabbed with a sword.

"Puchi!"

Immediately, blood spurted.

The Black Demon Spider's blood turned out to be black.

"Roar!"

The Black Demon Spider let out a painful howl, struggling desperately.

The eight legs of the spider, in an instant, were like extremely sharp blades, attacking Xu Nian.

Constantly using the Nihilism Space Law to dodge, Xu Nian swung the God Sword in his hand, chopping more than a dozen gaps on the eight spider legs.

The Black Demon Spider retreated repeatedly.

No doubt, the spider legs were extremely tough and sharp.

In Xu Nian's eyes, the Black Demon Spider's legs were already comparable to Top-Grade Artifact Level artifact refining materials.

If used for artifact refining, it could probably create eight top-grade artifacts.

Kuang Shi and Kong Xiao were shocked.

They didn't expect the Black Demon Spider to be brutalized.

But they also knew, Xu Nian was truly abnormal.

Wearing an incredibly powerful artifact, holding the God Sword, which is the God Sword.

Plus, with the Space Law, he could ignore any attack.

Who could withstand his attack?

So even the Black Demon Spider was not Xu Nian's match.

"Buzz buzz!"

In just an instant, Xu Nian chopped off three of the Black Demon Spider's legs.

"Enough!"

The Black Demon Spider was utterly furious.

A terrifyingly black force emerged from his enormous body.

This force instantly transformed into a terrifyingly black breath extending towards Xu Nian.

The black gas contained extreme poison and corrosiveness.

With just a touch, one would be instantly dissolved.

More than that, it could bypass the defense of Mixed Element Power.

So ordinary defenses were useless against this black gas.

"Kid, taste my innate toxin," the Black Demon Spider roared in fury.

His eyes filled with intense killing intent when he looked at Xu Nian.

He didn't expect Xu Nian could cut off three of his spider legs.

If this hatred was not avenged, he couldn't hold his ground in the Heavenly Dragon Divine Prison.

Seeing the black gas, Kuang Shi and Kong Xiao's faces changed drastically.

However, Xu Nian sneered.

His figure flickered, appearing directly in front of the Black Demon Spider.

The black gas had no effect on him.

"The one who should die is you!"

Xu Nian snorted coldly, instantly slashing out a golden sword radiance.

This sword radiance slashed out, directly bisecting the Black Demon Spider.

Law Great Success Fifth Level Realm, Golden Feather.

The golden Power of Laws was sharpened to the extreme.

"No...impossible!" The Black Demon Spider couldn't believe until death Xu Nian could ignore his poison attack.

This was his proudest means of attack.

But at this moment, he had no opportunity to think more because his demon embryo had already been cleaved in two by Xu Nian.

Xu Nian looked at the Black Demon Spider's corpse in front of him, his eyes filled with a cold smile.

Wearing the supreme chaotic treasure, his body was impervious to all poisons.

And his Supreme Dragon Body couldn't possibly be swayed by a mere toxin.

So the Black Demon Spider was doomed from the start!

"Master is too strong!" Kuang Shi only realized Xu Nian's power at this moment.

Kong Xiao didn't speak, but he was also amazed by Xu Nian's showcased power.

Chapter 1795: Divine-level Expert

Xu Nian placed the Space Black Demon Spider's corpse into the storage ring, and a look of relief appeared on his face.

The corpse of this Black Demon Spider was an excellent artifact refining material.

How could such material be wasted?

Next, Xu Nian led Kuang Shi and Kong Xiao directly to the fourth level.

However, what Xu Nian and the others did not expect was that the fourth level was completely empty.

This immediately baffled Xu Nian.

In fact, not only was Xu Nian puzzled, but Kuang Shi and Kong Xiao were also confused.

"Master, something's not right. The fourth level should have a Golden Emperor Bear, which usually doesn't move from its spot. It would never leave so easily, yet now it's not here," Kuang Shi said.

"It's indeed strange. The Golden Emperor Bear is a very lazy creature. Without an important reason, it wouldn't leave so easily," Kong Xiao added.

Xu Nian also agreed that something was off.

"No matter, let's head directly to the fifth level," Xu Nian said.

Kuang Shi and Kong Xiao both nodded.

Then, the three of them went directly to the fifth level.

However, the fifth level was also empty.

"This is odd, how is the fifth level also empty? Where did these creatures go?" Kuang Shi asked in confusion.

"The fifth level is home to nine King Dragons. They are a group of nine brothers whose combined strength is substantial," Kong Xiao said.

Xu Nian's expression turned grave.

He had a bad feeling.

Kuang Shi and Kong Xiao felt the same.

This kind of situation was extremely rare in the Heavenly Dragon Divine Prison.

"Let's go, to the sixth level," Xu Nian said.

Kuang Shi and Kong Xiao nodded.

Then, Xu Nian led the two of them up to the sixth level.

This level finally had some figures.

However, there were only three people.

These three were all Demon Emperor Perfection level experts.

Xu Nian observed that these three had somewhat peculiar true forms.

"Their true forms are Black Striped God Extinguishing Ants; very powerful, with extremely remarkable bodies," Kuang Shi transmitted to Xu Nian.

"Indeed, their bodies are very strong, not inferior to the Dragon Clan. In terms of strength, they might even surpass them," Kong Xiao said.

Black Striped God Extinguishing Ants?

Xu Nian was somewhat surprised.

He had heard of these divine beasts.

These divine beasts, while ants, had extreme strength and defense.

In the Divine World, ordinary experts would avoid these social creatures.

Not for any other reason, but because they lived in colonies.

Once one of them was provoked, a large group would be drawn.

So no one would dare to offend these creatures.

However, these Black Striped God Extinguishing Ants have a flaw, which is that upon reaching adulthood, they reach the Demon Emperor Peak level.

Breaking through to the Divine-level is extremely difficult.

Within an ant colony, very few can break through to the Divine-level.

However, upon breaking through, their bloodline improves significantly.

At that time, they become even more terrifying.

So the Divine-level is quite a threshold for the Black Striped God Extinguishing Ants.

"Kuang Shi, Kong Xiao, why have you come up here? Don't you know this is not a place for you?" the leading Destructive God Ant among the three said.

"Why can't we come up? Black Element, why are there only you three on this level, and where are the others?" Kuang Shi asked.

The three Black Striped God Extinguishing Ants exchanged glances, then one said, "That's not a question you should ask. You'd best leave the way you came, or don't blame us for not being polite."

Kuang Shi frowned instantly.

Kong Xiao also felt something was very wrong.

"Master, this sixth level usually has many Demon Beasts, but today there are only these three, which is obviously suspicious," Kong Xiao said.

Xu Nian's face also turned pensive.

Though he didn't know what was happening, the three of them seemed to be guarding the tunnel entrance.

It seemed like the seventh level held some important secret.

And Xu Yu still hadn't appeared, which could only mean he was on the seventh level.

"Gentlemen, we mean no harm, we are simply looking for someone, a Golden Crow Divine Eagle who was imprisoned a few years ago," Xu Nian said.

"Golden Crow Divine Eagle?" The three God Extinguishing Ants were momentarily stunned.

Then their eyes narrowed.

"Are you that Xu Nian?" asked the one called Black Element.

Xu Nian was even more surprised.

They actually knew him?

"Do you know me?" Xu Nian asked in surprise.

He had never been here; how did these people know his name?

So Xu Nian could only think of one possibility.

Sikong Wushang.

This fellow must have spread his information in this Divine Prison.

Which probably wasn't good news for him.

"Of course we know you, a human yet you possess the Supreme True Dragon Bloodline. Kid, your time is up," one of the God Extinguishing Ants said with a cold laugh.

The other two God Extinguishing Ants also showed mocking expressions.

Xu Nian's gaze turned sharp, like a blade.

It seemed just as he thought, Sikong Wushang had contacted the people in the Heavenly Dragon Divine Prison.

They likely intended to keep him here.

Little Yu?

Was Little Yu in danger then?

"Does the Heavenly Dragon Divine Mountain have Dragon Clan experts?" Xu Nian asked Kong Xiao and Kuang Shi via transmission.

"Yes, the most powerful one in the Heavenly Dragon Divine Prison, Ao Tian, is of the Dragon Clan," Kong Xiao transmitted back.

"Ao Tian?" Xu Nian's gaze turned as sharp as a sword.

Indeed!

"Is Ao Tian very strong? Comparable to a Demigod?" Xu Nian asked.

"Yes, Ao Tian's true form is a mutated True Dragon. Early on, he acquired the True Dragon Bloodline, and he is an extremely powerful descendant of the Purple Lightning Proud Dragon. Yet due to his mutation, he gained a powerful devouring ability, and his thunder turned black, so he calls himself the Black God Devouring Sky Dragon," Kuang Shi transmitted back.

"Black God Devouring Sky Dragon? What a domineering name," Xu Nian thought to himself with a smile.

But a mutated True Dragon?

It seemed the mutation made him even stronger.

"Even if mutated, he wouldn't have power comparable to a Demigod, right?" Xu Nian asked.

"Yes, he is very strong but still just stronger than an ordinary Demon Emperor Perfection. However, he possesses a Divine-level soul," Kong Xiao responded.

"A Divine-level soul?" Xu Nian was taken aback.

How could a Demon Emperor Perfection level possessor have a Divine-level soul?

"I'm not sure how he obtained it, but besides his own soul, there's another, more powerful soul within him. When Ao Tian can't handle it, that Divine-level soul takes over. Though Ao Tian rarely faces situations he can't handle," Kong Xiao continued.

Xu Nian understood immediately.

There should be a Divine-level expert's soul within Ao Tian.

Not unlike himself, except that his soul was the legendary Divine Emperor.

"Master Ye Tian?" Xu Nian pondered and decided to awaken Emperor Ye Tian.

"I've heard it all. As it happens, I'm at a critical stage of recovery and this soul is just the tonic I need. Xu Nian, do your best, leave the Divine-level expert to me," Emperor Ye Tian said.

"Alright!" Xu Nian's eyes lit up immediately.

With Emperor Ye Tian's assurance, he had nothing to worry about now.

Chapter 1796: Brothers Reunited

"Kuang Shi, Kong Xiao, the best thing for you two is to leave, as for him, he must stay today."

The Destructive God Ant leading the pack, named Black Element, immediately threatened Kuang Shi and Kong Xiao.

Kuang Shi and Kong Xiao did not say a word.

Leave?

For them, it's already impossible.

Judging by this stance, these three are not planning to let Xu Nian leave alive.

"You two don't need to intervene, I'll handle them, let's finish it quickly!" Xu Nian said with a smile.

After speaking, Xu Nian immediately split into three.

The Divine Demon Avatar, Nine Infant Avatar, and the original body appeared simultaneously.

Kuang Shi and Kong Xiao, upon seeing this scene, widened their eyes dramatically.

The master has two avatars?

Moreover, these two avatars don't seem much weaker than the original body!

"The master's strength is truly unfathomable," Kuang Shi commented.

Kong Xiao did not speak but was also filled with surprise inside.

Xu Nian's strength is indeed extremely powerful.

"Hmph, kid, even if you possess avatars, today you must die!" the three Destructive God Ants roared furiously.

"Is that so?" Xu Nian sneered.

Suddenly took a step forward.

This step brought him directly in front of one Destructive God Ant.

Threw a punch, fists exploding.

"Competing with us, Destructive God Ants, in physical bodies, courting death!" that Destructive God Ant sneered.

And then threw a punch.

In his view, a Human Clan member competing with them in physical bodies is simply seeking death.

Even if he possesses Supreme Dragon Blood, so what, a human is still a human.

"Boom!"

However, when Xu Nian's punch landed on the arm of that Destructive God Ant.

The arm transformed by the Destructive God Ant instantly exploded.

"What?" The other two Destructive God Ants were instantly appalled.

This human actually blasted their companion's arm?

But before they could think much, Xu Nian's two avatars had already attacked.

They were astonished to find that Xu Nian's two avatars' physical bodies were also extremely powerful.

Especially the Divine Demon Avatar.

With a punch, combined with the Sixth Level Six Reincarnation Laws.

The force had reached a terrifying level.

Only three punches were needed to directly kill one Destructive God Ant.

On the other side, the Nine Infant Avatar also unleashed a terrifying Golden Secret Technique, killing another Destructive God Ant.

The Destructive God Ant that was knocked away by Xu Nian's original body was then punched in the chest by Xu Nian.

The entire body instantly caved in.

With three punches, the Demon Embryo of the Destructive God Ant was crushed into pieces.

Just like that, the three Destructive God Ants were directly killed by Xu Nian in seconds.

Nine Infant Avatar and Divine Demon Avatar returned to the main body, their aura majestic.

Kuang Shi and Kong Xiao were already dumbstruck.

This is insanely powerful!

The three powerful avatars, each incredibly strong.

How did the master achieve this?

The key is that his cultivation level seems to be only at the Late-stage Demon Emperor level?

"Buzz!"

At this moment, five Law Discs suddenly appeared behind Xu Nian.

These five Law Discs were covered with Wind Attribute patterns.

"Buzz!"

A wave of powerful Wind Attribute fluctuations came.

Then Xu Nian's discs transformed from five into six.

"Damn, did he just break through? It seems the master hasn't even cultivated, right?" Kuang Shi couldn't help but exclaim in shock.

Kong Xiao was equally surprised.

Now she finally understood why Xu Nian, not yet two hundred years old, had already reached such a cultivation level.

This breakthrough speed is practically against the heavens.

"Let's go, to the top level," Xu Nian said.

Restraining his aura.

Now his Wind Attribute, Gold Attribute, and Earth Attribute have all broken through to the Sixth Level Law Realm.

Actually, his law cultivation has never stopped.

The Divine Demon Avatar and Nine Infant are cultivating in the Chaos Divine Palace.

This time, it was the Divine Demon Avatar that comprehended and broke through the Wind Attribute.

"Master, the seventh level is extremely dangerous, if I'm not mistaken, those four guys should all be waiting for you on this level," Kuang Shi said.

"Four guys? Besides Ao Tian, who else?" Xu Nian asked.

"Besides him, there is a Bi Fang, a Golden-eyed Giant Ape, and one from the Eagle Clan, these three guys are extremely formidable and have reached a very high level in the mastery of laws, the most crucial thing is, each of them has extremely strong trump cards," Kuang Shi said.

"Bi Fang? Golden-eyed Giant Ape?" Xu Nian was somewhat surprised.

These two are extremely formidable Divine Beasts.

These Divine Beasts have inherently powerful bloodlines, their strength is extraordinarily high.

"The Eagle Clan you're talking about, who is that? Is it the person who took Xu Yu?" Xu Nian suddenly thought of something and asked quickly.

"Yes, it's him, his original form is a Fiery Fire Divine Eagle, and in fact, he's somewhat similar to your brother; I remember the master's brother is a Golden Crow Divine Eagle," Kuang Shi said in surprise.

"Yes, Little Yu's bloodline is the Golden Crow Divine Eagle, which is somewhat more high-level than the Fiery Fire Divine Eagle, but their bloodlines originate from the same source," Xu Nian said.

"Indeed, so there seems to be some connection between that guy and the master's brother," Kuang Shi said.

Xu Nian nodded.

Thinking this way, Xu Nian felt somewhat reassured.

If there really is someone from Xu Yu's kin, then Xu Yu should not suffer any major harm.

But that's not certain, as these guys are all ruthless individuals.

Anything is possible with them.

"Let's go, let's head straight to the seventh level to meet them," Xu Nian said.

Kuang Shi and Kong Xiao, hearing this, said no more.

Following Xu Nian, they headed to the seventh level.

The space on the seventh level is extremely vast.

This land has completely transformed into the Divine World's land, and the space is very stable.

Even the gravity is a thousand times stronger than on the sixth level.

Xu Nian and the others arrive at the seventh level.

Looking at the vast land before them, he couldn't imagine that this was inside a tower.

"Master, they should all be in the palace ahead, that's Ao Tian's stronghold," Kuang Shi pointed at the enormous palace ahead.

Xu Nian looked toward the palace ahead.

Majestic and grand.

Above the palace, powerful Dragon Energy faintly surged.

He could sense powerful presences lurking within the palace.

"It's Little Yu's soul aura!"

Xu Nian finally sensed Xu Yu's soul aura.

This filled his heart with immense joy.

This means Xu Yu is still alive.

He and Xu Yu have signed a soul contract, so they can sense each other.

At the same time, inside a grand hall.

A youth sitting cross-legged suddenly opened his eyes.

An extremely surprised expression appeared on his face.

"Brother?"

Xu Yu was startled in his heart, instantly overwhelmed with excitement.

Immediately rushed out of the hall, swiftly flying toward Xu Nian.

Soon, a black figure appeared before Xu Nian.

Xu Nian looked at the handsome youth in front of him, his face showing an excited expression.

"Little Yu!" Xu Nian called.

"Brother!" The young man in black clothes also cried out excitedly.

Then the two flew toward each other, embracing each other with excitement.

The two brothers finally reunited!

Chapter 1797: Xu Yu's Origins

"Big brother, why are you here?" Xu Yu excitedly looked at Xu Nian and asked.

He didn't expect Xu Nian to actually appear here.

"Of course, I've come to find you!" Xu Nian said with a smile.

At this moment, Xu Yu had already transformed into an incredibly handsome young man.

His cultivation had even reached the early stage of Demon Emperor.

This somewhat surprised Xu Nian.

He himself had numerous opportunities, which allowed him to reach the late stage of Demon Emperor.

Could Xu Yu reach this level in such a short time? It seems he also had quite a few adventures.

"Big brother, you came to find me? Do you know where this place is?" Xu Yu was stunned.

Surprised that Xu Nian would come here to find him.

"Of course I know. I received news in the Immortal Realm that you were imprisoned in the Heavenly Dragon Divine Mountain, so I came to the Demon Clan, and now I've finally found you." Xu Nian smiled.

Xu Yu being alright was good.

If something had really happened, he would probably go crazy.

"Big brother, thank you. I really didn't expect you to come all the way from the Immortal Realm to save me." Xu Yu said emotionally.

In his heart, he was filled with gratitude towards Xu Nian.

"We are brothers, no need to say such words. By the way, while you're here, they didn't give you any trouble, did they?" Xu Nian continued to ask.

"Trouble? No, Uncle Li has been very good to me." Xu Yu hurriedly said.

"Uncle Li? You mean that Red Fire Divine Eagle?" Xu Nian asked.

"Yes, big brother, do you know? It turns out my parents are in the Divine World, and my father is the clan leader of the Divine Eagle Clan. Later, a great battle occurred, and my father tore open the space and threw me into the Mortal World." Xu Yu said happily.

"Did Uncle Li tell you all this?" Xu Nian asked in surprise.

He didn't expect Xu Yu to actually be from the Divine World.

"Yes, it was Uncle Li. He also grew up in the Divine World, and because of that battle, he was cast into this place by a Demon God from the Demon God Palace." Xu Yu said.

Xu Nian understood.

So that's Xu Yu's background.

The son of the clan leader of the Divine Eagle Clan.

But Xu Nian was not surprised because Xu Yu was originally very extraordinary.

So his background definitely couldn't be simple.

"Big brother, Uncle Li has been very good to me. When I was first imprisoned here, I was only at the early stage of a Demon Sovereign. He helped me complete my awakening and evolution, offered his cultivation resources, which allowed me to enhance my cultivation, and guided me on understanding the Dao, so I could improve so quickly." Xu Yu said.

Xu Nian nodded.

That Xu Yu could progress like this was indeed a good thing.

"Would you like to leave with me? I can take you out!" Xu Nian said.

"Leave? Can we really leave?" Xu Yu was surprised.

He had never heard that one could leave the Heavenly Dragon Divine Mountain once they entered.

So he never held any hope.

Now hearing Xu Nian say this, he was naturally extremely excited.

He believed Xu Nian wouldn't deceive him.

"Big brother, can we take Uncle Li with us?" Xu Yu asked.

"If you want to take him, then let's go together." Xu Nian said.

Whatever Xu Yu wanted to do, Xu Nian naturally wouldn't refuse.

Xu Yu immediately rejoiced, "I'll go call Uncle Li right away!"

Xu Nian smiled.

Suddenly, his expression changed.

"It seems there's no need; your Uncle Li has already arrived." Xu Nian said.

Xu Yu was also stunned.

Then he saw over a dozen figures flying out from the great hall.

In an instant, they appeared before Xu Nian and the others.

Leading them were four middle-aged men with a strong oppressive aura.

The pressure formed by these four standing together would make even a Perfect Demon Emperor strong person tremble.

Xu Nian could be certain, these four were definitely not weaker than his master, the Taichu Immortal Emperor.

Especially the leading man, who exuded a very strong feeling of oppression.

At this moment, all four of them focused their gaze on Xu Nian, as if they were examining him.

The leading middle-aged man had eyes like a torch, as if he wanted to see through Xu Nian.

Xu Nian's eyes were sharp, equally observing that middle-aged man.

He could sense the deep hostility emanating from that man.

"You are Xu Nian?" the leading man asked.

"That's right, it's me." Xu Nian replied.

"Do you know that Sikong Wushang ordered me to kill you?" the leading man said with a sneer.

"I guessed, but I wonder what Senior Ao Tian plans to do?" Xu Nian retorted with a sneer.

"Sikong Wushang certainly can't command me, but I am very interested in you. The Supreme Bloodline in your body and the Supreme Dragon Robe on you are very attractive to me, and you also possess a Divine Talisman that allows exit." Ao Tian said.

His gaze at Xu Nian carried a hint of contempt.

"So, it seems Senior Ao Tian intends not to let me go?" Xu Nian said with a wry smile.

"What do you think?" Ao Tian said disdainfully again.

Xu Nian's eyes instantly turned sharp as a sword, filled with a powerful fighting spirit.

Seeing this, Xu Yu realized something was wrong.

He urgently stepped forward and asked, "Uncle Li, what's going on? Why are you targeting big brother Xu Nian?"

A middle-aged man in a red robe beside them replied to Xu Yu, "Yu'er, this is none of your business. You should step aside. This human must die!"

"But big brother Xu Nian came to save me. How can I not care? Anyone who dares to harm my big brother today is my enemy, Xu Yu's enemy." Xu Yu immediately spoke coldly.

"Yu'er, do you know what you are saying? Do you dare interfere with Lord Ao Tian's affairs? Don't you know that Lord Ao Tian has already promised me that if he can kill this Xu Nian and leave the Heavenly Dragon Divine Prison, he will take us back to the Divine World." The middle-aged man called Uncle Li immediately rebuked.

"I don't need it; I, Xu Yu, can go to the Divine World myself. If it weren't for big brother, I wouldn't be alive now. So today, anyone who wants to harm my big brother, I won't agree first." Xu Yu said firmly.

Upon hearing this, Xu Nian was also deeply moved.

The guy called Uncle Li looked furious.

While Ao Tian just sneered continuously.

"Since you want to die, I'll kill you both." Ao Tian said coldly.

Looking at Xu Yu with extreme disdain.

A mere ant, thinking it can stop a chariot?

"Alright, Little Yu, step back. You don't need to involve yourself in this. I can handle it myself." Xu Nian patted Xu Yu's shoulder.

"Big brother, this Ao Tian..." Xu Yu wanted to say something.

But he was stopped by Xu Nian.

In his view, Ao Tian's power was extremely terrifying.

The average Great Perfection Demon Emperor wouldn't stand a chance against him.

His big brother was only at the late stage of the Demon Emperor. No matter how strong, he couldn't possibly be a match for Ao Tian.

However, Xu Nian's determined gaze made him swallow back the words he was about to say.

He knew his big brother wasn't reckless.

If he said he was confident, then he must be confident.

"Okay, big brother, be careful!" Xu Yu said.

Xu Nian nodded.

Then he looked at Ao Tian.

Chapter 1798: Showdown with Ao Tian

Xu Nian looked at the dozen people in front of him, without a trace of fear in his eyes.

Since Ao Tian wouldn't let him go, he could only fight.

"Brother Ao Tian, there's no need for you to take action, I can handle this myself," said the Golden Emperor Bear.

His gaze towards Xu Nian was full of disdain.

In his eyes, it was just a human being.

And only at a late-stage Demon Emperor level, not worth Ao Tian's effort.

"Alright, go kill him," Ao Tian wouldn't reject the opportunity for the Golden Emperor Bear to claim credit.

"Yes!" The Golden Emperor Bear immediately accepted the command.

The next moment, his massive body headed straight for Xu Nian.

"Boom!"

Golden lightning surged from his body.

The Thunderclap Law had been cultivated to a state of Great Perfection.

Xu Nian watched the Golden Emperor Bear in front of him, his gaze icy.

"Kid, you dare offend Brother Ao Tian, prepare to die!" the Golden Emperor Bear sneered coldly.

Saying this, he transformed into a golden lightning bolt, appearing directly in front of Xu Nian.

A fist smashed towards Xu Nian with incredible force.

The golden lightning enveloping the fist carried a domineering and powerful strength.

This force was extremely heavy, like a giant mountain crashing toward Xu Nian.

"Ten Thousand Jins Thunder Law?" Xu Nian was somewhat astonished.

Unexpectedly, the Golden Emperor Bear had comprehended the Ten Thousand Jins Thunder Law.

This law, in terms of strength, reached an extremely terrifying extent.

And it was so concentrated that it created an explosive effect.

"Six Paths Reincarnation Fist Sixth Level, Six Paths Collapse!"

Xu Nian shouted fiercely.

A fist struck out.

The Power of Reincarnation surged frantically.

Forming a terrifying image of a collapsing Six Paths of Reincarnation behind him.

The terrifying power was like six giant serpents coiling around Xu Nian's arm.

As Xu Nian threw the punch, the terrifying power formed an immensely powerful impact.

Clashing directly with the golden lightning.

"Boom!"

The two forces collided like a world-shattering impact.

The golden lightning shattered instantly.

While Xu Nian's Power of Reincarnation spread throughout the Golden Emperor Bear's entire body via his arm.

"Boom!"

The entire body of the Golden Emperor Bear was sent flying backward.

"Puff!"

Blood spewed wildly from his mouth.

"How is this possible?" The Golden Emperor Bear's face showed an expression of disbelief.

Clearly not expecting to be defeated by a human.

And the opponent's law was merely at the Sixth Level.

Xu Nian sneered coldly.

In a flash, he caught up with the retreating form of the Golden Emperor Bear.

"What?"

The Golden Emperor Bear was horrified.

Xu Nian's speed astonished him.

Xu Nian merely chuckled lightly.

His speed, strength, and laws were all enhanced by the Supreme Dragon Robe.

Few Demon Emperor Perfection level experts could compare with him.

The Golden Emperor Bear clearly wasn't among them.

"It's over!"

Xu Nian clenched his fist and struck again.

The Golden Emperor Bear attempted to defend, but Xu Nian's fist struck with terrifying speed.

In an instant, it landed on his abdomen.

"Boom!"

The Golden Emperor Bear's abdomen caved in instantly.

The terrifying force shot through his back, shattering a distant mountain in an instant.

And the Golden Emperor Bear naturally died on the spot.

"So strong, Big Brother's strength is actually this powerful," Xu Yu couldn't help but exclaim in surprise.

Although he already guessed his brother's strength was not weak.

He certainly didn't expect it to be this terrifying.

Ao Tian's brow furrowed as well.

Besides him, the other three top experts also showed grave expressions.

Clearly, they had underestimated this human.

With the Supreme True Dragon Bloodline, plus the augmentation of the Supreme Dragon Robe.

At this moment, Xu Nian was exceptionally terrifying.

"Boom!"

The body of the Golden Emperor Bear fell down.

Xu Nian turned to Ao Tian and the others.

"Anyone else wanting to fight, feel free to step up, I, Xu Nian, will accompany you to the end," Xu Nian said dominantly.

The Nine-headed Flood Dragon furrowed its brows.

Clearly, they witnessed Xu Nian's strength, and those planning to make a move now hesitated.

Xu Nian's strength was clearly greater than theirs.

"Big Brother, let me!" The Golden-eyed Giant Ape immediately spoke up.

"No need, you are no match for him," Ao Tian refused outright.

"I will handle this personally!" Ao Tian stepped forward, his aura overwhelmingly terrifying.

Pressing fiercely towards Xu Nian.

Xu Nian could feel Ao Tian's incredibly formidable aura, certainly matching the level of a Demon God Palace Master.

There's no denying, Ao Tian's Dragon Clan bloodline was stronger than Sikong Wushang's.

"Boy, I haven't taken action for a hundred thousand years, you have piqued my interest," Ao Tian remarked.

The tone still arrogant.

His gaze towards Xu Nian was filled with utter disdain.

Xu Nian sneered without a word.

Ao Tian's arrogance exceeded that of Sikong Wushang.

"Then see if you can stop me, truthfully I'm interested in you, Mutated Dragon," Xu Nian said with a light chuckle.

After speaking, he stepped forward.

The Supreme True Dragon Bloodline within erupted instantly.

A massive golden dragon phantom appeared behind him.

All around, everyone was astonished at this sight.

Is this the Supreme True Dragon Bloodline?

The ancestor of the Dragon Clan?

The most powerful Dragon Clan?

Even those non-Dragon Clan Demon Beasts were greatly affected under this pressure.

The Nine-headed Flood Dragon couldn't even lift its head under the pressure.

They were Demon Emperor Perfection level experts after all.

Ordinary pressure would no longer affect them.

This showed just how powerful Xu Nian's aura was.

Ao Tian was also stunned, his own bloodline was under immense pressure.

However, because his bloodline was mutated, it limited the impact of this pressure.

"Hmph, what of the Supreme True Dragon, my Black God Devouring Sky Demon Dragon is the real strongest of the Dragon Clan!"

Ao Tian snorted coldly.

Then he appeared directly in front of Xu Nian.

A punch was thrown, contained an extremely domineering power.

As the punch was thrown, space itself seemed to collapse.

"Six Paths Collapse!"

Xu Nian immediately performed the Six Paths Reincarnation Fist.

Throwing a full-force punch.

"Boom!"

Xu Nian instantly felt an extremely terrifying force travel along his arm.

Then he uncontrollably flew backward rapidly.

Retreating three thousand feet, only then did he dissipate the terrifying force from his body.

While on the other side, Ao Tian merely stepped back ten steps.

"So strong!"

Xu Nian was astonished.

Unexpectedly, Ao Tian's power was this immense.

Even with the Supreme Dragon Robe's amplification, he couldn't contend against it.

Ao Tian's eyes flashed with slight surprise.

Unexpectedly, Xu Nian could take his punch.

"Hmph!"

Ao Tian's eyes burst with intense killing intent.

In an instant, he invoked the Heaven and Earth Thunder Law.

Nine Law Discs appeared directly behind him.

"Boom!"

A terrifying black Thunderclap Sword condensed and shot violently toward Xu Nian.

This Thunderclap Sword contained incomparably terrifying destructive power.

"Destruction Law?" Xu Nian was shocked.

Quickly, he dared not be careless.

Mobilizing all his Mixed Element Power for defense.

Chapter 1799: Divine-level Expert

The Thunder Sword, carrying terrifying power of the laws, shot rapidly towards Xu Nian.

The surrounding space began to tremble.

This was a divine-level space.

Ao Tian's attack was able to shake space, which shows how terrifying the power on the Thunder Sword truly was.

Xu Nian dared not be careless and activated the Gold Attribute Law.

Instantly, a golden shield was formed.

Xu Nian's Gold Attribute Law was the Law of Absolute Strength, and now, it was enhanced by the Supreme Dragon Robe.

The power of the law increased fivefold.

The shield formed at this moment was already comparable to a top-grade divine artifact.

"Boom!"

However, the black thunderclap sword impacted the shield.

The shield Xu Nian condensed shattered instantly.

Luckily, Xu Nian timely activated the Space Law, narrowly avoiding the attack.

Otherwise, even if this sword could not break Xu Nian's Supreme Dragon Robe's defense, it would severely injure Xu Nian.

After all, the power of destruction on this black sword was extremely terrifying.

"Hmph, you can dodge the first day of the lunar month, but let's see if you can dodge the fifteenth!" Ao Tian snorted coldly.

Once again, he activated the Destruction Law.

In the next instant, ten terrifying thunder strikes fiercely bombarded Xu Nian.

The power on these thunder strikes was on par with the previous Thunder Sword.

Xu Nian's eyes were sharp, and his body immediately transformed into a stream of light, continuously dodging.

But the power of these thunders was too strong.

Xu Nian, even with the Space Law in use,

was still hit by one thunder strike.

"Puff!"

Xu Nian's figure was struck to the ground, the earth blasted apart.

He spat out a mouthful of blood directly.

If not for the Supreme Dragon Robe and his body comparable to divine artifact level,

this hit would have been enough to turn him into ashes.

Even a top-grade divine artifact couldn't withstand such a terrifying attack.

"Big brother!"

"Master!"

From a distance, Xu Yu and Kong Xiao, seeing Xu Nian hit, immediately showed nervous expressions.

This terrifying thunder, even they felt their scalp tingle watching it.

Enduring such a terrifying hit, had it been them, they would've long been dead.

"I'm fine!"

Xu Nian quickly said.

Then he tried to stand up.

However, Ao Tian snorted coldly.

He sharply pulled his hand, directly drawing out a terrifying black thunder from the void.

Viciously bombarding Xu Nian.

The terrifying thunder instantly slammed Xu Nian deep into the ground.

The terrifying thunder striking Xu Nian looked like an endless Thunder Hammer falling heavily.

"Ah!"

Xu Nian let out an extremely miserable scream.

This intense pain made it feel like his bones were about to crush.

At this moment, the dragon scales on him completely emerged.

His whole body emitted golden light.

Even the blood he spat out carried a faint golden hue.

"Hmph, I said it, in front of me, you are merely an ant." Ao Tian sneered disdainfully.

His gaze towards Xu Nian was full of deep scorn.

So what about the Supreme True Dragon Bloodline?

So what about the Supreme Dragon Robe?

Before absolute strength, these are merely worthless trifles.

"Big brother!"

Xu Yu, seeing Xu Nian slammed into the ground, immediately screamed.

"Don't come, I'm fine." Xu Nian quickly soul-transmitted.

"Big brother, I want to fight alongside you." Xu Yu hurriedly said.

"No need, big brother can handle it." Xu Nian replied, declining again.

At this moment, golden light surged across Xu Nian's body.

"Supreme True Dragon Secret Skill, Dragon God Punch!"

Xu Nian shouted aloud.

His form immediately transformed into a terrifying stream of light, instantly exploding the black thunder with a punch.

Terrorizing destructive force burst open.

Xu Nian soared into the air, with chains of a golden dragon wrapping him.

Xu Nian stepped into the void, his form like an arrow shot, swiftly targeting Ao Tian.

A punch erupted, emitting earth-shattering dragon roars.

This punch carried the terrifying Supreme Dragon Power.

The impact formed absolutely wasn't something an ordinary Demon Emperor Perfection Level expert could withstand.

"Supreme True Dragon Secret Skill?" Ao Tian's eyes flashed a trace of astonishment.

The oppressive force on Xu Nian at this moment was indeed extremely terrifying.

But even though it was scary, it hadn't reached the point of making Ao Tian afraid.

"Destruction Fist!" Ao Tian shouted.

Also throwing a punch.

The two forces collided instantly.

Forming a terrifying impact.

"Boom!"

Both retreated simultaneously.

This time, they seemed evenly matched.

Ao Tian's brow furrowed, this guy actually could withstand one of his punches?

All around, people were watching, dumbfounded.

It was the first time they'd seen someone able to draw with Ao Tian.

No matter if Xu Nian could win in the end, just that blow was enough to make them feel deep awe.

"Kid, you've successfully angered me." Ao Tian looked at Xu Nian and spoke coldly.

He clenched his fist.

Terrorizing thunder instantly transformed into a giant black dragon.

This black dragon exuded overwhelmingly terrifying destruction force.

Xu Nian looked at Ao Tian's dragon, his eyes also flashed a trace of astonishment.

Ao Tian's strength was truly exceptionally terrifying.

"Xu Nian, don't think of anything, just exert with all your might and swing a sword."

At this moment, Emperor Ye Tian's voice echoed in Xu Nian's mind.

"Okay!" Xu Nian immediately obeyed.

He summoned the God Sword.

Then activated all his internal power, exploding the Wind Attribute Law to its extreme.

"Slash!"

Xu Nian directly swung out a sword radiance.

As the sword radiance was swung out, Emperor Ye Tian also aggressively acted, merging a thread of law power into it.

"Go!"

Ao Tian also immediately drove the black dragon to attack the sword radiance swung by Xu Nian.

"Psst!"

However, Xu Nian's sword radiance instantly split the black dragon into two halves.

"What?"

All around people were immediately shocked pale.

Ao Tian's attack was actually cleaved open.

Even Ao Tian was astonished.

His destruction law formed black dragon was so terrifying that absolutely no Demon Emperor Level expert could block it.

But now it actually got cleaved open by Xu Nian's sword?

But he couldn't dwell on it.

Because Xu Nian's sword radiance was already slicing towards him.

The energy contained in this sword radiance was extremely terrifying, even Ao Tian felt a strong sense of impending death.

"Senior!" Ao Tian, seeing the approaching sword radiance, had no choice but to call upon the divine-level expert within him.

"Hmph!" The divine-level expert snorted coldly.

Immediately manipulated the Heaven and Earth Laws, then utilized them through Ao Tian, blasting at Xu Nian's sword radiance.

"Boom!"

A huge explosion.

Xu Nian's sword radiance was shattered.

At this moment, Ao Tian's hair was wildly dancing, his aura dominating the world.

Clearly, the divine-level expert had taken over Ao Tian's body.

"Kid, Ao Tian was trained by me, I wouldn't let you destroy him so easily. Today is your end," the divine-level expert looked at Xu Nian and spoke coldly.

The tone carried a sense of finality.

All around people were suddenly astonished.

Divine-level expert?

Did the divine-level expert act?

As Tian was actually forced to this step.

But in this case, Xu Nian was surely doomed?

Yet, at this moment, Xu Nian began to laugh.

"I think it's you who's at your end!" Xu Nian sneered coldly.

Chapter 1800: Dominant Entrance

Xu Nian's words left everyone present stunned.

How could this guy still laugh at a time like this?

This is a Divine-level expert!

Did he actually say that the Divine-level expert is doomed?

Does he have the ability to kill a Divine-level expert?

How is that possible?

Xu Yu and Kong Xiao were also extremely astonished.

"Could it be that the master is muddled?" Kuang Shi asked in confusion.

"Impossible, big brother must have a trump card, so he is not afraid of this Divine-level expert," Xu Yu quickly defended.

Even though he said that, Xu Yu still felt a bit incredulous in his heart.

"Such arrogance, do you know who you're talking to?" the Divine-level expert snorted coldly.

A trace of killing intent surged in his eyes.

Xu Nian smiled slightly, "Of course I know, aren't you just an ant who hasn't even reached the God level?"

As soon as these words were spoken.

The Divine-level expert was taken aback.

This guy can actually see through my cultivation?

Indeed, his cultivation was at the Peak of Divine level.

In the Divine World, he was merely an ant-like existence.

But in this Demon Realm, he was absolutely an invincible existence.

Yet now, facing this young man from the Demon Realm, he was actually feeling a bit guilty.

He couldn't see through!

He had no idea what gave the other party such confidence.

Xu Nian sneered.

He stopped wasting words.

He directly let the Yetian God Emperor take over his body.

As the Yetian God Emperor took over Xu Nian's body, Xu Nian's aura changed dramatically.

Without releasing any pressure, just standing there, he appeared like a Supreme Colossus.

Making people involuntarily feel a desire to worship.

Even some Demon Emperor Perfection experts did not dare to look directly into 'Xu Nian's' eyes.

"The master seems to have changed!"

Kong Xiao couldn't help saying.

The current Xu Nian gave her a trembling feeling.

Yes, just a back view, made his heart tremble.

This feeling was terrifying!

She couldn't imagine what kind of existence could make her so fearful.

Xu Yu was also extremely surprised.

His own big brother seemed indeed different.

However, the most shocked present was Ao Tian, more accurately speaking, that Divine-level expert.

This Divine-level expert's eyes widened, filled with unbelievable shock.

Then his legs began to tremble.

"Thud!"

Eventually, under the incredibly shocked gazes of everyone, this Divine-level expert actually kneeled.

"My...my lord, I failed to recognize Mount Tai before my eyes, please forgive me!" the Divine-level expert hastily said in fear.

At this moment, his forehead was already covered in cold sweat.

He never expected to encounter such an existence here.

Even though he couldn't see through the Yetian God Emperor's true cultivation.

But as soon as the Yetian God Emperor appeared, the surrounding laws submissively bowed.

An existence like that was peerless in the Divine World.

"Hmph!"

The Yetian God Emperor snorted coldly.

He had no interest in responding to this Divine-level expert.

He simply stretched out a hand, pulling something from the void.

Then everyone saw an illusory figure being forcibly pulled from Ao Tian's body by an invisible force.

Seeing this, everyone around them displayed expressions of shock.

Is this the power of a Divine-level expert?

So vulnerable before Xu Nian?

"Mercy, my lord!"

The Divine-level expert immediately struggled and begged for mercy.

Yet no matter how he struggled, he couldn't break free from Xu Nian's grasp.

Xu Nian's eyes were cold and arrogant.

He clenched his hand.

"Ah!"

The Divine-level expert's soul was crushed in full view of everyone.

Transforming into highly refined soul power that flowed into Xu Nian's body.

Silence fell all around.

Everyone was frozen in place.

Even fools understood by now.

There was a Divine-level expert inside Ao Tian, but inside Xu Nian seemed to be an expert countless times stronger than Ao Tian.

The gap between them wasn't just a little bit.

At this moment, everyone looked at Xu Nian with eyes filled with extreme respect.

The middle-aged man referred to as Uncle Li by Xu Yu also looked at Xu Nian, his gaze carrying a glint.

He wanted to return to the Divine World, to return to the Divine Eagle Clan.

Previously, Ao Tian had promised to take them back, but that couldn't be guaranteed.

But now, with Xu Nian being so powerful, possessing such a Divine-level expert within.

This was undoubtedly a great boon for them.

"I, Jiang Li, am willing to submit to you, my lord!" So Jiang Li was the first to kneel.

Upon these words, everyone was taken aback.

Then the nine flood dragons, along with Bi Fang and the Golden-eyed Giant Ape, all kneeled as well.

"We are willing to submit to you, my lord!"

All these experts respectfully saluted Xu Nian.

Xu Nian, having returned to his body, displayed a look of surprise at this sight.

Initially, he did not plan to make these beings his slaves.

After all, these beings were the pinnacle existences of the Demon Realm, each with high pride.

How could they easily submit to him?

But Yetian God Emperor's intervention this time had subdued them.

Making them feel genuine awe toward Xu Nian.

So they all chose to submit.

The Demon Clan was like this, your strength convinces me, I will submit to you.

Kuang Shi and others witnessed this, their hearts racing wildly.

"Alright, since you choose to submit, then surrender your Soul Marks. Once you do, I will lead you away," Xu Nian said.

Leave?

The crowd was immediately startled upon hearing this.

Initially, they had felt resentment toward Xu Nian's request for their Soul Marks.

But upon hearing they could leave.

All these Demon Emperor Perfection experts promptly handed over their Soul Marks.

"Buzz!"

Xu Nian instantly formed a soul contract with these twelve Demon Emperor Perfection experts.

A total of twelve Demon Emperor Perfections.

Add in Kuang Shi and Kong Xiao, making fourteen in total.

This was undoubtedly a force of incredible power.

Xu Nian couldn't help but look towards Ao Tian in the distance.

At this moment, Ao Tian was gasping heavily, looking at Xu Nian.

His eyes filled with complex emotions.

He had seen everything just now.

The Divine-level expert's soul within him was devoured by Xu Nian.

What reason did he have to fight on?

Continuing to fight would be a dead end.

"If you submit to me, I can take you away," Xu Nian said to Ao Tian.

As soon as these words were spoken, everyone looked at Ao Tian.

It was Ao Tian, the proud and unparalleled Ao Tian.

Would he possibly choose to submit?

Sure enough, after hearing Xu Nian's words, Ao Tian frowned, his eyes sharp.

Xu Nian saw his expression and immediately laughed.

"The one who acted earlier was my master, the supreme Divine Emperor of the Divine World, and I, as the disciple of the Divine Emperor, with the Supreme True Dragon Bloodline of the Dragon Clan, I think having you submit to me is not an insult to you," Xu Nian smiled and said.

The disciple of the Divine Emperor!

What a noble status.

Such a status definitely qualified Ao Tian to submit.

"Alright, I am willing to recognize you as my master!" Ao Tian said.

His words instantly shocked everyone around.

Upon hearing this, Xu Nian smiled.
