Chapter 1801: Leaving the Heavenly Dragon Divine Mountain

"Buzz!"

Quickly, Ao Tian handed over the Soul Mark.

The next moment, Xu Nian formed a soul contract with Ao Tian.

After subduing Ao Tian, Xu Nian breathed a complete sigh of relief, a surge of joy filling his heart.

Ao Tian's strength was definitely comparable to the strength of the Demon God Palace Master level.

This kind of power could be used by him.

It was absolutely a very delightful thing.

From now on, whether it was the Demon Realm or the Immortal Realm, it would be difficult for anyone to pose a threat to him or the Heavenly Court.

Exactly!

Xu Nian planned to take them all to the Heavenly Court.

He wanted everyone to know that the Heavenly Court would be the number one force in the Immortal Realm.

"Alright, since you all acknowledge me as your master, from today on, you are my people. As long as you do not defy my orders and betray me, I, Xu Nian, will definitely not treat you poorly," Xu Nian said.

The tone carried a hint of threat.

"Yes, Master!" These Demon Emperor Perfection Level experts replied respectfully.

Xu Yu also came forward excitedly.

"Big brother, you're really amazing, being able to make so many Demon Emperor Perfection Level experts submit to you. It's terrifying," Xu Yu couldn't help but say.

"Big brother was just lucky," Xu Nian chuckled.

In fact, he knew that this was not due to his own strength.

If it weren't for Emperor Ye Tian's help, he couldn't possibly defeat Ao Tian.

Even less likely to subdue so many Demon Emperor Perfection Level experts.

If it weren't for the amplification of the Supreme Dragon Robe, his strength at most could match a Demon Emperor Perfection like Kuang Shi.

So all this was not his true strength.

He still had a long way to go.

"Big brother, do you really have a God Emperor Level expert inside you?" Xu Yu couldn't help but ask curiously.

"I do, but I can't tell you about these things for now. I promised my master to keep it a secret," Xu Nian replied.

Xu Yu nodded.

And didn't ask any more questions.

Next, Xu Nian gathered everyone into the first layer of the Chaos Divine Palace.

Then he went straight to the first layer.

After taking in all the Demon Emperors remaining here into the first layer.

He led Xu Yu towards the exit of the Heavenly Dragon Divine Prison.

No one expected that not only did Xu Nian exit the Heavenly Dragon Divine Prison alive this time, but he also emptied it.

...

Meanwhile, inside a huge palace of the Demon God Palace.

Sikong Wushang was standing together with the White Dragon Emperor.

At this moment, Sikong Wushang's injuries had completely healed.

"I've already sent the message inside. That guy Ao Tian should have received it, and with his arrogance, he definitely won't let this Xu Nian go," White Dragon Emperor said.

"Good, Ao Tian making a move, that guy is doomed for sure. Although I hate to admit it, Ao Tian's strength is indeed very powerful, above both yours and mine," Sikong Wushang said with a cold smile.

If Ao Tian hadn't offended the Demon God who descended from the Divine World, how could the position of Supreme Dragon Emperor have come to him?

So Sikong Wushang believed that Ao Tian definitely had the power to kill Xu Nian.

"Exactly, this Xu Nian likely won't make it out of the Heavenly Dragon Divine Prison, but in that case, won't we also lose the Supreme Dragon Robe?" White Dragon Emperor frowned.

"I've thought about that long ago, Supreme Dragon Robe may not necessarily be unattainable. If Ao Tian gets Xu Nian's Divine Talisman, he'll definitely come out and provoke the Hall Master, and the Demon God who descended hasn't left yet. If Ao Tian is too arrogant, what do you think will happen?" Sikong Wushang said with a cold smile.

White Dragon Emperor's eyes brightened.

"So Brother Wushang had it all planned. With Ao Tian's character, he will surely cause a big scene upon emerging, and then that Demon God will make a move to kill him, and maybe the Supreme Dragon Robe will end up in our hands," White Dragon Emperor said.

"Humph, a Human Clan member, daring to try and shake me, is simply being reckless," Sikong Wushang snorted coldly.

But as soon as he finished speaking.

A wave of Divine Talisman fluctuations came from the direction of the Heavenly Dragon Divine Prison.

"Could it be that guy Ao Tian coming out?" White Dragon Emperor asked.

Sikong Wushang was also taken aback.

So soon?

This Xu Nian is just too useless, isn't he?

"Come on, let's go see and find out," Sikong Wushang said immediately.

White Dragon Emperor nodded.

So the two headed towards the direction of Heavenly Dragon Divine Mountain.

Meanwhile, in a great hall of the Phoenix Clan.

Luo Shang, Luo Blood, Luo Xia, Huo Tianqiu, and Huo Baiyu were all gathered there.

Seeing the fluctuations outside the hall, their eyes brightened.

All five stood up simultaneously.

Then, without a word, they directly swept towards the direction of Heavenly Dragon Divine Mountain.

...

At this moment, at the exit of Heavenly Dragon Divine Mountain.

Xu Nian and Xu Yu walked out.

"Wow, we finally made it out, big brother, I thought I'd never get out in my whole life!" Xu Yu said excitedly.

Apparently, he hadn't expected to walk out of the Heavenly Dragon Divine Prison again.

To know that after so many years, no one had ever walked out of the Heavenly Dragon Divine Prison.

Xu Nian heard Xu Yu's words and immediately laughed.

"How could big brother let you stay in there for life, even if he had to smash the Heavenly Dragon Divine Mountain, big brother would get you out," Xu Nian said with a smile.

"Thank you, big brother!" Xu Yu said excitedly.

"We are brothers, no need for this nonsense," Xu Nian said seriously.

Xu Yu nodded.

Feeling deeply moved inside.

"Xu Nian? Why is it you!"

At this moment, a cold voice sounded.

Xu Nian turned to look at the newcomers and saw Sikong Wushang and White Dragon Emperor rushing over, landing not far in front of them.

Seeing the newcomers, Xu Nian sneered.

"Sikong Wushang, aren't you surprised I could walk out?" Xu Nian chuckled as he looked at Sikong Wushang and White Dragon Emperor.

The latter two's expressions changed.

Xu Nian coming out was clearly beyond their expectations.

Could it be that Ao Tian didn't make a move on Xu Nian?

Impossible!

According to Ao Tian's character, how could he pass up the chance to seize the Dragon Clan treasure?

Could it be that Ao Tian was killed by Xu Nian?

That's even more impossible.

Knowing that Ao Tian was equivalent to a demigod level existence.

And he had the soul of a Divine-level expert inside him.

Such an existence, how could Xu Nian have killed him so easily?

Surely Ao Tian let Xu Nian go.

He didn't make a move on Xu Nian at all.

Sikong Wushang mused inwardly.

Seeing Sikong Wushang's changing expressions, Xu Nian sneered coldly in his heart.

"Husband!"

"Master!"

...

At this moment, five beautiful figures rapidly flew from the distance.

Seeing these figures, Xu Nian was suddenly delighted.

Luo Blood threw herself into Xu Nian's arms.

"Husband, I was worried you wouldn't make it out," Luo Blood said with tears.

"Don't worry, your husband couldn't be defeated that easily!" Xu Nian smiled, comforting her.

Luo Blood nodded, and only released Xu Nian after a long while.

Next to them, Luo Shang and Huo Tianqiu were looking complicated.

On the other side, Xu Yu and Luo Xia embraced tightly.

"Xu Nian, did you encounter any danger inside Heavenly Dragon Divine Mountain?" Luo Shang also stepped forward to ask with concern.

"You all wait a moment, I have something to deal with first, then I'll talk to you in detail," Xu Nian smiled and refused.

Then he looked ahead at Sikong Wushang, who was preparing to leave, and sneered: "Sikong Wushang, do you intend to leave so easily?"

"What do you mean?" Sikong Wushang's brows furrowed instantly.

"What do I mean? Naturally, it's to kill you!" Xu Nian sneered.

With these words, the whole audience was startled.

Sikong Wushang's brows furrowed tightly.

Chapter 1802: You Want Evidence?

The strength of Xu Nian was something Sikong Wushang had witnessed firsthand.

If Xu Nian really wanted to kill him, he truly was not a match.

"Xu Nian, don't forget, this is the Demon God Palace. If you really dare to kill me, the Hall Master will not let you go," Sikong Wushang said coldly.

"Hmph, you sent someone to inform Ao Tian, wanting him to come kill me. This matter, I want to reason it out with the Hall Master," Xu Nian replied with a cold smile.

Sikong Wushang's expression changed instantly.

If Xu Nian knew about this, then Ao Tian must have already made a move against him.

But how did Xu Nian survive and come out?

This left Sikong Wushang puzzled.

"You say I sent someone to inform Ao Tian to kill you, you need evidence. Everyone knows, Ao Tian is extremely proud, how could he possibly listen to my orders," Sikong Wushang snorted.

"Evidence? You want evidence?" Xu Nian sneered.

"Yes, without evidence, you're just slandering," Sikong Wushang retorted coldly.

By now, many powerful figures from the Demon God Palace had come to watch.

There were members of the Dragon Clan and the Phoenix Clan present.

Luo Shang and the others were also continuously surprised.

They hadn't expected Sikong Wushang to actually send someone to communicate with Ao Tian, asking him to confront Xu Nian.

Ao Tian's name was known to nearly everyone in the Demon God Palace.

So everyone understood that Sikong Wushang was placing Xu Nian in a deadly situation.

However, without definitive evidence, if Xu Nian couldn't prove that Sikong Wushang had indeed signaled Ao Tian, it was impossible to substantiate the claim.

"Slander?"

Xu Nian sneered repeatedly.

Then, with a wave of his hand, a figure appeared before everyone.

This appearance startled everyone around.

"Ao Tian?"

Sikong Wushang was also taken aback.

How could Ao Tian be here?

Did he and Xu Nian come out together?

How is this possible?

It's over!

The Demon God Palace would be thrown into chaos, everyone thought.

Luo Shang and the others were equally shocked.

They hadn't expected Xu Nian to bring Ao Tian out.

"Sikong Wushang, didn't you want evidence? I brought him out, do you think I'm still slandering you?" Xu Nian said with a cold smile.

"Sikong Wushang, didn't expect this, did you? That I'd come out again," Ao Tian also looked coldly at Sikong Wushang.

The sharp eyes made Sikong Wushang uncomfortable.

"Ao Tian, didn't expect you to come out. Xu Nian, do you know that releasing a high-profile criminal is a serious crime," Sikong Wushang immediately shouted coldly.

Xu Nian just chuckled lightly without saying a word.

"Sikong Wushang, don't think I don't know your plan. You wanted to use me to kill Xu Nian and then use the Demon God to finish me off. Unfortunately, you missed one detail," Ao Tian sneered at Sikong Wushang.

Everyone around was utterly astonished.

Sikong Wushang had been scheming against both Ao Tian and Xu Nian.

But they were curious, what was wrong with Sikong Wushang's seemingly perfect plan?

"What detail?" Sikong Wushang himself was curious.

Logically, his plan was flawless.

"That would be the Master's strength!" Ao Tian replied.

"Master?" Sikong Wushang was confused.

Everyone around was just as puzzled.

How did a "Master" come into play?

"Master, what do you wish to do with Sikong Wushang?"

Just then, Ao Tian addressed Xu Nian with respect.

At those words, everyone was petrified.

Ao Tian had acknowledged Xu Nian as his Master?

This... how could this be?

Luo Shang and Luo Xia were also incredibly shocked.

But the most shocked was Sikong Wushang.

He never expected Ao Tian would choose to acknowledge Xu Nian as his Master.

Wasn't he extremely proud?

Claiming to be the foremost of the Dragon Clan?

"Is it true?" Luo Xia asked Xu Yu.

"It's true. My brother's strength has surpassed our imagination," Xu Yu replied.

Upon hearing this, Luo Xia was utterly astonished.

Beyond imagination?

Just what kind of existence is Xu Yu's brother?

Even the Phoenix Emperor, hidden in the dark, was shocked beyond belief.

This Xu Nian seemed truly extraordinary.

"Just kill him!" Xu Nian said coldly.

As if it were a simple pronouncement.

"Yes, Master!" Ao Tian agreed immediately.

In an instant, he looked at Sikong Wushang.

The sharp gaze gave Sikong Wushang a chilling sensation over his scalp.

At this moment, Sikong Wushang seemed to realize what kind of individual he had provoked.

"Sikong Wushang, prepare to die!"

At that moment, Ao Tian moved.

His figure flickered, transforming into a black lightning bolt appearing before Sikong Wushang.

He punched out fiercely, imbued with an immensely powerful destructive force.

The formidable power formed an extremely terrifying impact.

Sikong Wushang, greatly alarmed, hurriedly activated the Gold Attribute Law to defend himself.

But before his Gold Attribute Law could fully gather, Ao Tian's fist directly slammed into his chest.

"Boom!"

The terrifying destructive force instantly shattered the dragon scales on Sikong Wushang's chest.

The dragon scales on his back were also blown to pieces.

"Pfft!"

Sikong Wushang immediately spat out a mouthful of blood.

His figure rapidly flew backward.

Too strong!

Everyone around was utterly shocked.

Ao Tian's strength was too mighty!

A being so powerful would acknowledge Xu Nian as Master?

Could it be that Xu Nian's strength surpassed even Ao Tian's?

At that moment, all the Demon God Palace powerhouses were in shock.

"Hmph!"

Ao Tian snorted coldly.

Instantly, he pulled out a terrifying thunderbolt and hurled it fiercely at Sikong Wushang.

"Stop!" The White Dragon Emperor appeared immediately in front of Sikong Wushang to fend off the terrifying thunderbolt.

However, how could the terrifying thunderbolt be something the White Dragon Emperor could withstand?

"Boom!"

The White Dragon Emperor was instantly blasted to the ground.

The ground shattered.

The White Dragon Emperor violently spewed blood, severely injured on the spot.

Just one strike!

Left the White Dragon Emperor heavily injured.

Too powerful!

From afar, Sikong Wushang steadied himself and, seeing the scene, gritted his teeth.

Over the years, Ao Tian's strength had become even more formidable.

He was no match at all.

"Damn it!"

Sikong Wushang cursed inwardly.

He looked toward Xu Nian, only to find Xu Nian looking at him calmly.

This caused his inner anger to surge to its peak.

"No, I must not stay and fight!"

Sikong Wushang immediately tried to escape.

"Trying to escape? You won't get away!" Ao Tian shouted.

The next moment, the Heavenly Dome above instantly filled with dark clouds.

A terrifying black lightning bolt suddenly descended from the dome.

Smashing directly toward Sikong Wushang.

This black lightning's power was comparable to some Divine Thunders.

"Pfft!"

Sikong Wushang was instantly struck to the ground, spewing blood furiously, on the brink of death.

Everyone around was shocked to the point of numbness.

Too powerful!

Sikong Wushang had no power to fight back before him.

"Prepare to die, Sikong Wushang!" Ao Tian snorted coldly.

In the next moment, he condensed a black Thunder Sword.

With a flick, it shot out.

Directly towards Sikong Wushang's abdomen.

At this moment, Sikong Wushang was defenseless, unable to withstand this sword.

"Stop!"

Just as everyone thought Sikong Wushang was about to die.

A dignified voice rang out.

Then a figure appeared in front of Sikong Wushang.

With a palm strike, it shattered the Thunder Sword.

"The Hall Master?"

Everyone around was stunned.

Had the Hall Master made a move?

Chapter 1803: Demon God Palace Master

Xu Nian looked at the Demon God Palace Master who appeared before him.

His eyes showed little surprise.

The Demon God Palace Master making a move was all within his expectations.

After all, how could the Demon God Palace Master possibly allow others to slaughter their Three Emperors?

"Xu Nian, let this matter go, just consider it as doing me a favor," the Demon God Palace Master said.

Everyone around was taken aback.

They originally thought the Palace Master would be furious.

But unexpectedly, the Palace Master spoke to Xu Nian in such a tone, as if asking for a favor.

Xu Nian also did not expect the Demon God Palace Master to speak to him like this.

This made him, who was ready to respond arrogantly, feel a reluctance to hit a smiling face.

"Since the Palace Master has spoken, naturally I will give him this honor, but Sikong Wushang tried to kill me several times, and I can't accept just letting him go," Xu Nian said.

Hearing this, the Demon God Palace Master did not waste words.

He immediately delivered a terrifyingly powerful palm strike.

This blow landed on Sikong Wushang.

"Poof!"

Sikong Wushang spit out blood profusely.

With a face filled with horror, he looked at the Demon God Palace Master.

"Palace Master, you crippled my cultivation?" Sikong Wushang said in shock.

His cultivation was actually crippled?

Isn't this more painful than killing him?

Once his cultivation is crippled, those he has offended in the past will definitely not let him go.

Not to mention others, even the Phoenix Emperor of the Phoenix Clan won't let him off easily.

The surrounding experts of the Demon Clan were also astonished.

They never imagined the Palace Master would personally cripple Sikong Wushang's cultivation.

"Is this enough?" the Demon God Palace Master asked Xu Nian.

"Enough!" Xu Nian nodded.

He also did not expect the Demon God Palace Master to actually cripple Sikong Wushang's cultivation personally.

Since the Palace Master had already crippled Sikong Wushang's cultivation, it was as good as giving him face.

Sikong Wushang wouldn't be able to live long after this.

"Alright, now that you've calmed down, come with me, I'll take you to meet someone," the Demon God Palace Master said.

"Okay!" Xu Nian agreed.

He immediately instructed Ao Tian to protect Luo Blood and the others.

Although there wouldn't be much danger, having Ao Tian around still offered some peace of mind.

"Okay!" Ao Tian responded.

"Husband? Let me go with you!" Luo Blood said with some concern.

"No need, I believe the Palace Master won't harm me," Xu Nian said.

Hearing this, Luo Blood finally nodded.

Next, Xu Nian followed the Demon God Palace Master towards the depths of the Demon God Palace.

Xu Nian followed the Demon God Palace Master to a cliff at the deepest part of the Demon God Palace.

On the cliff, there was an unbelievably large cave.

Xu Nian followed the Palace Master into the cave.

He became increasingly astonished.

Who was the Demon God Palace Master taking him to meet?

Soon, the two arrived at the deepest part of the Demon God Palace.

The cave was large, with ample space.

Xu Nian looked at the scene within the cave, his face showing a sudden look of astonishment.

"Lan Xi?"

Xu Nian stared in surprise at the enormous Void Insect Nest inside the cave.

At this moment, it was none other than the Void Insect Nest standing in front of him.

Inside this Void Insect Nest, it wasn't anyone else but Lan Xi, the Void Mother Empress Xu Nian had tamed.

"That's right, the person I wanted you to meet is Lan Xi. Ever since you entered the Demon Realm, Lan Xi has sensed your presence, but because she is in a critical evolutionary period, she couldn't come out, so she entrusted me to bring you here," the Palace Master said.

Xu Nian was somewhat surprised.

Lan Xi had evolved?

Like his Undying Devouring Sky Beast, the Void Mother Empress was one of the Four Great Chaotic Holy Beasts.

And it was clear Lan Xi hadn't reached adulthood, so she was also in a state of slumber, constantly completing her transformation.

Both the adult Undying Devouring Sky Beast and Void Mother Empress can achieve Demon Emperor Peak Level cultivation.

This showcases the formidable nature of Chaotic Holy Beasts.

"If Lan Xi had been here all this time, why couldn't I detect her presence?" Xu Nian asked in surprise.

There was a Soul Contract between him and Lan Xi. Logically, when he entered the Demon Realm, he should have detected Lan Xi's presence.

But standing there now, he couldn't sense anything.

This puzzled him.

"Actually, it's because I laid down Divine Talismans around her, isolating soul power, so you couldn't detect her presence," the Demon God Palace Master explained.

Xu Nian immediately understood the situation.

The Demon God Palace Master had hidden Lan Xi away.

He had been wondering all along where Lan Xi had gone.

"What is the relationship between the Palace Master and Lan Xi?" Xu Nian curiously asked.

"I knew you would ask. Since you did, I won't hide it. Like Lan Xi, I am also a Chaos Divine Beast. You should know the origin of Chaos Divine Beasts, right?" the Demon God Palace Master replied.

"Yes, they are formed from the essence of heaven and earth's power, a type of Chaos Divine Beast that exists only one in the world, and once dead, will reincarnate in another form," Xu Nian said.

"That's right, and you can probably guess my true form!" the Demon God Palace Master said.

"Yes, the Chaos Thunder Tiger!" Xu Nian replied.

"Haha! Lan Xi said you have an Undying Devouring Sky Beast Avatar? Is it true?" the Demon God Palace Master asked.

"It's true, but my Undying Devouring Sky Beast Avatar is still in slumber, so I didn't bring it with me," Xu Nian responded.

"So it's true, which means that of the Four Great Chaotic Holy Beasts, three are gathered here?" the Demon God Palace Master laughed.

Xu Nian nodded incredulously.

He was also surprised.

He hadn't expected three of the Four Great Chaotic Holy Beasts to gather here.

"Actually, the reason I called you is for another matter," the Demon God Palace Master said.

"It's about that descending Demon God?" Xu Nian asked.

"Indeed, you are wise. Yes, it's concerning that descending Demon God. His purpose in the Three Realms is actually for something," the Demon God Palace Master explained.

"Something?" Xu Nian was a bit dumbfounded.

What kind of thing would make a God-level expert descend from the Divine World to search for it?

"I don't know what exactly, but I've heard it's very important, supposedly a fragment even divine beings highly value," the Demon God Palace Master said.

A fragment?

"Could it be that?"

The voice of Emperor Ye Tian echoed in Xu Nian's mind.

"Master? You know?"

Xu Nian asked in confusion.

"I'll discuss it with you later, but if the fragment truly exists in the Three Realms, you must obtain it," Emperor Ye Tian said.

"Is it that important?" Xu Nian asked, surprised.

"More important than a Chaos Divine Artifact," Emperor Ye Tian exclaimed.

This declaration left Xu Nian utterly stunned.

More precious than a Chaos Divine Artifact.

At that moment, Xu Nian grew even more curious about what the fragment they spoke of truly was.

"Moreover, I plan to undergo Tribulation Crossing," the Demon God Palace Master suddenly announced.

"Tribulation Crossing?" Xu Nian was taken aback.

He didn't expect the Demon God Palace Master to plan on Tribulation Crossing.

Chapter 1804: Leaving the Demon Realm

After Xu Nian had a conversation with the Demon God Palace Master.

The Master then left.

Xu Nian looked at Lan Xi.

At this moment, Lan Xi had reached the most crucial stage of her evolution.

Xu Nian did not disturb her, instead, he took her into the Chaos Divine Palace.

Very soon, Xu Nian walked out of the cave.

Unexpectedly, on the way back, Xu Nian encountered the Female Demon God descending from the Divine Realm.

"Are you planning to return to the Immortal Realm?" the Female Demon God asked.

"Uh?" Xu Nian was taken aback.

He hadn't expected her to ask such a question.

"I plan to return to the Immortal Realm, do you intend to join me, Demon God Lord?" Xu Nian asked with a smile.

"Yes, I do plan to go with you," the Female Demon God replied.

Xu Nian was again surprised.

Was the Female Demon God really going to the Immortal Realm with him?

Could it be that the fragment they're looking for is in the Immortal Realm?

Xu Nian's eyes betrayed his astonishment.

"I intend to go to the Immortal Realm to find something; if you're returning there, you can lead the way," the Female Demon God said.

Xu Nian was shocked.

Is the thing really in the Immortal Realm?

However, whether it's in the Immortal Realm or not, at least it doesn't seem to be in the Demon Realm.

During this time, the Female Demon God must have traversed the entire territory of the Demon Realm.

Apparently, nothing was discovered.

"In that case, accompany me then, Demon God Lord," Xu Nian said with a smile.

"Alright, in three days, I'll meet you at the square," the Female Demon God said and disappeared.

Xu Nian was left feeling helpless.

He hadn't even decided to leave in three days yet.

But everything here had been dealt with, so there was no point in staying longer.

Three days it is!

Then Xu Nian returned to the Phoenix Clan's great hall.

And informed everyone of his impending departure.

"You're leaving?" Luo Shang frowned deeply.

Although she anticipated Xu Nian's departure, she hadn't expected it to be so soon.

"Yes, I originally came here to rescue Little Yu, and now that Little Yu is free, there's no need for me to stay any longer," Xu Nian explained.

Luo Shang remained silent.

Beside her, Huo Tianqiu was also silent.

"Husband, no matter where you go, I'll go with you," Luo Xue said.

"Yes, me too!" Huo Baiyu chimed in.

"Bai Yu, you should stay; the Demon Realm is more suitable for your cultivation," Xu Nian refused.

"But Master, I want to stay by your side," Huo Baiyu said.

Xu Nian shook his head with a smile, "A master leads you to the door of cultivation, but personal progress is on your own. I've taught you all you need to know; the rest is up to you."

Upon hearing this, Huo Baiyu pouted stubbornly but had to agree, "Alright, can I go to the Immortal Realm to find you once I've succeeded in my cultivation?"

"I'll be waiting for you in the Divine World," Xu Nian smiled.

"Alright, I'll definitely go find Master in the Divine World by then!" Huo Baiyu said with determination.

Divine World?

Huo Tianqiu and Luo Shang both thought silently to themselves.

They also set silent goals in their hearts.

To successfully cross the tribulation and go to the Divine World.

"Little Yu, what about you? Are you coming back to the Immortal Realm with me or staying in the Demon Realm?" Xu Nian asked.

"Big brother, I..." Xu Yu stammered.

Xu Nian immediately understood and said with a smile, "Alright, then you stay in the Demon Realm, and I'll wait for you in the Divine World."

"No problem, big brother, I will definitely succeed in crossing the tribulation," Xu Yu said with the same determination.

Hearing this, Xu Nian laughed, "By the way, see if you can find the whereabouts of the Bull Demon King in the Demon Realm. I didn't seem to encounter him this time."

"Sure, I'll definitely find the old bull; I did meet him once before," Xu Yu said.

Xu Nian nodded.

Then he turned to look at Luo Shang, "Now that Sikong Wushang is dead, the Dragon Clan shouldn't pose too much of a threat to the Phoenix Clan anymore. As for your father, he had no other choice."

Due to the events at the previous Demon God Ceremony, things had remained awkward between Luo Shang and the Phoenix Emperor.

They hadn't spoken since.

"I understand!" Luo Shang nodded.

Xu Nian nodded and then looked at Huo Tianqiu, "The position of Vice Clan Leader in the Snake Clan should be taken back by the Clan Leader; I'm afraid I can't hold this position."

"Actually, I also plan to resign as Snake Clan Leader and hand over the entire Snake Clan to Bai Yu, and then find a secluded place to cultivate in preparation for the divine tribulation," Huo Tianqiu said.

Xu Nian looked at Luo Shang in surprise.

"Indeed, I discussed it with Sister Huo; I plan to leave the Phoenix Clan and retreat into cultivation with her," Luo Shang said.

Xu Nian understood.

"That works too," Xu Nian nodded in agreement.

Soon, the three days quickly passed.

Xu Nian, accompanied by Luo Xue, arrived at the square.

Huo Baiyu, Ice Blue, Xu Yu, and Luo Xia came to see him off.

However, Luo Shang and Huo Tianqiu did not come.

Xu Nian felt a bit relieved by this.

"Big brother, why don't you stay a bit longer?" Xu Yu asked.

"No, there's something I need to do. My master in the Immortal Realm is also about to cross the divine tribulation," Xu Nian said.

"Then take care, big brother," Xu Yu said, somewhat reluctantly.

Xu Nian patted Xu Yu on the shoulder.

"Ice Blue, I've lifted your soul contract, you are free now," Xu Nian said with a smile.

"Master!" Ice Blue was both excited and a bit disappointed.

She knew her cultivation was too low to help Xu Nian in any way.

Xu Nian smiled.

After chatting a bit with everyone, he left with Luo Xue and the Female Demon God.

Of course, he was also accompanied by a group of demons from the Heavenly Dragon Divine Mountain.

As Xu Nian and the others teleported away.

Not far away, on a high mountain, stood two captivating figures.

These figures were none other than Luo Shang and Huo Tianqiu.

"You like Xu Nian, don't you?" Huo Tianqiu looked at where Xu Nian disappeared and then at Luo Shang with a smile and asked.

"And don't you also like him?" Luo Shang retorted.

Then both of them laughed.

"Actually, we both know that to him, we are just passersby in his life," Luo Shang said, suddenly somber.

"Yes, we like him, but he doesn't like us," Huo Tianqiu said with a self-deprecating smile.

They both could tell.

Xu Nian didn't have that kind of affection for them.

And precisely because of that, they did not choose to follow him.

Xu Nian was outstanding, so outstanding that they couldn't see any other men in their eyes.

But so what, Xu Nian didn't love them.

Any story was impossible to even begin.

Luo Shang and Huo Tianqiu fell silent, staring in a daze toward the square.

Even though they felt sad, there was a faint sense of anticipation in their hearts.

They hoped that should they meet Xu Nian again in the Divine World, there might be a different story to tell.

"Let's go, to cultivate!" Luo Shang said with determination.

Huo Tianqiu nodded, and then the two of them teleported away.

Chapter 1805: The Heavenly Court Takes Action

Immortal Realm.

Xu Nian led Luo Blood and the Female Demon God through the boundary gate.

The elder guarding the gate was astonished to see the trio.

"Such powerful presence!" the elder silently sighed.

Especially that Female Demon God, just standing there gave the elder an eerie feeling.

Bear in mind, he was also a strong being at the Immortal Emperor Perfection Level.

Yet facing this woman, he felt a deep sense of fear.

"Senior! I am Xu Nian from Shendang Mountain, we've met before," Xu Nian smiled.

"I recognize you; you've grown rapidly. In just a few short months, you've reached the late-stage Immortal Emperor," the elder exclaimed.

Xu Nian chuckled: "I got lucky and gained some fortunes."

"It seems you're favored by the heavens; who are these two?" the elder asked.

"One is my wife, and the other... my friend," Xu Nian pondered.

The elder nodded, not probing further.

At this moment, Luo Blood and the Female Demon God hid their aura, so the elder did not recognize their Demon Clan identity.

After some casual talk, Xu Nian left with the two women.

"Husband, where are we going next?" Luo Blood asked.

"Let's head to the Heavenly Court first," Xu Nian thought aloud.

Though knowing the Female Demon God likely harbors no ill will, Xu Nian dared not bring her to Shendang Mountain.

After all, bringing such a God Level entity to Shendang Mountain would be quite dangerous.

"Demon God Lord, would you be willing to join me at the force I established?" Xu Nian asked.

"Your established force? Alright, let's go there. But here, you should stop calling me Demon God, call me Su Chan instead," the Female Demon God replied.

"Su Chan?" Xu Nian was surprised.

Unexpectedly, this formidable Female Demon God had such a name.

"You just called me your friend, right? Since we're friends, just call me by my name," the Female Demon God smiled.

Xu Nian paused.

He had merely concocted a lie.

"Alright, I'll call you Su Chan," Xu Nian said.

The Female Demon God showed a slight smile, clearly pleased with Xu Nian's form of address.

Subsequently, Xu Nian initiated several Instant Teleportations towards the Heavenly Court's direction with Su Chan and Luo Blood.

Soon, they reached the outskirts of the Heavenly Court.

"Su Chan, Luo Blood, this is the Heavenly Court that I established," Xu Nian pointed to the vast mountainous architectural complex below.

"Heavenly Court? What a bold name, seems interesting, but your Heavenly Court's situation doesn't look too good," Su Chan laughed lightly.

Upon hearing this, Xu Nian frowned.

He quickly looked downward.

"Buzz!"

When Xu Nian's soul scanned the entire Heavenly Court, extreme anger surged instantly in his eyes.

A towering rage exploded from his chest.

Without hesitation, Xu Nian instantly teleported into the Heavenly Court.

Inside a grand hall, gathered were many people.

There were Spirit Clan Leader Jiang Mohan, Bu Keng, Tang Tianhu, several Spirit Clan elders, Mu Yan, Wentian Demon Sovereign, and some direct descendants of the Heavenly Court.

However, none of them were exceptions, all severely injured.

"Xu Nian?"

Seeing Xu Nian appear inside the hall, everyone expressed surprise.

Evidently, none of them expected Xu Nian to appear at this time.

"What's going on?"

Xu Nian's gaze fell on the severely injured individuals, his eyes sharp.

Especially when he saw Wentian Demon Sovereign had a severed arm, a flood of intense killing intent surged in his eyes.

"It's Ten Thousand Beast Mountain! Ten Thousand Beast Mountain people did it. Upon learning somehow that Lord Leng and the two ladies possess Godhood, they dispatched a large number of strong forces to attack our Heavenly Court," Jiang Mohan sighed.

Ten Thousand Beast Mountain?

Xu Nian's eyes filled with instant murderous intent.

The terrifying killing aura exploded like thunder in the grand hall.

The horrific aura shook the entire Heavenly Court Mountain.

Jiang Mohan and others showed surprised expressions.

Late-stage Immortal Emperor?

Xu Nian actually reached the late-stage Immortal Emperor?

Su Chan beside him also looked at Xu Nian in surprise.

Clearly, she was curious what on earth had made Xu Nian so furious.

"Jiang Clan Leader, where are Leng Yanran and the others?" Xu Nian hurriedly asked.

He had a strong feeling of unease.

His Undying Devouring Sky Beast and Void Mother Empress had both entered a state of complete slumber.

They were utterly oblivious to external occurrences.

"Lord Leng, Han Xiaoxiao, and Zhao Yanyun have been captured. They want to extract the Godhood from their bodies," Jiang Mohan stated.

"They're courting death!" Xu Nian was furious.

The killing intent in his eyes erupted to the extreme.

Ten Thousand Beast Mountain!

Simply courting death!

"How long have they been captured?" Xu Nian asked urgently.

"Not long, only three hours," Tang Tianhu replied.

Xu Nian frowned.

Three hours?

This time wasn't exactly long or short.

If Leng Yanran and the others indeed met misfortune, Xu Nian would likely live in self-reproach for life.

Immediately, Xu Nian prepared to leave.

"Xu Nian, wait a moment, are you heading to Ten Thousand Beast Mountain?" Wentian Demon Sovereign hurriedly stopped Xu Nian.

"Yes, I'm going to rescue them, and by the way, flatten Ten Thousand Beast Mountain," Xu Nian's eyes were as sharp as blades.

"Going like this is too reckless, Ten Thousand Beast Mountain is not a small force, don't know where they emerged from five Immortal Emperor Perfection strong fighters, and there's one adept at a Divine Array. Even your Divine-level Puppet was collected by them. Going like this may cost your life," Wentian Demon Sovereign advised.

"Five Immortal Emperor Perfection?" Xu Nian chuckled.

People didn't understand why Xu Nian laughed.

"Master Wentian, did they also sever your arm?" Xu Nian asked.

Wentian Demon Sovereign's arm bore strong thunder strike marks.

This was a terrifying Heavenly Thunder, even though Wentian Demon Sovereign had reached the Demon Emperor Realm, it would take at least a year and a half to recover.

"Yes, but that's not important. I know you're anxious to save them, maybe you should summon help from Shendang Mountain?" Wentian Demon Sovereign suggested.

Everyone nodded in agreement.

"Haha, against a mere Ten Thousand Beast Mountain, need I summon help from Shendang Mountain?" Xu Nian laughed heartily.

Suddenly, fifteen figures appeared in the grand hall.

Feeling the presence of these more than twenty figures, Wentian Demon Sovereign and others were once again shaken.

As though facing a great enemy.

Among these twenty-plus individuals, fifteen were at the Demon Emperor Perfection Level, the rest were at Demon Emperor Peak and Late-stage Demon Emperor.

Fifteen at Demon Emperor Perfection?

Where on earth did these guys come from?

Could it be the Demon Realm assaulting?

Is it heaven's decree to obliterate their Heavenly Court?

"Greetings, Master!"

However, at the moment when many Heavenly Court members were alarmed and on edge, all twenty-plus people knelt on one knee.

They respectfully addressed Xu Nian.

What?

Master?

The entire place was instantaneously petrified.

"Ao Tian, convey my order, accompany me in flattening Ten Thousand Beast Mountain!" Xu Nian directly commanded.

"Yes, Master!" the twenty-eight Demon Emperors responded in unison.

"Follow me in Instant Teleportation!" Xu Nian instructed directly.

Having said that, he vanished via Instant Teleportation from the grand hall.

These Demon Emperor powerhouses also followed suit, disappearing via Instant Teleportation.

Luo Blood and Su Chan naturally joined them.

Leaving behind a number of Heavenly Court members in shock!

Chapter 1806: The Immortal Realm Trembles

Ten Thousand Beast Mountain Immortal Domain.

Inside a colossal palace.

On the throne sat five Emperor Perfection Level masters, and besides them, there were eight Immortal Emperor Level masters.

Such a force, even in the entire Immortal Realm, is a very considerable power.

And in the center of the great hall, at this moment, there were three women of unmatched beauty and stunning figures.

These women were none other than Leng Yanran, Han Xiaoxiao, and Zhao Yanyun.

At the moment, the three were bound by divine seals, unable to use the Mixed Element Power and Soul Power within their bodies.

"Haha, brother, we have won a great victory this time, annihilating the Heavenly Court without a trace," one of the Immortal Emperor Perfection Level masters laughed heartily.

"What silly Heavenly Court, claiming to be the tenth largest power in the Immortal Realm, but they are no more than clowns. With us five taking action, not to mention the Heavenly Court, even Shen Dang Mountain couldn't stop us," another Immortal Emperor Perfection Level master chuckled lightly.

"Alright, stop boasting, Azure Dragon, thanks to you this time, otherwise we wouldn't have known such a force in the Immortal Realm existed, actually possessing three Godhoods," the middle-aged man on the main seat looked coldly at the three women below and laughed.

Originally as the master seat of Ten Thousand Beast Mountain, Azure Dragon Immortal Emperor was seated at the tail end of the five.

The four in front of him, both in strength and seniority, were above him.

Only the outside world believed they were dead.

Thus to everyone, Ten Thousand Beast Mountain had only one Immortal Emperor Perfection master.

If it hadn't been for the three Godhoods, he wouldn't have invited the four to emerge from seclusion.

"Four brothers, these three are related to one person, and that person is the disciple Xu Nian of Shen Dang Mountain who recently stole the limelight. It is rumored that the Godhoods on them were given by Xu Nian," Azure Dragon Immortal Emperor said.

"Oh, a disciple can obtain three Godhoods? What is this disciple's level of power?" the leader asked.

"He has not yet reached Immortal Emperor Realm," Azure Dragon Immortal Emperor replied.

"A mere ant below the Immortal Emperor level, nothing to fear. Azure Dragon, you must guard us next, as we prepare to extract the Godhoods from them," the leader of the Immortal Emperor masters said dismissively.

"Brother, just kill them!" an Immortal Emperor Perfection Level master quickly suggested.

"Hmph, what do you understand? Extracting Godhoods must be done using secret techniques; otherwise, if forcibly taken, the Godhood cannot be used for at least ten thousand years because the previous owner's soul origin mark remains on it. This mark cannot be erased and can only fade with time, so it must be extracted while alive," the leading master snorted coldly.

As soon as these words were spoken, everyone was enlightened.

"Brother, after extracting the Godhoods, can these three be given to me? These three are all top-notch beauties; it would be a waste not to use them," a Purple Robe Demon Emperor Perfection Level master said with an evil grin.

"Of course, you only know women, but these three are indeed quite beautiful. You can have them afterward, but they won't live long, so you better be quick," the leader in the Golden Robe Perfect said.

"Haha, brother, don't worry, I'm in more of a hurry than anyone in this aspect," the Purple Robe guy laughed.

Upon hearing these exchanges, Leng Yanran and the others gritted their teeth.

They were prepared that even if they had to die, they would never let them succeed.

"Huh?"

Suddenly, all the Demon Emperor masters present had their expressions change.

Especially the leading five Demon Emperor Perfection masters, who all stood up from their seats.

"How could it be? Since when did the Immortal Realm have so many Demon Emperor Perfection masters appear?"

"Such terrifying aura, what's happening?"

"This aura, this frightening momentum, is coming from the direction of Ten Thousand Beast Mountain!"

...

As waves shook Ten Thousand Beast Mountain, the entire Immortal Realm was stirred.

Everyone looked toward the direction of Ten Thousand Beast Mountain.

The presence formed by a total of twenty-eight demon emperors, fifteen Demon Emperor Perfection masters, was enough to stir the entire Immortal Domain.

Shen Dang Mountain, Chaos Sky Palace, Immortal Sovereign Hall, Turquoise Pool...

Masters flew out one after another, teleporting toward Ten Thousand Beast Mountain.

Such a terrifying Demon Realm force suddenly appearing?

Could it be a demon clan invasion?

But that's impossible!

As all the masters converged toward Ten Thousand Beast Mountain.

Inside the grand hall of Ten Thousand Beast Mountain, chaos erupted.

"What's going on, how could so many Demon Emperor masters suddenly appear, they seem to be coming for us," a white-robed Immortal Emperor Perfection Level master said immediately.

The other four frowned.

"Azure Dragon, you know the Immortal Realm best, what's going on?" the Golden Robed Immortal Emperor questioned immediately.

"I don't know either, the Immortal Realm has never had such a force, fifteen Demon Emperor Perfection - they must be from the Demon Realm!" Azure Dragon Immortal Emperor responded promptly.

"Move, go out and see!" the Golden Robed Immortal Emperor instantly teleported to the sky above Ten Thousand Beast Mountain Immortal Domain.

The other Immortal Emperor masters also teleported behind the Golden Robed Immortal Emperor.

They looked ahead as a terrifying aura rolled toward them.

The presence formed exerted such pressure that they almost couldn't breathe.

This overwhelming killing intent instinctively filled them with intense unease and fear.

"Whoosh whoosh whoosh..."

A string of breaking through the air sounds came.

Eventually, thirty-one figures appeared before the Golden Robed Immortal Emperor and the others.

Xu Nian stood at the front of the group, his gaze cold to the extreme.

Especially upon seeing the three figures of Leng Yanran bound in the hall, his killing intent exploded to the extreme.

Seeing these figures, the Golden Robed Immortal Emperor and the others frowned likewise.

It truly was people of the Demon Emperor.

How could so many demon emperors enter the Immortal Realm without any warning?

However, the Azure Dragon Immortal Emperor's face changed drastically, his gaze fell on Xu Nian in the lead, his heart filled with horror.

At this moment, he felt an extremely bad premonition.

"Everyone, I don't know where my Ten Thousand Beast Mountain has offended you, descending upon us with such aggression?" the leading Golden Robed Immortal Emperor spoke.

The tone was quite respectful.

"Offended? Your Ten Thousand Beast Mountain is at the brink of demise yet still unaware?" Xu Nian scoffed, his gaze flickering coldly like starlight.

Killing intent lingered around him, forming a substantial red glow.

The Golden Robed Immortal Emperor was stunned.

So many Demon Emperor Perfection masters, led by this late-stage Immortal Emperor guy.

What is this person's background?

"Azure Dragon, what's going on? Who is this youth?" the Golden Robed Immortal Emperor immediately transmitted his voice.

A momentary shock encompassed Azure Dragon Immortal Emperor.

Upon hearing the Golden Robed Immortal Emperor's question, he quickly transmitted a response: "Brother, this youth is the Shen Dang Mountain disciple I mentioned, Xu Nian!"

"What?" the Golden Robed Immortal Emperor was aghast.

"Didn't you say he hasn't reached Immortal Emperor Realm? So why is he late-stage Immortal Emperor and able to gather so many Demon Emperor masters?" the Golden Robed Immortal Emperor shouted immediately.

In this moment, he finally understood why these people were brimming with murderous intent.

And precisely because of knowing this, he realized what awaited Ten Thousand Beast Mountain.

Chapter 1807: Court Death in Madness

The outskirts of the Immortal Domain at Ten Thousand Beast Mountain.

Figures suddenly appeared one after another.

Without exception, all these figures were at the Immortal Emperor level.

Among them were powerful Immortal Emperors such as Ksitigarbha Immortal Emperor, Yaochi Immortal King, Heavenly Immortal Emperor, Fu Yao, and Immortalization.

Of course, the Taichu Immortal Emperor was also among them.

"There are actually fifteen Demon Emperors at Great Perfection, where did these people come from?" Fuyao Immortal Emperor asked in confusion.

However, everyone shook their heads.

They didn't know either.

This force seemed to have appeared out of thin air, as if it suddenly emerged.

"Can't you even see this?" Ksitigarbha Immortal Emperor chuckled and said.

"Oh? Ksitigarbha, do you know what's going on?" Heavenly Immortal Emperor asked, surprised.

The others looked at Ksitigarbha Immortal Emperor.

But Ksitigarbha Immortal Emperor just smiled without speaking: "This time, Ten Thousand Beast Mountain is really in big trouble, they might be uprooted by this entire force."

"What?" The surrounding Immortal Emperors were all astonished upon hearing this.

Uprooted?

What kind of hatred is this?

"Ksitigarbha, stop keeping us in suspense, just tell us what's going on," Yaochi Immortal King urged impatiently.

"Let Taichu Immortal Emperor explain, he should know best what's happening." Ksitigarbha smiled and said.

As soon as he said this, everyone looked at Taichu Immortal Emperor.

Taichu Immortal Emperor shook his head.

In fact, he was also very surprised, or rather, his surprise was stronger than anyone present.

"Can any of you explain?" Tianjian Immortal Emperor from Tianjian Sect said with a depressed look.

The other Immortal Emperors were also anxious.

"Forget it, let's not trouble you. These Demon Emperor powerhouses should have come from the Demon Realm, and as for how they got here, they were probably brought by someone," said Ksitigarbha Immortal Emperor.

"Who?" Everyone asked in confusion.

"It's Xu Nian, Taichu's disciple! He probably put all these Demon Emperors into a Space Divine Artifact." Ksitigarbha Immortal Emperor said.

"Xu Nian?" Everyone was shocked to hear this.

They couldn't have imagined that it would be Taichu Immortal Emperor's disciple, Xu Nian?

Upon hearing this, Yaochi and the others immediately looked towards the leader of the group exuding terrifying murderous intent.

Upon seeing this, Yaochi and the others were stunned.

"It really is Xu Nian, his aura was previously mixed among the Demon Emperors at Great Perfection, and we didn't notice it. Now that you mention it, it's really him," Yaochi said in shock.

Everyone was stunned.

Especially Heavenly Immortal Emperor, Fuyao Immortal Emperor, and Tianjian Immortal Emperor.

These individuals had all offended Xu Nian at some point.

Now that Xu Nian commanded such a terrifying force, how could they not feel apprehensive?

"Xu Nian went to the Demon Realm?" Yaochi looked at Taichu and asked.

"Yes, he went to the Demon Realm a few days ago to save his brother. Even I didn't know he had returned; he was only at quasi-Demon Immortal Emperor level when he left," Taichu Immortal Emperor said.

With these words.

All the Immortal Emperor powerhouses present were at a loss for words.

He left as a quasi-Immortal Emperor, and after a few months returned as a late-stage Immortal Emperor?

And brought back twenty-eight Demon Emperors?

Including fifteen at Great Perfection?

Is he even human?

At this moment, all the Immortal Emperors silently vowed in their hearts never to provoke Xu Nian.

Even Heavenly Immortal Emperor and others were considering how to mend their relationship with Xu Nian.

"Then why did Xu Nian go to Ten Thousand Beast Mountain first upon his return?" Tianjian Immortal Emperor asked in confusion.

"I know, Ten Thousand Beast Mountain recently attacked a force called Heavenly Court and captured three women. As far as I know, this Heavenly Court force was created by Xu Nian, and those three women are Xu Nian's lovers," Yaochi Immortal King said.

Upon hearing this, all the Immortal Emperors present gasped.

At this moment, they suddenly had the urge to feel sorry for Ten Thousand Beast Mountain.

They more or less understood Xu Nian's character.

To be able to kill the son of Heavenly Immortal Emperor, he was definitely a person who despises evil and is decisive in killing.

Now, Ten Thousand Beast Mountain had captured his lovers and nearly destroyed his force.

Unless he flattens Ten Thousand Beast Mountain, Xu Nian is unlikely to let this go.

The many Immortal Emperors sighed one after another.

The situation in the Immortal Realm might undergo a tremendous change soon.

At this moment, Taichu Immortal Emperor also felt a sense of relief.

The speed of Xu Nian's growth was truly incredible, even to him.

...

Meanwhile, as the many Immortal Realm leaders gathered.

The high-level members of Ten Thousand Beast Mountain were drenched in sweat.

Especially the leading Golden Robed Immortal Emperor, who even broke out in a cold sweat on his forehead.

"I am the ancestor of Ten Thousand Beast Mountain, Jin Yuan. My true form is a four-clawed Golden Dragon, so I can be considered a member of the Demon Clan. Could you please tell me if there's any grievance so we can sit down and discuss it?" the Golden Robed Immortal Emperor said with a shrewd look.

In his view, although Xu Nian could gather so many Demon Emperor powerhouses, it must be because Xu Nian promised them certain benefits.

If he could find the key, breaking their alliance with Xu Nian wouldn't be impossible.

"Four-clawed Golden Dragon? Just a worm, and you dare try to relate with us? You still don't know who you've offended," Ao Tian said disdainfully.

With one glance, he saw through these five people in front of him.

They were all part of the Dragon Clan!

But all of them possessed second-rate Dragon Clan bloodline.

If Xu Nian hadn't given orders, he would have likely devoured them all in one bite.

The other Demon Emperor powerhouses laughed coldly one after another.

They looked at the Golden Robed Immortal Emperor and others as if they were idiots.

How could they not see through what the Golden Robed Immortal Emperor was thinking?

Xu Nian's eyes were cold, and he said nothing.

He wanted to see how far Ten Thousand Beast Mountain would go to court death.

Su Chan, on the other hand, watched everything as if it was none of her business.

To her, all of this was just an interesting play.

Worm?

Ao Tian's words instantly turned the Golden Robed Immortal Emperor's face a shade of iron green.

Yet, the Golden Robed Immortal Emperor showed no signs of anger, because he could sense the terrifying aura emanating from Ao Tian.

That strong feeling, the opponent could completely kill them in an instant.

This only strengthened his resolve to dissolve Xu Nian's relationship with them.

"Esteemed one, I understand why you are here, but are you sure you want to oppose Ten Thousand Beast Mountain for the sake of an unnamed figure from the Immortal Realm? Tell me what reward he promised you, and Ten Thousand Beast Mountain is willing to offer double," the Golden Robed Immortal Emperor said.

Although he knew this price would definitely not be low.

But at present, in order to break their alliance, he had to do this.

"Reward? Double?" The many Demon Emperor powerhouses burst into laughter.

Even Xu Nian couldn't help but sneer.

"Ao Tian, tell them what reward I promised you?" Xu Nian asked with a cold smile.

"Master, you have never promised us any reward," Ao Tian replied with a smile.

Master?

Everyone at Ten Thousand Beast Mountain was taken aback.

The five Golden Robed Immortal Emperors felt a chill in their hearts.

Only at this moment did they finally understand why these people showed mocking expressions.

From beginning to end, they were nothing but clowns.

Chapter 1808: The Fall of Ten Thousand Beast Mountain

The five Golden Robed Immortal Emperors could hardly believe their ears.

These Demon Emperor experts actually called Xu Nian their master?

What ability or virtue does Xu Nian have to subdue so many Demon Emperor Peak Level experts?

But given the current situation, he couldn't back down.

"Xu Nian, I'm sorry. I really didn't know you were their master. It was my fault for not recognizing Taishan. I hope you can forgive me," the Golden Robed Immortal Emperor immediately said.

"Forgive you?" Xu Nian sneered.

"You killed many of my Heavenly Court disciples, cut off one of my master Wentian's arms, captured my three spouses, and even attempted to steal their godhoods and harm them, yet you ask me to forgive you?"

Every word of Xu Nian's was like a thousand-pound weight falling on the hearts of every disciple of Ten Thousand Beast Mountain.

Only then did everyone understand.

Why these people were here.

The Heavenly Court!

Recently, their Ten Thousand Beast Mountain had been attacking that Heavenly Court, hadn't it?

Unexpectedly, this Heavenly Court was Xu Nian's faction, and he actually possessed such a formidable force.

At this moment, many Immortal Emperors of Ten Thousand Beast Mountain were drenched in cold sweat.

Xu Nian's words made them realize that today's matter could not be quietly resolved.

"Xu Nian, we didn't know the Heavenly Court was your force. If we had known, we would never have attacked it. We also did nothing to your three spouses; they are in the hall below. If possible, could we settle the matter here?" the Golden Robed Immortal Emperor asked.

"Settle it? Do you think that's possible?" Xu Nian's eyes were as sharp as blades.

Settle it? How absurd!

"Then what do you want?" the Golden Robed Immortal Emperor asked.

"Anyone who participated in the destruction of my Heavenly Court, must commit suicide, or I'll level your Ten Thousand Beast Mountain," Xu Nian commanded.

His tone was domineering, allowing not a hint of doubt.

"Don't go too far!" the Golden Robed Immortal Emperor immediately shouted angrily.

A mere late-stage Immortal Emperor, daring to threaten the destruction of his Ten Thousand Beast Mountain?

"Hmph, big brother, let's fight them. Our Ten Thousand Beast Mountain is not to be trifled with," the Purple Robed Immortal Emperor scoffed coldly.

"Yes, fight them!" the White Robed Immortal Emperor echoed.

Xu Nian sneered.

"Ao Tian, kill for me!" Xu Nian directly ordered.

"Yes!" Ao Tian immediately accepted the order.

The next moment, he led these Demon Emperor Level experts to attack the Golden Robed Immortal Emperor and his men.

In an instant, a battle broke out.

"Ah..."

The sound of fighting soon echoed.

The first Immortal Emperor Level expert was slain.

One must know that Xu Nian's allies were all top-tier Demon Emperor Level beings, each ruthless and merciless.

In battle, they killed like slaughtering dogs.

Even if the Immortal Emperors were strong, they were no match for these Demon Emperors.

Seeing this, the Golden Robed Immortal Emperor's eyes blazed with fury, and he charged directly at Xu Nian.

As long as he killed Xu Nian, everything would be resolved.

If Xu Nian died, all these Demon Emperors would perish.

To him, Xu Nian was the key to solving all this.

Moreover, none of these guys were even protecting Xu Nian; weren't they courting death?

Instantly, the Golden Robed Immortal Emperor appeared in front of Xu Nian.

His hand transformed into a dragon claw, imbued with the powerful Gold Attribute Law, striking fiercely towards Xu Nian.

Yet Xu Nian stood there without a single movement.

It seemed he didn't even react.

"Hahaha, you're doomed!" the Golden Robed Immortal Emperor laughed heartily.

He seemed to see his hand piercing through Xu Nian's abdomen, impaling Xu Nian.

From a distance, some Demon Emperor experts witnessing this began to chuckle coldly.

Did they really think Xu Nian was the weakest among them?

These fools didn't understand Xu Nian's terror!

"Clang!"

Just as the Golden Robed Immortal Emperor was exhilarated, his claws struck Xu Nian's abdomen.

To his surprise, his claws couldn't even pierce Xu Nian's clothing.

"How... how is this possible?"

The Golden Robed Immortal Emperor was utterly shocked.

Xu Nian sneered.

"You don't even recognize the Dragon Clan's supreme treasure, the Supreme Dragon Robe?" Xu Nian sneered.

"Supreme Dragon Robe?" The Golden Robed Immortal Emperor was astonished.

This name was present in his inheritance memory; wasn't it a legendary relic?

How could it be on Xu Nian's body?

"Boom!"

Before he could react, an overwhelming pressure erupted from Xu Nian.

This pressure instantaneously pressed down on the Golden Robed Immortal Emperor.

The Golden Robed Immortal Emperor suddenly felt his mind go blank, as if struck by a giant thunderbolt.

A force sourced from the depths of his bloodline brutally impacted his soul.

Xu Nian's pressure made the Golden Robed Immortal Emperor feel suffocated.

"Is this...the Supreme Dragon Power?" The Golden Robed Immortal Emperor was utterly stupefied.

He didn't imagine Xu Nian would possess the Supreme True Dragon Bloodline.

Supreme True Dragon!

The Dragon Clan's most exalted bloodline.

"Impossible, absolutely impossible!" The Golden Robed Immortal Emperor was alarmed.

Xu Nian, however, sneered without end.

"Let me show you, what a real dragon claw is!" Xu Nian coldly chuckled.

Then, his hand transformed into a dragon claw, instantly piercing the Golden Robed Immortal Emperor's abdomen.

"Puchi!"

Xu Nian directly extracted the Golden Robed Immortal Emperor's immortal embryo.

The onlookers were beyond astonished.

This was an Immortal Emperor Perfection Level expert.

Why was he so vulnerable before Xu Nian?

The surrounding spectators were equally shocked.

Especially the Immortal Emperor experts standing outside the Ten Thousand Beast Mountain Immortal Domain.

They realized that not only did Xu Nian possess a formidable force, but his own power had also reached an unapproachable level for them.

"Xu Nian's power must surpass ours, right?" Ksitigarbha Immortal Emperor couldn't help but remark.

"Indeed, it surpasses ours," Yaochi Immortal King also sighed.

When they first saw Xu Nian, he was just an Immortal Sovereign.

Now Xu Nian had already surpassed them.

How much time had even passed?

What a monstrous talent.

Even Taichu Immortal Emperor was slightly amazed.

Xu Nian's power growth was a bit beyond his expectations too.

"No, don't kill me," the Golden Robed Immortal Emperor frantically pleaded.

He finally realized what kind of existence he'd provoked.

But it was too late for regret.

"Dream on!" Xu Nian directly crushed the Golden Robed Immortal Emperor's immortal embryo.

"Big brother!" The others were shocked and horrified upon witnessing the Golden Robed Immortal Emperor's death.

But they had no time to think further.

They too were mercilessly slaughtered by Ao Tian.

In the end, more than twenty Demon Emperor experts reverted to their original forms and flattened the entire Ten Thousand Beast Mountain.

The twenty-eight terrifying behemoths, like twenty-eight fears, enveloped the entire Ten Thousand Beast Mountain.

Xu Nian's eyes were icy cold.

Without a trace of pity.

Then he entered the main hall and released the three individuals, Leng Yanran included.

"Husband!"

Upon seeing Xu Nian, the three women were extremely emotional.

Xu Nian checked their injuries, finding nothing serious, he finally sighed in relief.

As Xu Nian stepped out of the hall.

All the Immortal Emperors of the Ten Thousand Beast Mountain were dead, except for Azure Dragon Immortal Emperor.

Not a single Immortal Sovereign remained.

At this moment, Azure Dragon's expression was filled with pain, and his gaze towards Xu Nian was full of endless regret.

He hadn't imagined that a momentary whim would lead to the complete destruction of the Ten Thousand Beast Mountain.

Chapter 1809: Holy Scripture of the Heavenly Court

Half a two hours later.

Ten Thousand Beast Mountain had already become a ruin.

Countless disciples of Ten Thousand Beast Mountain were shaken and injured in this tremor.

Xu Nian did not slay them all completely.

After all, these lower-level disciples didn't know what had truly transpired.

But as for the disciples above the rank of Immortal King from Ten Thousand Beast Mountain, Xu Nian basically did not spare any.

Without these powerful figures, Ten Thousand Beast Mountain was considered thoroughly destroyed.

"I never thought Ten Thousand Beast Mountain would be gone just like that. How many tens of thousands of years of foundation were destroyed in this brief moment?"

Outside the domain, Ksitigarbha Immortal Emperor and others spoke with faces full of emotion.

Heavenly Immortal Emperor and others also had faces filled with sorrow.

This move of Xu Nian was enough to be recorded in the annals of the Immortal Realm.

It was too shocking.

Probably, henceforth, no one would dare touch even a single hair of the Heavenly Court.

Xu Nian looked at the ruins of Ten Thousand Beast Mountain, his eyes devoid of any sympathy.

He directly sent a message to Master Wentian and the others, asking them to bring the people of the Heavenly Court over.

Although the choice of location for the Heavenly Court was good, compared to Ten Thousand Beast Mountain.

After all, there were still some differences.

So from today onwards, Ten Thousand Beast Mountain would be the territory of the Heavenly Court.

Three days later, Ten Thousand Beast Mountain was completely renamed as Heavenly Court.

Under the reconstruction by the disciples of the Heavenly Court, a massive, grand Heavenly Court officially appeared before everyone's eyes.

At this moment, Xu Nian's Heavenly Court completely became one of the Nine Great Forces of the Immortal Realm.

And today is the Holy Scripture of the Heavenly Court.

The entire Heavenly Court is festively decorated, with an imposing atmosphere.

"Earth Immortal Sect, arrive!"

With a shout.

Ksitigarbha Immortal Emperor entered with Li Tian.

"Boss Xu Nian, I really didn't expect you to actually destroy Ten Thousand Beast Mountain, that's too cool, you're simply my idol."

Li Tian shouted excitedly as soon as he came in.

Xu Nian smiled softly.

Li Tian's personality was still so lively and boisterous.

"Senior Ksitigarbha!" Xu Nian respectfully referred to Ksitigarbha Immortal Emperor.

"Haha, Xu Nian, you and I are both Sect Masters now, calling me this way, how am I supposed to carry on in the Immortal Realm afterward?" Ksitigarbha Immortal Emperor teased with a smile.

Xu Nian smiled helplessly.

He had forgotten that he was now the Sect Master of one of the Nine Great Forces.

"In the future, just call me Ksitigarbha." said Ksitigarbha Immortal Emperor.

Xu Nian nodded.

Did not refuse either.

Actually, Ksitigarbha Immortal Emperor had pointed out to him, in some sense, Ksitigarbha Immortal Emperor was like an elder to him.

"Xu Nian, I witnessed the battle three days ago, it truly shook the entire Immortal Realm, never thought in my lifetime I could see the reshuffling of the Immortal Realm." Ksitigarbha Immortal Emperor said emotionally.

"I was just lucky, that's all." Xu Nian replied humbly with a smile.

"This is not just good luck, whether it's your own strength or the twenty-eight Immortal Emperors you brought back, they are all among the best in the Immortal Realm; now your Ten Thousand Beast Mountain ranks first in the Nine Great Forces, undoubtedly." Ksitigarbha Immortal Emperor said.

"What's the point of being first? I never thought of targeting anyone, but if someone tries to target me, I assure they'll regret coming into this world." Xu Nian said with a sharp look in his eyes.

Ksitigarbha Immortal Emperor's eyes showed admiration.

"Turquoise Pool, arrive!"

Just then, Yaochi Immortal King came in with Shangguan Yao.

Shangguan Yao at this moment had also broken through to the Immortal Emperor Realm.

And by the looks of it, her absorption of Godhood had reached thirty percent.

Initially, hearing about Xu Nian, obliterating Ten Thousand Beast Mountain, she was equally shocked.

She originally thought she had caught up with Xu Nian's Cultivation, but unexpectedly, her gap with Xu Nian had expanded.

"Xu Nian, congratulations on founding the Heavenly Court, becoming one of the Nine Great Forces of the Immortal Realm. You're the most outstanding talent I've ever seen," spoke Yaochi Immortal King.

"You overpraise me, Senior Yaochi. Senior, please take a seat." Xu Nian replied.

Yaochi nodded and proceeded to sit aside.

Shangguan Yao then walked towards Xu Nian: "Congratulations!"

Xu Nian smiled: "Thank you! Your Godhood refining has reached thirty percent; it looks like it won't be long before you can ascend to the Divine World as you wish."

"Yes, I plan to ascend to the Divine World within a hundred years; I'll be waiting for you there when the time comes." Shangguan Yao said.

"Haha, maybe not, it could be me waiting for you." Xu Nian replied with a laugh.

"You mean to say you're planning to cross tribulation within a hundred years?" Shangguan Yao was evidently surprised.

"I still have a very important matter to address; once completed, I shall cross tribulation and ascend." Xu Nian said.

For him, crossing tribulation was not distant.

As long as he acquires the Death Godhood and resolves the Death Curse on Murong Xue.

He would then focus solely on Cultivation, cross tribulation, and ascend.

Shangguan Yao was equally shocked.

She didn't expect Xu Nian to want to cross tribulation within a hundred years.

How long had he been cultivating?

The conversation with Shangguan Yao did not continue afterward; instead, Xu Nian continued to entertain other guests.

Haotian Sect, Fuyao Sect, and Tianjian Sect arrived successively.

Xu Nian did not make things difficult for them.

Since they came to celebrate, it meant they had let go of their grudges against Xu Nian.

Xu Nian naturally did not need to bother with their past grievances.

"Immortal Sovereign Hall, arrive!"

Just at this moment, Immortal Sovereign Hall's Immortal Emperor and Ao Hai Immortal Emperor entered with Xuanyuan Qingling and Ji Qingyu.

Upon seeing Xuanyuan Qingling, Xu Nian instantly revealed an expression of delight.

Zhao Yanyun, Leng Yanran, and Luo Blood, among other women, also showed joyful expressions upon seeing Xuanyuan Qingling.

After exchanging pleasantries with Xu Nian, the women gathered together.

Ji Qingyu also had a brief exchange with Xu Nian.

Feeling the gap between her and Xu Nian, Ji Qingyu naturally seemed estranged from Xu Nian.

Xu Nian did not pay much mind to this.

After all, there was nothing between him and Ji Qingyu anyway.

Next was the arrival of Taichu Immortal Emperor and Luo Bing.

"Master!"

Xu Nian greeted Taichu Immortal Emperor respectfully.

Taichu Immortal Emperor was equally relieved, giving Xu Nian's shoulder a gentle pat.

"Very good, didn't expect you to progress so quickly. Seeing you handle things independently, I am thoroughly reassured now." Taichu Immortal Emperor said.

"Master, when do you plan to cross tribulations?" Xu Nian asked.

"About two years later." Taichu Immortal Emperor replied.

"Two years? That should be soon enough!" Xu Nian said.

"You plan to go out?" Taichu Immortal Emperor asked with surprise.

"Yes, I plan to find the Death Godhood, might require going to the Underworld." Xu Nian answered.

Taichu Immortal Emperor, hearing this, furrowed his brows.

"If you plan to go to the Underworld, it's best you visit me first, I'll give you something." Taichu Immortal Emperor suggested after pondering.

"Alright!" Xu Nian nodded in agreement.

Next was the Holy Scripture of the Heavenly Court.

Everything proceeded in an orderly fashion.

Soon, a grand event concluded perfectly.

The guests all dispersed.

This Holy Scripture indicated that many forces in the Immortal Realm fully acknowledged the Heavenly Court's status in the Immortal Realm.

In the courtyard.

The women gathered together.

Leng Yanran, Zhao Yanyun, Mu Yan, Han Xiaoxiao, Luo Blood, Xuanyuan Qingling, and Luo Bing, seven women, chatted and laughed.

Each of them was exceptionally beautiful and graceful.

Xu Nian looked at the seven women, his face revealing a joyful smile.

He, Xu Nian, managed to gain the favor of so many beautiful women; it was truly a blessing earned from saving the world in a past life.

Chapter 1810: Set Up

"Husband, do you really want to go to the underworld?"

It was late at night, and now only Leng Yanran and Xu Nian were left in the courtyard.

All the other women had already departed.

"Not necessarily. I will first go to the Land of Death. If I can obtain godhood there, that would be ideal. If not, I will go to the Sealing God Battlefield, try to enter the Netherworld King Divine Trace, and search for the Death Godhood. If that doesn't work, then I will finally go to the underworld," Xu Nian said.

Upon hearing this, Leng Yanran's brows knitted slightly.

All three places are extremely dangerous.

She didn't want Xu Nian to go, but she also knew that he had no choice.

Murong Xue was extremely important to Xu Nian.

"Husband, can I go with you? I have now reached the Immortal Emperor Peak, with an eighty percent mastery over the Wind Attribute Divine Status," Leng Yanran asked.

"No, this time I will go alone. If any of you are by my side, I won't feel at ease," Xu Nian said as he held Leng Yanran's slim waist and pulled her into his embrace.

The soft, delicate feeling made Xu Nian's mind sway.

Leng Yanran's body had a faint fragrance.

This fragrance made Xu Nian feel like he was back in that cave in the Mortal World.

Time truly flies!

"Husband, you must be careful!" Leng Yanran said, hugging Xu Nian's neck, reluctant to let go, as she buried his head in her snowy bosom.

"Alright! But before that, I must punish you properly. The Heavenly Court was attacked, yet you didn't send me any message," Xu Nian said and proceeded to carry Leng Yanran into the room.

What followed was a severe punishment.

After seeing Leng Yanran fall asleep, Xu Nian left her residence.

Unexpectedly, he encountered Mu Yan sitting under a tree when he went out.

At this moment, Mu Yan looked despondent.

Evidently, compared to other women.

Mu Yan felt a deep sense of inferiority.

However, Mu Yan had made great progress; she had now reached the Immortal King Peak Realm.

"Husband?" Mu Yan was clearly startled upon seeing Xu Nian.

"Actually, you have no reason to feel inferior. You are you, and they are they. Compared to them, they are all from the Mortal World, of not very noble birth, yet they all work extremely hard," Xu Nian said with a smile.

Mu Yan was surprised to hear this.

She didn't expect Xu Nian to see through her inferiority complex.

"Husband, I understand now. I will certainly work even harder," Mu Yan said with determined eyes.

"Since I've acknowledged you, I won't treat you badly. I will put you in the same position as them, so don't overthink," Xu Nian said.

Mu Yan was instantly delighted upon hearing this.

Before, when she saw how many beautiful women surrounded Xu Nian, and that they all knew him for a long time.

She was worried that Xu Nian would neglect her.

But now it seems she had worried too much.

"Then, husband, could you come to my place tonight?" Mu Yan immediately showed a seductive expression.

"Ahem!" Xu Nian was instantly flustered.

He had just been exhausted by Leng Yanran.

How could he endure being tormented by Mu Yan again?

However, looking at Mu Yan's posture, it seemed she would not let him off if he didn't comply.

Left with no choice, Xu Nian followed Mu Yan back to the room.

Just as he stepped out, Xu Nian encountered Zhao Yanyun.

"Husband, you're here! I've been looking for you for a long time," Zhao Yanyun said pitifully.

"Why are you looking for me?" Xu Nian asked, surprised.

"Of course, it's something important. You still remember the Dual Cultivation Technique I practiced before, right? I've gained new insights. I want to test it out with you and see if this method is really feasible," Zhao Yanyun said with alluring eyes.

"Dual Cultivation Technique?" Xu Nian was stunned.

Then his lips twitched.

He had just come out from Mu Yan's place.

And now, Zhao Yanyun wanted to pull him back.

Wasn't this asking for his life?

Even though he was a Demon Emperor Level expert, with an invincible body.

But these women were not to be underestimated, either.

Mu Yan was only at the Immortal King Realm, but Leng Yanran was an Immortal Emperor, after all.

Dealing with her was already challenging enough.

Now Zhao Yanyun was also at the Immortal Emperor Realm.

If Xu Nian had to deal with her too, he feared he wouldn't be able to cope.

However, he couldn't refuse Zhao Yanyun's passionate invitation.

So Xu Nian had no choice but to follow Zhao Yanyun back to the room.

When Xu Nian walked out of Zhao Yanyun's room, it was already midday the next day.

But what Xu Nian didn't expect was Xuanyuan Qingling came to find him yet again.

At this moment, Xu Nian completely understood.

These women had conspired together.

They were determined to give him a good "lesson."

He guessed that after Xuanyuan Qingling, there would be Luo Blood, Han Xiaoxiao, and Luo Bing.

Thinking about this, Xu Nian felt both amused and annoyed.

Yet, he had never engaged in such activities with Xuanyuan Qingling. Facing Xuanyuan Qingling's invitation, Xu Nian was entirely unwilling to refuse.

Ultimately, he followed Xuanyuan Qingling.

So when Xu Nian walked out of Xuanyuan Qingling's place, he had to choose Instant Teleportation.

"Where's the husband?"

The seven women gathered again.

They searched thoroughly but couldn't find Xu Nian.

"It seems the husband has realized our plan and sneaked away," Leng Yanran laughed.

"Sister Qingling, didn't we agree?" Han Xiaoxiao said grudgingly.

"Sorry," Xuanyuan Qingling said bashfully.

"It's fine, but little sister Luo Bing hasn't been pampered by the husband yet," Han Xiaoxiao said.

Upon hearing this, everyone turned to look at Luo Bing, whose hair was white as snow.

"It's okay, I'm... not in a hurry," Luo Bing said shyly, seeing everyone looking at her.

"How can there not be a hurry? Next time we find the husband, let little sister Luo Bing go alone," Luo Blood laughed.

As this was said, all the women nodded.

The highest peak of Ten Thousand Beast Mountain.

Xu Nian sat cross-legged, gazing at the winds and clouds.

The fierce wind roared, like thunder shaking.

Xu Nian only felt refreshed.

"Boom!"

A wave of law descended from the sky, instantly landing on Xu Nian.

The next moment, a stream of law chains emerged, and a new wind attribute law disc appeared behind Xu Nian.

He broke through!

Counting the previous six discs, he now had seven.

Unexpectedly, in a short time, Xu Nian's Wind Attribute Law had already broken through to the Law Great Success Seven-level Realm.

"Great, another breakthrough," Xu Nian said excitedly.

He didn't expect that by just coming out to get some fresh air, he would suddenly have an epiphany.

"Congratulations, husband, on another breakthrough!"

At this moment, a woman with white hair like snow, an extraordinary temperament, and a seductive figure walked over.

Indeed, this person was Luo Bing.
