Chapter 59 The Despicable Qin Yuanshan

Anger!

Endless fury surged from the depths of his heart.

Little Xu Yu had brought him a lot of joy in the time they had spent together, and in Xu Nian's heart, Little Xu Yu had long since become someone as dear as family.

Now, Little Xu Yu had been seriously injured because of him, a fact Xu Nian could not bear no matter what.

"Emperor Ye Tian, lend me your power," Xu Nian said solemnly in his heart.

Even the usual term of respect 'senior' was omitted at this moment.

However, Emperor Ye Tian did not pursue the matter and simply said, "You should know the consequences of borrowing my power. Do you really want to do this?"

Xu Nian nodded, his eyes exceptionally fierce.

Emperor Ye Tian was slightly surprised; he hadn't expected Xu Nian to dare ask her for strength again.

The last time in the Demon Beast Forest when he was ambushed by Ouyang Tianlan, Xu Nian had borrowed her power once before, but the end result was that Xu Nian suffered full-body pain for three whole days, an agony so intense it felt like death.

She had originally thought that after experiencing such pain, Xu Nian would never ask to borrow her power again, but now she realized she had underestimated the determination of the young man before her.

For the ones he cared about, he would spare no cost.

"Fine! I will lend you my power, but you're already seriously injured. My power can only sustain you for three minutes. You must resolve this within three minutes; once they're up, your injuries will immediately worsen, and you should know what the consequences will be," the voice of Emperor Ye Tian resonated in Xu Nian's mind.

"Thank you!" Xu Nian replied with gratitude.

Emperor Ye Tian sighed helplessly and then released a powerful force.

As this force emerged, Xu Nian's body seemed to ignite with black flames, even his pupils turned pitch-black, and that overwhelmingly powerful aura instantly transformed into a storm that swept across the entire venue.

The raindrops in the sky were all dispersed by the shock at this moment, and the entire square seemingly became a vacuum in an instant, making one's chest feel tight.

"What... what's happening to him?" The people in the stands cried out in shock, gaping at Xu Nian who seemed to be bathed in black flames.

Yann Tianhai and Chen Hong on the high platform also had their hearts skip a beat; at this moment, they actually felt a tinge of fear, staring at Xu Nian in disbelief.

Qin Yuanshan, who was initially about to act and completely annihilate Little Black Hawk, froze at this moment, staring at the changes in Xu Nian with eyebrows knitted to the extreme.

The change in Xu Nian was very strange, and most crucially, the aura emanating from Xu Nian's body was even above his own, which he found inconceivable.

"Bang!"

A loud explosion.

Xu Nian's foot stamped on the ground, creating a deep crater in the stone pavement; in an instant, he shot forward like a streak of lightning.

He was before Qin Yuanshan in the blink of an eye, the fist carrying the terrible black deathly aura smashing straight towards Qin Yuanshan's chest.

Qin Yuanshan was alarmed, his palms flipped, gathering Spiritual Energy to meet Xu Nian's punch.

"Boom!"

The Spiritual Energy exploded, but Xu Nian stood as stable as Mount Taishan.

Qin Yuanshan, however, was like a kite with its string cut, rapidly flying backward, traveling a full fifty meters before dissipating the force and spitting out a trickle of blood from his mouth, his face filled with disbelief as he looked toward Xu Nian.

He had made eight moves and had not been able to kill him.

Now, with one move, Xu Nian had pushed him back fifty meters!

This stark contrast was almost beyond belief.

The people around were completely petrified, eyes widened, the venue silent, yet their hearts were boiling with excitement.

"Excellent!"

Someone unknown cried out, and suddenly the whole viewing platform erupted, resounding with a succession of thunderous applause.

Qin Yuanshan, who was already very depressed, now looked as if he had been slapped in the face, his face as pale as pork belly.

However, Xu Nian remained with a face of icy coldness. His gaze, like that of the Nine Nether Ice Spring, induced a chilling sensation in Qin Yuanshan's heart. At this moment, he even harbored an absurd sense of dread.

"Bang!"

Another thunderous explosion echoed as Xu Nian's figure once again shot out like lightning, striding forward three steps in succession, with each step exponentially increasing in speed.

By the time Xu Nian reached Qin Yuanshan, the momentum gathered within him had already reached its peak. With no fanciful moves, there was only one punch.

But this punch was like thunder tearing through the night sky, carrying an immensely terrifying force towards Qin Yuanshan.

Qin Yuanshan's face was stricken with horror, hastily mobilizing all of his Spiritual Energy to defend. However, his Spiritual Energy was like paper mache before Xu Nian, directly shattered by Xu Nian's fist, which landed with brutal certainty on Qin Yuanshan's chest.

"Boom!"

Qin Yuanshan's body was sent flying straight back, crashing into the wall of the stands behind him, creating a huge crater, as blood spurted wildly from his mouth, and he tumbled to the ground.

Now seriously injured, Qin Yuanshan struggled to stand, his eyes filled with an unwillingness to lose as he looked at Xu Nian.

Xu Nian stood, proud and aloof. His dark eyes were frighteningly palpable, his aura as if possessed by a demonic god, supremely dominant.

At this moment, not a single person spoke. Even if Xu Nian now struck down Qin Yuanshan, they would think it justified, considering that Qin Yuanshan had first disowned his own son.

However, Xu Nian took a deep breath and looked at the tottering Qin Yuanshan, speaking in a cold voice, "Leave. From this day forward, I, Xu Nian, sever all ties with the Qin Family. You and I are no longer father and son. As long as the Qin Family does not trouble my mother, and you release her, I swear I will not seek trouble with the Qin Family. But, you'd better be wary!"

With those words, Xu Nian turned and walked towards Little Xu Yu.

The audience on the stands let out a sigh of relief upon seeing this. Although it would not have been unjustified for Xu Nian to kill Qin Yuanshan, such an act would have seemed overly ruthless. Xu Nian's action instead earned their deep respect.

But Qin Yuanshan's expression had turned utterly dark. A man of immense pride, he now realized he could no longer stand in East Field County. Thinking of this, a profound Killing Intent surged within him.

Xu Nian didn't look back at Qin Yuanshan. As he returned Little Xu Yu to the Demon Beast Ring, his own body was already at its limit.

His hands and feet trembled, and he was on the verge of collapsing to the ground.

"Be careful!"

Just then, an alarmed cry rang out from the stands, causing everyone to cover their mouths involuntarily.

Hearing this shout, Xu Nian knew it was bad. As he turned his head, he saw Qin Yuanshan's ferocious face. At this moment, he had no strength left to fight back.

Despicable!

Everyone cursed inwardly, but it was already too late to intervene.

Neither Chen Hong nor Yann Tianhai could react in time, never having expected Qin Yuanshan to launch a surprise attack after defeat.

If Xu Nian were struck by Qin Yuanshan now, he would undoubtedly die.

"Hmph!"

Just when everyone thought Xu Nian was doomed, a cold snort suddenly echoed from the sky.

Then, everyone saw a dazzling long sword fly swiftly from beyond the heavens, crashing down between Xu Nian and Qin Yuanshan.

As the long sword embedded itself into the stone, the power that burst forth from it hurled Qin Yuanshan away, slamming him into the wall once more, spewing blood profusely.

Xu Nian was also affected by this powerful surge of Spiritual Energy, his body thrown backward. But just then, a stunningly beautiful and familiar figure appeared from afar, gliding through the air to catch Xu Nian in an embrace.

Xu Nian looked at the stunning woman who had appeared so suddenly with a face full of shock, filled with incredible astonishment.
