

Divine King 72

Chapter 72 The Despicable and Shameless Xie Feng

A punch that exterminated a Silver Moon Level Fire Wolf Mutant Beast, leaving no bones behind, was simply too shocking for those students.

Even the Elders standing by looked at Leng Yanran subconsciously, convinced that Xu Nian was able to display such terrifying fist technique because it was taught by Leng Yanran.

However, Leng Yanran herself was completely baffled, and Xu Nian's expression also surprised her greatly.

A Divine Beast Bloodline mutant beast of the Silver Moon Level blown up with one punch, could a student of the Star Realm actually do that?

And what was with the thunder in his hand just now?

How could a Star Realm possibly control thunder?

...

While everyone was puzzled, Xu Nian was crouching on the ground, looking at the red crystal in his hand.

This had fallen from the Fire Wolf Mutant Beast he had slain, unlike those of the other mutant beasts he had killed, which were blue, this Fire Wolf Mutant Beast's crystal was red.

Moreover, after the death of the Fire Wolf Mutant Beast, the crystal did not shatter; instead, it remained intact, although a terrifying energy flowed within it.

"This is the Crystal Core of a Silver Moon Level mutant beast, the energy within is enough for a Peak of Star Realm cultivator to cultivate for a month," a clear voice rang out, as Han Xin approached from afar.

At this moment, Han Xin was still somewhat shocked. She couldn't believe that the young man in front of her had killed a Silver Moon Level mutant beast with a single punch. Had she not seen it with her own eyes, she would have never believed it.

"Oh? Enough to maintain cultivation for a month? Then that seems to be a good item," Xu Nian said with a slight smile, as he put the Crystal Core of the Silver Moon Fire Wolf Mutant Beast into his storage ring.

Having just made a breakthrough not long ago, Xu Nian needed time to consolidate his strength, and it was not wise to absorb a large amount of energy right away. So, Xu Nian decided to keep the Crystal Core for later.

Han Xin, witnessing Xu Nian possessing a storage ring, showed a look of surprise on her pretty face.

She felt more and more that the young man in front of her was enshrouded in a layer of mist.

Extraordinary talent, exceptional comprehension, mighty strength, possessing treasured items—it seemed as though all the highlights were encompassed by him alone.

"Let's continue to look for any One-star Silver Moon Level mutant beasts. Killing one Silver Moon Level mutant beast scores a hundred points, which is more cost-effective than killing ten at the Peak of Star Realm," Xu Nian said with a smile.

Upon hearing this, the crowd outside the arena nearly choked on their own blood.

Damn it?

Do you think everyone can kill a Silver Moon Level mutant beast with divine beast lineage with one punch like you do?

If it weren't for the fact that they couldn't beat Xu Nian, they would have really wished to drag Xu Nian out of the Xuantian Mirror and beat him up.

Han Xin was also amused by Xu Nian's words, and her pure smile was as warm as the winter sun.

"I do know a place where there are two Silver Moon Level mutant beasts, but both are quite formidable, and I suspect they might be guarding treasures," Han Xin said.

"Guarding treasures? How do you know?" Xu Nian asked in surprise.

"The last time Luo Dong and I got close to that place, the two mutant beasts went berserk. We left that range, and the mutants didn't pursue. So, I surmise that they're guarding something. Luo Dong and I didn't have the ability to find out, but if you have the strength, I could take you there to have a look," Han Xin said, smiling.

Xu Nian nodded; if it was as Han Xin said,

Both mutant beasts could indeed be guarding some treasure, and as for those powerful mutant beasts, with the Thunderclap Tyrant Fist, Xu Nian would have the strength to fight, or even exterminate, anything within the Second-Star Silver Moon Level.

"Let's go and have a look," Xu Nian said.

With a slight smile, Han Xin led Xu Nian towards the place she mentioned.

The two of them laughed and chatted on the way, making many people envious!

...

Meanwhile, a few miles away in the direction Xu Nian and his companion were heading, an infuriating scene was unfolding.

"Shameless, utterly despicable!"

"How can someone like this be ranked on the Azure Dragon List, resorting to a sneak attack!"

...

The audience in the arena pointed angrily at the figure on the seventh screen, while their hearts went out to the person on the fifth screen.

Originally, Yun Lan had encountered a One-star Earth Bear Mutant Beast at the Silver Moon Level, and after great difficulty, finally managed to slay the beast. She didn't expect that Xie Feng, who had been hiding in the shadows, would suddenly appear and attack her from behind.

Yun Lan had just been through a fierce battle, with very little Spiritual Energy left inside her. How could she be a match for Xie Feng? In the end, Xie Feng struck her in the abdomen with a stick, causing serious injury.

At this moment, Yun Lan glared at Xie Feng, her eyes as cold as frost.

"Xie Feng, you're truly despicable to take advantage of me when my Spiritual Energy is depleted and launch a sneak attack," Yun Lan said furiously, a trace of pallor on her pretty face.

"Older brother's wife, I didn't want to make a move against you either, but the Crystal Core of this Earth Bear is too important for me. My Earth Technique cultivation requires this Earth Attribute Crystal Core, and since I'm no match for it, I'm afraid I'll have to impose on you," Xie Feng said to Yun Lan with a sly grin.

"Get lost, who's your older brother's wife!" lashed out Yun Lan, her eyes filled with loathing as she looked at Xie Feng.

"Of course, you are my older brother's wife. If Lin Han is my older brother, and you are not my older brother's wife, then who is?" Xie Feng smirked again.

"You're talking nonsense; I'll tear your mouth apart!" Yun Lan fumed with anger.

This Xie Feng before her was not only despicable and shameless but also had a loose tongue that was really infuriating.

"Older brother's wife, you can tear my mouth apart if you wish, but before you do that, please crush the Golden Crow Token," Xie Feng sneered. After speaking, he walked towards Yun Lan with a long stick in hand.

"Xie Feng, have you gone mad? Aren't you afraid that I will come after you once the trial is over?" Yun Lan shouted coldly, absolutely appalled that Xie Feng intended to force her out of the trial, meaning she wouldn't even have a chance to compete for the Golden Crow Fruit.

"Cause you trouble? I'm afraid you're going to be disappointed. With the Crystal Core of this Earth Bear, I can smoothly break through to the Silver Moon Level. After that, I'll leave the Academy. Where will you find me to seek trouble? Moreover, what I've done is not against the rules; the Academy won't do anything to me," Xie Feng said with a cold smirk, his face growing more cunning.

"Despicable! You want to force me out of the trial; that's impossible." Yun Lan squeezed the words through her clenched teeth, her gaze growing colder as she tightly gripped the longsword in her hand as though ready to fight Xie Feng to the bitter end.

Xie Feng, however, just sneered at Yun Lan with a mocking tone: "Hmph, Yun Lan, I call you my older brother's wife as a sign of respect. Do you really think you're still a match for me? Aren't you usually quite charming? Would you believe that I could strip you naked right now and let every student in the Academy see just how enticing you, Yun Lan, really are?"

At these words, the entire venue erupted in shock; no one expected Xie Feng to stoop to such a despicable level.

Yun Lan, too, trembled with rage, her eyes filled with killing intent.

As a woman, how could she endure such tremendous humiliation?

"I will kill you!" Yun Lan shouted, and with that, she swung her sword toward Xie Feng.

Yet Xie Feng just scoffed coldly. With a swing of his iron rod, he knocked Yun Lan's longsword flying and with another strike to her abdomen, sent Yun Lan stumbling back.

Yun Lan was forced to retreat several steps, a trace of blood spilling from the corner of her mouth.

All the students in the arena, both male and female, were utterly enraged, each one wishing they could drag Xie Feng out of the Jade Cave Heaven and feed him to the dogs.

But that was impossible!

Xie Feng looked at Yun Lan and spoke again: "Will you back out now, or not? I'm giving you one last chance."

"Never!" Yun Lan said defiantly through gritted teeth.

"Fine, if that's how it is, then don't blame me." Xie Feng snorted coldly, about to make another move on Yun Lan.

Everyone immediately grew anxious for Yun Lan, truly fearing that Xie Feng, in his madness, would strip her clothes.

If that were to happen, her life would likely be ruined.

"A man who would attack a woman might as well go and become a eunuch."

However, just when everyone thought Yun Lan was in an inescapable predicament, a scoffing voice suddenly rang out.

A young man strode forward, a beautiful woman following behind him.

The onlookers outside, seeing the figure that appeared suddenly in the Xuantian Mirror, had their eyes light up instantly.
