

Divine King 74

Chapter 74 Embraced from Left and Right

A quarter of an hour had passed.

Xie Feng lay on the ground, completely unable to move, and his face was swollen like a pig's head, unrecognizable even to his own mother.

Xu Nian squatted beside Xie Feng, holding the Golden Crow Token in one hand while admiring his handiwork with the other.

"Tsk tsk, really handsome, much better looking than before," Xu Nian said as he marvelled at Xie Feng's significantly swollen face.

"Pfft!"

The audience outside burst into laughter, firmly resolving never to offend Xu Nian in the future.

Damn, this guy's hand was way too brutal. Look what he did to the man.

Now recalling Xu Nian's words, "I'm shameless," they highly agreed in their minds.

Xie Feng, who had not yet fainted, spat out a mouthful of fresh blood in anger, his gaze towards Xu Nian filled with venomous resentment.

"I know you're grateful to me for making you look so handsome, but you don't have to look at me with such affection," Xu Nian said to Xie Feng.

Beside them, Han Xin burst into laughter upon hearing this.

Affection?

That was no affection; he probably wanted to kill you right now.

"Xu... Xu Nong, I'll make you pay!" Xie Feng shouted excitedly, but his mouth was so swollen, he couldn't speak clearly.

"Calm down, calm down. Just one last hit, bear with it. After this last blow, I'll crush the Golden Crow Token for you and send you out," Xu Nian said considerately.

However, Yun Lan at the side involuntarily twitched the corner of her mouth, unsure what to say.

"Ah..."

But as everyone was speechless, a terribly miserable scream rang out.

Everyone looked towards the Xuantian Mirror, but the scene that met their eyes made them instinctively cover their groins.

Xu Nian had smashed a metal rod into Xie Feng's groin, rendering him completely infertile.

Xie Feng curled up on the ground, trembling continuously, his body convulsing.

It hurt!

It hurt so much that tears fell from his eyes.

However, no one sympathized with him, considering Xie Feng's despicable actions.

"Sorry, I think I went a bit too far. I'll send you out now!" Xu Nian said with a slight smile to Xie Feng. He then crushed the Golden Crow Token, and Xie Feng's body vanished, transported to the square.

Xie Feng thought it was all over, but to his surprise, some students immediately rushed to the square and beat him up again, causing him to eventually faint completely.

Even though Xu Nian didn't see the aftermath for himself, he could imagine it.

Secretly attacking and shamelessly humiliating Yun Lan, her followers would obviously not let him off easily.

However, this act had won him quite a few supporters.

Now, the female students looked at Xu Nian with gleaming eyes, and the male students respected him as if he were a fearsome tiger.

"Sister Yun Lan, are you alright?" Xu Nian asked Yun Lan.

"I'm... I'm fine. I just overused my Spiritual Energy, I'll recover after some rest," Yun Lan quickly replied after hearing Xu Nian's question.

Xu Nian nodded, gazing at the dimming sky, and said, "It's getting late. We better continue our journey tomorrow!"

"Alright!" Yun Lan and Han Xin both nodded.

Jade Cave Heaven, like the outside world, was divided into day and night, and the nights in Jade Cave Heaven were especially cold.

Despite Xu Nian and his companions having lit a fire, they still felt extremely cold.

Seeing his two shivering senior sisters, Xu Nian smiled and said, "Senior sisters, why don't you come sit closer to me? Huddling together will make us all much warmer."

As soon as he said this, the audience outside completely lost their composure.

Beast!

Absolutely a beast!

Yun Lan and Han Xin, upon hearing this, were somewhat embarrassed and were about to refuse when they felt a warm breath emanating from Xu Nian, which made them feel very comfortable.

Biting her silver teeth, Yun Lan put aside her pride and moved closer to Xu Nian.

Soon, the three of them were sitting together, with Xu Nian in the middle of the two women, feeling surrounded by beauties, which made the male students in the arena extremely jealous.

At the corner of his mouth, Xu Nian had a faint smile. He hadn't asked Han Xin and Yun Lan to move closer to take advantage of them, he was genuinely concerned seeing them shiver from the cold.

At that moment, he had placed the Crystal Core he obtained from the Fire Wolf Mutant Beast on his chest. By absorbing the energy of the Fire Wolf Crystal Core to release heat, he not only felt no cold but also imperceptibly enhanced his Cultivation.

Allowing the two women to move closer was merely to warm them up as well.

Even so, the audience still pounded their chests in frustration and heartache.

Soon the long night passed, and when Xu Nian emerged from his Cultivation, the two women were asleep on his shoulder.

This left Xu Nian somewhat amused yet frustrated, caught in a dilemma between the left and the right, he had indeed enjoyed blessings like no other.

If it weren't for all the spectators watching, he might have even made some small moves.

Soon, the two women also woke up from their sleep, their faces turning red when they found themselves leaning on Xu Nian's shoulder.

Xu Nian said nothing, just silently marched forward, and the two women chose to remain silent, adding to the awkward atmosphere.

However, their awkwardness was soon broken as they reached the area Han Xin had mentioned.

"It's that valley up ahead, there are two Giant Hou, both incredibly strong, each at the Silver Moon Battle Sect Level." Han Xin pointed ahead and said.

Xu Nian nodded. He now had nearly three hundred points and was still ranked sixth. However, if he could kill the two Silver Moon Level Exotic Beasts, his score might rise to third or fourth.

"Let's go in and have a look," Xu Nian said to Han Xin and Yun Lan.

Both women nodded, their expressions becoming vigilant.

"Roar!"

But before they had taken a few steps, a fierce roar erupted from the distance, filled with intense anger.

"Roar!"

And following that roar, another even more terrifying roar resonated, seeming to involve another type of Exotic Beast.

A battle between Exotic Beasts?

Xu Nian, Han Xin, and Yun Lan all showed surprised expressions.

"Quick, let's go and see!" Xu Nian urged.

After speaking, he dashed towards the source of the sound, with Han Xin and Yun Lan closely following.

When the three of them arrived at the location of the sound, the scene that unfolded before them still took their breath away.

They saw two huge black ape Exotic Beasts locked in a fierce battle with a Giant Hou, and the previous roars had come from one of the Giant Hou and the apes.
