Chapter 81 Truly a Treasure

"Die!" Lin Han roared angrily and charged towards Xu Nian.

This time, he directly used his Combat Skills, the Fiery Flame Hidden Tiger Fist.

One punch unleashed, carrying terrifying Red Scorching flames, and smashed fiercely towards Xu Nian, its power incredibly terrifying, even the air around it emitted a scorching aura.

Before Lin Han's fist could even get close, Xu Nian felt a terrifying wave of heat attacking, about to engulf him entirely in the next moment.

However, Xu Nian simply chuckled lightly and, instead of dodging, met Lin Han's punch head-on.

"Boom!"

With a loud crash, Xu Nian's fist collided fiercely with Lin Han's, making a thunderous noise.

Both Xu Nian and Lin Han were forced back five steps, evenly matched.

"He actually blocked it? Did I see wrong—did Xu Nian just physically withstand a punch from Lin Han, who had taken a Frenzy Pill?"

The crowd around them suddenly widened their eyes, showing expressions of disbelief, as Xu Nian's displayed strength far surpassed their expectations.

"Peak of Eight-star Body Cultivation in the Star Realm, he has broken through again," someone keenly observed the further advancement in Xu Nian's Body Cultivation and shouted in surprise.

At this, everyone gasped.

It had only been a few days, and Xu Nian had broken through again; how could his breakthroughs be as effortless as drinking water?

Moreover, it was at the Peak of Eight-star, and it might not be long before he advanced again.

Chen Xifeng and others, who were also watching the battle, showed surprised expressions; what was Xu Nian's Cultivation level when he entered Jade Cave Heaven with them?

Spirit Cultivator at the Peak of Eight-star Warrior and Body Cultivation at the Sixth-star of Star Realm.

Now, he had directly become a Nine-star Peak Fighter, and Peak Body Cultivator at the Eight-star of the Star Realm—an advancement of three stars. They really couldn't imagine how Xu Nian managed such a significant improvement in such a short time.

"I want you dead." Seeing that even after taking the Frenzy Pill he could not defeat Xu Nian, Lin Han's anger was beyond measure, and with a roar, his body erupted again with tremendous power.

Gang Qi surged, ripping Lin Han's skin with its terrifying force, his eyes blood-red, filled with endless Killing Intent as he glared at Xu Nian.

"Buzz!"

A terrifying Red Scorching flame surged from Lin Han's hands, emitting purple flames.

As the purple flames appeared, the temperature around immediately soared to a terrifying level, making it feel like everyone's skin was burning, and even the nearby trees couldn't withstand the horrendous temperature and started to burn.

"This is the Lin Family's Earth-level Gang Skill, Asura Ghost Fire Palm; has Lin Han really been pushed to this extent?" the audience outside the arena exclaimed.

Chen Xifeng, standing nearby, also showed a surprised expression; he had lost to Lin Han in the past because of this Asura Ghost Fire Palm.

Now, a year had passed, and Lin Han's mastery of the Asura Ghost Fire Palm had deepened significantly, reaching a proficient level, and with the addition of the Frenzy Pill, the power of Lin Han's Asura Ghost Fire Palm was now comparable to a full-powered strike from a Three-star Silver Moon Battle Sect.

"It's over; Xu Nian is done for!" the spectators outside the arena remarked, feeling a pang of regret for Xu Nian.

Earth-level Gang Skill plus a Frenzy Pill, how could this fight continue?

However, just as everyone thought Xu Nian was about to lose, Lin Han charged out again, stomping on the ground, creating a large crater, and leaped up, his palm carrying the terrifying flames and smashed fiercely towards Xu Nian. Continue your saga on empire

Everyone's hearts tensed to the extreme, their gazes unblinkingly fixed on the scene within the Xuantian Mirror.

However, the next scene left everyone present dumbfounded.

They saw a bone suddenly appear in Xu Nian's hand, and then watched as Xu Nian swung the bone fiercely onto Lin Han's arm.

"Crack!"

The purple fire was instantly scattered, and Lin Han's arm was broken by the bone, emitting a miserably wretched scream. However, the bone in Xu Nian's hand remained undamaged, still shining white.

Everyone was dumbstruck, their eyes vacant.

This was the bone Xu Nian had found in the cave, which they had all originally thought was a piece of junk. To their astonishment, it turned out to be a treasure.

By the looks of it, it was definitely a divine weapon!

Yun Lan and Han Xin were also stunned, not expecting that what Xu Nian said was true. This bone truly was a rare treasure, otherwise it couldn't be so hard.

Xu Nian ignored the astonished gazes around him. At this moment, he swung the bone again toward Lin Han's chest and said while hitting, "Is the Frenzy Pill so remarkable? I see it's nothing special!"

Having said that, the bone harshly smashed into Lin Han's chest.

Lin Han's whole body was like struck by a giant hammer; his ribcage instantly fractured even further, and he flew backward like a kite without a string, crashing into a distant tree and almost splitting the large tree before his body stopped. Blood spurted violently from his mouth as his momentum drastically declined.

With that strike, Xu Nian not only repelled Lin Han but also completely dispersed the power of the Frenzy Pill within Lin Han's body. Now, Lin Han's internal meridians were severely damaged, and he would not recover without several months of rest.

The audience outside the field was overwhelmingly shocked, watching the figure of the young man striding confidently towards Lin Han holding the bone.

At this moment, they felt, this youth holding a bone was like a formidable human-shaped Demonic Beast.

Lin Han, seeing Xu Nian approaching slowly, was filled with unyielding anger and resentment. Yet, he was unable to move and could only glare fiercely at Xu Nian.

Xu Nian walked up to Lin Han, squatted down, and looked at his angry face with a teasing expression.

"Don't worry, I won't kill you," said Xu Nian with a mischievous smile. "And I'm going to send you out, but to let everyone have a good look, you'll have to leave your clothes behind."

"What... what are you going to do..." Lin Han seemed to understand Xu Nian's intentions and started to howl frantically.

However, Xu Nian merely chuckled. He grabbed Lin Han's Academy Robe and tore it off with a violent tug, revealing Lin Han's body to the crowd once again.

"Xu Nian, I curse you to a terrible death..." Lin Han roared madly, his killing intent overwhelming.

But before he could finish speaking, Xu Nian had already crushed his Golden Crow Token, and then his figure appeared directly on the ritual platform in the square.

The entire audience gasped at once, watching the naked Lin Han lying on the ritual platform and burst into relentless laughter.

Lin Han's face instantly darkened, his hatred for Xu Nian intensifying to an unparalleled extent.

Within Jade Cave Heaven, Xu Nian turned to look at Chen Xifeng and the others but found them staring at him as if he were a monster, especially Han Xin and Yun Lan, whose cheeks were even redder like the twilight sky.

Xu Nian smiled helplessly, knowing that his actions had shocked them.

However, just as Xu Nian was about to explain, a tall figure approached from afar, his eyes piercing as they focused on Xu Nian.

Xu Nian's expression also became solemn in an instant, a surge of battle intent rising in his eyes.
