

Divine King 871

Chapter 871: Taking Advantage to Extort

An auction of twenty million Top-grade Spirit Stones for a Top-Grade Divine Beast that cannot recognize an owner.

In everyone's eyes, this is definitely an unworthy endeavor.

Now, calling out such a high price, how can it not surprise people?

"This guy is actually bidding. Could he be crazy? Does he think he can make the Blue Gold Winged Lion King recognize him as its owner?" Liu Wenshan said.

"Hmph, with just an Early Stage Cave Void cultivation, he still wants the Blue Gold Winged Lion King to recognize him? It's simply wishful thinking. He might end up dying miserably under the sharp teeth of this Blue Gold Winged Lion King." Guihai Tianxing coldly snorted.

His eyes were filled with deep disdain.

"Exactly, maybe in the end, we won't even need to lift a finger." Liu Wenshan also laughed sinisterly.

"The guest in Box 3 has bid twenty million. I wonder if the guest in Box 2 will raise the bid?" Mei Ji said, after some surprise, quickly regaining her composure.

The surrounding crowd, hearing this, all looked towards Box 2.

"Thirty million!" However, at this moment, a voice once again came from Box 2.

Everyone was stunned. This Box 2 really did raise the bid, and by ten million more. It seems they are determined to win this treasure!

In Box 3, Xu Nian also looked surprised.

He originally raised the bid by ten million, intending to quash the opponent's desire to bid further.

But he didn't expect the opponent to counter in the same manner!

"I bid thirty million and ten thousand!" Xu Nian pressed the bidding device and declared his price.

The surrounding crowd was shocked.

This guy only added ten thousand.

Box 2 was taken aback for a moment, obviously not expecting the counterpart to be so shameless.

"Forty million!" Box 2's voice sounded again.

In Tianbao Pavilion, everyone's eyes widened.

This Box 2 really has some nerve, actually bidding forty million.

Mei Ji also looked astonished, forty million had far exceeded her expectations.

"Box 2 bids forty million, I wonder if the guest in Box 3 will continue to raise their bid?" Mei Ji asked.

Although she felt that Box 3 would surely give up, the process still had to be followed.

The surrounding people also thought the same; last time this guy only added ten thousand, how could he possibly bid again?

"Forty million and ten thousand!"

However, just when everyone thought it was over.

Xu Nian again reported a price.

Again, only adding ten thousand.

As a result, the entire Tianbao Pavilion erupted.

"Shameless, when someone else bids ten million more, you only add ten thousand, purely causing trouble!"

"That's right, dare to add a bit more?"

...

Voices of scorn filled the surroundings, and everyone felt it was unfair for the owner of Box 2.

In Box 3, Long Tian'er heard the crowd's scolding and looked at Xu Nian beside her, who was smiling. She also felt helpless.

She was increasingly unable to understand what Xu Nian was thinking.

But she knew that Xu Nian must have his reasons for doing this.

"Guest in Box 3, could you please let me have this auction item? It is very important to me."

At this moment, a cold female voice came from Box 2.

Though her words were a request, her tone carried a hint of arrogance.

"Why should I let you have it?" Xu Nian asked with a smile.

Actually, he had long anticipated this scene would occur.

It just happened a bit earlier than he expected.

Every time he added only ten thousand, it was to see why the person in Box 2 was so concerned about this Blue Gold Winged Lion King.

He had a feeling that the reason the opponent wanted it was not to keep it as a Spiritual Pet.

"As long as the guest in Box 3 is willing to give up, I, Wu Yingdie, will remember this favor and repay it someday!" The cold voice sounded again.

The tone became much more gentle.

"I can let you have it, but words are wind. Who knows if you might go back on your promise in the future? If you swear an oath to the Heavenly Dao to agree to do something for me, I will let you have this auction item," Xu Nian's cunning voice sounded again.

The surrounding people were all stunned.

This guy actually made such a shameless request.

For an auction item, he actually made someone swear to the Heavenly Dao.

"Fine, I agree. I, Wu Yingdie, swear to agree to do something for the owner of Box 3 as long as he gives up this auction item." The female voice responded decisively.

The surrounding crowd was astonished.

No one expected the owner of Box 2 to actually agree to such a rude request.

Xu Nian was all smiles at this moment.

Everything was as he expected.

The reason for making such a request was entirely Wentian Demon Sovereign's idea.

He had asked Xu Nian to make this request. Although Xu Nian didn't understand why, he still chose to follow through.

In the end, the owner of Box 2 won the Blue Gold Winged Lion King for forty million and twenty thousand.

The commotion concluded there.

The surrounding crowd was filled with emotion, unable to comprehend why the Blue Gold Winged Lion King was worth both forty million Top-grade Spirit Stones and a promise.

This point was likely only clear to the owner of Box 2.

At this moment, a stunningly beautiful woman sat inside Box 2.

The woman's face was breathtakingly beautiful, and her eyes were azure blue.

She exuded an icy and aloof aura.

Sitting there, she was like a noble princess.

Behind her stood an elder.

The elder's hair and beard were white, looking aged, but his sharp eyes were like a hawk's.

"Princess, there was no need to agree to that guy's request. Even if he won, we would never let him take away Your Highness," said the elder, his eyes brimming with Killing Intent.

"No, I cannot take that risk. If my brother suffers any mishap, the loss would be unbearable for us." The woman spoke, her voice cold and authoritative.

No one expected that the Blue Gold Winged Lion King in the cage below was the brother of this noble woman.

"As for that guy, he already knew that we care about my brother, which is why he deliberately added only ten thousand each time, to force me into submission. Moreover, I have a feeling that if my brother fell into his hands, it would be very dangerous." The noble woman said.

"If he makes any shameless requests, wouldn't you be..." The elder said worriedly.

Hearing this, the noble woman fell silent for a moment.

Finally, a deep sense of melancholy appeared on her face.

"Our family is already struggling to survive; keeping my brother safe is the most important thing for me. As for everything else, I would rather die than let him get what he wants if he makes demands." The noble woman's eyes were determined.

Her azure eyes were deep as the starry sky, extremely beautiful.

Hearing this, the elder could only sigh helplessly.

This pair of siblings, though of noble status, had a fate that was extremely bitter.

Especially the princess before him!

Chapter 872: Jadescent Nectar

Xu Nian did not know the relationship between the No.2 Private Room and the divine beast below.

He did this entirely according to the instructions of the Wentian Demon Sovereign.

"Next, we will auction the second item. This is a top-grade Spirit Sword. As many of you know, a powerful Spiritual Energy can grant tremendous advantages in battle," Mei Ji's voice sounded again.

Then a maid came up, holding an extremely sharp sword.

The surrounding crowd gasped in awe. Even from a distance, they could feel the fierce aura of this top-grade Spiritual Artifact.

For the Sword Cultivators, it was simply a fatal temptation.

So, after Mei Ji announced the starting price, everyone began to bid enthusiastically.

However, it was eventually purchased by a guest from No.1 Sky Private Room for an extraordinary price of twenty-five million.

As for the owner of the No.1 Sky Private Room, the crowd vaguely guessed.

This person should be Jiang Lingye, who had slayed Luo Jue with one sword outside Tianbao City that day.

No one dared to compete with this Earth Immortal genius.

However, with the Top-grade Spirit Sword, Jiang Lingye's strength was likely to ascend to a higher level.

The third auction item was an Immortal Technique.

Everyone was excited and bid fervently.

But Xu Nian remained uninterested.

Finally, a guest from No.6 Sky Private Room won it for an extraordinary price of thirty million.

"The items in the second segment already have their buyers. Now, we will proceed to the final segment of our auction, which will feature three main items," Mei Ji announced.

"Main items?" The surrounding crowd was extremely surprised.

In past auctions, any item from the second segment could serve as a main item.

But now, there were three main items?

This time, what precious treasures had the Tianbao Pavilion prepared?

Xu Nian was also somewhat astonished. It seemed this auction by the Tianbao Pavilion was quite profound.

He was eager to see what the other two main items were besides the Divine Power Pearl.

"I assume everyone is curious, so let's not leave you in suspense. Let us begin with the first main item!" Mei Ji said.

As soon as her words fell, an extraordinarily beautiful maid walked up with a tray.

The tray was covered with a floral cloth.

The surrounding crowd immediately smelled a strong, exotic fragrance.

"This peculiar scent, could it be..."

Someone exclaimed with a look of disbelief.

However, most people were still bewildered, not knowing what was under the floral cloth.

Xu Nian was also surprised; he had smelled the same peculiar fragrance.

Inhaling this exotic scent, Xu Nian felt his internal Spiritual Energy improve slightly.

This astonished Xu Nian. Just the scent alone could enhance his cultivation; what was this thing?

"I never thought there would be such a good thing at this auction. Xu Nian, you must get it. With it, your cultivation will grow significantly," the voice of the Wentian Demon Sovereign sounded in Xu Nian's mind.

"What exactly is this?" Xu Nian asked perplexed.

"You'll know soon enough," the Wentian Demon Sovereign replied, not directly answering Xu Nian.

Xu Nian was speechless; he's still keeping secrets.

But fortunately, Mei Ji unveiled the floral cloth, revealing a delicate Glazed Jade Bottle containing a transparent liquid.

"This item is Jadescent Nectar, obtained from an Ancient Immortal Tomb. It is not only one of the most delicious Immortal Wines in the Cultivation World but also surpasses Top-grade Spiritual Pills in enhancing cultivation. Just a sip can break through your cultivation, without any side effects," Mei Ji's voice echoed in the crowd's ears.

"Jadescent Nectar?" The eyes of the surrounding crowd fell upon it with burning desire.

This legendary treasure, comparable to Immortal Elixirs, really existed.

If they could get this Jadescent Nectar, their cultivation would soar.

So, everyone looked at this Jadescent Nectar with fervent eyes.

Including Guihai Tianxing.

Items that could enhance cultivation were tempting even to Earth Immortal experts.

"Now that everyone knows, let the auction begin! The starting price for this Jadescent Nectar is thirty million, with each bid increment being no less than a million," Mei Ji announced.

"What? Thirty million?" The cultivators who initially wanted to give it a try all reluctantly gave up.

The starting price of thirty million meant the final price would reach at least sixty million.

Such a price was beyond their means!

"Forty million!" Guihai Tianxing immediately called out.

The surrounding crowd's hearts sank.

Guihai Tianxing was indeed wealthy and powerful.

He raised the price by ten million right off the bat!

"Forty-five million!" said a guest from No.5 Sky Private Room.

"Fifty million!" a voice called from No.7 Sky Private Room.

"Fifty-five million!" another voice from No.6 Sky Private Room followed.

"Sixty million!" Jiang Lingye's voice sounded again from No.1 Sky Private Room.

The crowd showed looks of surprise.

It had suddenly jumped to sixty million; at this rate, it might break a hundred million!

"Seventy million!" Guihai Tianxing said, unwilling to concede.

"Seventy-five million!" followed the voice from No.8 Sky Private Room.

"Eighty million!" Jiang Lingye again called out.

The crowd was all impressed.

This main item was indeed fierce.

Almost all of the Sky Private Rooms were participating in the bidding.

But when Jiang Lingye called out eighty million, the participants in the Sky Rooms began to withdraw.

"Eighty-five million!" Guihai Tianxing said, unwilling to lose.

"Ninety million!" Jiang Lingye said calmly.

Guihai Tianxing was furious and was about to increase his bid.

But was stopped by Yann Hui behind him.

This Jadescent Nectar, though precious, was only valued around eighty million.

Ninety million was already a very high price; bidding more would offend an Earth Immortal expert, which was not worth it.

Guihai Tianxing understood this and finally chose to give up.

The crowd also agreed, thinking that ninety million could buy many Top-grade Spiritual Pills.

This price was indeed high!

"Looks like this Jadescent Nectar will belong to Jiang Lingye!" The crowd concluded.

"Ninety-one million!"

Just as everyone thought it was over.

A voice rang out.

"It's him again!"

The crowd looked towards the No.3 Private Room.

This guy always bid at the last moment, either with too high a price or an absurdly low one.

This time, he only raised it by a million?

Xu Nian was helpless; it wasn't that he didn't want to bid more.

But he didn't have many Spirit Stones left.

Just now, he had borrowed Spirit Stones from Bing Luo.

Finally, he borrowed thirty million top-grade Spirit Stones from Bing Luo.

So Xu Nian didn't dare to lavishly spend!

Chapter 873: Xuanhuang Qi

Xu Nian's words fell, and the entire Tianbao Pavilion fell into a brief silence.

In the eyes of everyone, the person in the No.3 Sky Private Room really had no sense of self-preservation.

It was one thing to provoke Guihai Tianxing, but now he dared to provoke Jiang Lingye too.

Isn't this asking for death?

On the third floor, Guihai Tianxing heard Xu Nian's bid and the corner of his mouth curled into a cold smile.

This guy actually dared to snatch Jiang Lingye's item, truly courting death.

Even the other people in the Sky Private Rooms chose to give up, yet this insignificant top-grade artifact refiner without any backing dared to challenge Jiang Lingye?

"Young master, it seems we don't need to make a move, Jiang Lingye will tear him to shreds," Liu Wenshan laughed maliciously.

"Truly a reckless fool. It seems I overestimated him. Let's see how Jiang Lingye deals with him!" Guihai Tianxing also sneered.

Everyone looked toward the direction of the No.3 Private Room.

They were eager to see how the owner of the No.3 Private Room would withstand Jiang Lingye's wrath.

However, the anticipated outburst from Jiang Lingye did not occur; instead, the No.1 Sky Private Room was unusually quiet.

Guihai Tianxing was also surprised.

Could it be that Jiang Lingye was planning to settle the score after the auction ended?

It must be that way!

By then, that guy will surely suffer miserably!

Guihai Tianxing thought to himself.

"Since no one else is bidding, this Jadescent Nectar now belongs to the guest in Private Room No.3. Congratulations to the guest in Private Room No.3," Mei Ji said with a smile.

Nonetheless, her eyes carried a look of surprise as she glanced at Private Room No.3.

Clearly, she was also curious about how this person had made Jiang Lingye relinquish voluntarily.

In fact, not only others, but Xu Nian himself sitting in the No.3 Private Room was also somewhat astonished.

He had prepared to continue bidding.

But Jiang Lingye actually gave up?

Could it be that he plans to settle accounts later?

If so, wouldn't Jiang Lingye, as an Earth Immortal expert, be too petty?

"Knock, knock, knock!"

At this moment, the door of Xu Nian's private room was knocked upon.

"Come in!"

Xu Nian responded.

The door opened, and a beautiful maid entered.

In her hand, she held a note, which she handed to Xu Nian, saying, "Young Master, this is something the guest in Private Room No.1 asked me to give you. Please take a look."

"Private Room No.1? Isn't that Jiang Lingye?" Xu Nian was slightly surprised.

Nonetheless, he took the note.

Opening the note, it read: After the auction, meet at the Purple Gold Building.

Reading this line, Xu Nian felt even more puzzled.

Why would Jiang Lingye invite him for a meeting? Even if it was to settle scores for the humiliation earlier, there was no need to specially invite him, was there?

If not for this matter, then for what?

He had not met him before, right?

"Forget it, I'll know when I get there!" Xu Nian thought to himself.

An Earth Immortal expert inviting him for a meeting, he dared not refuse.

If Jiang Lingye sought to settle accounts, he wouldn't be able to hide forever anyway.

Xu Nian had the maid relay a message that he would attend the meeting on time.

Then he had the maid leave.

Meanwhile, the auction for the second item had already begun.

Indeed, the auction item was the Divine Power Pearl.

Many people had come specifically for this Divine Power Pearl.

So this auction was especially fierce.

The bidding voices rose one after another, starting from the base price of fifty million and quickly soaring to one hundred and thirty million.

Far exceeding the initial estimate by Wind Wheel.

But this had nothing to do with him, he believed Wind Wheel would spare no expense for the Divine Power Pearl.

Moreover, he had no spirit stones left, having spent them all on the Jadescent Nectar.

In the end, the Divine Power Pearl was sold for a high price of one hundred and fifty million to the guest in Private Room No.10.

Xu Nian guessed that it must be Wind Wheel.

As for how he managed to get the extra fifty million, Xu Nian had no idea.

The three finale items, two had already been auctioned off.

The last one remaining, what could it be?

This made everyone very excited.

"The auction has reached its climax. I believe everyone can feel the sincerity of our Tianbao Pavilion, presenting such valuable treasures." Mei Ji said.

The crowd nodded in agreement.

This auction was indeed much grander than previous ones.

So they were even more eager for the last auction item.

"The last item of this auction can be said to be extremely valuable, priceless even. Words can't do it justice. You'll understand its worth when you see it." Mei Ji said.

After speaking, four people carried out a heavy object about the height of a person from the backstage.

The object was covered, and it had a formation to prevent spiritual sense from probing.

No one knew what it was.

"Thud!"

The object was placed down, crushing the floor beneath it.

"Such a heavy item, what could it be?"

Everyone showed expressions of extreme curiosity.

Xu Nian also closely watched the final auction item, feeling puzzled.

"Have you heard of the Mother Qi of All Things?" Mei Ji asked.

At her words, the crowd was in an uproar!

Mother Qi of All Things, Xuanhuang Qi?

Could the final auction item be the legendary Xuanhuang Qi?

How is that possible?

That is a precious treasure even coveted by the divine!

It's said that the Mother Qi of All Things is used to refine divine artifacts.

How could it appear here?

"You're not mistaken. Our final auction item is indeed the Mother Qi of All Things, although just a trace, its value is evident." Mei Ji said.

As she spoke, she pulled off the cloth covering the item.

The crowd saw a crystal-clear stone about the height of a person.

The stone was like jade, and within it flowed a tiny wisp of yellow gas.

The yellow gas was very sparse.

If not looked at carefully, it could easily be missed.

"Is this really Xuanhuang Qi?" someone in the crowd voiced their doubt.

Xu Nian also showed a hint of surprise.

He had already consulted the Wentian Demon Sovereign, and the gas within was indeed Xuanhuang Qi.

However, he was more curious about the jade-like stone.

It felt familiar.

Suddenly, he remembered.

Wasn't this stone the same as the one sealing the fairy, moved out from the ancient sect by the Bull Demon King?

No wonder Tianbao Pavilion dared to auction it, they couldn't get it out!

Chapter 874: Jiang Lingye's Fighting Spirit

It seems that great efforts have been made by Tianbao Pavilion to extract this Xuanhuang Qi.

Undoubtedly, the final result was a failure.

Therefore, they decided to auction off the Xuanhuang Qi.

"This strand of Xuanhuang Qi was brought back by an Earth Immortal expert of our Tianbao Pavilion from the depths of the universe. However, due to the extreme hardness of the external stone, we were unable to break it. But this Xuanhuang Qi is genuine." Mei Ji said.

"Unable to break it?" The surrounding people immediately showed disappointment on their faces.

If they could obtain this Xuanhuang Qi, it would undoubtedly greatly enhance their strength.

You should know that Xuanhuang Qi can not only strengthen weapons but also enhance a person's physical strength.

Achieve the Xuanhuang Body.

It is one of the treasures that both Body Cultivators and Spirit Cultivators covet immensely.

But now, if even Tianbao Pavilion cannot break it, then it is even less likely for them to extract the Xuanhuang Qi.

Even so, there were still people willing to give it a try.

After all, for many people, this Xuanhuang Qi might be a once-in-a-lifetime treasure.

Xu Nian was also very tempted, but he knew that with his current financial resources, it was impossible to obtain this Xuanhuang Qi.

"Let the auction begin! The starting price is one billion, with a minimum increment of ten million each time!" Mei Ji's voice rang out.

"What? One billion?" Everyone was startled.

The starting price alone was more than they could afford.

Xu Nian also smiled bitterly; the starting price was already more than all the Spirit Stones he had ever possessed.

"One billion and ten million!"

However, there was still a bid.

This voice came from Room No.5 of the Sky Private Rooms.

"One billion two hundred million!"

"One billion three hundred million!"

Following this bid, two more voices rang out in succession.

These voices were undoubtedly from the esteemed guests of the Sky Private Rooms.

In the Earth Sect Name, almost no one raised their hand to bid.

After all, such a treasure, even if they could afford it, might not be something they could keep afterwards.

Without Earth Immortal Realm strength, such a treasure in their hands would be a hot potato.

Guihai Tianxing also understood this, so he did not participate this time.

"One billion seven hundred million!" A voice came from Room No.1 of the Sky Private Rooms.

Jiang Lingye made a move.

He directly added four hundred million to the bid, causing many who still wanted to bid to give up.

"One billion eight hundred million!" The bidding continued from Room No.5 of the Sky Private Rooms.

Room No.1 of the Sky Private Rooms was silent for a moment, apparently having no intention of increasing the bid.

Everyone thought that the Xuanhuang Qi would probably go to Room No.5.

"Two billion!"

Just when everyone thought the result was decided, a majestic voice came from above.

The entire Tianbao Pavilion was momentarily shaken, and everyone looked up toward the fifth floor.

What?

There was someone on the fifth floor of Tianbao Pavilion?

How could this be possible?

That floor was reserved for Star Level VIPs only.

In the entire Taiheng Star System, there were no more than five Star Level VIPs. Each one of them could shake the entire star system.

This time, one unexpectedly appeared at the Tianbao Pavilion of this small Cloud Thunder Star.

If it weren't for his final bid, no one would have known that such a formidable figure was silently watching the entire auction.

Xu Nian was also extremely surprised to find that there was actually someone on the fifth floor of Tianbao Pavilion.

Although Xu Nian had never seen a Star Level VIP, he had heard of them.

Their strength was equivalent to Earth Immortal Peak; such figures were already at the pinnacle of the Cultivation World.

And now, he was so close to such a presence.

Mei Ji, on the other hand, was not too surprised because she had been informed of this esteemed person's arrival in advance.

She also knew that this esteemed guest came specifically for the Xuanhuang Qi.

The reason why this esteemed guest did not bid at the beginning was to give face to Tianbao Pavilion.

Otherwise, with just a word, he could have obtained the Xuanhuang Qi at the base price.

Who would dare to compete for a treasure with an Earth Immortal Peak expert?

"Alright, the final treasure, the Xuanhuang Qi, goes to the Star Level esteemed guest." Mei Ji did not count any further because she believed that no one would continue bidding.

A single stroke concluded the auction.

However, the audience's shock did not subside. They were all curious as to which of the five Star Level figures this esteemed guest was.

Xu Nian didn't think much about it. After exchanging for the Top-Grade Spirit Pill and Jadescent Nectar, he let Long Tian'er return to their residence alone.

He then went alone to the Purple Gold Building to meet this genius Sword Immortal.

Purple Gold Building was the most prosperous inn in Tianbao City.

At this moment, Xu Nian was sitting with Jiang Lingye at a window on the second floor of the inn, street-side.

Below them were bustling passersby.

Inside the inn, the onlookers were all extremely surprised to see Jiang Lingye.

The battle outside Tianbao City made everyone recognize this genius Sword Immortal.

They were all curious about who the young man sitting across from Jiang Lingye was, able to sit on equal terms with him.

Xu Nian was also somewhat nervous, given that the person sitting across from him was a genius Sword Immortal who could kill Earth Immortal experts with a single sword.

If the other party wanted to kill him, it would be a matter of a mere flick of the finger.

He had no chance to resist at all.

"Are you very afraid of me?" Jiang Lingye asked Xu Nian with a smile.

With his white clothes, along with a strand of white hair at his temples, he looked even more like an ethereal being.

"It would be a lie to say I'm not afraid. After all, sitting across from me is a genius Sword Immortal who can take down Earth Immortal experts with a single sword. I saw that battle of yours. The Seventh level of the domain is indeed a realm I cannot hope to reach." Xu Nian said with a bitter smile.

His words were heartfelt.

Of course, the fear he mentioned was more about reverence.

If Jiang Lingye really wanted to kill him, he would not flinch either.

"You're more interesting than I thought. The reason I know you is that someone mentioned you to me, saying you're the smartest genius in the world and if I meet you, I must take you as a disciple." Jiang Lingye said as he drank his wine with a meaningful smile.

His smile made Xu Nian puzzled.

"Someone mentioned me? Who?" Xu Nian was taken aback.

In the Cultivation World, he could count the people he knew on one hand, and the person who asked others to take him as a disciple definitely wasn't his Master, Bai Tianhan.

But who else could have access to someone like Jiang Lingye?

"Haha, you'll know when I say the name. It's Chen Wudi, the disciple of my senior brother. He praised you to the skies, so I came to take a look out of curiosity." Jiang Lingye said with a laugh.

"Chen Wudi?" Xu Nian was taken aback.

When Chen Wudi was taken away from the Cultivation World by a powerful being, it seemed he had new opportunities.

"Then, Senior Jiang might be disappointed!" Xu Nian said with a smile.

"No, you are more surprising than I thought. Chen Wudi wasn't wrong; your talent indeed exceeds mine. But I have still decided not to take you as a disciple." Jiang Lingye said with a smile.

"Why?" Although Xu Nian had no intention of becoming a disciple, he still asked.

Jiang Lingye smiled slightly and said, "Because you would make a great opponent. I don't want to lose such a rare opponent."

When Jiang Lingye said this, his eyes were filled with Sword Intent.

His gaze was incredibly serious.

Xu Nian was stunned and then smiled bitterly.

Jiang Lingye actually considered him as an opponent?

Wasn't that putting him on too high a pedestal?

Chapter 875: Rapid Progress

"You don't need to be so surprised. I can sense the potential in you. I'll give you a hundred years. After a hundred years, I'll come find you again. By then, how about we have a decisive battle?" Jiang Lingye said.

"A hundred years?" Xu Nian showed a look of astonishment.

A hundred years was really too long for him.

Because he was only in his twenties up until now.

Although age didn't matter much to cultivators.

A hundred years was just a blink of an eye, but for Xu Nian, that was still too long.

So when Jiang Lingye said a hundred-year duel agreement.

He felt a strange sensation in his heart.

"What? You think a hundred years is too short? How about two hundred years then." Jiang Lingye opened his mouth and said.

"No, no, no, I mean a hundred years is too long. How about ten years, ten years later, I'll fight you!" Xu Nian said.

Jiang Lingye's eyes were fixed on Xu Nian like an eagle.

He stared for a long while before getting excited, "Alright, then in ten years, we'll have our battle! I hope you won't disappoint me."

"I will do my best." Xu Nian said with a wry smile.

He had already seen that Jiang Lingye was a complete martial arts fanatic.

If he didn't agree, Jiang Lingye probably wouldn't let it go easily.

So instead of that, it would be better to agree readily.

After all, in ten years, he might not be inferior to Jiang Lingye.

"By the way, Senior Jiang, who exactly is that Star Level VIP at this auction?" Xu Nian suddenly asked out of curiosity.

Hearing Xu Nian's question, Jiang Lingye's expression also became serious.

"He is an extremely powerful expert, second only to Mu Residence Lord, known as the Asura Earth Immortal. He is a ruthless character. No matter who, you should never provoke him. Even if he suppresses his cultivation to my level, I am no match for him in three moves." Jiang Lingye opened his mouth and said.

"So powerful?" Xu Nian was shocked in his heart.

The key point was, this guy's strength was still second to that Mu Residence Lord.

If that's the case, just how powerful could Mu Residence Lord be?

"Alright, I've said what I needed to. Although I can't take you as a disciple, I can still pass on some things to you. This is some of my Sword Dao Enlightenment insights. Whether you can comprehend it will depend on your own fate." Jiang Lingye finished speaking and handed a Spirit Scroll to Xu Nian.

Xu Nian was taken aback. Jiang Lingye's Sword Dao Enlightenment?

This was a rare treasure, probably worth millions if auctioned.

"Thank you, Senior Jiang!" Xu Nian said hurriedly.

Jiang Lingye nodded, then turned into a stream of light and disappeared from the tavern.

Xu Nian sat in the tavern for a while before leaving and returning to his residence.

This auction had yielded quite a lot for him.

But he had also made numerous enemies.

So now, he must quickly enhance his own strength.

However, what surprised Xu Nian was that Feng Wheel did not come to find him.

Logically, he should have come after obtaining the Divine Power Pearl.

The first thing would be to let Xu Nian recognize it as his master.

But when he asked Long Tian'er, the Feng Wheel had not appeared.

Xu Nian didn't think much about it. He directly instructed Long Tian'er that he needed to go into seclusion.

And then he entered his room.

"It's better to enhance my strength first, then rescue Xuanyuan Qingling." Xu Nian muttered to himself.

With that, he took out two small jade bottles.

One of the jade bottles contained three pills.

The other jade bottle contained a crystalline liquid.

Yes, these were the two treasures Xu Nian had obtained from the auction.

The Heaven Stealing Pill and Jadescent Nectar.

Xu Nian's eyes lit up.

With these two items, his cultivation would definitely improve significantly.

Without hesitation, Xu Nian opened the jade bottle containing the Heaven Stealing Pill and poured all three pills into his mouth at once.

If anyone saw this, they would think Xu Nian was mad.

The Heaven Stealing Pill was a top-grade pill, containing immense power.

Even Harmonization Realm cultivators needed significant time to digest just one pill.

Xu Nian swallowed three at once, isn't that madness?

But Xu Nian didn't care. This was commonplace for him.

With the absorption ability of Dan Sea Species Green Lotus and Divine Demon Refining Body Technique, these three pills posed no problem for him.

Sure enough, as the three pills entered his body, they released immense power.

Xu Nian's two major cultivation techniques started operating simultaneously.

In the Zifu, Purple Gold Energy swirled, full of vitality.

Lotus after lotus of Purple Gold Lotus emerged from the Zifu lake, blossoming into brilliant gold lotuses.

As these Purple Gold Lotuses emerged, Xu Nian's True Essence waves became increasingly powerful.

"Boom!"

With a roar, Xu Nian's cultivation directly broke through to the middle-stage Cave Void Realm.

His aura became even more formidable.

Coincidentally, not only did his Spirit Cultivation break through,

but his Divine Demon Refining Body also received significant enhancement.

If someone could look inside Xu Nian's body,

they would find his skin covered with a thin layer of gold.

Not just that, his internal organs also strengthened considerably.

Middle Wanxiang Realm!

Xu Nian's physical strength directly broke through to the middle stage of the Wanxiang Realm.

"Great, these three Spirit Pills were worth it. I wonder if this Jadescent Nectar will have even better effects?" Xu Nian muttered to himself.

With that, he unhesitatingly poured the Jadescent Nectar into his mouth.

The nectar was cold in his mouth, but as it went down his throat, it burned like fire.

The emerging power erupted like a volcano.

The terrifying power made Xu Nian's body expand.

"Damn, what strong power! The power in this Jadescent Nectar is probably ten times that of the three Heaven Stealing Pills!" Xu Nian thought to himself in shock.

A trace of pain appeared on his face.

The power of this Jadescent Nectar was too strong.

To the point that he couldn't assimilate it all in a short time.

So, Xu Nian had to endure the pain, pushing his two major cultivation techniques to the extreme, frantically absorbing the power.

As Xu Nian absorbed it, his strength continued to elevate.

It took three whole days and nights.

Xu Nian finally completely absorbed the power in the Jadescent Nectar.

"What a powerful feeling! My Spirit Cultivation and Body Cultivation both advanced two levels, reaching the peak of the Cave Void and the peak of the Wanxiang Realm." Xu Nian couldn't help but speak with excitement as he felt the changes in his internal power.

Now, his strength had definitely grown to a terrifying level.

"Haha, now with my strength, I probably won't lose to a Harmonization Peak cultivator!" Xu Nian clenched his fist, his eyes brimming with excitement.

He felt his body overflowing with endless power.

This strong feeling made him feel unprecedentedly comfortable.

"Time to revive Xuanyuan Qingling!" Xu Nian muttered to himself.

Just as Xu Nian was about to enter the God King Tripod to help Xuanyuan Qingling take the Heavenly Repairing Pill,

Long Tian'er's voice came from outside the door, "Mr. Xu, Miss Mei Ji from the Tianbao Pavilion has urgent matters to discuss!"

Mei Ji?

Why was she here?

Xu Nian was taken aback, then suppressed the thought of saving Xuanyuan Qingling for now. He opened the door and stepped out.

Mei Ji was standing in the courtyard, her seductive figure exuding an enchantress-like charm.

Chapter 876: Mei Ji's Request

Although he had seen Mei Ji before,

when Xu Nian saw her again, he was still momentarily dazed.

This Innate Seductive Body was truly terrifying.

At the moment he saw Mei Ji, Xu Nian clearly felt a surge of wicked fire within him.

If he hadn't forcibly suppressed it with the Xuan Ice Power of the Ice Frost Giant Dragon, he might not have been able to withstand this seductive power.

Xu Nian quickly calmed himself, which caused Mei Ji to be somewhat surprised.

One must know that even men in the Transcendence Tribulation Stage would be enchanted by her at first sight.

Yet this young lad in front of her could regain his clarity so swiftly, which was very rare.

Moreover, his cultivation level...

Oh, his cultivation!

Mei Ji noticed the change in Xu Nian's cultivation level, showing a look of surprise on her face.

"Congratulations, Mr. Xu. Both your Spirit Cultivation and Body Cultivation have risen three ranks. I suppose you've taken the Heaven Stealing Pill and Jade Dew!" Mei Ji said with a charming smile.

Her every smile carried a seductive grace, making people unable to resist.

"Ahem, yes, I took the two great spiritual medicines and had a breakthrough in my cultivation. May I know why Miss Mei Ji has graced this humble abode with her presence?" Xu Nian cleared his throat and asked.

This Mei Ji held a high status in the Tianbao Pavilion, far above that of Manager Liu.

Now she took the initiative to seek him out, which indeed surprised Xu Nian.

As for taking the spiritual medicines, there was no need to hide it.

He guessed Mei Ji was well aware of the auction at the Tianbao Pavilion.

Mei Ji heard Xu Nian's words, and the surprise on her face did not decrease but intensified.

She knew very well the power of the Heaven Stealing Pill and Jade Dew.

Even she would need several months to absorb the power of these two great spiritual medicines.

Yet the young man in front of her had absorbed both within just three days.

This indicated just how domineering his cultivation technique was.

"I have two matters for which I am here today. The first is to deliver an item entrusted to me by someone. Mr. Xu, you should be acquainted with Wind Wheel. This is the Divine Power Pearl he asked our Tianbao Pavilion to give you!" Mei Ji said.

As she finished speaking, a wooden box appeared in her hand.

Xu Nian took the box and opened it, finding a crystal-clear pearl the size of a cat's eye inside.

The power emanating from the pearl was incredibly strong.

Xu Nian frowned slightly.

Why did Wind Wheel not deliver the Divine Power Pearl to him in person but instead entrusted it to the Tianbao Pavilion?

Could it be that something had happened to Wind Wheel?

Xu Nian recalled Wind Wheel previously mentioning that he was being hunted by the Tiansheng Sect.

Could it be that he encountered some danger?

"Miss Mei Ji, do you know where Wind Wheel is now?" Xu Nian continued to ask.

"I don't know. After entrusting the item to our Tianbao Pavilion, Young Master Wind Wheel left, and we haven't had any further information." Mei Ji replied with a smile.

After pondering for a moment, Xu Nian decided not to dwell on it.

If Wind Wheel left on his own, he must have his reasons.

Speculating further wouldn't do any good.

"So what is the second matter Miss Mei Ji mentioned?" Xu Nian asked, looking at her again.

He could sense that the second matter was the real reason Mei Ji had come to see him.

After all, anyone from the Tianbao Pavilion could deliver the Divine Power Pearl; there was no need for her to come personally.

"The second matter is a personal one. I have a request for you, Mr. Xu," Mei Ji said with a soft smile. Her tone was now even gentler than before.

Just this sweet and soft voice made the wicked fire within Xu Nian surge once more.

Xu Nian bitterly smiled in his heart.

The woman in front of him was truly a demoness.

Her Innate Seductive Body would even surpass the legendary Nine-tailed Fox of the Demon Clan.

"Miss Mei Ji, you must be joking. You are a master in the Transcendence Tribulation Stage and hold a supreme position in the Tianbao Pavilion. What could you possibly need my help with?" Xu Nian asked with a dry smile.

Mei Ji chuckled seductively upon hearing his words.

Her eyes were as soft as water, making one's heart tremble.

"Only you, Mr. Xu, can help me with this. Truth be told, I was born with a body that can seduce any man, leaving them powerless before me," Mei Ji said.

There was no trace of pride in her eyes, only a hint of melancholy.

Xu Nian didn't speak; he already knew this.

What truly concerned him was what Mei Ji was about to say next,

because that was her real purpose for coming today.

"Innate Seductive Body is beneficial as it rapidly increases my cultivation, but it has also sown a huge hidden danger within me as my power grew," Mei Ji said.

"Hidden danger? What kind of hidden danger?" Xu Nian asked in surprise.

"Mr. Xu, why don't you take a look for yourself?" Mei Ji extended a hand.

Xu Nian understood her meaning and placed his fingers on her pulse.

Then he began to investigate.

The next moment, Xu Nian's expression changed dramatically.

"This is..." Xu Nian looked at Mei Ji in astonishment.

There was a vast and strange power within Mei Ji's body.

This power was hidden deep in her bloodline yet did not belong to her.

Xu Nian knew that it was the seductive power generated by her Innate Seductive Body, combined with her True Essence.

This power was concentrated in Mei Ji's body.

Now, Mei Ji could only use her True Essence to suppress it.

If she ever failed to suppress it, this power would explode.

Mei Ji would be burned to death by this power.

"Indeed, having an Innate Charm Body isn't easy. This woman has not coupled with any man, causing the seductive power within her to lack proper release, leading to the current situation," the voice of Wentian Demon Sovereign echoed in Xu Nian's mind.

"Then how can it be resolved?" Xu Nian asked the Wentian Demon Sovereign through his thoughts.

"There is only one solution: Dual Cultivation. Only through Dual Cultivation with a man can this power be released. However, not just any man will do; he must have a powerful bloodline. In this regard, you are just the right person," the Wentian Demon Sovereign said with a wicked smile.

Xu Nian was speechless.

Could it be that Mei Ji found him to engage in Dual Cultivation?

But thinking about it again, Xu Nian felt it was unlikely.

If Mei Ji really wanted Dual Cultivation, why would she wait until now?

"I wonder why Miss Mei Ji approached me. I am not an alchemist, and I cannot resolve this strange power within you!" Xu Nian said, though his eyes showed a hint of unease.

Mei Ji seemed to see through Xu Nian's thoughts and smiled gently, "Mr. Xu, you already know. The strange power within me can only be eradicated through Dual Cultivation with a man."

Xu Nian was stunned upon hearing those words.

Could it be that Mei Ji truly wanted to engage in Dual Cultivation with him?

And if that were the case, should he refuse?

"Mr. Xu, don't overthink. I came here because I have learned that there is a powerful substance within a part of the Cosmic Void in the Taiheng Star System that can eradicate this power. So I would like to ask you to accompany me," Mei Ji said.

Hearing this, Xu Nian let out a sigh of relief.

So that was the reason. Thankfully, it wasn't about Dual Cultivation!

Chapter 877 Xuanyuan Qingling Awakens

"Miss Mei Ji, I don't know why you want to go with me? As you can see, my cultivation is not even at the Harmonization Stage." Xu Nian asked with a puzzled expression.

This Mei Ji was already a strong figure in the Transcendence Tribulation Stage, and now she was actually asking him to go with her.

This was clearly somewhat illogical!

Mei Ji heard Xu Nian's words and smiled.

She seemed to have anticipated that Xu Nian would ask this.

So she smiled and said, "The reason I sought out Mr. Xu is because you are an Artifact Refiner, with strong fire control abilities, and such control is of great help to me."

"Fire control ability? Could it be that Miss Charming Lady is talking about flames in the depths of the universe?" Xu Nian asked in surprise.

"Yes, I'm not going to lie to you, the place I intend to go is a Flame Star." Charming Lady answered.

"Flame Star?" Xu Nian's eyes instantly widened.

A so-called Flame Star is a Constant Star.

The temperature of a Constant Star is extremely high, even a strong Earth Immortal would not dare to approach it easily.

But Charming Lady actually said she wanted him to go to the Flame Star with her, isn't this seeking death?

Charming Lady noticed Xu Nian's astonishment and smiled as she explained, "If it were an ordinary Flame Star, I naturally wouldn't dare to approach it. The place we are going this time is only a Flame Star that is about to extinguish. The temperature on it is no longer as high as it was at its peak. By then, with your fire control ability and my cultivation, we can enter the depths of this Flame Star without any obstacles."

Xu Nian nodded in sudden realization.

In that case, it made sense.

If it were a real Constant Star, Xu Nian wouldn't dare to go even if he was given a hundred guts.

"But Miss Charming Lady, why should I help you?" Xu Nian asked.

"As long as Mr. Xu helps me, Charming Lady will definitely give a great reward. I know Mr. Xu is looking for Taichu Water and a hundred-thousand-year Green Bamboo Branch. If Mr. Xu helps me, I will definitely offer these two items afterward." Charming Lady said.

Upon hearing this, Xu Nian's eyes brightened.

These two items were the main ingredients for refining the Spirit King Pill.

With them, Xu Nian could find someone to refine pills.

This way, Emperor Ye Tian could also wake up.

"Alright, I agree!" Xu Nian decisively said.

Emperor Ye Tian had been kind to him, so since he had the chance to obtain the materials for refining the Spirit King Pill, Xu Nian naturally wouldn't give up.

Besides, he also wanted to see the Flame Star.

A Flame Star about to extinguish was simply a top-grade elixir for the Undying Devouring Sky Beast Avatar.

"Then it's settled. Three days from now, at this time, I will wait for Mr. Xu outside Tianbao City." Charming Lady smiled, and then left Xu Nian's residence directly.

Seeing Charming Lady leave, Xu Nian intended to return to his room.

However, at this moment, the voice of the Wentian Demon Sovereign sounded in his mind.

"Boy, do you know that a Flame Star about to extinguish is far more dangerous than a thriving Flame Star?" Wentian Demon Sovereign said.

"Hmm? Why?" Xu Nian asked in astonishment.

He hadn't expected Wentian Demon Sovereign to say this.

"Boy, it seems you know too little about Constant Stars. Once a Constant Star exhausts, it will rapidly collapse, but its mass remains unchanged. By then, it will become a black hole, devouring everything! With your physical strength, the gravity of a black hole is enough to crush you." Wentian Demon Sovereign's voice sounded again.

"Then what should I do? Why didn't you stop me earlier?" Xu Nian was shocked.

If it was really as Wentian Demon Sovereign said, then wouldn't he be in great danger?

"Hmph, you're scared now? Actually, I didn't mention it because I also want you to go!" Wentian Demon Sovereign said.

"You want me to go! To send me to my death?" Xu Nian was confused by the Wentian Demon Sovereign.

If this collapsed Constant Star was so dangerous, did Wentian Demon Sovereign want to send him to death?

"Boy, you want the Undying Devouring Sky Beast to absorb the energy of the Constant Star to strengthen it, right? Your idea is correct, but you lack the courage!" Wentian Demon Sovereign laughed.

Xu Nian looked puzzled.

He did want the Undying Devouring Sky Beast to absorb the last of the flame energy from this Constant Star, thus greatly increasing the strength of the Undying Devouring Sky Beast.

"This Undying Devouring Sky Beast in your hands is truly wasted. Don't you know what truly terrifying power the Undying Devouring Sky Beast possesses?" Wentian Demon Sovereign said.

"I know that, devouring!" Xu Nian replied straightforwardly.

"Wrong, it's the inner world. Many creatures can devour, but none are as powerful as the Undying Devouring Sky Beast. That's because the Undying Devouring Sky Beast contains an inner world. Whatever is swallowed becomes part of that world. There should be cultivation techniques regarding the inner world in your inheritance memory!" Wentian Demon Sovereign said.

Xu Nian nodded.

The Undying Devouring Sky Beast's main cultivation was the inner world, and the cultivation method was to devour everything, converting it into its own power.

As the strength grew, the devouring ability of the Undying Devouring Sky Beast also became stronger.

Xu Nian himself was unsure of its full devouring capacity since he had never allowed it to devour at full power.

"So this time, you need to devour the entire Constant Star. Only then can your inner world evolve!" Wentian Demon Sovereign said.

Xu Nian's eyes widened.

Devour an entire Constant Star?

Isn't that too exaggerated!

Could the Undying Devouring Sky Beast Avatar really achieve that?

"Just do as I say, and you'll have an unexpected surprise by then." Wentian Demon Sovereign said.

After pondering for a moment, Xu Nian nodded.

Great fortune involves great risk. Since he had already agreed to Charming Lady, he might as well give it a try.

After a brief conversation with Wentian Demon Sovereign,

Xu Nian plunged into the God King Tripod.

He approached Xuanyuan Qingling and slowly placed the Heavenly Repairing Pill into her mouth.

Once Heavenly Repairing Pill entered her mouth, it dissolved.

The medicinal power began to spread throughout her body, seemingly repairing Xuanyuan Qingling's injuries.

This process would take a long time.

Xu Nian was not in a hurry and directly sat beside Xuanyuan Qingling to comprehend the Profound Argumentation.

Time passed bit by bit.

Xuanyuan Qingling's injuries also almost fully healed.

At this moment, Xuanyuan Qingling also had a faint breath.

Xuanyuan Qingling slowly opened her eyes and struggled to stand up.

"You're awake, don't rush. You've just recovered your body, your True Essence is completely drained, so to regain your mobility, you'll need some time. This is inside one of my Spiritual Artifacts, just rest here first. When your cultivation recovers, then we can leave." Seeing Xuanyuan Qingling open her eyes, Xu Nian immediately said joyfully.

"Thank you!" Xuanyuan Qingling nodded.

Then she began to circulate her cultivation technique, trying to recover her True Essence.

Seeing this scene, Xu Nian smiled slightly.

Then he left the God King Tripod.

The agreed time with Charming Lady had arrived, so he had to go to the meeting.

As for Xuanyuan Qingling, besides her, the Undying Devouring Sky Beast Avatar was also in the God King Tripod.

So if anything happened, he would know immediately.

Chapter 878 The Death of Liu Wenshan

Xu Nian left his residence and headed straight out of Tianbao City.

As for Long Tian'er, she had proactively bid farewell and returned to the Qingluo Sect two days ago.

She knew that she and Xu Nian were destined to belong to different worlds.

So, despite her reluctance, she still chose to leave.

Xu Nian did not try to retain her, as he had many things to do.

With Long Tian'er by his side, it would not only be of no benefit but could even involve her in trouble.

After leaving the city gate, Xu Nian did not see Mei Ji.

However, he did see three people he did not wish to encounter.

These three individuals were none other than Guihai Tianxing and his followers, Liu Wenshan and the elder.

Xu Nian frowned slightly; it was clear that the appearance of these three was aimed at him.

Xu Nian was unafraid of Guihai Tianxing and Liu Wenshan.

The only one who made Xu Nian wary was the white-haired elder.

As Xu Nian spotted Guihai Tianxing, Guihai Tianxing and his party also saw Xu Nian.

Both Guihai Tianxing and Liu Wenshan wore cold, mocking expressions.

"Xu Nian, you finally dared to come out. I thought you would remain hiding forever," Guihai Tianxing looked at Xu Nian coldly, his eyes filled with ridicule.

Liu Wenshan also sneered, looking at Xu Nian as if he were looking at a dead man.

Guihai Tianxing's loud voice quickly attracted the attention of many people.

They all knew Guihai Tianxing, so when they saw him confronting Xu Nian,

they all thought this young man was unlucky to provoke such a fiend as Guihai Tianxing.

"What's this, Guihai Tianxing, are you here to invite me for tea?" Xu Nian smiled slightly, disregarding Guihai Tianxing's taunt.

Since Guihai Tianxing sought him out, there must be a resolution between them.

Rather than retreating, Xu Nian chose to confront them head-on.

"Tea? You brat, even at death's door, you dare to be insolent. You offended my master at the auction house, today is your end. If you know what's good for you, kneel and apologize, maybe we'll leave your corpse intact," Liu Wenshan snorted coldly.

"Leave my corpse intact? I'm afraid you're not qualified. Guihai Tianxing, others might fear your Guihai Family, but I don't. In my eyes, you're just a wastrel!" Xu Nian laughed lightly.

In his view, Guihai Tianxing was no different from those scoundrels in the Mortal World who relied on their ancestral power to cause trouble.

Xu Nian despised such people the most.

However, Xu Nian's words shocked the surrounding crowd.

This young man dared to call Guihai Tianxing a wastrel?

Didn't he know the consequences of offending Guihai Tianxing?

Those who angered Guihai Tianxing suffered horrible deaths, enduring worse than death's torment.

Now, this guy outright insulted Guihai Tianxing, his fate would likely be more tragic than those before him.

Guihai Tianxing's eyes filled with rage upon hearing Xu Nian's words.

"Xu Nian, you're courting death!" Guihai Tianxing squeezed out the words through gritted teeth.

His angry eyes seemed as if they would devour Xu Nian whole.

This guy repeatedly infuriated him, and without killing him, Guihai Tianxing's anger could not be quelled.

"Master, there's no need for you to dirty your hands. Allow me to deal with him; I'll make him realize his existence is a mistake," Liu Wenshan sneered.

"Fine, teach him a proper lesson, but leave him alive. I want to kill him personally," Guihai Tianxing ordered.

"Yes!" Liu Wenshan responded immediately.

Then, he gazed weirdly at Xu Nian.

"Alas, another life will be lost. This young man, so young, how could he be Guihai Tianxing's match? Not to mention Guihai Tianxing, even Liu Wenshan has Harmonization Early Stage power. Most of those who offended Guihai Tianxing died at his hands."

"Exactly, Liu Wenshan is Guihai Tianxing's fierce dog, with power that can't be underestimated. Among the younger generation, few can contend with him. This young man seems only in his twenties; how could he be Liu Wenshan's match?"

"But it's his own fault for seeking death, offending Guihai Tianxing. Guihai Family's power is immense; to antagonize him is simply courting death!"

...

The spectators discussed spiritedly.

They looked at Xu Nian with varied expressions.

Some with pity, some with regret, and others with schadenfreude.

Some even seemed to say: deserved!

Xu Nian ignored the gazes around him.

Just a Harmonization Early Stage.

He didn't take it seriously.

"Liu Wenshan, being a dog to this extent is not easy. You've likely bitten many for your master!" Xu Nian responded coldly with a laugh.

Liu Wenshan's face turned livid with anger at these words.

He hated being called a dog the most.

Now Xu Nian saying this was hitting his nerve.

"At death's door and still sharp-tongued, today I'll knock out all your teeth to make you understand your mistake!" Liu Wenshan snorted.

With that, a formidable aura burst from his body.

Harmonization Early Stage!

The powerful aura caused the low-level cultivators around to turn pale.

The crowd retreated quickly, avoiding being engulfed.

Xu Nian stood with his hands behind his back, calm and composed.

Seeing Xu Nian's nonchalant look infuriated Liu Wenshan even more.

"Courting death!"

With a shout, Liu Wenshan's figure flashed towards Xu Nian.

Five fingers curled, aiming directly at Xu Nian's neck.

The True Essence fluctuations on his fingers were overwhelming.

The crowd showed shock, seeing Liu Wenshan's ruthless attack.

This move was likely to tear the young man into bloody pieces.

From afar, Guihai Tianxing sneered, knowing Liu Wenshan's strength.

He believed Xu Nian could not possibly counter Liu Wenshan.

Only the elder behind Guihai Tianxing felt something wrong because this young man was too calm.

This attitude was not what a Cave Void Realm cultivator should exhibit against a Harmonization Realm opponent.

"Slap!"

However, just as everyone thought Xu Nian would be bloodily injured,

they only saw Xu Nian's hand move like a shadow.

And then, Liu Wenshan was spun rapidly in the air by a slap.

"What?" the onlookers were surprised.

Guihai Tianxing was also stunned.

A slap?

Xu Nian had neutralized Liu Wenshan's attack with a slap?

Liu Wenshan was bewildered, unable to grasp what had happened.

But he realized his teeth were all knocked out by Xu Nian's slap.

"Impossible!" Liu Wenshan, fallen to the ground, looked at Xu Nian in disbelief.

The next moment, his pupils contracted sharply, seeing Xu Nian appear ghost-like before him.

This moment, he felt unprecedented fear.

But it was too late to react.

"Die!"

Xu Nian sneered and punched his chest.

"Boom!"

The ground cracked.

Centered on Liu Wenshan, the ground sank sharply.

Liu Wenshan's body turned to mush by the punch.

"This..."

The crowd was astonished.

Those who earlier claimed Xu Nian would surely die were too shocked to speak.

Chapter 879 Guihai Badao

Directly kill Liu Wenshan in a second?

How is this possible?

Everyone around couldn't believe what they saw.

Could this guy's cultivation be above Liu Wenshan's?

But when everyone looked at Xu Nian, they found his cultivation was only at the peak of Cave Void!

"Peak of Cave Void? Impossible, just a few days ago he was only at the early stage of Cave Void, how could he reach the peak of Cave Void, and even if he did, he couldn't defeat Liu Wenshan!" Guihai Tianxing was also in disbelief, refusing to believe Xu Nian had actually defeated Liu Wenshan.

"Young Master, this guy is somewhat strange, he should be at Spirit Body Dual Cultivation, both reaching the peak of Cave Void, so it cannot be judged by usual standards." Yann Hui spoke.

His eyes also showed a sense of solemnity.

The young man before them, only in his twenties, had already reached the peak level in both Spirit Cultivation and Body Cultivation.

Such a person is definitely a genius among geniuses.

If it weren't for the current irreversible situation, he truly hoped the Guihai Family wouldn't make an enemy of such a genius.

"This person must die, absolutely cannot give him a chance to escape." Yann Hui muttered to himself.

Even though he was an expert at the early stage of Tribulation Crossing, he believed killing the youth before him would be effortless.

But he still didn't dare to act carelessly, in case this guy managed to escape.

That would leave the Guihai Family with a huge threat.

"Guihai Tianxing, I've said before, others fear your Guihai Family, but I, Xu Nian, do not. If you retreat now, we can end our grudge, but if you insist on being my enemy, I, Xu Nian, will definitely kill you!" Xu Nian said sternly to Guihai Tianxing.

He was just a middle-stage Harmonization cultivator, killing him would be very easy.

The only difficulty was the elder standing behind Guihai Tianxing.

Of course, if he were truly angered, even with the elder there, he would still kill without mercy.

Everyone around was astonished.

This guy killed Liu Wenshan and still dared to threaten Guihai Tianxing?

Isn't this way too arrogant!

Doesn't he know that Guihai Tianxing is the sole heir of the Guihai Family, always accompanied by a Tribulation Crossing expert?

Guihai Tianxing was furious, no one had ever dared talk to him like this.

Not to mention he had a Tribulation Crossing expert by his side, even his own cultivation was two ranks higher than Xu Nian's.

Where did this guy get the confidence to say he could kill him?

"Hmph, Xu Nian, don't think I don't know your tricks, you used special means to kill Liu Wenshan, just to make me feel pressured and retreat. Unfortunately, you're wrong, I, Guihai Tianxing, have never feared anyone, killing you is as easy as stepping on an ant. Do you think I would fear you?" Guihai Tianxing sneered.

With that, his aura burst forth.

The middle-stage Harmonization aura swept through the field, much stronger than Liu Wenshan.

One must admit, the Guihai Family's foundation is rather deep.

Guihai Tianxing's cultivation was very solid, even far surpassed the average middle-stage Harmonization.

Even facing late-stage Integration experts, he wouldn't be inferior.

Moreover, he was cultivating the Guihai Family's unique Domineering Blade God-Slaying Technique.

So at this moment, his aura was particularly domineering.

Those with lower cultivation around couldn't help but want to kneel.

In their hearts, they marveled at Guihai Tianxing's formidable strength.

Xu Nian, however, smiled, facing Guihai Tianxing's overwhelming aura like a giant wave.

He was like a leaf boat, floating calmly, regardless of how fierce the waves were, he remained serene, drifting with the wind.

"It seems you are determined, in that case, today will be a fight to the death." Xu Nian said coldly.

A surge of killing intent filled his eyes.

"Hmph, reckless fool, today I'll show you the power of our Guihai Family's Domineering Blade." Guihai Tianxing snorted coldly, gripping his hand, a blue battle saber appeared in his hand.

The battle saber was especially domineering, exuding a menacing aura.

This was the result of a cultivator practicing saber for a long time, the owner's sword qi nurturing the weapon, making it possess an unbeatable momentum.

"It seems Guihai Young Master is really enraged, using the Domineering Blade from the start."

"Indeed, the Guihai Family's Domineering Blade is coveted even by Earth Immortal experts, especially the three saber techniques of the Domineering Blade, known as the Asura Three Sabers, which are astonishingly powerful. Anyone who has seen these three techniques is no longer in this world. I wonder if Guihai Young Master has mastered these techniques!"

"Probably doesn't need Asura Three Sabers, just the regular techniques of the Domineering Blade are enough to shock the world, and this guy might not be able to withstand them!"

...

People around were discussing.

Although Xu Nian had previously killed Liu Wenshan with a punch, they still didn't believe this young man named Xu Nian could survive against Guihai Tianxing.

After all, the Guihai Family's Domineering Blade had dominated the Taiheng Star Domain for thousands of years.

Xu Nian felt the domineering sword qi from Guihai Tianxing's saber, showing a trace of surprise.

Originally, he hadn't cared about the so-called Domineering Blade, but now seeing Guihai Tianxing's sword qi.

He realized he had underestimated Guihai Tianxing.

One must admit, the sword qi from Guihai Tianxing was indeed soul-stirring.

"Xu Nian, to die under our Guihai Family's Domineering Blade, even if it's spread around, you won't be ashamed. Today, I'll let you see the power of our Guihai Family's Domineering Blade, face death, Dominating the World." Guihai Tianxing roared, his blue battle saber swung.

Instantly, countless saber shadows emerged in front of him.

Then Guihai Tianxing rapidly slashed out a saber.

A hundred-zhang long saber shadow fiercely slashed towards Xu Nian.

The sword light contained sword qi, enough to shatter everything.

Everyone around took a breath, the power of the Domineering Blade was too terrifying.

Just watching it made them feel a sense of dread.

"This guy is doomed!" Everyone thought.

In their opinion, Xu Nian absolutely could not take this saber strike.

Guihai Tianxing sneered as well, at least eight or ten Harmonization stage experts had died under his Dominating the World.

Four of them were at the middle-stage of Harmonization, so he was certain Xu Nian would die.

Xu Nian saw the rapidly approaching saber light.

A strong battle intent surged in his eyes.

He didn't summon any weapons.

Instead, he activated the Dragon Blood Armor within him, covering his right arm.

At the same time, the Divine Demon Power roared within, Earth Profound Argumentation displayed.

Power of Earth instantly condensed on his right arm, forming three earth-colored energy rings.

Earth Shattering Third Level!

The terrifying Power of Earth added a terrible force through powerful pulses.

Then Xu Nian threw a punch, directly colliding with the domineering sword qi.

Everything happened in a flash!

"Boom!"

A heaven-shaking, earth-shattering explosion.

That terrifying saber light instantly burst, turning into a dreadful sword qi storm, sweeping all around.

Xu Nian was pushed back by the storm, retreating three hundred zhang.

His right sleeve shattered.

Blood-red dragon scales were fierce and glaring.

Sword qi surged, robes fluttered!

But he was not hurt at all.

"What? Actually blocked it!"

Everyone's eyes widened.

This guy actually blocked Guihai Tianxing's Dominating the World with a punch?

Guihai Tianxing was also in disbelief.

Chapter 880: Asura Three Sabers

Xu Nian shook his slightly numb arm.

He was quite surprised in his heart.

He thought the power of his punch was already close to a full-strength attack from a late-stage Harmonization expert.

Yet, even so, it barely managed to ward off that saber strike.

"It seems that the Guihai Family's Domineering Blade is indeed formidable!" Xu Nian sighed inwardly.

The power of Guihai Tianxing's first saber strike was already so strong.

If the next few strikes are like this, he would need to summon his true strength to withstand them.

However, to others, his action was astonishing and out of the ordinary.

"I didn't expect you to be able to block that strike of mine. It seems I underestimated you before. Xu Nian, you have earned the right for me to use the Asura Three Sabers," Guihai Tianxing said, looking at Xu Nian.

His eyes were filled with intense killing intent.

Xu Nian, at the Peak of Cave Void cultivation, was able to withstand a strike revered across the world.

Such potential could only be described as terrifying.

This caused a strong feeling of jealousy to rise in Guihai Tianxing's heart.

"Young Master, the power of the Asura Three Sabers is too immense. With your current strength, you can't fully utilize all three strikes. Even the first two are straining. Let this old man handle it!" Yann Hui quickly stepped forward to dissuade Guihai Tianxing as he heard him mention using the Asura Three Sabers.

"No need, Elder Yann. I want to kill this brat with my own hands. If I can't do it myself, I'll never be able to resolve the knot in my heart," Guihai Tianxing replied firmly to Yann Hui.

His tone was resolute and left no room for doubt.

Hearing this, Yann Hui said no more.

He knew Guihai Tianxing's obsession was too deep, and thus he had to do it personally.

However, Yann Hui had also resolved that should any unexpected situation occur, he would intervene without hesitation.

"Asura Three Sabers? I'm quite eager to try it!" Xu Nian responded with a smile.

Guihai Tianxing's earlier strike of Zhen had already made a strong impression on him.

The Asura Three Sabers seemed even more dreadful than Zhen.

He also wanted to see how horrifying these three sabers really were.

"Is this brat seeking death? He actually wants to try the Asura Three Sabers on his own?" The surrounding people muttered to themselves.

The Asura Three Sabers were the Guihai Family's most terrifying blade technique; bloodshed was inevitable once drawn.

Very few people could survive against these three strikes.

"Hmph, you will regret such a decision. Since you seek death, I will oblige you. Asura First Style, Abyss Hell!" Guihai Tianxing roared.

He swung his Battle Saber, and at the moment he raised it.

An Asura figure standing tall like a mountain emerged behind him.

The figure reached a thousand zhang high, covering the entire sky.

The aura it emitted made everyone present feel as if they had fallen into hell.

"Slash!"

Guihai Tianxing shouted again.

Then he slashed, sending out a terrifying Sword Light.

Everyone felt their vision darken, as if the light of the sky had been swallowed all at once.

It made the whole world fall into hell.

Cold!

Chilling!

Domineering!

Everyone felt these three words rise in their hearts, trembling within.

Xu Nian, seeing this scene, was also somewhat astonished.

This slash was even more terrifying than he had imagined.

Moreover, it contained an inexplicable Profound Argumentation.

"Good timing!"

Battle intent surged in Xu Nian's eyes, and the King Jing Sword suddenly appeared in his hand.

"Mixed Element Slash!"

With a great shout, Xu Nian struck out with the Immortal Sword.

The sword light slashed across the sky, like a star trace.

It clashed fiercely with the black Sword Light.

"Boom!"

A resounding blast that shook heaven and earth.

Sword Radiance and Sword Light exploded simultaneously, transforming into a storm of Sword Light and Sword Rain.

"Poof!"

The surrounding spectators, unable to evade the terrifying rain of swords, were injured one after another, spitting blood wildly.

Even those who managed to block the terrifying Sword Light and Sword Rain were shocked.

Just the shattered Sword Light and Sword Qi made them so miserable.

How powerful would the direct attack be?

But what surprised them even more was that Xu Nian actually withstood the first style, Abyss Hell, of the Asura Three Sabers.

Guihai Tianxing was also astonished.

He had unleashed the Asura Three Sabers and yet was blocked by Xu Nian.

The power of Xu Nian's earlier sword strike was evidently not inferior to his Abyss Hell!

"Are you a Sword Cultivator?" Guihai Tianxing asked in surprise.

Previously, Xu Nian had been using his fists, making Guihai Tianxing think he wasn't proficient with weapons.

Now it seemed he had been wrong. This guy's swordsmanship was evidently superior.

"Surprised? There's even more to be surprised about. Aren't you supposed to have two more saber strikes? Why don't you show them all at once," Xu Nian said with a smile.

Witnessing Abyss Hell made him more eager to see the remaining two strikes of the Asura Three Sabers.

He had to admit, the Asura Three Sabers could already compare with some powerful Immortal Level saber techniques.

"Courting death!" Guihai Tianxing fumed with anger.

This guy was treating his Asura Three Sabers as if they were nothing.

"Then let me show you the power of the second style, Six Paths of Reincarnation!" Guihai Tianxing roared.

True Essence within him madly surged, condensing terrifying power into his Battle Saber.

The next instant, he slashed out.

The Sword Light cleaved through the air, making space and time seem to come to a halt.

The entire world vanished from everyone's eyes, leaving only this single strike.

After unleashing this saber strike, Guihai Tianxing appeared to be drained of strength.

His face turned pale, and blood trickled from the corner of his mouth.

Clearly, unleashing this saber had cost him dearly.

However, his eyes were burning with confidence, believing that Xu Nian must undoubtedly be dead under this strike.

Xu Nian just stood watching the oncoming Sword Light in surprise.

The power within the Sword Light was incredibly terrifying.

Even a late-stage Harmonization expert might not be able to withstand it.

Xu Nian dared not be complacent, immediately unleashing the Second Level Chaos Origin Slash he had not long comprehended.

The sword light flashed like lightning!

One strike severed the approaching Sword Light like a falling star.

"Boom!"

A terrifying energy storm exploded instantly.

Xu Nian's figure was forced back three hundred zhang by this strike.

The red Dragon Scale Armor that appeared on his body left streaks of white marks under the broken Sword Qi.

"Such a powerful strike. My Second Level Chaos Origin Slash barely blocked it! These Asura Three Sabers are indeed strong!" Xu Nian muttered to himself.

Guihai Tianxing, with just two strikes, had already forced him to use the Second Level Chaos Origin Slash.

He didn't dare imagine how terrifying the third strike would be.

"Impossible! Absolutely impossible!"

Guihai Tianxing kept muttering, looking at Xu Nian unharmed.

Xu Nian not only withstood his second strike but didn't seem to be injured!

In his view, this was simply impossible.

Everyone around was equally astonished.

Blocking two of the three Asura Three Sabers strikes from Guihai Tianxing.

This youth named Xu Nian was indeed extraordinary.

Thus, the crowd began to look at Xu Nian with newfound respect.

"No... I don't believe it. I want you dead, Asura Third Style, Hell First Blade!" Guihai Tianxing roared, recklessly unleashing his True Essence.

Blood streamed from his seven orifices, making his face particularly ferocious.

"No!" Yann Hui was shocked and urgently tried to stop him.

However, it was too late. Guihai Tianxing had already swung the saber.

Hell First Blade!

With the swing of the saber, a scene of mountains of corpses and seas of blood, boundless hell, seemed to manifest before everyone.

The terrifying murderous aura shook everyone's hearts.

Those with weaker strength spewed a mouthful of blood.

Too terrifying!

Xu Nian's expression changed drastically at this moment.

The saber strike made him feel a sense of imminent death!
