

EIGHT.

My third period is PE, oww god can this get any worst. This class is a mix of subs, the coach made us run till I'm out of breath, he made us do some aerobic exercises which proved to me that I got zero muscle coordination.

But did the torture stopped there oww of course not, next the coach decided we should do a friendly game of Dodgeball!! How could that game be friendly? My muscles were burning by now and I was on the verge of fainting, I was hardly standing up until a ball hit me straight in the face, the girl who threw it made an "oww my bad " face but her eyes were gleaming with mischief she did it on purpose. I couldn't help it then I just started crying my face felt on fire.

"Below the waist Britney" the coach scream

"Sorrriyyy," says Britney in a voice that shows no remorse. "I can take her to the nurse office coach"

Before I can object Britney takes hold of my hand and start dragging me out of the gym she's 5'3, her hair is box blond and her eyes are brown.

"Stay away from Dimitri he's mine you got it little girl!" she growls in my face then throw me against a wall “the nurse office is that one “she nods toward a door and leave.

I go into the nurse's office, she's a middle-aged human with kind eyes, and she put ice on my face and makes sure I drink lots of water, the bell ring signaling the third period is over. The nurse tells me to stay put till the crowd dies down so I won't get hurt again. I'm still sitting there sipping my water when Dimitri came dashing in.

"Why didn't you tell me you're hurt" he practically yells at me and I flinch, his eyes are black something I'm starting to associate with his bad mood.

"You...you were in...class...I didn't know..." I stutter

He turns to the nurse who looks pale as a sheet now "I'm sorry prince ... I didn't know she belongs to you...the systemthe system...didn't say she's claimed" the nurse says while she looks afraid.

I tuck on Dimitri's sleeve and he turns to me "I'm good please don't be mad" I say in a small voice, I'm a bit afraid of him too.

He gets close to me and hugs me " I went to pick you up from PE and they told me you were here baby you really scared me...next time text daddy immediately when you are hurt got it?" he says in a kind voice

"I don't have a phone," I say and look down, my mother never bought me one she said I don't deserve it.

"We'll get you one" he states, then picks me up and start walking toward the opposite side of my classes. I tuck on his sleeve again trying to get his attention

"My class is the other way" I whisper I'm still too shy around him.

"You're coming with me," he says and I look at him funny "when a little get punished or sick they can stay with their daddy even in class. I have a quiz that I can't skip so you are going to be a good little girl and sit quietly with daddy got it" I nod and hide my face in his neck I'm still in my gym clothes a pair of short and a T-shirt with the school logo on it.

Dimitri walks into his class it's full of Doms, they all look at me, and I whimper and hide my face against his chest. He goes and takes a seat with me in his lap.

"She's tagging along with dom classes now" I look up and a girl Dom

"She got hurt in PE so she's staying with me" ~Dimitri

I look up and show her my face.

"Oww your poor little thing " she rummages through her bag and retrieves a lollipop I smile and take it from her

"What do you say little girl" ~Dimitri

"Thank you," I say with a shy smile

"God prince she's adorable"

"Mine" ~Dimitri growls and the girl lift her hands in defeat

The teacher walks in and sees me sitting in Dimitri's lap

"Punished or sick," he asks with a voice devoted to emotion

"She got hit on the face during dodgeball" ~Dimitri

The teacher nod and start his class as if nothing happened, five minutes in and the door opens showing Andy.

"Detention Never Be Late To Class," the teacher says in his dom voice and it scares me I whimper and that get Andy attention shot towards me, I hide my face in daddy's chest till he pulls me back and looks me in the eyes.

"Can I have my candy” I whisper in his ear too afraid of his teacher he nods and I open my lollipop and stuck it in my mouth trying to stay quiet.

"Time for the quiz, little girl come to sit here with me," the teacher says and I shake my head no I want to stay with Dimitri. Instead of asking me again he looks at my daddy and he pushes me off his lap and sends me toward the teacher, I sit on his desk, they start their quiz and it's all silent I look up to see Andy giving me death glares I choke on my candy and look down.

After the quiz is over I run back to Dimitri and hide my face in his chest for the rest of the period. I hope he didn't notice my reaction to Andy, I wasn't ready to tell him anything about that topic.
