Invincible After Shocking My Empress Wife Chapter 171

Chapter 171: Tremendous Thunder Tribulation, Stunning Everyone!

In the scorched thunder zone.

Ning Tian took a deep breath, and then his hand fell upon the Jue Xian Ancient Zither.

Zeng~

As the music of the ancient zither began to play.

Ning Tian thought silently, "System, activate the melody to transcend the thunder tribulation!"

【Activating Musical Dao talent, Melody to Transcend Thunder Tribulation!】

【Activation successful!】

As the system's voice fell, a musical score quickly appeared in front of Ning Tian, guiding his playing.

Zeng!

Zeng~Zeng~

The sound of the ancient zither quickly spread throughout the entire scorched thunder zone.

In an instant, the surrounding lightning grew wild.

"This celestial music..."

Hearing the ethereal celestial music that reached their ears, Princess Yue Ling and You Qin were both stunned, deeply immersed in the music of the ancient zither.

"Such a powerful mastery of the Musical Dao, I didn't expect Brother Ning's talent in the Musical Dao to be so profound."

Princess Yue Ling sighed inwardly.

His Musical Dao skills surpassed those of some musicians in their divine kingdom.

Compared with Ning Tian's celestial music from the ancient zither, what those grand musicians played was simply noise to the ears!

Boom!

Just then, as the celestial music from the ancient zither arose.

The entire scorched thunder zone was enveloped by wild thunderous intent, and the sky changed color with dark clouds!

Boom!

Boom!

In the sky, as if a divine thunder descended, a terrifying aura spread from the very center of the scorched thunder zone!

"What is this?"

Princess Yue Ling and You Qin both paused, a look of astonishment flashing in their eyes.

How did such tremendous thunderous intent suddenly emerge?

Boom!

At this moment, a voice of thunderous rage exploded!

The thunder light burst, and within it, the thunderous intent in the scorched thunder zone began to converge.

In the sky, a thunder dragon composed of lightning, spanning a hundred meters, coiled within the dark clouds.

"Is that... dragons?"

Princess Yue Ling was momentarily stunned.

"No, this is a thunder tribulation, and within it... there's the aura of my great ancestor!"

She suddenly came to her senses, her eyes filled with shock as she looked at Ning Tian, her voice tinged with disbelief: "He, he can actually invoke the divine thunder rhythm left by the great ancestor!?"

Roar!

The Thunder Tribulation Dragon obscured the sky and kept emerging from within the clouds.

As the music from the ancient zither continued to sound, more and more thunderous intent surged towards the dragon in the sky.

Soon, after continuously absorbing the thunderous intent.

The Thunder Tribulation Dragon grew from its original hundred meters to a colossal size of a thousand meters!

Roar!

With an angry roar, it seemed as if the entire Supreme Secret Realm could hear it!

“This...”

At this moment, Princess Yue Ling and You Qin were so shocked they couldn't speak. (Don't ask, shock rewards are postponed.)

Both women hadn't expected that upon entering the scorched thunder zone, Brother Ning would cause such a huge commotion!

As the celestial music of the ancient zither continued, the Thunder Dragon grew increasingly massive!

Meanwhile, the commotion in the scorched thunder zone had attracted many people from the Supreme Secret Realm.

...

In the Supreme Secret Realm, at the Yellow Springs Waterfall.

Zhuge Yu was holding Prince One Hundred Thirty-Two, with several people following him.

Boom!

Suddenly, the sound of thunder continued to reach them!

Roar!

Then an angry roar resounded. In the sky above, a massive figure appeared!

“That is...”

Zhuge Yu’s pupils tightened, a glint flashing in his eyes.

“Woo woo!”

“Ah woo woo.”

Just then, Prince One Hundred Thirty-Two in his arms was startled by the thunder and began to cry loudly.

“Ah! Young Master Zhuge, Prince One Hundred Thirty-Two has soiled himself!”

A maid beside him hurriedly spoke up.

“Hm?”

“Soiled himself?!”

Zhuge Yu’s complexion changed, and he instantly smelled a foul stench, his face turning dark instantly!

“Prepare a new set of clothes for me; I want to see what that commotion is about.”

Zhuge Yu took a deep breath and spoke resolutely.

“Yes!”

...

Elsewhere.

Just as Qin Haoran was preparing to search for the legendary items of the divine moon in the secret realms, he suddenly heard thunder, and was momentarily stunned.

Looking up at the sky, he saw dark clouds covering the sun in the distance, with a thunder dragon coiling through them.

“That is...”

Qin Haoran’s expression became pensive, his eyes flashing with gravity.

“This thunder tribulation is massive; could it be related to the legendary items of the divine moon?”

Qin Haoran pondered inwardly.

After a moment of contemplation, he waved his hand to his subordinates and said lightly, "Follow me, let's go take a look."

"By your command, Crown Prince!"

At Thunderlight Cliff.

More and more people arrived near Thunderlight Cliff, looking at the figure in the scorched thunder zone, somewhat perplexed.

"Holy crap!"

"How come wherever I go, I can see that ugly mug?"

"Could it be that this thunder tribulation commotion was caused by him?"

At this moment, the onlookers were astonishingly surprised to see this scene.

"The Carefree Holy Son and the Crown Prince have also arrived!"

Just then, a voice sounded.

Sure enough, Zhuge Yu and Qin Haoran had both arrived near Thunderlight Cliff.

Zhuge Yu had some connections with the royal family of the Supreme Divine Kingdom, which allowed him to enter the Supreme Secret Realm holding Prince One Hundred Thirty-Two.

At this moment, both Zhuge Yu and Qin Haoran looked solemnly at the colossal Thunder Dragon in the sky.

"Sister, so many people have been attracted here; wouldn't they disturb the ugly bad guy?"

Seeing more and more people around, You Qin frowned slightly. Although she did not know exactly what Ning Tian was going to do, she could see that he should not be disturbed.

Invincible After Shocking My Empress Wife Chapter 172

Chapter 172: The Thunder Tribulation Melody Concludes, The Music Fades Away!

“Rest assured.”

Princess Yu Ling shook her head and said lightly, “The power of the lightning tribulation in this Scorched Thunder Zone is now even stronger than before. If these people don’t wish to die, they won’t enter it.”

Her gaze remained fixed on Ning Tian.

A trace of doubt flickered through her mind.

What on earth was this Mr. Ning trying to do?

“Controlling a Thunder Dragon with music is no simple task, truly remarkable,” Zhuge Yu remarked while brandishing his folding fan, his eyes reflecting a certain gravity.

This man might appear ugly, but his talent made even Zhuge Yu feel inferior.

“Thunder Dragon? Could it be that the dragon in the lightning tribulation is the treasure mentioned in the legends of the Divine Moon?”

Qin Haoran pondered slightly, a glint flashing in his eyes.

If it really was the treasure of the Divine Moon legend, then he wouldn’t blame himself for being ruthless!

Boom!

Rumble!

At this moment, the heaven and earth were surging with the might of the lightning tribulation.

The sound of thunderous wrath continued to be heard.

“Roar...”

During this time, within the dark clouds, after a furious roar from the dragon within the lightning tribulation, it charged towards Ning Tian, who was still playing celestial music amidst the Scorched Thunder Zone!

Roar!

The sound of the lightning tribulation continued to resound.

It was like a relentless divine might, causing many people to pale!

“How terrifying is the might of this lightning tribulation!”

“That ugly fellow is still there playing the zither, truly oblivious to life and death!”

The crowd discussed animatedly and looked disdainfully at Ning Tian.

In their eyes, Ning Tian’s behavior was undoubtedly a way of courting death!

“Finally fed it enough.”

However, Ning Tian’s eyes were bright and he revealed a smile at the corner of his mouth.

His intention in playing the zither was to gather the lightning, to centralize all the lightning essence together and then capture it all at once!

“A tune to cross the lightning tribulation!”

As the talent of music was activated, Ning Tian’s aura changed, as if he had become a master musician.

The sound of celestial music continued to astonish the surrounding crowd, inadvertently engrossing them in the melody!

Clang!

Clang~Clang!

Ning Tian’s playing became faster and the zither music was unpredictable and soaring high.

Boom!

This was when the power of music exploded!

With the zither music, a gigantic dragon formed from music appeared!

“Holy crap!”

“With music taking form, this, this, this damn thing...”

“This guy’s musical talent is possibly infinitely close to perfection!”

Witnessing the musical dragon emerging behind Ning Tian along with the celestial zither music, countless people around Thundercliff were in shock!

In their minds, countless thoughts raced like wild horses!

Why was this man, with his unremarkable appearance, so strong?

Yet, they had forgotten an ancient saying.

Don't judge a person by their appearance.

"Roar!"

The musical dragon let out an angry roar, but what came out was a series of melodies filled with a chilling intent to kill!

"This... Mr. Ning's talent is really so strong!"

Princess Yu Ling was somewhat astonished in her eyes.

"Tsk tsk..."

"Didn't expect that ugly scoundrel to have such a talent."

You Qin shook her head, sighing in amazement.

Qin Haoran and Zhuge Yu were also somewhat astounded, their gazes fixed on the two dragons battling fiercely in the sky.

Roar!

The lightning tribulation dragon and the musical dragon contested relentlessly.

From the beginning to the end, the musical dragon was dominant, continuously fighting, and with the sound of the zither music, the Thunder Dragon became smaller and smaller!

In just a few minutes.

The lightning tribulation dragon that originally spanned a kilometer could now only muster a few hundred meters in size!

And it continued to change!

"What is this?"

Seeing this scene, the people around Thundercliff were somewhat puzzled.

“This guy, could it be that he is refining the Thunder Dragon of the tribulation? He, he wants to absorb the supreme ancestral godly lightning rhythm left behind by the tribulation!” Qin Haoran speculated heavily with a serious look in his eyes.

“What!”

“Refining the dragon of the lightning tribulation!”

“And to absorb the supreme ancestral godly lightning rhythm!?”

Upon hearing this, everyone was shocked!

Princess Yu Ling and You Qin were also somewhat taken aback; they hadn’t expected that Mr. Ning’s goal was the godly lightning rhythm left by the supreme ancestor.

“Could it be true, as Third Imperial Uncle said, that he has actually reached the ninth step?”

At this moment, Princess Yu Ling recalled Qin Feng’s words.

But...

He had clearly only stepped onto the eighth step.

Lost in countless doubts, Princess Yu Ling shook her head and continued to focus on Ning Tian.

Absorbing the supreme ancestral godly lightning rhythm was indeed somewhat shocking.

However, there were also those with ill intent, wishing to cause trouble, but before they could get close, they were severely injured by the violent thunder and lightning within the Scorched Thunder Zone.

Seeing this, even those with intentions of seizing the opportunity could only choose to watch from the sidelines.

Boom!

After dozens of minutes.

The musical dragon swallowed the lightning tribulation dragon, which had shrunk to only about ten meters in size.

And at that moment, Ning Tian's hand left the zither strings, the celestial music ceased.

A tune that traverses the lightning tribulation, and then the sound fades away.

[Congratulations to the host for absorbing the godly lightning rhythm, your Path of Wind and Lightning has reached a higher level!]

[Currently, your skill in the Path of Wind and Lightning is proficient!]

[You can master powerful lightning attack techniques!]

Ning Tian was surrounded by lightning, moving around him.

The system voice rang out again.

[You have shocked the Great Crown Prince of the Supreme Divine Nation, Qin Haoran!]

[You have shocked Princess Yu Ling!]

[You have shocked You Qin!]

[You have shocked the Holy Son of the Carefree Holy Land, Zhuge Yu!]

[You have shocked everyone!]

[You have achieved a high-level accomplishment, a single tune shocks everyone in the thunder tribulation!]

[Reward: Experience Card of Heavenly Honour!]

[Experience Card of Heavenly Honour: After use, you can obtain the strength of a Heavenly Sovereign for two days. After use, this card becomes void!]

Invincible After Shocking My Empress Wife Chapter 173

Chapter 173: The Supreme Ancestor, Recognizing the Wrong Person!

Celestial Experience Card?

Hearing that, Ning Tian was taken aback for a moment.

Unexpectedly, by achieving a feat, the reward given wasn't too shabby.

At the very least, this Celestial Experience Card lasted a full two days.

However, now that he had the Celestial Experience Card, could there be an Emperor Experience Card as well?

It seemed that the system knew what Ning Tian was thinking, and its answer quickly resonated in his mind.

System: "As long as the host achieves higher shocking achievements, the rewards will naturally be ample."

"Understood."

Ning Tian's mouth curved slightly, nodding to himself in secret.

The tune dissipated, and the celestial music concluded.

At this time, the surrounding crowd, still in shock, was slowly coming back to their senses, staring at Ning Tian with astonished eyes.

They didn't expect that this unprepossessing fellow could achieve such an attainment in the musical arts.

"Tsks tsks."

"This guy has something."

A group of princes and princesses from the Supreme Divine Nation were all secretly shaking their heads.

At this moment, the thunder tribulation dissipated, with numerous divine thunder rhymes converging towards Ning Tian.

Seeing this scene, the princes and princesses were filled with envy.

Suddenly,

They reacted and thought of something.

"This isn't right!"

“This divine thunder attainment, isn’t it ours from the Supreme Ancestor? How could it be taken by an outsider?!”

The group gritted their teeth; this thing that should have belonged to them was being taken away by an outsider, and the key point was, they had no way to stop it.

In the Scorched Thunder Zone, some remnants of thunder intent remained.

They could only grit their teeth and watch as Ning Tian absorbed the divine thunder rhyme with a satisfied expression.

There was only one word to describe their feelings.

Damn!

“Hehe, satisfied.”

Ning Tian grinned, the cultivation attainments left behind by someone else’s emperor were indeed fragrant.

Suddenly, his gaze turned towards a part of the Thunderlight Cliff.

There, amidst flickering purple electricity, a faintly visible orb was shimmering with something that Princess Yue Ling had been wanting.

Ning Tian activated his Roaming Dragon Step, his feet moving like a dragon, and in the blink of an eye, he arrived at the base of the Thunderlight Cliff.

Immediately, he leapt, drawing close to the edge of the cliff.

In an instant, the purple electrical arcs struck like snakes!

However, Ning Tian didn’t even spare a glance at the purple electricity, with the divine thunder path circulating in his body, the thunder around him turned into a thunder dragon, and roared at the snake-like purple electricity.

The purple arcs were startled, retreating directly into the crevices of the cliff.

With the purple electricity gone, Ning Tian reached out and smoothly obtained the object within.

It was an ancient sheepskin scroll.

A high-rank Earth-level technique, Heavenly Thunder Technique.

“So it turns out that Princess Yue Ling also wants to cultivate the divine thunder path.” Ning Tian muttered to himself, he wasn’t interested in this technique, low level aside, and his Wind-Thunder Path didn’t require this Heavenly Thunder Technique for cultivation.

“Princess Yue Ling, I’ve got what you wanted.”

Ning Tian smiled, turned around, and leaped down from Thunderlight Cliff.

But just at that moment.

A roaring sound suddenly erupted below the Thunderlight Cliff!

Then, a dazzling brilliance emerged, slowly rising from the abyss beneath the Thunderlight Cliff.

“What’s that?”

“What is that?”

Seeing the radiance emerging from the depths of the Thunderlight Cliff, everyone around was stunned, a trace of puzzlement flashing in their eyes.

Upon seeing this, Qin Haoran’s eyes glinted, his whole being’s aura quietly circulating.

Could this be the legendary secret item from the Divine Moon?

Everyone’s eyes turned toward the brilliance that was rising from the depths of Thunderlight Cliff.

“After tens of thousands of years, finally, someone has awakened the old self’s Emperor Soul left in the supreme secret realm.”

An ancient voice emerged from within the orb.

Then, the orb dissipated, and the residual soul of an old man with white hair appeared before everyone.

“He looks so familiar! It seems I’ve seen him somewhere.”

“It seems like in the portraits in the Supreme Hall...”

“Damn!”

“Isn’t this our ancestor, the Supreme Ancestor?”

“Supreme Ancestor...!”

Seeing this scene, a group of princes and princesses from the Supreme Divine Nation’s faces changed slightly, their eyes filled with awe as they kneeled slowly.

“Greetings to the Supreme Ancestor!”

“Greetings to the Supreme Ancestor!”

“I never imagined that the remnants of our ancestor’s soul would still be here!” Qin Haoran looked at the old man with fervent eyes and also slowly knelt on one knee.

If the Supreme Ancestor’s soul has survived until now, there must be something good left behind!

“Supreme Ancestor?”

Ning Tian looked strangely at the residual soul in front of him, silently muttering in his heart: “Another one who didn’t fully die?”

“Seeing the Ancestor, why do you not kneel?” the Supreme Ancestor asked Ning Tian indifferently.

“Kneel?”

Ning Tian glanced at him. It’s been a hundred thousand years, this guy had no authority left, what’s there to fear?

“I won’t kneel.”

Ning Tian said indifferently.

Kidding me!

He wouldn’t kneel before the empress’s washboard, so why would he kneel for a soul that’s been dead for a hundred thousand years and lost all its might?

Dream on!

“.....”

The Supreme Ancestor was stunned for a moment, a displeased flash passing through his eyes.

His gaze swept over Ning Tian, and suddenly he was taken aback, “This youngster, has an emperor’s aura on him?”

The solemn gaze of the Supreme Ancestor fell on Ning Tian's chest area.

There, Luo Wuchang had implanted a formation which naturally retained the strong aura of an emperor.

"I didn't expect that the backbone of this young man is actually an emperor!"

Soon, the Supreme Ancestor felt somewhat reassured.

It seemed that their Supreme Divine Nation was getting stronger and stronger.

"Ahem."

"Well then, since you've awakened this ancestor's soul, no matter." The Supreme Ancestor coughed and shook his head.

"When did I awaken you?" Ning Tian expressed confusion.

"You, you don't know? In the Divine Moon Legend Script, I left a saying, 'dispatch its thunder tribulation, awaken my residual soul.'"

The Supreme Ancestor explained.

"What Divine Moon Legend Script?"

Ning Tian looked blank, having only absorbed some divine thunder rhymes. How had he awakened an emperor's residual soul?

"So that's what that saying meant!"

Not far away, Qin Haoran had an epiphany!

He had seen such a phrase in the Divine Moon Legend Script before and couldn't comprehend it. So that was the meaning!

"Since you've awakened this ancestor's soul, young man, I see you have an excellent foundation, a one-in-a-million martial arts talent, the world's peace depends on you, I have a secret book here..."

The Supreme Ancestor looked at Ning Tian with a smile, starting to speak slowly, but was interrupted by Ning Tian before he could finish.

"Hold it, hold it."

Ning Tian looked annoyingly at the Supreme Ancestor, how come his lines sounded so familiar?

“Young man, what’s wrong?”

The Supreme Ancestor looked at Ning Tian.

“Old man, you aren’t tricking me, are you?” Ning Tian looked skeptically at the Supreme Ancestor.

A martial arts manual given upon meeting, where does such good fortune come from?

However, the Supreme Ancestor just reassured him with a smile, “Young man, rest assured, how could this ancestor trick his own descendants from the Supreme Divine Nation? This is a mid-grade Heavenly-tier palm technique, the Supreme Primordial Palm!”

“I entrust it to you, the future of the Supreme Divine Nation is in your hands.”

Invincible After Shocking My Empress Wife Chapter 174

Chapter 174: The Shameless Man Experiences the Rank of Heavenly Venerate!

“Mid-Tier Heavenly Rank Palm Technique!?”

Hearing these words, Ning Tian’s eyes lit up as he realized that the Supreme Ancestor might have mistaken him for a descendant of the Supreme Divine Nation.

“Ahem.”

“Ancestor, rest assured, with this Supreme Primordial Palm, I will definitely protect our Supreme Divine Nation!”

Ning Tian cleared his throat and patted his chest, promising earnestly.

Since there was a mistake, he might as well go along with it!

“Ah?”

Hearing this, the surrounding princes and princesses were stunned.

This fellow... isn't he not a descendant of the Divine Nation?

Then, Ning Tian's sly voice sounded.

"When the time comes, I'll burn a few paper beauties for your old man..."

"Cough! Stop, stop."

The Supreme Ancestor put a hand to his mouth, coughed dryly, and said with an imposing face.

"Am I that kind of person?"

"Really, burning a few would be too wasteful! You young people just like to waste! Remember, just burn one; the old man's body can't handle too much, you understand."

"Cough cough, I understand, I understand," Ning Tian gave him a knowing look.

"These two..."

The people around were at a loss.

"Huh, I didn't expect the Supreme Ancestor to be such a man!" You Qin, feeling the image of the great emperor, the Supreme Ancestor, crumbled in her heart.

"Alright, I didn't expect that although you, the descendant, are a bit ugly, you know how to conduct yourself well." The Supreme Ancestor nodded in satisfaction, gently spread his hand, and the spirit energy transformed into a manual, slowly handing it to Ning Tian.

"This is the secret treasure of our Supreme Divine Nation, the mid-tier Heavenly martial skill, 'Supreme Primordial Palm!'"

"Hehe, thanks a lot."

Ning Tian accepted it.

The spirit of the Supreme Ancestor slowly dissipated.

"It's actually the Supreme Primordial Palm; I thought it had been lost."

"I didn't expect this kid to obtain the Supreme Primordial Palm, I'm so envious."

A group of princes and princesses from the Supreme Divine Nation looked enviously at Ning Tian.

“No, wait!”

“This is the heritage of my Supreme Divine Nation! Why should this outsider obtain it!?”

They then reacted.

“Ancestor, our great ancestor, this kid, he is not a descendant of our Supreme Divine Nation!” Qin Haoran said seriously, pointing at Ning Tian.

“Ah?”

“What!”

The Supreme Ancestor was stunned for a moment and looked at the smiling Ning Tian.

“You little thief, you actually deceived the ancestor! I don’t care, you must burn those promised beauties for me!”

As his voice fell, the last of his spirit energy slowly dissipated.

Even if Ning Tian was a fraud, he had no strength to do anything about it; he could only think about securing his own last benefits.

【Host detected absorbing the mid-tier Heavenly martial skill ‘Supreme Primordial Palm,’ comprehending at ten times the speed!】

While Ning Tian was comprehending, those watching with greedy eyes instantly looked over.

That was the Supreme Primordial Palm; if they could learn it, it would lead to significant leaps in their strength!

The key point was that it was the Supreme Ancestor’s famous ultimate move.

Within it, there might be other insights from the Supreme Ancestor!

At this moment, as the spirit of the Supreme Ancestor dissipated, the terrifying lightning around the scorched earth zone gradually faded.

Instantly, those fierce gazes turned towards Ning Tian.

“Kid, hand over the Supreme Primordial Palm!” Qin Haoran looked fiercely at Ning Tian, he had sincerely kowtowed three times to the celestial phenomenon at the time of the God Moon Event!

Yet why did the secret realm treasure fall into the hands of this ‘ugly patch’!?

He was going to chop off that nasty head of the Celestial Inspector someday!

“Hand it over? In your dreams.”

Ning Tian gave Qin Haoran a look of disdain. The food eaten, are you willing to spit it out?

“Then don’t blame me for being impolite!”

Qin Haoran’s eyes flashed with a brutal light, surrounded by princes and princesses all eyeing fiercely.

“Ah, what should we do, senior sister? The ‘ugly bad guy’ has become the target of public criticism!” By the side, You Qin was somewhat worried when she saw this scene.

There were hundreds of people present, the vast majority of whom were Earth King realm powerhouses, including Qin Haoran, who was at the peak of the Holy Emperor realm. How could Ning Tian be their opponent?

“This...”

Princess Moon Ling’s face was somewhat ugly; she knew that her words wouldn’t make a difference in this situation.

The best way now was to let their friend Ning Shuai hand over the Supreme Primordial Palm!

“Ning Shuai, you should just hand over the item. Otherwise, I can’t protect you.” Princess Moon Ling’s beautiful eyes were on Ning Tian, with a tone that was both helpless and worried.

“Don’t worry; they can’t do anything to me.”

Ning Tian shook his head lightly.

“They can’t do anything to you?”

Qin Haoran scoffed. He could feel that Ning Tian’s strength was just a mere peak of the Earth King realm!

And he was at the peak of the Holy Emperor realm!

“Ning ‘ugly patch,’ quickly hand over the item!”

“Hand over the item!”

“Hand over the Supreme Primordial Palm, Ning ‘ugly patch!’”

These princes and princesses each called Ning Tian an ‘ugly patch,’ to which Ning Tian’s mouth twitched.

This time, Qin Haoran approached with a surging momentum, his clothes whistling with the wind!

“I gave you a chance, you didn’t cherish it.”

Qin Haoran said coldly.

Then, his figure disappeared, in the blink of an eye, appeared beside Ning Tian, striking out with a palm!

The aura was torrential and dynamic!

“The crown prince is so fast!”

Seeing this, a group of princes and princesses were shocked.

“His strength is indeed above mine,” murmured Princess Moon Ling, her eyes full of solemnity.

“It’s over, the ‘ugly bad guy’ is going to be beaten up!”

You Qin exclaimed, somewhat unable to watch the scene.

Facing that palm, Ning Tian was calm and composed, silently commanding in his heart: “System, activate the Heavenly Venerate Experience Card!”

【Using the Heavenly Venerate Experience Card!】

【Heavenly Venerate Experience Card, activated successfully!】

【Received the strength of a one-star Heavenly Venerate realm for a countdown of two days!】

【‘Supreme Primordial Palm’ comprehension complete!】

As the Heavenly Venerate Experience Card was activated successfully, the Supreme Primordial Palm was also comprehended at that moment!

Boom!

Then, the spiritual energy burst open above Ning Tian's body, and his aura was magnificent!

"Kid, hand it over to me!"

Qin Haoran, who came rushing to the front, had a smug smile on his lips.

Around them, many princes and princesses were enjoying the misfortune.

Princess Moon Ling bit her red lips lightly, her palms full of sweat.

As for You Qin, she covered her eyes with her hands but left a small gap open, peeking through sneakily.

Under the watchful eyes of many.

Ning Tian simply swung out a casual palm, softly uttering one word: "Scram!"

Boom!

In an instant, an overwhelming pressure enveloped Qin Haoran, his face of satisfaction came to an abrupt stop, and his body was blown away instantly!

"What the hell!"

"A Heavenly Venerate realm powerhouse!?"

Boom!

Qin Haoran's body flew like a cannonball, embedding into the cliffside of Lightning Ridge.

The entire Lightning Ridge collapsed in an instant, burying Qin Haoran within it.

Everything happened so suddenly, only in the blink of an eye.

The crowd had yet to react, and they all stood there dumbfounded.

Invincible After Shocking My Empress Wife Chapter 175

Chapter 175

By the time they reacted, Qin Haoran had already been crushed by the rubble.

“Heaven... Heavenly Venerable Realm!?”

Seeing Ning Tian casually slap Qin Haoran away with a palm, a group of princes and princesses were dumbfounded!

Could it be that this unremarkable-looking guy is actually a powerhouse at the Heavenly Venerable Realm?

“He is at the Heavenly Venerable Realm!?”

Witnessing this scene, Princess Yue Ling and You Qin both covered their mouths with shock!

So, it turns out that Fellow Daoist Ning Shuai is this strong!?

[You have shocked everyone, reward: your cultivation level of spiritual qi +100!]

However, Ning Tian was somewhat excited in his heart. He had not expected the Supreme Primordial Palm to be so powerful. He had only used a tenth of his strength just now, and Qin Haoran was already flying away.

It seems that there are quite a few treasures in this supreme secret realm.

Should he take this opportunity to clean out all the treasures in the supreme secret realm?

Once the idea came to his mind, he wanted to realize it.

Taking advantage of this opportunity, it wouldn't be too much to plunder the treasures of the supreme secret realm, right?

Immediately, he looked fiercely at the group of princes and princesses, coldly smiling, “Did you enjoy calling Ning Ugly just now?”

“No, we didn't.”

The princes and princesses revealed a smile that was uglier than crying.

“Oh? Is that so?”

Ning Tian smiled, the unpredictability of life and death looming.

In an instant, he transformed into a shadow, flickering beside the princes and princesses.

Then, accompanied by the sound of flesh being struck, a series of miserable screams arose.

Minutes later.

Every prince and princess who called out Ning Ugly ended up with a swollen nose and face, looking like a pig's head.

Unable to see this scene, for some reason, Yue Mei felt a slight consolation in her heart; even if she had to be a pig's head, she wanted to be the most beautiful among them.

"Still dare to call me Ning Ugly?"

Ning Tian looked coldly at the group of princes and princesses.

"Woah..."

"We dare not, we dare no longer."

Amidst the wailing, the princes and princesses quickly shook their heads.

"Each one of you says 'Ning Shuai Bi' a thousand times, otherwise!" Ning Tian's eyes flashed with a cold light.

"Yes..."

"Ning... Ning Shuai Bi..."

Ultimately, under the pressure exerted by Ning Tian, the group of princes and princesses went against their conscience and said these words.

The main thing was that looking at Ning Tian's incredibly ugly face and calling him handsome, they were truly afraid of being struck by lightning!

Truly against their conscience!

"Fellow Daoist Ning Shuai..."

Watching those princes and princesses cry out Ning Shuai Bi for Ning Tian, Princess Yue Ling and You Qin couldn't help but find it a mix of sad and funny.

After a thousand repetitions.

The princes and princesses seemed to have become numb.

“Let’s go, take me to all the places in the supreme secret realm where there are hidden treasures!” Ning Tian, narrowing his eyes, ordered the group of princes and princesses.

“Ah?”

“Ning Shuai Bi, what are you going to do?”

The princes and princesses were stunned for a moment.

“Hehe, of course, I’m going to raid your supreme secret realm,” Ning Tian said with a smile.

“Ha!?”

Hearing that, a group of the princes and princesses were dumbfounded!

All of them looked furious!

It was just too much, absolutely shameless!

They had never seen such a barefaced, unashamed, and utterly shameless person!

Ning Thief!

The princes and princesses cursed inwardly!

This guy, not only did he deceive the Supreme Ancestor, now he even wanted to plunder their supreme secret realm’s treasures!

“Ning Shuai Bi, you can’t do this...”

A prince stood up indignantly, yet before he could finish his words, he was punched and sent flying, spinning 360 degrees in the air before landing unconscious.

“Is there anyone else who is dissatisfied?”

Ning Tian looked indifferently at the princes and princesses.

The princes and princesses: “...”

Damn it.

Of course, we have grievances!

But, you'd better put down your fist first!

"Since no one is dissatisfied, then hurry up and find it for me!"

Subsequently, even though there were countless grievances in the hearts of these princes and princesses, they could only lead Ning Tian to various places within the secret realm, searching for opportunities.

After all, with his Heavenly Venerable Realm strength, he was not someone they could contend with.

Thus, within the supreme secret realm, one after another, voices kept emerging.

"Ning Shuai Bi, here is a Profound-rank martial technique!"

"Coming!"

"Ning Shuai Bi, here is a valuable weapon!"

"A valuable weapon? That's trash, I don't want it!"

"..."

"Ning Shuai Bi, it seems like there is a chance over here!"

"Where?!"

"I'm coming!"

...

Two days passed in the blink of an eye.

Even Qin Haoran was forced to join the team searching for opportunities in the supreme secret realm for Ning Tian.

Watching the items of great desire being eaten by Ning Tian, his heart itched with hatred.

These two days, the princes and princesses had taken no small amount of beatings and were truly in a miserable state.

Finally, on the last day, the grand doors of the supreme secret realm opened!

These princes and princesses were extraordinarily excited, each shedding tears of joy.

Although they didn't gain anything in the secret realm, the mere opportunity to leave filled them with unparalleled exhilaration.

"Wow."

"Finally freed from Ning Shuai Bi's devil's clutches."

...

...

God Nation Plaza.

Today is the day when the supreme secret realm opens.

Many ministers and generals from the Supreme God Nation had arrived at the plaza, all somewhat expectant.

In previous sessions of the supreme secret realm, some outstanding princes or princesses had achieved some rather good fortunes.

But this time, who could stand out?

"I think it must be the eldest prince, Qin Haoran!" said the Supervisor of the Heavenly Watch with a snort. "With the great prince's strength, he will definitely obtain the most powerful chance in the supreme secret realm!"

"That's not necessarily true; after all, in the supreme secret realm, chance is more important than strength!"

"I think Princess Yue Ling might do well."

"Aren't you considering the one hundred thirty-second prince?" said a minister very seriously.

"..."

"Get lost, how big is the one hundred thirty-second prince? Just a baby, how can he possibly obtain a powerful chance!"

In the God Nation Plaza, countless people were discussing fervently.

Boom!

Just at this moment.

The teleportation column emitted a series of rumbling noises, profound and far-reaching.

Then, on its surface, streaks of golden light emerged.

Ancient texts and runes were all lit up at this moment!

Boom!

Subsequently, a teleportation portal opened!

One after another, figures rushed out frantically from it!

“Hahaha!”

“Who would have thought that our princes and princesses would be so excited, they must have had a very happy time inside!”

“They must have had numerous opportunities and gained a lot!”

“Haha! My princes and princesses of the Supreme God Nation are just that mighty!”

Seeing those princes and princesses, all eager to rush out from the teleportation portal with excitement, the ministers and generals laughed heartily.

But suddenly.

Someone realized something was wrong!

Why did each prince and princess have a swollen face and a blue nose?

“Prince seventy-seven was beaten into a pig’s head!”

“Princess fifty-two was also beaten into a pig’s head!”

“Huh!? Why does this pig’s head look somewhat familiar? Holy cow, he, he’s the great prince Qin Haoran!”

Then, a series of horrified voices spread throughout the God Nation Plaza!

The ministers and generals were stunned.

Why did these princes and princesses all turn into pig heads after entering the supreme secret realm for two days!?

Invincible After Shocking My Empress Wife Chapter 176

Chapter 176: You Understand Again, I Am a Good Person!

In the vast square of the Divine Kingdom, numerous ministers and generals looked on with strange expressions at the princes and princesses emerging from the teleportation portal.

It was a bizarre sight indeed.

One by one, they were battered and bruised, some with faces so swollen they resembled pigs' heads.

Yet, why did these princes and princesses have tears of happiness in their eyes and smiles on their faces as they excitedly rushed out of the portal?

"I understand!"

At this moment, when everyone was puzzled, the Astral Divination House showed a look of sudden comprehension.

Huh?

You understand again?

The ministers and generals all looked his way, and even some nearby power leaders turned their attention to him.

The Astral Divination House was excited, "Yesterday night, I observed the heavenly stars and concluded that there must be supreme treasures within the secret realm! Seeing the excited faces of these princes and princesses, they must have obtained these supreme treasures!"

"Supreme treasures?"

The crowd was taken aback, clearly puzzled.

“Then why are all these princes and princesses battered and bruised as if they have been beaten into pig heads?”

“This you don’t understand.”

The Astral Divination House said with a chuckle: “This must be the result of the princes and princesses practicing some opportunities within the realm, otherwise, would you still be smiling after being beaten for no reason?”

“How shameless would that be?”

Hearing this explanation, the surrounding ministers, generals, and power leaders all nodded subconsciously.

The Astral Divination House’s words made sense!

“Ha-ha! Congratulations to the princes and princesses for the opportune gains, such a joyous occasion, indeed!”

The Astral Divination House took the lead in congratulating with a smile.

“Congratulations to the princes and princesses for acquiring such fortune!”

“Such joyous news indeed!”

“.....”

Then, a group of ministers, generals, and power leaders, unwilling to miss this chance to curry favor, hurriedly joined in with the congratulations.

The many princes and princesses, having escaped, felt immensely relieved and secretly took a deep breath.

“Phew...”

“Finally escaped from that demon Ning Compares’ clutches.”

“Oh, my handsome face, ouch!”

The princes and princesses clenched their teeth with anger and indignation in their hearts. Now back in the outside world, they refused to believe that Ning Compares would dare to be so arrogant!

“Demon?”

“Ning... Ning Compares? Who is that?”

Upon hearing the words of these princes and princesses, the ministers around them stood in a daze, scratching their heads in confusion.

“Ha-ha-ha!”

“I understand again!”

The Astral Divination House's eyes shone, excited anew: “This Ning Compares must certainly be one of our esteemed ancestors from the past hundred thousand years of the Divine Kingdom!”

“The princes and princesses must have inadvertently awakened the remnant soul of Ancestor Ning Compares, ultimately passing the trial set by the ancestor. Although they were left battered and bruised, they also obtained a rich inheritance from it!”

“Hiss...”

“So that's how it is! I did not realize that our Divine Kingdom had an ancestor like Ning Compares, my apologies.”

“However, doesn't the name of this ancestor feel somewhat awkward?”

The ministers and generals finally understood and then looked excitedly at the princes and princesses.

They were curious about what kind of fortunes they had obtained from within.

“Princes and princesses, may I ask what opportunities have you gained?” The Astral Divination House asked with a smile, eyes brimming with curiosity.

All around, a multitude of curious gazes were cast towards them.

Eager to know what fortunes the princes and princesses had obtained after awakening the remnant soul of Ancestor Ning Compares.

However, these princes and princesses ignored them completely and seemed to be looking for something.

Suddenly, a prince shouted in a loud voice, with wide-open eyes, pointing in one direction!

“I see Ning Compares, he's there!”

What!?

Upon hearing this, the princes and princesses, who looked as if they were ready to kill, all turned their gazes in that direction!

Indeed, they saw a sneaky figure.

Immediately, flames of rage ignited in the eyes of the princes and princesses, and their teeth clenched like hungry wolves pouncing, they charged towards Ning Tian!

“Hey, hey, hey!”

Ning Tian, seeing that the situation was not good, ran while saying, “Do you really have to be this excited? All I did was give you all a face massage, right? I even cleaned up all the trash in the supreme secret realm for you!”

“You won’t thank me, and yet you want to beat me? Really, no good deed goes unpunished these days!”

“Pfft!”

A group of princes and princesses nearly spat out blood in fury!

This kind of facial massage, we could give you ten of those!

And the trash of the supreme secret realm?

Those were clearly opportunities! To call opportunities trash, that’s truly shameless!

Before long, Ning Tian dashed out of the Divine Kingdom’s square, followed by hundreds of princes and princesses in a fervent chase.

The crowd in the Divine Kingdom’s square: “.....”

They were all left dumbfounded.

They still hadn’t figured out what exactly was going on.

Could it be that the youth they referred to as Ning Compares was being chased by the princes and princesses?

“Cough.”

The Astral Divination House scratched his head awkwardly, also somewhat confused.

What exactly was happening here?

At this moment, Crown Prince Qin Haoran slowly approached, and the ministers and generals immediately surrounded him.

“Your Highness, what exactly happened here?” asked the ministers and generals.

Crown Prince Qin Haoran clenched his teeth with a bruised face, his eyes filled with a stern look, and he slowly recounted what had happened in the supreme secret realm over the past two days.

What happened in the supreme secret realm was not only a disgrace for him but a shame for all the princes and princesses!

“What?!”

When the ministers and generals finished listening to Qin Haoran, they were nearly in shock, their jaws ready to drop.

That Ning Compares not only took all of the opportunities in the supreme secret realm but even brutally beat the princes and princesses of the Divine Kingdom!?

This...

At this moment, their hearts were like turbulent waves.

The shock couldn't be more evident!

“Most importantly,” Qin Haoran continued, his eyes flashing with a cold light, “that Ning Compares even deceived the remnant soul of the Supreme Ancestor and obtained the Supreme Primordial Palm!”

Whoa!

This sentence instantly exploded amongst the crowd!

Everyone's eyes widened in shock, filled with amazement!

Damn!

He deceived the remnant soul of the Supreme Ancestor?!

This guy is defiant of the heavens!

And the Supreme Primordial Palm!?

Invincible After Shocking My Empress Wife Chapter 177

Chapter 177: A City-Wide Pursuit, How Shameless You Are!

Wait a minute!

The Supreme Primordial Palm!?

Isn't that the famous signature technique of the Supreme Progenitor? That's a mid-tier heavenly martial arts skill!

At this moment, the ministers and generals, one by one, had their eyes wide open!

Their eyes were filled with intense fanaticism!

"What are you all standing around for!? Why aren't you hurrying to lead people in pursuit!?"

"If you let Ning Shuobi escape, none of you will be able to evade responsibility. Wait for the emperor to emerge from seclusion and he will deal with you!"

Qin Haoran glared at the group of ministers and generals and coldly said.

"...Yes!"

"By command, we will immediately take people and capture Ning Shuobi!"

The ministers and generals, upon hearing the words 'father emperor' from Qin Haoran's mouth, shivered instantly!

The Lord of the Divine Kingdom is currently in the midst of cultivation and seclusion. If they were to disturb him, the consequences would be unthinkable!

Without delay, the group of ministers and generals hurriedly set out with their people to capture Ning Shuobi!

"It's all over, Senior Sister, what should we do? That ugly big baddie is going to be caught."

Not far away, You Qin and Princess Moon Spirit were standing to the side.

Witnessing this scene, the little miss became somewhat anxious.

“This...”

Princess Moon Spirit frowned slightly; she did not know what to do.

Even now, she was somewhat dumbfounded.

How did things develop into this situation?

“Don’t worry, if Daoist Ning Shuobi is caught, I will definitely do my utmost to ensure his safety.” Princess Moon Spirit bit her silver teeth.

“Ah...”

Both women sighed softly.

This had completely become a matter beyond their ability to intervene.

...

...

At this moment, the entire God’s Dominion City was in chaos.

Numerous cultivators of God’s Dominion City witnessed an extremely spectacular scene.

An ugly youth was running for his life, and behind him was a multitude of princes and princesses from the Supreme God’s Country.

Most crucially, these royal figures resembled hungry wolves on the hunt, constantly shouting, “Ning Shuobi, if you dare, don’t run!”

Ning Shuobi!?

Upon hearing this name, the cultivators of God’s Dominion City were stunned.

Handsome?

The one running for his life... handsome?

Could it be that the tastes of the royal descendants are so peculiar?

Just then, more and more soldiers clad in armor joined the pursuit, making the cultivators realize the seriousness of the situation!

What unforgivable act had this person committed?

To be pursued by hundreds of princes and princesses, with soldiers from the royal forbidden grounds closely following!?

This must be the first time in the hundred thousand years since the founding of the Supreme God's Country such a situation had arisen, right?

As countless cultivators in God's Dominion City were puzzled, rumors began to spread.

The pursued Ning Shuobi not only brutally beat up hundreds of princes and princesses in the Supreme Secret Realm, leaving them bruised and swollen like pig heads, but also swept away all the opportunities within the Supreme Secret Realm!

This was just too outrageous!

It was like robbing a tomb, taking all the treasures within, and still feeling unsatisfied, proceeding to beat up the lord of the tomb's corpse!

Shameless!

Absolutely shameless!

And at that moment, from within the royal forbidden grounds, a voice rang out.

"Whoever catches Ning Shuobi will be granted an official title and allowed to pick any martial arts technique from the Earth Tier of the Divine Kingdom's Armory, as well as enjoy the company of a thousand beauties!"

Instantly!

The entire God's Dominion City was in an uproar!

More and more cultivators joined the pursuit!

"Ning Shuobi, don't run!"

Shouts continued to resonate within God's Dominion City.

"These people from the Supreme God's Kingdom must have gone mad!"

Seeing so many people joining the pursuit, Ning Tian's face changed slightly!

Immediately, he operated the Flashing Transformation and Soaring Dragon Steps, slipping away like greased lightning, giving a textbook lesson in escape to those in pursuit!

However, Ning Tian really wanted to swear!

Was God's Dominion City too damn big or what?

He had been running for quite some time now and still had not seen the city gates.

"Ancest... go, Ning Shuobi!"

As he passed by Wind and Rain Inn, he even saw Zhu Yuanbao on the balcony cheering for him.

"This darn fatso!"

Ning Tian cursed inwardly.

"Ning Shuobi, catch this!" Just then, Zhu Yuanbao on the balcony of Wind and Rain Inn shouted loudly, throwing something at him.

Ning Tian finally felt somewhat satisfied.

This fatso still had some conscience, knowing that he definitely needed a lot of energy to run, so he threw some pills for replenishing strength and spiritual power his way.

But when he caught it, he was dumbfounded.

Was it really... an apple!?

"Ning Shuobi, have an apple to replenish your strength!" Zhu Yuanbao's chuckling voice came from the distance as Wind and Rain Inn faded away.

Ning Tian: "..."

Speechless in his heart, but he still ate the apple with just a few bites.

"This Ning Shuobi, he still has the mood to bite into an apple while being pursued!"

Witnessing this scene, the princes, princesses, and cultivators chasing him from behind were furious!

They were furiously chasing him, yet this guy was still eating an apple!

Was he not taking them seriously!?

Damn it!

“Ning Shuobi, you were so arrogant when you beat up this prince, now if you dare, don’t run!”

A pig-headed prince shouted angrily from behind.

“Shut up.”

Ning Tian didn’t even bother to look back, casually tossing the apple core left in his mouth, which hit the pig-headed prince right in the face.

“Ouch!”

“Ning Shuobi, throwing objects is prohibited within God’s Dominion City!”

Then, an angry voice ensued.

“Come on! Chase me, if you catch up, you can hehehe!”

Ning Tian’s cheeky voice drifted from ahead.

“Ah ah ah! This guy! I must kill him!”

“Celestial Heavens! Why is there such a shameless person in this world???”

A group of princes, princesses, armored soldiers, and the cultivators of God’s Dominion all gritted their teeth in anger!

...

...

Half an hour later.

Surrounded on all sides, Ning Tian stood right in the middle, with the crowd closing in on him from both front and back.

“Huff... Ning Shuobi... didn’t we manage to catch up to you?”

A group of princes and princesses were gasping for air, looking at the scoundrel somewhat strenuously.

This guy really could run!

There was no escape.

“System, how much time is left for the Sovereign Experience Card?” Ning Tian thought inwardly.

[The Sovereign Experience Card: The last hour.]

“One hour?”

Ning Tian murmured to himself, looking around. Within this one hour, he’d have to see if he could break out!

“Charge!”

“Go for it!”

“Catch Ning Shuobi! You’ll be promoted and marry beauties!”

In an instant, the surrounding crowd, with eyes gleaming with anticipation, rushed toward Ning Tian like starving wolves!

Invincible After Shocking My Empress Wife Chapter 178

Chapter 178: Ferocious Battle Intent, Shocks Everyone!

“**Hmph!**”

Facing the crowd’s assault, Ning Tian let out a cold snort as his Celestial Sovereign realm aura exploded!

Instantly!

His aura burst forth!

Boom!

Countless attacking cultivators were sent flying backward!

“**Crap!**”

“**A Celestial Sovereign realm!**”

The people around were now hesitant to approach.

“Since you don’t dare to come forward, then let me take the initiative to attack.” Ning Tian’s voice turned colder, followed by a faint flicker of lightning around his body!

That was the Thunder God Path!

【Activate, Palm Technique!】

【Engage, Wind and Thunder God Palm!】

In an instant, the howl of palm winds and the flickering of lightning came forth.

The continuous wind and thunder changed the expressions of many!

“**Holy crap!**”

“This Ning General is like playing with electricity, untouchable!”

Facing Ning Tian’s Wind and Thunder God Palm, they could only choose to dodge.

Those who couldn’t dodge would turn into a charred mass, and those who could would stay far away.

“How dare you, boy!”

Just then, a thunderous voice erupted.

Following that, a terrifying presence enveloped the area.

Everyone looked up to see an elder dressed in a black robe with white hair descending from the sky!

“That’s Liu Yushi from the Divine Kingdom!”

“Haha! He’s a three-star Celestial Sovereign! Surely he can stop this Ning General, right?”

Seeing Liu Yushi, many eyes widened with excitement!

“Liu Yushi, you must capture this Ning General, don’t let him get away!”

Princes and princesses were looking at Liu Yushi excitedly.

“Rest assured, my princes and princesses.”

Liu Yushi waved his hand, his gaze fixed on Ning Tian, “This old man will definitely not let this boy slip away.”

Hearing this, the princes and princesses grinned, looking smugly at Ning Tian, “Ning General, let’s see how you escape now!”

“Boy, give up! You can’t escape from this Divine City!”

Liu Yushi’s face was cold as he looked down at Ning Tian.

“Is that so?”

Ning Tian’s mouth curled up with a smirk, having fought Emperor-level powerhouses, he wasn’t afraid of a mere Celestial Sovereign!

He unleashed a mid-tier Heavenly skill, the Supreme Primeval Palm!

【Activating Martial Skill, Supreme Primeval Palm!】

As the system’s voice rang out, his hand shone with various tunes, and a supreme aura emerged from his palm.

Ferocious spiritual energy surged around Ning Tian.

Then, with a palm strike!

****Boom!****

Countless spiritual energies transformed into primeval forces, becoming more ferocious and intense!

In the vagueness, a giant primeval palm formed!

“This aura, is it... the supreme aura!?”

Liu Yushi’s face changed, astonishment flashing in his eyes as he watched Ning Tian, “This is... the Supreme Primeval Palm!”

“How is this possible? You clearly just obtained this Supreme Primeval Palm two days ago!”

“How could you have cultivated it to this extent in just two days!”

“Hmph!**”**

Facing Liu Yushi’s question, Ning Tian simply smirked, “I apologize, but anything deemed impossible that happens to me means it’s possible!”

“Gasp... **”**

The crowd was astonished!

【You have shocked hundreds of princes and princesses!】

【You have shocked the cultivators of Divine City!】

【You have shocked Liu Yushi!】

【Reward Skill Card: Berserk Battle Intent!】

【Berserk Battle Intent Card: When used, your battle power doubles for one hour! After use, this card becomes void!】

****Boom!****

As Ning Tian's voice fell, a palm strike descended!

The giant Primeval Palm ferociously bombarded the scene!

“Divine Shield!”

Seeing this, Liu Yushi hastily circulated his spirit energy, attempting to block the attack!

However, how immense was the power of a Celestial Sovereign executing a mid-tier Heavenly martial skill?

Moreover, this palm contained Ning Tian's palm technique tunes!

How could he possibly block it?

****Boom!****

****Bang!****

In an instant, the Divine Shield Liu Yushi was operating shattered!

His entire body was sent flying backward!

He directly smashed into the most famous Fireworks Pavilion in Divine City, causing many courtesans to scream and run out.

“With one move, Liu Yushi was defeated?”

The princes and princesses were staggered!

Ning General's strength was excessively strong!

Hmph!

"Such audacity, boy!"

At that moment, a cold snort came through!

Then, breaking through the sky, five figures appeared above!

"Those are the Five Elements of the Divine Kingdom!"

"Rumor has it that they are five-star Celestial Sovereign powerhouses!"

"Now, they surely can capture this Ning General, right?"

Despite their hope, they were not as confident as before.

After all, Ning General had sent Liu Yushi flying with one strike.

"Being able to send Liu Yushi flying means you do have some strength," the five armored figures landed in front of Ning Tian, the leader of them sneered, "However, when faced with us, the Five Elements, you're nothing."

"A case of the many against the few?"

A sense of seriousness flashed in Ning Tian's eyes, followed by a sarcastic laugh.

If that's the case.

Then don't blame me for cheating!

"System, use the Berserk Battle Intent card!"

With a shout in Ning Tian's heart.

【Using the Berserk Battle Intent card!】

【Success!】

Boom!

Suddenly, visible red auras enveloped Ning Tian's body!

His entire being, instantly enveloped in soaring battle intent!

The aura exploded, roaring mightily!

“What’s going on with this kid!?”

The Five Elements were stunned, confusion flashing in their eyes.

This guy’s aura seems to have soared?

But isn’t he still a three-star Celestial Sovereign?

“System, activate all martial skills!”

【Activating Demonic Palm!】

【Activating Tyrannical Flame Fist!】

【Activating Shadow-following Sword Technique!】

【Activating Wind and Thunder God Palm!】

【Activating Supreme Primeval Palm!】

As the system’s voice continued to resonate in Ning Tian’s mind, a plethora of martial skills emerged!

In an instant!

Ning Tian’s surroundings were filled with shimmering lights and spiritual energy circulated, bursts of golden light were dazzling!

So blinding, the crowd could hardly look directly!

“Crap!”

“What is that!?”

“Such dazzling light!”

As the golden light blazed, voices carried over from the surroundings, people squinting their eyes, filled with confusion.

“Five Elements, die!”

Ning Tian roared, unleashing five martial skills simultaneously!

In that instant, the golden light flickered, and spiritual energy tore through the space, sweeping towards every direction!

****Boom!****

“What!?”

Seeing this scene, the Five Elements’ faces went pale, this power was not something a three-star Celestial Sovereign should be able to release!

They didn’t even have time to defend.

Their bodies were blasted away!

Flying towards the inner areas of Divine City.

****Boom!****

In an instant, within a radius of several hundred meters, everyone was sent flying, and nearby buildings collapsed completely!

A group of people struggled up from the ground, looking towards Ning General with deep horror in their hearts.

This was just too strong!

*****Clap! Clap! Clap!*****

Then, the sound of applause rang out, and from the void, Qin Feng stepped forward, and the noise finally disturbed an Emperor-level powerhouse.

“This young friend is quite capable.”

Qin Feng squinted at Ning Tian, seemingly not as angry as expected, “How about you come back to the Imperial Palace Forbidden Area with me, and we have a good talk?”

“.....”

Ning Tian was silent, go back with you? Wouldn’t that spell doom?

Just as he dared to circulate his spiritual energy, ready to fight.

His body suddenly felt weak.

The system’s voice also rang out in his mind.

【Ding! Celestial Sovereign Experience Card, time expired! It is now voided!】

Ning Tian was speechless inside. It could have ended any other time. But why did it have to end just now?

“Come on, young friend.”

Qin Feng stretched out his hand, then spiritual energy formed an invisible giant hand, reaching for Ning Tian.

****Boom!****

Just then, a terrifying might descended.

Suddenly, the invisible giant hand shattered like paper.

“Hm?”

Qin Feng’s face changed, and he looked around warily, “I wonder which Emperor has acted? Could you show yourself, please?”

Invincible After Shocking My Empress Wife Chapter 179

Chapter 179: You Dare to Touch Him? The Unparalleled Son!

Emperor-level Powerhouses?

Upon hearing this, inside the city of Shen Zhou, numerous princes, princesses, cultivators of Shen Zhou, and ministers and generals were all stunned.

It was as if a tempest had arisen in their hearts!

What day was it today?

Not to mention the visit of a godly emperor realm powerhouse, there was now even the presence of an emperor-level powerhouse!?

One by one, they all looked up at the sky, eager to see which emperor-level powerhouse had arrived!

However, how could their eyes penetrate the traces of an emperor-level powerhouse?

The sky was clear for thousands of miles, and a faint imperial aura seemed to pervade the air.

“Giggle.”

Just at that moment, an enchanting and pleasant laugh resonated, followed by a surge of imperial might!

Boom!

Instantly, Ning Tian was encompassed by the pressure, and like everyone else, found himself involuntarily bowing, eyes filled with shock.

The owner of this laughter was definitely an emperor-level powerhouse!

“That woman?”

Just by hearing that familiar laughter, Ning Tian knew without thinking that it must be the Western Queen Mother who had come.

“I didn’t expect her to still be in Shen Zhou City.”

Although the Western Queen Mother had said last time that she would stay in Shen Zhou City for a while, Ning Tian had not expected her to still be there.

Above the sky, a graceful figure emerged from the void.

From afar, her slim figure was visible, dressed in a purple gauze fairy dress, her face covered with a thin veil, hiding her bewitching features.

It was indeed the Western Queen Mother.

“Saintess of Yao Pond!”

The moment they saw the Western Queen Mother, Qin Feng recognized her and his expression changed slightly.

The Saintess of Yao Pond was a genuine emperor-level powerhouse!

Even compared to the sovereign of their Supreme Divine Nation, she was not to be taken lightly!

Saintess of Yao Pond!

That enchantingly beautiful woman turned out to be the Saintess of Yao Pond!

Upon hearing the somewhat solemn words of Qin Feng from the sky above, many within Shen Zhou City began to tremble.

The lady above was a genuine emperor!

The anger of an emperor-level powerhouse could make the whole of Shen Zhou shudder!

And they also speculated, why had the Saintess of Yao Pond suddenly appeared? Could it be for that Ning Shuai (Commander Ning)?

The thoughts of the crowd were fleeting, quickly dismissed.

How could Ning Shuai, who was incredibly unattractive, catch the eye of the Western Queen Mother?

“Greetings to the Saintess of Yao Pond.”

Qin Feng was the first to bow to the Western Queen Mother, then looked at her and slowly asked, “May I know why the Saintess stopped me just now?”

“Are you questioning me?”

The Western Queen Mother looked at him with a smile, her tone light, but her words sharp as a knife.

“No, Qin Feng is just a mere two-star quasi-emperor, how dare I question an emperor-level powerhouse.” Qin Feng, sweating from his forehead, hurriedly shook his head and said.

“I’m just a bit curious.”

“Curiosity sometimes kills the cat.” The Western Queen Mother chuckled, her beautiful eyes casting a faint glance at Ning Tian, then she said to Qin Feng, “I’m helping your Supreme Divine Nation.”

“Helping my Supreme Divine Nation?”

Hearing her words, Qin Feng was stunned.

The people of Shen Zhou City below were also stunned.

Regardless of what they saw, it seemed that the Saintess of Yao Pond had blocked Qin Feng's attack for Ning Shuai, which clearly seemed to help Ning Shuai. How could she say she was helping their Supreme Divine Nation?

"You don't understand."

The Western Queen Mother smiled charmingly, "If you had injured him, and that one got angry, even the Supreme Sovereign of your nation might not be able to protect you."

"Huh?"

Hearing this, Qin Feng was stunned and a look of astonishment flashed across his eyes.

Even the Supreme Sovereign of the nation couldn't protect him?

This...

How could this be possible?

Naturally, he did not believe it in his heart. After all, the sovereign of their nation was also an emperor-level powerhouse!

So, he thought that the Western Queen Mother was trying to scare him.

"Hehe, the Saintess of Yao Pond must be joking." Nevertheless, though roughly understanding in his heart, Qin Feng dared not speak it out loud and only intended to brush it off with laughter.

"Joking?"

"Do I need to joke with you, a mere two-star quasi-emperor?"

The Western Queen Mother snorted softly with a scornful laugh.

"....."

Upon hearing this, Qin Feng was taken aback and bit his lip, but he did not dare to retort.

Although both were within the great realm of the divine emperors, there was a world of difference between a quasi-emperor and an emperor!

Boom!

Just at that moment, from deep within the forbidden area of the Shen Zhou City imperial palace, another pressure belonging to an emperor swept out.

Following that, a voice came from within the palace depths.

“Saintess of Yao Pond, why bother bullying the younger generations?”

“That voice is, the Sovereign of our nation!”

“Our Emperor, has arrived!”

Hearing this voice, the cultivators within Shen Zhou City finally sighed in relief.

Since the Sovereign of the nation had personally arrived, the Saintess of Yao Pond should restrain herself, right?

“Oh? Sovereign of the nation, you’ve come too?” The Western Queen Mother seemed not at all surprised and looked forward with interest at a spot in the void.

The void shattered, and a middle-aged man stepped out.

He wore a dragon robe, with sharp eyebrows and starry eyes, truly bearing the presence of an emperor!

And he was the father of the several hundred princes and princesses, the absolute ruler of the Supreme Divine Nation, the Sovereign!

“Brother Emperor...”

Seeing the Sovereign of the nation, Qin Feng immediately felt reassured and quickly rushed to report the situation to him.

“No need to say more.”

But before he could speak, he was interrupted by the Sovereign, “Haoran has already briefed me on the general situation.”

Immediately afterwards, he turned to the Western Queen Mother and said solemnly, “Saintess of Yao Pond, this matter shouldn’t involve your Yao Pond, should it? Moreover, I have never heard that the Holy Land of Yao Pond ever accepted male disciples.”

“Giggle.”

The Western Queen Mother covered her mouth and laughed softly, “Though he is not a disciple of Yao Pond, I am determined to protect him today.”

“What?”

Hearing this, the people of Shen Zhou City were stunned!

They looked at Ning Tian with confusion, wondering just who this man was?

To have an emperor-level powerhouse dead set on protecting him?

“Sister, this guy seems to be quite extraordinary...” With a cunning glimmer in her eyes, the situation was becoming more interesting to You Qin.

Despite the presence of two emperors, this girl did not show any surprise.

Instead, it was as if she was accustomed to it.

“Friend Ning Shuai...” Princess Yue Ling also looked bewildered, filled with questions.

“Saintess of Yao Pond, are you planning to start a war with my Supreme Divine Nation?” The sovereign’s face became somewhat unsightly.

“Start a war?”

The Western Queen Mother just chuckled softly, “Do you think, with the current state of your Supreme Divine Nation, you can withstand two emperors? Besides, your nation is still waging war against the barbarians outside of Shen Zhou, right?”

“Do you have the energy to wage war now?”

“.....”

At these words, the Sovereign of the nation fell silent. However, what really caught his attention was the Western Queen Mother’s mention of “two emperors.”

“Saintess of Yao Pond, you shouldn’t scare me, your Holy Land of Yao Pond only has one emperor-level powerhouse!” The Sovereign narrowed his eyes, watching the Western Queen Mother.

“I, indeed, have only one emperor in Yao Pond, but...”

Speaking up to this point, the Western Queen Mother looked towards Ning Tian, “But behind him, there is a female emperor, and a super overprotective one at that!”

“Huh?”

“Him?”

Everyone was startled, including the Sovereign, who showed a puzzled expression.

“Giggle, master, it’s time to take off that thing.” The Western Queen Mother laughed.

“Sigh...”

Ning Tian sighed deeply; he had intended to leave Shen Zhou with absolute ugliness, but it seemed the Western Queen Mother would not allow it.

He shook his head slowly and began to remove the Ice Silkworm Face Mask.

Instantly, the unspeakably ugly face disappeared, replaced by a handsome and noble visage.

No man, no matter how handsome, could surpass him.

“Ss!”

Witnessing this scene, everyone gasped in surprise!

It was truly like seeing a peerless young master of the world on the streets, unparalleled under the heavens!

Invincible After Shocking My Empress Wife Chapter 180

Chapter 180: Stunning Handsomeness, A Wager!

The moment Ning Tian removed his Ice Silkworm mask, time around him seemed to freeze!

Everyone stood still, dumbfounded.

At the sight of Ning Tian, they were left in complete shock!

Where was the supreme ugliness they were expecting?

He was the epitome of peerless beauty—a perfect, handsome face that outshone all princes and saints!

His face, with its pronounced features, bore a hint of cold handsomeness, and his deep, dark eyes seemed like they could captivate anyone’s heart!

“Soooo handsome!”

“Although Young Master Zhuge is quite handsome, he really doesn’t compare to him at all!”

“It’s really Ning Shuaibi—it truly is Ning Shuaibi!”

This time when people voiced out the name Ning Shuaibi, they didn’t feel the slightest bit of incongruity. In fact, some even thought that the two words were not enough to describe his handsomeness!

“Holy cow!”

“I get it now! I know who he is!”

At that moment, the astrologer from the Imperial Observatory stared at Ning Tian, trembling as if struck by a realization.

You get it again?

Everyone was stunned, giving the astrologer a speechless look.

This guy always claimed to understand, yet always ended up wrong.

“He, he... he’s the legendary patriarch of the Heavenly Demon Sect!” The astrologer exclaimed with such excitement that he stuttered over his words.

“The Heavenly Demon Sect!?”

“The legendary patriarch!?”

Upon hearing these words, everyone within Shenzhou City was incredibly shocked!

Nowadays, who in the Tianling Realm didn’t know the great name of the legendary patriarch of the Heavenly Demon Sect?

“Unbelievable! He is the legendary patriarch of the Heavenly Demon Sect!”

“Ning Shuaibi is the legendary patriarch, Ning Tian!!!”

At this moment, the cultivators within Shenzhou City were dumbstruck.

Damn it!

What have they done!?

They had actually chased the legendary patriarch of the Heavenly Demon Sect! Not only did he have this identity, but he also had another status that made all the men of Tianling Realm envious!

That is, he was the husband of the Empress!

Behind him stood the entire Heavenly Demon Sect!

Above the sky, Qin Feng swallowed hard, feeling as if he had a narrow escape.

Phew!

Luckily, he hadn't attacked the patriarch; otherwise...

He was extremely thankful to Queen Mother Xi, who had stopped him; the consequences would've been unthinkable!

Just recently, in the Yin Feng mountain range, Jian Ren of One Sword Sect was a quasi-emperor who had injured Ning Tian, and everyone knew the outcome!

How could they afford the time to battle the Heavenly Demon Sect now, especially when they were already busy dealing with the barbarians?

Plus, they had to be wary of Queen Mother Xi lurking around!

"Ah?"

In a certain part of Shenzhou City, upon seeing Ning Tian remove his mask, Gu Qin immediately widened her eyes in astonishment.

"Tea-teacher sis... How can he be so handsome!!!?"

Gu Qin's face flushed with excitement, her voice shaking, and her heart racing.

"Ning Shuai is Ning Tian!"

"Ning Tian is the legendary patriarch of the Heavenly Demon Sect! He's the one who is incredibly handsome, extremely talented, and even escaped from the hands of a God Emperor!"

"Ah, I'm dead."

Gu Qin couldn't stop herself from exclaiming, her face flushed with excitement.

"Senior sister, senior sister, did you see that!?"

“He’s Ning Tian!”

“So handsome, so unbelievably handsome!”

“This would make him the most handsome male cultivator even in my Tianqiong Domain!”

At this moment, Gu Qin felt dizzy and at a loss for words as she fumbled, overwhelmed by the reveal.

After all, the impact of Ning Tian removing his mask was simply too great.

“Senior sister, senior sister, did you see that!?”

Gu Qin repeated dizzily.

Beside her, Princess Yue Ling was also stunned. When she saw Ning Tian’s true face after he removed the mask, she was utterly shocked and covered her mouth in astonishment.

“Ning Shuai is Ning Tian?”

“He’s the legendary patriarch of the Heavenly Demon Sect!”

Thinking back to when she had tried to provoke Ning Tian, claiming that the legendary patriarch of the Heavenly Demon Sect was her husband, Princess Yue Ling wished she could find a hole to bury herself in from embarrassment.

It turned out that Ning Tian had never lied to her.

Everything he said was true, except for his name!

“This guy...”

At this moment, Princess Yue Ling’s gaze towards Ning Tian carried a hint of blame.

“So it was the legendary patriarch who was beating us up!”

For some reason, the princes felt their resentment dissolving.

It seemed quite reasonable.

If they lost to Ning Shuai, they would feel humiliated.

But to lose to the legendary patriarch of the Heavenly Demon Sect meant they were simply outmatched, which somehow felt acceptable.

As for the princesses, their eyes sparkled with warmth and their cheeks were flushed as they looked at Ning Tian.

Handsome.

So very handsome.

Ning Tian touched his nose, seeing everyone so excited, and felt a bit speechless. Was being slightly more handsome worth such excitement?

Everyone, please take a seat.

Isn't this just basic handsomeness?

Excuse me, aren't all of you here just as handsome as I am?

Ahem.

【You've shocked the princes and princesses!】

【You've shocked the cultivators of Shenzhou!】

【You've shocked Princess Yue Ling!】

【You've shocked Gu Qin!】

【Reward: Talents, Teaching and Problem-Solving】

【Teaching and Problem-Solving: Your teaching ability has improved, and you are on your way to becoming the next Imperial Teacher!】

At this time, the Lord of the Divine Kingdom in the sky slightly frowned, not expecting that the one causing such a commotion was the legendary patriarch of the Heavenly Demon Sect!

Though he did not hold a legendary patriarch in high regard, the patriarch's wife was the Empress!

If it came to a head-to-head fight, he wouldn't even dare to confront Luo Wuqing directly.

After all, the empress of the demonic path was extremely powerful with numerous attacking methods.

“Let it be,” the Lord of the Divine Kingdom sighed, knowing that this matter could no longer be pursued. He looked towards Ning Tian: “Since you are the patriarch, consider all opportunities within the supreme secret realm as a gift to the patriarch upon our first meeting. However...”

“The Supreme Primordial Palm left by my supreme ancestor, you must return it to us.”

Upon hearing this, Ning Tian blinked, and Queen Mother Xi landed beside him and whispered: “Patriarch, since you’ve already learned this technique, you should simply return it to them. You’ve already gained plenty of benefits. If you take this as well, this guy might truly go mad.”

Hearing Queen Mother Xi’s words, Ning Tian pondered for a while and finally nodded.

The Supreme Primordial Palm was extremely important to the Supreme Divine Kingdom. If he didn’t return it, the Lord of the Divine Kingdom might indeed tear up all pretenses.

Since he had already learned it, there was no use for the physical copy.

Therefore, he manifested a golden light in his hand and a sheepskin scroll appeared in his palm, which he gently pushed forward.

It flew toward the Lord of the Divine Kingdom.

Seeing this, the Lord of the Divine Kingdom’s face brightened as he accepted the scroll. After checking it with his consciousness, his brows knitted in confusion.

This scroll was merely a book without words.

At this time, Ning Tian’s voice came faintly, “Senior Lord, is there perhaps a book without words in this?”

“Indeed.”

The Lord of the Divine Kingdom’s expression was puzzled as he looked towards Ning Tian: “Did you mess with it?”

“Do you think I have the ability to mess with things left behind by a great emperor?” Ning Tian simply smiled, “How about we make a bet?”

“A bet?”

The Lord of the Divine Kingdom was slightly startled, a look of confusion flashing through his eyes.

“What kind of bet?”

Ning Tian smiled, “If your disciples from the Divine Kingdom can decipher even a fraction of the cultivation method within three days, I will return everything I have acquired from the supreme secret realm.”

“But.”

“If your disciples can’t figure it out within three days, then I’ll teach one of them how to master it.”

“What do you think?”

After speaking, Ning Tian looked at the Lord of the Divine Kingdom nonchalantly, without any of the anxiety or fear one should have when facing a great emperor.

Instead, he was all smiles and ease.

“You teach?” The Lord of the Divine Kingdom was surprised.

“Of course, my teaching won’t be free; naturally, I’ll have to charge a tuition fee.”

“Tuition?”

“What do you want?”

“One hundred billion spirit coins and three thousand crystal origin stones!” Ning Tian spoke slowly.

One hundred billion spirit coins!?

Three thousand crystal origin stones!

Inside Shenzhou City, a crowd of people was agape.

“This won’t do, one hundred billion absolutely will not do.” The Lord of the Divine Kingdom shook his head, “We are currently at war with the barbarians, the national treasury can’t be used carelessly.”

Hearing this, Ning Tian pondered for a moment before slowly saying: “Then how about fifty billion spirit coins and five thousand crystal origin stones?”

“...”

The Lord of the Divine Kingdom was silent for a while.

After a long time, he looked towards Ning Tian: “You are very bold, truly worthy of being the recently risen legendary patriarch of the Heavenly Demon Sect.”

“I accept this wager!”
