Invincible After Shocking My Empress Wife Chapter 211

Chapter 211: Meeting and Beating Up the Great Emperor!

Boom!

Golden light fell.

In this moment, even the void was shattered into oblivion!

Two eight-tribulation great emperors didn't even have time to scream before their bodies melted away under the barrage of explosive skills.

Apart from deep unwillingness in their hearts, there was also anger.

Damn it.

They had never seen anyone who, upon just beginning the battle, would use their ultimate move right upon meeting!

What's more outrageous is that several ultimates were released in one go!

Under normal circumstances, shouldn't one first probe and whittle down the opponent before using an ultimate move to deal damage?

However, even with the unwillingness in their hearts.

These two eight-tribulation great emperors were powerless; their bodies had already dissolved into nothingness, their souls shattered!

Two eight-tribulation great emperors, hence perished!

"Hiss...!"

From afar, numerous divine emperors who had already kept their distance.

Seeing the fall of the two great emperors, they had difficulty swallowing their saliva, and their hearts were filled with fear, a fear that came from the depths of their souls!

The life force of a great emperor is extremely robust, they could live for at least tens of thousands of years!

Emperor battles are also rare to erupt.

Hence, the death of great emperor-level powerhouses is truly a very rare event!

But at this moment, they truly witnessed the fall of two eight-tribulation great emperors!

“Ning Marshal even killed two eight-tribulation great emperors?” The Lord of the Divine Kingdom trembled, unconsciously stepping back a few steps.

His gaze towards Ning Tian was filled with increasing fear.

That day in the Supreme Divine Kingdom, he had thought that he let Ning Tian go on the account of the two great emperors, Luo Wuqing and the Queen Mother of the West.

But now looking back, it was laughably ludicrous!

The Ancestor himself was a nine-tribulation great emperor; did he even need to consider the face of the Empress or the Jade Pool Saintess?!

The Lord of the Divine Kingdom now somewhat rejoiced. Fortunately, he had not offended the Ancestor, or else, just with the Ancestor’s power to easily kill two eight-tribulation great emperors without pressure.

Destroying him would be only a matter of flipping his hand!

“This day in the Spirit Domain, is bound to change eventually.” The Exalted Holy Master trembled, his voice somewhat shaky.

He was now a bit hesitant about whether to seal off his sect’s gate and retire from the world.

Otherwise, offending the Sky Demon Sect would be tantamount to offending two nine-tribulation great emperors.

“Number two, number three!”

At this moment, a thunderous shout rose.

That nine-tribulation great emperor who had been sent flying tens of thousands of miles by Ning Tian had finally returned.

Just in time to see the two eight-tribulation great emperors dissolve into nothingness.

At this moment, the nine-tribulation great emperor’s eyes instantly filled with blood-red rage, staring at Ning Tian, “How dare you kill my second and third brothers? Unforgivable, this emperor wants your life!”

“You’ve injured my wife, death is already a kind release for them.”

Ning Tian’s tone was slightly cold, filled with killing intent.

At this moment, he transformed into a mad protector of his wife.

“And you!”

“Those who harm my wife, die!”

As the sound fell, Ning Tian’s eyes flashed dangerously, and his Chi Xiao Sword burst into fierce flames!

The scorching flames soared into the sky!

【Sword Art Activation!】

【Using, ‘Sword Technique: Shadow Following!’】

Ning Tian brandished the Chi Xiao Sword, which shone brightly. Employing the “Shadowing” step of his flickering and nimble sword style, he transformed into an invisible assassin, with five illusions appearing in front of the nine-tribulation great emperor.

“Ridiculous!”

“You want to deceive this emperor with a few illusions?”

The nine-tribulation great emperor sneered in disdain.

He regarded the five illusions, believing that the real Ning Tian was hiding among them!

Intending to attack by surprise while his guard was down!

His gaze shifted, trying to root out Ning Tian.

Suddenly, an illusion flickered.

“Your tricks are good, but they’ve all been seen through by this emperor!”

The nine-tribulation great emperor’s mouth curled into a sinister smile, and he let out a loud shout!

“Ghost Extinguishing Mountain River Claw!”

The nine-tribulation great emperor charged towards the “Ning Tian” that showed a flaw, surrounded by a gloomy ghostly aura, his palms coated with black qi turning into claws!

Moving in a way that seemed to tear the air apart!

“You, die for this emperor!”

Clang!

Ning Tian reacted incredibly quickly, raising the Chi Xiao Sword right before the sharp ghost claw could strike, blocking fiercely!

The sword collided with the ghost claw, sparks flying accompanied by lightning!

“As expected, I saw through you!” The nine-tribulation great emperor’s eyes were filled with scorn, smirking coldly.

“Saw through?”

“You overestimate yourself.”

Ning Tian’s expression was indifferent, his eyes flashing with coldness as he lightly said, “If I hadn’t intentionally revealed a flaw, how could you possibly have attacked on your own initiative and therefore stepped into my attack range?”

“Hm?”

“Attack range?”

The nine-tribulation great emperor frowned.

Suddenly, with a ‘clang,’ it was as if a sword was being unsheathed.

He immediately felt numerous piercing sword intents around him, targeting him!

“This... how is this possible!?”

The nine-tribulation great emperor looked to his side in a panic, only to see that the illusions not only hadn’t vanished but were instead channelling a vast sword intent!

And at this moment, he was right in the middle of this sword formation!

“Sword Technique, Shadow Following.”

At that moment, an indifferent voice sounded.

Following that, the several illusions, as if combining man and sword into one, lashed out with fierce sword light towards the nine-tribulation great emperor!

“Not good!”

The nine-tribulation great emperor’s complexion changed slightly, but he was not foolish. He immediately moved to leap into the air, trying to avoid the damage of these sword intents.

“Get back down there!”

Regrettably, Ning Tian was already prepared, just waiting for him to leap up.

“The Supreme Primordial Palm!”

Boom!

A giant palm descended from the sky!

It slammed down on the head of the nine-tribulation great emperor!

Once again, the nine-tribulation great emperor fell clumsily back to his original spot, his head buzzing.

This kid, he slapped him again!

Ching!

At this time, the sword intent attacked!

“Hmph!”

“It’s just sword intent, isn’t it?”

“Do you really think this emperor lacks it?”

The nine-tribulation great emperor, realizing he couldn’t avoid it any longer, could only choose to forcefully receive this move!

A cold sword in his hand sparkled into existence.

“This is the best sword in the entire sect, and I don’t believe I can’t handle you!”

In an instant.

The nine-tribulation great emperor's sword gleamed coldly, the sword light swirling, with imposing momentum!

Then, he slashed with his sword!

Boom!

Crack!

With one slash, there was a sound of breaking; the sect's so-called "best sword" was snapped in half in the blink of an eye!

"What!"

The nine-tribulation great emperor turned pale.

Damn blacksmith, claiming it to be the best sword in the sect, but it turned out to be such a rip-off!

Although this sword was good, it was only a fairy weapon.

Don't forget, the Chi Xiao Sword possessed imperial qualities; the stronger Ning Tian became, the stronger the sword grew!

Swish, swish!

Suddenly, sword shadows flickered.

The nine-tribulation great emperor was covered in sword wounds, his blood flowing unceasingly.

"You have successfully angered me!"

The nine-tribulation great emperor was in a sorry state, his eyes gloomily observing Ning Tian.

However.

Ning Tian couldn't care less about him, his eyes flashing with a touch of coldness, and he thought to himself.

【Melody Path, Activate!】

【Fist Path, Initiate!】

【Palm Path, Engage!】

【Wind Thunder Path, Utilize!】

【Sword Path, Use again!】

As the voice in his heart fell, among the four remaining illusions, three disbanded their swords. Subsequently, their hands manifested the essence of the Fist Path, Palm Path, and Wind Thunder Path.

At this moment, in front of Ning Tian, the Exalted Ancient Zither emerged!

Strumming the strings, the Melody Path condensed!

Seeing this scene, the nine-tribulation great emperor's complexion changed again, and he exclaimed in disbelief: "You... you've actually mastered five paths?!"
