Invincible After Shocking My Empress Wife Chapter 61

Chapter 61: The Emperor's Phantom, Thunder of the Heavenly Gods!

Boom!

At this moment, the sky and earth seemed to rumble with the sound of thunder!

Dark clouds obscured the sun.

Bang!

Suddenly, a golden bolt of lightning struck heavily behind Ning Tian, and a figure that was a hundred meters tall, shimmering with the lightning of tribulation, suddenly stood erect!

Its body was shimmering with golden light and lightning, and waves of imperial might swept in!

"The Emperor's Phantom!"

"Has it appeared again?!"

Watching the Emperor's Phantom that was close at hand, Luo Wuqing furrowed her brow, and a touch of astonishment flashed in her beautiful eyes.

Ning Tian had summoned the Emperor's Phantom again.

Could it be that behind him there were many emperors?

However, if there were really emperors, with her strength she should have been able to detect them.

Luo Wuqing turned to look at Ning Tian beside her. His pupils were shimmering with golden light, and although his well-defined face was covered in blood, she could still see Ning Tian's resolve.

A glimmer of light flashed in her beautiful eyes.

While she felt sorry for Ning Tian, she also found him becoming more and more mysterious.

High above, the Western Queen Mother, feeling the celestial phenomenon, was stunned for a moment before abruptly turning back to see the Emperor's Phantom rising behind Ning Tian, and she was momentarily startled.

"What is this?"

She removed the bamboo flute from beside her red lips, squinted her beautiful eyes, and looked over.

In an instant, her pupils contracted sharply.

"The Emperor's Phantom!?"

The Western Queen Mother was shocked. Luo Wuqing was right there, so the Emperor's Phantom could not possibly be hers.

Then.

Whose Emperor's Phantom was it?

Could it be that not only Luo Wuqing was an emperor beside Ning Tian?

"This guy is getting more and more mysterious."

The Western Queen Mother looked at Ning Tian, licked her red lips, and her eyes were filled with a desire to explore.

"The Emperor's Phantom."

"This kid has come again."

Seeing the hundred-meter-tall Emperor's Phantom, the Shadow Demon Elder and the Sky Vault Holy Master trembled violently, their eyes filled with despair.

In the face of the Emperor's Phantom, they couldn't muster the slightest will to fight.

Although they were Divine Emperor realm experts, even a one-star gap between Divine Emperor realms was huge!

Not to mention, they were just Divine Emperors, and behind Ning Tian were phantoms of emperors!

"I said. You must die!"

Ning Tian's voice was somewhat hoarse, blood still streaming down, and he looked at Luo Wuqing with deep concern.

His gaze, firmly on the Shadow Demon Elder and the Sky Vault Holy Master, his eyes flashing with golden light, and the Emperor's Phantom, following Ning Tian's movements, looked towards the two people as well.

In that moment, the Shadow Demon Elder and the Sky Vault Holy Master trembled violently, sweating profusely.

They only felt that before them was not Ning Tian, but an emperor, a majestic and divine emperor!

"How is this possible? Isn't he at the Spirit Communication realm?"

The Shadow Demon Elder swallowed with difficulty, his body trembling due to fear.

He couldn't understand why a mere Spirit Communication realm youngster could summon the Emperor's Phantom in the blink of an eye?

Bizarre.

It was simply too bizarre!

Thunderclap!

Suddenly, the sky darkened with clouds, and lightning struck!

Only to see Ning Tian looking indifferently at the two men, his eyes full of murderous intent, and with a sudden lift of his hand, thunder and lightning roared!

"Wind and Thunder Tribulation!"

Ning Tian uttered a low shout, and with the fall of his raised hand, wind and thunder surged!

At this moment, what the system provided him was the phantom of a Heavenly God Emperor!

It was the phantom of an emperor with a Heavenly God physique, and by the time of reaching the emperor realm, a Heavenly God physique could control the external wind and thunder!

Boom!

Wind and thunder crashed down.

"Quick, dodge!"

The Shadow Demon Elder roared, and his body exploded into a mist of blood, dodging the wind and thunder falling from the sky!

“Thinking of escaping?”

“Hmph!”

“Ridiculously laughable!”

Ning Tian clenched his teeth, his breath shook violently, and the imperial aura swept around in an instant!

Boom!

The imperial pressure instantly enveloped the two!

The blood mist that the Shadow Demon Elder had transformed back into was directly forced back into its original form!

The two's faces changed drastically, their eyes filled with despair, their bodies already immobile!

And the wind and thunder from the sky became a circling dragon, towering above the firmament, plunging down!

Thunderous roar!

Chapter 62: Severely Injured, The Light of Life!

Boom!

At this moment, a thunderous boom resonated between heaven and earth.

Luo Wuqing and the Western Queen Mother looked on, only to see the golden glow emanating from behind Ning Tian beginning to gradually dissipate.

The etheric shadow of the Heavenly Emperor, which could be used for five minutes, was about to expire.

Ning Tian's body was clearly swaying, on the verge of collapsing. Biting his teeth, he forced himself to remain conscious.

The loss of blood, combined with bones near fracture, almost caused him to faint several times, but he persisted.

Biting his teeth.

Taking steps.

Following behind him, the gradually shattering shadow of the Emperor also mimicked his movements.

“Ning Tian.”

Seeing this, Luo Wuqing did not understand what he was planning to do, yet her heart was filled with compassion.

This guy is truly...

The Western Queen Mother remained silent, but Ning Tian's resolution moved her deeply.

She had seen too many proud and talented figures, but Ning Tian was the only one to stir her emotions.

At this moment, both emperors fixed their gaze upon Ning Tian, observing his every move.

Ning Tian walked up to the corpse of the Spirit Feather Sparrow. The Emperor's etheric shadow bent down to pick it up, and his gaze shifted to a distant mountain.

He raised his hand slightly, slicing the mountain in half as if it were made of nothing!

Boom!

The entire mountain range trembled.

When the mountain split open, Ning Tian controlled the Emperor's etheric shadow to use the last remnants of its power to bury the Spirit Feather Sparrow within, then closed the mountain again!

Crack!

The sound of shattering resounded, and the Emperor's etheric shadow behind Ning Tian turned into specks of golden light and disappeared.

Using the mountain as a tomb, this was the final resting place Ning Tian had envisioned for the Spirit Feather Sparrow.

Witnessing this, Luo Wuqing let out a deep sigh. The Spirit Feather Sparrow had died saving Ning Tian, a favor Ning Tian would engrave in his heart.

This also proved that she, Luo Wuqing, had not chosen the wrong person!

A person of affection and gratitude, who remembers kindnesses in their heart, often travels far on the path of cultivation!

With the disappearance of the Emperor's etheric shadow, the suppressed excruciating pain and weakness within Ning Tian surged forth, and he could no longer maintain his stance and collapsed.

"Damn."

"Fainted again."

Ning Tian's mouth twisted bitterly, these were his last thoughts before losing consciousness.

But just as he was about to hit the ground, a whiff of fragrant breeze came, and he fell into a soft embrace.

"Ning Tian?"

Luo Wuqing held onto Ning Tian, her beautiful eyes flashing with anxiety.

"Place him on that rock over there." The Western Queen Mother approached at that moment and, after a solemn glance at Ning Tian, directed Luo Wuqing.

Hearing this, Luo Wuqing was momentarily startled but then nodded.

"Don't worry."

The Western Queen Mother put away her bamboo flute and switched to a green jade flute, "I might not be as strong as you in battle, but I am confident in my medical skills."

"Mm."

Luo Wuqing nodded, silent, as she carefully positioned Ning Tian on the flat surface of the stone.

Her beautiful eyes never left Ning Tian.

That look of concern was suddenly tender.

Unfortunately, this tenderness was something Ning Tian could only enjoy while he was unconscious.

Seeing her look, the Western Queen Mother couldn't help but sigh; it seemed Ning Tian had genuinely made his way into Luo Wuqing's heart.

Then, she let out a faint sigh and looked at the jade flute in her hand.

She had many flutes, but each one represented a different musical path, and thus a different effect.

Previously, she used a purple flute with a melody that trapped and ensnared!

And now, it was the green jade flute, the melody of which brings forth life!

The Western Queen Mother approached Ning Tian, and by then, Luo Wuqing was cleaning the blood off his face with a handkerchief.

"I am preparing to begin."

The Western Queen Mother announced.

Luo Wuqing nodded and stood up, stepping back.

Yet her gaze remained firmly on Ning Tian.

"Whoosh."

The Western Queen Mother took a deep breath, then placed the green jade flute to her lips, and a melodious sound began to emerge.

Accompanied by the melody, Ning Tian's body shimmered with streaks of green light.

That was the light of life, stemming from the music of life.

Wave after wave of dazzling green light fell upon Ning Tian, beginning to heal his wounds.

Watching this intently, Luo Wuqing's palms were subtly covered in sweat.

She knew full well how severe Ning Tian's injuries were.

Luo Wuqing felt a trace of guilt in her heart.

She had already hidden another array within the array controlling the Tianming Mirror for Ning Tian—an array for spatial transference!

As soon as Ning Tian's life was in danger, she would sense it immediately!

Still, despite this precaution.

Ning Tian had been gravely injured.

The flute music was mournful, the nourishing light of life continued to pour into Ning Tian's body.

After a long time.

The music stopped, and the Western Queen Mother set down the green jade flute, her eyebrows furrowed, a serious glint in her eyes.

"How is he?"

In Luo Wuqing's voice there was a hint of urgency as she anxiously looked at the Western Queen Mother.

"The external injuries are nearly healed, but the internal ones..."

The Western Queen Mother shook her head and sighed, "My music of life cannot fully integrate into his body."

Hearing this, Luo Wuqing fell silent, clutching her fist tightly, her eyes still on Ning Tian.

She had already made up her mind.

As long as it would heal Ning Tian, even if it meant traversing the Three Realms and enduring the trials of the Nine Spirit Realms, what was that to her?

"However, I do know of a way that might save him."

At this moment, the Western Queen Mother, who had put away her jade flute, suddenly spoke again.

"What is it?"

Luo Wuqing's gaze locked onto the Western Queen Mother.

"Use the Yaochi Immortal Elixir I originally promised to give you. Although it still needs two more months to mature, using it now can still be effective, just that there will be—"

Before the Western Queen Mother could finish, she was interrupted by Luo Wuqing's cool voice.

“Use it on him.”

“Hm?”

The Western Queen Mother paused, her eyes narrowing slightly, “Wait two more months, and the Yaochi Immortal Elixir will be matured. Consuming it, you may have the chance to breakthrough to the Divine Realm!”

“I said, use it on him.”

Luo Wuqing’s expression was indifferent, and she slowly approached the rock and picked up Ning Tian.

The consumption of the Yaochi Immortal Elixir merely offered a slim chance of breaking through to the Divine Realm; it was a gamble.

Naturally, Luo Wuqing would not risk Ning Tian’s life for it.

So, she did not hesitate.

“Alright then.”

Hearing this, the Western Queen Mother understood and nodded, “Come with me to Yaochi then.”

The two of them left with Ning Tian.

Here, two Divine Emperor realm powerhouses had fallen, yet nobody was aware.

Yaochi Holy Land.

Ning Tian was once again brought to the Yaochi Holy Land, but this time he was brought in unconscious, without alerting anyone.

Yaochi Palace.

The Western Queen Mother, together with Luo Wuqing, arranged for Ning Tian to be placed in a wooden house.

Inside the house, there was a large wooden bathtub filled with hot water.

“Knock, knock.”

A knock came from outside the door.

“Come in.”

The Western Queen Mother invited, and the door opened.

The Yaochi Saintess walked in.

Chapter 63: Return to Yaochi, The Immortal Pill from Yaochi!

“Sovereign, I have arrived.”

The Holy Maiden of Yaochi entered the room and after announcing her presence, she immediately saw Ning Tian lying on the bed, covered in bloodstains.

Her face changed drastically, and she exclaimed in a moment of shock, “Ancestor Master, what... what happened?”

“He’s injured.”

In the room, the cold and pleasant voice of Luo Wuqing sounded.

At this time, the Holy Maiden of Yaochi finally realized that there was another person in the room.

With an instinctive look, her face changed slightly as she greeted, “Yaoxi pays her respects to the Empress.”

The Holy Maiden of Yaochi did not expect that even the Empress of the Demon Sect had personally come.

What exactly had happened?

Her puzzled eyes turned towards the Queen Mother of the West.

The Queen Mother of the West shook her head and sighed, “He was pursued by the Shadow Demon and the Holy Sovereign of the Firmament, severely wounded.”

She didn’t disclose Ning Tian’s summoning of the Emperor’s phantom, only briefly mentioned the pursuit.

The Shadow Demon? And the Holy Sovereign of the Firmament!?

A sudden shock ran through the Holy Maiden of Yaochi’s heart. These were two genuine God-Emperor realm powerhouses!

The Ancestor Master was merely severely injured after being pursued by two God-Emperor realm powerhouses?

“Sss!”

The Holy Maiden of Yaochi gasped.

Looking at Ning Tian on the bed, she felt incredulous.

To escape from the hands of two God-Emperor realm powerhouses with the strength of the Spirit Communication realm —such a feat was unprecedented in the entire world of Tianxuan!

“Alright Yaoxi, this matter must not be spread.”

The Queen Mother of the West glanced at the Holy Maiden of Yaochi.

“Yaoxi understands.”

“Mm, go to Yaochi and pluck the Immortal Pill from Yaochi, and bring it here,” continued the Queen Mother of the West.

“Mm.”

The Holy Maiden of Yaochi nodded, left the room, and headed towards Yaochi.

After the departure of the Holy Maiden of Yaochi, the room became quiet once again.

Luo Wuqing’s gaze stayed on Ning Tian, and suddenly, she spoke up, “It seems there is something beneath your Yaochi sacred land?”

Hearing this, the Queen Mother of the West’s body shook, her lips curving into a bitter smile, “It seems you have discovered it after all.”

Truly, an Emperor of such magnitude was terrifying indeed.

Even with myriad enchantments and seals, she was still perceived by Luo Wuqing.

“That is a true demon. Your Yaochi sacred land does not have the power to contain him,” Luo Wuqing stated indifferently while wiping the bloodstains off Ning Tian.

“What else can I do?”

The Queen Mother of the West’s lips curled bitterly as she shook her head helplessly, “Yaochi sacred land has sealed him for hundreds of years. Giving up now would be the destruction of my Yaochi; I have no choice but to continue alone.”

“ ... ”

Hearing this, Luo Wuqing fell silent.

“Let’s leave this matter be. I hope you will not spread news of this situation.”

The Queen Mother of the West looked nervously at Luo Wuqing, and only relaxed after the latter nodded.

Immediately, she brought out a towel and placed it beside Luo Wuqing.

“Hm?”

Luo Wuqing lifted her head, revealing a hint of confusion in her eyes.

“Strip him and clean the bloodstains off.”

The Queen Mother of the West teased with a laugh, “Don’t tell me you’re embarrassed?”

“If you are really embarrassed, I believe my disciples from Yaochi could help you with this task.”

“ ... ”

Luo Wuqing was startled and bit her lip, pushing the Queen Mother of the West out of the room, “Such a trivial matter doesn’t require assistance from Yaochi.”

“Then be quick, the Immortal Pill from Yaochi will soon arrive.”

The Queen Mother of the West smiled as she closed the door.

In the room, looking at the unconscious Ning Tian, Luo Wuqing bit her red lips, her heart pounding unexpectedly fast.

“Forget it.”

She sighed.

“After all, I’ve helped this guy undress once before.”

Immediately, Luo Wuqing put the towel aside, carefully lifted Ning Tian’s body, began undressing him to clean the bloodstains off his body.

“How come this guy seems to have gotten better built?”

Observing Ning Tian's robust physique, Luo Wuqing's face blushed slightly, a hint of confusion flashed through her eyes.

This change was all due to the improvement of his physique after swimming in the Immortal Spring.

Soon, Luo Wuqing spotted the wounds on Ning Tian's body; his chest was caved in, there wasn't a single bone in his body that was intact, almost all were fractured, barely holding together.

"Ning Tian."

Luo Wuqing murmured, her hand brushing over Ning Tian's face, her eyes filled with affection.

Then, she took a deep breath, grabbed the towel, and walked towards the water bucket. She wet the towel with warm water and started to wipe off the blood from Ning Tian's body.

Because Ning Tian was almost drenched in blood, Luo Wuqing had to clean his entire body.

During the cleaning process, Luo Wuqing specifically looked at a certain part of Ning Tian and found no reaction, which left her somewhat disappointed.

If only this guy were faking unconsciousness...

After a while, Luo Wuqing attentively finished wiping Ning Tian's body clean, leaving no trace of blood behind.

Her tender demeanour, if known by the Demon Sect, or by the many powers of the Heavenly Spirit Domain, would surely be shocking!

An Empress, ruthless and merciless in her decisions, also had such an unknown tender side.

However, this touch of tenderness was reserved for Ning Tian alone.

Knock Knock.

At this moment, someone knocked on the door from outside.

Just then, Luo Wuqing had finished covering Ning Tian with a blanket.

"Come in," she said looking towards the door.

“Mm.”

Following the response, the Queen Mother of the West and the Holy Maiden of Yaochi slowly entered the room.

Seeing that the bucket of hot water had turned halfway into blood-stained water, the Queen Mother of the West grinned and said, “It looks like you’ve cleaned him up quite well.”

“Hmph.”

Luo Wuqing snorted coldly and turned to the Queen Mother of the West, “Where is the Immortal Pill from Yaochi?”

At this point, seeing Ning Tian’s grave injuries, Luo Wuqing did not want to delay any further.

“Yaoxi, give the Immortal Pill from Yaochi to the Empress,” the Queen Mother of the West told the Holy Maiden of Yaochi.

The Holy Maiden of Yaochi took a jade bottle from her arms, within which ethereal mists swirled around the round and lustrous Immortal Pill.

“Empress, here you go.”

The Holy Maiden of Yaochi handed over the jade bottle.

“Mm.”

Luo Wuqing immediately took it, and before opening the jade bottle, she asked, “Queen Mother of the West, are you sure that taking the Immortal Pill from Yaochi can cure Ning Tian’s injuries?”

“Don’t worry, it definitely can,” the Queen Mother of the West assured with a nod.

Only then did Luo Wuqing feel relieved, opening the jade bottle. Instantly, the fragrance of the pill permeated the entire room!

“It really is the Immortal Pill from Yaochi!”

After validating its authenticity and smelling the rich fragrance of the pill, Luo Wuqing was full of hope, believing that Ning Tian would recover upon taking it.

Without hesitation, she moved Ning Tian’s mouth open and inserted the Immortal Pill from Yaochi.

Once she saw Ning Tian swallow the Immortal Pill from Yaochi, Luo Wuqing finally breathed a sigh of relief.

Watching this scene, the corner of the Queen Mother of the West's mouth curled up slightly, and a cunning glint passed through her eyes.

Invincible After Shocking My Empress Wife Chapter 64

Chapter 64: Aftereffects of the Immortal Elixir, Detoxifying for Him!

As the Yaochi Immortal Elixir entered Ning Tian's body, following several minutes without any reaction during the medicinal absorption phase.

The Yaochi Immortal Elixir started to exhibit its medicinal effects.

Suddenly, within Ning Tian's body, blinding lights of life flickered.

His chest, which had been caved in, began to regenerate at this moment, and a series of crisp sounds came from within his body.

Under the influence of the Yaochi Immortal Elixir, even his fractured bones began to heal themselves.

Seeing this scene, the three ladies in the room breathed a sigh of relief.

Judging by this situation, the Yaochi Immortal Elixir had a significant effect on Ning Tian's injuries!

Sigh

Luo Wuqing breathed a sigh of relief, feeling an immense weight lifted off her chest.

"However, it's quite miraculous," Xi Wangmu said with narrowed eyes as she watched Ning Tian. "This guy has sustained such serious injuries, and yet his spirit sea and spirit meridians are still intact."

"Otherwise, it would be very difficult for the Yaochi Immortal Elixir to repair these two."

"After all, the spirit sea and spirit meridians are cultivated by oneself, they are not physical structures."

Luo Wuqing nodded, looking at Ning Tian, perhaps this was a stroke of luck amidst misfortune.

However, what the two ladies didn't know was that there is no such thing as sheer luck in this world.

If it wasn't for Ning Tian having taken the Marvelous Rejuvenation Pill, his spirit sea and spirit meridians would have been destroyed long ago.

In the room, as time passed, Ning Tian's injuries had almost completely healed.

His breath gradually became stable, and even his spiritual energy could vaguely begin to be absorbed again.

Seeing that the Yaochi Immortal Elixir was so effective on Ning Tian, even Xi Wangmu was somewhat surprised.

"In just under an hour, he has recovered to this extent. His constitution is simply indescribable."

Xi Wangmu narrowed her beautiful eyes and slowly said, "Luo Wuqing, this husband of yours has an extremely strong body!"

Just at this moment, the green light of life that was operating in Ning Tian's body suddenly turned into bursts of intense red heat.

"What is this...?"

Luo Wuqing's brow furrowed slightly.

"Oh? As expected, it has come."

Xi Wangmu's lips slightly curved, and a glint flashed in her eyes.

It seemed as if she had already anticipated this.

Suddenly, Ning Tian's body became scorching hot at this moment, his entire body reddened, burning.

"This..."

Seeing this scene, Luo Wuqing was stunned for a moment and then quickly realized what was happening.

As an empress, how could she not realize that Ning Tian was affected by a poison of desire!

"Xi Wangmu, what is happening?" she asked, biting her silver teeth and looking at Xi Wangmu.

“It’s very normal.”

Xi Wangmu spread her hands, looking innocent, “Didn’t I tell you? The Yaochi Immortal Elixir could save him, that’s inevitable, but you didn’t listen to me until the end. This Yaochi Immortal Elixir was not yet mature, of course, it would have side effects.”

“As for the side effects, well, you can see for yourself, it’s just like this.”

Xi Wangmu said with a smiling face, “No worries, it’s just the poison of desire, easy to solve.”

“...”

Luo Wuqing fell silent, biting her silver teeth.

“You, as his wife, are just the right person to help him.”

Speaking of this, and seeing Luo Wuqing’s face slightly flushed, Xi Wangmu teased, “What? Don’t tell me you haven’t done ‘that’ despite being married for so long?”

“It’s okay, it’s okay.”

“If you don’t want to do it, I have plenty of candidates at Yaochi for detoxification, even the Holy Maiden of Yaochi is not out of the question.”

Xi Wangmu smiled with her eyes squinted.

Hearing Xi Wangmu’s words, the Holy Maiden of Yaochi blushed with her ears.

Seeing her master’s behavior, she naturally knew what had happened.

Displeased by Xi Wangmu’s words, Luo Wuqing snorted coldly, “This matter is not your concern!”

“Get out at once!”

Xi Wangmu smiled and then left with the Holy Maiden of Yaochi. As she closed the door, she teasingly winked at Luo Wuqing.

“Luo Wuqing, enjoy playing with the grandmaster, giggle...”

Invincible After Shocking My Empress Wife Chapter 65

Chapter 65: Precious Immortal Pill, Breakthrough to Earth King Realm!

Time passed, the duration indeterminate.

Suddenly, Ning Tian abruptly opened his eyes and sat up from the bed in an instant.

“Me...”

He looked around, the place somewhat familiar.

“Is this the Yao Pond Holy Land?”

“How did I return here again?”

“Sss!”

Suddenly, a pain shot through his head, with fragments of memories flashing in his mind.

“So, it was my wife and the Queen Mother of the West who saved me.”

Ning Tian chuckled bitterly to himself, thinking of Luo Wuqing and her exquisite face, which somehow overlapped with the woman in his dreams.

“This is...”

The System’s voice rang out.

“Host, this is the remnant power of the Yao Pond Immortal Pill, which you can now absorb.”

“Yao Pond Immortal Pill? It was actually given to me?”

A flash of astonishment passed through Ning Tian’s eyes.

He had some understanding of the importance of the Yao Pond Immortal Pill. Otherwise, Luo Wuqing wouldn’t have agreed to Yao Pond’s request for a loan because of the pill.

And now, he had consumed the Yao Pond Immortal Pill.

This was definitely to save him by Luo Wuqing.

“Wife,” Ning Tian’s eyes flashed with warmth before he steeled his mind.

Since Luo Wuqing allowed him to consume the Yao Pond Immortal Pill, he couldn’t let it go to waste.

Bearing the soreness in his body, Ning Tian sat cross-legged and began to operate the Heavenly God Record.

Once the Heavenly God Record was activated, his body was immediately filled with familiar spiritual energy.

One hundred and ninety-nine Thunder Tribulation Spirit Veins and twenty Dao of Music Spirit Veins began to circulate.

At that moment,

Ning Tian truly saw the enormity of the medicinal power of the Yao Pond Immortal Pill!

The residual potency of the Yao Pond Immortal Pill within his body was much more powerful than the entire spiritual energy of his Spirit Sea!

“With this medicinal power, perhaps I can break through a major realm!”

Excitement shone in Ning Tian’s eyes.

The power of this Yao Pond Immortal Pill far exceeded his imagination!

After all, if a Divine Emperor realm powerhouse consumed the Yao Pond Immortal Pill, there was a very small chance to breakthrough to the Divine realm!

Although with Ning Tian’s strength, he certainly couldn’t absorb all of the medicinal power, even so, it could still allow him to break through realms!

Taking out the Soul Origin Pearl, Ning Tian began to absorb the spiritual energy in coordination with the medicinal power.

Soon, streams of radiance traversed his body, and he fell into a deep state of cultivation.

Not far from the wooden hut,

Luo Wuqing and Queen Mother of the West approached.

“It’s been over four hours, tsk tsk, the body of your husband, Luo Wuqing, is really strong.”

The Queen Mother of the West’s eyes twinkled mischievously as she glanced at Luo Wuqing with implied meaning.

“ ... ”

Luo Wuqing remained silent, her ears faintly red, her entire presence radiant.

Seeing her not speaking, Queen Mother of the West continued to tease.

“I must say, my dress actually suits you quite well.”

The Queen Mother of the West sized up Luo Wuqing with her eyes.

At this moment, Luo Wuqing was clothed in a purple silk dress, outlining her perfect figure, standing next to the purple-clothed Queen Mother of the West, the two looked like a pair of stunningly beautiful sisters.

Soon, the two women reached the front of the hut, looked at the closed wooden door, and both frowned. Surely this fellow hasn't awoken yet?

They pushed the door open.

Luo Wuqing and the Queen Mother of the West entered and immediately saw Ning Tian sitting cross-legged inside.

“He's actually cultivating?”

Seeing this scene, Luo Wuqing was surprised, a hint of relief in her eyes.

“Luo Wuqing, it seems your husband has some substance,” the Queen Mother of the West commented while looking at Ning Tian gleamingly, “After being indefatigable for hours, he still has the energy to cultivate, impressive, truly impressive.”

“Shut up.”

Luo Wuqing said in a subdued tone before her gaze settled back on Ning Tian.

At this moment, Ning Tian was enveloped in spiritual energy, his aura climbing unstopably like an unrestrained force!

“Is he about to break through?”

Seeing this scene, both Luo Wuqing and the Queen Mother of the West were somewhat surprised.

Unexpectedly, Ning Tian had turned misfortune into a blessing and was about to have a breakthrough.

However...

Both women's curious gazes remained tightly on Ning Tian.

Having turned misfortune into a blessing, to what realm could he break through?

Ning Tian was completely unaware of the arrival of Luo Wuqing and the Queen Mother. He was fully occupied with channeling the enormous spiritual energy within his body!

Suddenly, the Spirit Sea within his body roared violently!

Boom!

“Is this the breakthrough?”

Ning Tian’s heart soared, not expecting the breakthrough to come so swiftly!

Boom!

This, was the power of the Yao Pond Immortal Pill!

After all, this was something coveted even by Divine Emperor realm powerhouses!

Even with Ning Tian’s current strength, unable to absorb it all, the power it provided was still incredibly formidable!

Boom!

Following that, the System’s voice continuously announced.

【Congratulations to the Host for advancing in strength to Six-Star Spirit Communication Realm!】

【Congratulations to the Host for advancing in strength to Seven-Star Spirit Communication Realm!】

【...】

【Congratulations to the Host for advancing in strength to Nine-Star Spirit Communication Realm!】

【The Host has made a breakthrough!】

【Congratulations to the Host for advancing to One-Star Earth King Realm!】

Boom!

In an instant, dazzling golden light enveloped Ning Tian’s body, his aura rising step by step!

“He actually broke through directly to Earth King Realm!?”

The Queen Mother of the West took a sharp breath, astounded by the sight of Ning Tian.

“How did he manage it?”

Invincible After Shocking My Empress Wife Chapter 66

Chapter 66: Leaving Yaochi

Ning Tian’s successive breakthroughs through several small realms, and especially his final breakthrough through a major realm, truly shocked the Western Queen Mother.

“He absorbed most of the medicinal power of the Yaochi Immortal Pills.” Luo Wuqing observed Ning Tian, her beautiful eyes slightly narrowed, “The medicinal power of the Yaochi Immortal Pills was not wasted in his body; instead, he absorbed it as much as possible.”

“Hisss”

The Western Queen Mother was astounded; she knew all too well the potency of the Yaochi Immortal Pills.

She hadn’t expected Ning Tian to be capable of absorbing them.

“Interesting, truly interesting.”

The Western Queen Mother chuckled, looking at Ning Tian with interest shining in her eyes.

“Sigh”

On the couch, Ning Tian exhaled a breath of impure air.

Feeling the robust spiritual energy within his body, he couldn’t help but feel excited.

The medicinal power of the Yaochi Immortal Pills was so potent that even if he couldn’t absorb it all, he managed to skip six stars directly, breaking through to the Earth King Realm!

Truly worthy of being the treasure of the Yaochi holy land!

[You have shocked the Western Queen Mother; you are rewarded with the music martial skill “Heavenly Melody Kill”!]

[Integrating at ten times the speed!]

[Integration successful!]

“Huh?”

Hearing the system’s voice, Ning Tian was stunned for a moment, and then he looked up to see Luo Wuqing and the Western Queen Mother standing outside the door.

“My wife, Western Queen Mother,” Ning Tian greeted.

His gaze fell on Luo Wuqing, and a hint of astonishment flashed through his eyes.

Luo Wuqing, in her purple gauze dress, was truly stunning!

However...

Afterwards, the Western Queen Mother used a music-based method to check Ning Tian’s body once more. After confirming there were no issues, she nodded towards Luo Wuqing.

“His body is fine now.”

“Mhm, thank you.”

Luo Wuqing breathed a sigh of relief. As long as Ning Tian’s body was fine, that was all that mattered.

Leaving the room and walking into the courtyard, Luo Wuqing prepared to leave with Ning Tian.

“Ancestral Master, remember to visit my Yaochi Holy Land often~ My disciples of Yaochi are very welcoming of you,” the Western Queen Mother said with a laugh and a wink as they were about to leave.

“Uh...”

Ning Tian touched his nose, and just as he was about to politely reply.

Suddenly, he felt a chilling gaze from behind.

“Hisss”

He shivered and quickly shook his head, declining, "Thanks for the kind offer, Western Queen Mother, but it's better not to."

Immediately, he quickly turned to Luo Wuqing.

"Wife, how are we getting back?"

Luo Wuqing glanced at Ning Tian indifferently, "Hold me, and I'll fly you back."

"Fly back?"

Ning Tian was baffled, "Aren't you a God Emperor realm powerhouse? Can't God Emperor realm powerhouses step through the void? Traveling thousands of miles in one step?"

"Thousands of miles in one step, that is something only Deities can do!"

A trace of impatience appeared on Luo Wuqing's forehead as she looked at Ning Tian, "Alone, I naturally can step through the void, but you might die in it, so..."

"Wife, I'm ready, let's go."

Seeing him so unabashedly clingy, Luo Wuqing was momentarily stunned and then shook her head.

"Mhm, get ready, we're about to take off."

At that moment, Ning Tian held her even tighter.

"..."

Luo Wuqing was silent, and then with a burst of spiritual energy, the two of them broke through the clouds in the blink of an eye and instantly left the Yaochi Holy Land.

Watching the two figures leaving, the Western Queen Mother's eyes narrowed slightly and her eyebrows furrowed.

She sighed deeply, gazing into the distance toward the direction of the back mountain of Yaochi.

"Is it really as Luo Wuqing said... a true demon?"

"But..."

"By now, there's no choice but to continue."

The Western Queen Mother sighed, feeling the weight of the Yaochi Holy Land's fate resting on her shoulders, unable to let go, she must not give up.

High above in the sky.

A figure streaked through the clouds.

At this moment, Luo Wuqing's pretty face had several lines of irritation. After reaching high altitude, Ning Tian took no further action, just held her tightly as if afraid of falling down.

"What are you doing?"

Luo Wuqing, biting her silver teeth, asked.

Ning Tian said seriously, "Wife, I'm afraid of heights. It's so high up, and for my safety, I think it's necessary to take action."

After that, he hugged her a bit tighter.

Then he looked down below.

At their current position, it seemed as if they were shoulder-to-shoulder with the sun, so high up!

If he were to fall from here, it would definitely be the end.

"..."

A twitch appeared at the corner of Luo Wuqing's mouth.

"Why is your face pressed against my chest?" she asked again.

"The air isn't circulating well at high altitude, this spot lets me breathe, and the air is fragrant."

After saying a few words, Ning Tian burrowed in even closer.

"..." Luo Wuqing was speechless. She just wanted to return to the Demon Sect as soon as possible to get rid of this clingy man.

So, she could only operate her Emperor realm aura, turning her figure into an afterimage, bursting her speed to the extreme.

Screams echoed through the sky.

“Ah!”

“Damn!”

“Wife, slow down!”

Below on the ground, many people heard the screams and instinctively looked up.

From the clouds, where was there a figure?

There was just a shooting star streaking by.

This left many scratching their heads, screaming in broad daylight, was it haunted?

With the Emperor realm aura fully unleashed, one hour later.

Demon Sect.

“Ah!”

“Ah ah!”

A scream came from the sky.

Numerous disciples and elders of the Demon Sect instinctively looked up, only to see a falling star.

“That’s odd.”

“That scream sounded a lot like the Ancestral Master’s.”

A group of disciples were confused, seeing the direction of the falling star, which was right behind where the Female Emperor resided; they became even more certain that it was undoubtedly the Ancestral Master.

Invincible After Shocking My Empress Wife Chapter 67

Chapter 67: The Ling Realm Boils Over, Yin Wind Mountain Range!

Thud!

The next moment, Ning Tian’s silhouette soared into the sky.

“Luo Wuqing, I wish upon the stars for you. If it’s not meant to be, why kick me?!”

“Damn it!”

“I have a fear of heights!”

Upon seeing Ning Tian flying out, a group of disciples from the Demon Sect couldn’t help but sigh.

The relationship between the Ancestral Master and the Empress is really too good.

Every time, the Ancestral Master flies happily into the sky.

Night.

Ning Tian naturally did not get to enjoy the meat he had been longing for.

Not only that, Luo Wuqing even drove him out when it was time to sleep.

He couldn’t help but lament that a woman’s heart is as elusive as a needle at the bottom of the sea.

However, what he was completely unaware of was that Luo Wuqing had driven him out entirely because Ning Tian had worn her out during their time in the Yaochi Holy Land, so she simply couldn’t be bothered with him anymore.

“Sigh.”

Ning Tian had no choice but to go to Moonlight Cliff to cultivate.

Moonlight Cliff.

With the bright moon high in the sky, the Grand Elder was leading a group of disciples in their cultivation.

Although the Ancestral Master hadn’t been at the Demon Sect for the past few days, cultivating at Moonlight Cliff at night had gradually become a habit for everyone.

“Look!”

“The Ancestral Master, it’s the Ancestral Master!”

Suddenly, a disciple seemed to spot a figure approaching on Moonlight Cliff and was instantly excited!

“The Ancestral Master?”

The Grand Elder and the surrounding disciples were taken aback and then all looked up.

It was indeed the Ancestral Master!

“Greetings, Ancestral Master!”

The Grand Elder led the greeting.

“Greetings, Ancestral Master!”

Behind him, a group of disciples excitedly greeted as well.

“Shh”

Ning Tian made a silencing gesture and said with a faint smile, “It’s so late, everyone is asleep, let’s keep our voices down.”

“Yes.”

The group of disciples spoke in hushed tones, nodding their heads.

All eyes were fixed on Ning Tian.

Under the attention of the crowd, Ning Tian slowly sat down cross-legged under Moonlight Cliff and began his devotional cultivation.

【Devotional Cultivation is now activating!】

【Activation Successful!】

As the system’s voice sounded, a golden light array, visible only to Ning Tian, enveloped the entire Moonlight Cliff.

“Hm?”

“My spiritual energy absorption?”

“Holy crap! When the Ancestral Master arrived, my spiritual energy absorption and cultivation speed doubled!”

“That’s divine! Truly divine!”

As the golden light array emerged and devotional cultivation began, this group of Ning Mo’s followers instantly felt a change in their spiritual energy absorption and cultivation speed.

One by one, they became incredibly excited and their breathing quickened.

This was the feeling they craved!

“Indeed, there’s something I’m not sure whether I should say,” the Grand Elder said stroking his white beard, his eyes burning with passion as he looked at Ning Tian, who was entering a state of cultivation on Moonlight Cliff.

“And that’s”

“The Ancestral Master is awesome!”

Upon hearing this, a group of disciples was thrilled.

“The Ancestral Master really is awesome!”

After shouting this, they even felt that the spiritual energy inside them accelerated even more!

They marveled at the Ancestral Master’s miraculous abilities.

At this moment, a continuous stream of system notifications filled Ning Tian’s mind.

【Faith Energy Absorption +1!】

【Faith Energy Absorption +2!】

【Faith Energy Absorption +1!】

【.】

【.】

【Faith Energy Absorption +3!】

【Current Faith Energy Storage: 100/1000!】

“Oh?”

“It’s gone up to a thousand now?”

Seeing the maximum limit of faith energy storage increase from one hundred to one thousand, Ning Tian’s eyes flashed with excitement.

At the same time, he became curious about the might of a thousand points of faith energy.

Just the day before, one hundred points of faith energy were enough to destroy an unguarded hand of the Sky Vault Saint Lord, a divine emperor realm powerhouse.

If one hundred points of faith energy were already so effective, how strong would a thousand points of faith energy be?

With growing anticipation, Ning Tian did not waste any more time, took out the Soul Yuan Bead, and began to cultivate.

Soon, his body was enveloped in a pale white spiritual energy.

He appeared as if clad in silver radiance, extremely sacred, attracting quite a bit of attention from below.

“The Ancestral Master’s strength seems to have improved quite a bit,” the Grand Elder remarked, his gaze fixed on Ning Tian, and he couldn’t help but sigh.

Then suddenly, he frowned and his expression changed.

“What the?”

“The Ancestral Master, has he broken through to the Earthly King Realm?”

At that moment, the Grand Elder was stunned.

He vaguely remembered that just a few days ago, before the Ancestral Master left, he was only around the level of a three-star Spiritual Enlightenment Realm.

But now...

Soaring straight up ninety thousand miles, he had directly reached the Earthly King Realm?

He suddenly recalled Ning Tian’s muttering about whether he could break through to the Earthly King Realm in two months, and his mouth twitched violently.

My Ancestral Master, oh Ancestral Master, you need hardly two months?

You broke through in just a few days!

Reflecting on his own painstaking progress, the Grand Elder deeply felt the meaning of disparity.

This was a huge disparity!

“The Ancestral Master has reached the Earthly King Realm?”

Hearing the Grand Elder’s words, a group of disciples were stunned, then their eyes lit up with fervor!

To them, Ning Tian was an awe-inspiring figure, almost regarded as a divine being!

With such a speed of cultivation, there was no one in the entire Ling Realm, not just the Demon Sect, who could match it!

【For astonishing the Grand Elder and a group of disciples, you are rewarded with five hundred points of spiritual cultivation!】

Feeling the sudden influx of spiritual energy into his body, Ning Tian just smiled faintly, didn’t take it to heart, and continued to cultivate.

In the blink of an eye, several days passed.

When the news of the deaths of the two divine emperor realm powerhouses, Shadow Demon Elder and the Sky Vault Saint Lord, spread throughout the entire Ling Realm, the entire realm instantly boiled over!

Two divine emperor realm powerhouses had died at the same time?

But as witnesses came forward, claiming to have seen the Shadow Demon Elder and the Sky Vault Saint Lord pursuing the legendary Ancestral Master of the Demon Sect, everyone’s expressions became strangely complicated.

Two divine emperor realm powerhouses pursuing a Spiritual Enlightenment Realm cultivator?

The situation soon proved to be true.

However, when people learned that the pursued legendary Ancestral Master of the Demon Sect was still within the sect, as carefree as could be, the strong of the entire Ling Realm felt as though ten million alpacas were stampeding through their hearts!

Can this be serious?

A young man in the Spiritual Enlightenment Realm managed to escape from the hands of two divine emperor realm powerhouses?

At that moment, the entire realm fell silent.

They didn't need to think any further.

Troubling the legendary Ancestral Master meant that the Shadow Demon Elder and the Sky Vault Saint Lord obviously died at the hands of the Empress.

Inside the Demon Sect, when the group of disciples learned of this, they became even more reverent towards Ning Tian, reaching the pinnacle of their adoration!

This also allowed Ning Tian to absorb a significant amount of faith energy.

Yin Wind Mountain Range, Sky Wind City.

This is a city where the Demon Sect's external forces are based, but at this moment, it has welcomed some uninvited guests.

Invincible After Shocking My Empress Wife Chapter 68

Chapter 68: Monster Attacks in Tianfeng City!

Tianfeng City.

On the city wall, a group of young men and women dressed in the Sky Demon Cult's attire approached.

"Brother Li, we've finished patrolling," a vibrant girl with twin ponytails approached, speaking to the young man standing at the highest point on the city wall.

"Oh?"

Hearing this, the Brother Li leapt down from the high point of the city wall.

"How did the patrol go?"

"It's getting dark, we must be careful not to let the nearby monsters attack and harm the civilians."

Brother Li spoke to the group with a serious face.

"Don't worry, we've patrolled thoroughly," the young girl giggled, "we've spread Demon-Repelling Powder nearby, these monsters dare not come over."

"Good, that's more like it."

Brother Li nodded. His real name was Li Changde, the younger brother of the Grand Elder's chief disciple Li Changsheng.

"Sister Tao."

Li Changde looked at the young girl and instructed, "Recently, the Yin Feng Mountain Range has been restless, and monsters have run out of there, injuring many civilians under our Sky Demon Cult's jurisdiction."

"The elders take this matter very seriously, so these medicines for saving people must be distributed to every individual."

Sister Tao nodded, patted her chest, and laughingly assured, "Brother, rest assured! I will definitely handle this matter well!"

"Alright, go ahead."

Li Changde smiled in satisfaction, waved his hand to let them proceed, and only after checking around and finding no monsters did he relax.

Monsters at night are the most formidable.

If they formed a beast tide, that could be powerful enough to destroy a city overnight!

However, at night, they would sprinkle some Demon-Repelling Powder outside the city. This powder is concocted from some unique herbs, and most monsters will stay away after smelling it.

Li Changde stood on the city wall, watching the forest disappear into the darkness, his brow furrowed slightly.

There was a sense of unease in his heart.

"Recently, this Yin Feng Mountain Range is somewhat unsettled."

He sighed, descended from the city wall, and headed towards the inner city.

Inside the city, many civilians injured by monsters were lying on the ground, waiting for the Sky Demon Cult disciples to distribute medicine.

"This is for you, old sir."

Sister Tao handed a small jade bottle to an old man with a severed hand.

"Miss, thank you so much," the old man said gratefully as he took the small jade bottle, looking at Sister Tao.

“It’s nothing, it’s what we should do. After all, you are under the Sky Demon Cult’s influence, we are all one family.”

Sister Tao’s face was adorned with a close smile as she spoke to the old man.

“One family.”

Hearing these words, the old man almost cried.

When he was younger, this city was also controlled by other demonic cult forces, but their treatment was entirely different.

Those demonic cult forces completely used them as tools, indifferent to life or death, only occasionally checking to see if there was any fresh bloodline with unique talent.

In fact, all the major forces in the Sky Spirit Domain basically have their own cities, and the people in these cities undoubtedly serve as a supply pool for selecting fresh bloodlines.

Only the Sky Demon Cult made them feel like they were part of it.

“Ah!”

“Old sir, please don’t cry.”

Seeing the old man cry out, Sister Tao was startled.

“It’s okay, it’s okay,” the old man wiped away his tears, waved his hand, “these are tears of happiness.”

“Alright.”

Sister Tao pouted, not understanding his thoughts, “Old man, remember to use the medicine, I’m going to distribute to others now.”

“Sure, go ahead.”

Sister Tao got up and immediately walked towards other injured people.

Several hours later, it was dark.

The entire Tianfeng City lit up torches and lanterns, adding a bit of brightness to the city.

“Sigh”

After distributing the last of the medicine, Sister Tao stretched lazily, feeling satisfied.

“Sister Tao, good work,” Li Changde approached, smiling at Sister Tao.

“Hehe, it’s nothing, not tiring at all.”

Sister Tao giggled, “Didn’t our ancestor say that? Doing things for the Sky Demon Cult is never tiring.”

“The ancestor, huh?”

Li Changde smiled, “Once we settle things in Tianfeng City, I’ll sneak you out to Moonlight Cliff to train with the ancestor!”

“Really?”

Hearing this, Sister Tao’s eyes lit up.

She had long heard that the ancestor trained at Moonlight Cliff at night, and anyone who went there would enjoy the ancestor’s blessing.

Some people even made breakthroughs after training there for just one night.

She had longed for it, but her sect was very strict, not allowing her to go out at night.

Upon hearing Li Changde’s words, she became extremely excited.

“Brother Li, you said it! Once we solve the issues in Tianfeng City, you have to take me to Moonlight Cliff to train with the ancestor~”

Sister Tao’s eyes, full of anticipation, were fixed on Li Changde.

“Yes, of course.”

Li Changde smiled and nodded, “Alright, it’s late, time to rest.”

“Yes.”

Sister Tao nodded. Just then, a roar suddenly came from outside the city.

Roar!

“Huh?”

“What’s that sound?”

Hearing this sound, the two were stunned for a moment, exchanged a look, and their faces both changed!

“That’s... the sound of a monster!”

“Let’s go!”

“To the city wall!”

The two immediately rushed towards the city wall.

At this moment, when the sound of the monster rang out, the entire Tianfeng City was on alert, all the disciples of the Sky Demon Cult sprang into action.

If it had been during the day, just a monster’s cry wouldn’t be taken seriously.

But now, it was night!

Night was a time when beast tides existed!

Please, please don’t let it be a beast tide!

With anxious hearts, Li Changde and Sister Tao both climbed to the city wall, where many Sky Demon Cult disciples had already gathered.

“What’s going on?”

Li Changde approached, furrowing his brow, asking the group.

“Brother Li!”

“Brother Li, you’re here!”

The disciples of the Sky Demon Cult quickly saluted, then they bitterly smiled and pointed to a place not far outside the city, where there was a large dark shadow, “Brother Li, it should be the roar coming from that monster.”

“Hmm?”

Li Changde and Sister Tao looked over.

It was a huge dark shadow, as high as several tens of meters. It was only clear under the light of the fire what that monster looked like.

It was a giant black bear, clad in thick armor!

“A third-order monster!”

“Ironclad Black Bear!”

One of the disciples recognized it and immediately took a sharp breath!

“A third-order monster? Isn’t that equivalent to a powerhouse in the Earth King Realm!” Hearing this, the group of disciples was anxious.

What exactly does this Ironclad Black Bear want to do?

At this moment, in Tianfeng City, countless pairs of eyes were anxiously watching that monster.

Suddenly, the next action of the Ironclad Black Bear shocked them!

No good!

Invincible After Shocking My Empress Wife Chapter 69

Chapter 69: Righteous Ye Leng, Known for Massacring a City!

“Roar!”

With a roar, the ironclad black bear’s eyes flashed with a hint of red light.

Then, with a heavy breath, its chest swelled enormously.

Whoosh!

Next was a fierce breath blown towards the ground around it.

“Hm?”

Seeing its actions, a group of people showed puzzled looks in their eyes. What was this ironclad black bear trying to do?

Suddenly, Junior Sister Tao furrowed her brows slightly, moved her nose, and sniffed the air.

“Do you feel that there is a strange smell in the air?” she asked the group around her.

A strange smell?

The crowd was taken aback, also sniffing the air like she did.

Sure enough, they detected an odd odor.

“What is this...?”

The group’s brows furrowed slightly, their eyes flashing with confusion – this scent... seemed familiar.

“This is... Repel-Demon Powder!”

Li Changde, after taking a whiff, his face changed instantly!

That strange odor in the air was none other than Repel-Demon Powder!

“What!”

Atop the city wall, the faces of the Demon Sect disciples changed dramatically as they exclaimed in alarm.

It turned out that the ironclad black bear was dispersing the Repel-Demon Powder that had been sprinkled around Tianfeng City!

“Sss”

The crowd gasped in shock.

In their eyes, a deep disbelief was filled.

How could this ironclad black bear possess such high intelligence? This completely overturned everyone’s understanding of a third-grade monster beast.

“Roar!”

“Roar, roar...”

After finishing its task, the ironclad black bear stood in its place and continued to roar fiercely.

“What is it doing?”

Junior Sister Tao’s beautiful eyes flashed with worry.

“Pass my command, everyone enters combat readiness, we might be facing a great battle!” Li Changde, with a trickle of sweat on his forehead, bit his teeth, and ordered the people beside him.

“Yes!”

“As you command, Brother Li.”

The disciples of the Demon Sect nodded.

At this moment, Tianfeng City was plunged into a state of vigilance.

Boom!

Suddenly, the ground began to tremble, and roars kept sounding continuously.

Atop the city wall, Li Changde's face looked extremely ugly, for he saw it – from the forest outside the city, pairs of crimson eyes were emerging.

Those were...

Monster beasts!

The crowd's eyes widened.

"It's over!"

"It's a beast tide, a monster beast tide!"

At night, so many monster beasts swarming together indicated only one situation – a beast tide!

"Don't panic!"

Li Changde grinded his teeth; at this time, only he could step forward to stabilize the military heart!

Facing a beast tide, one must stay calm!

Otherwise, they could only become food in the mouths of the monsters!

Just then, around hundreds of monster beasts appeared, roaring as they rushed towards the city gates!

"Quick, reinforce the city gate!" Li Changde shouted. However, before his words could be fully uttered, the huge city gate was smashed by a gigantic force, turning into a pile of wood shavings!

"What!"

Li Changde looked over, and the one that shattered the city gate was that ironclad black bear. His heart instantly sank.

Without the city gate, the monster beasts had no restraint!

“Ah, ah!”

“There are monsters, monsters are here!”

In an instant, the monster beasts broke into Tianfeng City after the gate was shattered!

Within Tianfeng City, although there were disciples of the Demon Sect, even more were unarmed civilians!

“Ah, ah!”

“Help, help!”

Soon, as monster beasts rampaged through Tianfeng City, screams filled the air.

“It’s over!”

Seeing this scene, Li Changde’s eyes were filled with despair. He shouted, “Disciples of the Demon Sect’s Fire Hall, follow me and kill the monster beasts!”

“Yes!”

“As you command, Brother Li!”

The surrounding disciples of the Demon Sect replied, flames enveloping their bodies – they were the disciples of the Fire Hall among the 108 halls of the Demon Sect!

“Hahaha!”

“A bunch of trash from the Demon Sect dares to resist?”

Just as the people were about to slay the monster beasts, laughter came through the night sky.

Following that, a large shadow dropped from the sky!

Looking over, it was the same ironclad black bear as before!

However, at this moment, seated on the shoulder of the ironclad black bear was a man in black clothes.

“Who, who are you?”

Seeing the man in black on top of the ironclad black bear, Li Changde’s eyes flashed with solemnity, his instincts told him that this person was strong!

“Hehe.”

The man in black laughed and leaped off the shoulder of the ironclad black bear, looking at Li Changde and the others mockingly, “Righteous Alliance, Beast Tamer’s Gate, Ye Leng!”

“A person of righteousness?”

“The talented beast tamer from the Beast Tamer’s Gate, Ye Leng?”

Hearing his words, the faces of the Demon Sect disciples changed drastically – how had the Beast Tamer’s Gate of the Righteous Alliance come here?

Accompanied by the sound of a flute, all the monster beasts slaughtering within Tianfeng City stopped in their tracks.

At this moment, how could Li Changde and the others not understand that this so-called beast tide was actually controlled by the Beast Tamer’s Gate!

Swoosh!

Swoosh, swoosh!

Then, hundreds of figures charged in from outside Tianfeng City.

These were the disciples of the Beast Tamer’s Gate!

“You, you guys...”

At this moment, as if realizing something, Li Changde’s face changed dramatically, pointing at Ye Leng and the others.

“Could it be that the monster beast uprising in the Yin Wind Mountain Range was caused by you!?”

“You might be thinking too much.”

Ye Leng’s voice was cold, his eyes swept over the disciples of the Demon Sect, “We don’t have that ability. What we do have is just the ability to kill you!”

“Hehe, if we kill hundreds of Demon Sect disciples, we should be able to go to the Righteous Alliance’s Martial Pavilion and select a few good martial arts techniques!”

He laughed, looking at Li Changde and the others as if they were prey.

The Righteous Alliance is a coalition of dozens of forces.

Their existence is to combat the Demon Path!

And within the Righteous Alliance, to encourage disciples to kill more Demon Path followers, for every Demon Path disciple killed, they can earn points to select martial arts!

“Hehe, following Brother Ye, there really are benefits.”

“Hahahaha!”

“With these points, choosing martial arts seems no problem!”

A group of Beast Tamer’s Gate disciples laughed unrestrainedly, finding much merriment in the situation!

“ ... ”

The Demon Sect disciples clenched their teeth, their faces ugly.

They had thought it was just an ordinary monster beast attack, therefore no elder followed!

Here, only Li Changde was a King of the Earth Realm, while on the other side, they had not only a third-grade monster beast.

But also the genius of the Beast Tamer’s Gate, Ye Leng!

It is said that this person had already stepped into the King of the Earth Realm a year ago, and now, with a year passing by, his strength had become even more terrifying!

“Brother Ye, what about the civilians in Tianfeng City?”

A disciple of the Beast Tamer’s Gate looked at Ye Leng and asked.

Upon hearing this, Ye Leng looked towards the civilians within Tianfeng City, some of whom had already been devoured by the monster beasts, the rest being the old, the weak, the sick, and the disabled.

“Heh, they’re just some trash, they can’t become new blood for our Beast Tamer’s Gate, just kill them!” Ye Leng said indifferently, with a cold expression.

“What!”

Upon hearing this, the faces of the citizens within Tianfeng City changed dramatically.

“Hey!”

Junior Sister Tao clenched her silver teeth, her beautiful eyes flashing with angry flames, “You claim to be righteous, is slaughtering ordinary civilians the act of righteousness?”

Invincible After Shocking My Empress Wife Chapter 70

Chapter 70: Rivers of Blood, Paragon of Demons!

“Shut up!”

Ye Leng looked coldly at Junior Sister Tao with a disdainful expression. “The righteous faction handles things without needing pointers from your Demon Cult!”

“Pah!”

At that moment, the elderly man from before stood up from the crowd and spat disdainfully, “You call yourselves the righteous faction? In my opinion, you’re the true demons!”

“Seeking death!”

A flicker of murderous intent shot through Ye Leng’s eyes, and a flying knife materialized in his hand, suddenly shooting towards the old man.

Whoosh!

In an instant, the elder’s eyes widened in agony as he clutched his neck and fell to the ground, full of resentment.

“Elder!”

Seeing this, Junior Sister Tao’s complexion drastically changed, and a trace of anger flashed in her eyes.

“Screams of terror filled the city as innocent people saw what had happened.

They looked at the group of so-called righteous cultivators as if they were looking at demons.

“Kill them all!”

At Ye Leng’s command, the disciples of the Beast Taming Sect began controlling their beasts, starting a massacre!

“Screams of agony filled the air as the city was soon filled with blood, turning into rivers of blood within the city.

“Nowadays, the righteous path isn’t righteous, and the demonic path isn’t demonic anymore!” Li Changde gritted his teeth in profound anger.

“Hehe.”

“Be it the right or the demonic path, the weak don’t deserve to live.”

Ye Leng sneered mockingly, his face showing a playful look.

“Kill! Wipe out the demon path followers, annihilate the disciples of the Demon Cult!”

With a wave of Ye Leng’s hand and murderous intent flashing in his eyes, the disciples of the Beast Taming Sect rushed towards the crowd with insanity in their eyes, shouting their intent to exterminate the members of the Demon Cult.

However, their hands were all stained with the blood of innocent people!

Seeing this, Li Changde clenched his teeth and roared, “Disciples of the Demon Cult, to battle!”

“Kill them!”

Swords and sabers clashed, and roars mixed with the energy erupted.

The entire city was engulfed in bloodshed.

The battle lasted until dawn.

As sunlight fell upon the earth, corpses littered the city, and blood flowed like rivers.

The bodies of demonic beasts and Demon Cult disciples were everywhere.

A scream echoed as another disciple of the Demon Cult was slaughtered.

Li Changde struggled to support himself with a sword amidst the pile of corpses, his body covered in blood-stained wounds.

He glared fiercely at Ye Leng, his teeth clenched in hatred.

All through the night, Ye Leng had not made a move.

It seemed he did not relish the joy of combat, but rather the thrill of slaughter and torment.

“Demon... You... You are the real demon... Cough, cough...”

Li Changde coughed dryly, a broken sword still embedded in his chest, bleeding profusely.

“Hahaha!”

“I’m a demon?”

Ye Leng laughed heartily as if he had heard a joke, then walked up to Li Changde, grabbing his chin and lifting him.

At this moment, Li Changde was completely drained and powerless to resist.

“Hahaha, let me show you what a real demon looks like!” There was a sinister smile on Ye Leng’s face.

“Come, bring that little girl to me!”

At his command,

“Let me go!”

“Scoundrels, release me!”

A series of curses rang out.

Two Beast Taming Sect disciples were escorting a young girl over – it was Junior Sister Tao!

“What... what are you going to do!”

Seeing this, Li Changde’s face changed.

“Brother Li!”

Junior Sister Tao struggled as she saw Li Changde captured, trying to rush over.

“You bastards, let me go!”

The Beast Taming Sect disciples naturally did not release her.

“Let her go.”

Ye Leng slightly curved his mouth upward as he spoke indifferently.

“Yes, Brother Ye!”

As the two disciples let go of Junior Sister Tao, she immediately rushed towards Li Changde.

However, she collapsed uncontrollably halfway through.

Two streams of blood were visible on her ankle.

“This is...” Li Changde’s pupils shrank in shock, “You... You’ve broken the meridians in her legs!?”

“Brother Li...”

Even after a harsh fall, Junior Sister Tao kept crawling towards Li Changde.

“Hahaha!”

“How touching.”

Ye Leng laughed again, then materialized a sword in his hand and nailed Li Changde directly to the city wall.

Spurt!

Blood sprayed forth.

“Cough, cough.”

Junior Sister Tao coughed up blood, bit her lip, and smiled at Li Changde, “Brother, even in death, I won’t let him have his way.”

With that, a resolute look flashed in her eyes.

Li Changde’s heart skipped a beat, but he couldn’t speak.

“How troublesome that she chose to bite her own tongue in suicide.” Seeing that Junior Sister Tao showed no signs of life, Ye Leng frowned and casually discarded the body, joining the mountain of corpses below.

“You... you will be punished!”

Li Changde’s teeth were already bloodied from biting too hard as he glared at Ye Leng.

“Our Demon Cult’s ancestor won’t let you off!”

“Oh? You mean that legendary ancestor?”

Ning Tian’s infamy had certainly spread far and wide throughout the Spirit Realm.

But in Ye Leng’s eyes, Ning Tian was nothing more than a waste who relied on a woman’s power.

His escape from two sovereign-level powerhouses was solely because the Empress had arrived.

“Hehe, you’ll know the terror of our ancestor. He won’t let you off!” Li Changde’s eyes were bloodshot as he glared deathly at Ye Leng.

“Annoying noise.”

Ye Leng snorted coldly, pulling out the sword from Li Changde’s body, then stabbing him once more, ending Li Changde’s life.

“Someone!”

“Hang his and that woman’s corpses on the city gates of Tianfeng City. I want everyone to see how useless the disciples of the Demon Cult are!”

With two bodies hung on the city gates, the disciples of the Beast Taming Sect left triumphantly.

And Tianfeng City was left with rivers of blood and a sky filled with the stench of blood.

After some time, a body seemed to twitch. Terrified, he looked around, then ran for his life toward a certain direction – toward the Demon Cult!
