She tried her best to figure out the relationship between the 22nd floor and Joseph's room to prove that Joseph had an affair with Becky. Or to prove that they were innocent?

Or she just wanted to shift her attention to something else?

Irish thought that she was ill.

She needed an alien to save her heart or just dig her broken heart and then change it into a golden one. In this way, she needed no charge or energy as long as it was clicked to work.

In this way, she had no sense of ache.

She lit the tablet by clicking and saw the comments and negotiation.

She suddenly felt that Joseph should belong to all women, and he became their dream lover.

The rumors won more and more concern.

Joseph didn't clarify it and there was no response from Becky. Becky's team didn't clearly state while being interviewed by reporters, and such a vague attitude made many netizens confused.

Within one hour, the relationship diagram was out.

Joseph was the center and surrounding him, there were several women.

Britney, Ruby, Becky, and even Irish were signed on the diagram.

It was just like a net that clarified all kinds of relationships.

Britney and Becky were the "Rumor Girls" Joseph, while Ruby was named Joseph's former wife. As for Irish, their relationship was a little complicated, and several titles were listed beside her.

"Main characters of the charming photo", "Wife's sister", and "Lover"....

Even some netizens replied in the relationship diagram that the owner of the diagram made it wrong and that maybe Irish had become Joseph's fiancée.

Then endless guessing and laughing came out.

Some boring people even made an investigation and the subject was which kind of woman could be together with a young and handsome man, just like Joseph.

Some commented that Becky was the best choice. She was regarded as a dream lover. As a businessman, Joseph just needed such a quiet and gentle woman.

However, Britney's fans didn't agree. They thought that Britney was more beautiful than Becky and fit Joseph more.

Becky and Britney won support from their own fans.

Irish and Ruby became less important in their eyes and most talks were regarding Becky and Britney.

Some people still didn't choose these; instead, they commented that Ruby fitted Joseph more as the Lake's daughter.

There were more and more comments.

Later someone began to talk about Irish. They commented that Irish should not be disregarded in that she was the only woman who had been shot to have sex with Joseph, while there was no direct proof about Britney and Becky's relationship with Joseph.

This netizen's comment sparked a heated topic again.

Many followed their talk.

"Irish is the most beautiful. If I were Joseph, I would also have chosen her."

"Irish is really charming..."

"Irish is also from a rich family, okay!"

"Joseph should be with a rich girl, instead of an actress."

"You are all idiots. Irish is the real girlfriend, and actually, their relationship has been confirmed."

"Oh my god, the other day, I saw him hanging out with a girl who looked like Irish."

"Oh, no, I have been mad about him for a long time. Does he really have a girlfriend? Oh, my heart is broken..."

"Do not look down upon an actress. Becky is the most beautiful. Who is Irish? Joseph just pretends to be with her. Okay?"

"Yeah, it's said that Irish majors in Psychology. Who would like to be with a woman like this?"

"There must be many women beside him. I prefer that he is with a star, instead of with an average woman. Does Irish major in psychology? Isn't it the case that there is a camera with him? So please do not get together, okay?"

"Does anyone want to replace Irish?"

"If only Joseph were with me!"

Irish got annoyed when she saw these comments.

Why did they just criticize her?

Did she offend them?

They had no connection with her. Why did they defame her? Why did they scold her look and figure? Why did they hurt her?

During this battle, Becky won. It had to be admitted that Becky had more fans than her and they just praised Becky so much.

Irish thought that it must be abnormal.

Damn it!

How disgusting it was!

He was such a popular man.

Irish was so angry that she nearly wanted to break the tablet.

She hated Joseph and Becky!

After viewing the report, she finally knew that Joseph went to an award ceremony at a film festival. He was invited as an important person, and Becky also won much attention during this festival.

Someone pointed out that Becky made a big sacrifice for the honor.

Irish's fists clenched tightly. She knew it was normal for Joseph to attend such a grand activity since the jewelry field connected with fashion and entertainment naturally. However, Irish was so pissed after learning about it.

She even longed for picking Becky out of the photo and making her face ugly. She had warned Becky not to be so close to Joseph. Becky really had a bad memory.

She hated this woman.

As Lilith cried and called to Irish, she said, "What should I do? Jay wants to break up with me."

At that time, Irish was in the office, and the patient in front of her also cried sadly. This patient had a negative value on the whole world; she just lived with terror every day. He came to Irish to tell her that now many people meant to kill him.

And the diagnosis Irish gave was that he had too much pressure, which was not rare at all.

Regarding this kind of individual case, Irish would not shut down her phone. Moreover, the rumor between Joseph and Becky made her less dedicated. She opened her phone, and she didn't know what she was waiting for.

Maybe she was waiting for Joseph's call.

She was certain that she hated him, but she still kept an eye on Joseph.

Sometimes she kept thinking if Joseph gave up being with her, would she be less frustrated?

What was their relationship?

Was she his mistress?

Joseph has been milder to her since they came back to New York. She always thought that Joseph did it deliberately. Such a strong-willed man like him would not be so calm when he heard that his child had been killed before birth. It was so strange. He would even choke her in his anger.

What was Joseph thinking about?

Irish had no idea about it.

Joseph said that he would be back two days later, but there was no news from him since it was Tuesday now.
