

41 CHAPTER 41

"Maybe. Look, I just want to be enough for you and I'm willing to explore things with you. I don't want you to have anything to do with other women and on that note. I'm willing to do all it takes to keep my man. I get jealous easily and I really don't think straight whenever I'm jealous." 1

"You're sounding as if I'm some bad guy who is into BDSM and all of that!"?

Mia sighed. Natasha's statement about her and Colt pleasuring themselves as a beast got the worst of her thoughts.

"I'm sorry, I didn't mean to sound that way. I didn't mean to offend you. I just want to be enough for you!"?

"No need to apologize. I understand you. But you don't have anything to worry about. I'm a faithful guy. I'm also a very jealous person and very possessive of what belongs to me."?

"Thanks for understanding!" She said sincerely.

"Thank you too for trusting me enough to tell me everything."?

"Where are you?" He asked.?

Mia was taken aback by his question but she answered. "My apartment."?

"I know you are in your apartment, my love. Where in your apartment?" He said seductively.

Mia swallowed painfully before she answered. "My room, my bed." She said, not sure as to what he was driving at.

"Good! Sitting or lying down? Are the lights on or off?"?

"Only my bedside lamp is on and the reflection from my laptop. I was watching a movie before you called. I'm sort of in a sitting and lying position."?

"How bright is your bedside lamp? Can you shut your laptop?"

"It's not bright at all. And yes, I just closed my lappy." She answered, not sure where this conversation was going.

"Okay. Lie on your back," His soothing voice came through.

Mia gently did as she was told.?

"You there sweetheart?" He whispered seductively.

"Yes!" Mia answered as she kept the phone close to her ear.

"I want you to keep an open mind. Don't be tense, okay?"

"Yeah!" Her voice came out as a whisper.

"Tell me what you're wearing,"?

"A satin Nightie!"?

"A dress or two-piece?"

"A dress!" She answered, already getting turned on by his questions.?

"Long or short?"?

"Short."?

"Perfect. Panties?" He asked.

"Yes"?

"Take it off." He commanded. Mia felt a shiver run down her spine. But she obeyed. She adjusted herself and took off her panties.?

"Done!" She replied, lying on her back.

"Good girl! Now close your eyes." He instructed.

Mia obeyed.?

"Remember how you feel anytime I take your erect nipple into my warm wet mouth?"?

Mia nodded her head at the memory. "Yes I do," she moaned.?

"Put your index finger in your mouth, ensure you've got enough saliva on it, then slowly run that finger over your right nipple."?

"Ahhhhhhh!" Mia moaned at the cold shiver she got from doing as Colton requested.

"Good job, baby. Keep going. You know those cute nipples of yours are one of my favorite parts of your body. Keep pleasuring them for me, my love. Don't stop until they are very erect and probably a bit red. Just like the way they look whenever I'm done sucking and teasing the hell out of them."?

"That's my girl! You're doing a great job, sweetheart. I'm so proud of you." He said when he heard a louder moan from her.?

"Now repeat the same step for the other nipple." He instructed and she did just that.?

"Ready for the next step?" He asked, She nodded. Remembering it was a voice and not a video call, she replied. "Yes, baby." Her breath was heavy.?

"Good. Slowly caress your body down to your bikini area. Do it with the imagination of me showering soft kisses all over your body. Do not touch your pussy until I tell you so."?

"Okay!" Mia swallowed painfully and got to work. The more she moaned, the more Colton

spoke dirty to her which made her moan even more.?

"Colt, please!" She said with her chest rising and falling.?

"What do you want, my love?" He whispered seductively, trying to act all innocent.

"Permission to touch my pussy?"?

"You know I can't say NO to you sweetheart

?Are your legs properly spread?"?

"Mhm mhm," She answered.?

"Good. Slowly run your middle finger across your pussy."?

"Fuckkkkkkk!" Mia groaned.?

"So fucking wet right?" Colton said with a smirk on his face.?

"Dripping wet!" Mia responded.

"That's my baby! Now slowly massage your clit with your finger. You know how much I love sucking you because of how sweet you taste? Increase the pressure and imagine it? was my mouth on your kitty"?

"Yeah baby, keep going!" He whispered at her moans.?

"I'm close, Colt." She managed to say while

rubbing her clit.

"No. Don't cum until I tell you to."

"Please colt, I don't think I can hold it back for long!" She pleaded.

"No babe. Use all the strength in you to hold it back until I permit you to let go."?

"Pleaseeeeeeee. I need to do this now." She cried. Well, not real tears. They were tears of pleasure. In as much as she would love to go further, She felt as if she was going to pass out if she didn't let go soon.?

Of course, Colton had more plans for her but he had to stop here because Mia couldn't take it anymore."?

"cum για μένα, βασίλισσα μου," Colt said in greek language.?

Mia had no idea what that meant but the language sounded so sexy that she had no choice but to let go. She came really hard.

"Good Girl," Colton said with a proud smile over the phone. He kept on whispering sweet things to her as she came down from her high.?

Coming back to reality, Mia blushed as the thought of what just happened crossed her mind.?

The duo were silent for a while before Mia broke the silence. "Sorry, I couldn't take it anymore, that was why I begged for release. I didn't know the meaning of what you said but it sounded really sexy and I lost it." She whispered, hoping he wasn't pissed. She had promised to be up to the task. But that was just beyond her.?

"You have nothing to be sorry for, Babe. You did well. I'm proud of you!" Colton chuckled,?

"I didn't mean to switch from English to Greek. It just came out. It meant 'Cum for me, My Queen!'"?

"Have you ever done something like this? Did you enjoy it?"?

"No, I haven't. Yes, I did enjoy it. It felt so real. It was as if you were here."

"I'm honored to be the first person to take you through this and I'm glad you enjoyed it. But hey, I'm not some dude who believes in brutal domination during lovemaking or should I say kinky sex?"?

"I'm more of a creative person who aims at satisfying my woman. Our sex life constitutes a great percentage of our relationship and I'll do all I can to always keep that alive. This is just the beginning of many more beautiful moments, my love!"?

Mia smiled. "What did I do to deserve you, Colt?"

"You made me yours the moment you insisted that I made you cum that night?"

Mia chuckled, "seems I'm never going to hear the end of that night?"

"You won't, baby. It's because of that night that we are together today."

Mia nodded. He was right!?

"What about you? Did you get your release?"
She couldn't help but ask.

"No, babe. All my attention was on you. But I'm very hard right now. I'll be going in for a shower now?"

"I think I'm going to take a shower too. She said, sitting up?"

"A shower it is then! Will call you back when I'm done." He said.

"Sure babe, I'll be expecting your call?"

Mia was almost in her adjoined bathroom when her phone beeped on the bed, indicating she had a message. She went back, reached for her phone to see who the message came from. She smiled when she saw that it was from Colton.?

He sent a picture of his boner through his pants with a caption that made Mia's cheeks turn red. "If only you know how much you turn me on, you'll never doubt yourself about being the right person for me. We deserve each other, my love and I'm sure little Colton cannot wait for the day we are going to make it official. I bet you, it's going to be a wonderful experience."
