

54 CHAPTER 54

"A surprise?" Colton arched his brow. 1

Mia nodded slowly.

"You know you don't have to give me anything, babe. I'm good as long as I have you."?

"I know, but I already have the surprise with me. It's up to you if you want to see it or not." She said with a small smile on her face.

"Sure, what is it or should I say where is it?" He asked, curiously. This was going to be her first gift to him.

"Promise you're not going to mock me!"

"Okay, you're scaring me!" Colt chuckled.

"There's nothing to be scared of. Just promise you won't laugh at me."?

"I promise," Colt said, even though he wasn't sure what the surprise was.

"Okay," Mia whispered. She unzipped her sweater, took it off. She also got rid of her Top.?

Colton swallowed painfully.?

"Remember I told you, I wanted to get a tattoo?"?

Colton nodded.

"I got one and I want you to see it." She unhooked her bra, tossing it aside. Lo and behold, Colton saw the beauty, sitting pretty just right below her left boob.?

"Fuck! Did you?!" Colton chuckled.?

Mia nodded, biting her lower lip in the process, trying to hide her blush.?

Colt rose to his feet, lifted Mia from the stool, and gently placed her on the counter. He turned his attention to the tattoo under her left boob. It was a simple but beautiful flowery design. His name was also written right there. "Colton" in tiny cursive letters.?

With a proud smile on his face, he ran his thumb over the precious tatt.

"What do you think?" Mia couldn't help but ask.?

"Babe, this is beautiful. When did you get it done?."

"Been pushing my appointment but finally got the nerve to do it on Thursday. I was told that writing something in between the flowery design will make it look more beautiful. I was asked what name I wanted so I put yours. I hope you don't mind."?

Colton rested his forehead against hers.

"Girl!!!! No one has ever tattooed me on their body." He said, slightly caressing the tattoo with his fingers. "I wish you could see and feel how much pride I have in my heart because of this gesture." He whispered to her.?

Mia kissed his lips. "I'm glad you love it. I'll admit, it's like the craziest thing I've ever done. I did it to please my man and he loves it so I don't regret it." She smirked.?

Colton smiled. "You'll be the end of me, Mia.?"

She nodded, "Hell, yeah!?"

"I'm definitely returning the favor.?"

"No, you don't have to. I did this because I wanted to. Not for you to feel obligated to do the same.

Colton shook his head. "Let's just say, I want to copy my girl. This time around, I'll put the tattoo in a visible area. My arm or my wrist."

"Most of my tats are hidden because my mom doesn't like them.?"

Mia chuckled, "She doesn't?"?

"Strange right? I don't know why either. She was so mad when she saw a picture of me in my briefs and it showed all of my tattoos. She saw it in some shitty magazine. She said she found it

hard to believe that that was her son." Colton smiled at the memory.?

"Mom didn't talk to me for almost two weeks. She was that petty. But as time went on, She learned that I'm my own individual and it's up to me to do whatever I want with my body.?

"Your mom already said I'm a bad influence on you. Seeing you with a tattoo of my name will definitely prove that." Mia said with a small smile on her face.?

"Victoria Royal says nasty things when she's angry. We, her children, have come to understand her mood swings. We don't take whatever she says seriously when she's in a bad mood. But you've got nothing to worry about. You're my woman and I'm free to put your name or face in any part of my body."?

"This" he ran a finger over his name on her body. "Just proves that you forever belong to me!"? He bent a little and kissed the said tattoo.?

He placed light kisses on both of her boobs, went straight up to her neck, and then to her lips. They both shared a passionate kiss, enjoying the natural taste of their mouth mixed with the tastes of the different alcohol they just took.?

Pulling away just right before they were out of breath, Mia watched as Colton took some

icing off the cake with his finger.?

"Babe" She chuckled. "What are you doing?" She giggled as he put some icing on her left nipple, some on her right nipple, and some on different parts of her upper body.?

Mia unconsciously bit her lip as Colt took off his shirt in one swift.?

With his hands on either side of the counter and Mia in the middle. He seductively used the tip of his tongue to slowly lick off the icing on her left nipple. After licking the last bit of icing on her left tits, he began sucking and kneading her tits.?

"Fuck!" Mia cursed as she threw her head back, enjoying the pleasure he was giving her. Colt didn't stop until her nipple looked sore, then he went ahead to give her right nipple the same pleasure, at the same time playing with the left one with his fingers.?

After pleasuring to his satisfaction, he began licking off the icing on different parts of her upper body, sucking into her skin; leaving hickeys here and there.?

"How bad do you want me, my love?" He whispered in her ear, nibbling on her earlobe.?

"Take off my pants, you will find your answer." She replied, her chest rising and

falling.?

Placing a long kiss on the side of her forehead, Colton did just as she requested. She adjusted herself for him to have easy access to removing her pants.?

"Holy shit!" Colton cursed, the moment his hand came in contact with her pussy. She was dripping wet.?

"Colton!" She moaned the moment he stuck three fingers in her at once, and without mercy, he started finger fucking her.?

"Yes, babe. Keep going.....Don't stop!" Mia moaned as Colton subsequently increased his pace.?

He stopped pleasuring her when he felt the orgasm building up in her lower abdomen. Today was different. They had to cum together.?

While Mia tried to catch her breath, Colt took off his pants along with his briefs.?

Tossing his clothes aside, he closed the gap between himself and Mia, then connected his lips to hers for a long passionate kiss.?

Colton chuckled against her lips when he felt Mia stroking his cock with her hand.
"Someone is so impatient."

Mia nodded. "I've had this to myself all these

while. I don't know how I managed to resist but I've reached my point of weakness. Take me now Colton. Please...Hard and fast...?"

Colton had no choice but to obey. He teased Mia's pussy with the tip of his dick before slowly entering her.?

"Fuck!!!!!" Mia mouthed with her eyes closed and her grip tighter on the edge of the counter the moment she felt Colton's huge dick in her.?

He waited for her to adjust to his size, then he started moving hard and fast. Just how she wanted it.?

Unexpectedly, he pulled out from Mia, harshly but carefully brought her down from the counter, bent her over the counter, smacked her ass, then slowly entered her, continuing from where they stopped.?

Before Mia's legs could give up, he picked her up in his arms and carried her to the sofa in the living room. He laid her on her back and then entered her, giving her the pleasure she fucking deserved.?

"Colt, I'm going to cum!" Mia managed to say. As much as she wanted the lovemaking to last a little longer, She felt she was going to pass out if she didn't get her release soon.?

"Cum for me, baby girl." He commanded and

immediately, Mia let go. The way her pussy tightened around his dick triggered his own release too so they came together.?

Colton didn't pull out until he was sure that he emptied all of his warm seeds inside her.?

Getting off her, he laid on the sofa and made her cuddle against him. The sofa was big enough to at least contain the duo.

Colt placed a long kiss on Mia's forehead as he watched her come down from her high.?

"Feeling good?" He smiled at her.?

She leaned against him and kissed his lips. "I can't believe this is what I've been missing."

Colton chuckled. He slowly brushed her cheek with the back of his fingers. "You're officially mine, Mia. I'm not going to allow anyone to take you away from me."??

"Yes, this is what you've been missing. I'm all yours so you can have me whenever you want me." He said.?

"I have the sexiest man alive to myself. I must have done something really great in my previous life."?

Colt smiled. "I have the most beautiful woman in the world to myself. God really blessed me"

"And thank you, Babe! This is the best present anyone has ever given me." He referred to the tattoo.?

Mia smiled. "You're welcome, my love."

"You must be so tired. I should take you to bed so you can get some rest."

Mia shook her head. "Not yet, Mr. Royal." She released herself from him, climbed on top of him, positioned his dick by her pussy, and slowly slid it in. Then she started riding him.?

Colton chuckled, "I love the fact that you're brave at what you want and you know how to mark your territory. You're going to be the end of me, Mia." He said as he fondled her nipples.?

She blushed. "Shut up and let me concentrate on fucking you."?

"My pleasure." Colton smiled, knowing it was going to be a long night for the both of them.
