

Envelope 1881

Chapter 1881: Let's take a gamble (3)

Jade-faced Fox: Ramen? God Chen! You must be joking ...(Unbelievable)

Wei Xiaobao thought, "God Chen, You must be joking!" He had to fight for the first place in every PK competition, so how could he participate with ramen? (I don't believe it)

Lei Zhenzi-Chen Xiaobei! 'You ...'

Chen Xiaobei: What did you just call me?

Lei Zhenzi thought, "uh ... Uncle-master Xiaobei ... You're so lame. Even an idiot wouldn't believe that you're using ramen to compete!" How could that kind of thing be considered a delicacy?

Zixia fairy, "God Chen, you don't even need to draft a draft to brag!" Even I, who don't know how to cook, carefully prepared a serving of five-colored snow cloud cake!

Earth traveler sun: " who doesn't know that Chen Xiaobei loves to act cool? he might have told us that it's ramen, but he must have a secret weapon!

Wei Xiaobao thought, God Chen! With our friendship, can't you tell me the truth?

Chen Xiaobei: " I'm not a pretentious person. My food for the competition will be four bowls of instant noodles. Each judge will get one bowl! If you don't believe me, just wait and see!

Lei Zhenzi, [are you out of your mind?] Are you really going to use instant noodles to compete? (Shocked)

Earth traveler sun thought, "Chen Xiaobei is admitting defeat!" No wonder Shishu Shen did not show up today. He must have known that Chen Xiaobei would not win! (Proud)

Jade-faced Fox thought, God Chen, it's good that you've forfeited! Otherwise, he would be the first in every PK, and no one else would stand a chance!

Zixia fairy: " God Chen, maybe you're tired of getting first place. You're deliberately letting us win! (Hehe)

Chen Xiaobei: " don't be too happy just yet! I never said I was going to forfeit! Since I'm here to participate, I'm definitely here for the first place!

Lei Zhenzi laughed. You want to get first place with ramen? Do you think we're idiots?

Chen Xiaobei: " my ramen is delicious! Why can't I get first place? "

Earth traveler sun thought, it's terrible to be uncultured! Do you know that the four judges today are all top foodies who have tasted all the delicacies of the Three Realms? The heaven and earth feast is a common meal for them. Your broken ramen are simply trash in their eyes!

Chen Xiaobei: " hehe! In my eyes, all food is just average. My instant noodles are the best!

Lei Zhenzi, [will you die if you don't act tough?] The cuisines in the Three Realms are ordinary, but your instant noodles are the best? You're insulting our intelligence!

Chen Xiaobei: " why don't we have a bet? "

Lei Zhenzi,"bet ... I ... I don't want to bet with you ..."

In the early days, Lei Zhenzi and Jiang Ziya often made bets with Chen Xiaobei, but they always lost.

Lei Zhenzi was still traumatized by Chen Xiaobei's words and did not dare to bet with him.

Earth traveler sun-senior brother Lei! What was there to be afraid of? If you don't bet, I'll bet! We can't let others look down on the disciples of the clan of enlightenment!

Chen Xiaobei: You bet with me! If my ramen wins first place, you have to give me a celestial artifact! Do you dare to bet?

Earth traveler sun,"let's bet!" I can't lose! But what if you lose?

Chen Xiaobei: (Doesn't matter)

Earth traveler sun, you have guts! If you lose, you have to give me the Dragon's edge!

Chen Xiaobei thought, Dragon's edge again? How much do you chanzism want to take my black blade?

Earth traveler sun: You don't dare to bet?

[you chanzism people are so obsessed with my Dragon's edge. Of course I'm going to give you a chance to make a great contribution!] The bet was settled and they could only wait for the results!

Lei Zhenzi, [do we still need to wait for the results?] Even if one used their toes to think, they would know that your Bullsh * t ramen would definitely be the first to be eliminated!

Shennong said,"everyone, please be quiet!" The results of the first round of screening were out!

Earth traveler sun thought,"first round?" What was the meaning of this? Haven't you guys tried all the delicacies? Was there still a second round?

Shennong: " there are a total of 108 dishes in this competition. We can't taste all of them!

Shennong: " besides, the four of us judges are all top foodies. We have very high standards for good food! Ordinary food can't even be considered good food in our eyes. They can be eliminated in the first round! There was no need to taste it at all!

Lei Zhenzi laughed. As expected, I guessed it! Chen Xiaobei's Bullsh * t ramen would definitely be the first to be eliminated in the first round! It would be a wonder if that kind of trash could enter the eyes of the four judges!

Shennong: I'll keep your ramen for now! The food that was eliminated in the first round was Lei Zhenzi's demonic Phoenix medicinal cuisine!

Lei Zhenzi,"what?" I was eliminated in the first round? He was even caught as an example?
(Dumbfounded)

Shennong: " it's not that we're targeting you. You're a classic example!

Lei Zhenzi,"I'm not convinced!" As judges, you have to give me an explanation! Otherwise, I'll never accept this!

Shennong,"don't get too excited!" Let me ask you, have you taken out the internal organs of the demonic Phoenix?

Lei Zhenzi asked,"internal organs?" This ... I don't think I took it out ...

Shennong: " let me ask you again. Have you plucked all the feathers from the demonic Phoenix? "

[Lei Zhenzi: fur?] It ... It should have been pulled clean ...

Shennong thought,"you pulled them out, my ass!" As soon as he opened the soup bowl, there were Phoenix Feathers floating around! Even ordinary people wouldn't like to eat this kind of crudely made food. It's simply an insult to the four judges 'pursuit of good food!

Lei Zhenzi,"I ..."

Shennong said,"among the participants, there are many people who are like Lei Zhenzi. They don't care about the food at all. They are just fooling around!" I won't name them one by one here, you should know in your hearts! A total of 50 people were eliminated in the first round!

As soon as he said that, the group was filled with wails.

Those who wanted to try their luck, those who didn't know how to cook and didn't put in the effort, all knew very well that they had been eliminated.

Chen Xiaobei: "little Lei! Are you from the Christian Church?" He dared to participate in the competition with this level of skill! His skin was so thick that it could shock the heavens and make ghosts and gods cry! Hahaha ...(Laughing)

Lei Zhenzi thought, you ...(Speechless)

Chen Xiaobei could not stop himself from laughing. He could imagine Lei Zhenzi's face turning red and green through the screen!

Lei Zhenzi-Chen Xiaobei! Don't be happy too early! The rest of the dishes are all top quality. You will definitely be eliminated in the second round!

Chen Xiaobei: (Shrugging)

A few minutes later.

Bull Demon King: " everyone, quiet down. The results of the second round of screening are out!

Earth traveler sun thought, there should be no suspense this time, right? There was no way that Chen Xiaobei could make it past the second round!

Bull Demon King! God Chen's ramen are still intact! This round's main elimination was the competition's works, such as the immortal fruit platter!

Bull Demon King thought, "the platter is basically beautifully made with great care, but it doesn't show the word "delicious "at all!" If there's only the taste of the immortal fruit, why don't we just eat it directly?

Bull Demon King: " therefore, works like the immortal fruit platter will be eliminated directly. A total of 40 people!

Jade-faced Fox, "what?!" I've been eliminated? (Tears) brother bull! Don't you love me anymore? I'm your little Yuyu!

Bull Demon King, of course I love you! (Serious expression) but! In this world, only love and food can not be disappointed! Although I love you, I can't go against my conscience and lower my standards for good food! I'm a bull with principles!

Princess Iron Fan thought, "at least you're a Little Manly. You don't have to kneel on the washing board when you get home!" (Pouting)

King of Hell: " everyone, please calm down. After two rounds of selection, there are still 18 dishes left. The four judges are going to taste them now! (Drooling)

Chapter 1882: Four first places (4)

It had to be said that the four judges had very high requirements for food.

In just two rounds of screening, without even trying a single piece, 90 of the participating works were directly eliminated.

At this moment, the four judges began to taste the dishes. With their high standards for food, the remaining 18 dishes might not be able to touch their taste buds!

For a moment, the group was completely silent. Everyone was quietly waiting for the results to come out.

Finally, as a message was sent out, everyone's attention was firmly drawn to it.

Starlord culinary God: " after the four judges 'taste, 15 of the 18 delicacies were eliminated directly due to various flaws!

Chen Xiaobei, "only three dishes left!" These were the top three of this year's PK competition! (Nervous)

Earth traveler sun, "what are you so excited about?" Your broken ramen will definitely not be able to enter the top three! Absolute! No! But! It could!

Starlord culinary God: After the votes of the four judges, we have unanimously decided on the final ranking! Next, the Nong sovereign will announce the results!

In an instant, everyone was looking forward to it!

Shennong: " I hereby announce that the third place winner of this food competition is Zixia fairy's five-colored snow cloud cake!

Shennong: " I watched this girl grow up. She's mischievous and loves to play! She knows almost nothing about cooking, but I can feel that she really put in a lot of effort for this five-colored snow cloud cake!

Shennong: " the soft cake uses five kinds of fresh fruits. Together with the osmanthus honey from the Moon Palace, it has a refreshing, sweet taste and beautiful colors!

Shennong: " with the special fermented flour, the soft cake is as soft as clouds. It's a wonderful experience to eat! This innovative food was absolutely worthy of third place!

Zixia fairy: I actually got third place! As expected, hard work pays off. My hard work for so long has not been in vain! (Cheering)

"Chen Xiaobei, congratulations!" Zixia fairy was so powerful! (Applause)

Earth traveler sun, [you still have the mood to congratulate others?] Give me the Dragon's edge as we agreed on!

Chen Xiaobei: " I'm not eliminated yet. Why should I give you the Dragon's edge? "

Earth traveler sun thought,"a dead pig is really unafraid of boiling water!" Now, only the first and second place dishes remained! You still have the face to say you weren't eliminated?

Chen Xiaobei: " I've already told you. I'm here for the first place! Of course he wouldn't be eliminated! (Shrugging)

Lei Zhenzi-Chen Xiaobei! You're too shameless! Zixia fairy's five-colored snow cloud cake was already tens of thousands of times better than yours, and you still want to get first place? This lunatic is acting up! It was time to take his medicine!

Shennong,"everyone, please be quiet!" I'm going to announce that the second place winner of this year's food competition is Wei Xiaobao's stir-fried hundred whips!

Shennong said,"this dish sounds a little tacky, but the method of making it is very exquisite!" It was extremely difficult! One hundred types of whips had huge differences in size, hardness, taste, and texture! The difficulty of this dish lay in the mastery of these differences!

Shennong,"however, Wei Xiaobao's research on whips has already reached the peak!" One hundred types of whips, all handled perfectly, invulnerable!

Shennong said,"the point is, this dish still has a finishing touch!" We can only eat 99 types of whips from the dishes! However, when he tasted it, there would be a taste of Dragon's penis, along with the fragrance of a hundred fruits, leaving an endless aftertaste in his mouth! It was wonderful!

Shennong: " this is the first time we, the four judges, are eating this dish! It could be said to be very novel! It was extremely rare! It was extremely delicious!

Shennong said,"it's a pity that there's an even more delicious dish!" Otherwise, this dish of stir-fried hundred whips should have been first!

Wei Xiaobao, "no way!" My meticulously prepared stir-fried hundred whips actually didn't get first place! This is my trump card! Are you guys mistaken? How could there be other food that could beat me! I don't believe it! I don't believe it! (Scream)

Chen Xiaobei, "it's good enough that you got second place!" Old man Shen Nong used three 'very's to evaluate your stir-fried hundred whips, which is enough to prove that your stir-fried hundred whips has reached the level of top food!

Earth traveler sun thought, "at least you have some self-awareness!" Since you know that stir-fried hundred whips is a top-tier delicacy, you should give up and admit defeat, right?

Chen Xiaobei, "why should I admit defeat?"

Lei Zhenzi thought, you really won't shed tears until you see the coffin! How can your lousy ramen be compared to the top-tier food? You still want to get first place? I think you really should take your medicine!

Chen Xiaobei: They would announce the first place immediately! The answer is about to be revealed whether I should take the medicine or you two should be slapped in the face!

Earth traveler sun-Chen Xiaobei! I think you're just unwilling to admit defeat! Do you think that you'll be fine if you shamelessly deny it? Stop dreaming! Everyone in today's gambling house can be a witness! If you dare to deny it, I'll dare to find your master to be the judge!

Chen Xiaobei: "hehe! I've remembered what you said. If you want to deny it later, I'll look for your Sifu to be the judge!"

Earth traveler sun: "I've never seen anyone with thicker skin than you. You've already lost, but you still have the face to show off!"

Lei Zhenzi-Your Majesty, the divine farmer! Hurry up and announce the first place! With just one word from you, Chen Xiaobei would be struck by lightning!

Earth traveler sun, His Majesty the divine farmer? Where was he? Why haven't you announced it yet! Can't you give me a definite answer?

Shennong said, "wait ... Wait for me to finish the last bit of noodles ..."

Lei Zhenzi, [what do you want to eat?] (Dumbstruck)

Shennong said, "I'm done with the noodles ... Let me finish the soup ..."

Earth traveler sun thought, "even the soup???" (Confused face)

Shennong said, "phew ... I'm done!" It felt so good! Next, I would like to announce that in the first food competition of the Three Realms red envelope group, the first place is Chen Xiaobei's beef noodles with pickled pepper! (Intoxicated)

King of Hell thought, "that's not right!" Didn't we agree on this earlier? The first place should be Laotan pickled cabbage noodles! (Anxious)

Bull Demon King thought, no, no! It should have been braised pork ribs in sauce! (Scream)

Starlord culinary God: You can't talk nonsense! The first place should be red braised beef noodles!
(Shouting)

Earth traveler sun,"what ... What the f * ck does this mean ..."(His face turned green)

Lei Zhenzi,"four ... Four first places ... What the hell is this ..."(Endless confusion)

Chen Xiaobei thought to himself,"you two little jokers!" You guys know nothing about my ramen! (Cool)
I've sent four different ramen to the judges!

[in other words, I can easily get first place with just one of the flavors!] You're too inexperienced to
fight with me! (Wakakakaka)

King of Hell: There were three other flavors! Please keep it! (Drooling)

God farmer, God Chen! Private Bag please! (Begging)

Bull Demon King: You're my brother! Private Bag please! (River of saliva)

[Starlord God Eater: God Chen!] Please keep the other three flavors! Otherwise, I'll regret it for the rest
of my life! (Begging)

Chen Xiaobei: I've prepared tens of thousands of bowls of instant noodles and will send them directly to
the group. But before that, earth traveler sun has to honor the bet and give me a heaven-immortal
artifact (hehe)

Chapter 1883: Great harvest (1)

King of Hell: @ earth traveler sun! Hurry up! I'll keep my promise and give you the celestial artifact! As a
man, you have to keep your word!

Bull Demon King: @ earth traveler sun! It's fine if you don't want face! But don't forget, you are a
disciple of the clan of enlightenment! If you don't admit defeat, you'll be disgracing chanism! Shen
Gongbao and honored Lord of the origin won't spare you!

Shennong: "@ Tuxing sun! Xiao bei had already prepared tens of thousands of boxes of ramen! Even if
you don't think for yourself, you have to think for the group members! Everyone was waiting to eat
ramen!

[Wei Xiaobao: @ earth traveler sun!] Give it to God Chen in your own pocket! I can't wait to taste what
kind of ramen it is. It's even more delicious than my stir-fried hundred whips!

All the group members: @ earth traveler sun! You can't deny it! Hurry up!

All of a sudden, the entire group was in an uproar. Chen Xiaobei did not even need to urge them. The
entire group was urging tu xingsun on his behalf.

Earth traveler sun: "everyone, stop @ me! His breath was about to explode! Let me discuss this with
Chen Xiao ... No, let me discuss this with Shishu Xiaobei!

Chen Xiaobei-I have nothing to discuss with you! In your words, tens of thousands of group members are watching. If you don't pay, I'll find the heavenly Lord Yuanshi to judge!

Earth traveler sun-martial uncle Xiaobei! You're my martial uncle! I beg you, a great man, to forgive me and not lower yourself to my level. Just take it as I farted, and the bet is void ...(Poor thing)

Chen Xiaobei: "Hmph! The speed at which you change your attitude is faster than flipping through a book! She was just calling him Chen Xiaobei and brat, and now she's getting married?"

Earth traveler sun,"yes, yes, yes!" You're my martial uncle! The three religions were one family! We're one family! (Please)

Chen Xiaobei: Prick Up Your Ears and listen! Not only am I not close to you! And I'm not even close to you! You want to get close to me? dream on!

[earth traveler sun: uncle-master Xiaobei, please do me a favor ...]

Chen Xiaobei: "I'll give you three seconds. If you don't send me your private package, I'm going to @ your chanism's boss! (Threat)

Earth traveler sun,[you're ruthless ... I ... I'll be rich, alright ...(My heart is bleeding)]

Ding! Congratulations! You've snatched earth traveler sun's Red envelope. You've received an earth escape immortal Gu. It has been stored in your treasure chest!

"Earth escape immortal puppet? Earth traveler sun's specialty is the underground escape technique. It seems that this celestial artifact should be related to the underground escape technique!"

Chen Xiaobei quickly opened the treasure chest.

[earth escape immortal Gu: a one-star heavenly immortal artifact made by earth traveler sun. You can escape into the ground and travel thousands of miles in a day. Do you want to withdraw it?]

"I knew it! Even if this fellow honored the bet, he would only give me a useless celestial artifact! The burrowing technique is basically used to escape. It's tasteless to me, and it's a pity to throw it away ..."

Chen Xiaobei was a little disappointed,'if it really doesn't work, I'll have to go back to the furnace and refine it! I'm afraid that the heaven and earth spiritual aura of a heaven-immortal instrument can directly upgrade the Dragon's edge to a nine-star earth-god instrument!"

Last time, Chen Xiaobei had refined the Azure Dragon and the Red Dragon Sword, although they were both heaven-immortal items. However, these two celestial swords had been destroyed long ago and had no spirituality at all!

In comparison, this earth escape immortal puppet was a real heaven immortal artifact, and its spiritual nature was so powerful that it went without saying!

"However, I'm not in a hurry to refine it! At least I have this trump card to save my life if I need it!"

Chen Xiaobei decided to keep the earth-escape divine gourd for the time being.

Anyway, he was not in a hurry to use the spiritual aura of heaven and earth now. It was better to be in the same line as the crowd. There was no need to walk to the end of the road!

The King of Hell, Xiaobei! It's time for you to give us ramen! (Drooling)

Chen Xiaobei: Was there no reward for the first place in the food competition? Wait for me to receive my award!

[Starlord culinary God: of course there's a reward!] I'll send it to you now!

Ding! Congratulations! You have snatched a red envelope from Starlord culinary God. You have received a culinary God mystical pill. It has been stored inside your treasure chest!

Chen Xiaobei: What was this thing?

[Starlord food God: God Chen has won the literary melody Saint heart pill in the couplet competition!] He had won the wondrous sound mysterious elixir in the music Competition! And today, the culinary God mystical pill you've obtained is a rare immortal pill of the same grade as the previous two mystical pills!

"What the f * ck! The wenqu Saint heart pill has given me a super strong learning ability! The wondrous Sound Elixir allowed me to freely control the change of sound! These two pills will be of great help to me!"

it's the God of Cookery mysterious pill! It's a pill of the same grade! It should be of great help to me!

[mysterious pill of the God of Cookery: refined by the God of Cookery himself. After consuming it, it can activate the taste buds ability. As long as you taste any food, you will be able to taste the type of ingredients and the proportion of ingredients!] [do you wish to extract?]

"What the f * ck! This is amazing!"

"I'm not interested in good food!" Chen Xiaobei said excitedly. However, this ability can be used to refine pills!"

"For any medicinal pill, as long as I eat one, I will know exactly what medicinal ingredients are used! The most important thing is that I can confirm the ratio of each ingredient. This is equivalent to directly copying the recipe!"

One had to know that pill formulas were the prerequisite for pill refinement!

Without the pill formula, pill refining was like looking at flowers in the fog, never finding the right way!

The earliest pill recipes were top secrets that alchemists had to spend countless efforts and time to develop!

Under normal circumstances, alchemists were passed down through generations in the form of a clan! He almost never accepted outsiders as his disciples!

This was because the recipe was not to be passed on to outsiders! Even within their own families, they only passed it on to men and not women!

The person who had the core pill recipe would definitely have an extremely high status in the alchemy family! Even outside the family, he had a very high status and was respected by the world. He was superior to everyone in every aspect!

To put it bluntly, mastering a kind of pill formula would allow one to monopolize a kind of market!

The importance of the pill formula was already self-evident!

It was also because of the importance of pill recipes that they were regarded as top secrets. That was why alchemists were one of the rarest professions in the market!

And the contents of the pill recipe recorded the necessary medicinal herbs, as well as the proportion of each medicinal herb added!

Now that he had the elixir of culinary, Chen Xiaobei could easily replicate the recipe of any elixir he wanted.

This was simply a super cheat!

Chen Xiaobei had previously obtained a pill that could increase one's lifespan from Royal dome's Treasury.

With Chen Xiaobei's medical skills, he could basically determine the types of medicinal herbs needed, but the proportion of each medicinal herb was still a mystery.

That was why Chen Xiaobei had not started to make any!

But now, things were different. With the elixir, Chen Xiaobei could easily replicate the perfect elixir recipe if he took another elixir!

If he could find the necessary herbs and make this pill, Chen Xiaobei would not have to worry about his lifespan!

That alone made the elixir the thing that Chen Xiaobei needed the most!

[Starlord culinary God: @ Chen Xiaobei, God Chen!] You've won both the celestial artifact and the prize! Now that you've had enough fun, shouldn't you let the group members have a good time too?

Chen Xiaobei: A super big red packet was coming!

Chapter 1884: Xiao bei is dead (2)

To Chen Xiaobei, instant noodles were nothing. He did not even blink as he sent the tens of thousands of instant noodles into the group with a big red packet.

All of a sudden, everyone went crazy.

Chen Xiaobei very considerately shared the method of eating instant noodles with the group, and the group was soon bustling with activity.

Zixia fairy said, "it smells so good!" As soon as the hot water was poured on, the fragrance of the seasoning was already coming out! I know it's delicious even before I eat it! (Drooling)

Wei Xiaobao, "f * ck!" I only managed to get one box, and all eight of my wives are surrounding me! (Nervous)

The Great Sage, Heaven's Equal, thought, "it smells really good!" No wonder the King of Hell couldn't forget this thing! The judgment of a top foodie was indeed correct!

King of Hell, "it's done ... We can eat now ..." (Saliva flowing like a river)

Clairaudient, "Oh my God ... God Chen ... This noodle ... Is so, so, so, so delicious ..."

[mighty miracle God: it's delicious!] The texture of this type of ramen was very strange. With every bite, the noodles would bounce in the mouth. It was extremely chewy!

Immortal Tai Yi thought, "this kind of ramen can't be found in the heaven realm even if you light a lantern!" Not only was the taste good, but it also had the fragrance of fresh flour. Every bite made me feel like I was running in the field!

Lion Demon King, "there's also the taste of the soup, it's rich and fragrant!" I'm willing to bet that this soup must have been made with a large amount of beef after a long time! I want to drink every drop!

Li Bai, "I like this spicy taste so much!" It was explosive! It was satisfying enough! If it was accompanied by a pot of good wine, he would be as happy as a God!

.....

The praises in the group chat rose and fell, and the chat was flooded with people!

Obviously, for these group members, instant noodles were the first food they had tasted, so it would naturally bring them an unprecedented sense of freshness!

In addition, the taste of the instant noodles itself was very good, so it naturally became a top-tier food that all the members of the group crazily pursued!

The Great Sage, Heaven's Equal: Have you finished all the instant noodles? Since brother Xiaobei is so generous, shouldn't we give him something in return? How about an exciting red envelope snatching session?

[all the group members: no problem!] We've all had our fill today, so we're going to let God Chen enjoy the red packets!

[Daoist Taiyi has sent a red envelope to the group!]

[ding! Kui demon ox has sent a red packet to the group!]

[ding! Wei Xiaobao has sent a red packet to the group!]

.....

.....

.....

The group of friends had really eaten to their heart's content and didn't hesitate to send out red packets. A dense rain of red packets immediately began to flood the channel.

Ding! Congratulations! You have snatched a red envelope from the great sage equalling heaven. You have received three high-tier prosperous monkey fur. It has been stored inside your treasure chest!

"First blood!"

Chen Xiaobei was already prepared to grab the red envelope. He took first blood the moment the red envelope snatching session started."My brother monkey is still the most reliable! After eating instant noodles, you even helped me incite the red envelope snatching channel! It's another big harvest today!"

Ding! Congratulations! You've snatched a red envelope from immortal Tai Yi. You've received three heavenly essence sublimation pills, which have been stored in your treasure chest!

"Double kill! Wakaka!"

Chen Xiaobei was confused. "Heavenly essence sublimation pill? This should be related to the skybreaking cultivation pill, right?"

Ding! Congratulations! You've snatched Princess Iron Fan's Red envelope. You've received three divine banana fan talismans. They have been stored inside your treasure chest!

"Triple kill! Yay!"

Chen Xiaobei was overjoyed,'banana divine fan talisman! I've used this before! A single talisman could create a terrifying Hurricane! It's quite useful!"

Ding! Congratulations! You've snatched a red envelope from the King of Hell. You've received three ghost summoning talismans. They have been stored inside your treasure chest!

"Four kills! It's so cool!"

I'm running out of spirit summoning talismans! I'll have three more now! I don't need to use them sparingly anymore! Chen Xiaobei was overjoyed.

Ding! Congratulations! You have snatched a red envelope from Bull Demon King. You have received the ten thousand Beast Battle formation Manual. It has been stored inside your treasure chest!

"Penta kill!"

Chen Xiaobei was so happy that he could not stop smiling."Together with the earth escape immortal Gu and the culinary God mysterious pill, I've already given red packet seven kills! Super god-like! Wahahahahahahahahaha ..."

Gradually, the red envelope snatching frequency began to die down. Everyone had eaten super delicious instant noodles today and even managed to grab a red envelope. Naturally, they were in an extremely good mood.

Everyone, including Chen Xiaobei, would be able to enjoy themselves to their heart's content.

Of course, the two unlucky guys, Lei Zhenzi and tu xingsun, were definitely not happy. After snatching the red packets, they immediately agreed to go to Shen Gongbao's cave.

.....

Heaven realm!

Black Tiger Mountain!

There were top-grade earth veins in the mountains, and at the location where the spirit weapons were the most abundant, there was a paradise with picturesque scenery!

The interior of the cave abode was as luxurious as a Palace!

The owner of the cave was wearing a black Daoist robe, and there was a powerful aura between his brows. Behind him, there were black Dao runes that rippled like water. It was obvious that he had a high cultivation!

There were a few other guests in the cave abode. They were either wearing Daoist robes and had the air of Immortals! Or he was wearing battle armor and looking heroic!

More importantly, each of them had a seven-colored divine aura behind them. Without a doubt, they were all very high-level heaven Immortals.

Xiao Zhen of the Jinfu star was the leader of the group of people in Daoist robes!

Xiao Zhen was of the same generation as Jiang Ziya and Shen Gongbao. In the clan of enlightenment, his status was only second to the 12 golden Immortals. However, in the heaven realm, he was already a master God with a very high status!

Pagoda-bearing Heavenly King Li Jing was the leader of the people in armor. Erlang Shen and Yang Jian could only sit at the back.

In the celestial heavens, Li Jing was almost equivalent to the commander of the three armies. Whenever there was a major event, the Jade Emperor would appoint Heavenly King Li as the commander. In the two battles with the Monkey King, Li Jing was the commander of 100000 celestial soldiers and celestial generals!

From this, it could be seen that Li Jing had a very high and important position in the heavenly realm!

"Junior Brother Shen!"

Xiao Zhen was the first to ask, " you've been locked up in your room for a long time. What's the big deal today? " Why have you gathered all of us here?"

"Something big has happened! Great news!" Shen Gongbao raised his chin with an excited expression.

my uncle-master has been cursed with 300 bad luck talismans by sect master Tongtian, " Li Jing said doubtfully. what good news can there be? "

Hearing that, Xiao Zhen was not in a good mood and said, " are you afraid that you've led the troops until you're stupid? You're rubbing it in?"

“It doesn’t matter! It didn’t matter! Wasn’t it just 300 bad luck charms? I’ll admit it!” Shen Gongbao had an indifferent expression on his face. Not only was he not angry with Li Jing, but he was also smiling.

As soon as he said that, everyone around him revealed a surprised look.

As everyone knew, Shen Gongbao was very narrow-minded and could not tolerate any offense. At this moment, he was so generous to Li Jing that everyone was very surprised!

Xiao Zhen asked curiously, “Junior Brother Shen!” Looking at you, it seems like there’s really something good going on! Quickly tell us, let everyone be happy!”

“Since everyone is here! I won’t keep you in suspense!”

Shen Gongbao raised his eyebrows and said excitedly, “Chen Xiaobei is dead! I’ll get the Dragon’s edge soon! And all of Chen Xiaobei’s treasures! Hahaha ...”

“Already dead?” Everyone was shocked.

Chapter 1885: Extremely awkward (3)

“Junior Brother Shen! You must be joking! How did Chen Xiaobei die? Why didn’t you give me any warning beforehand?”

Xiao Zhen’s face was filled with disbelief. The group of Immortals in Daoist robes behind him also could not believe it.

“Yup! Shishu Shen! This was too sudden! How could Chen Xiaobei die just like that? Is there any misunderstanding?”

Li Jing and the other immortal generals also couldn’t believe it, and their faces were full of complicated expressions.

“Hehe, I knew you wouldn’t believe it! However, I’ve already calculated everything!”

I’ve already calculated Chen Xiaobei’s combat power yesterday! Shen Gongbao said. He’s pinpointed Chen Xiaobei’s position!”

“Without absolute secrecy, I sent a heavenly general whose cultivation is way higher than Chen Xiaobei’s to the mortal world! One move was enough to take Chen Xiaobei’s life! There won’t be any suspense at all!”

As soon as he said that, the disbelieving expressions of the surrounding people were instantly swept away, replaced by complete trust.

“Junior Brother Shen!”

Xiao Zhen said excitedly, “you’ve really kept it a top secret this time! He didn’t reveal anything beforehand! I can see that you must have planned this for a long time! The plan would be flawless! Chen Xiaobei is dead!”

"I've long suspected that there's a mole who's been giving Chen Xiaobei information so that he'll be on his guard!" Shen Gongbao said with a smile. This time, other than me and the heavenly general who descended to the mortal world, no one else knows about the plan! Chen Xiaobei was just like you guys, totally unprepared! It would be strange if he didn't die!"

Upon hearing this, Li Jing smiled and said, "no wonder martial uncle Shen was too lazy to even attend today's food competition!" So you were waiting for good news!"

"Of course!"

"Chen Xiaobei is a thorn in my side!" Shen Gongbao laughed. The Dragon's edge is a treasure that I've been dreaming of! These two matters had been resolved! It was just a PK match, whoever wanted to take first place could take it! It's not important at all!"

Li Jing hesitated for a moment before asking, "that ... Now that Chen Xiaobei is dead, does that mean that my son, Nezha, can return to heaven?"

"Of course you can!" of course! Shen Gongbao agreed. once Chen Xiaobei is dead, everyone who has come to the Three Realms for the mission can return safely!

"That's great! This is great!" Li Jing heaved a sigh of relief and thanked him profusely, "Thank you, Shishu Shen ... Thank you, Shishu Shen ..."

"Oh right, Junior Brother Shen." Xiao Zhen asked again, "didn't you send your men over yesterday? You still haven't replied?"

"There's no suspense in this matter at all, and there's no need to reply at all! I'm sure that the heavenly general is coming to me with Chen Xiaobei's head and infinite space ring!"

Shen Gongbao smiled indifferently and said, "the reason why I asked everyone to come here today is because of this happy event!" My Immortal child has already prepared the banquet! When the day comes, we'll have a good drink and celebrate Chen Xiaobei's death!"

As soon as this was said, the crowd's flattering sounds rang out one after another.

"Junior Brother Shen has really made a great contribution this time!"

"Chen Xiaobei is the biggest threat to Chanism!" Xiao Zhen said with a big smile. When this kid dies, Shidi Shen will take the credit! At that time, the heavenly Lord Yuanshi will definitely reward you handsomely!"

"That's not all!"

Li Jing immediately followed, "the black saber demonic Dragon is also a rare treasure that the primeval Lord of heaven has his eyes on!" If Shishu Shen can take back the Tribulation of the demonic Dragon, it will be a great merit!"

"Exalted immortal Shen wields the Holy whip and is already the representative of the heavenly Lord Yuanshi! If you add today's two great achievements to the mix, Shangxian Shen's status and power will be greatly improved!"

“We’re really lucky to be able to become exalted immortal Shen’s guests! Even if you want to hug someone’s thigh, you can be at the front!”

“Isn’t it? If we want to live well in the heaven realm in the future, we’ll have to rely on you, exalted immortal Shen!”

The surrounding Immortals were all flattering Shen Gongbao, almost holding him in high regard.

“Hahaha ...”

Shen Gongbao was so happy that he agreed, “Don’t worry! Those who can sit here today are all my brothers! With my meteoric rise, you guys will definitely have good days!”

Hearing this, everyone naturally laughed along.

For a moment, the entire cave dwelling was filled with hearty laughter, and the atmosphere was even higher than a Festival.

“Not good ... Shishu Shen, not good ... Shishu Shen, not good ...”

At this moment, Lei Zhenzi and earth traveler sun ran in at the same time. Both of them had a long face, which was the complete opposite of the laughing crowd in the cave abode!

“Are you two going to a funeral? Who was not good? Eh? Who’s not good?” Shen Gongbao’s face turned black and he scolded angrily.

no, no, no... We didn’t say anything bad about you ... We said something bad happened ... Lei Zhenzi quickly explained.

“What happened?” Shen Gongbao asked impatiently.

Earth traveler sun wailed with an aggrieved face, “The first ... First place of the food competition has been stolen! That person even stole my earth escape immortal Gu! Shishu Shen ... You must help me ...”

Shen Gongbao frowned and asked, “who is it?” How dare he be so bold? Are you tired of living by snatching the celestial artifacts of the clan of Enlightenment’s disciples?”

“Who else would have the guts to do this? Chen Xiaobei, of course!” Earth traveler sun said with a long face.

“Who?”

Hearing this, all the immortals in the immortal’s cave, including Shen Gongbao, were dumbfounded.

Chen Xiaobei!

“Who else in the Three Realms red envelope group would dare to steal my celestial artifact other than this lawless brat?” earth traveler sun said through gritted teeth.

how ... How is this possible?!

Shen Gongbao’s face turned from red to green. His cheeks were burning hot, as if he had been slapped by an invisible hand.

A few seconds ago, Shen Gongbao was still very excited, saying that his plan was flawless and that Chen Xiaobei would definitely die.

Never in his dreams would he have thought that a few seconds later, he would be slapped in the face by reality.

This was f * cking awkward!

The immortals who had been sucking up to him a few seconds ago were now dumbfounded. They looked at each other and felt extremely embarrassed!

“Shishu Shen ... What’s wrong? they don’t look good ... Lei Zhenzi and earth traveler sun asked with confusion.

“You two idiots!”

Shen Gongbao was furious and roared, ” “Chen Xiaobei will be participating in the food competition! Why didn’t you tell me!”

you ... You didn’t ask us to tell you ... Lei Zhenzi and earth traveler sun were dumbfounded.

“You two idiots! Idiot! You’re really useless!” Shen Gongbao’s plan had failed, and he was so angry that he vented all his anger on Lei Zhenzi and earth traveler sun.

Junior Brother Shen ... You really can’t blame them for this ... Xiao Zhen advised, ” “Your plan is highly confidential. They don’t even know that you attacked Chen Xiaobei! Naturally, I wouldn’t have specially informed you!”

that’s right ... Li Jing also advised. it’s useless even if you scold them. Right now, you should quickly ask the heavenly general you sent! Let’s see what happened!”

“Right! You’re right!”

Shen Gongbao composed himself, took out a jade talisman, and shouted at it with his mind, ” “Canopy! You idiot! Why is Chen Xiaobei still alive?! Why!”

The canopy?

As soon as he said that, everyone’s faces were filled with surprise!

Chapter 1886: Common enemy (4)

Tian Peng!

Shen Gongbao’s words were so shocking that all the immortals in the immortal’s cave were shocked!

He would never have thought that the person Shen Gongbao sent to kill Chen Xiaobei would be Marshal canopy!

Everyone present was a disciple of the clan of enlightenment. They all knew that the Three Realms mission was a conspiracy! As long as Chen Xiaobei was not dead, those who had come down to the mortal world would not be able to return to heaven!

In everyone's eyes, Marshal Tianpeng had always been a timid, calculative, and even a little selfish person!

How could such a person be willing to jump into the fire pit?

The crowd was puzzled and all eyes were fixed on the Jade talisman in Shen Gongbao's hand.

A moment later, a young man's voice came from the Jade talisman.

The voice was cold and calm. It didn't sound like the Marshal Tianpeng that they knew.

"Shen Gongbao! Be more polite with your words!"

"I'm no longer the Marshal Tianpeng of the past!" The man said coldly. Since I've chosen to descend to the mortal world, I have no intention of returning to the celestial heavens to be an official! If you dare to yell at me again, I'll blacklist you!"

"You ..."

Shen Gongbao furrowed his brows and said, "you've really changed a lot!" Good! I don't make a fuss! But you have to give me an explanation! Why did my flawless plan fail?! Why is Chen Xiaobei still alive?!"

It was obvious that Immortals would have their powers sealed by the laws of the human world if they descended to the mortal world without permission.

It took Shen Gongbao a lot of effort to keep Tian Peng's strength as a peak four-star earth immortal!

For a long time after that, Shen Gongbao would not be able to send experts of this level to the human world!

In other words, Shen Gongbao could only rely on the canopy to kill Chen Xiaobei. He could not make their relationship too tense!

"I will follow your plan and attack Chen Xiaobei!" Tian Peng said coldly. But you didn't know that he had already upgraded his netherspirit battlescouter! The master-protecting puppet could resist the power of a five-star earth-god! I couldn't kill him in one move!"

this ... This ... How is this possible?! Chen Xiaobei is in the human world! He hasn't even reached the earth-god Realm! Where would he find the materials to upgrade the master-protecting puppet? "

"You're asking me, but who should I ask?" "The failure of the plan was because of your miscalculation!" Tian Peng said indifferently.

"Something's wrong!"

Shen Gongbao frowned and said, "the master-protecting puppet can only block one attack!" Why didn't you go after Chen Xiaobei?"

“He has the returning bracelet and ran away!” “Give me a healing elixir, one above three star!” Tian Peng said coldly.

“What do you want a 3-star healing pill for? You can’t be injured!” “You must be hiding something from me!” Shen Gongbao said vigilantly. Hurry up and tell me the truth!”

if you don’t receive the immortal pill in ten seconds, I’ll blacklist you immediately! Tian Peng said one last sentence and then there was no movement.

Apparently, Tian Peng had cut off the communication with Shen Gongbao.

“Your Grandpa! What kind of attitude is that!” Shen Gongbao stomped his feet in anger and his face turned livid.

However, no matter how angry he was, Shen Gongbao had to take out an immortal pill and send it to him in his private package.

The surrounding Immortals were dumbfounded, they could not believe their eyes.

Junior Brother Shen ... Xiao Zhen frowned slightly and said, “Is Tian Peng crazy? I feel like I’ve completely changed!”

“You still don’t know about planet Jinfu?”

yes! Li Jing said, “ever since Chen Xiaobei and goddess Chang’e announced their relationship on Chinese Valentine’s Day, Marshal Tianpeng’s personality has changed! He doesn’t train the heavenly troops, nor does he handle daily affairs. I haven’t seen him in a long time!”

“He’s crazy! He’s definitely crazy!”

Shen Gongbao gritted his teeth in anger and said, “I thought that if I let this Mad Dog go, he would definitely bite Chen Xiaobei to death! Not only did this Mad Dog fail to kill Chen Xiaobei, but it also turned around and bit me! I’m so angry!”

“Junior Shen, the situation is already set. In the short term, you can’t send anyone down. You can only rely on the canopy great sect!”

Xiao Zhen advised, “so, you should bear with it for now! Whatever Tianpeng wants, do your best to satisfy him! As long as he really wants to kill Chen Xiaobei, it’s worth it for you to invest a little more!”

I understand ... Shen Gongbao sighed, “Otherwise, why would I give the immortal pill to that Mad Dog?”

“Right! Stabilize the situation first!”

Li Jing thought for a while and said, “but I’m really curious, why does Tian Peng want a three-star healing elixir?” He doesn’t have a heaven immortal body now. Even if he’s injured, there’s no need for him to use an immortal pill!”

maybe Tian Peng wants an immortal pill to save his life! he has a mortal’s body now, “Xiao Zhen speculated. as long as he still has a breath, a three-star immortal pill will be enough to make him recover!

“No...”

Shen Gongbao squinted his eyes and said, “I feel that Tian Peng is trying to save a person. That’s why he threatened me to give him to him in 10 seconds!”

that makes sense ... But Tian Peng just came down, who is he going to save ... the immortals were all confused.

.....

Black Tortoise continent.

On the west side of the tilted moon peak, by a small stream.

A young man in his early twenties was lying on the grass. His face was pale and he was on his last breath. Half of the stream was already stained with blood.

It was no exaggeration to say that no miracle doctor in the human world could save his life.

At this time, a young man in his late twenties walked over and took out a pill from his storage bracelet, putting it into the dying young man’s mouth.

“Uh ... Uh ...”

In just a few seconds, a miracle happened!

The teenager who was on the verge of death actually let out a painful wail and opened his eyes in a daze.

“Who ... Who are you ...”

The moment the youth opened his eyes, he immediately saw the young man beside him.

This young man was very tall, tall, and had a cold appearance! His entire being exuded a cold and unfeeling pressure, like an emotionless lone wolf that was indifferent to the existence of all living things in the world!

“Don’t speak! Wait for my injuries to heal!” The young man’s tone was apathetic. His black eyes were empty, without a single trace of emotion.

“Mm ...”

The young man nodded and shut his mouth.

In the next second, miracles kept happening!

The wound on the young man’s chest had not only completely healed, but not even a scar was left behind!

The young man’s blood that had been drained was rapidly regrown, filling his entire body’s blood vessels!

The young man’s overdrawn energy had been completely recovered. He had turned from a dying man to a hundred times more energetic!

“Oh my God ... Am I dreaming ...”

The youngster jumped up, unable to believe his eyes. He asked in surprise and joy, “This big brother! Who exactly are you? Why did you save my life?”

“It doesn’t matter who I am. What’s important is that we have a common enemy!” The young man said coldly.

“Common enemy? Who is it?” The teenager’s heart sank and he was a little nervous.

Chen Xiaobei!

“He’s also called Chen Zhufeng!” The young man said.

Chapter 1887: Life and death Ring (1)

“Achoo!”

Chen Xiaobei sneezed in his room. “What the f * ck! Who’s talking bad about me behind my back?”

[Xiao Tianquan has @ you in the group chat!]

“Eh? Celestial Hound? I didn’t see it in the food competition, why did you tag me now?”

Chen Xiaobei quickly opened the group chat.

Xiao Tianquan: <@ Chen Xiaobei! ≫ God Chen! I just followed Erlang immortal master to Shen Gongbao's place and heard a super shocking news!

Chen Xiaobei:

Xiao Tianquan: " during the Chinese Valentine's Day, you and fairy Chang 'e announced your love. Marshal Tianpeng was shocked and his love turned into hatred! His temperament had changed! Yesterday, when he came down to the mortal world to assassinate you, he said that he had already made a move on you! Was there such a thing?

The Great Sage, Heaven's Equal-canopy? That pig head was extremely timid! Even if he had ten guts, he would not dare to come down to the mortal world to kill little north! (Disdainful)

The celestial Hound, the great saint! You didn't read my message carefully! Marshal Tianpeng was provoked! His temperament had changed! He even dared to talk back to Shen Gongbao! His courage is almost catching up to yours!

The Great Sage, Heaven's Equal,"damn!" This pig head had improved! However, I still don't believe that he would kill Xiaobei!

Chen Xiaobei, Monkey King, it's all true! Yesterday, I was in a secret place and was attacked by a mysterious earth level deity! If it wasn't for the master-protecting puppet, I wouldn't even be able to talk to you now!

The Great Sage, Heaven's Equal, [there really is such a thing!] Shen Gongbao, that b * tch, how dare you use my Junior Brother to kill my brother! This was simply bullying! I'm going to find him to settle the score!

Chen Xiaobei: Don't be rash! Second brother's situation was not clear yet. If he angered Shen Gongbao, he might be in danger!

The Great Sage, Heaven's Equal: Are you not afraid of danger? I'm telling you! Tian Peng wasn't as simple as he looked!

The Great Sage, Heaven's Equal-in the past, he even dared to violate the laws of heaven for the sake of fairy Chang 'E! That was why he was banished to the mortal world and became Zhu Bajie!

The Great Sage, Heaven's Equal thought, "when this pig head is free, he's greedy, lecherous, cowardly, and selfish!" However, if he really did commit a crime, he would dare to do anything!

Nezha, "where's sister Chang 'e?" Marshal Tianpeng listened to sister Chang 'e the most. She could have just sent him a message.

[celestial Hound: fairy Chang 'e has been summoned into the palace by the Queen Mother. She said that there will be an important guest visiting the heavenly court recently, and she wants fairy Chang' e to perform a song and dance!]

The Great Sage, Heaven's Equal thought, 'in this situation, I'm afraid even Chang' e can't change the eight precepts ... No... I should call it canopy!' He was no longer who he used to be!

Chen Xiaobei: Even if it's dangerous, I'll accept it! In my heart, second senior brother will always be that simple and cute second senior brother!

Chen Xiaobei thought, 'he wanted to kill me because of Shen gongpao's instigation!' I will definitely protect him and let him return to his original self!

The Great Sage, Heaven's Equal, Xiaobei! You really are my brother! He was too loyal!

Red Boy: 'Brothers at the cost of their own lives' was exactly what he meant by that! The Three Realms is so big, I only respect my bro bei!

Chen Xiaobei: " alright, stop flattering me! I don't want brother monkey to find Shen Gongbao because I'm worried about the safety of my second brother and the celestial Hound!

Red Boy asked, "what danger will the celestial Hound be in?"

Chen Xiaobei: " Shen gongpao didn't tell us anything about what happened today. We have to pretend that we don't know anything! Otherwise, Shen Gongbao would definitely suspect that there was a mole around him!

Celestial Hound, "God Chen, you're really good at calculating!" Today, Shen Gongbao mentioned that there was a mole. Fortunately, he didn't suspect me!

Chen Xiaobei, "I don't care if he's suspicious or not, but you have to be more careful in the future!" The cultivation tribulation was coming, and every step was shocking! If Shen Gongbao catches you, you'll definitely die a miserable death!

The celestial Hound, "I understand!" Don't worry about me!

If there's nothing else, I'll take my leave. I want to be alone.

The celestial Hound, wait! There was one more thing! Today, Tian Peng asked Shen Gongbao for a healing elixir! Everyone was guessing the use of that immortal pill!

Chen Xiaobei thought, "a healing elixir?" I know the use of that immortal pill!

Obviously, the underground world of The Five Venoms sacred cult was extremely well-hidden that day. The mysterious earthly immortal who descended from the sky could find the exact location, so he must have been teleported there by Shen Gongbao!

This person was definitely Tian Peng!

Tian Peng attacked, but he did not kill Chen Xiaobei in one hit!

Instead of going after Chen Xiaobei, Tian Peng had taken Qin Wuxin away!

"My previous guess was right! Second senior brother didn't come after me because he wanted to save Qin Wuxin!"

that's right! Chen Xiaobei said, "with that healing elixir, Qin Wuxin's mortal body will be completely healed!"

"This is good! Second senior brother's temperament had changed greatly! There was also the scheming Qin Wuxin! I'm afraid that my future will be filled with fear ..."

Chen Xiaobei calmed himself down and said, "no! I can't be beaten up passively! He had to strike first! Go to the blood Emperor Starfield and take the pool of blood from the blood ancestor!"

"But the biggest problem now is that I don't know where the blood pool is ..." He said.

Ding Ling Ling Ling

Suddenly, Chen's phone rang. It was LAN Mengcheng.

"Mengchen? Why are you calling me at this time?" Chen Xiaobei asked.

LAN Mengcheng's anxious voice came from the other end of the phone. "Something has happened at the cosmetics factory! The people from cherishing face Hall had come to provoke them! Wu aofeng had an argument with someone! He's going to the life and death Ring!"

"Wu aofeng?"

Chen Xiaobei was taken aback and said, "This idiot! You're already on the Vermilion Bird continent, and you still don't know how to control your temper? Don't you want to live? Just wait! I'll come over now!"

Chen Xiaobei did not dare to waste any time and immediately rushed out.

One must know that Wu aofeng was one of the top geniuses on earth. He was very arrogant and even had a nickname, face-smacking little tornado!

This guy's bad temper was like gunpowder, it would explode at the slightest touch!

Although Chen Xiaobei did not know what the life or death Ring was all about, he was sure that with Wu aofeng's personality, he would definitely fight to the death with his life once he lost his temper!

The cosmetics factory was built on the empty land outside bei Xuan faction.

When Chen Xiaobei arrived, he saw a crowd of people rushing in the same direction.

Chen Xiaobei saw a special ring.

On both sides of the ring were the people from cherishing face Hall and Bei Xuan clan.

Around the ring, there were already thousands of onlookers.

"Aofeng! I've already called your master! Can you calm down? you can't just enter the life and death Ring ... LAN Mengcheng advised nervously.

"Miss LAN! Don't mind me!"

Wu aofeng's eyes were like a ferocious Tiger's, " I'm slapping little tornado in the face. I can't let anyone slap me in the face, and I can't let anyone slap my master's face!

Chapter 1888: Extremely aggrieved (2)

"Aofeng, you have to calm down!"

"If you can win, I won't stop you!" LAN Mengcheng tried to persuade him. But in the factory, you already exchanged a punch with the people from cherishing face Hall! The other party's combat power is obviously 5000 higher than yours! I can't let you enter the life and death Ring!"

The so-called life and death arena was a stage where people used their strength to determine life and death!

One had to know that in the Qin family's main city, private fighting was strictly prohibited. If there were any conflicts that could not be resolved, they would be resolved on the life and death Ring.

This method was very simple and brutal. The strong would be respected, and all conflicts would be resolved with strength!

However, this method was also very practical. It could not only resolve disputes, but also limit the conflicts within a controllable range, and ensure the stability of the main city as much as possible!

Because of this, there were almost no main cities in apocalypse Starfield. In fact, every sect had a life and death Ring!

No fighting is allowed under the life and death arena!

On the life and death arena, you are responsible for your own injuries and deaths!"

As long as one ascended the life and death Ring, no matter if one died or was injured, one had to be responsible for it.

From the small fight at the factory, it was clear that Wu aofeng was 5000 combat power lower than the enemy!

Wu aofeng had just broken through to celestial cultivation not long ago, and his combat power was only around 80000. With a difference of 5000 combat power, he would definitely be suppressed by the enemy!

“Even if I can’t win, I still want to fight!”

With Wu aofeng’s short temper, he would not back down.”Cherishing face Tang’s people kept insulting our Beichen cosmetics factory! You’re scolding me! I can endure all of this! However, I can’t tolerate them scolding my master!”

“Aofeng! Since you respect master so much, you should wait for him to come first!”

Elders senior brother Feng Qingyang said in a deep voice, “ you should have heard it just now. Life and death are decided on the life and death Ring! If you insist on going on stage, you will lose your life! I think, even if shizun were here, he would also stop you from going up the stage!”

“Elders martial brother! Don’t give me that! What kind of person is our master? He’s the Super madman who destroyed the US aircraft carrier battle group with a single word!”

master! Wu aofeng said with admiration, “ it’s because of master’s arrogance and dominance that I joined bei Xuan faction! I believe that if shizun saw the enemy being so arrogant, he would definitely encourage me to go up and fight!”

“Aofeng! Calm down! No matter what, you should at least wait for shizun to come before you talk!” Huo yuanba also tried to persuade him.

There were more than a dozen bei Xuan disciples who also tried to persuade him, “ “Yes, yes, yes! He had to be calm, impulsiveness was the devil! If you mess around, shizun will definitely be angry!”

“I’m not waiting!” Wu aofeng did not listen to him, he gritted his teeth and said, “ “If I continue to wait, the people of Xiyang Tang will climb all over our heads and shit on us!”

“No! You must wait!”

Tai yitan’s eyes narrowed and he said, “ “You should know that you are not representing yourself right now! I’m representing Beichen cosmetics factory, and the entire bei Xuan faction!”

“If you suffer a crushing defeat, or even get killed! He would only make a fool of himself in the city and completely lose his master’s face! Is this what you want?”

this ... Wu aofeng was stunned.

At this moment, other than the people from bei Xuan faction, there were also hundreds of workers from Beichen cosmetics factory and thousands of onlookers.

If they lost this battle, the news would probably spread throughout the entire Qin family's main city in less than half a day!

At that time, the workers in the cosmetics factory would definitely be shaken and lose confidence in the factory!

Furthermore, cherishing face Hall would definitely spread the news and make Chen Xiaobei and Bei Xuan faction the laughingstock of the entire city!

At that thought, Wu aofeng's anger died down.

Even though he had a bad temper, he respected and admired Chen Xiaobei.

The reason why he was going to the life or death Ring was to protect Chen Xiaobei's face!

However, the current situation was that the enemy was stronger. If Wu aofeng went to the life and death Ring, Chen Xiaobei would be humiliated!

Wu aofeng even felt a little regretful. He should not have agreed to the challenge.

"You over there!"

At this time, a brawny man from cherishing face Hall jumped onto the stage and pointed at Wu aofeng, "Aren't you known as the face-smacking little tornado? I'll be waiting for you on stage! Why don't you come up!"

I ... Wu aofeng's face was filled with confusion.

If this was just a battle between Wu aofeng and himself, he would definitely risk his life to fight!

However, this battle was about Chen Xiaobei and Bei Xuan faction's reputation!

Wu aofeng was not stupid. He did not want to risk his life and embarrass Chen Xiaobei and Bei Xuan faction!

"Hehe, weren't you quite arrogant just now? Why are you so scared?"

if you don't dare to go on stage, then go back to your bei Xuan faction with your tail between your legs! the burly man mocked arrogantly. Let the people in the city see what kind of people bei Xuan faction is!"

"You said I can! Don't talk about bei Xuan faction!" Wu aofeng's face turned red in anger.

"Why can't I?"

The burly man was insatiable. to put it nicely, a sect that can teach a coward like you is called a sect! To put it bluntly, it's a hoodlum's nest where a motley crew gathers!

f * ck you! How dare you call bei Xuan faction a gang?! I'll kill you! Wu aofeng was enraged and he was about to rush up to the stage.

Fortunately, the surrounding bei Xuan disciples were all pulling him back with all their might, so he didn't rush up the stage.

“Did you see that? Did everyone see that?”

“I’m not targeting that Wu guy. I’m talking about everyone in bei Xuan faction. They’re all cowards!” The burly man sneered. With this kind of courage, he’s not even as brave as a normal hooligan!”

As soon as he said that, the thousands of onlookers started to point at the people from bei Xuan faction.

After all, everyone in bei Xuan faction was trying to stop Wu aofeng from going up to the stage.

In the eyes of others, this was indeed a very cowardly performance!

The people from bei Xuan faction were extremely frustrated. However, if they did not stop Wu aofeng, he would definitely be humiliated by his enemies, or even beaten to death!

“Oh right! Where’s your sect leader?”

Seeing this, the brawny man became even more arrogant. “Why hasn’t the leader of bei Xuan shown himself after such a big incident? Was he born in the year of the turtle? You only know how to hide! Hahaha ...”

Upon hearing this, with the fat woman Zhu ruhua as the leader, the dozens of people from cherishing face Hall all burst into laughter and began to mock bei Xuan faction without restraint.

“You motherf * cker! Don’t talk about my master!” Wu aofeng was so angry that his eyes were almost spitting fire.

However, the people from bei Xuan faction had no choice but to hold Wu aofeng back. They could not just watch him die!

“All of you, let go of ao Feng! Let him go up the stage!”

At this moment, a young Man in Black walked out from the crowd. He spoke in a relaxed tone and had a frivolous expression on his face. He didn’t take the life and death Ring seriously.

Chapter 1889: The battle roars shocked the city (3)

“Who is this kid?”

In an instant, everyone’s eyes were focused on the young man.

“Master! Master, you’ve finally come!”

The people from bei Xuan faction were all excited, as if they had seen hope in their despair.

It was obvious that the young man in Black was the leader of bei Xuan faction, Chen Xiaobei!

“What? He was the leader of bei Xuan faction? Are you kidding me? He’s too young, isn’t he?”

“No wonder bei Xuan faction is a bunch of cowards! It’s impossible for this kind of little brat to support this disciple, it’d be strange if he didn’t cower!”

“So funny! A sect like this can’t even compare to the bigger gangs in the city. Any random group of hooligans can crush them!”

The crowd did not know who Chen Xiaobei was. Their first impression of Chen Xiaobei was that he was just a young kid. He did not fit in with the overbearing leaders of the sects!

But at this moment, the face of the cherishing face Tang’s boss, Zhu ruhua, was filled with a complicated expression.

The last time Zhu ruhua had a conflict with Chen Xiaobei, the people from the North discipline Commission came and suppressed the matter. Since then, Zhu ruhua had been full of respect for Chen Xiaobei.

But now, Zhu ruhua had brought her men to cause trouble. She was not afraid of offending Chen Xiaobei or the North discipline Commission.

Even if one used their toes to think, they would know that Zhu ruhua definitely had the backing of a Big Shot.

Moreover, he was at least an important figure on the same level as Qin Yitian!

Because of that, Zhu ruhua looked at Chen Xiaobei fearlessly and was determined to get her revenge.

“Yo! I was wondering who it was!” “So it’s that stinky brat who came to my shop to cause trouble the other day!” Zhu ruhua said in a strange tone.

“Hello, fat woman!” Chen Xiaobei grinned and waved at Zhu ruhua.

“F * ck! Who are you calling a fat woman!” Zhu ruhua was so angry that she was trembling. Her face was full of fat, and it was not the usual kind of fat.

the public’s eyes are sharp. Who’s the fat one? is there a need to ask?” Chen Xiaobei shrugged and teased.

As soon as he said that, the thousands of people around him all laughed.

you ... Zhu ruhua was so angry that she almost spat out a mouthful of blood.

Chen Xiaobei ignored her and turned to the people from bei Xuan faction. “Let go of ao Feng, let him go up the stage to fight!”

“How can we do that!” LAN mengchen was anxious, “the brawny man on the stage is 5000 points stronger than ao Feng!” This was the life and death Ring! If ao Feng goes up directly, he might be beaten to death!”

yeah...Yeah... We can’t just watch aofeng die like this ... the crowd nodded, not wanting Wu aofeng to go on stage.

Chen Xiaobei shrugged and asked, “ I’m the leader of bei Xuan faction, and I’m also ao Feng’s master. Do you think I’d watch my disciple die? ”

this ... the crowd was stunned and finally let go of Wu aofeng.

However, Wu aofeng did not dare to go up to the stage, he said in a low voice, "Master! I'm not afraid of being beaten up ... I'm not even afraid of death ... But I'm afraid of losing face for bei Xuan faction, and I'm afraid of ruining your reputation ..."

"Are you going to go on stage or not?"

At this time, the brawny man on the stage couldn't hold back anymore and provoked, "If you f * cking are scared, then kneel down and kowtow three times. I don't care about killing cowards. After kowtowing, you can get lost!"

"Hmph!" Zhu ruhua coldly snorted and sharply mocked, "I've already said that the people from bei Xuan faction are all cowards! He was even worse than the hooligans on the street! Even if that Wu fellow had ten guts, he wouldn't dare to go up the stage!"

As soon as he said that, the thousands of people around him started to point at bei Xuan faction and mock them.

As for the hundreds of cosmetic factory workers, they felt extremely embarrassed!

The workers had even begun to withdraw from the crowd in twos and threes. If nothing unexpected happened, these workers would go to the factory to resign the next day.

If they continued to work for bei Xuan faction, they might not even be able to lift their heads in the city in the future.

At this moment, in this situation, it was clearly the people from cherishing face Hall who were causing trouble, but in the end, the ones who were injured and humiliated were bei Xuan faction!

The result made every bei Xuan faction disciple feel extremely aggrieved!

Unfortunately, in this world where the strong were respected, no one cared if you were aggrieved or not!

Without enough strength, no matter how aggrieved you are, you can only hold it in!

At this point, Wu aofeng was already blaming himself to the extreme.

LAN Mengcheng and the others were in despair. They could do nothing but lower their heads and face the ridicule and cold eyes around them.

But! At this moment!

Chen Xiaobei was the only one who did not change his expression. He asked, "Wu aofeng, when did you stop trusting me?"

"Ah?"

Wu aofeng was stunned, "Why do you say that, master? How could I not believe you? You are my master! He's my idol! I'll trust you unconditionally for the rest of my life!"

"If that's the case, why don't you dare to go on stage?" Chen Xiaobei asked.

"I ... I'm just afraid of embarrassing bei Xuan faction and you, master! Wu aofeng said.

“If you trust me, then go on stage!” Chen Xiaobei said.

this ... Wu aofeng was stunned.

The people from bei Xuan faction were also stunned. They could not understand why Chen Xiaobei would send Wu aofeng to his death when he knew that he would lose.

Chen Xiaobei said, “Wu aofeng, if you don’t have any confidence in me, then you should just kneel down and kowtow to me! The face-smacking little tornado I knew is already dead!”

“No!”

Chen Xiaobei’s words struck Wu aofeng like lightning!

With a roar, Wu aofeng’s dispirited and conflicted expression was instantly swept away, and he became 120% alert.

“I, Wu aofeng, will die standing! No matter what, I will not kowtow to the enemy!”

Wu aofeng gritted his teeth and shouted, “Master! This disciple has caused you trouble! This battle! This disciple only wishes to die in battle, I will not beg for mercy! I want the entire Qin family’s main city to know! We, bei Xuan faction, are not cowards!”

Wu aofeng roared and used his true Qi to boost his voice.

It wasn’t just the thousands of people present, but probably half of the people in the North City had heard this thunderous battle cry!

In an instant, everyone was shocked!

No one laughed at bei Xuan faction anymore. The workers who had retreated stopped in their tracks. Even Zhu ruhua’s expression changed drastically. Even thousands of people started to gather around.

“Very good! That’s the true disciple of bei Xuan faction!”

Chen Xiaobei nodded and took out two pills from his infinite space ring. He handed them to Wu aofeng and said, “eat these two pills. After you go on stage, slap that guy’s face until it explodes!”

Chapter 1890: Heavenly Yuan sublimated (4)

“What ... What kind of pill is this?” Wu aofeng asked curiously.

“Heaven’s secrets can not be revealed!”

Chen Xiaobei’s eyes narrowed and he said in a serious tone, “I asked you to go up the stage, not to send you to your death! I want you to tell everyone that bei Xuan faction doesn’t cause trouble, but we’re not afraid of trouble either!”

Everyone’s expression changed again. They could not understand where Chen Xiaobei got his confidence from.

He was definitely not afraid of trouble!

In a place like apocalypse Starfield, where there were many hidden talents, even the big shots of the big forces didn't dare to say something like that!

Moreover, Chen Xiaobei was saying that when Wu aofeng was not as strong as him!

He was simply courting death! Seeking death!

Wasn't this? As soon as Chen Xiaobei finished his sentence, Zhu ruhua called the brawny man on the stage over and muttered something to him.

After the burly man heard this, he immediately rubbed his fists and wiped his palms. He was full of fighting spirit and even revealed a thick killing intent. He provoked, "Who's that! Don't be so wishy-washy, if you want to die, come up quickly, this old man will fulfill your wish!"

"Master! I'm going!" Wu aofeng swallowed the two pills and jumped onto the stage.

[ding Yingluo's cultivation base: early phase of celestial cultivation. Lifespan: Year 273, physique: 81000, combat power: 81000!

Chen Xiaobei immediately activated his netherspirit battlescouter to check Wu aofeng's cultivation level.

In the next second, his physical strength and combat power began to increase madly like a clock!

Obviously, Chen Xiaobei was not afraid that Wu aofeng would lose the fight!

At this moment, Wu aofeng's physical strength and combat strength had increased because of the two pills he had just taken!

That's right!

The two elixirs were the heavenly essence sublimation pills that he had snatched from immortal Tai Yi's Red envelope!

Similar to the skybreaking cultivation pill, the skybreaking cultivation pill was also for cultivators of the skybreaking cultivation stage.

One heavenly essence sublimation pill could increase one's combat power by 3000 and physical strength by 3000!

However, Wu aofeng was only at celestial cultivation. The same pill would have a more significant effect, increasing his combat power by 6000!

The two pills could increase Wu aofeng's combat power by 12000 in one go, and he would be able to defeat the brawny man on the stage!

[ding Yingluo's cultivation base: early phase of celestial cultivation. Lifespan: 273 years, physique: 93000, combat power: 93000!

Soon, the value of the netherspirit battlescouter stabilized.

From this moment on, the battle on the life and death arena had actually already lost all suspense!

However, the brawny man was still unaware. I've never seen a master like this. It's fine if he doesn't protect his disciple, but he actually asked his disciple to go up the stage and die?" You're simply cruel and unscrupulous!"

Wu aofeng did not realize that his combat strength had increased by a lot, and he shouted, "Cut the crap! If you want to kill or cut me down, come at me! Say bad things about my master again! I won't let you off even if I become a ghost!"

"What's the hurry? You don't even know the rules!" The brawny man sneered and looked to the other side.

A Baihu of the North discipline Commission walked out and coldly said, "no magical weapons are allowed in the life and death Ring. You can only fight with your own strength!"

It was obvious that magic weapons could be borrowed. A person of a lower level could borrow a magic weapon of a higher level, but his opponent would borrow a magic weapon of a higher level. In this way, the competition would lose its meaning.

More importantly, the magical equipment was too powerful. If an earth-god instrument was used, it would cause great damage to the city.

Therefore, the first rule of the life and death arena was to fight with one's true ability.

"The second rule," the Baihu continued, "on the life and death arena, either life or death is decided, or one of you begs for mercy and is pardoned! Otherwise, both parties are not allowed to leave midway, and outsiders are not allowed to intervene midway!"

"Whoosh!"

As soon as he finished speaking, a green light curtain rose around the life and death Ring, covering the entire ring.

If Wu aofeng and the burly man could not get out, no one else could get in.

By doing so, he could ensure that the battle was absolutely fair!

At the same time, he could also completely kill or subdue one side, completely resolving the conflict!

"The life and death Ring has been sealed! The two of you can take action at any time! Life and death are up to fate, you are responsible for it!" With the Baihu's command, the battle officially began.

"Who's that! Don't blame me for being merciless!"

"I just received orders from the higher-ups to crush you on stage!" The burly man said with a sinister expression. I'll torture you! But I won't kill you! Unless you kneel down, admit defeat, and beg for mercy in front of everyone, you'll be better off dead!"

"Where does all this nonsense come from? Whoever begs for mercy will be a grandson!" Wu aofeng was like a murderous Tiger, he clenched his fists and charged at the man!

"Heh, you won't shed tears until you see the coffin!" "Your combat power is lower than mine by 5000!" The burly man said disdainfully. I'm going to torture you like I'm torturing a dog!"

“Swish!”

The brawny man’s face was filled with viciousness as he threw a punch at Wu aofeng!

His fist was boosted with 86000 combat power, and he was going all out to suppress Wu aofeng!

“BOOM!”

On the other side, Wu aofeng was already prepared to die. He did not Dodge, but instead, he threw a punch at the man’s fist!

In an instant, everyone’s eyes were focused on the point where the two fists met.

Zhu ruhua and the people from cherishing face Hall all revealed sinister smiles and were even ready to cheer!

The people from bei Xuan faction were extremely worried. Some of them had even closed their eyes, not daring to watch what was going to happen next.

It was obvious that the people from cherishing face Hall, bei Xuan faction, and everyone else on the scene were certain that Wu aofeng would lose!

Everyone could even predict that after this punch, Wu aofeng would be completely suppressed and tortured!

Other than Chen Xiaobei, no one else thought highly of Wu aofeng!

However, in the next moment, everyone except Chen Xiaobei was dumbfounded.

“BOOM!”

When two fists met, there were no gorgeous moves or mysterious routines. It was just brute force against brute force, and only the strong could win!

To everyone’s surprise, Wu aofeng was the one who won!

After the punch, Wu aofeng was standing on the same spot, unscathed!

argh ... the brawny man let out a miserable cry like a pig being slaughtered. His entire body was sent flying, and he crashed heavily into the green barrier before falling to the ground. He vomited blood, and the bones in his entire arm were broken!

This punch had stunned the burly man and everyone else in the audience.

Wu aofeng himself was stunned. He looked at Chen Xiaobei in disbelief and said, “ master ... The pill you gave me ... Did it increase my combat power ... This effect is too heaven-defying ... I’m not dreaming, am I ...

“Don’t just stand there!”

Chen Xiaobei grinned and said, “ Go and slap my face!”
