Chapter 1891: The name of beixuan (1)

“Alright!”

While the crowd was still confused, Wu aofeng had already pounced on the man like a hungry tiger.

“Bang! Bang! Bang! Bang ...”

Without a word, Wu aofeng rushed over and started punching and kicking!

Wu aofeng had been 5000 combat power behind, but with the help of the two pills, he was able to increase his combat power by 12000, which was 7000!

The difference in strength was obvious, and the man was still in a daze. Before he could react, he was already on the ground!

Wu aofeng used all his strength to punch and kick the man’s face like a storm!

“Ouch ... It hurts ... Ouch ... It hurts ...”

The brawny man screamed in pain and rolled on the ground. In less than ten seconds, more than half of his bones were broken, and he lost the ability to fight back.

“Weren’t you pretty awesome just now?”

Wu aofeng grabbed the man’s hair and lifted him up like a dead dog. Then, he swung his other arm and slapped the man.

“Pa!!!”

With a loud sound, half of the brawny man’s face swelled up. A large dark purple handprint was clearly visible on his face!

The thousands of people around him touched their cheeks subconsciously!

That slap was so ruthless that it hurt just looking at it!

“Ugh ... Cough, cough, cough ...”

The brawny man opened his mouth and spat out a mouthful of blood. He looked at Wu aofeng as if he was looking at a demon.

The burly man could not understand how Wu aofeng’s strength had suddenly increased so much!

In such a situation, the burly man had no choice but to beg for mercy!

“Pa! Pa, pa, pa ...”

However, before he could beg for mercy, Wu aofeng had already slapped him.

“Weren’t you very pretentious just now? Didn’t you say you wanted to torture me on stage? Didn’t you want me to kneel and admit defeat? Didn’t you want me to cry and beg for mercy? Act! You can continue to act cool! I’ll turn into heavenly lightning and strike you to death!”

While drawing, Wu aofeng cursed, “How dare you call us cowards? You even dare to call my master a cowardly turtle? I’ll let you have a taste of what it’s like to offend bei Xuan faction!”

“Pa pa pa ...”

The sound of the slaps was extremely loud and continuous. The brawny man was directly slapped into a pig’s head. The skin on his cheek was torn and his flesh was torn. It was extremely miserable!

In the end, all of his teeth fell out, his jaw was completely shattered, and the tendons that controlled his mouth and tongue were broken!

Although he wanted to beg for mercy, he couldn’t even say half a word!

“Uh ... Uh ...”

Obviously, the man was afraid of death and wanted Wu aofeng to spare his life.

“Don’t worry! I won’t kill you!”

“I’ll let you Live!” Wu aofeng said. I’ll let you be a role model! Let everyone who sees you know that bei Xuan faction doesn’t cause trouble, but we’re not afraid of trouble either! You’ll be the role model for those who offend bei Xuan faction!”

uh ... the strong man nodded with difficulty, indicating that he would always remember this sentence.

“There’s more!”

Wu aofeng shouted, “I’m not that you! I’m the direct disciple of the master of bei Xuan faction! Face smacking little whirlwind! Martial arts! Pride! Sharp!”

uh ... Uh uh uh ... the burly man nodded repeatedly, his pupils involuntarily contracting.

Without a doubt, the name ‘Wu aofeng’ would be engraved in his bones, and he would never be able to get rid of it!

Seeing this, the thousands of people present, as well as the tens of thousands of people who had arrived later, were all deeply shocked.

They were so shocked that their eyes and mouths were wide open! Gasps of shock could be heard from the crowd!

Obviously, Wu aofeng did not manage to kill his opponent in the arena of life and death.

However, his powerful performance was enough to make most of the people in the Qin family’s main city remember bei Xuan faction’s name! Remember, do not provoke bei Xuan faction!

All of a sudden, every member of bei Xuan faction felt like they had vented their anger. All the frustration they had just felt was swept away, replaced by a great feeling!

All the workers in the cosmetics factory felt extremely proud. Not only did they not leave, but they also proudly introduced themselves to the people around them that they were working for bei Xuan faction!

In comparison, everyone from cherishing face Hall was in a very awkward situation!

Half a minute ago, Zhu ruhua was still leading the crowd from cherishing face Hall to mock bei Xuan faction! Half a minute later, Wu aofeng had beaten their best fighter to a pulp!

The loud slaps not only landed on the brawny man's face, but also turned into invisible slaps that landed on the faces of every member of cherishing face Hall!

Including Zhu ruhua, the faces of everyone from cherishing face Hall turned red and green, their cheeks burning hot, wishing they could find a hole to hide in!

"Victory and defeat have been decided! Please remove the barrier!"

Wu aofeng threw the brawny man to the side and looked at the Baihu of the North discipline Commission who was controlling the formation.

I ... I'm afraid we'll have to wait ... the centurion hesitated and looked at the crowd with fear.

In that direction, there were more than a dozen black-robed men, each of them wearing a heavy hat to cover their faces, making it impossible to tell their identity.

However, even without looking, Chen Xiaobei could guess the identity of the person.

"Which young master of the Qin clan is here?"

Chen Xiaobei looked at her and said, "We're all old acquaintances, so why are you hiding?"

It was obvious that Qin Yitian had told the North discipline Commission to take care of bei Xuan.

But today, Zhu ruhua was the one who started the trouble, and the North discipline Commission did not dare to help Chen Xiaobei.

It was obvious that there was a member of the Qin family, who was on the same level as Qin Yitian, behind the scenes.

"Hehe, young master Chen is indeed smart!"

The black-robed men took off their hats one after another. The one in the lead was indeed an old acquaintance. He was the young master of the sixth branch of the Qin family, Qin haoqian!

"Greetings, young master Hao Xiang ... Greetings, young master Hao Xiang ..."

In an instant, thousands of people from all directions bowed to Qin Haohao with their hands cupped, showing their respect.

To the citizens of the Qin family's main city, the Qin family was equivalent to the royal family!

This time, Qin haoyan also had a share in the competition for the Qin family's seven lineages. In other words, Qin haoyan also had the possibility of becoming the Qin family's Crown Prince!

Therefore, none of the citizens in the city dared to be disrespectful to Qin Haohao!

I wanted to use the cherishing face Hall to ruin bei Xuan faction's reputation and drag Qin Yitian into this, but the trash of the cherishing face Hall is too weak!

Qin haoyan was extremely arrogant. He looked at the life and death Ring coldly and said, " this isn't over yet. I'm going to take action personally and defeat bei Xuan faction!

"Young master Hao Zhen, you're in such a good mood!"

Chen Xiaobei stepped forward and said, " since your target is bei Xuan faction, I'll have to play with you!

Chapter 1892: One finger is enough (2)

"You want to play with me? Do you have the guts to do that?"

Qin Haoxiang's tone was contemptuous, and his eyes were filled with disdain. He did not take Chen Xiaobei seriously at all.

Everyone looked at Chen Xiaobei as if they were looking at an idiot!

"This kid is crazy! He looked like he was twenty-one or twenty-two years old. He was two or three years younger than young master Hao Xiang! His cultivation base is definitely much higher than that of young master Hao Yan!"

"Do you still need to say that? Young master Hao Yan was the young master of the sixth branch of the Qin family! He had access to top-notch cultivation resources from a young age! His cultivation level is definitely higher than his peers. Moreover, he's even younger!"

"But then again! Young master Hao Xun was going to teach Wu aofeng a lesson! This kid can stand up to block the blade for ao Feng, he can also be considered a man of loyalty!"

"Yup! No wonder he was able to become the sect leader of a sect at such a young age. He was loyal! He had guts! I'm also convinced by him!"

"Don't be naive! What's the use of loyalty and courage? This kid went up the stage and was beaten to death by young master Hao Xiang! It won't be long before the entire bei Xuan faction is toyed to death by young master Hao Yan!"

"That's true ... Not only is young master Hao Yan powerful, but he's also very powerful! He had more power! It's easier to toy with a small sect than to toy with a dog!"

"That's why I said! 'That brat is an idiot if he wants to challenge young master Hao Xiang on the life and death Ring!' You're just courting death!"

The crowd was discussing and treating Chen Xiaobei as an idiot.

Although the people from bei Xuan faction didn't say anything, they were all worried.

There was no doubt that everyone in bei Xuan trusted Chen Xiaobei, but they also knew that Qin haoyan was the kind of person they could not afford to offend!

Even if Chen Xiaobei had the ability to win, bei Xuan faction's good days would come to an end when the Qin family took revenge on them.

However, Chen Xiaobei remained calm and said, "I've always been very bold! If young master Hao Xiang insists on going up to the life and death Ring, my disciple will definitely not be your match. I'll have to go!"

[ding Yingying's cultivation base is at the late-stage of God-refinement realm. Lifespan: [year 1138, physique: 1200000, combat power: 1200000!

The netherspirit battlescouter had already seen through Qin Haohao's strength. Wu aofeng was only at celestial cultivation, and his combat strength was not even a fraction of Qin Haohao's.

If Chen Xiaobei did not make a move, Wu aofeng would be dead.

hehe, I didn't expect Chen Xiaobei to be such a protective faction leader!

Qin haoyao's eyes focused and he said viciously, " but I have to remind you, " she said. you can't touch an earth-god instrument in the life and death Ring! Without that black blade, what are you going to use to fight with me?"

"Do you really want to enter the ring of life and death?" Chen Xiaobei asked. If you don't want to, then let my disciple out. We still have to go back to the sect for supper, we don't have time to serve you!"

"You little brat!"

"I'm the young master of the Qin family's sixth branch!" Qin haoyan said angrily. To be able to serve this young master is the good fortune that you've cultivated for several lifetimes!"

"So much nonsense! There are tens of thousands of people here watching!" what?! Chen Xiaobei said impatiently, " you're the mighty Prince Hao Xiang! Is this all you're doing? "

"Numbing! Who are you calling wishy-washy!" "Let's go to the life and death Ring now!" Qin haoyan roared. The one who doesn't go up is the grandson!"

As soon as he said that, the Baihu who was controlling the formation immediately removed the green light curtain that covered the life and death Ring.

Wu aofeng ran back and said, " "Master, can you do it? I was the one who caused this! If you can't, then I'll take it on with my life!"

"What are you talking about? Have I, your master, ever been incapable?" Chen Xiaobei shrugged and stepped into the arena.

"Xiaobei! be careful ... LAN Mengcheng was nervous, but before she could finish her sentence, Chen had already rushed up to the stage.

All of a sudden, everyone's attention turned to the life and death arena.

“Kid!”

“In order to prevent you from going back on your word, you have to hand over your interspatial ring to the people below the stage!” Qin Haoxiang said coldly.

“No problem!” Chen Xiaobei shrugged, took off the infinite space ring and threw it to LAN.

LAN Mengcheng frowned and gathered her courage to say, “Young master Hao Xiang! For the sake of fairness, shouldn’t you also take off your storage bracelet?”

“Oh, do you even need to ask? In front of so many people, I, Qin haoyao, will definitely follow the rules and beat that Chen to death fair and square!” Qin haoyan had an indifferent expression on his face. He took off his storage bracelet and threw it to a black-robed man for safekeeping.

Obviously, in Qin haoyao’s eyes, he was stronger than Chen Xiaobei, and there was no need to break the rules!

“Whoosh ...”

The two of them threw away their Storage Treasures and activated the life and death ring’s array once again. A green light screen covered the entire life and death Ring.

young master Hao Yan, you can start now ... the Baihu reminded him.

“Swish!”

Before he could finish his sentence, Qin haoyou had already rushed out and roared arrogantly, “You little brat! Without that black blade, you’re just an ant! Accept your death!”

Qin Haoxiang’s 1.2 million combat power was fully unleashed!

“Woof!”

On the edge of his fist, a red flame burned! The light was resplendent and incomparably intense, like a shooting star that was enough to shatter the earth!

“Explosive meteorite fist! That was young master Hao Qian’s ultimate move! He’s so strong!”

“What kind of enmity does that Chen fellow have with young master Hao Xiang? How much hatred? Young master Hao Xiang, you’re using your ultimate move right from the start. You’re trying to take my life!”

“No need to say! That kid is dead! Young master Hao Xiang is cultivating a top-grade fire-element cultivation technique. Not only is his fist powerful, but it also has a terrifyingly high temperature. Even ordinary steel would be melted by his fist!”

“That’s right ... With this punch, that Chen guy will probably be burnt to a crisp! Or even turn into ashes!”

The surrounding people screamed one after another, deeply shocked by Qin Haoxiang’s attack.

At the same time, everyone from bei Xuan faction was extremely worried!

Even though the people from bei Xuan faction had absolute trust in Chen Xiaobei, the enemy's strength was right in front of them. Without the help of an earth-god instrument, how could Chen Xiaobei possibly survive?

However, facing such an attack, Chen Xiaobei did not even try to Dodge. He just stood there quietly and did not even bother to use his ethereal force!

"You little brat! Have you been scared silly? Facing my attack, you still dare to be in a daze! I want you to die without an intact corpse!"

die! Qin Haoxiang roared as he threw a 1.2 million combat power punch at Chen Xiaobei's head.

At the last moment, Chen Xiaobei finally raised one hand. He only extended one finger!

"What do you mean by sticking out a finger?" Qin haoyao frowned, his face full of doubt.

"To deal with a weakling like you." "One finger is enough," Chen Xiaobei said.

Chapter 1893: Going back on his word in public (3)

"What? You're trying to block my explosive meteorite fist with just a finger! You're too f * cking pretentious!"

Qin haoyao was furious. He felt that he had been greatly provoked. He gritted his teeth and used all his strength.

The tens of thousands of people around them were also very unhappy with Chen Xiaobei's 'pretentious' behavior.

The people from bei Xuan faction were willing to believe that Chen Xiaobei was not 'acting cool', but even if they had ten thousand brains, they would never have thought that Chen Xiaobei would be able to withstand Qin haoqian's terrifying fist!

"Bang!"

The next moment, Qin haoqi's fiery fist landed on Chen Xiaobei's fingertip!

No one had expected this!

The terrifying punch came to a sudden stop when it hit Chen Xiaobei's fingertip. It could not move forward at all!

It was really blocked by a finger!

In an instant, the entire place was deathly silent!

All the people at the scene were so shocked that their eyes and mouths were wide open, and their world views were shattered!

When Chen Xiaobei was about to enter the life and death Ring, everyone thought that he was an idiot!

When Chen Xiaobei said that he could use one finger to deal with Qin haoqian, everyone thought that Chen Xiaobei was a pretentious prick!

But at this moment, the truth was right in front of them!

Everyone who looked down on Chen Xiaobei was slapped in the face.

Everyone's heart was hit by the violent impact of the nuclear explosion.

Obviously, this was the power of truth!

Facts speak louder than words!

The scene in front of them told everyone that Chen Xiaobei was not just acting cool, he was really something!

At the same time, the people from bei Xuan faction were all praising Chen Xiaobei!

"Amazing! Master was simply too powerful! Your physical strength has reached at least 1.2 million!"

"No! Definitely more! To be able to block Qin Haohao's ultimate move with one finger, master's health must be at least one million and three hundred thousand! He'll definitely crush Qin Haoxiang's combat strength!"

"This is too exaggerated! It's only been a short time since we last met, but shizun's progress is actually so great!"

"Only we can't think of this, but no master can't do it!"

master is awesome ... Master is so cool ... Master is so powerful and domineering ... Master, beat him ... Beat him ...

Now that the situation was clear, the people from bei Xuan faction no longer had to worry about Chen Xiaobei. Everyone relaxed and cheered for Chen Xiaobei, waiting for the next show!

how ... How is this possible?!

At this time, Qin Haohao was already dumbfounded. His pupils contracted uncontrollably and his body trembled. He was so scared that he was trembling.

Just a few seconds ago, Qin Haohao thought that he could cripple Chen Xiaobei with his fingers and arm!

However, a few seconds later, the truth was the complete opposite of Qin Haohao's imagination!

Qin Haoxiang's proudest attack, the explosive meteorite fist, was blocked by Chen Xiaobei's finger!

This meant that Chen Xiaobei's strength had far surpassed Qin haoqian's!

And this was also what Qin haoyan couldn't figure out the most!

He had had top-notch cultivation resources since he was young! And he was a few years older than Chen Xiaobei! Why was Chen Xiaobei's cultivation so much higher than his?

In Qin haoyao's eyes, this was an impossible thing! It made him collapse and he even started to doubt his life!

"You still dare to be in a daze on the life and death arena? You'll be defeated!"

Chen Xiaobei did not care about Qin Haohao's shock. He bent his arm and shot it out again! He used the same finger to poke Qin haoyan's chest!

Of course, for Qin Yitian's sake, Chen Xiaobei did not intend to kill him. He purposely avoided Qin haoqian's heart.

But! Chen Xiaobei was not a Saint either. He had to teach Qin haoyan a lesson.

"Swish!"

Chen Xiaobei immediately activated his one million combat power ethereal force, and his fingers became like arrows! Hurry up! Accurate! Ruthless!

Of course, a million combat power was not enough to break Qin Haoxiang's body!

Chen Xiaobei then used the primordial Witch King combat enhancement training manual to increase his combat power from one million to 1.3 million! In addition to his 1.3 million physical strength! He would be able to completely crush Qin Haoxiang!

Without a doubt, with the boost of 1.3 million combat power, this finger would be like a sharp arrow, piercing through Qin Haohao's flesh and stabbing deep into his chest!

If Chen Xiaobei had not held back, that finger would have pierced through Qin haoqian's heart and taken his life!

don't ... Don't hurt young master Hao Xiang ... Don't ...

Seeing this scene, many people in the audience screamed.

In everyone's eyes, Chen Xiaobei's overwhelming power was enough to threaten Qin Haohao!

After all, in the Qin family's main city, Qin haochen was like a Prince. The citizens were all very concerned about his safety! They all felt worried for him!

But the next moment, something that no one, not even Chen Xiaobei, had expected happened!

"Bang!"

Chen Xiaobei's finger stabbed into Qin haoyan's chest.

However, the tips of his fingers didn't Pierce Qin Haoxiang's skin at all! He didn't even hurt Qin Haoxiang at all!

"You're cheating!" Chen Xiaobei's eyes narrowed and he exerted force in his fingers.

"Swish ..."

In an instant, the black robe on Qin Haohao's body was torn apart by Chen Xiaobei, revealing a set of red armor!

The material of the armor was like dark steel, and the surface of the armor was burning with a spiritual light. The spiritual fluctuation it emitted had reached the level of a one-star earth-god!

The people from bei Xuan faction started cursing at the sight.

“Qin Haohao! Don’t you have any shame?”

“You said that we can’t use any Dharma Treasures before the battle started!” Wu aofeng cursed. You even want my master to hand over his interspatial ring! But you’ve hidden an earth-god level armor! You’re simply shameless to the extreme!”

“Qin haoqian!” LAN mengchen could not help but curse. You’re the young master of the Qin family’s sixth branch! He had actually violated the rules set by the Qin clan! You’re basically slapping your own family in the face!”

Everyone from bei Xuan faction was enraged and they cursed, “ “Qin Haohao! You’re too shameless! If you have the ability, then take off your armor and have a fair fight with my master! What kind of man are you to play dirty like this!”

“I just cheated! What can you do to me?” Qin Haohao did not regret it at all. He laughed shamelessly. “Today, I’m going to make this Chen die! After his death, I’ll kill the entire family of anyone who dares to say that I’m cheating!”

As soon as he said that, the surrounding tens of thousands of people all shut their mouths. Some of the more timid people had even fled the scene in advance.

Everyone from bei Xuan kept quiet as well, not daring to anger Qin Haohao anymore.

However, Chen Xiaobei did not change his expression and said, “ “Qin Haoxiang, do you think I’ll be afraid of you just because you have this armor?”

Chapter 1894: Twin Dragons (4)

“Aren’t you just spouting nonsense?”

“The Crimson light steel armor I’m wearing is a one-star earth-god instrument!” Qin haoyan said disdainfully. Defense could withstand the power of a one-star earth-god! The power could burn any existence below one-star earth-god! Do you dare to say you’re not afraid?”

“Don’t the higher-ups of the Qin family care about your outrageous behavior?” There are tens of thousands of people watching here, and you’re going to break the Qin family’s rules by yourself? To slap the Qin family in the face?”

Qin Haoxiang grinned and said, “ “I’m not targeting anyone, I’m talking about everyone here! Whoever dares to speak ill of me, I’ll kill their entire family! As long as no one says anything, how would the higher-ups know about this?”

As soon as he said that, the faces of the surrounding people all showed extreme fear.

Originally, the commoners respected Qin haoyan very much. But now, they saw with their own eyes how shameless and ruthless Qin haoyan was!

This scene caused the commoners to be greatly disappointed. They all resented Qin haoyan for his misdeeds!

However, although there were tens of thousands of people watching, they only dared to be angry and did not dare to speak out!

Everyone kept their mouths shut and didn't even dare to breathe!

One must know that the Qin family's main city was too huge. Its surface area was comparable to a planet!

Something that happened in such a small area would not even reach the ears of the Qin family's upper echelons!

Because of this, Qin Haohao dared to be lawless and act as he pleased! The people were powerless to resist and could only choose to remain silent!

The people from bei Xuan frowned at the scene before them. They had just relaxed but now, they were all tensed up again. There was nothing they could do against Qin Haoxiang's threat.

Without a doubt, at this very moment, everyone had been stunned by Qin Haohao.

Chen Xiaobei was the only exception!

Chen Xiaobei shrugged and said, "The mountains here are high and the road is long? Even if I kill you, the higher-ups of the Qin family won't know, right?"

"Numbing! You little brat! You still dare to act tough even when you're about to die!" "You only have 1300000 combat power!" Qin Haohao was furious. I have the Crimson light mysterious steel armor to protect my body! What the hell are you going to use to kill me?"

Chen Xiaobei did not change his expression and said, "I don't want to waste my breath on a b * tch like you! Just do it!"

"Holy sh * t! You still dare to scold me! I want you to die without an intact corpse! No! I'm going to turn you into ashes!" Qin haoyao was flustered and exasperated as he roared in anger.

At the same time, Qin Haoxiang scattered tens of millions of low-grade spiritual stones. After crushing them, he absorbed all the spiritual Qi into the Crimson light mysterious steel armor.

"Whoosh ..."

In an instant, blazing flames rose up from the Crimson light mysterious steel armor. Like a blazing sun, it emitted a blinding light and a terrifyingly high temperature!

The intense vital essence fluctuation had definitely reached the level of a one-star earth-god!

Even the green barrier around the life and death Ring was shaking and could collapse at any time!

"Crimsonbright! The great blazing sun!"

Qin haoxiao roared madly, fully activating the ability of the Crimson light dark steel armor.

The blazing flames suddenly expanded and almost covered the entire life and death Ring! It was as if the sun had descended and was about to crush everything! Incinerate everything!

“Master ...”

Everyone from bei Xuan faction looked at Chen Xiaobei in despair.

Not only them, but the people around them also looked at Chen Xiaobei with sympathy.

He was facing the crazy Qin Haohao! He was facing Qin Haoxiang, who had a one-star earth-god instrument! Everyone was helpless and could only watch as Chen Xiaobei was crushed by the ‘sun’!

“Hahaha ... Chen! If you kneel down and kowtow to me, I might spare your life!”

Qin Haohao controlled the sun above his head so that it did not immediately attack Chen Xiaobei.

It was obvious that Qin haoxi hated Chen Xiaobei to the core. Before he killed Chen Xiaobei, he wanted to humiliate him.

“If you don’t kneel down and kowtow! I will definitely turn you into ashes! I’ll completely annihilate your bei Xuan faction! Hahaha ...”

Qin Haoxiang laughed crazily, his entire person was like a mad demon with bloodshot eyes! The threat at this moment would definitely be fulfilled later!

When the people from bei Xuan faction heard this, they were in utter despair!

In the ring of life and death, Chen Xiaobei did not have an earth-god instrument and there was no way to escape.

With Chen Xiaobei dead, bei Xuan faction would be without a leader. It was only a matter of time before they were annihilated!

At the last moment, LAN Mengcheng looked at Chen Xiaobei. She did not say anything but she had made up her mind. If Chen Xiaobei died, she would not live on!

“You should indeed kowtow and beg for mercy!”

Chen Xiaobei said, “However, the one who is kowtowing is you, not me!”

“What? You’re still not going to admit defeat at this point?”

Qin Haohan gritted his teeth and roared, “Since you’re not repenting, then you’ll be reduced to ashes!”

“Crimsonbright! The great blazing sun!”

die! Qin Haohao roared in anger. He controlled the sun above his head and directed it at Chen Xiaobei!

“Witch Dragon ... Mystical Fire ...”

At the same time, Chen Xiaobei stood there calmly. He did not Dodge or defend himself. He looked up at the sun with his dark eyes.

“You little brat! Go to hell! hahaha ... Qin haoxi laughed excitedly when he saw that Chen Xiaobei did not Dodge.

However, in the next moment, the expression on Qin Haoxiang’s face turned completely stiff. His pupils contracted uncontrollably, and he even started to breathe rapidly, his limbs cold!

Qin Haohao saw that Chen Xiaobei’s Black eyes had turned purple-gold!

Then, two purple-gold fireballs appeared in Chen Xiaobei’s deep eyes!

Whoosh ... Whoosh ...

The fireball was originally very small, but in the blink of an eye, it suddenly expanded and turned into a raging flame. It even exploded with a terrifying pressure that was like a Heavenly Fire burning a Prairie!

It was as if he could burn the world with a single glance!

“Bang!”

Instantly, the green barrier around the life and death Ring crumbled, and a terrifying heat wave swept across the entire arena!

The surrounding people retreated one after another. Even if they had vital essence to protect their bodies, they did not dare to stand in the heat wave!

“This ... This, this, this ...”

Qin haochen had thought that he would win for sure, but at this moment, he looked as if he had seen a ghost!

In fact, almost all the tens of thousands of people who had retreated had the same expression. The scene in front of them would be unforgettable for their entire lives!

“BOOM! BOOM!”

Two pillars of purple-gold fire shot out from Chen Xiaobei’s eyes and turned into two mighty fire dragons that shot into the sky!

In the air, the huge blazing sun was torn into pieces by the two fire dragons in the blink of an eye!

As the two purple-gold fire dragons rummaged through the trash, the scorching sun was also annihilated, leaving no trace behind!

in ... In your eyes ... Qin haoyao was dumbfounded. He shivered and asked in a trembling voice, “Are ... Are you hiding a three-star earth-god instrument in your eyes?”

“Idiot!”

Chen Xiaobei stomped on the ground, and a golden-purple flame appeared on his palm. “I have three-star earth-god instruments hidden all over my body!”

Chapter 1895: I’m not joking (1)

“This ... This, this, this ...”

Qin haoqian was dumbfounded. He looked at the purple-gold Flame in Chen Xiaobei’s palm and was speechless.

The Crimson light mysterious steel armor was a one-star earth-god instrument. The scorching sun it triggered could even put up a fight with a one-star earth-god for a while!

Who would have thought that Chen Xiaobei would shoot out two fire dragons and destroy the sun!

Judging from the power and energy fluctuations of the two fire dragons, he could tell that they both had the destructive power of a three-star earth-god!

Chen Xiaobei’s palm burst out with the same golden-purple flame, and the same three-star earth-god level power was released. Qin haoyan was so scared that he almost peed his pants!

this is too fearsome ... Who is this faction leader Chen of bei Xuan faction? You’re so young, but you can already control a three-star earth-god instrument!”

that’s right ... Compared to faction Master Chen, young master Hao Xiang is so weak ...

“But then again! The purple golden flame seemed to have the power of an earth level deity, but there was no fluctuation of vital essence! In other words, the Golden purple flame wasn’t produced by an earth-god instrument!”

“No way! This terrifying purple gold Flame wasn’t produced by an earth-god instrument? Where did it come from? It can’t be that sect leader Chen is already a three-star earth-god, right?”

if I’m not wrong, that purple-gold Flame should be a primordial spirit strange fire!

“This ... How is this possible? Sect Master Chen was still young. How could he have the resources and time to cultivate his primordial spirit heavenly flame to three-star earth-god level? This is simply a fantasy story ...”

“Impossible! An ordinary person wouldn’t cultivate such a rare auxiliary skill like the primordial spirit strange flame!”

“But faction leader Chen is no ordinary person ...”

Seeing this scene, everyone around them was stunned.

Xiaobei ... That’s amazing ... LAN Mengcheng’s eyes were wide open as she muttered to herself.

Everyone in bei Xuan faction felt so proud that they wanted to tell the whole world that they were bei Xuan faction’s disciples!

From now on, who would dare to mess with bei Xuan faction? Even if the Qin family wanted to make a move, they would have to think twice!

“Kneel down!”

Chen Xiaobei’s eyes were burning with fire, and so were his hands. He looked like a god of fire that had descended from the heavens.

“Hiss ...”

Qin haoyao took a deep breath. His pupils contracted and his breathing became rapid. Cold sweat poured down his forehead like rain!

If it was an ordinary person, they would have fainted from fear.

However, Qin haoqian was the young master of the Qin family after all, so his state of mind had not collapsed yet. He swallowed his saliva and quickly said, “faction leader Chen, please don’t worry ... Please listen to my explanation ...”

Chen Xiaobei did not comment and just stood there.

it’s all my fault ... I’m willing to apologize ... I’m willing to make it up to you ... But in front of so many people, I beg you to leave me some face ... Even if it’s for the sake of my sister Yitian, don’t make me kneel ...”

Qin haoyan begged in a low voice.

Obviously, with tens of thousands of eyes watching, once Qin haoyan knelt down, the whole city would know!

This would definitely become a stain in Qin Haohao’s life!

He would also completely lose the chance to compete for the family’s successor!

How could a top wealthy family like the Qin family want an heir who knelt down to someone? Wouldn’t he become the laughingstock of the world if he became the clan head in the future?

“I’ll give you ten seconds. Kneel down and kowtow!” Chen Xiaobei did not change his expression. He would not let Qin haoqian off so easily.

In fact, if it was not for Qin Yitian, Chen Xiaobei would have killed Qin haoqian with a single blow.

“Sect leader Chen! I’m the young master of the sixth household of the Qin family!”

Qin haoyan didn’t know what was good for him and said coldly, “My father is the deacon of the sixth branch, and he is at the five-fire god-refining stage! Our sixth branch has many experts and strong financial resources! Sect leader Chen is a smart person, you should know to leave a way out!”

“Are you threatening me?” Chen Xiaobei’s eyes were cold and emotionless.

“Does it matter if it’s a threat or not?”

Qin haoyan squinted his eyes and said, “sect leader Chen wants to establish himself in the Qin family’s main city!” If you become friends with us, faction leader Chen and Bei Xuan faction will have a bright future! Sect Master Chen, you may not be afraid if you become enemies with my sixth branch, but aren’t you afraid of your lovely disciples, family, and friends?”

As soon as he said that, many people around him nodded and whispered, “young master Hao Yan’s threat is too strong. I guess faction Master Chen has no choice but to compromise ...”

Even some of bei Xuan faction's disciples whispered, " the sixth branch of the Qin family is too powerful. It's better not to make enemies with them. Otherwise, we'll be in endless trouble in the future!

LAN Mengcheng did not say anything. She frowned and looked at Chen Xiaobei worriedly. What Chen Xiaobei was going to do next could affect the future of the entire bei Xuan faction!

"The one surnamed Chen! Don't be so ungrateful!"

Seeing the attitude of the crowd, the black-robed men gathered around Chen Xiaobei, trying to put pressure on him!

The green barrier was shattered by the witch Dragon Flame, and the black-robed men surrounded Chen Xiaobei.

The leader of the black-robed men sneered, "surnamed Chen Cai!" Although you possess an extremely powerful ability, it's still not enough to challenge our sixth branch! Now that our young master is willing to give you face and be friends with you, you should feel honored!"

All of a sudden, everyone thought that Chen Xiaobei should take a step back, while the black-robed man on the stage pressured Chen Xiaobei.

Qin haoyan heaved a sigh of relief and revealed a smug smile.

In Qin haoyao's eyes, Chen Xiaobei's best choice was to make a concession and completely resolve the conflict! He had the sixth branch as his backing, so Chen Xiaobei would not dare to push his luck and escalate the conflict!

However!

In the next second, Chen Xiaobei made a choice that made everyone's eyes pop out!

"I said, I'll only give you ten seconds! You think I'm joking?"

Chen Xiaobei's eyes were burning with purple-gold flames as he scanned his surroundings!

"Ah?" Qin Haoxiang was stunned and his heart trembled.

"Boom boom boom ..."

As soon as he finished speaking, two purple-gold fire dragons shot out from Chen Xiaobei's eyes and charged at the black-robed men!

The purple-gold fire Dragon was a manifestation of the witch Dragon's Mystical Fire. It had the power of a three-star earth-god, and the temperature and destructive power of the fire were enough to compete with the vital essence of a three-star earth-god!

Whoosh ... Whoosh ...

The two Dragon shadows crushed over and the black-robed men were instantly engulfed by the purple-gold Heavenly Fire!

"Ah ... It's hot ... Ouch ... It hurts ..."

The screams only lasted for a few seconds before the black-robed men were burned by the strange fire and turned into ashes.

In an instant, everyone was shocked.

However, Chen Xiaobei did not stop. He took a step forward and turned into a shadow, appearing in front of Qin Haohao.

“BOOM!”

Chen Xiaobei’s punch landed on Qin haoyan’s chest like a meteor!

Chapter 1896: Thousands of people’s shock (2)

“BOOM!”

Chen Xiaobei’s fist landed on Qin haoyan’s chest.

However, Qin Haoxiang was wearing the dark red Steel armor and his special ability burst out. The red fire Zhen Yuan rose and covered the armor, forming a protective Zhen Yuan!

Chen Xiaobei only had 1.3 million combat power. There was no way he could break through the defense of the armor!

But! Chen Xiaobei’s fist was covered in the purple-gold witch Dragon Flame!

“Collapse!”

The witch Dragon heavenly flame burst with the power of a three-star earth-god, and the purple-gold heavy fist crushed down. The protective Zhen Yuan of the Crimson light steel armor was shattered like a broken vase!

“Chi ... Chi ...”

Piercing through his protective Zhen Yuan, the purple-gold fist smashed onto the dark red Steel armor!

Who dared to think about it! This one-star earth-god grade dark steel armor was actually melted by the witch Dragon strange fire. Its surface was like melting ice and snow, and it gradually dissipated.

“BOOM!”

The witch Dragon heavenly flame exploded and completely engulfed Qin Haoxiang!

The protective Zhen Yuan layer collapsed, and countless big and small holes appeared on the dark red Steel armor. As these holes continued to expand, the entire battle armor was almost completely destroyed!

“Ouch ... It’s so hot ... It hurts ... Ouch ...”

At the same time, Qin Haoxiang let out a miserable shriek!

The witch Dragon heavenly flame penetrated the armor and burned Qin Haohao’s body directly!

Qin Haohao's skin and hair were instantly burned.

Immediately after, his muscles and tendons were also severely burned.

At the joints where the skin and flesh were thinner, the White bones were already exposed. In the blink of an eye, those exposed white bones would be directly burned!

This shocking scene made everyone's pupils contract uncontrollably. Some timid people even trembled in fear and couldn't bear to look.

spare me ... Please spare my life, faction leader Chen ... Please spare my life for the sake of Qin Yitian ...

The Crimson light mysterious steel armor wasn't completely destroyed and still had a little bit of protection. As a result, Qin haoqian wasn't burned to death immediately. He struggled in pain in the sea of fire, screaming miserably.

"Kneel down!"

Chen Xiaobei stood there, his tone cold and indifferent.

kneel ... I kneel ... Have mercy ...

Qin Haohao knelt on the ground with difficulty. The burns on his body were getting more and more serious and he was on the verge of collapsing.

Once the Crimson light mysterious steel armor was completely broken, Qin Haohao would turn into ashes.

"Bang!"

Without saying a word, Chen Xiaobei lifted his leg and kicked Qin haoyan in the face, sending him flying.

Qin haoyan managed to escape from the sea of fire and his life was spared.

However, Qin Haohao's face was completely disfigured and his entire body was covered in burns. His bones and muscles were all burnt and he could only spend the rest of his life in bed.

It was obvious that if it wasn't for Qin Yitian's sake, Qin haoyan's life would have been lost.

quick, quick, quick ... Save her ... Save her ...

At this time, many people from the North discipline Commission came and surrounded him. They took out all kinds of healing medicine and used them on Qin haoqian as if they were free.

When the purple-gold flames were burning, the people from the North discipline Commission did not dare to go up to save him. They only dared to save Qin haoqian when they saw Chen Xiaobei stop.

At the same time, not only the people from the North discipline Commission, but the tens of thousands of people around them were also shocked to the core. They looked at Chen Xiaobei with infinite respect!

That demonic-like youth had left an indelible mark in everyone's hearts!

Not a single person dared to show the slightest disrespect!

“Bang! Bang! Bang! Bang ...”

Zhu ruhua and everyone from cherishing face Hall knelt on the ground and kowtowed even before Chen Xiaobei said anything. They were afraid that Chen Xiaobei would come after them!

The black-robed men from the sixth branch were killed by Chen Xiaobei with just one look! The young master of the sixth branch had been crushed like a pig by Chen Xiaobei!

Chen Xiaobei could easily destroy cherishing face Hall!

“Master ... Is ... Is too powerful ... It’s as if there’s no limit ...”

Even the people from bei Xuan faction were stunned. They could not believe their eyes.

LAN Mengcheng looked at Chen Xiaobei. She suddenly felt that this arrogant and domineering young man had grown into a man of indomitable spirit! He was a man who could hold up the sky for the sect!

“The North discipline Commission, where is the discipline Commission?”

Chen Xiaobei put away the witch Dragon Flame and looked around.

“I’m ... I’m here ...”

A middle-aged man in luxurious clothes ran up to Chen Xiaobei.

This man was The Guardian of the North Town Governor!

The North discipline Commission was in charge of managing the entire North City, and the area under their control was comparable to more than a dozen countries!

This Guardian could definitely be considered a major governor of the Qin family’s territory. North City would shake with a stomp of his feet!

“Bang!”

Who dared to think about it! The Guardian knelt down in front of Chen Xiaobei and said, “ sect leader Chen, please show mercy ... Sect leader Chen, show mercy ...”

Seeing this scene, the eyes of the surrounding North City citizens almost fell out.

One had to know that this Guardian was not only the Supreme ruler of the North City, he was also a super expert who had refined the spirit with five flames!

This knelt caused hundreds of millions of times of critical damage to everyone’s heart!

“What mercy? I don’t intend to do anything to you!” Chen Xiaobei’s tone was calm, but it was domineering.

“I can guess sect leader Chen’s meaning ...”

The Guardian’s face was sullen as he said, “ you called me here because you wanted me to keep today’s incident a secret and not report it ... But, young master Hao Xiang is crippled, and the higher-ups of the family can’t just ignore it ... If I don’t report it, I’ll definitely die ... I beg sect leader Chen to have mercy ...”

Chen Xiaobei sneered and asked, "Hmph, where do you get your confidence from? You actually think you can guess what I mean?"

"Ah?" The discipline Commission's expression froze and he said awkwardly, "Didn't you want me to hide the truth?"

"Of course not!" Chen Xiaobei shrugged and said, "I want you to report everything that happened today to the higher-ups of the Qin family! You don't have to defend me, but you can't hide the fact that Qin haoyan is running amok!"

is ... Is this ... Really a good idea ... The Guardian swallowed his saliva and said awkwardly, "I'll report tonight. Maybe the people from the sixth branch will come here before dawn ..."

"It's fine, just do as I say!" Chen Xiaobei was as calm as ever.

"Yes! I understand now! I'll go and report it now ..." The Guardian swallowed his saliva and quickly retreated to the side to make a phone call.

"Xiaobei! You want him to report the truth? Does bei Xuan faction have to move again?" LAN Mengcheng ran over, frowning.

Although she didn't say it out loud, LAN Mengcheng was very reluctant to part with the cosmetics factory, which had just been built.

"Don't worry! Bei Xuan faction will not move again! I won't be hiding anymore!"

let's go back! Chen Xiaobei smiled. let's go back and eat and sleep! I'll bear the responsibility for the Qin family's matters!"

Chapter 1897: I know the pill recipe (3)

The crowd dispersed.

Chen Xiaobei also brought his disciples back to bei Xuan faction.

Under Chen Xiaobei's comfort, everyone went back to their rooms to rest.

However, Chen Xiaobei did not rest.

Chen Xiaobei called Jiang Ziya to the training room.

"Xiaobei, it's so late. Why did you call me to the training room?" Jiang Ziya asked.

"Because your cultivation is the lowest!" Chen Xiaobei said.

"Uh ..."

Jiang Ziya was stunned and said, "I know that I was a little lazy a while ago and didn't cultivate properly, but you didn't have to call me here!"

you're not slacking off on purpose! You're just not interested in cultivating! You've always been a top-notch general and Minister, and your goal is to bring peace to the world, not to cultivate in this small piece of land!"

"You know me the best!" "I used to be in charge of the entire Jianghu of China and the entire Japan!" Jiang Ziya grinned. Strategizing and bringing peace to the country is what makes me excited!"

that's right! Chen Xiaobei nodded. it's a pity that there's no place for you to show off your talent now that we're in the top Starfield!

"Xiaobei, what are you trying to say?" Jiang Ziya asked. Don't tell me you think I'm useless? Are you chasing me away?"

"Pfft ... You're so full of yourself ... How could I possibly chase you away?" Chen Xiaobei did not know whether to laugh or cry.

phew ... I'm glad you didn't chase me away ... Jiang Ziya heaved a sigh of relief and asked, "Then what do you want to tell me?"

"I have an important matter that I need you to do!"

it's not a big deal, but it's not as boring as cultivation. Besides, it'll help you increase your cultivation quickly! In the future, if there are any important tasks, you will be able to do it!"

"What? He didn't need to cultivate to quickly increase his cultivation? How ... How is this possible?!" what? " Jiang Ziya was stunned. He could not believe his ears.

"Of course it's possible!" Chen Xiaobei took out a pill from his infinite space ring and said, " I got this at the food competition. It's the heavenly essence sublimation pill. You should be familiar with it, right? "

Jiang Ziya's eyes lit up,"of course!" This pill was very magical and could instantly increase one's battle prowess and physique! How many of these pills did you get?"

I got three at first, but I gave two to Wu aofeng. Now, I only have one left! Chen Xiaobei said.

"The last one?" Jiang Ziya was disappointed. although this pill is miraculous, if there's only one, it's like trying to put out a cart of firewood with a cup of water. The significance is almost zero!

"You're right!"

that's right! Chen Xiaobei nodded. if there's only one pill, it won't be of much use to you or BEI Xuan faction!

but if we can continuously produce these pills, we can increase the strength of everyone in bei Xuan faction! Chen Xiaobei said. In turn, it will increase the overall strength of the entire sect!"

Jiang Ziya was surprised, " You ... You're going to refine the heavenly essence sublimation pill?"

"That's right! I want to refine it! And I need to make a large number of heavenly essence sublimation pills!"

that's right! Chen Xiaobei said. Wu aofeng was almost killed tonight. This incident made me realize that if bei Xuan faction wants to establish itself in the top tier of the mainland, I can't do it alone! We have to make everyone stronger!"

Jiang Ziya frowned and said,"that's true, but how can the heavenly essence sublimation pill be so easy to make?" Although I know about this pill, I don't know the recipe ... If you want me to refine it for you, then you've found the wrong person ..."

"Don't worry, you don't know the recipe, but I do!" Chen Xiaobei grinned.

"You know the pill recipe ... This ... How is this possible!"

what? " Jiang Ziya couldn't believe it. although the heavenly essence sublimation pill is only at the heavenly essence level, its effect is very powerful! So, even in the heaven realm, only a few top alchemists know the details of the pill recipe. How could you know?"

"I only need to taste it to know!" Chen Xiaobei grinned and swallowed the heavenly Yuan enhancing pill.

"Don't eat it!" "The heavenly essence sublimation pill is only at the heavenly essence level!" Jiang Ziya said with a pained expression. You're already in God-Ascension cultivation, so it's useless for you to eat it. It's such a waste!"

Chen Xiaobei said, " "I said, you remember!"

"Remember? What do you remember?" Jiang Ziya was dumbfounded.

three maces of green Lingzhi, one tael of bone-strengthening grass, four maces of iron wire silver flower ... Chen Xiaobei carefully savored the taste in his mouth, and slowly listed out the names of the herbs.

this ... This is the heavenly essence sublimation pill's pill formula!? Jiang Ziya was not stupid. He immediately took out his phone and recorded everything that Chen Xiaobei had told him.

"Have you memorized it?" Chen Xiaobei asked.

"Don't worry! I've memorized it all!" Jiang Ziya nodded, then asked with a confused look, " "How did you know about this pill recipe? This is the top secret of the top alchemists in the heaven realm!"

I won't hide it from you. I won the championship of the food competition, and the God of food rewarded me with a God of food mysterious pill!

of course! Chen Xiaobei grinned and said, " the God of Cookery mysterious pill has changed my taste buds! Therefore, as long as I eat the heavenly essence sublimation pill, I can distinguish each flavor and the amount of each flavor!"

"God of food mysterious pill! Oh my God! You actually managed to obtain this Xuan core!" what? " Jiang Ziya was surprised and happy. with the special ability of the culinary God mysterious pill, you can immediately copy the recipe of any pill as long as it is in your mouth! This is a heaven-defying rhythm!"

that's right! Chen Xiaobei nodded. this is indeed a heaven-defying ability. However, the most important thing right now is to make a large number of skybreaking cultivation pills and increase bei Xuan faction's overall strength!

Jiang Ziya's expression changed. "Don't tell me you want me to be in charge of pill refining?"

"Smart!"

"First of all, your cultivation is the lowest!" Chen Xiaobei grinned. Secondly, you are the most lazy in your cultivation and have the most free time! Finally, and most importantly, you were a true immortal of Daoism in the past, so you must be familiar with alchemy!"

I don't know! Jiang Ziya sighed, "I have no reason to refuse!"

"Very good!" the heavenly essence sublimation pill is only heavenly essence grade. The ingredients are all low to medium-grade spiritual herbs. I have plenty of them in my infinite space ring. I'll leave them all for you! In addition, I'll leave the heaven's craftsmen furnace and wondrous spell spirit Heart Flame to you!"

no problem! Jiang Ziya patted his chest and promised. I have the herbs, the furnace, and the godly fire. You can count on me to make the elixir!

"I believe you won't let me down!" yes! Chen Xiaobei nodded. I'll be leaving the faction soon. I hope that the next time I come back, the faction will have ten more God-Ascension elites!

Before he could finish his sentence, an urgent shout suddenly came from outside the door, "Not good ... Master! Master, please come out ... The Qin family is here ..."

Chapter 1898: The Grand Master (4)

The Qin family's main city also had a teleportation array!

Qin Haohao's matter had just been reported, and the higher-ups of the Qin family were all shocked. They immediately began to mobilize their troops and make arrangements!

In less than half an hour, the entire Bei Xuan faction had been surrounded by tens of thousands of Qin family's heavy armored warriors!

The sixth branch had sent out all their experts. With Qin Haogan's father as the leader, there were more than a thousand people. All of them were at the heavenly origin stage, and there were more than three hundred spirit forging stage experts!

Other than that, a few core elders of the higher-ups of the Qin family had also arrived! All of them had white hair and beards, and they were all of the same generation as Qin Haoxiang's grandfather!

"Revenge ... Revenge ... Uncles ... Uncles ... Father ... You must avenge me ..."

Qin Haoxiang was lying on a stretcher. Although he was severely injured, he insisted on coming to the scene.

There was no doubt that Qin Haoqian hated Chen Xiaobei to the core. He would bear the pain and watch Chen Xiaobei get killed with his own eyes! Bei Xuan faction was annihilated!

"My son, don't worry!"

Qin Kongming gritted his teeth and said fiercely, "Father will definitely take revenge for you! The entire bei Xuan faction will be annihilated!"

Obviously, this Qin Kongming was the Father of Qin haoyan, the managing elder of the sixth branch.

As soon as he said this, dozens of experts from the sixth branch rushed forward and cursed loudly.

"Chen Zhufeng! Get the hell out here!"

"Chen Zhufeng! You damn thief! How dare you hurt our young master! You'll definitely die today!"

"Chen Zhufeng! I'll give you three minutes to get out here and kneel down to accept your death. Otherwise, the Qin family's Army will crush you and kill you!"

"Get out here ... Get out here ..."

Dozens of powerful cultivators shouted like wolves, ready to pounce on bei Xuan faction at any time.

"Whoosh! Bang!"

At that moment, a black shadow rushed out of bei Xuan faction like a meteorite and landed in front of the dozens of people!

"What?"

The dozens of powerhouses were stunned. They rushed to the young man in Black in front of them and roared, "Who are you, kid? Tell your sect leader to come out immediately! Otherwise, we'll tear you to pieces!"

he ... He's the leader of bei Xuan faction ... Chen Zhufeng ... Qin haoyan called out weakly from behind.

"What? He ... He's Chen Zhufeng? Hiss ..."

Hearing this, the dozens of powerhouses all took a deep breath and ran away without saying a word.

After running back to the main group, all of their faces were still filled with fear.

Just a second ago, they were saying that they wanted to kill Chen Xiaobei and destroy bei Xuan!

But the moment Chen Xiaobei appeared, they were so scared that they ran away!

This scene simply couldn't be more face-smacking!

Without a doubt, everyone in the Qin family had heard that Chen Xiaobei had destroyed the sun with a single glance! One punch of burning black steel!

Chen Xiaobei had such terrifying power, but the dozens of elites did not have earth-god instruments to protect their lives. Even if they had ten thousand guts, they would not dare to stand in front of Chen Xiaobei!

They were afraid that Chen Xiaobei would shoot out a fire Dragon and burn them to ashes!

Chen Zhufeng!!!

Qin Kongming took a step forward and charged at Chen Xiaobei. "You've injured my son to this extent. Kneel down and accept your death immediately. Otherwise, I'll make you wish you were dead!"

Obviously, as the managing elder of the sixth branch, Qin Kongming had a three-star earth-god instrument.

Because of this, Qin Kongming had enough confidence to stand in front of Chen Xiaobei and even threaten him.

"First of all, I blocked the attack of your useless son with one finger! At that time, if he had admitted defeat, he wouldn't have been injured to this extent!"

Chen Xiaobei said coldly, "Next, I can burn the scorching sun with a single glance! If at that time, your useless son knelt down and admitted his mistake, he wouldn't have been injured to this extent!"

Everyone was shocked by his words!

Chen Xiaobei continued, "as the saying goes, do not do things three times! I've already given Qin Haohao two chances, but he didn't cherish them and even dared to threaten me! He only has himself to blame for being injured like this!"

this ... This ... Qin Kongming was at a loss for words. He didn't know how to refute.

After all, Chen Xiaobei was the only one who had 'reason' in all of this!

Qin haoyan was stirring up trouble! Qin haoyao was shameless! Qin haoyao was unrepentant!

From the beginning to the end, Qin haoyan was the one in the wrong! Qin Kongming could not find any reason to blame Chen Xiaobei!

Of course, Qin Kongming wasn't a kind man. He shouted shamelessly, "Don't give me those useless things! You've hurt my son, so you must pay the price!"

"If you don't want to be reasonable, then just do it!" Chen Xiaobei said. I don't mind beating you up until you're just like that useless son of yours!"

you ... Qin Kongming gulped. He was actually suppressed by Chen Xiaobei's aura and did not dare to attack.

After all, no one in the room could figure out Chen Xiaobei's true strength!

Everyone knew that Chen Xiaobei was strong, but they did not know how strong he was!

Qin Kongming was afraid as well. If Chen Xiaobei was holding back or had other trump cards, Qin Kongming would not be a match for Chen Xiaobei.

It was also because of this that the tens of thousands of people from the Qin family only dared to surround bei Xuan faction but did not dare to launch an attack.

"I tried to reason with you, but you just had to make me pay the price! I've agreed to fight you, why are you so scared?" Chen Xiaobei's eyes lit up.

No... Don't ... Qin Kongming was so scared that he trembled and ran away, trembling, " "Just you wait! Great-grandfather Fang would be here personally soon! You will die today no matter what!"

The people from bei Xuan faction ran out and stood behind Chen Xiaobei, their faces filled with anxiety.

As everyone knew, the Qin clan's eldest great grandfather was the retired emperor who was above the Qin clan's clan head!

This old man was able to make the Qin family one of the most powerful families on the Vermillion Bird continent, so he must have extraordinary strength.

In addition to his strength, the Qin clan's eldest great grandfather must have a four-star earth-god instrument!

These were the requirements to become one of the most powerful families on the Vermillion Bird continent!

Without a four-star earth-god instrument to suppress the fate of the family, they were not qualified to be called a top-tier family!

Everyone knew in their hearts that if the Qin clan's eldest great grandfather were to personally come to bei Xuan faction, he would definitely crush and flatten the entire bei Xuan faction!

"The Grand Master has arrived!"

At this moment, the encirclement opened up a path in the middle.

A white-haired old man in a white robe and white boots walked over.

Behind the old man, there were dozens of core members of the Qin family!

[ding Yingluo's cultivation base: God-refined nine flames, lifespan: [year 3016, physique: 4500000, combat power: 4500000!

Chen Xiaobei was shocked by the old man's cultivation.

However, Chen Xiaobei was not afraid.

Great-grandfather Fang showed no hostility and smiled indifferently, "You're little friend Zhufeng? As expected, heroes come from the youth!"

Chapter 1899: Placing righteousness before family (1)

Little friend? Young heroes?

As soon as he said that, everyone around him was dumbfounded.

Wasn't the Qin clan's eldest great grandfather here for revenge? Wasn't he here to destroy bei Xuan faction? Why was he smiling and complimenting Chen Xiaobei?

This was the rhythm of making friends!

“Grandpa, what do you mean by this?” Qin Kongming went over and asked, “That kid is Chen Zhufeng! You have to avenge Hao Qian!”

“Get lost!”

The smile on the Qin eldest great grandfather’s face disappeared, and a terrifying pressure exuded from his body. “Our Qin family’s face has been completely thrown away by Qin Haoxiang! As a father, you can’t distinguish right from wrong and are unreasonable. Don’t you think it’s embarrassing enough?”

hiss ... Qin Kongming took a deep breath and his face changed dramatically, “Grandpa, please calm down ... I ... I ...”

The Qin eldest great grandfather’s pressure was extremely heavy. Qin Kongming, who was in the five-fire god-refining realm, was instantly shocked and couldn’t speak!

Of course, this was not strange at all!

The Qin eldest great grandfather himself was a super expert of the nine flames God-refining realm. He was only one step away from merging the nine flames into one to generate his primordial spirit and step into the earth immortal realm!

Because the Qin eldest great grandfather was about to go to the earth-god Realm, the current head of the Qin family wanted to take his place.

Among the managing elders, a new family head would be born.

Qin Yitian also needed to choose a new heir from her generation.

It could be said that all the recent changes in the Qin family’s main city revolved around the Qin eldest great grandfather alone.

As long as the Qin eldest great grandfather remained on the Vermilion Bird continent, the Qin family’s position as one of the top noble families would not be shaken!

If the Qin eldest great grandfather became an earth immortal, the Qin family’s status would be further improved!

From this, it could be seen that an expert with the nine flames God-refining technique was definitely a formidable person, or even a ruler of a region!

With the power and pressure of the Qin eldest great grandfather, not to mention one Qin Kongming, even if there were a thousand or ten thousand of them, he could still easily intimidate them!

Of course, the Qin eldest great grandfather had long been able to control his own pressure and did not affect the others around him. Otherwise, the sound of gasps would have long been heard.

But! Other than Qin Kongming, the Qin eldest great grandfather had also intentionally directed his aura at Chen Xiaobei!

“Old senior, you’re smiling on the surface but you’re secretly testing me. It seems that you’re not praising me sincerely!”

Chen Xiaobei could feel the pressure from the Qin eldest great grandfather.

However, Chen Xiaobei's mental state was strong enough to withstand the pressure from the Qin eldest great grandfather. He was as calm as ever!

The Qin eldest great grandfather quickly retracted his aura and smiled awkwardly. Zhufeng, you're no ordinary man. I hope you don't mind my rudeness!

The crowd was shocked again.

There were tens of thousands of pairs of eyes watching, but no one could tell how the Qin eldest great grandfather had tested Chen Xiaobei.

The crowd could only tell from the conversation that Chen Xiaobei had managed to withstand the Qin eldest great grandfather's test, and instead, the Qin eldest great grandfather had apologized awkwardly.

At the thought of this, everyone's heart suffered the most extreme shock!

Everyone was trying to figure out who Chen Xiaobei was. He was actually able to resist the Qin eldest great grandfather in one aspect, and had even surpassed him!

This was simply a fantasy story, one that no one could believe!

"The Qin eldest great grandfather is a reasonable person. I will not be unreasonable." Chen Xiaobei shrugged and said, "I took the test just now as your kind intentions. I don't mind."

"Little friend Zhufeng, you're so generous! Good courage!" great! the Qin eldest great grandfather praised. little friend Zhufeng can totally live up to the saying 'heroes come from the young'!

"Qin eldest great grandfather, please don't praise me!" "It must not have been easy for you to come all the way to North City!" I think it's better to make things clear first!"

"Alright!"

The Qin eldest great grandfather nodded and used his true essence to make his voice cover the entire North City. "Citizens of the North City! I'm Qin Zhong. I've disturbed you all in the middle of the night because I have an important announcement to make!"

"I have an unfilial descendant, Qin haoqi, who has broken the rules of the life and death Ring in public! According to the Qin family's laws, this kid should be executed for his crime!"

"Furthermore, as a descendant of the Qin family, Qin haoqian broke the rules of the Qin family. This is a crime that he knowingly broke, and his crime is doubled! According to the Qin family's laws, he should be executed!"

Qin Kongming and Qin haoyan were dumbfounded on the spot.

They had all thought that the Qin eldest great grandfather had come to take revenge for Qin haoyan. However, the moment the Qin eldest great grandfather opened his mouth, he had sentenced Qin haoyan to death to the entire North City!

In the eyes of Qin Kongming and Qin haoyan, the Qin eldest great grandfather was simply old and muddled. He actually made such a decision that did not care about family ties!

At the same time, Chen Xiaobei nodded silently. The tens of thousands of Qin family soldiers around him also nodded silently! The hundreds of millions of people in the North City were all nodding silently!

The eyes of the public were sharp, and everyone had a clear idea!

Who was right and who was wrong! Who was right and who was wrong!

This was the most basic truth, and everyone was clear about it!

If the Qin eldest great grandfather wanted to protect his own people, no one would dare to object. However, there would definitely be resentment in everyone's hearts!

They protected Qin Haohao but lost the hearts of the people!

From now on, who would abide by the Qin family's laws? Who would still believe in the Qin family's fairness and justice? Who would still respect the members of the Qin family?

But at this moment, the Qin eldest great grandfather didn't protect Qin haoyan at all and made a decision to put righteousness before family in public!

Losing Qin Haoxiang could gather the hearts of countless people!

From now on, everyone will strictly follow all the rules set by the Qin family! Everyone would believe that the Qin family was fair and just! Everyone would respect the members of the Qin family!

Clearly, the Qin eldest great grandfather's decision seemed to disregard family ties, but in reality, this decision was to sacrifice Qin haoqian alone to further stabilize the position of the entire Qin family! Let everyone else in the Qin family benefit!

This was not only out of consideration for family, but also for the future of the entire Qin family!

The Qin eldest great grandfather had a clear conscience!

Other than these obvious benefits, Chen Xiaobei could also see a deeper benefit!

Just based on this decision of the Qin eldest great grandfather, the original followers of the Qin family would become even more loyal! Many passers-by who had no feelings for the Qin family would also become new believers of the Qin family!

All believers had the power of will! In the dark, it would be of great help to the Qin family's fate! If there were enough believers, they would even be rewarded by the heavenly Dao!

Chen Xiaobei was well aware of the benefits that believers could bring!

It was precisely because of this that men fought for their breath, and Buddha for an incense stick. This sentence could also be understood as men fought for their luck, and Buddha fought for the incense!

In the end, they were all fighting for believers!

“Men! Drag out the sinner Qin Haohao! Behead them on the spot!” The Qin eldest great grandfather’s tone sank. His order was like a mountain!

Under the pressure, even someone as strong as Qin Kongming did not dare to say a word!

After that, two guards dragged Qin Haoxiang over and chopped off his head!

In an instant, the hundreds of millions of people in the North City all gave a thumbs up and praised the Qin eldest great grandfather from the bottom of their hearts!

Even Chen Xiaobei praised, “The Qin eldest great grandfather is so broad-minded! Such courage! This junior has learned!”

The Qin eldest great grandfather shook his head and retracted his pressure. He said calmly, “that’s it. There’s one more thing I’d like to discuss with little friend Zhufeng!

“Discuss?”

Chen Xiaobei was surprised. “Qin eldest great grandfather, you’re thinking too highly of me! In the Qin family’s main city, you can call the wind and summon the rain with just a word. What matter do you have to discuss with me?”

Chapter 1900: Heading to the Qin residence (2)

“My 500th birthday is coming soon, and I would like to invite you to my banquet, Zhufeng!” The Qin eldest great grandfather smiled. This matter must be discussed with you, right?”

Chen Xiaobei was surprised. “500th birthday! This was no small matter! Since the old master has spoken, I will definitely go and support him! But I still don’t know the exact date.”

“It’s tomorrow,” The Qin eldest great grandfather said apologetically, “I’m sorry I didn’t invite you earlier.”

“You’re too polite!” of course not! Chen Xiaobei shrugged. I’m afraid you didn’t even know who I am before tonight. Of course, you wouldn’t have invited me in advance!

“Little friend is a straightforward person, this old man will not beat around the bush!”

The Qin eldest great grandfather said frankly, “before tonight, this old man indeed didn’t know of this young friend!” However, gold would definitely shine! Tonight, little friend’s battle has shocked the entire city! Shocking the world with a single brilliant feat! From now on, there’s no one in the world who doesn’t know you!”

“Everyone knows?” Chen Xiaobei raised his eyebrows and looked around.

All the core members of the Qin family were present! Tens of thousands of Qin clan’s Warriors were present! Several billion North City citizens were present!

Without a doubt, the name of Chen Xiaobei, the leader of the Xuan faction, would spread across the entire Suzaku continent and apocalypse Starfield!

Everyone from the earth-god Realm to the nine galaxies would know of Chen Xiaobei's name!

"How is it? Are you willing to accept my invitation, young friend?" The Qin eldest great grandfather asked.

"Of course I accept!" of course! Chen Xiaobei nodded. you're an elder, and you're of high status. You've invited me personally. That's a great show of sincerity! I have no reason to refuse!"

"Good! Then it's settled!" The corners of the Qin eldest great grandfather's mouth rose and he said with heartfelt happiness, "Tomorrow is the birthday banquet. Why don't you come back with us tonight?"

"Sure!" Chen Xiaobei nodded. it just so happens that I haven't been to the center of the city yet. I don't want to get lost. That'll be troublesome!

"Little friend, you're so humorous!"

The Qin eldest great grandfather smiled faintly. you are an honored guest that I have personally invited. The Qin family's main city is like your own home. You will definitely not get lost!

Everyone was shocked.

This seemingly ordinary sentence had already revealed a huge amount of information.

He was telling every member of the Qin family that Chen Xiaobei was their great-grandfather's distinguished guest!

In the Qin family's main city, from the core members of the upper echelons to the ordinary soldiers, everyone had to respect Chen Xiaobei like how they respected the old master!

Everyone had to make Chen Xiaobei feel like he was at home, free and at ease!

Everyone in the Qin family was shocked. They could not understand why the great grandfather would value a young boy like Chen Xiaobei so much.

What was even more unexpected was that the old master actually opened his mouth and said, " friends from bei Xuan faction, you can come with us!

As soon as he said that, everyone was even more shocked!

After all, tomorrow was the old master's 500th birthday! It could be said to be the most prestigious event in the entire Vermillion Bird continent!

Those who were qualified to attend were all upper-class figures in the pyramid of apocalypse Starfield!

Even in a first-class force, only the sect master and family head could receive an invitation!

Even the top noble families and forces that were on the same level as the Qin family could only have at most ten spots to participate!

But now, the Qin eldest great grandfather had invited everyone from bei Xuan faction!

This was definitely an unprecedented special treatment!

This showed how much the Qin eldest great grandfather valued Chen Xiaobei!

Other than the aristocrats of the Vermillion Bird Royal City, no one else could enjoy the same treatment as Chen Xiaobei!

All of a sudden, tens of thousands of pairs of eyes were looking at Chen Xiaobei with envy.

But it was good! Chen Xiaobei shook his head and said, " I'm from bei Xuan faction. I won't be attending the banquet. After all, there are still many things to take care of in the faction!

As soon as he said that, the surrounding people who were envious and jealous suddenly felt a strong sense of hatred.

What could be more important than the old master's birthday banquet?

Chen Xiaobei had used such a reason to reject the Qin family's Grand elder's invitation. He could not be any more pretentious!

But in reality, only Chen Xiaobei knew that he was not acting cool. He was just protecting the bei Xuan faction!

Tomorrow's birthday banquet would definitely be a mix of good and bad, crouching tigers and hidden dragons. It could even be said that there were turbulent undercurrents!

Everyone from bei Xuan faction was very weak now. If they went to the birthday banquet, it would be equivalent to exposing themselves to the claws of a group of monsters. They could be in danger at any time!

More importantly, Chen Xiaobei still had two potential enemies in the Qin family!

Qin Wuxin, the scheming one! Second senior brother's temperament had changed greatly!

Other than being on guard against their schemes, Chen Xiaobei also wanted to find an opportunity to find out the location of the blood pool!

Because of that, Chen Xiaobei was certain that this birthday party was a trap. He could not bring the bei Xuan faction along!

The Qin eldest great grandfather did not mind Chen Xiaobei's rejection and said, " "Since little Zhufeng still has things to do, we'll find another chance to invite them to dinner! It's getting late, so little friend should return with this old man!"

"No problem!" Chen Xiaobei nodded and left the scene with Grandpa Qin.

As for the people from bei Xuan faction, after what happened today, no one would dare to touch bei Xuan faction. That would be a slap to the Qin eldest great grandfather's face.

It was hard to say if it was anywhere else, but in the Qin family's main city, bei Xuan faction was absolutely safe, at least temporarily.

That was why Chen Xiaobei could leave the faction in peace.

.....

Through the teleportation array.

Chen Xiaobei and great-grandfather Fang returned to the center of the Qin family's main city!

The Qin eldest great grandfather brought Chen Xiaobei into the Qin Manor!

Although it was a 'mansion', the scale of the Qin mansion was definitely larger than the Imperial Palace. It was rich and magnificent!

Just from the atmosphere of this mansion, one could appreciate the deep foundation of a top clan.

After they returned to the mansion, the Qin eldest great grandfather ordered his men to arrange an elegant courtyard for Chen Xiaobei to rest in.

Chen Xiaobei did not stand on ceremony. He went into the house as if it was his own. He lay on his bed and prepared to sleep.

"Squeak ..."

Not long after Chen Xiaobei laid down, there was a slight noise coming from the window.

Chen Xiaobei was still awake, so he immediately jumped up and got into a fighting stance!

"Don't be nervous! It's me!" The person hurriedly called out softly. After jumping in from the window, a beautiful face and an excellent figure were revealed.

"Yitian!" Chen Xiaobei relaxed and asked, "There's a front door. Why did you climb through the window?"
