Chapter 2071: Void Asceticism

young master is a kind person. We have the same destination. If I go with young master, at least I won't starve ...

The old beggar paused and said embarrassedly, "Of course, if young master doesn't like me and feels that I'm a hindrance, then I won't disturb you."

"I don't mind you, but how do you know where I'm going?" Chen Xiaobei retorted.

"Young master is underestimating me!"

"I may look like a beggar, but I'm not!" The old beggar laughed. I still know about such a big event like the election of The White Tiger King!"

"You're right, I'm going to the beast God temple at the peak of the beast God mountain to participate in the election!" Chen Xiaobei raised his eyebrows and asked, "But you? Why are we going there?"

I'm an ascetic. I'm going to the temple for a pilgrimage! "In order to worship the Supreme beast deity, I've been working hard for seven years!" The old man said with a pious expression.

"Ascetic? What's that?" Chen Xiaobei asked.

"Heavens!"

Edina suddenly screamed and looked at the old beggar in disbelief. "You ... You've been doing ascetic work for seven years? Are you the legendary void ascetic?"

"Right! I'm a void ascetic!" The old beggar nodded.

"What is going on?" Chen Xiaobei did not understand what she meant.

the beast God temple at the peak of the beast God mountain is the Holy Land in the hearts of our human-beast hybrid clan. Every year, many people come here for a pilgrimage!

Idina said, "ordinary believers walk up the mountain to pay their respects to the beast God!" The more devout believers would kowtow every three steps. From the foot of the mountain to the top, they would have to kowtow 129333 times!"

Chen Xiaobei was shocked, but he could understand why. On earth, there was a similar pilgrimage.

and the most devout believers will choose the ascetic way to come here for a pilgrimage!

the ascetics will first use a secret technique to seal their cultivation and physical body, " continued Idina. they will then abandon their storage bracelets and their original identity. They will only use their mortal bodies to come from distant places for a pilgrimage!

Chen Xiaobei was shocked. "I've sealed my cultivation and body, and I can't use my storage bracelet, nor can I use my identity and connections! I'm afraid it's as difficult as ascending to the heavens to walk in apocalypse Starfield!"

[ding Yingying's cultivation: none; lifespan: 9823; health: 5, combat power: 5!

With a sweep of his netherspirit battlescourer, he could tell that the old man had lived for a long time. He was no ordinary man! However, his physical body and combat power were only at the level of a weakling!

This proved that the old man was really an ascetic who used a secret technique to seal his cultivation and body!

"Yes, I am!"

yes! Edina nodded and said, " on the road, the ascetics have to endure hunger, illness, and injuries. They have to face wind, frost, rain, and snow. They also have to guard against wild beasts and evil people! Most of the ascetics would die on the way! This is the meaning of 'asceticism'! "

"This is too pious!" yes! Chen Xiaobei said, " for the faith in my heart, I'm willing to put my life on the line for the pilgrimage!

"Of course! Every ascetic was a loyal believer! He's also a true warrior!"

yes! Edina said in admiration, " face the beast deity. Only death can stop the ascetics! And death is the utmost glory for the ascetics to be received by Lord beast deity and be with Lord beast God!"

"It's indeed not easy!" Chen Xiaobei nodded and looked at the old monk with respect.

Even if he didn't believe in the beliefs of others, he should still be in awe!

"That's right!"

you just said 'void ascetic'. What do you mean by ' void'? " Chen Xiaobei asked.

"In the temple, there is a space turbulence! The ascetic used a secret technique to seal his own cultivation and body before jumping into the turbulent flow of space!"

Edina said,"then, the ascetic will be sent to a completely unknown place by the spatial turbulence." From there, he would begin his ascetic training, return to apocalypse Starfield, return to White Tiger continent, return to the temple, and complete his pilgrimage! This is called void asceticism!"

"This ..."

Chen Xiaobei felt as if his three views had been refreshed."Ordinary asceticism is already as difficult as ascending to the heavens! The difficulty of the void asceticism would be multiplied! In addition to absolute devout faith, you must completely abandon life and death. Otherwise, you will never dare to try to cultivate in the void!"

"That's right! The ascetic practice in the void was extremely difficult! It's hard to find someone who can complete it in ten thousand years!"

"Old Sir, there's only one more path to complete the void ascetic journey!" Edina said with great excitement. To be able to travel with him, I feel extremely honored! I can boast about this for a lifetime!"

"May I ask for old Sir's name?" Chen Xiaobei asked.

"Before I complete my asceticism, I will be a nameless person! If you don't mind, you can just call me old white." The old bitter cultivator smiled faintly and was very easy-going.

Just now, Idina had said that the ascetics had to abandon their original identity and could not use their existing connections.

"Elder Bai!"

"I'm willing to travel with you for the rest of the journey!" Chen Xiaobei said respectfully. Elder Bai, please give me your guidance!"

"Young master is too polite!" "May I know your name, young master?" elder Bai asked.

Chen Xiaobei was surprised. "My name can not be revealed for the time being. Elder Bai, you can just call me little Feng!"

Chen Xiaobei was wearing a human-skinned mask, so the names Chen Xiaobei and Chen Zhufeng were no longer safe. He could only call himself 'little Feng'.

Elder Bai smiled and said, "I asked young master to call me old Bai, but young master calls me elder Bai!" Young master asked me to call you little Feng, so I won't dare to be arrogant, I'll just call you young master Feng!"

"That's fine." Chen Xiaobei nodded. 'Zhufeng' or 'Master Feng' was a suitable name for him.

"Elder Bai! Why didn't you ask for my name?" Edina pouted and asked sourly.

Lao Bai laughed and said, "you are the morning and evening Starfield's Princess Idina!" I've already memorized it!"

"Ya! You actually remembered my name! This is my honor!" Upon hearing this, Idina was overjoyed.

Then, the three of them left the city and entered the beast God mountain range.

This mountain range was very huge, but it was also very special. There were no magical beasts in the mountain, and it was as peaceful as a paradise.

Along the way, he felt like he was on a scenic tour and was very relaxed.

However, they couldn't fly or use their true core strength along the way. They could only walk up the mountain, so it would take them at least three days to reach the top!

After walking for half a day, the three of them stopped to rest on a patch of grass.

Idina immediately pestered Chen Xiaobei, "I'm hungry! I'll eat your noodles! Can you let me eat your noodles?"

This female foodie had really brought flour, and even pots, bowls, ladles, and all kinds of seasonings!

Chen Xiaobei could only fulfill her request!

However, at this moment!

A group of young men and women surrounded him!

The leader was an extremely handsome young man. He looked like a talented person, but the moment he spoke, he made people feel disgusted!

"Edina! You are indeed here! I could hear your voice from far away! You want to eat noodles? Come and eat mine!"

The handsome young man's face was full of smiles. He was simply a dirty Demon King.

Chapter 2072: Directly Sent Flying

This young man spoke very vulgarly and didn't care that there were other people around. He was self-centered and extremely arrogant.

Chen Xiaobei and elder Bai frowned. They were disgusted by this man, but they did not know what his relationship with Edina was, so they did not interrupt.

"Jiang zipeng!"

"Do you still have any shame?" Edina scolded coldly. You used my trust to cheat me of the beast blood pill, and now you actually have the nerve to appear in front of me! Aren't you afraid that I'll kill you?!"

"Hehe! Hot-tempered little girl!"

Jiang zipeng grinned hideously, "even if you want to kill me, do you have the strength to do so?" Even if I don't fight back and let you kill me, this is the holy mountain of your orc race! You can't use force, and you can't kill anyone!"

"You ... Get lost! Get out of my sight!" Edina angrily shouted.

"You want me to get lost? I'm not leaving!" "Why are you staring at me?" Jiang zipeng laughed. Not convinced? If you're not convinced, then bite me!"

I ... Edina was furious, but she couldn't do anything to him.

Seeing this, the young men who followed Jiang zipeng all laughed and pointed at Edina.

"Is this girl that Edina? I heard that she was the girlfriend of Mister purple ROC in the past?"

"Tsk! How could purple ROC Prince like her? He only used her to obtain a 'beast blood pill' from the ruins of the human-beast hybrid clan. After that, purple ROC Prince dumped her!"

"I heard that one time, Edina's brother died in the ruins while trying to help! In the end, Edina didn't get any benefits, and she was even dumped by Mister purple ROC! He's so stupid!"

"Little girl! Why are you staring at us? If you're not convinced, why don't you bite us? Hahaha ..."

Birds of a feather flock together. Those who followed Jiang zipeng were all like him, no good!

you ... You guys ... Edina's eyes were red with anger. She was extremely aggrieved.

"Is there a hole in your brain? How could a fresh little girl like my Edina have such a strong taste to bite a pile of shit?"

Suddenly, Chen Xiaobei walked over and shielded Edina behind him.

"Bite shit? You ... You dare to say we're shit?"

The faces of the group of people turned green at once, including Jiang zipeng. Their smiles became stiff and they were furious.

pfft ... Edina was amused by Chen Xiaobei.

Elder Bai nodded to himself. he doesn't use any vulgarities when scolding others. Young master Feng is indeed a wonderful person!

"You little brat! Do you know who you were scolding just now?"

Jiang zipeng's face turned cold and he said viciously, "I advise you to kneel down and apologize immediately! Otherwise, I'll crush you to death!"

"You?" you? " Chen Xiaobei raised his eyebrows. aren't you just a stinky pile of shit? "

"Numbing next door!"

"I'm the third Prince of the Azure Dragon Imperial City!" Jiang zipeng was furious and roared. The four fires God-refining realm! He was ranked tenth on the minor heavenly fate ranking! 10th of the top 10 core disciples of heaven dominating faction! He was ranked third among the three heroes of the Jiang family! Jiang zipeng!"

"I didn't expect you to be a member of the Jiang family! Jiang Zhaoyan is your great-grandfather, right?" Chen Xiaobei narrowed his eyes and asked.

"How is it? Are you afraid?"

Jiang zipeng raised his chin proudly and shouted arrogantly, "Kneel down and kowtow in apology! If I'm in a good mood, I can still spare your life!"

"The one who should kneel and kowtow should be you!"

I heard that Jiang Zhaoyan was cut in half by Chen Zhufeng. His blood and organs were all over the place. He died a horrible death! Chen Xiaobei said. Why don't you kneel down and kowtow to him a few more times?"

"Numbing! How dare you expose the Jiang family's scars! This young master wants you dead!" Jiang zipeng suddenly roared.

Jiang Zhaoyan was not only the head of the Jiang family, but he was also the core great elder of heaven dominating faction!

Jiang Zhaoyan's death was a huge blow to the entire Azure Dragon Imperial City!

Their strength, power, and status all fell!

Moreover, Jiang Zhaoyan had been killed by a 21-or 22-year-old boy, which was an even greater loss of face for the Jiang family.

Because of this, Jiang Zhaoyan's death was a big taboo for the Jiang family of Green Dragon. Whoever mentioned it would be in a hurry!

"That kid is dead! Purple ROC Prince was truly enraged! He will definitely die!"

"Isn't this the holy mountain? Purple ROC Prince dares to kill?"

"What's there to be afraid? Purple ROC Prince isn't a Beastman, and there are only three of them. We can just kill them all!"

"Well said! In such a large mountain range, the dead can't testify. Who would know that it was Mister purple ROC who killed them?"

The group of young men laughed hideously, waiting to see Jiang zipeng's killing in a fit of anger.

"A bunch of idiots! If you really anger young master Feng, you'll all be killed!" Edina glared at the group of people and said angrily.

Obviously, the others did not know Chen Xiaobei's identity, but Edina did.

Even someone as strong as Jiang Zhaoyan had been cut into pieces by Chen Xiaobei!

All these ignorant young men were not even enough to fill the gaps between Chen Xiaobei's teeth!

"Young master Feng? What young master Feng? I've never even heard of it!" Jiang zipeng was very disdainful. He directly circulated his vital essence and was ready to attack.

"As long as you make a move, I'll let you get to know me properly!" Chen Xiaobei was not afraid at all.

Once they made a move, zipeng Jiang's team would be wiped out!

"You two! Don't be impatient!"

At this moment, elder Bai walked over and said in a deep voice, "The totem's iron rule states that no fighting is allowed on the holy mountain! If you disobey the iron rule, your cultivation will be crippled and you will be expelled from The White Tiger continent!"

Chen Xiaobei immediately reined in his killing intent and said seriously, "The other party is too much, I couldn't hold back for a moment! Fortunately, elder Bai reminded me. I promise I won't break the iron rule! I will never use force to fight!"

"Yes." Elder Bai nodded in satisfaction.

As an ascetic of the void! Old Bai could be said to be the beast God's most devoted and die-hard believer!

To violate the totem pattern in front of elder Bai was the same as touching the reverse scale of a true dragon. The outcome was obvious!

It was not that Chen Xiaobei was afraid of elder Bai, but he did it out of respect for him. At the same time, he did not want to lose this friend!

"Numbed! Which scallion or garlic are you, you old thing? You dare to meddle in my business? I'll let you die first!" Jiang zipeng didn't know who master Bai was, so he raised his hand to punch him.

Chen Xiaobei and Idina's hearts skipped a beat when they saw this.

One must know that elder Bai had sealed his cultivation level and body. This punch was enough to blow up his head.

However, elder Bai did not move and showed no fear.

"Whoosh!"

At this time, a gust of wind whistled over.

"Pa!!!"

The next moment, a loud slap exploded on zipeng Jiang's face!

"

Jiang zipeng, who was in the four-fire god-refining realm, was sent flying, and he screamed more miserably than a pig being slaughtered.

Chapter 2073: The Temple Elder

"Pfft ... Cough cough cough ..."

Jiang zipeng fell to the ground, turned his head and spat out a front tooth!

On his handsome face, there was a swollen palm print. It was as ugly as it could be!

"Heavens ... Who's that guy! What powerful strength! With a single slap, he knocked out Mister purple ROC, who was at the four fires God-refining stage!"

"Strength is not the main point! The main point was why he could make a move on the holy mountain! Looking at his appearance, he should be a Beastman ..."

"Not simple! That person's identity is definitely not simple!"

The group of young people exclaimed, but they didn't dare to meddle in their business, because the person who beat Jiang zipeng up was someone they couldn't afford to offend!

The man was thin, but his eyes were as sharp as a Falcon's, and he exuded a powerful pressure.

The main point was that he was wearing a grey feather coat and his feet were like eagle claws. He was obviously an expert with the blood of the orc race.

[ding Yingluo's cultivation base: God-refined nine flames, lifespan: 5090 years, physique: 5500000, combat power: 5500000!]

Even Chen Xiaobei was shocked by what he saw.

The nine flames God-refining stage was a top-tier cultivation base in the entire apocalypse Starfield. It could even occupy a place on the great heavenly fate ranking!

How could such a powerful man suddenly appear and beat Jiang zipeng? Why would he disregard his faith and attack on the holy mountain? Isn't this too strange?

"Second ... Second elder!"

Jiang zipeng covered his face, not daring to be angry. Instead, he looked respectful and humble.

"The second elder?"

Edina was stunned for a moment and said in surprise, " "Could this be The Guardian of the holy mountain? The temple's second elder! Yi changkong!"

"Holy ... Holy mountain Guardian ..."

Hearing this, the group of young men also exclaimed, " "Guardian of the holy mountain, maintain the order of the holy mountain and defend the totem iron rule! On the holy mountain, the only people who can use force are the seven elders of the temple, who are the Guardians!"

Chen Xiaobei was even more shocked. He did not expect the person to be the second elder of the temple!

Elder Bai, on the other hand, looked calm and relaxed, as if everything was within his expectations!

"Jiang zipeng! You idiot!"

you're a genius! Yi changkong said angrily. I saw that you have the bloodline of the purple ROC. I was planning to help you run for the new king! I didn't expect you to openly violate the totem pattern! You're simply stupid!"

"Second elder, I was wrong ... I know I was wrong ... I won't do it again ..." He said.

Jiang zipeng's face changed drastically, and he begged in a low voice, " I ... I only wanted to make a move, I haven't really made a move yet ... I beg second elder to give me a chance ... I beg you ...

"Iron rule! It's an iron-clad rule!"

you've already activated your vital essence and raised your fist, " Yi changkong said seriously. if I had been half a second late, you would have made a grave mistake!

Obviously, Xi changkong was on Jiang zipeng's side. Although his words were harsh, he left Jiang zipeng a way out!

"Yes, yes, yes ... Second elder is right ..."

Jiang zipeng nodded desperately. fortunately, second elder arrived in time. I haven't made a big mistake yet. It's not unforgivable! I swear! He would never dare to violate the totem iron rule again! If I break this oath, I will die a terrible death!"

"Mm, seeing that you're sincerely admitting your mistake, I'll give you a chance!"

Yi changkong glanced at elder Bai and said, "Apologize to the other party! Get the other party's forgiveness and this matter can be written off!"

"Yes ..."

Jiang zipeng was reluctant, but he had no choice. He ran over and apologized, "Young master Feng, Idina, old man, it was all a misunderstanding. I hope you can forgive me. I promise that it will never happen again ..."

Chen Xiaobei and elder Bai did not mind.

"I won't forgive you!" Edina said angrily. I will never!"

Jiang zipeng said coldly, "Idina!" The matter between us is a personal grudge! You can't use your position to take personal revenge!"

Idina said angrily, "I'm not going to talk to you about past grudges!" Just like now! If the second elder had come half a step later! The three of us were all killed by you! Three lives, and you can make it up with just one sentence?"

"Then what do you want?" Jiang zipeng frowned.

"Kneel down! Give the three of us ten kowtows and I'll let this matter go!"

"Otherwise, I won't let this matter rest!" Edina said solemnly. Even if the second elder forgives you, I'm going to report this to the temple and let the other elders judge! Let all the candidates for the new king be the judge!"

this ... zipeng Jiang's face turned livid and he was extremely depressed.

He was the third Prince of the Azure Dragon Imperial City! He was one of the famous three heroes of the Jiang family! 10th of the top 10 core disciples of heaven dominating faction! He was ranked tenth on the minor heavenly fate ranking!

If he knelt down and kowtowed to someone, where would he put his face? How would he be able to walk in the pugilistic world in the future?

Even if he were to achieve great success in the future, this matter would definitely become a stain that could not be erased and would bring shame to him for the rest of his life!

In his heart, zipeng Jiang absolutely didn't want to kneel!

However, judging from the actual situation, even if the elder Council didn't pursue the matter, they would still be dissatisfied with Jiang zipeng's new life if she made a big deal out of it!

The point was that the other candidates for the new king would definitely take advantage of this to attack Jiang zipeng.

In this way, Jiang zipeng had lost all hope of becoming the new white Tiger King.

"Kneel down!"

Jiang zipeng was still struggling, but the second elder Gong changkong shouted seriously, " "If you can't get my forgiveness, I'll give up on you completely!"

"I ..."

Jiang zipeng's face twisted, and he felt depressed as if he had just eaten a hot poop.

But he had no choice but to pinch his nose and swallow the poop!

"Plop!"

Jiang zipeng kneeled on the ground and kowtowed ten times to each of them.

With each kowtow, Jiang zipeng's heart felt as if it was being stabbed by needles. He felt that he had been greatly humiliated!

Jiang zipeng swore that he would take revenge in the cruelest and most ruthless way for this humiliation!

"Young master Feng! Today's weather was especially good! I'm in a particularly good mood! It's especially satisfying!"

Idina smiled and held Chen Xiaobei's hand, " "Let's go to another place. I'll eat your noodles! I want to eat five bowls!"

uh ... As long As You Like It ... Chen Xiaobei was confused. This silly girl still did not understand the multiple meanings of 'below'.

"I want to eat three bowls! No! I want to eat five bowls too!" Elder Bai chased after him happily.

"Detestable! This grudge! I'll definitely take revenge!"

Jiang zipeng stood up with anger in his eyes.

"You will have your chance!"

Yi changkong said in a deep voice, "although we can't fight on the holy mountain, the 'martial arts competition of the divine beasts' will be held in this election!" On the life and death arena, life and death are up to fate!"

on the life and death Ring ... Jiang zipeng grinned, " "I want them to die without an intact corpse!"

Chapter 2074: Young Master Yin Jiao

I feel like Jiang zipeng is too kind!

Idina was holding a big bowl of noodles and eating it with great pleasure. At the same time, she didn't forget to complain.

"There's nothing we can do about it. After all, Jiang zipeng didn't really attack! Moreover, even a fool could see that the second elder of the temple was in cahoots with Jiang zipeng! It's already good enough to make him kowtow and apologize!"

Chen Xiaobei paused and asked, "What's the matter with Jiang zipeng? He's clearly a descendant of the Jiang family of Green Dragon, so why does he have the bloodline of the purple ROC?"

As soon as he said that, even elder Bai perked up his ears, feeling very curious.

"Jiang zipeng's mother is from the beast clan, and the first ancestor of their clan is the immortal beast great purple ROC! However, after generations, the purple ROC's bloodline has become very weak, and it's almost impossible to activate the special ability!"

"Three years ago, our family discovered the remains of the orcs," said Idina. "At the core, there was a 'beast blood pill' that could strengthen the bloodline of the orcs!"

"At that time, Jiang zipeng approached me on purpose, deceived my feelings, and became a couple with me! We'll go one step further and gain the trust of my father and brother so that we can enter the ruins together to search for treasure!"

"At the last moment, my father and brother, as well as many dawn and dusk Warriors, were all trapped in the great formation of the ruins!"

"Jiang zipeng brought a powerful earth-god instrument, but he deliberately didn't help! Instead, he stole the beast blood pill and left alone!"

"My Imperial father and Imperial brother had no choice but to risk their lives to break the formation! In the end, Imperial brother died in battle and Imperial father was also seriously injured. Even now, he still has an old illness and often coughed up blood in unbearable pain!"

Chen Xiaobei and elder Bai furrowed their brows.

"Jiang zipeng, you animal! You're despicable!"

Chen Xiaobei did not hide his anger, "It's too easy on him to make him kowtow and apologize! If this isn't the holy mountain, I'll definitely go back and cut off his dog head!"

"Young master Feng, calm down!"

Elder Bai said calmly, "good and evil will be rewarded in the end!" Jiang zipeng will pay for what he has done!"

"Elder Bai is right! Good will be rewarded! Evil will be rewarded!" "I believe that evil people will never have a good end!" Edina nodded heavily.

"Yes, you're right!"

Chen Xiaobei nodded and said, "It's never too late for a gentleman to take revenge! I will go to the Azure Dragon continent sooner or later. At that time, I will naturally be able to take revenge!"

As soon as he said that, Edina's face changed slightly, and she swallowed her saliva.

Other people might not know Chen Xiaobei's identity, but Idina knew very well that the Black Tortoise and white Tiger divisions of heaven dominating faction had been destroyed by Chen Xiaobei!

At this rate, the Vermilion Bird and green Dragon continents would also face Chen Xiaobei's challenges!

Especially the Azure Dragon continent!

That was the headquarters of heaven dominating faction, the base of the Jiang family of Green Dragon, and the continent closest to the earth-god Realm!

If Chen Xiaobei wanted to conquer apocalypse Starfield, the biggest battlefield would be the Green Dragon continent!

As long as he could dominate the Green Dragon continent, Chen Xiaobei would be the most powerful man in the myriad tribulations! Bei Xuan faction was the number one faction in the myriad tribulations!

Of course, for the time being, only Idina knew all this.

Elder Bai couldn't understand and asked, " "Young master Feng, I can see that you're quite young, and your cultivation base isn't top-notch. But why is it that you always exude such a powerful aura?"

"Aura?" Chen Xiaobei was a little surprised and asked, " "What kind of aura?"

"I'm not sure," elder Bai said seriously. "Your aura is like a calm old man, but you also look like a tyrant who controls everything! However, your age is not enough for you to experience the vicissitudes of life! Your cultivation is not enough for you to act so tyrannically!"

"I understand!" "Elder Bai, you think I'm being too arrogant, don't you?" Chen Xiaobei smiled.

"I've seen many people, but this is the first time I've seen a young man like you who dares to declare that he'll go to the Azure Dragon Imperial City for revenge!" Elder Bai nodded.

"It's hard to explain in a few words, but time will tell!" Chen Xiaobei said with a smile. Elder Bai only needs to watch!"

"Can you tell this old man what you're relying on?" Old Bai was really curious.

In elder Bai's eyes, Chen Xiaobei was not outstanding in terms of age, experience, and cultivation. But the confidence and domineering aura that Chen Xiaobei exuded proved that Chen Xiaobei was not lying!

Elder Bai was really curious about what Chen Xiaobei was relying on to be so confident! So domineering!

Even Idina perked up her ears. She knew that Chen Xiaobei was very powerful, but she did not know why Chen Xiaobei was so powerful!

"My support?"

Of course! Chen Xiaobei smiled. "I'm relying on the mysterious force behind me!"

"A mysterious force?"

Elder Bai and Idina were stunned. They were trying to figure out what kind of powerful force was behind Chen Xiaobei.

However, they would never have thought that Chen Xiaobei was backed by a force called the Three Realms red envelope group!

The reason why Chen Xiaobei was able to achieve what he had today was because he had joined the Three Realms red envelope group!

There were Chen Xiaobei's master, brothers, women, and friends in the group. They had all helped Chen Xiaobei tremendously!

Of course, there were also enemies in the group. They were always making things difficult for Chen Xiaobei, setting up obstacles for him, and even trying to take his life! But every time Chen Xiaobei defeated them, he would get a point of improvement!

From another point of view, the existence of the enemy was also pushing Chen Xiaobei to improve, forcing him to improve himself!

It was because of the Three Realms red envelope group that Chen Xiaobei became who he was today!

Calm as an ancient well, strong mental state! This was because Chen Xiaobei was used to seeing all kinds of things in the group!

Domineering, accompanied by confidence! This was because Chen Xiaobei had obtained a lot of trump cards in the group!

The Three Realms red envelope group was Chen Xiaobei's biggest trump card! Coupled with Chen Xiaobei's own hard work, he could look down on the world!

Lord Silver Dragon ... Ah ... It's really Lord Silver Dragon ... I didn't expect him to be so handsome ... He actually came down from the earth-god Realm ... It seems that this time, we don't have to choose The White Tiger King ...

At this moment, the screams of a young man and woman came from afar. They were extremely excited as if they had been injected with chicken blood.

"Heavens! The silver Dragon Prince was here! He's my idol!"

Edina put down the half bowl of noodles in her hand and ran over to him like a lovestruck girl.

"Who's that Silver Dragon Prince?" Chen Xiaobei frowned.

he's a very powerful young man. Let's go and have a look. I'll introduce him to you! elder Bai smiled.

Chapter 2075: Valuing Friends Over Lust

"Silver Dragon young master, Shen yuanbin! He's a genius of the human-beast hybrid clan from the earth-god Realm!"

"He has the 'silver Wyrms bloodline' in his body, which is a rare immortal beast bloodline!" "Therefore, he was taken into the heaven dominating faction headquarters in the earth immortal realm when he was young!"

"Heaven dominating faction gave him a lot of resources to cultivate and even let an earth level deity guide him! I'm afraid that his cultivation has already reached the five-fire god-refining realm!"

"In apocalypse Starfield, he would be in the top three of the minor heavenly fate ranking! He's definitely a top expert among those under thirty years old!"

Master Bai was indeed not an ordinary person. He was very familiar with this Silver Dragon young master and even knew some things about the earth-god Realm!

"According to what you said, Shen yuanbin's strength will be the strongest in this election!"

I don't think so! Chen Xiaobei thought to himself. besides, he has the support of heaven dominating faction in the earth-god Realm. I'm afraid he might have some hidden advantages!

"You're right!"

yes! elder Bai nodded. the heaven dominating faction headquarters in the earth-god Realm might give him some special trump cards to ensure that he becomes the new white Tiger King! It's as difficult as ascending to the heavens to compete with him!"

let's go! I can't wait to see what kind of person he is! Chen Xiaobei said.

In front of him, a group of men and women, as if they were star chasers on earth, formed a semi-circle and followed behind Shen yuanbin. They cheered and shouted excitedly as if they had been injected with chicken blood.

Chen Xiaobei and elder Bai followed him for a long time before they finally saw the silver Dragon Prince's face!

He had to admit that this guy was really handsome!

Jiang zipeng was already very handsome, but he was still inferior to Shen yuanbin!

No wonder Shen yuanbin had so many fangirls. Not to mention his cultivation and background, just his handsome face alone could win many people's favorable impression!

Not to mention, Shen yuanbin had the strength of one of the top three on the minor heavenly fate ranking! He had the bloodline of a silver Wym at the immortal beast level! He was a core disciple of heaven dominating faction in the earth God World!

It could be said that Shen yuanbin was the most promising person to become the new white Tiger honorable King this time, and he had attracted a large number of fans!

Everyone knew that if they could befriend Shen yuanbin now, they would also be able to obtain many benefits when Shen yuanbin became The White Tiger King!

As a result, a large number of young men and women were crazily chasing after Shen yuanbin like they were chasing after a big star.

"Silver Dragon Prince! The silver Dragon Prince! Can I take a picture with you?"

Edina was like a love-struck fool, screaming with all her might. She was so excited that she could not stop.

In fact, there were many girls around her who were like her. However, Shen yuanbin's face was cold and he didn't put ordinary girls in his eyes at all.

"Sure!"

Unexpectedly, Shen yuanbin actually saw Idina in a different light and agreed to take a picture with her.

"Heavens! The silver Dragon Prince actually promised me! I'm not dreaming, am I?"

Edina was so excited that her eyes were full of stars. She moved to Shen yuanbin's side and took out her mobile phone to take pictures.

All of a sudden, many girls around them screamed with envy and jealousy. They only hated that they were not as good-looking as Idina. Otherwise, they would have been able to get Shen yuanbin's favor.

"This stinky girl really values her lover over her friends!" Chen Xiaobei frowned and shook his head.

"What's wrong? Young master Feng, do you mind?" Elder Bai asked with great interest.

"Of course I don't mind," Chen Xiaobei smiled. I'm just friends with Idina. She can do whatever she wants.

"Don't worry, Idina is a loyal child!" Elder Bai smiled faintly with a wise look in his eyes.

On the other side, Shen yuanbin seemed to be very interested in Idina and even took the initiative to invite her.

miss, you're from The White Tiger continent, right? "

"This is my first time coming to The White Tiger continent. The beast God mountain is full of beautiful scenery. I hope you can be my guide!" Shen yuanbin said with a graceful demeanor.

As soon as he said that, the screams of the surrounding girls became even more intense. They were simply envious and jealous to the extreme!

It must be known that Shen yuanbin didn't care about any other girl, but he had a favorable impression of Idina. It was really infuriating!

Naturally, she was very excited. She pointed at Chen Xiaobei and elder Bai and said, "I still have two friends. If you don't mind, we can travel together!"

"Friend?"

Shen yuanbin looked in the direction of Idina's finger, and his eyes were full of disdain. "Are they even worthy of being your friends?"

"Ah?" Edina was stunned and said in surprise, "Why not?"

a little bastard and an old beggar, " Shen yuanbin said arrogantly. if you go with them, Won't You Be lowering your status? "

As soon as he said that, the brainless fans around him naturally nodded and unconditionally supported Shen yuanbin's point of view.

"Young master Yin Jiao is right! A little kid and a beggar, why are they traveling with the silver Dragon Prince?"

"That's right! Our Silver Dragon Prince is so noble! How can you go with that kind of person?"

"This kind of multiple choice question is meaningless! As long as they're not stupid, they'll definitely choose to travel with the silver Dragon Prince!"

"If I don't choose young master Yin Jiao, the heavens will not tolerate it!"

.....

In the midst of everyone's support, Shen yuanbin had already raised his chin proudly, and his face was full of confidence, as if he had already expected that Idina would choose him!

From afar, Chen Xiaobei and elder Bai could hear Shen yuanbin and the crowd's mocking.

Once she made her choice, Chen Xiaobei and elder Bai would leave.

"Different DAOs! We can't conspire together!"

Under everyone's gaze, Idina's face turned cold. She angrily glared at Shen yuanbin, then turned around and left.

"Young lady! You ..."

The confident smile on Shen yuanbin's face instantly froze, and his face turned ashen. He had never dreamed that Idina would make such a choice.

"You have a good appearance, but you don't even know how to respect people!"

Edina typed on her phone as she walked and said coldly, "I've already deleted the photo. I won't see you again!"

you ... Shen yuanbin froze on the spot. His face turned red and green. He was so embarrassed that he felt like he was suffering from cancer.

The group of brainless fans around them were even more dumbfounded. They scolded Idina for being stupid and actually giving up on traveling with the future White Tiger King, Shen yuanbin! He was simply an idiot!

"Why did you come back?" Chen Xiaobei asked.

"Shen yuanbin is a scumbag!" Edina pursed her lips and said seriously, "He humiliated my friend, so he became my friend!"

"You value friends over lust! I'll give you a like!" Chen Xiaobei gave him a thumbs up and smiled.

Elder Bai also smiled.

On the other side, Shen yuanbin was furious when he saw Idina and Chen Xiaobei talking and laughing.

Shen yuanbin had never been rejected by a girl in his life! Idina's rejection in public was a great humiliation to Shen yuanbin!

Shen yuanbin swore to himself that he would definitely take revenge! Edina, Chen Xiaobei, and elder Bai had to pay the price!

Chapter 2076: The Election Begins

Nothing special happened in the following journey.

Even though Chen Xiaobei had made a few enemies, they could not do anything to him on the holy mountain.

Therefore, Chen Xiaobei and the other two did not face any resistance. They walked and stopped, eating noodles and having a good time.

Of course, Chen Xiaobei's biggest goal was to increase his cultivation!

To Chen Xiaobei, wasting three days was a luxury!

Although he could not cultivate, Chen Xiaobei would study the astral battle technique of ten thousand beasts every day during his break!

This battle art came from the treasure house of The White Tiger branch. It was said to be an immortal level battle art!

Even if Chen Xiaobei could not use the power of a divine immortal now, once he learned it, he would be invincible among those of the same level!

To Chen Xiaobei, this was an important trump card.

So, whenever he had time, Chen Xiaobei would always hold the Jade talisman that recorded the astral Beast Battle technique in his hand.

After the spiritual connection, the incantation of the battle tactics was transferred into Chen Xiaobei's mind!

Chen Xiaobei had the scholar heart, and his learning ability was off the charts!

Even though he did not spend much time studying, Chen Xiaobei had already completely mastered the contents of the Jade talisman and turned them into his own knowledge!

However, Chen Xiaobei noticed a problem. Part of the astral Beast Battle tactics recorded in the talisman was missing!

According to the incantation of the mental cultivation method, there would always be a huge obstacle at the last moment when circulating true essence, and it would not be able to display the true power of the battle art!

Of course, this was not strange!

If the Jade talisman had recorded the complete battle technique, The White Tiger branch's leader, Ximen Junda, would have already cultivated it himself!

Why would he keep the Jade talismans in the treasure vault?

"It seems that I'm happy too early ..."

Chen Xiaobei frowned, 'I'm afraid I'll need other opportunities to use the astral Beast Battle technique! Fortunately, this battle technique was created by the beast God. Perhaps we can find the missing part of the battle technique in the temple on the mountain!"

Now that Chen Xiaobei was wearing the human-skinned mask and using the alias young master Feng, all the questions in his mind could only be solved in silence.

The live broadcast at The White Tiger branch had let the world know that the astral Beast Battle technique had fallen into the hands of the leader of the Xuan faction, Chen Zhufeng!

Therefore, Chen Xiaobei could not ask elder Bai for help or his identity would be exposed.

Of course, the beast God temple was right in front of them! With his off-the-charts luck, perhaps he didn't need to consult anyone, and the opportunity would automatically come to him!

"We've finally arrived!"

Edina looked forward with a pious expression, her eyes shining brightly. She was like a Pilgrim who had just seen the God in their heart, and she was sincerely excited.

"It's been seven years! I entered the void from here and finally came back here! Thank you, great beast deity, for your great guidance and bestowing me with a sacred reincarnation!"

Elder Bai knelt on the ground and bowed to the temple!

"Majestic and magnificent! Extraordinary spirit!"

Chen Xiaobei looked ahead and sighed in his heart.

He saw a huge temple on the top of the mountain!

The embossed of ten thousand beasts were like stars surrounding the moon, ancient and vicissitude seeping through the growth rings of time!

Against the setting sun, the roof was golden! It was like a temple of God, sacred and inviolable!

"F * ck! Those three idiots had finally arrived! He was walking too slowly! You made us wait so long!"

At this moment, a series of ear-piercing sounds came from not far away.

Looking in the direction of the sound, the square in front of the divine temple was already filled with hundreds of young orcs!

The few people who did not like Chen Xiaobei were among them.

"F * cking retard!"

Zhu Qiang Qiang, who was as fat as a ball, said disdainfully, "Why did Edina and that kid bring that beggar here? This is the temple, not a beggar's den!"

The red-robed Wan Jianfeng's eyes were cold as he said, " "That brat is here too! If he dares to participate in the election, I will definitely crush him to death during the 'beast God martial competition'! "

In the distance, Jiang zipeng's eyes were even more ruthless. He gritted his teeth and said, " "Edina! And that damned little beast!" I will make sure you die without an intact corpse on the life and death arena of the beast God contest!"

On the other side, the extremely handsome Shen yuanbin also squinted his eyes and said in disdain, " "When I become The White Tiger King, the first thing I'm going to do is crush these three ants!"

.....

"Are we late?" what's going on? " Chen Xiaobei asked, frowning as he listened to the noise in the square.

it's all my fault. My body is too weak. I've slowed down ... elder Bai said with self-blame.

"Elder Bai, don't blame yourself. We're not late!"

"According to the rules of the elders Guild, we only need to arrive before sunset on the third day," said Edina indifferently. Look at how beautiful the sunset is, how could I be late?"

"There's no one else in the mountains! The selection ceremony for the new king! We can start now!"

At this moment, nie changkong's voice came from the void.

No one knew where he was, or how he was monitoring the entire beast God mountain.

However, one thing was for sure. As The Guardian of the holy mountain and the second elder of the temple, nie changkong's words were very effective.

Soon, Yi changkong and the other five elders came out of the temple in their best clothes.

All of a sudden, everyone at the scene fell silent.

since the great elder is not here, I will be the host of today's King selection ceremony!

Yi changkong stepped forward and announced, " "All the young people of our race who are participating in the election, please gather at the square! The ceremony is about to begin!"

As soon as he said that, not only did everyone quiet down, but they also lined up in an orderly manner. Their expressions were solemn and their backs were straight!

Chen Xiaobei and Idina were at the end of the line. Elder Bai did not leave but stood beside Chen Xiaobei.

"A toast! The great beast God!"

Yi changkong shouted and began to give his speech.

After a long speech of insignificance and a large ceremony unique to the orc race, the sky was completely dark!

Chen Xiaobei almost dozed off in the last row.

Fortunately, after the ceremony, the selection of the new king could enter the main topic!

"The selection ceremony for the new king will be divided into three stages!"

"In order to ensure the fairness of this ceremony," said nie changkong. Justice! Public! We'll be using the live broadcast method so that the entire White Tiger continent's citizens can watch the live broadcast at any time!"

only those who are recognized by the people are qualified to receive the blessing of the beast God and become the new king of the orcs in apocalypse Starfield!

As soon as he said that, everyone exclaimed in shock.

After careful observation, there were indeed cameras installed in many corners of the temple to ensure that the entire ceremony was live-streamed!

next, we will begin the first stage of the election!

all candidates, " Yi changkong announced. head to the spirit testing hall to test your cultivation and bloodline!

[Red Envelope Group of the Three Realms](#)

Chapter 2077: Spirit Testing Screening

"The selection for the revered King position this time is of great importance. After the Elders 'Council's discussion, the candidates' cultivation and bloodline must be strictly checked!"

"The bloodline is at least at the earth-god level!" Yi changkong said. His cultivation base was at least three fires refining the spirit! If you meet one of these two conditions, you will pass the first stage of the selection!"

As soon as he said that, the young men in the square immediately became restless, and a wave of wailing came one after another.

It was obvious that many people were unable to meet these two conditions!

This was equivalent to announcing that they had already been eliminated and had completely lost the right to participate in the selection!

Of course, although wailing sounds were heard, no one objected to the two conditions!

One must know that The White Tiger honorable King was the ruler of The White Tiger continent! In addition to getting the approval of the elders and the people, he also needed to have extremely powerful strength and talent to have the ability to protect The White Tiger continent!

Cultivation was power! Bloodline was talent!

There was nothing wrong with these two tests, so they should indeed be strictly checked!

In just three minutes, more than 60 young orcs had left the stage!

In apocalypse Starfield! Countless young orcs! There were only thirty-odd people left!

One could only imagine how strict the selection of The White Tiger revered King was!

Only the youths who stood at the top of the pyramid had a chance to participate!

.....

Then, the remaining 30-odd people were led by the six elders to the spirit testing hall in the West of the temple!

As the location for the first stage of the selection, there were a few large screens in addition to many cameras.

The situation of the participants was broadcasted live, and the audience's words could be seen at the same time.

In the middle of the hall, there were two Jade pillars, one black and one white, that were several meters tall!

The front of the White jade pillar was embedded with nine flame-shaped crystals, representing the God-refining realm of one to nine flames!

On the front of the black jade pillar, there were ten crystals. They were arranged in a straight line, rising up in order. The higher one went, the bigger the crystals were, and the higher the level of the bloodline!

"Young master Feng ..."

Edina tugged at Chen Xiaobei's sleeve and said, " you're only at one fire spirit-refining, so you're obviously not up to the standard. If your cultivation is not up to the standard, don't go for the spirit test ... Otherwise, those bad guys will definitely mock you!

"Young master Feng, although your state of mind is extraordinary, and your confidence and dominance are far beyond those of your age, you're still too young!" However, this test only looked at the results. No one would care about your other strengths! Trying to be brave would only invite ridicule! The main point is that the entire continent is broadcasting this live. This is not good for your future!"

"Don't worry, don't worry!"

Chen Xiaobei shrugged and said, " "I'm not trying to act cool! If I can't pass this test! No one here can pass!"

this ... Edina and master Bai were stunned at the same time, and their faces were filled with disbelief.

This kid's tone was too big!

However, elder Bai and Edina did not try to persuade him anymore. When Chen Xiaobei said that he wanted to be the best in the world, no one believed him!

But Chen Xiaobei had done it!

It was the same at this moment. Although elder Bai and Edina could not believe it, they were willing to wait quietly for Chen Xiaobei to perform! They were waiting for Chen Xiaobei to amaze the crowd again!

"I declare! The first phase of the spirit testing has officially begun!"

At nie changkong's command, all the young men perked up and prepared to go forward for the spirit testing.

the first one to have her soul measured is morning and evening Starfield's Idina! Yi changkong read out a long list of names.

"I'll be the first?"

Edina was stunned for a moment. She quickly tidied up her appearance and ran forward.

"Please test your cultivation level first!" Yi changkong said.

"Yes!" Edina nodded and placed her palm on the White jade pillar.

"Chi ..."

Soon, two flame-shaped crystals began to shine on the White jade pillar.

Yingluo-this girl isn't good enough! He's only at the second fire god-refining stage!

Yingluo, yes! The second elder had said that one had to be at least in the three fires God-refining realm to meet the requirements!

Yingluo, don't be anxious! There was still a bloodline that had not been tested! Perhaps she could use her bloodline to counterattack!

During the live broadcast of the selection, the audience could speak and discuss. The participation rate was very high, and it was very open and transparent.

"Please test your bloodline again!" Yi changkong said.

"Yes!" Edina immediately placed her hand on the black jade pillar.

"Chi ..."

Five out of the ten crystals on the black jade pillar lit up!

At the same time, a shadow that looked like a cheetah appeared in front of the black pillar!

The Shadow's outline was very special. It was difficult for ordinary people to distinguish it, but nie changkong could recognize it at a glance!

"This is a five-star earth-god! Night Shadow leopard bloodline!"

"Morning and evening Starfield, Idina, has passed the first round of selection!" Yi changkong announced loudly.

Yingluo is amazing! This girl had really used her bloodline to counterattack!

What a high-grade bloodline! She shouldn't be an ordinary person, right? I really envy her!

Yingluo, I remember! She was the daughter of Emperor Chen hun! Princess Edina! Night Shadow leopards were the bloodline of their family!

"Continue with the spirit testing! The second spiritual test is the Azure Dragon continent's ten thousand sealing swords!" Yi changkong continued to read the list.

"Yes!"

Wan Jianfeng was very confident. He gracefully walked over and directly stretched out his hands, pressing on the two Jade pillars.

Three Balls of Fire lit up on the White jade pillar! The black jade pillar lit up with five crystals! There was also the shadow of a bird!

"Three fires God-refining stage! It's a five-star earth-god level beast with the bloodline of the fierce Skylark!"

"Azure Dragon continent, Wan Jianfeng, has passed the first round of selection!" Yi changkong announced loudly.

I know the ten thousand sword seal! he was a core disciple of heaven dominating faction! He was also an expert on the minor heavenly fate ranking!

Yingluo is amazing! The young men on the minor heavenly fate ranking were all the cream of the crop!

Yingluo, of course! Only a top-tier genius could become The White Tiger King! Only then can he lead our beast clan to prosperity!

the third spirit test is from The White Tiger continent, Zhu Jianqiang! Yi changkong continued.

"Hello, everyone! I'm Zhu Jianqiang! The young master of the number one sect on The White Tiger continent! I believe everyone knows me! With our family's strength ..."

As soon as Zhu Qiang came up, he began to show off in front of the camera.

However, before he could finish his sentence, he was stopped by Yi changkong. "Cut the crap! Directly test the spirit!"

yes ... Zhu Jianqiang nodded in embarrassment. He also extended his hands.

Three Balls of Fire lit up on the White jade pillar! The black jade pillar only lit up one crystal! There was also a pig-like shadow!

"Three fires God-refining stage! One-star earth-god level, bronze-skinned wild boar bloodline!"

great! Yi changkong announced loudly, " White Tiger continent, Zhu Jianqiang, has passed the first round of selection!

A bronze-skinned wild boar? Hahaha ... There's such a bloodline? Isn't this too funny?

Yingluo, stop laughing! Zhu Jianqiang was not a kind person. The consequences of laughing at him were very serious!

Qianqian is right ... Although Zhu Jianqiang's bloodline is ordinary, he has cultivated a battle technique. In terms of battle power, he is even above the ten thousand sword seal!

the next person to be tested is Jiang zipeng from the Azure Dragon Capital city! Yi changkong deliberately dragged out his tone to attract more attention!

As soon as he said that, the audience instantly boiled over!

[Red Envelope Group of the Three Realms](#)

Chapter 2078: Fierce Battle

Jiang zipeng! The Azure Dragon Imperial city's third Prince! One of the three heroes of the Jiang family! He had indeed come!

Qianqian Jiang zipeng used the beast blood pill to activate the bloodline of the great purple ROC. In terms of cultivation and talent, he is the strongest among all the young orcs in our myriad tribulation continent!

Yingluo was amazing! Jiang zipeng was backed by the Azure Dragon Imperial City! In the future, he would very likely inherit the position of the revered King Azure Dragon! If he were to choose The White Tiger revered King! Then wouldn't he be able to rule two continents by himself?

Oh my God! There had never been such a precedent in the billions of years of history of apocalypse Starfield! Jiang zipeng wanted to be the No. 1 immortal in history!

If he could really take the throne of two kings all by himself! He was definitely the first king of all time!

The audience was in an uproar because zipeng Jiang had a very special background!

With the Jiang family of Green Dragon, even if Jiang zipeng couldn't take the throne of two kings alone, he could easily make the two continents of Green Dragon and white Tiger form an alliance!

When the two continents formed a common interest, it would be enough to suppress apocalypse Starfield. At that time, zipeng Jiang could still be the one standing at the peak of apocalypse Starfield!

Because of this, the audience had high hopes and expectations for Jiang zipeng.

As the second elder of the temple, Yi changkong was willing to support Jiang zipeng because of his family background!

"It's done," Jiang zipeng pressed his hands on the two Jade pillars and the spiritual test results appeared immediately.

The White jade pillar lit up with four Balls of Fire! The black jade pillar lit up with nine crystals! There was also the shadow of a large bird!

"Four fires God-refining stage! A nine-star earth-god with the bloodline of the great purple ROC! Jiang zipeng has passed the first round of selection!"

Yi changkong raised his voice on purpose and smiled. He was obviously very satisfied with Jiang zipeng's result.

The audience exclaimed again, and the number of people who supported Jiang zipeng increased by several times!

Even the 30-odd people who were waiting for the spiritual energy test revealed bitter smiles. They had already thought that they were no match for Jiang zipeng before the spiritual energy test!

"Thanks for letting me win! Thanks for letting me win!"

Jiang zipeng laughed arrogantly and glanced at Idina, provoking her.

"Detestable!"

Edina was so angry that her eyes widened, 'if my family hadn't discovered the ancient ruins! If he hadn't cheated her of the beast blood pill! Jiang zipeng is not qualified to stand here today!"

"Good and evil will be rewarded in the end!" "A person like that would never have the last laugh!" Chen Xiaobei said.

"Young master Feng is right!" "Don't forget, the silver Dragon young master Shen yuanbin hasn't appeared yet!" Elder Bai nodded slightly.

"Shen yuanbin is also a scumbag! But he's a bit better than Jiang zipeng!"

"If you have to choose one of the two, I hope Shen yuanbin will be The White Tiger King!" Said Idina unhappily. We can't give it to Jiang zipeng no matter what, or our orc clan will be finished!"

"Why can't I choose one of the three?" Chen Xiaobei raised his eyebrows and laughed, "Isn't it good to choose me?"

"You?"

Edina's expression changed slightly, and she said, "It's a good choice for you to be The White Tiger King, but you don't have the strength ..."

"The next one to have his spirit tested is Shen yuanbin, an earth level deity!" At this moment, Yi changkong's tone sank, and his expression became unnatural.

The livestream's viewers exploded in an instant.

Oh my God! A person from the earth-god Realm actually came down to participate in the election! This was amazing!

He was Shen yuanbin! He was the famous Silver Dragon young master, Shen yuanbin!

Yingluo, wow! The silver Dragon Prince is so handsome! I've never seen such a handsome boy! I feel like I'm in love!

What's the use of Yingluo being handsome! Strength was the absolute truth! Let's see the results of his spirit test!

In an instant, everyone's eyes were focused on the two Jade pillars in the middle of the hall.

The results of the spirit testing were out!

The White jade pillar lit up with five Balls of Fire! All ten crystals on the black jade pillar lit up! There was also the shadow of a long flood Dragon!

Without needing nie changkong's announcement, the audience's comments exploded.

Oh my God! Shen yuanbin's cultivation had actually reached the five fire spirit-refining realm! With such strength, he could easily be ranked within the top three of the minor heavenly fate ranking!

The most terrifying thing about Tao Wu was his bloodline! It was the silver Dragon bloodline of a divine fairy! The ten crystals on the black jade pillar lit up! It was too awesome!

If there was no comparison, there would be no harm! The silver Dragon Prince was so handsome, his cultivation was so high, and he was so talented! How are we ordinary people supposed to live like this!

From the looks of it, the silver Dragon Prince was the most popular candidate in this election! After all, we beastmen worship the strong!" The beast God contest was also a competition of actual combat strength!

Yingluo, yes! The silver Dragon Prince was definitely the strongest person in this election! The people in the front were all laughing and joking, but the 'martial competition of the beast God' was the stage for the silver Dragon Prince!

This is interesting! The two popular candidates, Silver Dragon Prince and purple ROC Prince, would definitely put on a fierce battle!

According to what Yueyue said, the others didn't have to choose anymore, so why were they still standing there? Wouldn't it be better to just go home?

Yingluo, what do you know? This screening was being broadcasted live across the entire White Tiger continent! This was an extremely rare opportunity to show his face!

Yingluo was right! Although the remaining 30 or so people had no hope of being elected, they could use this opportunity to show off their strength and bloodline! To become famous in one fell swoop!

Qianqian was right. After all, they were the top young beastmen under the age of 30! Maybe he would be noticed by some big force and get a good opportunity!

According to what Qianqian said, they would also be participating in the 'martial competition of the beast God'?

Yingying was really looking forward to it! This would definitely be a super exciting fight meet!

Shen yuanbin passed the first round of selection!

Yi changkong announced. The smile on his face disappeared.

The few people in the main show had already completed their spirit tests.

The next test was for the crown prince's students.

These people didn't expect themselves to be chosen, and only wanted to use this live broadcast to show their faces in front of the hundreds of millions of viewers. If they could get good results in the 'beast God martial competition', they could also become famous in the world and be in the limelight!

The results of these people's spirit tests were not surprising. They just followed the process.

The audience was also getting tired of watching, and there was not a single comment for a long time.

the last one to perform the spirit test is Feng Zhu from the Vermillion Bird continent!

Yi changkong announced the last name indifferently. He looked disinterested and had run out of patience.

"Young master Feng! It's your turn!"

Edina and elder Bai looked at Chen Xiaobei with a complicated expression. They were worried that Chen Xiaobei would fail, but at the same time, they were also hoping that Chen Xiaobei would surprise everyone.

"Watch me!" Chen Xiaobei shrugged and walked out.

"It's you?" Xi changkong's eyes narrowed. He had seen Chen Xiaobei in the mountains. Xi changkong did not like Chen Xiaobei at all.

Chen Xiaobei did not mind and asked, "Can we start now?"

"Let's test your cultivation first!" Yi changkong said indifferently.

"Alright!" Chen Xiaobei shrugged and reached for the White jade pillar.

[Red Envelope Group of the Three Realms](#)

Chapter 2079: Too Low

Unsurprisingly, only a small flame lit up on the White jade pillar.

This was a fact that could not be changed. Right now, Chen Xiaobei was only at the one fire god-refining level.

The result had been guessed by Edina and elder Bai.

The audience was no longer interested in watching, and they were too lazy to complain.

However, there were Chen Xiaobei's enemies in the crowd!

Those annoying guys would not let go of the chance to beat Chen Xiaobei down.

"What the f * ck! Only one fire to refine the spirit! That kid is really a piece of trash!" Zhu Qiang Qiang's face was full of disdain as he grinned and shouted.

Wan Jianfeng also immediately said in a strange tone, "Just one fire to refine the spirit! Out of all the participants this time, this little trash was the most trashy! It's so weak!"

"Yo! Who was this? Isn't that the awesome young master Feng?"

Jiang zipeng sneered, "You dare to challenge me on the mountain with such trash strength! Was there a hole in his brain? Or is he just courting death?"

Shen yuanbin was even more rude, and even mocked elder Bai, "Heh, you're really the trash of trash! No wonder he was hanging out with an old beggar! A beggar picking up trash, what a match made in heaven!"

These four fellows could be said to be the ones with the highest strength, the greatest background, and the best talent among the participants this time.

The four of them were criticizing Chen Xiaobei so much that the other participants looked down on Chen Xiaobei. They all looked at Chen Xiaobei with contempt and disdain.

Naturally, the audience also saw Chen Xiaobei as a dispensable salted fish, and did not even bother to make a comment.

However ...

Chen Xiaobei was not affected by the mockery and contempt of the crowd. He asked, "It's time to test your bloodline, right?"

"Is there still a need for that?" Yi changkong asked in disdain.

In other words, Chen Xiaobei's strength was too weak, and his bloodline must be trash. There was no need to test him again!

"I'm already here, of course I have to finish the test!" A confident smile appeared on Chen Xiaobei's face. His tone was calm, but it was as if he had everything under control.

"As you wish." "Hurry up!" Yi changkong urged impatiently. Don't waste everyone's time!"

Chen Xiaobei reached for the black jade pillar.

"Chi ..."

With a burst of strong spiritual fluctuations, the crystals on the black jade pillar began to shine one by one.

One star ... Two stars ... Five stars ... Nine stars ... Ten stars!

Soon, the ten crystals on the black jade pillar all lit up. This result immediately caused an uproar in the audience.

The audience watching the live broadcast, who had already been silent, suddenly became excited. As if they had been injected with chicken blood, they began to flood the channel like crazy!

Oh my God! Who was this kid! He actually had a divine immortal bloodline!

His cultivation was trash, but his talent could be compared to Shen yuanbin's. As long as he was trained well, he would definitely be a first-class expert in the future!

Yingluo, yes! This kid was only twenty-one or twenty-two years old! He still had a lot of room for growth! In the future, he could even surpass Shen yuanbin!

Qianqian had never expected this! The last person to do a spirit test could bring such a huge surprise!

"Young master Feng really isn't acting tough! He had once again stunned the audience! A divine immortal bloodline! It's simply too awesome!"

Elder Bai and Idina looked at each other, and they were both excited.

Chen Xiaobei's image in their hearts had become much higher.

how ... How is this possible?!

Zhu Jianqiang, Wan Jianfeng, Jiang zipeng, and Shen yuanbin were all dumbfounded. They couldn't believe their eyes.

The ten glittering crystals on the black jade pillar were like ten loud slaps on their faces!

They slapped their faces so hard that their cheeks were burning! They were shocked to the extreme! He had even slapped them so hard that they lost all their face and were unable to show their faces!

"Something's wrong! There must be a problem! How could this little trash possess a heaven immortal bloodline?"

Yi changkong furrowed his brows. After careful observation, he suddenly made a discovery."The bloodline pillar must be broken! Everyone had a bloodline Phantom! Only this little trash doesn't have one!"

Upon hearing this, all eyes were focused on him!

As expected, the black jade pillar did not have the image of a beast like the others!

"F * ck! You scared me!"

"I knew it!" Zhu Qiang-Qiang said unhappily,"that little trash can't possibly have a celestial grade bloodline!" So the bloodline pillar is broken!"

hehe! Wan Jianfeng also laughed in disdain, " if that little trash really has a celestial immortal bloodline, I'll live-stream myself eating sh * t!

Jiang zipeng said with even more disdain,"I'll live stream eating shit at my grave!"

What the f * ck! We were excited for nothing! After all this time, it was the bloodline pillar that was broken!

Did Yingluo have bad luck? He broke the bloodline pillar as soon as he came!

Zhenzhen, let that kid get lost! Don't waste our time!

no way ... How could this be ... Edina was completely stunned. She felt as if her mood had suddenly fallen from heaven to the abyss. The contrast was too great.

"The bloodline pillar is not broken!"

However, at this moment, elder Bai suddenly spoke in a serious tone, " "Wait a little longer! The bloodline Phantom will definitely appear!"

"You stinky beggar! What do you know!" Zhu Qiang Qiang shouted angrily.

Shen yuanbin roared even more arrogantly, " "You're just an old beggar, who are you to speak here? Get out of the spirit testing hall!"

"Quickly get lost! Stinky beggar! Quickly get out of our sight ..."

All of a sudden, Shen yuanbin's brainless fans started to shout and drive away elder Bai.

"The void ascetic has been completed. It's time for me to restore my identity!"

Elder Bai's expression did not change. He took a step forward and his genuine vitality burst out. He looked like he was enshrouded in pure white smoke!

"Swish!"

Elder Bai's eyes focused as he took two steps forward. The pure white smoke was like magic, causing his entire appearance to change!

"Phew ..."

Elder Bai let out a long breath and took three steps forward. His thin face suddenly became handsome, and his weak body became tall and strong. Even his old clothes turned into a white robe!

His gaze was deep and wise! His aura was deep and steady!

With just three steps, elder Bai had turned from a poor old beggar into a great immortal!

"We wish the great elder the best in completing the void ascetic journey! Welcome back to the holy mountain, great elder!"

At the same time, nie changkong and the other five elders cupped their hands and bowed deeply to elder Bai.

first ... First elder???"

All the audience and participants, including Chen Xiaobei and Idina, were stunned by what they saw!

Zhu Jianqiang and Shen yuanbin looked down on elder Bai the most. They were shocked like two stone sculptures, as if they had been struck by lightning. Their expressions and bodies were stiff!

Elder Bai ignored everyone and said indifferently, "Young master Feng, be patient. Your bloodline Phantom will definitely appear!"

I'm afraid I can't. Chen Xiaobei shook his head. the bloodline pillar is not strong enough.

"You mean the level of this bloodline pillar is too low?" "This is a divine immortal-level bloodline pillar!" Elder Bai said in surprise.

it's not low ... Chen Xiaobei sighed."It's too low! I'm afraid that if this continues, the bloodline pillar will really break!"

As soon as he said that, the entire place exploded.

Chapter 2080: Ten Crystals Exploding

"What the f * ck! This kid is too pretentious!"

Zhu Jiancheng gritted his teeth and said,"how dare you say that the level of a celestial grade bloodline pillar is too low!" Who did he think he was? Hierarch Jiutian!"

"Lower your voice!"

Wan Jianfeng said in a low voice, "that kid has a friendship with the great elder!" If you offend the great elder, you'll have to bear the consequences!"

hiss ... Zhu Qiang-Qiang sucked in a breath of cold air and immediately shut his mouth.

Jiang zipeng and Shen yuanbin were both smart people. Although they hated Chen Xiaobei, they did not say a word out of fear of offending the great elder!

One had to know that the first elder was an earth-god level figure, and his cultivation suppressed The White Tiger continent. No one could compare to him!

The main point was that as the head of the Council of Elders, the head elder was the number one emissary of the beast God and had countless believers in the entire White Tiger continent! He was respected and loved by almost all the orcs!

even the higher-ups of heaven dominating faction had to be polite when discussing matters with the great elder!

It was conceivable that no one in the entire apocalypse Starfield would dare to offend the great elder!

Of course, the audience watching the live broadcast didn't have real name verification, so they were not afraid of offending the great elder through the virtual network.

The great elder of Xuanji was deliberately biased towards that little waste, right? You clearly don't have a powerful bloodline, yet you still dare to act tough in front of us!

Yingluo, yes! He was clearly a little trash, but he actually thought that the immortal-level bloodline pillar was too low! I've never seen such a thick-skinned person!

The great elder of the Kongtong Sect had not appeared for many years. Could it be that his temperament had changed? According to the totem's iron rule, the members of the Council of Elders must maintain absolute fairness! Otherwise, they would not be qualified to be the messenger of the great beast deity!

Obviously, a small portion of the audience watching the live broadcast were not the great elder's believers. They might even be the enemy's Internet Water Army!

Not only were they criticizing Chen Xiaobei, but they were also trying to frame the great elder! He wanted to make the first elder's reputation fall in the hearts of the beastmen and reduce the number of followers! He might even lose the position of great elder!

"This old man has never been biased!"

The great elder's expression didn't change and he said with a clear conscience, "According to the ancient history of totems! The beast deity himself is a half-orc with a divine bloodline!"

"Back then, the beast deity used the bloodline pillar to test the bloodline! All ten crystals were lit up, but no bloodline Phantom image appeared! This is the same as young master Feng's situation!"

As soon as he said that, everyone was shocked!

Zhu Jianqiang, Wan Jianfeng, Jiang zipeng, Shen yuanbin, Idina, the six elders, and more than thirty participants were all affected by the nuclear explosion!

Their eyes were as wide as a bull's, and their mouths were so wide open that a fist could fit in!

This was because all of them had read the ancient history of totems that the great elder had mentioned!

The contents of the book were exactly as what first elder had said!

Moreover, it wasn't just the people present. Nine out of ten real orcs had read this book!

The book recorded the long history of the beastmen race. On The White Tiger continent, it was a textbook-like existence! The contents were approved by all the beastmen!

In an instant, the comments and instigations of the Internet Water Army were directly crushed by the real orc viewers.

Oh my God! If the great elder didn't mention it, we wouldn't have thought of the ancient history of totems!

Who would have thought that little trash ... Oh no... That young master could actually recreate the miracle of Lord beast deity!

The ancient history of totems recorded that the beast God didn't see the bloodline Phantom. After-while, the 10th crystal shattered and the bloodline Phantom appeared! It was actually a three-star divine rank, the blue lightning sky-trampling Dragon bloodline!

Now, he wanted to see if the 10th crystal of the bloodline pillar would shatter! If it shattered! This young master also had a God-level bloodline!

Oh my God! Could this young master be the reincarnation of the beast deity?

If Yingluo is really like this, our beast clan will definitely return to glory under his leadership!

Yingying was really looking forward to it! Would the tenth crystal shatter?!

Everyone's eyes were focused on the bloodline pillar as they waited in silence with great anticipation!

"Young master Feng! Don't worry about the bloodline pillar being destroyed!"

The great elder said in a deep voice,"if the miracle of the tenth crystal shattering appears again!" Young master Feng, you will be recorded in history! In the "ancient history of totems," it is one of the most colorful pages!"

"Alright then!" Chen Xiaobei shrugged and continued to press on the bloodline column.

"Bang! Bang Bang Bang ..."

Time passed slowly, and the change finally broke out!

However, to everyone's surprise, it wasn't the tenth stone that shattered on the bloodline pillar!

Instead, from the first to the tenth, all of them were shattered!

"This ... This, this, this ..."

The audience was stunned. Everyone at the scene was stunned.

Even the great elder, who was as calm as a mountain, was shocked. He couldn't believe his eyes.

Their most respected beast God had only dropped the tenth crystal!

Chen Xiaobei had dropped all ten crystals!

'F * ck!' It scared people to death!

"Chi ..."

Then, Chen Xiaobei's bloodline Phantom appeared.

It was a Dragon-shaped Phantom, its outline extremely blurry and also very special, an ordinary person would not be able to distinguish it at all!

At this moment, even the seven great elders of the elder Council could not tell what kind of Divine Dragon it was.

"That's strange! There are no records of that kind of bloodline Phantom in the myriad beast illusionary book created by the beast deity. We can't tell what kind of bloodline it is!"

The second elder nie changkong frowned in surprise.

"There's no need to distinguish!"

The great elder said in a deep voice, "ten crystals at once!" Shadow Dragon! This was enough to prove that young master Feng's bloodline was the bloodline of a Divine Dragon! And it's a Divine Dragon bloodline that's of a higher grade than Lord beast God's!"

this ... Yi changkong gasped, and his face turned pale.

The entire venue fell into a deathly silence. Even the hundreds of millions of viewers watching the live broadcast fell silent.

Obviously, the Grand elder's conclusion had caused a nuclear explosion in everyone's heart!

Not only did Chen Xiaobei have a divine-level bloodline, but it was even higher than the beast God's!

This directly subverted the three views of all the orcs and even made them doubt their lives and their beliefs!

However, the iron-clad truth was right in front of everyone!

Ten crystals exploded at the same time! Shadow Dragon!

Even if everyone was suspicious, this was still the truth!

It was an undeniable and unchangeable fact!

It was a fact that would be recorded in history!

Even though this fact was not immediately accepted by everyone!

However, there were already a small number of people who chose to believe in him and became his followers!

"I told you, the bloodline pillar doesn't give you strength. This is all bad!"

Under everyone's shocked gazes, Chen Xiaobei smiled, but his heart was calm.

Nine-star divine level, witch Dragon bloodline!

In terms of bloodline, Chen Xiaobei was not targeting anyone. All those below the 33rd level of heaven were his little brothers!
