Chapter 2381: Xuanyuan Guanghong

"Little girl, from now on, you're my maidservant!"

Chen Xiaobei raised his eyebrows and said, "With your noble status, you won't renege on your debt, right?"

"Hmph! I'll go back on my word! How was it? If you're not convinced, then bite me!" Lord Chi Ling turned his head away, ignoring Chen Xiaobei.

I can't believe that a Big Shot like your Sifu would have such a thick-skinned apprentice like you. I feel so embarrassed for your Sifu! Chen Xiaobei said.

"Don't talk about my master!" Lord Chi Ling immediately turned around and glared at Chen Xiaobei.

"Hehe, I'm just speaking the truth. You're biting me!" Chen Xiaobei shrugged and grinned. the next time we meet, I'll tell you what happened today in detail. I'm really looking forward to your master's reaction!

"You're not allowed to say it!"

Lord scorching Heat's brows were slightly furrowed, his face full of conflict. After a moment of stalemate, he gritted his teeth and said, "I admit defeat, alright?"

"Mm! That's good!" Chen Xiaobei smiled.

Lord scorching heat paused and added, "I admit defeat, but I can only serve you in private! My identity can not be exposed in front of others. If you speak nonsense, it will ruin shizun's entire plan!"

"Don't worry, I know what to do!" Chen Xiaobei's tone was calm, as if everything was under his control. "Little maidservant, let me hear you call me young master first!"

you ... Lord scorching heat instantly gritted his teeth.

As the Lord of Purple Rainbow City and the third core disciple of Tianji city's branch, Lord Chi Ling had ordered countless maids and servants around. At this moment, he had actually become a maid. He was simply depressed to the point of exploding!

But there's nothing she can do about it, who asked her to lose to Chen Xiaobei?"

young master ... Lord scorching heat gritted his teeth and squeezed out these two words with great difficulty.

Tian Peng was stunned by what he saw!

He had thought that Lord scorching heat was very powerful, but in just a few sentences, he had been defeated by Chen Xiaobei!

This was truly a case of 'when the devil is one foot higher, the Dao is ten feet higher'. There was no way that this girl, Lord scorching heat, could escape from Chen Xiaobei's palm!

But Tian Peng thought about it and frowned, Xiaobei, you may have won against this girl, but isn't it too much of a loss to pay three million upper spiritual stones in one go? "

Obviously, the starting price of the celestial mountain snow Jade Fruit was one million upper spiritual stones, and almost no one was bidding.

In the end, Chen Xiaobei sold it for three million. It looked like he had really lost a lot of money.

"Hmph! This is the price you have to pay for acting tough!"

Lord scorching heat finally felt a little better in his heart. "Although you won against me, you also paid a huge amount of money! There's nothing great about this stupid method!"

In Lord scorching Heat's eyes, Chen Xiaobei's payment of spiritual stones was equivalent to emptying out all his wealth.

It was absolutely foolish to pay such a huge price just to take a gamble!

Facing Tian Peng's suspicion and Lord scorching Heat's ridicule, Chen Xiaobei was not moved at all. He said calmly, " "Do you all think that I've made a loss by spending this three million?"

"It's a loss!"

Tian Peng frowned, "if you don't argue with this girl, you can get it for 1.2 to 1.3 million!" In the end, you offered three million ..."

"This is not a loss! It's a blood loss!" "Only an extremely stupid person would do such a thing!" Lord scorching heat ridiculed.

Chen Xiaobei raised his eyebrows and asked, " "If I give you another 3 million, can you give me a second heaven mountain snow Jade Fruit?"

this ... Lord scorching heat was stunned for a moment, and he was speechless.

Obviously, the celestial mountain snow Jade Fruit was extremely rare. It could not be found in the earthly calamity star sea. Even in the earth-god Realm, it was extremely difficult to obtain. Naturally, Lord scorching heat could not take out a second one!

"The rarer something is, the more precious it is. I don't need to say this! More importantly, you can't buy a good heart with money!"

this is the celestial mountain snow Jade Fruit. It's what I need the most. It's very important to me! Let alone 3 million, if someone were to compete with me, even if it's 30 million, I'd fight to the end!"

are you going to use it to ... Tian Peng was stunned and stopped.

Chen Xiaobei nodded. He did not explain, and he did not need to.

The celestial mountain snow Jade Fruit was extremely nourishing and healing to a woman's skin. It was obviously bought for Liu xuanxin!

Chen Xiaobei was willing to give up everything for Liu xuanxin!

Three million in exchange for Liu xuanxin's skin was a huge profit for Chen Xiaobei!

Besides, there was another reason why Chen Xiaobei was so generous as to spend three million!

To attract attention!

As expected, the auction was interrupted midway!

An old man with white hair and a white beard walked out from the backstage, causing a stir in the audience!

"My respects to you, Mr. Xuanyuan!" Guild leader Feng immediately stepped forward and bowed respectfully.

"Heavens! It was Xuanyuan guanghong! The President of the Chamber of Commerce's branch in the southern jambu continent!" Geno cried out in alarm.

Inuyago Kojiro was even more dumbfounded, " "There are three thousand branches of the Dongsheng Chamber of Commerce in the Nanzhan state, and all of them are controlled by Xuanyuan guanghong!"

Zhao pingkang swallowed his saliva and exclaimed, " "Xuanyuan guanghong actually came in person! He was the head of the three thousand Chambers of Commerce of the Nanzhan state! Any one of those 3000 people can crush guild leader Feng by dozens of streets!"

Wu qiman pursed her lips, her body trembling uncontrollably. "Xuanyuan guanghong is walking toward that kid ..."

Xuanyuan guanghong walked up to Chen Xiaobei!

"Young master, I'm Xuanyuan guanghong. I'm sorry to disturb you!" Xuanyuan guanghong walked over and cupped his hands in an imposing manner.

Having been in a high position for a long time, Xuanyuan guanghong had always been dignified. Just by standing there, he naturally exuded a powerful pressure unique to those in high positions!

Tian Peng was a little uncomfortable.

Lord scorching heat even gasped, appearing somewhat nervous.

Chen Xiaobei was the only one who remained calm. "Elder Hong, you're too polite. What's the matter, for you to come out personally to find me?"

Xuanyuan guanghong did not expect Chen Xiaobei's mental state to be so strong!

Nowadays, there were very few young people who could remain calm in front of Xuanyuan guanghong.

Xuanyuan guanghong had a silver token in his hand, but he put it away and took out a golden token.

Seeing this scene, the crowd once again erupted in shock and screams.

Guild leader Feng swallowed his saliva and broke out in a cold sweat.

Even Lord scorching heat could no longer remain calm. His pupils contracted uncontrollably and were filled with envy.

"What is this?"

Chen Xiaobei studied the Golden token.

It was three fingers wide and one finger long. The words 'Dongsheng' were carved in the middle, surrounded by nine golden dragons. The carving was very exquisite and could be called a perfect work of art!

Chen Xiaobei's curiosity was aroused!

How could such a small card cause such a shock?

[Red Envelope Group of the Three Realms](#)

Chapter 2382: Golden Supreme Token Of Dongsheng

"This is the Dongsheng Golden Supreme token, a token of our Golden Supreme VIP of the Dongsheng Chamber of Commerce!"

Xuanyuan guanghong said indifferently, "as long as you have this token, you can get the same treatment as me in any branch of the Dongsheng merchant Association!" If any member of the Chamber of Commerce dares to offend you, young master has the right to kill them directly! In addition, young master can get a huge discount on any goods you buy!"

Everyone was shocked by his words!

Even Chen Xiaobei himself was shocked!

With the Golden Supreme token of Dongsheng, he would receive the same treatment as Xuanyuan guanghong!

This was equivalent to the treatment of an Emperor!

For example, Chen Xiaobei had the power to decide the life and death of everyone in the earthly calamity Galaxy branch, from guild leader Feng to the servants! It couldn't be any better!

In addition, there were also discounts in business transactions! This was the most practical thing for Chen Xiaobei!

When he reached the earth-god Realm, Chen Xiaobei would have to find a way to earn more spiritual stones!

If he could establish a good business relationship with the Dongsheng Chamber of Commerce, Chen Xiaobei would be able to get twice the result with half the effort!

"Thank you for your kind intentions, elder Hong! I'll be taking this token!"

Chen Xiaobei's face was calm, but his heart was bursting with joy.

Getting this token was a big surprise for Chen Xiaobei!

In the auction just now, Chen Xiaobei had deliberately bid three million to show everyone how rich he was!

Chen Xiaobei's goal was to attract people's attention and see if he could catch a big fish!

In the end, Chen Xiaobei really did manage to fish out Xuanyuan guanghong!

However, Chen Xiaobei did not expect Xuanyuan guanghong to be so generous as to give away a Golden Supreme token of Dongsheng!

After all, three million upper spiritual stones was a lot in the earthly calamity Star Ocean, but it was nothing in the earth-god Realm!

Xuanyuan guanghong should not have given Chen Xiaobei such a good treatment just for three million superior-grade spiritual stones!

This really surprised Chen Xiaobei! He was very surprised!

In fact, all Xuanyuan guanghong wanted was to give Chen Xiaobei a Silver Supreme token!

However, Xuanyuan guanghong had discovered by chance that Chen Xiaobei's mental state was extremely strong. He was definitely not an ordinary person!

Considering Chen Xiaobei's wealth and state of mind, Xuanyuan guanghong had determined that Chen Xiaobei must have a powerful background. That was why he had changed the silver Supreme token to the Golden Supreme token!

Obviously, this was a way for the Dongsheng Chamber of Commerce to win over important figures!

By establishing connections with people with strong financial resources, the Dongsheng Chamber of Commerce would be profitable!

By establishing connections with people with strong foundations, the Dongsheng Chamber of Commerce would have a strong power to borrow!

Therefore, anyone who could obtain the Dongsheng Golden Supreme token was a well-known Big Shot even in the earth immortal world!

By then, Chen Xiaobei had already pocketed one of the Golden Supreme medallions of Dongsheng!

At the sight of this scene, everyone's mentality exploded!

"It's a great profit! What a great profit!"

Lord scorching heat was dumbfounded. He simply couldn't believe his eyes. "Three million upper spiritual stones for a Golden Supreme token of Dongsheng! It was simply too cost-effective! In comparison, the celestial mountain snow Jade Fruit is just a gift!"

"Xiaobei! That's awesome!"

Tian Peng gave him a thumbs up, "I was worried that you'd make a loss, but you've made a huge profit! You're really something!"

"F * ck! That kid's luck is too good!" Zhao pingkang's face was livid, and he gritted his teeth. He was so close to writing his envy, jealousy, and hatred on his forehead.

Wu qiman did not say a word. She just stared at Chen Xiaobei with a complicated look in her eyes. She was even thinking about whether she should dump Zhao pingkang and go out with Chen Xiaobei.

The entire Zhao family's liquid funds added up to only three million upper spiritual stones! Chen Xiaobei did not even bat an eye as he spent the money!

Compared to Chen Xiaobei, Zhao pingkang was so poor!

More importantly, Zhao pingkang's possessions combined could not even compare to the Golden token in Chen Xiaobei's hand!

"Elder Hong! This is not fair!"

Geno stood up, his eyes filled with jealousy. "If I sell all my property and get three million upper spiritual stones, can you give me a Golden Supreme token of Dongsheng?"

"Of course not!"

"Three million isn't enough to get the Golden Supreme token!" Xuanyuan guanghong shook his head. I have to consider many factors! The most important thing was the foundation! You'll have nothing left after you sell your property to get the money. What right do you have to control the Golden Supreme token?"

"Elder Hong! According to what you've said, you should take back the Golden Supreme token of Dongsheng that you've just issued!"

Inuyago Kojiro also stood up and said coldly, "That kid isn't a Big Shot at all! Even if he has a backer, he must have sold everything he had to gather three million upper spiritual stones. He's not qualified to control the Golden Supreme token!"

Xuanyuan guanghong frowned, then looked at Chen Xiaobei and said, "This young master is indeed unfamiliar! But his state of mind and aura were definitely not something that an ordinary youth could possess! I believe in my own judgment. He is qualified to get a Golden Supreme token!"

"Then I'll find a way to prove that he's not qualified!" Inuyago Kojiro was unconvinced.

"How do you want to prove it?" Xuanyuan guanghong asked.

"It's simple!"

"The auction isn't over yet, and that kid will reveal his true colors soon!" If he has nothing left, shouldn't elder Hong take back his Golden Supreme token?"

this ... Xuanyuan guanghong was at a loss for words, and his eyes were filled with displeasure.

Xuanyuan guanghong was the one who gave the Golden token to Chen Xiaobei. If Chen Xiaobei were to take it back, Xuanyuan guanghong would be slapping his own face!

However, Quanyang Kojiro was so aggressive that Xuanyuan guanghong couldn't avoid it.

Geno also joined in and pressured, "Elder Hong! You are a highly respected senior! If it's not fair, I'm afraid your prestige will plummet!"

"Good! We'll do as you say!" Xuanyuan guanghong's eyes narrowed. Although he agreed verbally, he was already extremely displeased with Kojiro and Geno!

One must know that Xuanyuan guanghong was a powerful figure even in the earth-god Realm! How could he tolerate two ants closing in on him?

If this wasn't the auction house, if inuyagu Kojiro and Geno weren't VIPs, they would have already become the corpses of Xuanyuan guanghong's subordinates.

Restricted by the rules of the chamber of Commerce, Xuanyuan guanghong could only bear with it. He was extremely unhappy.

"Elder Hong, don't worry!"

Chen Xiaobei said, "I'll definitely prove to you that you've made the right choice!"

Xuanyuan guanghong's eyes lit up. If Chen Xiaobei really had nothing, he would not have said something like that!

Xuanyuan guanghong's confidence was ignited, "young master is indeed extraordinary!" This old man is definitely going to make friends with you!"

After saying that, Xuanyuan guanghong gave him a look.

"Distinguished guests, next up, I'll be bringing out the second item of the day!" Guild leader Feng immediately announced loudly.

As soon as he finished speaking, another two maids brought out a tray.

[Red Envelope Group of the Three Realms](#)

Chapter 2383: None Of You Have It

"The second item is a piece of black wind agarwood!"

Guild leader Feng lifted the red cloth on the tray, revealing a black piece of wood the size of a human arm.

At the same time, a special fragrance slowly spread out.

The smell wasn't very strong, but it was penetrating, spreading to almost every corner of the venue.

It was as if the medicinal herbs and incense were a perfect combination, making everyone feel very comfortable when they smelled it.

this agarwood was found in the black Wind River Basin. It has a history of millions of years. It's very rare!

"It's a three-star earth-god item!" Guild leader Feng introduced. Over the years, it had been cleansed by spiritual energy, and its spirituality had increased greatly! The fragrance spread out, and it had the effect of calming the mind and focusing the heart! It's also an extremely rare medicinal material for refining pills and medicine!"

As soon as he said that, many people at the scene widened their eyes and showed a strong interest.

Guild leader Feng continued, " the starting price for this piece of Blackwind Eaglewood is 300000 upper spiritual stones. Each increment must not exceed 20000 upper spiritual stones! Now, our distinguished guests can begin bidding!"

However, before the crowd could react, they were immediately struck by a bolt from the blue!

"I'll pay three million! Top grade spirit stones!"

Chen Xiaobei raised his hand casually and said in a calm tone.

However, it was this simple sentence that instantly caused everyone present to be dumbfounded and their three views to be completely shattered!

"Is this kid stupid?"

Zhao pingkang swallowed and said, " according to the usual practice, the first and last items are the most valuable. The items in the middle are all ordinary! This kid called out a price ten times the starting price right off the bat! Did a donkey kick your head?"

"This is crazy!"

Wu qiman stared at Chen like she was on steroids. Her eyes were burning with passion."This young master is simply too rich! This was a true tycoon ... No! It was a godly tycoon! Even our Wu family can't compare to him ..."

"Xiao bei? Are you alright?"

Tian Peng said worriedly,"I can understand if you want to spend three million to buy the Tianshan Snow Jade Fruit, but this piece of wood is useless to you!" Besides, you've already obtained the Golden Supreme token of Dongsheng. It's completely meaningless to spend so much money!"

"It's money, you just have to spend it and then earn it!"

of course not! Chen Xiaobei smiled. I just want to let those idiots know that elder Hong did not misjudge you! I'm happy to use this three million to slap their faces! I'm happy to!"

this ... at the sight of this scene, even Lord scorching heat was dumbfounded. this kid is really rich and willful ... I'm afraid only master would treat upper-grade spirit stones so lightly ...

Xuanyuan guanghong's eyes lit up as he praised,"This old man didn't misjudge you! This young master was definitely a Dragon among men! A proud son of the heavens! It's this old man's honor to have such a friend!"

"Uh ... That ... If no one is bidding, I'm going to announce the result!" Guild leader Feng had already picked up the small wooden hammer. He didn't think that anyone would be able to raise the price in this situation.

Three million!

In the entire earthly calamity Star Ocean, not many powers could produce such a treasure!

Moreover, even if they could take it out, who would spend such a sky-high price to buy a wooden block that only had calming effects?

"Wait a moment!"

However, at this moment, inuyang Kojiro jumped up and shouted, " "Geno! Zhao pingkang! You guys, come here! I have a plan!"

"Alright!" Geno immediately ran over.

Zhao pingkang did not want to get involved, but he noticed that Wu qiman was looking at Chen Xiaobei weirdly.

Zhao pingkang was worried that he would be cheated on, so he had to take some measures to suppress Chen Xiaobei and make Wu qiman lose interest in him!

So, Zhao pingkang also walked over and got together with Kojiro inujiro Geno!

"Listen to me!"

Quanyang Kojiro lowered his voice and said, " judging from the current situation, that brat must have more spiritual stones, and a lot more at that. Otherwise, he wouldn't bid like that!

After the auction just now, the crowd no longer suspected that Chen Xiaobei was bidding randomly!

Since Chen Xiaobei dared to call for three million, he would definitely be able to bring out enough spiritual stones, just like before!

"Yup ..."

I was hoping that his Golden Supreme token would be taken back, " said Geno unhappily. I didn't expect him to be so rich. My wish must have been dashed!

Zhao pingkang was also displeased. He said coldly, " "That kid is too arrogant! She really wanted to give him a good beating! Unfortunately, he's so rich that we can't do anything to him!"

"You're wrong! It's because he's so rich that I have a way to deal with him!"

Inuyago Kojiro had a sinister look on his face, " "The three of us will bid together, the higher the price the better! At the crucial moment, I won't bid anymore and let him suffer a huge loss!"

"Good idea!" no matter how rich he is, " Geno grinned hideously. he'll definitely feel heartache if he loses millions of upper spiritual stones at once!

"Brother Quanyang is so smart!" great! Zhao pingkang praised, " the three of us didn't have to pay any price, and we can make that kid lose millions of Yuan. This is a brilliant idea!

"Then it's decided!"

Inuyago Kojiro grinned and raised his hand, " "I bid four million upper spiritual stones!"

Everyone was shocked by his words.

Guild leader Feng swallowed his saliva and said embarrassedly, " "Young master Quanyang ... With all due respect, I'm afraid you can't use that many spirit stones! According to the rules of our Chamber of Commerce, those who bid recklessly will have one of their arms crippled and be blacklisted forever!"

"Of course I know the rules!"

Quanyang Kojiro spread his hands and said, " "I've already invited Geno and Zhao pingkang to join forces with me! My bid will be split among the three of us!"

yes! guild leader Feng nodded and said, " if that's the case, I'll approve of your bid!

Quanyang Kojiro raised his chin proudly and challenged Chen Xiaobei, " "Little brat! Aren't you very rich? Aren't you very arrogant? Come on! Please start your performance!"

All eyes were on Chen Xiaobei.

With the auction as the foundation, everyone had experienced Chen Xiaobei's wealth and power.

Everyone, including Xuanyuan guanghong and blazing heat Lord, was waiting for Chen Xiaobei to show off his money-squandering skills again!

"You're right! I am indeed very rich! He is indeed very arrogant!"

Chen Xiaobei's lips curled into a devilish smile. "However, other than money and arrogance, I have something that none of you have!"

"What is it?" Inuyagu Kojiro, Geno, and Zhao pingkang all widened their eyes in curiosity!

"Brain!" Chen laughed evilly.

"What? Do you dare to say that the three of us are brainless?" The three of them were instantly enraged.

why would someone with a brain spend four million upper spiritual stones on a piece of broken wood?
"

Chen Xiaobei smiled evilly and said, " I give up on this round of bidding! Just announce the results!"

[Red Envelope Group of the Three Realms](#)

Chapter 2384: Finale

"What?"

Inuyagu Kojiro, Geno, and Zhao pingkang, the three Jokers, were instantly dumbfounded and almost fell to the ground!

"What ... What is this?" Lord scorching heat was dumbfounded.

"Young master, are you joking?" Xuanyuan guanghong was also dumbfounded.

"No way? Are you really giving up on the auction?" Wu qiman was even more dumbfounded and felt dizzy.

Only Tian Peng grinned evilly and gave him a thumbs up. "I knew it! Xiaobei, You're the Worst! He really knew how to play! Six six six six six!"

"Guild leader Feng! Don't just stand there!" "Hurry up and announce it!" Chen Xiaobei urged. I'm still waiting to see those three idiots pay!"

"Ah? Good ..."

Guild leader Feng's face was filled with shock. He composed himself and said awkwardly, " four million! Going once ... Going twice ... Going thrice ... Sold!!!

"Oh my God ... I'm dead ..."

As President Feng's small hammer fell, the three Jokers, inuyang Kojiro, Zhao pingkang, and Geno, seemed to have lost all their strength. They collapsed directly on their chairs, their faces pale and dazed. They even had the thought of dying.

Among the three families, the Zhao family had the most wealth, with about three million in liquid funds. The dog family and the forest Castle only had about two and a half million in liquid funds!

After splitting the four million upper spiritual stones, each of them would have to fork out more than 1.333 million upper spiritual stones!

Even the wealthy Zhao family had suffered a great loss, and the Quan family and the jungle Castle had lost nearly half of their entire family's wealth. It was likely that they would not be able to make up for today's losses in the next few years, or even more than a decade!

The point was that this huge loss was only exchanged for a piece of insignificant agarwood. It was simply a loss of blood!

Just as Chen Xiaobei had said, anyone with a brain would not do something so stupid.

Very quickly, there were sounds of ridicule coming from the crowd, and their targets were naturally the three brainless jokers!

Inuyagu Kojiro, Zhao pingkang, and Geno-these three Jokers were so depressed that they almost spat out blood!

However, the ridicule from the audience was only an appetizer. The real show had just begun!

the results are out. You three, pay up immediately!

Xuanyuan guanghong's face was cold as he snapped.

Obviously, just now, Quanyang Kojiro and Geno had made Xuanyuan guanghong unhappy. At this moment, Xuanyuan guanghong would not give them a good face.

uh ... Elder Hong, can you make an exception ... Kojiro lowered his voice and said.

"We can't!" Xuanyuan guanghong didn't wait for Kojiro to finish and immediately refused, " "If you don't pay the spirit stones in five minutes, don't blame me for following the rules!"

this ... inuyang Kojiro took a deep breath and quickly took out his phone to contact the higher-ups of his family to send over the spiritual stones.

In total, Quanyang Kojiro only had about 800000 upper spiritual stones, which required him to use the family's funds for daily operations.

Geno felt the same. He didn't dare to hesitate and immediately took out his phone to make a call.

Zhao pingkang, on the other hand, had an expression of utter disbelief. Obviously, it was Kojiro and Geno who had offended Xuanyuan guanghong, but he himself was implicated. He was extremely depressed.

qiman ... I have a million upper spiritual stones. Can you lend me 330000? "

I don't dare to alert the higher-ups about this, " Zhao pingkang said in a low voice. otherwise, my father will beat me to death!

"I won't!"

Wu qiman rejected him without hesitation."Get away from me! From now on, I have no relationship with you!"

"What!"

"You're my girlfriend!" Zhao pingkang was shocked. We're about to get married! Are you not even willing to lend me a few spirit stones to tide over this difficult time?"

"If it were any other time, I wouldn't mind lending you this sum of spirit stones!"

Wu qiman said disdainfully,"but today, you're too brainless!" If I continue to date you, I, Wu qiman, will become the laughingstock of the world! Let's break up! No room for discussion!"

this ... hearing this, Zhao pingkang's eyes widened like a bull's, and his mouth opened so wide that a fist could fit in.

Zhao pingkang had never dreamed that the woman he had tried so hard to please and was about to propose to would throw him away like garbage.

What did it mean to suffer a double loss? Zhao pingkang was the best example!

"Brother Zhao! Don't be stunned! Hurry up and make the call! You only have five minutes!" Inuyago Kojiro immediately reminded him after the call.

hiss ... Zhao pingkang gasped. He couldn't care about the woman anymore. He quickly took out his phone and contacted the higher-ups of the family.

Xuanyuan guanghong had been talking for five minutes. If he had been talking for more than a second, the three of them would have been crippled!

One should know that Xuanyuan guanghong was in charge of all the businesses of the Dongsheng Chamber of Commerce in the jambu continent. Even in the headquarters of the Chamber of Commerce, he had a very high status!

In Xuanyuan guanghong's eyes, the three young masters of the earthly calamity Star Ocean were merely three ants!

Even if they were killed, the three forces wouldn't dare to say a word, let alone cripple their arms!

However, rules were rules! No matter how strong Xuanyuan guanghong was, he had to obey!

Finally, before the five-minute deadline, the leaders of the three major forces brought the spiritual stones and gathered four million spiritual stones to pay guild leader Feng.

Xuanyuan guanghong snorted coldly and ignored the three Jokers. However, their nightmare wasn't over yet!

"Pa!!!"

Before Zhao pingkang had time to breathe a sigh of relief, he was slapped by his father and fell to the ground. His father pointed at his nose and scolded him in public.

"Pa! Pa! Pa ..."

Geno was in an even worse state. His father grabbed his collar with one hand and swung his arm with the other. The sound of him being whipped was louder than firecrackers.

"Ah ... Oh ..."

The most miserable one was still inuyang Kojiro. His father came up and kicked him to the ground, followed by a wave of punches and kicks! Those who didn't know would think that inuyago Kojiro was the child of old Wang next door!

After that, the three Jokers were taken away.

The auction was back on track. Under guild leader Feng's lead, the auction proceeded in an orderly manner.

With no one to compete with, Chen Xiaobei went into his invincible mode for the next few rounds of bidding. He bought all five earth-god level spiritual items for a total of two million upper-grade spiritual stones.

Three of them were rare herbs that he could give to Liu xuanxin!

The remaining two were the necessary materials to refine high-grade heavenly dog biscuit!

Soon, Chen Xiaobei would be going to the earth-god Realm, and his need for high-grade heavenly dog biscuit would increase greatly. It was better to make it early than to make it last minute!

"My distinguished guests! Next, I will bring out the last item for today!"

"According to Convention, the first and last items are the most valuable items in the VIP area!" Guild leader Feng announced loudly. I won't let you down!"

As soon as he said that, everyone's eyes instantly focused on him!

Red Envelope Group of the Three Realms

Chapter 2385: A Pool Of Divine Water

It was still the same two maids, holding hands and carrying a tray.

No, there was no red cloth covering it this time. There was only a storage bracelet on the tray.

For a moment, everyone present was puzzled.

"What's the last item? And he had to put it in his storage bracelet? Could it be something that will be damaged the moment it is taken out?"

"Isn't this too mysterious? Guild leader Feng, hurry up and introduce us! We can't wait!"

"What is it? I'm so curious!"

.....

Even Chen Xiaobei, Tian Peng, and Lord Chi Ling were looking forward to it.

there's a pool of divine water in this storage bracelet!

Guild leader Feng raised his chin and introduced proudly, " "There was once a carp that transformed into a Dragon in the pond! A lotus flower was cultivating into a demon immortal in the pond! There are even nine spiritual veins gathered in the pool!"

Everyone was shocked by his words.

"What kind of international joke is this?"

Lord scorching heat slightly frowned and directly questioned, "A carp transforming into a Dragon? Lotus becoming immortal? It's more like he's lying to a three-year-old child! Don't try to fool us!"

Wu qiman also raised a question, 'also, how big is the pond when nine spiritual veins gather in it? I'm afraid that even an ocean wouldn't be enough?"

Chen Xiaobei looked at Xuanyuan guanghong, who was sitting beside him, and said, " "Elder Hong, we're already friends, so just tell me the truth!"

Xuanyuan guanghong sighed helplessly and said, "To be honest, this old man isn't sure if the pool of divine water is real or fake ..."

"It can't be?" "Even you don't know?" Chen Xiaobei said, disappointed. Then why take it out for auction? Isn't this just a joke?"

"Have you heard of the old man of heavenly secrets?" Xuanyuan guanghong asked.

"The elder of heavenly secrets?" Chen Xiaobei nodded and said, " "I've heard of it!"

Back in the underground devil Kingdom, Chen Xiaobei had taken in a disciple, Xuanyuan tuohai!

Xuanyuan tuohai was originally the young master of the Xuanyuan family in Videha.

However, when Xuanyuan tuohai was born, the old man of heavenly secrets went to the Xuanyuan family! It predicted that Xuanyuan tuohai was the son of the evil demon, and would bring endless slaughter and disaster to the Videha!

Because of this, Xuanyuan tuohai was exiled by his family and reduced to a lowly slave on the devil earth!

At first, Chen Xiaobei was skeptical about the old man of heavenly secrets's prediction!

However, as the adventure continued, Xuanyuan tuohai displayed the bloodline ability of the limitless Saint Demon King, and was recognized as the son of the limitless demon race by the Lin Dong demoness!

From that moment on, Chen Xiaobei knew that the legendary old man of heavenly secrets was not an undeserved name. He was a top-tier Almighty!

Xuanyuan tuohai had also said that the old man of heavenly secrets was a peak earth immortal! They could even reach the gate of heaven realm and listen to the decree of the celestial immortal outside the gate!

This incident had happened a long time ago. During this period, Xuanyuan tuohai had been living and cultivating in bei Xuan faction, and nothing unusual had happened.

Chen Xiaobei did not think too much about it and had almost forgotten about it.

But today, Chen Xiaobei had met Xuanyuan guanghong and even mentioned the old prophet!

It seemed that he couldn't avoid what was destined to happen!

Of course, the attitude of the Xuanyuan family towards Xuanyuan tuohai was that they would rather let him die than let him harm the Videha.

That was why Chen Xiaobei would never mention Xuanyuan tuohai to Xuanyuan guanghong.

"Elder Hong, according to what you're saying, this pool of divine water is related to the elder of heavenly secrets?" Chen Xiaobei did not mention Xuanyuan tuohai, but he could use the divine water to get as much information as he could.

"Yes, I am!"

Xuanyuan guanghong nodded and said, "this pool of divine water was entrusted to us, Dong Sheng merchant Association, to auction for old man Divine Secrets!" A carp transforming into a Dragon, a Lotus becoming an immortal, and the nine meridians converging were all said by the elder of heavenly secrets himself!"

"I see!"

yes! Chen Xiaobei nodded and said, " I heard that the old man of heavenly secrets is the Lord of heavenly secret City! He had countless followers in the earth-god Realm! As long as he calculated something, there would never be any mistakes! The words he said were like the truth, and countless people would believe in them!

"That's right!"

Xuanyuan guanghong said with certainty, "it's precisely because those legends came from the mouth of the old man of heavenly secrets!" Therefore, even if our Dongsheng Chamber of Commerce can't confirm whether it's real or fake, we can only follow his wishes and keep auctioning this pool of divine water!"

"Continuous auctions?"

Chen Xiaobei was surprised. "In other words, this pool of divine water has been auctioned many times before this?"

"Yup ..."

Xuanyuan guanghong said helplessly, "all these years, this pool of holy water has traveled through almost the entire Nanzhan state and has gone through thousands of auctions. Unfortunately, it has never been sold!" It's to the extent that I have to follow it wherever it goes. I have to be on tenterhooks every day, afraid that it will be taken away by someone else, and my old life will be completely over!"

"It can't be?" what? " Chen Xiaobei was surprised. with the old man Tianji's words, none of the rich people in Nanzhan state are tempted? "

"Of course, there are people who are tempted!"

"However, the old man of heavenly secrets has limited it to the Nanzhan state, and the starting price is extremely high!" Xuanyuan guanghong explained.

"How high is extreme high?" Chen Xiaobei asked.

"If young master really wants to know, please be prepared!" Xuanyuan guanghong said embarrassedly.

"Elder Hong, please speak! My state of mind isn't at the point of being frightened!" Chen Xiaobei's eyes were filled with curiosity.

Xuanyuan guanghong took a deep breath and said in a deep voice, "300 million ... Upper spiritual stones!" He exclaimed.

As soon as he said that, the crowd exploded!

"300 million upper spiritual stones? This is crazy! Even if we sold the entire central main city, it would not be worth this price!"

"That's bullshit! 300 million? Are you crazy about money? They're clearly chasing us away!"

"This is the last round of the auction! Are you playing us like monkeys? Let's go! In the future, I won't come even if the Dongsheng Chamber of Commerce invites me for an auction!"

In an instant, many of the guests left the venue in anger, thinking that they had been played.

After all, a hundred to two hundred upper spiritual stones was already an astronomical figure to them! 300 million upper spiritual stones was something that they could not even imagine in their dreams!

"Young master, did you see that?"

Xuanyuan guanghong smiled bitterly and helplessly, "almost all of the previous auctions ended like this. As the manager of the Nanzhan state, I've almost offended all of the distinguished guests"

"300 million is indeed a bit exaggerated." I don't think so! Chen Xiaobei said calmly. even I wouldn't consider it!

"This old man can completely understand young master's decision!"

"Since that's the case, I'll announce the end of the auction. If young master is free, why don't you have a drink with me?" Xuanyuan guanghong said indifferently.

"Wait a moment!"

Tian Peng had run up to the stage and held the storage bracelet. He said excitedly, "Xiaobei! Buy it! It's worth it to risk everything!"

Chapter 2386: Creation Of The Universe

"What? Buy it?"

Tian Peng's words shocked everyone!

Before Chen Xiaobei could say anything, the dozens of people left on the scene were all dumbfounded!

"Can that young master really afford 300 million upper spiritual stones? My God ... Who is he?" Wu qiman gulped. The way she looked at Chen Xiaobei had completely changed. Her eyes were full of stars, and she was even starting to become infatuated with him.

At that moment, Wu qiman was even fantasizing about how good it would be if she could become Chen Xiaobei's woman. Even if it was just a mistress, she would be willing to do it!

"You ... You really have 300 million?" Lord scorching Heat's eyes were dazed, and a thin layer of cold sweat appeared on his forehead. Even his own master might not be able to take out such a huge amount of money in one go!

young master ... Xuanyuan guanghong sucked in a breath of cold air and stammered, "Which top force do you belong to, Crown Prince? Can you give me a bottom line? I'm panick ... It wouldn't be good if I offended you!"

"It's inconvenient to disclose my identity!"

I don't know! Chen Xiaobei said, "as for whether or not I want to buy that pool of holy water, I'll have to discuss it with my second senior brother first!

"Heavens! Do you really have 300 million?" Xuanyuan guanghong was completely stunned.

Lord scorching heat and Wu qiman were even more shocked. Their mouths were half-open, and they stood rooted to the ground, unable to speak.

"Elder Hong! The implications of this matter were too great! I need a private space!" Chen Xiaobei said.

"Good! Young master, please follow me!" Xuanyuan guanghong swallowed and led Chen Xiaobei and Tian Peng out of the hall.

Only the others were left standing there, stunned. They continued to refresh their world view.

.....

The highest floor of the Chamber of Commerce building!

Xuanyuan guanghong led Chen Xiaobei and Tian Peng to a vip room of the highest standard and then went outside to wait.

After Chen Xiaobei locked the door, he entered the Meru space with Tian Peng.

In the Meru space, their conversation would never be heard by outsiders.

After all, this was a deal that involved 300 million upper spiritual stones. Even the tiniest bit of information could cause Chen Xiaobei to be in trouble.

An ordinary man is innocent, but he is guilty of possessing a Jade! Moreover, Chen Xiaobei had 300 million upper spiritual stones with him!

The temptation was so great that it could even attract the top forces in the earth-god Realm to attack Chen Xiaobei!

He had to be careful!

"Second senior! You can speak now! What's going on?" Chen Xiaobei asked impatiently.

Tian Peng composed himself and said seriously, "That pool of divine water really is a three-star divine item! I was in charge of the heavenly River back then, so I was familiar with the levels of all kinds of divine water! The pool of holy water in the storage bracelet should be the heavenly water of creation!"

the universe creation divine water? " Chen Xiaobei was shocked, "isn't this too much?" How could the elder of heavenly secrets possess such a divine item?"

Xu Fu! Tian Peng said in a deep voice, " if I'm not wrong, that old man of heavenly secrets should be Xu Fu!

Xu Fu!? Chen Xiaobei was shocked again.

of course! Tian Peng nodded. previously, when you obtained Bai Qi's God-slaying sword, you sensed the truth of history and confirmed that Xu Fu was indeed the descent of the demon-slaying star!

"As far as I know, the demon Slayer Star Lord once made great contributions in eliminating demons. The Jade Emperor rewarded him with a pool of heaven and earth holy water of creation and asked him to plant the Jade pool Golden Lotus rewarded by the Queen Mother!"

after that, the devil-slaying Star Lord disappeared from the heavenly court. The pool of heaven and earth creation divine water and the Jade pool Golden Lotus also disappeared with him. There was no news at all!

It was obvious that before Tian Peng descended, he was Marshal Tian Peng of the celestial heavens and was in charge of the celestial River Army. He was very familiar with many things in the celestial heavens.

according to what you said, the old man of heavenly secrets should be Xu Fu!

what? " Chen Xiaobei asked. but why would he sell this pool of heavenly water of creation? "

"I can't answer this question either ..."

"But I'm sure that the elder of heavenly secrets didn't sell the pond for spiritual stones!" Tian Peng frowned.

"Of course!"

yes! Chen Xiaobei nodded. the old man of heavenly secrets is the Lord of heavenly secrets city. He stands at the top of the earth-god Realm and has countless followers who worship him! He would never be short of spirit stones! There must be a conspiracy behind this!"

Tian Peng said nervously, "if the old man of heavenly secrets is really Xu Fu, we might have already fallen into his trap!" After all, Tianji city has eyes all over the world, and it's said that they can predict everything in the world!"

"Things are really getting more and more strange!"

"Lord Chi Ling is a disciple of Tianji city! Her master asked me to join Tianji city!" There must be a huge scheme behind this!"

"Perhaps Lord scorching Heat's master is one of the higher-ups in Tianji city and he wants to pull you into his group!" Tian Peng said after some thought.

"No! If Lord scorching Heat's master is really a high-ranking official of Tianji city, Lord scorching heat wouldn't just be a branch disciple. He should've entered the headquarters a long time ago!"

no! Chen Xiaobei shook his head and said, " the point is, Lord scorching Heat's identity as a branch disciple is fake! If people find out that she's purple Rainbow city's crazy city Lord, she'll be expelled from the heaven's legacy City branch in a matter of minutes!"

"In that case, things are really getting more and more complicated!" old man Tianji is plotting against you. Lord scorching Heat's master is also plotting against you. I can't imagine what they are plotting! Tian Peng frowned.

"If you can't figure it out, then don't bother!"

alright! Chen Xiaobei said, " since things have come to this, I'll just go with the flow and join Tianji city as Lord scorching Heat's master has suggested!

"As long as I can gain a firm foothold in Tianji city, I'll be able to find an opportunity to get close to the old man of Tianji! If he is really Xu Fu, I will think of a way to get rid of him directly! Once Xu Fu is dead, I'll get rid of a great threat. That's the most important thing!"

as for Lord scorching Heat's master, he doesn't have any hostility for now. We can wait and see! Chen Xiaobei said.

yes! Tian Peng nodded. we don't have many clues at the moment. We can only try to figure it out and take it one step at a time!

Oh right! If Xu Fu's holy water of creation is here, where is the Jasper Lake Golden Lotus that he planted? " Chen Xiaobei asked.

Tian Peng calmed himself down and said, " the Jade pool Golden Lotus is a great help to cultivation. Xu Fu must have used the magical effect of the Jade pool Golden Lotus to reach the peak of the earth immortal realm. Without its magical effect, the Golden Lotus will wither!

"I see!"

it seems like Xu Fu has used up all the Golden lotuses in the Jasper Lake! Chen Xiaobei smiled. so, he has a whole Lake of holy water but he doesn't know what to plant!

"You've hit the nail on the head!"

that's right! Tian Peng became excited. I asked you to buy that pool of heavenly water of creation so that you can plant something!

"Plant things? I understand!" Chen Xiaobei's eyes lit up as if he had been injected with chicken blood.

Chapter 2387: Supreme Opportunity

Without a doubt!

This pool of heavenly water of creation was extremely important to Chen Xiaobei!

This was because, during the winter solstice festival, Chen Xiaobei had snatched a unique item that was the most valuable in the Three Realms! The effect was the most mysterious! It might even surpass a God-level red packet!

That's right!

This red packet was the green Lotus seed of chaos from Dao ancestor Hongjun!

The green Lotus of chaos was also known as the green Lotus of creation!

At the beginning of the chaos, there were no living things. The heaven and earth were connected, and only a Lotus was born in the chaos!

And within the Lotus was the Supreme divinity Pangu!

After that, Pangu was born and created the world, causing chaos to wreak havoc and giving birth to the terrifying elements of earth, water, fire, and wind!

The chaotic Green Lotus had been greatly damaged after giving birth to Pangu and was unable to resist the four elements! The chaos Green Lotus withered on the spot!

Before it withered! The chaos Green Lotus had a flower, Five Leaves, a lotus root, and a handful of Lotus soil! At the heart of the lotus, there were five lotus seeds!

After the green Lotus of chaos withered, the heavenly Lord of the origin obtained the Lotus and turned it into the three treasure Jade Ruyi! Taishang Laojun obtained the Lotus root and turned it into a Taiyi horsetail whisk! Sect master Tongtian got the Lotus leaf and turned it into the Qingping sword! Mother Nuwa obtained the Lotus soil and turned it into a sky-mending divine stone!

These were four merit Cardinal treasures! Sharing the immeasurable virtues of Pangu's creation of the world! Its power was boundless, comparable to a connate Cardinal treasure!

From this, one could see how powerful the chaos Green Lotus was!

As for the remaining five lotus seeds! Before the green Lotus of chaos wilted, only one would mature and fall on the peak of Buzhou Mountain. It bloomed and was called the twelfth-grade Green Lotus of reincarnation!

In addition, there were four unripe lotus seeds with defects.

The first one had turned into a twelfth-grade Golden Lotus of merit and was in the hands of Daoist Jieyin!

Jieyin Daoist was one of the two heavenly path sages of the Western religious sect. His status, ability, and Foundation were all beyond words!

The second one had turned into a twelfth-grade Red Lotus of fire and was in the hands of Cult Master netherworld River!

Minghe had created the Asura tribe and ruled the religion of Asura. He had 480 million clones of Blood God in the unholy blood sea. He was said to be immortal as long as the blood sea did not dry up! No one below the heavenly path Sage could kill him!

The third one had turned into a twelfth-grade Black Lotus of destructions and was in the hands of mo Luo Wutian!

Mo Luo Wu Tian called himself the Wu Tian Buddha. His cultivation strength had even surpassed that of the Tathagata Buddha. He was definitely the strongest expert below the heavenly path Saints!

Jieyin Taoist, Cult Master Minghe, and Mo Luo Wutian all had high status! He was extremely powerful! He was a top-notch existence with an extremely strong foundation!

They each obtained a flawed Green Lotus seed of chaos and each of them grew a grade twelve Divine Lotus!

As for the fourth Green Lotus seed of chaos that had a defect! It was in Chen Xiaobei's hand!

If Chen Xiaobei could also cultivate a grade twelve Divine Lotus, his future achievements would not be any lower than the three of them!

Tian Peng had asked Chen Xiaobei to buy the pool of holy water of creation at all costs just so he could grow Chen Xiaobei's chaotic Green Lotus seed!

"Second senior!"

Although he was excited, Chen Xiaobei did not let it get to his head. "At the winter solstice festival, the Dao ancestor said that he couldn't open the fourth lotus seed. I'm afraid that the pool of heavenly water of creation might not be effective!"

Obviously, if the heaven and earth holy water of creation was useful, the Dao ancestor would have thought of it!

"Xiaobei! This is something you don't understand!"

Tian Peng explained, " the chaos Green Lotus was born before the sky was split open. It is a connate Supreme sacred object. It appeared before the Dao ancestor and even before the heavenly Dao! Thus, the Dao ancestor can't calculate it, nor can he control it!"

"Otherwise, Dao ancestor will definitely gather the four merit Cardinal treasures transformed from the chaos Green Lotus and the five lotus seeds to recreate the Supreme power of the chaos Green Lotus! We won't let them separate no matter what!"

Obviously, Tian Peng's words were right!

The chaos Green Lotus was an absolutely Supreme existence. Even the Dao ancestor would not be willing to give it away!

But in the end, the Dao ancestor didn't stop the four merit Cardinal treasures and five lotus seeds from falling!

This was not because Dao ancestor was generous, but because he could not get the opportunity of the chaos Green Lotus!

In other words, if the lotus flower, lotus leaf, lotus root, and Lotus soil were all in the hands of the Dao ancestor, they might never be able to be turned into the four merit Cardinal treasures!

If the first three lotus seeds with defects were in the hands of the Dao ancestor, just like the fourth lotus seed, no matter what the Dao ancestor did, he would not be able to make them open!

This was the profoundness of the word 'opportunity'!

Without the opportunity, even if he used all means, he would not be able to achieve his goal!

However, when the opportunity came, everything would fall into place and the goal would be achieved!

Jieyin Taoist, Minghe Hierarch, and Molo Wutian couldn't be compared with Dao ancestor in all aspects. However, they had all cultivated the twelfth-grade Divine Lotus, while Dao ancestor couldn't!

This was the best evidence!

"I understand!"

that's right! Chen Xiaobei said, " during the winter solstice festival, the reason why Dao ancestor sent out the last green Lotus seed of chaos in a red envelope was to see who would have the chance to make this Lotus into a Divine Lotus!

"That's right!"

Tian Peng said with certainty, "since you got the red packet, you have already obtained the chaos Green Lotus!" In addition to the activation of your super marriage affinity, your fate energy will skyrocket. This opportunity will become more and more clear, and it will be closer and closer to realization!"

"That makes sense!"

yes! Chen Xiaobei nodded. the activation of the Super marriage affinity and the appearance of the heavenly water of creation is definitely not a coincidence! The opportunity of the chaos Green Lotus has really come to me!"

"So, do you still need to hesitate?" Tian Peng urged, "buy that pond of the heaven Earth holy water of creation immediately!" This will be a major turning point in your life!"

"I want to buy it, but I don't have any spirit stones!"

what? " Chen Xiaobei furrowed his brows. when I came out of the kana dojo, I only had 13.85 million superior-grade spiritual stones! In the auction just now, I used another 5 million! It's a world of difference from 300 million!"

"Idiot! Are you so excited that you've gone silly?"

Tian Peng hurriedly said, "this is the Dong Sheng merchant Association!" It was a place that specialized in trading! You don't have to pay in cash! It's fine to exchange it with something!"

"Exchange it with something?" Chen Xiaobei was taken aback, deep in thought.

Tian Peng thought about it and frowned, " "But then again, if you don't have enough things, I'm afraid you really won't be able to gather 300 million! After all, it's impossible for you to trade your powerful trump cards ..."

"Don't panic! I have an idea!"

I have so many good things on me! Chen Xiaobei said excitedly.

"Is it enough for 300 million?" Tian Peng's eyes widened in anticipation.

"There must be enough!"

three hundred million? " Chen Xiaobei grinned. I'm afraid that the Dong Sheng Chamber of Commerce won't be able to buy all these things!

[Red Envelope Group of the Three Realms](#)

Chapter 2388: Instant Wealth

"Xiaobei! Aren't you being a little too arrogant?"

Tian Peng was stunned and said, " "When did you get something worth more than 300 million? How come I didn't know about it?"

I obtained the limitless nine-floor Pagoda of the limitless demon race on the devil earth continent!

of course not! Chen Xiaobei grinned. this interspatial item is equivalent to the Treasury of the limitless demon nation! My cultivation has already reached the primordial soul realm, so I can open the third, fourth, and fifth layers one after another!"

"Oh my God!" "The Treasury of the limitless demon nation?" Tian Peng was shocked. Xiaobei! You're too awesome!"

"It's just average." Chen Xiaobei shrugged and took out the limitless nine-floor Pagoda.

As the weapon spirit, the witch of winter had returned to the tower, giving the magic weapon a new spirit.

"Lin Dong, quickly help me activate the limitless nine floor Pagoda!" open it! Chen Xiaobei said impatiently, " open all the spaces that you can!

"No problem!" The witch of Lin Dong nodded, and with a thought, she secretly cast a spell.

The limitless nine-floor Pagoda released two spiritual senses. One sensed the witch's command, and the other sensed Chen Xiaobei's cultivation.

Only by receiving the witch's order and Chen Xiaobei's cultivation reaching the required level could the Infinity Mystic tower be opened!

At this moment, the two conditions were met at the same time, and the three seals of the limitless nine-floor Pagoda were instantly lifted.

The third, fourth, and fifth floor were all released, allowing Chen Xiaobei to take out the resources in them.

"It's done!"

Chen Xiaobei held the pagoda with both hands and started to explore the levels.

"Xiaobei! What's inside?"

Tian Peng asked curiously, "don't just care about yourself!" Quickly tell me!"

Chen Xiaobei nodded and said, " "There are 33 three-star earth-god instruments on the third floor! There were also 33 three-star earth-god elixirs! In addition, there are 33 types of three-star earth-god grade materials!"

"Heavens! There are so many good things!"

according to the auction, the average price of the three star earth-god herbs and materials is about 400000 upper spiritual stones. Tian Peng was shocked. you can get 26.4 million upper spiritual stones in total! We're rich!"

however, these are just decorations. The real focus is on the 33 three-star earth-god instruments!

Tian Peng continued excitedly, " every earth-god instrument requires a lot of materials of the same level. At the same time, you have to bear the risk of failure! Therefore, by a conservative estimate, the

average price of a three-star earth-god instrument would start from four million upper-grade spirit stones! You can sell it for 132 million! He's instantly rich!"

"This is a must!"

Chen Xiaobei shrugged and said, "Every level of the limitless nine level Pagoda has a large amount of resources, and the higher the level, the more precious they are! This is only the third level, there's no need for you to be too excited!"

"Hurry! Quickly, look at the next level!" Tian Peng urged.

"Alright!"

Chen Xiaobei nodded and continued to explore the fourth floor. He said excitedly, "There are eleven four-star earth-god instruments on this floor! Eleven four-star earth-god level pills! Eleven four-star earth-god level cultivation techniques!"

"What the f*ck! The resources on this level are simply explosive!"

"A four-star earth-god instrument is at least ten times more valuable than a three-star One!" Tian Peng exclaimed. If it starts at 40 million, then 11 of them would be 440 million!"

"In addition, refining a pill also consumes a lot of medicinal herbs of the same grade, and there is the risk of failure. Therefore, the price of a four-star earth-god grade pill must start from ten million! The total price is 110 million!"

"As for the cultivation technique, its value is definitely not low! Battle tactics, secret skills, martial arts techniques, and mental cultivation methods were all things that cultivators dreamed of! A conservative estimate would be another 110 million!"

At this point, Tian Peng was so excited that he was trembling. After all, this was the human world. Such a huge amount of spiritual stones was definitely an astronomical figure!

Just as Chen Xiaobei had said, even the powerful Dongsheng Chamber of Commerce might not be able to take so many precious resources in one go!

"Second senior, calm down! There's still the fifth level!"

Chen Xiaobei grinned and continued his investigation. Soon, an excited smile appeared on his face.

"The diagram of the Wuji sword formation is indeed inside!"

Chen Xiaobei was finally excited. with this formation map, I can learn the peak profoundness of the infinite sword formation and display the power of a seven-star earth-god. Then, I will be able to fight Shen Gongbao again!

"Amazing! My Xiao bei!" "Whether I can get the nine-toothed rake back or not depends on you!" Tian Peng's eyes lit up.

"Don't worry! I'll definitely help you get it back!" Chen Xiaobei grinned, full of confidence.

"Continue! What else is there in the fifth level?" Tian Peng asked impatiently.

"No more! There's only the Wuji sword formation diagram!"

Chen Xiaobei shrugged and said, "I can't be too greedy! To me, the value of this infinite sword formation is greater than all the previous items combined. I'm already very satisfied!"

"Hmm, you're right ..."

Tian Peng nodded and said, "with this array diagram, you will be able to unleash the power of a seven-star earth-god!" The seven-star level is the biggest watershed in the earth immortal realm. It's not easy to reach this level!"

Chen Xiaobei raised his eyebrows and smiled evilly. "I'm really looking forward to meeting Shen Gongbao! If he didn't calculate my new trump card! I can catch him off guard with one move! Send him to heaven!"

Tian Peng grinned and said, "don't think so far ahead!" Hurry up and use these resources to exchange for the heaven and earth holy water of creation!"

"No rush!"

no! Chen Xiaobei shook his head and said, "I'll move these resources out first. I can't let anyone see the limitless nine-floor Pagoda! In addition, I also want to pick out some medicinal herbs to use! Finally, those eleven pills can't be sold. The pills of the limitless demon race have very special effects!"

Then, Chen Xiaobei took out an empty storage bracelet and put all the things he wanted to sell into it.

Then, Chen Xiaobei picked out five more herbs and the 11 pills, and put them all into his infinite space ring.

"These medicinal herbs seem to be suitable for miss Liu to use!" "Are you going to treat miss Liu before we find Hua Tuo?" Tian Peng asked curiously.

"Of course not! We can't afford to lose Xuan Xin, and we must find Hua Tuo before we can do it!"

"I'm keeping all these herbs, including the ones I bought from the auction," Chen Xiaobei explained. "I'm actually preparing for the 'Jade face pill'!"

"Jade face pill? You know how to refine the Jade face pill?" "That's impossible ..." Tian Peng was shocked.

[Red Envelope Group of the Three Realms](#)

Chapter 2389: Jade Face Divine Pill

"Xiaobei! Don't joke around! The Jade face pill belonged to the Grand Supreme elderly Lord fa Ming! It's impossible for ordinary people to refine it after modifying the original!"

Tian Peng's face was filled with shock and he couldn't believe his ears.

"Of course I know!"

"I'm sorry! Chen Xiaobei grinned and said, "I just happened to get the recipe for the jaded face pill at the winter solstice festival! If not for that, how would I know which herbs to prepare?"

"Heavens! You actually managed to snatch the pill formula!"

Tian Peng was stunned and exclaimed, "This is a divine level medicinal pill! It was said that as long as one ate one, no matter how old and ugly one was, their body and appearance would be restored to the peak of their life! The main point is that you can maintain your youth forever, and you don't have to worry about aging!"

"You're right!" I've already prepared the Jade face pill. I'll find Hua Tuo to cure xuanxin. Then, I'll restore xuanxin's beauty and body to its peak. She won't have to wait for so long!

"You're really considerate!" "However, the Jade face pill is a god level pill. You don't have the same level of herbs, how are you going to make it?" Tian Peng frowned.

"Don't forget that I have the scholar heart! I'm good at learning and drawing inferences about other cases from one instance!"

I'm confident! Chen Xiaobei said confidently. I'll collect earth-god elixirs with similar effects and then increase or decrease the amount according to the proportion. I can make the earth-god level Jade face pill! Xuan Xin's physical strength had not reached the earth immortal level! The Jade face pill I refined will definitely be effective!"

"What the f * ck! Xiaobei! I really have to give it to you!" Tian Peng exclaimed,"he has the ability, the brain and the ideas!" There's nothing in this world that you can't do!"

haha, second senior brother, I'll be embarrassed if you praise me like this! Chen Xiaobei grinned. He was in a good mood.

"Xiaobei Gege!"

At this moment, the witch of winter said, "If you can really refine that kind of miraculous medicinal pill, it would be equivalent to obtaining a super money tree!"

"Why do you say so?" Chen Xiaobei raised his brows in curiosity.

"Of the eleven pills you just put away, two of them are life-saving Wuji blood-clotting pills! The remaining nine are the everlasting blood longevity pills that you've eaten!"

"Do you still remember the side effects of the everlasting blood longevity pill?" Lin Dong witch asked.

"Of course I remember!"

that's right! Chen Xiaobei nodded. the way of heaven takes away what's more than enough to make up for what's not enough! If he wanted to use medicinal pills to replenish his lifespan, he would have to use one of his stronger abilities! For example, when I ate the everlasting blood longevity pill last time, I lost a few hundred thousand points of physical strength!"

"Right!"

"When you get to the earth-god Realm, you'll see many old monsters who have lived for hundreds of thousands of years, even millions of years!" Their lifespans should've ended long ago, but they're only using pills to continue living!"

"As the price of extending their lives, their physical bodies will continue to deteriorate, and they will often age and become extremely weak! If you can take out a Jade face pill, I believe that it can be sold for a sky-high price in minutes!"

Chen Xiaobei and Tian Peng's eyes lit up. It was as if they had seen a money tree growing and producing countless spiritual stones!

"As far as I know, the ancestor of the Jiang family has lived for a million years!"

what do you think? " Chen Xiaobei grinned. if I take out a Jade Beauty Pill and ask him to empty out the Jiang family's fortune, do you think he will agree? "

"Hehe! I think it's fine!" let a weak and old man recover to his peak appearance and body. Tian Peng grinned. this is something that those old ghosts dream of!

"Good! I will keep this matter in mind!"

Chen Xiaobei grinned. right now, I'm only missing two more ingredients before I can start making the Jade face pill. I'll leave one for xuanxin. I'll bring the rest to earth-god Realm and make a killing!

"I'm really looking forward to it!" Tian Peng was extremely excited and wanted to go to the earth-god Realm immediately.

"Oh right! Xiaobei Gege, you can put the everlasting blood longevity pill and the everlasting blood clotting pill into your heaven and earth furnace!"

I remember that the effects of the everlasting blood longevity pill greatly increased after it was nourished by the heaven and earth smelt. Don't forget! Lin Dong witch reminded.

"Right! I almost forgot about it if you didn't mention it!"

Chen Xiaobei grinned and placed the 11 pills into the heaven and earth furnace.

The original effect of the everlasting blood longevity pill was to increase one's lifespan by 100 years and to reduce one's physical health by 30000.

After absorbing the spiritual aura of heaven and earth, one's lifespan could be increased by 500 years, but only 100000 physical souls would be lost.

Increasing one's lifespan by five times while decreasing one's physical strength by three times was definitely worth it!

As for the infinite blood-clotting pill, Chen Xiaobei had not tested its effects yet. However, it was slightly lower than a four-star earth-god, so absorbing some of the heaven and earth spiritual aura could increase its medicinal effects. It could even be used to save lives in critical moments!

Inside the heaven stairway furnace, there were all the resources in the treasure vault of the shrine, as well as the resources of the shrine master, elders, and more than 60000 disciples. With enough heaven and earth spiritual aura, Chen Xiaobei did not have to worry about it!

After everything was settled, Chen Xiaobei asked, " "Oh right, Lin Dong, what level of cultivation do I have to reach to be able to open the limitless nine floor Pagoda again?"

Even Tian Peng's ears perked up.

Without a doubt, the resources in the limitless nine-floor Pagoda would be more precious the higher he went, and would be more helpful to Chen Xiaobei.

If possible, it would naturally be better to open it as soon as possible!

yes! Lin Dong witch said, " when you reach the earth immortal realm, three stars, five stars, seven stars, you can open the sixth, seventh, and eighth levels! The ninth level requires the help of the heavenly Tribulation when a peak earth level deity is going through the Tribulation to break it open!"

that's a long way to go ... Chen Xiaobei sighed. I've just become a one-star earth-god, I'm afraid it'll take a long time for me to become a three-star earth-god!

cultivation needs to be done step by step. You can't rush it! The witch of winter said.

"Right! Take it slow, you will reach it sooner or later, no need to worry!"

alright! Chen Xiaobei said, " I've settled everything here. Let's go and find Xuanyuan guanghong!

Chen Xiaobei put away the tower and left the Xumi dimension with Tian Peng.

He opened the door to the VIP room.

Xuanyuan guanghong and guild leader Feng were both waiting outside.

"Elder Hong! Guild leader Feng! Please come in!" Chen Xiaobei said.

Hearing this, Xuanyuan guanghong and guild leader Feng were both stunned, their eyes filled with shock.

Since Chen Xiaobei had allowed them to enter, it meant that there was room for negotiation.

This was a deal worth 300 million upper spiritual stones! Once this news spread, the entire earth celestial world would be shocked!

"Young master ... Have you reached a conclusion?" Xuanyuan guanghong swallowed his saliva. The aura of a Big Shot had disappeared, and he was now extremely respectful to Chen Xiaobei.

"I'm willing to buy that pool of divine water!" Chen Xiaobei confirmed.

hiss ... Xuanyuan guanghong and guild leader Feng gasped in shock.

Chapter 2390: You're Not Worthy Of Me

"You ... You really have 300 million? Oh my God ... This is too scary ..."

Xuanyuan guanghong and guild leader Feng stood rooted to the ground. Their eyes were wide open, and their mouths were wide open.

"No, you've misunderstood. I don't have that many spiritual stones!"

no! Chen Xiaobei shook his head. but I do have some special resources that should be worth 300 million. If the Dongsheng Chamber of Commerce is willing to be the middleman, this deal can be made!

"Resources? You want us to be the middleman?"

what? " Xuanyuan guanghong was taken aback. young master means to give those resources to our Dongsheng merchant Association and let us pay the old man of heavenly secrets in cash!

"That's right! That's what I meant!"

that's right! Chen Xiaobei nodded. with the Dong Sheng merchant Association's wealth, they should be able to buy 300 million worth of goods, right? "

Xuanyuan guanghong swallowed his saliva and said awkwardly,"According to the rules, our Dongsheng Chamber of Commerce can act as a middleman and help our guests to make flexible transactions! But ..."

"What's wrong? Are you suspecting that I don't have enough resources?" Chen Xiaobei grinned and took out the storage bracelet he had prepared earlier. He then took out a three-star earth-god instrument.

"What ... What is this?" Xuanyuan guanghong's eyes narrowed as he said in surprise, this is a three-star earth-god instrument made of a rare material. It's spiritual and can be considered an above-average item!

"Give me a price!" Chen Xiaobei said.

five million upper spiritual stones! Xuanyuan guanghong said without hesitation.

Chen Xiaobei and Tian Peng were overjoyed to hear that.

The value of the canopy had only been four million, but Xuanyuan guanghong's price was much higher.

"Sure, I can accept this price!"

Chen Xiaobei smiled and took out the other 32 earth-god instruments and placed them on the table.

how ... How is this possible?!

Xuanyuan guanghong and guild leader Feng were shocked. They never thought that Chen Xiaobei would be able to take out so many three-star earth-god instruments.

Earth-god instruments were very precious. In the earth-god Realm, even many lower-level earth-god level Immortals could not have their own earth-god instruments.

But Chen Xiaobei had taken out 33 of them, and all of them were three-star! This was even more than an ordinary Force's earth-god instruments! It was simply unbelievable!

"Elder Hong, take a look!"

I'm not sure! Chen Xiaobei said, " the materials and spiritual nature of these earth-god instruments should be of the same level. They're worth the price you just offered!

"Alright ... I'll take a look now!" Xuanyuan guanghong swallowed his saliva as he inspected the goods with guild leader Feng.

Thirty-three earth-god instruments. It wasn't a large number and could be confirmed very quickly.

Xuanyuan guanghong said,"young master's earth-god instruments are indeed of the same standard. There are no inferior ones!" The total price is one hundred and sixty-five million upper spiritual stones!"

"Alright!"

Oh? " Chen Xiaobei chuckled. look at these things. How much are they worth? "

Chen Xiaobei kept the earth-god instruments and took out 28 types of three-star earth-god medicine and 33 types of three-star earth-god materials!

Because Chen Xiaobei had taken five of them, there were only 28 left!

these ... These are also three-star earth-god level ... Xuanyuan guanghong and guild leader Feng's views on the world were completely changed. They even started to doubt their lives.

Chen Xiaobei nodded and said, " "Yes, they are all three-star! There's a total of 61 pieces, give me a total price!"

The average price Tian Peng had estimated was 400000 high-grade spiritual stones for each piece. As long as the price exceeded that, Chen Xiaobei would immediately agree!

After a while, Xuanyuan guanghong said in a deep voice,"These medicinal herbs and materials are all ancient artifacts, very rare! My estimate is 30.5 million upper spiritual stones, with an average price of 500000. Can you accept it?"

"Sure!" of course! Chen Xiaobei agreed quickly and said, " the total value of all the items just now is 195.05 million! Just a little more than 100 million!"

yes ... Xuanyuan guanghong swallowed his saliva and asked in a trembling voice, " "Young master, do you have more resources?"

"There are!"

Chen Xiaobei took out an ancient book and said, " "These are eleven four-star earth-god level cultivation techniques! Battle tactics, secret skills, martial arts techniques, mental cultivation methods, everything! You can just evaluate it directly!"

"Oh my God!"

Xuanyuan guanghong's worldview was refreshed once again. so many four-star earth-god level cultivation techniques ... Any one of them can cause a bloody battle in the pugilistic world!

who the hell is this young master ... He's so scary ... guild leader Feng's cold sweat was pouring down like rain. He looked at Chen Xiaobei as if he was a God, full of respect.

Very quickly, the valuation was completed.

I've estimated the average price of these cultivation techniques to be 10 million upper spiritual stones for one volume," Xuanyuan guanghong said in a deep voice. the total price is 110 million upper spiritual stones. In addition to the resources just now, I'll return you another 5.05 million upper spiritual stones!

"Good! Deal!" yes! Chen Xiaobei agreed readily. He was so happy.

Tonight, Chen Xiaobei had spent five million on the auction. Now, not only did Xuanyuan guanghong want to return all the money to Chen Xiaobei, he wanted to add another 50000!

This meant that Chen Xiaobei had not lost half a spiritual stone, but had gained 50000 upper spiritual stones!

One word, awesome!

After that, Chen Xiaobei gave all the resources he had just estimated to Xuanyuan guanghong.

At the same time, Xuanyuan guanghong gave Chen Xiaobei the storage bracelet that contained a pool of heavenly water of creation.

"Young master! It's been a pleasure working with you!"

Xuanyuan guanghong said excitedly, "This item has been in my hands for many years, and I've finally managed to sell it today. It's all thanks to you, young master! This old man is truly grateful to you!"

"Elder Hong, you're too polite!"

of course! Chen Xiaobei smiled. the value you gave me was very fair. You didn't take advantage of me! If there's a chance in the future, we can continue to work together!"

"You're a Golden Supreme VIP of our Dongsheng Chamber of Commerce! Of course, I won't take advantage of you!"

"From now on, if any of the branches of the Dongsheng Chamber of Commerce give you a lower valuation than the other branches, you will be able to get ten times the difference in compensation!" Xuanyuan guanghong said seriously.

"This is a good relationship!"

to be honest, I still have 11 pieces of four-star earth-god instruments to buy. I wonder if elder Hong can afford them?" Chen Xiaobei grinned.

"What? Eleven pieces?" Xuanyuan guanghong sucked in a breath of cold air, and his pupils involuntarily contracted.

He had never expected that the resources he had just obtained were just an appetizer!

Chen Xiaobei had not even served the main course!

"I'll have to ask the headquarters about this!"

Xuanyuan guanghong was still in shock. young master's items aren't inferior. A conservative estimate would cost four to five hundred million upper spiritual stones! Even the headquarters will need time to gather them!"

"No problem!"

Oh? " Chen Xiaobei shrugged and said, " also, I guess I'm considered your top VIP? " A Golden Supreme is no longer worthy of me, right?"
