Chapter 2411: Powerhouses Gather

"Hahaha! That kid had angered Cao Changfeng! He's dead! He's definitely dead!"

Inuyago Kojiro covered his mouth with his hand and said in a low voice.

"There's no suspense! That kid first offended Gooddenton, then he offended Cao Changfeng. If he doesn't die, I'll take his surname!" Geno also covered his mouth with his hand, afraid that he would disturb Cao Changfeng.

"I really hope that Cao Changfeng will make his move now! I can't wait!" Zhao pingkang was gloating.

Cao Changfeng slowly turned around and walked toward Chen Xiaobei.

"Brother Cao! You don't need to do anything!" Gooddenton said, "just leave this little trash to me!" Killing him will only dirty your hands!"

Cao Changfeng narrowed his eyes and said with a murderous look, "In the earthly calamity Star Ocean, no one under the age of 30 would dare to not give me face! I will definitely settle this debt myself!"

"Don't quarrel!"

At this moment, the old man from before brought two young people over and said, "The last two participants have arrived. You can start drawing lots!"

After all, the old man was a high-level official of the Putuo City branch in Tianji city and a five-star earth immortal. As soon as he spoke, the group of young people present all became obedient.

Then, the drawing of lots began.

The scene was broadcasted live through the camera.

In the earthly calamity Star Ocean, billions of people were watching the live broadcast through their phones or computers.

At the same time, in the highest conference room of the Putuo domain branch in Tianji city, the branch leader and 30 core elders were all sitting in front of the big screen, observing every move.

"Of the ten participants this time, nine of them are young geniuses on the young God of War ranking! The last two people to arrive are ranked ninth and seventh!"

"If nothing goes wrong, all nine people on the list can be recruited into the branch this time. It's the first time in years that we've had so many people!" The chapter leader said expectantly.

On the side, an elderly elder frowned and said, "there's also that nameless brat. He looks like he's only twenty-one or twenty-two years old. For him to be able to reach the primordial soul realm, his talent is considered very high.

"What's the use of being talented?"

"He's too pretentious. He's already offended all his strongest opponents before the battle even started!" The branch leader said disdainfully. He'll be the first one to die!"

The old man beside him nodded and said, " the branch leader is right. This kind of young and frivolous brat, even if we take him in, he will most likely not be disciplined. It's better to let him die!

"Bang!"

At that moment, the door of the meeting room was kicked open!

One had to know that this was Tianji city's branch's highest level meeting room. Ordinary people would not dare to barge in even if they ate a bear's heart and leopard's guts!

However, the moment they saw who it was, all the higher-ups in the room didn't even dare to let out a fart. They all stood up and saluted the person with respect!

"Isn't this Lord loftiness Musashi from the gods" Palace? What wind has blown you here?"

The chapter leader quickly went up to greet him, nodding and bowing, his face full of smiles.

The loftiest warrior's face was cold. He was dressed in Scarlet armor and exuded a cruel and menacing aura. I'm here to watch the selection. Tell these stray cats and dogs to get out!

"This ..."

The chapter leader's expression froze, and he was in pain!

This is our division's selection tournament, and you want our people to get out? Are you kidding me?"

Of course, the chapter leader only dared to curse in his heart. He still had a smile on his face and shouted, " "Everyone, get out! Let's leave the meeting room to the loftiness Lord!"

Hearing this, the elders immediately left the meeting room, not daring to say a word.

"The loftiness martial ancestor! This is a branch of my Tianji city! It's not your turn to give orders!"

At this moment, a Sage-like old man walked in.

Dressed in an eight-trigram Daoist robe and holding a black-haired horsetail whisk, the old Daoist immediately clashed head-on with Tianchong Musashi's fiendish pressure as soon as he entered the arena. They were actually evenly matched.

"Heavens! This was perfected Jing Qing from the headquarters! Why is the old man here?"

Seeing this, the chapter leader and the elders who had just left were dumbfounded.

what? " perfected Jing Qing's eyes focused and he said, " come back! Why are you so obedient when an outsider is asking you to get lost?"

The group of branch elders immediately ran back to the meeting room.

However, this time, they only dared to stand obediently at the back and did not dare to sit down.

"Amitabha! Immortal Jing Qing, I haven't seen you for many years, but you're still the same. You're so hot-tempered, be careful of your health!"

At this moment, an old monk in an old Kasaya stepped into the meeting room.

"How ... How is this possible? The ascetic monk from the ten thousand Buddhas Pagoda, Zen Master nine lanterns, had also arrived! Didn't he disappear a hundred years ago?"

The chapter leaders and elders were all stunned on the spot. Their pupils contracted uncontrollably, and cold sweat poured down like rain. They couldn't believe their eyes!

"It's really lively today!"

"If I'm not wrong, you guys are here for that kid, aren't you?" Asmodai grinned.

"Nonsense!"

The immortal Jing Qing was indeed very angry. He said solemnly, " that brat has already displayed his extraordinary abilities. Our headquarters in Tianji city has been watching him for a long time!

"Amitabha!"

Zen Master nine lanterns looked toward the door and asked, "Does nine nether platform not care about such a special young man? Why didn't you send someone to take a look?"

"What's the difference if I come or not?"

don't even think about it! perfected Jing Qing said domineeringly, " you three families don't even need to think about the young geniuses that our Tianji city has taken a fancy to! No chance!"

"This might not be the case!"

"The gods" Palace is willing to pay a huge price for him and satisfy all his requests. Perhaps he'll choose us!"The loftiest Tibet martial artist sneered.

Zen Master nine lanterns smiled indifferently and said, "recruiting talents requires careful consideration!" I personally invited him. That young man should be able to feel the sincerity of our ten thousand Buddhas Pagoda!"

The chapter leader and elders 'eyes almost popped out of their sockets when they saw this.

"Oh my God ... Which young man is he? He actually received such treatment? It's simply unbelievable!"

"Could it be Cao Changfeng? That shouldn't be the case! Even if he's extremely talented, it's not to the point of alerting the higher-ups of the three great factions!"

"Not even Cao Changfeng! The other nine will have no chance!"

"Something's wrong! There's one more person we've overlooked!"

"That nameless brat!"

The crowd huddled behind Chen Xiaobei and started to discuss among themselves. In the end, all their eyes were on Chen Xiaobei.

"You said he's nameless?"

"Open your eyes and look clearly!" Perfected Jing Qing said solemnly. He was the leader of bei Xuan faction! Chen Zhufeng!"

Everyone was shocked by his words!

Chapter 2412: My Strategy

"What? He's Chen Zhufeng? It doesn't look like it ... Could it be a man wearing a mask?"

The chapter leader and the chapter elders were all stunned.

Just a moment ago, they were still complaining about the nameless kid for being too pretentious. At this moment, they realized that the kid wasn't just pretentious, but he was really awesome!

Let's not talk about the legendary battle where Chen Zhufeng killed an Army of millions!

Just like now, the three magnates were all gathered here to see Chen Zhufeng!

Just this point alone gave Chen Zhufeng the right to be frivolous. In comparison, be it gooddenton or Cao Changfeng, they were not even worthy of carrying Chen Zhufeng's shoes!

but, Chen Zhufeng has his own sect. Why would he join Tianji city? " The chapter leader asked curiously.

"It's simple!"

"Although bei Xuan faction has shone for a while, it's hard for them to achieve anything great!" Immortal Jing Qing said. If Chen Zhufeng wanted to go further and fly higher, he had to have a big enough platform! Only our heaven's legacy city can satisfy his ambitions!"

"Our gods" Palace can do the same!" The loftiness Lord was unwilling to show weakness.

"Our ten thousand Buddhas Pagoda is the most suitable for Chen Zhufeng!" Nine lanterns insisted.

The chapter leaders and elders were once again stunned by what they saw! Three big shots fighting over a young man, this kind of scene was truly unprecedented!

"The results of the drawing are out!"

On the big screen, the old man who was in charge of the selection said in a deep voice.

"The red team: Cao Changfeng, gooddenton, Wu qiman, Lu Qingshu, and Zhao pingkang!"

"The blue team's name list is: inuyang Kojiro, Geno, han yunping, si Vincent, and Chen Feng!" The old man announced loudly.

As soon as he said that, the lot-drawing venue exploded.

"Are you crazy? The results of the draw are simply absurd!"

"The first to the fifth place on the young God of War ranking are all in the red team!" Geno said with a long face. Our blue team only has the seventh to tenth place, plus that little weakling surnamed Chen! What's the point of competing! There's no suspense at all!"

Inuyago Kojiro even cursed, " "Baka Yalu! It must be that Chen brat who brought bad luck to us! This lot drawing is completely one-sided, there's no comparison at all!"

I don't need you! Chen Xiaobei said. if you two are not happy with this, you can just leave. I don't need you guys anyway!

"What?" Geno and inuyang Kojiro were furious.

"Calm your anger! Please calm your anger!"

Si wensen and han yunping, who had arrived later, quickly came up to persuade him.

we're already comrades now. Please don't have any internal strife! Si wensen was ranked ninth on the young God of War leaderboard, only slightly stronger than Geno.

"Bah! We're not going to be comrades with that Chen brat!" Geno and inuya Kojiro were furious. They gritted their teeth and wanted to leave immediately.

"Please listen to me!"

"This is the selection to join Tianji city. If the two of you give up, I'm afraid you'll have to wait for a few more years. The gains do not make up for the losses!" Han yunping tried to persuade them again.

This han yunping was ranked seventh on the young God of War leaderboard. He was the strongest in their faction after Chen Xiaobei. Naturally, his words carried some weight.

Hearing this, Geno and inuo Kojiro calmed down a little. "Brother Lu is right! Although we're not happy with that Chen brat, we can't joke about our future! We can't give up on this selection no matter what!"

"This is right!"

Han yunping nodded and said,"even though everyone in the red team is stronger than us!" However, the goal of this selection was to push the tower, not to fight! As long as we make a good plan and work together! There will definitely be a chance!"

"You guys don't stand a chance!"

Zhao pingkang sneered, " we have big brother Cao Changfeng and big brother gooddenton in the red team. We can beat you all with our eyes closed!

"Hmph! Why did brother Cao have to make a move?" I can crush all five of them by myself, " gooddenton said arrogantly. I don't feel any pressure at all!

Zhao pingkang flattered,"haha!" Good job, big brother gooddenton! How domineering!"

I don't care about the other four, " Cao Changfeng said coldly. but I have to kill that Chen guy!

As soon as this was said, gooddenton could only nod obediently, not daring to argue.

Zhao pingkang was even more excited. He turned to the other side and said, "Wu qiman! Did you see that? That little brat surnamed Chen was about to die without a burial place! I, Zhao pingkang, am the winner in life!"

"Hmph! You're just lucky!"

Wu qiman rolled her eyes at Zhao pingkang, then looked at Chen Xiaobei and said, "Childe Chen, why don't you just admit defeat? you really can't fight this battle!"

Even Lu Qingshu tried to persuade him. "Yup! Young master Chen! Where there is life, there is hope! As long as you admit defeat, you can live! If you enter the battlefield, your life and death will no longer be in your hands!"

"Admit defeat?" "You guys better take care of yourselves first!" Chen Xiaobei laughed. Don't be crying when you lose!"

this ... Wu qiman and Lu Qingshu were both stunned and speechless.

Zhao pingkang immediately provoked, "he's too pretentious!" This kid actually thought he could win? They don't even put big brother Cao Changfeng and big brother gooddenton in their eyes!"

Both Cao Changfeng and gooddenton's eyes were locked on Chen Xiaobei. Their murderous intent seemed to have lowered the temperature around Chen Xiaobei!

"Stop quarreling!"

The old man who was in charge of the selection said loudly, "Members from both sides, please enter your respective territories according to your groups! The battle would officially begin in ten minutes! This is your last chance to discuss your tactics. You must make good use of it!"

As soon as he said this, the red and blue duo retreated to the vicinity of the small spiritual light tower that shone with their respective colors.

Although they had ten minutes to prepare, the red team had no intention of discussing tactics.

Cao Changfeng stared at Chen Xiaobei like a hawk, while gooddenton stared at the other four.

Obviously, these two guys didn't want to cooperate at all. They only wanted to rely on their individual strength to crush the competition.

On the other side, the blue team's five people were all gathered together, making the best use of the time to discuss tactics.

Chen Xiaobei did not want to discuss it with them but he could not resist han yunping and Si wenshen's repeated persuasion.

"Everyone, listen to me!"

Cao Changfeng is keeping an eye on Childe Chen, "han yunping said seriously. later, Childe Chen will be standing under the small tower in the middle lane. Don't go anywhere!"

"Right!"

Si wensen echoed, "Lil' Pagoda has attack power!" Cao Changfeng did not dare to barge in! As long as Childe Chen hid under the tower, he would be safe! We can find an opportunity to break through from the left and right sides if we can hold off Cao Changfeng!"

it's best if we lure gooddenton away again, " Geno said. there are three routes we can take. We must make good use of them!

"Stop dreaming!" Inuyagu Kojiro frowned. What was the use of drawing away Cao Changfeng and gooddenton? Wu qiman, Lu Qingshu, and Zhao pingkang, we can't beat any of them!"

this ... han yunping, si wensen, and Geno were instantly speechless. They even wanted to hold their heads and cry! This grouping was simply too deceptive!

"Let's just use my tactics!" Chen Xiaobei said.

"What strategy?" The four of them widened their eyes, curious as to what kind of trick Chen Xiaobei had up his sleeve.

"It's simple!"

Chen Xiaobei shrugged and said, " "The four of you will hide under the tower and do nothing! I'll deal with them alone!"

As soon as he said that, the crowd exploded!

Chapter 2413: Mastermind

"Baka! You little bastard! He's simply too pretentious!"

"You're obviously the weakest among us!" Inuyago Kojiro cursed. But you want the four of us to shrink? I'm afraid you're out of your mind!"

"How do you know that I'm the weakest?" "Have you seen it with your primordial spirit territory?" Chen Xiaobei asked.

"It's a waste of spiritual power to use your primordial spirit domain to assess your cultivation!" I don't even need to use my toes to know that your cultivation has definitely just broken through to the primordial soul realm!"

"Well said!"

Geno agreed. this little brat is only twenty-one or twenty-two years old. It's already very good that he can break through to the primordial soul realm. It's impossible for him to have a higher cultivation. There's no need to use the primordial soul domain to look at him!

"Yup!"

Si wensen nodded and said, " I remember that Cao Changfeng broke through to the immortal soul Stage at the age of 25. Young master Chen is already very powerful. But you're too pretentious! How could one person deal with an empty opponent? This is impossible!"

"Alright, everyone, stop quarreling!"

Childe Chen, don't try to be brave, " han yunping said. according to my plan, I can at least ensure your safety!

Obviously, no one had really observed Chen Xiaobei's cultivation because they did not think it was necessary. Subconsciously, she thought that Chen Xiaobei's cultivation must be low since he was young.

However, when they used their primordial spirit territory to probe, they would realize that they could not see through Chen Xiaobei's cultivation!

This was because Chen Xiaobei's cultivation was higher than any of them!

.....

Tianji city, Putuo city's branch.

"What the hell? The result of the draw is too strange!"

"I have a feeling that someone is plotting against Chen Zhufeng!" Perfected Jing Qing said with a frown. The strong ones are all on the red side. They want Chen Zhufeng dead!"

"This is interesting!"

of course! the loftiest Tibet martial grinned hideously. Chen Zhufeng's most powerful skills are his spiritual treasures and spiritual beasts, but this time, he's not allowed to use them! I'd like to see if he can survive this!"

"It's going to be difficult ..."

"According to our intelligence, Chen Zhufeng's strongest trump cards are the profound North formation and the Wuji sword formation. He's not that strong himself!" We can't use our trump cards in this battle, so he's most likely dead!"

The chapter leader and elders all nodded in agreement. None of them thought that Chen Xiaobei would be able to pass this test.

.....

Nine layers of the sea of stars, mysterious Manor.

In the luxurious Hall, a large high-definition screen was set up, broadcasting the live broadcast of the selection.

"Exalted immortal Shen's methods are truly extraordinary! It's really an eye-opener for us to be able to remotely control the results of the lot drawing from hundreds of millions of miles away!"

A white-haired man praised with a surprised expression.

As soon as he said that, the four men around him, who were of similar age, nodded and gave him a thumbs-up, praising him.

These people were Jiang Wenshan, Beiming Shiyuan, Ximen Shofeng, Nangong Taiping, and Chong Tianmu from heaven dominating faction.

And the exalted immortal Shen that they were praising was, without a doubt, Shen Gongbao!

Since the last time Shen Gongbao and the Jiang family had formed an alliance, he had hit it off with these five big forces and had become a group of snakes and rats.

Moreover, as Shen Gongbao gradually showed many extraordinary means, the five families were even more in awe of him and united around him. They even sincerely regarded him as a shangxian and listened to his every word!

"The results of the drawing of lots are not under my control!"

Shen Gongbao said indifferently with a profound expression, "my subordinates can do such a small thing well. I don't need to do it myself!"

"The people below?" "Immortal Shen, are you referring to Mr. Lu Yue?" Jiang Wenshan asked in surprise.

"It's not Lu Yue," Shen Gongbao shook his head with a smile, "Lu Yue has recently encountered a great opportunity and is currently in seclusion for a breakthrough."

Nangong Taiping asked curiously, "besides Mr. Lu Yue, does exalted immortal Shen have any other capable assistants?" "Why didn't you introduce us to each other?"

"They are Lu Yue's two disciples!"

Shen Gongbao smiled indifferently and said, "they were the ones who planned and promoted the whole plan!" "I'm very satisfied with their plan. This time, Chen Xiaobei won't be able to escape even if he had wings!"

"So it's Mr. Lu Yue's two disciples!"

Ximen Shofeng praised, "the disciples trained by a hidden expert like Mr. Lu Yue must be extraordinary!" "When they return victorious, I'll definitely make friends with them!"

"Lu Yue has five disciples in total. The two who are in charge are not the most powerful!" Shen Gongbao said with a faint smile.

"Why aren't the other three disciples making a move?" Beiming Shiyuan asked curiously.

The other three also have their own opportunities. They're all raising their cultivation in secret places!

What's more, this plan is flawless! Zhu Tianlin and Li Qi are more than enough to get rid of Chen Xiaobei! Shen Gongbao said confidently.

"That's great!"

"That's right! Chong Tianmu said excitedly, "Chen Zhufeng is a huge problem for heaven dominating faction! As long as our plan succeeds, heaven dominating faction will forever remember your kindness!"

"Let's watch the show first! It has already started!"

Shen Gongbao's eyes focused on the big screen, " "The name of this show should be" catching a turtle in a jar "!"

As soon as he said that, everyone looked at the big screen with a smile.

In their eyes, Chen Xiaobei was the turtle that had nowhere to run!

.....

At the selection match.

The battle had officially begun.

Cao Changfeng and Gooddenton rushed out of the red Tower.

"Chen, weren't you very arrogant just now? Get over here and die!"

Cao Changfeng arrived outside the defensive circle of the blue side's small tower of spiritual light and shouted provocatively.

Upon seeing this, Han Yunping quickly reminded, " "Young master Chen! You must remember my plan. Stay under the tower and stall Cao Changfeng. Then we'll have a chance!"

Zhao Pingkang followed closely and taunted, " "The one surnamed Chen! Aren't you very pretentious? Aren't you very arrogant? Why was he still hiding under the tower like a turtle? If you're a man, then get out here!"

"Don't waste your energy!"

Gooddenton said disdainfully, " the blue team's five people are all pitifully weak. Even if you lend them ten times their courage, they wouldn't dare to leave the spiritual light defensive tower! Eh? That kid actually dared to walk over!"

Before he could finish his sentence, Chen Xiaobei was already walking towards Cao Changfeng.

"Young master Chen! What are you doing? Please don't go over! You will die!" Si Wensen hurriedly shouted.

"What the f * ck! Was this kid really crazy? He actually dared to walk out? This was simply courting death! You're courting death!" Geno and Inuyang Kojiro were dumbfounded, unable to believe their eyes.

However, Chen Xiaobei did not stop. He quickly walked out of the defensive circle of the Blue Tower.

One versus all Red Team members!

Chapter 2414: Taking The Initiative

"What the hell! You little bastard, you actually dared to come out! Do you really not know how to spell the word "death"?"

Zhao pingkang rushed forward and cursed angrily, "You scammed my family of tens of billions and stole my woman. Now, it's your retribution! Big brother Cao Changfeng can crush you 10000 times with a single finger ... OWW!"

Before he finished his words, Zhao pingkang let out a shrill cry, which shocked everyone.

"Pa!!!"

Chen Xiaobei's body turned into an extreme shadow. He was still a few meters away, but in the blink of an eye, he was beside Zhao pingkang. With a backhand slap, he sent Zhao pingkang flying.

[ding Yingying's cultivation base: early primordial soul Stage. Lifespan: Year 10132, physique: 11 million, combat power: 11 million! Primordial spirit attack-one-star earth-god level!

Obviously, Zhao pingkang's strength was much weaker than Chen Xiaobei's. He could not even fight back.

"Pfft ... It hurts! It hurts ... My face ... My teeth! Aowuu ..."

Zhao pingkang fell heavily on the ground. When he opened his mouth, his teeth and blood spurted out. A blood-red palm print appeared on his cheek. His face had been slapped.

"Shut your stinky mouth! Otherwise, I'll smash your dog head!" Chen Xiaobei stood beside Zhao pingkang, and a domineering aura emanated from him.

hiss ... Zhao pingkang gasped. He felt like he was being stared at by a ferocious beast and could be torn to pieces at any time.

Who would dare to talk nonsense? Zhao pingkang covered his mouth tightly and didn't even dare to breathe!

The crowd instantly exploded upon seeing this.

"Heavens! That kid's strength was actually so terrifying! Hurry up! Quickly use your essence soul domain to take a look!" Inuyago Kojiro was dumbfounded, his voice trembling.

"What are you still looking at!"

Zhao pingkang is much stronger than us, " Geno said with a long face. that kid crushed Zhao pingkang. We can't even see his cultivation with our primordial spirit domains!

Si wensen and han yunping were also stunned. They said in disbelief, "Zhao pingkang is ranked fifth on the young God of War leaderboard. He's stronger than both of us! I didn't expect young master Chen to be able to crush Zhao pingkang ... Compared to him, we're so weak!"

On the red team's side.

Lu Qingshu and Wu qiman were both shocked. "Isn't young master Chen too strong? He was only twenty-one or twenty-two years old! Even Cao Changfeng could not compare to this amazing talent! It's too scary!"

At the side, Gooddenton narrowed his eyes and said in a cold voice, "I can't see this kid's combat strength either. This means that his cultivation is higher than mine! He had really hidden it too deeply!

"My primordial spirit is condensed, so I can vaguely sense his cultivation!" "13.6 million combat power!" Cao Changfeng's eyes narrowed. It's even higher than mine by a hundred thousand!"

how ... How is this possible?! Hearing Cao Changfeng's words, the surrounding people were even more shocked!

They would never have thought that the youngest and least favored Chen Xiaobei was actually the one with the highest cultivation!

"I didn't expect his cultivation to be so high!"

Goode-Denton raised his eyebrows and sneered, "Unfortunately, cultivation isn't everything! I have the Titan bloodline. Once it's activated, my combat strength and physique can both rise by two million points! He can easily crush that kid!"

Everyone around him nodded in agreement.

Even though Chen Xiaobei had the highest cultivation level in the entire competition at such a young age, it was not enough to guarantee his victory.

"Young master Chen! Come back quickly! Reserve your strength! We still have a chance to win! If you're defeated, our blue team will be completely finished!" Han Yunping and Si Wensen shouted.

"Yup! Young master Chen, you should go back!" Wu Qiman and Lu Qingshu also quickly reminded him, "Goode-Denton's Titan bloodline is very powerful. Although your cultivation is high, you are not his match!"

"You people are really too long-winded!"

Chen Xiaobei did not panic at all. He said calmly, "Big idiot, you and Cao Changfeng can come at me together! I'm in a hurry. After I'm done with you, I still have to collect money!"

"What? You dare to call me a big stupid guy? You still dare to ask me and brother Cao to fight together? Who Do You Think You Are? He really doesn't know the immensity of the heavens and earth!"

Goode-Denton's anger exploded, he bared his teeth and cursed, "If not for brother Cao's order to kill you! I'm going to break your neck right now! I'm going to kick your dog head like a ball!"

"You may leave!"

Cao Changfeng was calm and composed as he waved his hand like an expert.

"Alright ..."

Gooddenton swallowed his saliva. He did not dare to say anything and immediately retreated to the side.

"Little brat! You're really crazy!" Cao Changfeng's eyes locked onto Chen Xiaobei.

it's just so-so. You haven't seen me being arrogant yet! I'm not joking! You can come at me with that big idiot! Hurry up! Stop talking nonsense!

"You're humiliating me!" Cao Changfeng's eyes turned cold and murderous.

"Ha, when you fall, you won't feel that this is a humiliation anymore!" Chen Xiaobei shrugged.

Upon seeing this, the crowd burst into an uproar once more.

"What the f * ck! How dare this kid provoke Cao Changfeng like this? he's courting death!" Geno said, swallowing his saliva.

"This is called the ignorant being fearless!"

Inuyago Kojiro had a gloating look on his face, "That little bastard obviously doesn't know that Cao Changfeng has the bloodline of the heavenly wind Fighting Tiger. After his special ability is activated, his strength, speed, and defense will all be improved! He can fight with a late-stage primordial soul realm powerhouse!"

Han Yunping and Si Wensen sighed at the same time. "Al! Young master Chen is too ignorant! You don't know Cao Changfeng's background at all, and yet you dare to provoke him like this. You're simply overestimating yourself!"

"Oh no... Young master Chen is dead!" Wu Qiman and Lu Qingshu furrowed their brows in worry.

.....

At the mysterious Manor.

Chen Zhufeng? " Jiang Wenshan's brows furrowed. Can Chen Zhufeng pass this stage without relying on magical treasures and spirit beasts? "

Ximen Shuofeng shook his head and said,"I don't think so!" Chen Zhufeng's strength has already been seen through by his opponent. He's dead for sure!"

"That's not necessarily true!" Nangong Taiping said in a deep voice. Never underestimate Chen Zhufeng! The losses we've suffered from him are the best proof!"

Beiming Shiyuan and Chong Tianmu looked at Shen Gongbao at the same time and asked,"Exalted immortal Shen, what do you think? Can Chen Zhufeng get through this?"

the process is not important! Shen Gongbao laughed. the result is that Chen Xiaobei will not be able to escape!

.....

Tianji city, Putuo City branch.

"This is getting interesting!" hehe! the loftiest Musashi grinned. who knows, Chen Zhufeng might be dead right now!

Reverend Jing Qing and Zen Master nine lanterns remained silent. It was obvious that they both agreed with the loftiness ancestor's opinion.

.....

At the selection venue.

Chen Xiaobei was too lazy to waste his breath. He took a step forward and attacked!

Red Envelope Group of the Three Realms

Chapter 2415: Strength Against Five

[ding Yingying's cultivation base: middle-stage primordial soul realm. Lifespan: [year 14096, physique: 13.5 million combat power: 13.5 million! Primordial spirit attack: one-star earth-god level

Chen Xiaobei stepped forward and used his netherspirit battlescouter to show Cao Changfeng's true strength.

Of course, this was not the final result.

"You're really not afraid of death?"

Cao Changfeng's eyes narrowed and he roared, "I told you I have a bloodline ability, and you still charged forward! I want you to die without a burial ground!"

"Whoosh ..."

As soon as he finished speaking, Cao Changfeng took a step forward and activated his bloodline ability.

The Skywind combat Tiger bloodline was a very powerful Beastman bloodline. Once it was activated, Cao Changfeng's abilities would be improved in all aspects.

As the energy fluctuated wildly, Cao Changfeng's hair turned silver, and four long and narrow tiger teeth grew out of his mouth. His hands and feet turned into tiger claws, which were sharper than steel knives!

[ding Yingying's cultivation base: middle-stage primordial soul realm. Lifespan: [year 14096, physique: 13.5 million (+2.5 million), combat power: 1350 (+250) ten thousand! Primordial spirit attack: one-star earth-god level

After transforming into his beast form, Cao Changfeng's combat power and physical strength had increased by 2.5 million!

With such strength, he could already fight against a primordial soul realm advanced stage powerhouse. He was definitely not to be underestimated!

"Roar!"

roar! Cao Changfeng let out a tiger's roar, his feet leaving deep claw marks on the ground. His body was like a bolt of lightning, his speed increasing as he charged at Chen Xiaobei.

"What a fast speed!"

Gooddenton was surprised, "Cao Changfeng is Cao Changfeng, he's really too strong!" Even if I activate my Titan bloodline, I'll still be far from being able to compare to him!"

"That little bastard is dead for sure! haha ... Zhao pingkang covered his face that had been slapped and laughed.

In his eyes, Chen Xiaobei was already a dead man. As long as Chen Xiaobei was dead, he would have his revenge. There was nothing more satisfying than that.

"That Chen brat is dead! When Cao Changfeng made his move, there would be no suspense! That's great! That's great!" Inuyago Kojiro and Geno cheered happily, not caring that Chen Xiaobei was their teammate!

we're really done for this time ... Wu qiman and Lu Qingshu sighed at the same time, looking very regretful.

Han yunping and Si wensen looked even more desperate. "With young master Chen's death, our blue team has lost completely! No tactics can win ..."

"Woof! Whoosh!"

At the same time, Cao Changfeng was already in front of Chen Xiaobei. His arms had turned into tiger claws. Other than physical strength, he had also added ethereal force!

The two claws slashed out with terrifying power and extremely sharp claws that seemed to be able to tear the world apart!

Almost everyone was certain that Chen Xiaobei was going to die!

"Little bastard! I'm going to tear you to pieces now! Even if I become a ghost, I want you to remember that I, Cao Changfeng, am not someone you can afford to offend!"

die! Cao Changfeng roared as he swung his claws at Chen Xiaobei's face.

"This Skywind Battle Tiger's bloodline ability is indeed not bad!"

Chen Xiaobei raised his eyebrows and smiled. "It's a pity that it can only help you advance to the primordial soul realm advanced stage! You're nothing but a weak cat in the face of a peak primordial soul realm cultivator!"

"What?" Cao Changfeng was furious, but in the next moment, he was shocked.

His claws were about to land on Chen Xiaobei's face, but he could not feel anything!

Who dared to think about it! The Chen Xiaobei that he had caught was only an afterimage!

"Swish!"

Chen Xiaobei had already moved to the side!

This was not Ling jiuxiao's special ability, but Chen Xiaobei's current speed! It was definitely faster than Cao Changfeng!

Chen Xiaobei's speed was so fast that he only left an afterimage behind!

"H-how is this possible? Has your speed really reached the peak of the primordial soul realm?" Cao Changfeng was dumbfounded. He could not believe his eyes.

Cao Changfeng had sensed that Chen Xiaobei's combat power was only 13.6 million! This was the combat strength of a mid-stage primordial soul realm cultivator!

But now, Chen Xiaobei's speed had reached the pinnacle of primordial spirit realm. By right, his combat power should be 17 million!

The huge contrast between before and after left Cao Changfeng puzzled!

"Don't be too shocked, just lie down obediently!"

Chen Xiaobei did not bother explaining himself. Instead, he threw a punch at Cao Changfeng's face.

"This ..."

Cao Changfeng gasped, and his pupils contracted.

In Cao Changfeng's eyes, Chen Xiaobei's fist was getting bigger and bigger!

Cao Changfeng saw it clearly, but his body's reaction and speed were far from enough to Dodge!

"Bang!"

Chen Xiaobei's punch landed on Cao Changfeng's face!

Cao Changfeng felt as if he had been hit by a Cannonball, and his entire body was blown away! He fell heavily more than ten meters away!

"Ugh ... It hurts! It hurts so much ... Ah ..."

Lying on the ground like a pile of mud, Cao Changfeng's nose was bleeding, and his head was spinning. He felt like his brain was about to explode!

Without a doubt, Chen Xiaobei's punch had given Cao Changfeng a severe concussion!

Of course, this was the result of Chen Xiaobei showing mercy. If Chen Xiaobei wanted to kill someone, this punch would have been enough to blow the head off!

Oh my God ... Am I hallucinating? "

Gooddenton swallowed his saliva, his voice trembling. "That Chen brat actually blew up Cao Changfeng with one punch! This is too terrifying!"

"Oh my God ... What kind of monster is that kid?" Zhao pingkang took a deep breath. He was so happy a second ago, but now he covered his face and hit himself on the ground, afraid that Chen Xiaobei would slap him again.

"Too strong ... Young master Chen is too strong!" Wu qiman's face was full of infatuation, and her gaze was so wrong that it was as if she was looking at her male God. She was almost drooling.

my God ... Cao Changfeng was sent flying by a punch, and he can't even get up!

Kojiro and Geno swallowed their saliva and trembled. "That Chen bastard is not human! He's too f*cking animal!"

"You two! Stop talking nonsense!"

Han yunping and Si wenshen frowned and said, "young master Chen, you're one against five, and the four of us won without doing anything!" You two should learn to be grateful!"

he's fighting five people by himself?! Inuyago Kojiro and Geno swallowed their saliva and looked over.

Chen Xiaobei stood there, his eyes calmly looking across the room. "Big idiot, Wu qiman, Lu Qingshu, are you three going to admit defeat together? Or are you going to be beaten down together? Be more forthright! I'm in a hurry!"

Wu qiman and Lu Qingshu lost all will to fight and wanted to admit defeat.

Goode had been mocking Chen Xiaobei a moment ago and had said more than once that he would crush Chen Xiaobei to death. But now, he was terrified and did not dare to fight.

At this time, Cao Changfeng finally caught his breath and gritted his teeth. "Tower shrinking! We'll retreat to the main tower and slowly think of a way ..."

"Shrinking tower?" hehe! Chen Xiaobei laughed. it's useless even if you know how to hide!

Chapter 2416: Overbearing Instant Push

"Right! Tower shrinking! Don't be reckless! Follow me back to the main tower and develop!"

Gooddenton roared, turned around, and rushed over. He grabbed the heavily injured Cao Changfeng with one hand and quickly ran away.

Wu qiman and Lu Qingshu hesitated for a moment, but they also ran over.

"Hey! Wait for me!" Zhao pingkang's body trembled. He jumped up from the ground and ran away.

"You want to leave? It won't be that easy!"

Chen Xiaobei gave chase.

"Young master Chen! Quickly circulate your protective Zhen Yuan! The spiritual light tower has an attack power!" Han yunping and Si wenshen anxiously reminded him.

However, Chen Xiaobei did not seem to hear him. He charged straight into the red Tower's defensive range.

"Chi ..."

In the next instant, the red spiritual light tower released a violent spiritual fluctuation.

"Whoosh!"

A powerful red ethereal force shot toward Chen Xiaobei like a laser cannon!

Judging from the true energy fluctuations, its power was equivalent to the attack power of an early-stage primordial soul realm powerhouse!

If it was Han Yunping and the others, they would have to circulate their true Yuan to protect their bodies if they wanted to attack the spiritual light Pagoda. Otherwise, their bodies would be injured, and as the attacks continued, the injuries would worsen. If the injuries were fatal, they might even lose their lives!

However, the next scene shocked Han Yunping and the others so much that their eyes almost popped out.

"BOOM!"

When the first red ethereal force came at him, Chen Xiaobei did not even activate his ethereal force to protect himself. He did not even bother to Dodge it!

The red ethereal force landed on Chen Xiaobei's body!

Chen Xiaobei was wearing ordinary clothes, but his shirt was blown into pieces!

However! There was not a single wound on Chen Xiaobei's body! Her white skin was not even red and swollen after being injured by that intense true essence!

"BOOM! BOOM! Boom ..."

Then, the same red ethereal force came down on him one after another, but Chen Xiaobei did not Dodge or defend. He used his physical body to take it head-on!

The result of the explosion was exactly the same as before!

Chen Xiaobei was not injured at all!

"What lousy defensive tower? It's so weak!"

Chen Xiaobei shrugged and clenched his fists. "Watch me break the tower with one punch!"

"BOOM!"

The next moment, Chen Xiaobei threw out a punch. The power was the same as when he had defeated Cao Changfeng, it was at the peak of primordial spirit realm!

"Boom boom boom ..."

As the fist landed, the red spiritual light tower started to shake violently!

Immediately after, the originally shining spiritual light completely dimmed, and cracks appeared on the small Pagoda.

The walls crumbled and the pillars shattered. Finally, it could no longer support the pagoda. The entire Pagoda collapsed and became a pile of gravel.

Oh my God ... This ... How is this possible?!

Han Yunping and Si Wensen were dumbfounded. They could not believe their eyes.

Inuyago Kojiro and Geno were so scared that they peed their pants. "The tower-pushing battle in Tianji city has been going on for decades! No one had ever been able to push a tower without injury! Moreover, it was a one-second punch! God! Did that kid cheat?"

.....

Tianji city, Putuo city's branch!

"Isn't Chen Zhufeng's physical body worth 13.6 million? Even if he can, his body should at least feel some pain, and his skin should at least be red and swollen, right?"

The loftiness ancestor's brows furrowed, puzzled. "Don't tell me that his physical strength has far exceeded 13.6 million?"

"Not just the physical body!" "His speed and strength have already exceeded 17 million!" Perfected Jing Qing's eyes narrowed as he said. I can't explain this either!"

"It's indeed too strange!"

Zen Master nine lanterns frowned and said, "we didn't see Chen Zhufeng use his bloodline power!" He didn't even use any battle techniques! As for the pills and talismans, they were prohibited in the selection tournament. He had no chance to use them! Why did his physical body and combat strength increase so much? This is unbelievable!"

.....

At the mysterious Manor.

Everyone's eyes were full of doubt as they looked at Shen Gongbao.

"That's a secret skill that Chen Xiaobei's Sifu gave him! It's called the primordial Witch King combat enhancement training manual!"

that's right! Shen Gongbao said, " when Chen Xiaobei used this secret skill, his combat power increased by 30%. His actual combat power just now was already 17.08 million!

"Heavens! How could there be such a powerful secret technique in this world?" that's insane! Jiang Wenshan exclaimed. based on the percentage increase, the higher Chen Zhufeng's strength is, the greater the increase! This is insane!

"After I kill Chen Xiaobei, that secret skill will fall into my hands!" Shen Gongbao said with a smile. As long as you work hard for me, I might consider teaching you!"

"Heavens! This is great! Many thanks, exalted immortal Shen!"

The representatives of the five Forces were extremely excited. They patted their chests and promised, "We, the five great forces, will definitely do our best to serve you!"

Obviously, Shen Gongbao was throwing out bait to win people's hearts.

However, the primordial Witch King combat enhancement training manual was too tempting. Not to mention the five Forces, even the entire earth immortal world, or even the entire heaven realm, there was absolutely no one who was not tempted!

"Exalted immortal Shen, I still have some doubts!"

Chen Zhufeng's Secret technique can increase his combat power, " Ximen shofeng asked. what's the secret behind his body? " In order to sustain a combat power of 17000000, one's physical body must also reach the same level!"

"I'm not too sure about his physical condition!"

"After I descended to the mortal world, I didn't dare to predict anyone's future, because I would be punished by the heavens if I tried to predict the future!" Shen Gongbao said.

"Will his body bring about any changes?" what if it affects Mr. Lu Yue's two disciples? " Nangong Taiping said worriedly, " it may ruin the whole plan!

"You don't have to worry about that!"

Chen Zhufeng is dead! Shen Gongbao said confidently. Zhu Tianlin and Li Qi have already killed Chen Zhufeng. This time, Chen Zhufeng is dead for sure!

"Great!" Chong Tianmu laughed. With exalted immortal Shen's words, we can finally put our hearts at ease!"

"Let's continue watching the show!"

Shen Gongbao turned to the big screen and said with a smile, " "It will get more and more exciting later!"

.....

At the selection match.

Chen Xiaobei pushed the red team's middle lane Tower and headed straight for the main tower.

Han yunping and the others did not need to shrink the tower. They quickly followed Chen Xiaobei and went straight to the Red Tower.

The five members of the red team were all hiding under the main tower. They wanted to use the tower's strong defense to block Chen Xiaobei's steps and then find a chance to attack him.

"Childe Chen, what should we do next?" Han yunping asked.

Chen Xiaobei shrugged and said, " "Same old, you guys play dirty, I'll go up and push the tower!"

[Red Envelope Group of the Three Realms](#)

Chapter 2417: Triple Ambush

"Young master Chen, it's different this time!"

"The attack power of the main tower is equivalent to the later stage of the primordial soul realm. I'm afraid your body can't withstand it anymore!" Han Yunping reminded him.

"Who said that?"

Chen Xiaobei walked into the red Tower's defensive circle.

"BOOM! BOOM! Boom ..."

Waves of vital essence even more intense than before came crashing down.

Each of them landed on Chen Xiaobei's body, but the result was the same as before!

Chen Xiaobei was still uninjured. He walked through the defensive circle as if he was taking a stroll in the park.

"My God ... What kind of monster is this guy? It's too unreasonable ..."

Han Yunping and the others were instantly dumbfounded. They even began to doubt their lives.

Just like Shen Gongpao, they did not know that Chen Xiaobei had already cultivated his physique to 20 million through the sky-killing tyrant body technique, which was equivalent to a two-star earth-god.

The Red Tower's attack power was only at the late-stage of primordial spirit realm. It could not even hurt a single hair on Chen Xiaobei's head!

"Brother Cao! That kid is coming! What do we do now?" Goode Denton's face was filled with nervousness, and he was terrified.

"You go up and fight it out with him!" Cao Changfeng said.

"Go all out? I wouldn't dare!" Gooddenton swallowed his saliva. even you are not his match. I will only be killed in seconds if I go!

"You don't even have the courage to fight, and you're asking me what to do?" Cao Changfeng sighed. Just admit defeat!"

"Good idea!"

Goode Denton was terrified. His three-meter tall body knelt down and shouted, "Young master Chen! I admit defeat! Don't hit me when you get here!"

Seeing this, Wu Qiman and Lu Qingshu also shouted, "Young master Chen! We also admit defeat! I'm convinced of my loss!"

"Heh, wouldn't it have been over if you had admitted defeat earlier? Why waste so much time?" Chen Xiaobei smiled and stopped in his tracks.

The battle was being broadcasted live. As soon as the red team surrendered, the attacks from the main tower stopped.

"What the f * ck! We've won! He won without doing anything! It felt too good! Hahaha ..."

Han yunping and Si wensen went up to Chen Xiaobei and said with a smile, "Young master Chen! You're really too awesome! When we enter Tianji city, we will follow you!"

"Sure!" Chen Xiaobei nodded and agreed.

Along the way, han yunping and Si wensen had been very upright. When they first made the plan, they had always thought about Chen Xiaobei's safety, and they would always alert Chen Xiaobei if there was any danger.

That was why Chen Xiaobei had a good impression of them and was willing to protect them in the future.

"Young master Chen! We had some misunderstandings with you before! After this battle, we can be considered comrades! I'll be counting on you in the future!"

Inuyago Kojiro and Geno also came over and looked at Chen Xiaobei with a fawning expression.

"Heh, you two, forget it! In the future, we'll mind our own business and live in peace!" Chen Xiaobei was not a good person. He would not be soft-hearted just because of a few good words from others.

After all, Kojiro and Geno had terrible characters. Chen Xiaobei did not like them from the bottom of his heart, so he would not accept them!

"What about the two of us? Can you follow young master Chen in the future?" Wu qiman and Lu Qingshu also ran over.

Wu qiman's face was still filled with infatuation. After Chen Xiaobei's shirt was torn to pieces, she had been staring at his perfect muscles. She wanted to push Chen Xiaobei up.

Lu Qingshu had been taught a lesson by Chen Xiaobei before, so he was already afraid of Chen Xiaobei. At this moment, he was even more in awe and admiration, afraid that Chen Xiaobei would reject him.

you two ... Chen Xiaobei frowned. Just as he was about to reject them, his expression changed.

"Swish!"

Suddenly, a dagger slipped out of Lu Qingshu's sleeve. With a look of admiration on his face, he thrust the dagger at Chen Xiaobei's heart!

"Young master Chen, be careful!"

Wu qiman shouted and pounced on him.

"Swish!"

The dagger went straight into Wu qiman's chest!

"BOOM!"

Chen Xiaobei held Wu qiman with one hand and punched her with the other!

"Pfft ..."

Lu Qingshu's chest was hit by the punch, and he suddenly spat out a mouthful of blood mixed with minced meat!

His entire body was sent flying ten meters away, and after he fell to the ground, he no longer moved!

Chen Xiaobei had used all his strength in this punch! It had directly shattered Lu Qingshu's heart and lungs! One punch, instant kill! Without any hesitation!

"Are you alright?"

Chen pulled back his fist and held Wu qiman with both hands. He frowned and said, "Are you stupid? His attacks can't hurt me at all. Why did you block the blade for me?"

"I'm willing to ..."

Wu qiman's mouth was bleeding. She looked at Chen Xiaobei with deep affection and asked weakly, "Now ... Can I have your phone number ..." He asked.

"Sure, sure!" I'll call you! Chen Xiaobei said. I'll give you my number after I'm done!

"That's great! You've finally accepted me ..." Wu qiman smiled and slowly closed her eyes.

Chen Xiaobei hesitated for a moment, but in the end, he used both of his hands to carry Wu qiman up and bring her to the grass for treatment.

"Young master Chen, why did Lu Qingshu suddenly want to kill you?" Han yunping asked, his face full of doubt.

I made Lu Qingshu's father pay five billion upper spiritual stones as compensation. He must be holding a grudge against me and wants to kill me when I'm the most relaxed! Chen Xiaobei carried Wu qiman and walked quickly to the grass.

"Wu qiman is so infatuated! You're actually willing to block a blade for young master Chen!"

Si Winston sighed and said, "Speaking of which, Wu qiman is the goddess in the hearts of the younger generation in our nine layers of the starry sea!" She's pretty, has a good family background, and has a high cultivation level. It's really rare ..."

"Yup! I didn't expect her to be so stupid ..." Chen Xiaobei nodded. "When she wakes up, I'll definitely treat her better!"

Chen Xiaobei had always been amenable to coaxing but not coercion. Wu qiman's sacrifice had completely changed Chen Xiaobei's impression of her.

"Swish!"

But just as Chen Xiaobei was starting to accept Wu qiman, the woman who was supposed to be unconscious suddenly opened her eyes wide and slapped Chen Xiaobei's chest!

another sneak attack?!

Chen Xiaobei was shocked but he was not afraid. "You can't hurt me at all with your strength!"

"Who said I wanted to hurt you?"

With blood at the corner of her mouth, Wu qiman smiled hideously. "I have Mr. Lu Yue's Secret curse talisman!"

"Shit!"

Chen Xiaobei's expression changed.

Unfortunately, it was too late!

Wu qiman's hand landed on the seven treasures fragrance pouch on Chen's chest.

"Whoosh ..."

Immediately after, a thick black Qi was emitted. Like a rope or iron chain, it firmly locked the seven treasure fragrance pouch.

"Woof! Whoosh!"

At the same time, han yunping and Si wensen suddenly shot out a yellow and a purple poisonous mist at Chen Xiaobei!

[Red Envelope Group of the Three Realms](#)

Chapter 2418: One Breath

There was no doubt that this was a well-planned and perfect conspiracy!

Lu Qingshu's act of weakness had made Chen Xiaobei let his guard down. When Chen Xiaobei won, they would launch the first wave of sneak attacks!

However, with Chen Xiaobei's strength, Lu Qingshu would not be able to succeed!

At this time, Wu qiman's sacrifice was equivalent to putting her life on the line for a ruse of self-injury! Chen Xiaobei's suspicions were completely dispelled!

Because of this, Wu qiman's second ambush would definitely not fail!

The dark curse talisman was a nine-star earth-god instrument. It was an important magical treasure that Lu Yue had retrieved after he reincarnated!

This magical item had no attack power but it could seal Chen Xiaobei's cleansing Bodhi!

Chen Xiaobei had lost his immunity to the poison!

Chen Xiaobei did not expect han yunping and Si wensen to launch the third wave of attacks.

First of all, Chen Xiaobei had no enmity with these two! Secondly, the two of them had been acting very upright along the way. Chen Xiaobei had never doubted them. In fact, he had a good impression of them!

At that moment, han yunping and Si wensen's two poisonous fogs were the Trump cards that Chen Xiaobei had to face!

"Uh ..."

As the poisonous mist touched Chen Xiaobei's body, a terrible pain spread through his entire body.

First, he felt a sharp pain in his dantian. His muscles and blood vessels felt like they were being torn apart. Not only was it extremely painful, but he couldn't even circulate a bit of true essence!

Immediately after, all the muscles and bones in his body felt as if they were being burned by fire. Every pore of his exuded a heart-piercing pain!

oh no... My dantian and physical body are both damaged ... He's going to completely cripple me ...

Chen Xiaobei furrowed his brows, his heart in a state of panic.

Before they set off, Liu xuanxin had reminded them that the sect selection this time was not going to be a simple one.

Although Chen Xiaobei was on his guard, he did not expect the enemy to have set up such a big trap.

Chen Xiaobei could be wary of Lu Qingshu, who was pretending to be weak, but he would not be wary of Wu qiman, who was on the verge of death, nor han yunping and Si wensen, who had no enmity with each other!

This killing trap was hidden too deeply! He had planned too far!

Chen Xiaobei was really done for!

.....

Tianji city, Putuo City branch.

"What's going on? What is going on?"

Immortal Jing Qing slammed the table and stood up. He cursed angrily, "The red team has already admitted defeat! Why did those people suddenly attack Chen Zhufeng? This wouldn't change the result of the selection! You'll only be charged for breaking the rules!"

hehe, it's obvious that those people's target was Chen Zhufeng from the very beginning! The gaze of the loftiness martial ancestor focused as he sneered, "Their participation in the selection is just a disguise!"

"Amitabha!"

Zen Master nine lanterns sighed and said, "I can't believe that someone else had their eyes on Chen Zhufeng earlier than us!" This was clearly the scheme of an enemy! Even someone as strong as Chen Zhufeng could only die! It's such a pity!"

"F * ck! It's definitely the work of the people from nine nether platform!"

what?! perfected Jing Qing was furious. that woman, dugu zang Xian, was unable to recruit Chen Zhufeng into the nine nether platform, so she used this method to destroy him! He's too shameless!"

"Destroy what you can't get!" "That's indeed dugu zang Xian's style!" The loftiest Tibet martial artist laughed.

Zen Master nine lanterns nodded and said, "today, the three of us have gathered here. The only one missing is the nine nether platform!" No one would believe that they didn't kill Chen Zhufeng!"

"Detestable!"

damn it! perfected Jing Qing was furious. the future star of our Tianji city was killed by immortal dugu zang just like that!

.....

At the mysterious Manor.

"High! It's really high!"

Jiang Wenshan stood up in excitement and praised, "As expected of Mr. Lu Yue's disciple! This series of schemes was simply seamless and perfect! Chen Zhufeng is completely dead this time!"

"As expected, exalted immortal Shen didn't disappoint us!"

Chen Zhufeng! Chong Tianmu said excitedly. Chen Zhufeng's death is equivalent to getting rid of a big problem for us! From today on, my heaven dominating sect is Shen shangxian's ally. We are willing to listen to all of Shen shangxian's orders!"

"Don't be happy yet! Chen Zhufeng is still breathing!"

exalted immortal Shen, "Ximen shofeng said, frowning. this is such a good opportunity. Why didn't you use the strongest poison to save Chen Zhufeng's life? will there be any unexpected changes? "

"A variable? Tell me, what other variables can there be in this situation?" Shen Gongbao asked.

this ... Ximen Shuofeng was speechless.

On the big screen.

Han yunping and Si wenshen were by Chen Xiaobei's side, ready to kill him at any moment.

Both inuyago Kojiro and Geno wanted Chen Xiaobei dead.

Gooddenton and Cao Changfeng were also eyeing Chen Xiaobei, not giving him any chance to counterattack.

Moreover, Chen Xiaobei's physical body and dantian were both severely injured. Even if no one was watching him, he would not be able to escape.

exalted immortal Shen, even though the outcome is set, you can't let Chen Zhufeng live forever, can you? " Nangong Taiping asked.

"Don't worry! I want to get rid of Chen Xiaobei more than any of you!"

"The reason why I left him alive is to make him tell me the secret of his soaring physical strength!" Shen Gongbao said indifferently.

The 'sky-killing tyrant body technique' came from a strange insect sculpture that Chen Xiaobei had bought by chance!

With Taiyin true deity's guidance, Chen Xiaobei activated the strange insect sculpture's special ability, and finally revealed the body refining technique.

Even the heavenly realm did not know about this witch's body refining secret technique. If Shen Gongbao wanted to learn it, he would have to get some clues from Chen Xiaobei.

Otherwise, even if the weird insect sculpture was placed in front of Shen Gongbao, he would not know that the sky-killing tyrant body technique was hidden inside!

.....

At the selection match.

Han Yunping shattered all the cameras to ensure that the secret would not be leaked.

Then, Cao Changfeng walked over with the help of Gooddanton. He smiled and said, "Chen Zhufeng! You didn't expect this, did you? My master has turned this selection contest into a huge killing trap to kill you!"

"I really didn't expect that you guys would actually use human lives as a trap!" Chen Xiaobei frowned and looked around him.

At this time, Wu Qiman had lost too much blood and died.

Even Lu Qingshu's corpse was cold.

"To be able to become master's chess piece and die for master, this is their Supreme glory!" Cao Changfeng sneered.

From what you've said, all of you must have eaten heavenly dog food! Chen Xiaobei was in so much pain that he asked, "Why did your master spare my life?"

"You're smart!" "As long as you tell me the secret of your soaring physical strength, I'll let you die a painful death!" Cao Changfeng said.

"What if I don't tell you?" Chen Xiaobei retorted.

"You're not going to tell me?" Cao Changfeng laughed, "I'll make you suffer!" He couldn't live! Asking for death ... Uh ..."

"Swish!"

Before he could finish his words, Cao Changfeng's neck suddenly split open, and his head fell to the ground. He died with his eyes wide open!

[Red Envelope Group of the Three Realms](#)

Chapter 2419: Continue The Pursuit

what's going on?!

Everyone was shocked. However, before they could see anything, an extremely sharp true essence swept over.

"Woof! Buzzzzzz! Whoosh!"

Goode Denton, Han Yunping, and Svenson were all cut in half at the waist! His upper body and lower body were separated, and his internal organs were scattered all over the ground. He died on the spot!

"My God ... How ... How is this possible? Uh ..."

Kojiro was dumbfounded, and before he could finish his sentence, his head was hit hard!

"Bang!"

The next moment, Inuyagu Kojiro's head exploded. The shattered skull was like the shrapnel of a bomb, shooting towards Geno and Zhao Pingkang!

"Woof! Buzzzzzz! Yi ..."

A sharp howl tore through the air. The shattered skull of Inuyang Kojiro directly tore Geno and Zhao Pingkang's bodies apart!

The two living people instantly became a pile of rotten meat on the ground. They didn't even know how they died!

"What ... What's going on?"

Chen Xiaobei was stunned and confused as he watched all his enemies die.

It was obvious that Chen Xiaobei no longer had the ability to kill his enemies.

There was someone else who had crushed everyone!

"Whoosh!"

The next moment, a burst of ethereal force wrapped around Chen Xiaobei and dragged him to a corner a hundred meters away.

Why is it you?!

Chen Xiaobei finally saw the person who had secretly attacked him.

At the age of 18 or 19, she had an extremely beautiful face and soul-stirring bright eyes! She was like an angel who had saved Chen Xiaobei from hell!

This was a moment that Chen Xiaobei would never forget!

That's right!

The person who had saved Chen Xiaobei was none other than Dugu Zang Xian!

"Cut the crap!"

Immortal Dugu Zang's willowy brows furrowed slightly, and his eyes were filled with worry. "Don't you have medical skills? Hurry up and tell me! How can I remove the poison in your body?"

"Daohuang grass ... Zoyisia ... Viper galls ..." Chen Xiaobei said weakly.

"You wait! Slow down!" Immortal dugu zang's brows furrowed slightly. With a wave of his Jade-like hand, a white shadow was released from his spirit beast bangle!

"Master!"

After the White extreme shadow came out, it flew respectfully to dugu zang's side. It looked obedient, but in reality, it was exuding the terrifying pressure of a ferocious bird!

From its appearance, it was a large bird.

However, its eyes were sharper than a Falcon's, and its wings and tail were more gorgeous than a Phoenix's!

More importantly, the White Yin Qi that it emitted was like that of an evil ghost. It was extremely evil and creepy!

"Senior netherworld Black Sparrow ..."

Of course, Chen Xiaobei remembered this ferocious bird!

If not for the netherworld bird, Chen Xiaobei and Liu xuanxin would have been killed by the loftiest Musashi in the spirit congealing immortal abode.

"Don't talk nonsense! Hurry up and tell me your antidote!" Immortal dugu zang urged.

okay ... Chen Xiaobei nodded and listed out the names of more than ten herbs.

"Black Sparrow! Go and get these herbs immediately! Then, we'll meet at the usual place!" Immortal dugu zang instructed.

"This ..."

"I can't leave Sir Holy leader. It'll be troublesome if you're in danger!" The netherworld Black Sparrow said hesitantly.

"What nonsense! Quickly go and quickly return! This is an order!" Immortal dugu zang said solemnly.

"Yes, sir ..."

The netherworld Black Sparrow's eyes were filled with worry, but he could not disobey the order. He flapped his wings suddenly and rushed into the sky at an extreme speed. He instantly broke through the atmosphere and entered the universe!

thank you for saving me ... Chen Xiaobei took one last look at dugu zang Xian. He seemed to have reached his limit and suddenly fell unconscious.

Luckily, Shen gongpao did not use any lethal poison to save Chen Xiaobei's life.

So, even though Chen Xiaobei was unconscious, he would not die.

"Just who did you offend? You actually managed to hide from the eyes and ears of the four great forces!" Dugu zang stared at Chen Xiaobei, feeling an unprecedented sense of danger.

It was obvious that the Tianji city, ten thousand Buddhas Pagoda, gods 'Palace, and nine nether platform were completely unaware of the conspiracy today!

These four forces claimed to have eyes and ears all over the world, but this time, they had been completely fooled!

Thinking about it carefully, it was really terrifying!

.....

At the mysterious Manor.

As the cameras at the selection venue had been shattered by han yunping, the public had no idea what had happened in the end.

In the manor, a young and beautiful maidservant had already brought out some fine wine.

The representatives of the five Forces toasted with Shen Gongbao to celebrate Chen Xiaobei's death.

"That's great! Chen Zhufeng was finally dead! The mortal malady of our Five Forces has finally been eliminated! This was all thanks to exalted immortal Shen! Everyone, let's raise our cups to exalted immortal Shen!"

Jiang Wenshan took the lead and raised his glass. The other four followed him with a smile.

"Everyone is too polite!"

Shen Gongbao also raised his cup of wine and laughed, " "To be able to get rid of Chen Xiaobei is a great thing for me! Today, I'm going to drink with you all! When we bring back Chen Xiaobei's body, I'll give everyone some benefits!"

"This is great! Let us thank exalted immortal Shen in advance! Come on! Everyone, please drink to your heart's content! To shangxian Shen!"

When the five of them heard that there were benefits to be gained, they were naturally overjoyed and felt extremely good.

"Cheers!"

Shen Gongbao was in a good mood. He raised his wine cup and brought it to his mouth.

Before this, Shen gongbao had always been toyed with by Chen Xiaobei. He had suffered countless losses because of Chen Xiaobei, and even in his dreams, he wanted to kill Chen Xiaobei!

Today, Shen Gongbao's dream had finally come true! The joy and pleasure in his heart was even stronger than the five people around him! It was simply so pleasurable that it felt like heaven!

"Not good! It's not good!"

However, at this moment, a young man ran in and said anxiously, " "I just received a call from Zhu Tianlin! Chen Xiaobei ran away!"

"What?"

Shen Gongbao's hands trembled, and the wine that was just brought to his mouth was poured into his collar.

how ... How is this possible?!

The representatives of the five Forces were also shocked. Two of them even choked on their wine and coughed repeatedly, looking very embarrassing.

"It's true ..."

yes! the young Messenger said, " just a few minutes after the live broadcast was cut off, Zhu Tianlin and Li Qi rushed to the scene. All of their loyal dogs were killed, and Chen Xiaobei is nowhere to be found!

how could this be!!!

Shen Gongbao's face turned green. One second ago, he was so happy that he was flying. Now, he was so depressed that he wanted to vomit blood.

It was clearly a flawless, perfect killing trap! Chen Xiaobei had been knocked out! He had clearly already won!

Why did the situation turn around 180 degrees the moment the live broadcast was interrupted?

Shen Gongbao felt as if he had fallen from heaven to hell. He was so angry that he almost fainted.

The representatives of the five Forces all had twisted expressions, as if they had just eaten hot poop. They were depressed!

"I'm not convinced!"

Shen Gongbao roared angrily. He immediately took out his mobile phone and ordered, " "The five of you, go back and prepare! I'll get someone to track Chen Xiaobei's location! This time, no matter what, I'm going to kill him!"

Chapter 2420: Major Secret

In the uninhabited northern part of the nine-layered sea of stars.

Dugu zang had used a special method to bring Chen Xiaobei to an asteroid with a beautiful environment.

Obviously, this was the 'old place' that only dugu zang Xian and netherworld Black Sparrow knew about!

The netherworld bird had traveled through space to help Chen Xiaobei find an antidote.

Dugu zang Xian had brought Chen Xiaobei to this unknown planet so that he could avoid the eyes and ears of the three intelligence forces. Most importantly, he could also avoid Chen Xiaobei's enemies!

Immortal dugu zang was very smart. He had already predicted that Chen Xiaobei's enemy was very powerful!

Before he could cure Chen Xiaobei, he must not let Chen Xiaobei show his face in the market to prevent him from being hunted down by his enemies again!

Therefore, bringing Chen Xiaobei to this hidden planet was the best choice!

"Water ... Water ..."

In his unconscious state, Chen Xiaobei's body felt like it was being burned by fire, and he desperately needed water.

"How troublesome ..."

Immortal dugu zang's brows furrowed as he hurriedly ran to the small river beside him to fetch some water.

The environment on this planet was excellent. The vegetation was especially lush, and the river was especially clear.

However, dugu zang Xian did not take care of anyone. He was in a hurry to get water and spilled it all over the ground. In the end, there was only a little water left in Chen Xiaobei's mouth.

Dugu zang had to run back and forth a few times before Chen Xiaobei finally settled down and stopped asking for water.

"Phew ..."

Immortal dugu zang finally heaved a sigh of relief.

As the leader of nine nether platform! The demon race's dark seal Saint Lord! This was the first time that dugu zang had taken care of someone else!

"Thank you ..."

Chen Xiaobei slowly opened his eyes and woke up.

"When did you wake up? How do you know to thank me?"

Immortal dugu zang's elegant brows furrowed slightly as a complicated look appeared in his bright eyes.

With her status, she had to run back and forth a few times to get water for Chen Xiaobei. If this got out, she would lose all her face as the Holy Lord of Netherseal.

"Oh, I just woke up ... I don't know anything about what happened just now ..."

Chen Xiaobei's breathing was weak, but he was smiling.

Obviously, Chen Xiaobei had already woken up, but he did not reveal it so that dugu zang Xian would not feel embarrassed.

"Stop talking! The enemy has left you with one breath, but don't lose it!"

Dugu zang was glad that Chen Xiaobei did not know what had happened.

"Senior netherworld Black Sparrow, when will you return?" Chen Xiaobei asked.

"It'll take at least three days to five days!" Immortal dugu zang said.

"That long?" what? " Chen Xiaobei was shocked. are we far from Starfield capital? "

"Yes, I am."

Immortal dugu zang nodded and said,"this planet is located in the deepest part of the uninhabited northern part of the nine starry seas!" The black Sparrow was already fast enough! If it was someone else, even a peak earth level deity, it would take them ten days to half a month to get here!"

that's too much ... Chen Xiaobei said."Then how did you bring me here? Could it be that you're faster than senior black Sparrow?"

"I have my ways, but this is a secret!" Immortal dugu zang said in a mysterious manner.

"Alright, if you don't want to say, I won't ask ..."

Chen Xiaobei thought for a moment and changed the topic. "When senior black Sparrow left, he said that he was afraid you would encounter danger? What was going on? With your status, you should be at least a nine-star earth-god, right? What kind of danger can we encounter in the earthly calamity star sea?"

"This is also a secret!" Immortal dugu zang didn't answer.

"Can you tell me this secret?" "At least I can help you when you're in danger ..." Chen Xiaobei said worriedly.

After a moment of hesitation, immortal dugu zang finally nodded and said,"Alright, I'll tell you!"

Chen Xiaobei immediately became serious and listened attentively.

"I'm a monster! His bloodline was very special! At the same time, my cultivation technique is also very special! Thus, my cultivation can grow rapidly. However, this also brings me a huge flaw!"

"Every nine years!" Dugu zang replied. My cultivation would plummet and return to the peak of the primordial soul realm! This state will last for nine months before my cultivation will slowly return to normal!"

that means you can maintain your strongest combat power for nine years, and then you will be in a weakened state for nine months. After that, you will be able to recover your strongest combat power for another nine years? "

"Yes, I am!"

that's right! immortal dugu zang nodded and said, " this is my most important secret. Besides you and black Sparrow, no one else knows about it!

"I understand!"

no! Chen Xiaobei said, " no matter what, I will not reveal this secret!

There was no doubt that if others knew that dugu zang immortal had a nine-month weak period, she, the sacred Lord of the netherworld seal, would be killed by the opponents from the earth-god World in minutes!

"Right now, I'm in my third month of weakness!" He thought.

"That's why I could only save you secretly after the camera was destroyed," said dugu zang Xian. Also, when I was in the Spirit condensing immortal mansion, I couldn't resist those 10000 evil ghosts because I was in a weak state!"

"I remember!" that's right! Chen Xiaobei nodded. when the chongtian Musashi wanted to kill me, it was not convenient for you to show up. That's why you asked netherworld Sparrow to save me. It was because you were in a weakened state!

that's right! immortal dugu zang nodded and said, " it's fortunate that I had Black Sparrow's protection, and I've safely passed through my weakened state!

no wonder senior black Sparrow was so worried about your safety when she left! Chen Xiaobei said.

"It's worried too much!"

"No one knows about this small planet we're on!" Dugu zang Xian said. Even if the location is exposed, it will take at least ten days to half a month for the enemy to rush over. By then, Black Sparrow would have already returned!"

"This might not be the case!"

Chen Xiaobei said worriedly, " "My enemy is extraordinary! Right now, I'm also in my weakened state! If they're determined to kill me, I'm afraid they'll use extreme measures and directly descend on this planet!"

how ... How is this possible? " "Unless they're Immortals, it's impossible for them to descend here!" Immortal dugu zang didn't believe him at all.

"They are really Immortals!" "We need to make other plans!" Chen Xiaobei said.

"What other plans?" Immortal dugu zang's expression turned cold as he said anxiously, " my current strength is only at the peak of the primordial soul realm. With an injured person like you, I can't fight against your enemy at all!

"Since you can't do anything, then listen to me!" Chen Xiaobei's eyes narrowed as he started to plan.

"Listen to you?" "Don't joke around!" Immortal dugu zang said in surprise. You're already in this state, what else can you do?"

"Although the poison has restricted my ethereal force and physical strength, I'm not afraid of it!" But my brain is still working fine! I can even crush them with my intelligence!"
