Chapter 2461: Scheme

The CAO family.

Chen Xiaobei did not wear a mask and walked in with his real face.

It was an independent city, like an ancient castle in Europe's Middle Ages, but also like an ancient palace in China.

It covered a huge area, so one could imagine that it was a large family with a thriving population.

To be able to gain a foothold in the earth-god Realm, it could be seen that this family not only had a lot of people, but also must be full of experts and had a deep foundation!

"The city gates are open? No guards?"

When he reached the city, Chen Xiaobei furrowed his brows. "It seems that the CAO family has long been prepared! But how did they know I was coming?"

Chen Xiaobei thought for a while and left the city gate. He went to a secluded place to prepare and then returned to the city gate.

The city gate was still wide open, and there were no guards.

This time, Chen Xiaobei did not hesitate and walked in.

"Bang!"

Not long after they entered, the heavy city gate was slammed shut, and a commotion broke out in the surroundings.

"As expected, there was an ambush!"

Chen Xiaobei's eyebrows twitched, but he did not move.

Soon, hundreds of people rushed out and surrounded Chen Xiaobei.

These hundreds of people were all ordinary members of the CAO family. All of them were in the primordial soul realm and had earth-god instruments in their hands. They could be regarded as a very powerful combat force.

"Chen Zhufeng! You didn't expect this, did you? We've been waiting for you here!"

At this moment, two young men walked out side by side.

One of them was Baili tiantu.

The other person should be the young genius of the CAO family. His aura was very strong, and he had a confident smile on his face, as if he already had the whole situation under control!

Chen Xiaobei looked at Baili tiantu and said, " "I was wondering why the CAO family would be so prepared. So it was you, dog, who leaked the information!"

"You little brat! I'm your eldest senior brother! You dare to call me a dog! You're simply too Savage! You don't even put me in your eyes!" Baili tiantu cursed.

"Eldest brother? Ha, which clan's eldest senior brother would scheme against a Junior Brother like you?" Chen Xiaobei retorted.

this ... Baili tiantu's expression froze and he was speechless.

"Helping an outsider scheme against your own people, you're a dog that eats and crawls!" Chen Xiaobei said.

you ... You're courting death!!! Baili tiantu was furious, and his killing intent exploded.

"Brother Baili! Don't be impatient!"

The young genius from the CAO family said confidently, " this is the CAO family's territory. I should be the one to take Chen Zhufeng's life!

"Alright! I'll let you have Chen Zhufeng's life!" Baili tiantu gritted his teeth and said, " "But, old Daxi, you have to make Chen Zhufeng die a horrible death! Don't let him die so easily!"

"Don't worry!"

Cao Daxi's eyes narrowed and he said ruthlessly, "Chen Zhufeng killed one of our geniuses. This is not something that can be easily settled with just one life! I'll make him suffer so much that he'll regret being born!"

"Good! With brother da Xi's words, I can watch the show with peace of mind!" hehe! Baili tiantu grinned hideously. after you kill Chen Zhufeng, we'll go to Nanfeng city together! I'll treat you to all the food, drinks, and food!"

"No, no, no, I should be the one treating!"

"First of all, I'm the host. How can I let a guest treat me?" Cao Daxi said. Secondly, I've accepted a family mission. As long as I kill Chen Zhufeng, the ancestor will reward me well. Of course, I should treat you!"

"No! Let me treat you this time! Next time, it'll be your turn!" Baili tiantu insisted.

"You don't have to be so polite!" "I'll do it this time!" Cao Daxi insisted. It's settled then!"

"Don't fight with me! I'll pay!"

"I'll pay ... I'll pay ..."

Suddenly, Cao Daxi and Baili tiantu were arguing over who was treating them to a meal. They did not take Chen Xiaobei seriously.

Without a doubt, in the eyes of Cao Daxi and Baili tiantu, Chen Xiaobei was already a dead man.

Instead of thinking about how to kill Chen Xiaobei, Cao Daxi and Baili tiantu were more concerned about eating, drinking, and having fun.

"Why don't I pay!"

Suddenly, Chen Xiaobei stepped forward with a wicked smile on his face. "Do you think you can take my life with your rotten eggs? I'm afraid you're all crazy, I'll treat you to some medicine!"

"Numbed! You brat, you're on the verge of death, yet you still dare to talk big!" "Old brother da Xi!" Baili tiantu was furious. Kill him first! We'll talk about our matter later!"

"I also have the same intention!"

Cao Daxi's face turned cold. His eyes were burning with anger as he said, this brat is too arrogant. Today, I'll destroy his spirit!

"Whoosh ..."

After saying that, Cao Daxi's true Qi began to surge.

"Brother da Xi! Isn't your cultivation speed a little too fast?"

Baili tiantu exclaimed, " I remember that you broke through to the divine sea realm later than me. However, your vital essence fluctuation is almost the same as mine. It should have at least 25 million combat power, right? "

"Yes, I am!"

"I've been cultivating in seclusion for a while, and my combat power has indeed reached 25 million!" Cao Daxi nodded and smiled. The old ancestor saw that I was cultivating hard, so he gave me this opportunity to make a contribution!"

Baili tiantu echoed, "the heavenly Dao rewards the diligent!" You should be rewarded for your hard work!"

It was obvious that these two did not take Chen Xiaobei seriously at all. They even saw killing Chen Xiaobei as a reward.

It was as if he could easily kill Chen Xiaobei and go back to celebrate his victory.

"Whoosh!"

In the next moment, Cao Daxi's true core strength suddenly increased dramatically, transforming into a black giant beast in the air!

With his 25000,000 combat power fully boosted, the behemoth energy construct blotted out the sky like a dark cloud, and it looked as if it was going to crush the world into pieces!

"So strong! As expected of young master Da Xi!"

The hundreds of people around him were all surprised, and then they sneered gloatingly. "That kid is dead! You're only at God Ascension cultivation, and you can't even take half a move from young master Da Xi!"

"Little bastard! Go to hell!" Baili tiantu's eyes were even more ferocious, and he felt so good in his heart.

However, Chen Xiaobei suddenly said, "Are you retarded? Don't you know that I have a magic treasure?"

"Hmph! Of course, we know that you have a powerful trump card!"

"But we're well prepared. We've set up a formation within three hundred meters to seal your storage treasure!" Cao Daxi grinned. Now, you can't even take out half a trump card!"

"No wonder the CAO family sent a useless piece of trash like you to kill me!" It's also to seal my trump card!"

"Damn it! You're already at death's door, and you still dare to call me trash!" "I'll make you suffer!" Cao Daxi cursed. I can't die!"

"Hehe." of course not! Chen Xiaobei grinned. you guys know nothing about my trump card!

[Red Envelope Group of the Three Realms](#)

Chapter 2462: Power Rebound

"You're just acting cool! If you can't even open the interspatial ring, it's useless no matter how many trump cards you have!"

Cao Daxi took a step forward and suddenly attacked, go to hell!!!

"BOOM!"

Following Cao Daxi's roar, the Black Beast opened its claws and charged at Chen Xiaobei.

Chen Xiaobei did not even flinch in the face of the terrifying attack. He did not even try to defend or dodge. He just stood there.

Seeing this scene, another wave of mocking erupted in the surroundings.

"I'm afraid that kid is scared silly, right? Hahaha, he's just standing there like an idiot!"

once that kid is dead, our mission is complete. If our ancestor is happy, he might even reward us!

"I really hope that kid dies soon! The more miserable the death, the better!"

The hundreds of people were full of mockery and sarcasm, without the slightest bit of pity. For the sake of their own benefits, they would not hesitate to curse others to die early!

It was obvious that these hundreds of people were all evil!

"Go to hell! Little bastard! hahaha ... Baili tiantu laughed proudly as if he had gotten rid of a thorn in his side. He was in a good mood.

"Boom boom boom ..."

At the same time, the Black Beast Dharma power had already crushed down on Chen Xiaobei's body.

However ...

The scene that everyone was looking forward to did not appear!

Chen Xiaobei was not dead at all. He was still standing there proudly, not even a hair on his head was hurt!

"H-how is this possible? Wasn't that kid at the peak of the primordial soul realm? How can you defend against my attack?"

Cao da Xi was dumbfounded. He could not believe his eyes.

"Yeah! That brat's cultivation was already broadcasted during the sect selection. He's clearly at primordial soul realm pinnacle ..."

Baili tiantu couldn't believe it either. He quickly released his primordial spirit domain to probe. "Strange ... Why can't I see through that kid's cultivation? Could it be that his cultivation level is higher than mine? No! This is impossible!"

"I ... I can't spy on his cultivation either!" Cao Daxi gasped, his face filled with fear.

"Could that brat be hiding his strength?" The surrounding hundreds of people were also dumbfounded and extremely frightened.

Everyone's Storage Treasures could not be used in the formation, not just Chen Xiaobei. Even if they had stronger treasures, they could not take them out. They could only use their strength to speak!

If Chen Xiaobei's strength really surpassed everyone's, then the situation would be completely reversed!

"Woof! Buzzzzzz! Buzzzzzz! Yi ..."

While everyone was still in shock, hundreds of black shadows burst out of Chen Xiaobei's body! Like a sharp blade, it suddenly stabbed towards the surrounding crowd!

"Uh ... Ah ... How did this happen? What kind of move is this ... Help ... Pfft ..."

A series of miserable screams erupted.

The hundreds of people around were hit by the black shadows, and they were either dead or injured!

In an instant, dismembered bodies and limbs were scattered all over the ground, and blood flowed like a river.

In less than two seconds, more than half of the surrounding people had died, and the remaining half were all seriously injured and unable to fight.

"Bang! Bang!"

On the other side, Cao Daxi and Baili tiantu each blocked a Black Extreme shadow. They were not injured, but they were both in extreme shock.

"F * ck! I've really seen a ghost!"

Baili tiantu gasped and said awkwardly, "Chen Zhufeng was the one who was attacked, but not only was he unharmed, he even killed so many people in an instant! Could it be that he's really hiding an extremely high level of strength?"

"No! This was impossible! This is impossible!"

Cao Daxi was even more dumbfounded, "How could Chen Zhufeng use my dark ethereal force? I'm the only one in the entire Putuo territory who can use it! Why Can Chen Zhufeng do it too?"

Baili tiantu was even more shocked. "Yeah! Black darkness attribute Zhen Yuan, this is something you comprehended by chance, how could anyone else use it?"

"Chen Zhufeng! What tricks did you play?" Cao da Xi frowned and asked, "This is my unique technique! How do you know how to use it!"

hehe! I told you! You guys know nothing about my trump card! Chen Xiaobei laughed.

"Trump card? What kind of trump card in the world could replicate another person's ultimate technique? I don't believe it! I don't believe it!" Cao Daxi could not accept this. He channeled his ethereal force again and charged at Chen Xiaobei.

"Boom boom boom ..."

A thick black inner Yuan rose from Cao Daxi's arms!

They were like two black meteorites, carrying 25 million combat power as they charged at Chen Xiaobei!

"Bang! Bang!"

Chen Xiaobei did not even try to Dodge the attack and allowed Cao Daxi's fists to land on his body.

"Uh! Ah ..."

In the next moment, Cao Daxi's arms felt an extremely strong recoil. Caught off guard, his entire body was sent flying!

The force that had sent Cao da Xi flying had come from the same dark attribute true Qi!

"Aiya ..."

Cao Daxi was so shocked that he flipped a few times and fell more than ten meters away.

Fortunately, the force of the impact was not too strong. It did not hurt Cao Daxi, but only put him in a difficult position.

"Brother da Xi! Are you alright?" Baili tiantu quickly ran over and helped Cao Daxi up.

"I'm fine! I finally know what Chen Zhufeng's trump card is!"

"He didn't just copy my dark Zhen Yuan, he just reflected a portion of my power!" Cao Daxi's eyes narrowed.

"Reverse shock?" Baili tiantu was surprised and asked, 'you mean, he's borrowing strength to fight strength? He was able to counter-shock your power and directly kill hundreds of people?"

"Yes, I am!" "Moreover, his defensive power is also very strange!" Cao Daxi nodded. I used all my strength to hit him just now, but his body didn't move at all! It can be seen that its defensive power is terrifyingly high!"

"Why don't we retreat?" Baili tiantu swallowed his saliva and said, " go and ask the higher-ups of your family to take care of Chen Zhufeng!"

"Good! I guess this is the only way ... Cao Daxi gulped. He did not dare to continue fighting Chen Xiaobei. He could only choose to run.

"Swish!"

Chen Xiaobei's body flickered and appeared in front of them!

how ... How is this possible?!

Cao Daxi and Baili tiantu were so scared that they almost peed their pants. They wailed in fear, " this speed ... He's at least a four-star earth-god! Is this Chen Zhufeng's true strength? " someone exclaimed.

"You want to run?"

Chen Xiaobei raised his eyebrows and slapped Baili tiantu's face.

"Argh ..."

Baili tiantu screamed like a pig being slaughtered and was sent flying more than ten meters away. As soon as he opened his mouth, he spat out blood and teeth.

"It's your turn!" Chen Xiaobei grinned evilly as he looked at Cao Daxi.

[Red Envelope Group of the Three Realms](#)

Chapter 2463: Brilliant Plan

"Help ... Help ..." He cried.

Cao da Xi screamed hysterically like a woman. He was so scared that he almost peed his pants.

"Brother da Xi! Hold on! I'll help you call for help!"

On the other side, Baili tiantu endured the intense pain as he rolled and crawled away, not even looking at Cao Daxi.

"Baili tiantu! You disloyal person, get lost!"

Cao Daxi's tears were falling. What kind of bad friends were these? A second ago, they were still calling each other brothers, but now, they were running faster than rabbits!

"Stop howling! No one can save you now!"

Chen Xiaobei smiled evilly and asked, " "How do you think I should torture you? I remember you said that you want me to suffer a fate worse than death, and you want me to regret being born in this world!"

"I was wrong! I know I was wrong! Young master ... Big brother ... Old master ... Please spare my life ..."

Cao Daxi gasped and knelt on the ground, "I have my parents to take care of, please spare me this time ... I won't dare to do it again ..."

Without a doubt, Cao Darcy was afraid of death. Knowing that he could not win against Chen Xiaobei, he did not hesitate to give up his respect and knelt down to beg.

From this, it could be seen that this guy had no principles or bottom line at all. As long as he could live, he was willing to do anything!

Of course, this was the kind of person that Chen Xiaobei wanted!

"I'll let you live! Chen Xiaobei grinned. as long as you answer one of my questions!

"Good, good, good! Please ask! I'll definitely tell you everything I know!" Cao da Xi nodded his head like a chicken pecking at rice. Nothing was more important than his life.

"Where's the new Doctor of Chinese medicine that the CAO family is offering?" Chen Xiaobei asked.

"Ah?" Cao Darcy's expression slightly changed, and she said, "So you're here to find the miracle doctor?"

"What are you talking about? Speak! Or die!" stop! Chen Xiaobei shouted.

"I'll talk, I'll talk!"

Cao da Xi swallowed his saliva and quickly said, the godly doctor's private residence is located in the east of the city. The courtyard is filled with red plums. You'll see it when you go!

"Apricot? Out of the wall?" Chen Xiaobei was stunned. Hua Tuo liked this kind of thing?

"My Lord! I've already answered you, can you let me go now?" Cao da Xi asked weakly.

"How do I know you're not lying to me?" I've already sent someone to check on him. If the godly doctor is really here, I'll let you go. How dare you lie to me? I'll beat you to death!

"You're sending people to check?" "You have people in the CAO family?" Cao Daxi asked, confused.

"Heh, you don't need to ask about that!" Chen Xiaobei raised his eyebrows and smiled.

After that, Chen Xiaobei did not say another word. Cao Daxi did not dare to ask any more questions and knelt on the ground.

However, Cao Daxi would never have guessed that the person who went to check the miracle doctor was Chen Xiaobei!

Before entering the CAO family's main city, Chen Xiaobei had left for a while. The preparation he did was to take out No. 9 Luban, fill it with spiritual Qi, and transform it into his appearance!

In other words, the 'person' standing in front of Cao Daxi was actually No. 9 Luban!

No. 9 Luban had been integrated with the Super high-tech alloy armor of the countless sands ancient race, which could reflect half of the power of a four-star earth-god and below!

Because of this, Cao Daxi's darkness attribute Zhen Yuan had been repelled during the battle, killing everyone!

No. 9 Luban had reached the four-star earth-god level after being upgraded by LAN Cai and the stonecrop wood. That was why it could burst out with the corresponding speed!

Chen Xiaobei had asked No. 9 Luban to take the lead to lure the Tiger away from the mountain!

No. 9 Luban's slap could have killed Baili tiantu, but it had deliberately held back so that Baili tiantu would fly away.

Baili tiantu would definitely seek help from the higher-ups of the CAO family.

When the reinforcements arrived, the city would be empty. Then, Chen Xiaobei would be able to sneak into the eastern city and find the revered doctor!

That's right! Chen Xiaobei himself had already sneaked into the city using the Nightstalker outfit!

Once the higher-ups of the CAO family came out, Chen Xiaobei would be able to find the doctor. Even if he were to take him away by force, he would not be stopped!

This was Chen Xiaobei's brilliant plan!

Knowing that the CAO family had a grudge against him, how could Chen Xiaobei walk right into their trap?

"Hurry! Everyone! Surround Chen Zhufeng! We can't let him get away!"

Not long after, a wave of intense yells could be heard from far away.

There were also hundreds of people surrounding the scene. However, this time, the hundreds of people were all middle-aged people. They were at least middle-level members of the Wu family!

At the very front, there were dozens of elders. They must be the higher-ups of the CAO family!

Among them, there was even an extremely old man who had experienced many things. This was probably the ancestor of the CAO family!

"Chen Zhufeng! How dare you! How dare you trespass into our Cao family's main city! You even killed so many of my Cao family's disciples! You're simply looking for death!"

The CAO family's ancestor was furious. Although he was extremely old, his aura was extremely overbearing.

"That's great! The old ancestor is here! Old ancestor, save me! "Help me ..." Cao Daxi screamed hysterically as if he had seen a life-saving straw.

No. 9 Luban reached out his hand and grabbed Cao Daxi's throat.

"Chen Zhufeng! Don't mess around!"

The ancestor of the CAO family frowned and shouted angrily, " "Da Xi is the new genius of the CAO family! You're not allowed to hurt him!"

"Hehe, you say no and you say no? Wouldn't I lose face then?" No. 9 Luban said with a cold smile.

In fact, the content and voice of the conversation were controlled by Chen Xiaobei remotely, which was Chen Xiaobei's own voice.

None of them had seen No. 9 Luban before, so they could not tell if it was real or fake.

"Chen Zhufeng! I'm warning you! Quickly release me!"

Cao Daxi struggled with all his might and cursed, otherwise, my ancestor can turn you into meat paste with one slap and feed you to the dogs!

"Hehe, really?" No. 9 Luban smiled indifferently. He grabbed Cao Darcy's throat with one hand and swung his arm with the other, giving him a big slap.

"Pa!!!"

With a crisp sound, Cao da Xi received a solid slap.

"Pfft ..."

Cao Daxi's neck twisted and blood spurted out from his mouth. His face instantly swelled up, looking like half a pig's face!

"Chen Zhufeng! Don't mess around!"

The CAO family's ancestor panicked and frowned. "You say it! What do I have to do for you to let go of da Xi? As long as your request isn't too excessive, this old man can agree to it!"

"Heh, that's a good attitude!" "Wait for me to think about it!" No. 9 Luban said with a smile.

No. 9 Luban fell into silence after that.

.....

On the other hand, Chen Xiaobei himself had found the house that he had cheated on her with.

[Red Envelope Group of the Three Realms](#)

Chapter 2464: Actually An Old Friend

The manor was filled with bright red apricot flowers, and many of the flower branches extended out from the courtyard walls. It really was a garden full of spring that couldn't be hidden!

Wearing the Nightstalker outfit, Chen Xiaobei activated his stealth ability and sneaked into the mansion.

"Wow ... Oh oh ... The ceremony ... Oh ..."

Not long after he entered the mansion, Chen Xiaobei heard a strange voice. It was 30% lewd and 70% lecherous. He could tell that it was not a decent person.

Chen Xiaobei followed the voice to a room and peeked through the window.

He saw a young man holding a phone in one hand and doing indescribable movements with the other near his crotch.

That strange sound came from this young man's mouth.

"Oh, oh, oh?"

Chen Xiaobei shook his head and said, "I won't believe that this guy is Hua Tuo! I don't even believe that this guy is a Chinese medicine doctor! Let's go to the other rooms and look around!"

Chen Xiaobei was about to turn around and leave, but he was stunned.

[ding! Reincarnated ghost Wei Xiaobao discovered!]

[ding! Wei Xiaobao's illustrated Handbook has been activated!] [do you want to check Wei Xiaobao's related information?]

"What the f * ck! What the f * ck! This guy is actually Wei Xiaobao!"

Chen Xiaobei was dumbfounded.

Chen Xiaobei had heard that Wei Xiaobao had earned a lot of money from selling obedient water in the earth-god Realm! He didn't expect that this guy would be invited by the CAO family to be a dedicated Chinese medicine doctor! It was simply too awesome!

"Check!" Chen Xiaobei quickly checked the message.

[Wei Xiaobao: a legend of the Qing Dynasty. He went from a fake eunuch to Duke deer cauldron, who wielded power over the court!] He was astute and smooth!

[cause of death of ding Yingluo: died of old age!]

"This is crazy! Each group member only had three places to choose from in the winter solstice festival, so who would choose Wei Xiaobao? Isn't this too wasteful?"

Chen Xiaobei felt a headache coming on.

The quota to reincarnate as an earth immortal was precious! Logically speaking, he should have chosen a powerful ancient immortal or an ancient demon! Even if he had to choose a Yin ghost, he should at least choose one that had a skill!

However, who was the one who had nothing better to do? He had actually chosen Wei Xiaobao, but what use would he have?

"In the past, Wei Xiaobao was also considered my friend. I hope that the master of his contract is not my enemy ..."

Chen Xiaobei furrowed his brows. He did not want to make an enemy out of Wei Xiaobao, "I'll arrest him first! It was best that he was not an enemy! If he's an enemy, I'll lock him in the Meru space. This can be considered a form of protection for him!"

Chen Xiaobei immediately deactivated the rune concealment.

"Bang!"

Chen Xiaobei kicked the door open and ran toward Wei Xiaobao.

"Oh my God ..."

Wei Xiaobao's entire body trembled as he quickly pulled up his pants and angrily cursed, "Who are you? To rush in at this time! Are you trying to scare me into thinking I'm yang Wei?"

"Shut up!"

Chen Xiaobei took a step forward. With the speed of a divine sea realm, he could easily defeat a one-star earth-god.

Before Wei Xiaobao could even react, Chen Xiaobei had already grabbed him by the throat!

Of course, Chen Xiaobei did not use too much strength. He only controlled Wei Xiaobao so that he would not feel too bad.

"Who are you?" Wei Xiaobao had never seen Chen Xiaobei before, so he was naturally dumbfounded.

who's your master? " Chen Xiaobei went straight to the point.

contract master!?" Wei Xiaobao's expression froze for a moment,"you ... You're from the heaven realm?" Or a reincarnated ancient immortal?"

"I'm the one asking you now! If you don't want to die, answer me immediately!" Chen Xiaobei shouted.

"Don't give me that!" Wei Xiaobao pouted and said,"I've signed a soul contract!" 100% loyalty to its master! Unless the master of the contract agrees, I will not submit to you even if I die!"

Chen Xiaobei frowned, but he had to admit that Wei Xiaobao was telling the truth.

"I'm Chen Xiaobei! Now you can answer me, right?" I'm sorry! Chen Xiaobei said, " if you don't answer me, don't blame me for not considering our past friendship!

"Bro bei? You ... You're God Chen?"

Wei Xiaobao was instantly excited,"God Chen, you're really filthy!" For thousands of generations, he would unify the tainted world! I didn't expect to meet the group leader of our "old driver" group!"

pfft ... Chen Xiaobei was speechless."You're the dirty one! I've already turned over a new leaf! It's even purer than water now!"

"Come on!" Wei Xiaobao laughed evilly and said,"you're the reincarnation of the Lich King!" Ten-thousand-year-old turtle! You actually dare to act innocent in front of me!"

"Don't give me that!" Chen glared at Wei Xiaobao and said, "Hurry up and tell me who your master is! If you're my enemy, don't even think about trying to get close to me with those flowery words!"

"Alright, alright, alright! I'll tell you, okay?" "My contract owner is society, your brother dog!" Wei Xiaobao said.

"What nonsense is this?" "Society, who is your big brother dog?" Chen Xiaobei asked.

"Celestial Hound!"

Wei Xiaobao said, "Xiao Tianquan is also a member of the Three Realms red envelope group, so it also has three choices!" It's just that it's ranked at the bottom, so it can't choose a powerful ancient immortal, so it can only choose me!"

"What?" what? " Chen Xiaobei was surprised. your contract master is Xiao Tianquan? "

"Yeah!"

Wei Xiaobao said, "if it wasn't for brother dog choosing me, I wouldn't have known that he and you are actually best friends!" It's even better than our relationship, I'm so jealous!"

"It seems that you are not lying!" Chen Xiaobei nodded and let go of Wei Xiaobao.

Because the celestial Hound was with Yang Jian, and Yang Jian was a member of the clan of enlightenment.

So, the relationship between Chen Xiaobei and celestial Hound had always been a big secret. Unless it was someone that it could absolutely trust, celestial Hound would never reveal it.

Wei Xiaobao had signed a soul contract and was 100% loyal to the celestial Hound. That was why he was able to learn this secret from the celestial Hound.

Of course, Chen Xiaobei was very cautious. He took out his phone and contacted Xiao Tianquan to further verify this matter.

The celestial Hound, "yes!" Wei Xiaobao is the earth immortal I chose! I specifically told him that if he met you, he would do his best to help you! Of course, we can only help in secret. Otherwise, the clan of enlightenment will know about our relationship!

Chen Xiaobei: Thank you, brother! I'm really grateful that you're so considerate of me in everything!

Celestial Hound: " God Chen, you're welcome. We're Good Brothers! You're in danger in the human world, and this is all I can do!

Chen Xiaobei: " Oh right! Can you help me ask around about something? "

The celestial Hound, "tell me!"

Chen Xiaobei: help me find out who Deng junyu's contract owner is! There might be a big conspiracy behind this!

Xiao Tianquan, Deng Jie Yu? Good! I'll try my best to investigate and let you know if I have any news!

Chen Xiaobei:

Chen Xiaobei kept his phone and looked at Wei Xiaobao again.

I say, brother Bao, you don't even know anything about medicine. How did you become a doctor of the CAO family? " Chen Xiaobei asked.

[Red Envelope Group of the Three Realms](#)

Chapter 2465: Slaughter Everyone

"I don't know much about medicine, but I can brag!"

Wei Xiaobao smiled evilly and said, "my good boy water is selling very well in Putuo city!" The CAO family was very interested. I bragged to them that this was a Chinese medicine technique! They wanted to cooperate with me to make money, so I naturally became a consecrated great Chinese medicine doctor!"

you're really something ... Chen Xiaobei could not help but give her a thumbs up.

"Haha, I know I'm good! How could a real man not do it! Wei Xiaobao smiled complacently and asked again, " "Oh right, bro bei! And how did you find me?"

"Don't even mention it!" Chen Xiaobei said, disappointed. I'm here to find Hua Tuo! Who knew that you would be the one pretending to be a great doctor!"

"Bro bei! How can you do this!" Wei Xiaobao protested, "I'm your good brother!" How can Hua Tuo be more important than me?"

"You're my brother! But right now, Hua Tuo is of great importance to me!" I have something urgent to attend to outside, so I'm not going to talk to you any longer. Get me 180 bottles of good boy's water! Chen Xiaobei said.

"A hundred and eighty bottles?" I only have three bottles on hand, " Wei Xiaobao said, embarrassed. the materials are too difficult to gather. It's impossible to mass-produce them!

"Alright! Three bottles it is!" "Give it to me!" Chen Xiaobei said.

"Can you leave me a bottle?" Wei Xiaobao said, embarrassed.

"We can't!" "Don't forget what your big brother dog said to society!" Chen Xiaobei said.

"Brother dog?" Wei Xiaobao's expression froze for a moment before he obediently nodded and said, " "Alright, I'll give you all three!"

Wei Xiaobao did not play any tricks and gave Chen Xiaobei the three bottles of 'be good' water.

From this, it could be seen that the soul contract was still very useful!

After putting away the water and exchanging numbers with Wei Xiaobao, Chen Xiaobei activated his rune concealment and quickly returned to where he came from.

This time, his goal was to find Hua Tuo. Since Hua Tuo was not around, Chen Xiaobei did not need to fight with the CAO family. The best thing to do was to evacuate.

.....

At the city gate.

The ancestor of the CAO family lost his patience and shouted, " "Chen Zhufeng! What do you mean by not saying anything? What must he do to release her? Hurry up and be quick!"

It was obvious that Cao Changfeng, who had been killed before, was only a genius from the starry sea of the earth realm. At most, he could only join the Putuo City branch in Tianji city.

However, Cao Daxi's cultivation was one realm higher than Cao Changfeng's, and he was now a disciple of Tianji city's Nanzhan state branch! He was one of the most promising geniuses in the CAO family, and his future achievements would be far above Cao Changfeng's.

If Cao da Xi died, the CAO family would not be able to produce another genius of the same level for the next few decades or even a hundred years.

This was a huge loss.

Because of this, the ancestor of the CAO family wanted to protect Cao da Xi no matter what.

"Tell your men to disperse and let me out of the city. When I'm safe, I'll naturally let this trash go!" Chen Xiaobei's voice came from No. 9 Luban.

In Chen Xiaobei's eyes, the genius of the CAO family was just a piece of trash.

It was definitely worth it to exchange No. 9 Luban's life for its safety.

"Good! This old man will believe you this once!"

The old ancestor of the CAO family waved his hand and said, "Open the door! Release him!"

As soon as he said that, the powerhouses of the CAO family who were blocking the gate stepped back one after another. Someone even opened the gate completely and let No. 9 Luban out of the city.

No. 9 Luban clutched Cao Daxi's throat with one hand and slowly retreated to the city gate.

"Bang!"

When they reached the city gate, No. 9 Luban kicked Cao Daxi's butt, sending him flying a dozen meters away like a hungry dog.

"Swish!"

However, just as No. 9 Luban was about to leave, a shadow suddenly jumped down from the other side of the gate and attacked it!

No. 9 Luban's cultivation was not weak. Its reaction and speed were very fast. It turned around to defend at the first moment.

However, it was a middle-aged man who had reached the mid-stage four-star earth-god Realm! He was holding a four-star earth-god level saber!

With his own combat strength and the power of the earth-god instrument, the middle-aged man suppressed No. 9 Luban in an instant!

Within three moves, the saber was placed on No. 9 Luban's neck!

"Hahaha! Chen Zhufeng! You didn't expect this, did you?"

The middle-aged man laughed, "this is the territory of the CAO family!" You can't just come and go as you please!"

Seeing this, the CAO family's ancestor and the hundreds of people present all cheered in excitement.

"Cao bao! Good job! As expected of our Cao family's most alert cheetah! I'll definitely reward you handsomely later!" The ancestor of the CAO family praised.

"Little bastard! You're dumbfounded, right?"

Cao Darcy got up from the ground and arrogantly cursed, "I've said it before, I'm going to torture you ruthlessly and make you wish you were dead! I'll make you regret being born in this world! This sentence didn't fail!"

Even Baili tiantu came out of the crowd and shouted, "Chen Zhufeng! You are destined to die today! I'll torture you together with brother Daxi! Just thinking about it made him feel great! Hahaha ..."

At the same time, the hundreds of people around them were all gloating and mocking. No one cared about right or wrong.

"You said you'd let me go! You're sneakily attacking me from behind again!"

No. 9 Luban fixed his eyes on the ancestor of the CAO family and said, "Your Cao family! He went back on his word! Unkind and unjust!"

The ancestor of the CAO family snorted and said shamelessly, "I didn't keep my word! How was it? If you're not convinced, then bite me!"

No. 9 Luban did not refute him. He turned to Cao Daxi and said indifferently, "Just a moment ago, you were kneeling down and begging for mercy, saying that you wouldn't dare to do it again. Now, you're baring your fangs and brandishing your claws, revealing your true colors! You, Cao da Xi! Two-faced three-blade! You shameless villain!"

"Hehe!" Cao Daxi's expression was as if he was asking for a beating. He laughed evilly and said, "The winner is the king, and the loser is the bandit! It's my strategy to beg for mercy, but you're stupid to be fooled! You're the one who got caught for being stupid, so you're blaming me?"

No. 9 Luban did not answer. Instead, it turned to Baili tiantu and said coldly, "You're a dog! I can't even be bothered to scold you!"

you ... Baili tiantu was furious as he cursed, "Little bastard! He still dared to talk when there was a knife to his neck! I'd like to see if your mouth is sharper or uncle Cao Bao's knife is sharper!"

"Hmph!" Cao bao laughed hideously and said, "as long as the ancestor gives the order, I can immediately cripple this little b * stard!" Bring him back and slowly torture him to death!"

Hundreds of people grinned at Chen Xiaobei's words. They did not care if he was right or wrong. They were all waiting to see how Chen Xiaobei would be crippled.

"You're full of villains! You have no conscience at all!"

No. 9 Luban was not afraid at all. It glanced around indifferently and said in a cold voice, "Let me go within three seconds and The Grudge between us will be written off! Otherwise, I'll slaughter everyone here and make your Cao family completely fall!"

Everyone was shocked by his words!

Red Envelope Group of the Three Realms

Chapter 2466: Main Cannon's Might

"Is there a hole in your brain?"

Cao Daxi's face was full of disdain as he cursed, "You still dare to speak so arrogantly when a knife is placed on your neck? You're using your life to act tough!"

"This kid is more than just acting tough! He's simply too arrogant and extremely Savage!"

Baili tiantu added fuel to the fire and said, "He actually dared to say that he would slaughter everyone here and completely destroy the CAO family! He simply doesn't put any of the powerhouses here in his eyes!"

"Cao bao!"

The CAO family's ancestor was already burning with anger. After being incited by Baili tiantu, he directly ordered, "Just cripple that brat and throw him into the heavenly prison. Let him experience all kinds of torture.

"Yes, sir!"

Cao bao held his saber with one hand and placed it on No. 9 Luban's neck. Meanwhile, he gathered his genuine vitality with the other hand and struck directly at No. 9 Luban's dantian!

"Bang!"

With a muffled sound, Cao Bao's heavy punch landed on No. 9 Luban.

However, No. 9 Luban had the defense of a four-star earth-god, and with the Super high-tech alloy armor of the countless sands ancient race, some of the force was reflected back.

Therefore, No. 9 Luban was completely fine.

how ... How is this possible?!

On the contrary, Cao Bao was caught off guard and was forced back by the recoil. For a moment, he was extremely shocked and lost his mind!

"Chi ..."

No. 9 Luban suddenly opened its mouth wide.

"W-what are you doing?"

Cao bao calmed himself down and held his saber tightly, still holding it against No. 9 Luban's neck.

"Chi ..."

The next moment, a strong energy wave burst out of No. 9 Luban's mouth, and a dazzling light shone!

"BOOM!"

With a loud explosion, a terrifying laser beam shot out from No. 9 Luban's mouth and headed straight for Cao Bao, who was holding his saber!

"This ... This is f * cking ..."

Cao Bao was instantly dumbfounded. He was so terrified that his pupils contracted uncontrollably and his heart almost flew out of his throat!

However, Cao Bao was completely unprepared for such a sudden attack at such a close distance!

"BOOM!"

The next moment, a dazzling laser beam suddenly burst out!

Cao Bao was completely defenseless. Although his physical body was strong, he did not have genuine vitality to protect his body! The laser beam directly hit his head!

"Uh! Ah ..."

After all, Cao Bao was a mid-stage four-star earth-god with a very strong body. After being hit in the head, he did not die immediately. He was only severely injured and let out a violent scream!

However, facing the high-tech laser weapons of the countless sands ancient race, it was obviously far from enough to just rely on his physical body!

In the next moment, Cao Bao's skin was burned by the laser. Then, his eyeballs exploded and his bones were broken. The laser went further into his brain. His brain exploded like tofu and was quickly burned by the extremely high temperature!

In less than two seconds, Cao Bao's head had completely disappeared. He was dead!

However, the attack of the main laser cannon was far from over!

After breaking through Cao Bao's 'barrier', the laser beam instantly enlarged and became like a heavenly pillar. It was so big that even a hundred people would not be able to surround it!

No. 9 Luban was as small as an ant in front of the light beam!

This was the true scale of the main laser cannon!

"Boom boom boom ..."

The huge laser beam crushed over, instantly crushing the gate of the CAO family's main city!

The city wall on this side also collapsed with a loud bang!

The entire city's front door was completely blasted open! It was as if the CAO family's face had been completely smashed!

"Uh! Ah ... Save me ... Old ancestor, save me ..."

Immediately after, a huge laser beam crushed the crowd, and instantly, screams and wails filled the air!

One had to know that this was a high-tech laser weapon of the countless sands ancient race, comparable to the main cannon of a top-tier space carrier!

Its basic power was equivalent to that of a four-star earth-god instrument. Coupled with the unique high temperature and penetrating power of the laser, its actual destructive power was even higher than that of a four-star earth-god instrument!

Although the CAO family had sent out all their experts, they did not have many earth level deities who were four stars and above!

Anyone below the level of a four-star earth-god would die in an instant if this laser beam shot over, even if they had activated their body-protection genuine vitality!

By the time the laser beams dissipated, more than half of the hundreds of people present had already died!

Moreover, all of them were burned by the laser and turned into ashes, not even a corpse was left!

The remaining half of the people who were still alive were either hiding behind the ancestor of the CAO family or had reached the four-star earth-god level. They barely managed to keep their lives!

"Chen Zhufeng! You've killed hundreds of my Cao family's people! "This old man is absolutely irreconcilable with you!!!" I won't rest until I'm dead!"

The CAO family's ancestor suddenly roared, like an ancient beast that had been angered. He exploded with a rage that was like thunder from the nine Heavens.

"Woof! Buzzzzzz! Yi ..."

With a wave of his hand, the CAO family's elder released his vital essence and swept the hundred golden cores back to him! He then kept it in his storage bracelet!

It was obvious that these golden elixir pills came from the hundred golden elixir realm experts of the CAO family!

This was the backbone of the CAO family. Not only did he bear the responsibility of being criticized, but he was also a future high-level manager!

Killing over a hundred people was equivalent to destroying half of the CAO family!

The point was that gold core realm experts were rare!

It was not an exaggeration to say that the CAO family would not be able to make up for today's losses in the next few thousand or even tens of thousands of years!

That was why the CAO family's elder was so furious that he wanted to eat Chen Xiaobei's flesh and drink his blood!

No. 9 Luban smiled indifferently, "so, the CAO family is the only one who can go back on their word and kill me?" But you won't allow me to counterattack and kill the CAO family? How can there be such a f*cking logic in this world?"

you ... the CAO family's elder was at a loss for words, unable to refute.

The CAO family was in the wrong in this matter! Chen Xiaobei had already released Cao Daxi as promised, but the CAO family went back on their word and attacked Chen Xiaobei!

Chen Xiaobei's counterattack was reasonable, and the CAO family was speechless!

"Ancestor! At a time like this! There was no need to reason with him! Kill him directly! Take revenge for everyone!" Cao Daxi came out from behind and encouraged.

Baili tiantu was also hiding at the back, fanning the flames, "Chen Zhufeng killed hundreds of people from the CAO family. If we don't kill this kid, where will the CAO family put their face? How are we going to establish ourselves in the Putuo territory in the future?"

"Kill him ... Kill him ... Kill him ..."

All of a sudden, the surviving members of the CAO family all shouted. Their hatred and anger almost made them lose their minds! They were being unreasonable! The only thing left in their eyes was killing!

"It seems that you haven't been taught enough!"

No. 9 Luban's eyes narrowed and said, "Those who want to kill me, prepare your own life first! I'll collect them one by one!"

"Whoosh!"

At that moment, a shadow suddenly appeared out of thin air and charged at No. 9 Luban!

[Red Envelope Group of the Three Realms](#)

Chapter 2467: Too Late

"What?"

No. 9 Luban was stunned for a moment. He could barely see the shadow clearly. It was a miniature cao bao!

It looked exactly like cao bao, but it was only the size of a palm. Furthermore, it was in a special spirit body state!

This kind of spirit body was not filled with Yin Qi like Yin ghosts. Instead, it had a Yang Qi and exuberant vitality!

could this be cao Bao's nascent soul? "

No. 9 Luban was stunned. Before it could react, the tiny spirit body had already rushed into its body!

Seeing the scene before them, the CAO family members immediately became excited.

"Hahaha! This kid is so stupid! Uncle cao Bao's nascent soul managed to enter my body so easily!" Cao Daxi was extremely excited. His eyes were shining as if he had been injected with chicken blood.

Baili tiantu was the same. He was excited and said, as long as this little b * stard's state of mind is not as good as uncle cao Bao's, uncle cao bao will erase his consciousness and take over his body!

The CAO family's ancestor also laughed evilly, "what suspense is there to speak of?" How can a young and reckless person's state of mind be comparable to the battle-hardened cao bao?"

yes! Cao Daxi said excitedly. after possession, cao bao will be able to live a normal life. Chen Zhufeng, that little b * stard, will have his soul destroyed and will never be reincarnated! Hahaha ..."

All of a sudden, all the members of the CAO family laughed gloatingly, as if they had won the battle.

However, what happened next left everyone in the CAO family dumbfounded and completely shocked!

"H-how is this possible? Why doesn't this kid have a sea of Qi dantian?"

From No. 9 Luban's body came cao Bao's surprised scream, " "No! Not only did he not have a sea of Qi dantian! This brat didn't even have flesh and blood! My God ... What kind of monster is he? I can't possess him at all!"

As soon as he said that, everyone was dumbfounded.

no sea of Qi dantian???" Cao da Xi was dumbfounded.

not even flesh???" Baili tiantu was dumbfounded.

"Could ... Could it be that the kid is a demon?" The ancestor of the CAO family also had an expression of disbelief. that shouldn't be the case. Even if it's a demon, it should have a sea of Qi dantian!

For a moment, everyone present was puzzled. No matter how hard they racked their brains, they could not figure out what was going on.

"A bunch of idiots! You've been played by me, and you still want to kill me? You must be daydreaming!"

Chen Xiaobei's voice was heard again, but it did not come from No. 9 Luban's mouth. It came from behind the group!

"Hmm? How did it end up like this?"

Everyone was shocked and turned around to look. However, the scene behind them made them even more shocked and they almost peed their pants.

"Whoosh ..."

Chen Xiaobei himself stood at a distance and took out 40000 high-grade spiritual stones. At the same time, he summoned the four demonic swords and formed the infinite sword formation!

In the next moment, the limitless Saint Demon King Dharma power suddenly condensed and took form!

It had dark golden horns on its head! A pair of fiery wings on its back! His eyes flashed with lightning! He was standing on the fiendwater Dragon!

Each of the four demonic arms had the power of a different attribute! Each of the four demonic claws was holding a demonic sword Dharma!

The Dharma idol was 800 meters tall! Majestic, majestic, and unparalleled!

He was like a Supreme ancient demonic god, exuding a terrifying and domineering aura with every move! It was as if destroying the heavens and earth would be a piece of cake!

However, this was only the opening!

"Swish!"

Chen Xiaobei waved his hand and a black scroll appeared!

As soon as this picture appeared, it shot straight into the sky and hovered right above the limitless Saint Demon King's materialization!

"Whoosh ..."

Without hesitation, Chen Xiaobei threw out another 400000 high-grade spiritual stones!

After crushing all the spiritual stones with his vital essence, a huge amount of spiritual Qi gushed into the black scroll!

"What level of magic treasure is that Black Map? He actually absorbed the spiritual Qi of 400000 upper spiritual stones in one go!" Cao Daxi swallowed his saliva. He could not believe his eyes.

Baili tiantu was stunned on the spot. He said in fear, " a seven-star earth-god instrument only costs 100000 upper spiritual stones to activate its power, but Chen Zhufeng threw out 400000! This doesn't make sense!"

"No! That's not a seven-star earth-god instrument!"

The ancestor of the CAO family was experienced and had a sharp eye. He saw through the essence of the problem at a glance."That's an extremely profound sword formation. When four long swords are used together with the formation diagram, they can unleash power that surpasses a large realm! However, the price is that you have to consume more spiritual Qi than other magical treasures of the same grade!"

according to what you've said, the sword array used up 400000 upper spiritual stones. It should be able to release the power of a seven-star earth-god at least! Cao da Xi asked in surprise.

"That's right!"

but don't be afraid. I have a seven-star earth-god instrument as well. With my seven-star earth-god cultivation, I can defeat that kid! the ancestor of the CAO family said with a smile.

"Hahaha! This was good! No matter what, that kid is still going to die!" Cao da Xi finally let out a sigh of relief.

Baili tiantu and the people of the CAO family around him were also much more relaxed. They were no longer as afraid as before when facing the Dharma power that was 800 meters away!

However, in the next moment, the ancestor of the CAO family was stunned."Eh? What's going on? Why can't I open my storage bracelet?"

"Ah?"

Cao da Xi's heart clenched. He quickly said, "It's a sealing formation! To deal with Chen Zhufeng, I've set up a sealing array around the storage treasure!"

then why Can Chen Zhufeng take out spiritual stones? " The ancestor of the CAO family was furious and questioned.

he ... He's just standing outside the formation ... Cao Daxi looked at Chen Xiaobei from afar, and his heart skipped a beat.

you idiot!? The ancestor of the CAO family was so angry that he wanted to vomit blood. He quickly shouted, " "Everyone, hide behind this old man! Hurry up! It'll be too late if we're late!"

"It's already too late!" From afar, Chen Xiaobei smiled and said, " "Those who want to kill me, I will kill them!"

"Boom boom boom ..."

As soon as he finished his words, 40 trillion low-grade spiritual Qi was burned out instantly!

On The Black Map, a huge tower that reached the sky suddenly stood up!

It looked like the limitless nine-floor Pagoda and was three thousand meters tall!

It was as if the heavens had been pierced through, and the earth could not contain its vastness!

quick ... Everyone, quickly hide behind our ancestor ... Quick ...

For a moment, all the powerhouses of the CAO family were in shock and their pupils contracted. It was as if the end of the world was right in front of them, and death and slaughter were going to sweep over the scene at any time!

"I really don't have time ..."

The CAO family's ancestor swept his gaze across the scene, and his eyes were instantly filled with despair.

Although everyone was running with all their might, they were pitifully slow in the face of the speed of a seven-star earth-god!

"Whoosh ..."

The Black Tower emitted an infinite amount of black light, and like a huge black waterfall, it flowed down three thousand feet, landing on the limitless Saint Demon King's projection's head!

At the same time, a massacre descended!

[Red Envelope Group of the Three Realms](#)

Chapter 2468: Scaring Off Powerful Enemies

"Whoosh ..."

Endless black light scattered, as if the heavenly demon had bestowed Supreme combat power!

The limitless Saint Demon King's Dharma power suddenly rose, and it was even bigger than before!

"Boom boom boom ..."

In the next moment, the limitless Saint Demon King's Dharma power suddenly raised its four arms, and the four great demonic swords in its hands were like four heavenly chasms, directly slashing at the CAO family members who were fleeing like ants on the ground!

"BOOM! BOOM! BOOM! Boom ..."

The speed of a seven-star earth-god was far faster than the speed of those guys 'escape!

The sword shadow slashed down and pulled the river up!

The 100 people of the CAO family were like 100 ants that were killed in an instant!

Even the strong wind carried by the huge sword could directly annihilate the powerhouses of the CAO family!

The difference in power was huge. They were not on the same level at all. The result of the battle was naturally not in the least bit suspenseful!

With this attack, the CAO family's powerhouses were almost all dead!

Only the CAO family's elder circulated his vital essence and blocked the sword with his own strength, protecting the lives of the five people behind him!

"Chen Zhufeng! How dare you be so vicious! He has directly destroyed our Cao family!"

The CAO family's ancestor suddenly roared. Flames of fury seemed to be about to burst out of his eyes.

A large number of people from the CAO family had died just now, and they were all the backbone of the family!

And now, the people who died in the CAO family were all important high-level pillars!

When those people died, the CAO family didn't collapse. At the very least, they could slowly recover. But now that this group of people had died, the CAO family was like a skyscraper that had completely collapsed. It was almost impossible to rebuild it!

heh, when the saber was placed on my substitute's neck, I already said that if you don't let me go in three seconds, I will definitely slaughter everyone here and make your Cao family completely perish!

I've given you a chance to make peace! Chen Xiaobei said. but you still want to kill me! Since that's the case, it's only natural for me to kill you all!"

"Chen Zhufeng! Revenge for the extermination of his entire sect! This old man will never forget! I will definitely fight you to the death!" The CAO family's ancestor suddenly roared, as if he wanted to fight again.

"Ancestor! Don't ..."

"no! Cao Daxi quickly said. once you make your move, the remaining five of us will lose our protection. Chen Zhufeng's substitute is still there. He can kill us all at any time!

The ancestor of the CAO family was stunned.

Behind him stood Cao Daxi and three other members of the CAO family. In addition, there was also Baili tiantu.

Just as Cao Darcy had said, once the ancestor of the CAO family made his move, he would not be able to get rid of Chen Xiaobei immediately. On the other hand, Chen Xiaobei's substitute, No. 9 Luban, would definitely take advantage of the situation and kill all five of the people that the ancestor of the CAO family had a hard time protecting.

"Whoosh! Whoosh! Whoosh ..."

At the same time, more than a hundred nascent soul cultivators appeared out of thin air and hid behind the ancestor of the CAO family, wailing.

"Ancestor! Please take us and escape! Our bodies have been destroyed, and our nascent souls are extremely fragile without a body to support them. If we're not careful, our souls will be destroyed!"

"Yup! Old ancestor! Where there is life, there is hope! Help us find a body to house our nascent soul first, then we'll deal with Chen Zhufeng later!"

"If the nascent soul is destroyed, we'll be completely dead ..."

Hundreds of nascent soul cultivators were wailing in pain. Even Cao Bao rushed out of No. 9 Luban's body and hid beside the ancestor of the CAO family.

From this, it could be seen that a nascent soul without a physical body was very fragile. A normal attack could probably destroy their soul and make them unable to reincarnate.

"Good! He would settle this score in the future! Let's go!"

The ancestor of the CAO family naturally didn't want these Yuanying stage cultivators to be completely destroyed. If that happened, the CAO family would really fall.

The elder of the CAO family waved his sleeve and swept up all the nascent Soul Stage cultivators and the four surviving members of the CAO family, fleeing the scene as fast as he could.

"Old dog! Where are you running to!"

run! Chen Xiaobei shouted but did not give chase. The CAO family's ancestor shivered in fear and ran out of the city with all his might.

Chen Xiaobei's strongest trump card was the ultimate infinite sword formation, but it was not enough to defeat the CAO family's elder.

Chen Xiaobei was also afraid that the CAO family's nascent soul would enter his body and take over his body.

After all, Chen Xiaobei did not know much about nascent soul. He could not risk it.

Because of that, Chen Xiaobei only made a big fuss and did not plan to fight the CAO family's elder to the death.

Once Chen Xiaobei had upgraded his trump card, he would have a way to deal with a nascent soul cultivator.

Furthermore, there was another huge benefit to scaring the CAO family's ancestor away!

That was the Treasury of the CAO family's main city!

Now that the entire main city was defenseless, Chen Xiaobei only needed to find the Treasury and he would be able to empty it out, leaving nothing for the CAO family!

Of course, before that, Chen Xiaobei still had to deal with a dog!

"Have mercy ... Zhufeng! I'm your senior brother ... Please spare my life ... I beg you ..."

Baili tiantu knelt on the ground like a dog, his head banging against the ground as he begged for mercy in a low voice.

Just now, the ancestor of the CAO family had only taken the people of the CAO family away and did not care about Baili tiantu's life at all.

In fact, from another perspective, the CAO family's heavy losses today were all caused by Baili tiantu!

It was because of Baili tiantu's advance warning that the CAO family thought they were well-prepared and underestimated their enemy, directly killing a wave of young experts!

After that, the sealing formation that Cao Daxi had prepared had backfired on the ancestor of the CAO family. This had resulted in the heavy losses of the CAO family's core forces and high-level experts!

"This is called being too smart for your own good!"

Chen Xiaobei looked down at Baili tiantu and laughed. "If you didn't inform us in advance, the CAO family wouldn't have made preparations in advance, and they wouldn't have looked down on me! If the CAO family's ancestor were to attack directly, he would be able to force me back!"

"No, no, no! I'm not smart at all!"

Baili tiantu kowtowed and begged, "In front of you, I'm just an idiot! Please, I beg you, spare my lowly life. I'm willing to be your slave, at your beck and call ..."

"Well, I see that you're quite sincere, so I'll spare your life!"

I'm fine! Chen Xiaobei said, "I need an obedient dog in Tianji city!"

"No problem!"

"I'm a dog!" Baili tiantu nodded frantically. I'm a dog! In the future, I'll bite whoever you want me to bite!"

heh, you're a shameless villain. Your words are like farts. I will never believe you!

Chen Xiaobei smiled and said, "Open your mouth and I'll give you something good to eat!"

[Red Envelope Group of the Three Realms](#)

Chapter 2469: The CAO Clan's Treasure Vault

"Eat Good stuff?"

Baili tiantu's heart was filled with fear. He would never believe that Chen Xiaobei would give him anything good!

However, Baili tiantu did not want to die. He had no other choice but to open his mouth wide!

"At least you know what's good for you!"

Chen Xiaobei threw a high-grade heavenly dog biscuit into Baili tiantu's mouth.

After that, Baili tiantu successfully recognized Chen Xiaobei as his master and became his loyal dog.

"Let's go and find out where the CAO family's Treasury is!"

Chen Xiaobei raised his eyebrows and walked toward the city center.

The CAO family's ancestor was scared away, and the CAO family was like an empty city. No one could stop Chen Xiaobei anymore, and no one dared to stop him!

.....

The location of the Treasury wasn't hard to find.

As Baili tiantu and Cao Daxi were friends, he had a general understanding of the situation in the main city.

Baili tiantu brought Chen Xiaobei to where the CAO family's elder lived.

Chen Xiaobei activated his primordial spirit realm. The effect was similar to the blood descendant's special ability, which allowed him to sense the location of the Treasury.

Of course, the scope of the essence soul domain was relatively small, so it could only be used after determining the approximate location.

The range of the blood clan's special ability was extremely large and could be used at any time. Of course, the price was that it would consume 500 years of lifespan.

Now that Baili tiantu had confirmed the approximate location, Chen Xiaobei could use his primordial spirit territory to sense it. It was a good thing that he had saved some of his lifespan.

"Master, even if we have confirmed the location of the CAO family's Treasury, we can't open the door without the key ..."

Baili tiantu was surprised. He could not understand why Chen Xiaobei was looking for the vault if he did not have the key.

"Heh, as long as it's a door, there's nothing I can't open!"

Chen Xiaobei smiled and walked away confidently.

Soon, the two of them arrived at the entrance of the treasure vault.

"Chi ..."

A small Golden Bug flapped its wings and flew out of Chen Xiaobei's body, heading straight for the door of the Treasury.

"What kind of insect is that? Why are you flying over?"

Baili tiantu was dumbfounded and could not figure it out. He said in a daze, " this door should be made of mysterious heavenly copper, a seven-star earth-god level. Even if an earth-god instrument of the same level were used to blast it, it would not be damaged!

Chen Xiaobei was not moved at all. He even felt like laughing.

"Ka!"

A crisp sound was heard. The little Golden Bug had actually bitten a small hole in the door of the treasure vault.

how ... How is this possible?!

Seeing this scene, Baili tiantu was dumbfounded. He couldn't believe his eyes."The seven-star earth-god level mysterious heavy heavenly copper was actually bitten by that little bug? Oh my God ... This isn't an illusion, right?"

"Ka! Ka! Ka! Ka ..."

In the next moment, the same crisp sound was heard!

Under Baili tiantu's horrified gaze, the Golden Bug was like a sharp paper cutter. Wherever it passed, the door of the treasure vault was easily cut open as if it was made of paper.

Moreover, this was not just a simple cutting!

The Golden Bug had used its mouth to bite through the door, and the mysterious heavy heavenly copper that it had bitten off had been completely eaten by the bug!

The entire gate was being reduced at an extremely fast speed!

Baili tiantu couldn't understand how a small worm could eat the huge Copper Door. Could it be that there was an independent space hidden in its stomach? This was too unbelievable!

As he was shocked by the little bug, Baili tiantu could not help but look at Chen Xiaobei!

After all, this little bug also belonged to Chen Xiaobei!

No. 9 Luban and the ultimate infinite sword formation! And all of them belonged to Chen Xiaobei!

Baili tiantu was once again deeply shocked. No matter how hard he racked his brain, he could not figure out who Chen Xiaobei was! No matter how crazy they were, they could not imagine how strong Chen Xiaobei's Foundation was!

It didn't take long for the little bug to eat more than half of the door.

"Alright, I can go in now!"

Chen Xiaobei chuckled. When he passed through the door, he said, "Waiter, you continue eating! This door is all yours!"

"Yay!" The Golden Bug jumped up and down in excitement, revealing its gluttonous nature.

Baili tiantu was completely stunned on the spot. His three views were refreshed countless times, and he even had no strength to doubt his life.

Inside the Treasury.

Chen Xiaobei's eyes lit up when he finally saw the CAO family's wealth. As expected of a family from the earth-god Realm. The resources here are simply too rich!

This was a very huge treasure house. There were all kinds of resources in it. Not only was there a large amount of them, but the grade of each resource started from one-star earth-god level. On average, all the resources could reach three-star earth-god level.

By rough estimation, if all these things were sold, they would be worth at least hundreds of millions of upper spiritual stones!

Compared to the CAO family, the forces in the earth immortal Galaxy were poor!

Chen Xiaobei did not hold back. He kept all the earth-god items, earth-god medicine, earth-god cultivation techniques, and earth-god pills into his bag. He would not leave anything for the CAO family.

Of course, Chen Xiaobei had plenty of spiritual stones left. He still had 551 million upper spiritual stones to spend, so there was no need to sell these resources.

So, Chen Xiaobei took out the heaven and earth furnace and put all these basic resources into the furnace.

After all, these things were of no use to Chen Xiaobei. They were tasteless and it would be a waste to throw them away. Only by refining them completely could they be turned into treasures and really help Chen Xiaobei!

What Chen Xiaobei needed the most right now was to convert the useless resources into the spiritual aura of heaven and earth!

Although Chen Xiaobei had scared off the enemy in the battle earlier, it did not mean that he could defeat them!

In the long run, Chen Xiaobei had let the Tiger back into the mountain today. Sooner or later, he would be plotted against and retaliated against!

Because of that, Chen Xiaobei wanted to become stronger and upgrade all his trump cards. Not only to prevent the CAO family from taking revenge, but also to completely eliminate his opponents in the future!

"Today's batch of resources is very large, and their levels are not low. After refining all of them, I can upgrade many things! It can even directly raise my cultivation to the peak of the divine sea realm!"

Chen Xiaobei smiled, feeling very good.

Of course, the more satisfying rewards were yet to come!

Chen Xiaobei walked to the deepest part of the vault. There were five treasure chests!

Based on his previous experience of clearing treasure vaults, the value of the items in these five treasure chests would definitely be extremely high! It was even more valuable than the total value of all the previous resources!

"The appetizer is over. Now, it's time for the main course!"

Chen Xiaobei rubbed his hands together and walked to the first treasure chest expectantly.

Red Envelope Group of the Three Realms

Chapter 2470: Profound Finger Formation

The first treasure chest was opened, and there was a storage bracelet inside.

Chen Xiaobei took out his bracelet and checked it. He was overjoyed. "What the f * ck! There were 100 million upper spiritual stones in the storage bracelet! I don't need to sell anything, and my wealth will increase greatly! It's simply too cool!"

Such a large amount of spirit stones was obviously stored in the storage bracelet because there was no space in the Treasury.

This was almost comparable to the total wealth of a hundred forces in the earthly calamity Star Ocean!

Chen Xiaobei was overjoyed to have so many spiritual stones!

"Let's look at the second treasure chest!"

Chen Xiaobei kept the spiritual stones and opened the second chest.

There was a map in the chest.

It was different from an ordinary hand-drawn map. This map was carved on a piece of crystal. From different angles, the places and routes were completely different.

"I don't know much about the environment of the earth-god Realm, so I don't know any of the places on the map!"

Chen Xiaobei looked at the crystal and put it into his infinite space ring. I'll keep it first. I'll slowly study it when I have the chance!

Chen Xiaobei then opened the third chest.

"What the f * ck! This ... This is a 5-star earth-god herb!"

Chen Xiaobei's eyes lit up, and he stammered, " "If I'm not mistaken ... This ... This should be the legendary Danxia Red Sky Ganoderma! It's an extremely rare and precious herb!"

"I'm so lucky! With this Red Sky Ganoderma, I can refine the Wuji blood-clotting pill, and it can also strengthen the medicinal effects to the level of a five star earth-god!"

The Wuji blood-clotting pill was a healing pill that Chen Xiaobei had obtained from the Wuji nine-floor Pagoda!

Earlier, in order to seize the opportunity to break through, Chen Xiaobei endured his internal injuries and persisted in circulating his ethereal force. As a result, his injuries continued to worsen. His tendons, meridians, and orifices points were all severely injured. He spat out blood and was almost crippled!

However, after breaking through, Chen Xiaobei only took one Wuji blood-clotting pill and his injuries recovered quickly. He was completely healed within a day!

From this, it could be seen that this Wuji blood-clotting pill was definitely an extremely effective healing medicine!

However, there were only two limitless blood longevity pills in the limitless nine-floor Pagoda, which was not enough.

That was why Chen Xiaobei had memorized the recipe of the everlasting blood longevity pill the moment he ate it, so that he could make it at any time.

The red Sky Ganoderma that Chen Xiaobei had just obtained was very similar to the core ingredient of the everlasting blood longevity pill!

This meant that Chen Xiaobei could use the Danxia Red Sky Ganoderma to replace the core ingredient of the everlasting blood and longevity pill!

Moreover, the Danxia Scarlet Sky Ganoderma's grade was higher than the infinite blood-clotting pill!

As long as Chen Xiaobei made some slight changes to the recipe, he would be able to make a five-star earth-god level Wuji blood-clotting pill, and its effectiveness would be greatly improved!

This way, Chen Xiaobei would have one more life-saving measure if he were to encounter any serious injuries!

"In addition to the rosy red Sky Ganoderma, I also need a few other supplementary medicinal herbs. After returning, I will go to the Dong Sheng Chamber of Commerce to buy them, and then directly start refining!" He said.

Chen Xiaobei put away the Danxia Red Sky Ganoderma, walked to the other side and opened the fourth chest.

In the fourth treasure chest, there was half a cultivation technique!

The reason why it was half a book was because only the first half of the cultivation technique was left. The second half was torn away by someone and was nowhere to be found!

there's only half of it left, but the CAO family still hid it like a treasure. It seems that this cultivation technique is not simple!

Chen Xiaobei immediately picked up the half of the manual. The ancient characters on the cover were a little blurry, but he could still make out them.

four phases absolute killing Xuan formation!?

Chen Xiaobei was surprised. "So what if it's a magical formation? so what if it's a battle formation? but what is this 'Xuan formation'?"

Out of curiosity, Chen Xiaobei picked up the half of the ancient book and flipped through it.

After a while, Chen Xiaobei's doubts were answered.

"So the 'Xuan formation' is the specific operation of the 'finger mystery technique'!"

Chen Xiaobei was excited.

The characteristic of the essence soul realm was the essence soul domain!

The characteristic of the divine sea realm was the mysterious technique!

Before this, Chen Xiaobei did not know the true meaning of the mysterious finger technique. But now, after reading the first few pages of this half of the ancient book, Chen Xiaobei finally had a clear understanding of it!

"The so-called profound finger is the ten fingers connecting to the profound!"

"After breaking through to the divine sea realm, the amount of ethereal force that my dantian can contain has increased greatly!" By infusing true essence into your ten fingers and using the finger Mystic technique, you can use your fingers to form a Mystic formation!"

"Ten portions of true essence is equivalent to ten people forming a formation! The power that can be unleashed will naturally far exceed one's true battle prowess!"

"However, the finger profound formation is very difficult to master!"

"Using ten fingers simultaneously requires one to do ten things at once. It can be said that there are very few people who can do it! Even if it's just doing two things at once, very few people can do it!"

"Because of this, although the mysterious finger technique is a feature of the divine sea realm, not all people in the divine sea realm can learn it! In fact, some people at a higher realm might not even be able to learn it in their entire lives!"

of course, the harder it is to learn, the greater the benefits it can bring after learning it!

'As long as I can learn the finger-Mystic formation, I will be invincible among my peers! In theory, it's even possible to fight above one's level!"

in theory, as long as one has enough mental energy to deduce Xuan formations, he can do a thousand things at once and form a super strong Xuan formation. He can display the combat power of a higher realm!

"But this is only in theory. In reality, even if a person has enough mental strength, their true essence is far from enough! Therefore, it's only possible to fight above one's level, but no one has ever done it!"

"But then again, there's an old saying," with a flick of the finger, Immortals kneel, and profound Arts break longevity!"

Chen Xiaobei calculated expectantly, "In the legends, the peak of the mysterious finger technique can defeat a heaven immortal with a flick of the finger and cut off the path to immortality! If this was true, it might even be possible to fight above one's level! No one could do it! Maybe I can!"

Filled with anticipation and curiosity for the future, Chen Xiaobei entered the verdant Emperor's divine gourd without even looking at the last treasure chest.

In the sunlight cache's special ability area, Chen Xiaobei held the four symbols killing formation in his hand and started to study it.

As he learned more, Chen Xiaobei began to understand the finger enigma, starting from the basics to the deeper level.

"Phew ..."

After nine days of studying, Chen Xiaobei let out a long sigh and grinned. "I didn't expect this to be a heaven immortal Xuan formation! Just in time, I'll go out and test the effect on Baili tiantu ..."
