Red Envelope Group of the Three Realms

Chapter 2561: Dangerous Mission

Pay with his body?

A stone that caused a thousand ripples!

Chen Xiaobei's casual words had dealt a million times critical damage to the hearts of the 300000 demons!

The demons could not imagine how close Chen Xiaobei and dugu zang Xian were! He could actually say such ambiguous words in public!

Even if this was just a joke, it was a shocking joke that would shock the entire monster race!

Not to mention the 300000 small demons, even the huge demon Emperor Qilin had never dared to joke with dugu zang Xian! Not to mention, it was such a provocative joke!

In the past, dugu zang Xian would have been so angry that he would have killed Chen Xiaobei and everyone related to him!

The might of the sacred Lord dark seal was not just for show! Instead, it was a mountain of corpses and a sea of blood that was slowly piled up from the earth-shaking battles!

But at this moment, dugu zang Xian didn't show the slightest bit of anger. He only frowned and said, "Chen Zhufeng, you're a powerful man. What's the point of being cheeky?"

"I've always been cheeky in front of my good friends!" Chen Xiaobei grinned. You'll slowly get used to it in the future!"

"Back to the main topic!"

Immortal dugu zang composed himself and said with a serious expression, "I want you to help me with something! It might be a little difficult and dangerous, but after thinking about it, you're the best candidate!"

"Sir Holy master! I'm afraid that's not appropriate!" Emperor Qilin's face changed slightly, looking a little anxious.

"I think it's appropriate!" "As the Kirin Emperor, you're in charge of the 33 Demon King cities!" Dugu zang Xian said. If you're targeted by the Zhu family of Tian Yin, you'll be in a lot of trouble, and your territory won't be peaceful!"

Holy leader, you have a point ... Emperor Qilin frowned. but I'm worried that Chen Zhufeng will be targeted. He'll die a horrible death!

"I know!"

Immortal dugu zang nodded and said indifferently, "I didn't say that Chen Zhufeng had to agree! If Chen Zhufeng doesn't want to, then you'll have to handle this!"

"This subordinate will do as you command!" Emperor Kirin nodded and looked at Chen Xiaobei.

"Chen Zhufeng! You heard everything!"

"The thing I want you to do for me will make you the target of the Zhu family of Tian Yin, and you might even die without a proper burial ground!" Said immortal dugu zang. If you refuse, I won't blame you!"

"I agree! What's the matter? just say it!"

Chen Xiaobei said seriously, " "You've saved Xuan Xin, helped the waiter, Xiao Zi, and Lin Dong. You've even saved me! I, Chen Zhufeng, will never forget your love for me! No matter what you ask, I will settle it for you! Even if I have to risk my life, I won't hesitate!"

Of course, although he said that, in his heart, Chen Xiaobei only saw dugu zang Xian as half a friend!

Dugu zang Xian had helped Chen Xiaobei slap the faces of 300000 demons and did not even mind Chen Xiaobei's joke!

But this was not out of friendship. It was because dugu zang Xian realized that Chen Xiaobei was of some use to him!

Because of this, dugu zang Xian, who was still joking with Chen Xiaobei a second ago, was now pushing Chen Xiaobei into a dead end!

To put it bluntly, she was using Chen Xiaobei!

However, even if he knew that he was being used, Chen Xiaobei would not reject dugu zang Xian!

This was because dugu zang Xian had saved Chen Xiaobei and Liu xuanxin's lives, and he had even guided Xiao 'er and the others to find the poison immortal realm! With Chen Xiaobei's personality, even if he knew that he had to risk his life, he would still step forward to repay dugu zang Xian!

"Good! Very good! I didn't misjudge you!"

alright! immortal dugu zang nodded and said, " we'll talk about this as we walk. Come over and ride the netherworld Black Sparrow with me!

"Wait a moment!"

"I'm here to save my friend!" Chen Xiaobei said. He's still being held in the military camp!"

"Release him immediately!"

Immortal dugu zang glanced at Supreme King zishu and said indifferently, " in addition, inform all the Imperial cities that Chen Zhufeng and his men are free to enter and leave the wild beast forest from now on. None of you are allowed to interfere!

The 300,000 demons were shocked again.

One must know that the wild beast forest was a forbidden zone for the human race. Dugu zang Xian had personally set an iron rule that if any human dared to enter the wild beast forest, they were not allowed to leave alive!

But now, dugu zang Xian had broken this iron-clad rule for Chen Xiaobei!

Once this matter spread, the entire mad beast forest would be shocked to the extreme. Even the northern kuruzhou side would be shocked!

Of course, as the master of the nine nether platform, one of the top ten forces in the earth immortal world, immortal dugu zang's words were more important than an imperial edict! No one would dare to disobey her in her territory!

"As you command! Yes, sir ..."

King zishu kowtowed three times, then ran over and brought Lu Bu out.

The moment Lu Bu saw Chen Xiaobei and Diao Chan, he was so excited that he did not even care about his injuries and ran over to them!

"Luan 'er! You're fine, that's great!" Lu

His face was filled with surprise and joy. He composed himself and said, "I know! Xiao bei must have saved you! Besides, it's also because of Xiao bei that they let me out!"

"You're so smart!" "It's all thanks to brother Xiaobei!" Diao Chan said with a bright smile. If it wasn't for Xiaobei Gege, I'm afraid we would never see each other again!"

"Xiaobei! I'll never forget your great kindness! "Please accept my bow ..." Lu Bu was about to thank Chen Xiaobei.

"What's this for?" Chen Xiaobei held onto Lu Bu and said, "Quickly stand still! We're brothers, there's no need to be so formal!"

After that, Chen Xiaobei took out some earth-god medicine and handed it to Lu Bu so that he could treat his injuries.

After that, Chen Xiaobei and Lu Bu chatted for a while.

Immortal dugu zang was still waiting at the side. That dangerous matter was about to begin.

So, Chen Xiaobei kept Lu Bu, Diao Chan, Ying Zheng, and Baili tiantu into the Meru space.

Chen Xiaobei could have used the returning bracelet to send them back to bei Xuan faction.

However, Chen Xiaobei could not trust dugu zang Xian completely yet. It was better to keep the returning bracelet a secret for now!

.....

After that, Chen Xiaobei and dugu zang Xian stood on the back of the netherworld bird and flew into the clouds.

Emperor Qilin's expression was a bit complicated. He rose into the air directly. His speed in the void was actually able to keep up with the netherworld Black Sparrow. It could be seen that this person's cultivation was terrifyingly high!

"Immortal dugu zang,"

After the flight had stabilized, Chen Xiaobei asked, "What do you want me to do for you? Tell me so that I can be mentally prepared!"

Red Envelope Group of the Three Realms

Chapter 2562: Three-Legged Tripod

"Yes, listen well!"

"You're my fiancé from now on!" Dugu zang Xian said.

"What?"

Chen Xiaobei was so shocked that he almost fell off the nether bird's back!

"Are you kidding me? When did I become your fiancé?" "Even if you want to marry me, you have to ask my three wives first! If you come, you'll at most be fourth!"

"Go to hell!" Dugu zang's petite face stiffened as he said angrily, "I'm asking you to pretend to be my fiancé! Only a ghost would want to marry you!"

"Uh ... Fake?" Chen Xiaobei frowned, a little disappointed. "I'm a very upright person. I'm afraid I can't do a good job of impersonating others!"

"Stop pretending in front of me!"

Goddess dugu zang glared at Chen Xiaobei and said, "I've already seen your acting skills many times! Impersonating someone else might not be your specialty, but it's at least your specialty!"

"Are you complimenting me?" Chen Xiaobei laughed.

He didn't expect that his acting skills would receive such great approval from dugu zang Xian.

Dugu zang nodded and said, "your acting skills are really good!" At the very least, he's much stronger than mo Xiaoyao!"

"Who's mo Xiaoyao?" Chen Xiaobei asked.

"This Emperor is mo Xiaoyao!" Emperor Qilin said.

This guy was flying in the air, his black hair dancing in the wind, and his white clothes billowing in the wind. He was not an immortal, but he was more like one! He really did have a temperament that transcended life and death, longevity, and freedom!

"Originally, I was planning to let mo Xiaoyao pretend to be my fiancé!"

"But mo Xiaoyao is in charge of 33 demon race's capital cities, so his responsibility is extremely heavy!" Dugu zang Xian said. Impersonating my fiancé will bring him great trouble, and even affect the peace of those imperial cities!"

"Moreover, to be honest, mo Xiaoyao isn't good at lying. It's inevitable that he'll reveal some flaws if he impersonates my fiancé! Therefore, mo Xiaoyao isn't the best candidate!"

Chen Xiaobei immediately protested, " "Mo Xiaoyao isn't good at lying, but am I one who's full of lies?"

"Yeah! You are!"

Immortal Dugu Zang nodded and said, "you're a man of your word, and you're a man of your words!" But to the enemy, I'm afraid you won't even say half a word of truth!"

uh ... Chen Xiaobei was a little taken aback. "Are you complimenting me or insulting me?"

"As a friend, I'm complimenting you, of course!"

Dugu Zang's bright red lips curled up slightly as he said with a faint smile, " "But if they were your enemies, they would definitely make you suffer!"

"Hmm, that's more like it!" Chen Xiaobei shrugged. "We're friends! We can't lie to each other! However, that 'Zhu family of Tian Yin' is my enemy. It's only natural that I lie to them."

"Right! From now on, what you need to do is to deceive 'Zhu family of Tian Yin'!"

"As long as you deceive me well, not only can you help me solve a big problem, but you can also live!" Dugu Zang replied. "But if you don't deceive me well and reveal a flaw, I'll be in trouble and you'll die without a burial place!"

Chen Xiaobei frowned and said, " "Is this 'Zhu family of Tian Yin' very powerful? Even you, the sacred Lord of the dark seal, can't handle it?"

"There are ten top forces in the earth-god Realm, and three-tenths of them are in Luzhou, Northern Kulu!"

"My nine nether platform, Zhu family's heavenly Yin Hall, and Ao family's Dragon God Palace!" Dugu Zang Xian said. "These three forces are like three legs in Northern Kuruzhou, maintaining a delicate balance!"

"However, in terms of strength and foundation, Dragon God Palace is the strongest among the three! He was also the most ambitious! It has tried to annex my nine nether platform and the Zhu family's heavenly Yin Hall more than once!"

"Because of this, I had no choice but to form a secret alliance with the Zhu family and join hands to control the Dragon God Palace! Only in this way can we maintain the balance between the three forces of Northern Kuruzhou!"

"However, the Zhu family suddenly proposed marriage to me some time ago, saying that they wanted me to marry the young master of the Zhu family so that nine nether platform and heavenly Yin Hall could become a real family! We'll join forces to fight back and swallow Dragon God Palace!"

"I don't want to marry him, but I'm afraid that if I reject him directly, it will destroy our alliance. So, I can only find someone to impersonate my fiancé. This way, the young master of the Zhu family will give up on me, but at the same time, we won't fall out with the Zhu family!" Dugu Zang Xian said.

Chen Xiaobei frowned and said, " "Why don't you want to marry him? Could it be that the young master of the Zhu family was an ugly monster? Or is he weak in that area?"

"Don't be talkative!"

"I don't want to marry him, and it has nothing to do with the young master of the Zhu family!" Dugu zang frowned. The main point is that the Zhu family's motives are not pure!"

"Impure motive? What do you mean by that?" Chen Xiaobei asked, frowning.

"The Zhu family has been saying that we'll become a family and join hands to Annex Dragon God Palace," said dugu zang in a deep voice. However, I'm more worried that the Zhu family will take over my nine nether platform first!"

"Aren't you allies with the Zhu family?" Chen Xiaobei asked. If they attack you, won't our Alliance be completely destroyed?"

"In this world, there is no such thing as eternal friends!"

Immortal dugu zang replied solemnly, "it's because the Dragon God Palace is powerful that the Zhu family has formed an alliance with me!" But if my nine nether platform is strong, the Zhu family will go and ally with Dragon God Palace!"

"In the end, Northern kulu's Luzhou is in a balance of three legs! If any one of them grew big, the other two would form an alliance to keep them in check! This is the only way to maintain the balance!"

"But! If the Zhu family takes advantage of the marriage to swallow my power, they will no longer need allies. They can swallow the Dragon God Palace by themselves and directly unify Northern kuruzhou!"

It was obvious that dugu zang's words had the same logic as the Three Kingdoms of Wei, Shu, and Wu in the Three Kingdoms era!

If one clan was strong, the other two clans would form an alliance to resist!

However, the two families that had formed an alliance were allies on the surface, but they were secretly scheming against each other. They both wanted to make themselves stronger and make the other weaker!

If he could find an opportunity to devour his allies, he would become the greatest force and naturally would no longer need allies!

"I understand!"

that's right! Chen Xiaobei nodded. your alliance with the Zhu family is to keep the AO family in check. As long as the AO family continues to grow stronger, you can't fall out with the Zhu family! But you will never completely trust the Zhu family! So, you can't marry him!"

"It's good that you understand!"

"We'll meet with the young master of the Zhu family on the rainbow cloud Island in the North Sea later," said dugu zang Xian. "On the surface, he's inviting me for a vacation, but he'll definitely propose marriage at that time!" Whether you can settle him or not will all depend on your acting skills!"

Chen Xiaobei grinned and said, "Life is like a play, it all depends on acting skills! Let's see how I'm going to trick that guy! Hehe ..."

Red Envelope Group of the Three Realms

Chapter 2563: Can't Return

"Don't underestimate your opponent!"

"Heavenly Yin Hall is one of the top ten forces in the earth-god Realm!" Immortal dugu zang said in a deep voice. The Zhu family has a prosperous family and many geniuses!"

Zhu qiuheng was able to stand out from the younger generation of the Zhu family and become the young master. It can be seen that this person's cultivation and intelligence are not ordinary!

Clearly, dugu zang Xian was still worried about Chen Xiaobei. He was afraid that Chen Xiaobei would look down on Zhu qiuheng. If Chen Xiaobei revealed any flaws and Zhu qiuheng discovered them, the consequences would be unimaginable!

"Don't worry!"

I don't think so. Chen Xiaobei shrugged. compared to the young master of the Zhu family, I have a more important question!

"What's the problem?" Immortal dugu zang's expression froze for a moment, but he was all ears.

why didn't the Zhu family ask for your hand in marriage earlier or later? " Chen Xiaobei asked. why did they ask for your hand in marriage at this special time? "

"This ..."

Immortal dugu zang's elegant brows furrowed slightly, and a hint of uneasiness flashed through his bright eyes. mo Xiaoyao, back off. I have some private matters to discuss with Chen Zhufeng!

Yes, sir ... Emperor Kirin, mo Xiaoyao, stepped back, his face full of shock. What private matters could his Holy leader have with Chen Xiaobei? It was simply unbelievable!

"I didn't expect this!"

you ... Chen Xiaobei narrowed his eyes. that secret of yours, even mo Xiaoyao doesn't know!

"I've already told you that no one else in this world knows that secret except you and black Sparrow!" Dugu zang Xian said in a deep voice.

It was obvious that the secret of immortal dugu zang was related to her cultivation!

Immortal dugu zang was a member of the demon race, and his bloodline was extremely special! In addition, her cultivation technique was extremely profound, so her cultivation could grow rapidly. She had already reached the peak of the earth immortal realm!

However, the price was that dugu zang Xian's cultivation base would drop sharply every nine years and return to the peak primordial soul realm!

This state would last for nine months before dugu zang's cultivation base would slowly return to normal!

If outsiders were to find out about immortal dugu zang's Secret, her opponents and even her subordinates would be life-threatening!

If not for Shen gongpao's threat to both Chen Xiaobei and dugu zang, he would not have told Chen Xiaobei this secret!

"You're currently in a weakened state! What if the Zhu family uses force on you! Then what should we do?" Chen Xiaobei asked.

It was obvious that Chen Xiaobei could use the sunlight cache to help dugu zang Xian get through his weakened state!

However, this woman was hiding too many things!

More importantly, from a realistic point of view, this woman was just using Chen Xiaobei!

Even though Chen Xiaobei was indebted to her, it was all for no reason!

This could be understood as a pre-planned scheme!

Because of this, Chen Xiaobei could not refuse her request!

The logic was simple!

If they were true friends, they would have tried to persuade Chen Xiaobei to stay away from danger. Why would they push Chen Xiaobei to a place where he would die without a burial?

That was why Chen Xiaobei had to be wary of dugu zang Xian!

He would never reveal his trump cards like the returning sun bracelet and the light box to dugu zang Xian!

If this girl decided to kill him and ask Emperor Kirin or netherworld Black Sparrow to take his treasure, Chen Xiaobei would not be able to survive even if he had ten thousand lives!

Of course! Although he was wary of her, he still had to repay her kindness!

After all, dugu zang Xian was using kindness to win Chen Xiaobei over and not using schemes to threaten him.

Based on this alone, Chen Xiaobei could see dugu zang as half a friend!

He must repay a friend's kindness!

"You worry too much! Even the Zhu family's master has to be polite to me! Zhu qiuheng is only the young master, he would definitely not dare to be disrespectful to me!"

"After all, no one else knows my secret!" Dugu zang replied. In their eyes, I'm still the sacred Lord of the dark seal that can not be violated!"

"But what if the Zhu family finds out about your secret?"

it's just as you said. Zhu qiuheng is only the young master of the Zhu family. He should be your junior! The Zhu family's marriage proposal for this kid is equivalent to asking you to marry him! To put it bluntly, he's challenging your dignity!"

"This ..."

Immortal dugu zang's expression froze for a moment before he said,"I really didn't think of that!"

"The key to the problem lies here!"

"I don't think the Zhu family would dare to provoke you before this!" I'll even be polite to you in everything! But why did they choose to provoke you when you were weak? I'm afraid this isn't a coincidence!"

this ... immortal dugu zang pursed his red lips and said with an anxious expression, " "Your analysis makes sense, but it's impossible for the Zhu family to know my secret!"

"This is just a possibility!"

Oh! Chen Xiaobei thought for a moment and said, " besides, the Zhu family might have found a way to restrain you. That's why they are so arrogant!

"That's right! I think your second guess is more likely!"

Upon hearing this, immortal dugu zang became more and more anxious."The Zhu family has no chance of knowing my secret! The reason why they dared to provoke me is most likely because there's something or some sort of power supporting them!"

yes! Chen Xiaobei nodded and said, " my two speculations are actually the same! The Zhu family must have caught your weakness when they suddenly became arrogant. If you don't obey them, I'm afraid they will really use force!"

this ... dugu zang immediately became nervous, " "I'm currently in a weakened state! We'll be dead if the Zhu family decides to use force! Even if Black Sparrow and Mo Xiaoyao joined forces, they wouldn't be a match for the Zhu family's head!"

"Sir Holy master! Let's retreat!"

At this time, even the nether bird could not help but say, " "According to Childe Chen's analysis, this time Zhu qiuheng invited you to visit the rainbow cloud Island, it was clear that he wanted you to leave the territory! If anything happens, you'll be isolated and helpless, and the Zhu family will slaughter you!"

"That makes sense!"

Immortal dugu zang nodded and said,"if it's in my territory, I can still protect myself with the array!" However, the Zhu family had probably already set up an inescapable net on the rainbow cloud Island! If I go, I'll be walking right into a trap!"

"In that case, I'll fly back!" "Later on, just find a random reason and tell Zhu qiuheng that you can't go!" Said the netherworld Black Sparrow.

"Alright, let's return!" Immortal dugu zang was a little displeased, but she didn't dare to risk her life in such a situation!

"I can't return!"

Suddenly, Chen Xiaobei said, " "We must go to the rainbow cloud Island. Furthermore, we must intimidate the Zhu family!"

Everyone was shocked by his words!

Red Envelope Group of the Three Realms

Chapter 2564: Great Hoodwinker Chen

"What? He had to go to rainbow cloud Island? He even wanted to intimidate the Zhu family? This ... How is this possible?"

Dugu zang Xian and the netherworld Black Sparrow were both shocked. They could not understand why Chen Xiaobei would say something like that.

"Chen Zhufeng! What do you mean by that?"

"You were the one who predicted that the Zhu family would harm me!" Immortal dugu zang was puzzled. Aren't you going to persuade me to leave? Why do you say we have to go?"

Chen Xiaobei had come up with two conjectures. One was that the Zhu family knew that dugu zang Xian was in a weakened state, and the other was that the Zhu family now had some kind of power or something to back them up!

These two conjectures were extremely disadvantageous to dugu zang.

It was precisely because of this that dugu zang Xian and netherworld Black Sparrow decided to retreat.

But now, Chen Xiaobei, who had predicted the danger, did not allow dugu zang Xian to retreat. This was really puzzling.

"The reason is simple!"

I don't know! Chen Xiaobei said, " the Zhu family is only provoking you now. They don't have the guts to go all out with you. This means that they are still afraid of you! But if you don't go, they'll think you're afraid! I will fall out with you without any scruples!"

"Yes ... You're right!"

Immortal dugu zang wasn't stupid, and he nodded heavily, "This trip to rainbow cloud Island is a gamble! Otherwise, I can intimidate the Zhu family and make them not dare to act rashly! Otherwise, the Zhu family will see through my flaws and completely eat me up!"

that's why I said you have to go! And you have to intimidate the Zhu family! Chen Xiaobei said.

"That being said, the Zhu family is one of the top ten forces in the earth-god Realm! Its strength is on par with my nine nether platform! I can't intimidate them at all!"

Immortal dugu zang bit his red lips and said anxiously, " "The point is, they chose the rainbow cloud Island for this meeting! The island must be fully prepared and will put me at a disadvantage everywhere! If I were to reveal the secret of my cultivation being lowered under the pressure, I'm afraid we won't be able to leave here alive!"

"Sir Holy master! We should retreat!"

"If we retreat now, the Zhu family will only think that we're guilty!" The netherworld Black Sparrow said in a deep voice. However, if we don't retreat and the Zhu family sees through your secret, we'll really die without a burial place!"

this ... dugu zang Xian's delicate brows furrowed slightly, and a conflicted expression appeared on her delicate and pretty little face. She couldn't make a decision.

After hesitating for a long time, dugu zang Xian's beautiful eyes fell on Chen Xiaobei again.

"Don't worry! Go directly to rainbow cloud Island! Although you can't handle the Zhu family, you still have me!"

hehe! Chen Xiaobei grinned. I, hoodwinker Chen, am here. As long as you cooperate with me, I'll definitely help you get this done!

Dugu zang's face was filled with anxiety, but he was amused by Chen Xiaobei's 'Chen Xiaobei'.

"Sir Holy master ... Have you decided?" Asked the netherworld Black Sparrow.

"I've decided!"

Immortal dugu zang nodded and said seriously, "Directly land on the island! Chen Zhufeng was not a reckless man! Since he's so confident, he must have a good plan to break the situation!"

"Yes, sir!"

The netherworld Black Sparrow received the order and continued to fly forward.

.....

Rainbow cloud Island.

As its name suggested, the island was still very far away, but one could already see a dreamy, beautiful scene with colorful clouds lingering around it.

There were countless islands in the vast North Sea.

However, in terms of beautiful scenery, rainbow cloud Island could definitely be ranked in the top ten.

Zhu qiheng had specially chosen this place to meet with dugu zang Xian, so he was obviously very scheming!

In front of the beautiful scenery, the atmosphere was romantic. Coupled with Zhu qiheng's handsomeness, ordinary girls would not be able to resist and would fall in love in minutes!

"Zhan Ying, is the scene ready?"

Even though Zhu qiheng was a demon, his cultivation was high enough and he had already completely transformed into a human.

He was dressed in an extremely gorgeous black robe with Golden Dragon patterns. He had a noble and dignified aura, like the king of a country.

"It's all set up!"

Han Zhanying was Zhu qiheng's most trusted subordinate, and he was also a great demon with an extremely high cultivation base.

This person was also completely human-shaped, and his original body could not be seen! He wore a set of red armor and looked like a general of fire, full of vigor!

"Have all the guests arrived?"

Zhu qiheng paused and asked, "Especially elder Bai! Has the old man come?"

"They've all arrived!"

Han Zhanying nodded heavily. master Bai is already seated in the banquet hall. He's reminiscing with his old friends. He seems to be in a good mood!

"This is good!"

Zhu qiheng narrowed his eyes and smiled sinisterly. "Now, we'll wait for immortal dugu zang to come! I'll ask for her hand in marriage in public! In addition, elder Bai has already made an agreement with the honored guests. If immortal dugu zang were to refuse, it would be equivalent to disgracing everyone!"

Han Zhanying's eyes narrowed and he asked coldly, "If dugu zang Xian refuses, then can we attack her?"

"Of course you can!"

Zhu qiheng's eyes flashed with a cold killing intent. the Zhu family had to pay a huge price to buy the secret of immortal dugu zang from the old man of heavenly secrets!

"If this little girl is obedient, becomes my wife, and helps me take over all the territories under the nine nether platform, I will naturally let her live well!"

"But if she dares to reject me, I don't mind killing her directly! In any case, the old man of heavenly secrets has already agreed to help the Zhu family Annex the nine nether platform. At most, we'll just give the old man of heavenly secrets some benefits in the end!"

The two conjectures that Chen Xiaobei had made earlier were correct!

The Zhu family knew about immortal dugu zang's Secret and had obtained the support of the old man of heavenly secrets, which was why they had recently proposed marriage to him. Furthermore, it was also because of this that today's meeting that would decide his life and death!

"Reporting to the young master!"

At this moment, a demon soldier of the Zhu family ran over and said in a deep voice, "Immortal dugu zang has already arrived on the island!"

"How many people are there?" Zhu qiheng asked.

"Two!" "Immortal dugu zang's true body and Kirin Emperor Mo Xiaoyao!" The demon soldier said.

"Immortal dugu zang only brought mo Xiaoyao with him?"

Zhu qiheng's expression froze for a moment, then he immediately laughed hideously. heh, it seems like dugu zang Xian was not on guard at all. He didn't even guess the mystery of today's meeting!

Han Zhanying was very cautious, and he asked, " "Are there really only two people? Is there an ambush in the sky?"

"Lord Zhan Ying ..."

"There's only netherworld Black Sparrow and a follower aside from dugu zang Xian and Mo Xiaoyao. There's no one else!" The demon soldier said seriously.

"There's also the netherworld Black Sparrow and an attendant? Why didn't you say so earlier?" Han Zhanying shouted.

this ... the demon soldier swallowed his saliva nervously.

"Zhan Ying, don't be so fierce!"

Zhu qiheng laughed arrogantly and said,"the netherworld Black Sparrow can not be considered a human!" As for that follower, he was like an ant! It doesn't matter whether you report it or not!"

"It's better to be careful!" "I've never heard of dugu zang Xian having the habit of bringing his followers!" Han Zhanying said.

"Zhan Ying, you're good at everything, but you're just too careful!"

Zhu qiheng laughed disdainfully. dugu zang Xian is already crippled. No matter who she brings with her, she will definitely not be able to escape from my five fingers mountain!

you're right ... han Zhanying nodded."Today, the young lord has already obtained the support of the old man of heavenly secrets! If dugu zang Xian wants to contend with them, she will have to find another Alliance of peak forces. Unfortunately, she will never be able to find one!"

"If she can't find an ally, we'll be invincible!"

Zhu qiheng narrowed his eyes and grinned,"let's go!" Just watch how I toy with immortal dugu zang!"

[Red Envelope Group of the Three Realms](#)

Chapter 2565: Everyone Dumbfounded

greetings, Saint Lord dugu!

Han Zhanying personally came out to greet him. He cupped his hands and bowed to dugu zang Xian before saying,"My young lord invites Saint Lord dugu to the banquet hall!"

"A banquet hall?"

"Didn't Zhu qiheng invite me here to enjoy the scenery?" asked dugu zang Xian with a frown. Why are we going to the banquet hall?"

"Sir Holy master, you may not know this!" Han Zhanying said in a deep voice. My young master has requested for some other distinguished guests, and they are all gathered in the banquet hall! It's best for Sir Holy master to go greet him first, to avoid losing etiquette!"

"Courtesy?"

Immortal dugu zang raised his brows and said arrogantly, "I am the nine nether platform's dark seal Saint master! Why don't you ask those people to come out and bow to me?"

"Sir Holy master, please calm down!"

Han Zhanying's eyes narrowed and he said seriously, "Today's distinguished guests are all senior demi-humans who are highly respected and have countless believers! Even old Bai of the auspicious Palace is among them. If I remember correctly, old Bai and Sir Holy master's grandfather are old friends, and Sir Holy master even has to call him granduncle!"

"What? Grand uncle white also came?" Dugu zang's expression froze for a moment as he had never thought of this.

"Yes, elder Bai has already arrived!"

the other guests may not be as influential as elder Bai, but they're all of the same generation as him. They're all the Holy leader's granduncles! han Zhanying said.

"The point is that these guests are highly respected and have great influence in their respective territories! If Sir Holy master were to neglect them, even if they don't take it to heart, their hundreds of millions of believers will most likely be resentful and dissatisfied!"

Anyone with a discerning eye could see that han Zhanying had already begun to exert pressure on dugu zang Xian!

This also confirmed Chen Xiaobei's speculation! The Zhu family had already made preparations! He was constantly challenging dugu zang's bottom line!

The pressure in front of him was just an appetizer!

After this, the pressure would only increase, and dugu zang Xian would definitely be at a disadvantage. If she couldn't break out of this situation, she would be completely taken over by the Zhu family! There was no chance to turn things around!

"Alright ... Bring me there!"

Immortal dugu zang had no choice but to take a step back.

It must be known that those distinguished guests were all old demons of virtue and prestige in Luzhou of Northern Kuru! Although their strength and status were far inferior to dugu zang's, they all had extremely high influence in their respective territories!

If immortal dugu zang were to neglect these people, the hundreds of millions of believers and trillions of common people under their banner would be dissatisfied with him!

As the saying goes, water can carry a boat, but it can also capsize a boat!

Dugu zang's territory could only be stable if the People's hearts were willing! If the People's hearts were to leave, it would be difficult for immortal dugu zang's territory to be peaceful!

In an even more serious situation, there might even be a large-scale riot that could break the balance between the three forces of Luzhou in Northern Kuru!

From a personal point of view, dugu zang Xian could completely ignore those old guys!

However, looking at the big picture, dugu zang had to give these old guys face!

Because of this, dugu zang Xian was forced to take a step back by a mere Han Zhanying the moment he arrived at Rainbow Cloud Island!

With an unfavorable start, the subsequent steps would definitely be more difficult and dangerous!

At this moment, Mo Xiaoyao's brows were tightly furrowed. He was extremely worried, but there was nothing he could do.

However, Chen Xiaobei, who was standing beside them, had a frivolous expression on his face, as if everything was under his control.

.....

In the banquet hall.

This was a gorgeous Hall specially built by the Zhu family. The interior was extremely luxurious and was full of treasures. It was a feast for the eyes.

At this moment, more than a dozen monster elders were gathered in the hall.

Zhu Qiheng had already stepped forward to pay his respects. After a round of flattery, the group of elders at the scene were all smiling from ear to ear, and their mood was very good!

Seeing that the atmosphere was suitable, Zhu Qiheng directly said, "My uncles and grandfathers! Qiheng invited everyone here today because he has a request!"

These old demons were all in a good mood because of Zhu Qiheng's flattery, they would naturally give Zhu Qiheng enough face, "Young master Qiu Heng is too polite! We old fogeys are, in the end, the subordinates of heavenly Yin Hall and nine nether platform. Just tell us what you want us to do! We will definitely obey!"

"In terms of business! You are indeed my subordinates! But in terms of personal matters, you are my, Zhu Qiheng's, uncle-grandfather!"

"I believe everyone has heard that the Zhu family has proposed marriage to divine Lord Dugu. We want to marry him and turn heavenly Yin Hall and nine nether platform from allies into a real family!" Zhu Qiheng said respectfully.

"Right! We've all heard about this!"

The group of old monsters nodded one after another, excited beyond belief.

"This is definitely a joyous occasion for our two families!"

"If young Lord Qiu Heng and divine Lord Dugu can really become husband and wife, then Tian Yin Hall and nine nether platform will really become one family!"

at that time, even the Dragon God Palace will have to bow down obediently. Otherwise, if the two forces join forces, they can destroy the Dragon God family in minutes!

Among the group of old monsters, there were subordinates from both the heavenly Yin Hall and the nine nether platform.

As for the old demons at nine nether platform, they obviously did not see through the Zhu family's true motive! He had thought that the Zhu family truly wanted to become a family with nine nether platform!

Because of this, not only did no one present object, everyone was even willing to raise both hands in approval!

"That's great! Since all my uncles and grandfathers agree with this matter, I, as a junior, would like to ask everyone to try their best to match divine Lord Dugu and make her agree to my marriage proposal!"

Of course! Zhu Qiheng smiled confidently and said, "Last time, divine Lord Dugu didn't give a clear reply. This time, for the sake of all my uncles and grandfathers, she will definitely not refuse!"

The group of old demons did not hesitate and immediately agreed, "No problem! We old fellows are very much in favor of the marriage between the two families! I'll definitely try my best to match them!"

"Saint Lord Dugu has arrived!"

Just then, Han Zhanying's voice came from outside the banquet hall.

In an instant, everyone's eyes shifted over.

"Saint Lord Dugu!"

Zhu Qiheng immediately went forward to welcome him. He said with a face full of smiles, "You're finally here! I've been waiting for you so long that I can't wait!"

Immortal Dugu Zang was expressionless and completely ignored Zhu Qiheng. He directly walked toward the group of old demons and greeted them politely.

Being ignored, Zhu Qiheng was angry and annoyed. A cold and fierce light immediately gushed out of his eyes.

"Young master, why don't we just do it?" Han Zhanying said in a low voice.

"No rush!"

Zhu Qiheng lowered his voice and said ruthlessly, "Even if a cat catches a mouse, it has to put on a show! It wasn't easy for me to capture Dugu Zang Xian. It would be a pity if I don't play with her before killing her!"

Zhu Qiheng then walked over and glared at Chen Xiaobei, "Cheap slave! Do you think you're fit to enter this banquet hall? Get out of here immediately!"

"Pa!"

Chen Xiaobei slapped Zhu Qiheng's face, stunning him.

The surrounding crowd was also dumbfounded, even dugu zang Xian!

[Red Envelope Group of the Three Realms](#)

Chapter 2566: Getting Married Next Month

This loud slap was like a bolt of lightning on a clear day. It came out of nowhere!

Zhu qiuheng wasn't the only one who didn't expect this. Dugu zang Xian and everyone else at the scene didn't expect this either!

Zhu qiuheng was dumbfounded as he stood rooted to the ground.

The surrounding people were even more shocked. They simply couldn't believe their eyes.

Zhu qiuheng was the young master of the Zhu family of Tianyin, one of the top ten forces in the earth-god Realm! His status was so high that it could be said that he stood proudly at the top of the pyramid in the earth-god World!

Smacking Zhu qiuheng's face was equivalent to smacking the entire Zhu family's face, and it was equivalent to declaring war on the entire Zhu family!

Because of this, even the leaders of the top ten forces would not slap Zhu qiuheng in public! Unless they wanted to start a war of all countries!

To the crowd, Chen Xiaobei's slap was even more unbelievable than the sun rising from the North. They even wondered if it was an illusion!

It was only when Zhu qiuheng started to roar that everyone realized that this was not an illusion!

"Damn it! You cheap slave! You actually dare to hit me! I'm going to tear you to pieces! Grind his bones and scatter his ashes!"

Zhu qiuheng's eyes were wide open in anger, and his expression was ferocious. He had never suffered such great humiliation in his entire life. The flames of his Fury seemed to want to ignite the air around him!

Everyone looked at Chen Xiaobei with disdain, as if they were looking at an idiot who was about to be killed!

Dugu zang Xian and Mo Xiaoyao's brains almost short-circuited when they saw this. They could not understand why Chen Xiaobei was here to help. Or was he here to seek death?

The main point was that the current situation was very complicated, and dugu zang Xian and Mo Xiaoyao had no idea how to deal with it!

If he did not do anything, Chen Xiaobei would definitely die!

But if he wanted to protect Chen Xiaobei, it would be equivalent to publicly falling out with the Zhu family! Not only would their relationship as allies be broken, but it might even lead to the Zhu family's revenge!

Because of this, dugu zang Xian could not make up his mind and did not protect Chen Xiaobei in time!

"Whoosh ..."

Zhu qiheng's hand was suddenly filled with ethereal force. He had already raised his hand and was about to kill Chen Xiaobei!

There was no way the people around him could save Chen Xiaobei!

Dugu zang had no intention of falling out with the Zhu family for Chen Xiaobei's sake!

Chen Xiaobei had no choice but to save himself!

"Cheap slave! Open your dog eyes and look clearly! Who do you think I am?"

In this life and death situation, Chen Xiaobei did not show any fear. Instead, he shouted in a domineering manner, "You cheap slave, you dare to touch a single hair of mine! I will definitely exterminate your entire Zhu family!"

"Hiss ..."

In that instant, Zhu qiheng could not help but suck in a breath of cold air. His pupils contracted and his heart beat wildly. He felt as if his entire person was enveloped by a terrifying and unparalleled pressure!

This pressure was like a sharp sword that suddenly pierced through Zhu qiheng's heart! It even caused Zhu qiheng's mind to have an extremely terrifying illusion!

In the illusion, Chen Xiaobei's body exuded an aura of death, and his body expanded by 10000 times. He had turned into a god of death!

The shadow of the Grim Reaper came from all directions. He crushed the Great Hall of heavenly Yin with a single foot and killed the entire Zhu family with a single palm!

At this moment, Zhu qiheng's limbs turned cold, his entire body was covered in cold sweat, and even the true energy in his hands involuntarily scattered!

In all his life, Zhu qiheng had never experienced such a terrifying pressure!

"Young master ... Young master, calm down ..."

Han Zhanying's state of mind was also affected. However, he was not the target of Chen Xiaobei's aura, so he could still keep his calm.

However, even after han Zhanying shouted a few times, Zhu qiheng did not react at all. He remained rooted to the spot, dumbfounded.

Seeing this, the surrounding people were stunned at first, and then they were in an uproar.

"Is this young man the Holy Spirit of mild wind? Such a terrifying pressure is almost comparable to that of the top ten peak earth Immortals!"

"It's indeed too terrifying! Young master Qiu Heng was instantly stunned! If our positions were reversed, even us old guys wouldn't be able to withstand it!"

"This is too strange! Why was such a powerful young man unknown in the earth immortal world? We don't even know him ..."

The group of old monsters around them exclaimed in surprise. They all had a whole new level of respect for Chen Xiaobei! He no longer dared to underestimate or ridicule her!

Dugu zang Xian and Mo Xiaoyao's mental state were also greatly affected. They were both frozen in shock. They would never have thought that Chen Xiaobei, who was supposed to be dead, would be able to turn the tables with his own pressure.

who ... Who are you?!

Zhu qiheng finally recovered after a long time, but his body and voice were still trembling. He felt as if his heart was being pressed down by a huge mountain, constantly contracting and tightening, as if it could explode at any time!

"Brainless cheap slave! You don't even know who I am and you dare to attack me! Truly, the ignorant are fearless!"

Chen Xiaobei's aura did not decrease at all.

"You ... You're saying I'm a brainless cheap slave?"

Zhu qiheng's soul had yet to settle down. After calming down for a long time, he said with a trembling voice, "I, Zhu qiheng, am the young master of the Zhu family of Tian Yin ... You ... On what basis do you call me a cheap slave?"

"What? You are Zhu qiheng?"

Chen showed off his acting skills and said in surprise, "So you are the famous first young master Zhu qiheng! It was a misunderstanding! This is a huge misunderstanding!"

"Misunderstanding?"

Zhu qiheng's expression froze for a moment before he continued to ask, "What do you mean by this?"

Chen Xiaobei retracted his aura and said with a smile, "Just now, you rushed over and called me a cheap slave, and I also thought you were a cheap slave. In a fit of anger, I slapped you! If I knew that you were the first young master Qiu Heng! I promise I won't hit you!"

When Zhu qiheng heard this, he immediately roared in anger, "What? You think I'm a cheap slave? Have you ever seen a slave wearing a black cloud Gold dragon robe like me?"

Chen Xiaobei shrugged and smiled. "I also want to ask! Have you ever seen such a handsome, suave, elegant, smart, and clever cheap slave like me?"

pfft ... Zhu qiheng almost spat out a mouthful of blood when he heard this. He had never seen such a shameless person!

you mistook me for a cheap slave, and I mistook you for a cheap slave. It's just a small misunderstanding. Young master Qiu Heng, please don't take it to heart. Otherwise, people will say that you are narrow-minded and petty!

"What? You slapped me and told me not to take it to heart?" Zhu qiu-heng's entire face became distorted. He felt as if he had eaten a pile of hot shit, and he was extremely depressed.

Chen Xiaobei raised his eyebrows and said, "Could it be that young master Qiu Heng is going to let this small misunderstanding affect the great matter that is about to be carried out later?"

"Something big?" Zhu qiu-fu composed herself and replied, "yes!" I still have important things to do! I'll settle the score with you after I'm done!"

"Young master Qiu Heng, don't be anxious! Before you do something big! Let me announce a small matter first!"

Chen Xiaobei turned around and pulled Dugu Zang into his arms. Xian'er and I are getting married next month. Everyone must attend the wedding!

[Red Envelope Group of the Three Realms](#)

Chapter 2567: As If He Had Seen A God

"Xian'er? Getting married next month?"

A stone that stirred up Ten Thousand Waves!

Chen Xiaobei's casual words had caused a nuclear explosion in everyone's heart!

The group of old demons around were all people who had seen great storms and waves, but at this moment, they were so shocked that their eyes were as wide as a bull's! He was dumbfounded! His three views were shattered, and he couldn't believe his ears.

One had to know that Dugu Zang Xian was the Netherseal Saint Lord of the nine nether platform, and ordinary people would not dare to call her by her name!

Even this group of old monsters with countless respected believers had to address him as 'Holy master' with respect!

But Chen Xiaobei called her 'Xian'er'!

In addition to intimacy, it was even more doting!

It was as if the Holy Lord of the netherworld seal, who was unattainable in other people's eyes, had become Chen Xiaobei's little wife!

If this news were to spread, the entire Northern Kuluzhou would be shocked!

"This can't be real! I don't believe it ... I definitely don't believe it ..."

Zhu qiu-heng's face was filled with disbelief. He would never have thought that the person he was going to propose to would be Chen Xiaobei's wife!

The most ironic thing was that a few minutes ago, Zhu qiu-heng had even asked the group of old demons to help matchmake him and Dugu Zang Xian!

However, Dugu Zang Xian was already taken!

Just now, Chen Xiaobei had slapped Zhu qiuhe. Now, Chen Xiaobei's words were like an invisible slap on Zhu qiuhe's face!

No matter how he, Zhu qiuhe, schemed, in the end, it was all for naught!

"Sir Holy master ..."

In the end, it was elder Bai who stood up and said in a deep voice, "Is ... Is what this young master said true?"

As soon as she said that, everyone's eyes fell on Dugu Zang as they pricked up their ears, waiting for her answer!

"It's ... It's true!"

Dugu Zang Xian felt uncomfortable being held by Chen Xiaobei.

However, when he saw Zhu qiuhe's face that looked as if he had just eaten shit, Dugu Zang Xian couldn't help but feel secretly pleased.

Immortal Dugu Zang snuggled into Chen Xiaobei's arms and said, "Zhufeng and I fell in love at first sight and we've made a promise to be married! He had originally planned to inform the elders after he returned! It's just nice that everyone's here today, so I don't have to tell you one by one!"

The group of old monsters were shocked by Dugu Zang Xian's words. However, since Dugu Zang Xian had admitted it himself, they had no more doubts!

The sacred Lord of the netherworld seal was a man of his word!

Dignity! Overbearing! There was no room for doubt! His prestige had long been established, and no one dared to doubt him!

"Saint Lord Dugu! Have you really thought it through? You're going to give up on me, the young master of the Zhu family, just for this little trash?"

After all, Zhu qiuhe wasn't an ordinary person. Furthermore, he had already grasped Dugu Zang Xian's weakness. At this moment, he was frowning and glaring at Dugu Zang with an overbearing aura. He no longer gave Dugu Zang Xian any face!

At the same time, Han Zhanying also became alert. He was like a fierce tiger that was secretly gathering strength, ready to launch a fatal attack at any time!

It was very obvious that Zhu qiuhe had already calculated everything!

The other option was for Dugu Zang to marry him obediently and help him Annex all the territories in the nine nether platform!

Otherwise, everyone under the banner of nine nether platform, including Dugu Zang Xian, would not be able to leave alive!

From Zhu qiuhe's point of view, Dugu Zang Xian would never be able to escape from his grasp. It was already his last bit of patience that he had yet to shed all pretenses of cordiality!

If immortal dugu zang didn't know what was good for him, Zhu qiheng would not hesitate to start a massacre!

Han Zhanying's fighting spirit was already burning! Half of the old monsters at the scene were from heavenly Yin Hall! Outside the banquet hall, Zhu qiheng definitely had other arrangements!

At this moment, it was a dead end!

How this matter would develop would all depend on immortal dugu zang's answer!

Sir Holy master ... mo Xiaoyao had already sensed a dangerous aura and wanted to remind dugu zang Xian not to say anything wrong.

Immortal dugu zang wasn't someone to be trifled with. In fact, he had already been on guard.

However, given the current situation, dugu zang Xian simply didn't know how to reject Zhu qiheng in order to prevent him from falling out completely.

"Young master Qiu Heng! You're calling me a little trash? Isn't this a little too much?"

Chen Xiaobei did not wait for dugu zang Xian's reply and said, "In my opinion, other than cultivation, you are not stronger than me in any way! If I'm trash, then what are you? Trash? Bugs? Or shit?"

"You ..."

Zhu qiheng almost spat out a mouthful of blood. He roared sternly, "You're so shameless! Not to mention his cultivation! Appearance! Identity! Status! Bloodline! Foundation! Background! Which aspect of you is better than me?"

"I'm better looking than you!" Chen Xiaobei laughed. I'm so handsome and charming! In terms of looks, I can crush you by hundreds of streets!"

I ... Zhu qiheng's face turned green with anger. But he could not deny that Chen Xiaobei was really handsome.

At least, Zhu qiheng could not point out any flaws in Chen Xiaobei's looks.

"Don't worry! I'm not done yet!"

Chen Xiaobei smiled and said, "let's talk about identity and status! My Xian 'er is the same as the Zhu family's master. They are both leaders of the top ten forces! After I marry Xian 'er, my status and identity will be the same as the head of the Zhu family! What makes you think you can compete with me?"

this ... Zhu qiheng's face darkened. He was extremely depressed, but he could not refute.

According to the rules of the pugilistic world, Chen Xiaobei and dugu zang Xian were husband and wife. Naturally, their status was much higher than Zhu qiheng's.

"Good! I'll admit it! I'm not as good as you in all the previous ones! But appearance, identity, and status were all fake! There was no practical significance! Bloodline! Foundation! Background! It's the most important thing!"

Zhu qiufu composed herself and said confidently, "The quality of one's bloodline directly determines the success of a Yao in the future! The Zhu family is the descendant of the nine-headed Dragon! His bloodline had reached the level of a five-star heaven immortal! You little trash, can you even compare to me?"

As soon as she said that, han Zhanying sneered in disdain. "In terms of bloodline, not many people in the entire Northern kuruzhou can compare to the young master! In front of the young master, this little rascal was like a speck of dust compared to the sun, moon, and stars! They're not even on the same level!"

Hearing this, the old monsters around also said one after another.

"Well said! Young master Qiu Heng's bloodline is not only of a high grade, but it is also extremely pure. He has a lot of room for growth, and in the future, he might even become a five star celestial being!"

"Saint Lord dugu! You have to think clearly! If you miss out on young lord Qiu Heng, you won't be able to find a husband with such an outstanding bloodline!"

"That's right! Although that kid's looks were not bad, what use was looks! That brat's identity and status are also thanks to you, divine Lord dugu! He's of no help to you and is instead a huge burden to you!"

"Saint Lord dugu! For that kid, you gave up young master Qiu Heng. It's like picking up a sesame seed and throwing away a watermelon. It's really not wise!"

There was no doubt that the old monsters did not think well of Chen Xiaobei. They all spoke up, trampling on Chen Xiaobei while holding Zhu qiuheng in their hands, hoping that dugu zang Xian would change his mind!

Chen Xiaobei was not affected by the crowd's comments. He even wanted to laugh. you're really a bunch of frogs in a well. A mere five-star heaven immortal bloodline is not even worthy of carrying my shoes!

As soon as he finished speaking, Chen Xiaobei's body was surrounded by a purple-gold spiritual light!

The pure and intense dracolich aura was released, instantly suppressing the entire scene!

"My God ... What a terrifying demonic aura ..."

In an instant, the entire audience screamed!

All the demons' hearts trembled as if they had seen a God!

[Red Envelope Group of the Three Realms](#)

Chapter 2568: Background

Chen Xiaobei had activated the witch dragon's bloodline to activate its demonic Qi!

The witch dragon's blood was a nine-star divine item! It would merge into Chen Xiaobei's body and evolve into the witch Dragon bloodline! Naturally, it was also a nine-star divine bloodline!

The demons present had never seen or heard of an existence of this level. Their worldview was refreshed and they screamed repeatedly!

"Heavens! This ... What level of demon race bloodline was this? Just looking at this demonic Qi, it's already 108000 times better than young master Qiu Heng's!"

"This is unbelievable! Young master Qiu Heng had the bloodline of a five-star heaven immortal realm demonic beast! He was far worse than that kid! Could it be that ... That kid's bloodline is above that of a heaven immortal?"

"Above ... Heaven immortal? This can't be, right? How can there be an existence above heaven immortal in the human world?"

"This is too scary ..."

All of a sudden, all the old monsters at the scene exclaimed. At the same time, they all felt their cheeks burning and lost all their face.

Just a second ago, they were still belittling Chen Xiaobei and praising Zhu qiuheng.

Chen Xiaobei's demonic Qi was like an invisible slap on their faces!

Especially Zhu qiuheng and han Zhanying, who kept calling Chen Xiaobei a piece of trash, a speck of dust!

But now, Chen Xiaobei's bloodline far surpassed Zhu qiuheng's!

Didn't this mean that Zhu qiuheng was even worse than trash? Not even comparable to dust?

The truth was right in front of their eyes. Zhu qiuheng and han Zhanying's mockery just now had directly turned into a slap to their faces! Their faces were red as if they were on fire, burning hot!

At the same time.

Seeing Zhu qiuheng and han Zhanying being slapped in the face, dugu zang Xian and Mo Xiaoyao were secretly happy and silently gave Chen Xiaobei a few hundred likes!

This was especially true for dugu zang Xian, who didn't know how to answer just a second ago. At this moment, he was able to hold his head high and puff out his chest as he said confidently, "Everyone can see it! No demon could compare to Zhufeng's bloodline! He is my best choice! It's my greatest fortune to be able to marry him!"

As soon as he said that, the old demons under nine nether platform all nodded in agreement.

"Sir Holy master's decisions are never wrong! With Childe Zhufeng joining our nine nether platform, we're like a tiger that has grown wings!"

"That's right! Childe Chen had such a terrifying bloodline that he might even become a demon God that surpassed heaven Immortals in the future! At that time, our nine nether platform will also benefit from it!"

"That's great! This was truly a joyous occasion! In a month, we will make the wedding of the Holy leader and Childe Chen a grand affair, and the whole world will know about it!"

It was obvious that the old monsters under nine nether platform were very loyal. As long as it was beneficial to nine nether platform, they would give it their full support.

Chen Xiaobei had just casually said that he would get married next month, but these old men took it seriously. They were already thinking about how to hold the wedding.

Immortal dugu zang also heaved a sigh of relief secretly, thinking that he could muddle through today's trial with this.

However, she had underestimated Zhu qiuheng!

"Immortal dugu zang! I'm giving you face, but you don't want it. Then don't blame me for completely falling out with you!"

Zhu qiuheng shouted angrily and immediately released his killing intent.

"Impudent!"

The group of old demons from nine nether platform were instantly enraged. "Zhu qiuheng! Even the head of the Zhu family wouldn't dare to speak to the Holy leader like this! You're simply courting death!"

"Clang! Clang! Clang! Clang ..."

At the same time, the group of old monsters from heavenly Yin Hall drew their weapons and said with killing intent, "It's you idiots who are looking for death! My young master has already planned everything! As long as he gives the order, don't even think about leaving alive!"

"This ..."

As soon as he said that, the old monsters of nine nether platform were all dumbfounded, unable to believe their ears.

A few minutes ago, the old monsters of the two families were still gathered together, calling each other brothers and talking and laughing.

At this moment, the people from heavenly Yin Hall suddenly turned hostile and drew their swords!

The huge contrast before and after was unacceptable to the old monsters of nine nether platform. They could not even figure out what had happened.

"Zhu qiuheng! What are you trying to do!"

Immortal dugu zang roared angrily. Although he appeared to be strong on the surface, he was already starting to get nervous.

The situation had confirmed Chen Xiaobei's speculation. The Zhu family was well-prepared and was really going to use force!

"Don't you know what I'm trying to do?"

Zhu qiuheng narrowed his eyes and grinned hideously, "I already know your secret!" If you're willing to marry me, I can give you a chance to live! But if you refuse me, then don't blame me for starting a massacre!"

"Young lord Qiu Heng! What was going on? Don't tell me you've forgotten that our two families are allies!"

Elder Bai stood out and said in a deep voice, " "Marriage is a personal matter! Even if Sir Holy master rejects you, you can't forget your work for your personal gain! If it affects the Alliance between our two families, wouldn't it give the Dragon God Palace a chance to devour us?"

"Heh, idiot!"

"If my Zhu family swallows your nine nether platform, do you think we'll still be afraid of the Dragon God Palace?" Zhu qiheng laughed arrogantly.

"What? So this is what your Zhu family is planning?" Elder Bai was stunned and shocked.

He had never expected that the Allies who had fought against the enemy together in the past would become traitors who were more hateful than the enemy!

Zhu qiheng's words not only betrayed the Alliance between the two clans! He was directly declaring war on nine nether platform!

"Immortal dugu zang! Have you thought it through?"

Zhu qiheng narrowed his eyes and laughed, "This is your last chance! If not for your looks and bloodline! I've already killed you!"

"Sir Holy master!"

Elder Bai immediately shouted angrily, "Zhu qiheng is humiliating you!" You humiliated our nine nether platform! Don't hesitate! We will fight him! With you here, we will definitely win!"

"That's right!"

The other old monsters of the nine nether platform also shouted angrily, " "Fight! Sir Holy master! Fight him to the end! We'll let him know who's the one who died without an intact corpse!"

Even mo Xiaoyao said full of fighting spirit, " "These rotten eggs aren't even enough to fill the gaps between Sir Holy master's teeth! Later, we still have to go to the Zhu family to question them! Let the Zhu family pay the price for today's matter!"

It was obvious that everyone from nine nether platform was very loyal!

Unfortunately, they didn't know that dugu zang Xian was currently in a weakened state!

"Fight? Hehehe ..."

Zhu qiheng had a smug expression as he laughed hideously. "For Today's Plan, I've brought the clan protection heaven immortal artifact of my Zhu family! Immortal dugu zang, do you dare to fight me?"

Upon hearing this, immortal dugu zang became even more nervous and couldn't answer.

"Hmph! Are you afraid?"

Zhu qiheng laughed complacently, "I have the heavenly Yin Hall as my backing, I can use heaven immortal tools!" And this is my background and Foundation! Some trash can never be compared to you!"

"Heh, isn't it just a heaven immortal tool?"

I don't think so! Chen Xiaobei smiled. you make it sound like I don't have any!

As soon as he said that, the crowd exploded!

[Red Envelope Group of the Three Realms](#)

Chapter 2569: Heaven-Destroying And Earth-Shattering Banner

"What? You also have a heaven-immortal artifact?"

His words were shocking!

Chen Xiaobei's casual words shocked the crowd once again. Not only did they have a new outlook on life, but they were also starting to doubt their lives!

"Zhufeng, really? Do you really have a heaven-immortal artifact?"

Dugu zang looked at Chen Xiaobei with a dumbfounded expression. He could not believe his ears.

this is impossible ... This is absolutely impossible ...

Even Zhu qiheng, who had always been full of confidence, started to become nervous. His expression became very ugly.

One had to know that the strength of the old demons on both sides was about the same! Mo Xiaoyao and han Zhanying's strength were also about the same! The netherworld Black Sparrow could block the layout outside the banquet hall!

The key to victory and defeat in this battle was completely on dugu zang Xian and Zhu qiheng!

Let's talk about their trump cards first. Dugu zang Xian and Zhu qiheng each controlled a true heaven immortal artifact!

Before this, there had been no war in Luzhou, and they had never used their heaven immortal artifacts! Even if it was filled with spiritual Qi, the heaven immortal artifacts of both sides could unleash their power ten times!

The two sides would definitely be unable to bear the brunt of these ten attacks!

And after these ten bursts of power! With his weakened combat strength, dugu zang would definitely lose to Zhu qiheng!

As long as dugu zang Xian was defeated, the nine nether platform would be like a group of Dragons without a leader, completely defeated!

After that, all the territories of nine nether platform would be swallowed up by heavenly Yin Hall!

This result was the Zhu family's final plan!

However, the Zhu family did not expect Chen Xiaobei to appear out of nowhere!

If Chen Xiaobei really had a heaven-immortal instrument, the tide of the battle would turn!

Chen Xiaobei and dugu zang Xian's two heaven-immortal instruments would definitely be able to overpower Zhu qiuheng's one!

At that time, the territory of the Zhu family would be swallowed up by the nine nether platform! The Zhu family would also be completely annihilated and disappear from Northern Kuru's Luzhou!

When he thought of this, Zhu qiuheng's heart tightened!

Of course, this was just a hypothesis. Zhu qiuheng did not believe that Chen Xiaobei could have a divine instrument!

"Hmph! Do you think I'm an idiot?"

Zhu qiuheng snorted disdainfully, and his mood relaxed. "The ten great heaven immortal artifacts of the mortal world are in the hands of the ten Supreme powers! Other than that, there's no way you can find an Eleventh Heaven immortal artifact!"

"Heh, you're indeed a frog at the bottom of a well!"

"The human world is so big, and there are still many unknown places! For example, the no man's land in the earthly calamity star sea! The seven Forbidden Lands of the earth-god Realm!"

"Not only are there heaven immortal artifacts in these places, there are even Heavenly Divine artifacts! However, you don't even have the courage to go! And what right do you have to say that there are only ten great heaven immortal artifacts in the mortal world?"

Chen Xiaobei had found the divine sand of time in the no man's land of the earthly calamity Star Ocean!

Chen Xiaobei had the right to speak more than anyone about those unknown areas!

Chen Xiaobei was sure that in those forbidden areas, other than the terrifying dangers, there were also great opportunities!

There were even divine items! What was a mere heaven immortal artifact?

Of course, Zhu qiuheng, this frog in the well, would not believe it at all: "Bah! Do you think that you can make me believe you just by talking? You're too naive!"

"Young master! Don't talk nonsense with him! Just do it!" "This little piece of trash can't have a heaven-immortal instrument unless the sun rises from the North!" Han Zhanying urged.

"Swish!"

Chen Xiaobei chuckled and took out a flag from his infinite space ring. "You two jokers! Take a look at what this is."

That's right!

Chen Xiaobei took out the genuine heaven-level divine instrument, the earth-escape divine gourd!

In an instant, a terrifying spiritual fluctuation was triggered, suppressing everyone and shocking them!

"This ... This, this, this ..."

Zhu qiheng and han Zhanying's gazes landed on the earth escape immortal puppet at the same time, and their pupils instantly contracted in shock as they swallowed their saliva!

"Heavens! What a terrifying spiritual fluctuation! It had far surpassed a peak earth-god instrument! This ... This is really a heaven immortal item!"

At the same time, everyone on the scene, including dugu zang Xian, exclaimed in disbelief!

Before today, the earth-god Realm really only had ten heaven-God instruments!

One could only imagine how rare a treasure of this level was! How rare!

No one would have thought that Chen Xiaobei would be able to take out a heaven-immortal instrument so easily!

From now on, the earth-god Realm would have its Eleventh Heaven-God instrument!

"How is it? Are you convinced?"

Chen Xiaobei held the earth-escape divine gourd in his hand and said with a smile, "In terms of Foundation! I have a heaven immortal artifact too! Besides, this is yours truly's own stuff, so I don't need to ask the family to use it! In terms of background! If I tell you who my backer is, you'll be scared to death! Fight with me? You, Zhu qiheng, are simply too tender!"

"This ..."

When Zhu qiheng heard this, his face turned red and green!

This was no longer a slap in the face, but a face that Chen Xiaobei had stomped on!

However, more importantly, in Zhu qiheng's heart, an unprecedented sense of crisis had already emerged!

Originally, Zhu qiheng had planned everything out and could definitely defeat dugu zang Xian!

But now, Chen Xiaobei had taken out a heaven-immortal instrument and destroyed all of Zhu qiheng's plans!

As long as Chen Xiaobei and dugu zang Xian worked together, the power of the two heaven-immortal instruments would be enough to crush Zhu qiheng's one heaven-immortal instrument and win the battle!

When he thought of this, Zhu qiheng's little heart felt cold, as if it was about to jump out of his throat!

young master ... han Zhanying lowered his voice and whispered into Zhu qiheng's ear, "That kid's heaven immortal artifact doesn't have any killing intent or fiendish Qi at all! Could it be an auxiliary magical treasure? It doesn't have any offensive power at all!"

it's possible ... But there's no evidence ... Zhu qiheng's brows were tightly furrowed. He was not sure!

If Chen Xiaobei had a support-type magical equipment, Zhu qiheng would not have to be afraid.

But if Chen Xiaobei had an attack-type magical equipment, Zhu qiheng would have lost even if he had ten thousand lives!

"Zhu qiheng! Aren't you going to kneel down and admit defeat?"

Chen Xiaobei narrowed his eyes, as if he could read Zhu qiheng's mind. He raised the earth escape divine gourd and said, "This is the heaven-destroying and earth-destroying banner! As long as I want to, I can activate the sky-destroying Black Lightning and the earth-destroying blood lightning! Everything within a radius of ten thousand miles was scorched! His life force was exterminated, and his soul was scattered!

destructive ... Heaven-destroying and earth-destroying banner!? Zhu qiheng sucked in a breath of cold air. He was so scared that he almost peed himself.

After all, Zhu qiheng had only seen ten heaven-immortal instruments before this. He did not know anything about this level of magical treasure. Naturally, he could not tell if Chen Xiaobei was telling the truth or not!

"How is it? Do you want to try?"

Chen Xiaobei grinned and said, " in three seconds, I'll erase this Island from the sea!

Chapter 2570: The Overall Situation Is Set

"Oh my God ..."

Zhu qiheng sucked in a breath of cold air. His legs turned soft and with a 'plop', he knelt on the ground. He said in a sorrowful voice, "Childe Chen! I admit defeat! I won't dare to do it again! Please don't activate the destruction of heaven and earth! I don't want to die yet!"

Before Chen Xiaobei could answer, dugu zang Xian shouted, "Hmph! I'll treat your Zhu family as my ally! Yet, you all want to kill me! I will never let you off!"

"Spare me! Divine Lord dugu, please spare my life ... Please spare my life ..." Zhu qiheng's crotch was wet and smelly, and he peed on the spot.

"Zhufeng! Let's attack together!"

Immortal dugu zang's killing intent burst forth as she raised her Jade-like hand and instantly produced a treasure seal. She then shouted angrily, "Today, I'm going to kill everyone from the Zhu family on this Island! Tomorrow, I will declare war on the Zhu family! I will definitely exterminate your entire Zhu family!"

"Whoosh ..."

However, at this moment, han Zhanying suddenly released a cloud of poisonous mist, grabbed Zhu qiheng, and dashed out of the banquet hall!

"Let's go!" Immortal dugu zang's killing intent was resolute, so he naturally wouldn't give up so easily.

"Stop chasing!"

Suddenly, Chen Xiaobei stopped dugu zang Xian and said, " "We will be killed if we catch up!"

"What are you talking about?"

Immortal dugu zang furrowed his brows and said, "I have the universe dark seal!" You have the destruction of heaven and earth! Killing Zhu qiheng was like killing a dog! How could he have been killed?"

"Idiot!"

Chen Xiaobei leaned close to dugu zang Xian's white jade-like ears and whispered, " that's not the world-destroying banner at all. It's just an auxiliary magical treasure without any attack power!

what???"

Dugu zang's expression froze as he was instantly dumbfounded.

Chen Xiaobei had actually used a non-offensive support-type magical treasure to scare Zhu qiheng away!

"As expected of the great hoodwinker Chen ..."

Immortal dugu zang was stunned for a long time before he managed to come to his senses, " "Zhu qiheng originally had everything under control, but he was tricked away by you! If he knew the truth, he would be so angry that he would vomit blood!"

"Actually, I only used 30% of my power!" Chen Xiaobei laughed. If I do my best, I can dupe a genius into a fool!"

this ... dugu zang Xian was stunned again and couldn't help but give a thumbs up. "You're awesome! I'm really convinced!"

Chen Xiaobei shrugged. I've already completed my mission. Consider it as me returning you a favor. I have to go back for the new year. You can take care of the rest here!

"Don't be in such a hurry to leave!"

"Today's chaos has made the situation even more complicated!" Dugu zang Xian quickly said. I'm not sure how to deal with the aftermath! I want to hear your opinion!"

"It's simple!"

Chen Xiaobei looked at the group of old monsters and said, " "Arrest the Zhu family first! These old men were all influential figures! With them as hostages, you'll have the chips to negotiate with the Zhu family!"

"Alright!" "Arrest him immediately!" Dugu zang ordered without hesitation.

As soon as he said this, mo Xiaoyao and the old monsters of the nine nether platform immediately took action, using a secret technique to control all the old monsters of the heavenly Yin Hall.

With immortal dugu zang around, the old monsters of heavenly Yin Hall didn't dare to resist and surrendered one after another. In less than half a minute, they had all become prisoners.

"What should I do next?" Immortal dugu zang asked again.

"Stall for time!"

I don't think so. Chen Xiaobei said, "once you've passed your special period, and with the hostages in your hands, you'll be able to take the initiative! By then, you can do whatever you want!"

"That makes sense!" Dugu zang nodded in agreement with Chen Xiaobei.

"The overall situation has been settled. If there's nothing else, I'll take my leave!" it's a long journey! I still have to hurry! Chen Xiaobei said.

"Can you not leave?" "Your ability and wisdom are extraordinary, so I hope you can stay by my side and assist me!" Immortal dugu zang said expectantly.

"If you have any difficulties in the future, I will still help you! However, I still have things to do, so I have to leave!" Chen Xiaobei shrugged and walked out of the banquet hall.

Dugu zang was stunned on the spot, and his expression was extremely complicated.

"Sir Holy master!"

Mo Xiaoyao came to dugu zang's side and said in a deep voice, "This kid is extraordinary! If they can't be used by us, we might as well get rid of them as soon as possible! If we become enemies in the future, the consequences will be unimaginable!"

"Shut up!"

"Don't ever let me hear you say such things again!" Immortal dugu zang said solemnly.

"This ..."

Mo Xiaoyao's expression froze for a moment before he said awkwardly, "If you can't get the talent, then just destroy it! Didn't you always do this in the past? Also, if you want to become a hegemon, you can't be soft-hearted! These words were also said by you!"

"The past is the past! Now is now!"

"Chen Zhufeng is different from the others!" Immortal dugu zang said solemnly. You're not allowed to have any thoughts of getting rid of him! This is an order!"

"As ... As you wish ..."

Mo Xiaoyao swallowed his saliva and asked in a low voice, "Holy leader ... Are you really in love with Chen Zhufeng?"

"Nonsense!"

Immortal Dugu Zang's bright eyes turned cold as he said in a cold voice, "I control the universe dark seal! He had already severed his seven emotions and six desires! There's only 'that matter' in my heart, and it's the only thing I can accommodate!"

if that's the case, why don't you let me get rid of Chen Zhufeng?" Mo Xiaoyao asked.

Immortal Dugu Zang's eyes were as cold as ice as he spoke word by word, "When you want to get rid of Chen Zhufeng, you might be the one who gets killed in the end! Even the entire nine nether platform!"

how ... How is this possible ...

Mo Xiaoyao sucked in a breath of cold air. He simply couldn't believe his ears. "Chen Zhufeng ... Is he really that powerful?"

"Let's wait and see!"

Dugu Zang Xian said in a deep voice, "there will always be idiots who will run into Chen Zhufeng's gun!" When the time comes, you'll understand that I'm not bluffing with my words today!"

Mo Xiaoyao thought for a moment and said, "according to what you said! We can't get rid of Chen Zhufeng! Then we should rope him in more and become friends with him!"

"Isn't that what I've been doing all this time?"

of course not! Dugu Zang Xian said indifferently, "if I didn't help Chen Zhufeng a few times in advance and made him owe me a favor, why would he risk his life to help me out of the Zhu family's hopeless situation?"

"Your subordinate understands!"

yes! Mo Xiaoyao nodded. if there's a chance in the future, I'll try my best to be friends with Chen Zhufeng!

"Let's talk about future matters in the future!"

A complicated expression flashed across Dugu Zang's eyes as he said calmly, "Take the hostage! Back to the nine nether platform!"

.....

Above the North Sea.

There were only three days left until New Year's Eve!

However, Chen Xiaobei was not in a hurry to return to the Bei Xuan faction. Instead, he used the portal in Seawatch City to go to another main city on the North Sea!

The sea god city!
