Chapter 3441: Profound armor tree bark

No wonder Luoyi, Taiyi, and Houtu couldn't get the recognition of the heavenly Dao!

Clearly, it was because their hearts did not accept being bound to the heavenly Dao. Therefore, not only did they not obtain the recognition of the heavenly Dao, but they were also schemed to death by the heavenly Dao!

And now, the seven great heavenly path sages had already gone through life and death with the heavenly path!

Whoever defied the heavens would be threatening their lives.

For this reason, starting from the Dao ancestor, all the heavenly path sages tried their best to maintain the authority of the heavenly path, making it an absolutely sacred and inviolable Supreme existence.

"But ..."

Chen Xiaobei frowned.

Don't forget, although sect leader Tongtian and mother Nuwa didn't say it explicitly, their secret schemes and various actions had already shown that they wanted to defy the heavens! He even wanted to completely overthrow the heavenly Dao!

Wasn't ... Wasn't this suicide?

"According to master's instructions, I have to obtain the human Dao imprint. According to mother Nuwa's instructions, I have to discover the secret of the heavenly Dao from the demonic Fire Red Lotus!"

what?! Chen Xiaobei frowned. their schemes are all against the heavenly axiom! Don't tell me they don't want to live anymore?"

The heavenly Dao was destroyed, and the Saints no longer existed!

Even if the heavenly axiom did not pursue the matter, as long as Chen Xiaobei overthrew the heavenly axiom, these two saints would die together!

"No..."

Chen Xiaobei shook his head.

He had always been a man who valued relationships. How could he personally push his master and mother Nuwa to death?

Chen Xiaobei would rather die than see this happen.

"Xiaobei Gege ... Why are you here?"

Fu Tian Xin 'er asked in concern.

“I’m ... I’m fine ...”

Chen Xiaobei shook his head and did not say anything. He did not want to worry Futian Xin ‘er, so he had to take all the pressure on himself.

“I heard you mumble about my mother ...”

Fu Tian Xin ‘er’s beautiful eyes turned as she smiled, “Don’t worry! My mother is amazing! Don’t look down on her just because she was the only female saint! In terms of scheming, not even daofathers are necessarily more formidable than mother!”

“So, you don’t need to worry about mother! You might think that she’s in a desperate situation, but she might turn the tables in the blink of an eye!”

“Yeah ...”

Chen Xiaobei could not help but sigh. “I can’t even handle my own matters, how can I be qualified to worry about the heavenly path sages?”

“Master and mother Nuwa aren’t fools. For every step they take, they’ve already calculated the ten thousand steps that will follow! Perhaps if we really do reach a desperate situation, master and mother Nuwa will immediately be able to come up with a countermeasure!”

Chen Xiaobei was relieved.

As the saying goes, things will work out when they get there.

What Chen Xiaobei needed to do now was to follow the instructions of the prime of Tongtian and lady Nuwa to find the human Dao seal and little Daji the third spiritual lady.

It would be a complete waste of energy to think about other things now. It was meaningless.

“Little girl, can you help me take a look at this?”

Chen Xiaobei then took out the strange tree bark he had just obtained.

Fu Tian Xin ‘er had the sacred life tree’s origin. As long as it was a plant, nothing could escape her eyes.

“Let me see ...”

Fu Tian Xin ‘er took the piece of tree bark and communicated with it using her spirit. She had an answer in her heart.

“This is the bark of a Nine Star heaven immortal profound armor tree! The bark itself was hard, impervious to fire and water, and invulnerable to blades and Spears! Only a god level heavenly flame can burn it!”

Fu Tian Xin ‘er thought for a moment and said, “this kind of tree bark is very suitable for making magic treasures!” Furthermore, I have a vague feeling that this piece of tree bark has already been refined by someone!”

“However, the spiritual nomological laws within this piece of bark seem to be different from the spiritual nomological laws of the Three Realms. Therefore, I can’t activate them ...”

“Where did you get this piece of tree bark from? find someone from that place to activate it!”

I got this tree bark from the Hong Meng Demon Realm ... Chen Xiaobei frowned. but the people there could not even tell that it was a magical item, let alone activate it!

“You didn’t find the right person!” Fu Tian Xin ‘er said indifferently, “I’m looking for someone with wood elemental true energy!” It’s best to find a wood-elemental demon! I should be able to unravel the secret of this tree bark!”

a wood-elemental demon!? Chen Xiaobei’s face lit up. “This is too much of a coincidence! The Xia family is a wood-type demon!”

“Take it to them, it shouldn’t be a big problem!” Fu Tian Xin ‘er said.

“Alright!” Chen Xiaobei nodded and kept the tree bark.

since Xiaobei Gege doesn’t need more blood Bodhi for now, I’ll go play with the Seven Demon Lords.

Fu Tian Xin ‘er returned the sunlight cache to Chen.

“Go!”

that’s right! Chen Xiaobei nodded. Bodhi ... I’ll go and see Bodhi!

Chen Xiaobei quickly summoned the demonic Crow King and flew to the other side of the planet.

Obviously, Chen Xiaobei had seen the blood Bodhi, and now he wanted to see his beloved Bodhi.

Last time, Luo puti felt that she was about to break through to the half-step heaven immortal realm. In order to avoid the sudden arrival of the heavenly Tribulation, she took the initiative to enter the verdant Emperor’s divine gourd.

Chen Xiaobei had come to visit her a few times before, but she was always meditating.

Chen Xiaobei did not disturb her.

But this time, Chen Xiaobei was going to give her a blood Bodhi to help her break through to the half-step heavenly immortal level.

In fact, it was very easy to break through to the half-step heaven immortal realm. Chen Xiaobei only needed to catch an enemy of this realm and transfer his cultivation to them.

However, the transfer of cultivation base was a demonic technique that went against the heavenly Dao. Although it was convenient, the side effects were extremely great.

This would leave a huge hole in the user’s Foundation. Once the hole was exposed in the future, the immortal cultivation path would be interrupted and they would never be able to vindicate Dao.

Although most people couldn’t become Saints.

However, Chen Xiaobei had high hopes for Luo puti. He did not want to end her path of cultivation so early.

Similarly, Liu xuanxin had the heart of the fire Phoenix and had great potential.

That was why Chen Xiaobei had not transferred his cultivation to her.

To put it simply, Chen Xiaobei hoped that one day, they would be able to reach the highest heights.

“Xiaobei ...”

Suddenly, Luo puti opened her eyes. A stunning smile appeared on her cold and beautiful face.

“You’re awake? I thought you were meditating ...” Chen Xiaobei smiled warmly as he walked over and sat beside Luo puti.

“I’ve already woken up!”

Luo puti pouted her red lips and leaned her head on Chen Xiaobei’s shoulder. “I suddenly don’t feel like breaking through anymore ...”

“Ah? Why?” Chen Xiaobei asked.

because I still have something important to do ...” Luo puti blushed and said shyly, “You promised me ...”

“I promised you?”

Chen Xiaobei frowned. Too many things had happened recently, and he needed to think about it.

“I got it!” Chen Xiaobei’s eyes lit up, and a knowing smile appeared on his face.

Chapter 3442: Can't get married

3442 Can't get married

“I promised you! When the earth-god Realm is unified, I’ll hold a grand wedding and make you my wife!”

Chen Xiaobei had not forgotten about this.

After all, Luo puti had been with Chen Xiaobei since earth. Chen Zhongfu and Zhang Chui ‘er had always wanted Luo puti to be their daughter-in-law.

Most importantly, Chen Xiaobei and Luo puti had gone through thick and thin together more than once. Their relationship was very close.

The wedding should have been held in Saint Duke Starfield long ago.

Because of the continuous events, it had been delayed until today.

Chen Xiaobei felt very guilty.

after I break through to the half-step heaven immortal realm, it means that I’ll have to ascend to the heaven realm ... At that time, we’ll be separated by heaven and earth, and I don’t know when we’ll meet again ... So, I want to finish this matter and fulfill one of my wishes!

Luo puti was usually the most sensible board member, so it was obvious that she had thought about it carefully before making this request.

“I understand!”

of course not! Chen Xiaobei smiled. your family is in the human world. Besides, this is also my wish!

I’m glad you don’t object to it ... Luo puti instantly smiled like a flower. Her cheeks were red and her head was lowered. She was as shy as a little girl.

In fact, Chen Xiaobei, Liu xuanxin, and song Qincheng had already done the most intimate thing.

However, he had never bowed to Luo puti.

From this perspective, Luo puti was still a pure and innocent girl.

After the wedding, this matter could be done.

To Chen Xiaobei and Luo puti, this was the most important thing in their lives.

Once this was over, Luo puti would be able to go through the Tribulation in peace, and Chen Xiaobei would be able to work hard in peace.

This incident might even change their Dao hearts and make them reach a different height.

“By the way, have you found the little fox?”

Luo puti asked.

“Not yet,”

I don’t think so. Chen Xiaobei shook his head. since you don’t want to break through, why don’t you come with me to the Hong Meng demonic realm? ”

“No...”

Luo puti shook her head and said, “I can’t help you with my current cultivation. I’ll only slow you down ... Furthermore, you must have a lot to say to each other when you meet! I don’t want to be a third wheel!”

Chen Xiaobei felt warm inside. “My Subhuti is still the best at understanding people! My life is worth it to have a wife like you!”

“Don’t be talkative! Hurry up and find him!” “I’ll be waiting for you guys to come back!” Luo puti said.

Obviously, Luo puti knew Chen Xiaobei, and every one of his female friends.

Luo puti knew that the feelings between them and Chen Xiaobei were the most sincere. They were even willing to give up their lives for each other.

That was why Luo puti was willing to accept them as her sisters.

“Good! We’ll definitely come back as soon as possible!”

Chen Xiaobei grinned, his heart filled with warmth.

After all, it was hard to find a wife as reasonable as Luo puti.

.....

He left the verdant Emperor's divine gourd.

They returned to Xia clan town.

Yan Lingshi was still holding the verdant Emperor's divine gourd in her arms. When she saw Chen Xiaobei come out, she pouted and complained, " "Why did you only come back now? You want me to hold this broken gourd? are you toying with me like a monkey?"

"I'm going to do something big!" "Can't you tell that my cultivation has increased?" Chen Xiaobei grinned.

"Heavens!"

At this moment, Cang tianao walked over with Duanmu Baoshu and exclaimed, " "Bro bei! "Your ... Your cultivation ... How did you break through three minor realms in a row?" This ... This can't be ..."

"Heavens! It's true!" Yan Lingshi and tu Hongyuan were also dumbfounded.

A few minutes ago, when Chen Xiaobei said that he wanted to cultivate, Cang tianao said that it was useless to cultivate in such a short time.

But a few minutes later, Chen Xiaobei had broken through three small realms.

This result was simply inconceivable to the extreme!

If they had not seen it with their own eyes, they would not have believed it even if they were beaten to death!

Shocking!

Extreme shock!

"Let's not talk about me! Have you made things clear with Duanmu Baoshu?" Chen Xiaobei could not wait to get to the point.

"I've made myself clear!"

Duanmu Baoshu quickly cupped his hands and bowed. He said respectfully, " "It's my great honor to be able to serve senior!"

"Alright!"

yes! Chen Xiaobei nodded and said, " I have something else to do. Get the Xia family patriarch here!

"Senior! Senior ... This old man has finally found you ..."

Just as he said that, an old man dressed in luxurious clothes ran over in a hurry.

Beside him, there was an extremely beautiful young girl.

This young lady was extremely beautiful, and her figure and aura were also outstanding. Although she was not as good as Yan Lingshi, she was definitely a first-class beauty.

This old man was the Xia family's leader that Chen Xiaobei was looking for, Xia Bai. And that young girl was the one known as the yellow region's number one beauty, Xia Yilian.

"This old man is Xia Bai! I've brought my granddaughter Xia Yilian to pay my respects to senior!"

Xia Bai pulled Xia Yilian and knelt in front of Chen Xiaobei.

"Get up and talk!"

Chen Xiaobei frowned and asked, "I was just about to look for you, why did you come here by yourselves?"

Xia Bai frowned and said, "senior, please forgive me ... I didn't mean to offend you!" But with what you've done tonight, my Yilian won't be able to get married ..."

"What are you saying?"

Chen Xiaobei was stunned. "The joust for a spouse will be held three days later. At that time, Xia Yilian will naturally be able to find her Ideal Husband. How can she not be able to get married?"

"There's no more joust for a spouse ..."

Xia Bai said in a sad voice, "senior, after you made a scene, all the participants withdrew from the competition. Even the participants from the regions withdrew one after another. No one dared to compete with you!

I didn't even sign up! Why would they back out?" Chen Xiaobei was already sweating.

you didn't sign up ... But they don't know ... Xia Bai said, "you punished Sheng Shijie with lightning-like methods and forced Sheng kuangzhan to retreat. All the participants were scared away by you ...

Clearly, Chen Xiaobei had plotted against the Sheng family to scare the entire Hong Meng Demon Realm.

However, in a moment of carelessness, all the participants had been scared away.

"Uh ... What do you guys want to do?" Chen Xiaobei asked.

Xia Bai swallowed his saliva and said awkwardly, "Everyone in the world now thinks that senior has won the joust for a spouse Festival! I can only ask senior to take Yi Lian! Otherwise, no one will dare to marry this child in the future ..."

"I can't do that. I still have my own things to do!"

no! Chen Xiaobei shook his head and said, "how about this? look at tu Hongyuan or Duanmu's book and point at one of them! I'll make the decision and let them marry Yi Lian!"

this ... Xia Bai was stunned.

On the other hand, tu Hongyuan and Duanmu Baoshu stretched their necks with all their might, hoping to be selected even in their dreams.

“Whoosh ...”

At this moment, Xia Yilian suddenly circulated her immortal essence and blasted it towards her Qi sea dantian.

In an instant, everyone was shocked!

Chapter 3443: trap within a trap

what are you doing?!

Chen Xiaobei quickly grabbed Xia Yilian’s wrist.

“You let go! Just let me die ...”

Xia Yilian’s eyes turned red, and tears instantly fell as she said in an extremely aggrieved manner.

“I, Xia Yilian, am a woman of blood, flesh, and feelings! I’m not a piece of trash, and I won’t let you throw it away! I’d rather die than be humiliated by you!”

“No... I don’t think you’re trash, and I have no intention of humiliating you ...”

no! Chen Xiaobei said, “ tu Hongyuan and Duanmu Baoshu are the two princes! They have already signed up for the groom search! Let you choose one of them, and treat them as the winner of the groom search! What’s wrong with that?”

“You’re humiliating me! You despise my lowly background! He’s looking down on me! That’s why you pushed me to someone else!”

Xia Yilian’s tears fell like rain. Her fair face was like a Pear Blossom in the rain, making people’s hearts ache.

miss Xia, don’t cry anymore ... You’re breaking our hearts ... tu Hongyuan and Duanmu Baoshu were heartbroken. They wanted to pull Xia Yilian into their arms and comfort her.

Even Yan Lingshi pursed her lips and said in a low voice, bro bei, why don’t you just take her? she’s such a strong-willed girl. If you don’t take her, she might really do something stupid ...

“She’s using her life to threaten me!”

“I’ve already explained it clearly!” Chen Xiaobei said. I have no feelings for her, not even interest! Taking her in would only harm others and herself! To let her choose one of the two princes who signed up for the groom search, is that treating her badly?”

Chen Xiaobei had his reasons.

However, Xia Yilian had insisted that Chen Xiaobei looked down on her and humiliated her.

At the same time, her face was covered in tears, which attracted the sympathy of the crowd.

She wanted everyone to stand on her side and put pressure on Chen Xiaobei.

To put it bluntly, this was moral kidnapping!

This made Chen Xiaobei very unhappy.

“Senior ...”

Xia Bai said in a deep voice, “Yilian is not unreasonable, she just doesn’t know how to speak!” In fact, the one who looked down on her and humiliated her wasn’t you, senior! It’s those who are gossiping behind my back!”

“What do you mean by that?” Chen Xiaobei asked, frowning.

“Rumors are fiercer than Tigers!”

if you don’t want Yilian, ” Xia Bai said, ” people will secretly say that Yilian has this and that kind of problem. She’s not even a pure body, so you despise her and abandon her ...

even if she were to marry one of the two princes, the rumors would still say that you abandoned her, and one of the princes would take the blame ...

“If one spreads to ten, ten to a hundred, the rumors will only become more vicious and ridiculous! How can a clean girl live after her chastity is tarnished?”

“This ...”

Chen Xiaobei felt a little guilty. “I’m sorry, I didn’t think of that ...”

Clearly, Chen Xiaobei was not a heartless person.

If Xia Yilian really did something stupid because of this, Chen Xiaobei would not be able to rest easy.

“How about this ...”

“Xia Yilian, leave with me!” Chen Xiaobei said. This way, you can protect your reputation and prevent others from gossiping about you! After you leave this place, you can find another man at any time!”

“Thank you, senior ... Thank you, senior ...”

Xia Bai repeatedly kowtowed and was extremely grateful. “Yilian, why aren’t you kneeling? thank you, senior!”

“Many thanks, senior ...”

Xia Yilian also knelt down and thanked him while crying.

pack up quickly. We’re leaving immediately! Chen Xiaobei said.

alright ... Xia Yilian nodded and walked towards her residence.

“Master Xia, please wait!”

Chen Xiaobei stopped Xia Bai and took out the tree bark. this is a magical treasure that only wood-type demons can resonate with. Help me take a look and see what’s the secret behind it.

“I’m happy to help!”

Xia Bai nodded, took the black armor tree bark with both hands, and immediately began spiritual communication.

“Whoosh ...”

Sure enough, the resonance between the profound armor tree bark and the wood-type demon’s origin immediately triggered the hidden mystery within.

Several rays of black light shot out from the tree bark and formed a huge map in the air.

“A treasure map?”

Chen Xiaobei asked, “What is the place marked on this map?”

I can’t tell ... Xia Bai shook his head helplessly. “There shouldn’t be such a place in the yellow region ...”

“Not only the yellow domain! There’s no such place in the region ... “As for the dark domain and the heavenly domain, I’ve never been there!”

you mean ... Chen Xiaobei frowned. “The places recorded on this map are either in the mysterious domain or the heaven domain?”

Cang Tian ao nodded and said, “of course, it could also be an independent space!” However, if such a huge map is an independent space, it must be huge too. Ordinary people can’t create it!”

“My head hurts ...”

I really thought that we would be able to find a great opportunity. After all this, we still can’t figure out where this map leads to ... Even if we do, I’m afraid we don’t have the ability to go in!

“You’re doubting my ability!” Yan Lingshi pouted her little mouth, very dissatisfied.

“I don’t want to suspect you, but this tree bark is clearly not good for me!” Chen Xiaobei shrugged.

“Hmph! Let’s wait and see!” Yan Lingshi said confidently, “I said it’s a great opportunity for you!” It’s your great opportunity!”

“Cough cough ...”

Xia Bai coughed and said awkwardly, “If senior doesn’t have anything else to say, this old man would like to give Yilian a few words, so as not to make you angry again on the way!”

“Go!” Chen Xiaobei nodded.

Xia Bai returned the tree bark to Chen Xiaobei and left in a hurry.

.....

In Xia Yilian’s boudoir.

As the host, Xia Yilian knelt on the ground, her face full of humility.

Opposite her stood a middle-aged man in golden python armor. He exuded an oppressive and domineering aura. Even if he didn’t make a sound, he still exuded the powerful pressure of a superior.

However, it was very strange that this man was actually carrying a dog in his arms. Furthermore, it was a dirty and ugly dog with mottled fur.

That's right!

This man was the eastern yellow region's Sovereign Lord, a peak two-star SkyDemon, Sheng kuangzhan.

The dog in his hand was his son, Sheng Shijie.

Xia Yilian was kneeling while Sheng kuangzhan was standing.

And in this room, there was a young man sitting on a chair.

"Lord Marquis! Sorry to have kept you waiting! This old servant did not fail my mission and successfully stuffed Yi Lian to that kid's side ..."

Xia Bai ran into the house and bowed to the young man with great respect.

The young man who was called 'Lord hou' slowly opened his eyes and said indifferently, "Well done! After this is done, I, hou Qingfeng, will grant your Xia family a place to live in the earth region!"

Chapter 3444: Great ambition

3444 Great ambition

"Marquis Xie ... Marquis Xie ..."

Xia Bai, this old ghost, had a good back. The speed at which he kowtowed was so fast that it dazzled the eyes.

"Alright, don't make me wait too long! Hurry up and pack up, then we can go!"

Hou Qingfeng stood up and twisted the white jade ring on his left thumb. He said, "Keep a close eye! Don't miss any details!"

"Lord Marquis, be at ease! This old servant will definitely tell Yi Lian what to do!" Xia Bai kept nodding.

Hou Qingfeng turned around and left the room.

Sheng kuangzhan glanced at Xia Bai and said with a deeper meaning, "Xia Bai! You old brat, your ancestors' graves are really emitting green smoke! He had actually received the Lord Marquis's support! In the future, your Xia family might even be on equal footing with my Sheng family!"

"I don't dare! I don't dare!"

Xia Bai's face was full of smiles. He shook his head and said, "even if we go to another region in the future, the Xia family will still be your subjects. If you need anything, just tell me!"

"Heh, you're sensible!"

Sheng kuangzhan narrowed his eyes and coldly said, "I don't want anything else. I just want that kid to die without a burial place and return my son his freedom!"

Xia Bai nodded and said, "don't worry!" Since the Marquis is involved in this matter! As long as we can figure out that brat's true strength, he'll definitely die!"

"I hope you can figure it out as soon as possible!"

"Don't forget!" Sheng kuangzhan said viciously. Before your Xia family goes to the territory, I can decide your life and death with a single thought!"

"Yes, yes, yes ... This old servant will remember!" Xia Bai nodded his head like a chicken pecking at rice.

"Good luck!" Sheng kuangzhan sighed and walked out with the mottled dog in his arms.

"Yi Lian! You know what to do, right?"

Xia Bai stood up, narrowed his eyes, and looked at Xia Yilian.

"Grandpa! You're getting carried away again!"

Xia Yilian also stood up. In her clear eyes, there was a cold glint. "This was my plan all along! If I didn't ask you to bring Sheng kuangzhan back! How did you get to know hou Qingfeng?"

"Lord Marquis! Call him Lord Marquis!" what? " Xia Bai said nervously, " you're calling the Marquis's full name. Do you want to die? "

Xia Yilian smiled coldly and said, "ha, what's so great about hou Qingfeng?" No matter how powerful he is, isn't he still a chess piece on my chessboard? Aren't you still being used by me?"

"Hiss ..."

Xia Bai gasped and quickly ran over to close the doors and windows. "Great aunt! You want to die! Don't drag the entire clan down with you!"

"Just wait and see!"

Xia Yilian sneered and said, "I have a feeling that this is my chance to rise!" I'll be stronger than hou Qingfeng sooner or later! I will stand at the peak of primordial chaos and become a trusted Fey ancestor!"

"This is crazy! I think you've really gone crazy!"

Xia Bai's face turned green. you're in such a state. How can I be at ease letting you be a spy? "

"What are you worried about?"

Xia Yilian laughed coldly and said, "my acting skills have already dumbfounded bro bei and hou Qingfeng!" Not only do I want to be a spy, but I also want to be a double agent! This time, all the benefits will be mine!"

"You ..."

Xia Bai rubbed his forehead and sighed. "Forget it! My Xia clan has existed for eight million years, and only today has we produced such an ambitious and capable genius like you! Just do it! Even if we have to bet our entire clan, we won't hesitate!"

“Don’t worry!”

Xia Yilian smiled coldly and said seriously, the glory of the Xia clan will rise from today on to the peak of primordial chaos!

.....

“Young master ... Sorry for making you wait ...”

Xia Yilian had changed into a set of casual clothes and looked very energetic. She had a pure smile on her face and looked prettier than flowers.

“Let’s go! Shall we set off?”

Chen Xiaobei nodded and led the group to the portal to the Western Region of the yellow region.

Duanmu imperial capital.

This was Duanmu Baoshu’s territory.

After arranging for everyone to rest in the Prince’s residence, Duanmu Baoshu was going to gather some people before heading to the sky Foothill mountain range.

In the living room.

Xia Yilian obediently poured tea for everyone and took the initiative to ask, “Young master, I still don’t know how I should address you.”

“Me?” bro bei! Chen Xiaobei said, “ you can call me bro bei like the rest of them.

“Alright!”

Xia Yilian smiled and asked, “how should I address this sister?”

“You can just call her sister half fairy!” Said Chen Xiaobei with a smile.

“Half immortal ... Who has such a name?” Xia Yilian was a little hesitant.

she loves to predict good fortune, bad fortune, and misfortune. But, she can only predict half of it and the other half. She has never been able to predict anything right. So, she can only be called a half-deity!

“Nonsense!”

you! Yan Lingshi panicked and threw the spiritual fruit she had just taken two bites of at Chen Xiaobei.

“Yi Lian! Don’t listen to his nonsense!” “My surname is Yan. You can just call me sister Yan!” Yan Lingshi composed herself and said.

okay ... Xia Yilian stuck out her little tongue awkwardly. She was very playful.

“Where is this uncle? How should I address you?” Xia Yilian looked at Cang Tian ao.

At this moment, Yan Lingshi and Cang tianao were still wearing their masks, so Xia Yilian could not recognize Cang tianao, the Sovereign Lord of the South of the yellow region.

“You ... Can call him uncle Tian.” Chen Xiaobei said.

“Alright, I’ll remember that.” Xia Yilian nodded. She had the expression of an ignorant girl, innocent and romantic.

She had secretly recorded their conversation with her communication magical equipment and sent it to Hou Qingfeng and Sheng kuangzhan.

Hou Qingfeng and Sheng kuangzhan had already started to investigate Chen Xiaobei and the others according to their names.

“Bro bei! I’ve already gathered the manpower!”

Not long after, Duanmu Baoshu rushed back and said excitedly, “ the team is full of elite warriors. There are also two old hunters who have been to the Tian Lu mountain range. We can set off at any time.

“Alright!”

“You don’t have to go!” Chen Xiaobei nodded. After all, he’s a Prince. If he’s in danger, your parents will be worried!”

this ... Duanmu Baoshu was stunned. He sighed and said, “ alright then ... The Tian Lu mountain range is an unknown land of death to begin with ... To be honest, I don’t have the courage to go in either ...

After a pause, Duanmu Baoshu continued, “ but, bro bei, don’t worry! I will definitely do my best to help you investigate the young lady with the Red Lotus mark!”

As soon as he said this, Xia Yilian’s eyes suddenly flashed with a glimmer of light, and she immediately remembered this clue.

“Yi Lian! You don’t have to go either!”

“ I don’t know! Chen Xiaobei said, “ the place we’re going is too dangerous. I can only rest assured if you stay here!

“No! I want to go with you!”

Xia Yilian said with determination, “bro bei, if you want to abandon me, I’d rather die now!” Bro bei, if you don’t abandon me, then let me go on this adventure with you! We’ll go through thick and thin together!”

Chapter 3445: he really is her

“This ...”

Chen Xiaobei did not want to bring Xia Yilian along.

After all, the danger of this trip was completely unknown. Xia Yilian would not be of any help, and would instead drag everyone down.

However, Xia Yilian’s emotions were still unstable. If he did not bring her along, it was hard to guarantee that she would not do something stupid.

bro bei, take her with you. I'll protect her!

At this time, Yan Lingshi stepped forward. Not only did she calm Xia Yilian down, but she also took the initiative to share some of Chen Xiaobei's burden.

"Alright ... That's it then! Let's set off now!"

Chen Xiaobei was in a hurry to go into the mountains to find her, so he had no choice but to agree.

.....

Tian Lu mountain range.

It was located in the westernmost part of the primordial yellow domain.

This enormous mountain range stretched for trillions of miles. Like a wall, it stood at the edge of the Western Region.

According to the legends, this vast forest was filled with dense spiritual energy and all kinds of natural treasures. There were even ancient ruins and blessed lands.

Unfortunately, there were some extremely terrifying dangers in the mountain, so much so that ordinary people did not dare to set foot in it.

Even those who had encountered danger did not come out alive.

Therefore, this mountain range was known as the unknown land of death in the primordial yellow domain.

bro bei, are you sure the person you're looking for is at the sky Foothill mountain? "

Old yellow took out a wine pot and gulped down a few mouthfuls. He frowned and said, " if we go any further, we'll enter the mountains. I've been hunting for my entire life, but I've never dared to cross the forest in front of us!

This person was one of the two old hunters that Duanmu Baoshu had found.

His hair was white, his face was old, and his brows were full of vicissitudes. The wine pot in his hand was filled with a cheap strong wine. It was very pungent, and the smell of alcohol could be smelled from far away.

It was obvious that he was a veteran with a wealth of experience in the jungle.

The more experienced they were, the more they knew what kind of terrifying danger they would face once they entered the mountain.

That pot of strong wine was most likely used to boost his courage.

"Yup ..."

Old Wang nodded and sighed. although Prince Bao Shu asked us to be your guides, to be honest, we don't know what will happen after we enter the mountain ...

Old Wang was another experienced Hunter.

Although he didn't need to drink to boost his courage, his hands were still tightly holding a battle-axe and a bow.

It was obvious that he was filled with fear and anxiety about the danger he was about to face.

Other than old Huang and old Wang, Duanmu Baoshu had also found a few hundred elite warriors.

Needless to say, no matter how experienced and loyal these Warriors were, they would still feel uneasy at this moment. Some of them even wanted to retreat and sneak away.

"Everyone!"

Chen Xiaobei said, "I'm very clear that this trip will be extremely dangerous! I won't force you to stay if you want to leave! But I will definitely reward those who stay!"

Hearing this, old Huang and old Wang hesitated, but in the end, they did not leave.

The hundreds of soldiers did not have the mood to do so. They immediately scattered like birds and beasts. In the end, there were only 33 people left!

"Why aren't you guys leaving?" Chen Xiaobei asked.

The 33 soldiers said almost in unison, "We heard from the treasure book Prince! Bro bei, you're a Big Shot! We don't want to be soldiers for the rest of our lives! I've sacrificed my life to work for you today, hoping to earn a good future!"

"What did Duanmu Baoshu promise you?" Chen Xiaobei asked.

The 33 soldiers immediately replied, "The treasure book Prince said that after this, everyone will be rewarded with 10000 upper spiritual stones! Those who make contributions will be promoted according to their contributions!"

"Alright!"

"I admire your courage!" Chen Xiaobei said. I'll reward each of you with a billion upper spiritual stones after this! Furthermore, I will personally speak to Duanmu Baoshu and ask him to nurture and use you!"

As soon as he said that, everyone was stunned at first, and then they immediately burst into cheers!

"One ... One billion! Oh my God! Bro bei was indeed a Big Shot! The reward is 100000 times more than what Prince Bao Shu has received!"

"Not only that! Bro bei will even personally support us! The Prince will give bro bei face and use us!"

"It's worth it! It was worth it! Bro bei's spirit was soaring! We really didn't gamble our lives in vain!"

"Isn't it? If those deserters knew about this, they would definitely regret it so much that their intestines would break!"

thank you, bro bei! Thank you, bro bei!

Without friendship, one could only talk about benefits.

Obviously, the benefits that Chen Xiaobei had offered were enough for these 33 people to risk their lives for him!

Of course, these 33 people were all courageous and had extraordinary mental fortitude. Even if Chen Xiaobei did not reward them, they would still carry out the mission given by the higher-ups loyally.

Even Chen Xiaobei wanted to recruit such a person and put him in an important position!

No matter how generous the reward was, they deserved it.

“Old Huang! Old Wang! Why aren’t you guys leaving?” Chen Xiaobei asked.

“To be honest ... My son is seriously ill. Only the purple gold ginseng in this mountain can cure him ...” He said.

Old yellow took another big gulp of wine and said, “ I didn’t have the guts to go into the mountains before. But this time, with bro bei’s help, I’m going to go in no matter what! Otherwise, once my son dies, there’s no point in me living anymore!”

“Understood!” “Don’t worry!” Chen Xiaobei nodded. If you help me this time, even if you can’t find the purple-gold ginseng, I’ll take care of your son’s illness!”

thank you, bro bei ... Thank you so much ... old Huang did not know that Chen Xiaobei’s medical skills were extraordinary. He only thought that Chen Xiaobei would help him and thanked him profusely.

“Old Wang, what about you?” Chen Xiaobei looked to the other side.

“I’m doing this for our son ...”

“Ten years ago, I brought my son here to hunt!” A golden clawed spiked tail Tiger known as the ‘King of the nine mountains’. .. Ate ... Ate ... My son ... Not even his bones were left behind, not even his soul and primordial spirit were spared! For the past ten years, I’ve been dreaming of taking revenge on that beast! It’s a pity ... I don’t have the courage ...”

“Alright! I understand now! you don’t have to say anymore ... Chen Xiaobei nodded and said, ” “Help me find her! As long as I see that beast, I will help you kill it!”

thank you ... Thank you so much, bro bei ... old Wang’s eyes were red and his body was trembling.

“Alright! Enter the mountain!”

Chen Xiaobei waved his hand and led the group into the forest.

.....

After entering the mountain.

Old Huang and Chen Xiaobei walked in front.

Yan Lingshi, Xia Yilian, and Cang tianao followed closely behind.

Thirty-three soldiers were in the middle.

Old Wang was in charge of bringing up the rear.

“Chi ... Chi ...”

After walking for a short while, a figure suddenly flashed out of a dense forest in front of them.

it can't be such a coincidence, right?!

“Did you see that?” Chen Xiaobei asked. That figure was a young girl! And there really is a red mark on his arm!”

Chapter 3446: danger

“Mm! I saw it too!”

yes! Cang Tian ao nodded and said, “ according to the dark profound Demon spider's information, the young lady with the Lotus imprint on her body had appeared nearby! From the looks of it, it should be that figure just now!”

“That's great! I didn't expect my luck to be so good!”

let's keep our distance! Chen Xiaobei said. let me know if you find any clues!

“Yes!”

Under Chen Xiaobei's command, the group spread out to the left and right, pushing forward like a giant net.

The reason why Chen Xiaobei brought these people along was to increase the search area and speed up the search.

Of course, Chen Xiaobei also had a God's eye talisman in his hand.

He had obtained it from the storage bracelet of Yang Wenhui, the reincarnation ancient immortal, a long time ago.

If Chen Wu er had used the God's Eye talisman, he would have been able to lock onto that person.

However, if that person took it away, there would be no second God's eye talisman.

After all, this was the Hong Meng demonic realm. He could not connect to the merit record. So, Chen Xiaobei only had one God's eye talisman. He had to use it carefully!

It was precisely because of this that the group searched forward first. If they could find the target, it would naturally be the best.

If he really could not find it, Chen Xiaobei could always use the God's Eye talisman!

“Bro bei ... I'm scared ...”

Xia Yilian bit her lips like a frightened kitten and stuck to Chen Xiaobei.

“You and Lingshi, follow me from behind! If there's any danger, I'll naturally protect you!”

Chen Xiaobei was using his golden gaze fiery eyes to search for clues. Xia Yilian was sticking to him all the time, and it was very inconvenient.

“Yi Lian! Come here, big sister can protect you!” Yan Lingshi also said in a deep voice.

No... I’m scared ... Xia Yilian’s face was full of grievance. Tears were already welling up in her eyes, but she refused to let Chen Xiaobei go.

Chen Xiaobei and Yan Lingshi did not know how to chide her when they saw how weak and pitiful she looked.

If she didn’t threaten him with her life, why would he bring her along?

.....

An hour later.

Everyone gathered again.

bro bei ... I didn’t find anything on my side ... Huang sighed.

bro bei ... We’ve lost him too ... the soldiers said dejectedly.

don’t worry, I didn’t find anything. I guess I’ll have to use my secret weapon ... Chen Xiaobei shrugged. He was not in a hurry.

“Chi ... Chi ...”

However, at this moment, a figure flashed past in the dark forest in front of them.

“Bro bei! I saw her!” Xia Yilian was the first to scream, “quick!” Let’s go!”

“Alright!” Chen Xiaobei also saw a figure and was about to rush out.

“Wait!”

Yan Lingshi grabbed Chen Xiaobei and said, “I feel that something is wrong ... It’s a bad omen! A great ominous sign!”

“Alright! I know you mean well!”

Chen Xiaobei composed himself and said, “But I have to find her! Even if I die without a burial place, I’ll still go, let alone some Bullsh * t ominous sign!”

“Whoosh!”

After that, Chen Xiaobei dashed out.

“Bro bei, wait for me!”

Xia Yilian had to keep an eye on Chen Xiaobei, so she followed him.

“Hurry up! Everyone, hurry up!”

Old Wang and old Huang called out to each other and led all the soldiers forward.

let's go too ... Yan Lingshi furrowed her brows slightly and stepped forward.

"Miss Yan ..."

Cang Tian 'ao hesitated for a moment before asking, "What do you think is inappropriate?"

"What's wrong? You've noticed it too?"

Yan Lingshi frowned and said, "that figure's first appearance could be said to be a coincidence, but he appeared in front of us again this time!" I'm afraid this is intentional!"

"Yup!"

yes! Cang Tian 'ao nodded and said, " since she didn't want us to find her the first time she appeared, she shouldn't have appeared in front of me again!

"Since it has appeared again, there is only one possibility!"

Yan Lingshi's eyes narrowed as she said, "she's trying to lead us to a certain place!" Before that, she'll appear again and again, but we'll never catch her!"

"That's right!"

bro bei! Cang tianao frowned and said, " bro bei is too anxious to find someone. He's already lost his mind! It's such an obvious trap, and you didn't even see it ..."

"I can understand his feelings ..."

Yan Lingshi pursed her red lips and said in a deep voice, my heart is filled with my true love, and I can't calm down even for a moment. How can I calm down? "

"Miss Yan, why do you sound jealous?" Cang Tian 'ao teased.

"Don't talk nonsense!"

no! Yan Lingshi shook her head decisively. I'm just admiring bro bei's infatuation. I've never thought of anything else!

"Alright, back to the main topic!"

" calm down! Cang tianao said, " since you and I have both noticed the problem, we have to think of a way to calm bro bei down!

"I can't ..."

Yan Lingshi shook her head. Her beautiful eyes were filled with complicated emotions."What is love in the world ... It's only called the promise of life and death ..."

After saying that, she silently quickened her pace and caught up with him.

"A promise of life and death?"

"I can't let bro bei die!" Cang tianao was stunned. The demon ancestor is still waiting for him to rescue him!"

With this in mind, Cang tianao focused his attention and chased after him.

.....

As expected, what happened after that was exactly as Yan Lingshi and Cang tianao had analyzed.

No one could catch up to that figure.

However, the figure would always appear out of nowhere and continue to lead Chen Xiaobei in pursuit.

In a short while, they had already reached the mountainside.

The danger had finally arrived!

whoosh ... Whoosh ... Whoosh ...

With the group as the center, a huge noise came from all directions.

It was as if thousands of soldiers and horses were charging towards them.

Countless birds in the forest were startled, and even the earth was trembling.

“Bro bei! We’ve been surrounded! I’m scared ... I’m scared ... Xia Yilian hugged Chen Xiaobei’s arm tightly and screamed nervously.

“I’ve told you! The Tian Lu mountain range was an unknown land of death! It would be strange if there was no danger!” Chen Xiaobei said, “You let me go! Protect yourself!”

okay ... Bro bei ... You have to protect me ... Xia Yilian finally let go of Chen Xiaobei.

Xia Yilian finally had the chance to find out more about Chen Xiaobei!

bro bei, be careful!

“Logically speaking, we should’ve encountered danger the moment we entered the mountain!” Yan Lingshi quickly reminded him. However, it was only at this moment that the danger erupted! This was most likely a plot set up by someone in secret! We can’t let our guard down!”

“Don’t worry!”

Chen Xiaobei’s eyes were locked on the front, his dark eyes exuding an unparalleled fighting spirit. “No matter what danger it is! I’ll take care of them all!”

“What if ... It’s a fatal danger?” Yan Lingshi’s fists were clenched so tightly that her nails were almost digging into her skin.

“If I can’t take it! You can escape on your own!”

Chen Xiaobei said, “This time, if I don’t see little Daji, I’ll rather die than retreat!”

Chapter 3447: Tian can demon Emperor

“Demon race! How could it be a demon?”

As the loud noises got closer, everyone finally saw the true face of the danger.

Tens of thousands of demons were rushing in from all directions.

It had sharp horns and bone spikes, dark blue rock-like rough skin, fangs like a tiger, and a hideous face!

In the Hong Meng Demon Realm, no one had even heard of the existence of this kind of demon race, let alone seen them.

“How could this be? How could there be Devils in the Hong Meng Demon Realm?” The 33 soldiers were dumbfounded. They could not believe their eyes.

we’ve been hunting for our entire lives, but we’ve never seen such a monster ... old Huang and old Wang were also extremely shocked.

“There’s a problem ... A big problem ...”

Yan Lingshi’s brows were tightly furrowed, and her heart was beating rapidly. Her intuition told her that this was an extremely dangerous tribulation!

Not only Chen Xiaobei, but everyone else present would be in a desperate situation!

Even the strongest person in the entire arena, Cang Tian ‘ao, felt uneasy. too strong ... These demons are all one-star celestial demons ... And I can also sense a tyrannical aura that’s on par with mine ...

At this thought, Cang tianao and Yan Lingshi could not help but look at each other.

It was obvious that the two of them had long felt that something was amiss.

Logically speaking, the sky Foothill mountain range was an unknown land of death. Even if the mountain was full of fiends, these fiends should also be scattered all over the mountain range!

When they entered the mountain, they didn’t see a single demon.

But at this moment, tens of thousands of otherworldly demons swarmed over. There was even a peak two-star otherworldly demon among them!

One could imagine! This was not a simple crisis!

Instead, it was a premeditated, well-prepared, and organized large-scale siege!

how could this be ... How could this be ...

Among the crowd, Xia Yilian’s emotions were undoubtedly the most complicated.

According to their agreement, hou Qingfeng and Sheng kuangzhan would only make their move after Xia Yilian had found out more about Chen Xiaobei.

It meant that the otherworldly demons were not hou Qingfeng’s men!

This way, if Chen Xiaobei could not handle it, she, Xia Yilian, would die on the spot!

To her, this was like a bolt from the blue, instantly making her body and mind tremble, and cold sweat broke out.

“Bro bei, you must be careful! You must defeat the enemy ... I don’t want to die ... I don’t want to die ...”

Xia Yilian begged, worried for Chen Xiaobei from the bottom of her heart.

Once Chen Xiaobei died, she would die as well! All his ambitions and dreams would be gone.

“Everyone, gather together, don’t panic! I will naturally deal with these things!”

Chen Xiaobei had enough spiritual stones and a trump card. He did not need to fear these otherworldly demons.

Of course, this did not include the demon Emperor who was on the same level as Cang Tian ao!

“What big words!”

A sneer was heard, and the tens of thousands of otherworldly demons stopped and knelt on one knee.

Everyone looked in the direction of the voice.

Immediately, he saw a huge Tiger walking towards him.

The Tiger was a hundred meters long, and its mane was like sharp arrows. The sharp claws under its four feet were all golden in color, and behind it, its twenty-meter-long tail was covered with bone spikes!

Moreover, these bone spikes were emitting a dark green Yin light. They were obviously highly toxic, and it was definitely not a problem to kill them on sight!

“You animal! That’s the animal that ate my son!”

At this moment, Lao Wang lost control of his emotions. He clenched his weapon tightly and charged toward the giant Tiger.

“Old Wang, don’t be rash ...”

Chen Xiaobei quickly stopped her.

Unfortunately, old Wang was not by Chen Xiaobei’s side, and his actions were too sudden.

By the time Chen Xiaobei and the others realized what was going on, old Wang had already run far away.

There was no doubt that old Wang had been suffering from pain relief after losing his son for a full ten years! To a father, this was definitely the most unbearable torture!

At that moment, his enemy was right in front of him, and Lao Wang’s emotions instantly went out of control.

Even though he was only an early one-star heaven immortal, which was three small realms lower than the giant Tiger, Lao Wang still charged forward without a care!

Although he was impulsive, he let everyone see what it meant to have a father’s love like a mountain!

“Swish!”

In such a situation, impulsiveness was definitely the most fatal action!

A long metal whip suddenly lashed out from the Golden-clawed Tiger's head!

"Swish ..."

As the whip swept past, Lao Wang's body and magical body exploded at the same time. Even his soul was instantly torn to pieces by the huge force!

The metal whip, which was supported by celestial core power, did not even let go of Lao Wang's primordial spirit! With one strike, he had completely wiped out all of old Wang's life force!

"Old Wang!"

Everyone on Chen Xiaobei's side felt a sharp pain in their chest.

Although they had not known each other for a long time, they had already become comrades.

Old Wang did not speak much, and he was not a hero. He had bravely charged into the Tian Lu mountain range for his son, and this made everyone admire him.

His death had a strong impact on everyone's hearts.

Especially Chen Xiaobei, who had always been a loyal person. He would never let his own people get hurt.

Death! This was something that Chen Xiaobei could not accept!

"Who did it? Stand out!"

Chen Xiaobei let out an angry roar, his eyes locked on to the Golden-clawed Tiger's head.

It was obvious!

The Golden-clawed Giant Tiger was only a peak one-star SkyDemon!

The demon Emperor, who was on the same level as Cang tianao, was standing on the head of the giant Tiger!

It was a man with a face as pale as paper and a body as thin as a stick!

No!

To be precise, he was also a demon!

However, it was not tall enough before and had already taken on a human form!

The iron whip he had used was not a weapon, but a tentacle on his arm!

There were dozens of such tentacles, densely packed together. It was extremely terrifying!

"How stupid! Ant-like trash, how dare you offend me, Tian can demon Emperor? Hehe ..."

The emaciated man laughed coldly and looked down at the crowd. "You are the ones looking for the demonic Fire Red Lotus imprint, right?"

"You ... How did you know?"

Chen Xiaobei suddenly felt that things were not as simple as they seemed.

“Whoosh ...”

With a thought, a woman appeared in front of the Tian can demon Emperor!

This figure was the one that Chen Xiaobei had been looking for, the woman with the Red Lotus mark on her hand!

“So, this was all part of your scheme!”

Chen Xiaobei suddenly felt a chill in his heart, and his pupils shrank.

Chen Xiaobei had always been the one scheming against others, but this time, Chen Xiaobei’s every move was within the tiancan demon Emperor’s calculations!

More importantly, Chen Xiaobei did not even notice that he had walked into the trap!

To Chen Xiaobei, this was a huge mistake he had never made!

And this trip to the Tian Lu mountain would definitely become an unprecedented disaster!

In fact, it might really be as Yan Lingshi said!

It would be life-threatening!

[Red Envelope Group of the Three Realms](#)

Chapter 3448: scheming

“Heh, you’re really stupid! You only realized now that you’ve been tricked!”

“You’re in such a hurry to find someone that you’ve revealed many flaws that you shouldn’t have!” The Tian can demon Emperor sneered. I believed a lot of people I shouldn’t have!”

hiss ... as soon as he said this, Xia Yilian couldn’t help but gasp.

“It’s those three coitus faction bitches who betrayed me!” Chen Xiaobei calmed down, but he was still as intelligent as ever.

“Heh, it seems that you’re not that stupid to the point of being incurable!”

“The coitus faction is searching for women with the Red Lotus mark in the entire hehuang region!” Demon Emperor Tian can said indifferently. After I received the news, I personally captured their three Palace Masters!”

these three women have no backbone at all. I didn’t even threaten them, and they told me everything about you in one breath. They were even willing to cooperate with me and call you over!

“If you believe in this b * tch, who will die if you don’t?” The Tian can demon Emperor laughed.

“Where are they? I want to personally make them die without a burial place!” Chen Xiaobei was already furious because of old Wang’s death, and now that he was betrayed by the three old hags, he was even angrier.

“Don’t worry, I’m not like you!”

The Tian can demon Emperor laughed coldly and said, “Although those three b * tches want to be loyal to me, I’d rather believe a dog than them! I’ll directly destroy their primordial spirits and make them disappear completely!”

this ... Chen Xiaobei was taken aback. He suddenly felt that the enemy in front of him was too terrifying.

Smart! Sinister! And he was decisive in his killing!

So far, Chen Xiaobei had not found any weakness in this guy, let alone a way to break out of this situation.

“Your cultivation is too weak. I’ll deal with you later!”

The Tian can demon Emperor’s eyes narrowed as he looked at Cang Tian ao and said coldly.

“Blue Wolf Emperor! In this situation, I’ll give you two choices!”

The Tian can demon Emperor said arrogantly, “first, submit to me and the Cang clan will not be destroyed!” The second is to fight with me and die without a burial place with honor and faith!”

“What? You’re the blue Wolf Emperor?” Everyone was shocked.

Xia Yilian, old Huang, and the 33 soldiers did not know that the man who had been following Chen Xiaobei was the southern Overlord of the Hong Meng Huang domain!

Obviously.

Cang tianao’s identity, Chen Xiaobei’s cultivation, and Yan Lingshi’s appearance were all told to the Tian can demon Emperor by the three old demonic hags from joyous Union Palace.

“Swish!”

Cang tianao tore off the human skin mask on his face and glared at him, “Do you think I’ll submit to you like those three b * tches? That’s a big mistake!”

“Heh, I knew you would say that!”

you’re willing to lower yourself for the sake of your faith and follow a lowly brat. This is enough to prove your devotion and pride! the Tian can demon Emperor sneered.

“Since you already know, then don’t waste your breath!”

Cang Tian ao was full of fighting spirit and said with his blood boiling, “Let’s fight directly! Do you think I, Cang Tian ‘ao, would be afraid of you when we’re at the same level?”

“That’s right, a battle of the same rank!”

The Tian can demon Emperor smiled and said, “But you seem to have forgotten that this is my territory!”

“So what?” Cang Tian ao’s eyes narrowed as he tried to probe the other party.

However, the Tian can demon Emperor only smiled confidently and did not reveal any details. "Won't you know if you try?"

"Bro bei ..."

Cang tianao lowered his voice and said, "The other party is definitely prepared, so I'm most likely going to lose! Furthermore, those three coitus faction bitches must have told this devil Emperor about the matter of the primordial chaos demonic flame! Therefore, even if you make a move, I'm afraid it'll be difficult for you to win!"

I've thought of everything you've just said ... now it seems like I can only seek outside help!

we thought of the same thing ... Cang Tian ao said in a low voice, "I'll try my best to stall for time. You find a way to get out of the mountain and ask Emperor Duanmu to help! Then, we'll ask the TU family's Emperor Lord to come over through the teleportation array ..."

"What are you guys mumbling about?"

Tian can demon Emperor squinted his eyes and sneered, "Let me guess! You guys must be discussing about getting reinforcements, right?"

Chen Xiaobei and Cang tianao's faces changed.

"Don't be naive!"

The Tian can demon Emperor said confidently, "I used the illusion of a young girl to lead you here to prevent you from calling for reinforcements!"

"A two-star Peak heaven immortal bewildering formation has been activated in this area. You can't get out! Moreover, he couldn't even use his communication magic treasure! So, stop fantasizing!"

"This ..."

Chen Xiaobei and Cang tianao were stunned. Their only hope of getting out of this situation had been destroyed.

"Come on! The proud heaven! Don't think blindly! Since you want to fight, I'll fight you to my heart's content!"

The Tian can demon Emperor jumped off the Tiger's head. Like a demon descending from the heavens, it exuded a disdainful and terrifying pressure that brought along disasters!

"Come!"

Cang tianao knew that there was no point in retreating. He could only find a chance of survival if he fought.

"Delay them! I'll think of a way to break out!" Chen Xiaobei quickly said.

"Chi ..."

Cang tianao rushed into the air and faced the Tian can demon Emperor.

“Hualala ...”

The Tian can demon Emperor raised his arms, and dozens of purple metal tentacles started to shake like snakes.

At the same time, the celestial core power of a peak two-star heaven immortal was instantly added to each tentacle, and it exuded an extremely terrifying power.

Whoosh ... Whoosh ...

What was even more terrifying was that the tens of thousands of mountain demons around them were emitting blood-red gas, which rushed toward the Tian can demon Emperor as if they were giving him extra power.

this ... This is the blood spirit sacrifice!?

Cang tianao was shocked, “no wonder you have the confidence to defeat me!” It’s not even afraid of the primordial demonic flame!”

“Since I dared to lure you here, I’ll naturally make full preparations!”

The Tian can demon Emperor sneered and said, “the grandmist demonic flame in that kid’s hand is connected to the energy law of the grandmist Demon Realm.” However, what I’m using now is the blood spirit secret technique that originated from the demon race! It has nothing to do with natural energy and is completely unaffected by his primordial demonic flame!”

“Whoosh ...”

As he spoke, the Tian can demon Emperor’s power continued to rise. It had increased by 30%.

In the same realm, even if Cang tianao transformed into his Demon God form, his combat power would only increase by ten percent. He was no match for the Tian can demon Emperor.

”

But no matter what, Cang tianao would never betray his faith!

With a roar, he transformed into a giant wolf with silver fur. He activated his celestial core power to the maximum and pounced at the Tian can demon Emperor.

“Bro bei ...”

Yan Lingshi quietly tugged at Chen Xiaobei’s sleeve.

[Red Envelope Group of the Three Realms](#)

Chapter 3449: rather die than submit

“Why?”

Chen Xiaobei’s heart was in his throat, and his tone was heavy.

“I have a way to contact the outside world ...” He said.

Yan Lingshi said in a low voice.

“How is this possible?”

Chen Xiaobei was confused, “ this place is surrounded by a two-star Peak heaven immortal bewildering formation ... We can’t get out. Even the signal of our communication magic treasures is blocked ...

“The level of this formation is just average. As long as the level of the communication treasure is higher than the level of the formation, we can contact the outside world without any interference!” Yan Lingshi said.

Obviously, Chen Xiaobei and Cang tianao had long guessed that Yan Lingshi was not from the yellow domain. She was most likely from the dark domain or even the heavenly domain.

Therefore, it was completely reasonable for Yan Lingshi to have a higher-grade communication Dharma Treasure!

Chen Xiaobei’s eyes lit up. “If that’s the case, then quickly hide among the soldiers and secretly contact Duanmu Baoshu. Ask his father to come as soon as possible to help ... Uh ...”

“Boom boom boom ...”

Before Chen Xiaobei could finish his sentence, the two leaders had already started to fight.

Both Cang tianao and Tian can demon Emperor were peak two-star heaven immortal experts.

In a life-and-death battle, one had to use all their strength. Two terrifying celestial core powers collided like two planets, creating a terrifying impact.

Even though Chen Xiaobei had a two-star divine immortal body, he was still shaken to the core and almost fell.

The surrounding people were in a miserable state. They were directly shaken off their feet and even felt dizzy.

If it wasn’t for Cang Tian ao blocking most of the power, everyone would have been killed by the aftermath of the collision.

This was the power of a celestial immortal!

It was a completely different level from an earth immortal!

Chen Xiaobei’s pupils constricted and his heart tightened. Even if he used all his trump cards, he would not be able to withstand the demonic Emperor’s attack.

“Bang ...”

After the first confrontation, the problems that everyone was worried about were immediately exposed.

Cang tianao’s huge Wolf demon body was sent flying, crushing a large number of trees.

“Pfft ...”

Although he could still stand up and fight, Cang Tian ao was already spitting out blood and was badly injured.

In this world, strength was Supreme!

The difference in power was the iron rule and truth!

Without equal strength, defeat was only a matter of time!

“Quick ... Lingshi! Quickly call for reinforcements!”

Chen Xiaobei quickly helped Yan Lingshi up.

“No...”

no! Yan Lingshi shook her head. Emperor Duanmu’s strength is on par with Cang tianao’s. Even if the two of them work together, they might not win!

“This ...”

Chen Xiaobei frowned and sighed. that’s right ... Even with the TU family Emperor, I’m afraid it’s still not enough ... After all, this is the territory of the Tian can demon Emperor. I’m afraid he still has some hidden cards!

He was helpless!

He felt extremely helpless!

In the earth-god Realm, Chen Xiaobei could do whatever he wanted, but in the face of a true sky immortal, his previous power was insignificant.

This was only the Hong Meng Demon Realm!

If he went to the heaven realm, the dangers he would face would be countless times more terrifying!

He was not strong enough!

I have to become stronger!

Chen Xiaobei was screaming in his heart.

However ...

At this moment, they were already in a dead end. If they couldn’t break out of this situation, everything would come to an end, let alone becoming stronger!

However, how could he break out of this situation?

Rahu’s special ability could only be used on enemies whose cultivation base was not higher than his.

However, even the tens of thousands of soldiers in the surroundings were one-star skyfiends.

Taiyi’s power could be used beyond his level.

However, the enemies were all demons, so the effect of suppressing all the other races was minimal, or even almost zero.

In the verdant Emperor's divine gourd, there were thirty million golden armor dark spiders and two billion demonic soldiers.

However, their ranks were too low.

Now that they were in the forest and surrounded by tens of thousands of otherworldly demons, if they released the gold-armored dark spiders and the demon Army, they would be massacred by the otherworldly demons before they could even form a battle formation!

One had to know that these were tens of thousands of one-star celestial demons! He could even fight against heavenly troops and generals!

After the gold armored mysterious Spider broke through a minor realm, it was only a four-star earth-god! The two billion demonic Army had even lower cultivation levels. They were one-star and two-star earth-god level!

There was no way Chen Xiaobei could send the gold-armored darkspider and his Army to their deaths when facing tens of thousands of one-star otherworldly demons!

Nine luminaries hell cutting saber, middle-stage two-star heaven immortal. The chaos Blood Sword was an early two-star heaven immortal. Black saber demonic Dragon tribulation, " heaven imprisoning painting of the northern Mystic, " peak one-star heaven immortal.

Any trump card was not enough to resolve this deadly situation!

"Bro bei ..."

Yan Lingshi could see Chen Xiaobei's struggle. She pursed her lips and said, " I can call for help to break this situation, but if we break this situation, you may be in greater danger!"

"Why ... Why is that?" Chen Xiaobei asked.

"I don't want to go into detail ..."

Yan Lingshi's brows furrowed slightly. just remember, " she said. later on, kneel on the ground and don't look up. I'll try my best to put in a good word for you ...

"I can roughly understand ..."

Chen Xiaobei frowned and asked, " you mean, the reinforcement you called in is an extremely terrifying figure. If I want to live, I have to kneel in front of him and you have to put in a good word for me? "

I know this is a little difficult, but this is the only way I can think of to break out of this situation ... Yan Lingshi persuaded in a low voice, " a man knows when to yield and when to stretch. Only by enduring the humiliation of being under one's crotch can he rise again!

"Absolutely not!"

Chen Xiaobei said with determination, " I appreciate your good intentions! You can ask that person to save you, but I will never kneel before him!"

"Do you think I want him to save me ..."

Yan Lingshi smiled bitterly and said, "I ran to the yellow domain to avoid him ... If you don't kneel, everyone here will die! Moreover, your body will be destroyed, and you will never be reincarnated!"

"Boom boom boom ..."

At the same time, there was another explosion and Cang Tian ao was once again sent flying. Blood flowed from his mouth and his injuries became more serious.

"Bro bei! "Cang Tian ao can't hold on much longer ..." Yan Lingshi said anxiously. "As long as you kneel, I will definitely protect you from death!"

"No... Absolutely not!" Without even blinking, Chen Xiaobei took out the nine luminaries hell cutting saber. "I'd rather die standing than live kneeling!"

this ... Yan Lingshi's expression froze, and her heart was deeply touched.

She did not know when she started to have a good impression of Chen Xiaobei.

And at this moment, this favorable impression of him soared.

She liked men who were unyielding and would rather die than bend.

This was also a kind of dominance! It was a charm that only belonged to Chen Xiaobei!

"Proud heaven! I'll help you!"

Chen Xiaobei shouted. He would fight to the end even if it meant giving it his all.

Chapter 3450: Oriole behind

bro bei ... Don't come near me ... Cough cough ...

Cang Tian ao fell to the ground and coughed out a lot of blood, " "I can't hold on any longer ... You ... You have to find a way to escape ..."

Without any hesitation, Chen Xiaobei rushed to Cang tianao's side and said, " "I'm fine! Believe me! If we work together, we can definitely hold on!"

"Hold on? What are you holding on to?"

you're courting death! Tian can demon Emperor sneered, " even if you gather all the emperors of the yellow region, don't even think about living in my territory!

Just as Chen Xiaobei had thought, the Tian can demon Emperor was an unprecedented enemy!

His plan was perfect, and he had a powerful trump card!

The surrounding bewildering formation most likely had an attack power! Moreover, these tens of thousands of mountain demons could also form a powerful battle formation at the peak of two-star heaven immortal level.

Even if they gathered all four great emperors, it would be hard for them to escape.

Asking for help would only bring harm to the Emperor. So, Chen Xiaobei had to fight on his own, not wanting to drag Emperor Duanmu and the Emperor of the TU family down with him.

“I know you’re very strong!”

Chen Xiaobei said, “However, we have to fight to the death! You want me to kneel and surrender? no way!”

“Heh, actually, I didn’t draw you here to kill you! Instead, he has his eyes on the primordial chaos demonic flame in your hands!”

hehe! Tian can demon Emperor sneered. as long as you hand over the primordial demonic flame and accept my demonization, I’m willing to recruit you and train you!

The Tian can demon Emperor had no enmity with Chen Xiaobei.

It was because of the three coitus faction old hags who told him about the primordial demonic fire that the tiancan demonic Emperor started to plot against Chen Xiaobei.

“Stop dreaming!”

Chen Xiaobei did not hesitate and said, “If you had said that you wanted the grandmist demonic flame from the start, I might have had a chat with you! But now, you’ve killed old Wang, which is the same as making me an enemy that will not rest until I die!”

“Heh, I gave you face, but you don’t want it! Since that’s the case, then die!” The Tian can demon Emperor was not a kind person.

It was just that after seeing Chen Xiaobei’s heroic spirit, she suddenly wanted to demonize him and recruit him.

Since Chen Xiaobei did not appreciate his kindness, the Tian can demon Emperor would not show any mercy.

bro bei, run! You’re not his match!

Cang tianao panicked on the spot.

With his cultivation, he was already heavily injured after two to three rounds. If Chen Xiaobei were to fight him, wouldn’t he be killed in one hit?

“Eat this ...”

Chen Xiaobei then took out a blood-red fruit.

That’s right!

This was the one-star divine fruit, blood Bodhi!

Obviously, Chen Xiaobei knew that he was not strong enough to fight against the crippled demon Emperor. He only had a chance of survival if he joined forces with Cang tianao.

“What’s wrong? You’re already at death’s door and you still want to heal your injuries and fight again?”

Seeing this, the Tian can demon Emperor laughed. "Do you think I'll wait for half a month before making my move? What a joke!"

It was obvious that healing was not something that could be done in a short time.

From Tian can demon Emperor's perspective, Cang Tian ao would need at least ten days to half a month to recover from such a serious injury, no matter how powerful the pill was.

It was really stupid to heal in the middle of a battle like this.

"Phew ... It's a good tie ..."

However, just as Cang Tian ao consumed the blood Bodhi, his complexion instantly turned for the better. Furthermore, the injuries on his body also recovered at an extremely fast speed.

Not only that, the celestial core power that Cang Tian ao had just used up was completely replenished, and he was instantly restored to his best state.

No!

To be precise, Cang Tian ao had never felt so good in his entire life!

At this moment, Cang Tian ao even felt that he had reached an unprecedented peak in his life!

"Chi ..."

Cang tianao stood up and looked at Chen Xiaobei in surprise. "Bro bei, what did you give me? Not only have my injuries completely healed, I've never felt so good before!"

"Blood Bodhi!"

no! Chen Xiaobei said, " anyone below God-tier will be healed!

how ... How is this possible?!

Everyone was shocked.

He would never have thought that Chen Xiaobei would be able to take out such a divine item.

Cang tianao couldn't help but swallow his saliva.

Yan Lingshi and the others were even more dumbfounded.

The Tian can demon Emperor's face turned red as if he had been slapped.

A second ago, he was laughed at by Chen Xiaobei, but the next second, Cang tianao had completely recovered.

Healing in the face of battle was not foolish, but heaven-defying!

"Very good! Little brat! You've really surprised me!"

The Tian can demon Emperor looked at Chen Xiaobei with interest and said, " I didn't expect that you not only have the grandmist demonic flame, but also a two-star heaven immortal artifact, and even a divine item! I've really picked up a treasure by luring you here!"

“Picked up a treasure?”

“I’m afraid that you won’t be able to spend the money even if you pick it up!”

“Heh, what big words!”

The Tian can demon Emperor laughed in disdain, “even if you can cure Cang Tian ‘ao, so what if the two of you join forces?” Are you going to fly out of my Five Finger Mountain?”

“Whoosh ...”

As soon as he finished speaking, the Tian can demon Emperor channeled his celestial core power and added it to his metal tentacles.

The battle was about to start.

Everyone’s nerves were tense.

No one noticed that Xia Yilian, who had been shouting that she was afraid, had not made a sound for a long time.

Hiding behind the crowd, Xia Yilian was secretly sending the conversation to hou Qingfeng with a communication magical treasure.

Obviously, Xia Yilian had been inspired by Yan Lingshi.

Hou Qingfeng had given her a three-star heaven-immortal level communication Dharma Treasure, which was one level higher than the surrounding maze.

Because of this, Xia Yilian immediately sent out the news.

After all, Xia Yilian thought that Chen Xiaobei and Cang tianao would definitely lose, and she would be buried with them.

If she wanted to live, the only way was to summon hou Qingfeng.

That was because hou Qingfeng was a three-star sky demon of the earth realm. He was more than enough to deal with the crippled demon Emperor and Chen Xiaobei’s people.

.....

Hong Meng Huang domain, the Sheng family’s imperial capital.

“Did you hear that?”

Hou Qingfeng was sitting on a luxurious throne. He was extremely excited. “Primordial chaos demonic flame! A God-tier item! I didn’t expect that kid to have so many good things on him!”

“Congratulations, Lord Marquis!”

Sheng kuangzhan was all smiles. the tiancan demon Emperor is like the Mantis stalking the cicada. You’re the Oriole behind him, my Lord. All the benefits will belong to you, my Lord.

“Well said!”

Hou Qingfeng was excited, 'that kid has so many good things, but his cultivation is not as good as the tiancan demon Emperor? If I had known earlier, I would have killed him in the Xia family!"

"It doesn't matter if I kill him earlier or later. He can't escape anyway!" Sheng kuangzhan sneered, "I'll go and mobilize the troops now!" We can set off at any time!"

"Your soldiers don't need to go!"

I'll bring the Ling Kong quintet with me, " hou Qingfeng said with a smile. they'll be enough!
