Chapter 3751: -new Saint

[Nuwa: in theory!] When senior brother Tongtian was not here, the six of us heavenly path sages joined forces and were infinitely close to calculating the movement of mo Luo Wu Tian! If another heavenly path Saint joined in, they would definitely be able to divine your existence!

Chen Xiaobei: There were two sides to everything! Fortune and misfortune are unpredictable! I originally thought that getting the demonic imprint would be a great surprise! But now, it seemed like a huge catastrophe!

[Nuwa: yes!] That's why I was in a hurry to find you! It's to remind you that mo Luo Wutian will definitely tell everyone that you're still alive. The appearance of the eighth heavenly path Saint will push you into a desperate situation!

Chen Xiaobei: When would he become a saint?

[Nuwa: as far as I know, it should be the demon master Kunpeng!]

Chen Xiaobei thought, kun Peng? That damn traitor! He was actually about to become a saint!

When he saw the words 'kun Peng, the demonic master', Chen Xiaobei's emotions were stirred up. He was even filled with anger.

The matter had to be traced back to the second immeasurable catastrophe.

At that time, the heavenly court of the demon tribe established by Emperor Taiyi and the Wu tribe led by the twelve ancestors of sorcery all posed a threat to the way of heaven. Therefore, they were schemed by the way of heaven and broke out in an abnormal space war.

This battle was the second measureless cataclysm!

Originally, Taiyi had the bell of the East Emperor, the Emperor had the book of Luo and the river diagram, the demon race had tens of thousands of races that submitted to them, and the nine demonic sages. They had the absolute advantage in the war!

Under normal circumstances, the demon tribe would win and the Sorcerer tribe would surrender.

The final result was that the war was over, the casualties were minimized, and the damage to the mainland was also minimized.

However, the stronger the demon race would become, the greater the threat they would pose to the heavenly Dao.

Therefore, the heavenly Dao would never allow such an outcome to happen.

At the most critical moment of the war, the way of heaven instructed the demon master Kunpeng, the head of the nine pillars of the heavenly court of the demon tribe, to steal the book of Luo and the river diagram and break Emperor Jun's cosmic stars formation!

Thus, Emperor Jun and the three ancestors of sorcery died together!

After losing his strong support, Taiyi was besieged by the eight ancestors of sorcery. Even with the bell of chaos, he was still forced to die with them.

Just like that, the war between the Sorcerer tribe and the demon tribe developed to a point where no one would stop until one of them was dead. As a result, the two powerful tribes that once dominated the universe were completely annihilated in the second immeasurable catastrophe!

And the mastermind behind all this was the heavenly Dao!

And the demon master kun Peng was the Lackey of the heavenly Dao! He was the most crucial hidden chess piece in this calamity!

Chen Xiaobei was closely connected to Taiyi and the Wu tribe. He hated kun Peng, the shameless traitor who had caused the downfall of the two tribes!

Of course, then again!

Kun Peng was a traitor and was spurned by the demon race. He hid in the northern nether sea and didn't dare to come out. He didn't even dare to resist when zhenyuanzi snatched the river map of Luo!

However, Taiyi, Emperor Jun, and the twelve ancestors of sorcery all died miserably. Only Kunpeng survived and even passed the third immeasurable cultivation tribulation!

And this was the benefit of kun Peng submitting to the heavenly Dao!

He took a step further and could see what was before his eyes!

The eighth heavenly path Saint was actually the demon master kun Peng!

Nuwa agreed. It was him! During the second immeasurable cultivation tribulation, Kunpeng was already an eight-star Sage-to-be. He had hidden in the beiming youhai for billions of years and had grown into a peak-level Sage-to-be.

Chen Xiaobei: "so you're saying that as long as you reach the peak of the sage-to-be. With the approval of the heavenly axiom, you can break through to the next level and become a saint?"

Nuwa: It wasn't that simple! Although the heavenly Dao was powerful, it could not do as it pleased. In some aspects, the heavenly Dao was also restricted by certain rules!

[Nuwa: for example, becoming a Sage is not something that the heavenly Dao permits!] In addition to the cultivation of a peak-stage Sage-to-be, one also needed the Fortune of beheading the three corpses or the blessing of the immeasurable virtue to prove the way and become a Sage!

Chen Xiaobei: "if that's the case, then the kun Peng doesn't have the ability to split the three corpses. He doesn't have the blessing of the infinite public morality either. How can he prove his Dao?"

Nuwa, the Grand Wizard Houtu! He was the reincarnated ancient immortal chosen by the Kunpeng during the winter solstice festival!

Chen Xiaobei, Houtu?

Nuwa agreed. Back then, eleven of the twelve ancestors of sorcery had died with Taiyi Emperor Jun. Only Houtu had not participated in the battle!

[goddess nvywa: Houtu knew that the Wu tribe was at a disadvantage in the war. In order to give the Wu tribe a chance to survive, she sacrificed her own life and evolved the six paths of earth realm to complete the law of reincarnation and obtain infinite merits!]

Nuwa said, " that's why the souls of those who died in the war between the Sorcerer and demon can still enter the land. Otherwise, there wouldn't be twelve ancestors of sorcery and Eastern Emperor Taiyi in the winter solstice festival! This was the chance of survival that Houtu had exchanged her life for!

Chen Xiaobei: " you mean ... The kun Peng bastards want to take over Houtu's infinite public morality? " And then become a saint?

Nuwa agreed. In fact, the kun Peng did not want to take it by force! All of this was the arrangement of the heavenly Dao!

Chen Xiaobei:

[Nuwa: yes, it's the heavenly Dao's Secret scheme!] Otherwise, how could Kunpeng be chosen as the Grand Wizard Houtu in the winter solstice festival?

Chen Xiaobei: I thought it was strange. Houtu has infinite public morality, so why didn't the heavenly path Saints choose her? it turns out that she has long been appointed by the heavenly path to the kun Peng dog!

[Nuwa: Xiaobei, you don't have to worry too much about it. Whether it's beheading the three corpses to verify your Dao or to verify your Dao with merit, you'll still have to submit to the heavenly Dao in the end!] As the saying goes, when the heavenly Dao is destroyed, the Saints will no longer exist!

Nuwa thought, "we high and mighty Saints are actually just a bunch of dogs under the feet of the heavenly Dao!" In order to survive, they would not dare to defy the heavens!

Chen Xiaobei! Mother Nuwa, don't undervalue yourself! You are the same as my master, you have already seen the true face of the heavenly Dao. You are doing things that even dogs would not dare to do! One day, you will regain your freedom!

[Nuwa: we'll talk about the future in the future!] I just want to tell you that beheading the three corpses and proving your Dao with merits are not the paths you should take! Otherwise, you'll be like us, firmly controlled by the heavenly Dao!

Chen Xiaobei: My master pointed out two paths for me, both to prove the Dao with strength!

Nuwa: " yes, that's why during the winter solstice festival, senior brother Tongtian schemed against everyone except for Houtu. He only wanted to help you prove your Dao with your strength!

[Sifu's great kindness, I will never forget it!]

Nuwa said, "let's go back to kun Peng!" Because Houtu had ascended a long time ago, the kun Peng had been nibbling away at Houtu's infinite public morality. A long time had passed!

[Nuwa: if nothing goes wrong, the kun Peng will be able to obtain a perfect infinite virtue in nine days. That will be the day he becomes a Saint!]

“Nine days ...” Chen Xiaobei thought to himself, “that means that I won’t be able to live past the tenth day after mo Luo Wutian betrays me!”

[Nuwa: nothing is absolute!] Perhaps, there was still a way to break out of this situation!

[Chen Xiaobei: please enlighten me, goddess Nuwa!]

Red Envelope Group of the Three Realms

Chapter 3752: Stop him

3752 Stop him

[Nuwa: I’ve already calculated this carefully!] There would be two ways to break out of this situation!

[Nuwa: first, find a way to prevent the kun Peng from obtaining the complete infinite yang virtue within nine days!] However, this method was extremely dangerous!

[Nuwa: because the heavenly Dao is behind the kun Peng. No one would dare to help you in this matter!] You can only rely on yourself to face kun Peng, who is at the peak of the sage-to-be. His chances of winning were close to zero!

“I understand ... The heavenly axiom can’t track me down. But anyone who helps me will be found by the heavenly axiom and get killed!”

Chen Xiaobei: “ but, goddess Nuwa, don’t underestimate me. I’ve already taken down mo Luo Wutian. Kun Peng might not be undefeatable!

Nuwa: The kun Peng was different from mo Luo Wu Tian! Mo Luo Wu Tian wanted to become a saint, that’s why he had his eyes on the wizard ancestor’s corpse, that’s why he fell into your trap!

Nuwa thought, “however, the kun Peng has already become a Sage!” He doesn’t need you, and he will never trust you! It was almost impossible to scheme against him!

[what lady Nuwa said makes sense. So, what’s the second method?] Chen Xiaobei thought.

[Nuwa: the second method depends on whether or not mo Luo Wutian’s will is strong enough!]

Chen Xiaobei-the will of mo Luo Wu Tian? Against the heavens and against the Dao?

Nuwa agreed. The ultimate goal of mo Luo Wu Tian was to overthrow the heavenly Dao and establish the Supreme devil Dao! If his will was strong enough, he would never submit to the heavenly Dao! Perhaps, I wouldn’t have betrayed you!

[so, you’re saying that if we see how much hatred mo Luo Wu Tian has for me, it’ll be able to cover up his faith in the demonic path?] If the hatred grows, he will definitely drag me down with him! If his faith was firm, he would not cooperate with the heavenly Dao!

[Nuwa: yes!] That's what I meant! This method was relatively safer! Of course, the risk was also greater! After all, there was a 50 – 50 chance of winning. No one could be sure what mo Luo Wutian would choose!

Chen Xiaobei, now that you've mentioned it, I've been reminded of something!

Nuwa asked, "why do you say so?"

Chen Xiaobei thought, 'you probably don't know the characteristics of the marks of humanity and demonic!'

[Nuwa: it's not that I don't understand. I don't know at all!] In the entire universe, only you and Mo Luo Wu Tian have come into contact with these two imprints. Others have never seen them before and do not know the details!

Chen Xiaobei, let me tell you! When these two seals recognized their master, they would give him several harsh tests! Only by passing the test and having a strong Dao heart could one be recognized and become a mark true Lord!

Chen Xiaobei-my heart of humanity! It was the heart of the demonic Dao of mo Luo Wu Tian! They had all passed the test of life and death! They had long transcended life and death, and were incomparably firm and unshakeable!

Nuwa asked, "so you're saying that mo Luo Wutian won't betray his Dao heart of the devil Dao?" I won't betray you?

Chen Xiaobei thought, 'I wish he would betray me!' In this way, he would betray the demonic path and lose the recognition of the demonic mark! At that time, the demonic mark would really be ownerless!

Nuwa agreed, "yes!!!" (Sudden realization)

[Nuwa: with your determination to defy the heavens and the Dao, you will definitely be recognized by the demonic Dao's Mark!] At that time, you will become the new owner of the demonic mark! With the combination of the human and demon imprints, even if the kun Peng became a Saint, it would not be able to do anything to you!

[that's why I hope that mo Luo Wu Tian will betray me!] But in the end, it still depended on how he chose!

Nuwa thought, "mo Luo Wu Tian is a smart person!" Furthermore, he understood the characteristics of the demonic imprint very well! "Therefore, whatever you can think of, mo Luo Wutian will definitely be able to think of it too!

Chen Xiaobei: "that's right ... He must know that if he wants revenge, he has to betray the demonic path and lose the demonic mark! If you don't take revenge, you can't betray me! All in all, no matter what mo Luo Wutian chooses, it will be beneficial to me!

Nuwa agreed. If he chooses revenge, you will be able to subdue the demonic imprint! If he chose to endure, no one would know that you were still alive. Even if the kun Peng became a Saint, it would not divine you!

So, we don't have to worry about mo Luo Wu Tian now! Moreover, the old thief Yuanshi is going to catch him personally. I can't do anything even if I want to!

Nuwa asked, "do you mean you want to start from kun Peng?"

Chen Xiaobei: Right now, I'm in the middle of a vast ocean! Moreover, the sea water was bone-piercingly cold, and there was no living thing in the surroundings!

Nuwa asked, "you're in the beiming youhai?"

Chen Xiaobei, I don't know if this is the beiming youhai. However, I was brought here by the spatial turbulence. Perhaps it was due to luck that I was sent here!

[Nuwa: hide yourself first!] If he could see a Black Castle, it would be the northern nether sea!

Chen Xiaobei, "Black Castle?"

Chen Xiaobei then activated his golden gaze fiery eyes and the Jade divine light to look down.

What a coincidence!

In the middle of the ocean, Chen Xiaobei saw a squarish black shadow. It had distinct edges and corners, and its layout was exquisite. Was it not an underwater Castle?

Chen Xiaobei, 'I see it ... This is indeed beiming youhai!

Nuwa replied, "kun Peng is in the core of the castle!" During this time, he had been trying his best to devour Houtu's merits, and he would never leave her side!

Chen Xiaobei, is there anyone else in the castle?

Nuwa replied, "of course!" Kun Peng hid in the beiming youhai. On the surface, he appeared to be a coward. But in reality, he had been secretly cultivating his own power! His Army and his sect were in the Black Castle!

Nuwa said, "as far as I know, some of the disciples personally trained by Kunpeng have already reached the sage-to-be realm! Once the kun Peng became a Saint, his sect would immediately become one of the great saint sects! The northern nether sea would also be at its peak!

Chen Xiaobei thought to himself, 'as expected of an ancient demonic master! He was really too scheming! No wonder the heavenly Dao had chosen him as a hidden chess piece back then and now!

Nuwa agreed, "that's right ... Kun Peng's intelligence is definitely not inferior to anyone else's!" I even suspect that the Big Shot of the monster race you mentioned to me that wanted to replace me was kun Peng!

Chen Xiaobei: There was really such a possibility! With kun Peng's intelligence, he definitely had the ability to do anything he had done before! In addition, he had endured hardships for many years, and his ambition had already expanded countless times!

Chen Xiaobei: I must stop the kun Peng from becoming a saint! If he was allowed to succeed, he would definitely become an even more serious threat to mother Nuwa! At that time, he would be even more unscrupulous and might even cause the demon race to split!

[Nuwa: I know. You're doing this for my own good!] However, I suggest that you do not touch the kun Peng! Originally, the threat of mo Luo Wutian had already been eliminated. Provoking the kun Peng would only expose you!

Chen Xiaobei-of course I won't show him my real face! Even if the truth was revealed, he would not think of Chen Xiaobei!

[Nuwa: anyway, you must be extremely careful!] He would rather not go than take the risk!

Chen Xiaobei: " I know what I'm doing. Also, there's something else that I'd like you to take a look at. It's very important.

Red Envelope Group of the Three Realms

Chapter 3753: Dao heart

3753 Dao heart

[ding! You have sent a red packet to nüwa!]

Chen Xiaobei took out the ancient book that he had obtained from the extermination camp, stuffed it into a red envelope and sent it to lady Nuwa.

It was impossible to read the contents of this remnant volume, but the demon Army regarded it as a treasure in the treasure vault bracelet, so its value must be immeasurable.

Now that he could get in touch with goddess Nuwa, Chen Xiaobei wanted to use this opportunity to ask her.

Nuwa thought,"if I'm not wrong, this should be the legendary number one cultivation technique of the demon race, the" Saint demon Scripture "!" In the past, Luo Yi had relied on this technique to cut off his three corpses and was once comparable to Dao ancestor!

Chen Xiaobei: This remnant volume was really extraordinary! It's a pity that it's already so broken. Otherwise, I would definitely try to cultivate it!

[Nuwa: that's easy. You can ask luohou and you'll know the entire content of the Saint demon Scripture!] However, I can't be sure if cultivating the Saint demon Scripture will conflict with your original cultivation technique.

Chen Xiaobei-probably not! I have the mark of humanity in my body, the guiding blood essence, the world-ending sacred marrow, and the witch dragon's blood. I also cultivate the Scripture of heaven and earth!

Chen Xiaobei: Buddha! Devil! Shaman! Demon! Immortal! The elements of the six races gathered in my body without any rejection! It wouldn't affect him if he cultivated another Saint demon Scripture!

[Nuwa: I have to say, you're a big anomaly!] If he slowed down others, elemental rejection would more or less appear, which could damage their cultivation base or even cause Qi deviation! But you, not only did you not reject it, you even managed to fuse 10000 techniques into one, greatly increasing your strength!

I have a feeling that this is all thanks to the Scripture of heaven and earth! The core essence of the technique that master taught me is that it is invisible and can contain and give birth to all things!

that's why I can activate any type of ethereal force. That's why I can understand the five elements. That's why I can contain all kinds of Arts. That's why I have the opportunity to gather all six of my family members!

Nuwa thought, "according to what you said, senior brother Tongtian must have improved the Scripture of heaven and earth for you!" Before you, the Scripture of heaven and earth would conflict with the demonic elements! The two were like fire and water, unable to coexist!

Chen Xiaobei thought to himself, "so, what I'm cultivating is the upgraded version of the Scripture of heaven and earth?" Master has really put in a lot of effort. I'm really ashamed that I only discovered the secret of this cultivation method today ...

[Nuwa: the secret has already taken effect during your cultivation. It doesn't matter if you realize it or not!] You just need to do what you need to do, don't think too much about anything else, and don't feel ashamed!

Chen Xiaobei: The current situation is chaotic, I must concentrate on one thing and take every step well! "Otherwise, I won't regret my own death. If I fail to live up to master's expectations, I won't be able to die in peace!

[Nuwa: I'm sure senior brother Tongtian will be very pleased that you can think this way!]

Chen Xiaobei: " Oh right! I have another important question! This time, I've plotted against mo Luo Wu Tian and completely destroyed the passage between the demon Realm and the heaven realm! He even stopped the Great War between the demon and sorcerer!

Chen Xiaobei: " I want to know if the heavenly axiom will still give me merit points. Can I use this merit to exchange for my master's freedom?

Nuwa said, " I'm in charge of the merits record, but I didn't see any increase in your merits ... Perhaps the laws of merits in the ancient desolate land are self-contained. It won't be detected by the heavenly Dao, so it can't give you any merits!

[Nuwa: however, good and bad come together!] The heavenly Dao didn't give you any merit, which meant that it didn't know you were still alive! One merit in exchange for one's safety, this was not a bad deal!

Chen Xiaobei-I'd rather trade my safety for shizun's freedom!

[Nuwa: you're thinking too much!] I originally thought that you could use your merit to exchange for the freedom of senior brother Tongtian! However, the birth of the eighth Sage meant that the heavenly

Dao had completely given up on senior brother Tongtian! Even if you had enough merit, you wouldn't be able to save senior brother Tongtian!

Chen Xiaobei:

Chen Xiaobei was stunned when he saw the message.

If one thought carefully about what goddess nūwa said, one could see that the way of heaven no longer trusted sect leader Tongtian. That was why it supported Kunpeng to become a Sage and to replace sect leader Tongtian!

Moreover, the tribe of severity only existed in name, but Kunpeng had secretly established his own power, which was just enough to form a new great sage sect to balance the other great sage sects and achieve a better balance, so that no one could threaten the way of heaven.

If things really developed to this point, sect master Tongtian would be completely abandoned! The heavenly Dao might even get rid of sect master Tongtian if it was displeased!

Chen Xiaobei could not accept this result!

Chen Xiaobei-I have to stop the kun Peng from becoming a saint! Moreover, not only would he not be able to become a saint now, he would never be able to in the future!

[Nuwa: I understand how you're feeling right now. But, you must stay calm!] It was still the same. Kun Peng was very cautious and would not reveal any flaws! If you force yourself, you will only bring disaster upon yourself!

[thank you for your concern, lady Nuwa!] However, even if I die, I can't ignore my master's safety! I'm already in the beiming youhai!

Chen Xiaobei thought, 'if I back down now, my Dao heart will become a joke! He would not have any more achievements in the rest of his life! All of master's efforts and sacrifices would be completely wasted!

[Nuwa: if it really affects your Dao heart, then this tribulation will be a hurdle you can't avoid!] After crossing this threshold, you will advance by leaps and bounds, and reach another level! If he couldn't cross this hurdle, he wouldn't be able to do anything in the future!

Chen Xiaobei: So, I must go! Furthermore, he had to succeed!

[Nuwa: if that's the case, I won't try to persuade you anymore!] I can't help you with this, but if you have any questions, you can ask me!

Chen Xiaobei: Many thanks, mother Nuwa!

After that, Nuwa returned the Saint demon Scripture to Chen Xiaobei in a red envelope.

Chen Xiaobei used his Dharmakaya ability to transform into his golden-purple dragon form and headed toward the Black City at the bottom of the sea.

It was obvious that the kun Peng was a demon.

Chen Xiaobei's purplish-gold dragon body was extremely rare among the monsters. It was a very talented being. It should not be difficult for him to sneak into the city.

Furthermore, even if they were exposed, the other party would not know Chen Xiaobei's true identity.

After all, no one below the level of heavenly path Saint would be able to see the nature of Chen Xiaobei's Dharmakaya. This way, he would be safer.

Whoosh ... Whoosh ...

As he continued to dive, the Black City below gradually grew from small to large. It was no less than hundreds of millions of miles in length and width. It was extremely huge!

Around the city, there was a special array that isolated the seawater.

There were all kinds of demons in the city, and their numbers were huge. It could be said to be an underwater Empire.

Chen Xiaobei's appearance in the purple-gold dragon body caused a huge commotion.

Red Envelope Group of the Three Realms

Chapter 3754: It was her

3754 It was her

At this moment.

Chen Xiaobei was still in human form, but his body was covered in purple-gold dragon scales. He had fangs in his mouth and sharp claws on his hands and feet. His eyes were fierce and wild. He had become a full-blown demon!

In the past, whenever Chen Xiaobei went to some special cities, he would be stopped by the guards, and there would often be conflicts.

This time, however, Chen Xiaobei had received special treatment like never before.

The demonic soldiers had all reached the Xuan immortal stage, but they were very respectful to Chen Xiaobei, who was an eight-star celestial immortal. It was as if they were seeing their own father.

"May I ask who your esteemed self is? What business do you have in my Holy puppet city?"

The captain of the soldiers asked respectfully.

It was obvious that the fey attached great importance to the levels of bloodlines! Whether you are noble or lowly, it all depends on your bloodline!

Whether it was a Dragon or an insect, or a Phoenix or a chicken, there was a huge difference in status in the territory of the demon race!

Even though Chen Xiaobei's cultivation was low, he had the purple-gold Divine dragon's bloodline, which gave him a high status in this place.

Some of the water-kind would even worship Chen Xiaobei as a God of faith.

It was just like how Chen Xiaobei had used his identity as the Dragon ancestor's emissary to subdue many demons.

Of course, Chen Xiaobei could see that.

So, Chen Xiaobei put on a confident look and said, "My name is Xuan bei. I heard that the demon master kun Peng is establishing a sect here, so I'm here to visit!" He said.

"You've come at a bad time!"

"The demon master is in seclusion," the guard Captain said, "he won't see anyone before he comes out! Even the entire Yuan religion has been temporarily sealed off. Other than Yao Shi's six direct disciples, no one is allowed to enter or leave!"

"The yuan sect?" Chen Xiaobei was taken aback.

"You still don't know?" The guard Captain explained, "the sect established by the demon master was named the yuan religion!" There's a rumor that the demon master will become a saint in this immeasurable trial, and the yuan sect will be the new Saint sect!"

Yuan!

It was the beginning! They were the leaders! It was big!

Kun Peng named his sect with the word 'Yuan', which showed how ambitious he was. He even wanted to be the head of all the Saints!

What a big tone!

Chen Xiaobei's anger grew, but he did not show it on his face.

Chen Xiaobei was not convinced by anyone's acting skills!

"Since the demon master is in seclusion, I can enter the city and wait. I won't be rejected, right?" Chen Xiaobei asked.

"Of course I won't! If you wish to enter the city, we will welcome you!"

"The demon master has always liked to recruit talents," the guard Captain said. "A high-level divine bloodline like yours is usually an honored guest of the yuan religion! If you're willing, you can even become Yao master's seventh personal disciple!"

"Since that's the case, I'll wait in the city first. As for the rest, we'll talk about it after meeting the demon master!" Chen Xiaobei did not mention anything about becoming his disciple.

Of course, the captain of the guards could not see any flaws, so he did not doubt Chen Xiaobei's words. He opened the gate and watched Chen Xiaobei enter the city.

This entire underwater Empire was enveloped by a magic formation. Seawater would not enter, so walking in the city was no different from walking on land.

The only difference was that the light of the sun, moon, and stars shone on the land, while the light of this Empire under the sea came from that array.

When Chen Xiaobei entered the formation, he discovered something even more shocking.

“Such abundant spiritual Qi!”

Chen Xiaobei could not help but click his tongue in wonder. “The spiritual Qi here is even more abundant than in the heavenly court! Furthermore, it was extremely pure! The grade of the underground spiritual vein had probably reached the quasi-Sage level! There might even be more than one!”

This was definitely a huge discovery.

With so many spirit veins, the citizens and soldiers of the Empire would be able to enjoy an abundance of spirit Qi.

In this way, as long as they had enough time, their power would continue to grow.

No wonder even the guards at the city gate were all at the profound immortal stage! If they were the elite soldiers of the military camp, they could probably reach the realm of high-level Mystic Immortals and not lose to the heavenly court’s heavenly soldiers at all. In fact, they might even be better!

“After the second immeasurable catastrophe, kun Peng became a stray dog. He definitely doesn’t have the ability to gather so many quasi-Sage level spiritual veins! Even if they could gather, he wouldn’t be able to defend it! Just like how the book of Luo and the river map were snatched away by the immortal Zhenyuan, without the support of a powerful backer, I’m afraid this underwater Empire would have long changed hands!”

Chen Xiaobei thought to himself, ‘and the heavenly Dao is the one who is supporting kun Peng! He had already planned this and was secretly supporting kun Peng’s power! After kun Peng becomes stronger, he will become a better chess piece!’

“Right now, the Holy puppet city is already at the peak of its power, even better than the heavenly court! The yuan religion had also grown. Among the six direct disciples, there was already a Sage-to-be! Even if we can’t be number one for now, we’ll still have the confidence and backing to back us up!”

There was no doubt that the heavenly Dao was playing a very big game of chess. Moreover, it had already begun to plan for a long time.

According to the results of the previous three measureless cultivation tribulations, the heavenly Dao would definitely incite a war in the fourth measureless cultivation tribulation to weaken or directly destroy the forces that threatened it!

The Jie sect only existed in name! The demons were the first to bear the brunt!

Mo Luo Wu Tian had already fallen into the hands of Tian Dao, and the 27 devil Saints were also seriously injured. There were probably only a few who could escape from the hands of Tian Dao.

Once the cultivation tribulation came, even if the devil tribe was not completely exterminated, they would be suppressed like the Wu tribe. They could only hide somewhere and live an ignoble life.

“However, if it’s just to deal with a single demon! Is there a need for the heavenly Dao to play such a big game of chess?”

Chen Xiaobei frowned and hesitated. the demon race has always been regarded by the world as the source of evil. Even if the heavenly Dao doesn't plot anything, it can still justifiably eliminate the demon!

"In other words, the heavenly Dao's various schemes might not only be targeted at the demon race! In fact, he's not even a demon!"

Suddenly, Chen Xiaobei's imagination started to run wild.

"Could it be that there's a force that can threaten the heavenly Dao in a realm that we're completely unknown of? And this power was the power that the fourth measureless calamity really wanted to suppress and destroy! He's also the true target of the heavenly Dao's schemes!"

Although this was just Chen Xiaobei's guess, it could very well become reality!

In this way, the situation would become even more complicated.

"Little girl! Stop right there! I'm talking to you! Did you hear me?"

At this moment, an ear-piercing roar came from not far away. It was very arrogant and fierce.

Chen Xiaobei did not want to meddle in other people's business.

how could it be her?!

But when he looked over, Chen Xiaobei was surprised to find that the woman who had been shouted at by the murderer was an old acquaintance of his!

Red Envelope Group of the Three Realms

Chapter 3755: overbearing

The woman was extremely beautiful. Her face was so exquisite that there was no next time. Her figure was even more outstanding.

However, her temperament was very cold, and her eyes revealed the domineering sharpness of a superior. It gave people a sense of distance that they couldn't get close to.

The reason why there were still people looking for trouble with her was because her cultivation base was very low. It could even be said that her cultivation base was the lowest in the entire Holy puppet city, only at the early one-star heaven immortal realm.

It was because of this that the murderer dared to shout at her and even treated her with a completely commanding attitude.

"What are you doing?"

The woman looked at the other party coldly.

It was a red-skinned fire bull demon with sharp horns.

His skin was as hard as copper, and he was full of energy. It was clear that his bloodline and demonic beast talent were not bad.

However, his cultivation level was very ordinary. He was only at the one-star Mystic immortal realm and only dared to bully heaven Immortals. Nine out of ten people on the street were stronger than him.

“You stole my jade pendant, and you still ask me what I want?”

The fire bull demon rushed over aggressively. Its tall and strong body, like a small mountain, almost enveloped the woman.

“I’ve never even seen you before. When did I steal your jade pendant?”

The woman was a little annoyed, and there was a faint anger in her beautiful eyes. She had clearly been wronged.

“Which thief would admit that he stole something?”

The fire bull demon reached out a big hand to grab the woman in front of him. At the same time, he roared, “Come over here! I’m going to search your body!”

Anyone with a discerning eye could tell that if the woman had really stolen something, she would definitely feel guilty.

And if the fire bull demon really wanted to find the lost item, there was no need for a body search. It could be solved by force.

It was obvious that he was doing this to take advantage of the woman.

To put it bluntly, the fire bull demon was a lecherous person.

“Don’t touch me!”

The woman’s eyes were filled with disgust, as if she had seen a disgusting bug pouncing on her. She absolutely could not accept it.

But! How could the fire bull demon stop?

A thick and powerful hand grabbed the woman’s arm. The woman could not Dodge it, no matter if it was speed or strength.

“Swish!”

However, at this moment, a purple-gold shadow flashed by and took the woman several meters away. The fire bull demon didn’t touch her at all.

That’s right!

It was Chen Xiaobei!

In such a situation, only Ling jiuxiao could save him instantly!

“You are!?”

The woman leaned into Chen Xiaobei’s arms, but she did not seem to be repulsed at all. Instead, the cold glint in her beautiful eyes softened.

Obviously, she had seen the purple-gold dragon scales on Chen Xiaobei's body before, and she had already guessed his identity.

"Good Xianer! I'm Xuan bei! You can't recognize me?"

Chen Xiaobei was afraid that she would say his name, so he quickly reminded her.

Xianer!

Right! That's right!

This woman was none other than immortal dugu zang!

Looking at her cultivation, she should have just ascended not long ago.

However, why would she appear in the Holy puppet city was a big question.

Of course, when they were in the earth-god Realm, Chen Xiaobei had gone through thick and thin with her. They had absolute trust in each other, so the question would be answered later.

As for now, he had to deal with the fire bull demon first.

"You little brat! How dare you spoil my plans! I think you're tired of living!"

The fire bull demon roared and charged at Chen Xiaobei. It raised its fist and was ready to attack Chen Xiaobei.

That's strange!

Chen Xiaobei was taken aback by what he saw.

The demon race valued the status of their bloodline very much. Even the captain of the guards at the city gate was respectful to Chen Xiaobei. Why did the fire bull demon look down on Chen Xiaobei? Don't even mention how arrogant he was!

From the looks of it, there must be a powerful backer behind the fire bull demon! That was why he dared to make things difficult for dugu zang Xian on the street, and why he dared to ignore Chen Xiaobei's noble nine-star heavenly God bloodline!

"Boom boom boom ..."

The fire bull demon threw a punch at Chen Xiaobei, its fist surrounded by Flames of War that were as red as the sun.

The fire bull was a one-star Mystic immortal, while Chen Xiaobei was only an eight-star celestial immortal.

Under normal circumstances, this punch would have destroyed Chen Xiaobei's Dharmakaya, or even his primordial spirit. Chen Xiaobei would have died instantly!

But!

Now that Chen Xiaobei was in his Dharmakaya form, the result was completely different.

After consuming the jieyin's blood essence, Chen Xiaobei's Dharmakaya had undergone a mysterious change! To sum it up, it could be summed up in four words, 10000 techniques return to one!

First of all, Chen Xiaobei's Dharmakaya could freely change into the appearance of the object he had devoured! Buddha! Devil! A Dragon! A Phoenix! Shaman! Or even a black hole!

Secondly, Chen Xiaobei's Dharmakaya's defensive power was equivalent to his physical body's defensive power, which was equivalent to a nine-star celestial immortal!

The last and most important point was that by receiving the blood essence, the "phaseless chaotic celestial body" would become a sacred level cultivation technique. All the special abilities of the Dharmakaya would be directly strengthened by a major realm!

"Bang!"

The fire bull demon's powerful and heavy fire Cannon Fist was like a shooting star, and the terrifying power was unstoppable, but it suddenly stopped ten centimeters in front of Chen Xiaobei!

A three-inch black hole appeared in front of Chen Xiaobei.

The level of the Dharmakaya was the same as the level of the physical body. Therefore, the level of the black hole ability had also reached the level of a nine-star celestial being.

With the addition of the cultivation method to the sacred level, the black hole ability was equivalent to a one-star Mystic immortal.

At the same time, the black hole was surrounded by the Golden Dragon and fire Phoenix's special abilities. Its level had climbed to the peak of one-star Mystic immortal.

Because of this, the celestial core power and impact force on the fire bull demon's fist were absorbed completely in an instant.

Not to mention that the fire bull demon was only attacking in human form, even if it transformed back into its demonic beast form and exerted its innate power to the extreme, it would not be able to break through the barrier of the black hole Dharma.

One had to know! At this moment, Chen Xiaobei's Dharmakaya abilities were all Saint-tier, and he was invincible against those of the same level!

Even if he was one major realm higher, Chen Xiaobei could still use his other special abilities to fight.

how ... How is this possible?!

The fire bull demon's face changed dramatically as if he had seen a ghost. His pupils shrank and his face changed dramatically!

Because, at this moment, his fist had already become soft and powerless.

What was even more incredible was that his entire arm was firmly sucked by the small black hole. No matter how hard he tried, he could not break free.

"Kneel down and apologize! Otherwise, don't even think about getting your arm!"

Chen Xiaobei's face was cold and his eyes were sharp. A domineering aura surrounded him, not allowing him to take any action.

Red Envelope Group of the Three Realms

Chapter 3756: clan

your ... Your Excellency, Who are you?!

The fire bull demon was already frightened because it could not retract its arm. Now that Chen Xiaobei's pressure was on it, its scalp went numb and it broke out in a cold sweat. Its heart was beating so fast that it felt like it was going to jump out of its throat.

This brat's cultivation was obviously so low! Why did he have such a powerful special ability? Why was there such a terrifying pressure?

This pressure was comparable to the Lord's!

It was simply too, too terrifying!

The fire bull demon's heart was beating like a drum. It could not imagine what kind of person Chen Xiaobei was.

"Kneel down!"

Chen Xiaobei did not explain, but only said two words coldly.

"Your Excellency, if you have something to say, say it properly! I'm a henchman of the purple ROC Saint! My family's Lord is the demon master's third direct disciple! For the sake of my Lord, please don't embarrass me!"

The fire bull demon squinted and said coldly, "If I kneel down in the street, I will be disgracing my Lord! My Lord has always been concerned about his reputation. If things really get to that point, you will not be able to bear the consequences!"

The moment he said that, his doubts from before were answered.

Just as Chen Xiaobei had guessed, the fire bull had a very powerful backer behind him. That was why he dared to be so arrogant.

Purple ROC Saint! The third direct disciple of the kun Peng!

From the looks of it, he had probably entered the quasi-sage realm. In the Holy puppet city, he was definitely at the top of the pyramid.

Most people would try to curry favor with purple ROC Saint and would never dare to embarrass him.

That was why the fire bull demon used the name of the purple ROC Saint, thinking that it could suppress Chen Xiaobei and turn the big issue into a small one.

In other words, she was threatening Chen Xiaobei!

If Chen Xiaobei dared to make the fire bull demon kneel, he would have to face the consequences!

The fire bull demon's plan was well thought out, but it had underestimated Chen Xiaobei.

Chen Xiaobei would not even give face to the heavenly Dao, let alone the purple ROC Saint.

"Whoosh ..."

Chen Xiaobei did not ask to kneel for the third time. Instead, he attacked.

It had bullied dugu zang and even dared to threaten Chen Xiaobei. The fire bull demon was courting death!

All of a sudden, the small black hole began to spin in the opposite direction. The power it had just absorbed was completely unleashed. With the addition of the Golden Dragon Fire Phoenix's special ability, its destructive power was close to a peak one-star Mystic immortal.

"Ka! Ka! Ka ..."

With the sound of bones cracking, the fire bull demon's thick right arm was twisted and turned into a scrap.

"

The brutal pain caused the fire bull demon to scream hysterically.

His entire face was contorted into a ball, and cold sweat poured down like rain. His tall and strong body was even trembling from the pain.

For a moment, the screams of the fire bull demon attracted the attention of many passers-by. They all pointed at it and discussed it.

"Look! Wasn't the fire bull a subordinate of Saint venerable purple ROC? How did he end up in such a miserable state?"

"Who is that young man with the purple-gold dragon vein? Even though you have the strength, you can't look down on Saint purple ROC!"

"Yup! A strong Dragon can not suppress a snake in its own territory! I'm afraid this young purple-gold dragon Demon is going to get himself killed!"

"What a pity! Such a noble bloodline is going to be buried in vain ..."

It was obvious that the purple ROC Saint had a high status.

As the saying goes, you have to look at the owner before hitting the dog!

Although the fire bull demon was a small fry, hitting him was the same as slapping Saint purple ROC in the face. No ordinary person would dare to do this even if they had the guts.

Since Chen Xiaobei had already done it, he was not far from death.

"I don't want to say the same thing a third time!"

Of course, Chen Xiaobei was not afraid at all. He had come to the Holy puppet city to seek revenge. He had to take care of kun Peng, the demonic master, so he would not back down from a mere purple Peng!

“Plop!”

The fire bull demon immediately knelt on the ground and did not dare to say another word.

He had personally experienced Chen Xiaobei’s terror. This kid was a ruthless man! I can’t go against his will, or I’ll only suffer more pain!

“I’m sorry, this is all my fault!”

The fire bull demon apologized to dugu zang Xian, afraid that Chen Xiaobei would not be satisfied. It even kowtowed three times.

“Whoosh ...”

Chen Xiaobei then retracted his black hole and said, “Get lost!”

The fire bull demon felt as if it had been pardoned. It quickly got up, covered its twisted arm, and ran away.

After running far away, the fire bull demon roared angrily, “Little brat! I’ll remember you! If you have the guts, don’t leave the Holy puppet city! I want you dead! I’ll definitely kill you!”

The crowd sighed and looked at Chen Xiaobei with sympathy, regret, and regret as if he was already a dead man.

A trace of worry could be seen in dugu zang’s eyes as he hurriedly said, “Let’s quickly find a place to hide! This place is no longer safe!”

“Follow me!”

Chen Xiaobei was very calm.

Chen Xiaobei found an empty corner and hid the Meru space in a secret crevice. Then, he and dugu zang Xian entered the Meru space.

“Bro bei! How’s the situation?”

In the Meru space, Emperor Jiang, Xu Tianxin, and the others immediately came to greet him. They were very concerned about Chen Xiaobei’s situation.

Chen Xiaobei told him about how he had plotted against mo Luo Wutian.

Everyone was relieved, but they did not dare to relax completely. After all, once the kun Peng became a Saint, the situation would become very serious. This matter was urgent and had to be resolved as soon as possible.

Soon after.

Chen Xiaobei and dugu zang Xian went to a corner of the garden.

“Xian ‘er, why didn’t you tell me that you’ve ascended? Don’t you treat me as one of your own?” Chen Xiaobei cut straight to the point.

“I just ascended yesterday. I don’t know how to contact you.” Immortal dugu zang said.

She had just arrived in the heavenly realm. She did not have a Jade Messenger talisman or any connections. There were many things that she did not understand, let alone contact Chen Xiaobei.

However, this was also the most suspicious point!

“Since you’ve just ascended, how do you know the location of the Holy puppet city? And how did you get here?”

Chen Xiaobei asked.

“Because of the Dark Universe seal!”

“The Dark Universe seal isn’t just a magic treasure, it’s also a token of our family’s inheritance!” Dugu zang replied. It was it that guided me here! If I’m not mistaken, our family’s headquarters should be here!”

your family!?

Chen Xiaobei was surprised and asked, “ “Yeah! According to what you’ve said, I don’t think I’ve ever seen you in your demonic beast form! I don’t even know what your bloodline is.”

Chapter 3757: Relying on

3757 Relying on

because my cultivation base has been suppressed all this time, I’ve rarely fought personally. That’s why I’ve never revealed my demonic beast form ...

Immortal dugu zang composed himself and said, “ “My bloodline is the Holy ice jade Kirin!”

“Sacred ice? Jade Kylin?”

Chen Xiaobei’s eyes were filled with shock.

First of all, just from the name, one could tell that dugu zang Xian’s bloodline was of a very high grade. In the demon race, it was definitely an extremely noble existence!

Secondly, ever since the first immeasurable catastrophe, the Qilin race had been exterminated. The total number of Qilin that were still alive in the heavens and worlds would probably not exceed a hundred!

The last and most important point.

Not long ago, Chen Xiaobei had obtained the bone marrow of the black gold water Kirin, which had allowed him to break through several realms!

The divine blood Bodhi tree that Chen Xiaobei had planted also came from a drop of the blood Kirin’s blood essence.

It was clear that the entire body of the Qilin clan was a treasure. Furthermore, it was of great help to one's cultivation! In fact, many powerful beings in the universe regarded Qilin as prey and would do their best to capture it if they had the opportunity.

Because of this, after the first immeasurable cultivation tribulation, the number of the Qilin clan did not increase. Instead, they became fewer and fewer, which was why they were called rare.

As for dugu zang Xian's true form, the Holy ice jade Kylin, just from its name, one could tell that it was the rarest of the rarest. In all the heavens and myriad worlds, there were probably no more than three Kylin of her kind.

Chen Xiaobei could not help but break out in cold sweat for dugu zang Xian.

This girl was really bold! He actually dared to ascend alone and come to the Holy puppet city alone!

One should know that she was merely a one-star celestial being. On the way here, she could probably be caught by anyone! If she returned to her demon form, her bones, skin, and flesh could be sold for a sky-high price! Every drop of blood would be squeezed dry! Every bit of bone marrow would be sucked dry!

Chen Xiaobei felt a chill run down his spine just thinking about the terrifying outcome.

Fortunately, dugu zang Xian was used to moving around in human form and probably didn't reveal her bloodline's special ability or her demon form along the way. Otherwise, she definitely wouldn't have been able to come here!

"What's the level of your bloodline?"

Chen Xiaobei asked.

"Level?"

"I didn't know at first, but I asked the guards when I entered the city, and they said that the sacred ice jade Kylin is a peak quasi-Saint sacred demon ..." Dugu zang Xian said.

peak ... Peak of Sage-to-be!?

Chen Xiaobei was even more shocked.

The black gold water Kirin's bone marrow that he had obtained previously was only a five-star divine tier. Compared to dugu zang Xian, it was like a speck of dust compared to the sun and moon. The difference was simply too great.

"Strange ..."

Chen Xiaobei was surprised, but he was still calm. "The level of your bloodline is so high that you shouldn't be able to take on a complete human form before you become a quasi-Sage! However, when you were still an earth immortal, you were already in a complete human form ..."

"I don't know why ..."

“In any case, we Holy ice jade Kylin race can transform into human form from the moment we were born without any cultivation!” Dugu zang Xian said. My father once said that our clan seems to have a deep relationship with the human clan!”

Apparently, dugu zang Xian had grown up in the earth-god Realm and only knew that she was from the Holy ice jade Kylin race. She knew nothing about the origins, secrets, and history of her race. She could only slowly search for answers after coming to the heaven realm.

this time, I came here under the guidance of the Dark Universe seal in order to find the headquarters of the family. Firstly, I can have someone to rely on, and secondly, I can have a deeper understanding of the family history!

Dugu zang Xian wasn't an ordinary little girl. She had a very clear goal in mind and she had already made her own long-term plans.

“I think you should not reveal your identity too early!” Chen Xiaobei said. Otherwise, it's very likely that you'll be killed!”

“Who would kill me? An elder of my clan?”

Dugu zang's expression froze for a moment before he shook his head and said, “ I have no grudges with them, and I can even help them. Besides, we are like family. They have no reason to kill me!

“This is not like the Xian 'er I know!”

“You used to doubt everything!” Chen Xiaobei said. Even if it was me, you would only believe half of it! But now, I'm not suspicious at all!”

It was clear that Chen Xiaobei and dugu zang Xian used to have a very delicate relationship. They had formed an alliance but were also wary of each other. They had never trusted each other 100%.

It was not until Chen Xiaobei saved dugu zang Xian's master, Athena, and resolved the knot in dugu zang Xian's heart that the two of them finally trusted each other.

At this moment, dugu zang Xian actually didn't have the slightest doubt about a completely unfamiliar clan. This was indeed not her character.

“It's not that I don't have my suspicions, but even if I do, what can I do?”

Sighing helplessly, immortal dugu zang said, “ with my current cultivation, I'm just an ant at the bottom of the heaven realm. If I don't find someone to rely on quickly and gain a firm foothold, what awaits me is death!

“This is the Xianer I know!”

you're right! Chen Xiaobei raised his eyebrows. so, you did suspect something! However, you're worried that your cultivation level is too low. Once you reveal your demon form in the immortal world, you'll die without a doubt! That's why you came here to take a gamble. If this family can be relied on, you won't have to be so scared anymore!”

"You're right!" "There's still a chance of survival if I take a gamble. If I don't, I don't know when I'll die without a burial place!" Dugu zang Xian said.

"Don't say such demoralizing words! Didn't I find you? From now on, I'll be your support!" Chen Xiaobei said, patting his chest.

"Yup ..."

Immortal dugu zang couldn't help but reveal an extremely stunning and beautiful smile. "You're my fiancé! Of course, I have to rely on you!"

"Uh ..."

Chen Xiaobei was taken aback.

Back in the earth-god Realm, Chen Xiaobei had formed an alliance with dugu zang Xian and announced to the public that they were engaged. Chen Xiaobei did not expect dugu zang Xian to still remember this, which made him feel a little embarrassed.

Among all his female friends, Chen Xiaobei and dugu zang Xian's relationship was the shallowest. It could even be said that before saving Athena and unraveling dugu zang Xian's knot in his heart, there was no relationship between the two.

But now, dugu zang Xian was smiling like a flower and his eyes were bright. It was clear that he was not joking. He was serious about treating Chen Xiaobei as his fiancé.

"Come back to the family with me!" "I'm only at ease with you around!" Dugu zang Xian said.

[Red Envelope Group of the Three Realms](#)

Chapter 3758: Jade Qilin

"Since you've already said so, I definitely can't reject you!"

Chen Xiaobei grinned and agreed to dugu zang's request.

Chen Xiaobei was such a loyal person that he would not leave dugu zang Xian alone.

Furthermore, kun Peng had shut itself away from all visitors, and Chen Xiaobei could not find a way to break through it. According to goddess nūwa, there were only nine days left before kun Peng devoured all of Houtu's merit. It was a good idea to settle dugu zang Xian down first so that Chen Xiaobei would not drag her down if he took action.

Of course, it would be even more perfect if dugu zang Xian's family could help him.

Soon after.

Chen Xiaobei and dugu zang Xian returned to the real world.

Chen Xiaobei was now in his golden-purple dragon form while dugu zang Xian was still in his human form.

The two of them followed the directions of the universe dark seal and rushed to the East of the Holy puppet city.

The underwater Empire was huge. Even with Chen Xiaobei's eight-star celestial immortal cultivation, it would take him a long time to fly from one side to the other.

Fortunately, there were no obstacles along the way, and they reached their destination smoothly.

It was a huge Palace built entirely of Frost White jade. It stood in the center of the eastern city, towering and majestic, magnificent and gorgeous!

There were a total of eight similar palaces in the Holy puppet city.

Among them, the Black Palace in the center of the main city was the largest. It was obviously the kun Peng's demon master Palace!

The other seven palaces were like seven stars surrounding the moon, surrounding the demon master Palace. Each of them had a different scale, color, and style.

However, these seven palaces all belonged to the seven direct disciples of kun Peng.

At this moment.

The dark seal of heaven and earth led Chen Xiaobei and dugu zang Xian to the entrance of the frosty white jade Palace.

From this, it could be seen that the elder of dugu zang Xian's family was also one of the kun Peng's direct disciples. His status was extraordinary and absolutely could not be underestimated!

"Who are you people? Outsiders are not allowed to approach the Jade Kylin saint's Palace!"

Two guards in white armor stood in front of the palace and shouted in a serious tone.

"We're not outsiders!"

Dugu zang exchanged a look with Chen Xiaobei, then took out the dark seal of heaven and earth and said, " I'm here under the guidance of this heaven-immortal artifact. Please go in and report to Saint Yulin. He should agree to see me!

"It's the Qilin Jade!"

The two guards immediately recognized the material of the seal. Their expressions changed and they said respectfully, " Please wait a moment, we will immediately go and report!"

With that, one of the guards rushed into the palace, while the other stood in place with a smile on his face, no longer as arrogant as before.

"Swish!"

Very quickly, an extreme shadow as cold as ice appeared at the entrance of the palace!

It was an old man with white hair and a white beard. In addition to his spotless white robe and white boots, he gave people a feeling of holiness and nobility, as if he was not involved in the mortal world!

Even the words 'Sage-like' were not enough to describe his bearing and appearance!

"Who is it? Who brought the Qilin Jade?"

The old man's emotions were extremely urgent, and his profound eyes immediately locked onto dugu zang Xian, who was holding the Dark Universe seal.

"It's me!"

Immortal dugu zang composed himself and said respectfully, " "This Jade seal is a treasure that has been passed down in my family for generations! When I ascended to the heavenly realm a few days ago, I was guided here, so I took the liberty to come ..."

"I'm not presumptuous! I won't be presumptuous!"

The old man suddenly smiled and waved his sleeve. He said happily, " "Hurry up! Quickly come in with this old man! After billions of years of loneliness, this old man finally has a family! From this moment on, this is your home!"

Obviously, this old man was the master of the palace, Saint Yu Lin!

Judging from his words and actions, he was really happy and excited, and couldn't wait to accept dugu zang.

"I haven't revealed my true demon form yet, aren't you afraid that I'm lying?" On the contrary, immortal dugu zang was somewhat hesitant.

"I won't!"

The Jade Kylin Saint said with certainty, " "The moment I saw you, I felt a sense of familiarity! You would never lie to this old man! Come! Let's go home and have a good chat!"

"Mm ..."

Dugu zang nodded, took Chen Xiaobei's arm, and pulled him into the house.

The Jade Qilin Saint had been ignoring Chen Xiaobei and did not even let him in. Dugu zang Xian's action was to announce Chen Xiaobei's importance to the Jade Qilin Saint!

"Who is this young man?"

Finally, the Jade Qilin Saint looked at Chen Xiaobei, his eyes filled with responsibility.

"This is my fiancé ... Xuan bei!" He said.

Dugu zang held Chen Xiaobei's arm tightly and spoke with a firm tone as if he was speaking the truth.

"Fiancé?"

Yu Lin Saint frowned and sighed, " "His bloodline is only at the nine-star heavenly god tier. It's really too low ..."

The fey attached great importance to the hierarchy of bloodlines, just like how humans paid attention to matching social status.

It was obvious that in Saint Yulin's eyes, Chen Xiaobei's bloodline was not worthy of dugu zang Xian.

"I like him as a person! I don't care about his bloodline!" Immortal dugu zang's tone was extremely solemn! Furthermore, he was extremely serious!

"Alright ..."

The Jade Kylin Saint sighed and compromised, " "It's good that you like it! Everything else doesn't matter!"

By now, the Jade Qilin Saint had reluctantly accepted Chen Xiaobei.

Then, the three of them entered the palace together.

It had to be said that this Palace was really deserted. There was not a single person in the huge Palace. Even the sound of footsteps echoed.

No wonder the Jade Kylin Saint would lament about being alone for billions of years!

It was precisely because of this that he was so happy to see dugu zang and even regarded him as a family member.

After entering the guest hall, Saint Yu Lin personally invited dugu zang Xian to take a seat.

For the sake of dugu zang Xian, Yu Lin saint's attitude towards Chen Xiaobei was acceptable. He allowed Chen Xiaobei to sit beside dugu zang Xian.

The truth was, the Jade Qilin Saint still did not care about Chen Xiaobei's bloodline level.

Of course, at this age, Saint Yu Lin had already let go of many things. If dugu zang Xian really liked Chen Xiaobei, he would not object to it.

"Child, what's your name?" Saint Yu Lin sat on the main seat and asked.

"I'm immortal dugu zang, and I've just ascended not long ago. I wonder how I should address you?" Immortal dugu zang was very smart and immediately began to probe the other party's background.

Saint Yu Lin said indifferently, "I'm the second disciple of demon master kun Peng. Outsiders call me Saint Yu Lin!" We're a family, so there's no need to be so formal. If you don't mind, you can just call this old man grandpa!"

"Yes! Grandpa!"

Immortal dugu zang didn't see the other party as malicious. Moreover, they were elders of the same clan, so it was reasonable for him to call him grandfather.

After a pause, dugu zang turned to look at Chen Xiaobei.

"Old man!"

Chen Xiaobei said, " "I have an extremely important question to ask you!"

[Red Envelope Group of the Three Realms](#)

Chapter 3759: accept

"Grandpa!"

Dugu zang Xian didn't hesitate and immediately agreed to Saint venerable Yu Lin's suggestion.

Of course, this wasn't strange. Saint venerable Yu Lin was dugu zang Xian's senior in the same clan and could even be considered dugu zang Xian's ancestor. By calling him grandfather, he had already greatly elevated dugu zang's seniority.

Of course, the seniority was just an empty title.

Calling Saint venerable Yu Lin 'grandfather' would bring dugu zang Xian substantial benefits! That was the status of the city Lord! Power! And resources!

Just a moment ago, dugu zang Xian was being bullied by a small fire bull demon. But from now on, even the fire bull demon's Pearl, Saint venerable purple ROC, would have to give in to dugu zang Xian.

After all, the Jade Kylin Saint was the second direct disciple of the kun Peng demon master. His status, cultivation, and prestige were only below that of the kun Peng demon master and the first disciple. He naturally did not dare to offend purple ROC Saint venerable!

"Good! Good, good, good! My good granddaughter!"

Saint Yulin was genuinely happy to have a grandson at his old age. He took out three white jade-like pills and handed them to dugu zang Xian.

"This is the Jade Kylin divine origin pill! It was refined from this old master's own blood essence. Take it and consume it, it will be of great help to your cultivation!"

Yu Lin Saint looked at dugu zang Xian with adoration.

As the saying goes, blood is thicker than water.

Although this was the first time Saint Jade Qilin and dugu zang Xian had met, the origin of their bloodlines gave them a natural sense of familiarity.

This sense of intimacy was further enhanced, and it was kinship!

"Thank you for your kindness, Grandpa ..."

Immortal dugu zang was sensible and didn't want to take advantage of Saint Yu Lin. He humbly declined, "This pill should be extremely precious, I don't dare to accept it ..."

Obviously, the Jade Kylin Saint was already in the pre-Saint realm. He had to pay a huge price to use his own blood to refine pills!

It could be seen how precious this pill was!

It was no exaggeration to say that even if the demon master kun Peng wanted this elixir, the Jade Kylin Saint might not be willing to take out three of them.

Dugu zang could truly feel the love from Saint venerable Yu Lin and was naturally very touched. That was why he declined the offer, as he didn't want his grandfather to spend so much money on him.

"Take it!"

Saint Yu Lin smiled and said, " "You're a good and sensible child! However, a pill of this level is no longer useful to grandfather's cultivation. There's no point in keeping it with grandfather!"

"Then ... Alright! Thank you, Grandpa!"

Dugu zang Xian naturally couldn't decline the offer, so he took the three Jade Kylin divine origin pills with both hands.

After that, Saint Yu Lin reminded him seriously, " this kind of pill can greatly increase your cultivation. After you take one, you should get used to it for a while before taking another. Otherwise, I'm afraid that you won't be able to control the increase in your cultivation and will hurt yourself instead!

"A great increase? How much can you improve?" Immortal dugu zang asked curiously.

The Jade Kylin Saint smiled. you're only a one-star celestial immortal now, but this pill is a three-star Sage-to-be. I haven't tried it, but it can at least help you reach the mid-stage Mystic immortal realm!

mid-stage Mystic immortal?!

Not only dugu zang, but even Chen Xiaobei could not believe his ears.

A one-star celestial immortal directly reaching the middle-stage Mystic immortal realm!

There was a gap of fourteen to fifteen major realms in between!

However, just like what Saint Jade Qilin had said, dugu zang Xian's cultivation realm was too far away from the pill's grade. Therefore, the pill's effect would be exceptionally good.

On the contrary, the Jade Kylin Saint was a four-star quasi-Sage, so this pill would no longer have any effect.

That was why the Jade Qilin Saint said that there was no point in keeping the pills with him.

It was also because this kind of elixir had lost its effect that the Jade Kylin Saint didn't continue to make more and only had three left.

Its preciousness was self-evident!

"Xuan bei!"

However, at this moment, dugu zang Xian made a shocking decision.

She walked to Chen Xiaobei's side and stuffed the three Jade Kylin divine origin pills into his hands.

what are you doing?!

Chen Xiaobei was stunned. He did not understand what dugu zang Xian was trying to do.

"My good granddaughter! You ... You can't mess around!"

Even the Jade Kylin Saint was anxious. His old face was stiff and he kept swallowing his saliva.

Three Jade Kylin divine origin pills were given to an outsider. Even though Jade Kylin Saint master had a Sage-like demeanor, he couldn't help but feel the pain.

“Grandpa!”

Immortal dugu zang explained, “I was born in the earth-god Realm, so I’ve known since I was a child that I’ll follow the man I marry!” Xuan bei is my husband. Everything I have, including myself, belongs to him!”

this ... Chen Xiaobei was stunned.

Chen Xiaobei and dugu zang Xian’s fiancé relationship was fake.

However, at this moment, immortal dugu zang’s attitude made it seem as if he wanted to turn the act into reality!

“My good granddaughter! Even ... Even if you love your husband! There was no need to give him all three pills! You keep two for yourself! No! Even if it’s just one for yourself!”

The Jade Kylin Saint was really anxious.

He had taken out his most precious treasure in the hope that his granddaughter could quickly become stronger.

However, this silly girl had given the treasure to an outsider.

He was really too silly and too naive!

Xian ‘er, this pill is too precious. You should keep it for yourself!

Chen Xiaobei felt a little guilty and said, “ “Although we are ‘husband and wife’, these pills were given to me by the Jade Qilin Saint. It’s really not appropriate for you to give me all of them ...”

The Jade Qilin Saint nodded, finally having a higher opinion of Chen Xiaobei.

At least this kid had some conscience and didn’t forget his friends for profit!

If Chen Xiaobei really accepted the three pills, the Jade Kylin Saint would look down on Chen Xiaobei for the rest of his life!

“There’s nothing inappropriate about it!”

However, even in such a situation, dugu zang Xian was still very insistent and even said in an extremely solemn tone, “ “In the past, now, and in the future, I will always rely on you! If you’re strong, I’ll be safe! If you die, I won’t live alone!”

“This ...”

Chen Xiaobei was dumbfounded.

This chick didn’t play by the rules at all. He really didn’t know how to deal with her.

“My good granddaughter! Now that things have come to this, grandfather must speak frankly!”

Saint Yulin said in a deep voice, “this young master Xuan bei’s bloodline is far inferior to yours, and his future achievements will also be far inferior to yours!” If you truly love him, you should properly

increase your strength. In the future, if you encounter a great calamity, it will be safer for you to protect him!”

Chen Xiaobei was a little annoyed.

Chen Xiaobei did not accept the pills out of morality, not out of submission.

According to the Jade Qilin Saint, he wanted Chen Xiaobei to live off a woman!

This was absolutely unacceptable!

“I can’t bear to see my Xianer fighting and killing!”

Chen Xiaobei took the three pills and grinned. “Just leave this kind of rough work to me!”

Chapter 3760: counting

you ... How could you do this!!

The Jade Qilin saint’s face changed. He was so angry that he wanted to slap Chen Xiaobei to death.

A moment ago, when Chen Xiaobei declined, the Jade Kylin Saint still thought that Chen Xiaobei had a conscience and would not forget his friends for profit.

But now, in Saint Yu Lin’s eyes, Chen Xiaobei was just a selfish villain! He clearly knew that the pills would be better for dugu zang, yet he still accepted them and didn’t even leave a single one for him!

This was simply too much!

“I’ll protect my own woman! As for my future achievements, you can just wait and see, old man!”

Chen Xiaobei’s eyes glowed with unparalleled confidence, accompanied by an overbearing aura. It was as if he was a peerless Overlord announcing an imperial edict that could not be questioned and could not be changed!

In fact, Chen Xiaobei’s bloodline level was only lower than dugu zang Xian’s.

The reason why the Jade Kylin Saint could not see Chen Xiaobei’s strength was because his cultivation was too low!

No one below the level of heavenly path Saint could see the true nature of Chen Xiaobei’s Dharmakaya!

Even the heavenly path sages could not see the existence of the human Dao imprint!

Moreover, Chen Xiaobei had many other Saint-tier abilities, such as the heaven severing divine thought, the celestial slaying sword Qi, and all techniques return to one! In addition, there were also Saint-level Cardinal treasures, chaos Blood Sword, chaos Green Lotus seed, human Dao mark, and demonic Dao mark!

Any one of these items would be enough to change Saint master Yu Lin’s mind.

It could only be said that dugu zang Xian’s judgment of people was much better than Saint venerable Yu Lin’s.

Saint Yu Lin didn't think that dugu zang Xian would win from the very beginning.

On the other hand, dugu zang Xian had high hopes for Chen Xiaobei. He had even regarded Chen Xiaobei as his future support.

Perhaps, it was because she knew that Chen Xiaobei would have a bright future ahead of him that she was so invested in him at this moment. She even wanted to make her act real!

"You'll protect it? What right do you have?"

The Jade Kylin Saint was really angry. He said coldly, "You're just an eight-star heaven immortal. In the future, even my students will be better than you! Don't even talk about protecting Xian 'er, you don't even deserve to be with her!"

Grandpa ... dugu zang Xian's brows furrowed as she tried to defend Chen Xiaobei.

"Silly girl! You're too naive! Don't interrupt this matter. Grandpa will have a good talk with this kid!"

After all, Saint Jade Kylin was a Sage-to-be, so he was very powerful at this moment. His natural aura directly intimidated dugu zang Xian, making her heart beat wildly and instinctively shut her mouth.

"Old man! I can see that you're good to Xian 'er, so I don't want to fall out with you!"

Chen Xiaobei said calmly, "There's a saying in my hometown, if you can fight, then don't talk nonsense! You can ask for a grandson-in-law and see if I'm able to do it. Then, you can decide if I'm worthy or not!"

request?!

Jade Kylin Saint was a little surprised and said, "My grandson-in-law will be at least a one-star Sage-to-be in the future! As for a famous family, wealth, and resources, I don't want to mention them. You don't have them anyway!"

one-star Sage-to-be. That's too far away. Even if I can reach it in the future, I can't verify it now!

but to be honest, I do come from a prestigious family. In fact, it's one of the most prestigious families in the universe! As for wealth and resources, I wonder if three quadrillion pieces of lower-class spiritual Jade would be enough to catch the old man's eye?"

"You? You're from a first-class sect?"

The Jade Kylin Saint scoffed, "you can only lie to an insensible little girl!" You want to lie to this old man? Stop dreaming!"

In fact, Chen Xiaobei was not lying. The Jie sect was a great sect of Saints! In the period between the second and the third immeasurable catastrophe, the tribe of severity could even be said to be the most powerful sect in all the heavens and realms!

However, Chen Xiaobei's cultivation level was too low. It was no wonder that the Jade Kylin Saint did not believe that Chen Xiaobei was from a famous sect.

"As for your other lie, that's even more stupid!"

Saint Yulin continued, "three quadrillion lower-grade spiritual jades?" It's not a lot to me, but it's not a small number either! This old man is willing to bet that it's absolutely impossible for you to have it!"

Obviously, in the eyes of the Jade Kylin Saint, Chen Xiaobei was just an eight-star celestial being. It was already good enough for him to have 30000 low-grade spiritual jades.

Three quadrillion!

That was pure bragging! Showing off can't beat the brain!

The Jade Qilin Saint did not believe that Chen Xiaobei could have such a huge amount of wealth! Even a three-year-old child by the roadside would not believe it!

The Jade Qilin Saint looked down on Chen Xiaobei!

In the beginning, the Jade Kylin Saint had only looked down on Chen Xiaobei. But now, he began to despise and hate Chen Xiaobei!

Forsaking righteousness for profit! He was full of lies! Shameless!

The Jade Qilin Saint had already labeled Chen Xiaobei three times in his heart. He had even secretly decided that he must separate Chen Xiaobei and dugu zang Xian. He could not let his good granddaughter be ruined by Chen Xiaobei!

"Old man, the living room is too small. Let's go outside." Chen Xiaobei smiled, stood up, and walked out.

Dugu zang immediately followed after him, not leaving his side.

"What do you mean? Stop right there!"

Jade Kylin saint's tone was cold and his anger was several times more intense than before!

He was a dignified four-star quasi-Sage, Yu Lin Saint venerable! How could he watch a shameless person cheat him of his precious pill and kidnap his good granddaughter?

He slammed the table and rushed out of the hall to block Chen Xiaobei's way.

"Don't be nervous, old man! I'm not running!"

Chen Xiaobei scanned the huge square in front of him and said, "This square doesn't seem big enough ... I'll try ..." He thought.

"Try what?"

Jade Qilin Saint and dugu zang Xian were stunned. They did not understand what Chen Xiaobei meant.

Whoosh ... Whoosh ... Whoosh ...

Chen Xiaobei waved his hand and a huge amount of lower spiritual Jade fell out from his infinite space ring.

Soon, the large square of the palace was filled with people.

Chen Xiaobei continued to give out more spiritual jades.

Gradually, layer after layer of spiritual Jade was laid out, becoming thicker and higher. It was actually piled up on the square, forming a towering mountain of spiritual Jade.

The height of the mountain had already far exceeded the walls of the palace. Furthermore, it was still rising. In the end, it was even several times higher than the highest tower in the palace!

This spectacular scene not only shocked Saint venerable Yu Lin and dugu zang Xian, but also attracted the attention of many people in the Holy puppet city. All kinds of discussions and speculations quickly spread in the city, and soon, everyone knew about it!

“Old man! Three quadrillion, not a single cent less! If you have enough energy, you can count it!”

Chen Xiaobei grinned and looked at the Jade Qilin Saint with interest.

At this moment, the expression on Saint Yulin’s face was fascinating.
