Chapter 3851: -goodbye

“What’s the problem?”

Chen Xiaobei was confused. He did not know what Yun fanqing was thinking.

Yun fanqing’s expression suddenly became serious, as if if this problem could not be solved, all the plans would be ruined.

mo Luo Wu Tian has already submitted to the heavenly Dao. I’m afraid the third drop of world extinguishing sacred marrow has already fallen into the hands of the heavenly Dao!

Yun fanqing expressed his opinion, “If that’s the case, we won’t have a chance to get it in the short term! When I have the ability to get it back, the special ability of the three drops of world extinguishing sacred marrow will be meaningless!”

“Yup ...”

of course! Jia Luo nodded heavily. if demon ancestor windchasing had the ability to steal from the heavenly Dao, he wouldn’t have needed the world-extinguishing Saint marrow!

“You don’t need to worry!”

that’s right! Chen Xiaobei smiled. when I defeated Molo Wutian, there was a terrifying explosion in space! At that time, mo Luo Wu Tian was struck by my one thought sky interception, and he couldn’t even condense a single bit of celestial core power!”

“I have observed carefully. Mo Luo Wu Tian does not have a storage treasure! In other words, all of his important things were hidden in a Meru space! Without the protection of celestial core power, the Meru realm would have been blown away!”

in other words, mo Luo Wu Tian’s Meru space must have been swept into the space turbulence. It could be anywhere, but it definitely can’t be in mo Luo Wu Tian’s hands! Naturally, they can’t be offered to the heavenly Dao!”

Chen Xiaobei’s analysis was on point.

In the great explosion of space, without the protection of celestial core power, all of mo Luo Wutian’s clothes might have been blown to pieces. It was even more impossible for him to keep the Xumi space.

“That may be true, but the Meru space is small and hard to find! They were swept into the spatial turbulence and disappeared! It’s countless times more difficult to find it than finding a needle in a haystack!”

Jialuo’s brows furrowed. He was not confident that Chen Xiaobei would be able to find the lost Meru space.

“Don’t panic! I have my secret weapon!”

However, Chen Xiaobei was not flustered at all. He was confident that he would be able to find mo Luo Wu Tian's Meru space.

At that time, not only would he be able to take back the third drop of world extinguishing sacred marrow, but he would also be able to take over everything that mo Luo Wu Tian had once possessed!

"Alright, since you're so confident, then we won't say anything more!"

It was obvious that jialuo and Yun fanqing trusted Chen Xiaobei.

Although they did not know what Chen Xiaobei was going to do, they knew that Chen Xiaobei would do whatever he said!

The reason why he was so sure was because none of Chen Xiaobei's previous words had disappointed anyone!

alright, let's put this matter aside for the time being. After I save Yang Jian's mother, I'll go and take Molo Wutian's Meru space!

Chen Xiaobei was confident and did not dwell on this matter.

After a few more words, Chen Xiaobei left.

But now ...

On the 36th floor of the jianmu world, everything was going on in an orderly manner. Everyone was trustworthy, so Chen Xiaobei was not worried at all.

Chen Xiaobei asked Futian Xin'er to open the portal to the celestial world, and he went to the 32nd level of heaven!

Chen Xiaobei had both the mark of humanity and the mark of demonic. Even if the seven heavenly path Saints were to gather, they would not be able to divine anything related to Chen Xiaobei.

Therefore, Chen Xiaobei did not have to worry about anything as he walked through the core city of the 32 levels of heaven.

After all, not everyone had seen Chen Xiaobei's picture!

More importantly, many people in the heavenly realm did not even know that Chen Xiaobei was still alive!

Don't forget, the last time Dao ancestor Hongjun saw Chen Xiaobei was when Chen Xiaobei was sealed in the red Lotus formation.

At that time, Hongjun was certain that Chen Xiaobei would not be able to escape.

That was why the heavenly Saints thought that Chen Xiaobei was still trapped in the red Lotus formation, while the ordinary people in heaven thought that Chen Xiaobei had been killed by jieyin Daoist.

That was why Chen Xiaobei was walking on the streets.

Even the celestial soldiers who had seen Chen Xiaobei's picture did not think much of him. They thought that he only looked like him.

After all, how could Chen Xiaobei withstand the attack of the jieyin priest?

Furthermore, this kid who looked like Chen Xiaobei was many times stronger than him!

The two of them could not be the same person!

Just like that, Chen Xiaobei perfectly demonstrated that the most dangerous place was also the safest place.

Chen Xiaobei even asked around for the location of the tuota family's residence and went to knock on the door.

After Chen Xiaobei's ruckus, the heavenly court had fallen apart. It would be difficult to rebuild it in a short period of time.

Therefore, the entire heavenly court was temporarily moved to the core main city of the 32 levels of heaven.

Naturally, the residences of the civil and military officials had all moved to the main city.

you ... You are!?

The two young heavenly soldiers who were guarding the door stared at Chen Xiaobei for a long time. No matter how they looked at him, they found him familiar.

is that Chen Xiaobei? " The fatter heavenly soldier swallowed his saliva.

how is this possible?! The slimmer heavenly soldier immediately said, " "Chen Xiaobei was killed by Daoist jieyin! The third Prince was so sad! How can it be fake?"

then, this kid is ... fatty looked at Chen Xiaobei, hesitating.

"It's definitely just a resemblance!" The skinny heavenly soldier looked at Chen Xiaobei and said, " this God's cultivation is so much higher than Chen Xiaobei's. How could they be the same person? "

"Then I'll go in and report!" The fat soldier ran into the manor.

"Whoosh!"

In less than a dozen seconds, the sound of a strong wind galloping came from the Heavenly King mansion!

A disgraceful little boy with his hair tied up in a bun, wearing a red dudou, and stepping on wind and fire wheels, flew out of the mansion in an instant.

When he saw Chen Xiaobei, the boy's eyes turned red, and tears started to well up in his eyes.

However, he was still very smart. He held back his tears and said to the two divine soldiers, " "This is my good brother! In the future, if he comes to find me, you can just let him through! Also, you're not allowed to go out and talk about it! Otherwise, you know the consequences of my father's punishment!"

“Don’t worry, third Prince!”

The two celestial soldiers quickly cupped their hands and bowed. They said solemnly, “Heavenly King Li’s kindness to us is as heavy as a mountain, and we will never tell anyone! Even if we return home, we won’t mention a single word about this shangxian!”

“Hurry up! Come in with me!” The boy was so excited that he held Chen Xiaobei’s hand and flew back to the mansion.

Chapter 3852: -lonely

That’s right!

This little boy was Nezha!

“Bro bei! You’re actually still alive! My God ... How did you do it? You actually managed to survive the attack of a heavenly path Saint! This is unbelievable!”

Nezha was so excited that he could not help but cry.

After all, Chen Xiaobei was one of Nezha’s best friends. He had thought that Chen Xiaobei was already dead.

He did not expect Chen Xiaobei to appear before him again!

This was definitely a huge surprise.

Nezha cried tears of joy!

After Chen Xiaobei comforted him, Nezha finally broke into a smile and led Chen Xiaobei to the main hall.

At this moment, Pagoda-bearing Heavenly King Li Jing was already waiting at the entrance of the main hall.

He was still as majestic as ever! His battle armor was glistening, and his aura was majestic and solemn!

However, the moment he saw Chen Xiaobei, Li Jing’s expression changed. His eyes were filled with shock. He did not expect that Chen Xiaobei would not only survive, but he was also alive and well!

Not only was he not injured, but his cultivation had also increased greatly!

Even though Li Jing was used to seeing all kinds of things, he couldn’t help but be shocked at this moment. He couldn’t even believe his eyes.

“Please come in!”

Li Jing quickly invited Chen Xiaobei into the main hall and said in a very polite and respectful tone, “Please sit! Please take a seat!”

Li Jing had told Chen Xiaobei that the reason he helped him was to buy some insurance. If Chen Xiaobei became the winner of the cultivation tribulation in the future, the Li family would be safe!

Of course, if Chen Xiaobei died in battle, Li Jing had other plans to ensure the Li family's safety.

However, at this moment, Li Jing was greatly shocked!

In his heart, Chen Xiaobei was no longer just an insurance. He had subconsciously regarded Chen Xiaobei as an ally, and even the leader of the Alliance! And he, Li Jing, was willing to be a subordinate!

The reason why Li Jing's attitude had changed so much was because of Chen Xiaobei's performance!

In this world, strength was Supreme! The strong were respected!

With the power that Chen Xiaobei had displayed, he could survive a true Divine's attack!

Furthermore, even though a few of the heavenly path Saints saw Chen Xiaobei as a thorn in their flesh, they could not do anything to him!

This was Chen Xiaobei's true strength! It was also the key to Li Jing's shock!

The stronger Chen Xiaobei was, the more determined Li Jing would be to form an alliance with Chen Xiaobei. Li Jing might even submit to Chen Xiaobei!

Li Jing had not completely surrendered to Chen Xiaobei, but he was willing to bow down to Chen Xiaobei.

"Hurry up! Please take a seat!"

Li Jing welcomed Chen Xiaobei into the main hall and made sure that Chen Xiaobei sat on the master's seat.

"Heavenly King Li, you're too kind!"

Chen Xiaobei knew what Li Jing was thinking. So, he just greeted him politely and sat down at the head of the table.

Chen Xiaobei was definitely more powerful than Li Jing had imagined!

Chen Xiaobei was confident that he could fulfill Li Jing's wish of protecting the Li family!

Because of that, even though both parties did not say it out loud, Chen Xiaobei was the leader of the Alliance!

"God Chen, may I know what brings you here today?"

Li Jing went straight to the point.

"To be honest, I've already formed an alliance with Yang Jian. I'm here to save his mother!" Chen Xiaobei said.

"As expected! I've expected this! Yang Jian would betray the heavenly court sooner or later! Betraying the clan of enlightenment!"

Li Jing was not surprised at all. He said indifferently, "In fact, if she wasn't worried about her mother, Yang Jian would have betrayed her long ago! The heavenly court and the clan of enlightenment have done too much in this matter!"

“Do you have any suggestions?” Chen Xiaobei asked.

“This matter is very easy to handle!”

Li Jing composed himself and said, “originally, when the celestial heavens continent was still around, Yang Jian’s mother had always been locked up in the celestial Palace’s dungeon. It was very difficult to save her! But now, the heavenly court has been destroyed, and Yang Xiao’s mother has been moved to the dungeon of the city Lord’s mansion!”

“The city Lord’s mansion?”

the palace?” Chen Xiaobei raised his eyebrows. the palace in the center of the main city?”

“Yes, I am!”

Li Jing calmed himself down and said, “the city Lord’s mansion is not well guarded. Besides, the city Lord is the nephew of the Queen Mother of the West. He is a typical good-for-nothing. It will be easy to deal with him!

“If that’s the case, I can rest assured!”

yes! Chen Xiaobei calmed himself down and said, “other than saving yang Kuai’s mother, I also plan to capture the Queen Mother of the West!

“What?”

Li Jing was shocked. the Queen Mother of the West is extremely powerful. Moreover, she is a maid of the heavenly Lord Yuanshi. If we touch her, we might alert the heavenly Lord Yuanshi!

“Don’t worry!”

of course! Chen Xiaobei chuckled. with my current strength, I can ignore the Queen Mother of the West’s power. I can take her down easily before the heavenly primogenitor is alerted!

“This ...”

Li Jing’s expression was slightly startled. He said awkwardly, “It’s not that I don’t trust you, God Chen, but I still want to ask you something. What is your current cultivation level?”

Apparently, Chen Xiaobei’s cultivation was only at the early stage of the perfected golden immortal!

However, there was no doubt that this was not Chen Xiaobei’s full power.

Li Jing was very smart. He knew that Chen Xiaobei must have a hidden card up his sleeve, and it was a card that was terrifyingly big!

Chen Xiaobei shrugged and said, “my realm is uncertain and I can’t be specific. You only need to know that I’m absolutely invincible under the seven great heavenly path sages!

“Heavens ...”

Hearing this, Li Jing couldn’t help but swallow his saliva. His eyes were filled with shock.

Nezha was also dumbfounded, his eyes full of admiration.

In fact, Chen Xiaobei was being modest. If he had enough life, he could use the nine ancestral Saint transformations to fight against the heavenly Dao!

Li Jing and Nezha would be scared to death if he told them.

“Since you’re so confident, things will be easier!”

“Tomorrow, the Jade Emperor will hold a meeting in the city Lord’s mansion. The Queen Mother of the West will be there as well!” Li Jing said. However, she won’t go to the palace and will only meet her nephew once!”

“Understood!”

Chen Xiaobei sneered and asked, “By the way, I forgot to ask you. How strong are the Jade Emperor and the Queen Mother of the West?”

“Why ... Why are you asking this?” Li Jing couldn’t help but swallow his saliva. He could vaguely guess that the matter was definitely not simple.

aren’t the gods of the celestial heavens going to discuss matters in the Great Hall tomorrow?” I’m only going to capture the Queen Mother of the West. I’m afraid that she’ll be too lonely. That’s why I’m going to capture everyone to accompany her! Chen Xiaobei grinned.

Chapter 3853: entering the palace

“What?”

A stone that caused a thousand ripples!

Chen Xiaobei’s simple words had Li Jing and Nezha dumbfounded.

Tomorrow, the Jade Emperor and the gods of the heavenly court were having a meeting, and Chen Xiaobei was going to capture everyone?

What kind of international joke is this?

“Don’t be nervous! This is nothing to me!”

Chen Xiaobei’s eyes turned cold and said, “The heavenly Dao captured my master and mother Nuwa! I couldn’t do anything to him in the past, but I’ll find a way to catch his people in the future! If my master and mother Nuwa lose even a single strand of hair, I’ll have all the gods of the heavenly court buried with them!”

“Hiss ...”

Li Jing gasped when he heard this.

He was glad that he had already formed an alliance with Chen Xiaobei. Otherwise, he would be one of the people who would be caught tomorrow.

He did not expect Chen Xiaobei to be this powerful!

It was simply terrifying!

“Bro bei! You’re so, so, so, so handsome!”

On the other hand, Nezha was cheering and worshiping Chen Xiaobei, “Bro bei! I really never dreamed that you’ve actually become so powerful! In front of you, the gods of the heavenly court are simply a bunch of little brothers! Oh no! They were a bunch of trash! Hahaha ...”

Clearly, Nezha had become Chen Xiaobei’s fan after spending so much time with him.

Now that Chen Xiaobei was so powerful, Nezha was naturally happy. He even felt that it was a great honor to have such a brother!

He looked down on the gods of the celestial heavens like they were clay chickens and pottery dogs! He was simply too domineering!

“God Chen! Are you sure you want to do that?”

the gods of the celestial heavens are involved with various forces, ” Li Jing said embarrassedly. if you attack them, I’m afraid you’ll offend more than just the clan of enlightenment!

“Who else will I offend?” Chen Xiaobei asked.

the Western religious sect and the clan of enlightenment have a good relationship. In the celestial heavens, there are Western religious disciples as divine priests! Li Jing said.

“Heh, isn’t it just the Western religious sect?”

“I still have one of my ears!” Chen Xiaobei laughed. What’s the difference if I don’t offend them? In any case, it was a great enmity that would not end until one of them died! I still hope that there will be more people from the Western religious sect tomorrow!”

“Uh ... If that’s the case, I won’t try to persuade you ...”

Li Jing composed himself and said, “but, Nezha and I will be going to the meeting tomorrow!” When that time comes, God Chen, don’t go easy on us! You can take us all with you!”

“You want to continue being a spy among the enemy?” Chen Xiaobei raised his brows and immediately understood what Li Jing meant.

“That’s right!”

Li Jing calmed himself down and said, “now that Nezha and I have been taken away, the clan of enlightenment will no longer suspect us. In the future, Xiaobei can find a chance to release me. When we return to the clan of enlightenment, we will be highly trusted. We will be able to help God Chen!

“Good! I know what to do!” then it’s a deal! I’ll wait for the gods’ meeting tomorrow, and then I’ll take action and capture all of you! Chen Xiaobei said.

alright ... Li Jing calmed himself down, but his heart was still filled with curiosity. “God Chen, may I ask how you plan to capture everyone?”

“I’ll keep this a secret for now!”

you don't know what I'm going to do! Chen Xiaobei smiled. your expression and reaction will only be more natural when you see it tomorrow! If you had known in advance, you wouldn't have been so shocked tomorrow, and perhaps someone would have seen through you! After all, there are too many people, it's better to be careful!"

O-okay ... Li Jing calmed himself down. Even though he trusted Chen Xiaobei, he could not figure out what Chen Xiaobei was going to do.

That day, Chen Xiaobei stayed at Li Jing's mansion.

At night, Chen Xiaobei even contacted Futian Xin 'er.

In order to meet up with Chen Xiaobei, Fu Tian Xin 'er had been opening the passageway between the jianmu world and the heaven realm. Therefore, the two of them could contact each other through the Three Realms network!

Chen Xiaobei: You've been to the main city of the thirty-two levels of heaven before. Do you still remember the location of the city Lord's mansion?

[Fu Tian Xin 'er: I remember! It's the largest Palace in the center of the city!]

Chen Xiaobei: It's there! I'll let you know tomorrow morning before I take action! When the time comes, open the spatial gate that leads to the jianmu world directly above the palace! Once I'm done, I'll immediately return to the world of the builder tree!

[Fu Tian Xin 'er: no problem!] I'll be ready at any time!

Chen Xiaobei: Then I'll see you tomorrow!

Futian Xin 'er-Xiaobei Gege! You have to be careful! Although you're very powerful, I've been feeling a little uneasy recently. I have a feeling that something big is going to happen!

Chen Xiaobei-don't be so suspicious! Your bro bei can handle anything!

[Fu Tian Xin 'er: just be careful!]

Chen Xiaobei:

After the private chat ended, Chen Xiaobei finally found a way out!

In this way, as long as they retreated fast enough, they would not be in any danger even if the clan of enlightenment or the way of heaven were alarmed!

The next morning.

Li Jing and Nezha had changed into their official robes and rushed to the mansion of the castellan.

It was a rare occasion for Chen Xiaobei to sleep in. He was about an hour late before he got up and washed up.

Obviously, Chen Xiaobei had woken up late on purpose to ensure that everyone who was supposed to be there would be there.

The city Lord's mansion!

The discussion hall!

Although the heavenly court had been destroyed, they could not lose their dignity as the Jade Emperor and the gods!

The palace was decorated with gold and Jade, luxurious and beautiful. It was not inferior to the numinous Sky Hall at all!

"My beloved ministers! Do you have anything else to report?"

The Jade Emperor sat on a golden throne inlaid with all kinds of precious gemstones, looking down at the gods in the hall with an imposing manner.

At this moment, more than half of the court meeting had already been carried out, and several important matters had been discussed.

The Jade Emperor asked, preparing to start discussing other matters.

"Your Majesty!"

A priest who looked like a monk walked out and said coldly, "After the war in the heavenly court, I have been searching for Chen Xiaobei's body! However, we haven't found it yet!"

"Such a traitor deserves to die! He should have found the body, cut it into pieces, and turned it into ashes! Only then can the hatred and humiliation in the hearts of the gods of the celestial heavens be reduced!"

"However, the corpse has not been found, and the hatred and humiliation must be washed away! So, please allow me to go down to the human world and kill everyone related to Chen Xiaobei! Take revenge!"

Most of the priests present nodded in agreement.

The Jade Emperor's eyes narrowed and he asked, "is this the intention of the Saint?" Since he wants to take his anger out on Chen Xiaobei's accomplices, I will not refuse!"

It was obvious that this monk-like divine official was from the Western sect.

One of jieyin's ears had been cut off by sect master Tongtian. He still couldn't take it lying down and was still trying to get revenge.

"Since Your Majesty has agreed! In that case, I will set off now! I'll try to come back as soon as possible!" The priest walked out of the hall impatiently.

"Bang!"

However, just as he reached the door, his entire body suddenly exploded! His body and soul were shattered, and his primordial spirit was destroyed! Blood and minced meat sprayed all over the ground!

"Today! Don't even think about going anywhere!"

Chen Xiaobei stepped on the blood of the divine official and walked into the hall, all the gods watching in shock.

Chapter 3854: -Saint

“Why is it him? How ... How could it be him?”

In an instant, everyone in the hall was shocked, as if they had seen a ghost. They could not believe their eyes.

“Why is Chen Xiaobei still alive? He was hit by Saint jieyin’s attack, so he shouldn’t be alive!”

“This ... This is unbelievable! What right does he have to keep his life from a true divine?”

“And his strength has already reached the nine-star perfected golden immortal realm, which is also a nine-Star Mystic God. He’s even more powerful than many of us here!”

“That’s terrifying ... It hasn’t been long since Chen Xiaobei wreaked havoc in the heavenly court! How did his strength rise so quickly? I’m only one major realm away from becoming a quasi-Sage!”

“It’s too scary! What kind of monster is this kid?”

In the hall, from the Jade Emperor to the most ordinary immortal officials, all of them were so shocked that their three views were shattered. They even began to wonder if this was an illusion.

Of course, although they were shocked, they quickly calmed down.

After all, Chen Xiaobei’s strength was far from enough to do whatever he wanted. There were certainly people who could suppress Chen Xiaobei.

Soon, many priests began to clamor.

“Chen Xiaobei! What kind of courage did you eat? He actually dared to barge in here alone? Don’t you know how to spell the word “death”?”

“Although I don’t know how you survived, there are many people here who can crush you! Your Majesty, the Jade Emperor! Pagoda-bearing Heavenly King! There are also many heavenly court marshals whose cultivation realms are far above yours!”

“Chen Xiaobei! You must have damaged your brain! He actually came to his own door to die! Last time, you were lucky to escape! Today, you won’t be able to escape even if you have wings!”

Obviously, all the God officials of the celestial heavens were gathered here!

Even though most of them were not as strong as Chen Xiaobei! However, there was a small group of people whose strength was far above Chen Xiaobei’s.

That was why everyone thought that Chen Xiaobei was here to die.

“Chen Xiaobei! You’re so bold!”

At this moment, the Jade Emperor had already stood up. His body emitted a round golden radiance that was brilliant for tens of thousands of Zhang. It was as if the entire world was trembling!

He wanted to capture Chen Xiaobei himself.

He did not care about his alliance with Chen Xiaobei.

On the surface, he was still the Jade Emperor of the heavenly court and a member of the clan of enlightenment. But in secret, he seemed to have formed an alliance with the Western religious sect and even received the promise of protection from the jieyin Taoist.

So, even if Chen Xiaobei exposed Xu Fu to testify against the Jade Emperor, the Jade Emperor would not be affected much.

Because of this, the Jade Emperor no longer cared about Xu Fu, and naturally, he did not need to maintain an alliance with Chen Xiaobei!

On the contrary, the Jade Emperor could not wait to capture Chen Xiaobei!

As long as he could offer Chen Xiaobei to the jieyin Taoist, it would be a great contribution. The Jade Emperor could even join the Western religious sect and become a core member. His status and cultivation would also be greatly improved!

“Whoosh ...”

With a wave of his hand, the Jade Emperor conjured a holy light Dharma laksana that was as terrifying as a golden sun. Judging from the energy fluctuations, it was at least a seven-star Sage-to-be!

In terms of strength, the Jade Emperor could crush Chen Xiaobei hundreds of times over!

Unfortunately, no one in the room knew about Chen Xiaobei’s trump card!

“Swish!”

At the same time, Chen Xiaobei took out a scroll and threw it high into the air!

The scroll unfurled, and a demonic red holy light bloomed. It also transformed into a huge demonic Fire Red Lotus!

“What ... What kind of magic treasure is that? What a terrifying energy fluctuation! He felt that he had at least reached the peak quasi-Sage level! No! He might even be stronger than a peak quasi-Sage!”

Everyone, including the Jade Emperor, shrieked in shock at the sight.

“Run! Quickly run!”

The Jade Emperor’s reaction was very fast. Seeing that the situation was not good, he immediately stopped his attack and turned around to escape.

“Whoosh ...”

However, the huge demonic Fire Red Lotus had already enveloped the entire Hall!

A terrifying sealing force blocked the Jade Emperor’s path of retreat. No one present could escape!

“Whoosh! Whoosh! Whoosh ...”

Then, a terrifying suction force that was comparable to a half-step true sage burst out from the scroll, sucking all the gods in the hall into the independent space in the scroll and sealing them inside!

help ... Help ... the gods cried out in pain, but no one could save them.

Under the terrifying suction force of the scroll, no one could resist and were sucked into the scroll one after another.

“Chen Xiaobei! God Chen! We’re allies! Let me go ... Let me go!”

The Jade Emperor shrieked hysterically. Under such circumstances, he could do nothing but beg for mercy.

“An ally?”

“Why didn’t you say that you’re my ally when you were discussing with the Western religious sect about going to the human world to kill my family and friends? Now you want me to let you go? You’re just daydreaming!”

“Whoosh ...”

The suction force from the scroll was added to the Jade Emperor’s body. He was not given the chance to speak any more nonsense and was directly swept away!

“It’s too terrifying! This magic treasure was simply too terrifying! When did such a terrifying treasure exist in the universe?”

At the same time, Li Jing and Nezha were also shocked.

Because Chen Xiaobei did not tell them about the scroll’s existence, their shock was genuine and natural.

“Woof! Whoosh!”

Then, Li Jing and Nezha were also drawn into the map and sealed.

Soon, the entire Hall was empty except for Chen Xiaobei! At this point, everyone in the heavenly court was sealed in the independent space inside the scroll! Not a single fish escaped the net!

“Whoosh ...”

Then, the demonic Fire Red Lotus in the medium disappeared, and the scroll flew back into Chen Xiaobei’s hand.

That’s right!

This scroll was a brand-new magical treasure that had been modified using the “ sky-imprisoning painting of the northern profound mystery “!

‘Beixuan Saint-sealing painting’!

The map contained a large amount of space and arrays. At the same time, there were two demonic Fire Red Lotus Imprints. It could already seal a half-step true sage!

If Chen Xiaobei was in the process of fusing with the demonic Fire Red Lotus mark, he could even seal a one-star true Saint!

It was obvious that there was no half-step true sage among the gods in the heavenly court. There was no way for them to escape!

“Swish!”

In a flash, Chen Xiaobei dashed out of the hall and into the garden!

At this moment, the Queen Mother of the West and her nephew, the city Lord, were having a secret discussion in the garden.

Chen Xiaobei descended from the sky, took out the beixuan Saint-naming scroll, and shrouded the two of them!

Chapter 3855: I'll say

“Chen Xiaobei! Why are you here?”

The Queen Mother of the West's pupils contracted, and her face turned pale. All the jewelry on her body shivered with her.

“What? He ... He ... He's Chen Xiaobei? Isn't he dead?”

There was also a fat middle-aged man beside them. When he heard the name 'Chen Xiaobei', his fat body started to tremble.

“What were you guys talking about just now?”

Chen Xiaobei raised his eyebrows and said, “I vaguely heard that the demon race ... Is cooperating ... Tell me! What kind of monster race are you working with? What are you planning to do?”

It was obvious that the immeasurable catastrophe was approaching. Everyone seemed to be harmonious on the surface, but in fact, they all had their own plans!

The Jade Emperor sought the help of Daoist jieyin, while the Queen Mother of the West established a partnership with the monster race!

It was clear that once the cataclysm broke out, all the current positions and relationships would be broken!

In order to survive, everyone would do anything!

“Chen Xiaobei! You're dreaming! I will never tell you the truth!”

The Queen Mother of the West's face was cold and determined. She was ready to keep her mouth shut.

However, at the same time, she secretly took out a communication jade talisman!

“Woof!”

Chen Xiaobei took out his chaos Blood Sword!

Previously, in the jianmu world, the chaos Blood Sword had devoured the bodies of two peak quasi-sage realm world Kings!

After being accelerated by Fu Tian Xin 'er, the chaos Blood Sword had reached the peak quasi-Saint level!

“Woof!”

With a sharp whistling sound, the hand of the Queen Mother of the West that was holding the communication jade talisman was cut off from the shoulder!

“Pfft ...”

The Queen Mother of the West's arm fell to the ground, and blood gushed out like a fountain!

“Ah ow ... Ugh ... It hurts ... It hurts so much ...”

Along with her hysterical screams, the Queen Mother of the West trembled in pain and broke out in cold sweat.

Chen Xiaobei's hatred for the Queen Mother of the West was greater than his hatred for the heavenly court!

She was the one who made fairy Chang 'e look like a vegetable! He didn't even know when he would recover!

To Chen Xiaobei, this was definitely touching his reverse scale!

Chen Xiaobei had zero tolerance for the Queen Mother of the West. Then, he saw the Queen Mother of the West take out her communication jade talisman and cut off one of her arms!

If she dared to play any more tricks, Chen Xiaobei would not mind killing her!

In any case, she owed her life to fairy Chang 'E! Sooner or later, Chen Xiaobei would definitely get it back with interest!

“Clang!”

Chen Xiaobei then slashed the Queen Mother of the West's communication jade talisman in half.

“Do you want to ask the heavenly Lord Yuanshi for help? I advise you not to try again! Otherwise, I'll take your dog life with my next sword!”

Chen Xiaobei's entire being exuded a terrifying killing intent! Accompanied by an extreme pressure, he was like an absolute Overlord who looked down on the heavens and stepped on the myriad worlds! Who dared to question it! Kill without mercy!

“Hiss ...”

The Queen Mother of the West gasped, her state of mind was greatly affected.

Under Chen Xiaobei's terrifying pressure, she even forgot to scream. She gritted her teeth and trembled.

"Mother of God! It's ... It's ... It's too scary ..."

On the side, the fat City Lord's face was splattered with blood. He was so frightened that he screamed again and again. His legs went soft and completely disobeyed his orders. He couldn't help but kneel on the ground.

"I'll ask one last time!"

Chen Xiaobei's eyes were cold and sharp, "Who are you working with? What's the ultimate goal?"

I ... I can't tell you ... If I tell you ... We'll all die ... the Queen Mother of the West trembled, her eyes were filled with extreme fear.

if you don't tell me, you'll die all the same. And I promise that you'll all die miserably! Chen Xiaobei's face turned cold, and he increased the intensity of his aura.

The Queen Mother of the West and the fat City Lord were once again shaken by the terrifying pressure. They even had a terrible illusion that Chen Xiaobei had turned into a cruel Demon King, using all the most terrible means to make them live and die in pain and despair, suffering all kinds of torture, and finally dying with grievances!

"Hiss ... I'll talk! I say! I'll tell you everything!"

The fat City Lord's mental state crumbled. He did not dare to challenge Chen Xiaobei's patience and told him everything.

"It's a nine-colored Qilin! He was a half-step true sage of the demon race! My aunt said that as long as we work with him, he'll protect us when he becomes a Saint!"

"Idiot! How can you tell the truth?"

"If you don't tell me, Chen Xiaobei might not let us live!" The Queen Mother of the West said anxiously. If you tell us now, we will lose our value! Chen Xiaobei can kill us at any time!"

It was obvious that the Queen Mother of the West was about to be angered to death by her stupid nephew.

However, this was also her fault as an aunt. She had spoiled her nephew since he was young, causing him to become a typical good-for-nothing! He was timid, afraid of death, and was good for nothing except for his desire for pleasure!

"Nine-colored Qilin?"

On the other hand, Chen Xiaobei was deep in thought.

The nine-colored Kirin's name was on the list of saints that mother Nuwa had given him.

from the current situation, the nine-colored Qilin must have been very ambitious, so it sought cooperation from outside forces.

In that case, was it possible that this guy was the monster race Big Shot who had yet to reveal his mysterious veil?

Chen Xiaobei had thought that kun Peng was the mysterious demonic Overlord!

However, the facts proved that the kun Peng was not.

And now, the nine-colored Qilin had caught Chen Xiaobei's attention.

After all, the life and death of sect leader Tongtian and mother Nuwa were closely related to the emergence of the new Sage.

If the nine-colored Kirin was ambitious and could obtain the recognition of the heavenly Dao, it would definitely not be difficult for him to become a saint.

Once he became a Saint, either sect leader Tongtian or mother Nuwa would be killed by the way of heaven immediately.

"Speak! Where is the nine-colored Kirin now?"

Chen Xiaobei asked.

"Don't! Please don't say anything!" The Queen Mother of the West quickly reminded her useless nephew.

"Woof!"

Without a word, Chen Xiaobei swung his sword again!

This sword didn't show any mercy, it directly dismembered the Queen Mother of the West!

Her body was split in half, and her blood and internal organs splattered all over her useless nephew's face.

Her dharma body crumbled and her primordial spirit was devoured by the chaos Blood Sword. She even lost the chance to reincarnate.

"Aunt!"

The good-for-nothing nephew was so scared that he peed in his pants on the spot. Chen Xiaobei did not even have to force him to do it. "Don't kill me! I say! I'll tell you everything!"

[Red Envelope Group of the Three Realms](#)

Chapter 3856: first

Chen Xiaobei had killed the Queen Mother of the West because he was sure that his useless nephew knew everything!

He would tell her everything he knew anyway! Just like what the Queen Mother of the West had said, she had lost her value!

In this way, she was no longer useful to Chen Xiaobei. Instead, he would have a huge grudge against her!

Chen Xiaobei did not hesitate to kill him!

It could be considered as a complete revenge for fairy Chang 'E!

"The nine-colored Kirin has gone to the Hong Meng Demon Realm in an attempt to seize the bell of chaos!"

The good-for-nothing nephew immediately answered Chen Xiaobei's question.

primordial chaos Demon Realm!?

Chen Xiaobei was taken aback.

Taoist Cundi had warned them before that many forces in the heaven realm had already set their sights on the eastern Emperor Bell, both openly and secretly.

Chen Xiaobei was not surprised at all that the nine-colored Kirin had also gone to the Hong Meng realm.

This was even better!

Chen Xiaobei was going to get the eastern Emperor Bell anyway, so he would take care of the nine-colored Qilin at the same time!

If Chen Xiaobei could get his hands on the real nine-colored Qilin, his cultivation would continue to soar!

It could be said to be killing three birds with one stone!

"Where is Yang Jian's mother? Take me there immediately!"

Chen Xiaobei said.

"Yes! Please follow me!"

The effect of killing the chicken to warn the monkey was very good. Killing the Queen Mother of the West in front of him completely scared the good-for-nothing nephew out of his wits.

Without further ado, he brought Chen Xiaobei to yang Kuai's mother.

After that, Chen Xiaobei told her about his alliance with yang Kuai, and then, he brought mother yang away.

As for his useless nephew, Chen Xiaobei had also sealed him in the beixuan Saint-naming scroll.

"Swish!"

At the same time, at the agreed location, Fu Tian Xin 'er opened a spatial gate.

Chen Xiaobei brought mother yang back to the jianmu world.

"Mother!"

Yang Jing was already waiting on the other side of the door. When she saw Chen Xiaobei and his mother return safely, she was so excited that she was trembling! Even his three eyes were slightly red, and his breathing became rapid.

"Child!"

Mother yang was also very excited and immediately went to Yang Jian's side.

The two of them had not seen each other for many, many years, but their blood-related feelings for each other had only increased.

For a moment, the two of them hugged each other, and mother yang instantly cried like rain!

Even someone as strong as Yang Jian couldn't hold it in and hot tears fell!

The mother and son repeated and cried tears of joy!

Everyone was touched by what they saw, and at the same time, they praised Chen Xiaobei!

It was Chen Xiaobei who had saved mother yang!

Everyone was in awe of Chen Xiaobei. If it was anyone else, they would not have been able to do it so beautifully!

"Bro bei! Thank you for saving my mother! Please accept my bow!"

After a while, Yang Jian separated from his mother and came over to kneel down to thank her.

It was obvious that saving his mother was Yang Jian's biggest wish! It could even be said to be his only pursuit in his life!

And now, Chen Xiaobei had helped him realize his long-cherished wish, making up for the biggest regret of his life!

Such a huge favor was definitely worthy of his thanks!

"No need to be so polite!"

However, Chen Xiaobei did not ask him to kneel. Instead, he held him up and said, "You're a sincere and filial person. I understand your feelings very well! However, we're already brothers! If you bow again, you'll be treating me as an outsider!"

Obviously, Chen Xiaobei was also a very filial son. He and yang Kuai were quite close, so he would not let yang Kuai kneel.

"Good! Then I won't kneel!"

Yang Jian was also a forthright person, so he didn't need to be polite. He patted his chest and promised, "From now on, I am a member of bei Xuan faction! Just one word from bro bei! [even if I have to go through mountains of blades and seas of flames, I will still press forward with indomitable will!] Even if you want me to risk my life, I won't even frown!"

"Alright! With your words, I'm completely at ease!" alright! Chen Xiaobei grinned. next, I'll be heading to the Hong Meng Demon Realm. I have a very important task for you!

"Bro bei, just give me your orders!" Yang Shu said straightforwardly.

I need you to sneak into chanism's group and act as a spy. I need you to report to me chanism's plans and itinerary! Chen Xiaobei said.

“No problem!” Yang Kuai was very smart and immediately understood what Chen Xiaobei meant.

At the moment, the clan of enlightenment did not know that Yang Jian had forsaken the dark and joined the light, and that the Hong Meng Demon Realm could not contact the heaven realm.

Therefore, Yang Jian only needed to say that he was here to help and he could naturally join the team of the clan of enlightenment.

By then, Chanism’s every move would be under Chen Xiaobei’s control! Chen Xiaobei could make use of all the clues Chanism had found! Chanism might even benefit Chen Xiaobei and let Chen Xiaobei gain the ultimate victory!

This move was a classic example of knowing one’s enemy and oneself, one would never lose a hundred battles!

“In addition, for this operation, Xin ‘er will go with me, so that it will be easier to open the space gate at any time! The waiter also followed! As for the others, they’ll stay here for the time being and continue to build bei Xuan faction!” Chen Xiaobei said.

“Alright! When are we leaving?” Fu Tian Xin ‘er and Xiao ‘er were both overjoyed, and they couldn’t wait to go out and play.

“Yang Jian and Xiao Tian, let’s go now!”

as for me, I’ll have to wait a little longer. I’ll leave after all the bei Xuan faction members have ascended! Chen Xiaobei said.

Clearly, Chen Xiaobei was still worried about the people from the earth-god Realm.

Today, the Jade Emperor had already made up his mind to kill the people of the earth immortal world. Tomorrow, perhaps others would have the same idea.

Therefore, Chen Xiaobei had to personally bring everyone to the jianmu world before he could be at ease.

Of course, the blood Bodhi soul fruit and the heaven-immortal instrument had been sent to him in red packets. The Ascension of the earth-god Realm should be within one or two days!

After that ...

Fu Tian Xin ‘er first opened a spatial gate and let Yang Jian and the celestial Hound enter the primordial world!

The world of the jianmu was connected to all the heavens and realms, so it was very convenient to open and close doors.

After that, Chen Xiaobei did not rest.

Fu Tian Xin ‘er used the divine sunlight treasure box to make the peaches of immortality ripen.

In the following day and night, Fu Tian Xin 'er had used up all the spirit Qi in the five quasi-Saint spirit veins. It gave birth to 300000 3000-year-old deserters, 300000 6000-year-old heavenly peaches, and 300000 9000-year-old heavenly peaches.

Chen Xiaobei transformed into his demonic Saint form and ate them all.

After this wave, his lifespan had increased by 5.4 billion years!

At the same time, the space gate connecting the world of the jianmu to the earth-god Realm was always open.

Finally, Chen Xiaobei's communication jade talisman received a message from song Qincheng.

It was obvious that everyone was ready to ascend!

[Red Envelope Group of the Three Realms](#)

Chapter 3857: Missing

The content of the message was simple. It was to inform Chen Xiaobei that everyone was ready to ascend.

The better Chen Xiaobei and song Qincheng were, the better they would be able to ascend in half a day.

The entire process went smoothly.

After all, Chen Xiaobei had already made all the necessary preparations!

At the appointed time, Chen Xiaobei asked Futian Xin 'er to open the space gate at the heaven Gate of the first heaven of heaven realm.

After Chen Xiaobei passed through the portal, he took care of all the celestial soldiers guarding the Heaven's Gate.

The first to ascend were Chen Zhongfu and Zhang Chui 'er. The two of them had taken the Ascension elixir, so they didn't need to be frightened by the lightning tribulation and reached the heaven realm smoothly!

Chen Xiaobei exchanged a few words with the two elders and let them enter the jianmu world.

The next to ascend were Lu Bu, Diao Chan, Zhao Yun, Xiang Yu, and Ying Zheng.

Each of them was holding a heaven immortal artifact in their hands, and there was not a single wound on their bodies. Clearly, crossing the Tribulation was a piece of cake for them.

After some small talk, they also entered the world of the builder tree.

The next to ascend were song Qincheng, Lin Xiang, Murong Xiaoyao, and Murong Tian. It was a little more difficult for them to ascend, but with the protection of Chen Xiaobei's heaven-immortal instrument, they managed to ascend without any trouble.

After they entered the world of the jianmu, many important people related to Chen Xiaobei ascended to the immortal world.

These people had also entered the world of the builder tree.

In the end, another seven people successfully ascended. They were Chen Xiaobei's seven direct disciples in the human world.

Their Ascension was also very easy. The reason why they were the last to come up was only to be responsible for bringing up the rear.

"That's not right!"

But when he saw the seven Pro-disciples, Chen Xiaobei immediately became nervous. where is Bodhi and the child? "

"Ah?"

The eldest disciple, Feng Qingyang, was taken aback. miss Bodhi and her children have all taken the Ascension elixir. They ascended together with your parents as the first batch!

"I didn't see them! My parents were the only ones who ascended in the first batch!" Chen Xiaobei was completely flustered. His face changed, his pupils shrank, and an ominous feeling exploded in his heart.

Previously, when Futian Xin 'er said that she had a premonition that something was going to happen, Chen Xiaobei did not think much of it.

He didn't expect that something would happen so quickly!

And it was a situation that was enough to make Chen Xiaobei's heart clench!

His wife and child were gone! How was he supposed to play?

"Swish!"

Chen Xiaobei immediately took out the divine talisman and activated its ability to find Luo puti.

However, strangely, he could not find Luo puti at all.

"That's not right! The mother and son had both taken the Ascension elixir, but they had disappeared into thin air! Could it be that there was something wrong with the two immortal Ascension pills? The mother and son were killed?"

Chen Xiaobei tensed up.

This was an outcome that he absolutely could not accept. If it really was like this, he might completely collapse.

Of course, Chen Xiaobei's state of mind was still very strong. Even in this situation, he did not lose his composure.

He immediately took out his communication jade talisman and contacted King Yama.

Chen Xiaobei: Hurry up and help me check the lifespans of Luo puti and my child! Human lives were at stake! Urgent!

King of Hell: Wait a moment ...

King of Hell, "I've found out that Luo puti's lifespan is as long as the heavens and earth!"

Chen Xiaobei: what? (Shocked) live as long as heaven and earth!? How could this be?

King of Hell: " I don't know the reason. Maybe it's because of his special bloodline, or maybe it's because of his special physique, or maybe it's something else ...

Chen Xiaobei: Brother, have you ever heard of the Saint Duke clan?

King of Hell thought, Saint Duke? I've never heard of it ...

Chen Xiaobei thought, 'maybe Bodhi's lifespan has something to do with her race! Back then, mo Luo Wutian had planned to capture Bodhi!

King of Hell: " you'll have to ask the Saints about this. I don't have any clues at my level.

Chen Xiaobei: As long as Subhuti was still alive, everything could be discussed! Also, have you found the child's lifespan?

King of Hell: " No... You haven't given your child a name. In the book of life and death, children without names are all recorded as nameless! You'll only be able to find it after you've given it a name!

Chen Xiaobei thought, 'I don't know if it's a boy or a girl, and I can't just randomly name it ...'

King of Hell, "then let's wait!" The mother was fine, and the child was not in danger!

Chen Xiaobei: Then he would wait!

After ending the private chat with Hades, Chen Xiaobei quickly contacted Cundi.

Chen Xiaobei-Saint Cundi! Have you ever heard of the Saint Duke clan?

Cundi thought, Saint Duke? I've heard of it before, but this race was already extinct billions of years ago!

Chen Xiaobei, please tell me the story of this race!

[Cundi: the beginning of heaven and earth, the birth of all races!] The Saint Duke clan, with their super abilities, could ignore all vital spirit abilities. Furthermore, they had long lifespans, and their cultivation speed was amazing. Soon, they revealed their unparalleled edge!

Cundi said, " of course, they were soon targeted by the way of heaven. After being schemed against, their entire clan was exterminated! Not a single one was left! In the years that followed, no one ever mentioned Saint Duke again. Where did you hear that from?

Chen Xiaobei: " to be honest with you, my wife is a descendant of the Saint Duke! And my child has a part of the Saint Duke's blood! I made them eat the Ascension elixir and planned to ascend today. However, after they ate the Ascension elixir, they didn't come to the heaven realm. I used the heaven glimpse Saint talisman to search for them, but I couldn't find their traces!

Cundi said, "don't worry!" The power of the Saint Duke clan is far beyond your imagination! Even if they were already extinct, they would still have a way to protect their descendants!

Cundi thought, "there is another possibility. The Saint Duke clan in the heaven realm is not completely extinct." They were the ones who had directly taken him away through the heavenly Tribulation!

Chen Xiaobei, "do they really have the strength?"

Cundi replied, "of course!" The Saint Duke clan was the first force to be destroyed by the heavenly Dao! It could be seen that their strength and Foundation could completely surpass any saint's great sect! Even the heaven glimpse Saint talisman could not find them! How could a mere Heavenly Tribulation stop them from taking the person away?

Chen Xiaobei: " but, even if Bodhi and the child are taken away by the people, I still can't be at ease!

Cundi thought, "you have to adjust yourself!" After all, we don't have any clues now! No matter how uneasy you are, it's useless! He might as well settle the matter in front of him! When you're strong enough, perhaps the Saint Duke will come to you!

Chen Xiaobei: Will they come to me?

Cundi replied, "of course I will!" They had a clan-destroying enmity with the heavenly Dao! When you're strong enough to help them take revenge, they'll naturally come to you!

Chen Xiaobei: I'll head to the Hong Meng Demon Realm now and snatch the eastern Emperor Bell!

Cundi thought, "you're Teachable!" Accept the red packets! I've prepared a few trump cards for you. They might be able to help you at a critical moment!

[Red Envelope Group of the Three Realms](#)

Chapter 3858: trump card

Ding! Congratulations! You have snatched Cundi's Red envelope and received the Sutra of the future. It has been stored in your treasure chest!

Ding! Congratulations! You've snatched Cundi's Red envelope. You've received the nine tunes holy river formation. It has been stored in your treasure chest!

Ding! Congratulations! You have snatched Cundi's Red envelope and obtained the tree of Seven Wonders. It has been stored in your treasure chest!

Chen Xiaobei: These three items were all Saint level existences! The three great Buddhist scriptures of the past, present, and future! The nine tunes holy river formation that originally belonged to the Jie sect! And the tree of Seven Wonders is the Natal magic weapon of Saint Cundi!

Cundi thought, "these three things are the cards I've planned for you. They might be useful when you go to the Hong Meng Demon Realm!" The timing and method of use were very important!

Chen Xiaobei-Saint zhunti, please enlighten me! How should I use it?

Cundi thought, " the future Sutra of Buddhism is the most important part of the three great Holy Scriptures. Moreover, the current one in Buddhism is just a remnant volume. And the one I'm giving you is complete!

Cundi thought, "to the people of the Western religious sect, the past, present, and future are the most important things. Nothing can compare to them!" Legend had it that one could become a half-step true sage by comprehending these three Holy Scriptures!

Cundi thought, "so, after you go to Hong Meng Demon Realm, this complete Sutra of the future will be your bargaining chip with the Western religious sect!" Of course, he could also use it to scheme against them! With your brain, you definitely know what to do!

Chen Xiaobei: At the critical moment, throwing out the Sutra of the future could disrupt the Western religious sect's plan!

Chen Xiaobei thought to himself, 'but, if I were to throw out such an important Scripture and let it fall into the hands of the Western religious sect, wouldn't that mean that the Western religious sect would be able to produce a large number of half-true divine?

Cundi said, "don't worry!" Rumors were just rumors! Not many people in the world could see through the past, present, and future! Hence, even if they were given three volumes of the Holy Bible, they would not be able to become half a step into true sage!

Chen Xiaobei: If I'm not wrong, the use of the nine tunes holy river formation should be the same as the future Sutra, right?

Cundi agreed. In the third immeasurable cultivation tribulation, Zhao Gongming, a disciple of the tribe of severity, was killed by the clan of enlightenment. In order to avenge Zhao Gongming, fairy sanxiao used the primeval Dipper as the core of the formation and laid out the nine tunes holy river formation!

Zhunti thought, at that time, Luya, Yang Jian, Jin Lu, and mu Xun were all trapped in the Jade formation, exhausted and unable to wait for death! After that, the 12 golden Immortals of the clan of enlightenment were all captured by the formation! The three flowers on the top of his head and the five Qi in his chest were even cut off, and his cultivation was completely crippled!

Zhunti thought, "at that time, the Vice sect leader of the clan of enlightenment, dipamkara, was scared away!" They didn't even dare to get close to the formation! In the end, it was the Grand Supreme elderly Lord who took action and summoned the Three Pure Ones with the seven-star Saint weapon, the flame futon, to take away the primeval Dipper and break the nine tunes holy river formation!

Chen Xiaobei thought, 'what a powerful formation! It could only be cracked by a Seven Star Saint weapon! (Shocked)

Cundi agreed. This magical formation was indeed very terrifying! And it was also what Guangchengzi of the clan of enlightenment desired the most!

Chen Xiaobei: He was the most powerful one among the 12 golden Immortals of the clan of enlightenment! The talent and opportunities were also the greatest! He ... Why would he desire the nine tunes holy river formation?

Cundi said, "after the last immeasurable tribulation, the primeval Dipper was given to Guangchengzi by the origin!" This Dharma Treasure was a Saint artifact, but it was only a two-star One! Only when combined with the nine tunes holy river great formation would it be able to burst out with true power and reach a five-star upgrade in one fell swoop!

Chen Xiaobei: As the saying goes, everything is ready except for the east wind! With the chaos essence golden Dipper in his hand, what Guangchengzi lacked the most was the eastern wind of the nine tunes holy river formation!

Cundi agreed. You're basically invincible under the true Saint realm. I'm giving you the Sutra of the future and the formation of nine winding holy rivers so that you can outwit true saints!

Obviously, Taoist Cundi himself was an extremely intelligent person.

Therefore, the first two cards that he had prepared for Chen Xiaobei were to use his wisdom to attack his opponent's mind and kill a stronger enemy!

Of course, Taoist Cundi did not only know how to scheme!

The third trump card he gave Chen Xiaobei was to use force to solve everything!

Chen Xiaobei, "what level is the tree of Seven Wonders?" I've heard that the Qingping sword in my master's hand was shattered by the tree of Seven Wonders! Moreover, when the four sages broke the fairy slaying sword formation, you also used the wondrous tree of seven treasures to break the sword formation's immortal-eliminating position!

Cundi thought, "the tree of Seven Wonders is a peak holy weapon!" I'm ashamed to say this, but I didn't meet Wukong back then, and I didn't see through the nature of the heavenly Dao. Otherwise, I wouldn't have become Tongtian's enemy!

Chen Xiaobei: "it's all in the past. You don't have to be ashamed! You'll give me the tree of Seven Wonders today! It's enough to see that you're really determined to break off from the heavenly Dao!"

Chen Xiaobei: "if that's the case, then you've become friends with us! Moreover, his master was a broad-minded person. He was not injured that year, so he would definitely not hold a grudge!"

Cundi thought, "I know Tongtian's character. As long as I have the same goal as him, even if I hurt him back then, he would still smile and forget the hatred!"

Cundi thought, "but, in retrospect, it was really dangerous back then!" Grand Supreme, origin, jieyin, and me. The four of us worked together to break the celestial eradication sword formation. If Dao ancestor hadn't rushed over, we might have already killed Tongtian!

Chen Xiaobei: Heh, he's protecting my master, but he doesn't really care about him! It's because if my master dies, the power of the heavenly Dao will drop drastically!

Cundi said, "that's right. So, after the last immeasurable cultivation tribulation, although the tribe of severity was exterminated, Tongtian has been living well. It's a blessing in the misfortune."

Chen Xiaobei: "I'll make you pay for every single thing that happened in the past! However, I still have some concerns about the current situation."

Cundi asked, "what other concerns?"

Chen Xiaobei: "you've given me three trump cards. But if I use them, our Alliance will be exposed. Then, Won't You Be locked up as well?"

Cundi thought, " I secretly obtained the Sutra of the future and the formation of the nine sacred rivers. No one knows that I have them. So, even if you give them to me, you won't expose me!

Chen Xiaobei thought, 'but, where's the tree of Seven Wonders? This is your life treasure!

Cundi thought, "the tree of Seven Wonders can't be reneged on!" Once you use it, I'll be exposed immediately! Therefore, this card was for you to use to save your life!

Chen Xiaobei: I can only use the tree of Seven Wonders when I'm in a life-and-death situation!

Cundi thought, "not necessarily!" If you could use it without anyone knowing! I won't have to worry about being exposed!

Chen Xiaobei, "using it without anyone knowing?"

[Red Envelope Group of the Three Realms](#)

Chapter 3859: new ancestor

Chen Xiaobei: 'After I use the tree of Seven Wonders, I'll kill all the enemies I see. Then, I won't reveal the existence of this magical treasure!' It would not have involved the sage Cundi!

Cundi thought, "you're smart. You must know what to do!"

Chen Xiaobei: Then I'll set off immediately and return the tree of Seven Wonders to its owner when I return from the Hong Meng Demon Realm!

Cundi said, "we'll talk about it when you're back!" Perhaps you'll need the tree of Seven Wonders when the time comes.

Chen Xiaobei, thank you for your help!

After that, Chen Xiaobei ended the private chat and returned to the jianmu world. He settled the people who had just ascended into the 36th floor.

After that, little north brought Fu Tian Xin 'er, Xiao' er, and donghuang Taiyi through the space gate and headed to the Hong Meng Demon Realm.

Chen Xiaobei was no stranger to this place.

The Hong Meng demonic realm was divided into four levels, heaven, earth, and yellow. Chen Xiaobei had been active on the first level.

However, this time, there was no doubt that he had to go to the highest plane to find the bell of the East Emperor. There was no need to consider other places.

Taiyi could also sense the aura of the eastern Emperor Bell. Just like Chen Xiaobei had guessed, it was in the top level of the Hong Meng Demon Realm.

Chen Xiaobei was already a nine-star great overarching golden celestial, and Fu Tian Xin 'er was a peak-stage Sage-to-be. Their journey was smooth, and no one dared to stand in their way.

When he reached the highest plane, Chen Xiaobei took out his communication jade talisman and contacted yang Kuai and Yan Lingshi.

The communication jade talisman could not contact people outside of the Hong Meng Demon Realm, but it could directly contact people within the Hong Meng Demon Realm.

There was no reply from Yang Jian. He had arrived more than a day earlier and should have entered the camp of the clan of enlightenment by now, so it was not convenient for him to reply all the time.

On the other hand, he received Yan Lingshi's reply very quickly.

Yan Lingshi-bro bei! You've finally come to the Hong Meng Demon Realm! (Excited)

Chen Xiaobei: " how's the situation on your side? "

Yan Lingshi,"the situation right now is very complicated!" A large amount of the heaven realm's Shi and force entered the Hong Meng Demon Realm. Therefore, although Xuan Xin and I have found some clues, we can't do anything about it. We can only hide and wait for you to come before we make further plans!

Chen Xiaobei: " tell me! Where are you? " I'll be there immediately!

Yan Lingshi, don't! Don't come over! There are many heaven realm forces moving around near our hiding place, and they seem to have found the clues we found. Once you come over and meet them, the consequences will be unimaginable!

Chen Xiaobei: Tell me the exact location first, and I'll act according to the situation!

Yan Lingshi,"have you become very strong now?" He didn't even care about the forces of the heaven realm! (Curious)

Chen Xiaobei: " it's alright. I've gotten stronger. So, you and xuanxin don't have to worry. I can take care of myself. I can handle everything.

Yan Lingshi,"yes, I believe you!" Xuan Xin and I are hiding in the zhenshi mountain, which is located in the North of the highest plane in the Hong Meng Demon Realm! If you can come, then go to the foot of the northern mountain and contact me. Xuan Xin and I will be waiting for you there!

Chen Xiaobei: I'll remember this!

[Yan Lingshi, you must be careful. Don't force yourself when you're in trouble!] Although you've become very powerful now, it's easy to Dodge a spear in the open but hard to defend against an arrow in the dark! Some dangers would exceed strength!

Chen Xiaobei: " who made you feel so much? " Could it be our old acquaintance?

Yan Lingshi,"yes!" It was Xia Yilian! Do you dare to believe it? She had the power of a peak stage Sage-to-be now. She could even mobilize all the powerful demons in the highest plane with one word!

Chen Xiaobei: " H-how is this possible?! (Unbelievable)

Yan Lingshi,"last time, when the two of us went to the Hong Meng demon world, Xia Yilian obtained an inheritance!" The demonic technique within it could allow her to directly absorb other cultivations for her own use!

[Yan Lingshi: in the beginning, she used her looks to deceive many powerful demons. She absorbed their cultivation step by step and made herself stronger!] In the end, he even absorbed the cultivation of the strongest person in the Hong Meng Demon Realm and directly reached the peak of the sage-to-be realm!

Chen Xiaobei: "yup! With this woman's cunning and despicable methods, she can definitely do it! However, what right did she have to command the highest plane of the Hong Meng Demon Realm?"

Yan Lingshi, primordial chaos demon ancestor Jun Moyi, the demon ancestor's origin was devoured by Xia Yilian! Xia Yilian could already control a portion of the laws of the primordial world! This allowed her to possess an extremely powerful strength that was invincible in the Hong Meng Demon Realm! If any force dared to disobey Xia Yilian, they would suffer a bloody purge!

Chen Xiaobei thought, 'Jun Mohan ... Is such a stupid woman!' When she returned to the Hong Meng demon world, I told her to be careful of Xia Yilian, but she didn't take it seriously at all. Now, she has failed in an easy task and can't even keep the position of the demon ancestor!

Yan Lingshi-actually, it's not that Jun mochen is stupid! It was Xia Yilian who was too sinister! I heard that when Jun Mohan returned to the highest plane of the Hong Meng Demon Realm, an expert who was loyal to her invited her to a banquet!

[Yan Lingshi, however, Jun mochen would never have expected that in the billions of years since I left, the faith of some die-hard believers had already wavered, and even completely collapsed!] Because of this, that die-hard strong man had long been seduced by Xia Yilian and became Xia Yilian's countless man!

Yan Lingshi, [at the banquet, Jun mochen just drank his first glass of wine and was immediately knocked out. He was like a fish on the board, at the mercy of others!] In the end, Jun Mohan's ancestral source was absorbed by Xia Yilian! What was even more ruthless was that Xia Yilian sucked that man dry that night! The man's family retaliated and was directly annihilated by Xia Yilian!

[Yan Lingshi: just like that, the name of the new demon ancestor, Xia Yilian, resounded throughout the Hong Meng Demon Realm!] No one dared to provoke her anymore!

Chen Xiaobei thought, this woman is really cruel! What about Jun Moxie? Had he been killed?

Yan Lingshi,"not really ... After all, there are still some truly loyal people in the Hong Meng Demon Realm who have not changed their faith and are still willing to follow Jun Mohan!"

Yan Lingshi,"so, Xia Yilian spared Jun mochen's life to balance out those who stuck to their beliefs!" Otherwise, the Hong Meng Demon Realm would fall into chaos, and she, the new demon ancestor, would not be able to sit comfortably!

Chen Xiaobei: If he kept Jun Mohan alive, he could control the hearts of billions of people! It was better than the world falling into chaos and blood flowing like a river!

Yan Lingshi,"yes!" Just as you said! Xia Yilian is scheming, despicable, shameless, cruel, and most importantly, she is very smart, so you must be careful!

Chen Xiaobei: I've been in contact with this woman before, so I'll naturally be on guard! As long as I get the chance, I'll definitely kill her without hesitation! Such a scourge must not be left alive!

Red Envelope Group of the Three Realms

Chapter 3860: appetite

Yan Lingshi, "you'd better not go head to head with her!" This woman seemed to have formed an alliance with Chanism! Two of the 12 golden Immortals from the clan of enlightenment came, Guangchengzi and immortal Yuding! Both of them were peak quasi-sages and they both had Saint weapons!

Chen Xiaobei: Little Miss! You've actually managed to gather so much information!

Yan Lingshi-hehe! Did you forget? I'm a primordial half-immortal! Not only am I good at divination, but I can also avoid the eyes and ears of the enemy. I heard a lot of information from the enemy!

Chen Xiaobei: You're a primordial violet Qi demon! Even the heavenly path Saints can't detect your existence! You can come and go as you please in the entire Hong Meng Demon Realm!

Yan Lingshi, "it's good that you know!" So, if you have any information you want to know, you can let me explore it!

Chen Xiaobei: "hmm, not now. I'll tell you when I think of something!"

Yan Lingshi, "alright ..."

After the private chat ended, Chen Xiaobei and Donghuang Taiyi headed north.

As for Fu Tian Xin'er and Xiao'er, in order to not attract attention, they temporarily entered the Meru space.

Zhenshi mountain!

Before he came here, Chen Xiaobei was confident that he could defeat all his enemies easily.

However, after coming here, Chen Xiaobei realized that the situation was very different from what he had imagined.

On the surface, the clan of enlightenment and the Western religious sect, the two Saint-level sects, had brought thousands of people to search the mountain.

There were also Xia Yilian's men. There were no less than 20000 of them.

In addition, the nine-colored Qilin's forces were also operating in the dark.

Even though these enemies were no match for the tree of Seven Wonders, Chen Xiaobei could not kill them all because of their numbers and spread out. So, he could not simply use the tree of Seven Wonders.

This meant that many of his opponents were far stronger than Chen Xiaobei.

Guangchengzi's sky-turning stamp was a one-star Saint weapon made by the heavenly Lord Yuanshi! The chaos essence golden Dipper was a two-star Saint weapon!

Immortal Yuding's God-slaying sword was a one-star Saint weapon.

Maitreya's cosmic heavenly Pearl was a two-star Saint artifact.

These were all powerful magic weapons that could be seen on the surface. Would the enemy have other hidden cards in their hands? This was hard to say!

That was why if they were to fight face to face, Chen Xiaobei would have no chance of winning without using the tree of Seven Wonders.

Of course, Cundi had already anticipated this. So, before Chen Xiaobei left, he gave him two other trump cards besides the tree of Seven Wonders!

Humans die for wealth, birds die for food!

These two trump cards were enough to make the clan of enlightenment and the Western religious sect fall into extreme greed and fanaticism! As long as he could use these two cards well, the current situation would definitely be broken!

Ding! Yang Jian has sent you a private message!

Yang Kuai seemed to have avoided Chen Xiaobei's eyes and ears, and could finally contact him.

Yang Shu: I was in a high-level meeting just now, so it was not convenient for me to reply! The meeting had just ended!

Chen Xiaobei: You can even attend a high-level meeting! It was clear that the enemy did not suspect you at all!

Yang Shu thought, 'bro bei, you're the best!' I only said that I and Xiao Tian are here to support! the enemy didn't suspect us at all and directly let us into their main camp. I've also attended several high-level meetings in the past two days and obtained a large amount of useful information!

Chen Xiaobei: What kind of information did they have? (Can't wait)

Yang Jian, "first, the clan of enlightenment has formed an alliance with the new primordial chaos demonic ancestor, Xia Yilian. Both parties have agreed that after finding the donghuang Bell, they will ask the primordial old thief to take Xia Yilian as his disciple!" Let her become an Orthodox Daoist disciple and no longer have to hide!

Chen Xiaobei: Xia Yilian, this woman! His appetite was really bigger than the sky! He had actually schemed against the primordial old thief!

Yang Shu, "what?" Bro bei knows this woman?

Chen Xiaobei: I know him! This woman's schemes were terrifying and her methods were shameless! Not long ago, she was still a lowly lady! She had relied on constantly harming men to obtain her status and strength today!

Yang Shu, "this ... This is too exaggerated!" (Unbelievable)

Chen Xiaobei: (Sneer) she's trying her best to get close to the old primordial thief, not for the Orthodox Dao sect! Instead, he wanted to suck the old primordial thief dry!

Yang Jian, "how ... How is this possible?" (Dumbfounded)

Chen Xiaobei thought, 'anything is possible for this woman!' It's just that I really didn't expect her appetite to be so big! It was truly terrifying!

Yang Shu, "then what should we do?" Should he get rid of her?

Chen Xiaobei! I originally wanted to kill Xia Yilian! But now, I've changed my mind! I even wanted to help her fulfill her wish! Send her to the side of the old primordial thief and let this venomous snake bite the old primordial thief!

Yang Shu: Although Xia Yilian was a ruthless character, Primal Chaos City leader was not to be trifled with either. She might not succeed!

Chen Xiaobei-What's the Difference? If she succeeds, I will be very happy! If she doesn't succeed, she'll definitely die in the hands of that old primordial thief. I'm just as happy! I'll be super happy if they can die together! I'll even set off a hundred million firecrackers to celebrate!

Yang Shu, understood! When a Sandpiper and clam fought, no matter what the outcome was, the one who benefited would always be the fisherman!

Chen Xiaobei: So, don't bother about Xia Yilian! As long as I'm on guard against her, I'll pretend I didn't see anything no matter what she did!

Yang Shu: I know!

Chen Xiaobei: " continue with the other information you have!

Yang Jian, "the second piece of information is that the clan of enlightenment has basically confirmed the location of the seal of the bell of the East Emperor!" However, there was an extremely terrifying formation there! Even if Guangchengzi used the most powerful chaos essence golden Dipper, he could not break the formation! Therefore, the clan of enlightenment planned to send someone out of the Hong Meng Demon Realm to seek help from the old primordial thief!

Chen Xiaobei thought, 'we can't let them send their men out, or you'll be in danger!'

Yang Shu replied, "I know, but I can't stop it!" Unless Guangchengzi could figure out a way to break the formation, he would definitely send someone out to ask for help!

Chen Xiaobei-I have a way to help him!

Yang Shu, "how ... How is this possible!" Did bro bei have a powerful sacred weapon?

Chen Xiaobei: " it has nothing to do with the Holy item. I have the nine tunes holy river formation that Guangchengzi has been dreaming of! When combined with the chaos essence golden Dipper, he could unleash the power of a five star true sage! Is it enough to break the formation?

Yang Jian thought, "I'm not sure if it's enough to break the formation, but at least it can buy me a lot of time and not expose me too quickly!" This way, I can collect more information for bro bei!

[but bro bei, you're giving such an important formation map to Guangchengzi. Aren't you letting him off for nothing?]

"Hehe, of course I won't let him do it so easily!"

[so, bro bei already has a plan?] Yang Shu thought. (Curious)
