Chapter 3881: glued

Guangchengzi had many magical treasures, but he could not match the Western religious sect's numbers. Not only were they numerous, but their primordial spirit supernatural ability was also so heaven-defying!

At this moment, Guangchengzi was in a dead end!

Once Xuan Ming's golden Buddhist sword pierced his sea of Qi dantian and hurt his Dharmakaya and primordial spirit, this battle would be over!

"Woof! Buzzzzzz! Yi ..."

However, at this moment of life and death, hundreds of clan of enlightenment disciples took out their Dharma Treasures to block Xuan Ming's sword force!

The clan of enlightenment was a saint's clan. Every disciple they accepted was a genius in the universe! Moreover, these hundreds of disciples had been carefully selected by Guangchengzi, and they were the geniuses among geniuses!

The weakest was a one-star Mystic God, while the strongest was already a middle to high level quasi-Sage. Furthermore, the magic weapons in his hands were not weak.

The terrifying power of the combined attack of several hundred people and several hundred magic treasures was something that Xuan Ming couldn't underestimate. It was difficult for him to resist it.

Under normal circumstances, Xuan Ming should have given up on attacking Guangchengzi and turned to defend against the hundreds of Dharma Treasures behind him.

However, at this moment, Maitreya Buddha roared, "Xuanming! Don't retreat! Replace Guangchengzi!"

It was obvious that Maitreya Buddha was the master of the contract with the mysterious underworld!

At this moment of life and death, Maitreya decided to abandon xuanming and Exchange his life for Guangchengzi's death!

Although the mysterious underworld was also a key training target of the Western religious sect ...

However, compared to the outcome of this battle, the lives of the mysterious underworld beings were not even worth mentioning. They were simply cannon fodder that Maitreya could discard at any time!

In Maitreya's view, as long as Guangchengzi was killed, the battle would be won without a doubt.

At that time, hundreds of disciples of the clan of enlightenment would be like hundreds of ants, which could be killed easily.

Once the war was won, the sky-turning seal, the chaos essence golden Dipper, hundreds of Dharma Treasures, and the resources of hundreds of people would all go into Maitreya's pocket!

The most important thing was that Maitreya could also get the Sutra of the future that he had been dreaming of!

After that, he would find the eastern Emperor Bell, become a saint, and step onto the peak of his life!

To Maitreya Buddha, giving up a mysterious underworld being for such a huge gain was the best of the best.

He didn't care about Xuan Ming's life at all.

In any case, the Western religious sect had nurtured xuanming so that they could have another candidate to become a saint. He was about to become a saint, so what was the use of having xuanming?

"Yes, sir!"

To a reincarnated ancient immortal, the orders of the contract master were like an imperial edict that could not be questioned.

Without a word, Xuan Ming held the Golden Buddhist sword tightly without a care for his life and stabbed it into Guangchengzi's dantian!

This way, the battle situation was already very clear!

Xuan Ming's sword would definitely deal a fatal blow to Guangchengzi. However, at the same time, Xuan Ming himself would be bombarded by hundreds of Dharma Treasures and would definitely die!

"Whoosh ..."

However, at this critical moment of exchanging a life for a life!

Suddenly, someone at the scene stepped in and released a peak stage quasi-Sage's power!

This power was in the form of a Red Cloud. It looked very weak, but in reality, it was unbelievably fast. It arrived first and enveloped Xuan Ming.

"Swish!"

Xuan Ming was caught off guard and didn't even have time to react. He was caught by the red Cloud and pulled far away.

Hongyun!!!???

In an instant, Guangchengzi and Maitreya Buddha were both shocked.

Others might not know, but Guangchengzi and Maitreya Buddha were very clear that the red Cloud that swept away Xuan Ming was ancestor Red Cloud's Natal Dharma Treasure, the nine Nine soul-scattering gourd!

Maitreya might not care about xuanming's life, but Chen Xiaobei could not.

All the spiritual jades that he had obtained previously had been converted into spiritual Qi and injected into the nine Nine soul-scattering gourd. At the critical moment, it had saved Xuan Ming's life.

Of course, Guangchengzi and Maitreya did not know that this 'Grandmaster Red Cloud' was actually Chen Xiaobei.

Guangchengzi and Maitreya Buddha were very confused when they saw the nine-nine soul-scattering gourd save Xuan Ming.

However, at this moment, the battle had not yet subsided, and they did not have the time to think about it.

She assumed that ancestor Red Cloud was interested in the mysterious underworld being and thus saved her.

At the same time, the appearance of the nine-nine soul-scattering gourd also strengthened the confidence of Guangchengzi and Maitreya Buddha.

Both of them were now certain that ancestor Red Cloud was really here! Once they completed the mission, they would be able to get what they had been dreaming of.

At the thought of this, the greed, ambition, and desire in Guangchengzi and Maitreya Buddha's hearts burned even more fiercely.

kill them!!!

Guangchengzi roared in a fanatical manner.

The hundreds of Dharma Treasures that were attacking the mysterious underworld immediately changed their direction and attacked Maitreya.

"All of you, attack! This battle! I won't rest until I die!"

At the same time, Maitreya also roared loudly.

Hundreds of disciples of the Western religious sect gathered and attacked Guangchengzi with their Dharma Treasures.

Both sides were great sects of Saints, and the level of their disciples was not too different.

As a result, the battle was completely in a stalemate.

The chaos essence golden Dipper was aimed at the universe heavenly Pearl! The sky-turning seal against the Vajra scepter! Hundreds of disciples against hundreds of disciples!

The difference in strength between the two sides was not big, so neither side had the advantage, and neither side would be easily defeated.

For a while, all kinds of terrifying celestial core power bombarded the sky, even causing the highest plane of the entire Hong Meng Demon Realm to tremble. Those who didn't know better would think that the end of the world had arrived!

While the battle was going on here, Chen Xiaobei was enjoying the show.

After Xuan Ming was captured, Chen Xiaobei knocked her out so that she would not have to use the destruction law to destroy the nine Nine soul-scattering gourd.

As long as Maitreya Buddha was killed, the primordial spirit contract of the mysterious underworld would be terminated and he would regain his freedom.

What Chen Xiaobei needed to do now was to find a suitable time to protect Di Jun.

Of course, Chen Xiaobei did not need to be too anxious.

After all, Emperor Jun had a one-star Saint weapon, the Vajra scepter. He would be very safe until his spiritual energy ran out.

After the spiritual Qi was exhausted, the sky-turning seal's spiritual Qi would be exhausted as well.

By then, Emperor Jun would be even less in danger.

So, Chen Xiaobei just wanted to enjoy the show.

After a while, everything went exactly as Chen Xiaobei had expected!

First of all, the disciples of both sides had exhausted their spiritual Qi and magic weapons and started to fight in close combat. More than half of the disciples on both sides were killed or injured, and blood flowed like rivers.

At the end of the battle, the remaining people were all covered in injuries and their immortal elemental energy was basically exhausted.

At the same time, the spiritual Qi of the cosmic Pearl and the chaos essence golden Dipper had been exhausted. Guangchengzi and Maitreya started to fight.

At the same time, the spiritual Qi of the Vajra scepter and the flipping Sky Seal had been exhausted. Emperor Jun no longer needed to concentrate on defending and could withdraw to help Maitreya Buddha.

However, Emperor Jun was only at the early stage of nine-star Sage-to-be, while Guangchengzi and Maitreya Buddha had both reached the peak of Sage-to-be.

Therefore, Emperor Jun could not enter the battle. He could only stand aside and use his primordial spirit to enhance Maitreya's combat power.

Chapter 3882: Help for help

3882 Help for help

Guangchengzi was indeed one of the 12 golden Immortals of the clan of enlightenment. He could even be said to be the first peak of the sage-to-be, the strongest under the half-step true sage!

Although Maitreya Buddha had the support of Emperor Jun's supernatural ability, he could only fight to a draw with Guangchengzi.

Without Emperor Jun, Maitreya Buddha would have been defeated.

As time went by, Guangchengzi and Maitreya Buddha's celestial core power were almost exhausted, and Emperor Jun's spiritual power was also almost overdrawn.

It was clear that it would be difficult to determine the victor of this battle.

“Phew ...”

Guangchengzi pushed hard and pushed away Maitreya, who was fighting in close combat. He said in a deep voice, “We can’t decide the winner today! You and I will withdraw! How about we fight another day?”

“Alright! We’ll fight to the death another day!”

Maitreya was also very clear about the situation of the battle. There was no point in continuing the battle forcefully.

“Someone’s coming!”

However, at this moment, Emperor Jun suddenly let out a nervous roar. His pupils contracted uncontrollably as he fixed his gaze on the distant sky.

For a moment, Guangchengzi, Maitreya Buddha, and all the disciples of the two religions who survived all looked over.

Then, just like Emperor Jun’s eyes, their pupils shrank and their eyes trembled. It was more terrifying than seeing a ghost.

They watched as Chen Xiaobei descended from the sky like a demonic god. Everyone’s heart clenched and they felt a chill down their spine. Their hands and feet were covered in cold sweat.

These people had seen Chen Xiaobei’s picture before!

Their first reaction was to wonder why Chen Xiaobei was still alive. Shouldn’t he have been killed by Daoist jieyin?

Then, their second reaction was that they were done for!

At this moment, both of them were exhausted from the battle. It was equivalent to a fight between a Sandpiper and clam, and both of them were exhausted!

Without a doubt, Chen Xiaobei would be the fisherman who would benefit from the battle. The clam and the snipe would be his. No one would be able to escape, let alone escape.

“Everyone! You’ve worked hard!”

Chen Xiaobei flew over and said, “ you guys fought very well. I had a good show to watch!

“Chen Xiaobei! You ... Why are you here?” Guangchengzi immediately became alert, and his body unconsciously shrank toward Maitreya.

Chen Xiaobei ... You ... What do you want to do?! Maitreya Buddha took a deep breath and could not help but move closer to Guangchengzi.

There was no doubt that although they had been fighting to the death just now, they were now in the same boat. If they did not join forces, they would probably die without even knowing how.

Seeing the reaction of the two leaders, the disciples of the clan of enlightenment and the Western religious sect also huddled together, not daring to face Chen Xiaobei alone.

“Heh, stop pretending. I saw it clearly from the side. You’ve already fought to the point of exhaustion. Even if you form a group, you’re no match for me! Obediently surrender, and you’ll suffer less!”

Chen Xiaobei looked down at the crowd as if he was looking at a group of pitiful ants.

“Chen Xiaobei! Let’s have a good talk! There was no need to fight to the death! Don’t you agree?”

Guangchengzi had already given up. He said in a low voice, “ you can make some requests. As long as you let us go, we will agree to any request!

“Yes, yes, yes! Let’s have a good talk!”

Maitreya nodded desperately, not daring to say a word.

hehe! Chen Xiaobei laughed and asked, “ what right do you think you have to talk to me? Or rather, do you have any bargaining chips that can convince me?”

I ... I ... Maitreya was conflicted for a while before he gritted his teeth and said, “ “I’m willing to give you the cosmic heavenly Pearl! I only beg you to let me go!”

It was clear that Chen Xiaobei would not let them off so easily.

Chen Xiaobei would not be moved if he did not pay a huge price.

Maitreya Buddha’s decision was already considered as a man cutting off his wrist and a lizard cutting off its tail. In order to survive, he was really willing to cut off his flesh and bleed.

When Guangchengzi saw that Maitreya Buddha was so ruthless, he could not retreat. “You can choose either the sky-turning seal or the chaos essence golden Dipper! I’m willing to use it to exchange for my freedom!”

Obviously, Guangchengzi really didn’t want to die, so he showed great sincerity.

“Idiot!”

Suddenly, Chen Xiaobei sneered, “ “Only kids make choices! Of course, he wanted all adults! Besides, not only do I want all of them, I don’t intend to let you off!”

“What!”

Guangchengzi and Maitreya Buddha were both stunned by this.

They had naively thought that they could negotiate with Chen Xiaobei, but they had forgotten that the unscrupulous merchant of the Three Realms would not give them a chance to bargain!

“Chen Xiaobei! Do you really have to be so ruthless?”

Guangchengzi composed himself and shouted angrily, “ “Leave a line in life, and we’ll meet in the future! If you force me, I’ll definitely take you down with me!”

“That’s right!”

Maitreya Tathagata took a deep breath and said solemnly, "I still have a trump card! If you really force me, I'll definitely play with my life!"

The two of them glared at each other, as if they were desperate.

Even a rabbit would bite when it was anxious!

It looked like they really wanted to fight Chen Xiaobei to the death. They were actually threatening Chen Xiaobei.

The disciples of the clan of enlightenment and the Western religious sect were ready to fight Chen Xiaobei to the death.

However, Chen Xiaobei was not nervous at all. Instead, he smiled and said, "Heh, you have a trump card, right? Show it! I'll be waiting! I promise I won't make a move before you show your trump card!"

"You little brat! You said it yourself! Don't attack! Just you wait!"

Guangchengzi and Maitreya Tathagata took out their communication Jade talismans at the same time and quickly sent out a private chat.

"Who are you guys contacting?" Chen Xiaobei asked cheerfully.

"I'm not afraid to tell you!"

"I contacted my old friend!" Guangchengzi said coldly. The famous ancestor Red Cloud! He would be here soon! I'll crush you into a dead dog!"

"Eh? What a coincidence!"

Maitreya was stunned and said, "I have also contacted my old friend, ancestor Red Cloud! He's nearby, and he's strong enough to defeat Chen Xiaobei!"

It was obvious that when the nine Nine soul-scattering gourd took away Xuan Ming, Guangchengzi and Maitreya Buddha thought that ancestor Red Cloud was nearby.

Therefore, they all took out their communication Jade talismans and wanted to ask for help from ancestor Red Cloud.

In their eyes, Chen Xiaobei was no match for ancestor Red Cloud! As long as ancestor Red Cloud was willing to help them, they were even willing to give ancestor Red Cloud more and more in return!

The disciples of the clan of enlightenment and the Western religious sect were excited after hearing their conversation.

They were all looking at Chen Xiaobei with a sneer.

Chapter 3883: Idiot

3883 Idiot

“Chen Xiaobei must be an idiot! You didn’t choose the Holy weapon when I told you to, but you wanted to fight us to the death! Ancestor Red Cloud was about to arrive! You brat, just wait for your death!”

“Chen Xiaobei is a classic example of trying to steal a chicken only to end up losing the rice! Oh no! It should be a case of failing to steal a chicken and losing one’s life! Hahaha ...”

“Ancestor Red Cloud is nearby! Just now, his Dharma Treasure had swept away Xuan Ming! He would be able to kill his way over very soon! Maybe he’s already hiding in the dark, waiting to take Chen Xiaobei’s life!”

“Heh, look at what you’re saying! Ancestor Red Cloud was so powerful! What cultivation level is Chen Xiaobei at? why would he be attacked by Red Cloud Grandmaster?”

“In my opinion, Grandmaster Red Cloud would not even bother to attack Chen Xiaobei. He would rather see this kid kneel down and beg for mercy! Otherwise, once the nine Nine soul-scattering gourd was used, Chen Xiaobei would have turned into a pool of blood mist!”

Without a doubt, the disciples of the clan of enlightenment and the Western religious sect had great confidence in themselves.

In their eyes, Chen Xiaobei was no match for ancestor Red Cloud. Once the battle started, Chen Xiaobei would be dead.

Because of that, they were all looking at Chen Xiaobei with disdain, as if they were looking at an idiot who was about to put on a funny show!

Chen Xiaobei was not moved by this. In fact, he was smiling.

Chen Xiaobei was also looking at them with the same expression as the others. He really wanted to take a picture of their current state. It was so funny.

“Did ancestor Red Cloud reply to you?” Guangchengzi asked anxiously.

“He didn’t reply to me ... Did he reply to you?” Maitreya Buddha was also a little nervous and said awkwardly, “Let’s both send a few more messages! Let Red Cloud Grandmaster come earlier and take Chen Xiaobei’s life. Only then will I be at ease!”

Hence, the two jokers took out their communication Jade talismans and started sending a few messages to ancestor Red Cloud.

They were all looking forward to ancestor Red Cloud’s arrival.

Unfortunately, no matter how many messages they sent, they were like stones sinking into the sea. There was no response at all.

“You two idiots! Don’t bother, take a look at what this is.”

Chen Xiaobei took out ancestor Red Cloud’s communication jade talisman and threw it at him.

how ... How is this possible?!

After taking the communication jade talisman, Guangchengzi and Maitreya Buddha only took a look and were immediately stunned. how did Chen Xiaobei get ancestor Red Cloud's communication jade talisman? ”

At the sight of this scene, not only the two of them, but all the disciples of the clan of enlightenment and the Western religious sect were also in disbelief.

One must know that ancestor Red Cloud was their only hope!

However, Chen Xiaobei had ancestor Red Cloud's communication jade talisman?

This was not a joke!

If Chen Xiaobei was on the same side as Red Cloud Grandmaster, then all of them here would be finished!

“A bunch of idiots! And What is this?”

Chen Xiaobei then took out the nine Nine spirit-scattering gourd, and the smile on his face grew even wider.

There was no doubt that everyone had treated Chen Xiaobei as a joke, but in fact, those people were the real jokes.

Guangchengzi, Maitreya Buddha, the disciples of the clan of enlightenment, the disciples of the Western religious sect, and everyone else were shocked by the sight of the nine Nine soul-scattering gourd. Their eyes were as wide as a bull's and their jaws were so wide open that their jaws almost dislocated!

“The nine Nine soul-scattering gourd is ancestor Red Cloud's life treasure! Why is it in Chen Xiaobei's hands?” Guangchengzi's face was full of confusion, and his three views were shattered.

could it be that the person who took xuanming away was not Grandmaster Red Cloud but Chen Xiaobei? ” Maitreya Buddha was also in a state of confusion, and his three views had been refreshed tens of thousands of times.

The remaining disciples of the clan of enlightenment and the Western religious sect also had similar expressions and States.

They were all shocked by the nuclear explosion, and the way they looked at Chen Xiaobei had completely changed.

The mockery and disdain from before were instantly swept away, replaced by unparalleled shock! He didn't understand! Fear! They were shocked!

No matter how hard they thought, they could not understand why Chen Xiaobei would have red Cloud Grandmaster's Nine Nine spirit-scattering gourd!

“Chen Xiaobei ... What's going on? You ... What did you do to ancestor Red Cloud!”

Guangchengzi composed himself and questioned loudly.

“I killed him.”

Chen Xiaobei shrugged. He sounded like he had just killed a chicken. It was easy and not worth mentioning.

“This is impossible! This was absolutely impossible! How could you defeat ancestor Red Cloud with your cultivation?”

Maitreya’s pupils shrank and his eyes trembled. Cold sweat poured down his face like rain. “Ancestor Red Cloud contacted me not long ago! He’s still alive and well!”

“Yup! Ancestor Red Cloud has contacted me as well!” Guangchengzi’s face turned very ugly as he said in a deep voice.

“Heh, you two still don’t understand?” Chen Xiaobei asked.

figure ... Figure out what!? Guangchengzi and Maitreya did not understand what Chen Xiaobei meant.

All the disciples of the clan of enlightenment and the Western religious sect were also staring at each other. Their brains were in a mess and their intelligence could not keep up with Chen Xiaobei’s rhythm.

the one who contacted you two was not ancestor Red Cloud. It was your little ancestor North!

Chen Xiaobei’s brows twitched as he revealed the truth!

“Rumble!”

As soon as he said that, Guangchengzi and Maitreya Buddha felt as if they had been struck by lightning. Their bodies stiffened instantly, and their eyes almost burst from shock. Even their state of mind almost collapsed.

At this point, Guangchengzi and Maitreya Buddha naturally understood the ins and outs of the whole matter.

It turned out that Chen Xiaobei had impersonated ancestor Red Cloud to lure them into a fight.

The whole thing was Chen Xiaobei’s scheme, and all of them were just pawns in Chen Xiaobei’s hands.

Everything they did, even their thoughts, were all within Chen Xiaobei’s control.

To think that they were still dreaming of reaching the peak of their lives.

They would never have thought that what they had truly stepped onto was not the peak of life, but the path of the number one profiteering merchant of the Three Realms.

“Heavens ... How could this be ... How could this be ...”

All the disciples of the clan of enlightenment and the Western religious sect fell into extreme despair.

Just a moment ago, they thought that Red Cloud Grandmaster would be able to kill Chen Xiaobei and let them watch a good show.

At this moment, the reality was like a loud slap to their faces!

Even if Red Cloud Grandmaster did come, he would not be able to defeat Chen Xiaobei!

Everyone was in despair!

In front of Chen Xiaobei, they really felt like ants. Chen Xiaobei could kill them all with a single Stomp!

“A bunch of idiots! Is there anything else you’d like to talk about?” Chen Xiaobei asked with a smile.

Red Envelope Group of the Three Realms

Chapter 3884: handling

Talk?

What the hell is there to talk about?

Plop ... Plop ...

Before Chen Xiaobei could say anything, Guangchengzi and Maitreya Buddha kneeled on the ground.

They were all smart people. They knew that they had no right to bargain anymore. If they wanted to live, they had to submit to Chen Xiaobei!

At the sight of this, all the disciples of the clan of enlightenment and the Western religious sect lost their support and knelt down on the ground!

“Spare me ... Please spare me, God Chen ...”

Xiaobei ... As long as you spare my life, I’ll be your slave in the future to repay your kindness!

“Little North’s old ancestor! I’m willing to give you everything I have! Including my life! Don’t kill me! I’m willing to risk my life for you!”

For a moment, the entire scene was filled with cries for mercy.

First, he changed his address from Chen Xiaobei to God Chen, and then to old ancestor Chen.

It could be seen that everyone was completely terrified. Other than begging for mercy, they had no other thoughts.

“All of you, shut up!”

Chen Xiaobei scolded them impatiently. He could not be bothered to listen to their noisy begging. He then ordered, “Take out all your Storage Treasures and storage space!”

When everyone heard this, they didn’t dare to disobey and did as they were told.

“Whoosh ...”

With a wave of his hand, Chen Xiaobei’s celestial core power swept out and all the storage magical equipment flew into his hands.

The disciples’ Storage Treasures were basically of little value. Other than a few spiritual jades, the rest were all recycled goods.

The three most important Storage Treasures came from Guangchengzi, Maitreya Buddha, and Emperor Jun!

Guangchengzi's flip Heaven Seal, chaos essence golden Dipper, Maitreya Buddha's heaven and earth Pearl, and Emperor Jun's holy weapon Vajra scepter were all in Chen Xiaobei's possession!

"All of you, be aware and erase the spiritual connection of the treasures. I'll give you three seconds! I'll kill anyone who hasn't been erased!"

Chen Xiaobei raised his eyebrows and said.

His words were like a Supreme imperial edict, and no one dared to refuse.

In an instant, everyone erased their spiritual connection with their treasures.

"Chi ..."

Then, Chen Xiaobei took out bei Xuan's Saint-naming scroll and sealed all the disciples of the two religions in it.

Therefore, only Guangchengzi, Maitreya, and Emperor Jun were left at the scene.

"Old ancestor Xiaobei ... Why ... Why didn't you seal us into the map? I don't feel safe staying outside ... Guangchengzi was terrified. He kept shrinking his neck and asked in a low voice.

Obviously, in Guangchengzi's opinion, he was still alive after being sealed in the map.

However, if he stayed outside the map, it was hard to say whether he would be Dead or Alive.

Maitreya nodded his head. He had the same thought. He would rather be sealed in the map than face Chen Xiaobei.

At this moment, it was Emperor Jun who didn't feel anything.

His life belonged to his master. He was not afraid of death. So, he did not beg for mercy from Chen Xiaobei. He did not even kneel down.

It could be seen that Emperor Jun's contract master was not Maitreya.

This would more or less be a little troublesome.

Of course, this problem could be solved later. As long as Chen Xiaobei protected Di Jun, he would have the chance to set him free sooner or later.

Then, Chen Xiaobei looked at Guangchengzi and Maitreya, smiled and said, "Don't worry! You still have some value, so I don't plan to kill you for the time being!"

"Phew ... Phew ..."

When Guangchengzi and Maitreya Buddha heard this, it was as if they had heard the sound of nature. It was as if they had been granted Amnesty and they were relieved.

"But ..."

However, before Guangchengzi and Maitreya could celebrate, Chen Xiaobei changed the topic and said, "your cultivation is too high. I have to give you some special treatment!"

Obviously, the gods of the heavenly court had been sealed in the beixuan Saint-sealing painting.

None of them were peak pre-Saints or Saint weapons, so they couldn't do anything since they were all sealed in the map.

However, Guangchengzi and Maitreya Buddha were both peak-level Sage-to-be. If they were allowed to recover their celestial core power, they might cause trouble with the gods of the heavenly court.

If they combined their powers and created a Saint-level battle formation, they might be able to break through the seal of the beixuan Saint-sealing painting.

That was the last thing Chen Xiaobei wanted to see.

Therefore, Guangchengzi and Maitreya must be dealt with, and then they could be sealed into the space in the picture.

“What ... What special treatment? What ... What are you going to do to us!”

Guangchengzi and Maitreya took a deep breath. They knew that Chen Xiaobei was not a good person. He would not let them off so easily. He had a backup plan.

“Don't be nervous!”

” of course! Chen Xiaobei smiled. In my hometown, there are some dog owners who think that their dogs are too fierce. So, they would castrate their dogs!

castrate ... Castrate ... Castrate!!!!

Guangchengzi and Maitreya suddenly screamed and involuntarily covered their crotches.

“Don't get the wrong idea! I'm just giving an example! Castration is meaningless! What I'm going to do is to cripple your cultivation!”

Chen Xiaobei activated his special ability and a blood-red spear appeared in each of his hands.

That's right!

This was the weapon Grandmaster Chi You's special ability, the Chi You heaven battling spear!

“Woof! Whoosh!”

Before Guangchengzi and Maitreya Buddha could react, the two Chiyou heaven-battling Spears had pierced into their sea of Qi dantian.

He had shattered his Dharmakaya and seriously injured his primordial spirit. Most importantly, he had completely shattered Guangchengzi and Maitreya's sea of Qi dantian!

As soon as their sea of Qi collapsed, their five Qi scattered and their pre-Saint cultivation was destroyed.

Once their dantian was shattered, their primordial spirit and Dharmakaya would have no place to rest. Their cultivation below the quasi-sage realm would be destroyed.

“Pfft ... Pfft ...”

In the next moment, Guangchengzi and Maitreya both spat out a large mouthful of blood and fell to the ground powerlessly.

The intense pain almost made them faint on the spot.

Of course, this result also made them completely relaxed. At least, their lives were saved.

“There’s one more thing!”

Chen Xiaobei looked down at them and said, “Name the reincarnated ancient Celestials you control!”

I ... I ... Maitreya was already very weak. He said with difficulty, “My reincarnated ancient Celestials are Xuan Ming ... Bi Huan ... Zhao Jiang ...”

Chen Xiaobei knew about the xuanming, and bi Huan and Zhao Jiang were both on Investiture of the Gods.

Zhao Jiang was one of the ten heavenly Lords of the Golden Turtle Island of the Jie sect! Bi Huan was the fourth leader of the yellow peak Ridge on Erlong Mountain. Although he was not a disciple of the tribe of severity, he had fought for the tribe of severity in the past!

“I ...”

After that, Guangchengzi took a long time to recover. He endured the severe pain and said, “My reincarnation as an ancient immortal is ...”

[Red Envelope Group of the Three Realms](#)

Chapter 3885: clue

Chen Xiaobei immediately perked up his ears.

After all, Guangchengzi’s status in the clan of enlightenment was very high, second only to the heavenly Lord of the origin and the two vice sect leaders.

Therefore, Guangchengzi’s reincarnated ancient immortal was definitely not an ordinary person.

At the very least, among the three reincarnated ancient Immortals, at least one would be extremely powerful.

“My reincarnation as an ancient immortal is ...”

Guangchengzi vomited another mouthful of blood and said weakly, “Qin Wan, Dong Quan, and Grand Wizard ju mang ...”

Chen Xiaobei’s expression changed.

Qin Wan and Dong Quan were both among the ten heavenly Lords of the Golden Turtle Island.

However, Grand Wizard ju mang was an extremely important figure, one of the twelve Grand Wizards, the wood Grand Wizard!

This was of great significance to Chen Xiaobei.

First of all, Chen Xiaobei had promised Di Jiang that he would help him protect the twelve ancestors of sorcery and return them their freedom.

Secondly, if Chen Xiaobei wanted to prove his Dao with his strength, he had to gather the bodies of the twelve ancestors of sorcery and form the real body of Pangu! There were extremely terrifying seals on the bodies of the twelve ancestors of sorcery, and only they could remove them. Therefore, the twelve ancestors of sorcery were indispensable.

“Where is the giant ray now?” Chen Xiaobei asked.

ju mang is still at the headquarters of the clan of enlightenment, ” Guangchengzi said awkwardly. he’s cultivating to reach the peak of the sage-to-be realm ...

How many ancestors of sorcery are under the control of the clan of enlightenment? ” Chen Xiaobei asked.

in addition to the giant ray, there’s also Zhurong and Gonggong. They’ve all been caught by you ... Guangchengzi said with a bitter face.

“Where are their bodies? did chanism get them?” Chen Xiaobei asked again.

Chen Xiaobei was asking the obvious.

Chen Xiaobei had asked six-eared macaque to check the location of Zhurong and Gonggong’s bodies. They were not in chanism’s hands.

The reason why Chen Xiaobei asked the question was to test if Guangchengzi was lying.

“I didn’t find him ...”

Guangchengzi said helplessly, “only the ancestor of sorcery himself can sense the location of the corpse!” Zhurong and Gonggong have been captured by you, and not even the Saints of the heavenly Dao can calculate the location of their bodies!”

Obviously, Guangchengzi was really afraid of death and did not dare to lie.

It was clear that everything he said was true, and Chen Xiaobei did not have to waste his time guessing.

“Who are the Masters of the contracts of Zhurong and Gonggong?” Chen Xiaobei asked again.

Zhurong’s contract master is dipamkara Daoist, ” answered Guangchengzi. Gonggong’s contract master is South Pole immortal Weng, the two vice leaders of the clan of enlightenment!

Chen Xiaobei furrowed his brows in worry.

If Zhurong and Gonggong wanted to regain their freedom, they had to deal with the two vice leaders of the clan of enlightenment.

There was no doubt that this was not an easy task.

Chen Xiaobei then looked at Maitreya and asked, ” “What about the Western religious sect? How many ancestors of sorcery did he control? Who are the Masters of the contract?”

Maitreya did not dare to lie and immediately said, "Other than Xuan Ming, there's also the witch's mattress. Its owner is Tathagata the many treasures ..."

"Only two?" Chen Xiaobei asked.

yes ... Only two ... Maitreya said in a daze, "As far as I know, there are two more in the demonic sect and two more in the human sect ..."

Chen Xiaobei could not help but fall into deep thought.

Emperor Jiang, candle Dragon, Zhurong, Gonggong, xuanming, and Houtu were all under Chen Xiaobei's protection.

The quilt was in the Western religious sect, and the giant light was in the clan of enlightenment.

There were four ancestors of sorcery left, two from the demon sect, and two from the human sect. It was just enough to make up the twelve ancestors of Sorcery!

However ...

It was a little strange.

Chen Xiaobei had never heard lady Nuwa mention that the demonic sect had chosen an ancestral witch.

There was only one possibility. The people of the demonic sect were not United. The person who chose the ancestor of sorcery was probably not under the control of goddess Nuwa, which was why she did not mention this matter.

For example, trash like the nine-colored Qilin!

He had a high status in the demonic sect, but he was not convinced by mother Nuwa.

He would ask the nine-colored Qilin later. Perhaps he had already controlled an ancestor of sorcery.

Chen Xiaobei was very curious. If goddess Nuwa did not choose the ancestral witch, who did she use the three slots to reincarnate as an ancient deity?

After all, it was the heavenly path saint's turn to choose after Chen Xiaobei.

Thus, mother Nuwa must have chosen extremely important people for her three slots!

However, lady Nuwa was locked up, and Chen Xiaobei could not confirm it! The only way was to ask Taoist Cundi after leaving the Hong Meng Demon Realm.

However, he could not be sure if Taoist Cundi knew who the ancient immortal reincarnated by goddess Nuwa was.

"I still have one more question!"

Chen Xiaobei then asked, "Who is Emperor Jun's contract master?"

Emperor Jun's contract master is Ksitigarbha ... Maitreya answered immediately and said awkwardly, "but you can rest assured ... K itigarbha K itigarbha's order is for Emperor Jun to absolutely obey me. So, if I surrender, Emperor Jun will also surrender!"

“Good! In that case, cancel the primordial soul contracts of Xuan Ming, Zhao Jiang, and bi Huan!” Chen Xiaobei ordered.

yes ... Maitreya nodded and immediately did as he was told.

Chen Xiaobei released the xuanming and released its spiritual nature to observe the changes in her primordial spirit.

As Maitreya removed the primordial spirit contract, Xuan Ming’s primordial spirit lost a mysterious chain.

Obviously, Maitreya did not dare to play any tricks and was really removing the primordial spirit contract.

This way, the mysterious underworld being would regain his freedom.

Chen Xiaobei had sent her into the Meru space. When she woke up, she would know everything and become Chen Xiaobei’s new partner!

“Woof! Whoosh!”

Then, Chen Xiaobei sealed Guangchengzi and Maitreya into the beixuan Saint-sealing painting, and sealed Emperor Jun into the verdant Emperor’s divine gourd.

According to Maitreya, Emperor Jun would not resist until he received the new instructions of Ksitigarbha.

The space inside the verdant Emperor’s divine gourd was isolated from the world, and Ksitigarbha could not contact Emperor Jun at all.

Therefore, this way, they could protect Emperor Jun.

“Swish!”

Chen Xiaobei then summoned the nine-colored Qilin and asked, “Speak! Who is your reincarnated ancient immortal?”

The nine-colored Qilin was already scared out of his wits and quickly said, “My reincarnated ancient Immortals are the fire spirit Holy Mother ... Deng Jie Yu ... The ancestor of earth, Wu She bi ...”

Chen Xiaobei’s expression changed.

The fire spirit Holy Mother was also one of the ten heavenly Lords of the Golden Turtle Island of the Jie sect. Last time, she died in the hands of Guangchengzi during the infinite calamity.

Needless to say, Deng Jie Yu was the wife of earth traveler sun. Chen Xiaobei had promised earth traveler sun that he would let Deng junyu regain her freedom.

Just as Chen Xiaobei had predicted, the nine-colored Kirin had chosen the wushby corpse.

“Where are the she bi Shi and the fire spirit Holy Mother now?” Chen Xiaobei asked.

Red Envelope Group of the Three Realms

Chapter 3886: -snake Scorpion

I sent the she bi Shi to look for his own body ... The fire spirit Holy Mother is right beside him as a support ...

The nine-colored Kirin answered Chen Xiaobei's question without further ado.

"Good! Very good!"

Chen Xiaobei grinned, his mood instantly lifted.

Without a doubt, this was the result that Chen Xiaobei wanted the most.

Once the she bi corpse found its body and asked the nine-colored Qilin to cancel the primordial spirit contract, Chen Xiaobei would be able to recruit another ancestral witch and obtain another ancestral witch's body.

Killing two birds with one stone, it was simply too cool!

Without a doubt, today was an unprecedented harvest for Chen Xiaobei.

He had resolved all the problems in the Hong Meng Demon Realm with just one battle!

The demonic sect, the clan of enlightenment, the Western religious sect, and all the other forces that were fighting for the eastern Emperor Bell had all been taken care of by Chen Xiaobei!

On top of that, Chen Xiaobei had also obtained a large amount of resources, three Saint items, and a Five Element heaven amplification formation!

At the same time, Chen Xiaobei had also incited immortal Yuding to betray him, fulfilling yang Kuai's loyalty to Sifu.

On top of that, Chen Xiaobei had also captured a large number of hostages. The five demonic sovereigns, the nine-colored Kirin, Guangchengzi, and Maitreya Buddha would all be useful in the future.

Even the disciples who defeated the clan of enlightenment and the Western religious sect were not ordinary people. They also controlled the reincarnated ancient Celestials. If necessary, Chen Xiaobei could release thousands of reincarnated ancient Celestials!

All of this was today's harvest!

Of course, the most important thing was the important information that Chen Xiaobei had just gotten from the enemy.

The whereabouts of most of the twelve ancestors of sorcery had been determined.

In this way, he was one step closer to collecting all the corpses of the twelve ancestors of sorcery.

To Chen Xiaobei, this reward was even more valuable than all the rewards he had gained before!

Soon after.

Chen Xiaobei kept the nine-colored Kirin's primordial spirit into the Meru space.

After that, he would throw all the resources that he could not use into the heaven and earth smelt.

All the spiritual jades had been filled with the chaos essence golden Dipper, which could activate this two-star Saint weapon once.

As for the cosmic Pearl, Vajra scepter, and sky-turning stamp, Chen Xiaobei could only put them away for now. Firstly, he could not refine them. Secondly, he did not have any spiritual Qi. If he did not put them away, they would only serve as decorations and would be meaningless.

At this point, all the problems had been solved.

However, Chen Xiaobei's brows were tightly knitted together, and he looked a little uneasy. "Strange ... After such a big commotion, why didn't Xia Yilian appear? Even if she doesn't dare to participate in the battle, she should have come to the nearby area to take a look ..."

Obviously, there was still a variable in the Hong Meng Demon Realm at this moment, and that was Xia Yilian!

This woman was like a venomous Scorpion. Whoever dared to underestimate her might be toyed to death by her!

Based on Chen Xiaobei's understanding of this woman, it was impossible that she did not notice the battle earlier.

However, she did not appear.

Chen Xiaobei did not think that she was afraid to come over!

Such a crazy woman was no longer afraid of anything. It was impossible for her not to come and check.

There was only one explanation for her not appearing. She was plotting something big!

And that was the root of Chen Xiaobei's uneasiness.

As the saying goes, it's easy to Dodge a spear in the open but hard to defend against an arrow in the dark.

But for Xia Yilian, Chen Xiaobei felt that it was hard to defend against her in the dark, and it was hard to Dodge her in the open!

Don't ever forget! Xia Yilian had already devoured Jun Mohan's demon ancestral origin and could control the laws of the Hong Meng Demon Realm!

To be fair, Chen Xiaobei's chances of winning in a direct battle were not high.

Furthermore, Xia Yilian was still hiding in the dark, not giving Chen Xiaobei a chance to fight her. When she suddenly attacked, it would be many times more terrifying than a direct battle!

This was the characteristic of a venomous Scorpion!

Hiding in a dark corner, he would not attack, but once he attacked, he would definitely use a deadly poison!

Chen Xiaobei became even more anxious.

Even though he had just won a huge victory, Chen Xiaobei did not dare to relax. He was even more alert than before! He was even more cautious!

It was not an exaggeration to say that in Chen Xiaobei's eyes, Xia Yilian alone was more dangerous than all the people before her combined!

And so, Chen Xiaobei carefully returned to Mount calming.

Although he had to be on guard against Xia Yilian, he still had to find the donghuang Bell.

Chen Xiaobei summoned donghuang Taiyi. He could sense that the donghuang Bell was approaching.

It would take a lot of time and effort for others to find the bell of the East Emperor. Even if they turned the entire mountain upside down, they might not be able to find it! However, with the eastern Emperor Taiyi's guidance, Chen Xiaobei quickly arrived at the exact location of the bell!

This was the power of sect master Tongtian.

He had long calculated this day! That was why Chen Xiaobei had chosen Eastern Emperor Taiyi at the winter solstice festival!

"Bro bei! The bell of the East Emperor is in the valley ahead!"

Donghuang Taiyi's eyes turned serious as he said in a deep voice, "You must be careful! There's a huge isolation formation in this Valley. Before we go in, no one knows what dangers are inside!"

Obviously, the bell of the East Emperor was a Supreme treasure used by the heavenly Dao to suppress the primordial world. It could not be casually thrown into a Valley.

Even though it was impossible for outsiders to find it easily with that huge "isolation array,"

However, it was hard to say. Someone had really entered it by accident.

Without the protection of powerful forces, the bell of the East Emperor would have been taken away long ago.

Therefore, the warning of the eastern Emperor Taiyi could not be ignored!

There must be a trap set up by the heavenly Dao to guard the eastern Emperor Bell in the huge isolation formation. If they entered rashly, they would probably die!

"There's no hurry to go in ..."

there's definitely danger in there! Chen Xiaobei said. it's a fatal danger! We have to be well prepared!"

"Stop preparing! I know all the dangers inside!"

At this moment, a very pleasant voice came from nearby.

Chen Xiaobei and donghuang Taiyi looked over and saw a very beautiful figure walking towards them.

With her top-grade beauty and figure, this woman was definitely a top-grade stunner that could charm any man in the Hong Meng demon world.

And it was also with this good appearance that she had taken down one man after another, draining their cultivation and using their bones as a ladder to climb to today's height.

That's right!

This woman was the venomous Scorpion that Chen Xiaobei had been wary of, Xia Yilian!

"Whoosh ..."

Chen Xiaobei immediately took out the chaos essence golden Dipper. He did not want to waste any more time and used his most powerful attack.

"Don't get too excited!"

However, Xia Yilian smiled indifferently and said, "your magic treasure can't hurt me!" If we really fight, you'll lose without a doubt!"

[Red Envelope Group of the Three Realms](#)

Chapter 3887: scared

Xia Yilian was extremely confident and did not care about the two-star Saint weapon, the chaos essence golden Dipper.

Obviously, this was all because of her absolute control of the world's laws, which allowed her to perform many cheat-like operations that were above magic treasures and strength.

Chen Xiaobei knew what to do.

So, Chen Xiaobei put the chaos essence golden Dipper aside and asked, " "Since you're so confident that you can defeat me, why haven't you made your move yet?"

"Because I have something to cooperate with you on!"

Xia Yilian smiled and said, "actually, I've already discovered this Valley!" Moreover, I've sent many people in! Only one person came out alive, and he told me what happened inside!"

Chen Xiaobei frowned and said, " "The cooperation you're talking about, don't tell me you want me to enter this Valley? If even you can't handle it, what can I do?"

Obviously, Chen Xiaobei would not believe Xia Yilian, not even a single word, not even a punctuation.

"That's right! You're the only one who can enter this Canyon!"

Xia Yilian's eyes narrowed, and she said with certainty, "Because only you can remove the danger inside!"

"Why is that?" Chen Xiaobei asked.

"Because the person who came out alive told me before he died that there was an extremely strange array in the valley! The nine formation eyes of the formation are each suppressed by a Red Lotus seal!"

“If I remember correctly, the first time you came to the Hong Meng demon world, you were looking for a girl with a Red Lotus mark!” Xia Yilian said.

at that time, I only came to find someone. This doesn't mean that I have any relationship with the Red Lotus in the valley! Chen Xiaobei said.

Obviously, if Xia Yilian was not lying, then there were nine demonic Fire Red Lotus Imprints in the array in the valley.

However, Chen Xiaobei did not trust Xia Yilian and would never tell her the truth.

That was why Chen Xiaobei did not want to mention that he could control the demonic Fire Red Lotus mark.

“Stop pretending! I saw everything!”

Xia Yilian sneered, “weren't you always wondering why I didn't go to the battlefield just now?” That's because I used the spatial dimension laws to open a spatial Rift in the sky. From there, I could see everything from above!”

how ... How is this possible?! Chen Xiaobei was shocked.

Obviously, Xia Yilian was not bragging.

She could read Chen Xiaobei's mind, which meant that she had really seen Chen Xiaobei's actions.

“No need to doubt!”

Xia Yilian said indifferently, “I saw with my own eyes that you removed a Red Lotus imprint and placed it in ju liusun's primordial spirit!” This is the reason why I want to cooperate with you! It's also the reason why I haven't killed you yet!”

Obviously, Xia Yilian was extremely confident in her own strength.

To her, if Chen Xiaobei was not of any use to her, she would have crushed him to death like a bug.

There was no need to elaborate on the content of her cooperation with Chen Xiaobei. It was to let Chen Xiaobei remove the nine Lotus formation in the valley. Then, after getting the bell of the East Emperor, she would be the one to receive the fruits of victory!

This was something that Chen Xiaobei could not accept.

since you've seen everything, you should know that the demon sovereign of five formations is in my hands, and he can control your life and death!

Chen Xiaobei took out his trump card.

Winning a direct battle was not considered high, so he could only use the five formations of demon sovereign to intimidate Xia Yilian.

“Heh, I know that the five formations demon Emperor can kill me! However, I also know that the curse he left in my primordial spirit can only be activated by spiritual communication!”

The corners of Xia Yilian's mouth rose, and she sneered confidently, "As long as I use a spatial cage to trap all of you, the spirituality of the five formations demonic sovereigns will not be able to reach me, and I will not be able to activate the curse! If you want to kill me, you can only think about it! It's impossible!"

It had to be said that Xia Yilian was really very smart.

Since she dared to appear in front of Chen Xiaobei, she had already planned out all the ways to deal with Chen Xiaobei.

The spatial cage was a technique that could be activated by using spatial laws.

Being trapped in the cage, Chen Xiaobei and the five demonic Emperor were isolated in an isolated space. Their spiritual energy could not be transmitted out.

In this way, the trump card of the five formations demon emperors was directly abolished.

Xia Yilian's control of the Hong Meng Demon Realm's world law was equivalent to controlling a super cheat. Even if Chen Xiaobei were to use a King Bomb, she would have a way to deal with it.

This was also the source of Xia Yilian's confidence. It was her greatest reliance and confidence.

"How is it? Do you have any other ways to deal with me?"

Xia Yilian smiled, as if she had Chen Xiaobei in the palm of her hand. She was calm and unhurried, waiting for Chen Xiaobei to agree.

She knew that Chen Xiaobei would agree to it because he had no other choice.

"Since it's a cooperation, it should be beneficial to me, right?" Chen Xiaobei asked.

Chen Xiaobei knew that he had no other choice, so he changed the topic to stall for time.

"You want to explain the benefits?" Xia Yilian smiled and asked, "don't you know the current situation?" Do you think you have the right to ask for benefits? Even if I give you benefits, do you think you'll have the life to take them?"

Obviously, Xia Yilian's cooperation was a one-sided threat.

She did not even give Chen Xiaobei a choice, so how could she give him any benefits?

"If there are no benefits, then let's fight to the death!"

Chen Xiaobei looked at her and said, "If you have the guts, kill me now! I would rather die than help you!"

"Do you really think I don't dare to kill you?" Xia Yilian's smile gradually disappeared, and her killing intent gradually emerged.

"Come! Try and kill me!"

no! Chen Xiaobei said fearlessly, "after you kill me, you won't be able to get the eastern Emperor Bell in a short time! Now, Yang Jian and immortal Yu Ding's whereabouts were unknown, so they were most

likely looking for reinforcements! By that time, the old primitive man will send stronger people and more powerful Dharma Treasures. Then, you won't be able to get the bell of the East Emperor!"

Obviously, when Yang Jian and immortal Yu Ding appeared at mo yuanze, they didn't make much noise. Hence, Xia Yilian probably had not paid attention to the situation over there.

Chen Xiaobei's words were a gamble!

They were betting that Xia Yilian did not know the whereabouts of Yang Jian and immortal Yu Ding!

As expected, Xia Yilian's expression immediately changed when she heard this. She was really not sure where Yang Jian and immortal Yu Ding had gone.

Moreover, she had heard Guangchengzi mention before that he was going to send people out to find reinforcements to break the formation.

As she thought of this, Xia Yilian's expression immediately became complicated.

Seeing this, Chen Xiaobei chuckled in his heart. He had finally managed to scare Xia Yilian.

[Red Envelope Group of the Three Realms](#)

Chapter 3888: -steady profit

If it was just Chen Xiaobei, Xia Yilian would not be afraid.

However, at this moment, Yang Jian and immortal Yu Ding's whereabouts were unknown. If she really went to find heavenly Lord Yuanshi for help, Xia Yilian did not dare to say that she could still win.

Chen Xiaobei was just making up a lie to test her, but he did not expect that he would be able to fool Xia Yilian.

From this, it could be seen that Xia Yilian was not absolutely invincible. She was also afraid of stronger enemies and more powerful talismans!

Furthermore, Xia Yilian had seen Chen Xiaobei take away the five elements heaven amplification formation. She was not afraid.

This meant that the world law of the Hong Meng Demon Realm could help her defeat a three-star true sage.

However, if it was beyond the three-star Saint level! She might have a hard time! If the level was much higher, the laws she could control would not be able to resist it!

After all, the Hong Meng Demon Realm could only be considered a small to medium-sized world. The level of its nomological laws was definitely not high!

Chen Xiaobei felt a lot more at ease.

With just a word of deception, he had directly tested Xia Yilian's background.

This could be considered a lucky hit.

"How is it? You don't dare to kill me now, do you?"

Chen Xiaobei raised his eyebrows and said, " I'll say the same thing again. If you want to cooperate, show me your sincerity! If they didn't cooperate, they would just break up and fight to the death! When the core members of the clan of enlightenment arrive, you won't get any benefits!"

"Alright! Go ahead! You want to explain the benefits!" Xia Yilian asked.

Obviously, Xia Yilian was not stupid. After weighing the pros and cons, she lowered her head and admitted defeat to Chen Xiaobei.

"I have two requests!"

Chen Xiaobei raised his eyebrows and said, " Give Jun Moxie to me! Second! I want half of the spirit energy in the Hong Meng Demon Realm!"

Obviously, Chen Xiaobei and Jun mochen were friends, and he could not let her die in Xia Yilian's hands.

More importantly, Jun Mohan still had a large number of followers in Hong Meng Demon Realm. Xia Yilian had used Jun Moxie as a hostage to stabilize her control over the Hong Meng Demon Realm.

Chen Xiaobei wanted to take Jun Mohan away because he wanted to protect his friend. Secondly, it was to prevent Xia Yilian from using Jun Mohan as a hostage to threaten Chen Xiaobei! Third, it was to remove the firewood under the cauldron and shake Xia Yilian's control over the Hong Meng Demon Realm!

As for spiritual Qi, that was what Chen Xiaobei lacked the most right now!

Chen Xiaobei had used up all his spiritual Qi to activate the chaos element golden Dipper once after obtaining the four holy items. The other three holy items could only be used as decorations.

Furthermore, Chen Xiaobei could also form the great heavenly cycle star formation and the nine tunes holy river formation. These two formations, one seven Star Saint tier and the other five star Saint tier, could both defeat Xia Yilian. However, if there was no spiritual Qi, these two formations could not be activated, and they would be useless.

Therefore, the two requests that Chen Xiaobei made were of utmost importance.

are you crazy!?

However, when Xia Yilian heard this, she immediately became anxious."I will never agree to your two requests!"

Obviously, the two requests that Chen Xiaobei had made were the things that he needed to fulfill the most. However, at the same time, they had also touched on Xia Yilian's core interests.

To Xia Yilian, once she lost Jun Mohan as a hostage, at least half of the people in the entire Hong Meng demon world would no longer obey her rule. If the Hong Meng Demon Realm fell into chaos, it would do her no good!

At the same time, once half of the Hong Meng Demon Realm's spiritual energy was lost, the entire world would fall into a state of sub-health, and it would be difficult to recover in the next trillion years. This

would slow down the growth of talents, reduce the number of natural treasures, and reduce the overall strength of the entire world.

As the master of this world, Xia Yilian would definitely not want to see such an outcome!

Who would be willing to control a sickly Empire?

That was why Xia Yilian rejected Chen Xiaobei's two requests without even thinking about it.

Xia Yilian even looked at Chen Xiaobei as if he was crazy.

In Xia Yilian's opinion, only a lunatic would make such an excessive request. Only if she was also crazy would she agree to it!

"Don't be in such a hurry to deny it!"

think about it," Chen Xiaobei said calmly. "is your goal to rule the Hong Meng Demon Realm forever? " If so, why do you still need the bell of the East Emperor?"

this ... Xia Yilian was taken aback. It was as if Chen Xiaobei had hit a nail on the head somewhere in her heart, causing her to be filled with extremely complicated emotions.

Without a doubt, Xia Yilian was a woman with great ambitions.

She definitely wasn't willing to stay in the Hong Meng Demon Realm for the rest of her life.

That was why she cooperated with the clan of enlightenment and even set her eyes on the heavenly Lord Yuanshi.

She wanted to leave the Hong Meng Demon Realm and keep climbing up. She even wanted to replace the heavenly Lord Yuanshi and become the sect leader of the clan of enlightenment, the Saint of the heavenly path!

At that time, all the heavens and realms would be under her control. What would a mere Hong Meng Demon Realm be?

It was for the sake of her ambition that Xia Yilian tried her best to get the eastern Emperor Bell, curry favor with it, and get close to the heavenly Lord Yuanshi.

So, Chen Xiaobei's words had hit the nail on the head.

Ruling the Hong Meng demon world was only a springboard for her, and even finding the donghuang Bell was only a stepping stone for her to ascend!

She shouldn't have put her attention on this!

She should look at it even higher! Even further!

"Obviously, your target is definitely not here!"

what?" Chen Xiaobei said, " compared to your Grand goal, what's the big deal about the Hong Meng Demon Realm? Don't tell me that I only want Jun Mohan and half of her spiritual Qi! Even if I want the entire Hong Meng Demon Realm, it's a sure win for you!"

“Good! I agree to your request!”

Finally, Xia Yilian was moved by Chen Xiaobei’s words.

Just as Chen Xiaobei had said, the thing she was about to give up was definitely worth it compared to what she was going to get!

“Whoosh ...”

Xia Yilian summoned Jun Mohan from a Sumeru dimension and handed her to Chen Xiaobei.

Chen Zhufeng!?

Jun Mohan was very weak at the moment.

However, the moment she saw Chen Xiaobei, her beautiful eyes were filled with surprise.

She knew that the man in front of her would definitely save her, just like how he was the one who released her from the seal back then!

There was an inexplicable fate between her and this man!

“It’s alright now. From now on, you can follow me!”

Chen Xiaobei chuckled and sent Jun Mohan into his Meru space. Then, he turned to Xia Yilian and said, “Come on! Then give me the spiritual energy! Then we can enter the canyon to get the bell of the East Emperor!”

[Red Envelope Group of the Three Realms](#)

Chapter 3889: waiting for death

“No!”

Xia Yilian’s eyes narrowed, and she said warily, “Kid, you’re more cunning than a Fox! If I give you everything, will you still be able to work for me?”

Obviously, Xia Yilian and Chen Xiaobei were old rivals. She knew better than anyone else how powerful Chen Xiaobei was. She would not dare to give all the benefits to Chen Xiaobei.

However, even though Xia Yilian was cautious, she still could not outplay Chen Xiaobei.

Chen Xiaobei raised his eyebrows and smiled. “I need to consume a huge amount of spiritual Qi to remove the Red Lotus seal! If you don’t give me spiritual energy, we can only watch helplessly when we enter the valley! You can think about it yourself, I don’t care! If worse comes to worst, we’ll just die together when the clan of Enlightenment’s reinforcements arrive!”

you ... Xia Yilian was speechless.

She had seen Chen Xiaobei remove the demonic Fire Red Lotus mark, but she did not know if he had used up his spiritual Qi.

She had no idea what to do and could only believe Chen Xiaobei’s words.

“Good! I’ll give you my spiritual energy too! If you dare to lie to me! I’ll definitely make you wish you were dead!”

Xia Yilian spat out these words. Then, she immediately began to consume her mental energy to activate the world laws of the Hong Meng demon world.

Whoosh ... Whoosh ...

Space law and energy law operated at the same time, and a sea of spiritual energy was endlessly extracted.

Among them, there was the spiritual energy from the normal space of the Hong Meng Demon Realm and also the spiritual energy from the underground spiritual vein.

Obviously, in order to get the bell of the East Emperor and fulfill her ultimate ambition, Xia Yilian did not play any tricks this time. She took half of the spiritual Qi in the world and gave it to Chen Xiaobei.

“Chi ... Chi ...”

Chen Xiaobei was about to burst out laughing. He took out the heaven and earth furnace and put all the spiritual Qi into it.

As he collected the spiritual Qi, Chen Xiaobei estimated that the spiritual Qi was enough to activate the heavenly cycle star formation and the nine tunes holy river formation once!

Or, without activating the great heavenly cycle star formation, he could activate the Great Nine tunes holy river formation thirty times!

Or, even without activating the two formations, the four Saint weapons in his hands could be activated thousands of times!

It had to be said that although the Hong Meng Demon Realm could not be compared to the heaven realm, it was still a very, very large world!

Half of the spiritual energy was definitely an astronomical figure!

“Can we enter the canyon now?” Xia Yilian looked at Chen Xiaobei coldly.

“Sure!”

“But, you’ll have to reconsider whether you want to come with me.” If there’s any danger and you and I both die inside, then wouldn’t we have to go to hell together?”

this ... Xia Yilian was stunned. Chen Xiaobei had scared her again.

Indeed, even though she had seen Chen Xiaobei remove the demonic Fire Red Lotus mark, she was not sure if it was the same Red Lotus mark that she had seen in the canyon.

If not, and Chen Xiaobei was unable to solve the problem, she would be sending herself to her death if she followed him in.

“How about this, I’ll go in alone!”

I'm fine! Chen Xiaobei said, " you can look down from above and monitor the entire Valley. If I make it out alive, that means it's not too dangerous! If I don't come out, don't miss me too much. I must have died inside!"

this ... Xia Yilian hesitated again.

To be honest, she did not trust Chen Xiaobei and did not want him to go in by himself!

However, she really, really didn't dare to joke around with her life!

What if Chen Xiaobei could not handle the danger in the valley ...

"Good! We'll do as you say! You go in alone! But don't you dare play any tricks! I'll definitely keep a close watch from the outside!"

Xia Yilian's eyes suddenly became cold and she said fiercely.

Even though she was still threatening him, she did not realize that she had been led by the nose by Chen Xiaobei since the beginning. She had been played by Chen Xiaobei.

Once Chen Xiaobei entered the valley, he would be free to do whatever he wanted.

If she wanted to control Chen Xiaobei, she could only think about it. She would never be able to do it.

"Let's go!"

Chen Xiaobei took a deep breath and put Taiyi back into the Meru space. Then, he walked into the mysterious Canyon.

At this point, Chen Xiaobei had succeeded.

Without paying anything, he had already saved Jun Mohan and obtained half of Hong Meng Demon Realm's spiritual energy. It was definitely a great profit!

But!

Back to the topic!

The danger in this Valley was not just a few demonic Fire Red Lotus Imprints!

Chen Xiaobei had come here alone. Although he was no longer under Xia Yilian's control and surveillance, he had also sent himself into an unknown dead end!

If he could not break out of this situation, all of Chen Xiaobei's efforts, all of his schemes, and all of his hard work would be for nothing.

"Whoosh ..."

As soon as he entered the canyon, a terrifying spiritual wave came crashing down on him. It seemed like it was trying to communicate with Chen Xiaobei's spiritual energy.

Chen Xiaobei did not know what was going on, so he decided to try and communicate with them to see if he could get any hints.

Very quickly, Chen Xiaobei had established a spiritual connection with the spirit.

“Not good!”

The next moment, Chen Xiaobei felt the world spinning around him. His mind was shaking, and his mind was on the verge of collapse.

Wasn't this spiritual communication? How could it have such a huge impact?

Chen Xiaobei was dumbfounded!

It was not that Chen Xiaobei was not careful, but this had never happened before!

Spiritual communication, which had always been harmless, had suddenly become so dangerous! It was like a docile, cute, and clingy puppy that had suddenly bitten him fiercely! He would never have thought of this even in his dreams!

Gradually, Chen Xiaobei started to hallucinate.

It was as if he had fallen into a mysterious space. His surroundings were all white, as if countless white clouds were floating.

In the depths of the clouds, Chen Xiaobei could see nine red lotuses blooming and swaying.

That wasn't the demonic Fire Red Lotus imprint!

Instead, it was a Red Lotus that looked very similar to the demonic Fire Red Lotus imprint!

No! To be more accurate, this Red Lotus should be the original form of the demonic Fire Red Lotus imprint!

“Uh ...”

The moment he saw the nine red lotuses, Chen Xiaobei felt a sharp pain in his primordial spirit. It was as if his primordial spirit was being torn apart, and his mental power began to leak out.

One had to know that the intense pain of the physical body meant that the body was injured. If the body died, then the body died!

The pain of the essence soul was the damage to the spirit. Once the spirit was exhausted, the essence soul would die!

This was not a joke!

Chen Xiaobei panicked. He had just stepped into the valley, and he was already half a step into the gates of hell.

What was more despairing was that he couldn't do anything!

He could only wait for death!

[Red Envelope Group of the Three Realms](#)

Chapter 3890: resistance

That's right!

The only thing Chen Xiaobei could do now was to wait for his death!

Under this strange illusion, he couldn't activate his Dharma Treasure, his celestial core power and physical strength, and all his special abilities!

In fact, even the demonic and human Dao imprints would not protect him when his mental energy was constantly being drained!

Was he really going to die Here?

Was he going to die before he even did anything?

If he really died like this, then wouldn't his comrades in the Meru space be trapped to death as well?

How could Chen Xiaobei accept such a result?

No!

I can't die!

I can't die!

Chen Xiaobei was screaming in his heart, trying his best to resist the current situation!

"Whoosh ..."

All of a sudden, a special power burst out from his body.

In Chen Xiaobei's illusion, the power took the shape of the Pangu ax and slashed at the White clouds around him. It split the endless white clouds in half, leaving a golden mark in the snow White.

"Hu ... Hu ... Hu ..."

Then, Chen Xiaobei woke up from his hallucination and panted heavily.

By then, Chen Xiaobei had lost more than half of his mental power. He felt weak, and his body was drenched in cold sweat.

But, fortunately, his life was saved.

After calming himself down, Chen Xiaobei realized that he had left the entrance of the valley and arrived at a very special dimension.

This was a pure white space. Although there were no white clouds, it looked just like the original form of the illusion.

Of course, this was not an illusion. Everything was real!

On the ground of this pure white space, there were a large number of corpses.

Most of them had already turned into white bones and had been dead for a very, very long time!

At the same time, there were also a few dozens of corpses, which should have been sent by Xia Yilian. They had just died, and their bodies still maintained the appearance of before they died.

It could be seen that these dead people didn't have any injuries.

In other words, they had all died from the exhaustion of their spiritual energy! If not for the Pangu axe, Chen Xiaobei would have been one of the dead bodies!

"It's all thanks to ancestral Saint Pangu ..."

Chen Xiaobei let out a long sigh, finally feeling a little more at ease.

Obviously, the Pangu ax that broke the illusion didn't come out of nowhere!

The only reason it appeared was because Chen Xiaobei was not willing to admit defeat. Before he died, he had exploded with a strong will to resist!

This resistance resonated with the ancestral Saint Pangu's will.

In addition, there was some heavenly Dao aura in this space to begin with.

Therefore, at the most crucial moment, the will of the ancestral Saint Pangu suddenly burst out and supported Chen Xiaobei's state of mind, helping him resist the destruction of the illusion.

"The illusion just now should be the first stage! I've barely made it through ... There's bound to be even greater dangers ahead!"

Chen Xiaobei's emotions were complicated as he looked at the dead bodies on the ground. All of these people had died in the first stage. The later stages would be even more dangerous and deadly!

However, Chen Xiaobei had been teleported to this alternate dimension after he fell into the illusion. There was no way out.

No matter how dangerous the path ahead was, Chen Xiaobei had to move forward! Forward! Forward!

Swoosh Swoosh Swoosh ... Ka ka ka ...

Chen Xiaobei then activated the demonic Dragon Slayer godly armor on his wrist.

The bangle that looked like a little black Dragon immediately turned into a combat armor, just like Iron Man's transformation, and Chen Xiaobei put it on.

Since the path ahead was full of danger, Chen Xiaobei had to bring out his best.

"Whoosh ..."

After he put on the demonic Dragon Slayer divine armor, a certain amount of life force flowed out of the armor.

The life force was then channeled into Chen Xiaobei's body, helping him to quickly recover the mental power that he had just used up.

"Chi ..."

Then, Chen Xiaobei took out the primeval Dipper and the nine tunes holy river formation.

He fused the chaos essence golden Dipper into the core of the formation.

He then took out the heaven and earth smelt and poured in enough spiritual Qi to activate the array three times.

The combination of the primeval Dipper and the nine tunes holy river formation could unleash the power of a five-star true Saint!

Without a doubt, this was Chen Xiaobei's strongest trump card!

This time, he had to go all out!

"Whoosh ..."

Chen Xiaobei then summoned donghuang Taiyi and asked, "The danger in the first stage has been dealt with. Now, help me sense which direction the bell of the East Emperor is in and if you can find a way to control it?"

"Bro bei, please wait!" Tai Yi focused his mind and began to carefully comprehend.

This alternate dimension was white in all directions. Ordinary people who entered would not even be able to tell North, South, East, and West. They could only advance in the direction of the nine lotus flowers.

And smart people all knew that that was the direction the heavenly Dao wanted people to go.

However, the heavenly law would never allow anyone to take the donghuang Bell away. Therefore, the direction of the nine lotus flowers might not necessarily hide the donghuang Bell, but it must hide a fatal danger.

Luckily!

With Taiyi's help, Chen Xiaobei could do things that no one else could!

That was to sense the location of the donghuang Bell in advance.

Taiyi could even use his primordial spirit to try to communicate with the bell of the East Emperor to see if there was a chance to control it.

"I found it!"

"The bell of the East Emperor is behind the nine lotus flowers. We can take a detour!"

"I'm too far away," Taiyi continued after a pause. "and I'm still suppressed by the formation of the heavenly way. I can't communicate with the bell of the East Emperor for the time being. I can't control it for now!"

"Good! Then you go back to the Meru space first! I'll let you out after I've investigated further!" Chen Xiaobei then put Taiyi back into the Meru space.

It was obvious that this was to protect Taiyi.

If the situation from before happened again, Taiyi would not have the ancestral saint's will to protect him. Therefore, it was absolutely safe to return to the Meru space.

Chen Xiaobei adjusted the demonic Dragon Slayer godly armor on his body and clenched the nine tunes holy river formation in his hand. Then, he walked forward.

The path ahead was filled with danger, but Chen Xiaobei would not slow down!

The test of life and death just now had made Chen Xiaobei understand the essence of the Holy ancestor's will!

Resist!

Even if he was in a desperate situation! Even if he had to become an enemy of a Supreme martial artist! They would never bow their heads and submit!

At most, he would risk his life to split open the sky for the people of this world! Earth splitting!
