Chapter 3911: monster

“Whoosh ... Boom Boom ...”

Then, the wild green flames surged into the Avici sword, and the dark purple Thunderbolts surged into the yuan tu sword!

After a period of time, the entire space returned to silence!

Who would have thought that the forbidden area that struck fear into the hearts of the entire land was actually guarded by the two rays of sword Qi from ABI and yuantu!

That’s right!

The green flame was the sword Qi of the Avici sword! The dark purple Thunderbolt was the sword Qi of the yuan tu sword!

Countless years ago, ancestor Minghe had used these two wisps of sword Qi to turn this part of the world into a forbidden zone of death that no one dared to set foot in!

Now that Chen Xiaobei had returned with Avici and yuantu, they had easily wiped out the entire forbidden land!

“Swish!”

Immediately after, a silver-white stream of light descended from the sky, like a small silver Meteor!

In the dazzling Starlight, a mysterious and extraordinary space gate was slowly opened!

Obviously, the place mentioned by Minghe River that he had not been to for billions of years was behind this door!

And what the treasure Daoist said was that there was an even more terrifying danger behind this door!

Of course, the most important thing was that the red karmic fire Lotus was definitely behind the door!

“Let’s go over!”

Chen Xiaobei gave treasure Daoist a look, then clenched the sword of avicinaraka and the sword of yuantu tightly. He took the lead and stepped through the silver portal.

Daoist duo Bao took the hint and took out the chaos essence golden Dipper and the nine tunes holy river formation. He then followed Chen Xiaobei into the unknown space.

“Whoosh ...”

With a wave of silver energy, Chen Xiaobei and treasure Daoist entered an alternate dimension.

The surrounding illusions immediately underwent a tremendous change.

Just a moment ago, the black clouds were still covering the boundless black soil, but now, in this alternate dimension, the heaven and earth were filled with a sacred and extraordinary silver color!

There was a Silver River flying in the sky, and there were many Majestic Silver sculptures on the ground!

“Who ... Who are these people?”

Chen Xiaobei held the two swords in his hands as he looked at the strange statues. He could not help but feel agitated.

The shape of the sculptures was very strange!

Some of them had the face of a beast, tentacles, and bone wings. Some had the face of a beast, eight arms, and six legs. Some only had a body and a head that looked like a ball of silver light, with a huge Halo like the sun and moon behind them!

Chen Xiaobei searched through all his memories, but he could not identify any of the statues! They couldn't even tell their race!

“This ... This is the first time I've seen these things ...”

Treasure Daoist's brows were tightly knitted, and his eyes were also full of doubt. More importantly, these sculptures also affected his state of mind, making him uneasy and even his breath somewhat turbulent.

It's a pity that Minghe has gone to recuperate in seclusion. Otherwise, I could ask him about it ...

Chen Xiaobei took a deep breath and tried to adjust his state of mind so that he would not be affected by his surroundings.

However, no matter how strong Chen Xiaobei's state of mind was, and no matter how hard he tried to adjust himself, he could not calm his heart and Qi!

The surrounding space itself exuded a Holy and extraordinary aura. In addition to the huge visual impact brought by the sculptures, it would exert pressure on people's mental state every minute and every second.

Only Chen Xiaobei and the treasure Daoist were present!

If it was someone with a weak mental state, they would have been completely shocked and would be kneeling on the ground, trembling! They kowtowed madly!

“No matter what these are ... Follow Avici and yuantu's instructions and leave immediately after finding the red karmic fire Lotus!”

The treasure Daoist also composed himself. Although he was uneasy, he did not lose his composure.

“Alright!”

Chen Xiaobei calmed himself down and immediately communicated with AVI yuantu.

“Whoosh ...”

All of a sudden, a blood-red spiritual light rose from the ground in front of them and shot up into the sky.

As the entire space was silver, the blood-red spiritual light was particularly eye-catching. It could be seen clearly from any corner of the space.

“That should be the demonic Fire Red Lotus ...”

“But, according to what Minghe said, this dimension is dangerous!” Moreover, a trillion years have passed, and the netherworld River is not sure what the danger will become!”

“In other words, the danger here will only become more and more terrifying as time passes! Therefore, we must be extra careful!”

Although Chen Xiaobei was not sure, he could tell that the danger here was probably related to some special creatures.

Because only living things could keep getting stronger!

Of course, this led to another strange problem!

“There’s no spiritual energy at all in this damn place! It had no vitality! It could be said that not even a blade of grass grew here ... What kind of creature could survive here? Furthermore, it could become stronger and stronger? This is unbelievable!”

Treasure Daoist’s brows were tightly furrowed, his mind filled with thoughts, but he could not figure it out.

“Let’s go! The answer should be revealed when we get close to the red karmic fire Lotus!”

Chen Xiaobei held the sword of avicinaraka and the yuantu sword tightly and strode forward.

As he got closer and closer to the blood-colored spiritual light, danger finally arrived as expected.

“Ka la ... Ka la La ...”

Countless cracks began to appear on the surface of the huge and majestic sculptures. Like eggshells falling off, the silver outer shell peeled off and fell to the ground.

And those strange creatures, which even the treasure Daoist had never seen before, showed their original appearance one after another.

Their huge bodies rose into the air one after another, looking like huge gods!

The multicolored holy light shone, even more dazzling than the sun!

Moreover, the Holy Light was different from the primordial chaos holy light. The energy fluctuation it emitted was not celestial core power or life force, but a completely unknown new energy!

“Xiaobei! They’re coming!”

Daoist abundant treasures clenched the formation diagram of the nine tunes holy river formation in his hand, ready to fight to the death with the enemy at any time.

However!

The strange creatures only flew over Chen Xiaobei and treasure Daoist's heads. They treated them like two ants or even two specks of dust. They did not even look at them!

we ... We're being ignored!?

Chen Xiaobei and treasure Daoist were dumbfounded. They had thought that it was a fatal danger and did not even care about them.

All the giant creatures, close to a hundred in number, all flew towards the red karmic fire Lotus.

"Boom boom boom ... Boom boom boom ..."

Then, the first few creatures that reached the area started to fight.

Who dared to think about it?

The power that they unleashed had all exceeded the Saint level!

what ... What kind of monsters are these?!

Both Chen Xiaobei and treasure Daoist were stunned.

[Red Envelope Group of the Three Realms](#)

Chapter 3912: doubts

could it be that ... This is another greater world!?

Treasure Daoist couldn't help but make his own speculation as he stared at the giant strange beasts fighting madly in the sky.

another greater world?!

Chen Xiaobei was confused.

Treasure Daoist frowned and said, "in this greater world controlled by the heavenly axiom, the heavenly path Sage is an insurmountable hurdle!" But ... All of these beasts here have the power of Saint level and above ..."

"Yup!"

"There are only two ways to become a saint in the heavenly realm!" One was to obtain the approval of the heavenly Dao! The other was to prove the Dao with force, like the ancestral Saint Pangu ... And there were only Seven Saints in the world of the heavenly Dao! And now, there are probably a hundred of these beasts!"

It was clear that Chen Xiaobei and treasure Daoist were thinking the same thing!

This special alternate dimension in front of them was very likely not a world controlled by the heavenly Dao!

"Then ... What kind of place is this?"

Treasure Daoist couldn't help frowning, looking very confused and puzzled.

"No need to think too much! All we need to do is to capture a beast and ask it!" Chen Xiaobei's eyes glowed like the stars in the night sky!

In the eyes of the beasts, Chen Xiaobei and treasure Daoist were like two pitiful ants that were not worthy of their attention!

However, in Chen Xiaobei's eyes, these Ultra Beasts were like a bunch of pitiful ants.

Even though they all had the power of a Saint and there were almost a hundred of them, their cultivation was not enough to threaten Chen Xiaobei and the treasure Daoist.

All of them were one star Saint level!

The strongest one was merely a peak one star Saint!

Chen Xiaobei did not even need to use Avici or yuantu. All he needed to do was for treasure Daoist to activate the nine tunes holy river formation and all these beasts would be captured.

"Alright! Then leave it to me!"

Treasure Daoist's eyebrows twitched, and he immediately rushed forward.

The nine tunes holy river formation was instantly activated. At the same time, the primeval Dipper suppressed the core of the formation and activated its hidden power, directly reaching the level of a five star Saint!

"Hualalala ... Hualalala ..."

All of a sudden, an extremely terrifying huge holy river that spanned across all the heavens and worlds surged out!

Nine twists and eighteen turns! With every curve, his strength increased by a level! The nine curves and nine chains, his strength had reached its peak!

The power of a five star Saint was enough to sweep away all the enemies in front of him without any suspense.

Of course, Chen Xiaobei wanted to capture them alive, so he could not kill them all yet!

Fortunately, the greatest feature of the nine tunes holy river formation was not killing, but crippling!

By cutting off the three flowers on the top of their heads and removing the five Qi in their chests, the cultivation of these exotic beasts would be completely destroyed. They would be like fish on the chopping board, waiting for Chen Xiaobei to slaughter them.

"Whoosh ..."

The holy river Dharma laksana swept down! It was like a roaring flood, with unstoppable destructive power!

In front of the holy river Dharma power, the huge beasts were as small as flowers and grass. They were swept away in an instant without any power to resist!

“Woof! Buzzzzzz! Yi ...”

In the next moment, green spirit blades burst out of the nine tunes holy river formation! They were like countless sharp blades that slashed down at the beasts!

And these sharp blades didn't cut the skin of those exotic beasts. Instead, they directly entered their bodies!

He cut off the three flowers on the top of his head and the five Qi in his chest!

“Chi ...”

Very quickly, all of the beasts' cultivation was destroyed and they were brought back to Chen Xiaobei by the holy river Dharma.

All of a sudden, all of the ultra Beasts looked at Chen Xiaobei in shock. It was as if they had seen a ghost!

No! It was wrong!

It shouldn't be a living ghost!

That was because his expression of seeing a ghost was one of shock and fear!

But now, these Ultra Beasts were looking at Chen Xiaobei with only shock and no fear. It was as if they were not worried that Chen Xiaobei would kill them!

Or rather, they were not afraid of death at all!

“What?”

Chen Xiaobei was very smart and calm. He was very observant, so he naturally noticed the expressions of these Ultra Beasts.

“Chi ...”

All of a sudden, a strange beast with a body like a bronze bell suddenly let out a strange buzz! Strange dark golden runes that had never been seen before appeared on his huge body!

“What's going on? Wasn't his cultivation crippled? Why is it still able to trigger such a powerful energy fluctuation?”

Chen Xiaobei's pupils shrank and his scalp went numb. He had a bad feeling about this!

“Not good!”

Treasure Daoist's cultivation was higher and he had more experience, so he immediately found the problem. “These strange beasts don't rely on spiritual Qi to cultivate! The three flowers above their heads and the five Qi in their chests are not the foundation of their cultivation!”

this ... This means that ... Their cultivation wasn't crippled?! Chen Xiaobei's nerves tensed up, and he did not dare to be careless. He immediately took out the Avici sword!

boom boom boom!!!

In the next moment, the giant hand that was as large as a bronze bell suddenly self-destructed!

That huge body exploded, and the power that erupted from it reached the level of a two-star Saint! It was countless times more powerful than the nuclear explosion on earth! It was enough to wipe out a small world!

“Swish!”

Chen Xiaobei did not have time to think. He swung the Avici sword and unleashed an Army obliteration!

In an instant, the terrifying green netherworld fire burst out, sweeping forward and burning!

“Boom boom boom ...”

The sword of avicinaraka exploded with the power of a Seven Star Saint level. Without a doubt, the power of the giant beast’s self-explosion was completely offset! Then, the dark green netherworld fire suddenly crushed over, burning all the strange beasts in front of it, not even leaving a speck of dust!

“Phew ...”

Soon, the dark green netherworld fire dissipated.

Chen Xiaobei furrowed his brows and sighed. “The seven Star Saint artifact is too terrifying! I only subconsciously waved one out, and not even half of the enemy survived. Not even a primordial spirit was left!”

“This is normal!”

The treasure Daoist said indifferently, ‘not to mention martial Saints, even if it’s just a quasi-Saint, the gap of one small realm is an insurmountable gap! There’s no need to even mention the difference in cultivation levels ... They can’t even be compared ...”

“It’s fine ...”

since the enemy is gone, I’ll have to put this question aside for now ... The most important thing now is to get the red karmic fire Lotus, head to the great void universe, and meet up with the Grand Wizard Guo Zi!

Treasure Daoist nodded, and together with Chen Xiaobei, they flew toward the blood-red spiritual light.

[Red Envelope Group of the Three Realms](#)

Chapter 3913: strange person

whoosh ... Whoosh ... Whoosh ...

Suddenly, just as Chen Xiaobei and treasure Daoist were about to get close to the blood-red spiritual light, another change occurred in the space.

In the silver Sky, light blue holy light vortexes appeared.

what ... What is that?!

Chen Xiaobei stopped in his tracks. After all, he had to be careful in this unknown place. A moment of carelessness could lead to a terrible death!

my God ... That ... That looks like the legendary gate of the heavenly Dao!

Treasure Daoist, on the other hand, let out a cry of surprise. He was so shocked that he couldn't help but shiver.

the ... Gate of the heavenly law???"

Chen Xiaobei was even more shocked. His pupils constricted and his scalp went numb. don't tell me the heavenly Dao is coming!?

"No..."

Treasure Daoist shook his head and said awkwardly, " the legendary gate of the heavenly Dao is golden, but these are all light blue ... So, the person who came is not the heavenly Dao ...

then, what's going on with this gate of the heavenly law?! Chen Xiaobei was very confused and curious.

"The gate of the heavenly law is a Supreme Saint spell!"

The treasure Daoist thought for a moment and said,"it's similar to your ability to tear the void. The door of the heavenly way can open a crack in space!" However, the difference is that the space crack opened by the void splitter is full of spatial turbulence inside, and it will teleport you to a completely unknown place!"

"However, the space crack opened by the door of the heavenly Dao is a smooth and peaceful space tunnel that can send people to anywhere they want! Simply put, it's equivalent to a fixed teleportation. It's direct and saves time and effort!"

Chen Xiaobei's eyes lit up!

The special ability of the gate of the heavenly way was similar to Fu Tian Xin 'er's ability to control the world of the builder tree!

However, the reason why the creation Wood World could open any spatial door was that it was the core of the heavenly way greater world. There were entrances and exits to the various heavens and realms inside.

To put it bluntly, Fu Tian Xin 'er was only moving these entrances to the positions she needed.

However, the special ability of this door of the heavenly way was obviously of a higher level. As long as the caster could break the spatial law of the location, he could open a door of space to any place at any time!

Once this ability was used well, one could launch a sneak attack or escape. It was simply a heaven-defying divine level!

Of course!

The more heaven-defying a skill was, the more terrifying its user would be!

“Senior brother abundant treasures! Come behind me!”

Chen Xiaobei’s brows were tightly knitted together, and he looked extremely nervous.

Chen Xiaobei’s heart started to race as he looked at the nine gates in the sky. He was ready to use his strongest King’s bomb.

whoosh ... Whoosh ... Whoosh ...

The nine gates of the heavenly law were still operating slowly. Even if one used their toes to think, they would know that something even more terrifying than before would be coming out from inside.

Of course, to be precise, these teleportation gates should not be called gates of the heavenly law.

However, Chen Xiaobei and the treasure Daoist did unknown anything about this, so they did not know the exact name.

The reason why it was temporarily called the gate of the heavenly law was that a certain situation might occur!

This situation meant that the heavenly Dao was probably the same kind as those strange beasts!

Of course, Chen Xiaobei and treasure Daoist did not have the time to think about the heavenly axiom. They had to overcome the difficulties and danger before them or they would die without a burial place. Everything else would be meaningless!

“Xiaobei! Why don’t we retreat ...”

Beads of cold sweat had already formed on treasure Daoist’s forehead, and his heart was filled with anxiety.

It was obvious that the danger that was about to come was completely unknown! Treasure Daoist couldn’t be sure what level the other party’s strength was at.

There was even one possibility!

That was, the enemy’s strength might be the same as the heavenly Dao!

It was the legendary and never-before-seen heavenly Lord of Chaos realm!

In fact, there was no need for heavenly Lord of Chaos to appear. Chen Xiaobei would not be a match for a primordial infinite golden immortal at the level of Hongjun!

Even with the tree of Seven Wonders and the eastern Emperor Bell, Chen Xiaobei was no match for Hongjun!

It was because of this that Daoist many treasures had no choice but to retreat in such a situation!

However, it was too late to retreat now!

whoosh ... Whoosh ... Whoosh ...

Soon, the people behind the nine space doors appeared and looked down at Chen Xiaobei and treasure Daoist.

However, they were different from the strange beasts earlier. These nine people had the body shape of a human. However, they were all wearing thick white cloaks and big hats that covered their heads, so their faces and genders could not be seen clearly.

huh?!

However, when Chen Xiaobei saw the nine white-robed men, he was surprised.

“Xiaobei ... What’s wrong?”

what’s going on? ” treasure Daoist asked. He had also noticed Chen Xiaobei’s emotional fluctuation.

“It’s strange ... I can feel a sense of familiarity from these nine people ...” He said.

Chen Xiaobei took a deep breath and furrowed his brows. Even he could not explain the feeling of intimacy, let alone know where it came from.

Of course, Chen Xiaobei did not have time to think about it!

He held the sword of avicinaraka and the sword of yuantu tightly. At the same time, he was extremely nervous and was ready to summon the tree of Seven Wonders and the eastern Emperor bell at any time.

“I’m counting on you ...”

Treasure Daoist knew his place, so he took a step back and stood behind Chen Xiaobei.

It was obvious that if a battle were to break out at this moment, it would be far beyond what treasure Daoist could bear.

At this point, the best option for treasure Daoist was to retreat. If he went into battle rashly, he would only drag Chen Xiaobei down.

“Woof! Buzzzzzz! Yi ...”

Immediately after, the nine white-robed men had already flown over at high speed.

A dangerous and deadly battle seemed to be on the verge of starting.

But!

All of a sudden, five meters in front of Chen Xiaobei, the nine white-robed men stopped in their tracks. They did not attack but instead hovered in the air, looking down at Chen Xiaobei!

Not fighting?

Chen Xiaobei and treasure Daoist were both confused.

“Swish!”

At the same time, the white-robed man in the middle flew another two meters forward, closer to Chen Xiaobei, but still looking down at him.

“You must be Chen Xiaobei, right?”

The white-robed man said in an extremely cold and emotionless voice.

huh?!

you ... How do you know my name?! Chen was shocked.

Red Envelope Group of the Three Realms

Chapter 3914: dumbfounded

Chen Xiaobei was shocked and could not understand what was going on.

In such an unknown place, a group of completely unfamiliar white-robed people actually knew his name.

More importantly, the strength of these white-robed men far exceeded that of the giant exotic beasts.

“You don’t need to know how we know your name!”

The leader of the white-robed men said in an extremely indifferent voice, “ today, the fact that you’re here means that you’re qualified to talk to us. It’s your great honor and the turning point for you to change your destiny!

These white-robed men had been looking down at Chen Xiaobei. Their tone and wording were very arrogant and condescending. They were like gods speaking to the common people, and they could decide Chen Xiaobei’s fate with a single thought.

Chen Xiaobei was a little annoyed by her attitude.

However, Chen Xiaobei remained calm. At least, he did not show his displeasure.

After all, Chen Xiaobei had just used the Avici sword and the nine white-robed men had seen it clearly.

And now, they still did not take Chen Xiaobei seriously.

This meant that the seven Star Saint level Avici sword could not pose a threat to these white-robed people. That was why they were so strong, arrogant, and condescending!

“Who are you? What do you want to do?”

Chen Xiaobei’s eyes turned cold. Although his tone was calm, his aura was not weak at all. He would not admit defeat to the other party.

“We are members of the Saint clan from the heavenly Saint realm!”

The leader of the white-robed men said indifferently, “originally, we were going to take the red karmic fire Lotus, but we didn’t expect to meet you here!” This is a little earlier than we predicted! However, since you’ve encountered it, it’s a good opportunity to test you!”

“Holy race? A test?”

Chen Xiaobei frowned. He looked surprised and anxious.

He was surprised that these people, who he didn’t know, wanted to test him.

He was anxious because the other party's test was definitely not simple. In fact, from the other party's indifferent attitude, this test might even be accompanied by great danger!

If Chen Xiaobei passed the test, he would be acknowledged by the white-robed men!

On the other hand, if Chen Xiaobei did not pass the test, these white-robed men would probably treat Chen Xiaobei as an ant and would not feel sorry for him!

"Xiaobei! Do you know them?"

Treasure Daoist frowned. if you don't know them, then don't accept their test. We can't stay here for long. We'd better leave first!

Apparently, he had also realized the danger of the situation.

He even gave up the red karmic fire Lotus to leave as soon as possible, so as not to lose his life.

"You have no right to speak here!"

The leader of the white-robed men glanced at treasure Daoist with extreme contempt. He didn't take treasure Daoist, who was invincible below the Saint level, seriously at all.

this ... treasure Daoist was at a loss for words. It wasn't that he didn't want to argue, but he felt an extremely strong and overbearing pressure in his heart. For a moment, he couldn't breathe smoothly and couldn't even speak!

it was the clan leader's decision to test Chen Xiaobei!

The leader of the white-robed men turned to Chen Xiaobei and said, "Everyone must obey the patriarch's decision! If you refuse, kill without mercy!"

Domineering! Overbearing! He was even a little unreasonable!

Chen Xiaobei did not even know the man, but he was forced to complete an unknown test that could even be life-threatening!

They were clearly treating Chen Xiaobei like a puppet, toying with him and not giving him any other choice. They did not even bother to explain!

If he didn't agree, he would die!

"I refuse!"

Obviously, Chen Xiaobei had always been a person who could be persuaded by reason but not cowed by force. The other party was so overbearing and unreasonable that Chen Xiaobei would never lower his head and let them do whatever they wanted!

"Since you want to die, I'll fulfill your wish!"

The leader of the white-robed men said coldly. In an instant, he was filled with killing intent, like a bloodthirsty beast that was ready to tear Chen Xiaobei into pieces.

"Senior brother abundant treasures! Protect yourself!"

Chen Xiaobei's hands clenched the Avici and yuantu swords tightly.

Chen Xiaobei! You're so stupid!

The leader of the white-robed men said disdainfully, "you actually think you can fight me?" He was too naive! To tell you the truth, you are no match for me! If I wanted to kill you, it would be even easier than killing an ant!"

"If you want to fight, then fight! Stop your nonsense!"

Even though Chen Xiaobei was not sure of his opponent's strength, he knew that he could not avoid this battle.

He didn't want to be manipulated by the other party, nor did he want to be killed by the other party.

If he wanted to take the initiative, he could only fight. Moreover, he had to defeat his opponent.

"Very good! Your courage and courage are not bad! Furthermore, you're not affected by my pressure, and your mental state is also first-class! Unfortunately, you're too weak. You're no match for me!"

The leader of the white-robed men suddenly raised his arms, and an extremely bright and gorgeous seven-colored radiance burst out from his body!

This light was similar to the primordial chaos holy light, but they were two completely different existences.

The energy fluctuation of the seven-colored radiance was not celestial core power or life force. It was an energy that Chen Xiaobei had never seen before.

"Whoosh ..."

In the next moment, the seven-colored radiance suddenly expanded and condensed into a huge celestial body Dharma laksana that was covered with mysterious runes.

This huge seven-colored celestial body Dharma form was like a miniature universe. However, it was in a completely different form from the universe in the world of the heavenly path. In fact, it was even larger in scale.

"Boom boom boom ..."

The next moment, the seven-colored celestial Dharma form came crashing down on Chen Xiaobei! It was as if the heavens and earth had collapsed, and the greater world had been destroyed! That terrifying aura was enough to shake everything!

"Strange ... This power ... Doesn't seem very strong ..."

However, Chen Xiaobei and the treasure Daoist looked very confused.

Originally, these white-robed men didn't even care about a Seven Star Saint weapon. However, no one expected that the power that their leader unleashed was only at the level of a one-star true Saint.

With such a weak force, what right did they have to be so arrogant? Why would he kill Chen Xiaobei?

What kind of logic was that?

Could it be that the brains of this group of white-robed people had been kicked by a donkey?

“Let me do it!”

Treasure Daoist’s eyes narrowed. He took out the chaos essence golden Dipper, a two-star Saint weapon. It was enough to deal with the white-robed leader without even activating the nine tunes holy river formation!

“But!!!”

In the next moment, treasure Daoist was dumbfounded!

Red Envelope Group of the Three Realms

Chapter 3915: reverse

the chaos essence golden Dipper can not be activated!!!

Treasure Daoist exclaimed.

He had originally thought that the chaos essence Dipper would be able to crush the white-robed leader.

However, he had never imagined that the chaos essence golden Dipper could not be activated at such a critical moment.

“Whoosh ...”

Then, he took out the formation diagram of the nine tunes holy river formation.

However, the result was the same. The power of the formation could not be activated at all.

“The Avici sword and the yuantu sword can’t activate their power either!”

At the same time, Chen Xiaobei also tried the same thing, but the result was the same as treasure Daoist.

It was obvious that the leader of the white-robed men wasn’t brainless. He had already calculated everything! He had the ability to disable Chen Xiaobei and treasure Daoist’s treasures! Therefore, he had the confidence to say that he would kill without mercy!

Without their Dharma Treasures, the leader’s one-star Saint-tier power was more than enough to defeat Chen Xiaobei and treasure Daoist.

“Boom boom boom ...”

At the same time, the seven-colored celestial body had already come crashing down.

Just the aftershock of the terrifying pressure was enough to immobilize both Chen Xiaobei and treasure Daoist.

All those below the Saint realm were ants!

Even if he was invincible, he was still as weak as an ant in front of a true sage. He had no power to resist at all!

“Chen Xiaobei! Do you know how stupid you were now?”

The leader of the white-robed men laughed in disdain. “Originally, the clan leader’s test for you was just to casually defeat one of my disciples! However, you rejected the clan leader’s test! Then, the only choice that awaits you is death!”

It was obvious that the leader of the white-robed men had already calculated everything!

In his eyes, Chen Xiaobei and the treasure Daoist were two cold, dead bodies!

There was only disdain in his eyes as he looked at Chen. Contempt! And a deep mockery!

“BOOM!”

The next moment, the seven-colored celestial body completely covered Chen Xiaobei and treasure Daoist! The frenzied power came crashing down, causing the entire space to tremble! The power was enough to wipe out all existences below the true sage realm without leaving a trace!

“Ha, hahahaha ...”

Seeing this, all the white-robed men sneered in disdain.

They all had some sort of enmity towards Chen Xiaobei. When they saw Chen Xiaobei being killed by a true Saint, they laughed heartily as if they had been waiting for this day for a long time!

“Men! Go and get me all of Chen Xiaobei’s treasures!”

The leader of the white-robed men laughed savagely, clearly in a good mood. “I was worried that Chen Xiaobei would become a strong enemy! I really didn’t expect him to be an idiot who would give away his head and equipment! Hahaha ...”

The leader of the white-robed men knew more about Chen Xiaobei than just his name!

He even knew about Chen Xiaobei’s magical equipment! Furthermore, they were eager to get their hands on Chen Xiaobei’s treasure!

At the same time, from the leader’s words, they could tell that Chen Xiaobei and them had some kind of competitive relationship. So, Chen Xiaobei’s death was indeed good news for them!

To be able to kill a powerful enemy and obtain a magic treasure at the same time, the leader of the white-robed men was naturally overjoyed!

“Yes, sir!”

Hearing this, the other two white-robed men immediately flew forward, ready to clean up the battlefield and harvest the fruits of their harvest!

However, at this moment, the seven-colored celestial body gradually faded away, and an even more powerful force suddenly burst out in reverse!

A huge black Lotus rose up against the sky! It was like a mysterious flame, erupting with monstrous black flames that seemed to want to burn the heavens and the myriad world in an instant! Turn all living beings into dust!

what ... What is that thing?!

The two white-robed men who flew forward immediately revealed extremely horrified expressions and shrieked with trembling voices.

“Woof! Whoosh!”

However, before they could finish their words, the huge black Lotus had passed through their bodies at an extremely fast speed!

The White robes on their bodies were instantly burned to ashes. Then, their skin and flesh were burned to ashes, leaving only the shadows of two white bones. However, in just a few seconds, even their bones were burned to the point that they were not even left!

“Not good!”

Everything happened in a flash. Although the leader of the white-robed men had let out a cry of alarm, he had still managed to escape.

However, it was too late.

The power and speed of the Black Lotus that had suddenly burst forth were about thirty percent stronger than the strength of the white-robed leader!

“Pfft ...”

In an instant, the Black Lotus directly brushed past the body of the white-robed leader, causing him a terrifying amount of damage!

The leader of the white-robed men spat out a mouthful of black blood, and his body was like a piece of red-hot steel! One side was emitting black smoke, while the other side was bursting with fiery red cracks, and lava-like substances flowed out!

It could be seen that the physical strength of the leader of the white-robed men was much stronger than that of the two white-robed men.

Unfortunately, under the suppression of the Black Lotus, the white-robed leader’s physical body was completely unable to resist.

Of course, the most important thing was that the leader of the white-robed men did not expect Chen Xiaobei to be able to fight back. So, he did not put up any defense at all.

As a result, the Black Lotus’s power was equivalent to directly striking the white-robed leader’s body. The damage it caused was naturally greater and more serious than when he was in a defensive state!

In just an instant, the white-robed leader's body was destroyed.

Not only that, the power of the Black Lotus did not end there. It shattered his dharma body and seriously injured his primordial spirit!

Fortunately, the power of the Black Lotus was only about thirty percent stronger than his original power. Otherwise, this attack would have been enough to completely annihilate his origin spirit!

"Whoosh! Whoosh! Whoosh ..."

Of course, the remaining white-robed men were not so lucky.

Their cultivation levels were much lower, so they were all burned to ashes by the mere aftershock of the Black Lotus 'power. They didn't even have time to scream before their lives came to an end.

"H-how is this possible? This ... How is this possible?"

The primordial spirit of the leader of the white-robed men crawled out of the corpse and looked at Chen Xiaobei as if he had seen a ghost!

Shocking! Astonishment! Fear! He was on the verge of a mental breakdown!

Whoosh ... Whoosh ...

At the same time, Chen Xiaobei and treasure Daoist flew out from the back of the Black Lotus.

This time, the positions of both sides had been reversed.

Chen Xiaobei looked down at the injured primordial spirit of the leader and said, " now, you must answer every question I ask truthfully. Otherwise, you will be killed without question!

"Hiss ..."

The primordial spirit of the white-robed leader sucked in a breath of cold air and was instantly terrified."You ... You can ask ... I will tell you everything I know! I'll tell you everything!"

[Red Envelope Group of the Three Realms](#)

Chapter 3916: A surprise

It was obvious that the leader's primordial spirit was severely injured and his physical body was destroyed. His life was in Chen Xiaobei's hands. He was already completely terrified.

In the eyes of the leader, Chen Xiaobei was like a terrifying demonic god. He could not tolerate any disobedience or provocation.

The leader of the white-robed men had no choice but to cooperate with Chen Xiaobei.

At the same time, even treasure Daoist's face was full of shock, his body and mind trembling! He did not expect Chen Xiaobei to be able to resolve the deadly situation so easily.

The huge black Lotus exuded a terrifying demonic Qi and an extremely terrifying power.

Others might not know, but he recognized it at a glance. The Black Lotus was the core foundation of the demonic dimension, the Black Lotus of world destruction!

Why did the Black Lotus of destructions come from Chen Xiaobei's body? Why was the Black Lotus just a Dharma clone? Why was the power of the Black Lotus of destructions so terrifying even though it had not appeared in person? What ... What was going on?

A series of questions welled up in his mind, making Daoist many treasures unable to find an answer!

Obviously, the reason why he was so confused was that he had never heard of the demonic mark, nor had he ever seen a similar special ability!

Even though the leader of the white-robed men had disabled Chen Xiaobei's magical equipment, he still had two trump cards-the mark of humanity and the mark of demonic-hidden in his body.

The core of the demonic mark was a clone of the Black Lotus of destructions. Although it didn't have the same level and power as the original, it was enough to resist and counterattack the attack of a five star true sage! The power of the counterattack would be 30% stronger than the enemy's.

And the core of the human path imprint was the heaven killing Purple Lotus! However, the heaven-killing Purple Lotus was only in the process of taking root and sprouting. There was still a long way to go before it could bloom! Of course, even though it had just sprouted, the true form of the Lotus could already help Chen Xiaobei resist the power of a three-star true Saint. Furthermore, this power would not disappear. It would be absorbed into the human seal to help the Lotus grow.

With the mark of humanity and the mark of demonic, Chen Xiaobei was able to fight against anyone below the five star true divine rank.

Of course, the human path and demonic path imprints had their own limitations. After each use, one had to wait for a day and a night before they could be used again.

Therefore, in a battle like the one-shot fight just now, these two imprints could be very effective. If they were to fight one after another, once the special abilities of these two imprints were used up, Chen Xiaobei would have to think of other ways to protect himself!

"Reveal your true appearance!"

Chen Xiaobei ordered coldly.

"Yes!"

The primordial spirit of the leader of the white-robed men trembled. With a thought, he removed the big hat on his head and revealed his true appearance.

The leader of the white-robed men looked almost identical to a human.

The only difference was that the white-robed leader's skin, hair, and pupils were all silver.

Was this the legendary holy race?

This was the first time Chen Xiaobei and treasure Daoist had seen such a race, and they were very surprised.

"Tell me, how did you know about me?" Chen Xiaobei asked. Why do you want to test me?"

Obviously, everything that happened had a reason.

There must be a huge secret behind these white-robed men of the Holy clan.

“I ... I ...”

The leader of the white-robed men stammered, clearly a little apprehensive.

Chen Xiaobei’s question was probably a top secret to the white-robed men. That was why the leader of the white-robed men did not dare to reveal it.

“What’s wrong? Do you want to die?”

Chen Xiaobei’s voice was cold and exuded a terrifying aura.

“No, no, no... I don’t want to die!”

The leader of the white-robed men gasped. He did not dare to challenge Chen Xiaobei’s patience and quickly replied, “We’re from Saint Duke’s Saint realm! Everything about you was told to me by Saint Luo puti!”

“Because the Holy maiden’s heart is completely on you! Therefore, the clan leader has suggested that we give you some tests! If you can pass the test, you’ll be recognized by the entire clan and be qualified to be with the Holy maiden!”

“Saint Duke? Subhuti?” Chen Xiaobei was so shocked that his heart tightened.

He had never expected that the white-robed man was actually a member of the Saint Duke clan!

Previously, when everyone from bei Xuan ascended, Luo puti and her newborn child were the only ones missing.

Chen Xiaobei was very worried about this. He even contacted King of Hell and Taoist Cundi. Although Taoist Cundi speculated that Luo puti and her child might have been taken away by the clan, Chen Xiaobei was still worried.

Today, by chance, he had actually met a Saint Duke!

This was a huge surprise for Chen Xiaobei!

This way, as long as he went to Saint Duke’s Holy Land, Chen Xiaobei would be able to see Luo puti and his child.

bring me to Saint Duke’s Holy Land immediately!

Chen Xiaobei could not wait any longer.

“No... I can’t ...”

The white-robed man said awkwardly, “the Saint realm of Saint Duke is different from the heavenly path world!” Only those with the Saint Duke bloodline or those who have reached the Saint realm can enter ... You ... You’re not strong enough ...”

“What?”

Chen Xiaobei's eyes were filled with disappointment.

Of course, even though he was disappointed, Chen Xiaobei was still very calm. He said, "Then I'm going to contact Subhuti now!"

"This ... This won't do ..."

The white-robed man had a greedy look on his face as he said in a low voice, "The Saint is currently in seclusion to improve her cultivation. I can't contact her at all ...

you're playing with me!?"

Chen Xiaobei's eyes were filled with killing intent. He was like an ancient evil Dragon, ready to kill the man in white at any moment.

"I don't dare ... I don't dare ..."

The white-robed man was so scared that he almost peed his pants. He hurriedly said, "Everything I said is true! If you insist on contacting the saintess ... I can contact the clan leader, and you can discuss it with the clan leader ..."

clan leader!?"

Chen Xiaobei's heart was on full alert.

It was obvious that the patriarch of the Saint Duke clan was unimaginably powerful. If he alerted this guy, it might not be a good thing for Chen Xiaobei. He might even get himself burned.

"Xiaobei, you can't!"

Even treasure Daoist shook his head, telling Chen Xiaobei not to take the risk.

But Chen Xiaobei was worried about Luo puti and the child. He could not care less about the danger and said, "Good! Contact your clan leader immediately! I've already defeated all of you, so I've completed his test! He wouldn't go back on his word, right?"

[Red Envelope Group of the Three Realms](#)

Chapter 3917: Saint Qi

"Yes ..."

The white-robed man nodded and immediately took out his storage space and took out a special small light ball.

This small ball of light was similar to a communication jade talisman, and it could contact his companions in the corresponding network.

"Swish!"

While the white-robed man was trying to contact the clan leader, Chen Xiaobei took away his storage space.

Chen Xiaobei then took out a lot of special items from the inventory.

First of all, it was a kind of crystal that was similar to spiritual stones. It was filled with mysterious energy. It was not spiritual Qi or life force, but a new kind of energy that was more full, more powerful, and had more intense fluctuations!

“What is this?” Chen Xiaobei asked.

After the white-robed man sent the message to the chief, he immediately said, “These are Saint origin stones! The energy inside is called Saint Qi!”

Saint Origin Energy!? Chen Xiaobei was very confused.

Treasure Daoist was also at a loss. He had never heard of such an energy body.

“Uh ... I’ll explain it to you ...”

The white-robed man explained in embarrassment, “Both of you are from the heaven realm of the heavenly Dao world. The realm outside the heavenly Dao world is known as the heavenly Saint realm! This kind of Saint Origin Energy is the main form of energy for the heavenly Saint realm!”

“In essence, Saint Qi and spiritual Qi are not that different! However, Saint Origin Energy is more easily absorbed by cultivators, and it also has the property of increasing the speed of cultivation, so it’s more popular than spiritual Qi!”

It was obvious that the spiritual Qi and Saint Origin Energy were like the steam and gasoline on earth!

The earliest cars were driven by steam. Although they could be driven, the efficiency of steam was obviously not as good as gasoline!

To put it bluntly, spiritual Qi and Saint Qi were both forms of energy. However, Saint Qi was of a higher grade and was more useful!

At this moment, the white-robed man’s storage space had a total of one hundred Saint origin crystals!

“According to what you’re saying, does that mean I can also use Saint Qi to cultivate?” Chen Xiaobei asked.

“I can’t do that now ...”

“You’ll have to wait until you reach the Saint realm, complete the three flowers and five Qis, and sanctify your primordial spirit before you can use the Saint Vital energy ...” The white-robed man said.

Obviously, becoming a saint was the first threshold for the heavenly Saint realm.

Only when one reached the Saint realm could they use Saint Origin Energy and step over the threshold to enter the heavenly Saint realm.

three flowers and five Qi!?

Chen Xiaobei calmed himself down and started to feel the changes in his body.

After refining the nine-colored Qilin’s body, Chen Xiaobei’s cultivation had reached the level of a three-star quasi-Sage.

The three flowers and five Qis had already formed in his body.

However, Chen Xiaobei was too busy with his work to pay attention to the changes in the three flowers and five Qi.

Whoosh ... Whoosh ... Whoosh ...

As Chen Xiaobei willed it, his essence, Qi, and spirit all surged out of his body and transformed into three lotus flowers!

The first was the human flower, which emphasized on refining essence into Qi! The second was the earth flower, which focused on refining Qi to spirit! The third was heavenly flower, which emphasized on cultivating the virtual entity!

These were the three flowers above the head that only quasi-sages had!

The three flowers returned to the void and gave birth to a mysterious power, which then produced the primordial chaos holy light! The stronger one's essence, Qi and spirit, the stronger the primordial chaos holy light and the power of a quasi-Sage!

Whoosh ... Whoosh ... Whoosh ...

Then, a colorless cyclone appeared in Chen Xiaobei's body.

The liver hides the soul, emptiness is happiness, the soul is fixed, the wood Qi of the eastern Greenwood.

The spleen contains the will, empty of desire, the will is fixed, the earth Qi of the Yellow Emperor in the center.

The spirit is hidden in the heart, and when empty in sorrow, the spirit is calm, the fire of the red Emperor of the South.

The lungs contain the soul, and when empty in anger, the soul is calm. This is the Golden qi of the White Emperor of the West.

The kidney stores essence, emptiness in joy, essence calms, the water Qi of the northern mo Emperor.

Heart, liver, spleen, lung, kidney, joy, anger, sorrow, joy, desire, soul, spirit, essence, East, West, South, North, Center, metal, wood, water, fire, earth!

The five organs, five emotions, five spirits, five elements, and five directions!

The five of them corresponded to each other and each of them had their own owner!

As the saying goes, Saints are heartless!

The meaning of this sentence was that the pursuit of a Sage-to-be's cultivation was to turn all his emotions into the five Qis in his chest! From there, he could achieve divine calm! Soul stop! Intent! Calm! Focused! Going one step further, he would reach the divine state of being emotionless and unmoving!

The completion of the five Qi in the chest would break through the peak of the pre-Saint realm and become a half-step true sage!

If he had the chance to kill the three corpses or prove his Dao with force, he could break through the bottleneck and step into the true sage realm!

By the way, the so-called three corpses represented the three kinds of evil desires of a human.

Greed! Buzzzzzz! Silly!

These three evil desires, in the end, were all selfish desires! Once a person had selfish desires, there would always be heaven-defying actions, and sooner or later, there would be tribulation!

Once the three corpses were beheaded, their actions would not be controlled by their own emotions and desires, but only by fate! Obey the heavenly Dao! If one could attain the great Dao of the primordial chaos Sage, they would be indestructible and eternal!

This was what the heavenly Dao claimed to the outside world as beheading the three corpses to verify the Dao!

Those who didn't understand the true meaning naturally felt that it was very reasonable.

However, Chen Xiaobei knew that once the three corpses were cut off, one's personal desires would be eliminated, and one would be easily controlled by the heavenly Dao!

Therefore, most of the new sages recognized by the heavenly Dao would sever the three corpses to verify their Dao!

In addition, the heavenly Dao would also recognize those who had proven their Dao with merit!

However, even if you have infinite merits, you still have to put aside all your selfish desires and accept the absolute control of the heavenly Dao. Otherwise, you will still be unable to become a saint!

Eastern Emperor Taiyi had the merit of ruling the world, ancestral wizard thick earth had the merit of completing the six paths of reincarnation, but they couldn't become Saints and died instead!

To put it bluntly, beheading the three corpses to verify the Dao and to verify the Dao with merits both required the absolute control of the heavenly Dao.

Only by handing over freedom and life and death to the heavenly Dao could one become a saint!

That was why Chen Xiaobei had to choose another path if he wanted to overthrow the heavenly axiom.

Using strength to prove his Dao!

Of course, even if he wanted to prove his Dao with strength, the three flowers and five Qis were also very important.

The three flowers above his head and the five Qi in his chest had to be completed to reach half-step true divine!

Only by doing this could he prove his way and become a saint with the help of the twelve ancestors of sorcery's corpses and the eastern Emperor Bell.

“What are these?”

Chen Xiaobei then took out a few dozen silver balls from the white-robed man’s inventory.

“These are Holy beast balls ...”

The white-robed man explained, “in every Holy Beast Ball, there is a Holy beast that is 100% loyal to its master!” The so-called holy beasts are those giant beasts of various shapes and sizes that you just killed!”

Chen Xiaobei was taken aback and asked, “ you’re talking about those exotic beasts that burst out of the sculptures just now? ”

“Right!”

The white-robed man nodded and said, “we were the ones who placed those strange beasts here!” In order to wait for the appearance of the red karmic fire Lotus, they have been sleeping for trillions of years. Their bodies have weathered and condensed into silver-armored rocks, so they look like sculptures ...”

[Red Envelope Group of the Three Realms](#)

Chapter 3918: Clan leader

“Thirty-three!”

There were 33 Holy beast orbs in total.

This meant that there were a total of thirty-three Saint beasts like the one just now!

Even though these Saint beasts were only one star Saint-tier and would not even be able to take one hit from Chen Xiaobei, if he were to use these Saint beasts against enemies below Saint-tier, he would be able to dominate the entire battlefield!

“Cut off the spiritual connection!”

Chen Xiaobei ordered.

“Yes ...”

The white-robed man did not dare to refuse. He immediately followed Chen Xiaobei’s order and dispelled his spiritual connection with all the Holy beast balls.

As a result, these Holy beast balls became ownerless.

Whoosh ... Whoosh ... Whoosh ...

After that, Chen Xiaobei established a spiritual connection and took control of the Holy beast balls. This way, the Holy beasts sealed in the balls would be 100% loyal to Chen Xiaobei.

Chen Xiaobei then continued to check the white-robed man’s inventory.

The rest of the things were just some Random Resources, such as high-grade metals, medicinal herbs, gemstones, and so on. They were all raw materials that Chen Xiaobei had no use for at the moment. He could only use them for recycling.

However, these things were all high-level quasi-Saints. After refining them, they could be transformed into a huge amount of heaven and earth spiritual aura. It could be considered a good profit.

why don't you have any treasures or pills in your storage space? "

what's wrong? " Chen Xiaobei asked after he had kept everything.

"It's because we Saint Duke aren't good at alchemy. Furthermore, our race's special ability is to seal other people's magical equipment and special abilities! When we seal others, our own Dharma Treasures will also lose their effectiveness. Therefore, we might as well not use Dharma Treasures!"

The white-robed man explained,"as for pills, they can only heal injuries or increase one's strength!" The Saint beasts we cultivate all have their own special abilities, so we don't need to bring any pills!"

Chen Xiaobei suddenly remembered that Luo puti was able to use a type of primordial spirit superpower that could ignore the enemy's primordial spirit superpower.

Of course, Luo puti had not yet awakened the ability to seal other people's Dharma Treasures! If this ability was awakened, it would be too heaven-defying!

However, even though this kind of Dharma Treasure was heaven-defying, if it sealed the enemy's Dharma Treasure, it would also render one's own Dharma Treasure ineffective!

For the Saint Duke race, who were not good at refining, it was only natural that they would not bring any magical treasures!

The magic weapons and materials he obtained could be exchanged for Saint origin crystals with other races, which could quickly improve his strength.

However, it was a little strange that the Saint Duke clan did not bring any pills.

you're saying that the sacred beast's special ability can replace the effects of pills? " Chen Xiaobei furrowed his brows in curiosity.

"Yes ..."

The white-robed man quickly nodded and said,"there were three holy beasts in the Holy Beast Ball that you put away just now that have recovery effects!" One can heal physical injuries, one can heal primordial spirit injuries, and the last one can recover mentality!"

Chen Xiaobei understood immediately.

Since these Saint beasts had the ability to recover, he could save the pills and materials for alchemy and Exchange them for Saint origin stones elsewhere.

The white-robed man continued,"in addition, there are three other Sacred Beasts that have the special ability of blessing!" One for destructive power, one for defensive power, and one for speed ... The extent of the increase is about 30% of your cultivation!"

The white-robed man's expression changed significantly.

There was no doubt that if he had released these three blessing-type Sacred Beasts in the battle just now, he would have been able to resist the counterattack of the demonic mark.

Unfortunately, the white-robed man did not care about Chen Xiaobei at all. He did not even plan to use his sacred beast. A moment of carelessness had led to a complete defeat, and he was simply filled with regret!

"The Saint Duke clan is really powerful!"

not only are their primordial spirit powers powerful, they even have the means to raise so many different Sacred Beasts! Chen Xiaobei exclaimed. No wonder you're able to occupy a place in the heavenly Saint realm!"

Ding!

At this moment, the white-robed man's communication light ball suddenly rang.

"The clan leader has replied!"

The white-robed man held the communication orb with both hands and presented it to Chen Xiaobei respectfully.

"Mm ..."

Chen Xiaobei hesitated for a moment, then took the orb and communicated with it using his spiritual power. He immediately understood how to use the orb.

In fact, this ball of light was similar to a communication jade talisman.

The only difference was that this kind of light ball was of a higher level. Moreover, it was a mass of energy, which saved the material of the Jade talisman.

In the words of the people on earth, the Saint Duke family was very low-carbon and environmentally friendly.

[Saint Duke's clan leader: give the orb to Chen Xiaobei!] I'll talk to him personally!

Chen Xiaobei-I am Chen Xiaobei! If you have anything to say, you can just say it!

Saint Duke's clan leader asked,"did you really defeat Luo Yuan?" (Suspicion)

Chen Xiaobei: " heh, I don't know who Luo Yuan is. But I've seen nine white-robed men. Eight of them were killed and one of them was crippled. You should know how strong I am!

Saint Duke's clan leader snorted. Don't be too proud! Luo Yuan is just the worst hedonist in our group! His eight disciples were also good-for-nothing! Do you think that you can act cool in front of me just because you defeated them?

Chen Xiaobei-I'm not trying to act cool! He was only judging the matter as it was! They said that as long as they could defeat a white-robed man, they would be able to pass your test! What I want to say is that my strength is enough to pass the test!

Saint Duke's clan leader thought, "that was just the most basic entrance test!" There are countless people in the Saint Duke clan who are more outstanding than you!

Chen Xiaobei: " what does it have to do with me whether other people are good or not? "

[it has nothing to do with you, but it has something to do with Luo puti!]

Chen Xiaobei thought, "Bodhi?"

[Saint Duke clan leader: Luo puti has inherited the legacy of the first Saint Duke Queen. After a review by the elder Council, she has become the current Saint lady of our clan!]

[Saint Duke clan leader: countless young talents in the clan want to be Luo puti's Holy partner!] There were even countless prodigies from other races who wanted to marry Luo puti and become her Holy partner!

Saint Duke's clan leader, [any one of them is much better than you!] So, my test for you is just a small test! You want me and the elder Council to acknowledge you? It's still early!

Chen Xiaobei: You want to marry my wife to someone else and make her a Holy couple? In exchange for greater benefits? (Furious)

[Saint Duke clan leader: Luo puti is the Saint of our clan. She has to take on the responsibility of strengthening our clan and rebuilding our Empire!] Her Dao-companion had to be a Supreme, most powerful chosen! I can't be an ant like you! (Hostility)

[Red Envelope Group of the Three Realms](#)

Chapter 3919: pursuit

An ant?

Chen Xiaobei exploded with rage.

His black eyes, which were like the stars in the night sky, were filled with frenzied anger. It was as if he could plunge the entire space into a sea of fire and destroy it with a single look!

For a moment, an extremely terrifying pressure was released. The primordial spirit of the white-robed man was so frightened that his pupils shrank and his eyes trembled. His entire body was completely stiff as if he had lost his soul.

"Xiaobei, are you alright?"

Even treasure Daoist's state of mind was greatly affected by Chen Xiaobei's aura. He was shocked and even a little afraid.

"They view me as an ant!"

Chen Xiaobei said, " That is to say, their so-called test is just for show. From the bottom of their hearts, they have no intention of acknowledging me! And you definitely won't return the Bodhi to me!"

It was obvious that Chen Xiaobei did not care about what others thought of him. However, he could not allow himself to be unable to reunite with Luo puti.

Furthermore, Luo puti had a newborn child with her.

He knew that Luo puti would not change her mind. She would even swear to protect her relationship with Chen Xiaobei.

The Saint Duke could not lose the Saint lady who had inherited the first Empress's legacy.

That was why the higher-ups of the Saint Duke clan wanted to test Chen Xiaobei! He wanted to comfort Luo puti!

If Chen Xiaobei were to die in the test, Luo puti would have nothing to say but to stay in the clan! After a long time, they could only let the higher-ups arrange it! In the end, they would become the sacrifice of the marriage!

As for Chen Xiaobei's child, he would not have a good life either!

After all, this was a stain on the saint's reputation, and she might even be removed by the higher-ups of Saint Duke!

Chen Xiaobei suppressed his anger.

"Where's my child?"

Chen Xiaobei glared at the primordial spirit of the white-robed man.

your daughter is fine ... Please ... Please don't get too excited ...

The white-robed man almost peed his pants from Chen Xiaobei's intimidating aura. His voice and body were trembling, and he could not calm down.

daughter?!

Chen Xiaobei's angry eyes were about to spit fire, but a gentle look finally appeared on his face, and his anger was instantly soothed.

Chen Xiaobei's heart was filled with warmth at the thought of having a cute daughter.

"Yes ... Your child is a girl ..."

The white-robed man paused and added, "This child is the most talented genius in the entire Saint Duke clan, and even in the entire Northern sanctuary! Right now, the clan leader and the elder's house are treating her like a Pearl in their palms. She's doing well, so you can rest assured!"

she ... She ... Chen Xiaobei's entire aura changed. He was so excited that he was trembling.

His eyes were filled with endless surprise, anticipation, and endless love.

He even stammered for a long time, but could not say a word.

His daughter!

To Chen Xiaobei, these two words carried more weight than anything else!

Even if he wanted to defy the heavens, Chen Xiaobei would not even bat an eye!

However, at this moment, he was actually a little nervous!

How should he be a good father?

For Chen Xiaobei, this was probably the biggest problem of the century!

“She ... What’s her name?”

After hesitating for a long time, Chen Xiaobei finally managed to squeeze out the first sentence.

“I haven’t given it a name yet ...”

The white-robed man said awkwardly, “the saintess has said that she’ll wait for you to name the child!”
Now, the members of the clan call her the little saintess!”

little ... Little Holy Virgin ... Chen Xiaobei was worried that the Saint Duke would wipe out the child.

Now, it seemed that his worry was unnecessary.

Even though the Saint Duke family looked down on Chen Xiaobei and did not acknowledge him, blood ties were irreplaceable! At least, the Saint Duke family had been very good to Chen Xiaobei’s daughter!

“Xiaobei ... Give the child a name!” Treasure Daoist was also smiling. He was happy for Chen Xiaobei.

hmm...!... I don’t know what name I should give it ... Chen Xiaobei smiled wryly.

“Uh ...”

However, at this moment, the white-robed man said awkwardly, “ you’d better not change his name ...
The clan leader will not let this child have the surname Chen ...

what did you just say?! Chen Xiaobei’s eyes glowed with a cold light.

“I ...”

The white-robed man gasped and said awkwardly, “ I don’t mean to offend you, but based on my understanding of the clan leader, I’m afraid he will adopt the child under his name and let the child’s surname be Luo!

f * ck off!!!

f * ck! Chen Xiaobei cursed.

Chen Xiaobei picked up the summoning orb again and issued a challenge.

Chen Xiaobei: Although you all think that I’m just an ant, it won’t be long before I’ll be standing in front of you! I’ll let you know who the real ant is!

Saint Duke’s clan leader snorted. What a big tone! Who was the ant? How could you say such stupid words? Do you know how big of a gap there is between you and the Saint Duke? (Contempt)

Chen Xiaobei, I don’t want to waste my breath on you! I just want to remind you! Don’t challenge my bottom line, or I will make you regret it!

Saint Duke's clan leader laughed, "ha, hahaha ... Interesting!" How dare a pitiable little ant threaten me! It was really too funny! (Ridicule)

[Saint Duke clan leader: if you had given up on Luo puti, I could have let you Live!] But now, you actually dare to threaten me! You will no longer be able to live on your original path!

Chen Xiaobei: You want to kill me?

[Saint Duke clan leader: you're dead!]

whoosh ... Whoosh ... Whoosh ...

The next moment, spatial fluctuations appeared in the silver Sky again.

This time, three more high-level space gates appeared.

Without a doubt, Saint Duke's clan leader was determined to kill Chen Xiaobei. This time, the three pursuers he had sent would be stronger than the white-robed man! He would not let Chen Xiaobei Live!

More importantly, the demonic imprint had lost its effect, and he would need to wait for a day and a night before he could use it again!

Chen Xiaobei had almost no chance of winning.

Only death was left!

"Xiaobei! Let's quickly retreat!"

Treasure Daoist immediately became nervous. He had no way to break out of the current situation. The only way to save his life was to retreat!

"No!"

Chen Xiaobei said, " although I can't use my magical equipment and special abilities, I still have my trump card to fight them!

how ... How is this possible?! The treasure Daoist and the white-robed man both had incredulous expressions on their faces. He couldn't understand!

[Red Envelope Group of the Three Realms](#)

Chapter 3920: Top three

Chen Xiaobei did not plan to retreat.

If he ran away like this, Saint Duke's clan leader and higher-ups would look down on Chen Xiaobei even more.

He could only fight! He could only ruthlessly slap their faces! Only then would they realize that Chen Xiaobei was not an ant in their eyes!

"But ... Xiaobei ..." She said.

Treasure Daoist understood why Chen Xiaobei did not retreat. However, the problem was that the three Saint Duke's people who were coming were definitely stronger than the white-robed men!

He could not imagine how Chen Xiaobei would be able to defeat his opponent without the use of his treasures.

Was he going to use the scapegoat tactic?

This move was obviously not going to work!

That was because there were 108 Arhats and a million Vajra Mallas sealed in the beixuan Saint-sealing painting! As for the heavenly Dao Divine Lotus seal, after Xia Yilian took one away, there were only two left to maintain the seal!

If Chen Xiaobei could remove one of the heavenly Dao Divine Lotus's imprints, the seal might be broken. By then, all the prisoners would be able to escape from the sealed space, and that would cause more trouble.

Therefore, the scapegoat tactic was obviously not going to work.

This was also the reason why treasure Daoist was worried. Where would Chen Xiaobei find a trump card to fight the enemy?

"Childe Chen, I think ... You should just run ..."

Luo Yuan, the man in the White robe, swallowed his saliva and said, "The clan leader is determined to kill you! The three people sent this time were probably the elite forces of the clan! He's much stronger than me!"

Obviously, Luo Yuan did not think that Chen Xiaobei had any chance of winning.

That was why Luo Yuan tried to persuade Chen Xiaobei to escape. After all, if anything happened to Chen Xiaobei, it would not end well for Luo Yuan as a hostage. That was why he hoped that Chen Xiaobei could escape.

After Chen Xiaobei had escaped, he might have spared his life because of his warning.

Although Luo Yuan was smart, Chen Xiaobei was not moved at all.

"Xiaobei ..."

Seeing that Chen Xiaobei had no intention of retreating, treasure Daoist frowned, looking very worried.

But at the end of the day, he still trusted Chen Xiaobei.

Since Chen Xiaobei had decided to stay and fight, he would support Chen Xiaobei no matter what.

Unconditional trust! I support you unconditionally!

"Young master Chen ... If you don't run now, it'll be too late ..."

However, Luo Yuan was not like the treasure Daoist. He did not believe that Chen Xiaobei could defeat the three Saint Duke elites.

However, before Luo Yuan could finish his sentence, Chen Xiaobei glared at him coldly.

The terrifying pressure made Luo Yuan take a deep breath and shut his mouth tightly. He did not dare to say another word.

He was originally a friend, so how could he have the right to speak?

“Woof! Buzzzzzz! Yi ...”

Soon, the three high-level space gates opened, and three more white-robed men passed through the silver space.

Different from Luo Yuan and the others, the three white-robed men all had silver runes on their white robes. They were intertwined and drew a gorgeous pattern like a king’s robe.

Just from the special white robes, it was obvious that the three Saint Duke elites were far above Luo Yuan.

The difference in status was often directly proportional to the strength of one’s strength.

Luo Yuan was a one-star Saint, which meant that the three Saint Duke elites who were chasing Chen Xiaobei were at least one major realm higher than Luo Yuan! At least!

“Luo Zhen! Luo Wen! Luo ... Luo ... Luo Ming!”

The moment he saw the three of them, Luo Yuan couldn’t help but exclaim in shock. His face was full of shock as he exclaimed, “I never expected that the clan leader would actually send these three monsters over!”

“Are they very strong?”

Chen Xiaobei’s eyes swept across the three white-robed men.

“Strong! Very strong!”

Luo Yuan swallowed and said, “The three of them are the strongest among the Saint Duke’s younger generation! Luo Zhen! Two-star true sage! He had 300 Saint beasts under him! Luo Wen, a peak two-star true sage! Control 400 Saint beasts!”

“The one in the middle is the strongest, Luo Ming! Three-star true sage! He controlled 600 Saint beasts! There was even a mutated Saint Beast among them, a six-winged angel with Golden Saint patterns! It has an extremely powerful blessing ability! It can make Luo Ming invincible among his peers!”

Luo Yuan trembled as he spoke, especially when he talked about Luo Ming. He was like a mouse talking about a Tiger. He could not help but tremble, be nervous, and be extremely afraid!

Xiaobei ... You ... Can you really defeat them? ”

After hearing Luo Yuan’s introduction, treasure Daoist’s expression changed and he became more and more worried.

Even though treasure Daoist had absolute trust in Chen Xiaobei, the difference in strength on paper was already very, very big!

After all, trust did not mean blind obedience!

In the face of danger and life and death, it was inevitable that treasure Daoist would be worried for Chen Xiaobei!

“Defeat us? Ha, what a joke!”

Before Chen Xiaobei could answer, Luo Wen, who was standing on the left, sneered. His silver eyes were filled with contempt.

“Luo Yuan, you’re useless! You’ve really lost all our face!”

Luo Zhen, who was standing on the right, not only looked down on Chen Xiaobei, but also Luo Yuan, who was of the same clan.

Obviously, Luo Wen and Luo Zhen were much stronger than Luo Yuan. In their eyes, Luo Yuan was useless!

Therefore, Chen Xiaobei had only defeated a piece of trash. He was not even worthy to be compared to them, let alone defeat them.

Of course, although Luo Wen and Luo Zhen were arrogant, Chen Xiaobei did not care about them. His attention was on Luo Ming, who was standing in the middle!

This Luo Ming was very arrogant. He kept his chin up and did not even look at Chen Xiaobei. He did not even bother to say a word to Chen Xiaobei!

It was obvious that Luo Ming was the strongest among them. He was also the strongest among the younger generation of the Saint Duke clan. Of course, he had the right to be proud! It was only natural that he would not even care about Chen Xiaobei!

To Luo Ming, this operation was just a formality! Chen Xiaobei was not worthy of him!

If the clan leader had not called him, he would not even have bothered to come!

“I’ll take action! Don’t let young master Yi wait too long!”

Luo Wen was the weakest among the three of them. When he saw Luo Ming’s impatient face, he immediately volunteered to take care of Chen Xiaobei.

“You talk too much ...”

Suddenly, Chen Xiaobei said, “You three, come at me together!”

what???

As soon as he said that, the crowd exploded!
