Chapter 4771

4771 Young man!

On the other hand, Chen Xiaobei was hesitating about whether he should leave.

After all, to Chen Xiaobei, the joust for a spouse was not very meaningful. Participating in it would not bring him any benefits. Instead, it could bring him danger and variables.

However, Chen Xiaobei was not willing to leave just like that.

After all, a grand event like this would definitely be a gathering of powerhouses.

Most importantly, Chen Xiaobei was very interested in the final result.

After all, the yuan Sage clan's ultimate goal in organizing this joust for a spouse Festival was to recruit the strongest young genius in the world and turn the power behind the final winner into their ally!

After the yuan Sage clan formed an alliance with the other forces, their target would be the sky-burying Yuan Sage clan.

The result was very important to Chen Xiaobei.

After all, based on the current situation, Chen Xiaobei was not 100% sure that he could defeat the Supreme holy ancestor. If he could get some help from outside, things would go much smoother.

Therefore, whether the yuan Sage Tribe could successfully form an alliance, and which force they would form an alliance with, was something that Chen Xiaobei was very concerned about!

Of course, there was a more important reason!

That was, the Supreme holy ancestor of the Saint burial sect might ruin tomorrow's joust for a spouse Festival!

After all, anyone with a discerning eye could tell that the ultimate goal of this joust for a spouse Festival was to deal with the Supreme sacred ancestor and the entire sky burial Yuan sacred clan!

There was no reason for the Saint burial's Supreme sacred ancestor to let such a blatant plot succeed!

Therefore, whether it was in the open or in the dark, the Saint burial's Supreme sacred ancestor might try to sabotage them.

It was for this reason that Chen Xiaobei decided to stay!

"Yes, it's said that there might be changes in tomorrow's joust for a spouse event, or even danger. However, I must stay and see the final result!"

Chen Xiaobei's eyes were filled with determination.

Even though it was risky to stay, the outcome of this matter would have a huge impact on Chen Xiaobei. It might even affect the entire situation in the ancestral Saint territory.

So, Chen Xiaobei had to stay.

Chen Xiaobei took out the human-skinned mask and put it on.

At the same time, Chen Xiaobei also used the secret skill of fake mirror to make his cultivation appear as if he was a Seven Star divine ancestor.

After all, Chen Xiaobei was a famous person now. He did not want to be recognized by others, which would only bring him endless trouble.

After the disguise was done, Chen Xiaobei started to wander around the city.

The main reason why he was strolling around was to gather some information.

After all, the people who would be participating in the joust for a spouse Festival tomorrow would surely be the most powerful young geniuses in the world. On the other hand, these geniuses would surely have a super powerful force behind them!

Chen Xiaobei knew of one of the top forces, and that was the Supreme Saint tribe!

Furthermore, the person who was participating in the competition was the son of the Supreme holy ancestor!

With such an identity, status, and strength, there was no need to say more. He was definitely the ceiling of the younger generation!

From this, it could be seen how terrifying this person's opponent must be!

That was why Chen Xiaobei was walking around the streets, hoping to find out more about the other participating forces and participants.

At the moment, the matter of the joust for a spouse had already spread far and wide.

On the streets, people could be heard discussing almost everywhere.

Chen Xiaobei summarized all the information he had heard.

There were a total of nine people participating in this competition!

The first to bear the brunt was the son of the Supreme Holy paramount divine ancestor, Ji Haoyuan!

Then, it was the first direct disciple of the profound Sage's Supreme divine ancestor, xuantaizong! His second direct disciple, Xuan Zhouyu!

Then, it was the first direct disciple of the Supreme holy ancestor, mie shikong! The second direct disciple, Vanquisher Emperor Qilin!

Then, there was the son of the Supreme holy ancestor, Wu Yuji!

Then, it was the life saint's first direct disciple, life separation Xun!

Then, it was the first direct disciple of the first Sage Supreme holy ancestor, Shi hengtian!

And finally, there was the most mysterious participant, do Jin!

More importantly, do Jin had nothing to do with the Supreme divine ancestor. He did not even come from any of the Supreme divine ancestor's clans!

There was already a lot of information on the market regarding the previous eight participants.

These eight people were the top geniuses of the world and had already touched the ceiling of the younger generation. They were very, very powerful existences, and their average strength had reached the realm of Nine Star divine ancestor!

However, there was very little accurate information about the last participant, do Jin, in the market. &Nbsp;

There were only some rumors that were not very credible.

The only thing they could be sure of was that do Jin had not participated in any of the competitions. He had entered the finals tomorrow after receiving the personal approval of the yuan Sage and the Supreme divine ancestor!

That was why do Jin's strength, sect, and origin were all like mysteries, and no one could give an accurate answer!

And this person, of course, had piqued Chen Xiaobei's curiosity.

Chen Xiaobei had decided to stay and watch the finals tomorrow.

However, after knowing about do Jin, Chen Xiaobei was even more determined to stay.

"Senior, may I have a word with you?"

Just as Chen Xiaobei was walking around, someone called out to him.

Chen Xiaobei turned around.

It was a young man who looked even younger than Chen Xiaobei.

She looked to be around sixteen or seventeen years old.

His appearance was ordinary, his figure was a little thin, and his temperament was also extremely ordinary. He was the type that would be impossible to find in a sea of people.

"Are you talking to me?"

Chen Xiaobei was a little confused, so he took the opportunity to check on the young man's cultivation.

He did not expect that this ordinary young man had already reached the level of a five-star divine ancestor, the same level as Chen Xiaobei!

Of course, this was not strange.

After all, this was the core territory of the yuan Sage Tribe. It was easy for the children of some important figures to reach this level here.

"Yes, I am!"

" yes! " the young man nodded and said, " to be honest, I have an innate X-ray eye. I can see your face under the mask! "

"What?"

Chen Xiaobei was shocked.

"Senior, don't worry. I have no ill intentions!" The young man said with a harmless expression.

"So, you recognize me?" Chen Xiaobei's expression turned serious.

"Yes, I am!"

The young man nodded and said,"I know you!" In fact, many people know you! You're the famous senior Chen Xiaobei!"

"This ..."

Chen Xiaobei was stunned for a moment, and then he asked warily, " "Who are you? If you don't have any ill intentions, then what do you want to talk to me about?"

Chapter 4772

4772 shock!

"I'm do Jin, you might not know me yet."

The young man smiled indifferently and said very calmly, " " and I came to find you in the hope of forming an alliance with you! "

" do Jin!? "

Chen Xiaobei's eyes were filled with disbelief.

He was originally filled with great curiosity towards do Jin, and he did not expect that this person would actually take the initiative to come to him.

"You said you want to form an alliance with me? We don't even know each other, so why should we form an alliance?" Chen Xiaobei asked.

" it's because tomorrow's martial arts competition is very special, " do Jin said very directly. " I feel that we need to work together to walk to the end and win! "

"The competition tomorrow?"

Chen Xiaobei frowned and asked, " "I'm not planning to participate in the competition tomorrow! How can I join forces with you?"

"No! You will participate!"

There was a smile on do Jin's face, and there was a very certain tone in his calm tone, as if everything was within his expectations.

“Heh, you’re thinking too much!” " I’m not interested! " Chen Xiaobei said, “ I never planned to participate in this competition! In fact, I’ve already rejected someone’s invitation!”

Obviously, if Chen Xiaobei wanted to join the competition, he would have agreed to Yuan mengqing’s request. There would not have been a conflict that almost led to a big fight.

So, Chen Xiaobei rejected do Jin’s offer without hesitation.

“Young master Chen, don’t rush to a conclusion!”

Do Jin, however, smiled confidently and said, “ " Childe Chen, the reason why you’re unwilling to participate in the competition is that you feel that this competition can’t bring you any practical benefits. Instead, it will bring various variables and even danger! "

Chen Xiaobei’s expression changed.

Do Jin’s words hit the nail on the head. He had said what Chen Xiaobei was thinking.

Chen Xiaobei was surprised.

After all, this was Chen Xiaobei’s first time meeting do Jin, but from the looks of it, do Jin seemed to know Chen Xiaobei very well.

As the saying goes, know yourself and know your enemy, and you will never be defeated!

Do Jin knew Chen Xiaobei very well, but Chen Xiaobei did not know do Jin at all.

This was extremely terrifying!

" now, what I want to tell you is that if you can win tomorrow’s competition, it will bring you great benefits! "

Do Jin’s confident tone gave others the feeling that he knew a lot of inside information.

“Oh?”

Chen Xiaobei was on high alert, but at the same time, he was curious. " “Then tell me, what kind of benefits can I get?”

Do Jin did not panic, but his words were shocking. “You can defeat the Saint burial’s Supreme Saint ancestor!”

“What?” Chen Xiaobei’s expression changed.

As expected, do Jin knew Chen Xiaobei very well. He even knew that Chen Xiaobei wanted to defeat the Saint burial’s Supreme holy ancestor.

It was no secret that Chen Xiaobei and the sky-burier Yuan sacred clan had a grudge against each other.

However, do Jin had obviously done a lot of research on Chen Xiaobei. Not only did he understand Chen Xiaobei’s purpose, but he could also guess Chen Xiaobei’s mind.

There was no doubt that Chen Xiaobei’s heart was in turmoil.

However, Chen Xiaobei's state of mind was strong enough to withstand such a small storm.

Chen Xiaobei calmed himself down and asked, "Why would I be able to defeat the Saint burial's Supreme Saint ancestor after tomorrow's victory?"

In fact, Chen Xiaobei had already set up a trap. He was waiting for the Supreme divine ancestor of the Saint-burying sect to cultivate the fake one-word Saint-Killing Curse, and then he would be able to determine the winner.

However, Chen Xiaobei really wanted to know what do Jin was up to.

At the same time, he also wanted to take this opportunity to find out do Jin's background.

After all, Chen Xiaobei was never a passive person. An eye for an eye was the most basic thing he did.

"That's because the yuan Sage Supreme divine ancestor will bestow his supreme dharma Treasure to the final winner of the martial arts competition!" Do Jin said indifferently.

"This ..." Chen Xiaobei frowned and questioned, "This is unreasonable! The Supreme treasure is extremely important to a Yuan Sage Supreme divine ancestor. It can even be said to be the left and right arms of the yuan Sage Supreme divine ancestor. How can it be given away so easily?"

"Young master Chen might not know yet!"

"The real protagonist of this groom search competition is not the daughter of a Yuan Sage core great elder, but the daughter of a Yuan Sage Supreme divine ancestor!" Do Jin smiled.

"What!" Chen Xiaobei's face was filled with shock.

"The winner of the martial arts competition will become the son-in-law of the yuan Sage Supreme divine ancestor and will naturally be qualified to take over the Supreme treasure of the yuan Sage Race!"

Do Jin said, "of course, there's something more important!" The competition would be held in a huge relic! The opportunities in the ruins were extremely profound! Whoever obtains this opportunity can become the successor of the yuan Sage Supreme divine ancestor or even the next Yuan Sage Supreme divine ancestor!"

Chen Xiaobei's face was filled with shock and disbelief.

There was no doubt that everything that came out of do Jin's mouth contained a huge amount of information. The key was that there were a lot of contradictions in it, and there were a lot of things that did not make sense. Chen Xiaobei even suspected that do Jin was just making things up.

"I know that you may not believe me when I say this now, but it doesn't matter. As long as you go to the scene tomorrow, you will know why all this is happening."

Do Jin's face was filled with confidence, and he had a harmless expression. He did not look like he was lying.

Besides, they could verify the truth tomorrow morning, and do Jin would not be so stupid as to make up a lie and be exposed the next day.

As for the contradictions and unreasonable points in this, perhaps he would get the corresponding answer tomorrow.

However, putting aside all his doubts, there was still one thing in Wang Chen's heart that he had to figure out now. He could not wait until tomorrow.

"Even if what you said is true, a Supreme treasure alone is not enough to defeat the Saint burial's Supreme sacred ancestor!" Chen Xiaobei raised his doubts.

Indeed, the power of a Supreme treasure was only at the level of a Supreme sacred ancestor.

It was impossible for the Saint burial's Supreme sacred ancestor to be defeated in a battle of the same level. movelusb.com

Furthermore, activating the Supreme magical treasure required a large amount of Saint Qi. Chen Xiaobei could not afford to pay for it.

It could be said that he had no chance of winning against the Saint burial's Supreme Saint ancestor!

If that was not the case, Chen Xiaobei would have been able to challenge the Saint burial's Supreme divine ancestor with two Supreme magical treasures.

Obviously, the answer was no!

So, Chen Xiaobei had to ask Do Zhen why he could defeat the Saint-burying's Supreme divine ancestor by getting his hands on the Supreme magical treasure of the Yuan Sage clan.

The answer to this question was of utmost importance.

It would decide whether Chen Xiaobei would participate in the tournament tomorrow.

Chapter 4773

4773 A choice!

"I know of a secret technique that can be used in conjunction with the Supreme magical treasure of the Yuan Sage Race to destroy the spirit of the Saint burial's Supreme divine ancestor and defeat him!"

Do Jin said with extreme confidence.

"What?"

Chen Xiaobei could not believe it. "This is impossible! If there was such a secret technique, the Yuan Sage Supreme divine ancestor would have attacked the Saint burial Supreme divine ancestor a long time ago! Is there still a need for a joust for a spouse to draw in allies?"

"To tell you the truth, I've only successfully researched this secret technique in recent years!" Do Jin said.

"I still can't believe it!"

Chen Xiaobei shook his head and said, "If you really knew this secret technique, would you still need to participate in the joust for a spouse Festival? I'm afraid that the yuan Sage Supreme divine ancestors will cry and beg you to be their son-in-law!"

Clearly, the Saint burial was no longer a thorn in the flesh of the yuan Sage Supreme divine ancestor. He was a mortal enemy that would not rest until he was dead.

If there was really a way to deal with the Saint burial's Supreme divine ancestor, the yuan Sage Supreme divine ancestor would definitely carry it out at all costs.

He would probably agree even if the yuan Sage Supreme divine ancestor were to marry his own mother, let alone his daughter.

It was precisely because of this that there was a huge loophole in do Jin's words.

If he had really dealt with the Saint burial's Supreme divine ancestor, he could have directly shown it to the yuan Sage Supreme divine ancestor and married his daughter.

Why would he still take the risk to participate in the joust for a spouse event tomorrow?

This was a very contradictory question, but Chen Xiaobei caught it right away.

"I don't want to tell this secret to the yuan Sage Supreme divine ancestor!"

" that's because if the yuan Sage Supreme divine ancestor were to kill the Saint burial Supreme divine ancestor, the yuan Sage Supreme divine ancestor would definitely not show any mercy! It would completely annihilate the Saint Soul world where the Supreme Saint ancestor was buried! In this way, the enslaved people of Saint pan will all be annihilated!"

"This ..."

Chen Xiaobei was stunned.

He did not expect that do Jin would do this for the sake of the Saint pan clan!

And in truth, do Jin's words did make sense.

Given the enmity between the yuan Sage Supreme divine ancestor and the Saint burial Supreme divine ancestor, the yuan Sage Supreme divine ancestor would definitely exterminate them once there was a chance of victory. There would be no suspense!

Under such circumstances, the Saint burial's Supreme Saint ancestor would definitely be destroyed without leaving a single trace behind!

Naturally, the sacred soul world where the Supreme sacred ancestor was buried wouldn't be safe either!

This way, the Saint pan clan, which was enslaved in the Supreme sacred ancestor's sacred soul world, would be completely annihilated!

This was indeed an important question!

Chen Xiaobei's efforts would be in vain if he was not careful. He would turn from the Savior of the Saint pan clan to the Saint pan clan's destroyer!

At the same time, do Jin's words also served as a reminder to Chen Xiaobei! movelusb.com

That was, Chen Xiaobei could not use the king Bomb against the Supreme holy ancestor of the Saint burial chamber!

This was because Chen Xiaobei could not control the power that Wang Zha had released.

If he used too much force, he could also turn the Saint burial ancestor into ashes!

Even Chen Xiaobei's previous plan could not be used!

That was because if the Supreme Saint ancestor cultivated a fake one-word Saint destroyer curse, he would explode and die like old crazy. It was possible that his Saint Soul world would also explode!

Back then, old Feng's body had been reborn due to some special factors.

However, the problem was that even if the body of the Saint burying Supreme Saint could be reborn, once the Saint Soul world was destroyed, he could no longer be Reborn!

Even if they could be reborn in the sacred soul world, there was a 100 million percent chance that the people of the Saint pan clan in the sacred soul world could not be Reborn!

Because of that, Chen Xiaobei could not even let the Supreme divine ancestor of the Saint burial practice the fake one-word Saint-Killing Curse!

This is troublesome!

Chen Xiaobei's brows were tightly knitted together, and he looked very anxious.

Chen Xiaobei immediately used the Jade talisman to send a message to the Supreme divine ancestor of the Saint burial.

Tell the Saint burial's Supreme Saint ancestor not to cultivate!

However, the Saint burial's Supreme Saint ancestor didn't reply!

Could it be that the Saint burial's Supreme Saint ancestor had already entered seclusion to cultivate?

Chen Xiaobei tensed up.

His heart was completely clenched.

"Whoosh ..."

At the same time, Chen Xiaobei tried to sense the spirituality of the Saint pan axe.

He found that the Saint pan axe still had an owner.

This meant that the Supreme divine ancestor was still alive, and the situation had not developed to the worst yet.

Of course, the one word Holy extermination curse was very difficult to learn.

Therefore, even someone as powerful as the Saint burial's Supreme sacred ancestor would find it difficult to learn it in a short time.

This meant that Chen Xiaobei still had time to change everything.

From the looks of things, if Chen Xiaobei wanted to change the situation, he would have to work with do Jin!

As long as what do Jin said was true, Chen Xiaobei could use other methods to defeat the Saint burial's Supreme divine ancestor and save the lives of the people of Saint pan!

" you're right. But the question is, why are you thinking for the Saint pan clan? "

Chen Xiaobei calmed himself down and raised his question.

Although do Jin's words made sense, there was no love in the world without reason!

Chen Xiaobei would never believe that she was concerned about the Saint pan clan for no reason!

If he wanted Chen Xiaobei to believe him, do Jin would have to give him a reasonable explanation!

"I have my own plans, and it's not convenient for me to tell you!"

Do Jin did not explain this time. He only said indifferently, "The right to choose is in your hands! It's up to you to decide if you want to work with me!"

" this ... " Chen Xiaobei was stunned.

At that moment, do Jin's face was calm and composed, and his tone was not calm either. However, in that calmness, there was an extremely strong self-confidence, as if everything was under his control!

And that was the truth!

Even though Chen Xiaobei was suspicious, he had no other choice but to work with do Zhen to defeat the Supreme divine ancestor!

If not, with the Wang bomb and the fake one-word Saint-killer curse not being able to be used, Chen Xiaobei would have no chance of winning against the Supreme Saint ancestor!

Most importantly, Chen Xiaobei had to stop the Supreme holy ancestor from cultivating the fake one-word Saint-Killing Curse!

With the Saint burial's Supreme Saint ancestor's fanatical desire for the one word Saint destroyer curse, trying to stop him was countless times more dangerous than snatching food from a Tiger's mouth!

If Chen Xiaobei did not have enough power, he would not have been able to do it!

So, do Jin had given Chen Xiaobei the right to choose.

But Chen Xiaobei had no other choice!

" alright, I promise to work with you to fight for the final victory! "

Chen Xiaobei made his decision.

Chapter 4774

4774 I didn't kneel!

“Good! Then it’s a deal!”

“Of course!” do Jin smiled faintly and said, “with your help, I believe that we can definitely become the final winner!”

“.....” movelusb.com

Chen Xiaobei asked calmly, “Tell me about your plan! What exactly do you want?”

“My plan is to keep winning! To the end of the ruins!”

Do Jin said indifferently, “after we get there, I don’t want anything!” I’ll give you all the rewards!”

“What?”

Chen Xiaobei was shocked.

Do Jin might always have a harmless expression on his face, but his actions were very abnormal and unreasonable.

First of all, as long as do Jin told the yuan Sage Supreme divine ancestor how to deal with the Saint burial tribe, he would be able to become the son-in-law of the yuan Sage Supreme divine ancestor and obtain the Supreme dharma Treasure of the yuan Sage Race as well as the opportunities in the ruins!

However, do Jin did not tell the yuan Sage Supreme divine ancestor about the method. He even said that all the rewards would go to Chen Xiaobei!

Chen Xiaobei could not figure out why this person did not care about fame or fortune. He was deeply suspicious of this person’s actions!

“I know you don’t believe that I’ll give up everything!”

Do Jin smiled as if he had already seen through Chen Xiaobei.

He said calmly, “I can’t give you too many explanations for the time being!” However, you can keep your guard up against me. If you discover that I’m doing anything to harm you, you can directly attack me, or even kill me!”

“This ...” Chen Xiaobei was stunned.

Even though do Jin’s words and actions were extremely suspicious, the sincerity he showed was also very sufficient.

He had even said that if he tried to harm Chen Xiaobei, Chen Xiaobei could kill him at any time!

Do Jin was only a five-star divine ancestor. If Chen Xiaobei wanted to kill him, it would be as easy as killing an ant!

From this perspective, Chen Xiaobei had indeed gained some form of protection.

No matter what he was planning, as long as Chen Xiaobei had the absolute power, there was nothing to worry about.

If worse came to worst, do Jin would be killed, and Chen Xiaobei would still benefit from it.

“Alright, since you don’t want to explain, I won’t ask! I’ll see you at the venue tomorrow morning!”

Chen Xiaobei calmed himself down and did not continue to think about the unreasonable things.

In the face of absolute power, any unreasonable things could be settled. It was not a big problem.

He would just take it one step at a time.

.....

After that, Chen Xiaobei and do Jin went their separate ways.

Chen Xiaobei did not continue to wander around but returned to the chaotic space.

After that, Chen Xiaobei took a look at all the Trump cards and strongest combat power he had.

First of all, he could still use his destruction special ability one more time!

Secondly, the power of the Saint pan axe could also be activated once!

Third, with the king Bomb in hand, he could directly reverse the situation at a critical moment!

The fourth was Chen Xiaobei’s power of the divine path of the soul! This was related to the strength of one’s mental state. It had already reached an extremely terrifying level! The sudden burst of pressure could even shock a Supreme divine ancestor!

Fifth, Chen Xiaobei still had a ten thousand divine pills. At a critical moment, it could Max out one of Chen Xiaobei’s abilities and raise it to the Supreme divine ancestor level!

Finally, there was the heaven and earth Holy Shroud’s special ability! This was a very special ability that could save Chen Xiaobei’s life at a critical moment!

It was obvious that these six trump cards were all trump cards that could turn the tables!

At that moment, Chen Xiaobei made sure that he was ready to use it at any time!

.....

After a Night of Silence, Chen Xiaobei finally relaxed and had a good night’s sleep.

The next morning, Chen Xiaobei went straight to the venue of the joust for a spouse Festival.

Such an unparalleled grand event caused the entire city to be empty.

There were probably hundreds of millions of people surrounding them from all directions, looking forward to the start of the final.

Logically speaking, with so many spectators surrounding the venue, it was impossible for the people at the outermost layer to see the situation inside the venue.

However, there were mysterious light screens in the sky.

It was like a big screen that could broadcast the entire scene of the final match.

It was also because of this that so many people came to watch.

At this moment, the venue of the competition could be seen through the livestream screen.

It was an ordinary house with an octagonal shape. It was empty inside and looked like an arena, but why was the arena set up in a house?

For a moment, everyone was immersed in great doubts.

The answer would only be revealed when the competition officially began.

At the same time-

There was no special room in the middle of the venue.

There was only an extremely luxurious and majestic high platform.

On the high platform, one could see seven huge Thrones shining with holy light. They were filled with a Supreme aura that was above all living beings!

These seven Thrones were probably prepared for the seven Supreme Holy ancestors!

The throne in the middle belonged to the master, which naturally belonged to the yuan Sage and the Supreme divine ancestor.

At that moment, all the core upper echelons of the yuan Sage Tribe had already formed three rows behind the throne and were standing respectfully.

Yuan chanpo and Yuan mengqing were also among them.

“father ... Do you think Chen Xiaobei will dare to come?” Yuan mengqing squinted her eyes and scanned the crowd, as if she was trying to find Chen Xiaobei.

“I’m not sure ...”

“I think Chen Xiaobei will come!” Yuan chanpo said, frowning. However, he would probably hide his identity! They hid in the sea of people and did not dare to reveal their talents! After all, he had a special identity! Once we reveal ourselves, I’m afraid we’ll be targeted by everyone!”

“I knew it!”

Yuan mengqing said disdainfully, “that kid only knows how to Bluff and show off!” Once he encounters true danger, he won’t even dare to show his face!”

Whoosh ... Whoosh ... Whoosh ...

Meanwhile, spatial rifts suddenly appeared in the sky one after another.

Then, the Supreme divine ancestors arrived with their core members.

In an instant, the sky was illuminated by the dazzling holy light and was extremely gorgeous!

The entire space was enveloped by a terrifying pressure!

The universe trembled and time and space twisted. It was as if all living things were sinking, hibernating, and worshipping under this terrifying pressure!

Plop ... Plop ... Plop ... Plop ...

Immediately after, the hundreds of millions of spectators around the venue couldn't help but fall to their knees and prostrate themselves in front of the Supreme divine ancestors!

Even the core upper echelons of the yuan Sage Tribe on the high platform were no exception. They all knelt down and saluted!

Yuan qianpo and Yuan mengqing were even shivering and had difficulty breathing!

"Father ... There seems to be someone over there who hasn't knelt! Did I see it wrong?"

When Yuan mengqing knelt on the ground, she saw a figure in the distance from the corner of her eyes. She was shocked and could not believe her eyes.

Chapter 4775

4775 It was him!

Yuan zhenpo raised her head slightly and followed Yuan mengqing's gaze.

Immediately after, Yuan qianpo's face also revealed an expression of disbelief and shock.

The person standing proudly in the middle of the hundreds of millions of people was Chen Xiaobei!

More importantly, Chen Xiaobei was not wearing a mask. He was using his real face!

" is ... Is that kid crazy?! "

Seeing the scene before them, Yuan qianpo and Yuan mengqing both revealed incredulous expressions.

At the same time, other than shock and disbelief, the two of them were also embarrassed.

Just a moment ago, they were still thinking that Chen Xiaobei would not dare to come! Even if they did come, they would not dare to show off! Chen Xiaobei's identity was too special. Once he showed himself, he would be the target of everyone!

But now, not only was Chen Xiaobei here, he did not even try to hide it. He showed his face to everyone!

What was even more unbelievable was that Chen Xiaobei stood proudly in the same spot as the hundreds of millions of people bowing to him. He had no intention of kneeling!

Chen Xiaobei's calm and collected expression showed that he did not even care about the seven Supreme Holy ancestors!

This was simply too crazy!

In Yuan qianpo and Yuan mengqing's eyes, only a madman would do such a thing!

It simply couldn't be measured with common sense!

" huh?! "

At the same time, almost all of the Supreme divine ancestors had noticed Chen Xiaobei.

After all, hundreds of millions of people were prostrating and bowing, and only one person was standing proudly with his head held high. This was too conspicuous, and it was impossible to not see him!

" who's that kid?! "

The yuan Sage Supreme divine ancestor, who was the host, immediately questioned him with anger in his eyes.

After all, the other six Supreme divine ancestors were watching. The yuan Sage Supreme divine ancestor felt very embarrassed and very unhappy!

“Men!”

The yuan Sage Supreme divine ancestor waved his hand and shouted, “Go and bring that kid over!”

“Yes, sir!”

As a Yuan Sage core elder, Yuan chanpo was the first to stand up and charge at Chen Xiaobei.

“Hold on!”

However, at this moment, the two Supreme Holy ancestors called out in unison to stop him.

" huh?! "

Seeing this scene, everyone revealed a surprised expression.

He couldn't understand why these two Supreme divine ancestors would stop Yuan Cheng po at the same time!

“Hiss ...”

Yuan Cheng po sucked in a breath of cold air. He kept quiet out of fear and shivered. He didn't dare to challenge the authority of the two Supreme divine ancestors!

“You two! What's the meaning of this?”

The yuan Sage Supreme divine ancestor's eyes narrowed and he felt even more embarrassed.

After all, there were trillions of people watching, including the six Supreme Saint ancestors and the core upper echelons of the seven great clans.

Chen Xiaobei's refusal to kneel had already embarrassed the Supreme divine ancestor.

Then, the two Saint ancestors stopped Yuan yuanpo at the same time, which was equivalent to defying the orders of the yuan Sage Supreme divine ancestors!

This made the yuan Sage Supreme divine ancestor extremely unhappy!

“Yuan Sage, please calm down!”

“That's the leader of the beixuan Alliance, the beixuan divine ancestor!” The Supreme divine ancestor said indifferently.

“What?”

A simple sentence from the Supreme holy ancestor caused hundreds of millions of people present to be dumbfounded. Their worldview was shattered, and some even began to doubt their lives!

“What’s the beixuan Alliance? I’ve never heard of it before!”

“It looks like the Holy extermination and holy life Supreme Holy ancestors are both members of the beixuan Alliance!”

“The leader of such a powerful Alliance is only at the five-star divine ancestor realm? I’m not dreaming! am!!”

“This ... This is too mind-blowing! Could it be a conspiracy? I can’t believe this is real!”

“Who would believe that? This doesn’t make any sense!”

.....

All of a sudden, unbelievable exclamations erupted in the scene.

Everyone was stunned by this bombshell, and their hearts were unable to bear the huge impact.

“How ... How is this possible?!”

Yuan qianpo and Yuan mengqing’s eyeballs almost fell out.

They had thought that Chen Xiaobei would not dare to come, at least not openly! Not only did Chen Xiaobei come, but he was also standing proudly among the millions of people!

This result had already smashed Yuan qianpo and Yuan mengqing’s faces!

However, at this moment, there was an even more exaggerated situation! Chen Xiaobei was the leader of the beixuan Alliance!

It seemed that Chen Xiaobei’s status was above the Supreme divine ancestor!

Just a second ago, Yuan qianpo and Yuan mengqing thought that Chen Xiaobei must be crazy for not kneeling!

But now, Yuan qianpo and Yuan mengqing realized that Chen Xiaobei did not need to kneel! Compared to Chen Xiaobei, Yuan qianpo and Yuan mengqing were not even ants. They were just two specks of dust!

This result was no longer just a slap to Yuan qianpo and Yuan mengqing’s faces. It was like stepping on their faces and rubbing them on the ground!

At that moment, Yuan qianpo and Yuan mengqing looked at Chen Xiaobei with fear and respect. They did not dare to offend him.

“Is ... Is this true?”

The yuans Saint Supreme divine ancestors looked at the two Supreme divine ancestors in disbelief.

“Of course it’s true!”

However, the person who was answering the question was the first holy ancestor!

“I can prove that the beixuan Alliance exists!” He said in a deep voice. And I’ve been considering whether I should join! After seeing you today, I’ve finally made up my mind to join the beixuan Alliance!”

After that, the first Holy Supreme divine ancestor looked at Chen Xiaobei solemnly and bowed his head to show his submission!

BOOM!

The scene in front of them was like a second bombshell that directly exploded the hearts of everyone present!

The shock this time was no less than the first wave!

Originally, the two Supreme holy ancestor clans joining the beixuan Alliance was enough to make people doubt their lives.

At this moment, the third Supreme sacred ancestor clan had also publicly requested to join.

This directly shattered everyone’s three views. No matter how long one’s life was, it was not enough to be doubted.

“That ... That kid ... Oh, no! Who is that young man?”

In the next moment, everyone let out an exclamation of curiosity.

The other Supreme divine ancestors finally began to look at Chen Xiaobei in the eye! movelusb.com

After all, from the very beginning, they had only treated Chen Xiaobei as an ant who did not know the rules. They did not even look at him!

Now that they were looking at Chen Xiaobei, they immediately recognized who he was!

“It’s him! It was him! It’s him!”

Chapter 4776

4776 ecstasy!

Ever since the sky-burier sacred clan had mobilized all their forces to search for Chen Xiaobei, information about Chen Xiaobei had spread throughout the entire ancestral divine territory!

Perhaps the middle and lower-level people would not pay too much attention.

However, all the core members of the Supreme clans were paying close attention to Chen Xiaobei.

After all, the strength of the lower-middle class people was limited. Even if they knew that Chen Xiaobei had a Supreme opportunity, they would not dare to covet it.

However, to the core upper echelons of any Supreme clan, a Supreme opportunity was equivalent to a Supreme, Supreme, and most important super opportunity!

Once one obtained this opportunity, it was possible to create a Supreme divine ancestor!

To any Supreme race, this was a qualitative leap in their strength! It was enough to break the current balance and allow the clan to rise up and stand proudly at the peak of the world!

That was why all the Supreme divine ancestors present recognized Chen Xiaobei.

However, they did not even look at Chen Xiaobei at first, so they did not recognize him.

All of the Supreme divine ancestors exclaimed in unison.

" Chen Xiaobei!!!! "

The yuan Sage, Supreme Sage, no-Saint, and profound Sage Supreme divine ancestors all let out shocked cries.

At the same time, all the core members of the Supreme races and the hundreds of millions of people on the ground looked at Chen Xiaobei in shock and awe.

Everyone had searched their entire life's memories, but they had never seen someone like Chen Xiaobei!

He had shocked all the Supreme divine ancestors with his own strength!

This was simply too, too crazy!

“Go ... Go and invite the North Mystic Divine ancestor over!”

The yuan Sage Supreme divine ancestor finally regained his senses after a long time and immediately ordered, ”

“Yes, sir!”

" master! " Yuan chanpo immediately bowed respectfully and was ready to invite Chen Xiaobei over.

“Hold on!”

However, at this moment, the yuan Sage Supreme divine ancestor stopped Yuan yuanpo himself.

“Forget it, I'll invite him personally!” He said in a deep voice.

" this ... " hearing this, Yuan qianpo's entire body trembled, and goosebumps appeared on her skin.

As a Yuan Sage core great elder, Yuan yuanpo had never seen a Yuan Sage Supreme divine ancestor so humble!

One had to know that the yuan Sage Tribe was already a strong tribe at the top of the ladder!

The combined strength of a Yuan Sage Supreme divine ancestor could be ranked in the top three of all Supreme divine ancestors!

Therefore, the yuan Sage Supreme divine ancestor had always been extremely domineering and had never lowered his stance!

In fact, it was precisely because the yuan Sage Supreme divine ancestor had been too domineering that he had fallen out with the Saint burial Supreme divine ancestor and ended up breaking off relations with him!

This showed how powerful a Yuan Sage Supreme divine ancestor was!

That was why the yuan Sage Supreme divine ancestor was willing to personally invite Chen Xiaobei!

This scene dealt a blow that was a trillion times more critical to Yuan Xuan PO's heart!

Yuan Xuan po was even more willing to believe in her heart that this was actually a dream.

It was too unreal!

“Swish!”

At the same time, the yuan Sage Supreme divine ancestor was flying toward Chen Xiaobei.

“The North Mystic Divine ancestor!”

The yuan Sage Supreme divine ancestor showed a friendly smile and said politely, “I didn't know your identity just now, so I hope you can forgive me for my negligence!”

The moment he said that, everyone was shocked again!

He did not expect the yuan Sage Supreme divine ancestor to not only greet him personally, but to even apologize to Chen Xiaobei.

This was even more unreal than a dream!

At that moment, Yuan mengqing, who was still crawling on the ground, felt a chill in her heart and was drenched in cold sweat.

And the state of the yuan Xuan po wasn't much better!

Obviously, this father-daughter pair was no longer just being slapped in the face or shocked. They were beginning to feel fear from the bottom of their hearts!

After all, they had some conflicts with Chen Xiaobei before and almost started a war with him!

At this moment, Chen Xiaobei's status was the highest in the entire room!

If Chen Xiaobei wanted to get even with them, he only needed to say one word and Yuan qianpo and Yuan mengqing would be dead!

Because of this, Yuan qianpo and Yuan mengqing's hearts turned cold. They were drenched in cold sweat and were so scared that they almost peed their pants.

However, Yuan qianpo and Yuan mengqing had clearly overestimated her position in Chen Xiaobei's heart.

At this moment, Chen Xiaobei did not care about them at all. He would not lower himself to their level because that would only lower his status!

“It’s fine!”

“You don’t have to be so polite, Yuan Sage. I’m not here for anything else. I just want to participate in your clan’s joust for a spouse event!” Chen Xiaobei said.

“Oh?”

The Yuan Sage Supreme divine ancestor’s eyes lit up when he heard this and he said excitedly, “Welcome! Welcome! It’s our tribe’s honor to have the North Mystic Divine ancestor attending!”

“Please!” Chen Xiaobei shrugged.

“Please! Please take a seat!” The Yuan Sage Supreme divine ancestor hurriedly stepped forward to lead the way, unable to hide the ecstasy on his face.

Seeing the scene before them, those with discerning eyes already had a tacit understanding.

Why would the Yuan Sage Supreme divine ancestor lower himself? Why did the Supreme divine ancestor apologize to Chen Xiaobei? Why was the Yuan Sage Supreme divine ancestor so ecstatic?

There was only one answer!

The Supreme divine ancestor wanted to win Chen Xiaobei over and even wanted to form an alliance with Chen Xiaobei!

After all, the ultimate goal of this joust for a spouse Festival was to form a powerful Alliance to fight against the Saint-burying tribe’s Supreme divine ancestor!

As the leader of the Beixuan Alliance, Chen Xiaobei had the Holy extermination, holy life, and Holy beginning Supreme divine ancestors under his command!

It was not an exaggeration to say that Chen Xiaobei was the best candidate to become an ally of the Yuan Sage Supreme divine ancestor!

As long as they could form an alliance with Chen Xiaobei, their chances of winning against the Supreme divine ancestor of the Saint-burying tribe would soar!

This was the reason why the Yuan Sage Supreme divine ancestor was reacting this way!

This point, everyone with discerning eyes was already well aware!

“Greetings, Northern Mystic Divine ancestor ... Greetings, Northern Mystic Divine ancestor ... Greetings, Northern Mystic Divine ancestor ...”

Very quickly, Chen Xiaobei and the Supreme divine ancestor were already on the platform.

The Supreme Holy Supreme divine ancestor, no saint Supreme divine ancestor, and profound Saint Supreme divine ancestor all came forward and greeted Chen Xiaobei.

It was obvious that Chen Xiaobei had become a hot commodity in the eyes of the public. Everyone wanted to get closer to Chen Xiaobei.

After all, with Chen Xiaobei's current reputation, if he defeated the Saint-burying's Supreme divine ancestor, he would be at the top of the world, perhaps even the ruler of the world!

It was necessary to get closer to Chen Xiaobei!

"Hello, everyone!"

However, Chen Xiaobei only nodded politely and did not spend too much time with them.

Chen Xiaobei had his own opinion on these people!

Chapter 4777

4777 A reminder!

Chen Xiaobei was smart enough to immediately see that these Supreme divine ancestors' friendliness was only for their own benefit. They were not sincere!

In fact, some of them would even show friendliness not for the sake of benefits!

To put it bluntly, among these people, a portion of them were actually acting!

After all, at their level, no one was stupid. It was almost a common occurrence for them to scheme and scheme against each other.

Of course, there was an even more important point. Among these people, there were potential allies of the sky burial Yuan sacred clan!

One had to know that the sky-burying Yuan Sage clan had not been able to survive under the high pressure of the yuan Sage clan and grow to become a powerful clan by themselves!

In other words, the sky burying Yuan sacred clan would definitely have its own allies!

However, these allies did not reveal their identities on the surface. Even though they had a good relationship with the sky burial Yuan sacred clan at times, they had never publicly expressed their alliance!

Therefore, there must be an ally of the sky burying Yuan sacred clan hiding in the dark!

As the saying goes, it's easy to Dodge an open spear, but hard to defend against a hidden arrow!

This kind of enemy hiding in the dark was undoubtedly the most dangerous!

And at this moment, everyone was using a friendly attitude to disguise their true faces!

If Chen Xiaobei was not cautious and befriended them easily, he would most likely be ambushed or even stabbed in the back!

That was why Chen Xiaobei only nodded politely at them and did not interact much with them!

Chen Xiaobei did not even agree to the Holy first Supreme divine ancestor's request to join the beixuan Alliance!

After all, the Holy beginning, Holy destruction, and holy life Supreme Holy ancestors were different!

The Holy extermination and holy life Supreme divine ancestors had received great kindness from Chen Xiaobei! It was not an exaggeration to say that Chen Xiaobei was the reincarnation of their two races!

Therefore, the two Supreme Holy ancestors were more trustworthy!

However, the first divine Supreme divine ancestor did not have much interaction with Chen Xiaobei! They had not even met each other before this!

The beginning divine ancestor was only a good friend of The Life Divine ancestor! Moreover, the two of them had not been in contact for a very long time!

Even though Chen Xiaobei had helped to resolve the conflict between the Holy Shi and Holy extermination clan, that alone was not enough to make the Holy Shi and Supreme divine ancestor submit to him!

Therefore, there was no way Chen Xiaobei could trust the first Holy Supreme divine ancestor one hundred percent!

Naturally, he would not agree to the request of the first holy ancestor!

Of course, Chen Xiaobei did not reject him outright. If he could verify the credibility of the first divine Supreme divine ancestor, Chen Xiaobei could still let him join!

"Since everyone's here, let's start as soon as possible!"

After a few simple pleasantries, the yuan Sage Supreme divine ancestor immediately said, "All participants, please step forward!"

After that, the other eight participants of this competition walked out from their respective clans 'teams and stood in a row in front of the seven Thrones!

They were Ji Haoyuan, the son of the Supreme Saint Supreme divine ancestor!

The eldest direct disciple of the profound Sage Supreme divine ancestor, xuantaizong! His second direct disciple, Xuan Zhouyu!

He was the first direct disciple of the Supreme Saint ancestor, mie shikong! The second direct disciple, Vanquisher Emperor Qilin!

Wu Yuji, the son of the Supreme Saint ancestor!

The life saint's Supreme Saint ancestor's eldest direct disciple, life separation Xun!

He was the first direct disciple of the first sacred ancestor, Shi hengtian!

"Whoosh ..."

After these eight people stood in position, a ninth figure flew up the stage from the crowd below!

That's right, this was the ninth contestant!

He had no sect, and no one even knew where he came from or his race!

His name was also very special ...

Do Zhen!

Of course, compared to the others, do Jin's cultivation was very, very low. He was only a five-star divine ancestor, the same level as Chen Xiaobei!

That was why do Jin's appearance did not attract too much attention at that moment. &Nbsp;

First of all, the other eight participants on the stage did not care about do Jin at all! novelusb.com

Secondly, the hundreds of millions of people in the audience also looked at do Jin as if they were looking at a fool. Almost all of them thought that do Jin was an idiot who did not know the immensity of heaven and earth and had come here to court death!

"North Mystic Divine ancestor, you should go too! If you're ready, I'll activate the array and teleport all of you to the arena of the finals!"

The yuan Sage Supreme divine ancestor smiled at Chen Xiaobei in a friendly manner.

The other Supreme divine ancestors also smiled at Chen Xiaobei. Their attitude towards Chen Xiaobei was unusually good.

However, the eight participants were extremely unhappy when they saw what was happening.

In their eyes, Chen Xiaobei was just a five-star divine ancestor. He was not even worthy of carrying their shoes, let alone receiving such treatment from the divine ancestors!

Because of this, the eight people in front of Chen Xiaobei were a thorn in his eyes!

It was as if Chen Xiaobei was a thorn in their side, and they had to get rid of him first!

Among them, Ji Haoyuan, who had a strong personality, was the first to say, "North Mystic Divine ancestor! Your cultivation is so low, do you really want to fight us? Fists and feet have no eyes, what if I hurt you?"

As soon as he said that, the surrounding contestants all revealed sinister and vicious smiles.

Clearly, they were not happy with Chen Xiaobei.

"It's fine,"

"I don't care who it is!" Chen Xiaobei said calmly. "whoever wants to hurt me should be prepared to get hurt! If you want to kill me, please prepare your life!"

As soon as he said that, everyone's expression became subtle.

On the stage, there were eight other participants besides do Jin! The hundreds of millions of people in the audience looked at Chen Xiaobei with disdain!

There was no doubt that Chen Xiaobei was a super pretentious prick in everyone's eyes!

He was clearly only a five-star divine ancestor. How dare he say such arrogant words to the other participants! This posturing was simply too stiff and brainless!

"Hao Yuan! Don't be rude! The North Mystic Divine ancestor's cultivation realm was low! However, as the leader of the beixuan Alliance, he must have an extremely powerful trump card!"

The Supreme Saint divine ancestor immediately let out a furious roar upon seeing this.

Of course, anyone with a discerning eye could tell that the Supreme holy ancestor was actually reminding Ji Haoyuan not to underestimate Chen Xiaobei.

"Hiss ..."

As expected, Ji Haoyuan and the other participants gasped and looked at Chen Xiaobei warily!

Indeed, they knew nothing about Chen Xiaobei's trump card!

If he continued to underestimate his enemy like this, he might not even know how he died later!

"Hao Yuan! You, come over here!"

Then, the Supreme Holy paramount divine ancestor waved his hand and called Ji Haoyuan over.

Chapter 4778

4778 Distributing the king's bomb!

"Whoosh ..."

Immediately after, the Supreme Saint Supreme holy ancestor took out a blood-red jade talisman.

In the blink of an eye, blood filled the sky, and a terrifying pressure enveloped the entire space!

Under the impact of this pressure, even the core upper echelons of the large clans felt their hearts jump and their backs turn cold.

Meanwhile, the hundreds of millions of spectators in the surroundings were so shocked that their pupils shrank and their scalps went numb. Cold sweat poured down like raindrops! Fortunately, the audience was a little far away. Otherwise, most of them would have instantly collapsed and fainted!

From this, it could be seen how terrifying the blood-colored jade talisman's pressure was!

All of a sudden, the seven contestants who had looked down on Chen Xiaobei were all shocked. They kept quiet out of fear and trembled. They did not even dare to breathe!

Even the Supreme divine ancestors present were moved!

Chen Xiaobei and do Jin looked at each other in the eyes!

The only two people who could remain calm and composed in the face of this terrifying pressure were Chen Xiaobei and do Jin!

Chen Xiaobei was surprised.

Do Jin looked calm, as if he knew that Chen Xiaobei would be able to withstand this kind of pressure.

" this ... This is the Supreme treasure of the Supreme Saint clan, the Supreme Saint blood! "

Very quickly, everyone on the scene let out an incredulous cry.

" father!?! "

Even Ji Haoyuan revealed an expression of disbelief when he saw the scene before him. He asked awkwardly, " you ... Are you giving me the extreme divine blood?! "

Hua ... Hua ... Hua ... Hua ... "

Immediately after, the Supreme holy ancestor didn't say anything else. Instead, he sent a Supreme amount of Saint Origin Energy into the extreme divine blood.

He then handed the extreme divine blood to Ji Haoyuan.

" the competition is about fairness, " he said solemnly. " the North Mystic Divine ancestor must have a top-notch trump card! " Therefore, I have no choice but to give you the extreme divine blood! Otherwise, you have no chance of winning at all, so you might as well admit defeat now!"

"Thank ... Thank you, Father ..." He said.

Ji Haoyuan held the extreme divine blood in his hands and trembled with excitement.

One had to know that the extreme divine blood was the Supreme treasure of the extreme Saint clan. It was extremely important to the entire clan and could even be said to be the left and right arms of the extreme Saint Supreme divine ancestor!

Even though Ji Haoyuan was the son of the Supreme holy ancestor, he had never had the chance to touch this extremely important Supreme magic treasure!

Therefore, when the extreme divine blood was handed over to Ji Haoyuan, he was extremely excited, and his heart was trembling!

"He's really going all out!"

Chen Xiaobei could not help but let out a sigh.

He had never imagined that the Supreme holy ancestor would be willing to temporarily remove his left and right arms in order to win. At the same time, he had filled them with energy, enough to activate them ten times!

This was equivalent to handing a King Bomb to Ji Haoyuan!

Ji Haoyuan's chances of winning soared!

The other Supreme divine ancestors couldn't sit still.

"Taizong, Zhouyu, you two come over!"

The profound Sage Supreme divine ancestor immediately called his two personal disciples over.

“Swish!”

Then, the profound Sage Supreme divine ancestor took out a star Jade compass!

Furthermore, it also filled it with energy. movelusb.com

He then said, “Taizong, you are master’s eldest direct disciple, this senior’s face!” He’s the future hope of our clan! Now, I’ll give you the profound secrets heavenly net! You must give your best performance! Don’t embarrass your master!”

Xuantaizong respectfully received the compass with both hands and solemnly said, “Thank you for your trust, master! Disciple will fight to the death and not let shizun down!”

Looking at this scene, the second disciple Xuan Zhouyu’s face turned gloomy.

It was obvious that the profound secrets heavenly net was a Supreme treasure of the profound Sage Tribe.

Only one item, can not be shared!

However, the profound Sage Supreme divine ancestor had given this Zhangwang bomb to his eldest disciple, xuantaizong, which meant that Xuan Zhouyu had lost this opportunity.

“Zhouyu, you should forfeit!”

The profound Sage paramount divine ancestor continued, “this time, we’ll have to see how your eldest senior brother performs!” If there is a similar opportunity in the future, I promise to let you participate!”

“Yes, sir!” Although Xuan Zhouyu was depressed, he did not resist.

After all, the situation was already very clear. Without a Supreme treasure in hand, even if he participated in the competition, he would still lose without a doubt.

Rather than going in and getting killed, it was better to forfeit now.

Just like that, under the witness of hundreds of millions of people, Xuan Zhouyu became the first contestant to be eliminated from the finals!

“Yuji! You do it!”

After that, the Supreme holy ancestor called his son over.

He took out the Supreme treasure of the No saint tribe, the void spear. After it was filled with energy, he handed it to Wu Yuji!

“Li Yao! Come over here!”

After that, the life Saint Supreme Saint ancestor also took out the Supreme treasure of the life Saint clan, the life Saint bottle.

After it was filled with energy, he gave it to his eldest direct disciple, life separation Gu!

“Hengtian!”

In the end, the Holy first Supreme holy ancestor waved his hand and called his first personal disciple, Shi hengtian, over.

He took out the Supreme treasure of the Holy Shi clan, the blade of time. After it was filled with energy, he handed it over to Shi hengtian.

So far, there were already five participants who had obtained Supreme magical treasures and held King bombs in their hands. Their chances of winning had skyrocketed!

Upon seeing this, the Supreme holy ancestor looked extremely awkward!

This time, both the first and second direct disciples of the Supreme holy ancestor had come to participate in the competition!

However, the Holy extermination clan's destruction Saint orb had already been destroyed.

In other words, the Supreme Holy extermination couldn't blow up any trump cards for his disciples and other Kings!

"....."

After a moment of awkwardness, the Supreme Holy extermination could only brace himself and say, "Shi Kong, Huang Lin, both of you should forfeit ..."

There was no doubt that under such circumstances, forfeiting was the best and only choice for mieshi Kong and the annihilation Emperor scale.

Otherwise, if they continued to participate in the competition without a Supreme magical treasure, they would only be met with death!

"No!"

However, at this moment, mieshi Kong rejected, " "This disciple still wants to participate in the next competition! Even if I can't win, I'll do my best to help the North Mystic Divine ancestor! This is to repay the North Mystic Divine ancestor's kindness to our race!"

"This disciple will not forfeit either!" Immediately after, the Emperor destroying scale also said, " "I agree with eldest senior brother. Even if I have to risk my life, I have to do something for the northern Mystic Divine ancestor! " ";

"You're Teachable!" The Supreme holy ancestor nodded in satisfaction and didn't force them to give up.

But Chen Xiaobei could not help but frown!

Chapter 4779

4779 Alliance!

Obviously, Chen Xiaobei did not need the help of mie shikong and the annihilation Emperor scale!

To put it bluntly, these two guys did not have any Supreme magical treasures with them. When the time came, they would need Chen Xiaobei to protect them, which meant that they would be a burden to Chen Xiaobei!

However, Chen Xiaobei was the leader of the beixuan Alliance. His subordinates were doing their best and were being so sincere. Chen Xiaobei could not reject them!

If he rejected them in public, it would be the same as telling everyone that they were useless!

And mie shikong was the first direct disciple of the Supreme holy ancestor! The Emperor-destroying scale was the second direct disciple of the Supreme holy ancestor!

If he said that they were useless, it would be a slap to their faces, a slap to the face of the Supreme holy ancestor, and the entire Holy extermination clan!

However, the Holy extermination clan highly revered martial strength and worshipped the strong. Their pride and desire to live were also extraordinarily high!

It was not an exaggeration to say that if Chen Xiaobei rejected mie shikong and the annihilation Emperor scale in public, it would be a slap in the face to the Holy extermination Supreme divine ancestor, and it would definitely make the entire Holy extermination clan shiver in fear!

Such an outcome was extremely disadvantageous to the unity of the beixuan Alliance!

Because of that, even if Chen Xiaobei did not need any help, he had no choice but to bring these two burdens along!

“Greetings, North Mystic Divine ancestor! Greetings, North Mystic Divine ancestor!”

Then, Sheng liyao and Shi hengtian walked up to Chen Xiaobei and bowed respectfully.

It was obvious that Sheng lishang represented the Holy life tribe and was a member of the beixuan Alliance.

Shi hengtian represented the Holy Shi tribe and was one of the new members who had requested to join the beixuan Alliance.

By coming to visit Chen Xiaobei, it meant that they had officially formed an alliance with Chen Xiaobei and would take part in the upcoming martial arts competition.

“Yes.”

Chen Xiaobei nodded. Between smart people, there were some things that did not need to be said.

After all, it was somewhat against the rules to form an alliance in such a competition.

It’s enough that everyone knows it in their hearts. There’s no need to say it out loud!

.....

Seeing this, the remaining few participants immediately lost their calm.

Ji Haoyuan, xuantaizong, and Wu Yuji immediately exchanged a look and formed another Alliance without a sound.

After all, none of them were a match for the beixuan Alliance if they were alone!

If they didn’t want to form an alliance, they might as well admit defeat and give up now!

Therefore, the three of them only needed to exchange a glance to immediately confirm their alliance.

This meant that the main force of the beixuan Alliance was Chen Xiaobei, Sheng liyao, and Shi hengtian!

As for mieshi Kong and the annihilation Emperor scale, they could be completely ignored without the support of Supreme magical treasures!

As for the newly formed three-Race Alliance, the main forces were Ji Haoyuan, xuantaizong, and Wu Yuji.

On paper, the two sides seemed to have a 50 – 50 chance!

For a moment, all the audience in the venue revealed an extremely excited expression. Excited exclamations rose one after another and lingered in their ears.

“Everyone! Did you get a taste? The two alliances had been formed! Even though he didn’t say it, it’s already obvious!”

“Based on the current situation, it seems that the battle strength of both sides is 50 – 50! A wonderful battle between a Dragon and a Tiger is about to take place. I’m really looking forward to it!”

“Don’t speak too early! After all, the North Mystic Divine ancestor had not shown his trump card yet! After all, he was the leader of the beixuan Alliance! He definitely has some skill!” movelus.com

“But his cultivation is really too low! He was merely at the five-star divine ancestor realm! Moreover, there are only a limited number of Supreme magic treasures in the world. I’m afraid he doesn’t even have one!”

“If the North Mystic Divine ancestor really doesn’t have a trump card, I’m afraid he’ll be dead today! Even the annihilation Emperor Qilin could easily crush mie shikong, who was the least favored!”

“Right? Mieshi Kong and the annihilation Emperor scale were at least eight-star divine ancestors! If they don’t use their trump cards, they can easily crush the northern profound divine ancestor!”

“Wait a minute! The person who’s looked down upon the least is not mie shikong or the annihilation Emperor scale, but the mysterious do Zhen!”

“Yes, yes, yes! ‘In the past, I thought that do Jin was very mysterious and that he must have the strength to stun everyone! However, today, his cultivation base was only at the five star divine ancestor realm! He’s at the bottom of all the participants!”

“This do Jin is really too weak. There’s no such thing as whether I’m optimistic or not! We can just ignore it!”

“Well said! I bet that do Jin will be killed instantly the moment he enters the arena, without a doubt!”

“Whoever can become do Jin’s opponent is like winning a big prize. Their luck is off the charts!”

.....

All of a sudden, the crowd was in a heated discussion.

The audience could be divided into two groups.

The other faction thought that the beixuan Alliance and the three-clan Alliance were evenly matched and would have a 50 – 50 fight!

The other faction thought that Chen Xiaobei might not be as strong as they had imagined! If he couldn't take out a Supreme sacred ancestor level trump card, he would lose without a doubt!

At this moment, it wasn't just the audience. The Supreme Holy ancestors on the platform and the core upper echelons all had the same attitude.

Everyone's attention was on the beixuan Alliance and the three-clan Alliance.

Do Jin was directly ignored by everyone.

Of course, this was completely human nature.

After all, do Jin's cultivation level was the same as Chen Xiaobei's, the lowest among all the participants.

But Chen Xiaobei was the leader of the beixuan Alliance!

Do Jin was nothing, and no one knew who his master was. In fact, no one even knew which great clan he came from.

To put it bluntly, do Jin was like a dog who had accidentally entered the scene of a fierce battle between dragons and tigers!

Moreover, it was a weak, homeless wild dog!

Under such circumstances, no one would pay attention to do Jin.

Of course, there were two exceptions!

One of them was Chen Xiaobei!

After all, Chen Xiaobei had met do Zhen once yesterday. He was surprised, shocked, curious, and wary of do Zhen's performance!

Therefore, while everyone was ignoring do Jin, Chen Xiaobei was secretly paying attention to do Jin!

The other person was a Yuan Sage Supreme divine ancestor.

This was because there had been rumors that Dao Zhen had obtained the approval of a Yuan Sage Supreme divine ancestor to make an exception and participate in the final match!

No one knew why the yuan Sage Supreme divine ancestor had agreed to do Zhen's request!

At that moment, the yuan Sage Supreme divine ancestor was the only one who was secretly observing Dao Zhen like Chen Xiaobei!

Chen Xiaobei had also noticed this small detail!

However, Chen Xiaobei could not figure out what kind of agreement the Supreme divine ancestor and do Jin had reached.

Chapter 4780

4780 undercurrent!

Of course, even though Chen Xiaobei could not figure out do Jin's intentions, the conditions that do Jin proposed were something that Chen Xiaobei could not resist!

So, looking at the current situation, Chen Xiaobei had no choice but to cooperate with do Jin!

"Since everyone is ready, I'm going to activate the transmitting formation!" novelusb.com

The yuan Sage Supreme divine ancestor's eyes narrowed and he said in a deep voice, "Before we set off, I would like to solemnly remind everyone again! There were risks in the competition, and casualties were inevitable! If you want to leave, you can choose not to enter the space gate!"

"Whoosh ..."

After saying that, the yuan Sage Supreme divine ancestor opened a space transfer gate.

"This is a once-in-a-thousand-years opportunity. I won't be polite!"

Ji Haoyuan was the first to step into the teleportation gate. He was extremely confident, as if victory was already in his hands!

"Woof! Whoosh!"

Immediately after, xuantai sect and Wu Yuji, who had formed an alliance with Ji Haoyuan, also rushed in!

It was obvious that the three of them were holding King level magical treasures in their hands. Naturally, they were not afraid of any danger and rushed in without any hesitation!

"Let's go in too!"

After that, Chen Xiaobei gave his order and was the first to enter the portal.

"Woof! Buzzzzzz! Whoosh!"

After that, the beixuan Alliance's life separation dagger, Shi hengtian, mie shikong, and mie huanglin all followed Chen Xiaobei into the room.

"Whoosh ..."

In the end, do Jin walked in unhurriedly.

The space gate slowly closed.

"Everyone, please take a seat!"

Immediately, the yuan Sage Supreme divine ancestor, as the host, spread his hands and allowed the six Supreme divine ancestors to sit on the thrones on the high platform.

Whoosh ... Whoosh ... Whoosh ...

At the same time, the light screen that covered the sky started to flash and then, it showed the scene of an independent space.

It was obvious that the independent space was the starting point of the final.

The finals of this martial arts competition would be live-streamed in front of everyone.

“Yuan Sage, I heard that the competition will be held in a special ruin!” The Supreme Saint ancestor asked.

“Yes, I am!”

The yuan Sage Supreme divine ancestor nodded and said, “I discovered this ruin by chance a year ago, and it is indeed very special! I went in to investigate, but at the core of the ruins, there was a protective array that even I couldn’t open!”

“What!”

All of the Supreme divine ancestors were in disbelief.

One had to know that the strength of a Yuan Sage Supreme divine ancestor could rank in the top three of all the Supreme divine ancestors.

If even a Yuan Sage Supreme divine ancestor could not open the array, no one present would be able to open it!

This was because, in the eyes of these Supreme Holy ancestors, the most powerful Supreme holy ancestor was the great saint Supreme holy ancestor, followed by the Saint burial Supreme holy ancestor!

Although the yuan Sage Supreme divine ancestor was only ranked third, he was stronger than all the Supreme divine ancestors present in terms of individual ability!

Therefore, if it were any of the Supreme divine ancestors present, they would only be able to look at the array helplessly!

This surprised all of the Supreme divine ancestors present, and they were filled with anticipation and curiosity about the ruins!

“Who left behind those ruins? It can’t be the remains of the great saint Supreme divine ancestor, right?” The profound Sage Supreme divine ancestor immediately asked.

The yuan Sage Supreme divine ancestor shook his head and said, “I’m not sure about the details. We can only wait for the participants to reveal the answer!”

“are you joking with us!?”

The Supreme holy ancestor frowned and said, “If even you can’t open the formation, how can you open it if you call a group of juniors in? What a waste of expressions!”

“Wusheng, calm down!”

The yuan Sage Supreme divine ancestor composed himself and explained, " "This ruin is a bit special. It's not that whoever has a higher cultivation level can activate the array! Only the most suitable person can open it after a series of tests!"

"A test? The most suitable person?"

The Supreme holy ancestor said in an overbearing manner, "According to what you've said, we should let more people in to take the test! I think we can all go in!"

"Of course we can't!"

The yuan Sage Supreme divine ancestor shook his head and said, " "I was the one who discovered the ruins, so naturally, I can only share it with my son-in-law! If the Supreme Saint is willing to marry my daughter, there's no harm in going in and giving it a try!"

" " you ... " the Supreme Saint Supreme holy ancestor was instantly rendered speechless.

Originally, the Supreme Saint and the yuan Sage Supreme divine ancestors had been on equal footing.

If he were to marry the daughter of a Yuan Sage Supreme divine ancestor, wouldn't that be equivalent to lowering the status of the Supreme divine ancestor? the entire ancestral divine region would become a laughingstock if word got out!

Ordinary people would only laugh when they saw this.

However, those with discerning eyes could see that the yuan Sage Supreme divine ancestor's intentions were very obvious.

Only the yuan Sage Supreme divine ancestor believed that he could control someone to be given the opportunity to take the test.

Although the participants who had entered now all belonged to their own tribes and forces, their strength was far inferior to that of a Yuan Sage Supreme divine ancestor!

Once the final winner became the son-in-law of the yuan Sage Supreme divine ancestor, the yuan Sage Supreme divine ancestor would be able to find an opportunity to control him!

However, if a similar-level Supreme divine ancestor obtained the final opportunity, the yuan Sage Supreme divine ancestor would not be able to control the other party. Instead, the other party's strength would increase and the yuan Sage Supreme divine ancestor would be controlled!

For this reason, the yuan Sage Supreme divine ancestor would definitely not allow other Supreme divine ancestors to enter this special ruin!

At this moment, the yuan Sage Supreme divine ancestor's reason for refusing was also very clever.

The Supreme holy ancestor was rendered speechless. He was embarrassed, angry, and embarrassed!

Seeing this, the other Supreme divine ancestors naturally didn't want to continue asking for trouble.

Of course, all the Supreme divine ancestors present could basically see through the yuan Sage Supreme divine ancestor's plan.

They all hoped that their own people would be able to obtain the final opportunity.

At that time, as long as they could protect him from being controlled by the yuan Sage Supreme divine ancestor, it would be a great gain for their forces.

It had to be said that none of the Supreme Holy ancestors were stupid!

In just a few short sentences, the little schemes in the minds of these Supreme divine ancestors were getting more and more brilliant!

Of course, the yuan Sage Supreme divine ancestor's calculations were the most profound!

After all, the yuan Sage clan was the one who had organized this competition!

Furthermore, the yuan Sage Supreme divine ancestor had also planted a hidden chess piece, do Zhen! At the critical moment, it would be of great use!

In fact, the yuan Sage Supreme divine ancestor's intentions might have been deliberately exposed by everyone!

From this, it could be seen that this martial arts competition would not be as simple as it looked on the surface!

It could even be said that the undercurrents were turbulent and the clouds were treacherous!

"Oh right, Yuan Sage, why don't I see your daughter?" The Supreme holy ancestor asked.
