Chapter 901: In a Closed Room with Jane, Rias, and Niti

As Rudy released his load, a satisfied smile played on his lips. He could finally be intimate with Niti without worrying about Jane finding out about their relationship. Every internal matter of the harem was settled thanks to Rias' amazing plan, and now they could truly start a new harem journey.

To Jane's surprise, Niti acted like a child, eagerly sucking from Rudy's cock and nuzzling against his thighs. It was a sight Jane had never witnessed before, and she was both amazed and touched to see this vulnerable side of Niti.

Jane had always known Niti as her loyal and dedicated maid, but in that moment, she saw a different aspect of her, a more indecent yet childlike demeanor that she never imagined existed.

Niti's lips were still glistening with his essence, releasing his dick from her mouth with a mischievous glint in her eyes. With a slow, deliberate movement, in a playful and endearing moment, Niti pulled Rudy's dick out of her mouth and turned to Rudy with a mischievous glint in her eyes.

She wanted to show him how she was savoring the milk he had given her. With a small grin, Niti began to sip the milk slowly, making sure to show Rudy each gulp she took. She wanted him to see the progress as she savored the taste of the milk, relishing the care he had taken to feed her.

Niti's playful display brought a smile to Rudy's face as he watched her with fondness and amusement. It was a tender and heartwarming moment between them, one that made Jane feel even more grateful for the special bond that had formed between Niti and Rudy.

Rudy's nurturing and caring gesture had brought out this gentle side of Niti, and Jane couldn't help but feel a newfound appreciation and appearance of her trusted maid.

With wide eyes and a racing pulse, Jane watched in awe as Niti skillfully consumed Rudy's essence, relishing every drop with a deliberate sensuality. The intense sight ignited a long-simmering desire within her, an insatiable hunger that demanded release. In a moment of unabashed surrender, Jane's trembling hand kept moving between her thighs, fingers slipping in and out of her pussy.

Rudy turned his gaze towards Jane, witnessing her arousal manifesting in an act of self-pleasure

With a soft, seductive smile, Rudy moved closer to Jane, his eyes filled with a potent mixture of hunger and anticipation. There was an unspoken understanding between them, a connection that transcended words. He closed the distance between them, his hand gliding over her trembling skin, sending shivers of pleasure coursing through her body.

As Rudy's fingers brushed against her clit, Jane's breath hitched in anticipation. Rudy's hand glided over Jane's trembling pussy, a primal need surged within her. She gasped as his fingers entered the slick opening between her thighs, his touch igniting sparks of pleasure that pulsed through her body.

With each deliberate stroke, the tension coiling inside her intensified, unleashing waves of ecstasy that rippled outward. Finally, after enduring countless moments of orgasmic denial, Jane succumbed to the overwhelming pleasure, her body arching in an uncontrollable orgasm as she found a blissful climax in her own touch.

Breathless and panting, Jane trembled in the aftermath of her orgasm as Rudy's intense gaze consumed her. In an impulsive moment of passion, Jane pulled Rudy close and kissed him, their lips joining in a searing embrace that sent a jolt of desire coursing through their veins.

As their tongues danced and their bodies pressed against each other, Rias and Niti watched, their eyes filled with a mixture of curiosity and arousal. The room seemed to hold its breath, suspended in a moment of forbidden desire. Rias' lips curled into a wicked smile, fascinated by the unfolding scene before her.

Rias, unable to resist the rising tide of desire, pulled Rudy away from Jane's embrace with a sudden ferocity. Their lips collided in a fiery kiss, as Rias made her presence known, staking her claim over Rudy. The kiss was electrifying, a melange of passion and dominance that left them both breathless.

As Rias and Rudy's lips parted, their connection momentarily broken for a second, Jane and Niti couldn't suppress their own overwhelming desires. Determined not to be forgotten in the whirlwind of passion, they both lunged forward, their hands grasping onto Rudy's body, each vying for their own taste of his lips.

Niti, consumed by a fiery desire, wasted no time in claiming Rudy's lips with an ardent kiss. Her lips pressed against his with a forcefulness that took him by surprise, and before he could react, she had pinned him down on the bed, her body firmly pressing against his. The taste of her hunger flowed through their kiss as they surrendered to the escalating heat that pulsed between them.

Jane, overwhelmed by the surge of desire within her, pushed Niti away gently, her breath still heavy with anticipation. With a hunger in her eyes, she took her time to savor every moment as her lips met Rudy's, their mouths melding together in a fiery embrace. The taste of his desire mingled with hers, the connection between them intensifying with each breathless kiss.

But just as Jane was lost in the depths of passion, Rias, with her royal presence, swiftly intervened, placing a delicate hand on Jane's shoulder. A flicker of mischief danced in her eyes as she asserted her authority over the unfolding scene.

"Don't get too comfortable, you two," she asserted. "Don't forget, this is my room."

"So what?" Jane asked.

"So I have the authority."

Jane shrugged her shoulders and said, "You lost that when you made this a threesome."

Rias and Jane stood face to face, their eyes blazing with a mix of desire and defiance. They fought for control, their voices echoed with a mix of frustration and craving, each determined to be the one to lead this session.

Meanwhile, Niti seized the moment, her eyes gleaming with mischief as she saw the opportunity to claim what she desired. With a swift movement, she closed the distance between herself and Rudy, her lips eagerly finding his in a heated kiss.

'My first threesome turned out to be a foursome.'

Unable to resist any longer, he impulsively took the opportunity and pulled Niti closer, their bodies aligning perfectly. The inferno of lust consumed them as he slid his erection inside her wet pussy. They sat face to face, their eyes locked in a passionate gaze.

Jane and Rias, filled with a mix of curiosity and arousal, observed the intimate union just inches away from her. But as Jane had given her word to Rias that her first threesome will be with Rudy and Rias, she couldn't interfere between Rudy and Niti.

Rudy and Niti's lips met in a passionate kiss, their desires entwined with every movement. They explored each other's mouths with a fervor, their tongues intertwining in a dance of longing.

The intensity between them grew as they gradually began to move their bodies in perfect synchronization, their hips swaying back and forth in a sensuous rhythm, their connection deepening with each thrust.

Rudy's desire surged with unstoppable force as he broke away from Niti's passionate embrace, without taking his dick out of Niti's pussy.

With a primal hunger in his eyes, he pushed her onto the bed, his hands gripping her waist with a firmness that left no room for resistance. In one fluid motion, he effortlessly lifted her, positioning her exactly where he wanted her.

Their bodies melded together, skin against skin, as Rudy thrust into her, their connection igniting a wildfire of pleasure that consumed them both.

The bed creaked beneath them as their bodies moved in sync, a dance of passion and desire. Rudy's thrusts were powerful and precise, each one driving deeper into Niti's core, eliciting gasps and moans of pleasure from her lips.

Niti's body quivered beneath Rudy's commanding thrusts, her pleasure building with every powerful movement. As the intensity surged, she couldn't contain her lusty desires any longer.

Her voice filled the room, a desperate plea escaping her lips, "Rudy, fuck me harder~ Harder than ever before~!"

Rudy, fueled by Niti's explicit request, unleashed a raw passion within him. His hands gripped her hips firmly, pulling her closer, answering her plea with a force and vigor that bordered on euphoric madness. Each thrust sent waves of ecstasy crashing through Niti's body, driving her to the brink of complete surrender.

As Rudy's thrusts became more intense, Niti's body quivered beneath him, every movement feeding the fire of her desire. Her lips, flushed with pleasure, parted in gasps, releasing sultry moans that filled the air. Cheeks flushed with a rosy hue, their eyes locked in a passionate gaze, captivating each other with the depth of their connection.

Their bodies moved together in a rhythm that bordered on primal, the bed creaking beneath them as the intensity of their passion increased. Niti's eyes glimmered with a mix of pleasure and longing, mirroring the ecstasy that washed over her.

As Niti's moans of ecstasy resonated through the room, Rudy couldn't get enough of the orgasmic look on her face. Every thrust seemed to bring her closer to the pinnacle of pleasure, and he yearned to see more.

His hands roamed her trembling body, exploring every curve as he increased the intensity of his movements.

As Rudy's desire raged within him like a tempest, Niti's body beckoned to him, her every curve and contour a tantalizing invitation to fuck her harder.

He couldn't resist the allure of her slender waist, her shapely hips, and the vibrant hue of her purple hair that cascaded down her back.

Niti's breasts bounced with each fervent movement, her pink nipples hardening under his touch. In the throes of their passion, time seemed to stand still, their bodies dancing in perfect harmony, fulfilling Niti's desires that had long been suppressed.

Rudy, who had been dying to have a threesome, his desire surged through him like a storm, Rias and Jane observed the vigorous scene unfolding before them.

Rias, her eyes wide with a mixture of awe and curiosity, couldn't help but feel a tinge of envy coursing through her veins. She couldn't wait for her turn. She longed to experience the all-consuming pleasure that seemed to envelop Niti's entire being.

Jane, on the other hand, was a picture of contentment as she watched her maid succumb to Rudy's relentless desire. She was more focused on Niti and witnessed an unimaginable scene.

She was watching her mother being fucked roughly by her husband, who was also her brother-in-law. Nonetheless, she was happy to see that Niti was enjoying herself and tasting the cock of the man she loved.

When Rias and Jane's gaze met, there was a spark of recognition and unspoken desire between them. Despite being twins, they had never explored their connection in such an intimate way.

Jane, her breath quickening, slid her hand down her body, feeling the heat and wetness building between her thighs.

At the same time, Rias, captivated by the spectacle, couldn't help but mirror Jane's actions, exploring herself with increasing urgency.

Rias found herself unable to tear her gaze away from the captivating scene before her. Her own body ignited with a mixture of curiosity and arousal, and without a second thought, she let her fingers enter inside her pussy.

She started fingering herself, her pussy remembering the feeling of Rudy's dick that was inside her not long ago.

The sensations that coursed through her as she explored herself mirrored the intensity of Rudy's thrusts, stoking a flame of desire within her that she had never experienced before. Her moans mingled with those of Niti, creating a symphony of pleasure that filled the air.

The room became a symphony of moans, gasps, and the moist sounds of pleasure as the four individuals embraced the intimate realm of their deepest desires.

After a few minutes of passionate lovemaking, Rudy reached his climax, and he released a powerful surge of pleasure deep inside Niti's tight, pulsating walls. The sensation of his hot load spilling into her sent waves of ecstasy through both of their bodies, leaving them breathless and sated in the aftermath of their intense union.

Rudy looked at Jane and Rias, who were eagerly waiting for their turn.

"Vampires are fucking amazing..."

Chapter 903: Wild Moans

Rudy's eyes shifted to Jane and Rias, who stared at him with eager anticipation.

In that moment, the room was filled with an unspoken question - which one of them would be blessed by Rudy's insatiable libido next?

The air thickened with anticipation as the four of them basked in the aftermath of their shared passion, each waiting to see who would be the fortunate recipient of Rudy's next session.

It was highly unlikely that Rudy was going to choose Niti as he had just filled her up with his warm load. Jane seemed to be desperate as her pussy hadn't tasted Rudy's dick, while Rias had.

Rudy's eyes locked with Jane's, and a mischievous smile played at the corners of his lips. Without uttering a word, he reached out, his hand intertwining with hers.

Jane's emerald eyes widened with a mixture of surprise and joy, her heart pounding in her chest as she realized she had been chosen.

She glanced at Jane with a smile and said, "Don't hate me, okay?"

Rias didn't say anything and rolled her eyes.

Jane teased a mischievous smile at Rudy before inching closer to Niti and Rudy. With a gentle touch, Jane dipped her fingers into the pool of cum that adorned Rudy's dick. Her touch was tentative yet purposeful as she held his cock steady.

She pulled Rudy's glistening cum-covered dick out of Niti's quivering pussy and brought it to her lips. Taking it into her mouth, she cleaned every inch with a combination of skillful suction and swirling motions of her tongue.

With a hunger that matched Rudy's, Jane began to suck, her mouth enveloping him in warm, wet bliss.

Niti, still recovering from the pleasure that Rudy had bestowed upon her, watched the scene unfold before her, a mix of curiosity and arousal in her eyes.

"That's my hardwork you are sucking, Princess Jane~" Niti said playfully.

"If you leave your gem in the open, someone's going to steal it," Jane remarked. "And call me Jane. You are no longer my maid."

Niti seemed taken aback for a moment, and a touch of sadness flickered in her eyes, "But, Princess, it's my duty to address you with respect."

Jane shook her head gently, "I know, Niti, and I appreciate all that you've done for me since I was a child. But we've been through so much together, and you've become like a mother to me. I don't want you to feel like you're just my maid. You're so much more than that."

But now, things have changed. We're not in the same world anymore, and we both love the same man—Rudy. I want us to be equals, to see each other as fellow members of his harem, not as a maid and a princess."

Niti's eyes welled up with tears, "You mean that, Jane?"

Jane nodded, her voice filled with sincerity, "Yes, I do. You're not just my maid; you're my friend and my family. I want us to stand on equal footing in his harem, to support each other and cherish the bond we share with him."

Niti's expression softened as she wiped away a tear, "I've always considered you like my daughter, and I'm so proud of the strong and caring woman you've become."

Jane smiled, feeling a surge of warmth in her heart, "Thank you, Niti. You know I can't call you 'mother' because I hate my biological mother, but I cherish our relationship too, and I want you to be a part of Rudy's harem as my equal."

Niti nodded, her sadness replaced with a sense of understanding, "I will always stand by your side, Jane. We both love Rudy, and that's what matters the most."

As the lingering taste of Rudy's essence lingered on her lips, Jane positioned herself on the bed, an invitation in her eyes that fueled Rudy's libido to its peak. Without hesitation, he moved closer, guiding his throbbing dick towards Jane's waiting, wet pussy.

With a gentle yet firm push, he plugged himself inside her tight, velvety depths, eliciting a gasp of pleasure from both of them.

"Finally~" Jane moaned as Rudy's firm, long dick slid deep inside her. Her body quivered with a mix of pleasure and anticipation, her breath quickening in sync with each passionate thrust.

Rudy, driven by his super libido, explored every inch of Jane's velvety depths with a masterful skill that left her trembling on the edge of ecstasy. Their bodies moved in perfect synchrony, the rhythm building to a crescendo of desire. With each thrust, Jane's pleasure intensified, waves of bliss washing over her until she could no longer contain herself.

She sat up to kiss Rudy and wrapped her arms around his neck.

Without wasting a moment, he eagerly squeezed her bouncy breasts, his hands exploring the supple flesh with a hunger that matched his insatiable libido.

No longer able to contain himself, he pressed Jane down onto the bed, his body hovering above her as he indulged in the rough rhythm of his hips against hers, plunging deeper into the realm of unadulterated pleasure.

As the room filled with a hushed anticipation, Jane's moans of pleasure filled the air. Rudy's powerful thrusts sent waves of pleasure coursing through her body, and she couldn't help but unleash her vocal desires. Her moans, dripping with lust and craving, echoed in harmony with each movement of their bodies. The room became a symphony of pleasure, a chorus of carnal delight that showcased the uninhibited ecstasy they were experiencing.

Wrapped in the intoxicating embrace of their desire, Rudy and Jane surrendered to the moment, their bodies moving in passionate harmony. Every powerful thrust, every moan, was a testament to the insatiable lust that consumed them.

Rias and Niti listened intently, their eyes widening in amazement as they heard Jane's sultry moans reverberate through the room. The sheer pleasure that radiated from her every sound was a testament to Rudy's monstrous dick and his seemingly unlimited libido. They watched in awe as Jane's body effortlessly adapted to accommodate him, her curves molding perfectly to his every thrust.

Chapter 904: Sharing Essence

Rias and Niti sat side by side, attentively watching as Rudy roughly fucked Jane. The room was filled with the contented moans of Jane. As Rias admired the intimate moment, she couldn't help but feel a little impatient for her turn.

"Rudy, can you cum in my mouth instead of Jane's pussy?" Rias asked, her voice hopeful. "I want to drink it."

But before Rudy could respond, Jane interrupted with a shout, "No! You can't have it!"

Rias looked taken aback by Jane's sudden outburst. She was surprised by the stern refusal, but chose to respect Jane's wish.

"Rias, how about trying something else?" Rudy proposed, a playful glint in his eyes. "Since I just filled Niti's pussy with my fresh and hot load, why don't you drink from her?"

Rias hesitated for a moment before mustering the courage to ask Rudy, "Um, Rudy... I was wondering if you would be okay with the girls in your harem getting intimate with each other?"

Rudy's face turned serious, and he looked contemplative for a brief moment. "I have to be honest, Rias," he began, "I'm not comfortable with the idea of my harem members being intimate with each other without my knowledge or permission."

Rias nodded, understanding his concerns, but Rudy continued after a thoughtful pause, "However, if everyone in the harem is on board with it and it happens during our intimate sessions, I wouldn't mind that much. It's important to me that we have open communication and consent, and I want to make sure everyone is comfortable and happy. But only if it's done with my permission and in my presence during our intimate sessions."

Rias blinked in surprise, not expecting that response. "You mean, you would allow it under those circumstances?"

Rudy nodded, a small smile tugging at the corners of his lips. "Yes. As long as it's consensual and everyone is okay with it. And if they're comfortable enough to do it in front of me, with my permission."

Rias felt a mix of emotions, gratitude for Rudy's understanding and a bit of nervousness about bringing up the subject.

"This is only possible during threesomes, foursomes, fivesomes... you know, when more girls are involved in the sessions. If it's three or four girls, I can pleasure them at once. I could fuck one girl while finger two, kiss another.

I will make it clear that I am not a fan of Yuri. In fact, I hate it if a male is not involved. I have the power to make a clone of me and move it at my will. I could have my clone fuck the harem members, but that's a disgusting way. I would never do that.

I just don't want the girls to wait for their turn while I am having sex with another, so that's why I am okay if you girls can pleasure yourself in that way, with my permission and the girl's consent, of course.

There are no feelings involved between the girls, and the only man they love is me. And of course, I know everything that happens in my castle and the girls are aware of that, so they would never try anything behind my back. They know the consequences."

"I don't think that thought has ever crossed their minds," Rias chuckled softly. "They are madly in love with you and can't think of anyone else."

"Niti, are you okay with this?" Rias asked, turning to the gentle vampire who was watching the exchange with a warm smile.

Niti nodded, showing her approval. "It's okay, Princess Rias. If you're comfortable with it, I don't mind."

Rias looked back at Rudy, her cheeks still flushed. "Well, if both of you are okay with it, then... I suppose I can give it a try."

With a mixture of curiosity and excitement, Rias moved closer to Niti. She hesitated for a moment before licking the dripping milk and took a moment to taste it properly.

She looked at Rudy and said, "It tastes the same."

"Obviously," he shrugged.

Rias, feeling a surge of desire, glanced at Niti with a mischievous sparkle in her eyes. This time, without hesitating, she leaned closer between Niti's thighs, her intention clear. With eager anticipation, Rias pressed her lips against the walls of Niti's fully cum-loaded pussy, drinking Rudy's milk.

Niti gasped, her body responding to the intimate touch with a shiver of pleasure. Each delicate kiss on her sensitive skin sent tingles of ecstasy coursing through her body.

Rias slowly guided her mouth towards Niti's dripping, cum-filled pussy. With each careful stroke of her tongue, Rias drank in the taste of Rudy's milk, igniting a fiery response within Niti.

With gentle yet skilled movements, she spread the walls of Niti's wet pussy, sliding her tongue deep inside. Niti moaned with pleasure, her body tensing with each sensual stroke. Sensing the increasing need, Rias intensified her oral exploration, savoring every exquisite response from Niti's trembling body.

With a skilled hand, she traced her fingers along the slick folds, savoring the remnants of Rudy's cum. Niti trembled with anticipation as Rias, fueled by their shared passion, expertly extracted every drop of Rudy's milk from Niti's pussy, each enticing lick sending shivers of pleasure through Niti's body.

Ignoring the passing moment that flickered between Rias and Niti, Rudy continued his relentless thrusts, fueled by the sight of Jane's drenched folds, glistening with her own excitement. Each powerful movement of his hips sent shockwaves of ecstasy through her body, a rhythmic dance that seemed to stretch the time with every beat.

Jane's moans of delight harmonized with the primal sounds of their passion, creating an intimate duet that echoed in the room. Her back arched, showcasing her trembling breasts as Rudy expertly guided her towards the precipice of orgasm.

Jane's body quivered with increasing intensity, her moans growing louder as her climax approached.

And she orgasmed.

With a gasp, her body tensed, and a wave of euphoria washed over her, her face contorting into a look of pure bliss. Rudy continued his powerful thrusts, prolonging her pleasure as her body convulsed with each ecstatic orgasm.

The long awaited threesome had just started; the cherry on the top was Niti, making it his first foursome experience.

Chapter 905: Horny Vampires

As Jane's orgasm subsided, the room was filled with a momentary silence, broken only by their ragged breaths and the faint sound of their racing hearts. Rias and Niti watched, their gazes locked on Jane, each struck by the raw passion and pleasure that had consumed her.

Ignoring the silence that enveloped the room, Rudy continued his relentless thrusts, fueled by the sight of Jane's drenched pussy, glistening with her own juices. Each powerful movement of his hips sent shockwaves of ecstasy through her body, a never-ending cycle of pleasure that seemed to stretch out in time.

Jane's moans of pleasure crescendoed once again, blending with the symphony of their bodies. Her back arched, exposing her trembling breasts, as Rudy's expert strokes brought her to the brink of orgasm yet again. He could feel the walls of her velvet warmth tightening around him, signaling her imminent release.

As Jane's moan reached an alarming volume, Rias and Niti exchanged worried glances, concerned about Jane's well-being.

Rias glanced at Rudy with a knowing look on her face, and Rudy nodded in response.

Rias quickly moved to cover Jane's mouth, muffling the moans with a gentle kiss on her lips, sealing. Sensing their shared anxiety, Niti moved closer, her eyes filled with a mix of protective instinct and undeniable desire.

With her mouth covered, Jane's eyes widened in surprise, but she quickly understood their intentions.

Unable to resist any longer, Jane's arousal surged through her lips and pussy. Her trembling pussy walls crushed his throbbing dick as she reached the peak of orgasm. Waves of pleasure washed over her, her body convulsing with each electrifying release.

Rudy, consumed by his insatiable libido, continued his relentless thrusts, amplifying Jane's pleasure to new heights.

Niti, fueled by a mix of curiosity and desire, reached out to run her fingers along Rudy's taut, sweat-slicked body, tracing the lines of his muscular frame. Her touch ignited a primal fire within him, intensifying his thrusts.

Jane's body convulsed with pleasure as Rudy's relentless thrusts brought her to the peak of ecstasy. Her moans were muffled by Rias' lips, but her eyes sparkled with unbridled desire as she locked lips with Rias.

The intimate exchange of kisses between the two sisters intensified the sensations coursing through Jane's body, elevating her pleasure to new heights. Her orgasm rippled through her body, her pussy clenching Rudy's dick hard.

Feeling the tightness of Jane's trembling pussy, Rudy's powerful thrusts rocked Jane's body as waves of pleasure surged through her. Their fervent love making continued, oblivious to the outside world. Rias passionately kissed Jane's lips, their tongues entwined in a seductive dance.

Meanwhile, Niti leaned closer to Jane's breasts, her lips drawing closer to the supple flesh. With a gentle touch, she teasingly circled her tongue around the sensitive peaks, savoring the taste and texture. Jane gasped, her body responding to the intimate attention with a mix of pleasure and desire.

Rudy's thrusts reached a fevered pace as Jane's body quivered with anticipation, her pussy clenching in sync with Rudy's every movement; she yearned to feel his hot, pulsating load deep inside her.

Rudy's dick started throbbing as he got close to cumming. Sensing the approaching climax, Rudy, with a guttural groan, he unleashed a torrent of his seed into Jane's waiting pussy. Her pussy greedily accepted the fresh and potent load, the sensation sending waves of pleasure through her body.

Breathless and sated, Rudy collapsed next to Jane, their bodies still trembling with the residual aftershocks of their passionate session.

Rudy's dick remained nestled inside Jane's drenched pussy as they caught their breath, their bodies entwined in a tangle of post-orgasmic bliss. Waves of warmth and satisfaction washed over them, their connection still electric and undeniably potent.

In the hazy aftermath, the girls' whispers of desire filled the air, fueling their insatiable hunger for each other.

As Rudy's body lay intertwined with Jane's, a moment of stillness settled over the room. Niti, fueled by a mix of desire and tender care, slowly pulled out Rudy's cum-covered dick from Jane's pulsating pussy.

She looked into Jane's eyes and said, "Tit for tat."

Gently cradling it in her hand, Niti leaned in and traced her tongue along Rudy's dick, savoring the taste of their combined pleasure. With every lick and caress, she skillfully cleaned Rudy's dick.

With a mischievous smile, Niti took her time cleaning Rudy's cock, savoring the taste of their passionate encounter, ensuring not a drop was left behind. Her expert movements elicited a low growl from Rudy, a primal rumble of satisfaction as pleasure surged through his veins.

As Niti continued her pleasurable ministrations on Rudy's throbbing member, Rias approached them with a hunger in her eyes.

"Okay, move aside, you too. Now it's my turn~" Rias butted in and sat in front of Rudy.

With a sultry voice, she whispered to Rudy, "Jane's loud and passionate moans are a testament to her pleasure. Fuck me the same way, make me feel just as good."

"Jane and I have fucked countless times, but this will be your second time." With a concerned look on his face, he looked into Rias' eyes. "I can't fuck you the same way I fucked Jane," he admitted.

Rias puffed her cheeks in frustration, her desire growing even stronger. "I demand to be fucked roughly," she said with determination, her eyes gleaming with anticipation.

"You girls are... so competitive..."

Rias lay in front of Rudy, her body glistening with a mixture of desire and anticipation. She spread her legs wide, parting her pussy lips with her fingers to reveal her wetness.

A soft moan escaped her lips, a delicate invitation that stirred the primal hunger within Rudy. With a growl of desire, he positioned himself between her legs, his hard dick throbbing in anticipation.

Guided by Rias' inviting gaze, Rudy slowly pressed his big cock against her slick entrance, the sensation of her warm wetness enveloping him causing a shiver of pleasure to race through his body.

With a soft moan, she surrendered to the pleasure, her tight pussy enveloping Rudy's dick with an eager tightness. The sensation was electrifying, and Rudy couldn't hold back any longer. As he plunged deep into Rias, he filled her pussy with his hot seed as their bodies trembled in unison.

"What~?! So fast!"

"Oh, don't you worry... that was actually my pre-cum."

He raised Rias' waist, gripping it firmly as he humped her roughly.

Chapter 906: Three at Once

As Rudy continued to fuck Rias, Jane's playful voice broke the silence.

"You wanted to taste my share of cum, right?" she whispered seductively to Rias, a mischievous glint in her eyes.

With a sly smile, Jane positioned herself above Rias' face, her anticipation palpable.

"Here. I will be a good little sister and let you have it!"

In one fluid motion, she lowered herself onto Rias' waiting mouth, her wet and cum-covered pussy sliding against eager lips. Delicious pleasure coursing through her as Rias eagerly licked and suckled, savoring the delectable taste of their Rudy's cum.

Rias, driven by an insatiable hunger, flicked her tongue against Jane's engorged clit, the taste of her unmistakably sweet. With teasing licks and gentle sucks, she savored the mixture of her sister's arousal and Rudy's essence.

Each flick of her tongue sent waves of pleasure coursing through Jane's body, eliciting moans of delight that matched the rhythm orchestrated by Rudy's relentless strokes.

As the intense pleasure continued to consume them, Niti could no longer resist the alluring scene before her. With a wicked smile, she climbed on top of Rias, straddling her stomach. The powerful sensations pulsed through Rias' body, transmitted through Niti's connection with her.

Feeling the vibrations from Rudy's thrusts and the heat radiating from Rias, Niti's own desire ignited. She eagerly teased Rias' sensitive nipples with her fingertips, sending shivers of pleasure coursing through her body.

In the midst of the carnal frenzy, Niti turned her attention to Rudy. Her lips, glistening with anticipation, met his lips in a passionate embrace.

Their tongues intertwined, a tantalizing dance of desire as they became consumed by the alluring heat of their connection. Each touch, each kiss, sent electric jolts of pleasure coursing through their bodies, enhancing the simmering intensity of the moment.

As Niti continued to explore the depths of pleasure with Rudy, Rias and Jane intensified their own sensations. Rias skillfully flicked her tongue against Jane's swollen clit, a delicious torment that elicited an unrestrained symphony of moans and gasps.

As the intense fervor consumed them, Rudy's primal desire couldn't be contained any longer. His hands moved to Niti's waist, pulling her closer as their lips melded in a passionate kiss. Their tongues entwined, exploring each other with a fiery hunger.

With each thrust, he increased his speed and depth, his primal instincts taking over as he relentlessly fucked Rias. The sound of their bodies colliding filled the room, mixing with their moans of unbridled pleasure.

Rudy's thrusts grew more intense, driving him deeper into Rias, as Niti straddled Rias' stomach. Her breasts bounced enticingly with each movement. Unable to resist their allure, Rudy reached out and squeezed Niti's breasts, causing her to gasp in pleasure.

As the erotic frenzy continued, Rudy's primal desire demanded more. He couldn't contain his lust any longer. With a hungry growl, he broke away from Niti's lips and shifted his focus to Rias. His lips crashed onto hers, a voracious hunger consuming them both.

As Rudy's ardor continued to consume him, he reluctantly released Rias from their fervent kiss and shifted his focus to Niti. Now that Rias had extracted everything from Niti's pussy, with a lustful hunger in his eyes, he ravished her swollen clit with his skilled tongue, sending waves of pleasure coursing through her body.

As the intense fusion of desire continued to spiral uncontrollably, Rudy's lips left Jane's thigh, leaving a trail of passion in their wake. Sensing Rias' nearing climax, the sensation of her tight walls clenching around him only fueled the fire of his insatiable passion.

As Rudy's thrusts continued their primal rhythm, Rias could feel the intensity building within her. Her body quivered with desire as she devoured every velvety drop of Rudy's essence from Jane's dripping core. The tang of their combined flavors drove her wild with ecstasy, pushing her closer to the edge.

Chapter 910: Ultimate Blow

Rudy's load was enough to fill Jane and Rias' mouths with his cum, but he had to cum again for Niti. So he plugged his dick inside Niti's mouth and let her suck it, so she could get a mouthful of reward.

Niti, consumed by her own insatiable hunger, intensified her suction, her lips pressing tightly against Rudy's dick. She could taste his impending release building, and she wanted to have it all. Niti, filled with a hunger that matched his own, eagerly accepted his command. She closed her lips around him, her tongue dancing along his length with a fervor that bordered on ravenous. The sensation of his firm grip combined with the exquisite pressure of her mouth sent waves of ecstasy crashing through Rudy's body.

Sensing Rudy's climax drawing near, Niti refused to release his dick from her warm, wet mouth. Her grip tightened, her tongue swirling with urgency as she aimed to extract every drop of his essence for herself. Niti's eyes locked with Rudy's, a wicked glimmer of desire burning between them.

After a few minutes of mouth fucking, Rudy released his load inside Niti's mouth, her cheeks puffed as her mouth couldn't contain Rudy's huge load. Her eyes sparkled with triumph as she swallowed every drop of his milky essence, savoring the taste of his surrender.

Then, Rudy pulled his dick out from Niti's mouth and sprinkled his cum on Jane, Niti, and Rias' faces, who accepted it with mouths open and tongues out.

The girls' faces, boobs, stomachs, thighs, and legs were covered with Rudy's cum.

Rias and Jane watched intently, their bodies responding to the scene unfolding before them. Their own cravings intensifying with every passing moment, they moved in closer to Rudy, their lips and tongues working in perfect harmony as they took turns to suckle on his aching dick.

After cleaning his dick, the girls looked at each other and giggled, seemingly happy and enjoying the moment.

Rias, panting and flushed, gazed up at him with desire-filled eyes. "That was incredible," she whispered, her voice trembling.

Rudy's dick had brought the three vampires together.

"That was a nice way to end the foursome," said Jane, her voice filled with satisfaction. As the intense pleasure of their passionate encounter began to subside, Rudy leaned back, his breath heavy and body still trembling with the aftershocks of pleasure.

"Yeah," Niti nodded with a smile.

Rias, her lips glistening with a mixture of sweat and desire, looked at Niti with a playful glint in her eyes. "It seems like our dear Niti has quite the appetite," she teased, a wicked smile curling her lips.

Jane touched her pussy and said, "My pussy is aching. Rudy fucked me too hard, and I wasn't ready for it."

"Your moans say otherwise," Rias commented.

"Well, I was feeling awesome, obviously. His dick is magical."

"I am tired as well," Rias muttered.

"I think we will have a great sleep," Niti smiled. "The sleep after getting fucked is always the best sleep."

As the intense pleasure of their passionate encounter began to subside, the room became filled with a charged silence, broken only by their heavy breathing. Rudy glowed with anticipation, his body burning with a hunger that had yet to be satiated. With a wicked grin, he held up a finger, signaling for the women to wait a moment.

Rudy smirked, a sense of dominance flickering in his eyes. "But I'm not done with you yet," he growled, his voice oozing with raw desire.

He held his dick in his hand, his eyes gleaming with a mischievous glint. He Got up onto the bed and stood before the three girls.

The room was bathed in a soft glow, and the shadow of the gigantic cock fell across the girls' faces. Their expressions shifted from contentment to a mix of surprise and slight apprehension as they realized Rudy's playful intentions.

"Rudy, just finished," Rias said, her voice slightly pleading as she glanced up at the sausage.

Niti nodded in agreement, a gentle smile on her lips. "Yes, we're quite satisfied. Maybe we could rest for a while?"

Jane, usually confident and composed, also seemed a bit wary as she looked at the sausage and then at Rudy. "I agree, Rudy. We need rest. And my pussy is aching, so I think... we could really use a nap."

Rudy, however, wasn't about to let them off the hook so easily. With a theatrical flourish, he waved his dick in the air, his eyes twinkling with mischief. "Come on, girls, there's always room for a little more fun!"

As he brought the sausage closer, the girls exchanged glances. They knew that Rudy's playful antics often led to unexpected and entertaining situations, but this time, they were feeling fully satiated. The shadow of his dick loomed over them, and they couldn't help but feel a mixture of excitement and trepidation.

"Rudy, please," Rias said, a hint of a whine in her voice, "We really need to rest after all that food."

Niti nodded again, her eyes imploring. "Yes, Rudy, we promise we'll have fun later. But for now, can we just take a break?"

Jane's eyes held a mix of amusement and a touch of caution. "Rudy, don't you think we've had enough for now?"

Rudy looked at them with a mockingly serious expression before breaking into a grin. "Alright, alright, I won't force you this time. But remember, the foursome has not ended yet!"

With a playful wink, he let go of his dick and joined the girls on the bed. Their playful banter continued, laughter filling the room as they shared lighthearted moments together.

However, Rudy simply couldn't contain himself, as his libido went crazy.

Three hot, naked vampires were sitting beside him, and there was no way he could calm down when his dick was raging.
