16 Chapter 16 Well then, just add 10,000,000 more!

In his memory, Xue An was a very kind person, even bordering on timid.

During school, he himself had provoked Xue An more than once, and Xue An never fought back.

Unexpectedly, this time Xue An suddenly exploded.

At that moment, Xue An turned his head to Fan Mengxue and Tang Xuan'er and said, "Take Xiang Xiang and Nian Nian and wait for me outside!"

Fan Mengxue always obeyed Xue An's words without question, while Tang Xuan'er hesitated for a moment before also getting up and leaving.

Actually, by this point, the two little girls, Xue Xiang and Xue Nian, didn't even know what had happened.

From the beginning, Xue An had used a spell to shield the two little girls, after all, the scene just now... was a bit too bloody.

After his daughters left, Xue An's gaze turned towards Hong Ming.

Hong Ming trembled all over, because Xue An's eyes were too terrifying.

It was the gaze of an emperor looking down on his subjects.

Hong Ming suddenly had the impulse to prostrate himself on the ground as he said in a trembling voice, "Fine! Ten million it is, I'll pay!"

A wise man does not fight when the odds are against him, so Hong Ming decided to submit first and take his revenge later.

But Xue An shook his head and said indifferently, "It was ten million just now, but now it has become twenty million!"

"After all... you made me exert so much effort, and you even broke an ashtray. Shouldn't you compensate me for that?"

Hong Ming's eyes widened in shock.

It was the first time he had heard of someone having to compensate their attacker.

As for the others, they were completely dumbfounded.

After a moment, a few of the boys plucked up the courage to say, "Xue An, let's call it even, we're all classmates here, why go to such lengths...?"

"Yeah, yeah! Young Master Hong has already been beaten up by you, showing mercy is the noble thing to do, let's just let it go!"

Xue An's gaze swept over these people's faces.

This time, no one dared to meet his eyes, all looking down instead.

"Alright then! Since everyone is pleading for you..."

The crowd's hearts had just begun to relax, thinking that Xue An was going to let it go.

Xue An said dispassionately, "Then let's add another ten million!"

Everyone was stunned.

As for Hong Ming, his face couldn't look uglier.

Thirty million.

That was no small sum.

Although his family was rich, money didn't grow on trees, especially since he hadn't taken over the family business yet and relied on the pocket money his family gave him.

It wasn't a small amount either, but it was far from thirty million.

But just then, a noise came from outside, with faint sounds of women's screams and reprimands.

Xue An's face instantly darkened, and with one kick he sent the private room door flying open before striding out.

The people inside also followed out.

At this moment in the corridor, a man with hair dyed in all the colors of the rainbow like a bird's nest, flanked by a few cronies, had surrounded Fan Mengxue, Tang Xuan'er, and the others.

The man was grinning, "Chick, I noticed you at the door just now. You're so pretty, why stick with a loser like him? Why not come with big brother here? I'm well-endowed and skilled, I guarantee you'll be satisfied!"

Tang Xuan'er was so angry her face turned red, and she found herself speechless for a moment.

Fan Mengxue couldn't help but scold back, "Ugh, shameless and vulgar, let us go! Otherwise, you'll face the consequences!"

He-he, "This one's even better looking! Face the consequences? Here in Beijiang, no one dares to talk to me like that!" the man chuckled.

Seeing this scene, a killing intent flashed in Xue An's eyes.

Upon seeing this man, Hong Ming was as if he had seen his savior and rushed over immediately, crying out with a sobbing tone.

"Brother Kun, save me, Brother Kun save me!"

Only then did this man, called Brother Kun, notice Hong Ming, "Eh, isn't that Young Master Hong? Why is your face covered in blood?"

At that moment, Song Jing, like a dog that had seen its owner, immediately began distorting the story as she recounted it.

Brother Kun turned his face toward Xue An, first stunned, then he laughed with scorn.

"I thought some tough guy had crossed over from somewhere else, turns out it's just a pathetic loser!"

This Brother Kun was the man who had mocked Xue An as a country bumpkin at the entrance of the Dragon Emperor Platform.

Now, Xue An's classmates recognized who Brother Kun was and couldn't help but whisper among themselves.

"Killer Kun! It's actually Killer Kun!"

"I've heard this guy is extremely ruthless, and he's also under Du Fan, the big boss of the Dragon Emperor Platform!"

"Looks like Young Master Hong has a good relationship with this Lu Kun! This is going to be interesting!"

Lu Kun patted Hong Ming's shoulder, "Don't worry, I'll take care of this matter. But these two girls... they're your classmates, right?"

Hong Ming trembled and then nodded his head.

Lu Kun's smile became even happier, "In that case, there's even less of an outsider here. I'd like to invite the two young ladies for a meal later, what do you think?"

Although it sounded like a question, Hong Ming knew very well that Lu Kun was a henchman of South City's big boss, someone who was always arrogant and commanding. Whatever he said had to be done.

Hong Ming hesitated for a moment, then gritted his teeth. Anyway, there was no chance with Fan Mengxue anymore, and Lu Kun was not someone he could afford to offend. It wouldn't hurt to grant a favor by going with the flow, so he nodded.

Lu Kun turned around, a malevolent smile on his face, "Kid, now I'm giving you two options. One is to kneel down and apologize to Young Master Hong. Make him satisfied and I'll let you go. The other... I'll throw you into the river to feed the sharks tonight."

But a childish voice came through, "Uncle Chicken Coop, there are no sharks in the river, sharks are in the sea, you know!"

The speaker was Xue Xiang,

Lu Kun's expression suddenly became very interesting.

Xue An gave a slight smile, "Do you like your hair very much?"

This non-sequitur confused Lu Kun.

"What?"

"I'm asking if you like your hair very much? Otherwise, why would you dye it with so many colors?"

Lu Kun tossed his bangs with pride, "Of course! My hair is very precious! I..."

Xue An nodded, "That's good!"

After that, Xue An's left foot suddenly kicked off the ground, and he shot out like a bullet.

A few henchmen stood in front of Lu Kun. Xue An charged at them, fists flying left and right, swiftly flattening those henchmen, then grabbed Lu Kun, who was still in a dazed state.

“What... what are you doing? I... I’m Du Ge’s man... you...”

Xue An’s hand slowly lifted, Lu Kun’s feet left the ground, his eyes rolling back as he was choked.

Not until Lu Kun’s face had almost turned green did Xue An suddenly release him. Lu Kun fell to the ground with a thud, and before he could recover,

Xue An spoke softly, “Cover their eyes.”

Fan Mengxue and Tang Xuan’er understood immediately and covered Xue Xiang and Nian Nian’s eyes, blocking their ears as well.

Then Xue An took hold of Lu Kun’s hair and pulled with a little force.

Rip.

A large tuft of hair was brutally torn off.

Lu Kun let out a miserable scream. Xue An, not wanting to disturb his daughter, reached out with his right hand and unceremoniously dislocated Lu Kun’s jaw.

After that, like pulling up leeks, Xue An stripped Lu Kun’s hair off tuft by tuft.
